Building and Loan Associations

BUILDING AND LOAN ASSOCIATIONS

LETTER OF TRANSMITTAL

HON. N. E. KENDALL, Governor of Iowa.

SIR: I have the honor to submit herewith in accordance with law, the annual report of the Building and Loan Department on the business done by Building and Loan Associations for the year ending December 31, 1920.

G. C. HAYNES,
Auditor of State.

Des Moines, March 15, 1921.

The report herewith transmitted covers the transactions of the sixty-eight building and loan associations authorized in the state of Iowa, for the year ending December 31, 1920.

It evidences a new awakening in this state as to the value of building and loan associations in the encouragement of home building as well as in the encouragement toward savings and investments by wage earners and those of larger means.

The report shows a number of new associations now operating in the state, a total of ten having been incorporated and authorized by the Auditor of State during the past two years. They are as follows:

Burlington Building and Loan Association.
Centerville Building and Loan Association.
Charles City Building and Loan Association.
Fort Dodge Building and Loan Association.
Home Building and Loan Association of Fort Dodge.
Oelwein Building and Loan Association.
Oskaloosa Home Loan and Savings Association.
Perry Home Loan and Savings Association.
Jefferson County Building and Loan Association of Fairfield.
Spirit Lake Building and Loan Association.

During this time one association has relinquished its charter and liquidated its assets. This is the Workingmen's Building and Loan Association of Missouri Valley. At the time the officers and members of the association decided to liquidate business there were in force 2,230 shares of its stock and it had assets amounting to \$32,454.92.

Since the beginning of the present fiscal year the Fidelity Building and Loan Association has been organized at Mason City, and authorized by the State Executive Council to transact business in the state.

The Iowa law provides for three classes of associations to be admitted to practice of their business in the state; they are the Domestic, Domestic Locals and Foreign Associations. The Domestic associations are incorporated with authority to transact business beyond the limits of the county in which organized; the Domestic Locals are confined to the limits of the county in which they organize; and the Foreign associations are associations of other states authorized to do business in Iowa. Of the sixty-nine

associations in Iowa today, all are Domestic Locals, with the exception of two, the Clinton Home Savings and Loan Association, authorized January 19, 1918, and the Home Building and Loan Association of Fort Dodge, authorized July 19, 1919. Since the present building and loan laws were adopted in 1900 there has not been an application made to the state by a Foreign association.

The total assets of the associations in Iowa, as shown by this report, amount to \$17,654,390.10, as compared with a total of \$12,385,755.01 in 1919, and \$14,310,487.29 in 1920, showing an increase in assets of \$5,268,635.09 in the two years. Of the assets a total of \$120,774, is represented by Liberty bonds and war savings stamps.

There are in the state five associations, each with assets in excess of \$1,000,000.00. They are:

LETTER OF TRANSMITTAL

HON. N. E. KENDALL, Governor of Iowa.

SIR: I have the honor to submit herewith in accordance with law, the annual report of the Building and Loan Department on the business done by Building and Loan Associations for the year ending December 31, 1921.

G. C. HAYNES,
Auditor of State.

Des Moines, March 15, 1922.

CONSOLIDATED STATEMENT.

Assets, Liabilities, Receipts, Disbursements and Miscellaneous Information.

BUILDING AND LOAN ASSOCIATIONS.

The report herewith submitted covers the transactions of the 69 Building and Loan Associations, authorized in Iowa, for the year ending December 31, 1921.

The report shows three new associations organized and incorporated during the year. They are:

Fidelity Building & Loan Association, Mason City.

Hull Building & Loan Association, Hull.

Iowa Building, Loan & Savings Association, Des Moines.

During the year the State Savings and Loan Association of Sioux City has voluntarily ceased operation and has liquidated its assets. In its annual report the Fidelity Building & Loan Association of Mason City, announces the decision of its officers and directors to dissolve the association. All payments made to the association it is pledged, will be returned with interest. This association has been organized but a few months and has transacted very little business.

The Perry Home Loan and Savings Association and the West Burlington Building and Savings Association have not transacted any business since organization but retain their charters.

Assets of the associations show a steady continued increase, and at the close of the year covered by this report had reached a total of \$20,613,538.37, an increase of \$2,959,148.27, over the total for the year ending December 31, 1920.

Sec. 1056-a10. *Uniform System of Accounts—Auditor to Prescribe—Advisory Committee.* That uniformity in the methods of accounting for and reporting the financial transactions of municipalities may be secured, the auditor of state is authorized and he is hereby directed to formulate and prescribe a system of municipal accounts and method of presenting departmental and general reports which shall be adopted and complied with in the administration of all cities and towns on and after April first nineteen hundred and seven (1907). To insure careful consideration of the merits and defects of existing methods in local accounting, the auditor of state shall appoint an advisory committee of not less than five nor more than seven persons familiar with municipal accounts, a majority of whom shall be city accounting officers; said committee shall serve without compensation except that their necessary traveling and hotel expenses for a period not to exceed thirty days shall be allowed them and for such expenses the auditor of state is authorized to issue warrants upon the treasurer of state.
