Senator Mike Connolly introduced Mike Glover, Senior Correspondent of the Associated Press.

Thank you for that kind introduction—a rare moment of kindness between my profession and yours. Actually, it's not really all that rare, but more about that later.

I hope you will pardon me if I struggle a bit with this sort of role reversal. The concept of my speaking to the Iowa Legislature, and not the Iowa Legislature speaking to me and my colleagues, is enough to bring a journalist painfully close to hyperventilation. Like many of you, I come from an earlier generation where the rules were a bit clearer and things were a bit more black and white. I didn't do what you did and you didn't do what I did. Things are a bit more gray these days.

I'm often reminded by the character played by Holly Hunter in the movie "Broadcast News" when she accuses her romantic interest of violating ethical standards with the classic charge, "You crossed the line." To that charge he replies, "How do you know? They keep moving the sucker."

For the generations most of us come from it was simpler. But this isn't about me, this is about you and this institution which you have served and I have witnessed for more than a quarter of a century.

There's a lot of talk in these halls about how things have changed—how money and other factors have changed the character of this institution. There is, or course, some basis for those dire predictions, but let's not rush too far and let's think about some things which have not changed.

I bring to this discussion, after all, an outsider's view. Contrary to what has come to be the conventional wisdom, I was not installed in the press room during the run-up to the Civil War—it just seems that way.

As many of you know, I am a native of Illinois where the practice of politics is a much different creature. For instance, in that fair state we never hear the returns from Cook County until all the returns from downstate are complete. That's because Mayor Daley can't report returns until he knows what number he needs—and then he can go find it. We once had a secretary of state named Paul Powell who pushed through the legislature a minor measure changing the way you made out checks for license plates to include the name of the secretary of state. When he died they found scores of shoe boxes buried at this house stuffed with checks, and to this day no one knows how many he cashed.

With that background, we turn to Iowa. Is money changing the way business is conducted in this building? Without a doubt. But I would argue there is much more to the story. Politicians are, indeed, forced to spend more time raising and spending money, but most people I know in this room spend even more time dealing with the very real people they represent.

There's always considerable tension between your profession and mind on openness, and we won't relax on that front. I am often struck, however, how open this process is. I was walking through the halls just this week and passed by two lawmakers from opposite parties haggling over a bill and cutting the deal in a public hallway. To save their reputations, I won't name them.

And this can be one of the most partisan places in this very partisan environment. It isn't hard to get Republicans and Democrats shouting at each other. In fact it happens at a drop of a hat. What has struck me since the first day I walked into this place, however, is that the overwhelming bulk of the work done in this building happens because those exchanges take place. It doesn't make headlines because headlines are all about conflict.

Folks in this room are lucky to be part of that process, and there's another piece of luck you should ponder. We have lived in a state that has experienced one of the most remarkable political stretches in American political history. Since the 1970s, Iowa has lived at the center of the nation's political drama, and that's colored your political life and my professional career. The state, and I believe the nation's politics, are better for it.

Having said all that, the path has not always been smooth. There have been times when by all accounts things didn't go so well here. I'm fond of telling friends that I've seen more sunrises from this building than from any other spot in America.

I'd hate to try to count the number of shouting matches I've had with people, probably in almost every room of this very large building. Conflict is inevitable between my profession and yours, and it is equally inevitable within yours.

But the years sure have brought a whole bunch of memories, and I think it's important every now and then to stop and take stock of those memories. Those of us who don't learn from history are doomed to repeat it. I guess that means we'll all try again and maybe, just maybe, this time we'll get it, if not right, at least a little better.

Enjoy your time.

Thank you.

GOVERNOR'S VETO MESSAGE

A copy of the following was received and placed on file:

April 11, 2007

The Honorable John P. Kibbie
President of the Senate
State Capitol
L O C A L

Dear President Kibbie:

"Our liberties we prize and our rights we will maintain." This concise summary of our most basic and traditional values, set forth in our state's motto, is inscribed on the Great Seal of the State of Iowa, pursuant to The Act of the First General Assembly of the State of Iowa, approved February 25, 1847. The motto is also inscribed on our state flag, a banner that greets legislators, visitors and our citizens every day as they enter into and exit from our Capitol.

Because I am convinced that Senate File 139, an Act related to a criminal defendant filing an application for postconviction relief, is contrary to these values, I hereby disapprove and transmit to you that bill, without my signature, in accordance with Article III, Section 16, of the Constitution of the State of Iowa.

I have not taken this step—the first veto of my first term as Governor of this great state—lightly. I do so respectfully and with the full knowledge that this law was proposed by our distinguished Attorney General, supported by the County Attorneys Association and received the unanimous vote of every House and Senate member present. However, I am firmly of the conviction that this Act, if allowed to become a part of the laws of our state, would erode some of those fundamental liberties that we prize and the rights that all of us, as public servants, have pledged to maintain.

Further, this Administration is appreciative of the public service rendered by the Attorney General, Assistant Attorneys General and the County Attorneys of Iowa, all of whom assume the difficult task of prosecuting crimes in this state using limited resources. I understand that the goal of Senate File 139 was to reduce frivolous lawsuits and thereby minimize the wasting of judicial resources, a goal that this Administration shares.

However, as public servants, we must be careful when seeking to obtain these particular aims that we do not inadvertently diminish citizens' rights. I am convinced that if codified, Senate File 139 would erode and diminish one of our most cherished legal rights: the right to challenge the legal basis for incarcerating citizens. Senate File 139 removes from Iowa Code chapter 822 the ability of a person convicted of a simple misdemeanor to later challenge that conviction using postconviction relief remedies historically allowed to all persons convicted for any criminal offense.

In addition, history teaches us it is not a good practice to tamper with our constitutional and legal rights. The constitutions of the United States and Iowa guarantee that the *writ of habeas corpus* will not be suspended, except in cases of rebellion or invasion. Sometimes known as "the Great Writ," this common law precept

allows a detained person to be brought before a court at a stated time and place to decide the legality of his or her detention or imprisonment.

More than thirty years ago, in 1970, Iowa lawmakers codified the common law *writ of habeas corpus* under the Uniform Postconviction Procedure Act by establishing a separate postconviction relief procedure for individuals who have been convicted of or sentenced for any public offense. That Act, currently found at Iowa Code chapter 822, has permitted "[a]ny person who has been convicted of, or sentenced for, a public offense" to seek postconviction relief since its enactment. Under chapter 822, the state's power to incarcerate a citizen can be stopped if the conviction or sentence was for any reason unlawful or unconstitutional or if newly discovered evidence requires the vacation of the conviction or sentence in the interest of justice.

Senate File 139, if enacted, would eliminate the availability of postconviction relief for all simple misdemeanor convictions. Although the lowest level offense in our criminal code, a simple misdemeanor prosecution brings with it the potential for injustice and unforeseen collateral consequences—the very situation that postconviction relief procedures have been created to remedy.

The need to assure fair and just criminal prosecution outcomes on even the most minor offenses is no less important now than it was in 1970, when the General Assembly enacted chapter 822. Many citizens, particularly young adults, plead guilty to simple misdemeanor offenses without consulting an attorney or having a firm grounding in legal process. Sometimes those persons learn of adverse collateral consequences later, when they are denied the opportunity to obtain a professional license or other employment due to the uncounseled guilty plea. Such scenarios are likely to occur more frequently, not less often, in a future characterized by electronic criminal records databases that are accessible to potential employers at little cost. These employers may be deterred from hiring an otherwise qualified candidate when confronted by wrongful simple misdemeanor convictions that cannot be corrected under our postconviction relief statute. A simple misdemeanor also can result in deportation, or a permanent ban on a citizen's ability to possess firearms. Given that such drastic consequences can follow from a simple misdemeanor conviction, those who govern must be certain that convictions that may have been imposed in error are allowed formal legal challenge.

For example, a citizen charged with a simple misdemeanor offense may have the unfortunate experience of being represented by incompetent legal counsel, resulting in an unjust conviction. In 2004, the General Assembly recognized that direct appeals were not a good place to raise complaints of ineffective assistance of counsel. For that reason, Iowa Code section 814.7 now permits a party to raise a claim of ineffective assistance of counsel during postconviction relief proceedings without having raised the matter first on direct appeal. Senate File 139 would deny this important right to those wrongfully convicted of simple misdemeanors.

Even if represented by competent legal counsel, there may be instances in which a magistrate judge—the venue where most simple misdemeanor cases are tried—commits legal error. Indeed, in our state formal legal training is not required for a person to preside in magistrate court.

The Culver-Judge Administration is committed to the prosecution and punishment of those who convict crimes. Similarly, the frivolous use of our judicial system will not

be tolerated. Just as important, however, is the commitment to assure that people have recourse to all traditional procedures and remedies when, for whatever reason, they have been wrongfully convicted and sentenced.

Because Senate File 139 diminishes the liberties and rights that we, as office holders, both prize and feel duty-bound to maintain, I hereby respectfully disapprove Senate File 139.

Sincerely,
Chester J. Culver
Governor

 10 of the services or other support provided to entire
 11 disability populations.
 12 (5) Avoiding the need for reduction or elimination

 15 consumers would be placed in more restrictive, higher
 16 cost settings.
 17 f. j. The department of human services shall
 18 annually calculate the amount of moneys due to
 19 eligible counties in accordance with the board's
 20 decisions and that amount is appropriated from the

5 the effective date is delayed by the administrative
6 rules review committee. Any rules adopted in
7 accordance with this section shall not take effect
8 before the rules are reviewed by the administrative
9 rules review committee. The delay authority provided
10 to the administrative rules review committee under
11 section 17A.4, subsection 5, and section 17A.8,
12 subsection 9, shall be applicable to a delay imposed

37 DIVISION

38 MENTAL HEALTH SERVICES SYSTEM IMPROVEMENT

39 Sec. . NEW SECTION. 225C.6B MENTAL HEALTH
40 SERVICES SYSTEM IMPROVEMENT – LEGISLATIVE INTENT –
41 PLANNING AND IMPLEMENTATION.

42 1. INTENT.

43 a. The general assembly intends for the state to
44 implement a comprehensive, continuous, and integrated
45 state mental health services plan in accordance with
46 the requirements of sections 225C.4 and 225C.6 and
47 other provisions of this chapter, by increasing the
48 department's responsibilities in the development,
49 funding, oversight, and ongoing leadership of mental
50 health services in this state.

Page 8

1 b. In order to further the purposes listed in
2 sections 225C.1 and 225C.27 and in other provisions of
3 this chapter, the general assembly intends that
4 efforts focus on the goal of making available a
5 comprehensive array of high-quality, evidence-based
6 consumer and family-centered mental health services
7 and other support in the least restrictive,
8 community-based setting appropriate for a consumer.

9 c. In addition, it is the intent of the general
10 assembly to promote policies and practices that
11 achieve for consumers the earliest possible detection
12 of mental health problems and early intervention; to
13 stress that all health care programs address mental
14 health disorders with the same urgency as physical
15 health disorders; to promote the policies of all
16 public programs that serve adults and children with
17 mental disorders, including but not limited to child
18 welfare, Medicaid, education, housing, criminal and
19 juvenile justice, substance abuse treatment, and
20 employment services; to consider the special mental
21 health needs of adults and children; and to promote
22 recovery and resiliency as expected outcomes for all
23 consumers.

24 2. PLANNING AND IMPLEMENTATION. In order to build
25 upon the partnership between the state and counties in
26 providing mental health and disability services in the
27 state, the workgroups established for purposes of this
28 subsection shall engage equal proportions representing
29 the department, counties, and service providers. The

30 county and provider representatives shall be appointed
31 by the statewide associations representing counties
32 and community providers. In addition, each workgroup
33 shall include a representative of the commission, the
34 mental health planning and advisory council,
35 consumers, and a statewide advocacy organization. A
36 workgroup shall be established for each of the
37 following tasks provided for in this subsection:
38 alternative distribution formulas, community mental
39 health center plan, core mental health services, and
40 the two comprehensive plan items. The division shall
41 perform all of the following tasks in taking steps to
42 improve the mental health services system for adults
43 and children in this state:
44 a. ALTERNATIVE DISTRIBUTION FORMULAS. Identify
45 alternative formulas for distributing mental health,
46 mental retardation, and developmental disabilities
47 allowed growth factor adjustment funding to counties.
48 The alternative formulas shall provide methodologies
49 that, as compared to the current methodologies, are
50 more readily understood, better reflect the needs for

Page 9

1 services, respond to utilization patterns, acknowledge
2 historical county spending, and address disparities in
3 funding and service availability. The formulas shall
4 serve to strengthen the partnership between the
5 department and counties in the state's services
6 system. The division may engage assistance from
7 expert consultants with experience with funding
8 allocation systems as necessary to evaluate options.
9 The department shall report with findings and
10 recommendations to the commission on or before
11 November 1, 2007, and shall review and make
12 recommendations to the department on or before
13 December 1, 2007. The department shall submit the
14 final report to the chairpersons and ranking members
15 of the general assembly's committees on human
16 resources and the joint appropriations subcommittee on
17 health and human services, and to associated
18 legislative staff, on or before January 31, 2008.
19 b. COMMUNITY MENTAL HEALTH CENTER PLAN. Prepare a
20 phased plan for increasing state responsibility for
21 and oversight of mental health services provided by
22 community mental health centers and the providers
23 approved to fill the role of a center. The plan shall
24 provide for an initial implementation date of July 1,
25 2008. The plan shall be submitted to the commission
26 on or before October 1, 2007. The commission shall
27 review the plan and provide comments to the department
28 on or before November 1, 2007. The plan shall be

29 submitted to the governor and general assembly on or
30 before January 31, 2008. The department shall ensure
31 that key stakeholders are engaged in the planning
32 process, including but not limited to the commission,
33 mental health services providers, individuals with
34 expertise in the delivery of mental health services,
35 youth and adult consumers, family members of
36 consumers, advocacy organizations, and counties.

37 c. CORE MENTAL HEALTH SERVICES. Identify core
38 mental health services to be offered in each area of
39 the state by community mental health centers and core
40 services agency providers. The workgroup for this
41 task shall be established no later than August 1,
42 2007. The core services shall be designed to address
43 the needs of target populations identified by the
44 workgroup and the services may include but are not
45 limited to emergency services, school-based mental
46 health services, short-term counseling, prescreening
47 for those subject to involuntary treatment orders, and
48 evidence-based practices. The division shall submit
49 to the commission on or before October 1, 2007,
50 proposed administrative rules and legislation to amend

Page 10

1 chapter 230A as necessary to implement the core
2 services beginning July 1, 2008. The commission shall
3 review and revise the proposed administrative rules
4 and shall adopt the administrative rules after the
5 general assembly has reviewed and approved the
6 proposal. The proposals shall be submitted to the
7 general assembly for review on or before January 31,
8 2008.

9 d. MENTAL HEALTH AND CORE SERVICE AGENCY STANDARDS
10 AND ACCREDITATION. Identify standards for
11 accreditation of core services agencies that are not a
12 community mental health center but may serve as a
13 provider approved to fill the role of a center. Such
14 core services agencies could be approved to provide
15 core mental health services for children and adults on
16 a regional basis. The standards shall be submitted to
17 the commission for review and recommendation on or
18 before December 1, 2007, and to the governor and
19 general assembly on or before January 31, 2008.

20 e. CO-OCCURRING DISORDERS. The division and the
21 department of public health shall give priority to the
22 efforts underway to develop an implementation plan for
23 addressing co-occurring mental health and substance
24 abuse disorders in order to establish a comprehensive,
25 continuous, and integrated system of care for such
26 disorders. The division and the department of public
27 health shall participate in a policy academy on

28 co-occurring mental health and substance abuse
29 disorders as part of developing an implementation plan
30 for commission review by April 1, 2008. The
31 commission shall review and make recommendations on
32 the plan on or before May 1, 2008. The plan shall then
33 be submitted to the governor and general assembly on
34 or before June 1, 2008. The division may engage
35 experts in the field of co-occurring mental health and
36 substance abuse disorders to facilitate this planning
37 process.

38 f. EVIDENCE-BASED PRACTICES. Begin phased

6 the person did not have actual knowledge of the
7 existence of an investigation into the violation.

8 3. This section shall not apply to claims,
9 records, or statements made under Title X relating to
10 state revenue and taxation.

11 Sec. ____ NEW SECTION. 685.3 INVESTIGATIONS AND
12 PROSECUTIONS – POWERS OF PROSECUTING AUTHORITY –
13 CIVIL ACTIONS BY INDIVIDUALS AS QUI TAM PLAINTIFFS AND
14 AS PRIVATE CITIZENS – JURISDICTION OF COURTS.

15 1. The attorney general shall diligently
16 investigate a violation under section 685.2. If the
17 attorney general finds that a person has violated or

18 is violating section 685.2, the attorney general may
19 bring a civil action under this section against that
20 person.

21 2. a. A person may bring a civil action for a
22 violation of this chapter for the person and for the
23 state in the name of the state. The person bringing
24 the action shall be referred to as the qui tam
25 plaintiff. Once filed, the action may be dismissed
26 only with the written consent of the court, taking
27 into account the best interest of the parties involved
28 and the public purposes behind this chapter.

29 b. A copy of the complaint and written disclosure
30 of substantially all material evidence and information
31 the person possesses shall be served on the attorney
32 general. The complaint shall also be filed in camera,
33 shall remain under seal for at least sixty days, and
34 shall not be served on the defendant until the court
35 so orders. The state may elect to intervene and
36 proceed with the action within sixty days after it
37 receives both the complaint and the material evidence
38 and the information.

39 c. The state may, for good cause shown, move the
40 court for extensions of the time during which the
41 complaint remains under seal under paragraph "b". Any
42 such motions may be supported by affidavits or other
43 submissions in camera. The defendant shall not be
44 required to respond to any complaint filed under this
45 section until after the complaint is unsealed and
46 served upon the defendant pursuant to rules of civil
47 procedure.

48 d. Before the expiration of the sixty-day period
49 or any extensions obtained under paragraph "c", the
50 state shall do one of the following:

Page 4

1 (1) Proceed with the action, in which case the
2 action shall be conducted by the state.

3 (2) Notify the court that the state declines to
4 take over the action, in which case the person
5 bringing the action shall have the right to conduct
6 the action.

7 e. When a person brings a valid action under this
8 section, no person other than the state may intervene
9 or bring a related action based on the facts
10 underlying the pending action.

11 3. a. If the state proceeds with the action, the
12 state shall have the primary responsibility for
13 prosecuting the action, and shall not be bound by an
14 act of the person bringing the action. Such person
15 shall have the right to continue as a party to the
16 action, subject to the limitations specified in

17 paragraph "b".

18 b. (1) The state may move to dismiss the action
19 for good cause notwithstanding the objections of the
20 qui tam plaintiff if the qui tam plaintiff has been
21 notified by the state of the filing of the motion and
22 the court has provided the qui tam plaintiff with an
23 opportunity to oppose the motion and present evidence
24 at a hearing.

25 (2) The state may settle the action with the
26 defendant notwithstanding the objections of the qui
27 tam plaintiff if the court determines, after a hearing
28 providing the qui tam plaintiff an opportunity to
29 present evidence, that the proposed settlement is
30 fair, adequate, and reasonable under all of the
31 circumstances.

32 (3) Upon a showing by the state that unrestricted
33 participation during the course of the litigation by
34 the person initiating the action would interfere with
35 or unduly delay the state's prosecution of the case,
36 or would be repetitious, irrelevant, or for purposes
37 of harassment, the court may, in its discretion,
38 impose limitations on the person's participation,
39 including but not limited to any of the following:

40 (a) Limiting the number of witnesses the person
41 may call.

42 (b) Limiting the length of the testimony of such
43 witnesses.

44 (c) Limiting the person's cross-examination of
45 witnesses.

46 (d) Otherwise limiting the participation by the
47 person in the litigation.

48 (4) Upon a showing by the defendant that
49 unrestricted participation during the course of the
50 litigation by the person initiating the action would

Page 5

1 be for purposes of harassment or would cause the
2 defendant undue burden or unnecessary expense, the
3 court may limit the participation by the person in the
4 litigation.

5 c. If the state elects not to proceed with the
6 action, the person who initiated the action shall have
7 the right to conduct the action. If the state
8 requests, the state shall be served with copies of all
9 pleadings filed in the action and shall be supplied
10 with copies of all deposition transcripts at the
11 state's expense. When a person proceeds with the
12 action, the court, without limiting the status and
13 rights of the person initiating the action, may permit
14 the state to intervene at a later date upon a showing
15 of good cause.

16 d. Whether or not the state proceeds with the
17 action, upon a showing by the state that certain
18 actions of discovery by the person initiating the
19 action would interfere with the state's investigation
20 or prosecution of a criminal or civil matter arising
21 out of the same facts, the court may stay such
22 discovery for a period of not more than sixty days.
23 Such a showing shall be conducted in camera. The
24 court may extend the sixty-day period upon a further
25 showing in camera that the state has pursued the
26 criminal or civil investigation or proceedings with
27 reasonable diligence and any proposed discovery in the
28 civil action will interfere with the ongoing criminal
29 or civil investigation or proceedings.

30 e. Notwithstanding subsection 2, the state may
31 elect to pursue its claim through any alternate remedy
32 available to the state, including any administrative
33 proceeding to determine a civil penalty. If any such
34 alternate remedy is pursued in another proceeding, the
35 person initiating the action shall have the same
36 rights in such proceeding as such person would have
37 had if the action had continued under this section.
38 Any finding of fact or conclusion of law made in such
39 other proceeding that has become final shall be
40 conclusive as to all parties to an action under this
41 section. For purposes of this paragraph, a finding or
42 conclusion is final if it has been finally determined
43 on appeal to the appropriate court of the state, if
44 all time for filing such an appeal with respect to the
45 finding or conclusion has expired, or if the finding
46 or conclusion is not subject to judicial review.

47 4. a. (1) If the state proceeds with an action
48 brought by a person under subsection 2, the person
49 shall, subject to subparagraph (2), receive at least
50 fifteen percent but not more than twenty-five percent

Page 6

1 of the proceeds of the action or settlement of the
2 claim, which includes damages, civil penalties,
3 payments for costs of compliance, and any other
4 economic benefit realized by the state or federal
5 government as a result of the action, depending upon
6 the extent to which the person substantially
7 contributed to the prosecution of the action.

8 (2) If the action is one which the court finds to
9 be based primarily on disclosures of specific
10 information, other than information provided by the
11 person bringing the action, relating to allegations or
12 transactions specifically in a criminal, civil, or
13 administrative hearing, or in a legislative or
14 administrative report, hearing, audit, or

15 investigation, or from the news media, the court may
16 award an amount the court considers appropriate, but
17 in no case more than ten percent of the proceeds,
18 taking into account the significance of the
19 information and the role of the person bringing the
20 action in advancing the case to litigation.

21 (3) Any payment to a person under subparagraph (1)
22 or (2) shall be made from the proceeds. Any such
23 person shall also receive an amount for reasonable
24 expenses which the appropriate court finds to have
25 been necessarily incurred, plus reasonable attorney
26 fees and costs. All such expenses, fees, and costs
27 shall be awarded against the defendant.

28 b. If the state does not proceed with an action
29 under this section, the person bringing the action or
30 settling the claim shall receive an amount which the
31 court decides is reasonable for collecting the civil
32 penalty and damages. The amount shall be not less
33 than twenty-five percent and not more than thirty
34 percent of the proceeds of the action or settlement
35 and shall be paid out of such proceeds, which includes
36 damages, civil penalties, payments for costs of
37 compliance, and any other economic benefit realized by
38 the state or federal government as a result of the
39 action. Such person shall also receive an amount for
40 reasonable expenses which the appropriate court finds
41 to have been necessarily incurred, plus reasonable

DISSENT FROM SENATE FILE 551

Mr. Speaker:

Article III Section 10 of the Constitution of the State of Iowa provides:

Protest – record of vote – Every member of the general assembly shall have the liberty to dissent from, or protest against any act or resolution which he may think injurious to the public, or an individual, and have the reasons for his dissent entered on the journals; and the yeas and nays of the members of either house, on any question, shall, at the desire of any two members present, be entered on the journals.

I have here a written statement explaining the reasons for my dissent on Senate File 551 to be placed into the journal as provided by Article III Section 10.

On 25 January 2007, the Iowa House passed Senate Concurrent Resolution 3 establishing the joint rules for the 82nd General Assembly. Joint rule 20.3 states that in the 14th week no House files may be debated in the House and no Senate files may be debated in the Senate. The Iowa Senate considered and passed Senate File 551 on 9 April 2007 in clear violation of joint rules.

When Senate File 551 was read for the first time in the House on 16 April 2007 I raised an objection to Senate File 551 being considered in violation of joint rules. While Speaker of the House Murphy held my point and objection as “not well taken”, I

believe that Senate File 551 is not properly before the House and is not eligible for debate.

The joint rules were adopted for the protection of both the Minority and Majority party members, as well as the citizens of Iowa. The integrity of each member of the Iowa House is weakened by this body's failure to abide by, and enforce its own rules.

11 purposes of determining medical support as provided in
12 section 252E.1A. The unit's independent cause of
13 action shall not bar a party from seeking support in a
14 subsequent proceeding.

15 Sec. Section 252C.1, subsection 6, Code 2007,
16 is amended to read as follows:

22 a dependent and the cost of any premium required by a

24 a monetary amount in lieu of providing coverage under
25 a health benefit plan, either of which is an
26 obligation separate from any monetary amount of child
27 support ordered to be paid. "Medical support" which
28 consists of payment of a monetary amount in lieu of a
29 health benefit plan is also an obligation separate
30 from any monetary amount a parent is ordered to pay
31 for uncovered medical expenses pursuant to the
32 guidelines established pursuant to section 598.21B.

33 Sec. ____ Section 252C.3, subsection 1, unnumbered

5 2007, is amended to read as follows:

6 2. Upon receipt of a signed statement from ~~the~~
7 each responsible person waiving the time limitations

10 may approve the order, whether or not the time
11 limitations have expired.

12 Sec. ____ Section 252D.18A, Code 2007, is amended
13 to read as follows:

14 252D.18A MULTIPLE INCOME WITHHOLDING ORDERS –
15 ORDERS FOR HEALTH BENEFIT PLANS – AMOUNTS WITHHELD BY
16 PAYOR.

17 When the obligor is ~~responsible for paying~~ has more
18 than one support obligation ~~and or~~ the payor of income
19 has received more than one ~~income withholding~~ order or
20 notice ~~of an order~~ for the obligor ~~for income~~
21 withholding or for coverage under a health benefit
22 plan pursuant to chapter 252E, the payor shall
23 withhold amounts in accordance with all of the
24 following:

25 1. The total of all amounts withheld shall not
26 exceed the amounts specified in 15 U.S.C. § 1673(b).
27 For orders or notices issued by the child support
28 recovery unit, the limit for the amount to be withheld
29 shall be specified in the order or notice.

30 2. As reimbursement for the payor's processing
31 costs, the payor may deduct a fee of no more than two
32 dollars for each payment withheld in addition to the
33 amount withheld for support.

34 3. Priority shall be given to the withholding of
35 current support ~~rather than delinquent support~~. The
36 payor shall not allocate amounts withheld in a manner
37 which results in the failure to withhold an amount for
38 one or more of the current child or spousal support
39 obligations. If the limits specified in subsection 1
40 prevent withholding the full amount specified in the
41 order or notice, the payor shall withhold amounts in
42 the following priority:

43 a. Withhold the amount specified for current child
44 and spousal support. To arrive at the amount to be
45 withheld for each obligee, the payor shall total the
46 amounts due for current child and spousal support
47 under the income withholding orders and the notices of
48 orders and determine the proportionate share for each
49 obligee. The proportionate share shall be determined
50 by dividing the amount due for current child and

Page 22

1 spousal support for each order or notice of order by
2 the total due for current child and spousal support
3 for all orders and notices of orders. The results are
4 the percentages of the obligor's net income which
5 shall be withheld for each obligee.

6 b. If, after completing the calculation in
7 paragraph "a", the withholding limit specified under
8 subsection 1 has not been attained, the payor shall
9 withhold the amount necessary to comply with an order
10 or notice of order for a current premium for coverage
11 of a child under a health benefit plan as provided in
12 section 252D.30 or section 252E.1A, subsection 2, or
13 for a current monetary amount for the child for
14 medical support. If there is more than one medical
15 support order or notice of order for a current
16 monetary amount for a child, the payor shall total the
17 amounts due for current monetary amounts for all
18 children for medical support and determine the
19 proportionate share for each obligee. The
20 proportionate amounts shall be established utilizing
21 the procedures established in paragraph "a" for
22 current child and spousal support obligations.

23 b. c. If, after completing the calculation
24 calculations in paragraph paragraphs "a" and "b", the
25 withholding limit specified under subsection 1 has not
26 been attained, the payor shall total the amounts due
27 for arrearages and determine the proportionate share
28 for each obligee. The proportionate share amounts
29 shall be established utilizing the procedures
30 established in paragraph "a" for current child and
31 spousal support obligations.

32 d. If after completing the calculations in
33 paragraphs "a", "b", and "c", the withholding limit
34 specified in subsection 1 has not been attained, the
35 payor shall withhold the amount necessary for other
36 child support obligations, unless the order or notice
37 directs otherwise as provided by Title IV, part D, of
38 the federal Social Security Act.

39 4. The payor shall identify and report payments by
40 the obligor's name, account number, amount, and date
41 withheld pursuant to section 252D.17. ~~Until October~~
42 ~~1, 1999, if payments for multiple obligees are~~
43 ~~combined, the portion of the payment attributable to~~
44 ~~each obligee shall be specifically identified.~~
45 ~~Beginning October 1, 1999, if If payments for multiple~~
46 ~~obligees are combined, the portion of the payment~~
47 ~~attributable to each obligee shall be specifically~~
48 ~~identified only if the payor is directed to do so by~~
49 ~~the child support recovery unit.~~

50 Sec. ____ . Section 252E.1, subsection 9, Code 2007,

Page 23

1 is amended to read as follows:

2 9. "Medical support" means either the provision of
3 a health benefit plan, including a group or
4 employment-related or an individual health benefit
5 plan, or a health benefit plan provided pursuant to
6 chapter 514E, to meet the medical needs of a dependent
7 and the cost of any premium required by a health
8 benefit plan, or the payment to the obligee of a
9 monetary amount in lieu of a health benefit plan,
10 either of which is an obligation separate from any
11 monetary amount of child support ordered to be paid.
12 Medical support is not alimony. "Medical support"
13 which consists of payment of a monetary amount in lieu
14 of a health benefit plan is also an obligation
15 separate from any monetary amount a parent is ordered
16 to pay for uncovered medical expenses pursuant to the
17 guidelines established pursuant to section 598.21B.

18 Sec. ____ NEW SECTION. 252E.1A ESTABLISHING AND
19 MODIFYING ORDERS FOR MEDICAL SUPPORT.

20 This section shall apply to all initial or modified
21 orders for support entered under chapter 234, 252A,
22 252C, 252F, 252H, 598, 600B, or any other applicable
23 chapter.

24 1. An order or judgment that provides for
25 temporary or permanent support for a child shall
26 include a provision for medical support for the child
27 as provided in this section.

28 2. The court shall order as medical support for
29 the child a health benefit plan if available to either
30 parent at the time the order is entered or modified.
31 A plan is available if the plan is accessible and the
32 cost of the plan is reasonable.

33 a. The cost of a health benefit plan is considered
34 reasonable, and such amount shall be stated in the
35 order, if one of the following applies:

36 (1) The premium cost for a child to the parent
37 ordered to provide the plan does not exceed five
38 percent of that parent's gross income.

39 (2) The premium cost for a child exceeds five
40 percent of the gross income of the parent ordered to
41 provide the plan and that parent consents or does not
42 object to entry of that order.

43 b. For purposes of this section, "gross income"
44 has the same meaning as gross income for calculation
45 of support under the guidelines established under
46 section 598.21B.

47 c. For purposes of this section, the premium cost
48 for a child to the parent ordered to provide the plan
49 means the amount of the premium cost for family
50 coverage to the parent which is in excess of the

Page 24

1 premium cost for single coverage, regardless of the
2 number of individuals covered under the plan.
3 However, this paragraph shall not be interpreted to
4 reduce the amount of the health insurance premium
5 deduction a parent may be entitled to when calculating
6 the amount of a child support obligation under Iowa
7 court rule 9.5 of the child support guidelines.

8 3. If a health benefit plan is not available at
9 the time of the entry of the order, the court shall
10 order a reasonable monetary amount in lieu of a health
11 benefit plan, which amount shall be stated in the
12 order. For purposes of this subsection, a reasonable
13 amount means five percent of the gross income of the
14 parent ordered to provide the monetary amount for
15 medical support. This subsection shall not apply in
16 any of the following circumstances:

17 a. If the parent's monthly support obligation
18 established pursuant to the child support guidelines
19 prescribed by the supreme court pursuant to section
20 598.21B is the minimum obligation amount.

21 b. If subsection 7, paragraph "e" applies.

22 4. If the court orders the custodial parent to
23 provide a health benefit plan under subsection 2, the
24 court may also order the noncustodial parent to
25 provide a reasonable monetary amount in lieu of a
26 health benefit plan. For purposes of this subsection,
27 a reasonable monetary amount means an amount not to
28 exceed the lesser of a reasonable amount as described
29 in subsection 3, or the premium cost of coverage for
30 the child to the custodial parent as described in
31 subsection 2, paragraph "c".

32 5. Notwithstanding the requirements of this
33 section, the court may order provisions in the
34 alternative to those provided in this section to
35 address the health care needs of the child if the
36 court determines that extreme circumstances so require
37 and documents the court's written findings in the
38 order.

39 6. An order, decree, or judgment entered before
40 March 1, 2008, that provides for the support of a
41 child may be modified in accordance with this section.

42 7. If the child support recovery unit is providing
43 services under chapter 252B and initiating an action
44 to establish or modify support, all the following
45 shall also apply:

46 a. If a health benefit plan is available as
47 described in subsection 2 to the noncustodial parent,
48 the unit shall seek an order for the noncustodial
49 parent to provide the plan.

50 b. If a health benefit plan is available as

Page 25

1 described in subsection 2 to the custodial parent and
2 not to the noncustodial parent, the unit shall seek an
3 order for the custodial parent to provide the plan.

4 c. If a health benefit plan is available as
5 described in subsection 2 to each parent, and if there
6 is an order for joint physical care, the unit shall
7 seek an order for the parent currently ordered to
8 provide a health benefit plan to provide the plan. If
9 there is no current order for a health benefit plan
10 for the child, the unit shall seek an order for the
11 parent who is currently providing a health benefit
12 plan to provide the plan.

13 d. If a health benefit plan is not available, and
14 the noncustodial parent does not have income which may
15 be subject to income withholding for collection of a
16 reasonable monetary amount in lieu of a health benefit
17 plan at the time of the entry of the order, the unit
18 shall seek an order that the noncustodial parent
19 provide a health benefit plan when a plan becomes
20 available at reasonable cost, and the order shall
21 specify the amount of reasonable cost as defined in
22 subsection 2.

23 e. This section shall not apply to chapter 252H,
24 subchapter IV.

25 Sec. ____ NEW SECTION. 252E.2A SATISFACTION OF
26 MEDICAL SUPPORT ORDER.

27 This section shall apply if the child support
28 recovery unit is providing services under chapter
29 252B.

30 1. Notwithstanding any law to the contrary and
31 without a court order, a medical support order for a
32 child shall be deemed satisfied with regard to the
33 department, the child, the obligor, and the obligee
34 for the period during which all the following
35 conditions are met:

36 a. The order is issued under any applicable
37 chapter of the Code.

38 b. The unit is notified that the conditions of
39 paragraph "c" are met and there is a pending action to
40 establish or modify support initiated by the unit, or
41 the parent ordered to provide medical support submits
42 a written statement to the unit that the requirements
43 of paragraph "c" are met.

44 c. The parent ordered to provide medical support
45 or the parent from whom the unit is seeking to
46 establish or modify medical support meets at least one
47 of the following conditions:

48 (1) The parent is an inmate of an institution
49 under the control of the department of corrections or
50 a comparable institution in another state.

Page 26

1 (2) The parent's monthly child support obligation
2 under the guidelines established pursuant to section

6 another state.

7 (4) The parent is residing with any child for whom
8 the parent is legally responsible and that child is a
9 recipient of assistance under chapter 239B, 249A, or
10 514I, or under comparable laws of another state. For
11 purposes of this subparagraph, "legally responsible"
12 means the parent has a legal obligation to the child
13 as specified in Iowa court rule 9.7 of the child
14 support guidelines.

15 d. The unit files a notice of satisfaction with
16 the clerk of the district court. The effective date
17 of the satisfaction shall be stated in the notice and
18 the effective date shall be no later than forty-five
19 days after the unit issues the notice of satisfaction.

20 2. If a medical support order is satisfied under
21 subsection 1, the satisfaction shall continue until
22 all of the following apply:

23 a. The unit is notified that none of the
24 conditions specified in subsection 1, paragraph "c",
25 still applies.

26 b. The unit files a satisfaction termination
27 notice that the requirements for a satisfaction under
28 this section no longer apply. The effective date
29 shall be stated in the satisfaction termination notice
30 and the effective date shall be no later than
31 forty-five days after the unit issues the satisfaction
32 termination notice.

33 3. The unit shall mail a copy of the notice of
34 satisfaction and the satisfaction termination notice
35 to the last known address of the obligor and obligee.

36 4. The department of human services may match data
37 for enrollees of the hawk-i program created pursuant
38 to chapter 514I with data of the unit to assist the
39 unit in implementing this section.

40 5. An order, decree, or judgment entered or
41 pending on or before March 1, 2008, that provides for
42 the support of a child may be satisfied as provided in
43 this section.

44 Sec. ____ Section 252E.4, subsection 1, Code 2007,
45 is amended to read as follows:

46 1. When a support order requires an obligor to
47 provide coverage under a health benefit plan, the
48 district court or the department may enter an ex parte
49 order directing an employer to take all actions
50 necessary to enroll an obligor's dependent for

Page 27

1 coverage under a health benefit plan or may include
2 the provisions in an ex parte income withholding order
3 or notice of income withholding pursuant to chapter
4 252D. The child support recovery unit, where
5 appropriate, shall issue a national medical support
6 notice to an employer within two business days after
7 the date information regarding a newly hired employee
8 is entered into the centralized employee registry and

15 if necessary to comply with health insurance
16 requirements including but not limited to the
17 provisions of section 252E.2, subsection 2, or to

26 specified in 15 U.S.C. § 1673(b) and which is
27 consistent with federal law. The employer shall
28 forward the amount withheld to the insurer. If the
29 employee has more than one obligation and if there is
30 insufficient compensation available to meet the
31 employee's share necessary for coverage of the child
32 under a health benefit plan as required under this
33 section or section 252D.30, and to comply with an
34 order to withhold or notice under section 252D.17, the

 34 child may petition the court for grandchild or
 35 great-grandchild visitation.
 36 2. The court shall consider a fit parent's
 37 objections to granting visitation under this section.
 38 A rebuttable presumption arises that a fit parent's
 39 decision to deny visitation to a grandparent or
 40 great-grandparent is in the best interest of a minor
 41 child.
 42 3. The court may grant visitation to the
 43 grandparent or great-grandparent if the court finds
 44 all of the following by clear and convincing evidence:
 45 a. The grandparent or great-grandparent has

5 the district court or the juvenile court if that court
6 currently has jurisdiction over the child in a pending
7 action. If an action is not pending, the district
8 court has jurisdiction.

9 5. Notwithstanding any provision of this chapter
10 to the contrary, venue for any action to establish,
11 enforce, or modify visitation under this section shall
12 be in the county where either parent resides if no
13 final custody order determination relating to the
14 grandchild or great-grandchild has been entered by any
15 other court. If a final custody order has been
16 entered by any other court, venue shall be located
17 exclusively in the county where the most recent final
18 custody order was entered. If any other custodial
19 proceeding is pending when an action to establish,
20 enforce, or modify visitation under this section is
21 filed, venue shall be located exclusively in the
22 county where the pending custodial proceeding was
23 filed.

24 6. Notice of any proceeding to establish, enforce,
25 or modify visitation under this section shall be
26 personally served upon all parents of a child whose
27 interests are affected by a proceeding brought
28 pursuant to this section and all grandparents or
29 great-grandparents who have previously obtained a
30 final order or commenced a proceeding under this
31 section.

32 7. The court shall not enter any temporary order
33 to establish, enforce, or modify visitation under this
34 section.

35 8. An action brought under this section is subject
36 to chapter 598B, and in an action brought to
37 establish, enforce, or modify visitation under this
38 section, each party shall submit in its first pleading
39 or in an attached affidavit all information required
40 by section 598B.209.

41 9. In any action brought to establish, enforce, or
42 modify visitation under this section, the court may
43 award attorney fees to the prevailing party in an
44 amount deemed reasonable by the court.

45 10. If a proceeding to establish or enforce
46 visitation under this section is commenced when a
47 dissolution of marriage proceeding is pending
48 concerning the parents of the affected minor child,
49 the record and evidence of the dissolution action
50 shall remain impounded pursuant to section 598.26.

Page 46

1 The impounded information shall not be released or
2 otherwise made available to any person who is not the
3 petitioner or respondent or an attorney of record in
4 the dissolution of marriage proceeding.

5 Sec. ____ Section 600.11, subsection 2, paragraph
6 e, Code 2007, is amended to read as follows:

7 e. A person who has been granted visitation rights
8 with the child to be adopted pursuant to section
9 ~~598.35~~ 600C.1.

10 Sec. ____ Section 598.35, Code 2007, is repealed."

DISSENT ON SENATE FILE 580

Mr. Speaker:

Article III Section 10 of the Constitution of the State of Iowa provides:

Protest - record of vote - Every member of the general assembly shall have the liberty to dissent from, or protest against any act or resolution which he may think injurious to the public, or an individual, and have the reasons for his dissent entered on the journals; and the yeas and nays of the members of either house, on any question, shall, at the desire of any two members present, be entered on the journals.

I have here a written statement explaining the reasons for my dissent on Senate File 580 to be placed into the journal as provided by Article III Section 10.

On 25 January 2007, the Iowa House passed Senate Concurrent Resolution 3 establishing the joint rules for the 82nd General Assembly. Joint rule 20.3 states that in the 14th week no House files may be debated in the House and no Senate files may be debated in the Senate. The Iowa Senate considered and passed Senate File 580 on 9 April 2007 in clear violation of joint rules. I believe that Senate File 580 is not properly before the House and is not eligible for debate.

The joint rules were adopted for the protection of both the Minority and Majority party members, as well as the citizens of Iowa. The integrity of each member of the Iowa House is weakened by this body's failure to abide by, and enforce its own rules.

Representative Christopher Rants

The Speaker ruled the point not well taken and Senate File 580 in order.

Van Fossen of Scott offered amendment H-1931 filed by him as follows:

H-1931

 29 further time to file a return is made, there shall be

 31 a penalty of ~~ten~~ twenty percent of the tax due.

32 6. IMPROPER RECEIPT OF REFUND OR CREDIT. A person
 33 who makes an erroneous application for refund shall be

When the obligor ~~is responsible for paying~~ has more than one support obligation ~~and or~~ the payor of income has received more than one ~~income withholding~~ order or notice of an order for the obligor for income withholding or for coverage under a health benefit plan pursuant to chapter 252E, the payor shall withhold amounts in accordance with all of the following:

1. The total of all amounts withheld shall not exceed the amounts specified in 15 U.S.C. §1673(b). For orders or notices issued by the child support recovery unit, the limit for the amount to be withheld shall be specified in the order or notice.

2. As reimbursement for the payor's processing costs, the payor may deduct a fee of no more than two dollars for each payment withheld in addition to the amount withheld for support.

3. Priority shall be given to the withholding of current support ~~rather than delinquent support~~. The payor shall not allocate amounts withheld in a manner which results in the failure to withhold an amount for one or more of the current child or spousal support obligations. If the limits specified in subsection 1 prevent withholding the full amount specified in the order or notice, the payor shall withhold amounts in the following priority:

a. Withhold the amount specified for current child and spousal support. To arrive at the amount to be withheld for each obligee, the payor shall total the amounts due for current child and spousal support under the income withholding orders and the notices of orders and determine the proportionate share for each obligee. The proportionate share shall be determined by dividing the amount due for current child and spousal support for each order or notice of order by the total due for current child and spousal support for all orders and notices of orders. The results are the percentages of the obligor's net income which shall be withheld for each obligee.

b. If, after completing the calculation in paragraph "a", the withholding limit specified under subsection 1 has not been attained, the payor shall withhold the amount necessary to comply with an order or notice of order for a current premium for coverage of a child under a health benefit plan as provided in section 252D.30 or section 252E.1A, subsection 2, or for a current monetary amount for the child for medical support. If there is more than one medical support order or notice of order for

a current monetary amount for a child, the payor shall total the amounts due for current monetary amounts for all children for medical support and determine the proportionate share for each obligee. The proportionate amounts shall be established utilizing the procedures established in paragraph "a" for current child and spousal support obligations.

b. c. If, after completing the calculation calculations in paragraph paragraphs "a" and "b", the withholding limit specified under subsection 1 has not been attained, the payor shall total the amounts due for arrearages and determine the proportionate share for each obligee. The proportionate share amounts shall be established utilizing the procedures established in paragraph "a" for current child and spousal support obligations.

d. If after completing the calculations in paragraphs "a", "b", and "c", the withholding limit specified in subsection 1 has not been attained, the payor shall withhold the amount necessary for other child support obligations, unless the order or notice directs otherwise as provided by Title IV, part D, of the federal Social Security Act.

4. The payor shall identify and report payments by the obligor's name, account number, amount, and date withheld pursuant to section 252D.17. ~~Until October 1, 1999, if payments for multiple obligees are combined, the portion of the payment attributable to each obligee shall be specifically identified. Beginning October 1, 1999, if~~ If payments for multiple obligees are combined, the portion of the payment attributable to each obligee shall be specifically identified only if the payor is directed to do so by the child support recovery unit.

Sec. _____. Section 252E.1, subsection 9, Code 2007, is amended to read as follows:

9. "Medical support" means either the provision of a health benefit plan, including a group or employment-related or an individual health benefit plan, or a health benefit plan provided pursuant to chapter 514E, to meet the medical needs of a dependent and the cost of any premium required by a health benefit plan, or the payment to the obligee of a monetary amount in lieu of a health benefit plan, either of which is an obligation separate from any monetary amount of child support ordered to be paid. Medical support is not alimony. "Medical support" which consists of payment of a monetary amount in lieu of a health benefit plan is also an obligation separate from any monetary amount a parent is ordered to pay for uncovered medical expenses pursuant to the guidelines established pursuant to section 598.21B.

Sec. _____. NEW SECTION. 252E.1A ESTABLISHING AND MODIFYING ORDERS FOR MEDICAL SUPPORT.

This section shall apply to all initial or modified orders for support entered under chapter 234, 252A, 252C, 252F, 252H, 598, 600B, or any other applicable chapter.

1. An order or judgment that provides for temporary or permanent support for a child shall include a provision for medical support for the child as provided in this section.

2. The court shall order as medical support for the child a health benefit plan if available to either parent at the time the order is entered or modified. A plan is available if the plan is accessible and the cost of the plan is reasonable.

a. The cost of a health benefit plan is considered reasonable, and such amount shall be stated in the order, if one of the following applies:

(1) The premium cost for a child to the parent ordered to provide the plan does not exceed five percent of that parent's gross income.

(2) The premium cost for a child exceeds five percent of the gross income of the parent ordered to provide the plan and that parent consents or does not object to entry of that order.

b. For purposes of this section, "gross income" has the same meaning as gross income for calculation of support under the guidelines established under section 598.21B.

c. For purposes of this section, the premium cost for a child to the parent ordered to provide the plan means the amount of the premium cost for family coverage to the parent which is in excess of the premium cost for single coverage, regardless of the number of individuals covered under the plan. However, this paragraph shall not be interpreted to reduce the amount of the health insurance premium deduction a parent may be entitled to when calculating the amount of a child support obligation under Iowa court rule 9.5 of the child support guidelines.

3. If a health benefit plan is not available at the time of the entry of the order, the court shall order a reasonable monetary amount in lieu of a health benefit plan, which amount shall be stated in the order. For purposes of this subsection, a reasonable amount means five percent of the gross income of the parent ordered to provide the monetary amount for medical support. This subsection shall not apply in any of the following circumstances:

a. If the parent's monthly support obligation established pursuant to the child support guidelines prescribed by the supreme court pursuant to section 598.21B is the minimum obligation amount.

b. If subsection 7, paragraph "e" applies.

4. If the court orders the custodial parent to provide a health benefit plan under subsection 2, the court may also order the noncustodial parent to provide a reasonable monetary amount in lieu of a health benefit plan. For purposes of this subsection, a reasonable monetary amount means an amount not to exceed the lesser of a reasonable amount as described in subsection 3, or the premium cost of coverage for the child to the custodial parent as described in subsection 2, paragraph "c".

5. Notwithstanding the requirements of this section, the court may order provisions in the alternative to those provided in this section to address the health care needs of the child if the court determines that extreme circumstances so require and documents the court's written findings in the order.

6. An order, decree, or judgment entered before March 1, 2008, that provides for the support of a child may be modified in accordance with this section.

7. If the child support recovery unit is providing services under chapter 252B and initiating an action to establish or modify support, all the following shall also apply:

a. If a health benefit plan is available as described in subsection 2 to the noncustodial parent, the unit shall seek an order for the noncustodial parent to provide the plan.

b. If a health benefit plan is available as described in subsection 2 to the custodial parent and not to the noncustodial parent, the unit shall seek an order for the custodial parent to provide the plan.

c. If a health benefit plan is available as described in subsection 2 to each parent, and if there is an order for joint physical care, the unit shall seek an order for the parent currently ordered to provide a health benefit plan to provide the plan. If there is no current order for a health benefit plan for the child, the unit shall seek an order for the parent who is currently providing a health benefit plan to provide the plan.

d. If a health benefit plan is not available, and the noncustodial parent does not have income which may be subject to income withholding for collection of a reasonable monetary amount in lieu of a health benefit plan at the time of the entry of the order, the unit shall seek an order that the noncustodial parent provide a health benefit plan when a plan becomes available at reasonable cost, and the order shall specify the amount of reasonable cost as defined in subsection 2.

e. This section shall not apply to chapter 252H, subchapter IV.

Sec. ____ NEW SECTION. 252E.2A SATISFACTION OF MEDICAL SUPPORT ORDER.

This section shall apply if the child support recovery unit is providing services under chapter 252B.

1. Notwithstanding any law to the contrary and without a court order, a medical support order for a child shall be deemed satisfied with regard to the department, the child, the obligor, and the obligee for the period during which all the following conditions are met:

a. The order is issued under any applicable chapter of the Code.

DIVISION ____
GRANDPARENT AND GREAT-GRANDPARENT VISITATION

Sec. _____. NEW SECTION. 600C.1 GRANDPARENT AND GREAT-GRANDPARENT VISITATION.

1. The grandparent or great-grandparent of a minor child may petition the court for grandchild or great-grandchild visitation.

2. The court shall consider a fit parent's objections to granting visitation under this section. A rebuttable presumption arises that a fit parent's decision to deny visitation to a grandparent or great-grandparent is in the best interest of a minor child.

3. The court may grant visitation to the grandparent or great-grandparent if the court finds all of the following by clear and convincing evidence:

a. The grandparent or great-grandparent has established a substantial relationship with the child prior to the filing of the petition.

b. The parent who is being asked to temporarily relinquish care, custody, and control of the child to provide visitation is unfit to make the decision regarding visitation.

c. It is in the best interest of the child to grant such visitation.

4. For the purposes of this section, "court" means the district court or the juvenile court if that court currently has jurisdiction over the child in a pending action. If an action is not pending, the district court has jurisdiction.

5. Notwithstanding any provision of this chapter to the contrary, venue for any action to establish, enforce, or modify visitation under this section shall be in the county where either parent resides if no final custody order determination relating to the grandchild or great-grandchild has been entered by any other court. If a final custody order has been entered by any other court, venue shall be located exclusively in the county where the most recent final custody order was entered. If any other custodial proceeding is pending when an action to establish, enforce, or modify visitation under this section is filed, venue shall be located exclusively in the county where the pending custodial proceeding was filed.

6. Notice of any proceeding to establish, enforce, or modify visitation under this section shall be personally served upon all parents of a child whose interests are affected by a proceeding brought pursuant to this section and all grandparents or great-grandparents who have previously obtained a final order or commenced a proceeding under this section.

7. The court shall not enter any temporary order to establish, enforce, or modify visitation under this section.

8. An action brought under this section is subject to chapter 598B, and in an action brought to establish, enforce, or modify visitation under this section, each party shall submit in its first pleading or in an attached affidavit all information required by section 598B.209.

9. In any action brought to establish, enforce, or modify visitation under this section, the court may award attorney fees to the prevailing party in an amount deemed reasonable by the court.

10. If a proceeding to establish or enforce visitation under this section is commenced when a dissolution of marriage proceeding is pending concerning the parents of the affected minor child, the record and evidence of the dissolution action shall remain impounded pursuant to section 598.26. The impounded information shall not be released or otherwise made available to any person who is not the petitioner or respondent or an attorney of record in the dissolution of marriage proceeding. Access to the impounded information by the attorney of record for the grandparent or great-grandparent shall be limited to only that information relevant to the grandparent's or great-grandparent's request for visitation.

Sec. _____. Section 600.11, subsection 2, paragraph e, Code 2007, is amended to read as follows:

e. A person who has been granted visitation rights with the child to be adopted pursuant to section ~~598.35~~ 600C.1.

GOVERNOR'S ITEM VETO MESSAGE

A copy of the following communication was received and placed on file:

April 26, 2007

The Honorable John P. Kibbie
President of the Senate
State Capitol
L O C A L

Dear President Kibbie:

I hereby transmit Senate File 277, an Act relating to the state's educational standards regarding teacher librarians and qualified guidance counselors, and to teacher and administrator quality, including the student achievement and teacher quality program and an administrator quality program, making appropriations, and providing an effective date.

I am unable to approve the designated portion of Section 49, paragraph 3. The designated portion of this paragraph requires that the state board of education shall adopt rules requiring implementation of the successful components of the pilots by

school districts statewide upon completion of the career ladder planning and implementation pilots, subject to the sufficiency of funds. I am unable to approve this designated portion because I do not believe these pilot projects should automatically be mandated statewide.

The bill calls for 10 pilot projects, which I support. Eight of these projects are centered on implementing the last two parts of the career ladder system. We have already put the first two parts of this ladder into place and need to take a close look at whether implementing the rest of this system will result in improved student achievement and will help to recruit and retain the best and brightest teachers. The other two projects are to test pay-for-performance compensation methods. While I generally do not agree that pay-for-performance is the right method to improve our education system, I think it is important to test this out at the local level before we make a final decision.

While I support these pilot projects, I do not support that they be mandated statewide at the end of them. The goal of the projects is to allow us to better assess whether these methods are the right ones for this state to improve education for our students. Another goal of the projects is to allow us to assess whether these methods will attract more people to the teaching profession and make sure they want to work in Iowa. We cannot make that determination now, prior to beginning the projects, and it would be irresponsible to mandate that as a part of this bill. I look forward to working with the Legislature and other education partners throughout the state to take a close look at the models developed in these projects and make a determination about statewide implementation upon their completion.

For the above reasons, I respectfully disapprove these items in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in Senate File 277 are hereby approved as of this date.

Sincerely,
Chester J. Culver
Governor

MICHAEL E. MARSHALL, Secretary

REMARKS BY MINORITY LEADER RANTS

Minority Leader Rants offered the following remarks:

Thank you Mr. Speaker: Good evening Ladies and Gentlemen of the House.

This session has been a learning experience for me. Each day has taught me something new. Some lessons were more pleasant than others.

For instance, I learned who my real friends are – and I was neither disappointed nor surprised.

I learned that when in doubt, file an amendment – you can always withdraw later.

I learned that there are two sets of rules and you better know which ones you are using – Representative Paulsen says you can play Spades and bid zero – Representative Struyk says you have to take a minimum bid of three. No matter which set of rules is used, I might take a trick or two, but I never win the game. And that's ok. Doesn't matter if I go set or double set, I'm going to keep bidding and looking for a way drop a trump card.

I learned, that the House Republican caucus staff continues to exceed my expectations. You really have. Jeff, Bruce, Mary, Kelly, Lon, Brad, Ann, Kristin and Lew – you manage to stay half a step ahead of me, and make my job, and those of our caucus so much easier.

I learned that some of the most un-assuming people have more resolve and courage than I ever would have imagined.

I've learned to lean on a whole new set of friends; and want to thank Kraig, Doug, Linda, Rod and Jeff for your excellent work in guiding our caucus this year. I'm so proud of the way House Republicans conducted themselves this year. Many people thought after last falls elections that Republicans would just go away. Not true. We took principled positions – to do the things necessary to grow our economy, improve the quality of our schools, and protect Iowa's taxpayers – and we fought tirelessly for those things we believe in.

I've learned to lower my expectations. Mr. Speaker, one hundred and eleven days ago you said quote "we must find a way to reduce property taxes on Iowa businesses without shifting the burden onto homeowners and farmers." I fully expected that something would be accomplished this year – even if it was just the first step on a long road. Instead, nothing was even attempted, let alone accomplished. Taxpayers will not be satisfied. Republicans have offered suggestions and proposals all session long. We will continue to work over the interim with anyone who is serious about reducing Iowa's property tax burden.

I've learned that I am the most fortunate leader in the General Assembly – I am surrounded with great people. Liz – my page who has already left for her senior prom; Josie, the newest member of my team, and of course Allison, who has been sticking with me and keeping me straight for years now. I can't tell you how thankful I am for your help and service.

I've learned that my job is to ensure there is sunshine on the legislative process, to make sure the public knows what we are doing. I know that at times the majority party has not enjoyed my method of ensuring that sunshine, or providing that information to the body. But whether it be your party or my party – none of us should be afraid of letting the public know what we is going on because what we do can have a profound impact on the people of this state.

Thomas Jefferson described democracy as nothing more than mob rule, where fifty one percent of the people may take away the rights of the other forty-nine. That is an awesome power – and the forty nine percent – or in this case the forty-six – deserve to know what is being done to them and the majority should know precisely what they are doing.

Lastly, I've learned that not only should you file the amendment, but you should never withdraw it.

Ladies and gentlemen, enjoy your interim. We will have plenty of work to do next year.

REMARKS BY MAJORITY LEADER MCCARTHY

Majority Leader McCarthy offered the following remarks:

Mr. Speaker, ladies and gentlemen of the house, good morning as we pass midnight. I'll be very brief, because I know everyone is tired and it's been a long year and we want to get home. Let me first thank our democratic caucus staff for the fantastic work that they do. So often it seems we end up relying on the other party's caucus staff memos and sharing those as we work in the committee process. The two together help the policy product that we are able to do. We both have excellent caucus staffs and I want to thank ours from the bottom of my heart. The chief clerk and his staff have been fantastic, as we've learned that new role and my staff and the speaker's staff for all of the long nights.

The purpose of my speech is to judge the success of the legislative session from the majority party's perspective. I think there have been some successes and I think there have been some failures, to be frank with you. I guess, to be reasonable, to judge a session effectively from my perspective, you have to judge it based upon what you campaigned on and what you said you were going to do. The Democrats had a plan, some people liked it, some people didn't. We said we would increase the minimum wage. We said we would allow small businesses to share their work force, pooling, to help lower the future health care costs that they would be effected by. We said we would expand voluntary access to early childhood education. We said we would try to limit what has been a trend in the explosion of tuition in our universities and colleges. We said we would try to work on, as we make the transition from what has been largely an agricultural economy to a renewable economy, that we would try to focus on how to make Iowa the energy capital of the world, creating high quality jobs and a cleaner environment. We have done that by creating the power fund. We have done that and much more. All in all, we put out 16 points that we wanted to accomplish. We accomplished 15 of them. That's not too bad.

Commercial property taxes remains, as it has been the last several years, a vexing problem made more complicated by late in the session disagreements, but we are passing a study. Let us hope that, as has occurred in the past years, this study does not lead to more studies. We have to roll up our sleeves and try to get something done. We are going to have to deal with the larger issue of the formula.

Let me talk briefly about the tone. This I believe would be one of the failures of this session. We've had successes. I think both the majority and minority parties have to look inward to increase the tone, the civility, and how we treat each other. I've been fortunate, I think, this year to develop a good relationship with a number of folk on the other side of the aisle that I didn't know very well before.

I think we always have to take a step back. We're not as important as the rhetoric we spew out. An example of the good, bi-partisan work that I think we can be proud of is the Iowa Power Fund. Ten years or twenty years from now, some of the major pieces of legislation that folks are going to look back on are the Iowa Values Fund and the

Iowa Power Fund. Representative Hoffman is a member of the minority party. Rep. Hoffman's name will be used as it relates to the values fund and the power fund. Someone will say he was a member of the majority party with one and the minority party on the other, but they won't know the difference because of bi-partisanship.

So with that, it's getting late. I think we've had a good session. We've got a lot of work to do next year, and have a great interim. Thank you.

REMARKS BY SPEAKER MURPHY

Speaker Murphy offered the following remarks:

Ladies and gentlemen of the House, the first thing I'd like to do is thank my wife. Without her, and my kids, the opportunity to do this, and the green light to do it 18 years ago, wouldn't have occurred. So I want to thank them first for what they've done for me.

The second part I would like to do is thank every member of this body. You've made me the Speaker of the House. It's been an honor and privilege to do this for the last four months.

I want to thank my caucus for electing me as a leader. I questioned your judgment at times because of that, but I do appreciate that you've given me that opportunity.

I also want to thank the staff in the back – Carolyn, Dean, Ed – for the job they've done for me. They made sure that bills got to the right committees, that I got to the right places at the right time, and handled my schedule. The job is more than I expected when I took it in January, even though I thought I knew what I was getting into. Without the three of them, I wouldn't have had the success I have this year.

I also want to thank Abby – Abby Finkenauer, my page. She was in our Dubuque paper dubbed the "most powerful teenager in Iowa." And she'll continue to have that power for about another 24 hours.

I also want to thank the caucus staff, who's done a very good job over the years for me and for the caucus. It doesn't matter if it's Democrat or Republican caucus staff, the bottom line is they make us look successful, make us look intelligent, and do a good job of handling the details for all of us.

I also want to thank the people in the row in front of me – the Chief Clerk's office and their staff. Mark, you've been great to me over the years and you've done a great job this year. I really want to thank you for the work you've done here in the row in front of us.

The other group that sometimes gets overlooked is the LSA staff. They do a great job of making sure bills get drafted. They make sure the fiscal notes get done. And I think sometimes people don't understand the pressures that get put on them. Sometimes you have Democrats that think the fiscal note is too high, and you have Republicans on that same fiscal note that think the fiscal note is too low. They do a very good job of doing it in a non-partisan way. I think they do an excellent job, and we owe them a great amount of gratitude.

The last group I'd like to thank is the assistant leaders: Mike, Polly, John, Helen, and Lisa as well as Majority Leader McCarthy. I appreciate the work that you've done behind the scenes this year to make things successful. Quite frankly, when you hear the names Murphy and McCarthy and if you heard they're running something, you'd think they run a successful pub or tap and not the Iowa House. I appreciate the work and the help you've given me this year as well.

Now, when I sat here on Jan. 8, Democrats talked about our Plan for Prosperity. We talked about putting a re-focus on education, and I think we've accomplished that this year. Rep. Mary Mascher ran a bill that will be looked at years from now where this state became the first state to make early childhood education accessible for every four-year-old. That's very important because it goes to show that we are focusing on children and we are focusing on families.

I think another piece that's very important is our educators. We wanted to put a value on them. Our kids perform great in the state and we've made sure that teachers are rewarded for their hard work. We also focused on higher education as well, trying to make sure the rising cost of tuition at a Regents University wasn't rising at an astronomical rate that would deny the opportunity for higher education for people that may not be able to afford it. So I feel pretty good about what we've done in the area of education. We met every piece of the Plan for Prosperity in the state.

Turning to "Iowa: The Green State," we worked to make Iowa a world leader in renewable fuels. The Power Fund that we passed -- I'm afraid to mention all the names for the power fund because we had probably eight or 10 people in our caucus that worked very hard on that all through the session -- was a very bipartisan effort with some legislators from the other side of the aisle working very hard with our people to get something that everybody could embrace for the future.

When you think for a moment that we have an empty desk sitting next to McKinley Bailey for Ray Zirkelbach, who is currently serving in Iraq, and of our dependency on foreign oil -- this state needs to lead the country in renewable fuels. This state has the answers for what we're going to do in the

future. And now we have every other state copying what Iowa does because they realize the best way to make this country strong is by using our natural resources to make us less dependent on foreign oil. Hopefully, next year, Rep. Zirkelbach will be sitting here with us and we will be able to depend more on our corn crops than on fossil fuels from abroad.

The last piece that we talked about is rewarding hard work. We raised the minimum wage and focused on businesses in regard to health insurance, allowing the group pooling. But I think the other part we need to focus on is property taxes. We're going to look at that through an interim committee so that we can complete that 16th point on our plan.

I would also like to talk briefly tonight about some of the other things we did that are not part of the Plan for Prosperity, but that makes us a better Iowa. We focused on safe schools so every child has a safe learning environment and teachers have the tools they need to enforce discipline in the classroom. We also ended up at \$15.5 million for REAP, getting closer to its full level of \$20 million, to improve our environment.

I know that we had a very long and hard debate on stem cell research. But I really do believe that this state could be the leader some day in finding cures for cancer, diabetes, and other illnesses. I was proud of the respectful, good debate that night. Some day when we all get old or sick or ill, I'm optimistic the new innovations at the University of Iowa will give us new hope.

We also did some expansions in healthcare, and continued to do what we could to make Iowa a better state by passing the civil rights law.

We didn't accomplish everything this year, but I think we made a lot of great steps and a lot of great strides in different areas.

But our time is done, and it's time for us to spend time back in our districts, spend time with our families. Again, I thank you for the opportunity to have served you as Speaker. I look forward to seeing you all here in the future, and wish you the best during the summer and the fall.

Thank you.

 17 be kept in the tally list rather than on the machine.
 18 When two or more political subdivisions in the county
 19 are holding separate elections simultaneously, the
 20 commissioner may arrange the machine so that the
 21 absentee and provisional ballots for more than one
 22 election may be recorded on the same machine.

42 casting the ballot shall be notified by a precinct
43 election official by the time the canvass is completed
44 of the reason for the rejection on a form prescribed
45 by the state commissioner of elections.

7 When it shall be made to appear by due proof to the

15 Sec.____. Section 53.38, Code 2007, is amended to
16 read as follows:

17 53.38 WHAT CONSTITUTES REGISTRATION.

21 ~~ballot~~ affidavit envelope of such voter, if the voter
22 is found to be an eligible elector of the county to
23 which the ballot is submitted, shall constitute a
24 sufficient registration under chapter 48A. A
25 completed federal postcard registration and federal
26 absentee ballot request form submitted by such
27 eligible elector shall also constitute a sufficient
28 registration under chapter 48A. The commissioner
29 shall place the voter's name on the registration
30 record as a registered voter if it does not already
31 appear there.

32 Sec.____. Section 53.40, unnumbered paragraph 5,
33 Code 2007, is amended to read as follows:

Dear Mr. Secretary:

House File 783 is a bill written to make a number of changes to Iowa Code section 384.84 that this Administration fully supports. For example, if enacted into law, the bill would clarify the status of potential liens on real property arising from unpaid bills and charges assessed for providing non-electric city services for residential properties.

However, the bill creates a new subsection 384.84(2)(e), which, if enacted, would allow the governing body of a city utility, combined utility system, city enterprise, or combined city enterprise to impose a new deposit fee upon residential rental tenants up to the usual cost of ninety days of sanitary sewer, storm water drainage, sewage treatment, solid waste collection and / or solid waste services. The bill makes no instruction as to what party—the service provider who has received the deposit, or the residential rental tenant who has paid the deposit—is entitled to keep the interest accruing on the deposited amount.

The Culver-Judge Administration is committed to what we have called “One Iowa.” By that, we mean that our laws and policies shall be inclusive and shall not bar any citizens who are willing to work hard and play by the rules from our most basic services or opportunities. A special concern of ours is that government not act to impose or to increase economic burdens upon, or barriers before, our lower income citizens, a disproportionate share of whom comprise the residential rental community.

Persons seeking to rent apartments in Iowa already face a number of potential economic challenges unique to rental property. Rental real estate is subject to nearly twice the burden of real estate taxes than are owner-occupied residential properties. The Iowa Uniform Residential Landlord and Tenant Law, Iowa Code section 562A.12, allows a landlord to demand as a security deposit an amount or value of up to two months' rent. Already, under Iowa Code section 384.84(3)(d), a city utility or enterprise may require a deposit not exceeding the usual cost of ninety days of water service to be paid to the utility or enterprise. This bill, if enacted into law, would increase that potential burden upon at least some citizens seeking the shelter of a rented residential housing. A citizen unable to come up with a ninety-day deposit can be denied completely access to these essential services.

The concern felt by this Administration as to the potential adverse and regressive effects that this well-intended legislation could have on an undeniably vulnerable segment of our citizens outweighs the significant merits that this bill would otherwise clearly offer. Insofar as this is not an appropriation bill, Iowa law does not permit the

Governor to item veto only those provisions with which the Administration takes exception.

Therefore, because I am convinced that House File 783, an Act relating to certain city utilities or city enterprises by making changes to procedures for notice and collection of delinquent charges and by making changes to billing notifications for water service and other services provided to certain residential rental property, could potentially burden citizens and / or deprive them of access to essential municipal services, I hereby disapprove and transmit to you that bill, without my signature, in accordance with Article III, Section 16, of the Constitution of the State of Iowa.

Sincerely,
Chester J. Culver
Governor

Dear Mr. Secretary:

I hereby transmit Senate File 403, an Act addressing financial and regulatory matters by making and revising appropriations, providing for properly related matters, and providing effective dates.

Senate File 403 is approved on this date, with the exceptions noted below, which I hereby disapprove.

I am unable to approve the item designated as Section 26 in its entirety, which provides a standing limited General Fund appropriation of \$160,000 to fund the operational expenses of the Real Estate Education Program at the University of Northern Iowa. Funding the day-to-day expenses of this program with a standing appropriation effectively removes this function from annual oversight by the Governor, the Board of Regents and the Legislature. I recommend that the Board of Regents or the presidents of the Iowa community colleges provide funding for this program from the General Fund appropriations for their operating budgets if the Real Estate Education Fund is insufficient to cover the expansion of this program contained in other sections of Division VII of Senate File 403 and if the program fits within the mission of the respective institution.

Finally, I am unable to approve the item designated as Division VIII in its entirety, including Sections 30, 31, 32, 33, 34, 35, 36, 37 and 38. This division deals with the Executive Branch's authority to dispose of real property with a fair market value of at least \$5,000,000 and imposes an additional requirement that such transactions must be approved by not only the Governor but also by a majority of each House of the General Assembly. It imposes an unnecessary legislative requirement on the Executive Branch's authority to manage state property in the best interests of the State and could, for instance, adversely affect the timing of certain transactions for the Department of Transportation and the Department of Natural Resources. For this reason, these sections of this division are unacceptable.

For the above reasons, I respectfully disapprove of the designated items in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in Senate File 403 are hereby approved this date.

Sincerely,
Chester J. Culver

Dear Mr. Secretary:

I hereby transmit House File 907, an Act relating to and making appropriations from the Healthy Iowans Tobacco Trust and the Tobacco Settlement Trust Fund and providing an effective date. House File 907 is approved on this date, with the exceptions noted below, which I hereby disapprove.

I am unable to approve item designated as Section 1, Subsection 2a (4) in its entirety. This designated language continues general language on substance abuse treatment expenditures. These directives are already in place and, therefore, this language is not needed.

Finally, I am unable to approve item designated as Section 1, Subsection 2b, paragraphs (1) through (6) in their entirety. This designated language continues general language on substance abuse treatment expenditures. These directives are in place and, therefore, this annual report language is not needed.

For the above reasons, I respectfully disapprove of the designated items in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in House File 907 are hereby approved this date.

Dear Mr. Secretary:

I hereby transmit House File 752, an Act making transportation and other infrastructure-related appropriations to the Department of Transportation. House File 752 is approved on this date, with the exception noted below, which I hereby disapprove.

I am unable to approve the item designated as Section 3 in its entirety. This provision requires the director of a department or state agency included in House File 752 to examine employee telecommuting options, develop a telecommuter employment policy, and implement a plan designed to increase the number of telecommuting employees. Many departments currently maintain employee telecommuting policies. These policies and procedures have been in place for several years and are well

established. The designated language in Section 3 directing a department or state agency to conduct an assessment of its telecommuting policy is duplicative and unnecessary and introduces a legislatively mandated management process into what is appropriately an executive branch decision. I will direct the Department of Administrative Services and the Department of Management to review the current state government telecommuting policy and make recommendations for any improvements as part of our overall executive branch strategic planning process.

For the reasons above, I respectfully disapprove of the designated item in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in House File 752 are hereby approved this date.

Dear Mr. Secretary:

I hereby transmit House File 874, an Act relating to and making appropriations to certain state departments, agencies, funds, and certain other entities and providing an effective date. House File 874 is approved on this date, with the exceptions noted below, which I hereby disapprove.

I am unable to approve the designated portion of Section 19, unnumbered paragraph 2. This paragraph exempts the Office of the Secretary of State from paying State departments and State agencies for data processing services. There have been occasions in the past where the State has assisted with the development of electronic voter registration file maintenance projects. These projects have been completed and, therefore, this language is no longer needed. If a State agency or department performs service for the Secretary of State, they should be adequately compensated.

I am unable to approve the item designated as Section 25 in its entirety. This provision requires all the director of a department or state agency in House File 874 to examine employee telecommuting options, develop a telecommuter employment policy and implement a plan designed to increase the number of telecommuting employees. Many departments maintain employee telecommuting policies currently. These policies and procedures have been in place for several years and are well established. The designated language in Section 25 directing a department or agency to conduct an assessment of its telecommuting policy is duplicative and unnecessary and introduces a legislatively mandated management process into what is appropriately an executive branch decision. I will direct the Department of Administrative Services and the Department of Management to review the current state government telecommuting policy and make recommendations for any improvements as part of our overall executive branch strategic planning process.

For the above reasons, I respectfully disapprove of the designated items in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in House File 874 are hereby approved this date.

Dear Mr. Secretary:

I hereby transmit House File 909, an Act relating to and making appropriations for health and human services and including other related provisions and appropriations, and including effective date provisions. House File 909 is approved on this date, with the exceptions noted below, which I hereby disapprove.

I am unable to approve the designated portion of Section 3, subsection 1, unnumbered paragraph 2. This paragraph transfers funds from the Gambler's Assistance Fund for other purposes, such as adult drug courts, the family development and sufficiency grant program, and the energy utility assessment and resolution program. This designated paragraph would divert revenues from the purposes for which the Gambler's Assistance Fund was established to accomplish. Furthermore, this designated language would use these one-time carry-over funds for on-going programs; thereby creating future expectations of additional funding. While adult drug courts, the family development and sufficiency grant program, and the utility assessment and resolution program are worthwhile, diverting these funds would be inconsistent with the statutorily mandated purposes of the Gambler's Assistance Fund.

I am unable to approve the designated portion of Section 4, subsection 3, unnumbered paragraph 2. This paragraph transfers \$150,000 to the Department of Cultural Affairs from the Veterans Trust Fund to staff and support the conservation lab facility. I am unable to support this subsection because it creates expectations for new or ongoing funding that is not sustainable. These funds are more appropriately used in the Veterans Trust Fund. Diverting these funds would be inconsistent with the statutorily mandated purposes of the Veterans Trust Fund, even though these other designated programs are worthwhile.

I am unable to approve the designated portion of Section 97, subsection 3, paragraph e. This paragraph allocates \$10,000 to the Department of Public Health to provide extracorporeal support for donation after cardiac death. I am unable to support this subsection because it creates expectations for new or ongoing funding that is not sustainable. Within the Fiscal year 2008 appropriations for the Board of Regents-University of Iowa Hospitals and Clinics, I believe there are sufficient funds available to cover this important program.

I am unable to approve the item designated as Section 100 in its entirety. This designated section requires the Department of Public Health to expedite volunteer health care provider program registration. I am unable to approve this language because no funds were provided to implement this provision and it places an unreasonable requirement on the Department of Public Health. I will direct the Director of the Department of Public Health to develop a more streamlined registration process.

I am unable to approve the item designated as Division XX, Section 190 in its entirety. This provision requires a director of a department or agency included in House File 909 to examine employee telecommuting options, develop a telecommuter employment policy, and implement a plan designed to increase the number of telecommuting employees. Many departments maintain employee telecommuting policies currently. These policies and procedures have been in place for several years and are well established. The designated language in Section 190 directing a department or agency to conduct an assessment of its telecommuting policy is duplicative and unnecessary and introduces a legislatively mandated management process into what is appropriately an executive branch decision. I will direct the Department of Administrative Services and the Department of Management to review the current state government telecommuting policy and make recommendations for any improvements as part of our overall executive branch strategic planning process.

For the above reasons, I respectfully disapprove of the designated items in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in House File 909 are hereby approved this date.

Dear Mr. Secretary:

I hereby transmit House File 911, an Act relating to and making appropriations to state departments and agencies from the Rebuild Iowa Infrastructure Fund, Vertical Infrastructure Fund, the Endowment for Iowa's Health Restricted Capitals Fund, and the Technology Reinvestment Fund. House File 911 is approved on this date, with the exceptions noted below, which I hereby disapprove.

I am unable to approve the designated portion of Section 1, subsection 1, paragraph g. This designated paragraph appropriates \$120,000 for the purchase and installation of decorative planters on the west side of the West Capitol Terrace Project. Since Fiscal Year 2006, the West Capitol Terrace Project has received nearly \$2.8 million in state funding, and I am approving an additional \$1.6 million for this project again in Fiscal Year 2008. I also believe that the local community interests should be able to contribute to the cost of these planters.

I am unable to approve the designated portion of Section 1, subsection 4, paragraph c. This designated item appropriates \$80,000 for repair of the Kimball organ located in Clermont, Iowa. The Department of Cultural Affairs has submitted an application to the Save America's Treasures organization to obtain the necessary funding to restore this important piece of Iowa history. With approval of this application pending, it is premature to approve limited state funding at this time.

I am unable to approve the item designated as Section 4 in its entirety. This designated section appropriates \$500,000 in Fiscal Year 2009 for equal distribution to regional sports authority districts. I am unable to approve this item because it provides second-year funding in advance for this project. I will re-evaluate the feasibility of a Fiscal Year 2009 appropriation for this project after the first year of funding appropriated in HF 911.

Finally, I am unable to approve the item designated as Section 5 in its entirety. This designated provision provides for Fiscal Year 2009 appropriations of \$750,000 for the continuation of the Volga River State Recreation Area project and \$500,000 for the Levi Carter Lake project. I am unable to approve this designated item because it provides second-year funding in advance for these two projects. I will re-evaluate the feasibility of a Fiscal Year 2009 appropriation for these projects after the first year of funding appropriated in House file 911.

For the above reasons, I respectfully disapprove of the designated items in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in House File 911 are hereby approved this date.

Dear Mr. Secretary:

I hereby disapprove and transmit to you Senate File 543, without my signature, in accordance with Article III, section 16 of the Constitution of the State of Iowa. Senate File 543, an Act relating to the state Interagency Missouri River Authority (Authority), amends provisions of Iowa Code section 28L.1, so as to alter the means by which the authority would be governed.

There is no question that our state needs an effective Authority if we are to coordinate the important work that must be done to assure that the economic and environmental potentials of the Missouri River basin are viably and legally managed. I appreciate the efforts of the General Assembly to achieve that end. However, I believe the changes to the Authority's governance structure, as set forth in Senate File 543, would reduce our government's effectiveness in managing this vital natural resource.

As presently constituted, the governor or the governor's designee serves as the Authority's chairperson. The director of the Department of Natural Resources is responsible for coordinating the Authority's activities and serves as chairperson in the absence of the governor. Other members of the Authority—including our Secretary of Agriculture, the chairperson of the Iowa Utilities Board, and the directors of the Department of Economic Development and the Department of Transportation—add their valuable expertise to allow the Authority to arrive at policy decisions that serve the long-term best interests of our State.

Under Senate File 543, if enacted into law, this structure and process of governance would be fundamentally and, in my view, adversely affected. The bill provides for the appointment of a vice chairperson, a position that would rotate on a yearly basis, thereby depriving the Authority of a stability and efficiency of administration that have served it well over a period of years.

Further, Senate File 543 imposes an express unanimity requirement upon the Authority, thereby allowing potential political deadlock and thereby impeding the State of Iowa's ability to participate meaningfully in interstate organizations that have been created to assure better management of the Missouri River's economic and environmental potentials.

For example, former Governor Thomas J. Vilsack, in June 2006, directed the Authority's members to join the newly-created Missouri River Association of States and Tribes (MoRAST), an organization established to assist states and tribes that border the Missouri River to address commonly-shared ecosystem concerns. Under that arrangement, the State of Iowa appoints two department representatives from the Authority to MoRAST's Board of Directors.

Senate File 543 proscribes a "split" vote by Iowa's representatives on such bodies. It is anticipated that, in most instances, Iowa's departmental representatives will agree on matters of policy and practice. However, it is also true that we are governed most effectively when our distinguished departmental directors are allowed to present their view openly and to cast their votes, in good faith, with the best interests of our state as their only polestars, and not with statutory provisions that would threaten policy gridlock.

Members of the Iowa General Assembly can be assured that the Culver-Judge Administration is committed to developing and implementing a balanced approach to the Missouri River, taking into account all interests, including environmental, recreational, agricultural and economic. To that end, I have directed Lt. Governor Judge to convene a summit of interested stakeholders and state government agencies to consider future policies and practices with respect to how the vast resources of the Missouri River basin can be most effectively utilized in the interest of all Iowans.

Further, it should be noted that if our Administration concludes that Iowa's best interests are not being represented by actions taken by MoRAST, or any other interstate agency focused on Missouri River issues, we will reserve the right to withdraw from such organizations.

Achieving our goals with respect to the Missouri River does not require—in fact, may be impeded by—the amendments to Iowa Code chapter 28L.1 that are set forth in Senate File 543. Accordingly, I hereby forward that bill to you, without my signature.

Sincerely,
Chester J. Culver
Governor

I hereby transmit Senate File 551, an Act relating to and making appropriations involving state government, by providing for agriculture, natural resources, and environmental protection. Senate File 551 is approved on this date, with the exception noted below, which I hereby disapprove.

I am unable to approve the item designated as Division XII, Section 50 in its entirety. This provision requires the director of a department or state agency included in Senate File 551 to examine employee telecommuting options, develop a telecommuter employment policy, and implement a plan designed to increase the number of telecommuting employees. Many departments maintain employee telecommuting policies currently. These policies and procedures have been in place for several years and are well established. The designated language in Section 50 directing a department or state agency to conduct an assessment of its telecommuting policy is duplicative and unnecessary and introduces a legislatively mandated management process into what is appropriately an executive branch decision. I will direct the Department of Administrative Services and the Department of Management to review the current state government telecommuting policy and make recommendations for any improvements as part of our overall executive branch strategic planning process.

Dear Mr. Secretary:

I hereby transmit Senate File 588, an Act relating to and making appropriations to certain state departments, agencies, funds, and certain other entities and providing an effective date. Senate File 588 is approved on this date, with the exceptions noted below, which I hereby disapprove.

I am unable to approve the item designated as Section 5 in its entirety. Iowa Code 261.20 states that the moneys in the Scholarship and Grant Reserve Fund shall only be used to alleviate a current fiscal year shortfall in appropriations for scholarship or tuition grant programs that have the same nature as the programs for which the moneys were originally appropriated. There is not a state student-aid program that serves barber schools and schools of cosmetology arts. Therefore, an allocation from the reserve fund for this purpose does not meet the requirements as defined in Iowa Code 261.20.

I am unable to approve the item designated as Section 15 in its entirety. This provision requires the director of a department or state agency included in Senate File 588 to examine employee telecommuting options, develop telecommuter employment policies, and implement plans designed to increase the number of telecommuting employees. Many departments and agencies maintain employee telecommuting policies currently. These policies and procedures have been in place for several years and are well established. The designated language in Section 15 directing a

I will direct the Department of Administrative Services and the Department of Management to review the current state government telecommuting policy and make recommendations for any improvements as part of our overall executive branch strategic planning process.

Dear Mr. Secretary:

I hereby transmit Senate File 601, an Act relating to state and local finances by providing for funding of property tax credits and reimbursements, by making, increasing and reducing appropriations, providing for salaries and compensation of state employees, providing for tax credits, providing for fees and penalties, and providing for properly related matters, and including effective date provisions. Senate File 601 is approved this date, with the exceptions noted below, which I hereby disapprove.

I am unable to approve the item designated as Section 28 in its entirety. I am unable to approve this item because it requires the Supreme Court to submit a detailed listing of requested increases in salaries of all judges and magistrates annually before December 1. This designated language runs counter to budget guidelines which ask that departments or agencies not include salary increases in their budget requests. Furthermore, this provision could impact the collective-bargaining process by requiring the Supreme Court to submit salary changes prior to the completion of collective bargaining.

I am unable to approve the item designated as Section 42 in its entirety. This provision appropriates \$150,000 from the General Fund for a Fiscal Year 2007 supplemental appropriation to the Department of Natural Resources for a feasibility study on the use of plasma arc technology for the disposal of solid waste. I recommend that an application for funds for such a study be made through the Iowa Power Fund because it is important to determine the feasibility of plasma arc technology. The Iowa Power Fund Board needs to provide the proper due diligence to review this and other technologies to fulfill its mission to expand sources of alternative energy.

I am unable to approve the item designated as Section 43 in its entirety. This provision requires the director of a department or state agency who is subject to a

requirement to develop a telecommuter employment policy to also develop such a policy and plans in conjunction with representatives of the collective bargaining units of the affected employees. Departmental telecommuting policies and procedures have been in place for several years and are well established. I will direct the Department of Administrative Services and the Department of Management to review the current state government telecommuting policy and make recommendations for any improvements as part of our overall executive branch strategic planning process.

I am unable to approve the item designated as Section 48 in its entirety. This provision increases the Department of Transportations' operations budget by \$16,800. This additional funding is no longer needed by the Department of Transportation.

I am unable to approve the item designated as Section 49 in its entirety. This provision increases the appropriation for the Department of Transportations' operations budget by \$103,200. This additional funding is no longer needed by the Department of Transportation.

I am unable to approve the item designated as Section 56 in its entirety. This provision creates a standing appropriation for the World Food Prize of \$1,000,000 annually. While I strongly support the World Food Prize, I do not believe this appropriation should be a standing appropriation not subject to annual review. This appropriation should be reviewed annually during the budgetary process. Further, I would encourage greater private sector contributions for this program.

I am unable to approve the item designated as Section 57 in its entirety. This provision statutorily creates the World Food Prize Youth Institute. While I strongly support this program, it is already in existence and does not need to receive statutory commitment.

I am unable to approve the item designated as Section 59 in its entirety. This designated provision expands the Community Attraction and Tourism Program from Fiscal Year 2011 through Fiscal Year 2013 and raises the maximum multi-year commitment to an applicant from \$4 million to \$6 million. Despite this designated language, the Community Attraction and Tourism Program is still authorized for another three years with a total remaining appropriation of \$36 million. I strongly support attracting tourism to our state and want to work with community and business leaders and the Legislature to develop improvements to this program or create a new program before the current program expires in Fiscal Year 2010. I am unable to support a new commitment for additional out-year spending until I have been able to evaluate this program more fully. Furthermore, I do not believe the maximum multi-year commitment to an applicant should be increased because it would reduce the number of projects and communities that can participate in this program.

I am unable to approve the item designated as Section 80 in its entirety. This provision specifies that the reimbursement rate for use of personal vehicles while on state business must fall within a range of not less than 90.0% or more than 110.0% of the maximum allowable under the federal Internal Revenue Service rules. I believe the authority to determine this rate should remain with the Director of the Department of Administrative Services, and this language would establish a large unfunded mandate on state agencies. I also do not want to set the precedent of making

a statutory tie to federal rates and remove this matter from the discretion of the Department of Administrative Services. I recognize the impact that rising fuel costs have on state government employees, and I will direct the Director of the Department of Administrative Services to develop more effective policies to encourage state government employees to use fuel-efficient state vehicles more frequently.

For the above reasons, I respectfully disapprove of the designated items in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in Senate File 601 are hereby approved this date.

Sincerely,
Chester J. Culver
Governor

4 repossess the motor vehicle pursuant to the motor
5 vehicle equity line of credit agreement and in
6 compliance with chapter 554, article 9, part 6.
7 However, prior to repossessing the motor vehicle, the
8 lender shall afford the borrower an opportunity to
9 make the motor vehicle available to the lender at a
10 place, date, and time reasonably convenient to the
11 lender and the borrower. In taking possession, the
12 motor vehicle equity line of credit lender, or the
13 lender's agent or independent contractor, may proceed
14 without judicial process if repossession can be
15 accomplished without breach of the peace, or the
16 lender may proceed by action to obtain judicial
17 process. After the lender, agent, or independent
18 contractor takes possession of the motor vehicle, the
19 lender shall without charge require that any personal
20 belongings left within the motor vehicle are removed,
21 inventoried, and made available to the borrower for at
22 least fifteen days after the written notice of right
23 to redemption is sent to the borrower.

24 5. There shall be no further interest charged to
25 the borrower after repossession of the motor vehicle.

26 6. After repossession, the motor vehicle equity
27 line of credit lender shall mail a notice of right to
28 redeem to the borrower, notifying the borrower that
29 the borrower must redeem the certificate of title to
30 the motor vehicle within ten days by paying all
31 outstanding principal, interest, and fees authorized
32 by this chapter owed by the borrower to the motor
33 vehicle equity line of credit lender, plus all
34 repossession charges and informing the borrower where
35 and how to recover personal belongings left in the
36 vehicle. If the borrower exercises the right of
37 redemption, the borrower shall be given possession of
38 the motor vehicle and the certificate of title without
39 further charge. If the borrower fails to redeem the
40 motor vehicle, the motor vehicle equity line of credit
41 lender shall proceed to sell the motor vehicle.

42 7. The motor vehicle equity line of credit lender
43 shall sell the motor vehicle in a commercially
44 reasonable manner and in compliance with chapter 554,
45 article 9, part 6. The proceeds of the sale shall be
46 applied to the principal, interest, and all fees
47 authorized by this chapter owed by the borrower to the
48 motor vehicle equity line of credit lender, including
49 the actual repossession costs and cost of the sale.

50 Any surplus from the sale of the motor vehicle shall
Page 12

1 be remitted to the borrower after such sale and shall
2 not be retained by the motor vehicle equity line of
3 credit lender.

4 8. Upon voluntary surrender of the motor vehicle,
5 the motor vehicle equity line of credit lender shall
6 send a notice to cure default or notice of right to
7 redeem to the borrower.

8 Sec. 14. NEW SECTION. 536B.14 PROHIBITED
9 ACTIONS.

10 A motor vehicle equity line of credit lender shall
11 not do any of the following:

12 1. Enter into a motor vehicle equity line of
13 credit agreement with a person less than eighteen
14 years of age or a person who appears to be intoxicated
15 or under the influence of a controlled substance.

16 2. Enter into a motor vehicle equity line of
17 credit agreement without first considering the
18 applicant's household income and ability to repay the
19 loan, obtaining a statement of indebtedness from the
20 applicant, and requiring the applicant to disclose
21 whether the motor vehicle being used to secure the
22 line of credit is the only motor vehicle in the
23 applicant's household.

24 3. Charge any hidden fees.

25 4. Make any agreement giving the motor vehicle
26 equity line of credit lender any recourse against the
27 borrower other than the motor vehicle equity line of
28 credit lender's right to take possession of the motor
29 vehicle and certificate of title upon the borrower's
30 default or failure to redeem, and to sell or otherwise
31 dispose of the motor vehicle in accordance with the
32 provisions of this chapter, except where the borrower
33 prevented repossession of the vehicle, damaged the
34 vehicle, or committed fraud.

35 5. Enter into a motor vehicle equity line of
36 credit agreement in which the amount of money loaned,
37 when combined with the outstanding balance of other
38 outstanding motor vehicle equity line of credit
39 agreements the borrower has with the same lender
40 secured by any single certificate of title; exceeds
41 seven thousand five hundred dollars.

43 any right or protection accorded a borrower under this
44 chapter.

46 from loss or damage the certificate of title in the
47 physical possession of the motor vehicle equity line
48 of credit lender.

49 8. Purchase a motor vehicle that was repossessed

50 in the operation of the lender's business.

Page 13

- 1 9. Maintain more than one motor vehicle equity
2 line of credit office for each motor vehicle equity

- 7 10. Enter into a motor vehicle equity line of
8 credit agreement unless the borrower presents a clear
9 title to the motor vehicle at the time that the loan
10 is made, and such title is retained in the physical

12 lender. If the motor vehicle equity line of credit
13 lender files a lien against such motor vehicle without
14 possession of a clear title to the motor vehicle, the
15 resulting lien shall be void.
- 16 11. Capitalize or add any accrued interest to the
17 principal not otherwise allowed under this chapter,
18 charge interest on interest, or charge interest in
19 excess of the number of days the loan is outstanding.
- 20 12. Sell or otherwise charge for any type of
21 insurance, membership, or other product in connection
22 with a motor vehicle equity line of credit agreement.
- 23 13. Charge a prepayment penalty or late fee.
- 24 14. Require a borrower to provide any additional
25 guaranty as a condition to entering into a motor
26 vehicle equity line of credit agreement.
- 27 15. Refuse to provide a receipt when payment is
28 made.
- 29 16. Charge interest for more than one year on any
30 advance on the line of credit.
- 31 17. Make multiple loans or engage in loan layering
32 on the same motor vehicle, provided that this
33 subsection shall not prohibit a motor vehicle equity
34 line of credit lender from making a subsequent advance
35 on an existing line of credit, or from increasing a
36 borrower's credit limit.
- 37 18. Hire an employee involved in the loan process
38 without requiring the employee to submit to a criminal
39 background check, drug screening, and credit check.
- 40 19. Fail to provide training to an employee
41 involved in the process of making motor vehicle equity
42 line of credit agreements.
- 43 20. Pursue a deficiency judgment against a
44 borrower, except where the borrower prevented
45 repossession of the vehicle, damaged the vehicle, or
46 committed fraud.
- 47 21. Enter into a sale lease-back type of
48 arrangement.
- 49 22. Refuse a voluntary vehicle surrender which

50 shall not waive the borrower's notice of right to

Page 14

1 redeem.

2 23. Violate any state law regulating advertising.

3 24. Use any collection tactics in violation of the
4 federal Fair Debt Collection Practices Act, 15 U.S.C.
5 § 1692, et seq., or any other applicable law.

6 25. Use any device or agreement, including an
7 agreement with an affiliated motor vehicle equity line
8 of credit lender, with the intent to obtain greater
9 charges than otherwise would be authorized by this
10 chapter.

11 26. Intentionally violate the provisions of this
12 chapter or any rule adopted by the superintendent.

13 27. Violate any applicable provision of chapter
14 537 or chapter 554, article 9, part 6.

15 Sec. 15. NEW SECTION. 536B.15 CRIMINAL PENALTY.

16 A person who intentionally violates any provision
17 of this chapter is guilty of a serious misdemeanor.

18 Sec. 16. NEW SECTION. 536B.16 VIOLATIONS –
19 LICENSE SANCTIONS – CIVIL PENALTY.

20 1. The superintendent may, after notice and
21 opportunity for a hearing, suspend or revoke any
22 license issued pursuant to this chapter if the
23 superintendent finds that the motor vehicle equity
24 line of credit lender has knowingly, or through lack
25 of due care, done any of the following:

26 a. Engaged in conduct of a manner which would
27 warrant the denial of an application for a license.

28 b. Refused to permit the superintendent to make
29 any examination authorized by this chapter.

30 c. Failed to pay the annual license fee imposed by
31 this chapter, or an examination fee imposed by the
32 superintendent under the authority of this chapter.

33 d. Committed any fraudulent act.

38 to act as a motor vehicle equity line of credit lender
39 in the reasonable opinion of the superintendent.

40 g. Violated any provision of this chapter or any
41 rule adopted hereunder or violated any other law in
42 the course of such motor vehicle equity line of credit
43 lender's dealings as a motor vehicle equity line of
44 credit lender.

45 2. If, after notice and opportunity for a hearing,
46 the superintendent finds that a person has violated
47 any provision of this chapter or any rule adopted
48 hereunder, the superintendent may take any or all of

49 the following actions:

50 a. Order the person to cease and desist violating

Page 15

1 the provision of this chapter or rule.

2 b. Require the refund of any fees collected by
3 such person in violation of this chapter.

4 c. Order the person to pay the superintendent a
5 civil penalty of not more than one thousand dollars
6 for each transaction in violation of this chapter.

7 3. A motor vehicle equity line of credit lender
8 shall have ten business days to request a hearing upon
9 receiving a notice of intent to suspend or revoke a
10 license or issue a civil penalty from the
11 superintendent. If requested, a hearing shall be held
12 on written notice given at least twenty days prior to
13 the date of the hearing and shall be conducted in
14 accordance with chapter 17A.

15 4. The superintendent may enter into consent
16 orders at any time with any person to resolve any
17 matter arising under this chapter. A consent order
18 shall be signed by all parties to the consent order,
19 or a duly authorized representative, and shall
20 indicate agreement to the terms contained therein. A
21 consent order need not constitute an admission by any
22 person that any provision of this chapter, or any rule
23 or order adopted or issued hereunder, has been
24 violated, nor need it constitute a finding by the
25 superintendent that such person has violated any
26 provision of this chapter or any rule or order adopted
27 or issued under this chapter.

28 5. In cases involving extraordinary circumstances
29 requiring immediate action, the superintendent may
30 take any enforcement action authorized by this chapter
31 without providing the opportunity for a prior hearing,
32 but shall promptly afford a subsequent hearing upon an
33 application to rescind the action taken which is filed
34 with the superintendent within twenty days after
35 receipt of the notice of the superintendent's
36 emergency action.

37 6. Any person aggrieved by the conduct of a motor
38 vehicle equity line of credit lender under this
39 chapter in connection with the motor vehicle equity
40 line of credit lender's regulated activities may file
41 a written complaint with the superintendent, who may
42 investigate the complaint, and may pursue any other
43 remedy available to the person allowed by law.

44 7. In the course of the investigation of a
45 complaint, the superintendent may do any of the
46 following:

47 a. Subpoena witnesses.

- 48 b. Administer oaths.
- 49 c. Examine any individual under oath.
- 50 d. Subpoena the production of records, books,

Page 16

1 papers, contracts, or other documents relevant to such
2 investigation.

3 8. If any person fails to comply with a subpoena
4 of the superintendent issued pursuant to subsection 7
5 or to testify concerning any matter about which the
6 person may be questioned under this chapter, the
7 superintendent may petition any court of competent
8 jurisdiction for enforcement.

9 9. The license of any motor vehicle equity line of
10 credit lender under this chapter who fails to comply
11 with a subpoena of the superintendent may be suspended
12 pending compliance with the subpoena.

13 10. The superintendent may investigate and enforce
14 any and all complaints filed by any person which are
15 not criminal in nature, which complaint relates to the
16 business of motor vehicle equity line of credit
17 lending.

18 11. The superintendent, after notice and
19 opportunity for hearing, may censure, suspend for a
20 period not to exceed twelve months, or bar a person
21 from any position of employment, management, or
22 control of any motor vehicle equity line of credit
23 lender, if the superintendent finds any of the
24 following:

25 a. That censure, suspension, or bar is in the
26 public interest and that the person has intentionally
27 committed or caused a violation of this chapter or any
28 rule or order of the superintendent.

29 b. Any of the following has occurred:

30 (1) The person has been convicted of, pled guilty
31 to, pled nolo contendere to, or received a deferred

33 the crime involved any offense reasonably related to
34 the qualifications, functions, or duties of a person
35 engaged in the business in accordance with this
36 chapter.

37 (2) The person has been held liable in any civil
38 action by final judgment, or any order by any public
39 agency, if the judgment or order involved any offense
40 reasonably related to the qualifications, functions,
41 or duties of a person engaged in the business in
42 accordance with the provisions of this chapter.

43 12. Persons suspended or barred under subsection
44 11 are prohibited from participating in any business
45 activity of a motor vehicle equity line of credit
46 lender and from engaging in any business activity on

47 the premises where a motor vehicle equity line of
48 credit lender is conducting its business in this
49 state. This subsection shall not be construed to
50 prohibit a suspended or barred person from having

Page 17

1 personal transactions processed by a motor vehicle
2 equity line of credit lender.
3 Sec. 17. NEW SECTION. 536B.17 RULEMAKING –
4 INSPECTION OF BOOKS AND RECORDS.
5 1. The superintendent may adopt reasonable rules
6 in accordance with chapter 17A for the administration
7 and enforcement of this chapter. A copy of any rule
8 adopted by the superintendent shall be mailed to each
9 licensee under this chapter at least thirty days prior
10 to the effective date of the rule.
11 2. To assure compliance with the provisions of
12 this chapter, the superintendent may examine the
13 relevant business books and records of any motor
14 vehicle equity line of credit lender. The
15 superintendent may charge and collect reasonable and
16 actual expenses for any compliance examination
17 conducted under this chapter.
18 3. The superintendent is authorized to examine
19 persons licensed under this chapter and persons
20 reasonably suspected by the superintendent of
21 conducting business which requires a license under
22 this chapter, including all relevant books, records,
23 and papers employed by such persons in the transaction
24 of the person's business, and to summon and examine
25 witnesses under oath concerning matters relating to
26 the business of such persons, or such other matters as
27 may be relevant to the discovery of violations of this
28 chapter, including the conduct of a business without a
29 license as required under this chapter.
30 4. All books and records required to be preserved
31 by this chapter or any rules of the superintendent or
32 required by any federal statute, regulation, or
33 regulatory guideline, as applicable to each motor
34 vehicle equity line of credit lender, shall be
35 preserved and made available to the superintendent as
36 provided in this chapter, for a period of twenty-four
37 months from the date the motor vehicle equity line of
38 credit agreement was executed or the date the last
39 payment was received, whichever is later. The motor
40 vehicle equity line of credit lender may cause any or
41 all records at any time in its custody to be
42 reproduced and or preserved by the lender or by any
43 other person who agrees in writing to submit its
44 operations to the examination of the superintendent to
45 the extent that such operations directly affect such

46 recordkeeping. Any reproduced or preserved record
47 kept by microphotographic process, or electronic or
48 mechanical data storage technique, shall have the same
49 force and effect as the original record and be
50 admitted into evidence equally with the original. All

Page 18

1 records of a motor vehicle equity line of credit
2 lending business shall be maintained separately by the
3 motor vehicle equity line of credit lender from any
4 other business in which the motor vehicle equity line
5 of credit lender may engage.

6 Sec. 18. NEW SECTION. 536B.18 PREEMPTION OVER

8 1. An incorporated municipality, city, or county
9 in this state shall not enact an ordinance or
10 resolution or adopt any rules relating to this
11 chapter. The provisions of any ordinance, resolution,
12 or rules of any municipality, city, or county relative
13 to motor vehicle equity line of credit lending are
14 superseded by the provisions of this chapter.

15 2. Notwithstanding any other provision of the Code

1 Amend House File 320 as follows:

2 1. By striking everything after the enacting

3 clause and inserting the following:

4 "Section 1. Section 125.59, unnumbered paragraph
5 1, Code 2007, is amended to read as follows:

6 The treasurer of state shall transfer funds
7 credited from the issuance of special series plates as
8 provided in section 321J.4A, and on each July 1 for
9 that fiscal year, shall transfer the estimated amounts
10 to be received from section 123.36, subsection 8, and
11 section 123.143, subsection 1, to the department.

12 Sec. 2. **NEW SECTION. 321J.4A SURRENDER OF**
13 **VEHICLE REGISTRATION – SPECIAL SERIES PLATES.**

14 1. Upon a conviction for an offense that is a
15 second or subsequent offense under section 321J.2, the
16 court shall issue an order requiring the surrender of
17 the registration receipt and registration plates for
18 the following vehicles, as identified by the
19 department:

20 a. Any vehicle registered to the defendant,
21 individually or jointly.

22 b. Any vehicle for which the defendant is listed
23 on the certificate of title as the owner or co-owner.

24 c. Any leased vehicle required to be registered
25 under section 321F.8, if the defendant is listed as
26 the lessee. A rental vehicle which is one of a fleet
27 of vehicles rented for periods of four months or less
28 is not a leased vehicle for purposes of this section.

29 2. The court shall forward a copy of the surrender
30 of registration order to the applicable county
31 treasurer. The court shall forward the surrendered
32 registration receipt to the county treasurer within
33 seven days after surrender. The court may destroy the
34 surrendered registration plates and notify the county
35 treasurer of the destruction.

36 3. If a vehicle has been impounded pursuant to
37 section 321J.4B, the court shall order the
38 registration receipt and plates to be forwarded to the
39 court by a date specified by the court. If a
40 vehicle's registration receipt and plates have been
41 surrendered to the department pursuant to section
42 321A.17, the defendant shall notify the court.

43 4. a. A defendant or owner whose motor vehicle
44 registration receipt and plates have been surrendered
45 pursuant to this section may apply to the director for
46 new registration plates, which shall bear a special
47 series of numbers or letters so as to be readily
48 identified by peace officers. The director shall
49 authorize issuance of special series plates if any of
50 the following apply:

Page 2

1 (1) A member of the defendant's household or a
2 co-owner of the vehicle has a valid driver's license.

3 (2) The defendant has been issued a temporary
4 restricted license under section 321J.20.

5 b. The special series registration plates shall be
6 issued upon payment of a special fee of fifty dollars
7 for each vehicle for which special series plates are
8 issued. The special fee does not modify or replace
9 the annual registration fee required for the vehicle
10 under chapter 321. The special fees collected from
11 the issuance of special series plates shall be
12 credited to the road use tax fund. Notwithstanding
13 section 423.43, and prior to the crediting of the
14 revenues to the road use tax fund under section
15 423.43, subsection 1, paragraph "b", the treasurer of
16 state shall credit monthly the amount of the special
17 fees collected in the previous month to the Iowa
18 department of public health to be used in each county
19 for substance abuse education programs funded under
20 section 125.59.

21 5. Application for and acceptance of special
22 series registration plates constitutes implied consent
23 for a peace officer to stop the vehicle bearing the
24 special series plates at any time. A peace officer
25 who observes the operation of a motor vehicle bearing
26 special series registration plates issued under this
27 section may stop the vehicle for the purpose of
28 determining whether the driver is operating the
29 vehicle lawfully under a valid driver's license.

30 6. A registered owner of a motor vehicle shall not
31 sell the motor vehicle during the time its
32 registration plates and registration receipt have been
33 ordered surrendered or during the time its
34 registration plates bear a special series number,
35 unless the registered owner applies to the department
36 for consent to transfer title to the motor vehicle.
37 If the department is satisfied that the proposed sale
38 is in good faith and for valid consideration, that the
39 registered owner will be deprived of custody and
40 control of the motor vehicle, and that the sale is not
41 for the purpose of circumventing the provisions of
42 this section, the department may certify its consent
43 to the county treasurer. The county treasurer shall
44 then transfer the title to the new owner upon proper
45 application and issue new registration plates. After
46 the registration plates and registration receipt have
47 been ordered surrendered to the court under this
48 section, if the title to the motor vehicle is
49 transferred by the cancellation of a conditional sales
50 contract, a sale upon execution, or by decree or order
Page 3

1 of a court of competent jurisdiction, the department
2 shall order the title surrendered to the new

3 registered owner. The county treasurer shall then
4 transfer the title and issue new registration plates
5 to the new registered owner. If a registered owner
6 who is subject to a surrender order applies for a new
7 vehicle registration, the department shall issue
8 special series plates upon payment of a fee, as
9 required under this section, or permit transfer of
10 special series registration plates to the new vehicle
11 at no charge.

12 7. A surrender order shall remain in effect until
13 the department is authorized to delete all convictions
14 under section 321J.2 from the defendant's operating
15 record, as provided in section 321.12. The department
16 shall notify the registered owner of any vehicle
17 registered with special series plates when the
18 surrender order is about to expire. After the
19 surrender order has expired, the department shall
20 exchange the special series plates for regular
21 registration plates at no charge upon request of the
22 vehicle's registered owner.

23 8. This section is not intended to change or
24 modify the taxation of motor vehicles or the time
25 within which a motor vehicle tax must be paid.

26 9. a. A person who fails to surrender any
27 registration plates or a registration receipt to the
28 court upon demand under this section or who fails to
29 comply with this section is guilty of a simple
30 misdemeanor and contempt of court.

31 b. A person who operates a motor vehicle on a
32 street or highway at a time when a court has ordered
33 the surrender of the vehicle's registration plates and
34 registration receipt is guilty of a simple misdemeanor
35 as a separate and distinct offense from any other
36 penalty imposed in connection with the offense of
37 driving while under a license suspension or
38 revocation.

39 10. The director may adopt such rules as may be
40 necessary for the implementation and administration of
41 this section."

42 2. Title page, by striking lines 1 through 3 and
43 inserting the following: "An Act relating to
44 surrender of motor vehicle registrations upon

7 1. The board of directors of a school district or
8 area education agency, the superintendent of a school
9 district or the chief administrator of an area
10 education agency, and the authorities in charge of a
11 nonpublic school shall report to the board the
12 nonrenewal or termination, for reasons of alleged or
13 actual misconduct, of a person's contract executed
14 under sections 279.12, 279.13, 279.15 through 279.21,
15 279.23, and 279.24, and the resignation of a person
16 who holds a license, certificate, or authorization
17 issued by the board as a result of or following an
18 incident or allegation of misconduct that, if proven,
19 would constitute a violation of the rules adopted by
20 the board to implement section 272.2, subsection 14,
21 paragraph "b", subparagraph (1), when the board or
22 reporting official has a good faith belief that the
23 incident occurred or the allegation is true.
24 Information reported to the board in accordance with
25 this section is privileged and confidential, and
26 except as provided in section 272.13, is not subject
27 to discovery, subpoena, or other means of legal
28 compulsion for its release to a person other than the
29 respondent and the board and its employees and agents
30 involved in licensee discipline, and is not admissible
31 in evidence in a judicial or administrative proceeding
32 other than the proceeding involving licensee
33 discipline. The board shall review the information
34 reported to determine whether a complaint should be
35 initiated. In making that determination, the board
36 shall consider the factors enumerated in section
37 272.2, subsection 14, paragraph "a". For purposes of
38 this section, unless the context otherwise requires,
39 "misconduct" means an action disqualifying an
40 applicant for a license or causing the license of a
41 person to be revoked or suspended in accordance with
42 the rules adopted by the board to implement section

43 272.2, subsection 14, paragraph "b", subparagraph (1).
 44 2. If, in the course of performing official

 5 either by grade level or subject area, by a school
 6 district or accredited nonpublic school, the executive
 7 director may initiate a complaint against the teacher
 8 and the administrator responsible for the
 9 inappropriate assignment of instructional duties."

 16 section 279.13 shall disclose any occurrence of a
 17 teaching assignment for which that employee is not

 20 employee to disclose this occurrence or failure of the
 21 school official responsible for determining teaching

 23 employee's teaching assignment once the employee
 24 discloses the occurrence shall constitute an incident
 25 of misconduct as provided in section 272.2, subsection
 26 14, and is actionable by the board. If the school

5 "Sec. ____ Section 8.54, subsection 2, Code 2007,
6 is amended to read as follows:

7 2. There is created a state general fund
8 expenditure limitation for each fiscal year calculated
9 as provided in this section. An expenditure
10 limitation shall be used for ~~the portion of the budget~~
11 process commencing on the date the revenue estimating
12 conference agrees to a revenue estimate for the
13 following fiscal year in accordance with section
14 8.22A, subsection 3, and ending with the ~~governor's~~
15 ~~final approval or disapproval of the appropriations~~
16 ~~bills applicable to that fiscal year that were passed~~
17 ~~prior to July 1 of that fiscal year in a regular or~~
18 ~~extraordinary legislative session~~ close of the fiscal
19 year for which the expenditure limitation was
20 calculated. Once the fiscal year for which the
21 expenditure limitation was calculated commences, the
22 expenditure limitation for that fiscal year is not
23 subject to adjustment or readjustment except by law
24 enacted for that purpose.

25 Sec. ____ Section 8.54, Code 2007, is amended by
26 adding the following new subsections:

27 **NEW SUBSECTION.** 8. a. The requirements of this
28 subsection are only applicable under the state general
29 fund expenditure limitation for a fiscal year when the
30 adjusted revenue estimate used to establish the
31 expenditure limitation for that fiscal year represents
32 an increase of more than two percent over the adjusted
33 revenue estimate used to establish the expenditure
34 limitation for the immediately preceding fiscal year.

35 b. If an appropriation is made for a fiscal year

36 from a source other than the general fund of the state
37 for a designated purpose and in either of the two
38 fiscal years immediately preceding that fiscal year
39 the designated purpose was funded by an appropriation
40 from the general fund of the state, for the purposes
41 of the state general fund expenditure limitation, the
42 amount of the appropriation from the other source
43 shall be considered to have been transferred to and
44 appropriated from the general fund of the state and
45 shall be counted as both a new revenue causing
46 readjustment of the expenditure limitation amount and
47 as an appropriation made under the expenditure
48 limitation amount. Subject to the applicability
49 condition in paragraph "a", the requirements of this
50 subsection shall apply to either or both the initial

Page 2

1 and immediately succeeding fiscal years for which the

3 NEW SUBSECTION. 9. a. Commencing during the
4 fiscal year that begins July 1, 2008, if the adjusted
5 revenue estimate used to establish the expenditure
6 limitation for the succeeding fiscal year represents

8 establish the expenditure limitation for the fiscal
9 year in progress by a percentage amount listed in this
10 paragraph, there is appropriated from the general fund
11 of the state to the office of the treasurer of state
12 for the succeeding fiscal year, the indicated amount.
13 An appropriation made pursuant to this subsection
14 shall be counted under the state general fund
15 expenditure limitation amount for the fiscal year for
16 which the appropriation is made. The treasurer of
17 state shall distribute the appropriation as provided
18 in paragraph "b" to be used to restore funding that
19 was transferred to the general fund of the state or
20 appropriated from various funds and accounts in lieu
21 of funding from the general fund of the state. The
22 appropriation made in this paragraph shall continue on
23 an annual basis until the amounts listed in paragraph
24 "b" have all been distributed. If the amount
25 appropriated would exceed the amount remaining to be
26 distributed, the appropriation shall be reduced by the
27 excess.

28 (1) For an increase in the adjusted revenue
29 estimate of more than two percent but less than four
30 percent, the appropriation made in this paragraph "a"
31 shall be an amount equal to one-half of one percent of
32 the adjusted revenue estimate used to establish the
33 state general fund expenditure limitation for the
34 fiscal year for which the appropriation is made.

35 (2) For an increase in the adjusted revenue
36 estimate of at least four percent but less than six
37 percent, the appropriation made in this paragraph "a"
38 shall be an amount equal to one percent of the
39 adjusted revenue estimate used to establish the state
40 general fund expenditure limitation for the fiscal
41 year for which the appropriation is made.
42 (3) For an increase in the adjusted revenue
43 estimate of at least six percent but less than eight
44 percent, the appropriation made in this paragraph "a"
45 shall be an amount equal to one and one-half percent
46 of the adjusted revenue estimate used to establish the
47 state general fund expenditure limitation for the
48 fiscal year for which the appropriation is made.
49 (4) For an increase in the adjusted revenue
50 estimate of eight percent or more, the appropriation

Page 3

1 made in this paragraph "a" shall be an amount equal to
2 two percent of the adjusted revenue estimate used to
3 establish the state general fund expenditure
4 limitation for the fiscal year for which the
5 appropriation is made.
6 b. The appropriation made in paragraph "a" shall
7 be annually, if necessary, distributed as provided in
8 this paragraph "b". Unless otherwise provided by law,
9 notwithstanding section 8.33, moneys distributed in
10 accordance with this paragraph that remain
11 unencumbered or unobligated at the close of the fiscal
12 year shall not revert but shall remain available for
13 expenditure for the purposes designated until
14 expended.
15 (1) Moneys appropriated in paragraph "a" shall be
16 distributed to the funds and departments listed in
17 this subparagraph, in the order and amounts listed
18 until the full amounts listed have been distributed.
19 To the extent the appropriation for a fiscal year is
20 insufficient to fully fund an amount listed or
21 remaining, the amount of the insufficiency shall be

23 appropriations. When all amounts listed in this
24 subparagraph have been distributed in full, any

3 A resolution designating February 2007 as Black History
4 Month.5 *Whereas*, Black History Month in the United States
6 dates back to 1926, based upon the efforts of Dr.7 Carter G. Woodson, a Harvard-educated scholar
8 descended from slave parents; and9 *Whereas*, Black History Month is traditionally
10 observed in February of each year; and11 *Whereas*, Black History Month is designated to
12 recognize and pay tribute to many African-Americans
13 long neglected by society and the history books; and14 *Whereas*, Black History Month aims to bridge the gap
15 created by American history's failure to accurately
16 acknowledge, portray, and record the contributions of
17 Blacks in society; and18 *Whereas*, Black History Month acknowledges the
19 achievements of Blacks in the military, the arts,
20 civil rights, education, entertainment, history, law,
21 literature, medicine, music, politics, science,
22 sports, and other areas; and23 *Whereas*, the African-American population in Iowa
24 has grown from 1.4 percent of the state population in
25 1980 to 2.3 percent in 2004, and is projected to grow
26 to 3.5 percent of the state population by 2030; and27 *Whereas*, African-Americans in Iowa are increasingly
28 assuming leadership roles in law, medicine,

2 number of African-Americans ever in the House; *Now*
3 *Therefore*,4 *Be It Resolved By The House Of Representatives*,5 That the House of Representatives designates February
6 2007 as Black History Month and encourages schools,

7 community leaders, religious leaders, and all Iowans

8 to take this opportunity to discover the history of

9 African-Americans in Iowa, from George Washington

10 Carver to James B. Morris to Simon Estes, and to learn

11 about the contributions African-Americans continue to

12 make to Iowa's economic and cultural well-being.

5 *Whereas*, Iowa women of every race, class, and

8 countless recorded and unrecorded ways, including
9 through the struggle for women's rights; and

10 *Whereas*, Iowa women have played and continue to
11 play a critical economic, cultural, and social role by
12 constituting a significant portion of the labor force
13 working inside and outside the home despite being
14 underpaid; and

15 *Whereas*, Iowa women were particularly important in
16 the establishment of early charitable, philanthropic,
17 and cultural institutions in our state and nation; and

18 *Whereas*, Iowa women and men ratified the amendment
19 to the Iowa Constitution, declaring that "All men and
20 women are, by nature, free and equal, and have certain
21 inalienable rights"; and

22 *Whereas*, Iowa women have been leaders in the
23 abolitionist movement, the emancipation movement, the
24 industrial labor movement, the civil rights movement,
25 the peace movement, and the women's suffrage movement,
26 which created a more fair and just society for all;
27 and

28 *Whereas*, despite these contributions, and those of
29 women throughout the world, the role of women has been
30 consistently overlooked and undervalued, in the

Page 2

1 literature, teaching, and study of history; *Now*

2 *Therefore*,

3 *Be It Resolved By The House Of Representatives*,

4 That the House of Representatives designates the month
5 of March 2007 as Iowa Women's History Month and

29 *Whereas*, in the two-and-one-half years of his

30 presidency, Mr. Ford presided over the end of the

1 American involvement in Vietnam, helped mediate a
2 cease-fire agreement between Israel and Egypt, signed
3 the Helsinki human rights convention with the Soviet
4 Union and traveled to Vladivostok in the Soviet Far
5 East to sign an arms limitation agreement with the
6 Soviet president, and sent the Marines to free the
7 crew of the Mayaguez, a merchant ship seized by North
8 Korea; and

9 *Whereas*, perhaps the greatest service to the
10 American people by President Ford was ably summed up
11 in the words of President George W. Bush:

12 "For a nation that needed healing, and for an
13 office that needed a calm and steady hand, Gerald Ford
14 came along when we needed him most. During his time
15 in office, the American people came to know President
16 Ford as a man of complete integrity who led our

3 *Whereas*, on January 18, 1911, Mr. Ely was the first
4 aviator to successfully land on a Navy ship, the

6 coast of California; and
7 *Whereas*, Eugene Ely was killed during an expedition
8 flight in Macon, Georgia, at the age of 25 on October
9 19, 1911, and is buried one-half mile from his
10 birthplace in Iowa County; and
11 *Whereas*, on February 16, 1933, President Herbert

14 *Whereas*, the United States Post Office issued a

18 *Whereas*, the 100th Anniversary of his first launch
19 and his first landing will be November 14, 2010, and
20 January 18, 2011, respectively; and
21 *Whereas*, Eugene Ely is worthy of having the next

26 *Be It Resolved By The House Of Representatives,*

 8 Major Galen Kittleson; and
 9 *Whereas,* Command Sergeant Major Kittleson is
 10 remembered as a warrior, a liberator, and a patriot;
 11 and
 12 *Whereas,* Command Sergeant Major Kittleson's
 13 military service spanned four decades and active
 14 participation in World War II, Korea, and Vietnam; and
 15 *Whereas,* Command Sergeant Major Kittleson was the
 16 only person to serve as an Alamo Scout in World War II
 17 and later as a Green Beret; and
 18 *Whereas,* Command Sergeant Major Kittleson received
 19 three Silver Stars, three Bronze Stars, and the Purple
 20 Heart; and
 21 *Whereas,* Command Sergeant Major Kittleson helped
 22 free 511 prisoners who were on the Bataan Death March
 23 in the Philippines during World War II; and
 24 *Whereas,* Command Sergeant Major Kittleson formed
 25 the Boy Scout troop the Alamo Scouts of St. Ansgar,
 26 Iowa, in 1982, naming the unit after the group that
 27 was the forerunner to the U.S. Army Special Forces;
 28 and
 29 *Whereas,* unlike the old barracks ballad where "old
 30 soldiers never die, they just fade away", the life,

Page 2

1 exploits, and service of Command Sergeant Major

2 Kittleson will be remembered for generations to come;
3 and
4 *Whereas*, the life of Command Sergeant Major
5 Kittleson can be summed up in the words of his son who
6 said: "A poor farmer's son from Iowa, Kittleson
7 traveled far from his roots, finding courage and
8 faith. And in doing so he earned the love of his
9 family and the respect and gratitude of a nation.";

1 House Resolution 34
2 By McCarthy and Rants
3 A resolution to thank the men and women who worked so
4 long and so hard to restore electricity to Iowans
5 throughout the state.
6 *Whereas*, between February 24 and March 2, 2007, one
7 of the worst winter storms in recent memory came to
8 Iowa with a vengeance; a sudden ice storm left over
9 260,000 Iowans without power, followed by a blizzard
10 bringing 18 inches of snow in some areas and howling
11 winds that piled drifts four to six feet deep; and
12 *Whereas*, the wind and ice combined to seriously
13 damage Iowa's electrical grid; and
14 *Whereas*, the toll was staggering: 250 miles of
15 transmission lines down or damaged, 1,000 distribution
16 lines damaged, and thousands of utility poles and
17 structures destroyed; and
18 *Whereas*, against this looming disaster the men and
19 women of Iowa's investor-owned utility companies,
20 rural electric cooperatives, and municipal utility
21 providers and those of other states came forward by
22 the thousands, along with members of the Iowa National
23 Guard, the Homeland Security and Emergency Management
24 Division of the Department of Public Defense, and the
25 American Red Cross; and
26 *Whereas*, working around-the-clock in daunting
27 weather conditions, where white-outs, ice, high winds,
28 and closed roads hampered every effort, these
29 dedicated crews had largely restored service by early
30 March and averted a crisis; *Now Therefore*,

Page 2

1 *Be It Resolved By The House Of Representatives,*
 2 That the House of Representatives, with great respect,
 3 conveys its thanks to those men and women from Iowa,
 4 the Midwest, and other states who came forward and
 5 took charge in a time of crisis, and through their
 6 tireless efforts brought light, heat, and comfort back
 7 to hundreds of thousands of Iowans.

 22 A resolution to honor the service of the 185th Air
 23 Refueling Wing of the Iowa Air National Guard.
 24 *Whereas*, the Iowa Air National Guard located in
 25 America's heartland at Sioux Gateway Airport in Sioux
 26 City, Iowa, houses the 185th Air Refueling Wing, which
 27 was originally established in December 1946 as the

 30 *Whereas*, in 2003, the 185th Fighter Wing was

Page 2

1 redesignated the 185th Air Refueling Wing, flying
 2 KC-135E refueling tankers; and
 3 *Whereas*, after a half century of dedicated service
 4 and numerous citations and commendations, the 185th
 5 has once again been recognized for its outstanding
 6 performance; and

7 *Whereas*, the 185th has recently earned a rating of
8 "excellent" in its first major operational readiness
9 inspection since it converted from a fighter wing to a
10 tanker unit; and

11 *Whereas*, in January 2007, the 185th sent three
12 KC-135 tanker jets, five crews, and about 200 other
13 members of the guard to join forces with the 186th Air
14 Refueling Wing from Meridian, Mississippi; and

15 *Whereas*, in the inspection conducted at Gulfport,
16 Mississippi, Colonel John Almind, team chief for the
17 Inspector General Team stated: "The 185th ARW team
18 exhibited extraordinary leadership during an
19 exceptionally difficult time-compressed scenario,
20 successfully recovering the base from simulated
21 attacks, while continuing to generate and fly missions
22 . . . It was obvious that the 185th Air Refueling Wing
23 thoroughly prepared for this mission."; and

24 *Whereas*, grades were given in four major areas:
25 initial response, employment, mission support, and
26 ability to survive and operate; those grades were then
27 rolled into the overall grade of excellent the 185th
28 received; *Now Therefore*,

29 *Be It Resolved By The House Of Representatives*,
30 That the House of Representatives, on behalf of all

2 Air Refueling Wing of the Iowa Air National Guard and

24 *Whereas*, the 132nd Fighter Wing of the Iowa Air

26 distinguished itself by exceptionally meritorious

 3 A resolution supporting a proposal to invite the
 4 Republic of China (Taiwan) to participate in the
 5 upcoming meeting of the World Health Assembly as an
 6 observer.
 7 *Whereas*, the sixtieth World Health Assembly meeting
 8 is scheduled to take place May 14 through 23, 2007, in
 9 Geneva, Switzerland; and

10 *Whereas*, the Republic of China, commonly known as
11 Taiwan, was a founding member of the World Health
12 Organization and participated for 24 years as a full
13 member contributing to achieving the organization's
14 objectives; and
15 *Whereas*, in 1972, in the wake of the admission of
16 the People's Republic of China to the United Nations,
17 Taiwan's membership in the World Health Organization
18 was discontinued; and
19 *Whereas*, Taiwanese health officials and medical
20 professionals have been unable to participate in World
21 Health Organization forums and workshops regarding
22 technological advances in the diagnosis, monitoring,
23 and control of diseases since 1972, and have been
24 denied the right to maintain contact and coordination
25 with the World Health Organization in emergency
26 situations involving the containment and cure of
27 existing and newly emerging infectious diseases; and
28 *Whereas*, Taiwan's location at the juncture of
29 important maritime routes between northeast and
30 southeast Asia has resulted in extensive world trade

Page 2

1 with Taiwan, a thriving Taiwanese tourism industry,
2 and a large foreign migrant worker population in
3 Taiwan; and
4 *Whereas*, Taiwan's absence from the World Health
5 Organization system has become a missing link in the
6 global framework of providing health and medical care;
7 and
8 *Whereas*, the granting of observer status to Taiwan
9 would not constitute a challenge to representation by
10 the People's Republic of China in the World Health
11 Organization and would demonstrate that the
12 organization is inclusive with regard to Taiwan's 23
13 million inhabitants; and
14 *Whereas*, as a democratically elected government,
15 the government of Taiwan has a duty and responsibility
16 to ensure that the people of Taiwan are represented in
17 an organization which establishes and oversees an
18 international framework for the control of disease and
19 the promotion of universal health; and
20 *Whereas*, Taiwan has made substantial progress in
21 the health field, has one of the highest life
22 expectancy rates in Asia, has maternal and infant
23 mortality rates comparable to those in western
24 countries, has eradicated infectious diseases such as
25 cholera, smallpox, and the plague, and has been the
26 first country in the region to eradicate polio and
27 provide children with hepatitis B vaccinations; and
28 *Whereas*, Taiwan has expressed a willingness in

29 recent years to provide financial and technological
30 assistance in international aid and health activities

Page 3

2 *Therefore,*
3 *Be It Resolved By The House Of Representatives,*
4 That the House of Representatives supports the

6 Health Assembly to be held in May 2007; and
7 *Be It Further Resolved,* That an official copy of
8 this Resolution be prepared and forwarded by the Chief
9 Clerk of the House of Representatives to the governing
10 authority and member states of the World Health
11 Organization, the World Health Assembly, and the
12 governments of Taiwan and of the People's Republic of

7 A resolution declaring May 2007 Amyotrophic Lateral
8 Sclerosis (ALS) Awareness Month.
9 *Whereas,* amyotrophic lateral sclerosis, or ALS, is
10 better known as Lou Gehrig's disease; and

12 characterized by degeneration of cell bodies of the
13 lower motor neurons in the gray matter of the anterior
14 horns of the spinal cord; and
15 *Whereas,* the initial symptom of ALS is weakness of
16 the skeletal muscles, especially those of the
17 extremities; and
18 *Whereas,* as ALS progresses, the patient experiences
19 difficulty in swallowing, talking, and breathing; and
20 *Whereas,* ALS eventually causes muscles to atrophy
21 and the patient becomes a functional quadriplegic; and
22 *Whereas,* ALS does not affect a patient's mental
23 capacity, so that the patient remains alert and aware
24 of his or her loss of motor functions and the
25 inevitable outcome of continued deterioration and
26 death; and
27 *Whereas,* on average, patients diagnosed with ALS
28 only survive two to five years from the time of
29 diagnosis; and
30 *Whereas,* research indicates that military veterans

Page 2

1 are at a 50 percent greater risk of developing ALS
 2 than those who have not served in the military; and
 3 *Whereas*, ALS has no known cause, means of
 4 prevention, or cure; and
 5 *Whereas*, Amyotrophic Lateral Sclerosis Awareness
 6 Month increases the public's awareness of ALS
 7 patients' circumstances and acknowledges the terrible
 8 impact this disease has not only on the patient but on
 9 the patient's family and the community and recognizes
 10 the research being done to eradicate this horrible

4 quickly; and

5 *Whereas*, stroke, the third leading cause of death
6 in Iowa, leads to the death of nearly 2,000 citizens
7 of Iowa each year even though it is highly treatable
8 in the first three hours; and

9 *Whereas*, stroke is a leading cause of serious
10 long-term disability with more than two-thirds of
11 stroke survivors experiencing functional limitations
12 or difficulty with activities of daily living; and
13 *Whereas*, Iowans are more aware of the risk factors

28 greater than 120/80 require a plan to prevent
29 full-blown high blood pressure; and

30 *Whereas*, new and effective treatments have been
