Auditor of State's Independent Report on Applying Agreed-Upon Procedures

To the Honorable Mayor and Members of the City Council:

We performed the procedures below, which were established at Iowa Code Chapter 11.6, to provide oversight of Iowa cities. Accordingly, we have applied certain procedures to selected accounting records and related information of the City of Walcott for the period July 1, 2021 through June 30, 2022, including procedures related to the City's compliance with certain Code of Iowa requirements identified below. The City of Walcott's management, which agreed to the performance of the procedures performed, is responsible for compliance with these requirements and for the City's records.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards for attestation engagements contained in Government Auditing Standards, issued by the Comptroller General of the United States. The City of Walcott's management has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose to report, in accordance with Chapter 11.6 of the Code of Iowa, recommendations pertaining to selected accounting records and related information of the City including the City's compliance with certain Code of Iowa requirements. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures we performed are summarized as follows:

1. We observed selected City Council meeting minutes for compliance with Chapters 21, 372.13(6) and 380 of the Code of Iowa.
2. We obtained an understanding of the City's internal controls to determine if proper control procedures are in place and incompatible duties, from a control standpoint, are not performed by the same employee.
3. We observed surety bond coverage for compliance with Chapter 64 of the Code of Iowa.
4. We obtained and observed the City Clerk's financial reports and selected bank reconciliations to determine whether the bank balances properly reconciled to the general ledger account balances and monthly financial reports provided to the City Council.
5. We scanned City funds for consistency with the City Finance Committee's recommended Uniform Chart of Accounts (COA) and to determine required funds and fund balances are properly maintained and accurately accounted for.
6. We observed the City's fiscal year 2022 Annual Financial Report to determine whether it was completed and accurately reflects the City's financial information.
7. We scanned investments to determine compliance with Chapter 12B of the Code of Iowa.

8. We scanned depository resolutions, the City's investment policy and reporting of unclaimed property to the State of Iowa to determine compliance with Chapters 12C.2, 12B.10B and 556.1(12) of the Code of Iowa.
9. We scanned debt, including general obligation and revenue bonds/notes, and related transactions for proper authorization and compliance with Chapters 75, 384 and 403.9 of the Code of Iowa and to determine whether the debt and related proceeds and repayments were properly accounted for.
10. We scanned selected tax increment financing (TIF) transactions, including receipts, disbursements and transfers, for compliance and accurate accounting, including compliance with the TIF reporting requirements of Chapter 384.22 of the Code of Iowa.
11. We observed the City's TIF debt certification forms filed with the County Auditor, including requests for collection of reduced TIF amounts and to decertify certain TIF obligations, as applicable, for proper support and compliance with Chapter 403.19(6) of the Code of Iowa.
12. We traced selected receipts to accurate accounting and consistency with the recommended COA.
13. The City had no voter approved levies.
14. We traced selected disbursements to proper approval, adequate supporting documentation, accurate accounting and consistency with the recommended COA and compliance with the public purpose criteria established by Article III, Section 31 of the Constitution of the State of Iowa.
15. We traced transfers between funds to proper authorization and accurate accounting and to determine whether transfers were proper.
16. We traced selected payroll and related transactions to proper authorization and accurate accounting and determined whether payroll was proper.
17. We observed the annual certified budget for proper authorization, certification and timely amendment.

Based on the performance of the procedures described above, no exceptions were noted.

We were engaged by the City of Walcott's management to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards for attestation engagements contained in Government Auditing Standards, issued by the Comptroller General of the United States. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on specific accounting records and related information of the City, including compliance with specific Code of Iowa requirements. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the City of Walcott and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

The purpose of this report is to report, in accordance with Chapter 11.6 of the Code of Iowa, certain agreed-upon procedures and the resulting findings and recommendations pertaining to selected accounting records and related information of the City, including the City's compliance with certain Code of Iowa requirements. This report is not suitable for any other purpose.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the City of Walcott during the course of our agreed-upon procedures engagement. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.
