Bold 360 Chat Service

I am pleased to announce we've started setting up libraries on the free BOLD 360 chat service! If you weren't in the first batch but have already sent me your contact information, you will be getting an email next week, with all the information to start using this service. For more information see the State Library website here: https://www.statelibraryofiowa.org/ld/c-d/chat_service, then give me a call, send an email or send me contact info via [chat](#) and I'll get you signed up!

Hygiene Kits

Many of you have asked about the hygiene kits that the State Library is providing, using CARES Act money. The company that is sourcing them for us has been waiting on one item that was backordered. We expect that to be in (or replaced) very soon. Kits will then need to be packed and taken to the delivery hub. Drivers have been told that they can disperse them as they have room in their vehicles. We anticipated this would be out in the beginning of July, we are now hoping for mid- August. They will include things like wipes and cleaners, as well as PPE.
