

CONTINUING EDUCATION FY21 Accomplishments

Strengthening Iowa libraries through professional instruction.

More than 7,100 Attendees Received Training

*Jan. data does not include ILOC attendees

"I walked into the director's position untrained and have been working on making sure everything is done how it is supposed to be done instead of how it has always been done. You provide fantastic resources for that, thank you!"

- Boardroom Series attendee

Live Trainings vs. Recorded Trainings

70% of credit hours awarded for State Library training occurred in live, online training sessions.

Live, online trainings held:

92

Recorded sessions available: 100+

"Love the enthusiasm we always get from the State Library!"

Since the Sept. 2020 launch of

IA LEARNS

STATE LIBRARY EDUCATION ACADEMY

10,225 Credit Hours Awarded

Includes State Library-provided training and Requests for External CE Credit.

"The State Library has been great helping us move through the pandemic and provide services. It is much appreciated, especially as we try and navigate programs in the way our individual communities need and will respond to."

- ILOC Conference Participant
