OF THE

STATE LIBRARIAN,

TO THE

THIRTEENTH GENERAL ASSEMBLY

OF THE

STATE OF IOWA.

DES MOINES:

[No. 8.]

LIBRARIAN'S REPORT.

IOWA STATE LIBRARY, DES MOINES, Nov. 1, 1869.

GENTLEMEN OF THE SENATE AND HOUSE OF REPRESENTATIVES:

In compliance with Section 704, of the Revision of 1860, I beg leave to submit the following report on the condition of the State Library:

The total number of volumes now in possession of the Library, is 10,961, exclusive of several hundred pamphlets.

For want of space in the Library, 1854 volumes of these are deposited in the warehouse, and 954 volumes tied up and placed on top of the shelves in the library; leaving 8,153 volumes accessible.

The law department has been largely increased during the past two years, under the provisions of chapter 161, of the laws of the Twelfth General Assembly, as well as by exchange with the several States. In consequence of this enlargement, it was thought advisable to extend the shelving into the Judges' consultation room, which has accommodated a considerable number of books. Already, however, the additional room thus secured is nearly exhausted, so that with an accession of about 700 volumes per annum, by exchange with the several States, beside those procured by purchase, and direct exchange of Iowa Reports, before the convening of the next Legislature, additional accommodations will be needed for more than 1,500 volumes.

The miscellaneous department is comparatively small, no additions having been made for several years. The sets of Reviews, in particular, need filling up; the *Edinburgh, London Quarterly, Quarterly*, and *American Quarterly Reviews*, being complete only to about 1835, and the *North American* to 1852.

The following is a list of books received from various sources from June 17, 1868 to November 1, 1869.
