FINANCIAL AND MUNICIPAL ACCOUNTING

REPORT OF THE DEPARTMENT

The financial transactions of cities and towns of Iowa for the municipal fiscal year, April 1, 1929, to April 1, 1930, are covered by this report.

Included in the statistical tables are returns complete from each of the 111 cities and from each of the 803 incorporated towns of the state. The cities and towns of the state are to be commended upon their co-operation with this department since every city and incorporated town in the state filed an annual financial statement in accordance with the provisions of Section 5680, Code of Iowa, 1927.

EXAMINATIONS

The law makes provision that the Auditor of State, shall, at least once in each two years, audit and report upon the financial conditions and transactions of all cities having a population of two thousand or more, Section 113 of the Code of 1927 having been amended by the Acts of the 43rd General Assembly, and may examine other cities and towns, upon request of the mayor, or on receipt of a petition signed by twenty-five or more taxpayers residing in the city or town. School districts may also procure an examination and audit of their accounts and affairs upon a request by the proper officials, or by a petition signed by twenty-five or more taxpayers residing within the district.

The League of Iowa Municipalities has gone on record several times as favoring the extension of the examination law in order to embrace all cities and towns.

The 1930 Federal Census is practically completed and the new population is incorporated in this report. It shows that West Union has gained sufficient population to place it among cities of the second class.

COMMISSIONED GOVERNED CITIES

The commission governed cities are: Des Moines, Sioux City, Cedar Rapids, Burlington, Ottumwa, Fort Dodge and Keokuk.

SPECIAL CHARTER CITIES

The cities and towns operated under special charter are: Davenport, Muscatine, Wapello and Camanche.

The cities and towns having a city manager are: Dubuque, Mason City, Ames, Webster City, Red Oak, Estherville, Clarinda, Mount Pleasant, Iowa Falls, Maquoketa, Manchester, Ida Grove, Villisca, Onawa, West Liberty, Harcourt, Joice, Aurelia, Fredericksburg.

ACCOUNTING LAW
CHAPTER 10, CODE, 1927

SECTION 113. *Examination of Cities and Counties.* The Auditor of State shall cause the financial condition and transactions of all county offices to be examined at least once each year, by a state examiner of accounts, and shall cause a like examination to be made at least once each two years, of all offices of all cities and towns having a population of two thousand or more, including offices of cities acting under special charter.

SEC. 114. *State Examiners.* The Auditor of State shall appoint such number of state examiners of accounts as may be necessary to make such examinations. Said examiners shall be of recognized skill and integrity, familiar with the system of accounting in county and city offices and with the laws relating to county and city affairs. Each examiner shall give bond in the sum of two thousand dollars, conditioned as the bonds of county officers, which bonds shall be approved and filed as bonds of the state officers. Such examiners shall hold their positions for four years, unless sooner removed by the Auditor of State for cause, and be subject at all times to the direction of said Auditor.

SEC. 115. *Assistants.* The Auditor of State shall appoint such additional assistants to the examiners as may be necessary, who shall be subject to discharge at any time by the Auditor. Such assistants shall receive such reasonable compensation as the Auditor may fix and shall be paid in the same manner as examiners. The compensation of such assistants shall be considered as part of the cost of examination.

SEC. 116. *Examinations.* Said examiners shall have the right while making said examinations, to examine all papers, books, records, and documents of any of said offices and shall have the right, in the presence of the custodian or his deputy, to have access to the cash drawers and cash in the official custody of such officer, and a like right, during business hours, to examine the public accounts of the county or city in any depository which has public funds in the custody pursuant to law.

SEC. 117. *Scope of Examinations.* All examinations shall be made without notice to the office examined. On every examination inquiry shall be made as to the financial condition and resources of the county or city; whether the cost price for improvement and material in said county or city is in excess of the cost price for like things in other counties or cities of the state; whether the county or city authorities are complying with the law; and whether the accounts and reports are being accurately kept.

SEC. 118. *Subpoenas.* The Auditor of State and all examiners shall, in all matters pertaining to an authorized examination, have power to issue subpoenas of all kinds, administer oaths and examine witnesses, either orally or in writing, and the expense attending the same, including the expense of taking oral examinations in shorthand, shall be paid as other expenses of the examiner.

SEC. 119. *Refusal to Testify.* In case any witness duly subpoenaed refuses to attend, or refuses to produce documents, books, and papers, or shall attend and refuse to make oath or affirmation, or, being duly sworn or affirmed, shall refuse to testify, the Auditor of State or the examiner may apply to the district court, or to any judge of said district court having jurisdiction thereof, for the enforcement of attendance and answers to questions as provided by law in the matter of taking depositions.

SEC. 120. *Reports.* A report of such examination shall be made in triplicate, signed, and verified by the officer making the examination; one copy to be filed with the auditor of state; one copy with the officer under investigation, and one copy with the auditor of the county if a county office is under investigation, or with the mayor or city council if a city

office is under investigation. All reports shall be open to public inspection.

SEC. 121. *Report Filed with County Attorney.* If said examination discloses any irregularity in the collection or disbursement of public funds or in the abatement of taxes a copy of said report shall be filed with the county attorney and it shall be his duty to cooperate with the state auditor, and, in proper cases, with the attorney general, to secure the correction of the irregularity.

SEC. 122. *Duty of Attorney General.* In the event such examination discloses any grounds which would be grounds for removal from office, a fourth copy of said report shall be provided and filed by the auditor of state in the office of the attorney general of the state, who shall thereupon take such action as, in his judgment, the facts and circumstances warrant.

SEC. 123. *Disclosures Prohibited.* No such examiner shall make any disclosure of the result of any investigation, except as he is required by law to report the same or to testify in court. Any violation of this provision shall be grounds for removal.

SEC. 124. *Examination of Other Municipalities.* Any township, school, or municipal corporation, not embraced within the foregoing provisions of this chapter, may, on application to the auditor of state, secure an examination of its financial transactions and the conditions of its funds, or a like examination may be had on an application of twenty-five or more taxpayers of such township, school, or other corporation, accompanied by such showing of facts as, in the opinion of the auditor of state, will justify such examination.

SEC. 125. *Bills.* Each examiner shall, on the completion of an examination, file with the auditor of state a detailed, itemized, and sworn voucher of his per diem and expenses, which voucher, when approved by said auditor and by the state board of audit, shall be paid from any unappropriated funds in the state treasury.

SEC. 126. *State Reimbursed.* Upon payment by the state of the per diem and expense aforesaid, the auditor of state shall at once file with the warrant-issuing officer of the county or municipality whose office was examined, a copy of the voucher so paid by the state and thereupon said warrant-issuing officer shall at once draw his warrant for said amount on the general funds of his county or municipality in favor of the auditor of state, which warrant shall be placed to the credit of the general fund of the state.
