Director Roundtables

Just a reminder that Director Roundtables are rapidly approaching. The theme this year follows our broader education theme for 2022--**Make Room For Yes**. Here's the description you'll find in **IALearns**: "*Sponsored by the State Library and facilitated by District Consultants, roundtables are designed in a 3-hour format, with the first portion being a guided discussion. This year's Director Roundtables are based on ideas from the book When to Say Yes by Don Khouri.*

In NE, we'll be meeting May 12 in Garrison and May 27 in Sumner. It'll be good to see so many of you in-person again.
