### **FEATURE STORYTELLER:**

## Life Lessons from My Father – A Former Refugee

Story by Lisa Thai, daughter of ethnically-Chinese immigrant parents from Vietnam, born and raised in Des Moines. Lisa is a first-generation college graduate of the University of Iowa now working as a financial advisor in Des Moines.

This is dedicated to my Chinese father who grew up in Vietnam and later escaped to the United States in search of a better life for his family. This year, he turns 77 and offers this wise advice - *"Getting older, one should not think too much, only wish for good health and a happy body and mind."*
