STATE LIBRARY OF IOWA

North Central District - NOV 2021

Open Office Hours

Join other North Central librarians and staff for an Open Office Session on **Tuesday the 9th of November at 2 PM**. We have had to move from Thursday just this week because of a state holiday. Remember these are informal sessions where we can connect with other librarians and talk about any issues you would like to talk about. They are not worth any CE credit and are not recorded.
