or [Tamara.McIntosh@dnr.iowa.gov](mailto:Tamara.McIntosh@dnr.iowa.gov).

DES MOINES – DNR staff work with individuals, businesses and communities to help them protect our natural resources by complying with state and federal laws. This approach is very effective. In the few cases where compliance cannot be achieved, the DNR issues enforcement actions. The following list summarizes recent enforcement actions. Find the entire, original orders on DNR’s website at [www.iowadnr.gov/EnforcementActions](http://www.iowadnr.gov/EnforcementActions).

### Consent Orders

A consent order is issued as an alternative to issuing an administrative order. A consent order indicates that the DNR has voluntarily entered into a legally enforceable agreement with the other party.

### Dubuque County

Gavilon Grain, LLC

Comply with all laws and regulations applicable to discharging pollutants into a water of the State; pay \$18,283.19 in fish restitution and investigative costs; pay \$244,704.92 in mussel restitution; and pay a \$7,000 administrative penalty.

## Air Quality permits under review

**MEDIA CONTACT: Marnie Stein, DNR, at 515-725-9525**  
or [Marnie.Stein@dnr.iowa.gov](mailto:Marnie.Stein@dnr.iowa.gov) for Title V permits.

DES MOINES – The DNR Air Quality Bureau has the following draft permits up for review. The permits help protect Iowans’ health and air quality. DNR’s permitting staff review each permit application to ensure facilities comply with state and federal air quality requirements. We encourage public comments on draft permits, providing help on how to [make effective comments](#). Submit written comments to the assigned permit writer

before 4:30 p.m. on the last day of the comment period. DNR considers public comments before finalizing the permits.

### **Title V Operating Permits**

Title V Operating permits are reviewed and re-issued every five years. Facilities with a Title V permit have the potential to emit large amounts of air pollutants compared to other facilities. The five-year reviews are a federal requirement and ensure adequate monitoring is included in the permit. The DNR plans to issue Title V Operating Permits for the following facilities. Find permit details at [www.iowadnr.gov/titlev-draft](http://www.iowadnr.gov/titlev-draft).

### **Woodbury County**

Smithfield Packaged Meats Corp – [Sioux City – 1000 Cunningham Drive](#), Sioux City. The application was submitted to operate their existing sausages and other prepared meats facility. The public comment period ends Nov. 27.
