FIRE, CASUALTY AND MISCELLANEOUS

REPORT OF INSURANCE COMMISSIONER
FIRE AND CASUALTY

This volume is a statistical compilation and review of the reports on 1919 business filed with the Insurance Department of Iowa by all companies, associations and corporations authorized to transact a fire or casualty business in the state of Iowa. The Department during the year of 1919, has been under the supervision of Hon. A. C. Savage.

For the first time, since the annual reports of this Department have been issued, the business of the different fire and casualty companies authorized to transact business in Iowa, has been classified to show the business of Iowa, Non-Iowa, and Foreign, or other than United States companies, for total and for Iowa business.

In order that the reader of this volume may more readily have information as to all companies authorized to transact an insurance business in Iowa, the following alphabetical list of authorized Life Companies, Life Associations, and Fraternal Societies has been included herein, and a list of the authorized Fire and Casualty companies has been included in the Life or Volume II section of this annual report:

On December 31, 1919, there was a total of 408 fire, hail and tornado insurance companies and associations reporting to this department, classified as follows:

Iowa Companies	18
Non-Iowa Companies	179
State Mutuals	31
County Mutuals	160
Iowa Fire Reciprocal Exchange	1
Non-Iowa Fire Reciprocal Exchanges	19
	408

On the same date reports were filed by 92 other companies and associations transacting a casualty and miscellaneous insurance business in this state, classified as follows:

Iowa Casualty Companies	11
Non-Iowa Casualty Companies	70
Iowa Assessment Accident Associations	4
Non-Iowa Assessment Accident Associations	4
Non-Iowa Casualty Reciprocal Exchanges	3
	92

RESULTS OF EXAMINATIONS

The following examinations were made by the Department during the year of 1919 and the financial condition and the comments of the examiners with reference to the condition and affairs of the companies are set forth in the abstracts.

FIRE INSURANCE COMPANIES.

Automotive Insurance Company, Mason City, Iowa.

This Company was organized under the provisions of Chapters I and IV, Title IX of the Code of Iowa and the Articles were approved August 1, 1919.

The general nature of the business to be transacted by this Corporation shall be to insure houses, buildings, automobiles, auto trucks, gas engines, steam engines and any and all kinds of machines and vehicles propelled or run by their own power, whether stationary or operating; to insure all kinds of property against loss or damage by fire, lightning, sprinkler leakage or other casualty incident to or connected with fire, lightning, cyclone, tornado or windstorm hazards and to insure same against loss or damage by explosion, transportation, collision, loss by legal liability for damage to property resulting from the maintenance and use of automobiles and loss by burglary or theft, or both; and also insure glass against breakage.

The Articles of Incorporation provide for the sale and issue of one thousand shares of stock of a par value of one hundred dollars each, making the authorized and paid in capital stock of the Company $100,000.00. The stock sold at one and one-half times par or $150.00 per share. No commissions were paid on stock sales.

At the period of examination, December 16, 1919, the surplus over all liabilities amounted to $41,375.64.

Farmers Automobile Insurance Company, Sioux City, Iowa.

Two examinations were made of this Company during 1919, one as of March 31st, and the other at June 30th.

The Company was organized under the provisions of Chapter I, Title IX, of the Code of Iowa and operates under the provisions of sub-division IX of Section 1709, of Chapter IV, Title IX of the Code of Iowa. The Articles were approved March 10, 1919.

The coverage includes the insuring of automobiles, whether stationary or being operated under their own power, against all or

any of the hazards of fire, explosion, transportation, collision, loss by legal liability, and damage to property resulting from maintenance and use, and loss by burglary or by theft, or both.

The authorized capital is $200,000.00, divided into two thousand (2000) shares of $100.00 par, each. At the period of the last examination $100,000.00 had been sold, all payments being made in cash or Liberty Bonds. The stock was sold at par with no contribution to surplus until April 4, 1919, at which time the stockholders contributed $10,000.00.

On June 30th the Company was operating in both Iowa and South Dakota and the surplus at that time amounted to $13,497.64.

Farmers Insurance Company, Cedar Rapids, Iowa.

The first examination of this Company was made as of May 31st and the second report shows the financial condition at October 31st.

The organization of this Company dates back to 1860, it being one of the oldest of the Iowa insurance corporations.

The Company writes business under the provisions of sub-section I and IX, Section 1709, of the Code of Iowa, insuring policyholders against loss or damage to property occasioned by fire, lightning, windstorms and tornadoes; and against loss or damage to buildings by hail, no crop insurance being written. Fire, theft and transportation coverage on automobiles is also written.

Iowa, Nebraska and South Dakota compose the territory in which the Company now operates.

A large number of loss claims were inspected and where liability is apparent the adjustment and settlement is promptly made.

The examination of October 31st places the unearned premium reserve of this Company upon the pro rata basis and shows the surplus to be $61,114.78.

Hawkeye Securities Fire Insurance Company, Des Moines, Iowa.

This Company was incorporated January 4, 1918, under the provisions of Chapter 1, Title IX of the Code of Iowa, and operates as provided by Chapter IV, Title IX of the Code of Iowa. It transacts a general insurance business, insuring houses, buildings and all other kinds of property against loss or damage by fire, sprinkler leakage, or other casualty incident to or connected with fire, cyclone, tornado, or windstorm hazard; and to insure growing crops against

destruction by hail; and to insure against loss or rents for use of buildings when such loss or use is caused by fire, lightning, windstorm, cyclone or tornado.

The authorized capital stock of the Company is $1,000,000.00 divided into 10,000 shares. The stock sold in three series: $200.00, $250.00 and $300.00. At the close of the second examination on June 30th 7,097 shares were fully paid up, giving a capital of $709,700.00. Contributions to surplus amounted to $801,610.28.

The Company writes in Iowa, Kansas, South Dakota, Texas, Minnesota, Tennessee and Pennsylvania. The report shows a surplus of $202,476.49.

Horticultural Insurance Company, Des Moines, Iowa.

The report shows this Company to have been incorporated in March, 1916, and commenced writing on March 9, 1916, transacting a business of hail insurance under the provisions of Chapter 4, Title IX of the Code of Iowa.

The Company has a paid up capital of $100,000 with no contribution to surplus.

Heretofore the Company's statement has been presented on an annual basis but practically all policies are issued for five years and the application incorporates a note which provides for the payment of annual installments during the life of the policy. The full amount of the note was therefore charged into the premium rather than one installment.

The mortgage loans did not meet the statutory requirements and have since been adjusted.

It was shown in the examination that the dividends paid from time to time were not justified.

On November 30th the Company shows a deficit of $32,276.21.

Iowa Automobile Mutual Insurance Company, Cedar Rapids, Iowa.

This Company was originally incorporated October 14, 1910, as the Automobile Mutual Fire Association with its principal place of business in Des Moines, Iowa. The Company moved to Cedar Rapids in 1914 and the name was changed in 1915.

All business is transacted on the mutual plan as is provided in sub-division 1 and 9 of Section 1709 of Chapter 4, Title IX of the Code of Iowa and acts amendatory thereto.

The Company offices with and is managed jointly with the Iowa Mutual Liability Insurance Company.

The Company's claim department is well organized and its treatment of policyholders and claimants appeared to be equitable and fair.

The former management resorted to certain irregular practices which ceased upon the filing of this report.

The surplus shown at this time amounted to $34,848.40.

Iowa State Insurance Company (Mutual), Keokuk, Iowa.

This Company was incorporated as a mutual Company January 26, 1855, under Chapters 43 and 44 of the Code of 1851 and began business July 25, 1855, and now operates under the provisions of Chapter 4, Title IX, of the Code as amended previous to 1917.

The territory is confined to Iowa and Missouri and the members are insured against loss or damage by fire, lightning, tornado and hail, the latter coverage being on buildings and not on growing crops.

The Company settles with its claimants on a fair basis. In case of small differences between the claimant and the Company the claims are frequently allowed and paid in order to avoid litigation or to avoid undue dissatisfaction with the Company.

The surplus at this time was $160,633.17.

North American Fire Insurance Company, Des Moines, Iowa.

The Company first incorporated on October 30th, 1918, as the Farmers Crop Insurnce Company and on March 5, 1919, the name was changed to the North American Fire Insurance Company. The capital is $500,000.00, divided into 5,000 shares, value of $100.00 each, which were sold at $200.00 per share. During the course of the examination another $250,000.00 was authorized.

This examination shows the Company's surplus to be $243,233.11.

Security Fire Insurance Company, Davenport, Iowa.

This Company was incorporated September 24, 1883, and re-incorporated August 8, 1903, and operates under and by virtue of Chapters 1 and 4 of Title IX of the Code of Iowa.

The object of the corporation is to insure houses, buildings and all kinds of property against loss or damage by fire or other casualty and to make all kinds of insurance on goods and merchandise

or other property in course of transportation whether on land or on water, and to insure vessels, and boats of every kind and nature.

The Company has an authorized capital of $200,000.00 and is licensed to write in Iowa, Illinois, Indiana, Ohio and Wisconsin.

At the present time a semi-annual dividend of 6% is paid.

From the claims inspected it appears that the policy of the Company is to pay claims promptly and compromise rather than contest. The examiners found no instances where the claims had been improperly resisted.

The Company had a surplus of $82,441.91 at September 30th.

State Insurance Company, Des Moines, Iowa.

This Company was organized under the provisions of Chapter IV, Title IX of the Code of Iowa and commenced writing business February 7, 1917. It is authorized to transact a general insurance business but was organized primarily to write hail insurance upon growing crops. They, however, do assume fire and tornado risks and insure automobiles against loss by fire, tornado and theft. All fire, tornado and theft risks were found to be fully re-insured.

The Company has an authorized capital of $100,000.00 and is authorized to write in Iowa, Illinois and Indiana. At the period of this examination, December 31, 1919, the Company was seeking admission to Ohio.

The adjustment of all losses occuring during the season of 1919 were reviewed by the examiners and settlements appear to have been made to the satisfaction of the claimants. No losses were found unsettled at this time.

The statement shows a surplus of $32,270.73.

American Bonding & Casualty Company, Sioux City, Iowa.

The Company was incorporated June 2, 1916, to operate under Chapter IV, Title IX of the Code of Iowa with an authorized capital of $500,000.00. The authorized capital was increased to a million in 1918 but the full amount has never been sold.

The Company writes the accident, health, liability, fidelity, surety, plate glass, burglary and theft and property damage lines and at the period of this examination was authorized to operate in sixteen states.

The examination deals extensively with the stock transactions which were found to be in a deplorable condition. The sales and

resales of the first and second issues were intermingled and recorded in such a manner as to make an intelligent audit impossible. As a result the examiners were compelled to charge out $37,133.58 as "unaccounted for."

All loss papers were inspected and the Company's treatment of the policyholders appears to be fair and equitable.

The surplus at the date of this examination, December 31, 1919, was $60,506.15.

The consolidation of the Chicago Bonding and Insurance Company with the American became effective on the date of the examination.

A statement drawn up by the appraisers of the two constituent companies shows the consolidated company to have admitted assets of $3,116,325.77 and liabilities of $2,117,604.15 plus the capital stock liability of $750,000.00.

The total premiums in force as shown by the consolidated statement amount to $2,150,312.66. The surplus over all liabilities amounted to $242,721.62. The stockholders of the American contributed $137,550.00 of this surplus.

Employers Mutual Casualty Association of Des Moines, Iowa.

This Association was organized under and by virute of Chapter 4 of Title IX of the Code of Iowa, on April 25th, 1911, with its principal office in the city of Des Moines, Iowa.

The Association was licensed to write Employers Liability Insurance on June 12th, 1912. On July 1st, 1914 it began writing Workmen's Compensation.

A re-insurance contract, effective as of June 15th, 1919, was made with the American Reinsurance Company under which it reinsures all of the liability business. All business in excess of $25,000.00 up to $175,000.00 as the result of one accident on Workmen's Compensation is also reinsured in the same Company.

The Association appears to be prompt in the settlement of claims and its treatment of policyholders and claimants appears to be equitable and fair.

At September 30th the Association had a surplus of $96,844.20.

Great Western Accident Insurance Company, Des Moines, Iowa.

This Company was incorporated under Chapters I and IV of Title IX of the Code of Iowa, with a capitalization of $100,000.00.

The Company is licensed to do a health and accident business in seventeen states.

An inspection of the loss files shows an attitude on the part of the Company to pay claims with reasonable promptness.

At the date of this examination, September 30th, the Company shows a surplus of $87,162.89.

Inter-State Liability Insurance Company, Rock Rapids, Iowa.

This Company was incorporated September 23, 1919, under the provisions of Chapter I, Title IX of the Code of Iowa, and operates under Chapter IV, Title IX of the Code of Iowa and writes such business as is classified in paragraphs (a), (b), (c), (d), (e), (f) and (g) of Section 1709.

The Company sold 2000 shares of stock at one and one-half giving a capital of $200,000.00 and a surplus of $100,000.00.

At the date of this examination, October 21, the net surplus amounted to $99,778.20.

Iowa Mutual Liability Insurance Company, Cedar Rapids, Iowa.

This Company was originally incorporated September 3rd, 1909, under the name of the Automobile Owner's Mutual Protective Association with its principal place of business at Des Moines, Iowa. In 1914 the name was changed to the present one and the home office moved to Cedar Rapids, Iowa.

The Company has availed itself of the conditions of Chapter 429, Acts of the 37th General Assembly of Iowa and policies are issued on the level premium basis.

The Company writes Workmen's Compensation and Liability Insurance and is authorized in Iowa and Illinois.

The claim department is well organized, and its treatment of policyholders appears to be equitable and fair.

The former management resorted to certain irregular practices which ceased upon the filing of this report.

At September 30, the surplus over all liabilities including the permanent fund amounted to $50,712.27.

Iowa State Live Stock Insurance Company, Des Moines, Iowa.

This Company was incorporated November 21, 1913, and commenced business February 8, 1915. The object of the corporation

is to insure horses, cattle and other live stock against loss or damage by accident, theft or any unknown or contingent event which may be the subject of legal insurance; and to insure horses and registered cattle against loss by death from disease or accident.

At the period of examination the Company was authorized to write in Illinois, Iowa, Minnesota, Montana, Nebraska, North Dakota and South Dakota.

Test checks were made of rejected and paid claims and the company was found to have complied with all of the provisions of the policy contract. Each reported loss is withheld until the insured has met all requirements and the company then either rejects or makes immediate payment.

This examination was made as of June 30th and shows the Company to have a surplus of $27,620.86.

Southern Surety Company, Des Moines, Iowa.

This Company was incorporated February 14, 1918, under the provisions of Chapter 1, Title IX, of the Code of Iowa, with a capital stock of $800,000.00 divided into shares of $100.00 each. On February 16, 1918, the Articles were amended increasing the capital stock to $1,000,000.00, divided into shares of $100.00 each, and the increase was sold at a net to the Company of $150.00 per share.

A merge of the Southern Surety Company of Iowa and the Southern Surety Company of Oklahoma became effective February 16, 1919.

At the time of this examination the Company was operating in twenty-five states.

Both open and paid claims were examined and it was the opinion of the examiners that the Company is liberal and fair in its treatment of policyholders and claimants.

A complete abstract of the financial statement of the Company at the time of examination, December 31, is found elsewhere in this volume.

Hawkeye Commercial Men's Association, Marshalltown, Iowa.

The Association was incorporated May 31, 1906, and writes accident insurance upon the assessment plan under the provisions of Chapter 7, Title IX and amendments thereto of the Code of Iowa.

The examination shows the Association to be possessed of $1,251.15 and liabilities of $53,543.25 or a deficit of $52,292.10.

Inter-State Business Men's Accident Association, Des Moines, Iowa.

This Association was incorporated April 18, 1908, and transacts a general health and accident business on the mutual assessment plan in accordance with Chapter 7, Title IX of the Code.

At the time of this examination the Association was authorized to write in twenty states.

Over one thousand paid claims, selected at random from the files, were inspected and compared with reference to the terms of the contracts and with the evidence submitted. The examiners found that as a rule all claims were settled with promptness as soon as such proofs were filed as would clearly establish liability.

The surplus at August 31, 1919, was found to be $108,794.56.

Iowa State Traveling Men's Association, Des Moines, Iowa.

This Association was originally organized November 27, 1880, and came under the jurisdiction of the Insurance Department in 1917. The coverage is a general accident insurance and is written upon the mutual assessment plan in accordance with Chapter 7, Title IX of the Code.

An examination of paid death claims revealed an inclination on part of the Association to pay claims promptly upon receipt of the proper proofs. Some compromises were made which in the opinion of the examiners appeared unjust in view of the evidence submitted and the papers on file.

Disability claims are paid promptly, no disposition being evidenced by the Association to evade payment.

The financial statement of the Association at the period of examination, December 31, is found elsewhere in this report.

National Travelers' Benefit Association, Des Moines, Iowa.

This Association was originally organized in 1907, reorganized in 1909, again reorganized in 1918 with amended and substituted Articles of Incorporation and now operates under the provisions of Chapters 7 and 8, Title IX of the Code of Iowa, which chapters permit the writing of policies of insurance covering health, accident and life.

Since the last examination the calls have been changed from the post mortem to the advance basis.

An inspection of the paid loss files discloses the fact that the claims are now paid with a commendable degree of promptness after final proofs of loss have been received; and at the time of writing this examination it can be said that drafts have gone forward to all claimants who have filed final and proper proofs.

The Association has a surplus of $12,610.40 not taking into consideration the $5,000.00 advanced by the directors.

STATE MUTUALS.

Automobile Dealers' Mutual Insurance Association, Des Moines, Iowa.

This Association was incorporated March 29, 1916, to insure its members against loss by fire, lightning and theft, under the provisions of Chapter 5, Title IX of the Code of Iowa.

Two classes of business are being written, Class A and Class C. Class A is on garages, automobile and accessory stocks. Class C is fire and theft coverage on privately owned automobiles.

All loss papers were inspected and found to have been settled equitably so far as could be ascertained.

On August 31, 1919, the liabilities exceeded the admitted assets by $113.69.

Automobile Trade Mutual Insurance Association, Des Moines, Iowa.

This Association was organized April 23, 1917, to do business under Chapter 5, Title IX of the Code of Iowa. It was practically reorganized in 1918 as respects management and methods.

One, three and five-year fire policies are written on mercantile buildings and contents, including garages. Mercantile theft policies are written. Also fire, lightning and theft coverage is written on privately owned automobiles.

The mercantile theft business has not proven profitable to this Association.

All records of losses paid since the last examination were inspected. All claims appear to have been promptly and equitably settled.

On December 31, 1919, the surplus amounted to $4,116.80.

Druggists' Mutual Insurance Association, Algona, Iowa.

This Association, which was organized October 16, 1909, is composed of members of the Iowa Pharmaceutical Association. It insures the drug stores and stocks of its members against loss from fire, lightning and windstorm.

A 25 per cent dividend is allowed policyholders at the end of each year. An additional 10 per cent is allowed upon renewal if the premium is paid within thirty days. As a result collections have been close and cancellations few.

An inspection of loss papers for the period since the last report showed that the same have been adjusted and paid promptly. There is no evidence of dissatisfaction.

January 31, 1919, the assets amounted to $22,725.04; the liabilities, $17,847.35.

Farmers' Mutual Hail Insurance Association, Des Moines, Iowa.

This Association was organized in March, 1893, under the provisions of Chapter 5, Title IX of the Code. It insures its members against loss to certain growing crops from hail. Most of the policies are written for a term of five years.

As a result of the examination the Association has been required to make certain changes in its policy contract, the most important of which relates to the provision with reference to the filing of notice of loss.

Criticism was also made of the treatment accorded the financial transactions with the Canadian department.

It was also pointed out that the Association has been negligent in the past in securing licenses for its agents.

Many instances were found where the Association denied liability because the loss was not reported within ten days. It was further noted that the Association denied liability on certain policies, contending that they had lapsed, although the required statutory notice had not been given the assured.

With these exceptions the policyholder has been accorded fair and equitable treatment in the settlement of losses.

The average assessment has been approximately 2 per cent for the past five years. Forty-two per cent of the total assessments has been used in the payment of losses; 43 per cent has been disbursed to expense; the balance, 15 per cent, has been contributed to surplus.

The surplus was found to be at its lowest figure in the month of September, and the average surplus for that month since 1915 was found to be $65,633.14.

Farmers' National Co-operative Elevator Mutual Insurance Association, Aurelia, Iowa.

This Association was organized February 5, 1909, to do business under Chapter 5, Title IX of the Code.

Economy and efficiency are evidenced throughout the conduct of the business. No assessments had been levied since April, 1917.

All losses are settled promptly and on an equitable basis.

On July 31, 1919, the assets were $16,558.59 and the liabilities $11,631.66.

Hawkeye Mutual Hail Insurance Association, Fort Dodge, Iowa.

This Association was incorporated January 25, 1919. Certificate of authority to insure its members against loss by hail was issued by the department on April 28th following.

Most of the policies are issued for five years. An inspection of all loss papers showed that losses were equitably and satisfactorily adjusted.

The loss ratio has been heavy. On November 15, 1919, assets including unpaid assessments, amounted to $8,463.59; liabilities, $5,395.32.

Iowa Automobile Owners' Mutual Insurance Association, Iowa Falls, Iowa.

This Association, organized March 1, 1916, insures its members against loss or damage to automobiles by fire, theft, tornado, lightning, hailstorm cyclones or windstorm.

Policies are issued for five years on a yearly decreasing valuation and the assessment charge is proportionately made.

Losses appear to have been fairly and promptly adjusted and paid.

August 31, 1919, there were assets of $5,240.42 and liabilities of $4,470.14.

Iowa Citizens' Mutual Insurance Association, Mason City, Iowa.

This Association was incorporated December 5, 1915, under the provisions of Chapter 1, Title IX of the Code, and operates under Chapter 5 of the Code of Iowa.

The Association has been subjected to numerous examinations by the department and considerable difficulty has been encountered in the examinations on account of the condition of the books and records. In addition to this the Association had insisted upon a continuation of certain contracts with the Property Owners' Federation of Red Wing, Minn., in spite of the fact that the department had repeatedly ordered the contracts canceled. At the period of the last examination the contracts appeared to be finally terminated.

The Association accepted a cash deposit guaranteeing the payment of assessments for a period of five years. These deposits are to be returned when all assessments have been paid and the policy expires. In some instances the entire deposit has been deducted from the loss before payment is made. This eliminates any possibility of a return of the deposit at the expiration of the policy contract and the action so taken was not approved by the department.

The Association has been fortunate in its loss experience.

On December 11, 1919, the surplus amounted to $1,740.02. This surplus does not take into consideration $15,565.36 of contingent liability which can only be repaid out of such surplus as is in excess of $10,000.00.

Iowa Farmers' Reinsurance Association, Greenfield, Iowa.

This Association was organized April 19, 1909, and operates under the provisions of Chapter 5, Title IX of the Code of Iowa.

The Association does a reinsurance business, carrying the excess lines of the several state and county mutuals on farm and personal property, with the exception of live stock, and such other lines as are carried by the several Associations mentioned, all such business being done on a strictly mutual basis.

No advance assessments are made, and but one assessment is levied each year. Those levied in 1917 and 1918 were on the basis of one mill on each dollar of insurance in force.

At July 31, 1919, the period of this examination, the assessment for the year had not been collected and the report shows a deficit of $1,695.42.

Iowa Hardware Mutual Insurance Association, Mason City, Iowa.

The Association was organized on August 20, 1903, and insures its members against loss or damage by fire or lightning occurring to buildings, stocks of hardware and such merchandise as is usually carried in stock in hardware stores, including tools, fixtures and furniture, dwellings owned and occupied by members. They also insure plate glass against breakage by accident.

The report directs attention to the fact that the Association operates on a paid basis and the recommendation is made that hereafter all reports be submitted on the written basis in order that all dividends and return premiums may be properly shown.

An inspection of the loss papers reveals prompt and equitable settlements.

The Association pays dividends of 40 per cent and at July 31st shows a surplus of $116,290.90.

Le Mars Mutual Insurance Association, Le Mars, Iowa.

This Association was organized as the German Mutual Insurance Association in April, 1901, and the name was changed to the present one in 1918.

The Association operates on the post-mortem basis of assessment and the coverage is as provided in Section 1759-a, Chapter 5, Title IX of the Code.

Practically all the unpaid losses at the time of examination were hail claims which are payable after the yearly assessment. The losses in other classes of business were found to be promptly and satisfactorily settled.

The surplus on July 31st amounted to $14,162.07.

Mutual Fire and Tornado Association, Cedar Rapids, Iowa.

This Association was organized in May, 1900, to do business under Chapter 5, Title IX of the Code.

Town dwellings, farm property, churches and school houses are insured against loss by fire, lightning and windstorm in amounts not in excess of three-fourths of their value.

In April, 1919, the home office was moved from Newton to Cedar Rapids, Iowa. As a result new agency connections have been established and the volume of business increased.

An inspection of a number of paid losses revealed the fact that the same were promptly settled and, so far as your examiners could discover, to the satisfaction of the claimants.

July 30, 1919, the Association had assets of $5,429.73 as compared with liabilities of $1,211.05.

National Mutual Reinsurance Association, Mason City, Iowa.

This Association was organized in July, 1917. It operates under Chapter 5, Title IX of the Code, confining its business strictly to reinsurance.

The commission paid on reinsurance varies from 20 to 30 per cent, depending on the company reinsured.

In addition to this direct commission an additional commission of 15 per cent is paid the Property Owners' Federation on the gross income from assessments not including receipts for membership fees, less returned premiums on cancellation, to be ascertained and paid at the end of each month. The department directed the immediate discontinuance of such payments.

This Association offices with the Iowa Citizens' Fund, but has made no payments on office furniture recently purchased. Nor is it sharing any of the miscellaneous office expense. All salaries with the exception of the secretary's have been paid by the Iowa Citizens' Fund since May 1, 1919. These facts have been brought to the attention of the directors of the Iowa Citizens' Fund.

On July 31, 1919, the Association showed assets of $19,392.52 and liabilities of $5,581.76.

North-West Mutual Insurance Association, Ida Grove, Iowa.

This Association, formerly the "Grain Shippers' Mutual Fire Insurance Association," was first incorporated in 1896. The present name was adopted in 1917.

Policies are issued for a term of one to five years covering real and personal property against fire, lightning and windstorm.

The examination required more time than is usually given to associations of this character because of the fact that the books and records are not susceptible of ready audit and because the personal financial transactions of certain officers also appear of record in the Association's books.

The Association holds $500 of Baxter Hotel stock, which is not so listed in their assets nor has it been reported as such to the Insurance Department.

Dividends of 10 per cent have been declared for the past five years and same were ordered continued by the directors at the annual meeting in January, 1919.

The unearned premium reserve was computed upon a 40 per cent basis as is customary with all associations that collect advance premiums on one, three and five-year policies.

At the period of this examination, June 30, 1919, the Association had a deficit of $10,819.85.

Reliance Mutual Insurance Association, Des Moines, Iowa.

This Association was incorporated February 25, 1919, to do business under Chapter 5, Title IX of the Code. It insures its members against loss by fire, lightning, theft, tornado, cyclone, windstorm, hail, and also insures glass against breakage. At the date of examination, July 31, 1919, the business written was as follows: Risks, $265,350.50; premiums, $3,977.29.

No losses had occurred up to date of examination. At that time there were assets of $2,108.20 and liabilities of $927.67.

FIRE INSURANCE BUSINESS
1919

SUMMARY OF REPORTS TO THE INSURANCE COMMISSIONER
ON THE BUSINESS OF THE YEAR 1919

TABLE 1—FIRE INSURANCE COMPANIES. NAME, CAPITAL STOCK, OFFICERS, ETC.

No.	Name of Company	Home Office	Incorporated	Commenced Business	Capital Stock	Name of President	Name of Secretary
	IOWA COMPANIES						
1	Automotive Insurance Co.	Mason City, Iowa	July 1919	Dec. 1919	$ 100,000.00	A. M. Schanke	E. H. Warner

* Deficit.

‡ The reserve figure included is incorrect. See explanation Table 18.

† Above liabilities do not include $15,565.36, representing unpaid balance of notes given to the Property Owners' Federation, of Red Wing, Minn., for cancellation of contract, book account, and furniture and fixtures, as of April 30, 1919, and which liability is contingent, due to the fact that the said notes, or remaining balances above mentioned, may be paid only out of such funds of the association, as represent surplus in excess of $10,000.00, and then only with the consent and permission of the Commissioner of Insurance of the State of Iowa; said surplus to be determined by examiners representing the Insurance Department of Iowa.

† This figure incorrect, in view of deficit existing at June 30, 1919, and June 30, 1920, as per examination reports. Figure not set up for December 31, 1919, in June 30, 1920, examination.

* Above liabilities do not include $15,565.36, representing unpaid balance of notes given to the Property Owners' Federation, of Red Wing, Minn., for cancellation of contract, book account, and furniture and fixtures, as of April 30, 1919, and which liability is contingent, due to the fact that the said notes, or remaining balances above mentioned, may be paid only out of such funds of the Association, as represent surplus in excess of $10,000.00, and then only with the consent and permission of the Commissioner of Insurance of the State of Iowa; said surplus to be determined by Examiners representing the Insurance Department of Iowa.

GENERAL INTERROGATORIES

Were all the transactions of which notice had been received at the home office at the close of business December 31st last truthfully and accurately entered on its books for and during the year ending upon that date?

Answer—Yes.

Does the association provide in its by-laws and specify in the policies the maximum liability of its members to it?

Answer—Yes.

Cost per thousand during the year?

Answer—$17.44.

Average cost per thousand during the past four years?

Answer—$16.24.

What salary was paid during the past year to each of the following officers?

Answer—President, $2,400.00; vice president, none; secretary, none; treasurer, none; adjuster, none.

What, if any, commission was paid said officers in addition to such salary?

Answer—None.

Do you collect advance assessments?

Answer—Yes.

If so, are the same authorized in your articles of incorporation and by-law?

Answer—Yes.

For how long a period do you collect advance assessments?

Answer—One year.

What amount of your risks are written for one year?

Answer—All.

What amount of your risks are written for five years?

Answer—None.

What is the largest gross amount insured in any one risk without any deduction for reinsurance?

Answer—$4,000.00.

Give amount of risks in force on which this year's assessment was made.

Answer—No assessment.

Have your books been kept open after the close of business December 31st last for the purpose of making any entry affecting this statement?

Answer—No.

What is the amount of one annual assessment, at the basis rate, on all risks in force December 31, 1919?

Answer—$14,411.66.

What is the amount of one annual assessment, at the basis rate, on all reinsurance in force December 31, 1919?

Answer—None.

Has the policy now used by the company been approved by the Commissioner of Insurance?

Answer—Yes.

Are the articles of organization and by-laws printed in full on the policy?
Answer—Yes.
What kinds of property does your association insure?
Answer—Automobile, mercantile, buildings and contents.
What kind of risks does your association insure (fire, hail, etc.)?
Answer—Fire and theft.
How many assessments did you make last year?
Answer—None.

Answer—President, $1,125.00; vice president, none; secretary, $3,458.36; treasurer, none; adjuster, none.

What, if any, commission was paid said officers in addition to such salary?

Answer—None.

Do you collect advance assessments?

Answer—Yes.

If so, are the same authorized in your articles of incorporation and by-laws?

Answer—Yes.

For how long a period do you collect advance assessments?

Answer—One year.

What amount of your risks are written for one year?

Answer—$7,659,768.81.

What amount of your risks are written for five years?

Answer—$594,084.21.

What is the largest gross aggregate amount insured in any one risk without any deduction for reinsurance?

Answer—$5,000.00.

Give amount of risks in force on which this year's assessment was made.

Answer—$7,659,768.81.

Have your books been kept open after the close of business December 31st last for the purpose of making any entry affecting this statement?

Answer—No.

What is the amount of one annual assessment, at the basis rate, on all risks in force December 31, 1919?

Answer—$148,144.40.

What is the amount of one annual assessment, at the basis rate, on all reinsurance in force December 31, 1919?

Answer—$55,736.69.

Has the policy now used by the company been approved by the Commissioner of Insurance?

Answer—Yes.

Are the articles of organization and by-laws printed in full on the policy?

Answer—Yes.

What kinds of property does your association insure?

Answer—Hardware stocks, stores, warehouses and dwellings and contents of association members.

What kind of risks does your association insure (fire, hail, etc.)?

Answer—Fire and lightning.

How many assessments did you make last year?

Answer—None.

What was the rate levied for each assessment?

Answer—None.

IOWA IMPLEMENT MUTUAL INSURANCE ASSOCIATION OF NEVADA, IOWA.

Organized February, 1903.

J. L. Farrington, President, Iowa Falls, Iowa.
D. M. Grove, Secretary, Nevada, Iowa.
