Book Club Opportunity: Final 2021 All Iowa Reads Virtual Author Visits

The last three virtual author visits for 2021 are quickly approaching. Each author for the adult, teen, and kids title has one final webinar scheduled before we end this year's program.

Please consider sharing the information below with your book discussion groups so we can send the 2021 authors off with a groundswell of support and appreciation from Iowans!

Each session will feature half an hour of conversation between the author and a moderator followed by time for questions from the audience. Learn more about the 2021 All Iowa Reads authors, their works, and their process and bring all the fun and connection of your book club to these virtual book club chats.
