**Verify Eligibility**

The Eligibility and Verification Information System (ELVS) line is very busy during the first of the month. The [ELVS web portal](#) is another option for providers in lieu of calling the ELVS line but each provider must enroll through the Electronic Data Interchange Support Services (EDISS). The ELVS web portal allows for multiple eligibility checks and batch submission, where as the ELVS phone system only allows for one at a time.

Login ID and password may be obtained through EDISS by submitting the following [Access Request Form](#) to EDISS or calling EDISS at 1-800-967-7902.

For more information, please see Informational Letter 1650-MC available [here](#).
