## BIENNIAL REPORT OF TREASURER OF STATE.

OFFICE OF TREASURER OF STATE. }  
Des Moines, Iowa, Nov. 6, 1871. }

To His EXCELLENCY, SAMUEL MERRILL, *Governor of Iowa* :

*Sir* : In compliance with the law defining the duties of the State Treasurer, I have the honor to submit to your excellency the following report of the receipts and disbursements in this office for the fiscal term, commencing the 2d day of November, 1869, and ending the 6th day of November, 1871, being a full and complete statement of the financial transactions of this department during that period, and showing the condition of the different funds at the close of each quarter during that period and at this date.

The balance in the treasury, to the credit of the different funds, on the 2d day of November, 1869; the amount received and paid out during the fiscal term commencing November 2, 1869, and ending November 6, 1871; and the balance now in the treasury belonging to the different funds is shown by the following brief exhibit :

	\$ 95,969.26

#### PERMANENT SCHOOL FUND.

There has been received and paid out on account of Permanent School Fund during the fiscal term now closed, as follows:

Balance in Treasury, Nov. 2, 1869.....	\$ 7,739.10
Received from Nov. 2, 1869, to Nov. 6, 1871.....	45,685.68
Total amount.....	\$ 53,413.78

Amount paid counties during same period.....	\$ 50,318.78
Balance in Treasury, Nov. 6, 1871....	\$ 3,095.00

\$39,144.67, of the above amount was "five per cent fund" received from the general government, the remaining \$14,269.11, being amount received from the securities of James D. Eads.

Section 1964, Revision of 1860, provides for the apportionment to the counties by the State Treasurer of the five per cent fund paid into the treasury:

"The five per centum of the net proceeds of all sales of the public lands in the State is hereby made payable to the State Treasurer, whose duty it shall be to apportion the same among the several organized counties in this State, taking into consideration the amount of the permanent school fund already in possession of said counties, so that each county may hold an amount of school fund proportioned to its population."

As counties are not required or expected to report to the State Treasurer the amount of permanent school fund in their possession, he cannot have any official knowledge of the amount or condition of this, or any other fund that they may have, and hence, cannot correctly and intelligently comply with the requirements of this section (1964). But as the law designates the Auditor of State as the officer to whom counties shall report, from time to time, the amount and condition of the different State funds in their possession, it was judged proper and right that the Auditor of State—inasmuch as the counties make their reports to him, and in his office alone is to be found the reliable official information necessary to the correct distribution of this fund—should make the apportionment.

Accordingly, on the 3d day of February, 1871, I received from him the following communication, viz:

STATE OF IOWA, }  
AUDITOR'S OFFICE, }  
DES MOINES, February 3d, 1871. }

HON. S. E. RANKIN, *Treasurer of the State of Iowa*:

SIR—I would respectfully designate the following counties, to whom the amount of \$34,792.36, permanent school fund, now in

your hands, should be distributed, according to the provision of section 1964, of the Revision of 1860. In making the apportioned list I have taken into consideration the degree of successful management exhibited by the various counties, in the control of that portion of the permanent school fund already in their possession, and have not designated any county whose accounts are not balanced on the books of this office.

JOHN RUSSELL,  
*Auditor of State.*

Total.....	\$94,792.36

Again, on the 4th day of September, 1871, I received from him the following communication, viz:

STATE OF IOWA, AUDITOR'S OFFICE,  
DES MOINES, September 4, 1871.

"HON. S. E. RANKIN, TREASURER OF THE STATE OF IOWA :

"SIR :—I would respectfully designate the following counties, as  
"those to whom the amount of fifteen thousand, five hundred and  
"twenty-six and 42-100 dollars (\$15,526.42), permanent school fund,

"now in your hands, should be distributed according to the provisions of Sec. 1964, of the revision of 1860, viz :

COUNTIES.	Amount.

JOHN RUSSELL,  
*Auditor of State.*

By reference to statement "B," it will be seen that this fund was distributed to the several counties, and in the several amounts as in the foregoing communication designated.

#### TEMPORARY SCHOOL FUND.

There has been received, and paid out on the order of the Auditor of State on account of the Temporary School Fund during the fiscal term now closed, as follows:

To balance in treasury, Nov. 2, 1869 .....	\$ 38.00
To amount received from Nov. 2, 1869, to Nov. 6, 1871.....	43,482.26
Total receipts.....	\$ 43,520.26

By amount paid counties during same period..... \$ 45,029.97

Balance in treasury, Nov. 6, 1871 .....

\$ 490.83

(See statement "C.")

#### SWAMP LAND INDEMNITY FUND.

There has been received and paid out, on account of the Swamp Land Indemnity Fund, during the fiscal term now closed, as follows:

To balance in Treasury, Nov. 2, 1869.....	\$ 5,300.30
To amount received from General Government for Webster Co..	3,081.16
Total amount .....	\$ 8,381.46

By amount paid Webster Co., April 8, 1870.....	\$ 3019.54	
By amount paid Clinton Co., June 17, 1870.....	2,733.47—\$	5,753.01
Balance in treasury, Nov. 6, 1871.....	\$ 2,634.45	

I have in my previous reports suggested a change in the law providing for the appointment and payment of agents to adjust our Swamp Land Indemnity Claims with the general government, and I would here most respectfully renew that suggestion. Section 13, Chapter 160, Acts of the 9th General Assembly, provides for the payment by the State, of the general State agents, appointed to settle with the general government, but provides that "The amount so paid shall be divided *pro rata* among the several counties, according to the amount in value of the money and lands secured to such county by the provisions of this act, the land to be valued at 1.25 per acre, and the amount so found due, by each county to the State, shall be paid before such county shall receive its share of the money and lands which may be obtained under the provisions of this act."

Section 13, of the same act provides for the appointment of special agents for counties, and provides further, that, "The costs, expenses and compensation of such special agent shall be paid by the county requesting appointment thereof."

The amount received from the general government for the several counties, to this date, is \$183,727.71, and amount paid to the several counties, to this date is \$180,480.72, leaving a balance in treasury of \$2,634.45, which has been withheld from counties, to reimburse the state for the payment of general agents, as provided in Sec. 12, aforesaid. But the amount paid to general agents cannot be divided *pro rata* among the several counties, until after full settlement of the swamp land claims has been made with the general government, and it is more than probable that many years may elapse before such full and final settlement can be made. And further, after these claims shall have been adjusted with the general government, and the amount in value, of money and lands secured to each county, as well as the amount of expenses paid by the State to general agents, shall have been definitely ascertained, the apportionment of such expenses among the several counties receiving money and lands, as provided in Sec. 12, would not be an equitable

apportionment of the expense incurred in the settlement of their respective claims, for the reason that many of these counties, through their own special agents, nominated and paid by them, under the provisions of Section 13, aforesaid, have effected—or aided in effecting—a settlement with the general government, and have secured—or aided in securing—at their own expense the money and lands due them.

There is due from the the county of Black Hawk, the sum of \$766.39, being amount overpaid that county, by my predecessor, through mistake, which when refunded by that county, will swell the amount retained to pay expense of general agents to \$3,400.84, and which has been retained from amounts received for the several counties as follows, viz:

Allamakee county.....	\$125 18
Audubon county.....	2 00
Benton county.....	99 72
Buchanan county.....	38 44
Butler county.....	302 51
Cedar county.....	141 97
Chickasaw county.....	107 85
Clayton county.....	4 90
Clinton county.....	58 01
Delaware county.....	62 42
Dubuque county.....	6 50
Fayette county.....	49 69
Floyd county.....	80 16
Franklin county.....	123 64
Grundy county.....	11 00
Guthrie county.....	38 92
Hamilton county.....	92 33
Hardin county.....	82 27
Ida county.....	6 30
Iowa county.....	147 72
Jackson county.....	38 93
Johnson county.....	195 36
Jones county.....	163 00
Linn county.....	44 45
Louisa county.....	46 25
Mahaska county.....	26 89
Marion county.....	5 75
Mills county.....	250 93

Mitchell county.....	\$ 28 98
Muscatine county.....	61 08
Polk county.....	145 00
Pottawattamie county.....	149 00
Ringgold county.....	334 75
Sac county.....	6 00
Tama county.....	77 50
Washington county.....	91 02
Wayne county.....	67 80
Webster county.....	61 62
Winnebago county.....	25 03— 3400 84
Deduct amount overpaid Black Hawk county.....	766 39
Leaving balance in Treasury at this date.....	\$2634 45

I would therefore respectfully suggest, that the law regulating the appointment of agents to settle the Swamp Land Claims of the State with the general government, be so changed as not to require the expenses of the general agents paid by the State to be collected from the counties, as required in section 12, chapter 160, acts of the Ninth General Assembly, and thus allow the amounts withheld from the several counties, as above shown, to be paid to them in full; or, if requiring expenses of general agents to be paid by counties, that the amount be fixed at a small proportion—say one per cent of the amount received for the several counties—which per cent shall be immediately passed to the credit of the general revenue, and the balance paid to the county entitled thereto.

#### DES MOINES RIVER IMPROVEMENT FUND.

There have been no receipts on account of Des Moines River Improvement Fund, since date of last report.

There was at that date, a balance in the treasury of.....	\$3,916.74
There has been paid out since that date, on Des Moines River Improvement warrants, redeemed.....	\$3,859.81
Leaving balance now in treasury of.....	\$56.93

It is believed that full payment has been made of all just claims against this fund. No interest has been allowed since September 20th, 1868, public notice having been given that warrants drawn on this fund would be paid upon presentation, and that from and after September 20th, 1868, interest would cease.

The whole amount paid out in the redemption of Des Moines River Improvement Warrants, is \$202,932.64; this includes amount paid to Wm. C. Drake, and Brown & Allender, under provisions of chapter 35, Laws of Eighth General Assembly, and section 8, chapter 44, Laws of Ninth General Assembly, from the General Revenue, and afterwards with the accrued interest, collected from the Des Moines Valley Railroad Company, in the settlement with the United States Government, and with the Des Moines Valley Railroad Company, of the excess of the 500,000 Acre Grant.

#### INSURANCE COMPANIES.

There has been received from Insurance companies, during the two years, ending November 6th, 1871, the sum of \$43,547.96, which as received, was placed to the credit of the general revenue. Of this amount, \$21,126.16, was tax for 1870, being a gain of \$6,206.07, over tax of 1869, and \$22,421.80, was tax for 1871, being a gain of \$1,295.64, over tax of 1870. For a more detailed account, giving names of companies, with amount of tax paid by each, and date of payments, see "Statement J."

#### IOWA STATE AGRICULTURAL COLLEGE ENDOWMENT FUND.

Chapter 71, Acts of the Eleventh General Assembly, provides, "That the Trustees of the Iowa State Agricultural College and 'Farm, are hereby authorized to sell or lease all of the lands granted to the State of Iowa, by the Act of Congress, entitled, 'An act donating public lands to the several States and Territories, which may

#### IOWA STATE AGRICULTURAL COLLEGE ENDOWMENT FUND.

Chapter 71, Acts of the Eleventh General Assembly, provides, "That the Trustees of the Iowa State Agricultural College and Farm, are hereby authorized to sell or lease all of the lands granted to the State of Iowa, by the Act of Congress, entitled, 'An act donating public lands to the several States and Territories, which may provide colleges for the benefit of Agriculture, and Mechanic Arts, &c.:' and further provides that, 'The money arising from the sale of said lands, shall be paid into the State Treasury, which shall be invested by the State Treasurer, in bonds of the State of Iowa, or United States Registered Bonds, as directed by the act of Congress, granting said lands, &c.'"

In accordance with these provisions, there has been received from Hon. Geo. W. Bassett, agent for the sale of college lands, the sum of \$6,692.41, of which amount \$5,900.00, has been invested in Iowa 7 per cent State Stocks. (See "Statement H.")

## FEES OF STATE OFFICERS.

There have been received from State officers, during the two years now closed, fees collected and paid by them into the State Treasury, under the provisions of section 8, chapter 112, acts of the Thirteenth General Assembly, as follows:

From Secretary of State.....	\$ 2,239.93
From Auditor of State.....	20,501.33
From Register of State Land Office.....	391.65
Total fees received.....	\$ 23,132.91

Which, as paid in, was passed to the credit of the general revenue. For more detailed account, see Statement "K."

## RAILROAD TAX.

There has been received from railroad companies tax on their gross earnings for the years 1869 and 1870, as follows:

Tax of 1869.....	\$ 105,635.14
Tax of 1870.....	186,722.00
Making a total for both years of.....	\$ 292,377.14

Of this amount there has been placed to the credit of the State on account of general revenue, as follows:

One-half of tax of 1869.....	\$ 52,827.60
One-fifth of tax of 1870.....	37,844.34
Making total for both years placed to credit of State.....	\$ 90,171.94

There has been paid to the several counties, in proportion to the number of miles of railroad in each county, as follows:

One-half of tax of 1869.....	\$ 52,827.54
Four-fifths of tax of 1870.....	149,377.66
Making total for both years paid to counties.....	\$ 202,205.20

The law passed by the General Assembly at its last session, increasing the rate of tax on gross earnings where they exceed a certain amount per mile, has increased the amount of tax for the year it has been in force, \$67,396.48 over what it would have been under

the previous law, and has increased the amount paid to counties \$89,715.90 over what it would have been under the previous law; but has reduced the amount placed to the credit of the State, \$22,317.42 below what it would have been under the law previously in force—the State for that year (1870,) only receiving, as shown above, the sum of \$37,344.34.

On the 31st day of December, 1870, there were 2683 miles of railroad in operation in the State, which, with their entire equipment, and including machine shops, round houses, depot and other buildings, was worth perhaps not less than \$75,000,000.00, the gross earnings of which for that year, were reported at but a trifle less than \$12,000,000.00. Yet the entire tax paid by this property for that year, for county and State purposes, was but \$186,722.00. It is true that this property if assessed as other property is for taxation, should be placed at a much smaller valuation than the above; yet still it must be evident to all that the tax paid by this property, bears no just proportion to the tax paid by other property.

The question of the taxation of the property of railroad companies, is one of grave import, and deserving the careful consideration of our law makers; not that there is any question whether such property should be taxed—for I think there can be none—but as to the manner in which the tax should be imposed, whether on gross earnings, on net receipts on market value of stocks, or on a valuation of their property. And whilst there is, no doubt, great diversity of opinion, as to how a revenue should be collected from this kind of property, there can be no doubt as to the correctness of the principle, that the burden of taxation should rest alike upon this as upon other property; upon the property of the railroad company, as upon the property of the mechanic, the farmer, the merchant, the banker and the manufacturer. It is true that the almost unprecedented increase in our population, and rapid development of our agricultural and mineral resources, is largely due to our railroads. The interior of our State, although rich in agricultural and mineral wealth, yet with markets distant and almost inaccessible, offered but small inducement to settlement, until our lines of railroad brought to us markets, and remunerative prices. But it is also true that very many of our railroads have received munificent grants of land to aid in their

construction, and all have received liberal contributions from individuals and communities located along their respective lines. And whilst any legislation in itself oppressive or unfriendly, and calculated to hinder the progress and development of railroad enterprise in our State, or to unjustly diminish the property of our railroads, by imposing upon them oppressive burdens, should be depreciated; yet that legislation cannot in truth be called unjust, oppressive, or even unfriendly, which seeks to gather alike from all the property within the limits of its jurisdiction, the revenue to defray the expenses of the government which protects alike the persons and property of all within its bounds.

For amount of tax received from the different railroads, and amount paid to the several counties, together with number of miles of road in each county—number of miles of road built each year—gross earnings of each road for each year, and other interesting statistics pertaining to the railroads of our State, see "Statement I," and "Railroad Tables," 1 to 25 inclusive.

### SPECIAL DEPOSITS.

#### TAFT LANDS.

There was deposited in the Treasury by Hon. S. H. Taft, the sum of \$10,919.20, (including the \$4,545.75 deposited by him prior to my last report) for the use of the Keokuk, Fort Des Moines, and Minnesota Railroad Company when they became entitled thereto, under the provisions of chapter 108, acts of the Tenth General Assembly, or for the benefit of the party entitled thereto, as per Joint Resolution No. 15, of the same General Assembly. Said money being in payment for certain lands included in the Des Moines River Land Grant, and sold to said Taft, under the provisions of section 4, chapter 108, aforesaid. The Des Moines Valley Railroad Company became entitled to the same upon the payment by them of certain claims against the Des Moines River Improvement Fund. Accordingly, on the 3d day of January, 1871, I paid over to the said Company, through their agent, Gen. Hugh T. Reid, the whole amount

#### IOWA FALLS & SIOUX CITY RAILWAY COMPANY.

There has been received from persons claiming the right to purchase, under the provisions of section 5, chapter 124, acts of the Twelfth General Assembly, lands granted to the Iowa Falls & Sioux City Railroad Company, the sum of \$6,684.35. For name of person, description of land, and date and amount of payment, see "Statement N."

#### MCGREGOR & SIOUX CITY RAILWAY COMPANY.

There has been received, under the provisions of section 7, chapter 58, acts of Twelfth General Assembly for the benefit of the McGregor & Sioux City Railway Company, \$161.00 being the homestead price of lands embraced in the grant of lands to said railway company, and entered under the homestead laws of the United States, prior to January 1st, 1866. For full description of tracts homesteaded, with date and amount of payment for each piece, see "Statement O."

The foregoing brief exhibit of the finances of the State is not only

amount paid to the several counties, together with number of miles of road in each county—number of miles of road built each year—gross earnings of each road for each year, and other interesting statistics pertaining to the railroads of our State, see "Statement I," and "Railroad Tables," 1 to 25 inclusive.

#### CHICAGO, ROCK ISLAND, AND PACIFIC RAILROAD COMPANY.

There was remaining in the Treasury, at the date of my last report, the sum of \$550.00 of the amount received from occupants of lands claimed by the Chicago, Rock Island, and Pacific Railroad Company, in accordance with the provisions of sections 4 and 5, chapter 13, acts of the Twelfth General Assembly. Of this amount, there has been refunded to occupants who were unable to furnish the proofs required to establish their right under the act aforesaid, to purchase the lands claimed, as follows:

March 18, 1870, to F. A. Burke.....	\$ 200.00
May 2, 1870, to Isaac A. Arlige.....	100.00
Total refunded.....	\$ 300.00

Leaving a balance yet in the Treasury of \$250.00, being amount deposited by Henry Low and Samuel A. Picker.

#### IOWA FALLS & SIOUX CITY RAILWAY COMPANY.

There has been received from persons claiming the right to purchase, under the provisions of section 5, chapter 124, acts of the Twelfth General Assembly, lands granted to the Iowa Falls & Sioux City Railroad Company, the sum of \$6,684.35. For name of person, description of land, and date and amount of payment, see "Statement N."

#### MCGREGOR & SIOUX CITY RAILWAY COMPANY.

There has been received, under the provisions of section 7, chapter 58, acts of Twelfth General Assembly for the benefit of the McGregor & Sioux City Railway Company, \$161.00 being the homestead price of lands embraced in the grant of lands to said railway company, and entered under the homestead laws of the United States, prior to January 1st, 1866. For full description of tracts homesteaded, with date and amount of payment for each piece, see "Statement O."

The foregoing brief exhibit of the finances of the State is not only

pleasing, but convincing evidence of real and continued prosperity. Small as the tax for State purposes is—only two mills on the dollar—yet revenue sufficient to meet all urgent demands upon the treasury has been secured. The interest upon the bonded debt of the State has been paid promptly at or before maturity. The liberal appropriations made by the last General Assembly, for the benefit of the different State institutions and public buildings, have been paid as required. All warrants drawn by the Auditor upon the treasury have been paid upon presentation. Only a small proportion of warrants issued are now outstanding, and none outstanding bear interest. These facts show the sound financial condition of the State, and are cause for congratulation.

For a more full and detailed account of the receipts and disbursements, and the condition of the several funds, you are referred to the "Statements" and "Tables," hereto appended.

All of which is respectfully submitted,

SAMUEL E. RANKIN,

*Treasurer of State.*

## ERRATA.

On 3d page, in fifth and twelfth lines from top, read, "Nov. 5th, 1871," instead of "Nov. 6th, 1871."

On 6th page, in list of apportionment to counties, after "Lee, \$3,000.00" and before "Louisa \$2,000.00," read "Linn \$2,000.00."

On 10th page, near foot, Des Moines River Improvement Warrant redeemed should read "\$3,854.86," instead of "\$3,859.86," and balance in treasury should read, "\$61 88," instead of "\$56 88."

On 11th page, in eleventh line from top, read, "Nov. 5th," instead of "Nov. 6th."

On 14th page, in fifth line from top, read "prosperity" instead of "property," and in next line, read "depreciated," instead of "depreciated."

On 15th page, in fifteenth line from top, read, "Samuel A. Pickle," instead of "Samuel A. Picker."

On 21st page, in second line from top, read "1871," instead of "1870."

On 24th page, in first line from top, read "R. D. Kellego," instead of "R. D. Kellog," and in tenth line, read, "1871," instead of "1771."

On 33d page, in twenty-fourth line from top, read "By cash paid Dallas county," instead of "\$1,270.60" read, "\$1,270.70."

On 35th page, in account of "miles of track built in 1869," read "633," instead of "533."

On page 43d, "Table No. 8," "Amount to Counties" in 1864 should be "\$1991.19," instead of "\$1691.19."

On page 45th, "Table No. 11," amount apportioned to the State for 1864, should be "\$330.52" instead of "\$339.52," and amount apportioned to Lee County for 1870 should be "\$901.32," instead of "\$9—"

On page 52d, "Table 24," total amount paid to Cedar County, should read "\$17,077.15," instead of "\$7,077.15."
