Each Tuesday afternoon, you're invited to join other librarians from Central District as we meet online in Maryann's "Office Hours." This is a time for you to share your good ideas, ask questions, ponder solutions for other librarians, and learn about various updates and opportunities for libraries. Join us **each Tuesday from 1:30 - 2:30** by clicking the green box below. Mark your calendar now and plan to attend tomorrow!

Kernels

Kernels are a "pop" of c.e. instruction from a practicing librarian who shares a program, idea, methodology in a fun and informal setting. Some of these Kernels sessions include librarians from right here in Central District! If you have an idea for a Kernels session, contact Maryann; she'll be happy to host you and help you through the process of sharing your information. A full list of Kernels sessions is available from the State Library's YouTube channel by clicking the green "playlist" button below.
