26 HEALTH INFORMATION TECHNOLOGY

27 Sec. ____ NEW SECTION. 135D.1 Findings and intent.

28 1. The general assembly finds all of the following:

29 a. Technology used to support health-related
30 functions is widely known as health information
31 technology. Electronic health records are used to
32 collect and store relevant patient health information.
33 Electronic health records serve as a means of bringing
34 evidence-based knowledge resources and patient
35 information to the point of care to support better
36 decision making and more efficient care processes.

37 b. Health information technology allows for
38 comprehensive management of health information and its
39 secure electronic exchange between providers, public
40 health agencies, payers, and consumers. Broad use of
41 health information technology should improve health
42 care quality and the overall health of the population,
43 increase efficiencies in administrative health care,
44 reduce unnecessary health care costs, and help prevent
45 medical errors.

46 c. Health information technology provides a
47 mechanism to transform the delivery of health and
48 medical care in Iowa and across the nation.

49 2. It is the intent of the general assembly to
50 use health information technology as a catalyst

Page 34

1 to achieve a healthier Iowa through the electronic
2 sharing of health information. A health information
3 network involves sharing health information across the
4 boundaries of individual practice and institutional
5 health settings and with consumers. The result is a
6 public good that will contribute to improved clinical
7 outcomes and patient safety, population health, access
8 to and quality of health care, and efficiency in health
9 care delivery.

10 3. It is the intent of the general assembly that
11 the health information network shall not constitute a
12 health benefit exchange or a health insurance exchange.

9 the health information network. The means and process
10 utilized under the rules shall minimize the burden on
11 patients and providers.

12 b. Unless otherwise authorized by law or rule,
13 a patient's decision to decline participation means
14 that none of the patient's health information shall be
15 exchanged through the health information network. If a
16 patient does not decline participation, the patient's
17 health information may be exchanged through the health
18 information network except as follows:

24 health information network from such visit as provided
25 by rule.

26 (2) With the consent of the patient, a provider
27 may limit health information associated with a patient
28 visit from being shared through the health information

30 by the provider, in consultation with the patient, to
31 be in the best interest of the patient as provided by
32 rule.

33 c. A patient who declines participation in the
34 health information network may later decide to
35 have health information shared through the health
36 information network. A patient who is participating
37 in the health information network may later decline
38 participation in the health information network.

39 3. The office shall develop and distribute
40 educational tools and information for consumers,
41 patients, and providers to inform them about the health

44 of health information and a patient's right to decline
45 participation in the health information network.

46 4. a. A participant shall not release or use
47 protected health information exchanged through the
48 health information network for purposes unrelated
49 to prevention, treatment, payment, or health care
50 operations unless otherwise authorized or required by

1 law. Participants shall limit the use and disclosure
2 of protected health information to the minimum amount
3 required to accomplish the intended purpose of the use

7 for a marketing purpose, as defined by the Health
8 Insurance Portability and Accountability Act, is
9 strictly prohibited.

11 using the health information network shall be
12 individually responsible for following breach
13 notification policies as provided by the Health
14 Insurance Portability and Accountability Act.

15 c. A participant shall not be compelled by
16 subpoena, court order, or other process of law
17 to access health information through the health
18 information network in order to gather records or
19 information not created by the participant.

20 5. a. If a patient has declined participation in
21 the health information network, the patient's health
22 information may be released to a provider through the
23 health information network if all of the following
24 circumstances exist:

25 (1) The patient is unable to provide consent due to
26 incapacitation.

27 (2) The requesting provider believes, in good
28 faith, that the information is necessary to prevent
29 imminent serious injury to the patient. Imminent
30 serious injury includes but is not limited to death,
31 injury or disease that creates a substantial risk of
32 death, or injury or disease that causes protracted loss
33 or impairment of any organ or body system.

34 (3) Such information cannot otherwise be readily
35 obtained.

36 b. The department shall provide by rule for the
37 reporting of emergency access and use by a provider.

38 6. All participants exchanging health information
39 and data through the health information network
40 shall grant to participants of the health information

42 information or data in accordance with applicable state
43 and federal laws, and the policies, procedures, and
44 rules established by the board.

45 7. The department shall establish by rule the

Page 50

1 report created under this chapter for the purpose of
2 monitoring access to the patient's records.

3 8. a. A provider who relies reasonably and in
4 good faith upon any health information provided
5 through the health information network in treatment
6 of a patient shall be immune from criminal or civil
7 liability arising from any damages caused by such
8 reasonable, good faith reliance. Such immunity shall
9 not apply to acts or omissions constituting negligence,
10 recklessness, or intentional misconduct.

11 b. A participant that has disclosed health
12 information through the health information network
13 in compliance with applicable law and the standards,
14 requirements, policies, procedures, and agreements of
15 the health information network shall not be subject to
16 criminal or civil liability for the use or disclosure
17 of the health information by another participant.

18 9. a. Notwithstanding chapter 22, the following
19 records shall be kept confidential, unless otherwise
20 ordered by a court or consented to by the patient or by
21 a person duly authorized to release such information:

22 (1) The protected health information contained in,
23 stored in, submitted to, transferred or exchanged by,
24 or released from the health information network.

25 (2) Any protected health information in the
26 possession of Iowa e-health or the department due to
27 its administration of the health information network.

28 b. Unless otherwise provided in this chapter, when
29 using the health information network for the purpose of
30 patient treatment, a provider is exempt from any other
31 state law that is more restrictive than the Health
32 Insurance Portability and Accountability Act that would
33 otherwise prevent or hinder the exchange of patient
34 information by the patient's providers.

 2 REDESIGN.

3 1. For the purposes of this section, "disability
 4 services" means services and other support available
 5 to a person with mental illness or an intellectual
 6 disability or other developmental disability.

7 2. It is the intent of the general assembly to
 8 redesign the system for adult disability services to
 9 implement all of the following:

10 a. Shifting the funding responsibility for the
 11 nonfederal share of adult disability services paid for

 13 all costs for the state resource centers, from the
 14 counties to the state.

 19 both paid for by the Medicaid program and not paid for
 20 by the Medicaid program.

21 c. Replacing legal settlement as the basis for
 22 determining financial responsibility for publicly

27 disability services for the 2011 legislative interim to
28 commence as soon as practicable. The purpose of the
29 interim committee is to closely engage with, monitor,
30 and make recommendations concerning the efforts of
31 the department of human services and workgroups of
32 stakeholders and experts created by the department
33 to develop detailed proposals for the redesign of
34 disability services pursuant to this Act, particularly
35 with regard to the identification of core services.

44 be authorized to participate in the meetings of the
45 workgroups and subcommittees addressed in this Act.

46 (2) In addition to addressing workgroup
47 recommendations, it is intended that the interim
48 committee address property tax issues, devise a means
49 of ensuring the state maintains its funding commitments
50 for the redesigned services system, recommend revisions

Page 20

1 in the requirements for mental health professionals
2 who are engaged in the involuntary commitment and
3 examination processes under chapter 229, develop
4 proposed legislation for amending Code references to
5 mental retardation to instead refer to intellectual
6 disabilities, and consider issues posed by the
7 July 1, 2013, repeals of county disability services

22 input. The workgroup process shall begin as soon after
23 the effective date of this Act as is practicable. The
24 membership of workgroups and subcommittees involved
25 with the process shall include consumers, service

26 providers, and advocates and provide for adequate
27 representation by both rural and urban interests.

33 be submitted to the interim committee on or before
34 December 9, 2011.

35 d. At least one workgroup shall address redesign
36 of the adult mental health system and at least

40 setting appropriate to an individual's needs.
41 c. Continuing the department's leadership role
42 in the Medicaid program in defining services covered,

50 services not paid for by the Medicaid program to be

Page 23

1 administered on a regional basis in a manner that
2 provides multiple local points of access for consumers
3 needing adult disability services, regardless of
4 the funding sources for the services. The proposal
5 shall be integrated with the other proposals under
6 this subsection and shall be developed by a separate
7 workgroup or subcommittee engaging both urban and rural

9 administrators and other experts. The considerations
10 for inclusion in the proposal for forming regional
11 entities shall include but are not limited to all of
12 the following:

23 services.

24 (3) Developing a three-year service plan and annual
25 update to meet the needs of consumers.

32 determine the Medicaid program targeted case managers
33 to serve the regions.

38 that services paid for by the program and the regional
39 entities are integrated and coordinated.

40 (7) Identifying sufficient population size to
41 attain economy of scale, adequate financial resources,
42 and appropriate service delivery.

43 (8) Addressing full participation in regional
44 entities by counties.

45 (9) Including dispute resolution provisions for
46 county-to-county relationships, county-to-region
47 relationships, and region-to-state relationships.

18 and has provided evidence of a commitment to provide
19 outpatient services for the region.

20 (d) Requiring a region to encompass or have
21 reasonably close proximity to a hospital with an

22 inpatient psychiatric unit or to a state mental health
23 institute, that has the capacity to provide inpatient
24 services for the region and has provided evidence of
25 a commitment to provide inpatient services for the
26 region.

27 (e) Requiring an administrative structure utilized
28 by a region to have clear lines of accountability and
29 to serve as a lead agency with shared county staff or
30 other means of limiting administrative costs to not
31 more than five percent of expenditures.

32 5. The target date for full implementation of
33 the plan and implementation provisions described in
34 subsections 3 and 4 shall be July 1, 2013, provided,
35 however, that any expansion of services is subject to
36 available funding.

8 section 229.10 for not more than twenty-three hours
9 who was not initially taken into custody but declined
10 to be examined pursuant to a previous court order;
11 and for civil commitment prescreening. Preliminary
12 recommendations shall be submitted to the legislative
13 interim committee in October 2011, as specified by the
14 interim committee. Additional stakeholders shall be
15 added as necessary to facilitate the workgroup efforts.

 28 statistical information system for mental health,
 29 disability services, and substance abuse services.
 30 The implementation provisions shall incorporate
 31 federal data and statistical information requirements.
 32 When completed, the departments and affiliate shall

6 January 16, 2012. The submitted plan shall include
7 an independent finding by the director of human
8 services, in consultation with the office of the
9 governor and the chairpersons and ranking members of
10 the joint appropriations subcommittee on health and
11 human services, that the plan meets the intent of the
12 general assembly under this section. Unless otherwise

 41 COMMUNITY MENTAL HEALTH CENTERS
 42 COMMUNITY MENTAL HEALTH CENTERS — CATCHMENT AREAS

43 Sec. ____ NEW SECTION. 230A.101 Services system

45 1. The role of the department of human services,
 46 through the division of the department designated as
 47 the state mental health authority with responsibility
 48 for state policy concerning mental health and
 49 disability services, is to develop and maintain
 50 policies for the mental health and disability services

Page 30

1 system. The policies shall address the service

 4 of residence or economic circumstances, and shall be
 5 consistent with the requirements of chapter 225C and
 6 other applicable law.

7 2. The role of community mental health centers in
 8 the mental health and disability services system is
 9 to provide an organized set of services in order to
 10 adequately meet the mental health needs of this state's
 11 citizens based on organized catchment areas.

12 Sec. ____ NEW SECTION. 230A.102 Definitions.

13 As used in this chapter, unless the context
 14 otherwise requires:

15 1. "Administrator", "commission", "department",

16 "disability services", and "division" mean the same as
17 defined in section 225C.2.
18 2. "Catchment area" means a community mental health
19 center catchment area identified in accordance with
20 this chapter.
21 3. "Community mental health center" or "center"
22 means a community mental health center designated in
23 accordance with this chapter.
24 Sec. ____ NEW SECTION. 230A.103 Designation of
25 community mental health centers.
26 1. The division, subject to agreement by any
27 community mental health center that would provide
28 services for the catchment area and approval by the
29 commission, shall designate at least one community
30 mental health center under this chapter to serve as
31 lead agency for addressing the mental health needs of
32 the county or counties comprising the catchment area.
33 The designation process shall provide for the input
34 of potential service providers regarding designation
35 of the initial catchment area or a change in the
36 designation.
37 2. The division shall utilize objective criteria
38 for designating a community mental health center
39 to serve a catchment area and for withdrawing such
40 designation. The commission shall adopt rules
41 outlining the criteria. The criteria shall include but
42 are not limited to provisions for meeting all of the
43 following requirements:
44 a. An appropriate means shall be used for
45 determining which prospective designee is best able to
46 serve all ages of the targeted population within the
47 catchment area with minimal or no service denials.
48 b. An effective means shall be used for determining
49 the relative ability of a prospective designee to
50 appropriately provide mental health services and other

Page 31

1 support to consumers residing within a catchment area
2 as well as consumers residing outside the catchment
3 area. The criteria shall address the duty for a
4 prospective designee to arrange placements outside the
5 catchment area when such placements best meet consumer
6 needs and to provide services within the catchment area
7 to consumers who reside outside the catchment area when
8 the services are necessary and appropriate.
9 3. The board of directors for a designated
10 community mental health center shall enter into
11 an agreement with the division. The terms of the
12 agreement shall include but are not limited to all of
13 the following:

16 b. The services and other support the center will
17 offer or provide for the residents of the catchment
18 area.

19 c. The standards to be followed by the center in
20 determining whether and to what extent the persons
21 seeking services from the center shall be considered to
22 be able to pay the costs of the services.

29 reports, performance measures, and other financial and
30 service accountability information.

31 4. This section does not limit the authority of
32 the board or the boards of supervisors of any county
33 or group of counties to continue to expend money to
34 support operation of a center.

36 1. The division shall collaborate with affected
37 counties in identifying community mental health center
38 catchment areas in accordance with this section.

39 2. a. Unless the division has determined that
40 exceptional circumstances exist, a catchment area
41 shall be served by one community mental health center.
42 The purpose of this general limitation is to clearly
43 designate the center responsible and accountable for
44 providing core mental health services to the target
45 population in the catchment area and to protect the
46 financial viability of the centers comprising the
47 mental health services system in the state.

48 b. A formal review process shall be used in
49 determining whether exceptional circumstances exist
50 that justify designating more than one center to

Page 32

1 serve a catchment area. The criteria for the review
2 process shall include but are not limited to a means
3 of determining whether the catchment area can support
4 more than one center.

5 c. Criteria shall be provided that would allow
6 the designation of more than one center for all
7 or a portion of a catchment area if designation or
8 approval for more than one center was provided by the
9 division as of October 1, 2010. The criteria shall
10 require a determination that all such centers would be
11 financially viable if designation is provided for all.

12 Sec. __. NEW SECTION. 230A.105 Target population
13 — eligibility.

28 but not limited to substance abuse, mental retardation,
29 a developmental disability, brain injury, autism
30 spectrum disorder, or another disability or special
31 health care need.

32 2. Specific eligibility criteria for members of the
33 target population shall be identified in administrative

38 1. A community mental health center designated
39 in accordance with this chapter shall offer core
40 services and support addressing the basic mental health

46 2. The initial core services identified shall
47 include all of the following:
48 a. Outpatient services. Outpatient services shall
49 consist of evaluation and treatment services provided

7 mental illness, and residents of the service area
8 who have been discharged from inpatient treatment
9 at a mental health facility. Outpatient services
10 shall provide elements of diagnosis, treatment, and

12 and referral services does not constitute outpatient

13 services.

14 b. Twenty-four-hour emergency services.

29 psychosocial rehabilitation services. Such services
30 shall be provided as structured day programs in
31 segments of less than twenty-four hours using a
32 multidisciplinary team approach to develop treatment
33 plans that vary in intensity of services and the
34 frequency and duration of services based on the needs
35 of the patient. These services may be provided
36 directly by the center or in collaboration or
37 affiliation with other appropriately accredited

17 1. The division shall recommend and the commission
18 shall adopt standards for designated community

10 as a for-profit corporation, the corporation's policy
11 structure shall incorporate such representation.

16 Sec. ____ Section 125.44, Code 2011, is amended to
17 read as follows:

18 125.44 Agreements with facilities — liability for
19 costs.

20 The director may, consistent with the comprehensive
21 substance abuse program, enter into written
22 agreements with a facility as defined in section
23 125.2 to pay for one hundred percent of the cost of
24 the care, maintenance, and treatment of ~~substance~~
25 ~~abusers and chronic substance abusers~~ persons with
26 substance-related disorders, except when section
27 125.43A applies. All payments for state patients shall
28 be made in accordance with the limitations of this
29 section. Such contracts shall be for a period of no
30 more than one year.

31 The contract may be in the form and contain
32 provisions as agreed upon by the parties. The contract
33 shall provide that the facility shall admit and
34 treat ~~substance abusers and chronic substance abusers~~
35 persons with substance-related disorders regardless
36 of where they have residence. If one payment for
37 care, maintenance, and treatment is not made by the
38 patient or those legally liable for the patient, the
39 payment shall be made by the department directly to
40 the facility. Payment shall be made each month and
41 shall be based upon the rate of payment for services
42 negotiated between the department and the contracting
43 facility. If the facility projects a temporary cash flow
44 deficit, the department may make cash advances at the
45 beginning of each fiscal year to the facility. The
46 repayment schedule for advances shall be part of the
47 contract between the department and the facility. This
48 section does not pertain to patients treated at the
49 mental health institutes.

50 If the appropriation to the department is

Page 46

1 insufficient to meet the requirements of this section,
2 the department shall request a transfer of funds and
3 section 8.39 shall apply.

4 ~~The substance abuser or chronic substance abuser~~
5 ~~person with a substance-related disorder~~ is legally
6 liable to the facility for the total amount of the cost
7 of providing care, maintenance, and treatment for the
8 ~~substance abuser or chronic substance abuser person~~
9 ~~with a substance-related disorder~~ while a voluntary or
10 committed patient in a facility. This section does not
11 prohibit any individual from paying any portion of the
12 cost of treatment.

13 The department is liable for the cost of
14 care, treatment, and maintenance of ~~substance~~
15 ~~abusers and chronic substance abusers persons with~~
16 ~~substance-related disorders~~ admitted to the facility
17 voluntarily or pursuant to section 125.75, 125.81,
18 or 125.91 or section 321J.3 or 124.409 only to those
19 facilities that have a contract with the department
20 under this section, only for the amount computed
21 according to and within the limits of liability
22 prescribed by this section, and only when the ~~substance~~
23 ~~abuser or chronic substance abuser person with a~~
24 ~~substance-related disorder~~ is unable to pay the costs
25 and there is no other person, firm, corporation, or
26 insurance company bound to pay the costs.

27 The department's maximum liability for the costs
28 of care, treatment, and maintenance of ~~substance~~
29 ~~abusers and chronic substance abusers persons with~~
30 ~~substance-related disorders~~ in a contracting facility
31 is limited to the total amount agreed upon by the
32 parties and specified in the contract under this
33 section.

34 Sec. ____. Section 125.46, Code 2011, is amended to
35 read as follows:

36 125.46 County of residence determined.

37 The facility shall, when a ~~substance abuser~~
38 ~~or chronic substance abuser person with a~~
39 ~~substance-related disorder~~ is admitted, or as
40 soon thereafter as it receives the proper information,
41 determine and enter upon its records the Iowa county of
42 residence of the ~~substance abuser or chronic substance~~
43 ~~abuser person with a substance-related disorder~~, or
44 that the person resides in some other state or country,
45 or that the person is unclassified with respect to
46 residence.

47 Sec. ____. Section 125.75, unnumbered paragraph 1,
48 Code 2011, is amended to read as follows:

49 Proceedings for the involuntary commitment or
50 treatment of a ~~chronic substance abuser person with~~

Page 47

1 a substance-related disorder to a facility may be
2 commenced by the county attorney or an interested
3 person by filing a verified application with the
4 clerk of the district court of the county where
5 the respondent is presently located or which is
6 the respondent's place of residence. The clerk or
7 the clerk's designee shall assist the applicant in
8 completing the application. The application shall:
9 Sec. ____ Section 125.75, subsection 1, Code 2011,
10 is amended to read as follows:
11 1. State the applicant's belief that the
12 respondent is a ~~chronic substance abuser person with a~~
13 substance-related disorder.
14 Sec. ____ Section 125.80, subsections 3 and 4, Code
15 2011, are amended to read as follows:
16 3. If the report of a court-designated physician
17 is to the effect that the respondent is not a ~~chronic~~
18 ~~substance abuser person with a substance-related~~
19 disorder, the court, without taking further action, may
20 terminate the proceeding and dismiss the application on
21 its own motion and without notice.
22 4. If the report of a court-designated physician
23 is to the effect that the respondent is a ~~chronic~~
24 ~~substance abuser person with a substance-related~~
25 disorder, the court shall schedule a commitment
26 hearing as soon as possible. The hearing shall be
27 held not more than forty-eight hours after the report
28 is filed, excluding Saturdays, Sundays, and holidays,
29 unless an extension for good cause is requested by
30 the respondent, or as soon thereafter as possible if
31 the court considers that sufficient grounds exist for
32 delaying the hearing.
33 Sec. ____ Section 125.81, subsection 1, Code 2011,
34 is amended to read as follows:
35 1. If a person filing an application requests that
36 a respondent be taken into immediate custody, and the
37 court upon reviewing the application and accompanying
38 documentation, finds probable cause to believe that the
39 respondent is a ~~chronic substance abuser person with~~
40 a substance-related disorder who is likely to injure
41 the person or other persons if allowed to remain at
42 liberty, the court may enter a written order directing
43 that the respondent be taken into immediate custody
44 by the sheriff, and be detained until the commitment
45 hearing, which shall be held no more than five days
46 after the date of the order, except that if the fifth
47 day after the date of the order is a Saturday, Sunday,
48 or a holiday, the hearing may be held on the next
49 business day. The court may order the respondent
50 detained for the period of time until the hearing is

Page 48

1 held, and no longer except as provided in section
2 125.88, in accordance with subsection 2, paragraph
3 "a", if possible, and if not, then in accordance with
4 subsection 2, paragraph "b", or, only if neither of
5 these alternatives is available in accordance with
6 subsection 2, paragraph "c".

7 Sec. ____ Section 125.82, subsection 4, Code 2011,
8 is amended to read as follows:

9 4. The respondent's welfare is paramount, and the
10 hearing shall be tried as a civil matter and conducted
11 in as informal a manner as is consistent with orderly
12 procedure. Discovery as permitted under the Iowa rules
13 of civil procedure is available to the respondent. The
14 court shall receive all relevant and material evidence,
15 but the court is not bound by the rules of evidence.
16 A presumption in favor of the respondent exists, and
17 the burden of evidence and support of the contentions
18 made in the application shall be upon the person who
19 filed the application. If upon completion of the
20 hearing the court finds that the contention that the
21 respondent is a ~~chronic substance abuser~~ person with a
22 substance-related disorder has not been sustained by
23 clear and convincing evidence, the court shall deny the
24 application and terminate the proceeding.

25 Sec. ____ Section 125.83, Code 2011, is amended to
26 read as follows:

27 125.83 Placement for evaluation.

28 If upon completion of the commitment hearing,
29 the court finds that the contention that the
30 respondent is a ~~chronic substance abuser~~ person with
31 a substance-related disorder has been sustained by
32 clear and convincing evidence, the court shall order
33 the respondent placed at a facility or under the
34 care of a suitable facility on an outpatient basis as
35 expeditiously as possible for a complete evaluation
36 and appropriate treatment. The court shall furnish to
37 the facility at the time of admission or outpatient
38 placement, a written statement of facts setting forth
39 the evidence on which the finding is based. The
40 administrator of the facility shall report to the court
41 no more than fifteen days after the individual is
42 admitted to or placed under the care of the facility,
43 which shall include the chief medical officer's
44 recommendation concerning substance abuse treatment.
45 An extension of time may be granted for a period not
46 to exceed seven days upon a showing of good cause. A
47 copy of the report shall be sent to the respondent's
48 attorney who may contest the need for an extension of
49 time if one is requested. If the request is contested,
50 the court shall make an inquiry as it deems appropriate

Page 49

1 and may either order the respondent released from
2 the facility or grant extension of time for further
3 evaluation. If the administrator fails to report to
4 the court within fifteen days after the individual is
5 admitted to the facility, and no extension of time has
6 been requested, the administrator is guilty of contempt
7 and shall be punished under chapter 665. The court
8 shall order a rehearing on the application to determine
9 whether the respondent should continue to be held at
10 the facility.

11 Sec. ____ Section 125.83A, subsection 1, Code 2011,
12 is amended to read as follows:

13 1. If upon completion of the commitment hearing,
14 the court finds that the contention that the
15 respondent is a ~~chronic substance abuser~~ person with a
16 substance-related disorder has been sustained by clear
17 and convincing evidence, and the court is furnished
18 evidence that the respondent is eligible for care
19 and treatment in a facility operated by the United
20 States department of veterans affairs or another
21 agency of the United States government and that the
22 facility is willing to receive the respondent, the
23 court may so order. The respondent, when so placed in
24 a facility operated by the United States department
25 of veterans affairs or another agency of the United
26 States government within or outside of this state,
27 shall be subject to the rules of the United States
28 department of veterans affairs or other agency, but
29 shall not lose any procedural rights afforded the
30 respondent by this chapter. The chief officer of the
31 facility shall have, with respect to the respondent
32 so placed, the same powers and duties as the chief
33 medical officer of a hospital in this state would
34 have in regard to submission of reports to the court,
35 retention of custody, transfer, convalescent leave, or
36 discharge. Jurisdiction is retained in the court to
37 maintain surveillance of the respondent's treatment and
38 care, and at any time to inquire into the respondent's
39 condition and the need for continued care and custody.

40 Sec. ____ Section 125.84, subsections 2, 3, and 4,
41 Code 2011, are amended to read as follows:

42 2. That the respondent is a ~~chronic substance~~
43 ~~abuser~~ person with a substance-related disorder who
44 is in need of full-time custody, care, and treatment
45 in a facility, and is considered likely to benefit
46 from treatment. If the report so states, the court
47 shall enter an order which may require the respondent's
48 continued placement and commitment to a facility for
49 appropriate treatment.

50 3. That the respondent is a ~~chronic substance~~

Page 50

1 ~~abuser~~ person with a substance-related disorder who is
2 in need of treatment, but does not require full-time
3 placement in a facility. If the report so states,
4 the report shall include the chief medical officer's
5 recommendation for treatment of the respondent on an
6 outpatient or other appropriate basis, and the court
7 shall enter an order which may direct the respondent to
8 submit to the recommended treatment. The order shall
9 provide that if the respondent fails or refuses to
10 submit to treatment, as directed by the court's order,
11 the court may order that the respondent be taken into
12 immediate custody as provided by section 125.81 and,
13 following notice and hearing held in accordance with
14 the procedures of sections 125.77 and 125.82, may order
15 the respondent treated as a patient requiring full-time
16 custody, care, and treatment as provided in subsection
17 2, and may order the respondent involuntarily committed
18 to a facility.

19 4. That the respondent is a ~~chronic substance~~
20 ~~abuser~~ person with a substance-related disorder who is
21 in need of treatment, but in the opinion of the chief
22 medical officer is not responding to the treatment
23 provided. If the report so states, the report shall
24 include the facility administrator's recommendation
25 for alternative placement, and the court shall enter
26 an order which may direct the respondent's transfer
27 to the recommended placement or to another placement
28 after consultation with respondent's attorney and the
29 facility administrator who made the report under this
30 subsection.

31 Sec. ____ Section 125.91, subsections 1, 2, and 3,
32 Code 2011, are amended to read as follows:

33 1. The procedure prescribed by this section
34 shall only be used for ~~an intoxicated~~ a person with
35 a substance-related disorder due to intoxication or
36 substance-induced incapacitation who has threatened,
37 attempted, or inflicted physical self-harm or harm on
38 another, and is likely to inflict physical self-harm or
39 harm on another unless immediately detained, or who is
40 incapacitated by a ~~chemical~~ substance, if that person
41 cannot be taken into immediate custody under sections
42 125.75 and 125.81 because immediate access to the court
43 is not possible.

44 2. a. A peace officer who has reasonable
45 grounds to believe that the circumstances described
46 in subsection 1 are applicable may, without a
47 warrant, take or cause that person to be taken to the
48 nearest available facility referred to in section
49 125.81, subsection 2, paragraph "b" or "c". Such
50 ~~an intoxicated or incapacitated~~ a person with a

Page 51

1 substance-related disorder due to intoxication or
2 substance-induced incapacitation who also demonstrates
3 a significant degree of distress or dysfunction may
4 also be delivered to a facility by someone other than
5 a peace officer upon a showing of reasonable grounds.
6 Upon delivery of the person to a facility under this
7 section, the examining physician may order treatment
8 of the person, but only to the extent necessary to
9 preserve the person's life or to appropriately control
10 the person's behavior if the behavior is likely to
11 result in physical injury to the person or others
12 if allowed to continue. The peace officer or other
13 person who delivered the person to the facility
14 shall describe the circumstances of the matter to
15 the examining physician. If the person is a peace
16 officer, the peace officer may do so either in person
17 or by written report. If the examining physician has
18 reasonable grounds to believe that the circumstances in
19 subsection 1 are applicable, the examining physician
20 shall at once communicate with the nearest available
21 magistrate as defined in section 801.4, subsection 10.
22 The magistrate shall, based upon the circumstances
23 described by the examining physician, give the
24 examining physician oral instructions either directing
25 that the person be released forthwith, or authorizing
26 the person's detention in an appropriate facility.
27 The magistrate may also give oral instructions and
28 order that the detained person be transported to an
29 appropriate facility.

30 b. If the magistrate orders that the person be
31 detained, the magistrate shall, by the close of
32 business on the next working day, file a written order
33 with the clerk in the county where it is anticipated
34 that an application may be filed under section 125.75.
35 The order may be filed by facsimile if necessary. The
36 order shall state the circumstances under which the
37 person was taken into custody or otherwise brought to
38 a facility and the grounds supporting the finding of
39 probable cause to believe that the person is a ~~chronic~~
40 ~~substance abuser~~ person with a substance-related
41 disorder likely to result in physical injury to the
42 person or others if not detained. The order shall
43 confirm the oral order authorizing the person's
44 detention including any order given to transport the
45 person to an appropriate facility. The clerk shall
46 provide a copy of that order to the ~~chief medical~~
47 ~~officer of the facility~~ attending physician, to
48 which the person was originally taken, any subsequent
49 facility to which the person was transported, and
50 to any law enforcement department or ambulance

Page 52

1 service that transported the person pursuant to the
2 magistrate's order.

3 3. ~~The chief medical officer of the facility~~
4 attending physician shall examine and may detain the
5 person pursuant to the magistrate's order for a period
6 not to exceed forty-eight hours from the time the order
7 is dated, excluding Saturdays, Sundays, and holidays,
8 unless the order is dismissed by a magistrate. The
9 facility may provide treatment which is necessary to
10 preserve the person's life or to appropriately control
11 the person's behavior if the behavior is likely to
12 result in physical injury to the person or others if
13 allowed to continue or is otherwise deemed medically
14 necessary by the ~~chief medical officer~~ attending
15 physician, but shall not otherwise provide treatment to
16 the person without the person's consent. The person
17 shall be discharged from the facility and released
18 from detention no later than the expiration of the
19 forty-eight-hour period, unless an application for
20 involuntary commitment is filed with the clerk pursuant
21 to section 125.75. The detention of a person by the
22 procedure in this section, and not in excess of the
23 period of time prescribed by this section, shall not
24 render the peace officer, attending physician, or
25 facility detaining the person liable in a criminal or
26 civil action for false arrest or false imprisonment
27 if the peace officer, physician, or facility had
28 reasonable grounds to believe that the circumstances
29 described in subsection 1 were applicable.

30 Sec. ____ Section 226.9C, subsection 2, paragraph

19 to approximately twenty-five percent of budgeted
20 expenditures and transfers from the general fund
21 and rural services fund for that budget year unless
22 a decision is certified by the state appeal board

13 a protest under section 331.436, and the amount will
14 be considered an increase in an item in the budget for
15 purposes of section 24.28. The amount of additional

4 the general fund of the state to pay expenses in excess
5 of moneys available in the revolving fund for that

10 fiscal year. Notwithstanding any provision to the
11 contrary, the divisions shall, to the fullest extent
12 possible, make an estimate of billings and make such
13 billings as early as possible in each fiscal year,
14 so that the need for the use of general fund moneys
15 is minimized to the lowest extent possible. Periodic

16 provided to children who would otherwise receive
17 services paid under the appropriation in this section.

31 funding for shelter care or the child welfare emergency
32 services addressed with the allocation for shelter
33 care.

34 b. If at any time after September 30, 2011,
35 annualization of a service area's current expenditures

43 believed to be needed for the children whose
44 placements may be terminated shall be identified. The
45 department and juvenile court services shall initiate
46 action to set dispositional review hearings for the

28 proposals, and any subsequent amendments to the request
29 for proposals.

30 8. Federal funds received by the state during
31 the fiscal year beginning July 1, 2011, as the
32 result of the expenditure of state funds appropriated
33 during a previous state fiscal year for a service or
34 activity funded under this section are appropriated
35 to the department to be used as additional funding
36 for services and purposes provided for under this
37 section. Notwithstanding section 8.33, moneys

 49 adding the following new subsections:
 50 NEW SUBSECTION. 4. Of the amounts appropriated

1 in this section, \$12,000,000 shall be distributed as
2 provided in this subsection.

3 a. To be eligible to receive a distribution under
4 this subsection, a county must meet the following
5 requirements:

6 (1) The county is levying for the maximum amount
7 allowed for the county's mental health, mental
8 retardation, and developmental disabilities services
9 fund under section 331.424A for taxes due and payable
10 in the fiscal year beginning July 1, 2011, or the
11 county is levying for at least 90 percent of the
12 maximum amount allowed for the county's services fund
13 and that levy rate is more than \$2 per \$1,000 of the
14 assessed value of all taxable property in the county.

15 (2) In the fiscal year beginning July 1, 2009,
16 the county's mental health, mental retardation, and
17 developmental disabilities services fund ending balance
18 under generally accepted accounting principles was
19 equal to or less than 15 percent of the county's actual
20 gross expenditures for that fiscal year.

21 b. The amount of a county's distribution from
22 the allocation made in this subsection shall be
23 determined based upon the county's proportion of the
24 general population of the counties eligible to receive
25 a distribution under this subsection. The latest
26 certified federal census issued by the United States
27 bureau of the census shall be applied in determining
28 population for the purposes of this paragraph.

29 c. The distributions made pursuant to this
30 subsection are subject to the distribution provisions
31 and withholding requirements established in this
32 section for the county mental health, mental
33 retardation, and developmental disabilities allowed
34 growth factor adjustment for the fiscal year beginning
35 July 1, 2011.

36 NEW SUBSECTION. 5. The following amount of the
37 funding appropriated in this section for distribution
38 to counties is the allowed growth factor adjustment for
39 fiscal year 2011-2012, and shall be credited to the
40 allowed growth funding pool created in the property tax
41 relief fund and for distribution in accordance with
42 section 426B.5, subsection 1:

43 \$ 61,697,893

44 For the distribution made for the fiscal year
45 beginning July 1, 2011, a county that is levying
46 at least 92 percent of the maximum amount allowed
47 for the county's mental health, mental retardation,
48 and developmental disabilities services fund under
49 section 331.424A for the fiscal year and that had
50 a negative services fund balance for the fiscal

1 year beginning July 1, 2009, after disregarding the
 2 temporary funding increase provided to counties for
 3 the fiscal year beginning July 1, 2009, through the
 4 federal American Recovery and Reinvestment Act of
 5 2009, Pub. L. No. 111-5, shall be deemed to have met

 7 426B.5, subsection 1, paragraph "d", subparagraph (1),
 8 subparagraph division (a).

9 NEW SUBSECTION. 6. The following formula amounts
 10 shall be utilized only to calculate preliminary
 11 distribution amounts for the allowed growth factor
 12 adjustment for fiscal year 2011-2012 under this
 13 section by applying the indicated formula provisions
 14 to the formula amounts and producing a preliminary
 15 distribution total for each county:

16 a. For calculation of a distribution amount for
 17 eligible counties from the allowed growth funding pool
 18 created in the property tax relief fund in accordance
 19 with the requirements in section 426B.5, subsection
 20 1, and including the allocation eligibility provision
 21 authorized in subsection 5 of this section:

22 \$ 74,773,346

23 b. For calculation of a distribution amount for
 24 counties from the mental health and developmental
 25 disabilities (MH/DD) community services fund
 26 in accordance with the formula provided in the
 27 appropriation made for the MH/DD community services
 28 fund for the fiscal year beginning July 1, 2011:

29 \$ 14,187,556

30 NEW SUBSECTION. 7. a. After applying the
 31 applicable statutory distribution formulas to the
 32 amounts indicated in subsection 6 for purposes of
 33 producing preliminary distribution totals, the
 34 department of human services shall apply a withholding
 35 factor to adjust an eligible individual county's
 36 preliminary distribution total. In order to be
 37 eligible for a distribution under this section, a
 38 county must be levying 90 percent or more of the
 39 maximum amount allowed for the county's mental health,
 40 mental retardation, and developmental disabilities
 41 services fund under section 331.424A for taxes due and
 42 payable in the fiscal year for which the distribution
 43 is payable.

44 b. An ending balance percentage for each county
 45 shall be determined by expressing the county's ending
 46 balance on a modified accrual basis under generally
 47 accepted accounting principles for the fiscal year
 48 beginning July 1, 2009, in the county's mental health,
 49 mental retardation, and developmental disabilities
 50 services fund created under section 331.424A, as a

Page 65

1 percentage of the county's gross expenditures from that
2 fund for that fiscal year. If a county borrowed moneys
3 for purposes of providing services from the county's
4 services fund on or before July 1, 2009, and the
5 county's services fund ending balance for that fiscal
6 year includes the loan proceeds or an amount designated
7 in the county budget to service the loan for the
8 borrowed moneys, those amounts shall not be considered
9 to be part of the county's ending balance for purposes
10 of calculating an ending balance percentage under this
11 subsection.

12 c. For purposes of calculating withholding
13 factors and for ending balance amounts used for other
14 purposes under law, the county ending balances shall
15 be adjusted, using forms developed for this purpose
16 by the county finance committee, to disregard the
17 temporary funding increase provided to the counties for
18 the fiscal year through the federal American Recovery
19 and Reinvestment Act of 2009, Pub. L. No. 111-5. In
20 addition, a county may adjust the ending balance amount
21 by rebating to the department all or a portion of
22 the allowed growth and MH/DD services fund moneys the
23 county received for the fiscal year beginning July 1,
24 2010, in accordance with 2009 Iowa Acts, chapter 179,
25 section 1, as amended by 2009 Iowa Acts, chapter 1192,
26 sections 47 and 48, or from any other services fund
27 moneys available to the county. The rebate must be
28 remitted to the department on or before June 1, 2011,
29 in order to be counted. However, if this division of
30 this Act is enacted after June 1, 2011, the rebate
31 must be remitted not later than 10 calendar days
32 after the date of the governor's approval of this Act.
33 The amount rebated by a county shall be subtracted
34 dollar-for-dollar from the county's ending balance
35 amount for the fiscal year beginning July 1, 2009, for
36 purposes of calculating the withholding factor and
37 for other ending balance purposes for the fiscal year
38 beginning July 1, 2011. The rebates received by the
39 department shall be credited to the property tax relief
40 fund and distributed as additional funding for the
41 fiscal year beginning July 1, 2011, in accordance with
42 the formula provisions in this section.

43 d. The withholding factor for a county shall be the
44 following applicable percent:

45 (1) For an ending balance percentage of less than
46 5 percent, a withholding factor of 0 percent. In
47 addition, a county that is subject to this lettered
48 paragraph shall receive an inflation adjustment equal
49 to 3 percent of the gross expenditures reported for the
50 county's services fund for the fiscal year.

Page 66

1 (2) For an ending balance percentage of 5 percent
2 or more but less than 10 percent, a withholding factor
3 of 0 percent. In addition, a county that is subject
4 to this lettered paragraph shall receive an inflation
5 adjustment equal to 2 percent of the gross expenditures
6 reported for the county's services fund for the fiscal
7 year.

8 (3) For an ending balance percentage of 10 percent
9 or more but less than 25 percent, a withholding factor
10 of 25 percent. However, for counties with an ending
11 balance percentage of 10 percent or more but less than
12 15 percent, the amount withheld shall be limited to
13 the amount by which the county's ending balance was in
14 excess of the ending balance percentage of 10 percent.

15 (4) For an ending balance percentage of 25 percent
16 or more, a withholding percentage of 100 percent.
17 NEW SUBSECTION. 8. The total withholding amounts
18 applied pursuant to subsection 7 shall be equal to
19 a withholding target amount of \$13,075,453. If the
20 department of human services determines that the
21 amount appropriated is insufficient or the amount to be
22 withheld in accordance with subsection 7 is not equal
23 to the target withholding amount, the department shall
24 adjust the withholding factors listed in subsection 7
25 as necessary to achieve the target withholding amount.
26 However, in making such adjustments to the withholding
27 factors, the department shall strive to minimize
28 changes to the withholding factors for those ending
29 balance percentage ranges that are lower than others
30 and shall only adjust the zero withholding factor
31 or the inflation adjustment percentages specified
32 in subsection 7, paragraph "d", when the amount
33 appropriated is insufficient.

34 Sec. 49. 2010 Iowa Acts, chapter 1193, section 99,
35 is amended to read as follows:

36 **SEC. 99. MH/MR/DD SERVICES FUND**

41 funds of the county to the county's mental health,
42 mental retardation, and developmental disabilities
43 services fund created in section 331.424A. A county

45 to the county's services fund pursuant to this
46 section shall submit a report detailing the transfers

43 to identify those which might be appropriate for
44 termination. In addition, any aftercare services
45 believed to be needed for the children whose
46 placements may be terminated shall be identified. The

 41 lieu of the allowed growth factor provisions of section
 42 331.438, subsection 2, and section 331.439, subsection
 43 3, and chapter 426B and for transfer for the medical
 44 assistance program:

45 \$ 88,697,893

46 Of the amount appropriated in this subsection,
 47 \$5,000,000 shall be transferred to the appropriation
 48 made in the department of human services division of
 49 this Act from the general fund of the state to the
 50 department of human services for the medical assistance

1 program for the fiscal year beginning July 1, 2012, and
2 shall be used to continue the funding designated in the
3 previous fiscal year to reduce home and community-based
4 services waiver waiting lists for children's mental
5 health, intellectual disabilities, and brain injury.

6 2. Of the amount appropriated in this section,
7 \$12,000,000 shall be distributed as provided in this
8 subsection.

9 a. To be eligible to receive a distribution under
10 this subsection, a county must meet the following
11 requirements:

12 (1) The county is levying for the maximum amount
13 allowed for the county's mental health, mental
14 retardation, and developmental disabilities services
15 fund under section 331.424A for taxes due and payable
16 in the fiscal year beginning July 1, 2012, or the
17 county is levying for at least 90 percent of the
18 maximum amount allowed for the county's services fund
19 and that levy rate is more than \$2 per \$1,000 of the
20 assessed value of all taxable property in the county.

21 (2) In the fiscal year beginning July 1, 2010,
22 the county's mental health, mental retardation, and
23 developmental disabilities services fund ending balance
24 under generally accepted accounting principles was
25 equal to or less than 15 percent of the county's actual
26 gross expenditures for that fiscal year.

27 b. The amount of a county's distribution from the
28 allocation made in this subsection shall be determined
29 based upon the county's proportion of the general
30 population of the counties eligible to receive a
31 distribution under this subsection. The most recent
32 population estimates issued by the United States
33 bureau of the census shall be applied in determining
34 population for the purposes of this paragraph.

35 c. The distributions made pursuant to this
36 subsection are subject to the distribution provisions
37 and withholding requirements established in this
38 section for the county mental health, mental
39 retardation, and developmental disabilities allowed
40 growth factor adjustment for the fiscal year beginning
41 July 1, 2012.

42 3. The following amount of the funding appropriated
43 in this section is the allowed growth factor adjustment
44 for fiscal year 2012-2013, and shall be credited to the
45 allowed growth funding pool created in the property tax
46 relief fund and for distribution in accordance with
47 section 426B.5, subsection 1:

48 \$ 71,697,893

49 4. The following formula amounts shall be utilized
50 only to calculate preliminary distribution amounts for

1 the allowed growth factor adjustment for fiscal year
2 2012-2013 under this section by applying the indicated
3 formula provisions to the formula amounts and producing
4 a preliminary distribution total for each county:
5 a. For calculation of a distribution amount for
6 eligible counties from the allowed growth funding pool
7 created in the property tax relief fund in accordance
8 with the requirements in section 426B.5, subsection 1:
9 \$ 84,773,346
10 b. For calculation of a distribution amount for
11 counties from the mental health and developmental
12 disabilities (MH/DD) community services fund
13 in accordance with the formula provided in the
14 appropriation made for the MH/DD community services
15 fund for the fiscal year beginning July 1, 2012:
16 \$ 14,187,556
17 5. a. After applying the applicable statutory
18 distribution formulas to the amounts indicated in
19 subsection 4 for purposes of producing preliminary
20 distribution totals, the department of human services
21 shall apply a withholding factor to adjust an eligible
22 individual county's preliminary distribution total.
23 In order to be eligible for a distribution under
24 this section, a county must be levying 90 percent or
25 more of the maximum amount allowed for the county's
26 mental health, mental retardation, and developmental
27 disabilities services fund under section 331.424A for
28 taxes due and payable in the fiscal year for which the
29 distribution is payable.
30 b. An ending balance percentage for each county
31 shall be determined by expressing the county's ending
32 balance on a modified accrual basis under generally
33 accepted accounting principles for the fiscal year
34 beginning July 1, 2010, in the county's mental health,
35 mental retardation, and developmental disabilities
36 services fund created under section 331.424A, as a
37 percentage of the county's gross expenditures from that
38 fund for that fiscal year. If a county borrowed moneys
39 for purposes of providing services from the county's
40 services fund on or before July 1, 2010, and the
41 county's services fund ending balance for that fiscal
42 year includes the loan proceeds or an amount designated
43 in the county budget to service the loan for the
44 borrowed moneys, those amounts shall not be considered
45 to be part of the county's ending balance for purposes
46 of calculating an ending balance percentage under this
47 subsection.
48 c. For purposes of calculating withholding
49 factors and for ending balance amounts used for other
50 purposes under law, the county ending balances shall

Page 142

1 be adjusted, using forms developed for this purpose
2 by the county finance committee, to disregard the
3 temporary funding increase provided to the counties for
4 the fiscal year through the federal American Recovery
5 and Reinvestment Act of 2009, Pub. L. No. 111-5. In
6 addition, a county may adjust the ending balance amount
7 by rebating to the department all or a portion of
8 the allowed growth and MH/DD services fund moneys the
9 county received for the fiscal year beginning July 1,
10 2011, in accordance with this Act, or from any other
11 services fund moneys available to the county. The
12 rebate must be remitted to the department on or before
13 June 1, 2012, in order to be counted. However, if this
14 division of this Act is enacted after July 1, 2012, the
15 rebate must be remitted not later than 10 calendar days
16 after the date of the governor's approval of this Act.
17 The amount rebated by a county shall be subtracted
18 dollar-for-dollar from the county's ending balance
19 amount for the fiscal year beginning July 1, 2010, for
20 purposes of calculating the withholding factor and
21 for other ending balance purposes for the fiscal year
22 beginning July 1, 2012. The rebates received by the
23 department shall be credited to the property tax relief
24 fund and distributed as additional funding for the
25 fiscal year beginning July 1, 2012, in accordance with
26 the formula provisions in this section.

27 d. The withholding factor for a county shall be the
28 following applicable percent:

29 (1) For an ending balance percentage of less than
30 5 percent, a withholding factor of 0 percent. In
31 addition, a county that is subject to this lettered
32 paragraph shall receive an inflation adjustment equal
33 to 3 percent of the gross expenditures reported for the
34 county's services fund for the fiscal year.

35 (2) For an ending balance percentage of 5 percent
36 or more but less than 10 percent, a withholding factor
37 of 0 percent. In addition, a county that is subject
38 to this lettered paragraph shall receive an inflation
39 adjustment equal to 2 percent of the gross expenditures
40 reported for the county's services fund for the fiscal
41 year.

42 (3) For an ending balance percentage of 10 percent
43 or more but less than 25 percent, a withholding factor
44 of 25 percent. However, for counties with an ending
45 balance of 10 percent or more but less than 15 percent,
46 the amount withheld shall be limited to the amount by
47 which the county's ending balance was in excess of the
48 ending balance percentage of 10 percent.

49 (4) For an ending balance percentage of 25 percent
50 or more, a withholding percentage of 100 percent.

Page 143

1 6. The total withholding amounts applied pursuant
 2 to subsection 5 shall be equal to a withholding target
 3 amount of \$13,075,453. If the department of human
 4 services determines that the amount appropriated
 5 is insufficient or the amount to be withheld in
 6 accordance with subsection 5 is not equal to the target
 7 withholding amount, the department shall adjust the
 8 withholding factors listed in subsection 5 as necessary
 9 to achieve the target withholding amount. However, in
 10 making such adjustments to the withholding factors,
 11 the department shall strive to minimize changes to the
 12 withholding factors for those ending balance percentage
 13 ranges that are lower than others and shall only adjust
 14 the zero withholding factor or the inflation adjustment
 15 percentages specified in subsection 5, paragraph "d",
 16 when the amount appropriated is insufficient.

8 Sec. 148. NEW SECTION. 426C.2 Business property

22 the fund in the previous fiscal year. In addition,
23 the sum of fifty million dollars shall be added to the
24 appropriation in each fiscal year beginning on or after

6 year.

7 3. Upon the filing of a claim and allowance of the
8 credit, the credit shall be allowed on the parcel or
9 property unit for successive years without further
10 filing as long as the parcel or property unit satisfies
11 the requirements for the credit. If the parcel or
12 property unit owner ceases to qualify for the credit
13 under this chapter, the owner shall provide written
14 notice to the assessor by the date for filing claims
15 specified in subsection 2 following the date on which
16 the parcel or property unit ceases to qualify for the
17 credit.

18 4. When all or a portion of a parcel or property
19 unit that is allowed a credit under this chapter is
20 sold, transferred, or ownership otherwise changes, the
21 buyer, transferee, or new owner who wishes to receive
22 the credit shall refile the claim for credit. When a
23 portion of a parcel or property unit that is allowed
24 a credit under this chapter is sold, transferred, or
25 ownership otherwise changes, the owner of the portion
26 of the parcel or property unit for which ownership did
27 not change shall refile the claim for credit.

28 5. The assessor shall remit the claims for
29 credit to the county auditor with the assessor's
30 recommendation for allowance or disallowance. If
31 the assessor recommends disallowance of a claim,
32 the assessor shall submit the reasons for the
33 recommendation, in writing, to the county auditor. The
34 county auditor shall forward the claims to the board
35 of supervisors. The board shall allow or disallow the
36 claims.

37 6. For each claim and allowance of a credit for
38 a property unit, the county auditor shall calculate
39 the average of all consolidated levy rates applicable
40 to the several parcels within the property unit. All
41 claims for credit which have been allowed by the board
42 of supervisors, the actual value of the improvements
43 to such parcels and property units applicable to
44 the fiscal year for which the credit is claimed
45 that are subject to assessment and taxation prior to
46 imposition of any applicable assessment limitation,
47 the consolidated levy rates for such parcels and the
48 average consolidated levy rates for such property units
49 applicable to the fiscal year for which the credit is
50 claimed, and the taxing districts in which the parcel

Page 54

1 or property unit is located, shall be certified on or
2 before June 15, in each year, by the county auditor to
3 the department.

4 7. The assessor shall maintain a permanent file of
5 current business property tax credits. The assessor
6 shall file a notice of transfer of property for which a
7 credit has been allowed when notice is received from
8 the office of the county recorder, from the person
9 who sold or transferred the property, or from the
10 personal representative of a deceased property owner.
11 The county recorder shall give notice to the assessor
12 of each transfer of title filed in the recorder's
13 office. The notice from the county recorder shall
14 describe the property transferred, the name of the
15 person transferring title to the property, and the name
16 of the person to whom title to the property has been
17 transferred.

18 Sec. 150. NEW SECTION. 426C.4 Eligibility and
19 amount of credit.

20 1. Each parcel classified and taxed as commercial
21 property, industrial property, or railway property
22 under chapter 434, and improved with permanent
23 construction, is eligible for a credit under this
24 chapter. A person may claim and receive one credit
25 under this chapter for each eligible parcel unless
26 the parcel is part of a property unit. A person
27 may only claim and receive one credit under this
28 chapter for each property unit. A credit approved
29 for a property unit shall be allocated to the several
30 parcels within the property unit in the proportion
31 that each parcel's total amount of property taxes due
32 and payable attributable to the improvements bears to
33 the total amount of property taxes due and payable
34 attributable to the improvements for the property unit.
35 Only property units comprised of commercial property,
36 comprised of industrial property, or comprised of
37 railway property under chapter 434 are eligible for a
38 credit under this chapter.

39 2. Using the actual value of the improvements and
40 the consolidated levy rate for each parcel or the
41 average consolidated levy rate for each property unit,
42 as certified by the county auditor to the department
43 under section 426C.3, subsection 6, the department
44 shall calculate, for each fiscal year, an initial
45 amount of actual value of improvements for use in
46 determining the amount of the credit for each such
47 parcel or property unit so as to provide the maximum
48 possible credit according to the credit formula and
49 limitations under subsection 3, and to provide a
50 total dollar amount of credits against the taxes due

Page 55

1 and payable in the fiscal year equal to ninety-eight
2 percent of the moneys in the fund following the deposit
3 of the total appropriation for the fiscal year.

4 3. a. The amount of the credit for each parcel or
5 property unit for which a claim for credit under this
6 chapter has been approved shall be calculated under
7 paragraph "b" using the lesser of the initial amount
8 of actual value of the improvements determined by the
9 department under subsection 2, and the actual value
10 of the improvements to the parcel or property unit as
11 certified by the county auditor under section 426C.3,
12 subsection 6.

13 b. The amount of the credit for each parcel or
14 property unit for which a claim for credit under
15 this chapter has been approved shall be equal to the
16 amount of actual value determined under paragraph "a"
17 multiplied by the difference, stated as a percentage,
18 between the assessment limitation applicable to
19 the parcel or property unit under section 441.21,
20 subsection 5, and the assessment limitation applicable
21 to residential property under section 441.21,
22 subsection 4, divided by one thousand dollars, and then
23 multiplied by the consolidated levy rate or average
24 consolidated levy rate per one thousand dollars of
25 taxable value applicable to the parcel or property unit
26 for the fiscal year for which the credit is claimed as
27 certified by the county auditor under section 426C.3,
28 subsection 6.

29 Sec. 151. NEW SECTION. 426C.5 Payment to counties.

30 1. Annually the department shall certify to the
31 county auditor of each county the amounts of the
32 business property tax credits allowed in the county.
33 Each county auditor shall then enter the credits
34 against the tax levied on each eligible parcel or
35 property unit in the county, designating on the tax
36 lists the credit as being from the fund. Each taxing
37 district shall receive its share of the business
38 property tax credit allowed on each eligible parcel
39 or property unit in such taxing district, in the
40 proportion that the levy made by such taxing district
41 upon the parcel or property unit bears to the total
42 levy upon the parcel or property unit by all taxing
43 districts imposing a property tax in such taxing
44 district. However, the several taxing districts
45 shall not draw the moneys so credited until after the
46 semiannual allocations have been received by the county
47 treasurer, as provided in this section. Each county
48 treasurer shall show on each tax receipt the amount of
49 credit received from the fund.

50 2. The director of the department of administrative

Page 56

1 services shall issue warrants on the fund payable to
2 the county treasurers of the several counties of the
3 state under this chapter.

4 3. The amount due each county shall be paid in two
5 payments on November 15 and March 15 of each fiscal
6 year, drawn upon warrants payable to the respective
7 county treasurers. The two payments shall be as nearly
8 equal as possible.

9 Sec. 152. NEW SECTION. 426C.6 Appeals.

10 1. If the board of supervisors disallows a claim
11 for credit under section 426C.3, subsection 5, the
12 board of supervisors shall send written notice, by
13 mail, to the claimant at the claimant's last known
14 address. The notice shall state the reasons for
15 disallowing the claim for the credit. The board of
16 supervisors is not required to send notice that a claim
17 for credit is disallowed if the claimant voluntarily
18 withdraws the claim. Any person whose claim is denied
19 under the provisions of this chapter may appeal from
20 the action of the board of supervisors to the district
21 court of the county in which the parcel or property
22 unit is located by giving written notice of such appeal
23 to the county auditor within twenty days from the date
24 of mailing of notice of such action by the board of
25 supervisors.

26 2. If any claim for credit has been denied by the
27 board of supervisors, and such action is subsequently
28 reversed on appeal, the credit shall be allowed on the
29 applicable parcel or property unit, and the director of
30 revenue, the county auditor, and the county treasurer

33 taxpayer has paid one or both of the installments of
34 the tax payable in the year or years in question,
35 remittance shall be made to such taxpayer of the amount
36 of such credit. The amount of such credit awarded on
37 appeal shall be allocated and paid from the balance

44 recalculate the credit and notify the taxpayer and the
45 county auditor of the recalculation or denial and the
46 reasons for it. The director shall not adjust a credit

2 and the county treasurer shall proceed to collect the
3 tax owed in the same manner as other property taxes due

5 unit for which the credit was allowed is still owned
6 by the taxpayer. If the parcel or property unit
7 for which the credit was allowed is not owned by the
8 taxpayer, the amount may be recovered from the taxpayer
9 by assessment in the same manner that income taxes are
10 assessed under sections 422.26 and 422.30. The amount
11 of such erroneous credit, when collected, shall be
12 deposited in the fund.

13 2. The taxpayer or board of supervisors may
14 appeal any decision of the director of revenue to the
15 state board of tax review pursuant to section 421.1,
16 subsection 5. The taxpayer, the board of supervisors,
17 or the director of revenue may seek judicial review
18 of the action of the state board of tax review in
19 accordance with chapter 17A.

20 Sec. 154. NEW SECTION. 426C.8 False claim —
21 penalty.

22 A person who makes a false claim for the purpose of
23 obtaining a credit provided for in this chapter or who
24 knowingly receives the credit without being legally
25 entitled to it is guilty of a fraudulent practice. The
26 claim for a credit of such a person shall be disallowed
27 and if the credit has been paid the amount shall be
28 recovered in the manner provided in section 426C.7. In

20 satisfy such requirements.

21 (2) A state mandate as defined in section 25B.3,
22 and for which insufficient funding is provided to

3 4. a. For purposes of calculating maximum property
4 tax dollars for general county services for the fiscal
5 year beginning July 1, 2013, only, the term "current
6 fiscal year's maximum property tax dollars" shall mean
7 the total amount of property tax dollars certified by

30 not included in the maximum amount of property tax
31 dollars that may be certified for a budget year under
32 subsection 3.

33 6. The department of management, in consultation
34 with the county finance committee, shall adopt rules
35 to administer this section. The department shall
36 prescribe forms to be used by counties when making
37 calculations required by this section.

38 Sec. 162. NEW SECTION. 331.423B Ending fund
39 balance.

40 1. a. Budgeted ending fund balances for a budget
41 year in excess of twenty-five percent of budgeted
42 expenditures in either the general fund or rural
43 services fund for that budget year shall be explicitly
44 committed or assigned for a specific purpose.

45 b. A county is encouraged, but not required, to
46 reduce budgeted, uncommitted, or unassigned ending

10 shall be considered an increase in an item in the
11 budget for purposes of section 24.28.

12 2. a. For a county that has, as of June 30, 2012,
13 reduced its actual ending fund balance to less than

20 2011, minus the combined ending fund balances for those
21 funds for that year.

22 b. The amount of the additional property taxes
23 shall be apportioned between the general fund and the
24 rural services fund. However, the amount apportioned
25 for general county services and for rural county
26 services shall not exceed for each fund twenty-five
27 percent of actual expenditures for the fiscal year
28 beginning July 1, 2011.

29 c. All or a portion of additional property tax
30 dollars may be levied for the purpose of increasing
31 cash reserves for general county services and rural

33 property tax dollars authorized under this subsection
34 but not levied may be carried forward as unused ending
35 fund balance taxing authority until and for the fiscal
36 year beginning July 1, 2018. The amount carried

40 that are levied as unused ending fund balance taxing
41 authority under this subsection may be the subject of
42 a protest under section 331.436, and the amount will
43 be considered an increase in an item in the budget for
44 purposes of section 24.28. The amount of additional
45 property taxes levied under this subsection shall not
46 be included in the computation of the maximum amount of
47 property tax dollars which may be certified and levied
48 under section 331.423.

50 beyond maximum property tax dollars.

3 budget year if the county conducts a second public
4 hearing prior to certification of the budget to the
5 county auditor, in addition to the hearing held as
6 required under section 331.434. The second public
7 hearing shall be conducted in the same manner as
8 the public hearing on the budget required in section
9 331.434.

10 2. The amount of additional property tax dollars
11 certified under this section shall not be included in
12 the computation of the maximum amount of property tax
13 dollars which may be certified and levied under section

30 amount of property tax relief to be received pursuant
31 to section 426B.2, in the fiscal year for which the
32 budget is certified. The county auditor and the
33 board of supervisors shall reduce the amount of the
34 levy certified for the services fund by the amount of

47 and the amount to be raised by property taxation, in
48 the detail and form prescribed by the director of the

13 subsection, "indebtedness" includes written agreements
14 whereby the county agrees to suspend, abate, exempt,
15 rebate, refund, or reimburse property taxes, provide a
16 grant for property taxes paid, or make a direct payment
17 of taxes, with moneys in the special fund. The amount
18 of loans, advances, indebtedness, or bonds shall be
19 listed in the aggregate for each county reporting. The
20 ~~county finance committee, in consultation with the~~
21 ~~department of management and the legislative services~~

20 1. a. Budgeted general fund ending fund balances
21 for a budget year in excess of twenty-five percent of
22 budgeted expenditures from the general fund for that
23 budget year shall be explicitly committed or assigned
24 for a specific purpose.

25 b. A city is encouraged, but not required, to
26 reduce budgeted, uncommitted, or unassigned ending
27 fund balances for the budget year to an amount equal
28 to approximately twenty-five percent of budgeted
29 expenditures and transfers from the general fund for
30 that budget year unless a decision is certified by the
31 state appeal board ordering a reduction in the ending
32 fund balance of the fund.

33 c. In a protest to the city budget under section
34 384.19, the city shall have the burden of proving that
35 the budgeted balances in excess of twenty-five percent
36 are reasonably likely to be appropriated for the

39 be considered an increase in an item in the budget for
40 purposes of section 24.28.

41 2. a. For a city that has, as of June 30,

6 carried forward as unused ending fund balance taxing
7 authority until and for the fiscal year beginning
8 July 1, 2018. The amount carried forward shall not
9 exceed twenty-five percent of the maximum amount of
10 property tax dollars available in the current fiscal
11 year. Additionally, property taxes that are levied
12 as unused ending fund balance taxing authority under
13 this subsection may be the subject of a protest under
14 section 384.19, and the amount will be considered an
15 increase in an item in the budget for purposes of
16 section 24.28. The amount of additional property tax
17 dollars levied under this subsection shall not be
18 included in the computation of the maximum amount of
19 property tax dollars which may be certified and levied
20 under section 384.1.

21 Sec. 170. Section 384.12, unnumbered paragraph
22 1, Code 2011, is amended by striking the unnumbered
23 paragraph and inserting in lieu thereof the following:

37 county auditor, in addition to the hearing held as
38 required under section 384.16. The second public
39 hearing shall be conducted in the same manner as
40 the public hearing on the budget required in section
41 384.16.

42 2. The amount of additional property tax dollars
43 certified under this section shall not be included in
44 the computation of the maximum amount of property tax

1 year, the latest estimated expenditures in each program
2 in the current year, and the actual expenditures in
3 each program from the annual report as provided in
4 section 384.22, or as corrected by a subsequent audit
5 report. Wherever practicable, as provided in rules
6 of the committee, a budget must show comparisons
7 between the levels of service provided by each program
8 as estimated for the following year, and actual
9 levels of service provided by each program during
10 the two preceding years. For each city that has
11 established an urban renewal area, the budget shall
12 include estimated and actual tax increment financing

18 and shall include the total amount of loans, advances,

20 the most recently ended fiscal year, which qualify
21 for payment from the special fund created in section
22 403.19, including interest negotiated on such loans,
23 advances, indebtedness, or bonds. The amount of loans,
24 advances, indebtedness, or bonds shall be listed in the
25 aggregate for each city reporting. ~~The city finance
26 committee, in consultation with the department of
27 management and the legislative services agency, shall
28 determine reporting criteria and shall prepare a form
29 for reports filed with the department pursuant to this

Page 70

1 planning costs including consultation fees, engineering
2 fees, architectural fees, and legal fees and all other

6 be used for the purpose of paying maintenance expenses
7 of improvements or self-liquidating improvements for a
8 specified length of time with one or more options to
9 renew if such is clearly stated in the petition which
10 requests the council to authorize construction of the
11 improvement or self-liquidating improvement, whether
12 or not such petition is combined with the petition
13 requesting creation of a district. Parcels of property

16 section except residential properties within a duly
17 designated historic district. A tax levied under

28 the property in the district, for the purpose of
29 accumulating moneys for the financing or payment
30 of a part or all of the costs of any improvement or
31 self-liquidating improvement. However, parcels of
32 property which are assessed as residential property

45 RESIDENTIAL PROPERTY ASSESSMENT LIMITATION

46 Sec. 179. Section 441.21, subsection 4, Code 2011,
47 is amended to read as follows:

48 4. For valuations established as of January
49 1, 1979, the percentage of actual value at which
50 agricultural and residential property shall be assessed

Page 71

1 shall be the quotient of the dividend and divisor as
2 defined in this section. The dividend for each class
3 of property shall be the dividend as determined for
4 each class of property for valuations established as
5 of January 1, 1978, adjusted by the product obtained
6 by multiplying the percentage determined for that year
7 by the amount of any additions or deletions to actual
8 value, excluding those resulting from the revaluation
9 of existing properties, as reported by the assessors
10 on the abstracts of assessment for 1978, plus six
11 percent of the amount so determined. However, if the
12 difference between the dividend so determined for
13 either class of property and the dividend for that
14 class of property for valuations established as of
15 January 1, 1978, adjusted by the product obtained by
16 multiplying the percentage determined for that year
17 by the amount of any additions or deletions to actual
18 value, excluding those resulting from the revaluation
19 of existing properties, as reported by the assessors
20 on the abstracts of assessment for 1978, is less than
21 six percent, the 1979 dividend for the other class of
22 property shall be the dividend as determined for that
23 class of property for valuations established as of
24 January 1, 1978, adjusted by the product obtained by
25 multiplying the percentage determined for that year
26 by the amount of any additions or deletions to actual
27 value, excluding those resulting from the revaluation
28 of existing properties, as reported by the assessors on
29 the abstracts of assessment for 1978, plus a percentage
30 of the amount so determined which is equal to the
31 percentage by which the dividend as determined for the
32 other class of property for valuations established as
33 of January 1, 1978, adjusted by the product obtained
34 by multiplying the percentage determined for that year
35 by the amount of any additions or deletions to actual
36 value, excluding those resulting from the revaluation
37 of existing properties, as reported by the assessors
38 on the abstracts of assessment for 1978, is increased
39 in arriving at the 1979 dividend for the other class
40 of property. The divisor for each class of property
41 shall be the total actual value of all such property
42 in the state in the preceding year, as reported by the
43 assessors on the abstracts of assessment submitted
44 for 1978, plus the amount of value added to said
45 total actual value by the revaluation of existing
46 properties in 1979 as equalized by the director of
47 revenue pursuant to section 441.49. The director shall
48 utilize information reported on abstracts of assessment
49 submitted pursuant to section 441.45 in determining
50 such percentage. For valuations established as

Page 72

1 of January 1, 1980, and each year thereafter, the
 2 percentage of actual value as equalized by the director
 3 of revenue as provided in section 441.49 at which
 4 agricultural and residential property shall be assessed
 5 shall be calculated in accordance with the methods
 6 provided herein including the limitation of increases
 7 in agricultural and residential assessed values to the
 8 percentage increase of the other class of property if
 9 the other class increases less than the allowable limit
 10 adjusted to include the applicable and current values
 11 as equalized by the director of revenue, except that
 12 any references to six percent in this subsection shall
 13 be four percent. For valuations established as of
 14 January 1, 2012, and each assessment year thereafter,
 15 the percentage of actual value as equalized by the
 16 director of revenue as provided in section 441.49 at
 17 which residential property shall be assessed shall be
 18 calculated in accordance with the methods provided
 19 herein including the limitation of increases in
 20 agricultural and residential assessed values to the
 21 percentage increase of the other class of property if
 22 the other class increases less than the allowable limit
 23 adjusted to include the applicable and current values
 24 as equalized by the director of revenue, except that
 25 in no assessment year shall the percentage of actual
 26 value at which residential property is assessed be less
 27 than fifty percent.

Sec. 45. 2010 Iowa Acts, chapter 1193, section 1, as amended by this division of this Act, is amended by adding the following new subsections:

NEW SUBSECTION. 4. Of the amounts appropriated in this section, \$28,000,000 shall be distributed as provided in this subsection.

a. To be eligible to receive a distribution under this subsection, a county must meet the following requirements:

(1) The county is levying for the maximum amount allowed for the county's mental health, mental retardation, and developmental disabilities services fund under section 331.424A for taxes due and payable in the fiscal year beginning July 1, 2011; the county is levying for at least 90 percent of the maximum amount allowed for the county's services fund and that levy rate is more than \$2 per \$1,000 of the assessed value of all taxable property in the county; or the county is levying at least 92 percent of the maximum amount allowed for the county's mental health, mental retardation, and developmental disabilities services fund under section 331.424A for the fiscal year and had a negative services fund balance for the fiscal year beginning July 1, 2009, after disregarding the temporary funding increase provided to counties for the fiscal year beginning July 1, 2009, through the federal American Recovery and Reinvestment Act of 2009, Pub. L. No. 111-5.

(2) In the fiscal year beginning July 1, 2009, the county's mental health, mental retardation, and developmental disabilities services fund ending balance under generally accepted accounting principles was equal to or less than 15 percent of the county's actual gross expenditures for that fiscal year.

b. The amount of a county's distribution from the allocation made in this subsection shall be determined based upon the county's proportion of the general population of the counties eligible to receive a distribution under this subsection. The latest certified federal census issued by the United States bureau of the census shall be applied in determining population for the purposes of this paragraph.

c. The distributions made pursuant to this subsection are subject to the distribution provisions and withholding requirements established in this section for the county

mental health, mental retardation, and developmental disabilities allowed growth factor adjustment for the fiscal year beginning July 1, 2011.

NEW SUBSECTION. 5. The following amount of the funding appropriated in this section for distribution to counties is the allowed growth factor adjustment for fiscal year 2011-2012, and shall be credited to the allowed growth funding pool created in the property tax relief fund and for distribution in accordance with section 426B.5, subsection 1:

..... \$ 36,697,893

For the distribution made for the fiscal year beginning July 1, 2011, a county that is levying at least 92 percent of the maximum amount allowed for the county's mental health, mental retardation, and developmental disabilities services fund under section 331.424A for the fiscal year and had a negative services fund balance for the fiscal year beginning July 1, 2009, after disregarding the temporary funding increase provided to counties for the fiscal year beginning July 1, 2009, through the federal American Recovery and Reinvestment Act of 2009, Pub. L. No. 111-5, shall be deemed to have met the allocation eligibility requirement under section 426B.5, subsection 1, paragraph "d", subparagraph (1), subparagraph division (a).

NEW SUBSECTION. 6. The following formula amounts shall be utilized only to calculate preliminary distribution amounts for the allowed growth factor adjustment for fiscal year 2011-2012 under this section by applying the indicated formula provisions to the formula amounts and producing a preliminary distribution total for each county:

a. For calculation of a distribution amount for eligible counties from the allowed growth funding pool created in the property tax relief fund in accordance with the requirements in section 426B.5, subsection 1, and including the allocation eligibility provision authorized in subsection 5 of this section:

..... \$ 49,773,346

b. For calculation of a distribution amount for counties from the mental health and developmental disabilities (MH/DD) community services fund in accordance with the formula provided in the appropriation made for the MH/DD community services fund for the fiscal year beginning July 1, 2011:

..... \$ 14,187,556

NEW SUBSECTION. 7.

a. After applying the applicable statutory distribution formulas to the amounts indicated in subsection 6 for purposes of producing preliminary distribution totals, the department of human services shall apply a withholding factor to adjust an eligible individual county's preliminary distribution total. In order to be eligible for a distribution under this section, a county must be levying 90 percent or more of the maximum amount allowed for the county's mental health, mental retardation, and developmental disabilities services fund under section 331.424A for taxes due and payable in the fiscal year for which the distribution is payable.

b. An ending balance percentage for each county shall be determined by expressing the county's ending balance on a modified accrual basis under generally accepted accounting principles for the fiscal year beginning July 1, 2009, in the county's mental health, mental retardation, and developmental disabilities services fund created under section 331.424A, as a percentage of the county's gross expenditures from that fund for that fiscal year. If a county borrowed moneys for purposes of providing services from the county's services fund on or before July 1, 2009, and the county's services fund ending balance for that fiscal year includes the loan proceeds or an amount designated in the county budget to service the loan for the borrowed moneys, those amounts shall not be considered to be part of the county's ending balance for purposes of calculating an ending balance percentage under this subsection.

c. For purposes of calculating withholding factors and for ending balance amounts used for other purposes under law, the county ending balances shall be adjusted, using forms developed for this purpose by the county finance committee, to disregard the temporary funding increase provided to the counties for the fiscal year through the federal American Recovery and Reinvestment Act of 2009, Pub. L. No. 111-5. In addition, a county may adjust the ending balance amount by rebating to the department all or a portion of the allowed growth and MH/DD services fund moneys the county received for the fiscal year beginning July 1, 2010, in accordance with 2009 Iowa Acts, chapter 179, section 1, as amended by 2009 Iowa Acts, chapter 1192, sections 47 and 48, or from any other services fund moneys available to the county. The rebate must be remitted to the department on or before June 1, 2011, in order to be counted. However, if this division of this Act is enacted after June 1, 2011, the rebate must be remitted not later than 10 calendar days after the date of the governor's approval of this Act. The amount rebated by a county shall be subtracted dollar-for-dollar from the county's ending balance amount for the fiscal year beginning July 1, 2009, for purposes of calculating the withholding factor and for other ending balance purposes for the fiscal year beginning July 1, 2011. The rebates received by the department shall be credited to the property tax relief fund and distributed as additional funding for the fiscal year beginning July 1, 2011, in accordance with the formula provisions in this section.

d. The withholding factor for a county shall be the following applicable percent:

(1) For an ending balance percentage of less than 5 percent, a withholding factor of 0 percent. In addition, a county that is subject to this lettered paragraph shall receive an inflation adjustment equal to 3 percent of the gross expenditures reported for the county's services fund for the fiscal year.

(2) For an ending balance percentage of 5 percent or more but less than 10 percent, a withholding factor of 0 percent. In addition, a county that is subject to this lettered paragraph shall receive an inflation adjustment equal to 2 percent of the gross expenditures reported for the county's services fund for the fiscal year.

(3) For an ending balance percentage of 10 percent or more but less than 25 percent, a withholding factor of 25 percent. However, for counties with an ending balance percentage of 10 percent or more but less than 15 percent, the amount withheld shall be limited to the amount by which the county's ending balance was in excess of the ending balance percentage of 10 percent.

(4) For an ending balance percentage of 25 percent or more, a withholding percentage of 100 percent.

NEW SUBSECTION. 8. The total withholding amounts applied pursuant to subsection 7 shall be equal to a withholding target amount of \$13,075,453. If the department of human services determines that the amount appropriated is insufficient or the amount to be withheld in accordance with subsection 7 is not equal to the target withholding amount, the department shall adjust the withholding factors listed in subsection 7 as necessary to achieve the target withholding amount. However, in making such adjustments to the withholding factors, the department shall strive to minimize changes to the withholding factors for those ending balance percentage ranges that are lower than others and shall only adjust the zero withholding factor or the inflation adjustment percentages specified in subsection 7, paragraph "d", when the amount appropriated is insufficient.

b. An ending balance percentage for each county shall be determined by expressing the county's ending balance on a modified accrual basis under generally accepted accounting principles for the fiscal year beginning July 1, 2010, in the county's mental health, mental retardation, and developmental disabilities services fund created under section 331.424A, as a percentage of the county's gross expenditures from that fund for that fiscal year. If a county borrowed moneys for purposes of providing services from the county's services fund on or before July 1, 2010, and the county's services fund ending balance for that fiscal year includes the loan proceeds or an amount designated in the county budget to service the loan for the borrowed moneys, those amounts shall not be considered to be part of the county's ending balance for purposes of calculating an ending balance percentage under this subsection.

c. For purposes of calculating withholding factors and for ending balance amounts used for other purposes under law, the county ending balances shall be adjusted, using forms developed for this purpose by the county finance committee, to disregard the temporary funding increase provided to the counties for the fiscal year through the federal American Recovery and Reinvestment Act of 2009, Pub. L. No. 111-5. In addition, a county may adjust the ending balance amount by rebating to the department all or a portion of the allowed growth and MH/DD services fund moneys the county received for the fiscal year beginning July 1, 2011, in accordance with this Act, or from any other services fund moneys available to the county. The rebate must be remitted to the department on or before June 1, 2012, in order to be counted. The amount rebated by a county shall be subtracted dollar-for-dollar from the county's ending balance amount for the fiscal year beginning July 1, 2010, for purposes of calculating the withholding factor and for other ending balance purposes for the fiscal year beginning July 1, 2012. The rebates received by the department shall be credited to the property tax relief fund and distributed as additional funding for the fiscal year beginning July 1, 2012, in accordance with the formula provisions in this section.

d. The withholding factor for a county shall be the following applicable percent:

(1) For an ending balance percentage of less than 5 percent, a withholding factor of 0 percent. In addition, a county that is subject to this lettered paragraph shall receive an

inflation adjustment equal to 3 percent of the gross expenditures reported for the county's services fund for the fiscal year.

(2) For an ending balance percentage of 5 percent or more but less than 10 percent, a withholding factor of 0 percent. In addition, a county that is subject to this lettered paragraph shall receive an inflation adjustment equal to 2 percent of the gross expenditures reported for the county's services fund for the fiscal year.

(3) For an ending balance percentage of 10 percent or more but less than 25 percent, a withholding factor of 25 percent. However, for counties with an ending balance of 10 percent or more but less than 15 percent, the amount withheld shall be limited to the amount by which the county's ending balance was in excess of the ending balance percentage of 10 percent.

(4) For an ending balance percentage of 25 percent or more, a withholding percentage of 100 percent.

6. The total withholding amounts applied pursuant to subsection 5 shall be equal to a withholding target amount of \$13,075,453. If the department of human services determines that the amount appropriated is insufficient or the amount to be withheld in accordance with subsection 5 is not equal to the target withholding amount, the department shall adjust the withholding factors listed in subsection 5 as necessary to achieve the target withholding amount. However, in making such adjustments to the withholding factors, the department shall strive to minimize changes to the withholding factors for those ending balance percentage ranges that are lower than others and shall only adjust the zero withholding factor or the inflation adjustment percentages specified in subsection 5, paragraph "d", when the amount appropriated is insufficient.

RESOLUTIONS ADOPTED

Resolutions adopted during the Eighty-fourth General Assembly,
2011 session, not otherwise printed in the House Journal.

HOUSE CONCURRENT RESOLUTION 7 BY CHAMBERS and KEARNS

1 A concurrent resolution supporting the establishment of
2 a veterans national recovery center at the former
3 Veterans Affairs Hospital campus in Knoxville, Iowa.
4 WHEREAS, Iowa has a proud tradition of supporting
5 veterans who have fought to protect us all; and
6 WHEREAS, the history of war is such that veterans
7 do not need to bleed to be injured, evidenced by
8 "soldier's heart" in the Civil War, "shell shock" in
9 World War II, and post-traumatic stress disorder (PTSD)
10 and traumatic brain injury (TBI) today, demonstrating
11 that what veterans see and experience can change them
12 in profound ways; and
13 WHEREAS, society is only beginning to understand
14 how these potentially lifelong conditions affect the
15 ability of the returning veteran to adapt to society,
16 often resulting in homelessness, drug addiction, and
17 suicide, even though these emotional and physiological
18 wounds remain unseen unlike physical injuries from
19 combat; and
20 WHEREAS, nationwide there are an estimated 126,000
21 homeless veterans today, and recovery facilities are
22 scarce, especially in small urban and rural areas, with
23 an estimated 30,000-recovery-bed shortage, including
24 a shortage of 8,000 beds for the two-year Department
25 of Veterans Affairs-funded transitional program for
26 homeless veterans; and
27 WHEREAS, homelessness among veterans has for years
28 been considered a local and regional problem, as local

Page 2

1 citizens can best reintegrate the local soldier into
2 the fabric of local society; and
3 WHEREAS, this local problem creates a need for a
4 veterans national recovery center because nothing
5 similar exists today for homeless veterans; and
6 WHEREAS, a vision exists in which homeless veterans
7 from around the region and nation can access an
8 integrated services center that provides training,
9 counseling, personal connectivity from outside
10 providers to create an environment that can lift the
11 spirits and aspirations of even the most discouraged
12 homeless veteran, to give veterans from underserved
13 areas, both rural and suburban, priority services,

14 and to conduct needed research into the solutions for
15 homelessness among veterans; and
16 WHEREAS, the integrated services center could
17 network with national corporations at the highest level
18 to provide job and living opportunities across the
19 country to homeless veterans that have progressed to
20 psychological stability and self-sufficiency; and
21 WHEREAS, base funding is available for operations
22 through programs promoted by the United States
23 Department of Veterans Affairs, including a capitals
24 program, a transportation program, and a two-year
25 program intended to transition the homeless veteran
26 from the street to a working, stable home; and
27 WHEREAS, the former Veterans Affairs Hospital
28 campus at Knoxville, Iowa, is available and has the
29 capacity to support the veterans national recovery
30 center for veterans who are homeless or have suffered

Page 3

1 from post-traumatic stress disorders or traumatic
2 brain injuries, and can provide jobs for veterans and
3 nonveterans alike and economic development to the
4 area; NOW THEREFORE,
5 BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES, THE
6 SENATE CONCURRING, That the General Assembly of the
7 State of Iowa views the establishment of a veterans
8 national recovery center at the former Veterans Affairs
9 Hospital campus in Knoxville, Iowa, favorably and urges
10 the United States Department of Veterans Affairs to
11 take those actions necessary to implement the center's
12 establishment.
13 BE IT FURTHER RESOLVED, That upon passage, the Chief
14 Clerk of the House of Representatives immediately
15 transmit a copy of this resolution to the Honorable
16 Eric Shinseki, Secretary of the United States
17 Department of Veterans Affairs.

H.C.R. 7 filed on January 19, 2011; adopted January 19, 2011.

1 A resolution requesting modifications to a national
2 broadband plan for the benefit of rural residents of
3 this state.
4 WHEREAS, residents of this state living in rural
5 areas deserve and expect the same high-quality,
6 affordable communications services that are available
7 to their urban neighbors; and
8 WHEREAS, similar to businesses in urban areas, rural
9 businesses, farmers, and ranchers compete in the global
10 marketplace and depend on affordable access to robust
11 broadband services to market and sell their products
12 around the world; and
13 WHEREAS, children living in rural areas should

15 urban counterparts and high-speed internet access
16 is absolutely necessary to allow these students
17 opportunities for advanced learning through distance
18 education; and
19 WHEREAS, residents living in rural areas face unique
20 health care challenges because of the distances that
21 must be traveled to seek basic and advanced medical
22 care, and telemedicine delivered via broadband networks
23 can improve the health of rural residents by reducing
24 the time and travel needed for high-quality health
25 care; and
26 WHEREAS, many rural areas encounter significant
27 challenges in pursuing and sustaining economic

Page 2

1 development plans that bring quality higher paying
2 jobs to their communities, and insufficiently robust
3 broadband speeds will further hamper the economic
4 development needs of many rural communities; and
5 WHEREAS, the United States Department of Agriculture
6 has rightfully placed significant importance on the
7 need for broadband access in rural America to improve
8 quality-of-life and economic development; and
9 WHEREAS, communications providers that serve this

13 United States Department of Agriculture's Rural
14 Utilities Service loan and grant programs for economic
15 development; and
16 WHEREAS, contrary to the progress rural
17 communications providers have had in deploying
18 broadband, the Federal Communications Commission
19 is embarking on a National Broadband Plan that will

20 negatively impact the ability of residents living in
 21 rural areas in this state to realize the true benefits
 22 of access to robust broadband speeds by limiting
 23 support to four megabits per second in rural, high-cost
 24 areas of the country, while calling for one hundred
 25 million urban homes to have access to broadband speeds
 26 at one hundred megabits per second by 2020; and
 27 WHEREAS, the National Broadband Plan runs counter
 28 to the federal universal service policy which ensures
 29 access to communications services at comparable rates
 30 regardless of the consumer's location; NOW THEREFORE,

Page 3

1 BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES, That
 2 the House of Representatives challenges the Federal
 3 Communications Commission to make substantive changes
 4 to the National Broadband Plan so that the plan does
 5 not limit the future economic livelihood and social
 6 wellbeing of rural consumers; and
 7 BE IT FURTHER RESOLVED, That the House of
 8 Representatives encourages the members of Iowa's
 9 congressional delegation to work with the Federal
 10 Communications Commission to ensure that commissioners
 11 understand the importance of robust broadband
 12 deployment to rural Iowa and how the current draft of
 13 the National Broadband Plan needs to be dramatically
 14 altered to ensure quality broadband service
 15 availability throughout this state.

1 A resolution urging the nullification of rules adopted
 2 by the United States Environmental Protection
 3 Agency relating to national emissions standards for
 4 hazardous air pollutants for reciprocating internal
 5 combustion engines.
 6 WHEREAS, the United States Environmental
 7 Protection Agency in March 2010 finalized national
 8 emissions standards for hazardous air pollutants for
 9 reciprocating internal combustion engines which took
 10 effect in May 2013; and
 11 WHEREAS, the rules would have a devastating impact

 15 of 548 megawatts; and
 16 WHEREAS, these rules impact 67 utilities that serve

 16 increases and lost capacity; and
 17 WHEREAS, the cost estimate if all 287 diesel
 18 generators were to be retrofit for compliance over a
 19 10-year period is \$36 million, which is an average cost
 20 of \$34.14 per year per customer with costs as high

21 as \$203 per year per customer or more, and such cost

HOUSE RESOLUTION 52

BY PAUSTIAN

1 A resolution calling for the curtailment and assessment
 2 of air quality regulation by the United States
 3 environmental protection agency.
 4 WHEREAS, the United States environmental protection
 5 agency (EPA) has proposed or is proposing numerous
 6 new air quality regulations that have had and will

7 potentially have an enormous negative effect on this
8 state's residential, commercial, and industrial energy
9 consumers by increasing rates; and
10 WHEREAS, the EPA's regulatory activity regarding
11 air quality and greenhouse gases has been referred
12 to as a "train wreck" because of the numerous and
13 overlapping requirements, the uncertainty created by
14 the continual demand to upgrade or comply with a new
15 set of regulations, and the potentially devastating
16 consequences this regulatory activity may have on the
17 economy of this state; and
18 WHEREAS, the EPA has not undertaken any
19 comprehensive study of the cumulative effects of
20 this new regulatory activity on the economy, jobs,
21 and competitiveness of the United States; nor has it
22 performed any comprehensive study of the prospective
23 environmental benefits of its greenhouse gas regulation
24 in terms of the impact on global climate change; and
25 WHEREAS, having identified taking action on climate
26 change and improving air quality as its first strategic
27 goal for the 2011-2015 time period, the EPA should be
28 required to identify the specific actions it intends

Page 2

1 to take to achieve these goals and to assess the total
2 cost of the actions required to achieve them; and
3 WHEREAS, the General Assembly of the State of Iowa
4 supports continuing improvements in the quality of the
5 nation's air and believes that such improvements can be
6 made in a sensible fashion without damaging the economy
7 so long as there is a full understanding of the cost of
8 the regulations at issue; and
9 WHEREAS, the regulations under consideration could
10 pose significant compliance challenges for the electric
11 power sector, both with respect to economic burden and
12 the feasibility of implementation by the contemplated
13 deadlines; NOW THEREFORE,
14 BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES, That
15 the House of Representatives supports the imposition
16 of a moratorium on enforcement of rules regulating
17 greenhouse gas emissions for a period of at least two
18 years, and a moratorium on enforcement of existing or
19 proposed rules regulating air quality for at least
20 two years, except air quality regulation which the
21 EPA can document by a preponderance of evidence will
22 result in an imminent or irreversible threat to public
23 health or the environment if subject to a delay in
24 implementation; and
25 BE IT FURTHER RESOLVED, That the House of
26 Representatives supports requiring the EPA to undertake
27 a study, drawing on the expertise of both the EPA and

28 federal agencies and departments possessing expertise
29 in and responsibility for the United States economy
30 and electric utility generation and regulation,

Page 3

1 to identify all regulatory activity that the EPA
2 intends to undertake in furtherance of its goal of
3 taking action on climate change and improving air
4 quality. The study should specify the cumulative
5 effects of these regulations on the economy, jobs, and
6 competitiveness of the United States, and provide an
7 objective cost-benefit analysis of the EPA's current
8 and anticipated air quality regulation; and
9 BE IT FURTHER RESOLVED, That a copy of this
10 resolution be sent to the members of Iowa's
11 congressional delegation.

1 A resolution requesting that the Department of Human
2 Services and the Department of Public Health study
3 the management and treatment of atrial fibrillation.
4 WHEREAS, atrial fibrillation (AFib) is the most
5 common serious heart rhythm disorder and causes 15
6 percent of all strokes in the United States; and
7 WHEREAS, atrial fibrillation affects more than 2.3
8 million Americans, which number is expected to more
9 than double to 5.6 million Americans by 2050; and
10 WHEREAS, one in four people aged 40 years or older
11 develop atrial fibrillation during their lifetime; and
12 WHEREAS, atrial fibrillation causes the heart to
13 beat irregularly or out of rhythm, with the result that
14 people with AFib are nearly five times more likely to
15 have a stroke than someone without the condition; and
16 WHEREAS, AFib-related strokes are about twice as
17 likely to be fatal and about twice as likely to be
18 severely disabling than strokes that are not related
19 to AFib; and
20 WHEREAS, three out of four AFib-related strokes can
21 be prevented, but many patients are not aware of their
22 risk and do not take action to prevent a stroke; and
23 WHEREAS, the estimated direct medical costs of
24 strokes for 2007 totalled \$25.2 billion, including
25 hospital outpatient or office-based provider visits,
26 hospital inpatient stays, emergency room visits,
27 prescribed medicines, and home health care; and
28 WHEREAS, appropriate stroke prevention measures for

Page 2

1 persons affected by AFib can effectively reduce the
 2 overall financial burden of the illness within public
 3 assistance programs such as Medicaid and Medicare; and
 4 WHEREAS, reducing the risk of stroke related to AFib
 5 may maintain self-sufficiency on the part of patients
 6 cared for within public assistance programs; NOW
 7 THEREFORE,
 8 BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES,
 9 That the House of Representatives requests that the
 10 Department of Human Services and the Department of
 11 Public Health study the feasibility of implementing
 12 an audit program to assess chronic disease management
 13 of stroke prevention in atrial fibrillation patients
 14 using available public and private sources of funding
 15 in an effort to identify opportunities to reduce the
 16 financial and clinical burden of AFib-related strokes
 17 on Iowa, and on public assistance programs including
 18 Medicare and Medicaid; and
 19 BE IT FURTHER RESOLVED, That at the conclusion of

1 A resolution related to the naming of public buildings
 2 and institutions.
 3 WHEREAS, Iowa has a long tradition of naming public
 4 buildings and institutions to honor the life, public
 5 service, and memory of distinguished political leaders
 6 or notable Iowans; and
 7 WHEREAS, the Hoover, Grimes, Wallace, and Ola
 8 Babcock Miller state office buildings, and Jack Trice

 11 WHEREAS, traditionally, this honor comes as the

14 WHEREAS, the Board of Regents has departed from
15 this principle by naming an Iowa State University
16 public policy institute after United States Senator Tom
17 Harkin; and
18 WHEREAS, while a public official may be

10 BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES, That
11 the House of Representatives respectfully requests that
12 the Board of Regents reconsider and reverse its action
13 naming an Iowa State University public policy institute

SAMUEL ANANIA

SAMUEL ANANIA was born March 3, 1921 in Des Moines, Iowa.

Anania was a graduate of Dowling High School and Iowa Barber College. He owned and operated his barbershop on the corner of SE First and Edison from 1953 to 1970.

Anania served his country in the Army Signal Corps stationed in New Guinea during World War II. He was a south side resident all his life with his wife Mary Louise for over sixty years. They had two children, three grandchildren, four great grandchildren.

He enjoyed supporting his community, politics and volunteering. He served on many community boards including Des Moines Park and Recreation and Des Moines Planning and Zoning Commission. He served on the Polk County Board of Supervisors from 1974 to 1980. Anania was a member of Izaak Walton League, Polk County Peace Officers Association, Stemma D'Italia Lodge, Railsplitters Ambassadors and Bellizzi-MacRae American Legion Post.

He was a member of St. Anthony's Church in West Des Moines, and a past President of the Dowling Club.

Samuel Anania was a Democrat from Polk County. He was elected to the Iowa House in November of 1970 and served in the 64th General Assembly.

Samuel Anania passed away on May 25, 2010 at the age of 89.

PAUL A. BELL

PAUL A. BELL was born On October 3, 1950 in in Algona, Iowa.

After graduating from the University of Northern Iowa he and Niki moved to Newton. Paul served for 31 years as a member of the Newton Police Department. During that time Bell served as the first D.A.R.E. officer in the state and also started the first Neighborhood Watch program in Newton. Representative Bell's first election to the legislature came in 1992.

A large part of Paul's personal life consisted of fishing and time spent outdoors with family and friends. Paul used his lifetime of outdoors experiences to become a very effective Chair of the House Natural Resources Committee. Working as the natural resources leader in the House, Paul was an unyielding supporter of the Water and Land Legacy Amendment to the Iowa Constitution. He led the measure to passage in two successive General Assemblies which allowed the amendment to be put to a vote of the people in the fall of 2010. Seventy-six percent of Iowans agreed with Paul and the measure is now a part of the Iowa Constitution.

Another of Paul's passions was serving as a member of trade delegations visiting other countries. This interest led him to become a member of the General Assembly's International Relations Committee where he quickly became an expert on diplomatic protocol. When Paul formally introduced foreign dignitaries on the House floor, his natural friendliness and diplomatic tact always imparted dignity and made guests feel welcome. The attendance at his memorial service by dignitaries from several other countries was a testament to this generous and special part of Paul's personality.

Paul's friendly manner, easy camaraderie and willingness to share resulted in his membership, often as leader, of a long list of formal and sometimes not-so-formal groups, including: the Lutheran Church, RSVP, YMCA, Kiwanis, PTA, Special Olympics, Salvation Army, League of Women Voters, Cub Scouts, Little League, Red Ribbon Campaign, Jaycees, and, last and certainly not least, his morning coffee group, Wednesday night poker group, the afternoon card group, and his Capitol lunch group.

During his illness Paul inspired others with his courage and his positive outlook on life. He was present in the House Chamber for every day of the 2010 session, even while undergoing difficult treatments in the battle for his health. Paul Bell served nine terms in the Iowa House of Representatives.

Paul Bell passed away on June 7, 2010 at the age of 59.

Now, Therefore, Be It Resolved By The House Of Representatives Of The Eighty-Fourth General Assembly Of Iowa, That in the passing of the Honorable Paul Bell, the State has lost an honored citizen and a faithful and useful public servant, and the House by this Resolution would express its appreciation of his service.

Be It Further Resolved, That a copy of this Resolution be spread upon the Journal of the House, and that the Chief Clerk be directed to forward an enrolled copy to the family of the deceased.
