Published by  
THE STATE OF IOWA  
Des Moines

LETTER OF TRANSMITTAL

---

Honorable W. L. Harding, Governor, and the General Assembly  
of Iowa:

Pursuant to the provisions of Chapter 11-B Section 2727-a12,  
Code of Iowa, the Board of Control of State Institutions herewith  
submits the Twelfth Biennial Report, for the period ending June  
30, 1920, covering the sixteen institutions under control of this  
Board.

Respectfully submitted,  
By W. D. SHEEAN, Chairman  
J. H. STRIEF,  
A. M. McCOLL

Board of Control of State Institutions, Des Moines, November  
15, 1920.

## BOARD OF CONTROL OF STATE INSTITUTIONS

State House, Des Moines, Iowa

### MEMBERS AND OFFICERS OF THE BOARD

W. D. SHEEAN, Chairman.....	Anamosa
J. H. STRIEF .....	Sioux City
A. M. MCCOLL .....	Woodward
E. J. HINES, Secretary .....	Anamosa

#### *Office Force*

H. F. LIEBBE.....	State Architect
H. J. LIEBBE.....	Draftsman
H. L. SHROPSHIRE .....	Purchasing Agent
R. R. BOVEY.....	Accountant
J. F. BURKE.....	Assistant Accountant
MILDRED RUFFNER .....	Assistant Accountant
MAEEL BRISTOL .....	Statistician
GRACE BURLINGHAM .....	Estimate Clerk
CELIA HAYES .....	Parole Clerk
BESSIE WRIGHT .....	File Clerk
LILLIAN ROTHSCHILD .....	Stenographer
FRANCES STADY .....	Stenographer
NELLE TAYLOR .....	Stenographer
ANNE SCARBROUGH .....	Stenographer
GLADYS WILKINS .....	Stenographer
BESS BOLLINGER .....	Stenographer
O. D. SYKES .....	Storekeeper and Clerk

#### *Field Force*

CHARLOTTA GOFF .....	State Agent
BELLE DEMING .....	State Agent
HENRIETTA WEBER .....	State Agent
GENEVIEVE HENDERSON .....	State Agent
RAY M. HANCHETT .....	State Agent
F. M. HOYE .....	State Agent
S. V. CULP .....	State Agent
CHAS. N. MARTIN .....	Inspector
A. E. KEPFORD .....	Lecturer on Tuberculosis

LIST OF INSTITUTIONS UNDER THE CONTROL OF THE BOARD OF  
CONTROL OF STATE INSTITUTIONS

Soldiers' Home .....	Marshalltown
	B. C. Whitehill, Commandant
Soldiers' Orphans' Home.....	Davenport
	F. S. Treat, Superintendent
Institution for Feeble-minded Children.....	Glenwood
	George Mogridge, M. D., Superintendent
State Sanatorium for the Treatment of Tuberculosis.....	Oakdale
	H. V. Scarborough, M. D., Superintendent
Training School for Boys.....	Eldora
	W. L. Kuser, Superintendent
Training School for Girls.....	Mitchellville
	Mrs. Lucy M. Sickels, Superintendent
Mount Pleasant State Hospital.....	Mount Pleasant
	M. C. Mackin, M. D., Superintendent
Independence State Hospital.....	Independence
	R. A. Stewart, M. D., Superintendent
Clarinda State Hospital.....	Clarinda
	Max E. Witte, M. D., Superintendent
Cherokee State Hospital.....	Cherokee
	George Donohoe, M. D., Superintendent
State Hospital and Colony for Epileptics.....	Woodward
	M. N. Voldeng, M. D., Superintendent
State Penitentiary .....	Fort Madison
	T. P. Hollowell, Warden
Men's Reformatory .....	Anamosa
	J. N. Baumel, Warden
Women's Reformatory.....	Rockwell City
	Lena A. Beach, M. D., Superintendent

PART I

REPORT OF THE BOARD OF CONTROL

GENERAL STATEMENT

There has been no change in the personnel of the Board of Control of State Institutions since our previous report was submitted for your consideration. A. M. McColl completed his term on June 30, 1919, and was selected by the Governor and General Assembly to succeed himself for the term ending June 30, 1925.

A change was made in the position of secretary to the board since last reporting to you. F. S. Treat, who had filled the position of secretary for nearly twenty years, was appointed by this board to the superintendency of the Soldiers' Orphans' Home at Davenport, to take up that work March 1, 1920.

E. J. Hines, of Onslow, Jones county, was selected to fill the position of secretary. Mr. Hines assumed these duties March 1, 1920.

The institutions under the management of this board number fifteen, the same as shown in our previous report, and in addition we have the care and management of the state farm located at Clive, Iowa.

One institution, the State Hospital for Inebriates, was closed during the biennial period, and the construction and furnishing of a new institution, the State Juvenile Home, was begun during the same period. This work is referred to more in detail in another section of this report.

APPOINTMENTS BY THE BOARD

Max E. Witte was appointed superintendent of the Clarinda State Hospital at Clarinda, to succeed himself, September 7, 1918, and entered upon the duties of his sixth term as superintendent.

George Donohoe was appointed superintendent of the Cherokee State Hospital at Cherokee, to succeed himself, February 19,

1919, and entered upon the duties of his second term as superintendent March 1, 1919.

Mrs. Lucy M. Siekels was appointed superintendent of the Training School for Girls at Mitchellville, to succeed herself, March 11, 1919, and entered upon the duties of her third term as superintendent April 1, 1919.

George Mogridge was appointed to succeed himself as superintendent of the Institution for Feeble-minded Children at Glenwood, June 25, 1919, and entered upon the duties of his fourth term as superintendent July 1, 1919.

W. L. Kuser was appointed to succeed himself as superintendent of the Training School for Boys at Eldora, September 8, 1919, and entered upon the duties of his fourth term as superintendent September 1, 1919.

J. N. Baumel was appointed to succeed himself as warden of the Men's Reformatory at Anamosa, January 1, 1920.

H. V. Scarborough was appointed superintendent of the State Sanatorium for the Treatment of Tuberculosis at Oakdale, to succeed himself, January 12, 1920, and entered upon the duties of his third term as superintendent February 1, 1920.

M. N. Voldeng was appointed superintendent of the State Hospital and Colony for Epileptics at Woodward, to succeed himself, February 19, 1919, and entered upon the duties of his second term as superintendent March 1, 1919.

B. C. Whitehill was appointed commandant of the Soldiers' Home at Marshalltown, to succeed himself, March 13, 1920, and entered upon the duties of his second term as commandant April 1, 1920.

M. C. Mackin was appointed superintendent of the Mount Pleasant State Hospital at Mount Pleasant, April 1, 1920, to succeed C. F. Applegate who resigned his position at that time to take up similar work in the West. Dr. Mackin became superintendent of the State Hospital for Inebriates at Knoxville, March 1, 1915, and acted in such capacity until that institution was closed.

F. S. Treat was appointed superintendent of the Soldiers' Orphans' Home at Davenport, April 1, 1920. Mr. Treat, prior to his appointment as superintendent, was employed in the department of the Board of Control of State Institutions as bookkeeper and accountant from July 1, 1898 until October 1, 1900, and as secretary to the board from October 1, 1900 until March 1, 1920, at

which time he resigned to assume his duties as superintendent of the Home.

J. R. Perkins was appointed warden of the State Penitentiary at Fort Madison to succeed himself, May 1, 1920.

R. A. Stewart was appointed superintendent of the Independence State Hospital at Independence, June 15, 1920, to succeed the late W. P. Crumbacker, who passed away May 14, 1920, during the fifth term as superintendent. Superintendent Stewart assumed the duties of his office June 15, 1920.

A. E. Kepford was appointed superintendent of the new Juvenile Home at Toledo, September 1, 1920. Mr. Kepford was state lecturer on tuberculosis, which position he held nearly twelve years prior to this appointment.

Chas. N. Martin was appointed inspector of county homes and private institutions in which insane persons are kept, and homes for friendless children December 6, 1918, to fill a vacancy caused by the resignation of H. H. McKee. Mr. Martin took up his duties as inspector January 1, 1919.

F. M. Hoeye was appointed state agent for the Training School for Boys at Eldora, August 10, 1918, to fill the vacancy, when Selon C. Vial went to a military training camp to enter the army.

S. V. Culp was appointed state agent for the Training School for Boys at Eldora, July 7, 1919.

Mrs. Belle Deming and Mrs. Henrietta D. Webber were appointed state agents, April 21, 1919, for the Soldiers' Orphans' Home at Davenport. On the same date, Mrs. Genevieve Henderson was appointed state agent for the Soldiers' Orphans' Home at Davenport and also to have charge of paroled cases from the Women's Reformatory at Rockwell City. Chapter 105 and 272 of the thirty-eighth general assembly amended the law relative to state agents, increasing the number from five to seven. Two of the above appointments were made under these sections.

No other appointments were made by the board of control for the period ending June 30, 1920.

#### CHIEF EXECUTIVE OFFICERS

The following table contains the names of the heads of the various state institutions under the control of the Board of Control of State Institutions, their titles and the dates on which their several terms expire:

## INSTITUTIONAL EXECUTIVE OFFICERS.

Names	Titles	Institutions	Terms Expire
B. C. Whitehill	Commandant	Soldiers' Home	March 31, 1924
F. S. Treat	Superintendent	Soldiers' Orphans' Home	March 31, 1924
George Mogridge	Superintendent	Institution for Feeble-minded Children	March 31, 1924
W. L. Kiser	Superintendent	Training School for Boys	June 30, 1923
Mrs. Lucy M. Sickels	Superintendent	Training School for Girls	August 31, 1923
H. V. Scarborough	Superintendent	State Sanatorium for the Treatment of Tuberculosis	March 31, 1923
M. C. Mackin	Superintendent	Mount Pleasant State Hospital	Jan. 31, 1924
R. A. Stewart	Superintendent	Independence State Hospital	March 31, 1924
Max E. Witte	Superintendent	Clarendon State Hospital	June 30, 1922
George Donohoe	Superintendent	Cherokee State Hospital	Sept. 30, 1922
M. N. Voldeng	Superintendent	State Hospital and Colony for Epileptics	Feb. 28, 1923
T. P. Hollowell	Warden	State Penitentiary	Feb. 28, 1923
J. N. Baunmel	Warden	Men's Reformatory	April 30, 1924
Lena A. Beach	Superintendent	Women's Reformatory	Dec. 31, 1923
The other officers are:			
F. M. Howe	State Agent	Training School for Boys	Term Indefinite
S. V. Culpepper	State Agent	Training School for Boys	Term Indefinite
Miss Ray M. Hinchett	State Agent	Training School for Girls	Term Indefinite
Mrs. Charlotte Goffett	State Agent	Soldiers' Orphans' Home	Term Indefinite
Mrs. Belle Denning	State Agent	Soldiers' Orphans' Home	Term Indefinite
Mrs. Genevieve Henderson	State Agent	Soldiers' Orphans' Home	Term Indefinite
Mrs. Henrietta Webber	State Agent	Soldiers' Orphans' Home	Term Indefinite
Chas. N. Martin	Inspiring Officer	Instructors on Tuberculosis	Term Indefinite
A. E. Keptord			

## STATE AGENTS

Since the last biennial report the board of control law, empowering this board to appoint state agents has been amended, increasing the number of agents from five to seven. Of this number, four have charge of the child placing from the Soldiers' Orphans' Home at Davenport, one of whom also has the supervision of the women paroled from the Women's Reformatory at Rockwell City; two have supervision over the boys placed on parole from the Training School for Boys at Eldora; and one has supervision over the girls placed on parole from the Training School for Girls at Mitchellville. Another state agent is needed to have charge of the child placing work for the Juvenile Home at Toledo and to assist in the work of placing boys from Eldora.

These state agents are kept busy finding suitable homes for children placed out from the Soldiers' Orphans' Home and also the boys, girls and women placed on parole from the two training schools and the Women's Reformatory. The duties of these state agents do not cease when boys, girls or women have been placed out in homes. The agents are required to visit, from time

to time, the homes where placements have been made and must know that those placed in homes are making good. The agents must also know that they are receiving proper care, treatment and education.

Since the last biennial report 284 children have been placed out from the Soldiers' Orphans' Home at Davenport, into good homes, and 530 boys and girls have been placed out on parole from the training schools. A very large percentage of the boys and girls placed on parole make good, grow up to be good citizens, and are a credit to the community in which they live.

The state agent system makes it possible for every boy and girl in our training schools to make good if they have the desire to do so. The homes selected for them are among the best, and the large number of boys and girls placed out greatly reduces the population, which means a saving of thousands of dollars in maintaining these institutions.

During the biennial period twenty-five women have been paroled from the Women's Reformatory and have been under the supervision of a state agent.

## POPULATION OF INSTITUTIONS

The average daily population of the several institutions under the control of the board, since June 30, 1918, is shown by the following table:

Institutions	Male	Female	Total
Soldiers' Home	468	354	722
Soldiers' Orphans' Home	233	161	394
Institution for Feeble-minded Children	721	719	1,440
State Sanatorium	89	118	207
Training School for Boys	477		477
Training School for Girls		171	171
Mount Pleasant State Hospital (Insane)		909	2,122
Independence State Hospital (Insane)	596	318	1,113
Clarendon State Hospital (Insane)	692	499	1,191
Cherokee State Hospital (Insane)	649	467	1,116
State Hospital and Colony for Epileptics	101	87	188
State Hospital for Inebriates	14		14
State Penitentiary	466		466
Men's Reformatory	633		633
Women's Reformatory		45	45
Totals	5,722	3,554	9,286

Population of each institution at the end of the fiscal year, June 30, 1920, was as follows:

Institutions	Male	Female	Total
Soldiers' Home	355	243	598
Soldiers' Orphans' Home	215	148	363
Institution for Feeble-minded Children	718	755	1,473
State Sanatorium	38	123	161
Training School for Boys	412	42	454
Training School for Girls	158	158	316
Mount Pleasant State Hospital (Insane)	507	511	1,018
Independence State Hospital (Insane)	590	522	1,112
Clarinda State Hospital (Insane)	659	510	1,169
Cherokee State Hospital (Insane)	67	474	541
State Hospital and Colony for Epileptics	126	110	236
State Penitentiary	678	476	1,154
Men's Reformatory	672	51	673
Women's Reformatory			
Totals	5,671	3,619	9,290

#### STATE SANATORIUM, OAKDALE

We wish to impress upon you the necessity for additional buildings and equipment at this institution for the proper care and treatment of our unfortunate fellow citizens who have fallen victims of the dread disease which this institution was founded to take care of.

The present crowded condition of this institution and a very large and constantly growing waiting list, urgently seeking admission, make it imperative that the state resume the building program outlined previous to the entrance of the United States into the world war, and which the board of control has been unable to complete because of lack of funds.

No appropriations were asked for this institution in our last report except for contingent and repair, and a small amount for lectures, books and periodicals.

One new boiler has been installed since our last report.

Nothing further has been done relative to the medical and laboratory building for which an appropriation of \$45,000.00 was made by the thirty-seventh general assembly. Upon estimates carefully prepared by the state architect, the sum so appropriated was found inadequate for this purpose. An additional appropriation is needed to construct and equip this building; also an appropriation for an addition to the hospital building for advanced cases; also an amount for necessary tunnels and pipe connections, and remodeling and enlarging boiler and power house connections.

Amounts covering the foregoing will be included along with our askings for other institutions.

Splendid work is being done at the State Sanatorium in the treatment of tuberculosis and it is our wish to keep the treatment up to an A number one standard.

Because of the difficulty experienced in procuring employees for an institution of this kind, and the necessary cost for food and treatment of the patients therein, the present per capita support allowance of \$50.00 per month is insufficient. This allowance must be increased to not less than \$65.00 per month for each patient cared for, and out of this amount all salaries and wages must be paid.

#### EDUCATIONAL WORK

The work of the department on tuberculosis has continued under the direction of A. E. Kepford, state lecturer. Mr. Kepford occupied the position of state director for Iowa for the American Red Cross until July 1, 1919. Scores of patriotic addresses were demanded by the Red Cross and this work was carried on in connection with his work as state lecturer on tuberculosis. More than 150 lectures and addresses were delivered on the prevention of tuberculosis to approximately 20,000 people. These lectures involved a discussion of diagnosis, control and treatment of tuberculosis.

The education on the prevention of tuberculosis has taken on some new aspects, as it is now generally believed by medical experts that practically all children by the time they are seven years of age have been invaded by the germs of tuberculosis. Naturally this has led to the placing of great emphasis on the proper care of school children and children of pre-school age, the idea being to keep the physical vitality of the child normal. Public health nurses have been placed in about seventy counties of Iowa by the American Red Cross.

One of the greatest achievements of the department has been the establishment of free tuberculosis and children's clinics under the auspices of county medical societies. These clinics have been generally under the direction of Dr. H. V. Scarborough, superintendent at Oakdale, who selected for his assistants, men who were expert in the diagnosis of tuberculosis. Since July 1919, as the result of a demand, these clinics have always had a children's section. Clinics have been held at Webster City,

Fairfield, Iowa Falls, Bloomfield, Logan, Creston, Mount Ayr, Ida Grove, Wapello, Strawberry Point, Le Mars, and Keokuk.

In 1918 Polk County by a large majority voted a tax for \$100,000 to establish a county tuberculosis hospital. The board of trustees is making some progress toward the organization of this hospital.

Dubuque County is now nearing the completion of a hospital for tuberculosis which will cost when completed approximately \$200,000 and will care for eighty patients.

In 1918 Wapello County voted a tax which will approximate \$40,000 for rehabilitation and extension of the county tuberculosis hospital at Ottumwa.

Mahaska County recently established a county public hospital and a movement has been started to establish a tuberculosis annex in connection therewith.

Pine Knoll Sanatorium, the Scott County hospital for tuberculosis, located at Davenport, has been doing especially fine work and is a well-managed and efficient institution.

Tuberculosis in Iowa is rapidly decreasing, not only in the mortality but in the incidence of this disease as well.

#### SOLDIERS' HOME, MARSHALLTOWN

The appropriation of the thirty-seventh general assembly of \$5,000.00 for the building for stores, as stated in our last report, was not sufficient to erect a suitable building for this purpose. The bids received for the erection of this building were far in excess of the appropriation made. The thirty-eighth general assembly made no additional appropriation for this building and as the Home is very much in need of a building in which to store supplies, we believe an additional appropriation of at least \$5,000.00 should be made by the thirty-ninth general assembly for this purpose.

One new 250 H. P. boiler with stoker has recently been installed at the Home. This improvement was very much needed and will help greatly in making the Home comfortable for the members.

Several applications have been made for admittance to the Home by world war veterans. Although the law governing applications for admission to the Home makes no provision for world war veterans, we were of the opinion that the intent of the law was that all soldiers were entitled to membership in the

#### GENERAL STATEMENT

Home as defenders of our country and have allowed their applications to pass. This law, governing admittance to the Home should be amended so as to include soldiers, sailors and marines of the world war.

#### SOLDIERS' ORPHANS' HOME, DAVENPORT

The thirty-eighth general assembly appropriated \$30,000.00 for building a gymnasium. Bids received on this building by the board were far in excess of the appropriation made, therefore nothing further has been done in relation to the erection of this building.

A cold storage plant has been installed at the Home since the last report. This plant enables the institution to properly care for meats, fruits and vegetables, which it was unable to do before.

#### INSTITUTION FOR FEEBLEMINDED CHILDREN, GLENWOOD

Appropriations have been used as contemplated at this institution. The addition to the main building for a bakery has been completed. The equipment in this building has all been installed. One new boiler has also been installed since our last report.

Owing to the high cost of building material nothing further has been done relative to the new building for boys. This building is very much needed on account of the overcrowded conditions at this institution. The amount appropriated by the thirty-seventh general assembly was inadequate for this purpose, and an additional appropriation is needed for this building.

#### TRAINING SCHOOL FOR BOYS, ELDORA

The thirty-seventh general assembly appropriated \$20,000.00 for a boys' cottage and furnishings. On account of the high cost of building material brought on by war conditions, nothing was done toward the erection of this building at that time. The thirty-eighth general assembly appropriated an additional \$5,000.00, making a total of \$25,000.00 authorized to be expended for this purpose. After estimates had been carefully prepared we found that the cost of the building as planned would exceed the appropriation. Therefore nothing further was done regarding this matter.

All other appropriations have been used for the purposes for which they were made.

## TRAINING SCHOOL FOR GIRLS, MITCHELLVILLE

The new cottage for girls at this school, for which the thirty-eighth general assembly made a special appropriation of \$40,000.00 has been completed and is now in use. This cottage accommodates thirty-five girls. It is strictly modern in every respect and is a credit to the school.

The new laundry has also been completed and all equipment installed.

The other appropriations have been used for the purposes for which they were made.

## MOUNT PLEASANT STATE HOSPITAL, MOUNT PLEASANT

Appropriations for this hospital have been used as authorized. A new boiler and a stoker have been installed and repairs on boiler room have all been made, including the installation of an ash conveyor and coal crusher.

## INDEPENDENCE STATE HOSPITAL, INDEPENDENCE

The new power house, for which the thirty-eighth general assembly appropriated \$31,600.00, has been completed and all equipment installed.

Six mechanical stokers and a coal crusher have also been installed at this institution.

The old boilers were also repaired and put in first-class condition.

## CLARINDA STATE HOSPITAL, CLARINDA

The new hospital for tubercular patients, for which the thirty-eighth general assembly appropriated \$40,000.00, has been completed and is now in use. It will accommodate thirty patients.

On account of the high cost of material, nothing has been done with the appropriation of \$12,000.00 for a new dairy barn. The amount appropriated for this purpose is still on hand.

Repairs have been made in the heating and the sewer system. A new tile floor is being laid in the laboratory. The old floor was very unsanitary and this improvement was deemed advisable.

## CHEROKEE STATE HOSPITAL, CHEROKEE

The thirty-seventh general assembly appropriated the sum of \$50,000.00 to increase and improve the water supply at this hos-

pital. After estimates had been prepared on this work the sum so appropriated was found to be inadequate. The thirty-eighth general assembly appropriated an additional \$23,000.00 for this purpose. Contracts have been awarded and work is progressing rapidly.

A new boiler and a stoker have been installed, as authorized by appropriation.

## STATE HOSPITAL AND COLONY FOR EPILEPTICS, WOODWARD

A large percentage of the improvements contemplated by appropriations made by the thirty-seventh general assembly for this institution, because of the high cost of material, were carried over from the biennial period ending June 30, 1918. All of these improvements have been made during the period except the dairy barn, greenhouse and garage.

Appropriations made by the thirty-eighth general assembly have all been made as contemplated except the \$7,000.00 appropriated for additional water supply. The amount authorized to be expended for this purpose was not sufficient to complete this work. The amount set aside for this improvement is still unused.

## STATE HOSPITAL FOR INEBRIATES, KNOXVILLE, CLOSED

This institution located at Knoxville, at about the end of the fourteenth year of its existence and operation, was ordered closed by the board, December 1, 1919.

The patients on that date numbered eleven only, and we did not feel justified in longer operating the hospital at the unusually large expense per capita necessary for such a small population. We therefore ordered the patients discharged and the institution closed.

The farming operations at said hospital were continued, and at this writing the outlook is for a good crop.

The dairy herd was continued at the hospital farm and the milk sold.

The food supplies on hand were transferred to other state institutions.

The institution buildings remained vacant for several months. Negotiations were then entered into with the United States Public Health Service. The government desired to rent the hospital buildings and immediate grounds, in which to care for disabled

soldiers. This was deemed an excellent opportunity to do something beneficial for the unfortunate soldier boys, as well as being an advantage to the state.

A lease for the buildings was made with the United States Treasury Department at a rental of \$1,500.00 per month, beginning June 1, 1920. This lease will terminate June 30, 1921.

Since making the lease the balance of the land, excepting that which is occupied by the brick and tile plant and the shale beds connected therewith, also has been rented to the United States Treasury Department at an annual rental of \$15.00 per acre.

#### STATE PENITENTIARY, PORT MADISON

The appropriations made for this institution have been used as contemplated.

The chair and furniture industry has made this institution self-supporting. A further and more complete statement of the industries in connection with this institution will be found elsewhere in this report.

A cold storage plant has been installed since our last report.

The dining-room has also been remodeled. This was a very much needed improvement.

#### MEN'S REFORMATORY, ANAMOSA

The appropriation of \$160,000.00 by the thirty-eighth general assembly for purchasing farm land and maintaining industries has been used as authorized. The industries at the institutions have been carried on in a practical way. A complete statement of the farm operations and industries at this institution will be found elsewhere in this report. This statement shows a handsome profit for the state.

A new cold storage plant has been installed and will mean a great saving in caring for meats, fruit and vegetables.

The old dining-room has been remodeled, which adds greatly to its appearance.

All other appropriations were used as contemplated in whole or in part as necessity required.

#### WOMEN'S REFORMATORY, ROCKWELL CITY

The new pathological building has not yet been completed.

The additional appropriation of \$5,000.00 made by the thirty-eighth general assembly was not sufficient to complete the erec-

tion of this building. An additional sum should be appropriated for this purpose so that work on this building may be carried on to completion.

Other appropriations made were used as contemplated.

#### JUVENILE HOME, TOLEDO

Under the provisions of chapter 165, session laws of the thirty-eighth general assembly, an act to establish a state home for dependent, neglected, delinquent or destitute children, this board proceeded to locate and start work on buildings for such a state home.

We considered fully the advantages of the various locations suggested and, following mature deliberation, decided that the town of Toledo in Tama county, would prove a most excellent place for such home, and Toledo was selected.

The beautiful grounds and buildings of the Leander Clark College, in the little city of Toledo, no longer used for college purposes and unoccupied at the time, were donated to the state by Toledo, consisting of 18.13 acres of land and one city lot, 75x150 feet. Upon such land and lot are located three buildings, two large structures of brick and one large frame residence.

The two brick buildings are now being wholly remodeled inside and pebble-dashed outside. We expect to have all remodeling done so that the Juvenile Home will be ready for occupancy by October 1, 1920.

The capacity of the two buildings will provide amply for 150 children, and from reports received by this department from various sections of the state, court judges and other sources, the Juvenile Home will be filled to capacity very soon following the formal opening of same.

The cost of remodeling the two buildings will total \$52,000.00.

We find that the frame residence is in need of many repairs and as it is too large for use as a residence for the superintendent of the home, we recommend that the general assembly authorize the sale of said residence.

For farming operations in connection with this institution the board has purchased 103.93 acres. Three city lots also were purchased, upon which we expect to have a building for use as a power house, laundry and storehouse, located near the railway switch running alongside.

The purchase price of said lands and lots totals \$39,200.00.

The total land holdings at the Juvenile Home now are 122.06 acres and four city lots. The total estimated value of the property donated to the state by the City of Toledo is not less than \$75,000.00.

#### INSPECTION OF COUNTY HOMES AND PRIVATE INSTITUTIONS

This work has been carried on with good results. Close inspection has been made and many improvements recommended by those in charge. Such suggestions have generally been promptly complied with, greatly bettering the service and care of the unfortunates, who because of neglect, misfortune and old age, must find a home in such institutions.

#### INDUSTRIES

The thirty-eighth general assembly granted for the purchase of land and industries during the biennial period \$160,000.00 for the Men's Reformatory and \$75,000.00 for the State Penitentiary.

Of these appropriations \$158,142.08 was expended for farm land and live stock at the Men's Reformatory and \$60,239.50 for land at the State Penitentiary.

The unexpended balances in the two appropriations on June 30, 1920 were \$1,857.92 and \$14,760.50 respectively.

The operating expenses of the industries were paid entirely from the earnings and no part of the appropriations were used for their maintenance.

As outlined in the last biennial report, there are three classes of industries operated in connection with the state institutions.

There are two commercial industries, the Chair and Furniture Industry at the State Penitentiary, and the Cooperage Industry at the Men's Reformatory, which during this period have been great revenue producers for the state.

There are seven industrial departments that produce articles for state institution use only. Clothing, shoes, tin and galvanized iron ware, printing and binding, quarry stone for building purposes and many other necessary articles are manufactured for the use of the institutions at a considerable saving over the cost if purchased ready-made. No commercial business has been attempted and no large profits are expected as the articles sold are paid for from institution support funds.

There are sixteen farms, one at each institution, which may be properly classified as industries. The operating expenses are

paid for from the support funds. The products are used for the maintenance or support of the inmates and the receipts from sales are also placed to the credit of the support funds. The total profit from the farms for the farm year of 1919, was \$351,324.66. This subject will be treated of elsewhere in this report.

#### CHAIR AND FURNITURE INDUSTRY

The successful management of this factory resulting in large earnings has been the chief factor in placing the State Penitentiary on a self-supporting basis, which has been accomplished during this biennial.

A large trade in chairs has been established with many of the leading furniture dealers in the middle west. The chairs manufactured compare very favorably with the product of other leading factories and good prices have been obtained.

During the last two years, 168,604 chairs were manufactured and the net sales were \$777,491.22.

The industry has earned in profits and reserves since the past report, \$375,777.24 which represents over 246 per cent of the invested capital.

June 30, 1920, the cash working balance on hand to the credit of the Chair and Furniture Industry was \$230,575.90, which is over 50 per cent more than the capital invested.

The factory provides employment for over two hundred prisoners. They received for their services after the cost of their maintenance had been deducted, \$38,134.32.

The wages earned are placed to their individual credit in a local savings bank, to be paid to them upon their release or sent to dependent relatives upon satisfactory proof.

The industry is not only a large revenue producer but also gives the prisoners valuable instruction and experience in the manufacture of chairs.

This is the largest industry and represents a capital investment of \$152,500.00.

#### COOPERAGE INDUSTRY

The Cooperage Industry is operated in connection with the Men's Reformatory and represents a total capital investment of \$31,935.03. The factory has a daily capacity of 1,800 butter tubs. Although handicapped by the scarcity and high prices of good

ash staves and heading it also has made a remarkable showing. The sales were \$334,652.93.

The profits and reserves earned during the two years were \$62,818.16.

As with the chair industry, successful and experienced management is reflected in the large cash working balance derived from the sales, which on June 30, 1920, was \$64,192.47. From forty to forty-five prisoners are required for the work for which they received in wages \$8,001.84.

#### PRINTING AND BINDING INDUSTRY

This department has recently been moved into larger quarters in the new industrial building at the Men's Reformatory, and new machinery purchased and installed. These changes were necessary as much of the printing for other state departments, which was formerly done by the state printer or awarded on contract, is now being done in the shop at the Men's Reformatory.

Aside from the instructive employment furnished the prisoners, the benefits will largely accrue to the state in general or to those state departments having the printing done, because at the prices charged it is hardly possible for the industry to make much of a showing in money profits.

There are from twenty-five to thirty prisoners working in the printing department. The net sales were \$18,177.53.

#### TAILOR SHOPS

Tailor shops are operated both at the Men's Reformatory and the State Penitentiary. Nearly all of the clothing used in those institutions is manufactured and repaired in these shops.

The tailoring department of the Men's Reformatory also manufactures clothing for other institutions. The net sales to institutions for the period were \$56,752.81.

#### SHOE SHOPS

The shoe shops at the Men's Reformatory and at the State Penitentiary manufacture and repair all shoes worn by the prisoners. From eight to fifteen men are furnished work in each of these departments. Sales are not made to other institutions. The profits are nominal, representing the difference between the manufacturing cost and the price at which the shoes could be

purchased, which has been considerable, especially during the period of high prices.

#### TIN SHOP

The tin shop at the Men's Reformatory furnishes work for eight prisoners. The articles manufactured are principally food trays, garbage cans, buckets, coffee pots, etc. These articles are also sold to other state institutions.

#### STONE QUARRY

Stone from the quarry is used in all new construction work at the Men's Reformatory. Some stone is furnished to the counties and there is a small demand from other sources, but the revenue derived from sales is not large. The operating expenses are paid from the support fund and the receipts returned to that fund.

#### BRICK AND TILE FACTORY

This factory has not been in operation since the closing of the State Hospital for Inebriates at Knoxville in December, 1919.

The net sales during the part of the period that the factory was in operation amounted to \$27,160.61 and \$5,406.00 was paid to inmates for their services.

#### INSTITUTION FARMS

An improved and more detailed system of accounts, for the farms has been installed during this biennial period.

Inventories are taken at the beginning and end of each farm year, copies of which are sent to the office of the board of control. Monthly reports, classified, and showing in detail all purchases, items of operating expense, sales, receipts and other charges and credits pertaining to the farm are also required. This gives the office a perpetual inventory and record of the operations of each farm.

The figures for the farm year of 1919 show a substantial increase in production and profits over the previous year.

The state farm at Clive, although operated in connection with the State Penitentiary, is located at so great a distance from the institution that the greater part of the milk and other products are sold instead of being used at the institution. The receipts are turned into the industrial fund.

The sales of live stock and produce from July 1, 1918 to December 31, 1919, amounted to \$32,182.43 and the net profit and reserves for the same period were \$17,683.67. From ten to fifteen prisoners working on the farm received as wages \$1,228.22.

#### INDUSTRIAL DEPARTMENTS IN GENERAL

The sales for the various industrial departments aggregate over one and one-quarter million dollars and the net profits and reserves earned are more than \$450,000.00, not including the profit of the institution farms which, in addition to this amount have earned \$351,324.66 during the farm year of 1919.

Practically all of the sales made were on credit, yet in spite of the immense credit business done, not a single account has been lost.

In the financial section of this report are shown the balance sheets and profit and loss statements for the principal industries.

#### DAIRY HERDS

The dairy herds at the state institutions still remain to us a source of pride, no state equaling our institution herds in productiveness. Each year shows a substantial gain in production and profit. Only Holsteins are kept. The least profitable in the herds are from year to year being weeded out and only the most productive are allowed to remain. Gradually we are acquiring pure breeds, having now more than two hundred head of pure bred Holsteins in the state herds. Only the best of pure bred bulls head the herds. Milk is a cheap, good and healthful diet and each year sees more and more milk consumed at the various institutions under our management.

#### MILK REPORT FOR TWO YEARS ENDING AUGUST 31, 1920

We submit the following dairy report:

Number of milch cows .....	796
Number of pounds of milk .....	11,763,244
Value of milk .....	\$411,957.96
Cost of feed .....	162,126.79
Net profit .....	249,831.17
Increased net profit over last report.....	\$6,433.51

#### F FARMS AND GARDENS

The yield of farm crops during the last period has been abundant and very satisfactory. By careful cultivation and increas-

#### GENERAL STATEMENT

ing the amount of fertilizer on the farms, the productiveness of the land has been, from year to year, improved instead of diminished. Not for years has the promise of abundant yields of farm and garden crops been better than at the present.

Largely the labor on the farms and gardens has been done by inmates of the several institutions, superintended by an efficient farm manager. Only such patients are required to labor as are able and willing to do so.

Potatoes have not been grown in such large quantities as in former years. Our experience has been that Iowa soil is not suitable for the most successful cultivation of this crop and that corn can be raised with greater satisfaction and profit than potatoes.

All of the institutions are supplied with silos which furnish a most excellent stock food at minimum cost, enabling the institutions to raise and care for large herds of cattle.

Seed corn is gathered at all of the institutions early and cured under the best of conditions, so that only first-class seed corn is planted. It is the rule to gather and carefully care for twice the amount of seed corn as will be required for the needs of the institutions.

There is much need of tiling at some of the institutions, the land being too valuable to not demand from it the largest possible returns. This should now be given attention.

Proper attention has not been given to the fences at many of the farms. As the war made all fencing material very high, this part of farm work has been delayed, but in the near future all of the state farms should be fenced hog tight, making all feed of every kind grown on the farm available for use.

The orchards and gardens have been securing greater attention with splendid results. We wish to thank the Iowa State College at Ames for the assistance and advice they have given us on our farms, orchards, gardens, and dairy herds. With their advice and support we have been able to increase production along all of these lines.

The prison farms have proven a success and have given healthful employment to the inmates of the penitentiary and the reformatory, and have added a fine profit to the treasury.

The total amount of products from the farms, orchards and gardens since the last report is as follows:

Farm products .....	\$ 602,975.79
Poultry yards .....	\$ 18,070.16
Live stock sold .....	\$ 217,462.05
Dressed meats .....	\$ 117,535.45
Garden products .....	\$ 187,143.47
Orchard and miscellaneous .....	\$ 110,184.73
	\$1,253,372.65
Total increase in value over last report.....	\$ 440,545.85

## COAL

Coal is the greatest single commodity used at the state institutions and is the greatest consumer of support funds. For several years the cost of coal has been mounting higher and higher, until under the contract for the coming year, it will be far greater than ever before, and much greater than is shown in this report.

The following table shows the quantity and value of coal used at the several institutions for the two years ending June 30, 1920:

	Tons	Cost
Iowa coal .....	152,139	\$635,977.35
Illinois coal .....	25,763	104,674.63
Indiana coal .....	11,664	56,147.97
Miscellaneous coal .....	8,949	66,952.54
Total amount consumed in two years.....	198,520	\$633,752.50
Increase over previous biennial period.....		\$226,756.25

## LIVE STOCK ON FARMS, JUNE 30, 1920

	Number	Value
Horses .....	257	\$ 22,161.50
Mules .....	125	10,295.00
Bulls .....	54	18,105.00
Cows .....	749	113,194.00
Steers .....	197	26,220.00
Heifers .....	458	48,910.00
Calves .....	336	13,333.00
Sheep .....	488	7,517.00
Hogs .....	5,651	109,869.50
Poultry .....	12,969	8,222.60
Total.....		\$397,837.60
Increase in value since last report .....		101,223.95

## LAND AT STATE INSTITUTIONS

	Total Acres	Total Value	Purchased this period	
			Acres	Value
Soldiers' Home .....	156	\$ 54,000.00		
Soldiers' Orphans' Home .....	294.47	102,900.00		
Juvenile Home .....	123	39,200.00	105	\$ 39,200.00
Institution for Feeble-minded Children .....	1,915.18	279,100.00		
State Sanatorium .....	274.7	68,500.00		
Training School for Boys .....	568.5	287,575.00	68.5	\$ 30,500.00
Training School for Girls .....	175	70,000.00		
Mount Pleasant State Hospital .....	1,065	292,850.00		
Independence State Hospital .....	1,348.98	370,975.00		
Clarinda State Hospital .....	859.82	257,700.00		
Cherokee State Hospital .....	998.28	299,400.00		
State Hospital for Colony for Epileptics .....	1,144.4	49,400.00		
State Hospital for Inebriates .....	329	130,750.00		
State Penitentiary .....	1,266.52	400,800.00	581.4	\$ 60,000.00
Men's Reformatory .....	1,144.45	279,000.00	88.66	\$ 10,000.00
Women's Reformatory .....	220.3	76,650.00	130,151.00	
Totals .....	11,229.39	\$ 3,350,725.00	1,351.56	\$ 279,341.19

Land sold this period by the Executive Council of Iowa:

Training School for Boys .....	49	\$ 8,000.00
Men's Reformatory (Lyon County farm) .....	141.35	\$ 22,050.00

The fund accruing from this sale is to be expended for the purchase of land for the Training School for Boys, at Eldora, chapter 17, section 1, laws of the thirty-eighth general assembly.

## THE STATE FARM AT CLIVE

As shown in the 1916 report of the board of control, this farm was purchased as directed by the thirty-fifth general assembly, consisting of 781 acres near Clive, ten miles west of Des Moines, at a cost of \$200.00 per acre. However, the thirty-fifth general assembly made no provision for the establishment of a custodial farm, which was under consideration when this purchase was authorized. The farm has been conducted as a prison industry, the farm work thereon being performed by prisoners transferred from the State Penitentiary at Fort Madison.

Neither the thirty-sixth general assembly, the thirty-seventh general assembly, nor the thirty-eighth general assembly made additional provision for handling this farm; neither did any one of the three sessions of the legislature make provision for the purchase of other farms for use as custodial farms, as appears to have been the original intention of those of our citizens who were promoters of said plan for working prisoners convicted of minor offenses and given jail sentences.

It appears to this board that inasmuch as it evidently is not the wish or the desire of the people of our state to maintain such custodial farms, and the further fact that the board of control finds that it is impracticable to operate the Clive farm with convicts from the Fort Madison penitentiary, because the land is located at too great a distance from the prison, we therefore recommend the sale of the Clive farm and in lieu thereof that we be authorized to purchase land near the State Penitentiary at Fort Madison and the Men's Reformatory at Anamosa, where the best of discipline can be maintained among the prisoners working on the farm and a higher degree of efficiency of work secured. Such additional land can be more successfully handled and can produce foodstuffs to an extent which will materially reduce the cost of maintaining the institutions.

## EXPENDITURE FOR ROADS

The following is a table showing the total expenditure of funds for state roads at state institutions under the direction of the board of control, for the biennial period ending June 30, 1920.

General maintenance and repairs.....	\$22,946.72
Equipment .....	2,450.00
Ames roads (Iowa State College).....	1,610.80
Iowa City roads (State University).....	4,216.00
Davenport roads .....	5,445.70
Council Bluffs roads .....	4,609.67
Mount Pleasant roads .....	2,529.93
Independence roads .....	830.01
Cherokee roads .....	6,174.58
Cherokee paving fund .....	132.71
Woodward roads .....	6,454.33
Knoxville roads .....	11,236.83
Fort Madison roads .....	1,307.14
Clive Roads (State Farm) .....	6,192.81
Total.....	\$76,137.23

## LOSSES BY FIRE AND STORM

Losses by fire and storm during the biennial period ending June 30, 1920:

## GENERAL STATEMENT

Glenwood.....	Two buildings.....	Fire .....	\$ 1,516.66
Eldora.....	Printing office.....	Fire .....	1,737.27
Eldora.....	Greenhouse and windows.....	Wind .....	245.00
Mitchellville.....	Barn.....	Fire .....	4,702.22
Mitchellville.....	Chapel.....	Fire .....	600.00
Clarinda.....	Building.....	Fire .....	75.00
Fort Madison.....	Greenhouse.....	Hail .....	75.00
Anamosa.....	Cooperage shop.....	Fire .....	768.00
Anamosa.....	Cell house roof and barns.....	Wind .....	1,285.00
Rockwell City.....	Barn.....	Fire .....	4,000.00

Total loss ..... \$15,004.15

Expended for fire protection during the same period:

Davenport.....	Fire equipment .....	\$ 15.00
Glenwood.....	Insurance, storeroom protection .....	216.00
Oakdale.....	Hose and fire protection equipment.....	57.00
Fort Madison.....	Insurance, chair industry protection.....	1,022.00
Rockwell City.....	Lightning rod and fire equipment.....	178.00

Total..... \$1,488.00

## COST OF FOOD AND OTHER SUPPLIES

For your information we wish to submit the following comparative statement, giving the increased cost of staple supplies during the past biennial period, as shown by the records covering purchases made on competitive bids through our purchasing department:

## COMPARATIVE STATEMENT OF PRICES FOR THE BIENNIAL PERIODS ENDING JUNE 30, 1918 AND JUNE 30, 1920.

	Biennial Period June 30, 1918	Biennial Period June 30, 1920	Increase
<b>BOOTS AND SHOES</b>			
Shoes, men's work, per pair.....	\$ 2.85	\$ 4.00	1.75
Shoes, men's dress, per pair.....	2.25	4.00	1.35
Shoes, women's work, per pair.....	2.25	4.00	2.35

<b>COAL</b>			
Lump, F. O. B. mine, per ton.....	3.40	5.00	1.60
Mine run, F. O. B. mine, per ton.....	3.15	4.50	1.35
Steam, F. O. B. mine, per ton.....	2.90	5.00	2.10

You will note from the foregoing that practically every item has increased materially during the biennial period ending June 30, 1920.

#### INCREASE IN FREIGHT RATES

In connection with the increased cost of the numerous items required at the various institutions we call your further attention

to the enormous advance in freight rates, which, since June 25, 1918, aggregate 68.75%.

This increase amounts to from \$.50 to \$1.00 per ton on coal and on this one item alone will increase expenditures approximately \$175,000 for the next biennial period. This freight increase together with the advance in the price of coal at the mine makes our coal cost from \$2.00 to \$3.00 per ton above the price paid in 1918. This will bring the total increase in expenditures for coal alone to approximately \$600,000.00 for the next biennial period.

This increase also applies proportionately to numerous other items which it is unnecessary to take the time and space to enumerate.

#### VISITATION OF INSTITUTIONS

The following statement shows the visits made to different institutions during the biennial period ending June 30, 1920, giving date of each visit and by whom made:

#### SOLDIERS' HOME, MARSHALLTOWN.

Oct. 7, 1918	Sheean, Strief, McColl	May 26, 1919	Sheean, Strief, McColl
Oct. 23, 1918	Strief	Aug. 20-31, 1919	Sheean, Strief, McColl
Dec. 3, 1918	Strief	Sept. 1-2, 1919	Sheean, Strief
Dec. 26, 1918	McColl	Apr. 6, 1920	Sheean, Strief, McColl

#### SOLDIERS' ORPHANS' HOME, DAVENPORT.

Dec. 19-20, 1918	Sheean, Strief	Mar. 12-13, 1920	Strief
May 31, 1919	Sheean, Strief	Apr. 27-28, 1920	McColl
June 15, 1919	Strief	June 10-11, 1920	Sheean, McColl

#### INSTITUTION FOR FEEBLEMINDED CHILDREN, GLENWOOD.

July 11-12, 1918	Strief, McColl	Nov. 21, 1919	Sheean, Strief
Nov. 20-21, 1918	Strief, McColl	May 24, 1920	Sheean, Strief, McColl
May 8, 1919	Sheean, Strief, McColl		

#### STATE SANATORIUM, OAKDALE.

Oct. 17, 1918	Sheean, Strief	Sept. 5, 1919	Sheean, Strief, McColl
Dec. 4, 1918	Strief	Dec. 12, 1919	Strief
May 24, 1919	Sheean, Strief	June 9, 1920	Sheean, Strief, McColl

#### TRAINING SCHOOL FOR BOYS, ELDORA.
