Sioux City Public Library

Gleeson Room

The Iowa Commission on the Status of African-Americans (ICSAA) is conducting regional public community discussions throughout Iowa to gather information on issues affecting Blacks in the state. ICSAA is a state agency that exists to address the needs and concerns of Iowa's Black citizens. Individuals and organizations with an interest in these issues are encouraged to present written or oral testimony at the public listening sessions. Testimony will influence the ICSAA 2020 Agenda, which includes proposals to the Governor and General Assembly as well as other constructive action.

All persons or organizations wishing to present information for consideration at a public session are welcome, as well as any community members who are interested in learning more about the ICSAA. Those wishing to discuss a particular issue should arrive and register 15 minutes before the start of the session. This will guarantee that time will be reserved for all individuals or organizations wishing to present to the commission. Refreshments will be served.

ICSAA quarterly commission meeting will be held following the discussion at 1:30 PM.
