## GOVERNOR'S ITEM VETO MESSAGES

A copy of the following communications were received and placed on file:

May 26, 2009

The Honorable Michael Mauro  
Secretary of State  
State Capitol Building  
L O C A L

Dear Mr. Secretary:

I hereby transmit **House File 809**, an Act relating to and making appropriations to certain state departments, agencies, funds, and certain other entities, providing for regulatory authority, and other properly related matters, and providing effective and retroactive applicability dates. House File 809 is approved on this date, with the exceptions noted below, which I hereby disapprove.

I am unable to approve the item designated in Section 1, subsection 1, paragraph c, of this bill which directs departments to keep vehicles longer in order to reduce motor vehicle fleet operation and purchasing costs by 7.5 percent. I agree with the goal of decreasing state fleet costs, and that is one reason I disapprove of this section. Maintaining vehicles beyond their useful lifetime may actually increase fleet costs. I also disapprove this section because it infringes on the authority of the Executive Branch. The Department of Administrative Services is currently implementing new standards to reduce the cost of fleet operations, which will reduce vehicle fleet operations and purchasing costs.

I am unable to approve the item designated in Section 1, subsection 4, of the bill which prohibits the Department of Administrative Services from exceeding the rates set as of January 1, 2009, for services provided solely by the Department of Administrative Services to other Executive Branch agencies or departments. The current rates for some utility functions are artificially low due to use of other funds to cover expenses. These funds are now depleted and keeping the rates at the current level will harm the Department of Administrative Services' capacity to deliver other services.

I am unable to approve the item designated in Section 13, subsection 4, paragraph b, of the bill which directs the Department of Inspections and Appeals to provide information to the public via the internet relating to inspections, operating costs and FTE positions. Iowa is already a leader in providing families with the information they need to protect the health and safety of their loved ones. Though I strongly encourage

the Department to provide greater transparency, I disapprove this language because some of this data is collected during the survey and certification process and is maintained and controlled by the federal government. Any additional information would add very little benefit to the public but would be expensive to assemble and maintain. The Department has already made much of this information, especially regarding its inspections, part of the public record.

I am unable to approve the item designated in Section 13, subsection 4, paragraph c, of the bill which directs the Department of Inspections and Appeals to continuously solicit input from facilities regulated by the Department to assess and improve its level of collaboration. The Department of Inspections and Appeals currently works with those facilities regulated by the Department in a manner that is consistent with its regulatory duties as prescribed by Iowa law and expect all parties to work together on a regular basis in an honest and straightforward manner.

I am unable to approve the item designated as Section 27 in its entirety. This language directs employees to submit actual receipts for meals and other costs and requires that reimbursement up to the maximum amount shall only be allowed in an amount equal to the sum of the actual receipts submitted. While I agree with the general intent of this section and believe that employees should be reimbursed only for actual expenses, this language would be particularly difficult to administer because similar language has not been consistently required by the Legislature for every state agency or department or for the Legislature's own employees. Accordingly, I have issued Executive Order Thirteen to require the Department of Administrative Services (DAS) to implement a policy that will require every executive department of the Culver-Judge Administration to institute cost-effective, more efficient, and transparent practices that will track reimbursements paid to state employees for meals, travel and other work-related costs.

I disapprove the item designated in Section 30, subsection 3, in the bill because a vehicle depreciation fund at the Department of Transportation does not exist. Therefore, this language would not be workable.

I disapprove the item designated in Section 37 which removes appropriations to the Department of Management for the Grants Enterprise System. I am unable to approve this language because funding for the Grants Enterprise System is now necessary to provide greater transparency for the availability and use of federal American Recovery and Reinvestment Act funds.

For the above reasons, I respectfully disapprove the designated items in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in **House File 809** are hereby approved this date.

Sincerely,  
Chester J. Culver  
Governor

May 26, 2009

The Honorable Michael Mauro  
Secretary of State  
State Capitol Building  
L O C A L

Dear Mr. Secretary:

I hereby transmit **House File 811**, an Act relating to and making appropriations for health and human services and including other related provisions and appropriations, providing penalties, making penalties applicable and providing effective, retroactive, and applicability date provisions. House File 811 is approved on this date, with the exceptions noted below, which I hereby disapprove.

I am unable to approve the item designated as Section 28, subsection 3 in its entirety. This language requires the Department of Human Services to provide detailed proposals for any reorganization to the Legislature. It requires a 30-day advance notice. This provision infringes on the Executive Branch's duties to administer operations and programs. As I have previously stated, making government more efficient is a priority of my Administration, but we should not do it in a piecemeal fashion as this language would require. We need a more comprehensive reorganization.

I am unable to approve the item designated as Section 35 in its entirety. This language directs the Departments of Elder Affairs, Public Health, Human Services and Veterans Affairs to develop plans for a five-percent reduction in their respective budgets and a report of such reductions to the Legislature by December 15, 2009. A budget process is already delineated in law that starts with the Executive Branch, and this language infringes on the Executive Branch's duties to develop the state budget.

I am unable to approve the item designated as Section 37 in its entirety. Section 37 directs employees to submit actual receipts for meals and other costs and requires reimbursement up to the maximum amount shall only be allowed in an amount equal to the sum of the actual receipts submitted. While I agree with the general intent of this section and believe that employees should be reimbursed only for actual expenses, this language would be particularly difficult to administer because similar language has not been consistently required by the Legislature for every state agency or department or for the Legislature's own employees. Accordingly, I have issued Executive Order Thirteen to require the Department of Administrative Services (DAS) to implement a policy that will require every executive department of the Culver-Judge Administration to institute cost-effective and transparent practices that will track reimbursements paid to state employees for meals, travel and other work-related costs.

I am unable to approve the item designated as Section 38 in its entirety. This language directs that all out-of-state travel for performance of official state business by state employees of the Departments of Elder Affairs, Public Health, Human Services and Veterans Affairs or agencies subject to this Act must be approved by the Executive Council. While only certain out-of-state travel must, by law, be approved by the Executive Council, this language would extend this requirement to all out-of-state travel for the performance of official state business by these agencies, including the University of Iowa Hospitals and Clinics (UIHC). Extending this requirement for all out-of-state travel for performance of official state business by UIHC is not in the best

interests of providing emergency medical care and taking care of patients. This language would set a different standard for these agencies. When economic conditions required such action last December, I restricted out-of-state travel by Executive Branch employees.

For the above reasons, I respectfully disapprove of the designated items in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in **House File 811** are hereby approved this date.

Dear Mr. Secretary:

I hereby transmit **Senate File 467**, an Act relating to and making appropriations involving state government, by providing for agriculture, natural resources, and environmental protection, and providing for effective dates. Senate File 467 is approved on this date, with the exceptions noted below, which I hereby disapprove.

I am unable to approve the item designated as Division VI of this bill in its entirety. Division VI of the bill directs employees to submit actual receipts for meals and other costs and requires that reimbursement up to the maximum amount shall only be allowed in an amount equal to the sum of the actual receipts submitted. While I agree with the general intent of this division and believe that employees should be reimbursed only for actual expenses, this language would be particularly difficult to administer because similar language has not been consistently required by the Legislature for every state agency or department or for the Legislature's own employees. Accordingly, I have issued Executive Order Thirteen to require the Department of Administrative Services (DAS) to implement a policy that will require every executive department of the Culver-Judge Administration to institute cost-effective and transparent practices that will track reimbursements paid to state employees for meals, travel and other work-related costs.

I disapprove the item designated as Section 23 of this bill in its entirety. Section 23 delays the implementation date of the requirement to begin having septic tanks inspected at the time of property transfer from July 1, 2009 to July 1, 2010. With over 550 unsewered communities and over 100,000 leaking and/or malfunctioning septic systems in Iowa, this language is inconsistent with the objective of Senate File 261 that I signed last year to protect and improve water quality and to assure home buyers that they are purchasing a property that has a functioning septic tank. Importantly, we now have funds available through the IJOBS Program that I proposed for helping unsewered communities, and as July 1, 2009, over 200 inspectors will be certified to inspect septic tanks.

For the above reasons, I respectfully disapprove the designated items in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in **Senate File 467** are hereby approved this date.

Sincerely,

Dear Mr. Secretary:

I hereby transmit **Senate File 469**, an Act relating to and making appropriations to the department of cultural affairs, the department of economic development, certain board of regents institutions, the department of workforce development, and the public employment relations board, and related matters. Senate File 469 is approved on this date, with the exception noted below, which I hereby disapprove.

I am unable to approve the item designated as Section 25 in its entirety. Section 25 of the bill directs employees to submit actual receipts for meals and other costs and requires that reimbursement up to the maximum amount shall only be allowed in an amount equal to the sum of the actual receipts submitted. While I agree with the general intent of this section and believe that employees should be reimbursed for actual expenses, this language would be particularly difficult to administer because similar language has not been included for every state agency or department or for the Legislature's own employees. Accordingly, I have issued Executive Order Thirteen to require the Department of Administrative Services (DAS) to implement a policy that will require every executive department of the Culver-Judge Administration to institute cost-effective and transparent practices that will track reimbursements paid to state employees for meals, travel and other work-related costs.

For the above reasons, I respectfully disapprove of the designated item in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in **Senate File 469** are hereby approved this date.

Chester J. Culver

Dear Mr. Secretary:

I hereby transmit **Senate File 470**, an Act relating to the funding of, the operation of, and appropriation of moneys to the college student aid commission, the department for the blind, the department of education, and the state board of regents, providing for related matters, and providing effective dates. Senate File 470 is approved on this date, with the exceptions noted below, which I hereby disapprove.

I am unable to approve the item designated as Section 13, subsection 3 of the bill. This item directs employees to submit actual receipts for meals and other costs and requires that reimbursement up to the maximum amount shall only be allowed in an amount equal to the sum of the actual receipts submitted. While I agree with the general intent of this section and believe that employees should be reimbursed only for actual expenses, this language would be particularly difficult to administer because similar language has not been included for every state agency or department or for the Legislature's own employees. Accordingly, I have issued Executive Order Thirteen to require the Department of Administrative Services (DAS) to implement a policy that will require every executive department of the Culver-Judge Administration to institute cost-effective and transparent practices that will track reimbursements paid to state employees for meals, travel and other work-related costs.

I am unable to approve Section 29 in its entirety. Section 29 creates a new Code Chapter, 261D.4 Provisional Withdrawal from Compact. The language authorizes the State of Iowa's withdrawal from the Midwestern Higher Education Compact effective July 1, 2009. While I appreciate that this language in Section 29 was developed as a cost-savings measure to save the state the cost of the annual membership in the Compact, such a temporary withdrawal from the Compact would violate the terms of the Compact in Iowa Code Chapter 261D. Additionally, Iowa state and local governments and school districts have saved over \$547,000 through group purchasing opportunities provided by Midwestern Higher Education Compact. The Board of Regents has committed to find the necessary funding in FY 2010 to continue Iowa's membership in the Compact.

For the above reasons, I respectfully disapprove of the designated items in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in **Senate File 470** are hereby approved this date.

Dear Mr. Secretary:

I hereby transmit **Senate File 475**, an Act relating to and making appropriations to the justice system, and including effective and retroactive applicability date provisions. Senate File 475 is approved on this date, with the exceptions noted below, which I hereby disapprove.

I am unable to approve the item designated as Section 4, subsection 5 in its entirety. Subsection 5 calls for the Department of Corrections to eliminate the chief security officer position by June 30, 2011. My Administration last year made establishment of this position a high priority in order to maintain consistent security procedures and policies within the Department of Corrections. I disapprove this language because it infringes upon the Executive Branch authority to staff this much-needed position.

I am unable to approve the item designated as Section 5, subsection 6 in its entirety. This provision would require all Community Based Correctional (CBC) Facilities to accept offenders transferred from other judicial districts without consideration of evidence-based practices regarding supervisory status. I disapprove this language because it would cause each CBC facility to lose control of the types and number of offenders whom they serve in their residential program.

For the above reasons, I respectfully disapprove the designated items in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in **Senate File 475** are hereby approved this date.

The Honorable Michael Mauro  
Secretary of State

Dear Mr. Secretary:

I hereby transmit **Senate File 478**, an Act relating to state and local finances by providing for funding of property tax credits and reimbursements, by making, increasing, and reducing appropriations, providing for salaries and compensation of state employees, providing for matters relating to tax credits, providing for fees and penalties, and providing for properly related matters and including effective date and retroactive and other applicability provisions. Senate File 478 is approved on this date, with the exceptions noted below, which I hereby disapprove.

I am unable to approve Section 21 of Senate File 478 in its entirety because this section requires the Department of Administrative Services to perform a job evaluation study of state employees for the purpose of determining whether the job classifications and pay grade levels are properly determined. The Department is to perform this study by randomly selecting state employees but was given no additional funding for such a study. Currently, the Department has in place a system of review to determine if an employee is properly classified, in which an employee can make a request for such a review. Pay grade reviews are handled through the collective bargaining process and should not be included in a random survey.

I am unable to approve the designated portions of lettered paragraph c and numbered paragraph 3 of Section 27 of Senate File 478 in their entirety. Lettered

paragraph c requires notification of the Legislative Council before any reduction is made of supervisory positions. This notification has not been required before and is an imposition upon Executive Branch functions. Numbered paragraph 3 requires the Department of Management to report on out-of-state travel. The Legislative Services Agency has access to all of the accounting data that flows through centralized accounting, Executive Council minutes, along with the power to request additional information from those agencies that do not use centralized accounting and; therefore, should be able to generate the type of reports asked for in this section. Further, while I agree that in difficult economic times special attention should be given to the issue of eliminating unnecessary travel, I am approaching this issue in a matter that differs from the approach taken in this section. Accordingly, I have issued Executive Order Thirteen to require the Department of Administrative Services (DAS) to implement a policy that will require every executive department of the Culver-Judge Administration to institute cost-effective and transparent practices that will track reimbursements paid to state employees for meals, travel and other work-related costs.

I am unable to approve Section 78 of Senate File 478 in its entirety. This section provides that a person whose license has been revoked for an operating while intoxicated (OWI) test failure after a prior OWI revocation for one year may apply after 45 days for a temporary restricted license to be issued by the Court. It is my understanding that this language was based on earlier information from the Iowa Department of Transportation that it would be in compliance with federal requirements. Further review now shows that this section will threaten the state's compliance with federal requirements for repeat offender laws.

I am unable to approve Section 134 of this bill in its entirety. This language would eliminate the tax credit to employers for purchasing assistive technology that allows them to employ persons with disabilities. This is not the time during this economic downturn to eliminate assistance for helping employers hire persons with disabilities, and I strongly encourage employers to use this tax credit.

I am unable to approve the designated portion of the first sentence of Section 232, numbered paragraph 6, the designated portion of the first sentence of Section 233, numbered paragraph 6 and the designated portion of the first sentence of Section 234, lettered paragraph h of Senate File 478. These sections require the Department of Revenue to issue an annual report naming claimants of the research activities tax credit that receive refunds in amounts that exceed \$500,000. I strongly support transparency in government and understand the worthy intent of this provision, but I am concerned that the requirement that would have applied retroactively to tax returns filed on or after January 1, 2009 might be questionably written, might arguably affect taxpayers' due process rights and might, therefore, have opened the way to a lengthy court challenge. Because this is a retroactive tax reporting change, I cannot let such an alteration in longstanding tax policy affect taxpayers that have already legally filed tax returns. Therefore, I am unable to approve the retroactive language.

For the above reasons, I respectfully disapprove the designated items in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in **Senate File 478** are hereby approved this date.

Sincerely,  
Chester J. Culver  
Governor

45 SEARCHABLE TAX RATE DATABASE

46 Sec. \_\_\_\_ NEW SECTION. 8G.10 INTENT – FINDINGS.

47 The general assembly finds that increasing the ease  
 48 of public access to state and local tax rates,  
 49 particularly where the rates are currently available  
 50 from disparate government sources but are difficult

Page 4

1 for the public to collect and efficiently aggregate,  
2 significantly contributes to governmental  
3 accountability, public participation, and the  
4 understanding of the cost of government services.  
5 Therefore, it is the intent of the general assembly to  
6 direct the department of management, in consultation  
7 with the department of revenue, to create and maintain  
8 a searchable database website of each tax rate for all  
9 taxing districts in the state to make citizen access  
10 to state and local tax rates as open, transparent, and  
11 publicly accessible as is feasible.

12 Sec.\_\_\_\_. NEW SECTION. 8G.11 SHORT TITLE.

13 This division shall be known and cited as the  
14 "Taxation Disclosure Act".

19 available on an internet site a searchable database of  
20 all tax rates in the state for each taxing  
21 jurisdiction. The information shall be aggregated by

23 physical address for each residency or business.  
24 Individual tax levies shall be further specified  
25 within each tax rate.

26 2. GEOGRAPHICAL TAX RATE MAP. In addition to  
27 searching for tax rates by zip code or physical  
28 address for each residency or business, searches shall  
29 be accommodated by a geographical tax rate map of the  
30 state that is capable of being displayed with a level  
31 of specificity corresponding to each taxing district.

32 3. INDIVIDUAL TAX RATE CALCULATOR. Tax rate  
33 calculators shall be provided on the searchable  
34 database to allow citizens and businesses to calculate  
35 taxes based on the location of the citizen or  
36 business. Calculation capability shall be provided at  
37 a minimum for property, sales, use, income, vehicle,  
38 and business taxes and shall be specific to the rate  
39 for the taxing district identified by the citizen or

41 Sec.\_\_\_\_. NEW SECTION. 8G.13 UPDATING DATABASE.

42 To facilitate the department of management's  
43 efforts in creating and maintaining a searchable  
44 database of the taxes identified in section 8G.12,  
45 subsection 3, for all taxing districts in the state,  
46 every taxing district shall report its tax rates  
47 annually to the department of management and shall  
48 report any changes to its tax rates within thirty days  
49 of the change.

 20 the first one thousand dollars which the taxpayer has  
 21 paid to others for each dependent, as defined in the  
 22 Internal Revenue Code, ages three through five for  
 23 early childhood development expenses. In determining  
 24 the amount of early childhood development expenses for  
 25 the tax year beginning in the 2006 calendar year only,  
 26 such expenses paid during November and December of the  
 27 previous tax year shall be considered paid in the tax  
 28 year for which the tax credit is claimed. This credit  
 29 is available to a taxpayer whose net income is less

 48 the new dollar amounts as specified to be adjusted in  
 49 section 422.5 by the latest cumulative inflation  
 50 factor and round off the result to the nearest one

1 dollar. The annual and cumulative inflation factors  
 2 determined by the director are not rules as defined in  
 3 section 17A.2, subsection 11. The director shall  
 4 determine for the 1990 calendar year and each  
 5 subsequent calendar year the annual and cumulative  
 6 standard deduction factors to be applied to tax years

 8 The director shall compute the new dollar amounts of  
 9 the standard deductions specified in section 422.9,  
 10 subsection 1, by the latest cumulative standard  
 11 deduction factor and round off the result to the  
 12 nearest ten dollars. The annual and cumulative  
 13 standard deduction factors determined by the director

 11 PROPERTY TAXES  
 12 Sec. \_\_\_\_\_. NEW SECTION. 425B.1 HOMESTEAD PROPERTY  
 13 TAX ADJUSTMENT.

14 Persons who own their homesteads and who meet the  
 15 qualifications provided in this chapter are eligible  
 16 for an adjustment in the amount of property taxes due  
 17 and payable on their homesteads, as provided in this  
 18 chapter.

19 Sec. \_\_\_\_ NEW SECTION. 425B.2 DEFINITIONS.

20 As used in this chapter, unless the context  
 21 otherwise requires:

22 1. "Base year" means the calendar year last ending  
 23 before the claim for adjustment is filed.

24 2. "Claimant" means a person filing a claim for  
 25 adjustment under this chapter who has attained the age  
 26 of sixty-five years on or before December 31 of the  
 27 base year and is domiciled in this state at the time  
 28 the claim is filed or at the time of the person's  
 29 death in the case of a claim filed by the executor or  
 30 administrator of the claimant's estate.

31 3. "Homestead" means the dwelling owned and  
 32 actually used as a home by the claimant during any  
 33 part of the fiscal year beginning July 1 of the base  
 34 year, and so much of the land surrounding it including  
 35 one or more contiguous lots or tracts of land, as is  
 36 reasonably necessary for use of the dwelling as a  
 37 home, and may consist of a part of a multidwelling or  
 38 multipurpose building and a part of the land upon  
 39 which it is built. It does not include personal  
 40 property except that a manufactured or mobile home may  
 41 be a homestead. Any dwelling or a part of a  
 42 multidwelling or multipurpose building which is exempt  
 43 from taxation does not qualify as a homestead under  
 44 this chapter. A homestead must be located in this  
 45 state. When a person is confined in a nursing home,  
 46 extended-care facility, or hospital, the person shall  
 47 be considered as occupying or living in the person's  
 48 homestead if the person is the owner of the homestead  
 49 and the person maintains the homestead and does not  
 50 lease, rent, or otherwise receive profits from other

Page 2

1 persons for the use of the homestead.

2 4. "Owned" means owned by an owner as defined in  
 3 section 425.11.

4 Sec. \_\_\_\_ NEW SECTION. 425B.3 QUALIFYING FOR  
 5 ADJUSTMENT – FILING OF CLAIM.

6 1. A person who wishes to qualify for the property  
 7 tax adjustment allowed under this chapter shall obtain  
 8 the appropriate forms for filing for the adjustment  
 9 from the county auditor or county treasurer. The  
 10 person claiming the adjustment shall file a verified  
 11 statement and designation of homestead with the county  
 12 auditor for the year for which the person is first

13 claiming the adjustment. The claim shall be filed not  
14 later than July 1 of the year for which the person is  
15 claiming the adjustment. A claim filed after July 1  
16 of the year for which the person is claiming the  
17 adjustment shall be considered as a claim filed for  
18 the following year.

19 2. Upon the filing and allowance of the claim, the  
20 claim shall be allowed on that homestead for  
21 successive years without further filing as long as the  
22 property is legally or equitably owned and used as a  
23 homestead by that person or that person's spouse on  
24 July 1 of each of those successive years, and the  
25 owner of the property being claimed as a homestead  
26 declares residency in Iowa for purposes of income  
27 taxation, and the property is occupied by that person  
28 or that person's spouse for at least six months in  
29 each of those calendar years in which the fiscal year  
30 begins. When the property is sold or transferred, the  
31 buyer or transferee who wishes to qualify shall refile  
32 for the adjustment. An owner who ceases to use a  
33 property for a homestead or intends not to use it as a  
34 homestead for at least six months in a calendar year  
35 shall provide written notice to the county assessor by  
36 July 1 following the date on which the use is changed.  
37 A person who sells or transfers a homestead or the  
38 personal representative of a deceased person who had a  
39 homestead at the time of death, shall provide written  
40 notice to the county auditor that the property is no  
41 longer the homestead of the former claimant.

42 3. The right to file a claim for a property tax  
43 adjustment under this chapter may be exercised by the  
44 claimant or on behalf of a claimant by the claimant's  
45 legal guardian, spouse, or attorney, or by the  
46 executor or administrator of the claimant's estate.  
47 If a claimant dies after having filed a claim for  
48 adjustment, the amount of any adjustment shall be made  
49 as if the claimant had not died.

50 4. A person shall not make a claim for adjustment

Page 3

1 in more than one county or for more than one dwelling  
2 in the same county.

3 Sec.\_\_\_\_. **NEW SECTION.** 425B.4 VERIFICATION OF  
4 CLAIMS.

5 The county auditor shall retain a permanent file of  
6 current property tax adjustment claims filed in the  
7 auditor's office. The county auditor shall file a  
8 notice of transfer of property for which a claim is  
9 filed when notice is received from the office of the  
10 county recorder.

11 The county recorder shall give notice to the county

12 auditor of each transfer of title filed in the county  
 13 recorder's office. The notice shall describe the  
 14 property transferred, the name of the person  
 15 transferring the title to the property, and the name  
 16 of the person to whom title to the property has been  
 17 transferred.

18 Not later than July 6 of each year, the county  
 19 auditor shall remit the statements and designation of  
 20 homesteads to the board of supervisors with the county  
 21 auditor's recommendation for allowance or  
 22 disallowance. If the county auditor recommends  
 23 disallowance of a claim, the county auditor shall  
 24 submit the reasons for the recommendation, in writing,  
 25 to the board of supervisors.

26 The board shall allow or disallow the claims. If  
 27 the board disallows a claim, the board shall send  
 28 written notice, by mail, to the claimant at the  
 29 claimant's last known address. The notice shall state  
 30 the reasons for disallowing the claim for the property  
 31 tax adjustment. The board is not required to send  
 32 notice that a claim is disallowed if the claimant  
 33 voluntarily withdraws the claim.

34 Sec.\_\_\_\_. NEW SECTION. 425B.5 ADJUSTMENT OF TAX  
 35 DOLLARS LEVIED – CREDIT ALLOWED.

36 1. a. The adjustment allowed under this chapter  
 37 shall be the amount computed in this section.

38 b. The county auditor shall determine the lesser  
 39 of the following:

40 (1) The product of the taxes due and payable on  
 41 the homestead in the previous fiscal year, excluding  
 42 any adjustment made under paragraph "c" for the  
 43 previous fiscal year, times one and two hundredths.

44 (2) The taxes due and payable by the claimant in  
 45 the current fiscal year.

46 c. If the lesser amount is the amount computed in  
 47 paragraph "b", subparagraph (1), the difference  
 48 between the amount in paragraph "b", subparagraph (2)  
 49 and the amount in paragraph "b", subparagraph (1),  
 50 shall be the amount of the property tax adjustment for

Page 4

1 the current fiscal year.

2 2. The amount of the property tax adjustment shall  
 3 appear as a credit on the claimant's property tax  
 4 statement for the current fiscal year.

5 Sec.\_\_\_\_. NEW SECTION. 425B.6 ADMINISTRATION.

6 The director of revenue shall make available  
 7 suitable forms for claiming property tax adjustments  
 8 with instructions for claimants. Each county auditor  
 9 and county treasurer shall make available the forms  
 10 and instructions. The claim shall be in a form as the

11 director may prescribe.

12 Sec.\_\_\_\_. NEW SECTION. 425B.7 PROOF OF CLAIM.

13 1. In addition to the filing requirements in  
14 section 425B.3, subsection 1, every claimant shall  
15 give the county auditor, in support of the claim,  
16 reasonable proof of:

17 a. Age.

18 b. Changes of homestead.

19 c. Household membership.

20 d. Size and nature of the property claimed as the  
21 homestead.

22 2. The county auditor may require any additional  
23 proof necessary to support a claim.

24 Sec.\_\_\_\_. NEW SECTION. 425B.8 AUDIT – DENIAL.

25 If on the audit of a claim for adjustment under  
26 this chapter, the director of revenue determines the  
27 claim is not allowable, the director shall notify the  
28 claimant of the denial and the reasons for it. The  
29 director shall not deny a claim after three years from  
30 October 31 of the year in which the claim was filed.  
31 The director shall give notification to the county  
32 auditor of the denial of the claim and the county  
33 auditor shall instruct the county treasurer to proceed  
34 to collect the tax that would have been levied in the  
35 same manner as other property taxes due and payable  
36 are collected, if the property on which the adjustment  
37 was granted is still owned by the claimant.

38 Sec.\_\_\_\_. NEW SECTION. 425B.9 FALSE CLAIM –  
39 PENALTY.

40 A person who makes a false affidavit for the  
41 purpose of obtaining an adjustment in property taxes  
42 provided for in this chapter or who knowingly receives  
43 the adjustment without being legally entitled to it or  
44 makes claim for the adjustment in more than one county  
45 in the state without being legally entitled to it is  
46 guilty of a fraudulent practice. The claim for  
47 adjustment shall be disallowed in full and property  
48 tax shall be levied in the amount that would have been  
49 levied but for the adjustment. The director of  
50 revenue shall send a notice of disallowance of the

Page 5

1 claim.

2 Sec.\_\_\_\_. NEW SECTION. 425B.10 STATUTES  
3 APPLICABLE.

4 To the extent not otherwise contrary, the  
5 provisions of sections 425.30, 425.31, 425.32, and  
6 425.37 apply to this chapter.

7 Sec.\_\_\_\_. STATE FUNDING OF TAX CREDITS AND  
8 EXEMPTIONS – INAPPLICABILITY. The provisions in  
9 section 25B.7, relating to the obligation of the state

10 to reimburse local jurisdictions for property tax

4 "Section 1. Section 85.27, subsection 4, Code  
5 2009, is amended by striking the subsection and  
6 inserting in lieu thereof the following:

7 4. a. For purposes of this section, the employer  
8 is obligated to furnish reasonable services and  
9 supplies to treat an injured employee, and has the  
10 right to choose the initial provider of medical care.  
11 When an injury occurs, the employer shall promptly  
12 provide medical care for the injury and designate a  
13 licensed physician to treat the injury and any  
14 condition that the physician believes is causally  
15 related to the injury. For the purposes of this  
16 section, "physician" means the same as defined in  
17 section 135.1.

18 (1) The designated treating physician shall be  
19 authorized by the employer to treat the injury at the  
20 employer's expense, in any manner deemed appropriate  
21 by the physician, without a requirement of approval at  
22 any time by a representative or agent of the employer  
23 or the employer's insurer for diagnostic testing or  
24 treatment modalities ordered by the designated  
25 treating physician.

26 (2) The designated treating physician shall also  
27 be authorized by the employer to refer the injured  
28 employee to other physicians, therapists, or medical  
29 providers of specialized services at the employer's  
30 expense without a requirement of approval at any time  
31 by a representative or agent of the employer or the  
32 employer's insurer.

33 (3) The physicians, therapists, or medical  
34 providers of specialized services to whom the injured  
35 employee is referred by the designated treating  
36 physician shall be authorized to treat the injury at  
37 the employer's expense, in any manner deemed

44 b. (1) If at any time prior to an evaluation of  
45 permanent disability by the treating physician  
46 designated by the employer or by a physician to whom  
47 the injured employee has been referred by the  
48 designated treating physician, the employee has reason  
49 to be dissatisfied with the treatment options or  
50 medical opinions of such physicians, the employee may

Page 2

1 request that the employer pay the reasonable costs of  
2 an examination of the employee by a physician of the  
3 employee's choice for purposes of identifying further  
4 or other treatment options or medical opinions. The  
5 employer shall also reimburse the employee for the  
6 reasonably necessary transportation expenses incurred  
7 by the employee in traveling to and from the place of  
8 examination.

9 (2) If, after examination of the employee, the  
10 physician chosen by the employee recommends further or  
11 other treatment for the employee's injury or provides  
12 other medical opinions, the employee may discontinue  
13 treatment by the treating physician designated by the  
14 employer or by a physician, therapist, or medical  
15 provider of specialized services to whom the employee  
16 has been referred by the employer's designated  
17 treating physician, and may commence treatment of the  
18 injury with the physician chosen by the employee.

19 c. If the employer or employee has reason to be  
20 dissatisfied with any medical care or treatment  
21 ordered for or provided to the injured employee  
22 pursuant to this subsection, the employer and the  
23 employee may mutually agree upon alternate care.

24 (1) If the employer and employee cannot agree on  
25 alternate care, either the employer or the employee  
26 shall notify an insurance claims specialist with the  
27 division of workers' compensation who shall, within  
28 five working days of receiving such notification,  
29 schedule a conference between the employer and  
30 employee by any reasonable manner available to review  
31 the basis for dissatisfaction and at such conference  
32 provide an advisory opinion to resolve the medical  
33 care dispute.

34 (2) If, following the conference with the  
35 insurance claims specialist as provided in  
36 subparagraph (1), the employer and employee cannot  
37 agree on alternate care, the workers' compensation

38 commissioner may, upon application and reasonable  
39 proof of the necessity therefor, allow and order  
40 alternate care. The commissioner shall not be bound  
41 by the advisory opinion of the insurance claims  
42 specialist. Upon application by either the employer  
43 or employee, the commissioner shall conduct a hearing  
44 by any reasonable manner available to effectuate a  
45 prompt resolution of the alternate care dispute. The  
46 commissioner shall issue a decision within ten working  
47 days of receipt of an application for alternate care.  
48 d. The employer or its insurer is liable for the

50 all physicians, therapists, or medical providers

Page 3

1 designated by the employer, employee, or commissioner  
2 pursuant to this section and shall hold the employee  
3 harmless for the cost of the medical care provided and  
4 reasonably necessary transportation expenses incurred.  
5 e. (1) The employer has the right to request, as  
6 often as is reasonable, that an injured employee  
7 submit, at a reasonable time and place, to an  
8 examination by a physician chosen by the employer and  
9 authorized to practice under the laws of this state or  
10 another state, for any purpose relevant to the  
11 employer's duties to provide benefits to the employee  
12 pursuant to this chapter or chapters 85A, 85B, and 86.  
13 If the employer requests in writing that the employee  
14 submit to such an examination and offers to advance or  
15 reimburse the employee's reasonably necessary  
16 transportation expenses incurred in traveling to and  
17 from the place of the examination, the employee shall  
18 submit to the examination.  
19 (2) Each time that an employee is requested to and  
20 submits to an examination requested by the employer as  
21 provided in subparagraph (1), the employee has the  
22 right to be examined by a physician chosen by the  
23 employee and authorized to practice under the laws of  
24 this state or another state, for any purpose relevant  
25 to the employer's duties to provide benefits to the  
26 employee as provided in subparagraph (1).  
27 (3) Each time that an employer obtains an  
28 evaluation of an employee's permanent disability by a  
29 physician chosen by the employer, if the injured  
30 employee believes that the evaluation of the extent of  
31 the employee's permanent disability is too low, the  
32 employee may obtain a subsequent examination and  
33 evaluation of the employee's permanent disability by a  
34 physician of the employee's choice. The physician  
35 chosen by the employee has the right to confer with

  - 11 g. "Withholding agreement" means the agreement  
 12 between a ~~pilot project~~ participating city and an

 14 credit authorized in subsection 3.
- 15 2. ~~a.~~ An eligible city may apply to the  
 16 department of economic development to be designated as  
 17 a ~~pilot project~~ participating city. An eligible city  
 18 is a city that contains three or more census tracts,  
 19 ~~and is located in a county meeting one of the~~  
 20 ~~following requirements:~~  
 21 (1) ~~A county that borders Nebraska.~~

~~22 (2) A county that borders South Dakota.~~

 30 If two eligible cities are approved which are located  
 31 in the same county and the county has a population of  
 32 less than forty five thousand, the two approved  
 33 eligible cities shall be considered one pilot project  
 34 city. If more than two cities meeting the  
 35 requirements of paragraph "a", subparagraph (3), apply

 37 department of economic development shall determine

Page 3

~~1 applications from other eligible cities to replace~~  
~~2 that city. Another city shall be designated within~~  
~~3 six months.~~  
 4 3. a. A pilot project participating city may  
 5 provide by ordinance for the deposit into a designated

 10 to employees pursuant to a withholding agreement.  
 11 b. An amount equal to three percent of the gross  
 12 wages paid by an employer to each employee under a  
 13 withholding agreement shall be credited from the  
 14 payment made by the employer pursuant to section  
 15 422.16. If the amount of the withholding by the  
 16 employer is less than three percent of the gross wages  
 17 paid to the employees covered by the withholding  
 18 agreement, the employer shall receive a credit against  
 19 other withholding taxes due by the employer or may  
 20 carry the credit forward for up to ten years or until

21 depleted, whichever is the earlier. The employer  
22 shall remit the amount of the credit quarterly, in the  
23 same manner as withholding payments are reported to  
24 the department of revenue, to the ~~pilot project~~  
25 participating city to be allocated to and when  
26 collected paid into a designated account in the  
27 special fund for the urban renewal area in which the  
28 targeted jobs are located. All amounts so deposited  
29 shall be used or pledged by the ~~pilot project~~

31 related to the employer pursuant to the withholding  
32 agreement.

33 c. (1) The ~~pilot project~~ participating city shall  
34 enter into a withholding agreement with each employer  
35 concerning the targeted jobs withholding credit.  
36 However, an agreement shall not be entered into by a  
37 ~~pilot project~~ participating city with a business  
38 currently located in this state unless the business  
39 either creates ten new jobs or makes a qualifying  
40 investment of at least five hundred thousand dollars  
41 within the urban renewal area. The withholding  
42 agreement may have a term of up to ten years. An  
43 employer shall not be obligated to enter into a  
44 withholding agreement.

45 (2) The ~~pilot project~~ participating city shall not

12 department of revenue that the targeted jobs  
13 withholding credit is in accordance with the  
14 withholding agreement and shall provide other  
15 information the department may require. Notice of any  
16 withholding agreement shall be provided promptly to  
17 the department of revenue following execution of the  
18 agreement by the ~~pilot project~~ participating city and  
19 the employer.

20 (2) Following termination of the withholding  
 21 agreement, the employer credits shall cease and any  
 22 money received by the ~~pilot project~~ participating city  
 23 after termination shall be remitted to the treasurer  
 24 of state to be deposited into the general fund of the  
 25 state. Notice shall be provided promptly to the  
 26 department of revenue following termination.

27 f. If the employer ceases to meet the requirements  
 28 of the withholding agreement, the agreement shall be  
 29 terminated and any withholding tax credits for the  
 30 benefit of the employer shall cease. However, in  
 31 regard to the number of new jobs that are to be  
 32 created, if the employer has met the number of new  
 33 jobs to be created pursuant to the withholding  
 34 agreement and subsequently the number of new jobs  
 35 falls below the required level, the employer shall not  
 36 be considered as not meeting the new job requirement  
 37 until eighteen months after the date of the decrease  
 38 in the number of new jobs created.

 23 (2) For purposes of this paragraph "j", "local  
 24 financial support" means cash or in-kind contributions  
 25 to the project from a private donor, a business, or

 28 the amount of property tax revenues collected by the  
 29 participating city by an amount equal to at least ten  
 30 percent of the amount of withholding credit dollars  
 31 received by the participating city, then the  
 32 participating city shall itself contribute at least  
 33 ten percent of the local match amount computed under  
 34 subparagraph (1).

35 (4) If the project, when completed, will not  
 36 increase the amount of property tax revenues collected  
 37 by an amount at least equal to ten percent of the  
 38 amount of withholding credit dollars received by the  
 39 participating city, then the participating city shall  
 40 not be required to make a contribution to the local  
 41 match.

42 (5) A participating city's contribution, if any,  
 43 to the local match may include the dollar value of any  
 44 tax abatement provided by the city to the business for  
 45 new construction.

46 k. At the time of submitting its budget to the  
 47 department of management, the ~~pilot project~~  
 48 participating city shall submit to the department of

11 and attempt to enter into a contract with the selected  
12 design-builder to serve as the design-builder for the  
13 public project. If the governmental entity is unable  
14 to negotiate a satisfactory contract with the selected  
15 design-builder, negotiations with that design-builder  
16 shall be terminated, and the governmental entity shall  
17 undertake negotiations with the design-builder

21 contract shall not be awarded.  
22 8. If the governmental entity determines that it  
23 is not in its best interest to proceed with the public  
24 project pursuant to the proposals offered, the  
25 governmental entity shall reject all proposals. If  
26 all proposals are rejected, the governmental entity  
27 may solicit new statements of qualifications and  
28 proposals using different design or budget criteria.  
29 9. As an inducement to qualified design-builders,  
30 the governmental entity shall pay a fair and  
31 reasonable stipend, the amount of which shall be  
32 established in the request for proposals, to each  
33 design-builder who participates in phase II, but is

48 Sec. 25. NEW SECTION. 466C.3 REGIONAL WATERSHED  
 49 ASSESSMENT, PLANNING, AND PRIORITIZATION.

- 50 1. The center shall create a regional watershed

Page 23

1 assessment program. The program shall assess all the  
2 regional watersheds in the state.

3 a. Under the program, a statewide assessment shall  
4 be conducted at the rate of approximately one-third of  
5 the watersheds in the state per year, and an initial  
6 statewide assessment shall be completed within three  
7 years. Thereafter, the center shall review and update  
8 the assessments on a regular basis.

9 b. Each regional watershed assessment shall  
10 provide a summary of the overall condition of the  
11 watershed. The information provided in the summary  
12 may include land use patterns, soil types, slopes,  
13 management practices, stream conditions, and both  
14 point and nonpoint source impairments.

15 c. In conducting regional watershed assessments,  
16 the center may identify and facilitate local data  
17 collection to support the assessment process.

18 2. In conducting the regional watershed assessment  
19 program, the center shall provide hydrologic and  
20 geologic information sufficient for the council to  
21 prioritize watersheds statewide and for the various  
22 communities in those watersheds to plan remedial  
23 efforts in their local communities and subwatersheds.

24 3. Upon completion of the initial statewide  
25 assessment, and upon subsequent assessment updates,  
26 the center shall report the results of the assessment,  
27 and any updates, to the council and the general  
28 assembly, and shall make the report available to the  
29 public.

30 Sec. 26. NEW SECTION. 466C.4 COMMUNITY-BASED  
31 SUBWATERSHED IMPROVEMENT PLANS.

32 1. After the center's completion of the initial  
33 regional watershed assessment, and after the council's  
34 prioritization of the regional watersheds, the council  
35 shall initiate the organization of an interagency  
36 integrated water resources committee to facilitate the  
37 development and implementation of local,  
38 community-based subwatershed improvement plans.

39 2. In facilitating the development of  
40 community-based subwatershed improvement plans, the  
41 interagency integrated water resources committee  
42 shall, based on the results of the regional watershed  
43 assessment program, identify critical subwatersheds  
44 within priority regional watersheds and recruit  
45 communities, citizen groups, local governmental  
46 entities, or other stakeholders to engage in the  
47 assessment, planning, prioritization, and  
48 implementation of a local community-based subwatershed  
49 improvement plan. The interagency integrated water  
50 resources committee may assist in the formation of a

Page 24

1 group of initial local community-based subwatershed  
2 improvement plans that can be implemented as pilot  
3 projects, in order to develop an effective process  
4 that can be replicated across the state.

5 Sec. 27. NEW SECTION. 466C.5 COMMUNITY-BASED  
6 SUBWATERSHED MONITORING.

7 1. After completion of the statewide regional  
8 watershed assessment and prioritization, and  
9 throughout the implementation of local community-based  
10 subwatershed improvement plans, the center shall  
11 assist communities with the monitoring and measurement  
12 of local subwatersheds. The monitoring and  
13 measurement shall be designed for the particular needs  
14 of individual communities while considering statewide  
15 watershed issues.

16 2. Local communities in which the center conducts  
17 subwatershed monitoring shall use the information to  
18 support subwatershed planning activities, guide  
19 supplemental local data collection efforts, and  
20 identify priority areas needing additional resources.  
21 Local communities shall collect data over time and use  
22 the data to evaluate the impacts of their management  
23 efforts. Data collected, as directed by interagency  
24 integrated water resources committees, shall be  
25 integrated into a digital regional watershed framework  
26 in real-time, or near real-time, by the center for use  
27 in assessment and planning by all the communities in  
28 the watershed. The center shall integrate digital  
29 regional watershed information into a digital  
30 statewide framework for assessment and planning for  
31 state water resources planning.

32 Sec. 28. NEW SECTION. 466C.6 DEVELOPMENT OF  
33 ADVANCED NUMERICAL TOOLS FOR WATER RESOURCES  
34 MANAGEMENT.

35 1. After completion of the statewide regional  
36 watershed assessment and prioritization, the center  
37 shall develop and implement physically based  
38 hydrologic models to improve watershed and community  
39 scale flood prediction and mitigation planning.

40 a. Physically based hydrologic models shall be  
41 used to improve understanding of frequency of flood  
42 occurrence within the state and to guide risk-based  
43 flood mitigation planning.

44 b. Physically based hydrologic models shall be  
45 used in conjunction with hydrologic sensor networks to  
46 provide real-time river discharge forecasts to aid  
47 communities in implementing flood response plans.

48 2. The center shall produce flood inundation maps  
49 relating the spatial extent of flooding to predicted  
50 stream flows.

Page 25

1 a. The center shall perform hydrodynamic  
2 simulations of river flow to create detailed water  
3 surface profiles for use in developing high-resolution  
4 flood inundation maps. A library of inundation maps  
5 including but not limited to the one hundred year and  
6 five hundred year recurrence intervals shall be  
7 developed and made available along all rivers and  
8 streams within each watershed. In addition to the  
9 static library of flood inundation maps, the center  
10 shall provide real-time forecasted flood inundation  
11 maps during the threat of severe flooding for  
12 imperiled communities.

13 b. Flood inundation maps shall be stored in a  
14 geospatial database and publicly distributed through  
15 web-based applications.

16 Sec. 29. NEW SECTION. 466C.7 COMMUNITY  
17 ENGAGEMENT AND TRAINING.

18 1. The center shall implement statewide programs  
19 to educate Iowans on water quality, best management  
20 practices, and flood risk and mitigation.

21 2. The center shall provide technical training  
22 through regional workshops and short courses to water  
23 resources professionals in state agencies, city and  
24 county administrators, and private companies.  
25 Training shall focus on application of hydrologic and  
26 water quality monitoring and forecasting technologies.

16 involuntary drugging of the victim.

19 value, excluding those resulting from the revaluation  
20 of existing properties, as reported by the assessors  
21 on the abstracts of assessment for 1979, plus four

HR 5 filed January 28, 2009; House Adopted January 29, 2009.

1 House Resolution 6  
 2 By Whitead, Smith, Whitaker, Bukta, Lykam,  
 3 Ford, Frevert, Reichert, Thede, Cohoon,  
 4 Berry, and Heddens  
 5 A resolution urging implementation of disability-friendly  
 6 principles for Iowa's health care coverage system.  
 7 *Whereas*, a higher proportion of working adult  
 8 Iowans with disabilities do not have health care  
 9 coverage as compared with the general population of  
 10 Iowans; and  
 11 *Whereas*, the lack of portability in health  
 12 insurance benefits often results in persons with  
 13 disabilities either being forced to remain in jobs to

14 retain health care coverage or to deliberately become  
15 impoverished to become eligible for publicly funded  
16 health care coverage; and  
17 *Whereas*, as the average age of Iowans continues to  
18 rise and health care coverage requirements become more  
19 restrictive, many more Iowans are likely to either  
20 become afflicted with a disability or otherwise  
21 experience health care coverage problems now  
22 experienced by persons with disabilities; and  
23 *Whereas*, as the needs and challenges relating to  
24 health care coverage have become increasingly  
25 difficult to address, it is essential to adopt a set  
26 of principles for the governor, the general assembly,  
27 other policymakers, and businesses to apply in  
28 addressing health care coverage needs of persons with  
29 disabilities and other Iowans; *Now Therefore*,  
30 *Be It Resolved by the House of Representatives*,

Page 2

1 That the governor, the general assembly, other  
2 policymakers, and businesses are urged to apply all of  
3 the following principles in addressing the health care  
4 coverage needs of persons with disabilities and other  
5 Iowans:  
6 1. An individual is able to maintain stable health  
7 care coverage despite changes in employment or  
8 accumulation of personal assets so that working adults  
9 with or without disabilities are not dropped from  
10 coverage due to the extent of a disability or the  
11 amount of service usage;  
12 2. Health care coverage is available to  
13 individuals at an affordable cost by using various  
14 cost-control strategies which may include pooling to  
15 share risks and costs over very large groups of  
16 individuals and the pools include both those who are  
17 generally healthy and those who have disabilities;  
18 3. An individual's contributions for the cost of  
19 health care coverage are based upon both the  
20 individual's ability to pay and the extent of the  
21 applicable employer or public contribution to the  
22 cost;  
23 4. Health care coverage is made both physically  
24 and cognitively accessible for all Iowans and the use  
25 of limitation measures such as exclusions of  
26 preexisting conditions is curtailed;  
27 5. The range of available health care coverage is  
28 made broad enough to cover an appropriate range of  
29 benefits, including but not limited to medications,  
30 mental health treatment, preventive services, personal

Page 3

1 health items, and special equipment. Coordination of  
 2 care and benefits among multiple providers is used so  
 3 that the needs of persons with disabilities are not  
 4 met through a system of second-class care;  
 5 6. The eligibility determination requirements used  
 6 for publicly supported health care available to  
 7 persons with disabilities is separated from the  
 8 requirements for other publicly supported benefits  
 9 available to such persons so that persons with  
 10 disabilities are not forced to become impoverished or  
 11 remain in poverty in order to secure health care  
 12 coverage and can instead purchase health care coverage  
 13 based on sliding fee scales or other flexible buy-in  
 14 options; and  
 15 7. The transition between the health care coverage  
 16 for children with disabilities and the coverage for  
 17 adults with disabilities is coordinated in order to  
 18 prevent gaps in care. The transition between the  
 19 coverage available through publicly supported programs  
 20 and private insurance is made seamless so that persons  
 21 with disabilities are able to pursue productive  
 22 employment and build personal assets; and  
 23 *Be it Further Resolved*, That the House of  
 24 Representatives finds that applying these principles  
 25 and providing better health care access for persons  
 26 with disabilities and other Iowans will result in  
 27 prevention of new health problems or secondary  
 28 conditions, reduce adverse medication effects, improve  
 29 preventive services and continuity of care, and  
 30 support greater independence for persons with

Page 4

1 disabilities and other Iowans.

HR 6 filed January 29, 2009; Adopted April 13, 2009.

1 House Resolution 9  
 2 By Murphy and Paulsen  
 3 A resolution to honor the memory of former state

 5 *Whereas*, when Barbara Finch came to the House of  
 6 Representatives in 2001, she represented a central  
 7 Iowa legislative district with a wide array of urban,  
 8 rural, and academic constituencies, and she ably  
 9 served the needs of each; and  
 10 *Whereas*, an active member of Farm Bureau,  
 11 Representative Finch also had a strong interest in  
 12 education; and  
 13 *Whereas*, Representative Finch was elected to the

14 79th General Assembly and served on the committees on  
15 education, environmental protection, ways and means,  
16 and served as the vice-chair of the health and human  
17 rights appropriations subcommittee; and  
18 *Whereas*, her dedication to public service won her  
19 the respect of her legislative colleagues and  
20 constituents alike; *Now Therefore*,  
21 *Be it Resolved by the House of Representatives*,  
22 That the House of Representatives rises to honor the  
23 life and the memory of former Representative Barbara

27 people; and  
28 *Whereas*, despite these contributions, and those of  
29 women throughout the world, the role of women has been  
30 consistently overlooked and undervalued, in the

2 *Therefore*,  
3 *Be it Resolved by the House of Representatives*,  
4 That the House of Representatives designates the month

1                   House Resolution 27  
2                   By Ford and Murphy  
3       A resolution urging the government of Turkey to grant  
4 the Ecumenical Patriarch appropriate international  
5 recognition, ecclesiastical succession, and the right  
6 to train clergy of all nationalities and to respect  
7 the property rights and human rights of the Ecumenical  
8 Patriarchate.  
9       *Whereas*, the Ecumenical Patriarchate, located in  
10 Istanbul, Turkey, is the Sacred See that presides in a  
11 spirit of brotherhood over a communion of  
12 self-governing churches of the Orthodox Christian  
13 world; and  
14       *Whereas*, the See is led by Ecumenical Patriarch  
15 Bartholomew, who is the 269th in direct succession to  
16 the Apostle Andrew and holds titular primacy as *primus*  
17 *inter pares*, meaning "first among equals" in the  
18 community of Orthodox churches worldwide; and  
19       *Whereas*, in 1994, Ecumenical Patriarch Bartholomew,  
20 along with leaders of the Appeal of Conscience  
21 Foundation, cosponsored the Conference on Peace and  
22 Tolerance, which brought together Christian, Jewish,  
23 and Muslim religious leaders for an interfaith  
24 dialogue to help end the Balkan conflict and the  
25 ethnic conflict in the Caucasus region; and  
26       *Whereas*, in 1997, the Congress of the United States  
27 awarded Ecumenical Patriarch Bartholomew with the  
28 Congressional Gold Medal; and  
29       *Whereas*, following the terrorist attacks on our  
30 nation on September 11, 2001, Ecumenical Patriarch

Page 2

1       Bartholomew gathered a group of international  
2 religious leaders to produce the first joint statement  
3 with Muslim leaders that condemned the 9/11 attacks as  
4 "antireligious"; and  
5       *Whereas*, in October 2005, the Ecumenical Patriarch,  
6 along with Christian, Jewish, and Muslim leaders,  
7 cosponsored the Conference on Peace and Tolerance II  
8 to further promote peace and stability in southeastern  
9 Europe, the Caucasus region, and Central Asia via  
10 religious leaders' interfaith dialogue, understanding,  
11 and action; and  
12       *Whereas*, the Orthodox Christian Church, in  
13 existence for nearly 2,000 years, numbers  
14 approximately 300 million members worldwide with more  
15 than 2 million members in the United States; and  
16       *Whereas*, since 1453, the continuing presence of the  
17 Ecumenical Patriarchate in Turkey has been a living  
18 testament to the religious coexistence of Christians  
19 and Muslims; and

20 *Whereas*, this religious coexistence is in jeopardy  
21 because the Ecumenical Patriarchate is considered a  
22 minority religion by the Turkish government; and  
23 *Whereas*, the government of Turkey has limited the  
24 candidates available to hold the office of Ecumenical  
25 Patriarch to only Turkish nationals, and from the  
26 millions of Orthodox Christians living in Turkey at  
27 the turn of the 20th century and due to the continued  
28 policies during this period by the Turkish government,  
29 there remain less than 3,000 of the Ecumenical  
30 Patriarch's flock left in Turkey today; and

Page 3

1 *Whereas*, the government of Turkey closed the  
2 Theological School on the island of Halki in 1971 and  
3 has refused to allow it to reopen, thus impeding  
4 training for Orthodox Christian clergy; and  
5 *Whereas*, the Turkish government has confiscated  
6 nearly 94 percent of the Ecumenical Patriarchate's  
7 properties and has placed a 42 percent tax,  
8 retroactive to 1999, on the Baloukli Hospital and Home  
9 for the Aged, a charity hospital run by the Ecumenical  
10 Patriarchate; and  
11 *Whereas*, the European Union, a group of nations  
12 with a common goal of promoting peace and the  
13 well-being of its peoples, began accession  
14 negotiations with Turkey on October 3, 2005; and  
15 *Whereas*, the European Union defined membership  
16 criteria for accession at the Copenhagen European  
17 Council in 1993, obligating candidate countries to  
18 achieve certain levels of reform, including stability  
19 of institutions guaranteeing democracy, adherence to  
20 the rule of law, and respect for and protection of  
21 minorities and human rights; and  
22 *Whereas*, the Turkish government's current treatment  
23 of the Ecumenical Patriarchate is inconsistent with  
24 the membership conditions and goals of the European  
25 Union; and  
26 *Whereas*, Orthodox Christians in this State and  
27 throughout the United States stand to lose their  
28 spiritual leader because of the continued actions of  
29 the Turkish government; and  
30 *Whereas*, the Archons of the Ecumenical Patriarchate

Page 4

1 of the Order of St. Andrew the Apostle, a group of  
2 laymen who each have been honored with a patriarchal  
3 title, or "offikion", by the Ecumenical Patriarch for  
4 their outstanding service to the Orthodox Church, will  
5 send an American delegation to Turkey to meet with

6 Turkish government officials, as well as the United  
7 States Ambassador to the Republic of Turkey, regarding  
8 the Turkish government's treatment of the Ecumenical  
9 Patriarchate; *Now Therefore,*  
10 *Be it Resolved by the House of Representatives,*  
11 That the House of Representatives urges the government  
12 of Turkey to uphold and safeguard religious and human  
13 rights without compromise; cease its discrimination of  
14 the Ecumenical Patriarchate; grant the Ecumenical  
15 Patriarch appropriate international recognition,  
16 ecclesiastic succession, and the right to train clergy  
17 of all nationalities; and respect the property rights  
18 and human rights of the Ecumenical Patriarchate; and  
19 *Be it Further Resolved,* That the Clerk of the House  
20 of Representatives is authorized and directed to  
21 transmit appropriate copies of this resolution to the  
22 President of the United States, the United States  
23 Ambassador to the Republic of Turkey, the Ambassador  
24 of the Republic of Turkey to the United States, and to  
25 the members of Iowa's congressional delegation.

4 A resolution honoring Iowa's women military veterans.  
5   *Whereas,* since the Revolutionary War, over 2.5  
6 million women have served in the United States Armed  
7 Forces; and  
8   *Whereas,* during the Civil War, Spanish-American  
9 War, and World War I, while their husbands and fathers  
10 were in the Army, Iowa women ran the farms and the  
11 stores, sent food and medicine to wounded soldiers,  
12 and cared for wounded and sick soldiers; and  
13   *Whereas,* during the second World War, Fort Des  
14 Moines hosted the formation and first training center  
15 for the Women's Army Auxiliary Corps, later renamed  
16 the Women's Army Corps, training 72,000 troops and  
17 commissioning the first female officers for noncombat  
18 duty between 1942 and 1945; and  
19   *Whereas,* Fort Des Moines produced 118 black female  
20 officers and 3,656 black enlisted women by war's end,  
21 representing 4 percent of all Women's Army Corps  
22 troops; and  
23   *Whereas,* the women who trained at Fort Des Moines  
24 were the first women other than nurses to serve within  
25 the ranks of the United States Army; and  
26   *Whereas,* over 150,000 American women served in the  
27 Women's Army Corps during World War II, freeing  
28 250,000 male soldiers for combat duty in Europe and  
29 the South Pacific and helping in a large way to make

30 the war effort successful; and

Page 2

1       *Whereas*, thousands of Iowa women were deployed  
2 during the Vietnam War and Operations Desert Shield  
3 and Desert Storm and served stateside in essential  
4 mission support roles; and

5       *Whereas*, over 14,500 Iowa women continue to serve  
6 their country in ever increasing numbers; and

7       *Whereas*, Iowa women have fulfilled the promise that  
8 began at Fort Des Moines by attaining high ranks in  
9 the military, including two Iowa women serving as  
10 Brigadier Generals, Janet Phipps and State  
11 Representative Jodi Tymeson; and

12       *Whereas*, over 14,000 women veterans make Iowa their  
13 home today, and the Fort Des Moines Museum, which has  
14 been open for five years, preserves and tells the  
15 story of the women pioneers of Fort Des Moines; *Now*  
16 *Therefore*,

17       *Be it Resolved by the House of Representatives*

18 That the House of Representatives recognizes and  
19 honors the service and achievements of women veterans  
20 of Iowa, thanks them for their service to the United

22 Iowans to recognize the contributions of women, past  
23 and present, in the armed forces.

3 A resolution to recognize the Iowa landmark the  
4 Surf Ballroom.

5       *Whereas*, in 1933 the Surf Ballroom opened its doors  
6 in Clear Lake, Iowa, providing music, dancing, and a  
7 chance to escape, for a few hours, the worries and  
8 cares of the Great Depression; and

9       *Whereas*, as the decades passed virtually every big  
10 name entertainer stopped at the Surf, including: Duke  
11 Ellington, the Little River Band, Loverboy, The  
12 Righteous Brothers, The Temptations, The Beach Boys,  
13 Waylon Jennings, and Bobby Rydell; and

14       *Whereas*, the Surf Ballroom has also known great  
15 tragedy – the original ballroom burned to the ground  
16 in 1947 and on February 3, 1959, three of the most  
17 popular rock and roll stars from the 1950s, Buddy  
18 Holly, Ritchie Valens, and The Big Bopper, died in a  
19 plane crash after performing at the Surf Ballroom; and

20       *Whereas*, the Surf Ballroom hosts the last stop of  
21 the "Winter Dance Party Tour", an annual tribute, on  
22 the anniversary of Holly's last performance; and

23 *Whereas*, on January 28, 2009, nearly 50 years after  
 24 that sad day, the Surf Ballroom was designated an  
 25 official Rock and Roll Hall of Fame historical  
 26 landmark; *Now Therefore*,  
 27 *Be it Resolved by the House of Representatives*,  
 28 That the House of Representatives recognizes the Surf  
 29 Ballroom as a cultural icon in Iowa and applauds the  
 30 ongoing efforts of local citizens who have dedicated

1 House Resolution 43

 3 A resolution honoring the Kirkwood Eagles Women's

 5 *Whereas*, for most of its 44-year history, Kirkwood  
 6 Community College has offered intercollegiate sports  
 7 to encourage the development of the whole individual,  
 8 to promote collegiate, civic, and community pride, and  
 9 to foster goodwill with other colleges and their

1                   House Resolution 44  
 2 By Abdul-Samad, Smith, Wessel-Kroeschell, Thede,  
 3 Upmeyer, L. Miller, Heddens, and Heaton  
 4 A resolution expressing support for improved adolescent  
 5 health.  
 6 *Whereas,* adolescence is a critical time to develop  
 7 positive habits and skills that can lead to healthy  
 8 lifestyles and behavior over an individual's lifetime;  
 9 and  
 10 *Whereas,* many adolescents and young adults struggle  
 11 to adopt behaviors that could decrease their risk of  
 12 sustaining serious injuries or developing chronic  
 13 diseases in adulthood – behaviors such as avoiding  
 14 dangerous situations and taking appropriate safety  
 15 precautions, eating nutritiously, engaging in physical  
 16 activity, avoiding tobacco and drugs, and choosing not  
 17 to abuse alcohol; and  
 18 *Whereas,* environmental factors such as family, peer  
 19 group, school, and community characteristics also  
 20 contribute to the challenges that adolescents face;  
 21 and  
 22 *Whereas,* the Institute of Medicine and the National  
 23 Research Council have concluded that "prevention,  
 24 early intervention and timely treatment improve health  
 25 status for adolescents and prepare them for healthy  
 26 adulthood; such services also decrease the incidence  
 27 of many chronic diseases in adulthood"; and  
 28 *Whereas,* 1.4 million Iowans are already overweight  
 29 or obese, a sample of Iowa children found that nearly  
 30 20 percent were at risk for being overweight and more

Page 2

1 than 18 percent are already overweight, only 16.6  
 2 percent of 9th through 12th grade students reported  
 3 eating five or more servings of fruits and vegetables  
 4 daily, and total annual health care costs attributable

5 to adult obesity in Iowa are estimated at \$783  
6 million; and  
7 *Whereas*, type 2 diabetes, which is linked to  
8 obesity and physical inactivity and most often appears  
9 in people older than 40, is now being found in younger  
10 people and even in children and teenagers; and  
11 *Whereas*, the leading causes of death for Iowans  
12 ages 15-24 are motor vehicle crashes and suicide, and  
13 this age group also has the highest rate of  
14 hospitalizations and emergency department visits for  
15 these injuries; and  
16 *Whereas*, the United States Department of Health and  
17 Human Services' Substance Abuse and Mental Health  
18 Services Administration recommends that adolescents be  
19 screened for alcohol use and depression at regular  
20 health screenings so they can be referred for  
21 appropriate services; and  
22 *Whereas*, the national Advisory Committee on  
23 Immunization Practices, American Academy of  
24 Pediatrics, American Academy of Family Physicians, and  
25 the American Medical Association recommend a routine  
26 health care visit for adolescents aged 11-12 to  
27 receive recommended immunizations and other  
28 evidence-based preventive health care services; and  
29 *Whereas*, the Center for Disease Control's National  
30 Immunization Survey found that immunization coverage

Page 3

1 levels among adolescents in 2006 did not meet the  
2 Healthy People 2010 objective of 90 percent coverage  
3 for 13-15 year olds for any of the vaccines measured;  
4 and  
5 *Whereas*, the Society for Adolescent Medicine has  
6 found that adolescent well visits are one of the best  
7 tools of preventive care to ensure continued health  
8 and safety from childhood to adulthood and that  
9 children and adolescents who regularly visit a primary  
10 care physician are less likely to have emergency room  
11 visits and preventable injuries or hospitalizations;  
12 and  
13 *Whereas*, the United States Department of Health and  
14 Human Services' Health Resources and Services  
15 Administration has developed, in conjunction with the  
16 American Academy of Pediatrics, the Bright Futures  
17 Initiative, which provides a set of guidelines  
18 including recommendations on immunizations and routine  
19 health screenings for adolescents; and  
20 *Whereas*, because adolescents remain under the  
21 guardianship of their parents, parental awareness of  
22 the need for an adolescent well visit plays an  
23 enormous role in the incidence of adolescent well

24 visits; *Now Therefore,*  
 25 *Be it Resolved by the House of Representatives,*  
 26 That the House of Representatives encourages the  
 27 Department of Public Health to educate parents on the  
 28 importance of an adolescent well physical to prevent  
 29 chronic diseases, avoid injury, appropriately  
 30 intervene to better treat chronic disease, and update

 12 first three years as head coach, the best cumulative  
 13 record of any Panther men's basketball coach's first  
 14 three years at the helm; and, along with the assistant  
 15 coaching staff, encouraged, directed, and inspired the  
 16 team to great success this season; *Now Therefore*,  
 17 *Be it Resolved by the House of Representatives*,  
 18 That the House of Representatives congratulates the  
 19 University of Northern Iowa Panther Men's Basketball

 13 A resolution urging the spending of federal economic  
 14 recovery funds on products that are made and services  
 15 that are performed in the United States.  
 16 *Whereas*, the economic downturn is having a critical  
 17 impact on everyday Americans who are struggling to  
 18 maintain or find jobs in an increasingly difficult  
 19 environment; and  
 20 *Whereas*, those same Americans are the taxpayers  
 21 that provide the revenue needed to operate essential  
 22 government services; and  
 23 *Whereas*, the Congress of the United States passed,  
 24 and President Obama recently signed into law, an  
 25 economic recovery package that will provide billions  
 26 of dollars to help economically devastated cities and

27 states immediately provide jobs to millions of  
 28 out-of-work Americans through considerable  
 29 infrastructure rebuilding, green energy projects, and  
 30 other projects that will require manufactured

Page 2

1 components; and  
 2 *Whereas*, our taxpayer dollars should be spent to  
 3 maximize the creation of American jobs and restore the  
 4 economic vitality of our communities; and  
 5 *Whereas*, any domestically produced products that  
 6 are purchased with economic recovery plan funds will  
 7 immediately help struggling businesses and American  
 8 families and will help stabilize the greater economy;  
 9 and  
 10 *Whereas*, any economic recovery plan spending for  
 11 products and services should, to the extent possible,  
 12 include a commitment from this state to buy materials,  
 13 goods, and services that are produced or performed by  
 14 companies within the United States, thus employing the  
 15 workers that pay taxes for the economic recovery plan  
 16 spending; *Now Therefore*,  
 17 *Be it Resolved by the House of Representatives*,  
 18 That the House of Representatives will work to  
 19 maximize the creation of American jobs and restore  
 20 economic growth and opportunity by urging the spending  
 21 of economic recovery plan funds on products and  
 22 services that both create jobs and help keep Americans  
 23 employed; and  
 24 Be It Further Resolved, That the House of  
 25 Representatives urges that economic recovery funds  
 26 received by the state of Iowa be used to purchase,  
 27 when possible, products that are made and services  
 28 that are performed in the United States; and  
 29 Be it Further Resolved, That the House of  
 30 Representatives calls upon all state agencies to

Page 3

1 promptly establish procurement priorities so as to  
 2 give American workers and producers the opportunity to  
 3 identify and provide American products and services to
