## The State Revolving Fund asks...Did you know?

*From SRF Coordinator, January 25, 2021*

**Did you know...** that due to project workload and for planning purposes, the SRF staff evaluates projects that have been on the Intended Use Plan's (IUP) Project Priority List (PPL) for more than three years? A notification is sent to the applicants that their project may be dropped from the IUP if there is no progress in the six months following the notice. There are no penalties or negative implications associated with being dropped from the IUP. Applicants can reapply when the project is ready to move ahead.

Questions about this process can be directed to Theresa Enright, SRF Coordinator, at 515-725-0498 or at [theresa.enright@dnr.iowa.gov](mailto:theresa.enright@dnr.iowa.gov)
