GET YOUR ANNUAL
BENEFIT STATEMENT
IN MY ACCOUNT.**

Each spring, IPERS provides an annual benefit statement for current and former IPERS members.

My Account is good for you and IPERS because:

Electronic delivery costs less which means more money stays in the trust fund that pays benefits.

My Account includes more information and options than the paper statements.

My Account provides 24/7 access to your benefits so you don't have to wait for a paper statement each year. The statement is uploaded to My Account several days before it will reach you by mail.

Digital access is better for the environment.
