Our dear departed friend Representative Harper clued us in one day when in her clear and positive tone noted, "We may not spend as much on booze in Davis County, but we enjoy it just as much."

Polk County's Representative Jesse observed one day, "I suggest to you that we should not use a bludgeon when a stilleto would do."

Representative Lipsky informed us, "Amendments are frequently the salt that seasons difficult legislation."

The mischevious Representative from Clayton, Mr. Halvorson, noted one day, "Speaker after speaker has got up and said he knew nothing about the subject and then spent the next five minutes proving it."

Representative Ken Miller who apparently has been tutored by former Representative Norpel told us something one day we had never thought of. "You don't come into this world all by yourself. You need a little help."

Representative Clark of Lee gave us all the "inside" one day: "The elected officials of Lee County, being of high moral character, have got rid of all the scoundrels and scalawags—except for a couple of members of the board of supervisors, of course."

Representative Small noted, "Why require somebody to fly when they don't have wings?"

The dry wit of Republican Welden came through when he stated, "The new test for germaneness seems to be that the sponsor be a member of the germane party."

Tom Gilloon mused, "We're going to tax sin, but we're opposed to taxing wealth."

Mr. Stromer blurted out one day, "We spend days trying to figure out whether we are going to dredge Blue Lake, or fund Brushy Creek, or put a plug in Leaky Lake."

Last January, I told you of the brief, three-word prayer that helps me begin each day. If you'll recall, it is simply the phrase, "Open my eyes."

Now I am sure you will join me in a late-hour invocation to the Lord in which we ask for a little time in which to now close them after these many, many long hours.

Until we meet again—soon. Thank you all very much for your dedication, your work, your co-operation and your service to the state through this House of Representatives.

On motion by Fitzgerald of Webster and pursuant to Senate Concurrent Resolution 27, duly adopted, the House adjourned at 8:17 p.m., until 10:00 a.m., June 13, 1977.

OFFICE OF THE GOVERNOR

The Honorable Dale M. Cochran
Speaker of the House
Sixty-seventh General Assembly

State Capitol
Des Moines, Iowa 50319

Honorable Members of the General Assembly:

For the first time in thirteen years this day does not mark the official end of legislative business for the year. Sine die adjournment normally suggests that action on priority legislative items and appropriations is concluded. 1977 is different.

Iowa's first experience with collective bargaining negotiations has necessitated the special legislative session which I have called for June 21 to conclude appropriations.

You began the appropriations process this year by utilizing a new committee approach to budget-making, concentrating almost exclusively on appropriations work during the first half-dozen weeks of this assembly.

In the spirit of that approach, and to help your efforts, my budget recommendations were delivered during the first week of the session. While the merits of the committee budgeting technique have been disputed, the net result--the number of dollars so far appropriated--is known. After much talk of cutting my budget, this legislature followed the familiar pattern and exceeded my recommendations by \$13 million. While we can appreciate some of these increases, the total added burden will strain the state's resources.

This year's session also saw activity on other fronts--and I welcome this opportunity to share my observations.

This General Assembly did not lack advice as to what should be debated and passed. The session began with several priority lists, varying from a recitation of lofty goals and platitudes . . . often easy to support, difficult to implement, and awesome to finance, to, if you will, the detailed researched list of proposals I sent you on January 11. I believed then, as I do now, that affordable and workable solutions are difficult to find. I think you, too, have discovered that to be true.

The most visible issue during last year's campaign and the beginning of this legislative session was PROPERTY TAXES. Most legislators cited it as a primary concern. I detailed a 15-point plan to halt the unchecked growth in property assessments and to improve local government financing procedures. Unfortunately, much of that package was not adopted. Local option taxation was left undone as well as such items as recertification of assessors and full disclosure on the sale of property. These proposals are simply too important to Iowans to file away in the "Almost Got Done" archives. They deserve your attention next year.

You did send me a bill that will limit property assessments and avoid a predictably dramatic increase at the next equalization order. You have been severely and sometimes unfairly criticized for the complexity and scope of your actions on property taxes. Yet it is important to note that without some form of relief Iowa homeowners and farmers would experience another round of startling valuation increases this fall.

One of your greatest accomplishments this year could have been the LAND USE bill. The House invested long hours developing a land use bill emphasizing local control, recognizing the need for state guidelines and immediately protecting critical land areas. The final version does not measure up to the quality, effectiveness or impact of the original House bill.

You forfeited an opportunity to assure the protection of our land. Nevertheless, you did respond to several initiatives I had in my January 11 Message, and for that I thank you.

You adopted the uniform CHILD CUSTODY statute, thus offering some protection to youngsters and parents from the trauma of uncertain jurisdictional outcomes. After this winter's severe energy crisis, the obvious benefits of including energy and thermal efficiency standards in the STATE BUILDING CODE became apparent, and you took action in that area. Prompted by a close call, you quickly moved to protect our people and land by passing a HAZARDOUS SUBSTANCE SPILLS CONTROL bill. Years of repeated requests were finally heeded as you adopted a MOBILE HOME TIEDOWN requirement. Assisting the disadvantaged, you provided INCREASED ADC BENEFITS to help keep pace with inflation. An improved public health nursing program will encourage IN-HOME HEALTH CARE for Iowa's aged. And, the funding mechanism for our UNEMPLOYMENT INSURANCE TRUST FUND was replaced with one which will keep the fund solvent and provide more reliable flow of revenue.

Other measures could have been adopted to enhance the legislature's record of achievement. The public demand for full access to government activities warranted inclusion of collective bargaining negotiations in the OPEN MEETINGS LAW. Bipartisan support from the League of Iowa Municipalities should again remind you of the need for a WASHINGTON OFFICE for the State of Iowa . . . and that need is still with us.

The tragedy of highway accidents should compel action on my proposal to strengthen DRUNK DRIVING statutes. UNIFORM BIDDING REQUIREMENTS for local governments, consolidation of the DEPARTMENT OF ENVIRONMENTAL QUALITY, and the systematic screening of LICENSING BOARDS are other proposals which should have been considered, modified if necessary, but certainly passed during 1977. They were never brought up. You can give them consideration in the 1978 session.

Two very visible issues remain with us. The first is that of HIGHWAY FUNDING. The House moved ambitiously and sent a bill to the Senate.

Although the distribution formula is in question, House members should be recognized for their willingness to address this problem area. The Senate needs to match their resolve. The returnable BOTTLE AND CAN bill is another story. Seldom is an issue more clear cut with a definable answer based on experience. We know the results of the bill I originally recommended — the Oregon version. Unfortunately that simple and effective bill was cobbled up. The Senate will have a chance to correct it.

In addition, you approved several other priority items in one house only. Half of a bill is not half of a solution — but it is an investment of half the legislative resources necessary to address the problem. This investment should not be wasted by failure to complete action in both houses. We look forward to completed work to revise our JUVENILE JUSTICE laws, RESTRUCTURE THE STATE FAIR AND LAW ENFORCEMENT ACADEMY BOARDS, and strengthen the protection of MINORITY STOCKHOLDERS.

Others have joined in judging the record of this first session -- editorial writers, representatives of special interest groups and those to whom you are ultimately accountable -- the people of Iowa.

You have asked all of these people to refrain from hasty conclusions. You have asked for time. You have asked them to postpone their judgments until the gavel falls on the second session next year.

This request obviously points to opportunities and obligations to act in 1978. Cynics tell us that election year legislatures rarely accomplish much of significance. They say that campaigning triumphs over courage, rhetoric over reason and ballots over boldness. You can prove them wrong.

In many instances, your agenda for next year is already set. Much of your time is needed to complete partially finished legislation, unmet priorities and another round of appropriations.

As you adjourn this session, you have my appreciation and thanks for the constructive efforts you have made. You know that the issues you will face in the special session and in the next regular session demand timely consideration and responsible action.

As you accept the challenge, you can be poised to step forward and build upon this year's beginning -- to forge a record of achievement for which you can all be proud.

Thank you and best regards.

Sincerely,

ROBERT D. RAY
Governor

The report was received and the committee discharged.

5 "Section 1. NEW SECTION. This Act may be cited
6 as the "Iowa Building Code Act".

7 Sec. 2. NEW SECTION. LEGISLATIVE FINDINGS AND

8 INTENT. Uniformity of building codes and uniformity

9 in procedures for enforcing codes throughout the

10 nation and the state are matters of nationwide and

11 statewide interest and concern in that uniformity

12 would increase the efficiency of the building industry

13 and further assure the safety of its products.

14 The cost of conventional housing has risen to a

15 height that effectively prevents many families from

16 purchasing homes. This is a serious social and

17 economic problem. A goal of this Act is to minimize

18 the cost of acceptable housing consistent with the

19 need to maintain the public health and welfare.

20 Therefore, administration of this Act will include

21 a continuing imaginative program to seek out, evaluate,

22 and promote new concepts, new materials, and new

23 techniques which show promise of reducing costs and

24 providing better housing to the citizens of this

25 state.

26 Sec. 3. NEW SECTION. APPLICABILITY — ADOPTION
27 PROCEDURE.

28 1. The standards, requirements, and specifications
29 set forth in this Act shall apply to:

30 a. All public buildings constructed by any
31 political subdivision of the state.

32 b. All factory built structures, including mobile
33 homes and mobile home parks throughout the state.

34 c. All buildings and construction owned by the
35 state and all buildings constructed on state land.
36 d. All construction of buildings in each
37 governmental subdivision of the state which has adopted
38 a building code.
39 2. Energy conservation standards and requirements
40 promulgated under the authority of section eight (8),
41 subsection one (1), paragraph c of this Act, including
42 those standards and requirements related to thermal
43 efficiency, shall apply to all new buildings and con-
44 struction throughout the state. Standards relating
45 to lighting efficiency shall apply as well to all
46 existing public buildings.
47 "Construction" as used in this subsection is limited
48 to the erection of new buildings or factory built
49 structures and additions to existing buildings or
50 factory built structures and does not include

Page 2

1 renovations or repairs. "Existing building or factory
2 built structure" as used in this subsection means

4 human occupancy which are occupied or ready for
5 occupancy on January 1, 1978 or for which engineering
6 and architectural plans have been finalized prior
7 to January 1, 1978.
8 3. The standards, requirements, and specifications
9 set forth in this Act shall not apply to buildings
10 in unincorporated areas which are used and continue
11 to be used primarily for agricultural purposes nor
12 to owner-occupied farmhouses or other farm buildings
13 which are primarily adapted, by reason of nature and
14 area, for use for agricultural purposes, while so
15 used or while under construction for such use, unless
16 such buildings are dwellings which are factory built
17 structures.
18 4. The appropriate divisions of the state building
19 code shall be applicable in each governmental
20 subdivision of the state in which the governing body
21 has adopted or enacted a resolution or ordinance
22 accepting the applicability of one or more divisions
23 of the code and shall have filed a certified copy
24 of the resolution or ordinance in the office of the
25 commissioner and in the office of the secretary of
26 state. The applicable divisions of the state building
27 code shall become effective in the governmental
28 subdivision upon the date fixed by the governmental
29 subdivision resolution or ordinance. The effective

30 date shall be no later than six months after the date
 31 of adoption of the resolution or ordinance.

32 Sec. 4. NEW SECTION. DEFINITIONS. As used in
 33 this Act, unless a different meaning is clearly

24 and related functions shall be under the direction
25 and supervision of the commissioner of the department
26 of building codes.

27 A member shall not act as a member of the council
28 or vote as such in connection with any matter in which
29 he has a private interest.

- 18 j. Standards, specifications, requirements, and
19 provisions for enforcement for making buildings and
20 facilities accessible to and usable by the handicapped.
21 Rules adopted to implement this paragraph shall
22 recognize the need for a reasonable balance between
23 benefits to the handicapped and the cost of achieving
24 these benefits and shall permit individual cases to
25 be decided on their merits.
- 26 k. The establishment of classifications of fire
27 zones pursuant to section thirteen (13), subsection
28 two (2), of this Act.
- 29 1. Policy relating to maintenance and restoration

31 permit great latitude in design, materials, and
32 techniques to insure historic authenticity.
- 33 m. The administration and enforcement of this
34 Act.
- 35 2. The commissioner may propose and the council
36 may adopt the codes, standards, and requirements which
37 apply to buildings and are promulgated by such
38 organizations as the building officials and code
39 administrators international, inc., international
40 conference of building officials, southern building
41 code congress, council of american building officials,
42 and other nationally recognized organizations including
43 governmental agencies, if the council determines that
44 any such code meets the following requirements:
- 45 a. Its adoption will not substantially reduce
46 regional uniformity of building regulations.
- 47 b. It does not discriminate against particular
48 technologies, techniques, trades, or materials.
- 49 c. It does not unnecessarily increase the cost
50 of construction in the state.

Page 7

- 1 d. It will protect the public health, safety,
2 and welfare within the state.
- 3 e. The state may participate in the code
4 modification proceedings of the model code group whose
5 code is proposed to be adopted.
- 6 If the council determines that all of the codes
7 fail to meet one or more of the requirements, the
8 council shall adopt a code which is comprised of one
9 or more of the model codes or which is amended to
10 the extent necessary to meet the requirements.

- 11 3. The council shall:
- 12 a. Establish procedures for implementation of
- 13 the transition from chapters one hundred three A
- 14 (103A) and four hundred thirteen. (413) of the Code
- 15 to this Act.
- 16 b. Hold a public hearing prior to adopting any
- 17 rule, following adequate public notice.
- 18 c. Make a continual study of the operation of
- 19 the Iowa building code and other laws relating to
- 20 the construction of buildings to ascertain their
- 21 effect upon the cost of building construction and
- 22 determine the effectiveness of their provisions.
- 23 d. Hear appeals pursuant to section fifteen (15)
- 24 of this Act.
- 25 e. Decide, upon application by a private party
- 26 or a local enforcement agency, that new technologies,
- 27 techniques, and materials which have been tested,
- 28 where necessary, and found to meet the objectives
- 29 of the Iowa building code, shall be deemed to meet
- 30 that code. These determinations are binding upon
- 31 all local enforcement agencies throughout the state
- 32 unless otherwise qualified by the council.
- 33 f. Make a continual study to seek out, evaluate,
- 34 and promote new concepts, new materials, and new
- 35 techniques which show promise of reducing costs and
- 36 providing better housing to the citizens of this
- 37 state.
- 38 4. The council or commissioner may:
- 39 a. Require or provide for the testing of materials,
- 40 devices, and methods of construction.
- 41 b. Appoint experts, consultants, technical
- 42 advisors, and advisory committees for assistance and
- 43 recommendations relative to the formulation of the
- 44 Iowa building code.
- 45 c. Formulate rules for the issuance and revocation
- 46 of permits for building construction and occupancy
- 47 permits.
- 48 **Sec. 9. NEW SECTION. IOWA BUILDING CODE.**
- 49 1. The rules published pursuant to section eight
- 50 (8) of this Act shall comprise and collectively be

Page 8

- 1 known as the Iowa building code.
- 2 2. The Iowa building code shall be designed to
- 3 achieve the following specific objectives:
- 4 a. Provide uniform standards and requirements
- 5 for construction and construction materials.
- 6 b. To the extent practicable, set forth the

7 standards, specifications, and requirements in terms
8 of performance objectives, to facilitate the use of
9 new technologies, techniques, and materials.
10 Preference shall be given to standards reasonably
11 consistent with those of other states.

12 3. Until one hundred eighty days after adoption
13 of the Iowa building code by a local government, any
14 local building regulations shall continue in effect
15 unless repealed. Thereafter, local building
16 regulations shall be void and of no effect, except
17 as powers are reserved to the local government in
18 section ten (10) of this Act. A building permit
19 validly issued pursuant to local building regulations
20 within one hundred eighty days after adoption of the
21 Iowa building code by the local government is valid
22 thereafter, and the construction of a building may
23 be completed pursuant to and in accordance with the
24 permit. In an area of the state which had no building
25 regulations or did not require building permits, the
26 construction of a building started before adoption
27 of the Iowa building code by the local government
28 may be completed without a building permit.

29 4. Until one hundred eighty days after adoption
30 of the Iowa building code, building codes promulgated
31 by a state board, department, commission, or agency
32 shall continue in effect unless repealed. Thereafter,
33 such building codes shall be void and of no effect.

34 5. The building code commissioner shall immediately
35 notify all local governments of revisions adopted
36 as part of the state building code. Unless the local
37 government files a request for local variation with
38 respect to these revisions within ninety days of the
39 date of notification by the commissioner, the local
40 government shall be held responsible for enforcing
41 the revisions so adopted.

42 **Sec. 10. NEW SECTION. LOCAL EXEMPTIONS.**

43 1. A local government which, prior to the adoption
44 of this Act, has adopted and is enforcing a nationally
45 recognized model building code as its building
46 ordinance, may apply to the council to be allowed
47 to continue to enforce its building ordinance and
48 to be exempted from the provisions of the Iowa building
49 code. After approval by the council, or after final
50 decision by the district court in favor of exemption

Page 9

1 after appeal of an adverse decision by the council,
2 the ordinance shall be so exempted. The council shall

3 support its decisions on applications with written
4 findings in accordance with the provisions of
5 subsection two (2) of this section.

6 2. The council shall grant an application for
7 exemption if it is established to the satisfaction
8 of the council that:

9 a. The ordinance is sufficiently consistent with
10 the Iowa building code so that its application will
11 not substantially reduce statewide or regional
12 uniformity of building codes.

13 b. The ordinance does not unnecessarily
14 discriminate against particular technologies,
15 techniques, trades, or materials.

16 c. The ordinance does not unnecessarily increase
17 the cost of construction in the jurisdiction.

18 d. The ordinance is the current edition of a
19 nationally recognized model building code.

20 e. Enforcement of the ordinance, as it may differ
21 from the Iowa building code, is necessary to protect
22 the public health, safety, and welfare within the
23 applicable jurisdiction. In determining whether the
24 ordinance meets the above requirements, the council
25 shall obtain the advice and counsel of the department
26 of building codes.

27 3. A decision of the council approving or
28 disapproving an application, or failure of the council
29 to act within a reasonable time, may be appealed to
30 the district court.

31 4. If an application is approved, the local
32 government shall thereafter maintain its building
33 ordinance up to date. The local government may do
34 so by adopting, without change, such improvements,
35 amendments, and research findings as may be issued
36 by the national model code organization within one
37 year of the issuance thereof. If the local government
38 wishes to amend the nationally recognized model code
39 in any other manner, it shall submit the proposed
40 amendment and findings of fact in support thereof
41 to the council. The council shall approve the
42 amendment if the local government establishes to the
43 council's satisfaction that it meets the criteria
44 set forth in subsection two (2) of this section and
45 is necessary to account for conditions peculiar to
46 the jurisdiction. Should an exempted local government
47 fail to maintain its code up to date, or amend its
48 code in violation of this section, and fail to remedy
49 the situation within a reasonable time after due
50 notice, the council shall revoke the local government's

Page 10

1 exemption and the Iowa building code shall be enforced
2 in that jurisdiction. Any decision of the council
3 approving or disapproving such an amendment or revoking
4 a local government's exemption shall be final for
5 purposes of seeking judicial review.

6 5. A local government which has been exempted
7 under this section may upon public notice repeal its
8 building ordinance and will thereafter be covered
9 by the Iowa building code.

10 Sec. 11. **NEW SECTION. LOCAL VARIATIONS.** A local
11 government may propose to the council variations in
12 the Iowa building code for application within its
13 jurisdiction to cover unique local conditions requiring
14 special or different building standards. The council
15 shall adopt such variations if it is established to
16 the council's satisfaction that:

17 1. The proposed variation is sufficiently
18 consistent with the Iowa building code so that its
19 application will not substantially reduce statewide
20 uniformity of building codes.

21 2. The proposed variation does not discriminate
22 against particular technologies, techniques, or
23 materials.

24 3. The proposed variation does not unnecessarily
25 increase the cost of construction in the jurisdiction.

26 4. The proposed variation does not substantially
27 reduce the standards of public health, safety, and
28 welfare within the jurisdiction.

29 Sec. 12. **NEW SECTION. ADMINISTRATION.**

30 1. In areas where local enforcement agencies have
31 jurisdiction, the commissioner shall not enforce the
32 Iowa building code. In such areas, the local
33 enforcement agencies are responsible for the
34 examination and approval or disapproval of plans and
35 specifications, the issuance and revocation of building
36 permits, licenses, certificates, and similar documents,
37 and the inspection of buildings pursuant to the
38 provisions of the Iowa building code.

39 The department of building codes shall enforce
40 the state building code as it applies to all buildings
41 constructed by the state or on state property. A
42 state agency may contract with local enforcement
43 agencies with the approval of the commissioner to
44 provide the services enumerated in this section.

45 2. Within one hundred eighty days after the
46 adoption of the Iowa building code, a local government
47 shall create, where necessary, a local enforcement

48 agency and shall employ and designate a building
49 official as well as code enforcement officers deemed
50 necessary to assist the enforcement agency in carrying

Page 11

1 out its functions under this section. The
2 administrative chief of the local enforcement agency
3 shall be called the building official.

4 3. If a local government has not adopted the state
5 building code, the department of building codes shall
6 enforce the state building code as it applies in that
7 jurisdiction.

8 4. Local governments shall appoint local appeals
9 boards to hear appeals brought in accordance with
10 section fifteen (15), subsection two (2) of this Act.
11 Until the boards are established, appeals shall be
12 heard by the council. A sufficient number of members
13 shall be appointed to allow appeals to be heard
14 promptly by panels of not less than three members,
15 all of whom shall be free of conflicts of interest
16 in the cases before them. A local government shall
17 be relieved of the duty to appoint local appeals
18 boards if it establishes to the satisfaction of the
19 council that a sufficient number of qualified people
20 cannot be found in the jurisdiction or through
21 cooperation with neighboring jurisdictions.

22 5. Two or more local governments may establish
23 a local enforcement agency or a local appeals board
24 to serve their jurisdictions, and in this event they
25 shall share proportionately the expenses incurred.

26 6. The department of building codes shall, upon
27 request, assist a local enforcement agency in such
28 matters as technical assistance, code interpretation,
29 education, training, personnel, and information
30 collection and dissemination.

31 7. Except as otherwise provided in the Iowa
32 building code, the construction of a building shall
33 not begin until a building permit is issued. Upon
34 submission of an application to a local enforcement
35 agency, if the building proposed to be erected will
36 comply with this Act and the Iowa building code, a
37 permit shall be issued. A local enforcement agency
38 may suspend or revoke a building permit if the building
39 under construction pursuant thereto does not comply
40 with this Act or the Iowa building code.

41 8. A local enforcement agency shall periodically
42 inspect all construction undertaken pursuant to
43 building permits issued by that agency to assure

44 compliance with this Act and the Iowa building code.
45 The applicant for a building permit for a building
46 under construction, who shall be the owner or his
47 or her authorized agent, is deemed to have consented
48 to inspection by a local enforcement agency by the
49 act of applying for a building permit. In addition
50 to other inspections provided for in this Act, an

Page 12

1 inspection may be made of any building at any time
2 if a local enforcement agency has probable cause to
3 believe that a condition hazardous to life or property
4 exists. If a building is found not to comply with
5 the Iowa building code, to the extent that it is
6 hazardous to life or property, the local enforcement
7 agency shall notify the permittee in writing to bring
8 the building into compliance with the Iowa building
9 code so it will no longer be hazardous to life or
10 property, or to secure it from entry or both. If
11 the permittee fails to comply with the notification,
12 the local enforcement agency shall revoke the permit.

13 9. A building constructed after the effective
14 date of the Iowa building code shall not be used or
15 occupied until a certificate of occupancy has been
16 issued. Upon submission of an application for a
17 certificate of occupancy to a local enforcement agency,
18 a certificate of occupancy shall be issued if the
19 building to which the application pertains has been
20 constructed in accordance with the building permit,
21 the Iowa building code, and other applicable laws
22 and ordinances.

23 **Sec. 13. NEW SECTION. RESERVATION OF LOCAL ZONING**
24 **AND RELATED POWERS.**

25 1. Except as provided by or pursuant to this Act,
26 land use zone requirements, building setback
27 requirements, side and rear yard requirements, site
28 development, and property line requirements are
29 specifically, and entirely reserved to local government.

30 2. The council shall establish classifications
31 of fire zones. Local governments shall establish
32 precise boundaries for fire zones within their
33 jurisdictions.

34 **Sec. 14. NEW SECTION. FEES.**

35 1. The council shall establish a schedule of fees
36 for the functions performed by the council and the
37 commissioner in connection with the administration
38 and enforcement of this Act and publish it in the
39 Iowa building code. The amount of the fees shall

40 be based, to the extent reasonable, on the cost of
41 performing functions undertaken pursuant to this Act.
42 Such fees shall be deposited in the state general
43 fund.

44 2. Each local government may establish a schedule
45 of fees for the functions performed by the local
46 enforcement agency in connection with the enforcement
47 of this Act. Local fees shall apply to state-owned
48 buildings and state construction within the local
49 jurisdiction. Such fees shall be deposited in the
50 local government's general fund.

Page 13

1 Sec. 15. NEW SECTION. APPEALS.

2 1. The council shall promptly hear and decide
3 appeals brought by any person or party in an individual
4 capacity, or on behalf of a class of persons or
5 parties, affected by any rule or decision made pursuant
6 to this Act. Final decisions by the council are
7 reviewable on appeal to the district court.

8 2. Prior to appeal to the council, appeals of
9 decisions or rulings of a local enforcement agency
10 shall be heard by the appropriate local appeals board.
11 If there is no local appeals board for the
12 jurisdiction, appeals shall be taken directly to the
13 council.

14 Sec. 16. NEW SECTION. INJUNCTIVE RELIEF. The
15 commissioner or the local enforcement agencies may
16 obtain injunctive relief from any court of competent
17 jurisdiction to enjoin the occupancy other than owner-
18 occupancy, erection, alteration, or installation of
19 any building covered by this Act, or to enjoin the
20 sale, delivery, use, occupancy, erection, alteration,
21 or installation of any factory built structure covered
22 by this Act, upon an affidavit specifying the man-
23 ner in which the building does not conform to the
24 requirements of this Act or the Iowa building code.

25 Sec. 17. NEW SECTION. PENALTIES.

26 1. A party who fails to comply with the provisions
27 of this Act or of the state building code within a
28 reasonable time of notification of the violation shall
29 be subject to a fine of not more than one hundred
30 dollars for each offense.

31 2. A separate violation is deemed to have occurred
32 with respect to each building not in compliance with
33 the Act or the Iowa building code.

34 Sec. 18. Section one hundred point one (100.1),
35 subsection four (4), paragraph d, and subsection five

36 (5), Code 1977, are amended to read as follows:
37 d. ~~The electric wiring and heating, and adequate~~

42 places, and all other structures in which persons
43 congregate from time to time, whether publicly or
44 privately owned; -
45 5. To promulgate fire safety regulations. The
46 state fire marshal shall have exclusive right to
47 promulgate fire safety regulations as they apply to
48 enforcement or inspection requirements by the state
49 fire marshal, but such regulations shall be promulgated
50 only after public hearing. Wherever by any statute

Page 14

1 the fire marshal or the department of public safety
2 is authorized or required to promulgate, proclaim,
3 or amend rules and minimum standards regarding fire
4 hazards or fire safety or protection in any
5 establishment, building or structure, such rules and
6 standards shall promote and enforce fire safety, fire
7 protection, and the elimination of fire hazards as
8 the same may relate to the use, and occupancy and
9 construction of such buildings, establishments, or
10 structures. ~~The word "construction" shall include,~~
11 ~~but is not limited to, electrical wiring, plumbing,~~
12 ~~heating, lighting, ventilation, construction materials.~~
13 These rules and standards shall relate to entrances
14 and exits, and all other physical conditions of the
15 building which may affect fire hazards, safety, or
16 protection. Such rules and minimum standards shall
17 be in substantial compliance with the standards of
18 the National Fire Protection Association relating
19 to fire safety and fire hazards which threaten life
20 as published in the national fire codes.

21 Sec. 19. Section one hundred four point two
22 (104.2), Code 1977, is amended to read as follows:
23 104.2 SCOPE OF CHAPTER. The provisions of this
24 chapter shall not apply to any facility installed
25 in any single private dwelling residence, to facilities
26 subject to regulation under I.D.R. (1973 and
27 supplements), chapter 26 of the bureau of labor rules
28 (regulation 29 C.F.R. 1926.552), to manlifts subject
29 to regulation under chapter 88 or to facilities over
30 which an agency of the federal government is asserting
31 similar enforcement jurisdiction. Provisions of this

32 chapter supersede similar provisions contained in
 33 building codes of this state or any subdivision
 34 thereof, except as provided in section one hundred
 35 four point three (104.3) of the Code.

36 Sec. 20. Section one hundred four point three

32 right to sell that person's home at a price of his

33 or her own choosing, but may reserve the right to
 34 approve the purchaser of such mobile home as a tenant
 35 but such permission may not be unreasonably withheld,
 36 provided however, that the landlord may, in the event
 37 of a sale to a third party, in order to upgrade the
 38 quality of the mobile home park, require that any
 39 mobile home ten feet or less wide and more than ten
 40 years old, or any mobile home in a rundown condition
 41 or in disrepair be removed from the park within sixty
 42 days.

43 d. Exact a commission or fee with respect to the
 44 price realized by the tenant selling the tenant's
 45 mobile home, unless the park owner or operator has
 46 acted as agent for the mobile home owner pursuant
 47 to a written agreement.

48 e. Require tenant to furnish permanent improvements
 49 which cannot be removed without damage thereto or
 50 to the mobile home space by tenant at expiration of

Page 12

1 the rental agreement.

2 f. Prohibit meetings between tenants in the mobile
 3 home park relating to mobile home living and affairs
 4 in the park community or recreational hall if such
 5 meetings are held at reasonable hours and when the
 6 facility is not otherwise in use.

7 **Sec. 23. NEW SECTION. ACCESS.**

8 1. The landlord has no right of access to a mobile
 9 home owned by a tenant.

10 2. The landlord and tenant may mutually agree,
 11 in writing, to give the landlord access.

12 **Sec. 24. NEW SECTION. TENANT TO OCCUPY AS A**
 13 **DWELLING UNIT—AUTHORITY TO SUBLET.** Unless otherwise
 14 agreed, the tenant shall occupy the tenant's mobile
 15 home only as a dwelling unit and may sublet, upon
 16 written agreement with the park management.

17 **DIVISION IV—REMEDIES**

18 **Sec. 25. NEW SECTION. NONCOMPLIANCE BY THE**
 19 **LANDLORD:**

20 1. Except as provided in this chapter, if there
 21 is a material noncompliance by the landlord with the
 22 rental agreement, the tenant may deliver a written
 23 notice to the landlord specifying the acts and
 24 omissions constituting the breach and that the rental
 25 agreement will terminate upon a date not less than
 26 thirty days after receipt of the notice if the breach
 27 is not remedied in fourteen days. If there is a
 28 noncompliance by the landlord with section nineteen

29 (19) of this Act materially affecting health and
30 safety, the tenant may deliver a written notice to
31 the landlord specifying the acts and omissions con-
32 stituting the breach and that the rental agreement
33 will terminate upon a date not less than twenty days
34 after receipt of the notice if the breach is not
35 remedied in ten days. The rental agreement shall
36 terminate and the mobile home space shall be vacated
37 as provided in the notice subject to the following:
38 a. If the breach is remediable by repairs or the
39 payment of damages or otherwise and the landlord
40 adequately remedies the breach prior to the date
41 specified in the notice, the rental agreement will
42 not terminate.
43 b. The tenant may not terminate for a condition
44 caused by the deliberate or negligent act or omission
45 of the tenant, a member of the tenant's family or
46 other person on the premises with the tenant's consent.
47 2. Except as provided in this chapter, the tenant
48 may recover damages, and obtain injunctive relief
49 for any noncompliance by the landlord with the rental
50 agreement or with section nineteen (19) of this Act.

Page 13

1 3. The remedy provided in subsection two (2) of
2 this section is in addition to any right of the tenant
3 arising under subsection one (1) of this section.
4 4. If the rental agreement is terminated, the
5 landlord shall return all deposits.
6 **Sec. 26. NEW SECTION. FAILURE TO DELIVER**
7 **POSSESSION.**
8 1. If the landlord fails to deliver physical
9 possession of the mobile home space to the tenant
10 as provided in section eighteen (18) of this Act,
11 rent abates until possession is delivered and the
12 tenant may do either of the following:
13 a. Upon at least five days' written notice to
14 the landlord, terminate the rental agreement and upon
15 termination the landlord shall return all deposits.
16 b. Demand performance of the rental agreement
17 by the landlord and if the tenant elects, maintain
18 an action for possession of the mobile home space
19 against the landlord or any person wrongfully in
20 possession and recover the damages sustained by him.
21 2. If the landlord fails to deliver constructive
22 possession to the tenant because of noncompliance
23 with section nineteen (19) of this Act, rent shall
24 not abate. The tenant may proceed with the remedies
25 provided for in section twenty-five (25) of this Act.

26 3. If a person's failure to deliver possession
27 is willful and not in good faith, an aggrieved person
28 may recover from that person the actual damages
29 sustained by him, plus any attorney's fees and court
30 costs.

31 **Sec. 27. NEW SECTION. SELF-HELP FOR MINOR DEFECTS.**

32 1. If the landlord fails to comply with section
33 nineteen (19) of this Act, the tenant may recover
34 damages for the breach under section twenty-five (25),
35 subsection two (2) of this Act, or may notify the
36 landlord of the tenant's intention to correct the
37 condition at the landlord's expense. After being
38 notified by the tenant in writing, if the landlord
39 fails to comply within twenty days or as promptly
40 thereafter as conditions require in case of emergency,
41 the tenant may cause the work to be done by a licensed
42 contractor and, after submitting to the landlord an
43 itemized statement and a waiver of lien, deduct from
44 the rent the actual and reasonable cost of the work.

45 2. A tenant may not repair at the landlord's
46 expense if the condition was caused by the deliberate
47 or negligent act or omission of the tenant, a member
48 of the tenant's family or other person on the premises
49 with the tenant's consent.

50 **Sec. 28. NEW SECTION. WRONGFUL FAILURE TO SUPPLY**

Page 14

1 **ESSENTIAL SERVICES.**

2 1. If contrary to the rental agreement or section
3 nineteen (19) of this Act, the landlord deliberately
4 or negligently fails to supply essential services,
5 the tenant may give reasonable notice to the landlord
6 specifying the breach under tenant's remedies.

7 2. The rights under this section do not arise
8 until the tenant has given notice to the landlord.
9 Such rights do not arise if the condition was caused
10 by the deliberate or negligent act or omission of
11 the tenant, a member of the tenant's family or other
12 person on the premises with the tenant's consent.

13 **Sec. 29. NEW SECTION. TENANT'S REMEDIES FOR**
14 **LANDLORD'S UNLAWFUL OUSTER, EXCLUSION OR DIMINUTION**
15 **OF SERVICES.** If the landlord unlawfully removes or
16 excludes the tenant from the premises or willfully
17 diminishes services to the tenant by interrupting
18 or causing the interruption of electric, gas, water
19 or other essential service to the tenant, the tenant

20 may recover possession or terminate the rental
21 agreement and, in either case, recover an amount equal
22 to two months' periodic rent and twice the actual
23 damages sustained by the tenant. If the rental
24 agreement is terminated, the landlord shall return
25 all deposits.

26 **Sec. 30. NEW SECTION. NONCOMPLIANCE WITH RENTAL**
27 **AGREEMENT BY TENANT—FAILURE TO PAY RENT.**

28 1. Except as provided in this chapter, if there
29 is a material noncompliance by the tenant with the
30 rental agreement, the landlord may deliver a written
31 notice to the tenant specifying the acts and omissions
32 constituting the breach and that the rental agreement
33 will terminate upon a date not less than thirty days
34 after receipt of the notice if the breach is not
35 remedied in fourteen days. If there is a noncompliance
36 by the tenant with section twenty-one (21) of this
37 Act materially affecting health and safety, the
38 landlord may deliver a written notice to the tenant
39 specifying the acts and omissions constituting the
40 breach and that the rental agreement will terminate
41 upon a date not less than twenty days after receipt
42 of the notice if the breach is not remedied in ten
43 days. However, if the breach is remediable by repair
44 or the payment of damages or otherwise, and the tenant
45 adequately remedies the breach prior to the date
46 specified in the notice, the rental agreement will
47 not terminate.

48 2. If rent is unpaid when due and the tenant fails
49 to pay rent within seven days after written notice
50 by the landlord of nonpayment and of the landlord's

Page 15

1 intention to terminate the rental agreement if the
2 rent is not paid within that period of time, the
3 landlord may terminate the rental agreement. Prior
4 to judgment in an action brought by the landlord under
5 this subsection, the tenant may have the rental
6 agreement reinstated by tendering the past due but
7 unpaid periodic rent, reasonable attorney's fees
8 incurred by the landlord and court costs, if any.

9 3. Except as otherwise provided in this chapter,
10 the landlord may recover damages, obtain injunctive
11 relief or recover possession of the premises pursuant
12 to an action in forcible detainer for any noncompliance
13 by the tenant with the rental agreement or with section
14 twenty-one (21) of this Act.

15 4. The remedy provided in subsection three (3)

16 of this section is in addition to any right of the
 17 landlord arising under subsection one (1) of this
 18 section.

19 **Sec. 31. NEW SECTION. FAILURE TO MAINTAIN BY**
 20 **TENANT.** If there is noncompliance by the tenant with
 21 section twenty-one (21) of this Act materially
 22 affecting health and safety that can be remedied by
 23 repair, replacement of a damaged item or cleaning
 24 and the tenant fails to comply as promptly as condi-
 25 tions require in case of emergency or within ten days
 26 after written notice by the landlord specifying the
 27 breach and requesting that the tenant remedy it within
 28 that period of time, the landlord may enter the mobile
 29 home space, and cause the work to be done in a
 30 workmanlike manner and submit an itemized bill for
 31 the actual and reasonable cost or the fair and reason-
 32 able value thereof additional as rent on the next
 33 date when periodic rent is due, or if the rental
 34 agreement was terminated, for immediate payment.

35 **Sec. 32. NEW SECTION. REMEDIES FOR ABANDONMENT-**
 36 **-REQUIRED REGISTRATION.**

37 1. If the tenant abandons the mobile home unit
 38 on a mobile home space, it is encumbent upon the
 39 landlord to locate the legal owner or lienholder of
 40 the mobile home unit within ten days and communicate
 41 to that person his or her liability for any costs
 42 encumbered for the mobile home space for such mobile
 43 home unit, including rent and utilities due and owing.
 44 However, the landlord shall be entitled to a maximum
 45 of sixty days' rent due prior to notice to lienholder.
 46 Any and all costs shall then become the responsibility
 47 of the legal owner or lienholder of the mobile home.
 48 The mobile home unit may not be removed from the
 49 mobile home space without a signed written agreement
 50 from the mobile home park landlord, owner or manager

Page 16

1 showing clearance for removal, showing all moneys
 2 due and owing paid in full, or an agreement reached
 3 with the legal owner and the landlord.

4 2. A required standardized registration form shall
 5 be filled out by each mobile home space renter, upon
 6 mobile home space rental, showing mobile home make,
 7 year, serial number and license number if any be
 8 legally required, and also showing if the mobile home
 9 is paid for, if there is a lien on the mobile home,
 10 and if so the lienholder, and who is the legal owner
 11 of the mobile home unit. The registration cards or

12 forms shall be kept on file with the park management
 13 as long as the mobile home is on the mobile home space
 14 within the park. Notice shall be given to park
 15 management within ten days of any new lien, changes
 16 of existing lien or settlement of lien.

17 Sec. 33. NEW SECTION. WAIVER OF LANDLORD'S RIGHT
 18 TO TERMINATE. Acceptance of rent, or any portion
 19 thereof, with knowledge of a default by tenant or
 20 acceptance of performance by the tenant that varied
 21 from the terms of the rental agreement or rules
 22 subsequently adopted by the landlord constitutes a
 23 waiver of the landlord's right to terminate the rental
 24 agreement for that breach, unless otherwise agreed
 25 after the breach has occurred.

26 Sec. 34. NEW SECTION. LANDLORD LIENS. A lien
 27 or security interest on behalf of the landlord in
 28 the tenant's personal property is not enforceable
 29 unless perfected before the effective date of this
 30 chapter.

31 Sec. 35. NEW SECTION. REMEDY AFTER TERMINATION.
 32 If the rental agreement is terminated, the landlord
 33 may have a claim for possession and for rent and a
 34 separate claim for actual damages for breach of the
 35 rental agreement.

36 Sec. 36. NEW SECTION. RECOVERY OF POSSESSION
 37 LIMITED. A landlord may not recover or take possession
 38 of the mobile home space by action or otherwise,
 39 including willful diminution of services to the tenant
 40 by interrupting or causing the interruption of
 41 electric, gas, water or other essential service to
 42 the tenant, except in case of abandonment, surrender
 43 or as permitted in this Act.

44 Sec. 37. NEW SECTION. PERIODIC TENANCY—HOLDOVER
 45 REMEDIES.

46 1. The landlord may terminate a tenancy only as
 47 provided in this chapter.

48 2. If the tenant remains in possession without
 49 the landlord's consent after expiration of the term
 50 of the rental agreement or its termination, the

Page 17

1 landlord may bring an action for possession and if
 2 the tenant's holdover is willful and not in good faith
 3 the landlord in addition may recover an amount equal
 4 to not more than two months' periodic rent and twice
 5 the actual damages sustained by the landlord.

6 Sec. 38. NEW SECTION. LANDLORD AND TENANT REMEDIES

7 FOR ABUSE OF ACCESS.

8 1. If the tenant refuses to allow lawful access,
9 the landlord may terminate the rental agreement and
10 may recover actual damages.

11 2. If the landlord makes an unlawful entry or
12 a lawful entry in an unreasonable manner or makes
13 repeated demands for entry otherwise lawful but which
14 have the effect of unreasonably harassing the tenant,
15 the tenant may obtain injunctive relief to prevent
16 the recurrence of the conduct or terminate the rental
17 agreement. In either case, the tenant may recover
18 actual damages not less than an amount equal to one
19 month's rent plus attorney's fees, plus any unused
20 prepaid rent.

21 **Sec. 39. NEW SECTION. RETALIATORY CONDUCT**
22 **PROHIBITED.**

23 1. Except as provided in this section, a landlord
24 may not retaliate by increasing rent or decreasing
25 services or by bringing or threatening to bring an
26 action for possession after any of the following:

27 a. The tenant has complained to a governmental
28 agency charged with responsibility for enforcement
29 of a building or housing code of a violation applicable
30 to the premises materially affecting health and safety.

31 b. The tenant has complained to the landlord of
32 a violation under section nineteen (19) of this Act.

33 c. The tenant has organized or become a member
34 of a tenant's union or similar organization.

35 2. If the landlord acts in violation of subsection
36 one (1) of this section, the tenant is entitled to
37 the remedies provided in section twenty-nine (29)
38 of this Act and has a defense in an action for
39 possession. In an action by or against the tenant,
40 evidence of a complaint within six months prior to
41 the alleged act of retaliation creates a presumption
42 that the landlord's conduct was in retaliation. The
43 presumption does not arise if the tenant made the
44 complaint after notice of termination of the rental
45 agreement. For the purpose of this subsection,
46 "presumption" means that the trier of fact must find
47 the existence of the fact presumed unless and until
48 evidence is introduced which would support a finding
49 of its nonexistence.

50 3. Notwithstanding subsections one (1) and two

Page 18

1 (2) of this section, a landlord may bring an action
2 for possession if either of the following occurs:

- 3 a. The violation of the applicable building or
4 housing code was caused primarily by lack of reasonable
5 care by the tenant or other person in the household
6 or upon the premises with the tenant's consent.
7 b. The tenant is in default in rent. The
8 maintenance of the action does not release the landlord
9 from liability under section twenty-five (25),
10 subsection two (2) of this Act.

20 Sec. 3. **NEW SECTION. REMEDIES ADDITIONAL TO THOSE**
21 **NOW EXISTING.** The remedies provided in sections one
22 (1) through forty-three (43) of this Act are in
23 addition to any other remedies.

24 Sec. 4. **NEW SECTION. EXTENT OF DUTIES OF SUPPORT.**
25 Duties of support arising under the law of this state,
26 when applicable under section seven (7) of this Act,
27 bind the obligor present in this state regardless
28 of the presence or residence of the obligee.

29 Sec. 5. **NEW SECTION. INTERSTATE RENDITION.** The
30 governor of this state may:

31 1. Demand of the governor of another state the
32 surrender of a person found in that state who is
33 charged criminally in this state with failing to

41 demand even if the person whose surrender is demanded
42 was not in the demanding state at the time of the
43 commission of the crime and has not fled from the
44 demanding state. The demand, the oath, and any
45 proceedings for extradition pursuant to this section

47 is demanded has fled from justice or at the time of
48 the commission of the crime was in the demanding
49 state.
50 Sec. 6. NEW SECTION. CONDITIONS OF INTERSTATE

Page 3

1 RENDITION.

2 1. Before making the demand upon the governor
3 of another state for the surrender of a person charged
4 criminally in this state with failing to provide for
5 the support of a person, the governor of this state
6 may require any prosecuting attorney of this state
7 to satisfy him or her that at least sixty days prior
8 to the demand the obligee initiated proceedings for
9 support under sections one (1) through forty-three
10 (43) of this Act or that any proceeding would be of
11 no avail.

12 2. If, under a substantially similar Act, the
13 governor of another state makes a demand upon the
14 governor of this state for the surrender of a person
15 charged criminally in that state with failure to
16 provide for the support of a person, the governor
17 may require any prosecuting attorney to investigate
18 the demand and to report to him or her whether proceed-
19 ings for support have been initiated or would be
20 effective. If it appears to the governor that a
21 proceeding would be effective but has not been
22 initiated he or she may delay honoring the demand
23 for a reasonable time to permit the initiation of
24 a proceeding.

25 3. If the proceedings have been initiated and
26 the person demanded has prevailed in the proceeding
27 the governor may decline to honor the demand. If
28 the obligee prevailed and the person demanded is
29 subject to a support order, the governor may decline
30 to honor the demand if the person demanded is complying
31 with the support order.

32 Sec. 7. NEW SECTION. CHOICE OF LAW. Duties of
33 support applicable under sections one (1) through
34 forty-three (43) of this Act are those imposed under
35 the laws of any state where the obligor was present
36 for the period during which support is sought. The
37 obligor is presumed to have been present in the
38 responding state during the period for which support
39 is sought until otherwise shown.

40 Sec. 8. NEW SECTION. REMEDIES OF STATE OR
41 POLITICAL SUBDIVISION FURNISHING SUPPORT. If a state

42 or a political subdivision furnishes support to an
43 individual obligee it has the same right to initiate
44 a proceeding under this Act as the individual obligee
45 for the purpose of securing reimbursement for support
46 furnished and of obtaining continuing support.

47 **Sec. 9. NEW SECTION. HOW DUTIES OF SUPPORT**
48 **ENFORCED.** All duties of support, including the duty
49 to pay arrearages, are enforceable by a proceeding
50 under sections one (1) through forty-three (43) of

Page 4

1 this Act including a proceeding for civil contempt.
2 The defense that the parties are immune to suit because
3 of their relationship as husband and wife or parent
4 and child is not available to the obligor.

5 **Sec. 10. NEW SECTION. JURISDICTION.** Jurisdiction
6 of any proceeding under sections one (1) through
7 forty-three (43) of this Act is vested in the district
8 court.

9 **Sec. 11. NEW SECTION. CONTENTS AND FILING OF**
10 **PETITION FOR SUPPORT—VENUE.**

11 1. The petition shall be verified and shall state
12 the name and, so far as known to the obligee, the
13 address and circumstances of the obligor and the
14 persons for whom support is sought, and all other
15 pertinent information. The obligee may include in
16 or attach to the petition any information which may
17 help in locating or identifying the obligor including
18 a photograph of the obligor, a description of any
19 distinguishing marks on his or her person, other names
20 and aliases by which he or she has been or is known,
21 the name of his or her employer, his or her
22 fingerprints and his or her social security number.

23 2. The petition may be filed in the appropriate
24 court of any state in which the obligee resides.
25 The court shall not decline or refuse to accept and
26 forward the petition on the ground that it should
27 be filed with some other court of this or any other
28 state where there is pending another action for
29 divorce, separation, annulment, dissolution, habeas
30 corpus, adoption, or custody between the same parties
31 or where another court has already issued a support
32 order in some other proceeding and has retained
33 jurisdiction for its enforcement.

34 **Sec. 12. NEW SECTION. OFFICIALS TO REPRESENT**
35 **OBLIGEE.** If this state is acting as an initiating
36 state the prosecuting attorney upon the request of
37 the court, or other official acting as obligee's

38 representative shall represent the obligee in any
39 proceeding under sections one (1) through forty-three
40 (43) of this Act. If the prosecuting attorney neglects
41 or refuses to represent the obligee the attorney
42 general may undertake the representation.

43 **Sec. 13. NEW SECTION. PETITION FOR A MINOR.**

44 A petition on behalf of a minor obligee may be executed
45 and filed by a person having legal custody of the
46 minor without appointment as guardian ad litem.

47 **Sec. 14. NEW SECTION. DUTY OF INITIATING COURT.**

48 If the initiating court finds that the petition sets
49 forth facts from which it may be determined that the
50 obligor owes a duty of support and that a court of

Page 5

1 the responding state may obtain jurisdiction of the
2 obligor or his or her property it shall so certify
3 and cause three copies of the petition and its
4 certificate and one copy of sections one (1) through
5 forty-three (43) of this Act to be sent to the respond-
6 ing court. Certification shall be in accordance with
7 the requirements of the initiating state. If the
8 name and address of the responding court is unknown
9 and the responding state has an information agency
10 comparable to that established in the initiating
11 state it shall cause the copies to be sent to the
12 state information agency or other proper official
13 of the responding state, with a request that the
14 agency or official forward them to the proper court
15 and that the court of the responding state acknowledge
16 their receipt to the initiating court.

17 **Sec. 15. NEW SECTION. COSTS AND FEES.** An
18 initiating court shall not require payment of either
19 a filing fee or other costs from the obligee but may
20 request the responding court to collect fees and costs
21 from the obligor. A responding court shall not require
22 payment of a filing fee or other costs from the obligee
23 but it may direct that all fees and costs requested
24 by the initiating court and incurred in this state
25 when acting as a responding state, including fees
26 for filing of pleadings, service of process, seizure
27 of property, stenographic or duplication service,
28 or other service supplied to the obligor, be paid
29 in whole or in part by the obligor or by the state
30 or political subdivision thereof. These costs or
31 fees do not have priority over amounts due to the
32 obligee.

33 **Sec. 16. NEW SECTION. JURISDICTION BY ARREST.**

34 If the court of this state believes that the obligor
35 may flee it may:

36 1. As an initiating court, request in its
37 certificate that the responding court obtain the body
38 of the obligor by appropriate process; or

39 2. As the responding court, obtain the body of the
40 obligor by appropriate process. The court may release
41 him or her upon his or her own recognizance or upon
42 his or her giving a bond in an amount set by the court
43 to assure his or her appearance at the hearing.

44 Sec. 17. NEW SECTION. STATE INFORMATION AGENCY.

45 1. The child support recovery unit of the
46 department of social services is designated as the
47 state information agency under this Act and shall:

48 a. Compile a list of the courts and their addresses
49 in this state having jurisdiction under sections one
50 (1) through forty-three (43) of this Act and transmit

Page 6

1 it to the state information agency of every other
2 state which has adopted this or a substantially similar
3 Act. Upon the adjournment of each session of the
4 general assembly the agency shall distribute copies
5 of any amendments to the revised uniform reciprocal
6 enforcement of support Act and a statement of their
7 effective date to all other state information agencies;

8 b. Maintain a register of lists of courts received
9 from other states and transmit copies thereof promptly
10 to every court in this state having jurisdiction under
11 sections one (1) through forty-three (43) of this
12 Act; and

13 c. Forward to the court in this state which has
14 jurisdiction over the obligor or his or her property
15 petitions, certificates and copies of the Act it
16 receives from courts or information agencies of other
17 states.

18 2. If the state information agency does not know
19 the location of the obligor or his or her property
20 in the state and no state location service is available
21 it shall use all means at its disposal to obtain this
22 information, including the examination of official
23 records in the state and other sources such as
24 telephone directories, real property records, vital
25 statistics records, police records, requests for the
26 name and address from employers who are able and willing
27 to cooperate, records of motor vehicle license offices,
28 requests made to the tax offices both state and federal
29 where such offices are able to cooperate and requests

30 made to the social security administration as permitted
31 by the social security act as amended.

32 3. After the deposit of three copies of the
33 petition and certificate and one copy of the Act of
34 the initiating state with the clerk of the appropriate
35 court, if the state information agency knows or
36 believes that the prosecuting attorney is not
37 prosecuting the case diligently it shall inform the
38 attorney general who may undertake the representation.

39 **Sec. 18. NEW SECTION. DUTY OF THE COURT AND**
40 **OFFICIALS OF THIS STATE AS RESPONDING STATE.**

41 1. After the responding court receives copies
42 of the petition, certificate and act from the
43 initiating court the clerk of the court shall docket
44 the case and notify the prosecuting attorney of his
45 or her action.

46 2. The prosecuting attorney shall prosecute the
47 case diligently. He or she shall take all action
48 necessary in accordance with the laws of this state
49 to enable the court to obtain jurisdiction over the
50 obligor or his or her property and shall request the

Page 7

1 court to set a time and place for a hearing and give
2 notice thereof to the obligor in accordance with law.

3 3. If the prosecuting attorney neglects or refuses
4 to represent the obligee, the attorney general may
5 undertake the representation as authorized in section
6 thirteen point two (13.2), subsection two (2) of the
7 Code.

8 **Sec. 19. NEW SECTION. FURTHER DUTIES OF COURT**
9 **AND OFFICIALS IN THE RESPONDING STATE.**

10 1. The prosecuting attorney on his or her own
11 initiative shall use all means at his or her disposal
12 to locate the obligor or his or her property, and
13 if because of inaccuracies in the petition or otherwise
14 the court cannot obtain jurisdiction the prosecuting
15 attorney shall inform the court of what he or she
16 has done and request the court to continue the case
17 pending receipt of more accurate information or an
18 amended petition from the initiating court.

19 2. If the obligor or his or her property is not
20 found in the county and the prosecuting attorney
21 discovers that the obligor or his or her property
22 may be found in another county of this state or in
23 another state he or she shall so inform the court.
24 Thereupon the clerk of the court shall forward the
25 documents received from the court in the initiating

26 state to a court in the other county or to a court
27 in the other state or to the information agency or
28 other proper official of the other state with a request
29 that the documents be forwarded to the proper court.
30 All powers and duties provided by sections one (1)
31 through forty-three (43) of this Act apply to the
32 recipient of the documents so forwarded. If the clerk
33 of a court of this state forwards documents to another
34 court he or she shall forthwith notify the initiating
35 court.

36 3. If the prosecuting attorney has no information
37 as to the location of the obligor or his or her
38 property he or she shall so inform the initiating
39 court.

40 **Sec. 20. NEW SECTION. HEARING AND CONTINUANCE.**

41 If the obligee is not present at the hearing and the
42 obligor denies owing the duty of support alleged in
43 the petition or offers evidence constituting a defense
44 the court, upon request of either party, shall continue
45 the hearing to permit evidence relative to the duty
46 to be adduced by either party by deposition or by
47 appearing in person before the court. The court may
48 designate the judge of the initiating court as a
49 person before whom a deposition may be taken.

50 **Sec. 21. NEW SECTION. IMMUNITY FROM CRIMINAL**

Page 8

1 **PROSECUTION.** If at the hearing the obligor is called
2 for examination as an adverse party and declines to
3 answer upon the ground that the testimony may tend
4 to incriminate him or her, the court may require the
5 obligor to answer, in which event the obligor is
6 immune from criminal prosecution with respect to
7 matters revealed by his or her testimony, except for
8 perjury committed in this testimony.

9 **Sec. 22. NEW SECTION. EVIDENCE OF HUSBAND AND**
10 **WIFE.** Laws attaching a privilege against or forbidding
11 the disclosure of communications between husband and
12 wife are inapplicable to proceedings under this Act.
13 Husband and wife are competent witnesses and may be
14 compelled to testify to any relevant matter, including
15 marriage and parentage.

16 **Sec. 23. NEW SECTION. RULES OF EVIDENCE.** In
17 any hearing for the civil enforcement of sections
18 one (1) through forty-three (43) of this Act the court
19 is governed by the rules of evidence applicable in
20 a civil court action in the district court. If the
21 action is based on a support order issued by another

22 court a certified copy of the order shall be received
23 as evidence of the duty of support, subject only to
24 any defenses available to an obligor with respect
25 to paternity or to a defendant in an action or a
26 proceeding to enforce a foreign money judgment. The
27 determination or enforcement of a duty of support
28 owed to one obligee is unaffected by an interference
29 by another obligee with rights of custody or visitation
30 granted by a court.

31 Sec. 24. NEW SECTION. ORDER OF SUPPORT. If the
32 responding court finds a duty of support it may order
33 the obligor to furnish support or reimbursement
34 therefor and subject the property of the obligor to
35 the order. Support orders made pursuant to section
36 one (1) through forty-three (43) of this Act shall
37 require that payments be made to the clerk of the
38 court of the responding state. The court and
39 prosecuting attorney of any county in which the obligor
40 is present or has property have the same powers and
41 duties to enforce the order as have those of the
42 county in which it was first issued. If enforcement
43 is impossible or cannot be completed in the county
44 in which the order was issued, the prosecuting attorney
45 shall send a certified copy of the order to the
46 prosecuting attorney of any county in which it appears
47 that proceedings to enforce the order would be
48 effective. The prosecuting attorney to whom the
49 certified copy of the order is forwarded shall proceed
50 with enforcement and report the results of the

Page 9

1 proceedings to the court first issuing the order.

2 Sec. 25. NEW SECTION. WELFARE RECIPIENTS—
3 ASSIGNMENT OF SUPPORT PAYMENTS.

4 1. Any person entitled to periodic support payments
5 pursuant to an order of judgment entered in a uniform
6 support action pursuant to sections one (1) through
7 forty-three (43) of this Act, who is also a welfare
8 recipient, shall assign the rights to such payments
9 to the department of social services of the state
10 granting such assistance. The clerk of court shall
11 forward support payments received pursuant to sections
12 one (1) through forty-three (43) of this Act to the
13 department. The department of social services shall
14 have the right to secure support payments in default
15 through proceedings provided in sections one (1)
16 through forty-three (43) of this Act.

17 2. The clerk shall furnish the department of

18 social services with copies of all orders or decrees
19 awarding support to parties having custody of minor
20 children when such parties are receiving welfare
21 assistance.

22 Sec. 26. NEW SECTION. RESPONDING COURT TO TRANSMIT
23 COPIES TO INITIATING COURT. The responding court
24 shall cause a copy of all support orders to be sent
25 to the initiating court.

26 Sec. 27. NEW SECTION. ADDITIONAL POWERS OF
27 RESPONDING COURT. In addition to the foregoing powers
28 a responding court may subject the obligor to any
29 terms and conditions proper to assure compliance with
30 its orders and in particular to:

31 1. Require the obligor to furnish a cash deposit
32 or a bond of a character and amount to assure payment
33 of any amount due;

34 2. Require the obligor to report personally and
35 to make payments at specified intervals to the clerk
36 of the court; and

37 3. Punish under the power of contempt the obligor
38 who violates any order of the court.

39 Sec. 28. NEW SECTION. PATERNITY. If the obligor
40 asserts as a defense that he is not the father of
41 the child for whom support is sought and it appears
42 to the court that the defense is not frivolous, and
43 if both of the parties are present at the hearing
44 or the proof required in the case indicates that the
45 presence of either or both of the parties is not
46 necessary, the court may adjudicate the paternity
47 issue. Otherwise the court may adjourn the hearing
48 until the paternity issue has been adjudicated.

49 Sec. 29. NEW SECTION. ADDITIONAL DUTIES OF
50 RESPONDING COURT. A responding court has the following

Page 10

1 duties which may be carried out through the clerk
2 of the court:

3 1. To transmit to the initiating court any payment
4 made by the obligor pursuant to any order of the court
5 or otherwise; and

6 2. To furnish to the initiating court upon request
7 a certified statement of all payments made by the
8 obligor.

9 Sec. 30. NEW SECTION. ADDITIONAL DUTY OF
10 INITIATING COURT. An initiating court shall receive
11 and disburse forthwith all payments made by the obligor
12 or sent by the responding court. This duty may be
13 carried out through the clerk of the court.

14 **Sec. 31. NEW SECTION. PROCEEDINGS NOT TO BE**
15 **STAYED.** A responding court shall not stay the
16 proceeding or refuse a hearing under sections one
17 (1) through forty—three (43) of this Act because of
18 any pending or prior action or proceeding for divorce,
19 separation, annulment, dissolution, habeas corpus,
20 adoption, or custody in this or any other state.
21 The court shall hold a hearing and may issue a support
22 order pendente lite. In aid thereof it may require
23 the obligor to give a bond for the prompt prosecution
24 of the pending proceeding. If the other action or
25 proceeding is concluded before the hearing in the
26 instant proceeding and the judgment therein provides
27 for the support demanded in the petition being heard
28 the court must conform its support order to the amount
29 allowed in the other action or proceeding. Thereafter
30 the court shall not stay enforcement of its support
31 order because of the retention of jurisdiction for
32 enforcement purposes by the court in the other action
33 or proceeding.

34 **Sec. 32. NEW SECTION. APPLICATION OF PAYMENTS.**
35 A support order made by a court of this state pursuant
36 to sections one (1) through forty—three (43) of this
37 Act does not nullify and is not nullified by a support
38 order made by a court of this state pursuant to any
39 other law or by a support order made by a court of
40 any other state pursuant to a substantially similar
41 Act or any other law, regardless of priority of
42 issuance, unless otherwise specifically provided by
43 the court. Amounts paid for a particular period
44 pursuant to any support order made by the court of
45 another state shall be credited against the amounts
46 accruing or accrued for the same period under any
47 support order made by the court of this state.

48 **Sec. 33. NEW SECTION. EFFECT OF PARTICIPATION**
49 **IN PROCEEDING.** Participation in any proceeding under
50 sections one (1) through forty—three (43) of this

Page 11

1 Act does not confer jurisdiction upon any court over
2 any of the parties in any other proceeding.

3 **Sec. 34. NEW SECTION. INTRASTATE APPLICATION.**
4 Sections one (1) through forty—three (43) of this
5 Act apply if both the obligee and the obligor are
6 in this state but in different counties, or if both
7 the obligor and the obligee are residents of the same
8 county. If the court of the county in which the
9 petition is filed finds that the petition sets forth

10 facts from which it may be determined that the ob-
11 ligor owes a duty of support and finds that a court
12 of another county in this state may obtain jurisdiction
13 over the obligor or his or her property, the clerk
14 of the court shall send the petition and a
15 certification of the findings to the court of the
16 county in which the obligor or his or her property
17 is found. The clerk of the court of the county
18 receiving these documents shall notify the prosecuting
19 attorney of their receipt. The prosecuting attorney
20 and the court in the county to which the copies are
21 forwarded then shall have duties corresponding to
22 those imposed upon them when acting for this state
23 as a responding state.

24 **Sec. 35. NEW SECTION. APPEALS.** If the attorney
25 general is of the opinion that a support order is
26 erroneous and presents a question of law warranting
27 an appeal in the public interest, the attorney general
28 may:

29 1. Perfect an appeal to the proper appellate court
30 if the support order was issued by a court of this
31 state, or

32 2. If the support order was issued in another
33 state, cause the appeal to be taken in the other
34 state. In either case expenses of appeal may be paid
35 on the attorney general's order from funds appropriated
36 for his or her office.

37 **Sec. 36. NEW SECTION. ADDITIONAL REMEDIES.** If
38 the duty of support is based on a foreign support
39 order, the obligee has the additional remedies provided
40 in the following sections.

41 **Sec. 37. NEW SECTION. REGISTRATION.** The obligee
42 may register the foreign support order in a court
43 of this state in the manner, with the effect, and
44 for the purposes herein provided.

45 **Sec. 38. NEW SECTION. REGISTRY OF FOREIGN SUPPORT**
46 **ORDERS.** The clerk of the court shall maintain a
47 registry of foreign support orders in which the clerk
48 shall file foreign support orders.

49 **Sec. 39. NEW SECTION. OFFICIAL TO REPRESENT**
50 **OBLIGEE.** If this state is acting either as a rendering

Page 12

1 or a registering state the prosecuting attorney upon
2 the request of the court shall represent the obligee
3 in proceedings under sections thirty-six (36) to
4 forty-one (41) of this Act.

5 If the prosecuting attorney neglects or refuses
6 to represent the obligee, the attorney general may
7 undertake the representation.

8 **Sec. 40. NEW SECTION. REGISTRATION PROCEDURE—**
9 **—NOTICE.**

10 1. An obligee seeking to register a foreign support
11 order in a court of this state shall transmit to the

21 upon execution, and a list of the states in which
22 the order is registered. Upon receipt of these
23 documents the clerk of the court, without payment
24 of a filing fee or other cost to the obligee, shall
25 file them in the registry of foreign support orders.
26 The filing constitutes registration under sections
27 one (1) through forty-three (43) of this Act.

28 2. Promptly upon registration the clerk of the

43 defenses, and proceedings for reopening, vacating,
44 or staying as a support order of this state and may
45 be enforced and satisfied in like manner.

46 2. The obligor has twenty days after the mailing
47 of notice of the registration in which to petition
48 the court to vacate the registration or for other

50 registered support order is confirmed.

Page 13

1 3. At the hearing to enforce the registered support
2 order the obligor may present only matters that would

6 pending or will be taken or that a stay of execution
7 has been granted the court shall stay enforcement
8 of the order until the appeal is concluded, the time
9 for appeal has expired, or the order is vacated, upon
10 satisfactory proof that the obligor has furnished
11 security for payment of the support ordered as required
12 by the rendering state. If the obligor shows to the
13 court any ground upon which enforcement of a support
14 order of this state may be stayed the court shall
15 stay enforcement of the order for an appropriate
16 period if the obligor furnishes the same security

 20 422.12 DEDUCTIONS FROM COMPUTED TAX. There shall

22 the same shall have been computed as provided in this
23 division, the following:

24 1. A personal exemption credit in the following
25 amounts:

31 As used in this section, the term "dependent" shall

48 than twenty-two hundredths but is accompanied by a
49 limitation in the fields of vision such that the
50 widest diameter of the visual field subtends an angle

Page 2

1 no greater than twenty degrees.

2 For the purpose of this section, the determination
3 of whether an individual is married shall be made
4 as of the close of the individual's tax year unless
5 the individual's spouse dies during the individual's
6 tax year, in which case such determination shall be

16 Married taxpayers electing to file separate returns
17 or filing separately on a combined return must allocate

18 the child and dependent care credit to each spouse
19 in the proportion that his or her respective net
20 income bears to the total combined net income.
21 Taxpayers affected by the allocation provisions of

2 energy device or for the materials for the construction
3 of a solar energy device shall be equal to the actual
4 purchase price of the device or materials.

5 c. A husband and wife who file separate returns
6 for a taxable year in which they could have filed
7 a joint return may each claim one-half of the tax
8 credit that would be allowed on a joint return.

10 taxpayer's state income tax liability for the taxable
11 year in which the solar energy device or materials
12 purchased for the construction of the device was

13 installed or placed into service. If the tax credit
 14 exceeds the taxpayer's computed tax liability, the
 15 excess shall be refunded to the taxpayer.

 4 "Section 1. NEW SECTION. LEGISLATIVE FINDINGS.
 5 Recognizing that the people of the state of Iowa have
 6 a fundamental right and need for a healthful, clean
 7 and beautiful environment; and recognizing that the
 8 proliferation and accumulation of litter discards
 9 throughout this state and the nation subvert this
 10 right, impair this need and constitute a public health
 11 hazard; and recognizing that the proliferation and
 12 accumulation of litter is national in scope and that

13 uniform state action rather than a piecemeal state,
14 local, or regional solution is necessary to accomplish
15 effective litter control; and recognizing that
16 uniformity among local, regional and state governments
17 in control programs including signs, symbols and
18 regulations is desirable and necessary to accomplish
19 effective litter control; therefore, the general
20 assembly finds that there is an imperative need to
21 anticipate, plan for, and accomplish effective litter
22 control.

23 Sec. 2. NEW SECTION. LEGISLATIVE PURPOSE. The
24 purpose of this Act is to accomplish litter control
25 throughout this state by delegating to the department
26 of environmental quality the authority to conduct
27 a continuous program to control and remove litter
28 from this state to the maximum practical extent
29 possible. Every other department of state government
30 and all local governmental units and agencies of this
31 state shall cooperate with the department of
32 environmental quality in the administration and
33 enforcement of this Act. The intent of this Act is
34 to add to and to coordinate existing litter control
35 and resource recovery.

36 Sec. 3. NEW SECTION. TITLE. This Act shall be
37 known as the "State Litter Control and Resource
38 Recovery Act".

26 and intent of this Act.

14 and to encourage the depositing of litter. In
15 selecting the anti-litter symbol and the size, shape
16 and color for litter receptacles, the executive

21 similar to this Act. The litter receptacles shall
22 be placed along the public highways of this state
23 and at all parks, campgrounds, trailer parks, drive-

33 formula related to the need for such receptacles.

34 2. It shall be the responsibility of persons
35 operating any establishment or operating a public
36 place in which litter receptacles of the uniform
37 design are required by this section to procure and

38 avoid the inequities of piecemeal or inconsistent
39 regulations or ordinances enacted by cities, counties
40 and other political subdivisions of this state, the
41 provisions of this Act shall supersede any regulation

27 "Sec. 5. Chapter four hundred twenty-two (422),
28 division five (V), Code 1977, is amended by adding
29 the following new section:

30 **NEW SECTION. FEDERAL CREDIT UNIONS—VOLUNTARY**
31 **PAYMENT IN LIEU OF FRANCHISE TAX.** A credit union
32 chartered under the laws of the United States and
33 relieved, by twelve (12) U.S.C. section one thousand
34 seven hundred sixty-eight (1768), from its obligation
35 to support the government of this state, may
36 voluntarily pay to the treasurer of state an amount
37 equal to the amount which would be required to be
38 paid by that credit union under this division if the
39 credit union were chartered under the laws of this
40 state.

41 1. Upon receipt of a payment permitted by this

42 section, if the payment is received on or before the
43 last day of the fourth month following the close of
44 the fiscal year of the credit union to which the
45 payment is applicable, and if the payment is
46 accompanied by such forms and information as the
47 director may prescribe as being necessary to determine
48 if the conditions of this section have been met, the
49 director shall issue to the credit union a certificate
50 of payment in lieu of franchise tax. Such a

Page 2

1 certificate may be revoked by the director, upon
2 ninety days notice to the credit union, upon a
3 determination by the department that the amount paid
4 was less than the amount which the credit union would
5 have been required to pay under this division if it
6 were chartered under the laws of this state; provided
7 that such a determination shall be made by the
8 department within the time which would be prescribed
9 by section four hundred twenty-two point twenty-five
10 (422.25) of the Code for determination of tax if the
11 credit union were chartered under the laws of this
12 state, unless the credit union agrees in writing to
13 an extension of the applicable period; and provided
14 further that the certificate shall not be revoked,
15 or if revoked shall be reinstated, if, following such
16 a determination, the credit union shall pay to the
17 treasurer of state an amount which is at least equal
18 to the amount of the deficiency so determined plus
19 all amounts which the credit union would have been
20 obligated to pay as interest and penalty if the credit
21 union were chartered under the laws of this state
22 and the deficiency, interest and penalty had pertained
23 to a franchise tax required to be paid by this
24 division. In the event of a determination under this
25 subsection which is adverse to the credit union, the
26 credit union may appeal to the director for revision
27 of the determination in accordance with section four
28 hundred twenty-two point twenty-eight (422.28) of
29 the Code, and may seek judicial review of the actions
30 of the director in accordance with section four hundred
31 twenty-two point twenty-nine (422.29) of the Code,
32 each in the same manner as if such determination or
33 actions pertained to a franchise tax imposed by this
34 division on a state chartered credit union. A
35 certificate of payment in lieu of franchise tax shall
36 be valid for a period of one year from the date of
37 issuance and may be renewed for succeeding one-year

38 periods upon continued compliance with the requirements
39 of this subsection, unless revoked by the director
40 in the manner described above.

41 2. A credit union, other than a credit union
42 organized under chapter five hundred thirty-three
43 (533) of the Code, shall not, after April 30, 1978,
44 be entitled to the following privileges and benefits
45 unless the credit union shall hold a current
46 certificate of payment in lieu of franchise tax;
47 provided that failure to hold such a certificate shall
48 not impair the validity of any contract in force on
49 or prior to such date:

50 a. The privilege of maintaining any action, suit

Page 3

1 or proceeding in any court of this state by the credit
2 union or any successor or assignee of the credit union
3 on any right, claim or demand; provided that this
4 paragraph shall not prevent a credit union from
5 defending any action, suit or proceeding.

6 b. The privilege of contracting with members of
7 the credit union and employers of members of the
8 credit union for the voluntary withholding, from wages
9 payable by such employers to such employees, of amounts
10 to be paid to the credit union on behalf of such
11 members in payment for shares of or deposits in the
12 credit union or in retirement of any debt owed by
13 such a member to the credit union. Any employer who
14 withholds an amount from an employee in furtherance
15 of an agreement prohibited by this paragraph shall
16 be liable to the employee for all amounts so withheld
17 plus additional damages equal to fifty percent of
18 the amounts so withheld.

19 c. The privileges of perfecting a security interest
20 in personal property under the provisions of chapter
21 five hundred fifty-four (554) of the Code; or recording
22 a mortgage under the provisions of chapter five hundred
23 fifty-eight (558) of the Code; or perfecting a security
24 interest in any vehicle subject to registration, under
25 the provisions of section three hundred twenty-one
26 point fifty (321.50) of the Code. In any action to
27 enforce such a security interest or mortgage it shall
28 be a valid defense and release that such security
29 interest or mortgage was perfected or recorded at
30 a time when the credit union did not hold a current
31 certificate of payment in lieu of franchise tax as
32 required by this subsection.

33 d. The privilege of contracting to receive interest

34 in excess of the statutory rate prescribed by section
 35 five hundred thirty-five point two (535.2), subsection
 36 one (1) of the Code, regardless of the provisions
 37 of that subsection or of any other law of this state
 38 permitting the credit union to agree in writing to
 39 receive interest at a higher rate.

40 3. A certificate of payment in lieu of franchise
 41 tax shall be displayed prominently in the place of
 42 business of the credit union which has been issued
 43 the certificate, and the serial number thereof shall
 44 be provided by the credit union at the request of
 45 any person who desires to conduct business with the
 46 credit union.

47 4. After April 30, 1978, any person who provides
 48 a credit union which is not organized under chapter
 49 five hundred thirty-three (533) of the Code or which
 50 does not hold a current certificate of payment in

Page 4

1 lieu of franchise tax with a location from which to
 2 conduct the business of the credit union shall be
 3 considered, for the purposes of divisions two (II)
 4 and three (III) of this chapter, to have received
 5 income in an amount equal to the fair rental value
 6 of the location so provided, and shall not be entitled
 7 to deduct any portion of such amount as a business
 8 expense or gift to the credit union.

9 5. For tax years beginning on or after January
 10 1, 1978, no person shall be entitled, in computing
 11 the amount of income on which any tax is imposed under
 12 divisions two (II) or three (III) of this chapter,
 13 to deduct any interest amount paid after April 30,
 14 1978 to a credit union which was not organized under
 15 chapter five hundred thirty-three (533) of the Code
 16 or which did not, at the time such interest was paid,
 17 hold a current certificate of payment in lieu of
 18 franchise tax.

19 Sec. 6. Section five hundred thirty-three point
 20 twenty-four (533.24), Code 1977, is amended by striking
 21 unnumbered paragraph one (1)."

6 1. There is appropriated from the
7 general fund of the state for the
8 fiscal year beginning July 1,
9 1977 and ending June 30, 1978 to
10 the department of social services,
11 to be used to extend availability of
12 homemaker—home health aide services
13 to additional elderly persons in
14 this state\$1,500,000
15 2. The department may retain not to exceed one
16 percent of the amount appropriated by this section,
17 to be used to pay the costs of administering this
18 section. The remainder shall be allocated for use
19 in the several counties of the state as follows:
20 a. One—fourth of the total amount to be allocated
21 shall be divided so that an equal amount is available
22 for use in each county in the state; and
23 b. Three—fourths of the total amount to be
24 allocated shall be divided so that the share available
25 for use in each county is proportionate to the number
26 of elderly persons living in that county in relation
27 to the total number of elderly persons living in the
28 state.
29 3. The department shall make the money allocated
30 for use in each county under subsection two (2) of
31 this section available to be expended in that county
32 as follows:
33 a. The department may contract with any suitable
34 local governmental body or independent nonprofit
35 agency to use funds available for use in the county
36 under this subsection to establish or extend homemaker—
37 home health aide services to elderly persons living
38 in the county.
39 b. It is the intent of the general assembly that
40 the department of social services not use any of the
41 funds appropriated by this Act to replace, directly
42 or indirectly, funds previously received either from
43 taxes levied by any county or from other sources and
44 used to pay all or any part of the cost of homemaker—
45 home health aide services maintained in that county.
46 4. Any of the funds appropriated by this section
47 and allocated for use in a county in this state shall
48 remain available for use in that county during the
49 fiscal year beginning July 1, 1978 and ending June
50 30, 1979, pursuant to all applicable requirements

Page 2

1 of this section. The balance of those funds retained
2 by the department for administrative purposes, as
3 authorized by subsection two (2) of this section,
4 which remains unexpended on June 30, 1978 shall revert
5 to the general fund of the state as provided by section
6 eight point thirty-three (8.33) of the Code.

7 5. For the purposes of this section, an "elderly
8 person" is one who is sixty years of age or older.

9 6. The department of social services shall within
10 thirty days after the effective date of this Act
11 promulgate rules not contrary to this Act defining
12 eligibility for homemaker-home health aide services
13 paid for by funds appropriated by this Act, and
14 imposing a sliding fee scale for those persons deemed
15 able to pay all or a portion of the cost of such
16 services.

17 7. The department of social services shall prepare
18 a report containing a critical evaluation of the
19 programs funded under this Act, including quantitative
20 measures of the level of services provided, proportion
21 of the eligible population served, and the number
22 of elderly in health care facilities before and after
23 the programs funded under this Act were implemented.
24 An interim report shall be submitted to the second
25 session of the Sixty-seventh General Assembly not
26 later than thirty days after its convening, and a
27 final report shall be submitted to the first session
28 of the Sixty-eighth General Assembly not later than
29 thirty days after its convening.

30 8. The department of social services is authorized
31 to reallocate fifty-five existing vacancies to the
32 employment category of homemaker, for the purpose
33 of extending availability of homemaker services and
34 thereby facilitating implementation of this Act.
35 It is the intent of the general assembly that the
36 department of social services employ additional persons
37 as homemakers on a less than full-time basis, as
38 necessary to insure the widest possible availability
39 of homemaker services in this state, so long as the
40 total number of vacancies reallocated to homemaker
41 positions and filled does not exceed the equivalent
42 of fifty-five full-time positions."

14 section. The rules shall provide for the issuance
15 of permits, the payment of taxes, penalties for late

48 **Sec. 20. NEW SECTION. ACCOUNT CREATED—**
49 **DISPOSITION.**

50 1. There is created in the general fund of the

Page 5

1 state a litter control and resource recovery account,
2 to which shall be credited the receipts from the tax
3 imposed under sections eighteen (18) and twenty-two

19 expend forty-five percent of the proceeds of the
20 account for grants to interested private or public
21 agencies for research or development of solid waste
22 recovery programs, including systems and facilities.
23 A grant may be made only if it is designed to provide

24 regional or area-wide resource recovery for cities
25 and counties and provides an equitable system for
26 distributing the costs associated with the
27 construction, operation and maintenance of any resource
28 recovery system among the users of the system.

29 4. The department of environmental quality shall
30 expend forty percent of the proceeds of the account
31 to control and remove litter. The executive director

6 containing thirty-one gallons, and at a like rate
7 for any other quantity or for the fractional part
8 of a barrel. In addition, a litter tax of one cent
9 per gallon shall be added, making the total tax to
10 be collected four and sixty-five hundredths dollars
11 per barrel containing thirty-one gallons or equivalent
12 rate for fractional parts of a barrel. The litter
13 tax shall not be considered a part of the barrel tax
14 accruing to the state general fund, but it shall be
15 separated by the department of revenue and credited
16 to the litter control and resource recovery account
17 in the state general fund. The additional litter
18 tax imposed herein shall apply only for a period of
19 one year from the effective date of this Act. However,

 9 Recognizing that the people of the state of Iowa have

 13 and accumulation of litter discards throughout this
 14 state and the nation subvert this right, impair this
 15 need and constitute a public health hazard. Further
 16 recognizing the need to reduce wasteful uses of energy
 17 and natural resources by recovering and recycling
 18 of containers, the general assembly finds that there
 19 is an imperative need to anticipate, plan for, and
 20 accomplish effective recycling and litter control.
 21 Sec. 2. NEW SECTION. LEGISLATIVE PURPOSE. The
 22 purpose of this Act is to accomplish conservation

 3 fur, meat, honey or other substance obtained from
 4 such animal, bird, or insect if the seller is a person
 5 who performs only the growing or raising function
 6 of such animal, bird, or insect.

7 **Sec. 10. NEW SECTION. ACCOUNT CREATED—**

14 account are appropriated to the department of
15 environmental quality for the purpose of carrying
16 out the provisions of subsections two (2) and three
17 (3) of this section.

18 2. The department shall expend fifteen percent
19 of the proceeds of the account to acquire, prepare,
20 and distribute such educational and informational
21 material through elementary and secondary schools,
22 colleges, universities and political subdivisions

32 county under division two (II) of this Act shall
33 receive a minimum grant of five thousand dollars each
34 year. If the department grants any sum of money in
35 excess of the minimum grant to the required redemption
36 center in the counties, the amount of the grants in
37 excess of five thousand dollars shall be apportioned
38 to each required redemption center on the basis that
39 the population of each county bears to the total
40 population of the state. The executive director may
41 enter into agreements with public or private agencies,
42 which agreements shall contain such terms and
43 conditions as deemed necessary or desirable by the

 9 However, the executive director shall not provide
 10 payments to private persons solely for the purpose
 11 of placing or installing a litter receptacle on private

8 Section 1. NEW SECTION. LEGISLATIVE FINDINGS.
9 Recognizing that the people of the state of Iowa have
10 a fundamental right and need for a healthful, clean
11 and beautiful environment which preserves our natural
12 resources; and recognizing that the proliferation
13 and accumulation of litter discards throughout this
14 state and the nation subvert this right, impair this
15 need and constitute a public health hazard. Further
16 recognizing the need to reduce wasteful uses of energy
17 and natural resources by recovering and recycling
18 of containers, the general assembly finds that there
19 is an imperative need to anticipate, plan for, and
20 accomplish effective recycling and litter control.
21 Sec. 2. NEW SECTION. LEGISLATIVE PURPOSE. The
22 purpose of this Act is to accomplish conservation
23 of natural resources through the use of a deposit
24 on beverage containers and litter control. This state
25 through the cooperation of the department of revenue,
26 the department of environmental quality and the beer

27 and liquor control department with all other
28 departments of this state and its political
29 subdivisions will preserve and enhance the natural

 9 the enclosures described in section four (4) of this
 10 Act from more than one corporation in any calendar
 11 year. Should the commission find that two or more
 12 organizations can equally serve the residential utility
 13 consumers, it may issue a certificate to each
 14 organization that limits the funding mechanism to
 15 specified utilities either by class or service area.
 16 Such restrictions, however, shall only serve to
 17 facilitate cooperation between organizations rather
 18 than to arbitrarily limit their funding base.

 20 **CONFLICTS OF INTEREST.**

21 1. Neither a corporation nor any of its directors,
 22 employees, or agents shall offer anything of monetary

 48 by the corporation of costs incurred by public
 49 utilities in providing such assistance.

50 Sec. 10. NEW SECTION. CONSTRUCTION OF THE ACT.

 2 in such a manner as best to enable a corporation
 3 effectively to represent and protect the interest
 4 of the residential utility consumers of this state.

 6 the right of any person to initiate, intervene in,
 7 or otherwise participate in any regulatory agency
 8 proceeding or court action, nor to require any peti-
 9 tion or notification to a corporation as a condition
 10 precedent to the exercise of such right, nor to re-

- 5 sections:
- 6 "Sec. NEW SECTION. AUTHORIZATION—ELECTION—
- 7 —IMPOSITION.
- 8 1. A county may impose a local sales and service
- 9 tax authorized by and subject to the provisions of
- 10 this Act.
- 11 2. A local sales and service tax may be imposed
- 12 originally or after a period of discontinuance, only
- 13 after an election at which a majority of those voting
- 14 on the question favors imposition, and shall then
- 15 be imposed for a period not to exceed seven years.
- 16 3. A county board of supervisors may direct the
- 17 county commissioner of elections to submit at an elec-
- 18 tion, to be held on the first Tuesday after the first
- 19 Monday in November, the question of imposition of
- 20 a local sales and service tax to the eligible electors
- 21 of the county on its own motion, and shall do so
- 22 within thirty days from the date of receipt of either
- 23 a petition signed by eligible electors of the county
- 24 equal in number to two percent or more of the persons
- 25 who voted in the county for president or governor
- 26 as the case may be at the last preceding general

- 32 which requests county wide imposition of a local sales

- 34 the question on its own motion shall do so not later
- 35 than sixty days before the date of an election, and
- 36 a petition must be filed with the board not later
- 37 than ninety days before the date of an election.

44 revenue generated by the local sales and service tax
45 will be used.

46 4. The plan required by subsection three (3) of
47 this section, if the plan is by the county board,
48 shall be published in at least one newspaper of general
49 circulation in the county. If the plan is by a city
50 council, it shall be published in a local newspaper,

Page 2

1 or if there is no local newspaper, then in a newspaper
2 which is circulated within that city or by posting
3 in three public places in the city which have been
4 permanently designated by ordinance. The plan shall
5 be published at least twice before the election.
6 The first publication shall be made not earlier than
7 thirty days before the election.

8 5. The local sales and service tax shall be
9 discontinued by resolution of the board of supervisors
10 at the end of the period for which the tax had been
11 imposed unless the question of continuing the imposi-
12 tion of a local sales and service tax is submitted
13 to the eligible electors of the county and favored
14 by a majority of those voting at an election preceding
15 the end of the period for which the tax had been
16 imposed. Before the question of continuing the
17 imposition of the tax may be submitted to the eligible
18 electors, the procedures set out in subsections three
19 (3) and four (4) of this section must be followed.

20 6. If a city is located in more than one county,
21 it shall be deemed to be in the county in which the
22 largest portion of its population resides, for purposes
23 of the imposition of a local sales and service tax.

24 7. For purposes of this Act, the term "city" shall
25 include a special charter city.

26 Sec. . **NEW SECTION. LOCAL SALES AND SERVICE**
27 **TAX.** A local sales and service tax at a rate of one
28 percent may be imposed by a county on the gross
29 receipts, except the gross receipts from the sale
30 of any motor vehicle, machine or equipment exclusively
31 designed for and used for agricultural purposes, taxed
32 by the state under chapter four hundred twenty-two
33 (422), division four (IV), of the Code. A local sales
34 and service tax shall be imposed on the same basis

35 as the state sales and service tax and shall not be
36 imposed on the sale of any property of service not
37 taxed by the state. A local sales and service tax
38 is applicable only to transactions within the county
39 imposing it and shall be collected by all persons
40 required to collect state sales and service taxes.

41 The amount of the sale or service, for purposes
42 of determining the amount of the local sales and
43 service tax, does not include the amount of any state
44 gross receipts tax.

45 No tax permit other than the state tax permit
46 required under section four hundred twenty-two point
47 fifty-three (422.53) of the Code may be required by
48 local authorities.

49 Sec. . NEW SECTION. ADMINISTRATION. A local
50 sales and service tax shall be imposed on July first

Page 3

1 following a favorable election by resolution of the
2 board of supervisors.

3 The director of revenue shall administer the
4 provisions of a local sales and service tax as nearly
5 as possible in conjunction with the administration
6 of state sales and service tax laws. The director
7 shall provide appropriate forms, or provide on the
8 regular state tax forms, for reporting local sales
9 and service tax liability.

10 A resolution of a county board of supervisors
11 imposing a local sales and service tax shall adopt
12 by reference the applicable provisions of the
13 appropriate sections of chapter four hundred twenty--
14 two (422), division four (IV), of the Code for a local
15 sales and service tax, and all powers of the director
16 and requirements of the director in administering
17 the state sales and service tax law are applicable
18 to the administration of a local sales and service
19 tax law including but not limited to powers to impose
20 interest and penalties, and requirements for hearing
21 and appeal. Local officials shall confer with the
22 director of revenue and obtain assistance in drafting
23 the resolution imposing a local sales and service
24 tax. A certified copy of the resolution imposing
25 a local sales and service tax shall be filed with
26 the director as soon as possible after passage.

27 The director, in consultation with local officials,
28 shall collect and account for a local sales and service
29 tax. The director shall not retain for the use of
30 the department of revenue any sales and service tax

31 receipts to cover administrative expense. All local
 32 sales and service tax receipts shall be credited to
 33 a "local tax fund" hereby established in the office
 34 of the treasurer of state.
 35 Sec. . NEW SECTION. COUNTYWIDE SHARES. The
 36 treasurer of state shall credit the local sales and
 37 service tax receipts to a joint account in the local
 38 tax fund and shall remit quarterly to each city in
 39 the county a pro rata share of the joint account,
 40 based upon the percentage of its population residing
 41 in the county to the total population of the county,
 42 and to the board of supervisors a pro rata share of
 43 the joint account based upon the percentage of
 44 population in the county outside of cities, all
 45 according to the population determined by the most
 46 recent certified federal census.
 47 During the last quarter of the year at the end
 48 of which the local sales and service tax will be
 49 discontinued, the treasurer of state shall withhold
 50 a percentage, as determined by the director, of the

Page 4

1 local sales and service tax receipts credited to each
 2 special account. Such percentage shall be used to
 3 refund to eligible retailers any local sales and
 4 service tax paid which such retailers would be entitled
 5 to have refunded under the state sales and service
 6 tax. The treasurer of state shall withhold the
 7 percentage for one year after the discontinuance
 8 of the local sales and service tax. However, if the
 9 local sales and service tax is continued as provided
 10 in this Act, the treasurer of state shall remit the
 11 percentage withheld to the respective jurisdiction
 12 at the next quarterly remittance after the favorable
 13 election for the continuance of the local sales and
 14 service tax.

15 Sec. . NEW SECTION. PAYMENT TO LOCAL
 16 GOVERNMENTS. The treasurer of state shall remit
 17 quarterly to the counties, and the cities within those
 18 counties, which have imposed a local sales and service
 19 tax and which have qualified under this Act, their
 20 share of the balance in the local tax fund. The local
 21 tax fund is appropriated for this purpose.

22 Sec. . NEW SECTION. CITY PROPERTY TAX RELIEF.
 23 All local sales and service tax moneys received by
 24 a city shall be deposited in the general fund of the
 25 city and may be expended for any lawful city purpose.
 26 However, the city treasurer, or another city official

27 designated by the council, shall credit at least fifty
28 percent of all local sales and service tax moneys
29 received to a special account for property tax relief.
30 The moneys deposited in the special account for
31 property tax relief shall be used to provide property
32 tax relief by one of the following means:

33 1. A special homestead tax credit for each
34 homestead which qualified for the homestead tax credit
35 granted pursuant to section four hundred twenty-five
36 point one (425.1) of the Code may be granted. The
37 county auditor shall, upon the request of the city
38 treasurer, certify to the city treasurer the number
39 of homesteads within the limits of the city which
40 have qualified for the homestead tax credit and a
41 description of each qualified homestead. The city
42 treasurer shall divide the total amount of dollars
43 in the special account for property tax relief by
44 the number of qualified homesteads within the corporate
45 limits of the city to determine the pro rata amount
46 of the special homestead tax credit to be granted
47 to each qualified homestead, except that a taxpayer
48 shall not receive credits in excess of his or her
49 property tax liability. Any such excess credit shall
50 be credited proportionately to the other qualified

Page 5

1 homesteads. The city treasurer shall certify to the
2 county auditor the description of each qualified
3 homestead and the amount of additional homestead tax
4 credit each qualified homestead shall receive.

5 In any special charter city which levies and
6 collects its own taxes, the county auditor shall,
7 upon the request of the city clerk, certify to the
8 city clerk the number of homesteads within the limits
9 of the special charter city which have qualified for
10 the homestead tax credit and a description of each
11 qualified homestead. The city clerk shall divide
12 the total amount of dollars in the special account
13 for property tax relief by the number of qualified
14 homesteads within the corporate limits of the special
15 charter city to determine the pro rata amount of the
16 special homestead tax credit to be granted to each
17 qualified homestead, except that a taxpayer shall
18 not receive credits in excess of his or her property
19 tax liability. Any such excess credit shall be
20 credited proportionately to the other qualified
21 homesteads. The city clerk shall certify to the city

22 treasurer the amount of additional homestead tax
 23 credit each qualified homestead shall receive.
 24 2. Before the levies authorized under section
 25 three hundred eighty-four point one (384.1) of the
 26 Code are certified to the county auditor, the
 27 certifying official shall subtract from the total
 28 amount computed in dollars, as provided in section
 29 four hundred forty-four point two (444.2) of the Code,
 30 an amount equal to the amount credited to the special
 31 account for property tax relief during the last
 32 preceding twelve-month period, and shall certify only
 33 the net amount to the county auditor and board of
 34 supervisors. Before the levies authorized under
 35 section three hundred eighty-four point one (384.1)
 36 of the Code are certified by the city clerk in any
 37 special charter city which levies and collects its
 38 own taxes, the certifying official shall subtract
 39 from the total amount computed in dollars, as provided
 40 in section four hundred forty-four point two (444.2)
 41 of the Code, an amount equal to the amount credited
 42 to the special account for property tax relief during
 43 the last preceding twelve-month period, and shall
 44 certify only the net amount to the city treasurer
 45 and city council. The limit on a city's tax levy
 46 for the general fund, as stated in section three
 47 hundred eighty-four point one (384.1) of the Code,
 48 shall be reduced each year by the levy which would
 49 be necessary to replace the amount credited to the
 50 special account for property tax relief during the

Page 6

1 last preceding twelve-month period. The county auditor
 2 shall base the levies authorized under section four
 3 hundred forty-four point three (444.3) of the Code
 4 upon the net amount so computed.

5 In order for a city to be qualified to receive
 6 remittances from the treasurer of state under this
 7 Act, the city clerk, before July fifteenth of each
 8 year, shall certify to the treasurer of state that
 9 property tax relief has been provided as required
 10 under this section.

11 Sec. . **NEW SECTION. COUNTY PROPERTY TAX RELIEF.**
 12 All local sales and service tax moneys received by
 13 a county may be expended for any lawful county
 14 government purpose. However, the county treasurer
 15 shall credit at least fifty percent of all local sales
 16 and service tax moneys received to a special account
 17 for property tax relief. The moneys deposited in

18 the special account for property tax relief shall
 19 be used to provide property tax relief by one of the
 20 following means:

21 1. A special homestead tax credit for each
 22 homestead in the entire county which qualified for
 23 the homestead tax credit granted pursuant to section
 24 four hundred twenty-five point one (425.1) of the
 25 Code shall be granted. The county auditor shall
 26 divide the total amount of dollars in the special
 27 account for property tax relief by the number of
 28 qualified homesteads within the entire county to
 29 determine the pro rata amount of the special homestead
 30 tax credit to be granted to each qualified homestead,
 31 except that a taxpayer shall not receive credits in
 32 excess of his or her property tax liability. Any
 33 such excess credit shall be credited proportionately
 34 to the other qualified homesteads.

35 2. Before the levies authorized under section
 36 four hundred forty-four point nine (444.9) of the
 37 Code are made, the board of supervisors shall subtract
 38 from the total amount computed in dollars, as provided
 39 in section four hundred forty-four point two (444.2)
 40 of the Code, an amount equal to the amount credited
 41 to the special account for property tax relief during
 42 the last preceding twelve-month period, and shall
 43 base the levies authorized under section four hundred
 44 forty-four point nine (444.9) of the Code upon the
 45 net amount so computed.

46 In order for a county to be qualified to receive
 47 remittances from the treasurer of state under this
 48 Act, the board of supervisors, before July fifteenth
 49 of each year, shall certify to the treasurer of state
 50 that property tax relief has been provided as required

43 of a part of a multidwelling or multipurpose building
44 and a part of the land upon which it is built. It
45 does not include personal property except that a
46 mobile home may be a homestead. Any dwelling or a
47 part of a multidwelling or multipurpose building which

- 48 is exempt from taxation shall not qualify as a
49 homestead under the provisions of this division.
50 A homestead must be located in this state.

Page 2

3 other at arm's length, and the director of revenue
4 is satisfied that the gross rent charged was excessive,
5 he shall adjust the gross rent to a reasonable amount
6 as determined by the director. If the landlord does
7 not supply the charges for any utilities, services,
8 furniture, furnishings, or personal property appliances
9 furnished by him, or if the charges appear to be
10 incorrect, the director of revenue may apply a
11 percentage determined from samples of similar gross

28 reimbursement may be paid to another member of the
29 household as determined by the director. If the
30 claimant was the only member of his household, the
31 reimbursement may be paid to his executor or
32 administrator, but if neither is appointed and
33 qualified within one year from the date of the filing
34 of the claim, the reimbursement shall escheat to the

 42 as a credit against the state individual income tax
 43 owed by the claimant on taxable income of the preceding
 44 year on which taxes are payable during the current
 45 year. If the claimant has no tax liability for the
 46 taxable year, the amount of the reimbursement for

29 Act, the director determines the amount of the claim
30 to have been incorrectly calculated or that the claim
31 is not allowable, he shall recalculate the claim and

32 notify the claimant of the recalculation or denial
33 and his reasons for it. The director shall not adjust
34 any claim after three years from April thirtieth of

19 Sec. 35. **NEW SECTION. CLAIM FOR CREDIT.** Effec-
 20 tive January 1, 1978, the credit allowed on
 21 agricultural land under this chapter shall only be
 22 granted upon agricultural land for which an application
 23 for the credit has been filed. To apply for the

13 2. Should the director of revenue determine, upon
14 investigation, that any claim for agricultural land
15 tax credit has been allowed by any board of supervisors
16 which is not justifiable under the law and not
17 substantiated by proper facts, the director may, at
18 any time within twenty-four months from July first

9 Section 1. NEW SECTION. SHORT TITLE. This divi-
10 sion shall be known and may be cited as the cities
11 tax coalition action group Act.

12 Sec. 2. NEW SECTION. LEGISLATIVE INTENT. The
13 purpose of this division is to ensure effective and
14 democratic representation of urban residential
15 homeowners and taxpayers in matters of taxation before
16 regulatory agencies, legislative bodies, and other
17 public bodies by the creation of an efficient funding
18 mechanism whereby those persons may voluntarily
19 contribute money to not-for-profit corporations whose
20 sole purpose is the representation of their interests.

21 Sec. 3. NEW SECTION. CERTIFICATE OF FUNDING.

22 1. Commencing January 1, 1978, any not-for-profit
23 corporation organized under chapter five hundred four
24 (504) of the Code whose sole purpose is the represent-
25 tion of the interests of urban homeowners and tax-
26 payers in matters relating to taxation may use the
27 funding mechanism described in section six (6) of
28 this item of this amendment after a certificate of
29 funding has been issued by the director of revenue.

30 2. An application for a certificate of funding
31 shall be in the form prescribed by the director of
32 revenue and shall be accompanied by such information
33 as may be required by the director of revenue to
34 determine compliance with this division. In addition
35 (3) The recall of directors; and

39 qualified and licensed to practice accountancy in
40 this state.

41 3. As a condition of any application for a certifi-

42 cate of funding, the corporation shall agree that
43 the director of revenue or a designated representative
44 shall be permitted to have access at any time, with
45 or without notice, to the financial books and records
46 of the corporation for the purpose of performing an
47 audit of the affairs of the corporation, and for the
48 purpose of assuring compliance with this division.
49 4. The director of revenue shall render a decision
50 on the application within thirty days of receipt.

Page 2

1 A certificate valid for one year from date of issue,
2 unless sooner revoked, shall be issued by the director
3 of revenue if the director finds that:
4 a. It is the exclusive purpose and intent of the
5 corporation to represent the interests of urban
6 residential homeowners and taxpayers in matters
7 relating to taxation before regulatory agencies,
8 legislative bodies and other public agencies, and
9 initiatives or referenda concerning those matters;
10 b. The corporation has a membership which consists
11 solely of individual residents of this state
12 and who are homeowners or taxpayers;
13 c. The corporation intends to conduct, support,
14 and assist research, surveys, investigations, planning
15 activities, conferences, demonstration projects, and
16 public information activities concerning the interests
17 referred to in paragraph a of this subsection.
18 d. The corporation may accept grants, contracts
19 and contributions, except when prohibited by this
20 division, to carry out its purposes;
21 e. The articles of incorporation provide that
22 the corporation shall not sponsor, endorse, or
23 otherwise support any political party or candidate,
24 and that the corporation shall not oppose any political
25 party or candidate;
26 f. Democratic accountability of the board of
27 directors of the corporation to the will of its
28 membership has been provided through:
29 (1) Open elections of directors with thorough
30 financial disclosure requirements and campaign spend-
31 ing limitations;
32 (2) Encouragement of active member participation
33 in the processes of taxation through involvement in
34 the activities of the corporation;
35 (3) The recall of directors; and
36 (4) An annual membership meeting.
37 g. The board of directors of the corporation con—

38 sists of not less than seven residents of this state

 43 officers or directors has been found guilty of a
 44 violation of this division.

45 **Sec. 4. NEW SECTION. REVOCATION OF CERTIFICATE.**

46 The director of revenue, upon notice and hearing,
 47 may revoke the certificate of funding of any
 48 corporation which the director determines has used
 49 funds received under the provision of section six
 50 (6) of item one (1) of this amendment for purposes

Page 3

1 other than those permitted by this division. Upon
 2 notice and hearing the director also may revoke the
 3 certificate of funding of any corporation if the
 4 director determines that an officer or director of
 5 that corporation has been convicted of a violation
 6 of this division or has received a deferred judgment
 7 upon a charge of a violation of this division, and
 8 the officer or director has not been removed from
 9 office as director or officer. A corporation whose
 10 certificate of funding has been revoked by the director
 11 shall not thereafter be entitled to receive a
 12 certificate of funding.

13 **Sec. 5. NEW SECTION. MULTIPLE CORPORATIONS.**

14 There shall be no limit on the number of corporations
 15 which may be issued certificates of funding under
 16 the provisions of this division. In the event more
 17 than one corporation applies for a certificate, the
 18 director of revenue, as provided in rules issued by
 19 the director under the provision of chapter seventeen
 20 A (17A) of the Code, may limit the distribution to
 21 each corporation under section six (6) of item one
 22 (1) of this amendment to the amount of funds which
 23 are derived from contributions of taxpayers residing
 24 within the geographic area to which the corporation
 25 is assigned by those rules.

26 **Sec. 6. NEW SECTION INCOME TAX CHECKOFF—FUND—**
 27 **—DISTRIBUTION— RESTRICTIONS ON USE.**

28 1. Any individual who is a resident of this state
 29 and whose state income tax liability for any taxable
 30 year is one dollar or more may designate one dollar
 31 of such liability to be paid over to the cities tax
 32 coalition action group fund when submitting his state
 33 income tax return to the department of revenue. In

34 the case of a joint return of husband and wife having
35 a state income tax liability of two dollars or more,
36 each spouse may designate that one dollar be paid
37 to the fund. The director of revenue shall revise
38 the income tax form to allow the designation of
39 contributions to the fund on the face of the tax
40 return and immediately above the signature lines.

41 2. The director of revenue shall provide space
42 for this income tax checkoff on the most frequently
43 used Iowa individual income tax form. An explanation
44 shall be included which clearly states that this
45 checkoff does not constitute an additional tax
46 liability.

47 3. The cities tax coalition action group fund
48 is created within the office of the treasurer of
49 state. The fund shall consist of funds paid by persons
50 pursuant to subsection one (1) of this section, and

Page 4

1 the director of revenue shall remit funds collected
2 to the treasurer of state who shall deposit such funds
3 in the cities tax coalition action group fund. Any
4 interest income received by the treasurer of state
5 from investment of moneys deposited in the fund shall
6 be deposited in the fund. Such funds shall be sub-
7 ject to payment to corporations holding valid cer-
8 tificates of funding issued under section four (4)
9 of item one (1) of this amendment.

10 4. The state director of revenue, in cooperation
11 with the state comptroller and campaign finance dis-
12 closure commission, shall administer the provisions
13 of this section and they shall promulgate all neces-
14 sary rules in accordance with chapter seventeen A
15 (17A) of the Code.

16 5. There is appropriated from the cities tax
17 coalition action group fund within the office of the
18 treasurer of state such funds as are legally payable
19 from that fund in accordance with this division.

20 6. The money accumulated in the cities tax coali-
21 tion action group fund as of June thirtieth of each
22 year shall be remitted to corporations holding valid
23 certificates of funding issued under section three
24 (3) of item one (1) of this amendment as of that date,
25 by warrant of the state comptroller drawn upon the
26 fund in favor of each such corporation. Except as
27 otherwise provided in section five (5) of item one
28 (1) of this amendment, the money shall be distributed

29 equally among all corporations holding such
30 certificates.

31 7. In the event there is no corporation which
32 holds a valid certificate of funding as of June
33 thirtieth of any year, the money accumulated in the
34 cities tax coalition action group as of that date shall
35 revert to the general fund of the state.

36 Sec. 7. NEW SECTION. PROHIBITED ACTS--PENALTIES.

37 1. A corporation, and an officer, director or
38 agent of a corporation shall not offer anything of
39 monetary value to, or accept anything of monetary

41 ally permitted by this division.

42 2. A corporation, and an officer, director or
43 agent of a corporation shall not use any funds received
44 under the provisions of section six (6) of item one
45 (1) of this amendment for any purpose other than one
46 specified in paragraph a of subsection four (4) of
47 section three (3) of item one (1) of this amendment.

48 3. A public official shall not offer anything
49 of monetary value to or accept anything of monetary
50 value from a corporation which has been issued a

1 certificate of funding under this division or officer
2 or director thereof.

8 following new subsection:

9 **NEW SUBSECTION.** Solar and wind energy devices
10 and methane gas production systems.

11 a. Improvements to real property which constitute
12 a solar or wind energy device or which are used to
13 produce methane gas from organic wastes not to exceed
14 the actual value of the improvements, shall be exempt
15 from taxation for the periods and to the extent
16 provided in this subsection.

17 b. This exemption shall apply to new installations
18 of the property for a period of five years beginning
19 on January first after the construction or installation
20 of the property is completed. The exemption under
21 this subsection shall apply for a period of five years
22 beginning on January 1, 1978 to property existing
23 on the effective date of this Act if its construction
24 or installation was completed after January 1, 1975.
25 The exemption for existing property shall begin with
26 respect to the assessment as of January 1, 1978, and
27 the taxes payable on the basis of this assessment
28 during the fiscal year beginning July 1, 1979.

29 c. The assessing authority shall assess and list
30 any property exempt from taxation under this subsection
31 in the same manner as other tax—exempt property is
32 assessed and listed under section four hundred twenty—
33 seven point one (427.1), subsection thirty—one (31)
34 of the Code. Not later than the first of March of
35 the year in which the property is first assessed and
36 listed as tax—exempt property under this subsection,
37 the assessing authority shall notify the owner in
38 writing of the tax—exempt status for the property,

43 assessing authority on the first of January of the
44 year following its completion or any subsequent year,
45 the assessing authority, upon the discovery and
46 assessment of such property, shall reduce the number
47 of years that the property is eligible for the tax
48 exemption by the number of assessment years that the
49 property should have been assessed and listed as
50 provided in this subsection. The determination of

Page 2

1 eligibility for tax exemption shall be made by the
 2 assessing authority. Judicial review of a
 3 determination of the director of revenue under this
 4 subsection may be sought in accordance with chapter
 5 seventeen A (17A) of the Code. Review of a
 6 determination by an assessing authority may be sought
 7 from the board of review as provided in chapter four
 8 hundred forty-one (441) of the Code.

9 d. The department of revenue shall adopt any rules
 10 necessary to implement this subsection, including
 11 rules on identification and valuation of the property,
 12 but the rules shall not require a property owner to
 13 apply for the tax exemption as a prerequisite to
 14 eligibility. All rules adopted shall be subject to
 15 the provisions of chapter seventeen A (17A) of the
 16 Code.

17 e. As used in this subsection "solar or wind
 18 energy device" means a man-made system for converting
 19 or upgrading the natural energy of the sun or wind
 20 into mechanical, electrical or heat energy which is

 23 5. "Claimant" means a person filing a claim for
 24 reimbursement under this division who has attained
 25 the age of ~~sixty-five~~ eighteen years on or before
 26 December ~~31~~ thirty-first of the base year ~~or who is~~
 27 ~~a surviving spouse having attained the age of fifty-~~
 28 ~~five years on or before December 31 of the base year,~~
 29 ~~or who is totally disabled and was totally disabled~~
 30 ~~on or before December 31 of the base and has not been~~
 31 claimed as a dependent by another person on a state
 32 income tax return filed in the preceding calendar

33 year; and was domiciled in this state during the
34 entire base year and is domiciled in this state at
35 the time the claim is filed. "Claimant" includes
36 a vendee in possession under a contract for deed and
37 may include one or more joint tenants or tenants in
38 common. In the case of a claim for rent constituting
39 property taxes paid, the claimant shall have rented
40 the property during any part of the base year. When
41 two persons of a household are able to meet the
42 qualifications for a claimant, they may determine
43 between them who will be the claimant. If they are
44 unable to agree, the matter shall be referred to the
45 director of revenue not later than July 31 ~~thirty-~~
46 ~~first~~ of each year and his decision shall be final.
47 If a homestead is occupied by two or more persons,
48 and more than one person is able to qualify as a
49 claimant, and some or all of the qualified persons
50 are not related, the persons may determine among them

Page 2

1 who will be the claimant. If they are unable to
2 agree, the matter shall be referred to the director
3 of revenue not later than July 31 ~~thirty-~~first of
4 each year and his decision shall be final.
5 9. "Property taxes paid" means property taxes
6 including one-half of any special assessments, but
7 exclusive of delinquent interest and charges for
8 services, paid on a claimant's homestead in this
9 state, but includes only property taxes for which
10 the claimant was liable and which were actually paid
11 by the claimant. If the property taxes have actually
12 been paid, they shall be deemed to have been paid
13 when due, regardless of the date of actual payment.
14 "Property taxes paid" shall be computed with no
15 deduction for any credit under this division or for
16 any homestead credit allowed under section 425.1.
17 Claims for property tax reimbursement filed in 1974
18 shall be based upon the property taxes paid in 1973.
19 Claims for property tax reimbursement filed in 1975
20 shall be limited to two-thirds of the property taxes
21 paid in 1974 and the first one-half of 1975. Each
22 year thereafter, each claim shall be based upon the
23 taxes paid during the base year. If a homestead is
24 owned by two or more persons as joint tenants or
25 tenants in common, and one or more persons are not
26 a member of claimant's household, "property taxes
27 paid" is that part of property taxes paid on the
28 homestead which equals the ownership percentage of

29 the claimant and his household. The county treasurer
 30 shall include with the tax receipt a statement that
 31 if the owner of the property is ~~sixty-five~~ eighteen
 32 years of age or over ~~or is totally disabled, or is~~
 33 ~~a surviving spouse of such person who is over the~~
 34 ~~age of fifty-five years of age and has not been claimed~~
 35 as a dependent by another person on a state income
 36 tax return filed in the preceding calendar year, the
 37 person may be eligible for the credit allowed under
 38 this division. If a claimant changes his homestead,
 39 this shall not prevent him from filing a claim based
 40 on property taxes for which the claimant was liable
 41 and which were actually paid by the claimant, but
 42 duplication of claims shall not be allowed. If a
 43 homestead is an integral part of a farm, the claimant
 44 may use the total property taxes paid for the larger

GOVERNOR'S VETO MESSAGES

July 10, 1977

The Honorable Melvin D. Synhorst
Secretary of State
State Capitol Building
Local

Dear Mr. Secretary:

I hereby enclose Senate File 7, an Act relating to contract and bidding procedures for the repair or construction of county buildings which, in accordance with Article III, Section 16, Constitution of the State of Iowa, I hereby disapprove and transmit to the Secretary of State.

The purpose of this bill appears to be to grant counties an exemption from bidding requirements when emergencies or very minor repairs are necessary for county buildings.

I agree that there should be provisions for an exception to bidding procedures in cases of emergency. When repairs are urgently necessary to prevent further damage to a building and which reasonably cannot be delayed to comply with either formal or informal bidding procedures, county governments should be given the flexibility to move swiftly.

Unfortunately in writing Senate File 7, the legislature struck current language which requires counties to accept the lowest responsible bid. The purpose of public bidding is to ensure that contracts are let for the lowest responsible price. To delete this requirement abrogates the intent of bidding.

I would accept similar legislation next year if it maintained the current requirement for accepting the lowest responsible bid. I would also support enthusiastically an effort to bring all local governments under a uniform bidding procedure as I have proposed during the past several years. Such a uniform bidding procedure could assure open and honest bidding and provide for emergencies that confront local governments.

For the reasons I have outlined above, I hereby respectfully disapprove of Senate File 7.

Sincerely,
ROBERT D. RAY
Governor

The Honorable Melvin D. Synhorst
Secretary of State

Dear Mr. Secretary:

Senate File 31, an Act to create a substance abuse rehabilitation and prevention fund financed by taxes on consumers of beer and alcoholic beverages and to provide for the use of the fund for the rehabilitation of substance abusers, is hereby disapproved and in accordance with Article III, Section 16, Constitution of the State of Iowa, is hereby transmitted to the Secretary of State.

Senate File 31 imposes new liquor taxes on Iowans. While one can understand the motives behind the bill, the consequences of the liquor tax hikes warrant my veto.

Senate File 31 creates a "substance abuse rehabilitation and prevention fund" which is to be supported by revenues derived from an across-the-board tax increase of two percent on the purchase of alcoholic beverages and new taxes on beer of \$1.00 per barrel. The revenue from the new taxes would be *earmarked* exclusively for the rehabilitation and treatment of alcoholics and drug abusers, with one-half of the revenue to be remitted to counties on a per capita basis and the remaining funds to be made available to the new State Department of Substance Abuse. In addition, Senate File 31 repeals the 15 percent surtax liquor licensees currently pay on purchases of liquor at state stores and directs the Beer and Liquor Control Department to increase prices on all purchases to make up for the lost revenue.

The deficiencies in the present funding system for local alcoholism programs have moved county governments to press for major changes. Insufficient budget and program controls over local alcoholism programs have left the state and its counties with the responsibility of financing the programs regardless of how costly or ineffective they are. When state funding has proved to be inadequate, counties have sometimes chosen to pay more than their intended 25 percent share.

House File 594, which merges the alcoholism and drug abuse treatment programs on a statewide basis, should help to alleviate some of this problem. That bill imposes much stricter financial and program controls and review procedures over local treatment programs. Funds can be withheld from programs which do not meet licensing standards or provide unnecessary, duplicative or overlapping services.

In addition to the merger bill, county governments worked successfully for the passage of Senate File 31 and its provision for an earmarked liquor tax increase to finance treatment programs.

I have long believed that for most purposes earmarking tax funds for a specific use is poor public policy. When a government program is financed from earmarked revenues, it is removed from the regular budget process. It becomes shielded from the essential scrutiny the executive and legislative branches employ to ensure that public funds are spent in the most productive

and cost-efficient manner. Since the earmarked funding source is assured year in and year out, the recipient program has a tendency to become less responsive to the elected representatives of the people. The audit reports on local alcoholism programs from the past several years indicate that this appropriation warrants careful review.

Senate File 31 provides no reversion clause for the funds which will be distributed to the counties from the earmarked tax receipts. Since the money can only be used for treatment and rehabilitation expenses, it can be assumed that existing programs will expand to sop up the extra funds made available by the bill. Thus we will experience one of the pitfalls of earmarking, that of program activity in some cases being determined not by the public need for it but by the availability of funds.

In the case of alcoholism programs, some experts express a special concern about earmarking. The Funding Task Force of the North American Congress on Alcohol and Drug Problems reported that earmarking taxes for alcoholism effectively removes the illness from the general health area and establishes it in the public mind as a condition that is somehow different than other health problems. They believe that alcoholism is a multi-faceted disease which is the responsibility of society in general to provide treatment programs for alcoholics.

I appreciate the present difficulties counties experience in funding alcoholism treatment programs. We must work to develop a better financing method. Nonetheless, I cannot support the funding approach contained in Senate File 31. When I first became Governor, we instituted and funded an alcoholism program that didn't exist before. I continue to support responsible and adequate treatment programs for those who suffer from the disease of alcoholism.

The earmarking alone will raise \$4.4 million to defray the counties and state's cost of the treatment of individuals. Little planning has been incorporated into the state or county budgets on how these new monies will be used during FY 78, the year in which the funds would first become available. The impact of the lack of planning is compounded by Blue Cross/Blue Shield's decision to select Iowa as a pilot state where they will pay the total cost of an individual's treatment, relieving government of that obligation. At the same time, other factors, such as pending federal legislation and regulations, may have additional impact on alcoholism funding. We should not launch a major funding program when the agencies involved haven't even planned for the use of those funds.

The merger of the funding provisions for alcoholism and drug abuse treatment programs contained in House File 594 will mark a departure from the present financing system. Counties will be responsible for the first time to pay 25 percent of the cost of drug abuse programs in addition to alcoholism treatment programs. Before this new funding mechanism becomes effective—which I intend to delay by Executive Order—state and county

governments should work cooperatively to determine what is the most appropriate funding method to sufficiently and equitably finance treatment programs. We should move promptly during this interim so that a precise recommendation can be made in time for consideration by the 1978 session of the legislature.

During the legislative session, I repeatedly voiced my opposition to the earmarking of liquor funds. I hope no one will now be surprised to learn that I meant it.

Originally the earmarked liquor tax increase was the only tax increase contained in Senate File 31. However, in the waning moments of the legislative session a provision was added which will increase the retail price of liquor by approximately five percent. This additional increase is necessitated to replace the loss of revenue caused by the legislature's repeal of the 15 percent markup liquor licensees pay for the purchase of their liquor.

The 15 percent surtax originated as a replacement for the 10 percent sales tax liquor licensees were required to collect when liquor by the drink first became legal in Iowa in 1963.

The obvious impact of the repeal of the 15 percent markup will be to lower the price of liquor for a few—the liquor licensees—and to increase the price of liquor for all purchasers. The five percent increase in price comes on the heels of the two percent earmarked tax and an earlier five percent increase in price. There is no indication that liquor licensees would necessarily pass their savings from the repeal of the 15 percent surtax on to their customers.

Senate File 31 does not coordinate the timing of the repeal of the surtax and the general price increase. The repeal is to take effect immediately, while the Beer and Liquor Control Department is directed to increase prices not until January 1, 1978. During this interim the state might have to do without the revenues from either the 15 percent surtax or the general price increase. That would cause a loss of up to \$3 million in the general fund.

Because they buy in volume, liquor licensees believe they should not be subject to higher prices than the general public must pay for liquor. Especially in border areas, the pricing differential has led to enforcement problems as some licensees attempt to evade the higher prices. Liquor licensees should keep in mind that liquor prices in Iowa are marked up less than the national average for control states. If liquor licensees want to pursue the effort to repeal the 15 percent surtax, it can be debated before the legislature under the bright lights of public visibility.

For the above reasons, I hereby veto all the provisions of Senate File 31.

Sincerely,
ROBERT D. RAY

Dear Mr. Secretary:

I hereby enclose House File 64, an Act relating to flexible full-time employment for state employees which, in accordance with Article III, Section 16, Constitution of the State of Iowa, I hereby disapprove and transmit to the Secretary of State.

House File 64 directs state agencies to make available up to 10 percent of the positions in each class of employment for flexible full-time employment. It defines flexible full-time employment as "full-time employment of at least forty hours a week where the employee works either a compressed work week or a flexible time schedule . . ."

In a spirit that is unbecoming the concept, House File 64 moves to implement flex time for state employees in an inflexible and arbitrary manner. The intent of the bill's authors was to provide flex time opportunities for employees wherever possible if it were appropriate. To accomplish this end, the bill requires that positions in each class of employment in every agency shall be made available for flex time. It does not state that the use of flex time should provide for improved service to the public or greater efficiencies for the agencies. In fact, the only waiver that can be granted from the minimum requirement is if the Merit Commission Director determines that "compliance would be substantially disruptive of the ability of the agencies to discharge its duties."

As in private business, flex time lends itself better to some government operations than to others. Whereas a particular agency or department might be able to place more than one-half of its staff on flex time, another agency, because of its size or nature of its business, might be able to provide very limited opportunities for flex time. Management prerogatives should be maintained so flex time can be adopted in the most productive manner for not only employees but also state government and the public as well.

The concept of flex time has merit. In addition to providing flexibility and convenience to employees, it can provide improved service to the public by keeping offices open longer and enabling agencies to achieve greater efficiency in utilization of staff.

State government is no newcomer to flex time for several state agencies have already experimented with this concept. The Geological Survey and the Department of Job Service had mixed success with the results of their experiments with flex time. Additional agencies are planning to adopt the use of flex time at this time and intend to implement it on an orderly and

systematic basis.

We should determine in what manner flex time can best be utilized in state government. Rather than implement it arbitrarily, good management principles dictate that we should approach it in a logical manner. We find there are other methods more compatible with this approach than House File 64. Therefore, I have decided to veto this bill.

At the same time, I am issuing an Executive Order requiring each agency of the Executive Branch of government to submit to me by September 15, 1977, a plan outlining the use of flex time for the department and a schedule for the implementation of flex time for its employees within the following six months. Lest this action be underestimated, the impact of the Executive Order will be substantially greater than had we relied on House File 64. As an example, the Department of Transportation is moving today to initiate flex time opportunities for the 1,000 of its employees who work at the Ames headquarters. This alone is almost three times more than the bill sets as a minimum to be achieved as of July 1, 1978. I am enclosing a copy of my Executive Order.

Those who support House File 64 should recognize that despite the veto of the bill, the action I have taken today will insure far greater opportunities for flex time.

Sincerely,
ROBERT D. RAY

In the Name and by the Authority of the State of Iowa

EXECUTIVE ORDER NUMBER 25

- WHEREAS,** Iowa State Government has endeavored to establish progressive and innovative programs to provide more efficient service for its citizens and improved working conditions for its employees; and
- WHEREAS,** in this effort the State has experimented with flexible time, a concept which departs from the traditional five days per week and eight hours per day job schedule to provide employees with alternative work schedules; and,
- WHEREAS,** the Iowa Legislature expressed its interest in greater utilization of flex time for state employees by passing House File 64; and,

WHEREAS, House File 64 is a mandatory and arbitrary approach to the implementation of flexible time; it sets quotas whether achievable or not; it is not in all cases workable nor does it necessarily make the best use of the potential of employees; and,

WHEREAS, state government is no newcomer to this concept for several state agencies have already experimented with flex time and other agencies have initiated plans to adopt the use of flex time, and will implement them on an orderly and systematic basis; and,

WHEREAS, each state agency should review carefully flex time to determine how it can best be utilized;

NOW,

THEREFORE, I, Robert D. Ray, Governor of the State of Iowa, do hereby require each state agency in the Executive Branch of Iowa government to submit to me by September 15, 1977, a plan outlining the use of flex time for the department and a schedule for the implementation of flex time for its employees. The plan shall include the number of employees to be offered flex time and those who will be exempt; how the plan will benefit the agency's employees; a description of how flex time will achieve greater efficiencies for the agency as well as improved service to the public; any alternative suggestions for work arrangements in addition to flex time; and the specific time schedule for the implementation of an approved departmental flex time proposal.

An agency director, who, because of the size or nature of the business of the agency, believes that there might be valid reasons for not engaging in the use of flex time, shall submit an alternative report outlining those reasons and any alternative approaches as possible substitutes. Employees who are members of certified public bargaining units shall not be covered by flex time arrangements without the consent of their unions. Employees who are not subject to regularly scheduled work weeks throughout the year will be exempted from coverage as well as managerial and confidential employees.

Subsequent to the review of its submitted report, each agency, in consultation with the Merit Commission and the Comptroller's Office, shall proceed to implement its approved flex time schedule on an orderly basis within six months of September 15, 1977.

GOVERNOR'S ITEM VETO MESSAGES

July 10, 1977

The Honorable Melvin D. Synhorst
Secretary of State
State Capitol Building
Local

Dear Mr. Secretary:

I hereby transmit House File 327, an Act making appropriations to and relating to the financing of agencies whose responsibilities relate to transportation, public safety, and public defense.

House File 327 is approved July 10, 1977, with the following exceptions which I hereby disapprove.

I am unable to approve the item designated as Subsection 5 of Section 4 which reads as follows:

"5. It is the intent of the general assembly that the state participation in renting telecommunication terminals which are located in local criminal justice agencies be reduced from the current seventy-five-twenty-five percent state-to-local match, to a fifty-fifty percent state-local match effective July 1, 1977, and to a twenty-five-seventy-five state-to-local match effective July 1, 1978."

I am also unable to approve the item designated as Subsection 7 of Section 4 which reads as follows:

"7. The department of public safety to regulate and enforce motor vehicle laws governing traffic control and laws designed to maintain the public peace, pursuant to duties as provided in section eighty point nine (80.9), of the Code, may seek the cooperation of the Iowa national guard to enforce motor vehicle

traffic control and safety laws at large public gatherings where traffic control and safety may require additional enforcement facilities. Under this provision the Iowa national guard may provide assistance only with 'on duty' members assigned by the adjutant general of the guard who will be subject to the direction of the department of public safety while enforcing the motor vehicle traffic control laws."

The first item lowers the current 75%-25% state-to-local match for the renting of TRACIS terminals to 50%-50% match effective July 1, 1977, and to 25%-75% match effective July 1, 1978. County and city law enforcement agencies which currently operate 80 of the telecommunication terminals pay \$100.00 a month in rental charges. The fee would increase to \$198.00 per month this year and \$297.00 next year under this item. The increase—a total of \$100,000—for local governments enabled the legislature to shave the same amount from our recommendations for the Department of Public Safety.

Local budgets for the next fiscal year were finalized long before this bill reached final passage. Assuming the match provision for TRACIS terminals would remain the same as it had for the previous five years, law enforcement officials had asked their governing boards for no increase in funds. The shift in the rental charges from the state to the local level comes too late for the local law enforcement agencies to adjust their budget askings. Now they will either have to squeeze funds from other programs or drop their TRACIS terminals altogether, as two agencies did in the past month.

At a time when the state is limiting the growth of property taxes, it is undesirable to shift costs to local governments, especially when they cannot adjust for the extra burden. While a case may be made for a different sharing of the TRACIS costs than presently exists, the legislature should not embark on such a course without adequate notice to and cooperation with local governments.

By item vetoing this provision, a greater financial responsibility is placed on the Department of Public Safety. I intend to ask for a deficiency appropriation at the beginning of the next session to cover the difference.

The second item, which is permissive in nature, provides that the Department of Public Safety may seek the cooperation of the Iowa National Guard to enforce traffic control and safety laws at large public gatherings which may require additional enforcement facilities.

The Department of Public Safety is not anxious for this authority. In asking for an item veto of the provision, the Commissioner noted that there is an on-going excellent working relationship between the Department and the Guard in response to various natural and man-made disasters. The authority of the Governor to call out the Guard at any time makes the provision unnecessary.

The item was offered with understandable motives. Its author saw it as a means to promote the Guard before large groups and encourage training in crowd control. I share his belief that we need to encourage recruitment in the Iowa National Guard. However, there are better ways to accomplish increased recruitment than this provision.

We should retain the present system for calling out the National Guard. People enter the Guard with the understanding they won't be called away from their jobs and homes for just any reason. It would be unwise to diffuse the authority to call out the Guard.

For the above reasons, I hereby disapprove these items in accordance with Amendment 4 of the Amendments of 1968 to the Constitution of the State of Iowa. All other items of House File 327 are hereby approved this date.

Sincerely,
ROBERT D. RAY

Dear Mr. Secretary:

I hereby transmit House File 464, an Act relating to the administration and financing of current programs under the jurisdiction of the Department of Social Services and to funding of capital improvement projects including capital improvement projects recommended by the Advisory Commission on Corrections Relief.

House File 464 is approved July 11, 1977, with the following exceptions which I hereby disapprove.

I am unable to approve the item designated in the Act as Subsection 1 of Section 13 which reads as follows:

"1. It is the intent of the general assembly that the activities and services provided by the department of social services at the Riverview release center at Newton shall be phased out during the 1977-1978 fiscal year. The budget for the work release halfway houses funded through the Riverview release center shall not be reduced and shall be transferred to community based corrections for administrative purposes at such time as is appropriate. However, the physical structure and fixtures of the Riverview release center shall not be altered except for normal

repair and maintenance until such time as the general assembly shall otherwise provide."

I am unable to approve the item designated in the Act as Section 17 which reads as follows:

"Sec. 17. The department of health shall delay implementation of the department of health licensure rules for intermediate care facilities as published in the Iowa Administrative Code 'Health (470) chapter 58'. The department, upon consultation with the health facilities advisory committee, shall review these rules which exceed the federal Title XIX guidelines for intermediate care facilities. All such modified rules approved by the department of health shall be resubmitted to the administrative rules review committee. The department of health may promulgate rules in areas not addressed by federal regulations."

I am unable to approve the item designated in the Act as Subsection 2 of Section 25 which reads as follows:

"2. Notwithstanding the provisions of chapter one thousand forty-three (1043) of the Acts of the Sixty-sixth General Assembly, 1976 Session, funds appropriated by section one (1), subsection four (4) of such chapter remaining unexpended on the effective date of this Act shall be used for the conversion of the existing minimum security dormitory located outside the walls of the Fort Madison penitentiary to a minimum security facility. The conversion shall provide for making necessary repairs and separating the upper floor of this minimum security dormitory into rooms."

Section 13, Subsection 1 requires the Department of Social Services to phase out the operations of the Riverview Release Center at Newton during FY 78. The Advisory Commission on Corrections Relief recommended that the center as a prerelease facility be phased out in the belief that the traditional way station between prison and community has become less necessary with the establishment of our community corrections program.

However, subsequent to the offering of the proposal to phase out Riverview, the legislature also added a provision to Senate File 112, the community corrections bill, calling for the creation of an inmate employment program at Riverview which would be consistent with the Commission's advice on training. Through a cooperative arrangement between the Departments of Transportation and Social Services, men and women inmates will be trained by Transportation, become employees of the Department for no more than one year, and then move from there to other employment in private industry.

We favor more vocational training and job opportunities for inmates so they will be more adequately prepared to reenter society. If the inmate employment program at Newton is to be the success hoped for, it must be allowed to operate under favorable conditions. Under the phase out provision of this bill, the Riverview administrators would be hard pressed to know whether to proceed full speed ahead on the employment program or hold back in preparation for the shutdown mandated at the end of the year. We believe that this employment program should be supported and in order to do that Riverview should not be phased out at this time.

The major thrust of Riverview during FY 78 will be the inmate employment program. Three quarters of the population of the institution will be participating in the job training endeavor. A report on the initial operation of the program is to be submitted by February, 1978. If at that time the legislature decides to phase out Riverview, they will have ample time to affect the appropriation for FY 79. That action need not be forced now.

Section 17 requires the Department of Health to delay implementation of its revised health licensure rules for intermediate care facilities and in consultation with the Health Facilities Advisory Committee to determine if any exceed federal guidelines. Any rules modified under this review shall be submitted to the Administrative Rules Review Committee.

The Department of Health and the Health Facilities Advisory Committee completed a review and revision of the Department's licensure rules in December, 1976, after a two-year process. These new rules have been in operation since that time. A delay in implementation would leave the Department with no valid licensure rules for an indefinite period.

It was the consensus opinion of that group that these revised rules were efficient, workable, reasonable, and well-thought out. Mr. Larry Breeding, Executive Vice President of the Health Facilities Association of Iowa, wrote to me in December, saying:

"I do not believe I have ever seen a more hardworking, efficient, and industrious a group . . . The spirit of cooperation that existed between all facets of the committee was exemplary . . . I believe the work of this committee exemplified democracy at work (in reaching) reasonable and rational conclusions without a feeling of oppression."

Agreement still exists that the rules are exemplary and that they adequately set forth minimum requirements for intermediate care facilities. A point of contention has arisen, however, over the cost impact of the new rules. Such a cost impact statement was not included in the work of the Health Facilities Advisory Committee. There seems to be some fear that implementation of the new rules will result in costs that will strain the resources of the nursing homes.

At my request the Department of Health has conducted a rule-by-rule financial survey with the following summary results:

1. Requirements for construction will likely result in a net reduction in cost from the previous rules.
2. In the area of staffing requirements, particularly nursing care which has been of major concern, this survey indicates that any increase in the cost of licensed nursing care will be more than counter-balanced by a decrease in the requirement for nursing aide care, resulting in an overall decrease in the cost of minimum nursing care standards.

Section 17 does not address the pertinent issue—that of cost impact—but rather the adequacy of the rules as minimum standards. Further review of these licensure rules in terms of their fitness as minimum standards could be a costly and repetitive exercise. It also seems that the cost impact of the new rules will probably reduce the cost of minimum acceptable standards in each facility. The cost problems generated by the placement of patients requiring skilled care in intermediate care facilities is of concern also, and will be reviewed by the Department.

Nursing homes are not immune to increased costs as they provide quality care to their patients, but I do not presently see reduction of minimum care standards as one of the alternative solutions to that problem.

Further, a delay in implementation in the new rules will prevent the Department of Health from using the fining and citation powers granted last December and will allow inadequate and poor quality care, which was scheduled to be dealt with under this process, to continue for an indefinite period.

I believe it would be better not to halt the new rules but to monitor them carefully with an eye toward modification any time cost savings could be implemented without jeopardizing minimum standards of care.

For these reasons, I thereby do not approve Section 17.

Section 25, Subsection 2 requires the conversion of the outside dormitory at Fort Madison to rooms for minimum security at a cost of approximately \$235,000. This increase would come at a time when the eligible population is decreasing due to wider use of probation, community-based corrections and work release programs. Currently, more than half the population at Fort Madison is serving sentences for crimes of violence, and one-third is serving sentences of more than twenty years. Both the percentage of the population committing violent crimes and the number of acts of violence by each individual have increased significantly in the last five years.

As of July 9, 1977, the Warden's office reported there were 864 men being housed at Fort Madison. One hundred fifteen of these were in minimum

security, with an average six-month stay. These men generally move on to discharge, parole, work release, or through some violation of rules, including escape, are sent back inside the penitentiary. Thus, approximately 200-260 men are moved into minimum security during a year's time.

An examination of the files of the men at the penitentiary indicates that 206 are eligible for minimum security, meeting at least the following criteria:

1. No life sentence.
2. No sentence for violent offense or exhibition of violent behavior while incarcerated.
3. No escape history within one year of review.
4. No report greater than a reprimand in the past two months.
5. No loss of good time or removal from honor roll in last six months.

These minimum standards were established in April, 1977, and are considerably more lenient than earlier criteria. A summary of file information of the 206 who could possibly be eligible indicates that 115 are already in minimum security, leaving 91, of whom another 50 are not currently being considered for the following reasons:

1. New men in orientation.
2. In protective custody.
3. Medical problems requiring daily care.
4. Mental problems.
5. Escape histories.
6. Don't want minimum security.
7. Too elderly.

This leaves 41 eligible for consideration. At current turnover rates, these men, if they are approved during review, will be placed in minimum security within six months or less.

It seems, therefore, based on the current population that minimum security candidates are being placed expeditiously and that a sufficient roster of available candidates would not be found to fill another facility and keep it filled. In addition, the escape rate from minimum security has increased since the opening of the farm dorms, thus increasing security risks.

Finally, the conversion of the outside dormitory to minimum security poses three other problems:

1. There will be a significant increase in staffing costs for security, counselors, and cooks for the new facility, since separate services will have to be provided.
2. The proximity of this building to the main compound increases significantly the danger of contraband passing between the inmates outside the walls and those inside.
3. Other facilities will have to be found for part of the vocational training program now housed there.

I am, therefore, unable to approve the use of this appropriation contained in Section 25, Subsection 2.

I do, however, feel that the dormitory, being a building less than 15 years old and in good condition, should be fully utilized and am directing the Department of Social Services to plan for its appropriate use considering some of the following alternatives:

1. Housing for correctional officers recruited from outside the local area.
2. Expansion of vocational programs.
3. Division of open spaces into classroom units.

For the above reasons, I hereby disapprove these items in accordance with Amendment 4 of the Amendments of 1968 to the Constitution of the State of Iowa. All other items of House File 464 are hereby approved as of this date.

Sincerely,
ROBERT D. RAY
