

Update from the State Data Center - January 26, 2021

2020 Census Geographic Products Available

Today the U.S. Census Bureau released the 2020 Census P.L. 94-171 geographic support products for Iowa. These geographic products are provided to support redistricting efforts by state and local governments and contain newly created 2020 Census blocks and updated block groups, census tracts, voting districts, and current boundaries for legal governments and school districts referenced to Jan. 1, 2020.

Census Tract and Census Block maps for Iowa in .pdf are available through the State Data Center website and can be accessed by clicking the link below.
