# Air Quality News

## Environmental Services

### Join for EASY Air “how-to” webinars in February

Sign up now to learn how to use DNR’s Environmental Application System (EASY Air)—an easier online system to apply for construction and Title V operating permits.

Pick and choose from the following sessions. You’ll gain the knowledge you need to reduce data entry, increase data accuracy, save time and pay fees online. Each session offers time for questions.

Once registered, you will receive an email confirming your registration.

**How to access the system:** Feb. 23 from 10 to 11:30 a.m.

Starting with an introduction to EASY Air, secure the essential tools **to access the system** and learn how to:

- create a user account,
- select the type of user account,
- associate facilities with an account,
- assign consultants and preparers,
- submit an application.

**Title V operating permit applications:** Feb. 23 from 1 to 3 pm.

For Title V permit applicants, this training introduces four easy steps to a successful application:

- access and navigate the system
- complete Title V applications
- modify Title V permits
- amend sent-back applications.

**Construction permit applications:** Feb. 24 from 1 to 4:30 p.m.

Provides the essential tools to submit **construction permit applications**. You’ll learn how to:

- access and navigate the system
- complete and modify permit applications
- amend sent-back applications.
- withdraw construction applications
- request a determination
- use general permits, templates, or registrations
- complete start-of-construction and operation forms.

Iowa DNR invites you to get on board. Mastering EASY Air tools can speed your final permit delivery. Find more information and registration links at [eAir Services](#) under the “What Kind of Training is Available” tab.

## A note on Iowa DNR and COVID-19

The Iowa Department of Natural Resources is working with state and local officials to reduce the spread of COVID-19 and has transitioned employees to work remotely. DNR offices are closed to the public during this time and only available by appointment.

In another effort to further reduce the spread of COVID-19, the DNR is encouraging the use of the online services for submitting applications, payments and other daily tasks and interaction with DNR staff.

- [Full list of DNR’s online services](#)
- [Up-to-date information on DNR services, facilities and events impacted by COVID-19](#)
- [Technical information for regulated businesses in regards to COVID-19](#)

We thank you for your patience and flexibility during this time. If you need to contact DNR staff you can reach them by email or phone or by calling 515-725-8200

DNR’s Air Quality News listserve is targeted to the regulated public and consultants to deliver timely regulatory news, program updates, and technical guidance to your email. If you have difficulty, please contact DNR’s Wendy Walker at 515-725-9570.
