

STUDENT & FACULTY DIVERSITY REPORT

MARCH 2022

EXECUTIVE SUMMARY

The Iowa College Student Aid Commission (Iowa College Aid) annual Student and Faculty Diversity Report summarizes trends in representation by minority population groups among students, faculty, and state financial aid recipients at Iowa colleges and universities. The report has been published each year since 1992 and is provided to the Governor and Iowa General Assembly as directed by Iowa Code §261.2 (Duties of commission). The report is based on an annual survey of Iowa colleges and university officials. Iowa College Aid is grateful for the assistance of college and university staff who contributed the information compiled for this report.

Findings of the 2022 report include the following:

- In the fall of 2021, 39,120 minority students were enrolled at Iowa colleges and universities.
- Enrollment of racial and ethnic minority students in Iowa's colleges and universities has increased steadily since 1992 when the Ethnic Diversity Survey was first conducted. Between fall 1992 and fall 2021, enrollment of racial and ethnic minority students in Iowa's colleges and universities has increased about 300%.
- In the fall of 2021, racial and ethnic minorities represented 19% of enrollment in Iowa colleges and universities.
- Of Iowa-resident minority students attending college in Iowa during the previous academic year (2020-21), 8% were awarded an Iowa Tuition Grant, 2% were awarded an Iowa Vocational-Technical Tuition Grant, and 2% were awarded an All Iowa Opportunity Scholarship.

Some apparent trends in this report partly reflect changes in agency methods of counting students and faculty by race/ethnicity implemented in the fall of 2010. Methods for collecting the data in this report are described under Report Background. The numbers reported only reflect race and ethnicity self-reported to the institutions; therefore, data represented in this report will not match total enrollment data on various other reports.

For this report, minority students and faculty include those from the following population groups: Hispanic or Latino; American Indian or Alaska Native; Asian; Black or African American; Native Hawaiian or other Pacific Islander; two or more races/ethnicities.

POSTSECONDARY ENROLLMENT

POSTSECONDARY ENROLLMENT 1992–2021

In the fall of 2021, a total of 201,242 full- and part-time graduate and undergraduate students were enrolled in Iowa postsecondary institutions, including Regent Universities, independent four-year colleges and universities, community colleges, proprietary colleges and specialized graduate medical schools. This figure represents enrollment at Iowa degree-granting institutions, which annually report student ethnic diversity data to Iowa College Aid.

(Note: Enrollments could vary slightly due to the number of schools reporting from year to year.)

In the fall of 1992, the first year of the Diversity Report, full-time and part-time enrollment in Iowa was 172,435. Between 1992 and 2021, total enrollment expanded by about 17%.

Figure 1. Total Enrollment in Iowa Colleges and Universities

Enrollments include full- and part-time undergraduate, graduate, and professional students

POSTSECONDARY ENROLLMENT

Within a one-year period, minority student enrollment has increased by 0.3%, from 38,998 in fall 2020 to 39,120 in fall 2021. As Figure 2 demonstrates, there has been significant growth in the number of minority students enrolled in Iowa colleges and universities over the past two decades. In fall 1992, there were 9,744 enrolled minority students; by fall 2021, this number increased by approximately 300%. To put the magnitude of this growth into perspective, the growth of minority students in Iowa colleges and universities has outpaced Iowa’s total population growth over the same time period; Iowa’s total population increased roughly 14%, from 2.81 million to 3.19 million (U.S. Census Bureau, 2020).

Figure 2. Total Minority Enrollment in Iowa Colleges and Universities

Enrollment includes full- and part-time undergraduate, graduate, and professional racial/ethnic minority students.

POSTSECONDARY ENROLLMENT

Between fall 1992 and fall 2021, total enrollment in Iowa colleges and universities increased by more than 25,000 students, from 172,435 to 201,242, and the percentage of total enrollment represented by racial and ethnic minorities in Iowa’s colleges and universities expanded from 6% to 19%. During these two decades, growth in minority enrollment between fall 1992 and fall 2021 significantly outpaced overall enrollment growth. Between fall 1992 and fall 2021, total enrollment grew by 17%, while enrollment of racial and ethnic minority students increased about 300%. As a percentage of total enrollments, minority enrollment began steady expansion in the early 2000s. In fall 2021, 61% of all minority students are Iowa residents.

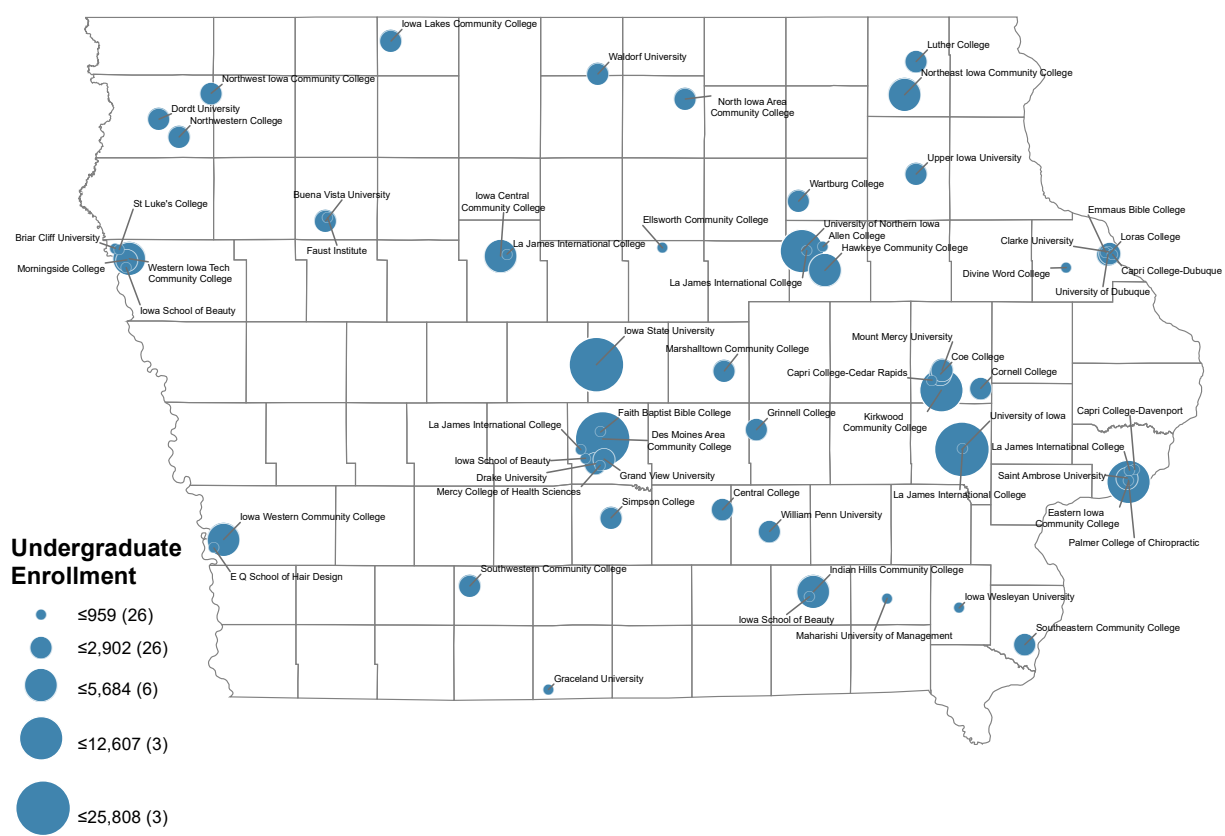

Figure 3. Percent of Total Enrollment by Race/Ethnicity

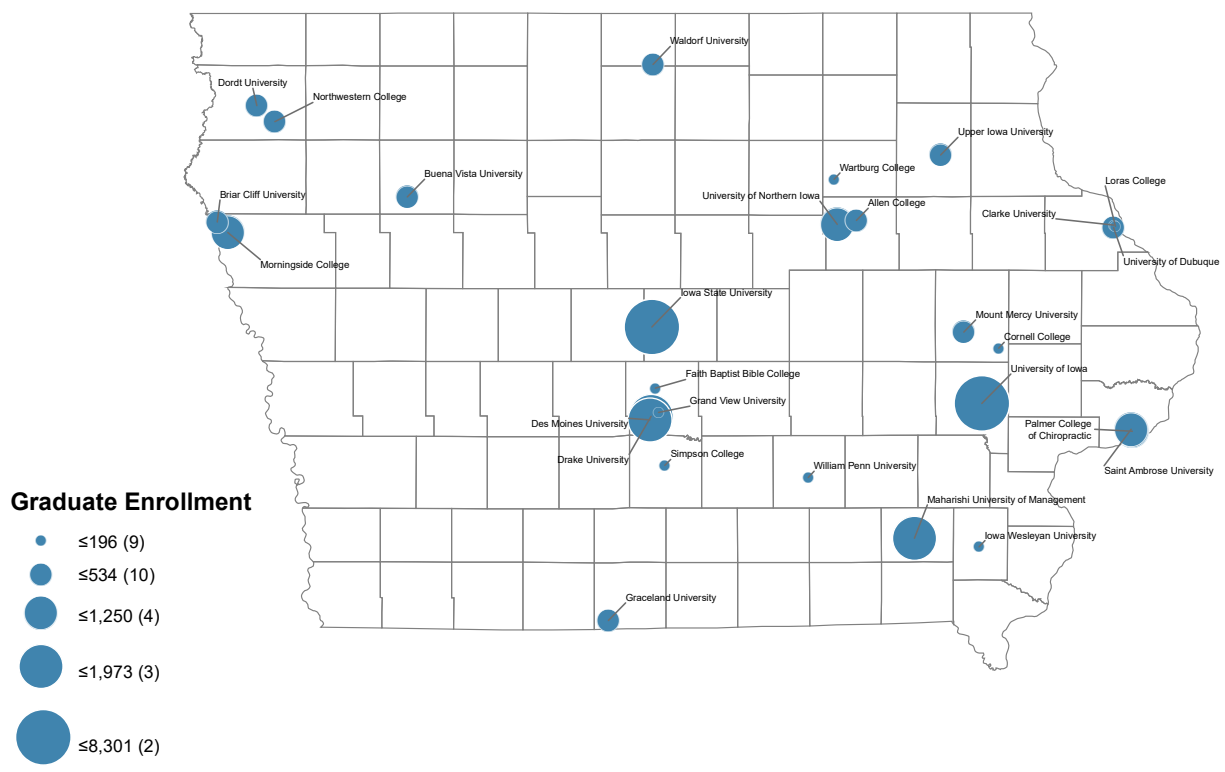

Enrollment includes full- and part-time undergraduate, graduate, and professional racial/ethnic minority students.

MINORITY RECIPIENTS

MINORITY RECIPIENTS IN STATE-APPROPRIATED STUDENT FINANCIAL AID PROGRAMS

For the Student and Faculty Diversity Report, Iowa institutions report the race/ethnicity of state financial aid recipients for three major state aid programs: Iowa Tuition Grants, Iowa Vocational-Technical Tuition Grants, and All Iowa Opportunity Scholarships during the prior academic year. The chart below tracks the history, since 1996, of grant program recipients who were Iowa-resident minority students. The All Iowa Opportunity Grant program recipients were reported by race/ethnicity for the first time in 2010-11. In the 2020-21 academic year, 12% of Iowa resident minority students attending college in Iowa were awarded one or more of these grants.

Figure 4. Percent of Iowa Minority Students Receiving Grants and Scholarships

MINORITY RECIPIENTS

While the previous figure examined the share of minority recipients among all in-state minority undergraduates, Figure 5 displays minority recipients as a percentage of recipients within each state aid program. In the 2020–21 academic year, 20% of all Iowa Tuition Grant recipients, 20% for Iowa Vocational-Technical Tuition Grant recipients, and 53% for All Iowa Opportunity Scholarship recipients were minority students.

Figure 5. Percent of Grants Awarded to Minority Students

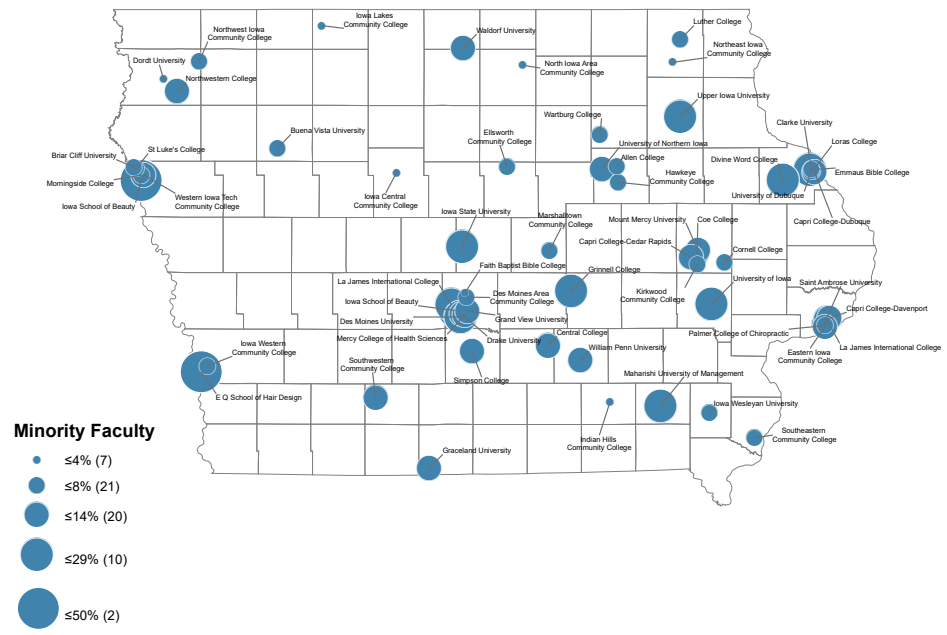

MINORITY FACULTY

Figure 6 represents minority faculty as a percentage of total faculty by sector. In the fall of 2021, a total of 14,803 full- and part-time faculty members were part of teaching, research, or public service in Iowa colleges and universities. A total of 1,924, or 13%, were faculty from minority population groups.

REPORT BACKGROUND

Iowa Code §261.2 directs Iowa College Aid to collect data on racial and ethnic diversity at Iowa colleges and universities and to provide a report to the Governor and Iowa General Assembly. Iowa College Aid collects this information through its annual Ethnic Diversity Survey, one of four principal surveys Iowa College Aid administers annually to Iowa postsecondary institutions.

Since it was first administered in 1992 until the fall of 2009, the content of Iowa College Aid's ethnic diversity survey remained essentially unchanged. During this period, the survey collected information about the representation of students and faculty from various minority population groups for both U.S. citizens and non-resident aliens. In fall 2010, the survey form implemented new race and ethnicity categories consistent with U.S. Department of Education guidelines for reporting race and ethnicity. In 2010, for the first time, the survey allowed institutions to report the (unduplicated headcount) number of students and faculty in the following race/ethnicity categories:

1. Non-Resident Alien
2. Race and Ethnicity Unknown
3. White

In previous years the ethnic diversity survey collected the race/ethnicity of non-resident aliens rather than treating "non-resident alien" as a separate and unique race/ethnicity category for reporting purposes. For this reason, apparent trends in minority representation are partly conflated with shifts attributable to this one-time change in methods of counting students and faculty by race/ethnicity.

The system used for reporting race and ethnicity data in Iowa College Aid's annual ethnic diversity survey is consistent with the U.S. Department of Education's guidance on reporting such data as it pertains to the Integrated Postsecondary Education Data System (IPEDS) (Federal Register, 2007). According to this guidance, when reporting race and ethnicity data, educational institutions report aggregated racial and ethnic data in the following categories:

1. Non-Resident Alien.
2. Race and Ethnicity Unknown.
3. Hispanic or Latino. A person of Cuban, Mexican, Puerto Rican, South or Central American or other Spanish culture or origin, regardless of race. (The term "Spanish origin" can be used in addition to "Hispanic/Latino or Latino.")
4. American Indian or Alaska Native. A person having origins in any of the original peoples of North and South America (including Central America), and who maintains a tribal affiliation or community attachment.
5. Asian. A person having origins in any of the original peoples of the Far East, Southeast Asia or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand and Vietnam.
6. Black or African-American. A person having origins in any of the Black racial groups of Africa.
7. Native Hawaiian or Other Pacific Islander. A person having origins in any of the original peoples of Hawaii, Guam, Samoa or other Pacific Islands.
8. White. A person having origins in any of the original peoples of Europe, the Middle East or North Africa.
9. Two or more races.
