SW Large Print Rotation

Hi, SW Iowa Librarians!

We have had a Large Print Book rotation here in southwest Iowa for many years. Our current rotation cycle will conclude on October 1st. So now is the time to sign up to join us if you would like your library to participate in the new rotation. Currently, there are 15 libraries participating. This means that every three months you get a box of 10 unique large print titles with a recent copyright date mailed to your library. You will have these additional titles for three months for your patrons to enjoy before boxing them up and sending them on to the next library on the list. This is an easy and free way to

supplement your current large print collection. The only cost for your library is a little time to add them to your collection and the loss of your own titles for the duration of the rotation. If you are interested in participating, please contact Carrie Falk from the Shenandoah Public Library to sign up or for more information on how the rotation works.
