Bridges Letter of Agreement

It's time to renew for this year!

You've all been anxiously awaiting news that the Bridges RFP process is complete. Today we have good news! A new contract with OverDrive to provide a platform for Bridges has been signed. It took much longer than we had hoped, but we were able to ensure no breaks in service during the process. Now we can move on to the next step.

This year, you'll sign your [Bridges Letter of Agreement](#) using the same system you've been using to sign your Enrich Iowa Agreements. You'll have until **Sept. 1, 2021** to complete it.

Remember, this is only for **current Bridges members**. If you know another library that is trying to join for the first time, we will be introducing that Agreement shortly.

We're working on a new invoicing process for Bridges. Instructions for that will be sent out when it's ready. As we announced last fall, your annual membership will be the same amount as last year. You can find that amount on the Bridges section of the [State Library website](#).
