S.F. 2381

By Appropriations.

A bill for an act making appropriations from and to the rebuild Iowa infrastructure fund for the fiscal year beginning July 1, 1998, to the division of soil conservation for deposit in the Loess Hills development and conservation fund; department of corrections for renovation of the power plant and improvements to the water system at the Iowa correctional institution for women, for the construction of two additional cellblocks at the Fort Dodge correctional facility, and for the construction of a 200-bed facility at the Iowa state penitentiary at Fort Madison; department of cultural affairs for the creation of a historical site preservation grant program; department of economic development for a welcome center at Hamburg, to be deposited in the physical infrastructure assistance fund, and for deposit in the rural enterprise fund to be used for a dry fire hydrant and rural water supply education and demonstration project; department of education for infrastructure improvements to the community colleges; department of general services for major renovation needs for state-owned buildings and facilities, for critical and deferred maintenance at Terrace Hill, for relocation of offices and other transitions costs associated with the renovation of the Lucas state office building and the old historical building, for renovation of the Lucas state office building, for developing a master plan for the capitol complex, for planning and design of a parking structure located at the northwest corner of the capitol complex, and for capitol interior restoration; department of public defense for maintenance and repair of national guard armories and facilities; department of public safety for construction of a new patrol post in district 1; department of natural resources for the purpose of funding capital projects from marine fuel tax receipts for expenditures for local cost-share grants to be used for capital expenditures to local governmental units for boating accessibility, for the construction of the Elinor Bedell state park and wildlife conservation area, for a recreational grant matching program, for the blufflands protection revolving fund, and for the dredging of lakes; department of transportation for capital improvements at all 10 of the commercial air service airports and for an automated weather observation system; for the Iowa state fair foundation for renovation, restoration, and improvement of the cattle barn and horse barn at the state fairgrounds and for county fair infrastructure improvements; judicial department for capital projects at the capitol building; and state board of regents for capital projects at the Iowa school for the deaf and the Iowa braille and sight saving school; making appropriations of the marine fuel tax receipts from the rebuild Iowa infrastructure fund; providing a reversion date to funds appropriated to the department of revenue and finance in the fiscal year beginning July 1, 1997, and ending June 30, 1998; making statutory changes relating to appropriations by establishing the blufflands protection fund, by reducing the overall appropriation for the restore outdoors program for the fiscal period beginning July 1, 1997, and ending June 30, 2001, as a result of the governor's item veto, by providing for coordination of vertical infrastructure databases, by eliminating a matching contribution requirement on certain funds appropriated to the department of cultural affairs for the fiscal year beginning July 1, 1997, by extending the allowable time to enter into contracts to provide alternative drainage outlets, by allocating part of the funds derived from the

excise tax on the sale of motor fuel used in watercraft from the general fund to the rebuild Iowa infrastructure fund Various effective dates, see bill
