Enrich Iowa Funding has been Sent

Libraries that participate in the Enrich Iowa program:

Be on the lookout for a letter from the State Library with important information on your library's allocation of Enrich Iowa funding. Inside you will find a check for your library's Enrich Iowa money **OR** a letter stating the amount transferred if direct deposit has been set up.

If your library receives a paper check, please be sure to deposit it as soon as possible. Enclosed along with the check is a form to set up direct deposit for future disbursements. We **highly** recommend setting up direct deposit to make the process of receiving payments easier and to avoid the hassle of depositing physical checks along with the added risk of loss or theft.

Direct deposits are transferred to the city's account, so contact your city clerk if you have questions about the process to move the funding to the library's account.

If you do not receive your letter in the next two weeks, please reach out to Linda Choate at 515-281-3038 or linda.choate1@iowa.gov.
