DNR's Manchester field office has new location

MEDIA CONTACT: Joe Sanfilippo at 563-927-2640 or Joe.Sanfilippo@dnr.iowa.gov.

MANCHESTER—The DNR's northeast Iowa field office has a new address.

Effective today, DNR environmental services field office one has relocated to 1101 Commercial Court, Suite 10, Manchester, from its former location on Main Street. The phone and Fax numbers remain 563-927-2640 and 563-927-2075 respectively.

The Manchester staff work to protect our air, land and water in 15 counties. Trained field specialists help people, businesses and towns comply with Iowa's environmental laws and programs. Field specialists answer technical questions, inspect regulated facilities, respond to spills and investigate complaints.

Learn more about DNR's six field offices and how to report fish kills, chemical spills and other potential threats to the environment on the [field office](#) webpages.

DNR enforcement actions

MEDIA CONTACT: Tamara McIntosh, DNR, at 515-725-8242 or Tamara.McIntosh@dnr.iowa.gov.

DES MOINES – DNR staff work with individuals, businesses and communities to help them protect our natural resources by complying with state and federal laws. This approach is very effective. In the few cases where compliance cannot be achieved, the DNR issues enforcement actions. The following list summarizes recent enforcement actions. Find the entire, original orders on DNR's website at www.iowadnr.gov/EnforcementActions.

Consent Orders

A consent order is issued as an alternative to issuing an administrative order. A consent order indicates that the DNR has voluntarily entered into a legally enforceable agreement with the other party.

Scott County

Ven Green Land Development, LLC

Comply with all conditions of its National Pollution Discharge Elimination System permit, to include the Storm Water Pollution Prevention Plan and pay a \$6,000 administrative penalty.

Story County

Amy Kohlwes

Affidavit operator statuses for the City of McCallsburg and City of Zearing's respective water and wastewater systems are revoked; and comply with terms of a one-year probation for all DNR-issued water treatment and/or distribution and wastewater treatment licenses.

Webster County

Frank's Auto & Truck Salvage, LLC

Submit an application for a storm water permit and refrain from operating until a storm water permit is obtained; submit an application for an appliance demanufacturing permit (ADP) and refrain from accepting or processing any appliances until the ADP is obtained; post signs on the property until the ADP is obtained that notify the public that appliances cannot be dropped off; and pay a \$6,625 administrative penalty.

Amendments

Wayne County

City of Corydon

The city shall submit plans and specifications for upgrades to its wastewater treatment facility by Aug. 30, 2021; shall issue a contract for the construction of upgrades by Dec. 30, 2021; and shall comply with final limits in its most current National Pollution Discharge Elimination System permit by Dec. 21, 2022).
