Council Bluffs Woman Wins \$25,000 Playing Bingo Ticket

Shelli Watts of Council Bluffs

A funny thing happened on the way to the wedding rehearsal for Shelli Watts of Council Bluffs.

Watts won a \$25,000 prize playing Diamond Bingo the day before her son got married.

Watts said she bought the ticket on a Friday and was scratching the ticket that day while she waited for her husband to dress for the rehearsal.

She just couldn't believe that she had won such a large prize, so she showed the ticket to her husband.

"He was in shock too. [He said,] 'We won! We're rich!'" Watts explained.

She says they will pay some bills with the winnings and will try to spend a little on something fun as well. They haven't decided what that will be yet.

Watts bought her ticket at Darrah's Total, 3607 Ninth Ave., Council Bluffs. 📍

Send a Proxy to an Event If You Aren't Able to Go

When the Iowa Lottery has a giveaway promotion event, we often receive calls from players who can't attend the event and are afraid they'll have to forfeit their prize.

Lottery staffers will tell these players not to fret! A proxy can be appointed for any player who is eligible to attend a prize event, but can't be there in person.

.....
"Proxy (prok'se) 2. the person so authorized; substitute; agent."—Random House Webster's College Dictionary
.....

"They can appoint somebody to play their part," said Karen Smith, Iowa Lottery Promotions Manager.

The player may choose a proxy, or, if the player doesn't

designate someone, the lottery will pick a proxy for the player.

"This should calm their fears if they can't come," Smith added.

If the player chooses to designate a proxy, they are sent a proxy form to fill out, which names the proxy and authorizes them to accept the prize. A proxy receives no monetary compensation from the lottery for their duties.

Sometimes proxies need to be designated at the last minute due to an emergency. If a player were unable to attend an event because their car broke down or because of weather, a proxy would be designated by the lottery at that time. Smith said a few non-lottery employees are chosen before an event to be on call if proxies are needed.

For more information on proxies, contact the Iowa Lottery at 515-281-7900. 📞

Don't Forget Some Lotto Games Can Be Cancelled

Since we're always telling you that you can't cancel Powerball and Hot Lotto tickets, we also need to tell you that you **can** cancel other lotto games.

The \$100,000 Cash Game, Pick 3 and Freeplay Replay games can be cancelled. However, they must be cancelled the same day in the same store where they are sold and before the sales cutoff for the game.

CANCEL

In order to cancel a ticket, follow the procedure below to make sure you get proper credit:

- On the Extrema, touch "Cancel" at the bottom of the main screen.
- Insert the ticket into the scanner or enter the serial number. The terminal will print a "Cancel" ticket.
- On the SciScan, choose "07 Online Cancel" from the main screen.
- Enter the serial number from the ticket. The terminal will print a "Cancel" ticket.
- Staple the "Cancel" ticket you receive from the terminal/SciScan to the cancelled play and put it into the Retailer Settlement Envelope to be returned to the lottery.

Ask your DSR if you have any questions. 📞
