| 381—By Teter. Requiring common carriers of passengers to file with the executive council a sworn statement of the names of persons receiving free tickets, free passes, or free or discriminating reduced rates, and such other information as may be required, together with the amounts that would have been received had such transportation been paid for at the regular rates, and providing a penalty for failure to file such statement or to furnish such information. |            |

| 407—By Meredith. Repealing section two thousand eight hundred eighty-one (2881) of the code, chapter one hundred fifteen (115) of the acts of the Twenty-eighth General Assembly, and section six (6) of chapter one hundred fourteen (114) of the acts of the Twenty-eighth General Assembly, relating to the employes in the state library, fixing their salaries and providing for their bonds, and enacting a substitute therefor. |            | 412—By Marston (by request). Providing for the sanitary construction and maintenance of buildings and rooms used for bakeries and the storage of flour, meal and the products thereof, and the wagons used for delivery, also prohibiting the employment of persons afflicted with certain communicable disease, and excluding animals from such bake-shops and storage-rooms.           |            |
