#### **NEWS RELEASE**

		Contact:	mariys Gaston
FOR RELEASE	October 28, 2020		515/281-5834

Auditor of State Rob Sand today released an audit report on the Iowa Innovation Corporation for the year ended June 30, 2020.

#### FINANCIAL HIGHLIGHTS:

The Iowa Innovation Corporation was established by Chapter 15.107 of the Code of Iowa as a non-profit corporation for the purpose of receiving and disbursing funds from public and private sources to further the overall development and economic well-being of the State of Iowa.

The Corporation's revenues totaled \$1,376,394 for the year ended June 30, 2020, a 10.6% decrease from the prior year. Revenues consisted of \$724,942 from program revenues, \$535,000 from program management fees, \$115,000 from networking and outreach, \$537 from event income and \$915 of interest income.

Expenses for the year ended June 30, 2020 totaled \$1,335,989, a 9.5% increase over the prior year, and included \$731,662 for program expenses, \$407,637 for salaries and benefits and \$73,249 for networking and outreach.

#### **AUDIT FINDINGS:**

Sand reported one finding related the receipt and disbursement of funds from public and private sources. It is found on page 16 of this report. The finding addresses a lack of segregation of duties. Sand provided the Board with a recommendation to address the finding.

The finding discussed above is repeated from the prior year. The Corporation Board has a fiduciary responsibility to provide oversight to the Corporations operations and financial transactions. Oversight is typically defined as the "watchful and responsible care" a governing body exercises in its fiduciary capacity.

A copy of the audit report is available for review on the Auditor of State's web site at <a href="https://auditor.iowa.gov/reports/audit-reports/">https://auditor.iowa.gov/reports/audit-reports/</a>.

Iowa Innovation Corporation Des Moines, Iowa

To the Members of the Iowa Innovation Corporation:

I am pleased to submit to you the financial and compliance audit report for the Iowa Innovation Corporation for the year ended June 30, 2020. The audit was performed in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>.

I appreciate the cooperation and courtesy extended by the officials and employees of Iowa Innovation Corporation throughout the audit. If I or this office can be of any further assistance, please contact me or my staff at 515-281-5834.

Sincerely,

Rob Sand Auditor of State

#### Independent Auditor's Report

To the Board of Directors of the Iowa Innovation Corporation:

#### Report on the Financial Statements

We have audited the accompanying Statement of Net Position, and the related Statements of Activities and Cash Flows of the Iowa Innovation Corporation as of and for the year ended June 30, 2020, and the related Notes to Financial Statements which collectively comprise the Iowa Innovation Corporation's basic financial statements listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles. This includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Iowa Innovation Corporation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Iowa Innovation Corporation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Iowa Innovation Corporation as of June 30, 2020, and the respective changes in its financial position and its cash flows thereof for the year then ended in conformity with U.S. generally accepted accounting principles.

#### Other Reporting Required by Government Auditing Standards

In accordance with <u>Government Auditing Standards</u>, we have also issued our report dated October 9, 2020 on our consideration of the Iowa Innovation Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the effectiveness of the Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> in considering the Iowa Innovation Corporation's internal control over financial reporting and compliance.

Marlys K. Gaston, CPA

#### Notes to Financial Statements

June 30, 2020

#### (1) Summary of Significant Accounting Policies

#### A. Reporting Entity

The Iowa Innovation Corporation (Corporation) was established as a non-profit corporation in October 2011 by Chapter 15.107 of the Code of Iowa for the purpose of receiving and disbursing funds from public and private sources to further the overall development and economic well-being of the State of Iowa.

The Iowa Innovation Corporation is a nonprofit corporation organized under Chapter 504 of the Code of Iowa and qualifies under Section 501(c)(3) of the Internal Revenue Code as an organization exempt from taxation.

#### B. Basis of Accounting

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles. Revenues are recorded when earned and expenses are recorded when the liability is incurred.

Purchases of equipment providing future benefits are capitalized and depreciated.

#### C. Basis of Presentation

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions.

<u>Restricted net assets</u> – consists of net assets restricted for use in accordance with donor imposed restrictions.

<u>Unrestricted net assets</u> – net assets not subject to donor-imposed stipulations.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets.

#### D. Assets, Liabilities and Net Assets

<u>Cash and Cash Equivalents</u> – The Corporation considers its savings account to be a cash equivalent.

<u>Equipment</u> – Purchased equipment is stated at cost. Donated capital assets are valued at the estimated fair value on the date of donation. Capital assets are defined by the Iowa Innovation Corporation as assets with initial, individual costs in excess of \$1,000. Depreciation is computed using the straight-line method over the estimated useful live of 4 years.

#### (2) Lease Commitment

The Corporation occupies office space under a long-term operating lease which started May 1, 2019 and continues through April 30, 2024.

The following schedule shows future minimum rental payments required under the lease as of June 30, 2020.

Year ending	
June 30,	Amount
2021	\$ 39,600
2022	40,288
2023	40,288
2024	 34,668
Total	\$ 154,845

Rental expense under this lease for the year ended June 30, 2020 totaled \$38,933.

#### (3) Risk Management

The Corporation is exposed to various risks of loss related to torts; theft; damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. These risks are covered by commercial insurance purchased from independent third parties. The Corporation assumes liability for any deductibles and claims in excess of coverage limitations. Settled claims from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

#### (4) Capital Assets

A summary of equipment at June 30, 2020 is as follows:

Equipment		3,592
Less: accumulated depreciation		2,123
Equipment, net	\$	1,469

#### (5) COVID-19

In March 2020, the COVID-19 outbreak was declared a global pandemic. The disruption to businesses across a range of industries in the United Stated continues to evolve. The full impact to local, regional and national economies, including that of the Corporation, remains uncertain.

To date, the outbreak has not created a material disruption to the operations of the Corporation. However, the extent of the financial impact of COVID-19 will depend on future developments, including the spread of the virus, duration and timing of the economic recovery. Due to these uncertainties, management cannot reasonably estimate the potential impact to the Corporation's operations and finances.

Independent Auditor's Report on Internal Control
over Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in Accordance with
Government Auditing Standards

To the Board of Directors of the Iowa Innovation Corporation:

We have audited in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States, the financial statements of the Iowa Innovation Corporation as of and for the year ended June 30, 2020, and the related Notes to Financial Statements, and have issued our report thereon dated October 9, 2020.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Iowa Innovation Corporation's internal control over financial reporting to determine the audit procedures appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Iowa Innovation Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Iowa Innovation Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility a material misstatement of the Corporation's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. We consider the deficiency described in the accompanying Schedule of Findings as item (A) to be a material weakness.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Iowa Innovation Corporation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under Government Auditing Standards.

#### The Iowa Innovation Corporation's Response to the Finding

The Iowa Innovation Corporation's response to the finding identified in our audit is described in the accompanying Schedule of Findings. The Iowa Innovation Corporation's response was not subjected to the auditing procedures applied in the audit of the financial statement and, accordingly, we express no opinion on it.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> in considering the Corporation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the Iowa Innovation Corporation during the course of our audit. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.

Marlys K. Gaston, CPA
Deputy Auditor of State

October 9, 2020

#### Schedule of Findings

June 30, 2020

#### Finding Related to the Financial Statements:

#### INTERNAL CONTROL DEFICIENCY:

#### (A) Segregation of Duties

<u>Criteria</u> – Management is responsible for establishing and maintaining internal control. A good system of internal control provides for adequate segregation of duties so no one individual handles a transaction from its inception to completion. In order to maintain proper internal control, duties should be segregated so the authorization, custody and recording of transactions are not under the control of the same employee. This segregation of duties helps prevent losses from employee error or dishonesty and maximizes the accuracy of the Corporation's (IIC) financial statements.

<u>Condition</u> – Generally, one or two individuals may have control over the following areas for which no compensating controls exist:

- 1. Opening mail, preparing and depositing collections, approving invoices and signing checks.
- 2. Payroll journals and vacation/sick leave usage are not reviewed to ensure they are properly recorded.

<u>Cause</u> – IIC has a limited number of employees and procedures have not been designed and implemented to adequately segregate duties or provide compensating controls through additional oversight of transactions and processes.

<u>Effect</u> – Inadequate segregation of duties could adversely affect IIC's ability to prevent detect and correct misstatements, errors or misappropriation on a timely basis by employees in the normal course of performing their assigned functions.

<u>Recommendation</u> – IIC should review its control activities to obtain the maximum internal control possible under the circumstances utilizing currently available staff, including members of the Board, to provide additional control through review of financial transactions, reconciliations and reports.

<u>Response</u> – IIC acknowledges and understands the findings and to the extent possible, given our organization's size, will address these moving forward.

<u>Conclusion</u> – Response accepted.

#### **INSTANCES OF NON-COMPLIANCE:**

No matters were noted.
