DNR Staff Update

Anthony Kerker is the newest Environmental Specialist in Field Office 6 (Washington) and is working in the water supply program area, filling a vacancy due to promotion. He graduated from Iowa State University with a double major in Environmental Science and Animal Ecology with a Fisheries emphasis.

Field Office 1 is Moving!

The DNR's Environmental Services Division Field Office 1 (Manchester) is moving to a new location. Their new address, **effective April 1**, is 1101 Commercial Court, Suite 10, Manchester, IA 52057. Please note that the telephone numbers of the staff do not change.

EPA AIS Webinar: AIS Construction Materials

Please join EPA on April 21st at 1:30 PM (CDT) for a webinar covering the American Iron and Steel Requirement. This webinar will focus on the AIS listed product category of Construction Materials. There will be an approximately 20 minute presentation followed by a question and answer session. Please see the attached webinar flyer (.pdf, 1 page) for more information and [registration link](#).

WaterSense for Kids Activities

From EPA's WaterSense Program, 3/25/2021

With Earth Day approaching on April 22nd, there are opportunities to encourage kids to learn about saving water while they celebrate the water planet. EPA's WaterSense[®] has created new tools designed to educate children around Earth Day or every day. See their [website](#) for the available resources.

Operator Certification: Continuing Education Opportunities

To find continuing education opportunities, please view the "Training Calendar" at programs.iowadnr.gov/opcertweb/ Training events where Iowa DNR staff will make presentations are listed below with the presentation name in the description. Also included are training events provided by EPA where Iowa CEU are granted, or events sponsored by Iowa DNR. See the listing on the appropriate date on the Training Calendar for registration instructions. Look at the calendar often, as there are new opportunities posted throughout the week.
