ACCOUNTING LAW
CHAPTER 10, CODE, 1927

SECTION 113. *Examination of Cities and Counties.* The Auditor of State shall cause the financial condition and transactions of all county offices to be examined at least once each year, by a state examiner of accounts, and shall cause a like examination to be made at least once each two years, of all offices of all cities and towns having a population of two thousand or more, including offices of cities acting under special charter.

SEC. 114. *State Examiners.* The Auditor of State shall appoint such number of state examiners of accounts as may be necessary to make such examinations. Said examiners shall be of recognized skill and integrity, familiar with the system of accounting in county and city offices and with the laws relating to county and city affairs. Each examiner shall give bond in the sum of two thousand dollars, conditioned as the bonds of county officers, which bonds shall be approved and filed as bonds of the state officers. Such examiners shall hold their positions for four years, unless sooner removed by the Auditor of State for cause, and be subject at all times to the direction of said Auditor.

SEC. 115. *Assistants.* The Auditor of State shall appoint such additional assistants to the examiners as may be necessary, who shall be subject to discharge at any time by the Auditor. Such assistants shall receive such reasonable compensation as the Auditor may fix and shall be paid in the same manner as examiners. The compensation of such assistants shall be considered as part of the cost of examination.

SEC. 116. *Examinations.* Said examiners shall have the right while making said examinations, to examine all papers, books, records, and documents of any of said offices and shall have the right, in the presence of the custodian or his deputy, to have access to the cash drawers and cash in the official custody of such officer, and a like right, during business hours, to examine the public accounts of the county or city in any depository which has public funds in its custody pursuant to law.

SEC. 117. *Scope of Examinations.* All examinations shall be made without notice to the office examined. On every examination inquiry shall be made as to the financial condition and resources of the county or city; whether the cost price for improvement and material in said county or city is in excess of the cost price for like things in other counties or cities of the state; whether the county or city authorities are complying with the law; and whether the accounts and reports are being accurately kept.

SEC. 118. *Subpoenas.* The Auditor of State and all examiners shall, in all matters pertaining to an authorized examination, have power to issue subpoenas of all kinds, administer oaths and examine witnesses, either orally or in writing, and the expense attending the same, including the expense of taking oral examinations in shorthand, shall be paid as other expenses of the examiner.

SEC. 119. *Refusal to Testify.* In case any witness duly subpoenaed refuses to attend, or refuses to produce documents, books, and papers, or shall attend and refuse to make oath or affirmation, or, being duly sworn or affirmed, shall refuse to testify, the Auditor of State or the examiner may apply to the district court, or to any judge of said district court having jurisdiction thereof, for the enforcement of attendance and answers to questions as provided by law in the matter of taking depositions.

SEC. 120. *Reports.* A report of such examination shall be made in triplicate, signed, and verified by the officer making the examination; one copy to be filed with the auditor of state; one copy with the officer under investigation, and one copy with the auditor of the county if a county office is under investigation, or with the mayor or city council if a city office is under investigation. All reports shall be open to public inspection.

SEC. 121. *Report Filed with County Attorney.* If said examination discloses any irregularity in the collection or disbursement of public funds or in the abatement of taxes a copy of said report shall be filed with the county attorney and it shall be his duty to cooperate with the state auditor, and, in proper cases, with the attorney general, to secure the correction of the irregularity.

SEC. 122. *Duty of Attorney General.* In the event such examination discloses any grounds which would be grounds for removal from office, a fourth copy of said report shall be provided and filed by the auditor of state in the office of the attorney general of the state, who shall thereupon take such action as, in his judgment, the facts and circumstances warrant.

SEC. 123. *Disclosures Prohibited.* No such examiner shall make any disclosure of the result of any investigation, except as he is required by law to report the same or to testify in court. Any violation of this provision shall be grounds for removal.

Sec. 124. *Examination of Other Municipalities.* Any township, school, or municipal corporation, not embraced within the foregoing provisions of this chapter, may, on application to the auditor of state, secure an examination of its financial transactions and the conditions of its funds, or a like examination may be had on an application of twenty-five or more taxpayers of such township, school, or other corporation, accompanied by such showing of facts as, in the opinion of the auditor of state, will justify such examination.

SEC. 125. *Bills.* Each examiner shall, on the completion of an examination, file with the auditor of state a detailed, itemized, and sworn voucher of his per diem and expenses, which voucher, when approved by said auditor and by the state board of audit, shall be paid from any unappropriated funds in the state treasury.

SEC. 126. *State Reimbursed.* Upon payment by the state of the per diem and expense aforesaid, the auditor of state shall at once file with the warrant-issuing officer of the county or municipality whose office was examined, a copy of the voucher so paid by the state and thereupon said warrant-issuing officer shall at once draw his warrant for said amount on the general funds of his county or municipality in favor of the auditor of state, which warrant shall be placed to the credit of the general fund of the state.

SEC. 5623. *Classes of cities—towns—villages.* The municipal corporations referred to in this title shall be divided into cities of the first class, cities of the second class, and towns.

1. First Class. Every municipal corporation not organized as a city of the first class, or having a population of fifteen thousand or over, shall be a city of the first class.

2. Second Class. Every municipal corporation now organized as a city of the second class, or having a population of 2,000, but not exceeding fifteen thousand, shall be a city of the second class.

3. Towns. Every municipal corporation having a population of less than two thousand shall be deemed a town.

4. Villages. Town sites platted and unincorporated shall be known as villages.

SEC. 5624. *Change of class—loss of population.* Within six months after the publication of any state or federal census, the executive council shall cause a statement and list of each city or town affected thereby in its class as a corporation to be published in some newspaper at the seat of government and in each city or town, the class of which is changed. No city shall be affected in its classification by a subsequent loss of population, unless, in a city of the second class, it shall have dropped below fifteen hundred, or in a city of the first class, below ten thousand.

SEC. 5625. *Change of class—ordinances—wards.* Before the next election in a city or town after a change of class, the council shall make and publish each ordinance as may be necessary to perfect such organization in respect to the election, duties, and compensation of officers. All assets and property of the corporation shall be held and administered as provided by law for its new class as a corporation. Upon the change of a town to a city, the council shall, for the purpose of holding the first election, divide the same into wards.

SEC. 5626. *Wards.* Cities may be, by the council thereof, divided into wards, new ones created, or the boundaries changed, but in all cases, whether it be the creation of wards or the changing of the boundaries thereof, the same shall be laid off, as nearly as may be, in a rectangular form, conforming the lines to the center of the streets or alleys, and giving to each ward, as far as practicable, an equal population; but in cities of the second class, the number shall not be increased beyond five nor decreased to less than two.

SEC. 5627. *Elections.* Regular city and town elections shall be held on the last Monday in March, and elective officers shall be chosen biennially to succeed officers whose terms expire. The voting places shall be fixed by the council, at least one polling place for each precinct or ward as the case may be, and the election shall be conducted in the manner provided by law for general elections.

SEC. 5628. *Residence in precinct—exception.* Each qualified elector may vote at said election, who, for ten days has been a resident of the precinct in which he offers to vote. Electors who are registered and otherwise qualified and who change residence from the precinct where registered to another precinct within ten days preceding the election, may vote in the precinct where registered except at elections when councilmen are to be elected by the voters of a ward or district.

SEC. 5629. *Tie votes—contesting elections.* A tie vote for any city or town office shall be determined as provided in the title on elections.

The election of any person to a city or town office may be contested on the same grounds and in the same manner provided for contesting elections to county offices, so far as applicable. The mayor shall be the presiding officer of the court, but if his election is contested, the council shall select one of its own members to act in his place.

SEC. 5630. *Qualifications of officers.* Every officer elected or appointed in a city or town shall be a qualified voter thereof, and every officer elected by any ward or district of a city or town shall reside within the limits of said ward or district.

SEC. 5631. *Council—how composed—election.* Councils shall be composed in towns, of five councilmen at large, and in cities, except as otherwise provided, of two councilmen at large and one councilman from each ward; but if any city embraces within its limits the whole or part of two or more townships, two of which parts contain one thousand or more electors, only one councilman at large shall be chosen from any one township.

SEC. 5632. *Officers elected at large.* In all cities and towns the mayor, treasurer and assessor shall be elected by the entire electorate, provided, however, that the auditor, solicitor and engineer may be elected if it is so provided by ordinance.

SEC. 5633. *Officers appointed by council.* In all cities and towns, the council at its first meeting after the biennial election, shall appoint a clerk and may appoint a city solicitor, a city engineer, an auditor, and in cities of the first class, where there is no municipal or superior court, a police judge.

SEC. 5634. *Officers appointed by the mayor.* The officers to be appointed by the mayor shall be:

1. A marshal, and such police and other officers as may be provided by ordinance; and in emergencies such special policemen as he may think proper, reporting such appointments to the council at its next regular meeting. Such special appointments shall continue in force until such meeting, unless sooner terminated by the mayor.
2. A health physician.
3. A street commissioner.
4. In cities of the first class, when necessary, a wharfmaster.

SEC. 5635. *Police matrons—appointment—number.* In cities having a population of twenty-five thousand or more, for each station house provided therein for the detention or imprisonment of women or children under arrest, the mayor may, and in cities having a population of thirty-five thousand or over shall, appoint one or more women, residents of the city, as police matrons, who shall be over thirty years of age. The appointees shall be, so far as applicable, subject to the same regulations and restrictions as policemen, and hold their positions during good behavior, unless by reason of age or infirmity they have become incapacitated to perform the duties of the position.
