

Update from the State Data Center - September 25, 2020

## Latinos in Iowa: 2020

In 1968, Congress authorized President Lyndon B. Johnson to proclaim a week in September as National Hispanic Heritage Week. The observance was expanded in 1988 to a month-long celebration (Sept. 15-Oct. 15). During this month, the United States celebrates the culture and traditions of U.S. residents who trace their roots to Spain, Mexico and the Spanish-speaking nations of Central America, South America and the Caribbean. Sept. 15 was chosen as the starting point for the celebration because it is the anniversary of independence of five Latin American countries: Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua. In addition, Mexico and Chile celebrate their independence days on Sept. 16 and Sept. 18, respectively.
