

From the State Library - March 18, 2021

Directors: Please Complete Form on Library's Open Status

Library directors, please complete the form linked below on your library's open status. The form asks questions about whether the public is allowed in the building, if masks are required for patrons, what services are available, the state of your library's programming, and more.

Library responses will be available to view on a spreadsheet that will be linked on the [Library Re-opening Information](#) webpage next week. Your submission will help provide a big picture view of the current status of Iowa public libraries for both State Library staff and other public librarians.

The form will remain open on an ongoing basis; however, we appreciate your initial response by Friday, March 26. Additional responses can be submitted if your library's status changes in the future.

Thank you in advance for submitting your library's information!
