42 or by a federal statute or regulation. However,
43 if a safe room or storm shelter is included in any

12 the department of management to create and maintain a

6 compliance with this section.

7 2. By January 1, 2014, the director shall add data
8 for the previous budgets to the internet site. Data
9 for previous fiscal years may be added as it becomes
10 available and as time permits. The director shall
11 ensure that all data added to the internet site remain
12 accessible to the public for a minimum of ten years.

13 Sec. 46. NEW SECTION. 8G.6 Noncompliance.

14 The director shall not be considered in compliance
15 with this subchapter if the data required for the
16 internet site is not available in a searchable manner
17 and capable of being compiled or if the public is
18 redirected to other government internet sites unless
19 each of those sites displays information from all
20 agencies and each category of information required can
21 be searched electronically by field in a single search.

22 Sec. 47. NEW SECTION. 8G.10 Intent — findings.

23 The general assembly finds that increasing
24 the ease of public access to state and local tax
25 rates, particularly where the rates are currently
26 available from disparate government sources and are
27 difficult for the public to collect and efficiently
28 aggregate, significantly contributes to governmental
29 accountability, public participation, and the
30 understanding of the cost of government services.
31 Therefore, it is the intent of the general assembly to
32 direct the department of management, in consultation
33 with the department of revenue, to create and maintain
34 a searchable database and internet site of each tax
35 rate for all taxing jurisdictions in the state to make
36 citizen access to state and local tax rates as open,
37 transparent, and publicly accessible as is feasible.

38 Sec. 48. NEW SECTION. 8G.11 Short title.

39 This subchapter shall be known and cited as the
40 "Taxation Disclosure Act".

41 Sec. 59. NEW SECTION. 8G.12 Tax rate database.

42 1. Searchable tax rate database. By January 1,
43 2012, the department of management, in consultation
44 with the department of revenue, shall make publicly
45 available on an internet site a searchable database
46 of all tax rates in the state for each taxing
47 jurisdiction. The information shall include all
48 applicable tax types imposed in the taxing jurisdiction
49 and shall be organized, presented, and accessible, to
50 the extent possible, by county, city, and physical

Page 16

1 address for each residency or business. Individual tax
2 levies shall be further specified within each tax rate.

3 2. Geographical tax rate map. In addition to
4 searching for tax rates in the manner described
5 in subsection 1, searches shall be accommodated by
6 a geographical tax rate map of the state that is
7 capable of being displayed with a level of specificity
8 corresponding to each taxing jurisdiction.

9 Sec. 50. NEW SECTION. 8G.13 Updating database.

10 To facilitate the department of management's efforts
11 in creating and maintaining a searchable database of
12 the taxes identified in section 8G.12, subsection 3,
13 for all taxing jurisdictions in the state, each taxing
14 jurisdiction may annually be required to report its tax
15 rates to the department of management or the department
16 of revenue and shall report any changes to its tax
17 rates within thirty days of the change.>

18 DIVISION _____
 19 COUNTY MENTAL HEALTH
 20 AND DISABILITY SERVICES

21 Sec. ____ COUNTY WAITING LISTS.
 22 1. There is appropriated from the general fund of
 23 the state to the department of human services for the
 24 fiscal year beginning July 1, 2010, and ending June 30,
 25 2011, the following amount, or so much thereof as is
 26 necessary, to be used for the purposes designated:
 27 To be credited to the risk pool in the property tax
 28 relief fund created in chapter 426B and expended as
 29 provided in this section:

30 \$ 25,000,000
 31 2. The amount appropriated in this section is
 32 appropriated from the risk pool to the department
 33 of human services for distribution as provided in
 34 this section. Notwithstanding section 8.33, moneys
 35 appropriated in this section that remain unencumbered
 36 or unobligated at the close of the fiscal year shall

 9 allocations shall be completed on or before July 1,
 10 2011.
 11 c. The general assembly finds that as of the time
 12 of enactment of this section, the funding appropriated

 16 However, the process implemented by the risk pool
 17 board shall ensure there is adequate funding so that
 18 a person made eligible for services and other support

10 appropriations, and ways and means of the senate and
11 house of representatives shall propose legislation to

21 this division of this Act take effect.

22 c. Shift the balance of responsibilities for the

24 that the state ensures greater uniformity and there
25 is sufficient size to develop effective services
26 while maintaining the county role of bringing local
27 resources together in unique ways that best meet the

28 needs of clients, by implementing a new services system
29 structure by July 1, 2012, when the repeals contained
30 in this division of this Act take effect.

8 BENEFIT INDICATORS. Notwithstanding any contrary
9 provisions of chapter 96, with respect to weeks of
10 unemployment beginning on or after December 17, 2010,
11 and ending four weeks prior to the last week for which
12 the federal government funds one hundred percent of the
13 cost of shareable extended unemployment compensation
14 benefits and shareable regular unemployment
15 compensation benefits as authorized by section 2005(a)
16 of Tit. II of the federal Assistance for Unemployed
17 Workers and Struggling Families Act, of the federal
18 American Recovery and Reinvestment Act of 2009, Pub.
19 L. No. 111-5, as amended, for the purposes of section
20 96.19, subsections 21 and 32, and section 96.29,
21 subsections 4 and 5:

22 1. There is a state "on" indicator for a week
23 ending on or before December 31, 2011, or any other

1 Amend Senate File 291, as passed by the Senate, as
2 follows:

3 1. By striking everything after the enacting clause
4 and inserting:

5 <Section 1. Section 228.6, subsection 4, Code 2011,
6 is amended to read as follows:

7 4. a. Mental health information may be disclosed
8 in a civil or administrative proceeding in which
9 an individual eighteen years of age or older or an
10 individual's legal representative or, in the case of
11 a deceased individual, a party claiming or defending
12 through a beneficiary of the individual, offers the
13 individual's mental or emotional condition as an
14 element of a claim or a defense.

15 b. An alleged victim's mental health information
16 may be disclosed in a criminal proceeding pursuant to
17 section 622.10, subsection 3A.

18 Sec. 2. Section 622.10, Code 2011, is amended by
19 adding the following new subsection:

20 NEW SUBSECTION. 3A. a. Except as otherwise
21 provided in this subsection, the confidentiality
22 privilege under this section shall be absolute with
23 regard to a criminal action and this subsection shall
24 not be construed to authorize or require the disclosure
25 of any privileged records to a defendant in a criminal

26 action unless either of the following occur:

27 (1) The privilege holder voluntarily waives the
28 confidentiality privilege.

29 (2) (a) The defendant seeking access to an alleged
30 victim's privileged records under this subsection
31 files a motion with the court demonstrating a good
32 faith factual basis that the records sought contain
33 evidence relevant to the defendant's innocence. The
34 motion shall set forth specific facts establishing
35 a reasonable probability the records sought contain
36 exculpatory evidence tending to create a reasonable
37 doubt as to the defendant's guilt. The motion shall
38 also request the court to issue a subpoena requiring
39 the custodian of the records to produce the records
40 sought by the defendant under seal of the court. Such
41 a motion shall be filed not later than forty days after
42 arraignment. Failure of the defendant to timely file
43 such a motion constitutes a waiver of the right to seek
44 access to records under this subsection, except that
45 the court, for good cause shown, may grant relief from
46 such waiver.

47 (b) Within three working days of the filing of
48 the motion pursuant to subparagraph division (a),
49 the county attorney shall notify the alleged victim
50 that the defendant has made a request for the alleged

Page 2

1 victim's privileged records and shall, after conferring
2 with the alleged victim, provide the court with an
3 affidavit signed by the alleged victim stating that
4 the alleged victim either consents to or opposes the
5 disclosure of the records. If the alleged victim
6 consents to the disclosure, the court shall issue a
7 subpoena for the records to be produced under seal
8 of the court. If the alleged victim opposes the
9 disclosure, the court shall hold a hearing within ten
10 days of the filing of defendant's motion pursuant to
11 subparagraph division (a) to determine if a reasonable
12 probability exists that the records contain exculpatory
13 evidence tending to create a reasonable doubt as to the
14 defendant's guilt.

15 (c) If, after the hearing, the court determines
16 a reasonable probability exists that the privileged
17 records sought by the defendant contain exculpatory
18 evidence tending to create a reasonable doubt as to the
19 defendant's guilt, the court shall immediately issue
20 a subpoena for the records to be produced under seal
21 of the court.

22 (d) The defendant's attorney shall have the right
23 to inspect any privileged records produced pursuant to
24 the subpoena at the courthouse. However, prior to any

25 such inspection, the court shall issue a protective
26 order containing stringent nondisclosure provisions
27 prohibiting any attorney or county attorney who is
28 allowed to inspect or review the records under this
29 subsection from copying, disclosing, or disseminating
30 the information contained in the records to any person,
31 including the defendant, unless otherwise authorized in
32 this subsection or by the court.

33 (e) After the defendant's attorney has had the
34 opportunity to review and identify the specific
35 privileged records the defendant's attorney believes
36 contain exculpatory evidence, the defendant's attorney
37 shall file a motion under seal of the court designating
38 the specific records requested, summarizing the alleged
39 exculpatory evidence contained therein, and requesting
40 that the matter be set for hearing. Prior to the
41 hearing, the county attorney may review the designated
42 records at the courthouse, subject to the protective
43 order entered by the court pursuant to subparagraph
44 division (d).

45 (f) Within seven days of the filing of the
46 defendant's motion under subparagraph division (e),
47 the court shall hold a hearing to determine if the
48 designated privileged records contain exculpatory
49 evidence. The court shall give notice of the hearing
50 to the defendant's attorney and the county attorney.

Page 3

1 If the court determines the designated records contain
2 exculpatory evidence, the court shall provide a copy of
3 any such records to the defendant's attorney and to the
4 county attorney. Prior to providing these records to
5 the defendant's attorney and the county attorney, the
6 court shall order that all nonexculpatory matters in
7 the records provided be redacted prior to the records
8 being removed from the courthouse and, unless otherwise
9 provided by the court, the records shall continue to be
10 subject to the protective order entered by the court
11 pursuant to subparagraph division (d).

12 (g) Before the defendant's attorney or the county
13 attorney may disclose the privileged records to a
14 third party, including potential expert witnesses, the
15 defendant's attorney or the county attorney shall first
16 obtain an order from the court allowing such disclosure
17 and requiring the person to whom the records are to be
18 disclosed be bound to the same nondisclosure provisions
19 imposed on the attorneys. A copy of the protective
20 order shall be given to the third party when the party
21 receives copies of the records.

22 b. The determination of whether either information
23 contained in the privileged records released pursuant

24 to this subsection or the privileged records themselves
25 meet the requirements for admission at trial under the
26 rules of evidence is a separate determination that the
27 court shall make at trial or in a ruling on a motion in
28 limine. If the court ultimately determines the records
29 are admissible, the court shall consider alternatives
30 to the introduction of the records as proffered,
31 which may include stipulations by the parties or the
32 introduction of redacted portions of the records.

33 c. Information derived from privileged records
34 obtained by any means other than as provided in
35 paragraph "a" shall not be admissible in any criminal
36 action.

37 d. All privileged records produced under seal
38 of the court pursuant to this subsection shall be
39 preserved for purposes of appeal. Upon completion of
40 the appeal, all persons who have copies of the records
41 shall destroy such copies and certify to the court that
42 the records in their possession have been destroyed.

43 Sec. 3. EFFECTIVE UPON ENACTMENT. This Act, being
44 deemed of immediate importance, takes effect upon
45 enactment.>

1 Amend House File 517 as follows:

2 1. By striking everything after the enacting clause
3 and inserting:

4 <Section 1. Section 561.13, Code 2011, is amended
5 to read as follows:

6 561.13 Conveyance or encumbrance.

7 1. A conveyance or encumbrance of, or contract
8 to convey or encumber the homestead, if the owner is
9 married, is not valid, unless and until the spouse of
10 the owner executes the same or a like instrument, or a
11 power of attorney for the execution of the same or a
12 like instrument, except as provided in subsection 3.
13 However, when the homestead is conveyed or encumbered
14 along with or in addition to other real estate, it is
15 not necessary to particularly describe or set aside the
16 tract of land constituting the homestead, whether the
17 homestead is exclusively the subject of the contract or
18 not, but the contract may be enforced as to real estate
19 other than the homestead at the option of the purchaser
20 or encumbrancer.

21 2. If a spouse who holds only homestead rights and
22 surviving spouse's statutory share in the homestead
23 specifically relinquishes homestead rights in an
24 instrument, including a power of attorney constituting
25 the other spouse as the husband's or wife's attorney in

26 fact, as provided in section 597.5, it is not necessary
 27 for the spouse to join in the granting clause of the
 28 same or a like instrument.
 29 3. A conveyance or encumbrance or a contract to
 30 convey or encumber the homestead is not invalid under
 31 subsection 1 if any of the following apply:
 32 a. The nonsigning spouse's interest is terminated
 33 by a decree of dissolution of marriage or other order
 34 of the court.
 35 b. The nonsigning spouse's right of recovery is
 36 barred by section 614.15.
 37 c. The encumbrance is a purchase money mortgage as
 38 defined in section 654.12B.
 39 d. A court sitting in equity enters a decree
 40 holding that invalidating the conveyance or encumbrance
 41 or a contract to convey or encumber the homestead
 42 would, directly or indirectly, unjustly enrich the
 43 nonsigning spouse.
 44 4. For the purposes of this section, "nonsigning
 45 spouse" means a spouse who has not executed a
 46 conveyance or encumbrance or a contract to convey or
 47 encumber the homestead, the same or a like instrument,
 48 or a power of attorney for the execution of the same or
 49 a like instrument.>

H-1454

1 Amend Senate File 205, as passed by the Senate, as
 2 follows:
 3 1. Page 16, after line 22 by inserting:
 4 <DIVISION III
 5 RAILROAD CLEARANCES AND SAFE SPACES
 6 Sec. ____ NEW SECTION. 327F.10 Minimum clear space
 7 requirements for bridges, structures, poles, and other
 8 obstructions.
 9 1. Overhead clearances.
 10 a. The minimum overhead clearance above a railroad
 11 track that is used or proposed to be used for
 12 transporting freight cars shall be twenty-two feet,

13 except as otherwise provided in this subsection.

14 b. The overhead clearance above the top rail of
15 tracks located at the entrance to or inside a building
16 may be less than twenty-two feet but not less than
17 eighteen feet. However, if an overhead clearance of
18 less than twenty-two feet exists above tracks inside a
19 building, the movement of railway equipment shall be
20 brought to a stop before entering the building. In
21 switching movements requiring a number of entries,
22 stopping is required only upon initial entry.

23 c. This subsection does not apply to electric wires
24 or equipment required above tracks for the operation
25 of trains by electric energy, provided that a carrier
26 that conducts such an operation adopts and enforces
27 rules which prohibit an employee from being on top of a
28 rail car while the car is being operated under lower
29 clearances than those provided in this subsection.

30 d. The overhead clearances provided in this
31 subsection do not apply to engine houses, engine house
32 facilities, tipples, or facilities used for servicing
33 rail cars or for loading or unloading bulk commodities
34 if compliance is not reasonably practicable.

35 e. The department of transportation may waive
36 the requirements of this subsection for structures
37 constructed before January 1, 2012, if the waiver
38 will not adversely affect the safety of the public or
39 employees of the railroad.

40 2. Side clearances.

41 a. The minimum side clearance from the center line
42 of tangent railroad tracks that are used or proposed
43 to be used for transporting freight cars shall conform
44 with the requirements of this subsection, except that
45 structures, including platforms and tracks, constructed
46 or under construction prior to January 1, 2012, may be
47 maintained at clearances existing prior to that date,
48 and may be extended at existing clearances unless such
49 an extension is in connection with reconstruction of
50 the original platform.

Page 2

1 b. The minimum side clearance between the center
2 line of the track and any structure or obstruction
3 above the top of the rail, except structures or
4 obstructions specifically exempted under this
5 subsection, shall be twelve feet.

6 c. (1) A platform that is four feet or less above
7 the top of the rail, except a platform adjacent to main
8 or passing tracks, may be less than eight feet six
9 inches from the center line of the track on one side
10 of such track if a full clearance of at least eight
11 feet six inches is maintained on the opposite side of

12 the track or the distance from the center of the track
13 to the center of the adjacent track is not less than
14 fourteen feet.

15 (2) A platform that is four feet six inches or less
16 above the top of the rail, if used principally for
17 loading or unloading refrigerator cars, shall not be
18 less than eight feet from the center line of the track.

19 (3) A low passenger platform that is eight inches
20 or less above the top rail shall not be less than five
21 feet one inch from the center line of the track. A
22 high passenger platform that is four feet or less above
23 the top rail shall not be less than five feet seven
24 inches from the center line of the track.

25 (4) Platforms constructed before January 1,
26 2012, with less than the clearances prescribed in
27 this paragraph "c" may be extended at such lesser
28 clearances unless the extension is in connection with
29 reconstruction of the original platform.

30 d. The side clearance, other than for platforms, on
31 sidings only, at an entrance to a building or inside
32 a building shall not be less than eight feet from the
33 center line of the track.

34 e. Switchboxes, switch-operating mechanisms, and
35 accessories necessary for the control or operation of
36 signals or interlockers projecting four inches or less
37 above the top rail shall not be less than three feet
38 from the center line of the track.

39 f. The center spindle of signal and switch stands
40 three feet or less above the top of the rail and
41 located between tracks, if not practicable to provide
42 the clearances otherwise prescribed in this subsection,
43 shall not be less than six feet from the center line
44 of the track.

45 g. Through bridges supporting affected track,
46 tunnels, water columns, or oil columns shall not be
47 less than eight feet from the center line of the track,
48 except where special protection is required for unusual
49 commodities.

50 h. (1) The clearance for through bridges

Page 3

1 supporting affected track, water barrel platforms or
2 refuge platforms on bridges or trestles not provided
3 with walkways, handrails, water barrels, water columns,
4 block signals, cattle guards, and stock chutes, if all
5 or portions thereof are four feet or less above the top
6 of the rail, may be decreased to the extent defined
7 by a line extending diagonally upward from a point
8 level with the top of the rail and five feet distant
9 laterally from the center line of the track to a point
10 four feet above the top of the rail and eight feet

11 distant laterally from the center line of the track.
12 However, the minimum clearance for handrails or water
13 barrels on bridges with walkways shall be seven feet
14 nine inches, and the minimum clearance for fences for
15 cattle guards shall be six feet nine inches.
16 (2) The lesser clearances authorized in
17 subparagraph (1) for handrails and water barrels do not
18 apply to through bridges if the work of train workers
19 or yard workers requires the workers to be on the
20 decks of such bridges for the purpose of coupling or
21 uncoupling cars in the performance of switching service
22 on a switching lead.
23 i. The side clearances specified in this subsection
24 do not apply to mail cranes when the arms of the mail
25 cranes are supporting mail sacks for delivery, if the
26 top arm is not higher than ten feet eight inches above
27 the top of the rail and neither arm extends within six
28 feet five inches from the center line of the track.
29 j. Icing platforms and supports shall have a
30 minimum side clearance of eight feet. Except in
31 emergencies, operations over portions of track adjacent
32 to icing platforms constructed before January 1, 2012,
33 with a side clearance of less than eight feet shall
34 be restricted to the movement or switching of trains
35 containing refrigerator cars to be iced and to the
36 necessary use of such tracks for the unloading of
37 supplies required for the operation of an icing dock.
38 k. The side clearances specified in this section do
39 not apply to the following:
40 (1) Intertrack fences located on the center line
41 between tracks.
42 (2) Engine houses, engine house facilities,
43 tipples, or facilities used for servicing rail cars or
44 for loading or unloading bulk commodities if compliance
45 is not reasonably practicable.
46 (3) Car retarders, derails, switch point
47 protectors, guardrails, and similar appurtenances
48 projecting three inches or less above the top of the
49 rail.
50 l. The minimum side clearances prescribed in this

Page 4

1 subsection are for tangent tracks. Structures adjacent
2 to curve tracks shall have additional minimum side
3 clearances compensating for curvature.
4 3. Overhead and side clearances.
5 a. The overhead and side clearances prescribed in
6 subsections 1 and 2 may be decreased to the extent of a
7 line extending diagonally downward from a point four
8 feet from the center line of the track and twenty-two
9 feet above the top of the rail to a point eight feet

10 from the center line of the track and sixteen feet
11 above the top of the rail.

12 b. For tracks located at an entrance to or inside a
13 building with an overhead clearance of eighteen feet
14 and a side clearance of eight feet, as prescribed in
15 this section, the overhead and side clearances may be
16 decreased to the extent of a line extending diagonally
17 downward from a point four feet from the center line of
18 the track and eighteen feet above the top of the rail
19 to a point eight feet from the center line of the track
20 and fourteen feet above the top of the rail.

21 c. A canopy at one side of the track at a freight
22 platform may not be less than four feet from the center
23 line of the track if the height of the canopy is at
24 least seventeen feet six inches above the top of the
25 rail and if the full clearance of eight feet six inches
26 is maintained on the opposite side of the track or the
27 distance from the center of the track to the center of
28 the adjacent track is not less than fourteen feet.

29 d. A shelter over a platform used for passenger car
30 operation may not be less than four feet six inches
31 from the center line of the track if the height is
32 not less than fifteen feet above the top of the rail,
33 provided that a carrier that conducts such an operation
34 adopts and enforces rules which prohibit an employee
35 from riding on the side of equipment if standing above
36 car floor height.

37 4. Clearances between parallel tracks.

38 a. The minimum distance between the center lines
39 of parallel tracks shall be thirteen feet six inches
40 for main tracks and thirteen feet six inches for yard
41 and side tracks, except as otherwise provided in this
42 subsection.

43 b. The center line of any track except a main track
44 or a passing track, which is parallel and adjacent to a
45 main track or a passing track, shall be fifteen feet
46 from the center line of such main track or passing
47 track, except that if a passing track is adjacent to
48 and at least fifteen feet from the main track, such
49 other track may be constructed adjacent to the passing
50 track with a clearance of not less than thirteen feet

Page 5

1 six inches.

2 c. The center line of any ladder track which
3 is parallel to another adjacent track shall have a
4 clearance of not less than eighteen feet from the
5 center line of such other track, except that parallel
6 ladder tracks shall have a clearance of not less than
7 nineteen feet from center line to center line.

8 d. The minimum distance between the center line of

9 parallel team and house tracks shall be thirteen feet
10 six inches.

11 e. Tracks constructed or under construction prior
12 to January 1, 2012, may be extended without increasing
13 the distances between tracks.

14 5. Other conditions and obstructions adjacent to
15 tracks.

16 a. A railroad shall not knowingly permit
17 merchandise, material, or other articles to remain
18 piled or assembled on ground or platforms adjacent to
19 any track at a distance of less than eight feet six
20 inches from the center line of the track. A suitable
21 line or other marker may be maintained at a distance
22 of eight feet six inches from the center line of the
23 track on all platforms, excluding passenger platforms,
24 to indicate the space along the edge of the platform
25 which must be kept clear of merchandise, material, or
26 other articles.

27 b. The space between tracks ordinarily used by
28 train workers, yard workers, and other employees as a
29 walkway in the discharge of their duties, and the space
30 beside such tracks within eight feet six inches of the
31 center line of the tracks, shall be kept in reasonably
32 suitable condition for such purpose.

33 6. Preexisting clearances. Except as otherwise
34 provided in this section, if an overhead or side
35 clearance between a track and any building, structure,
36 or facility is less than the minimum prescribed in
37 this section but existed prior to January 1, 2012, the
38 minimum clearances prescribed by this section shall be
39 required when the building, structure, or facility is
40 relocated or reconstructed. However, the department
41 may grant specific requests for the continuance
42 of prior clearances at reconstructed buildings,
43 structures, or facilities as provided in subsection 7.

44 7. Waivers.

45 a. Nothing in this section shall be construed to
46 restrict the temporary distribution of materials or the
47 performance of work on, over, or adjacent to tracks if
48 the distribution or performance is necessary in the
49 construction or maintenance of facilities or equipment,
50 provided that the distribution or performance is

Page 6

1 carried out within a reasonable time under conditions
2 reasonably necessary to provide for the safety of all
3 concerned, including proper notice by train order,
4 message, or bulletin.

5 b. If, in any particular case, a waiver from any of
6 the requirements of this section is deemed necessary by
7 a carrier, the department, upon good cause shown, may

8 grant an application by the carrier for a waiver. The
9 request for the waiver shall be accompanied by a full
10 statement of conditions existing and the reason why the
11 waiver is necessary.

12 8. Application of terms. Wherever the terms
13 "railroad", "railroad track", "track", "building",
14 "entrance to or inside a building", "structure",
15 "facility", "platform", or other similar terms are used
16 in this section, the terms apply only to property owned
17 by or leased to a common carrier railroad.

18 9. Application of section. This section shall not
19 be construed as limiting the authority or jurisdiction
20 of the department of transportation.

21 Sec. ____ NEW SECTION. 327F.11 Safe space along
22 railroad rights-of-way.

23 1. For purposes of this section, "safe space" means
24 the area encompassed within the following distances:

25 a. From the actual grade level to a distance of
26 twenty-two feet six inches above the top of the rail
27 head.

28 b. A distance of eight feet six inches on both
29 sides of a perpendicular from the center line of a
30 railroad track with a radius of not less than four
31 hundred feet lateral curvature.

32 c. A distance of nine feet on both sides of a
33 perpendicular from the center line of a railroad track
34 with a radius of less than four hundred feet curvature.

35 2. A person shall not permit scrap iron, lumber,
36 debris, vegetation exceeding a height of four inches,
37 marked unevenness of terrain, or any other material or
38 condition which endangers a railroad employee to remain
39 or continue in the safe space over which the person has
40 control.

41 Sec. ____ NEW SECTION. 327F.12 Close clearance
42 warnings.

43 1. The owner of a railroad track shall place a
44 warning device at a location where the close clearance
45 between the track and a building, machinery, trees,
46 brush, or other object is such that the building,
47 machinery, trees, brush, or other object physically
48 impedes a person who is lawfully riding the side of a
49 train in the course of the person's duties in service
50 to a railroad company from clearing the building,

Page 7

1 machinery, trees, brush, or other object.

2 2. The warning device shall be placed in a location
3 which provides adequate notice to a person riding the
4 side of a train so that the person may prepare for
5 the close clearance. Any signs posted shall not be a
6 danger to other persons working on the property.

7 3. Placement of a warning device pursuant to this
8 section does not relieve the owner of a railroad track
9 from any duties required under chapter 317 or section
10 327F.27.

11 Sec. _____. Section 327F.13, Code 2011, is amended by
12 striking the section and inserting in lieu thereof the
13 following:

14 327F.13 Close clearances and safe spaces —
15 enforcement.

16 1. Applicability of provisions. The provisions
17 of sections 327F.10, 327F.11, and 327F.12 apply to
18 matters under the purview of the state and enforceable
19 by the department of transportation. Sections 327F.10,
20 327F.11, and 327F.12 do not apply to the exercise of
21 authority which a federal agency has delegated to state
22 enforcement personnel under section 206 of the federal
23 Railroad Safety Act of 1970, 49 U.S.C. § 20106, or any
24 other regulation or requirement preempted by federal
25 law.

26 2. Emergency orders. If an inspector authorized by
27 the department determines through testing, inspection,
28 investigation, or research that a locomotive, car,
29 or other facility or equipment of a railroad is in a
30 condition that violates a law, regulation, or order
31 which the department is authorized to enforce, and the
32 condition is so hazardous as to present an imminent
33 danger or potential danger likely to result in injury
34 to a person, damage to property, or a breakdown of
35 equipment, the inspector shall declare such locomotive,
36 car, or other facility "out of service".

37 3. Action by inspector. When an inspector
38 authorized by the department declares a locomotive,
39 car, or other facility to be "out of service", the
40 inspector shall affix an "out of service" notice in
41 a prominent place on the locomotive, car, or other
42 facility. The affixing of an "out of service" notice
43 shall constitute legal notice that the locomotive,
44 car, or facility shall not be used or operated until
45 all defects noted on the "out of service" notice have
46 been repaired. Such notice shall not be removed until
47 the defects noted by the inspector have been corrected
48 by the railroad company and the locomotive, car, or
49 other facility is in full compliance with applicable
50 regulations. In the case of a track or other facility

Page 8

1 for which it is not practical to affix an "out of
2 service" notice, the inspector shall furnish immediate
3 telephone or telegraphic notification to the owner of
4 the track or facility in lieu of affixing an "out of
5 service" notice, describing the specific location of

6 the affected track or other facility, the nature of
7 the defect, and related conditions. When an "out of
8 service" notice has been affixed or the owner of the
9 track has been notified, the inspector shall furnish
10 notice by the most expeditious manner to the railroad
11 immediately responsible for the operation of the
12 defective locomotive, car, track, or other facility.

13 The notice shall indicate the nature of the defects
14 involved which caused the equipment or other facility
15 to be placed "out of service". The inspector shall
16 retain one copy of the notice and immediately forward
17 one copy of the notice to the department.

18 4. Reduction in maximum speed of track. When an
19 inspector authorized by the department determines
20 the existence of a hazardous local track condition,
21 the inspector shall furnish immediate telephone or
22 telegraphic notification to the owner of the track
23 that movements within defined limits of the track must
24 be made at a reduced maximum speed, which shall be
25 the speed applicable to the highest federal railroad
26 administration class designation that the inspector
27 determines is appropriate. Within forty-eight hours
28 following the notification, the inspector shall furnish
29 notice in duplicate to the owner of the track or to
30 the owner's agent immediately responsible for the
31 affected track. The notice shall indicate the full
32 particulars of the conditions and the violations which
33 create the local safety hazard. Such conditions or
34 violations shall be fully repaired or otherwise brought
35 into compliance with the highest federal railroad
36 administration designation applicable to the speed at
37 which trains will operate on the track in question.

38 5. Action by railroad. When a locomotive, car, or
39 other facility of a railroad has been declared "out of
40 service", the locomotive, car, or facility shall be
41 removed from service until the defect or defects are
42 corrected. In the case of track which is reduced in
43 class as provided in subsection 4, the railroad shall
44 take the steps necessary to insure compliance with the
45 findings of the inspector. For the purpose of making
46 necessary corrections, defective locomotive units,
47 freight cars, cabin cars, or passenger carrying cars
48 may be moved to the nearest available point where the
49 unit can be repaired, provided that other similar units
50 in suitable operating condition are also a part of the

Page 9

1 consist. When the defects noted on the notice have
2 been corrected, the railroad shall notify the inspector
3 issuing the notice and the inspector shall inspect the
4 locomotive, car, or other facility. If the repairs or

5 corrections have been satisfactorily completed, the
6 inspector shall remove the "out of service" notice.

7 6. Reinspection — review by department.

8 a. Upon issuance of an "out of service" notice,
9 the railroad involved may request a second inspection
10 of the locomotive, car, or other facility. An
11 engineer designated by the department shall arrange
12 for an immediate reinspection by a second authorized
13 inspector. If, on reinspection, the decision of
14 the original inspector is affirmed or modified by an
15 engineer designated by the department, the engineer
16 shall notify the railroad in writing that the original
17 finding is affirmed or modified. If the decision of
18 the original inspector is not affirmed or modified, the
19 inspector shall immediately remove the "out of service"
20 notice and enter an appropriate notation on the related
21 notice to the railroad, and the restrictions of the
22 notice shall cease to be effective.

23 b. If, upon reinspection, an engineer designated by
24 the department affirms or modifies the findings of the
25 original inspection, the railroad may, within thirty
26 days of the affirmation or modification, request the
27 department to conduct a hearing at which interested
28 parties may be present and testify for the purpose of
29 reviewing the inspections. As a result of the hearing,
30 the department may modify in whole or in part the
31 findings of the inspections and the actions taken by
32 the inspectors. Actions on review may be undertaken
33 on an expedited basis in relation to other business of
34 the department.

35 c. The requirements of an "out of service" notice
36 shall be effective pending action by the department.

37 d. Upon petition of a carrier based upon good
38 cause, the department may grant a request for an
39 extension of time for compliance with an "out of
40 service" notice issued or modified as provided under
41 this subsection.

42 7. Penalties.

43 a. A violation of section 327F.10, 327F.11, or
44 327F.12 is punishable as a schedule "one" penalty under
45 section 327C.5.

46 b. A violation of this section shall subject the
47 violator to such civil or criminal penalties as may be
48 provided by law.

49 c. Each day of noncompliance constitutes a separate
50 violation. If a locomotive or car which was properly

Page 10

1 equipped by a carrier subsequently becomes defective
2 or insecure while in use by the carrier, the car or
3 locomotive may be hauled as necessary from the place

4 where it is in use to the nearest available point
 5 where the equipment can be repaired, and the penalties
 6 imposed under this subsection shall not apply.

50 the approved school district's first grade children who

Page 9

1 are eligible for free or reduced price meals under the
2 federal Healthy, Hungry-Free Kids Act of 2010, Pub. L.
3 No. 111-296, multiplied by the average of the previous
4 three years of certified kindergarten enrollment, bears
5 to the sum of the number of first grade children in
6 all approved school districts who are eligible for
7 free or reduced price meals under the federal Healthy,
8 Hungry-Free Kids Act of 2010, Pub. L. No. 111-296,
9 multiplied by the average of the previous three years
10 of certified kindergarten enrollment in all approved
11 school districts in the state for the base year.
12 b. Redistribution of state funding. Based on

25 school district shall not receive preschool scholarship
26 funding without school district or private education
27 partner preschool program sites.

28 3. Program continuation subject to approval. For
29 subsequent budget years, continuation of a school
30 district's participation in the preschool program is
31 subject to the approval of the department based upon
32 the school district's compliance with accountability
33 provisions and the department's on-site review of the
34 school district's implementation of the preschool
35 program.

36 4. Insufficient funding. If the amount appropriated
37 annually for purposes of this section is not
38 sufficient to pay the total allocation to approved

40 the proportion that the total allocation for each
41 approved school district bears to the sum of the total
42 allocations to all approved school districts.

43 5. Payments to private education
44 partners. Reimbursements shall be provided to private
45 education partners by approved school districts on a
46 monthly basis, beginning with the month in which the

2 as otherwise provided by law for a fiscal year,
3 of the amount appropriated by the general assembly
4 for a fiscal year for purposes of this chapter, the

6 to four full-time equivalent positions which shall
7 be in addition to the number of positions authorized
8 for the department for the fiscal year to provide
9 administration and oversight of the preschool program.
10 Oversight shall include but not be limited to data

 21 cause. Participation by a child in an approved
 22 preschool program under this chapter does not qualify
 23 as "good cause", as defined in section 282.18,
 24 subsection 4, paragraph "b", for purposes of claiming
 25 continuous enrollment in a school district other than
 26 the district of residence.
 27 Sec. ____ Section 272.2, Code 2011, is amended by
 28 adding the following new subsection:
 29 NEW SUBSECTION. 19. Adopt rules establishing

44 allocation — expenditure limitation.

45 1. State funding.

46 a. Allocation formula. For each fiscal year in
47 which moneys are appropriated by the general assembly
48 for purposes of the preschool program for four-year-old
49 children, preschool scholarship funding shall be
50 allocated to approved school districts on a per pupil

Page 9

1 basis calculated on the proportion that the number of
2 the approved school district's first grade children who
3 are eligible for free or reduced price meals under the
4 federal Healthy, Hungry-Free Kids Act of 2010, Pub. L.
5 No. 111-296, multiplied by the average of the previous

6 three years of certified kindergarten enrollment, bears
7 to the sum of the number of first grade children in
8 all approved school districts who are eligible for
9 free or reduced price meals under the federal Healthy,
10 Hungry-Free Kids Act of 2010, Pub. L. No. 111-296,
11 multiplied by the average of the previous three years
12 of certified kindergarten enrollment in all approved
13 school districts in the state for the base year.

14 b. Redistribution of state funding. Based on
15 the October 1 certified preschool enrollment count
16 determined pursuant to section 256J.4, subsection 2,
17 the department shall evaluate the needs of approved
18 school districts and approved private education
19 partners and shall take action to redistribute unused
20 state funding as appropriate.

21 c. Limited purpose. State funds provided for
22 purposes of this chapter shall not be expended for
23 any purpose not expressly authorized in this chapter
24 or in administrative rules adopted to administer this
25 chapter.

26 2. Program sites — conditional allocation. A
27 school district shall not receive preschool scholarship
28 funding without school district or private education
29 partner preschool program sites.

30 3. Program continuation subject to approval. For
31 subsequent budget years, continuation of a school
32 district's participation in the preschool program is
33 subject to the approval of the department based upon
34 the school district's compliance with accountability
35 provisions and the department's on-site review of the
36 school district's implementation of the preschool
37 program.

38 4. Insufficient funding. If the amount appropriated
39 annually for purposes of this section is not
40 sufficient to pay the total allocation to approved
41 school districts, the allocation shall be based on
42 the proportion that the total allocation for each
43 approved school district bears to the sum of the total
44 allocations to all approved school districts.

45 5. Payments to private education
46 partners. Reimbursements shall be provided to private
47 education partners by approved school districts on a
48 monthly basis, beginning with the month in which the
49 school district receives payment under subsection 1,
50 paragraph "a", and ending in July, upon submission and

Page 10

1 verification of actual instructional costs incurred
2 in the school year.

3 6. Department administration and oversight. Except
4 as otherwise provided by law for a fiscal year,

5 of the amount appropriated by the general assembly
6 for a fiscal year for purposes of this chapter, the
7 department may use an amount sufficient to fund up
8 to four full-time equivalent positions which shall
9 be in addition to the number of positions authorized
10 for the department for the fiscal year to provide
11 administration and oversight of the preschool program.
12 Oversight shall include but not be limited to data
13 collection requirements, maintenance of website
14 listings of school district and private education
15 partners providing high-quality preschool programs, and
16 assessment results.

17 7. Open enrollment not applicable. Section 282.18
18 shall not apply to preschool programs implemented under
19 this chapter. However, approved programs shall be open
20 to all eligible Iowa children, regardless of a child's
21 district of residence.

22 8. Participation in preschool not good
23 cause. Participation by a child in an approved
24 preschool program under this chapter does not qualify
25 as "good cause", as defined in section 282.18,
26 subsection 4, paragraph "b", for purposes of claiming
27 continuous enrollment in a school district other than
28 the district of residence.

29 Sec. _____. Section 272.2, Code 2011, is amended by
30 adding the following new subsection:
31 NEW SUBSECTION. 19. Adopt rules establishing
32 an early childhood certificate of eligibility for
33 individuals who meet the requirements of section
34 256J.3, subsection 2, paragraph "a", subparagraph
35 (2), for preschool teachers. The rules for obtaining
36 such a certificate shall require that an applicant
37 successfully complete twelve hours of coursework from
38 an accredited institution of higher education in early
39 childhood education, child development, elementary
40 education, or early childhood special education, and
41 this coursework shall encompass child development and
42 learning of children from birth through kindergarten;
43 family and community relationships; observing,
44 documenting, and assessing young children; teaching and
45 learning; and professional practices and development.>

30 8. The purpose of an investigation by the board's
31 staff is to determine whether there is probable cause
32 to believe that there has been a violation of this
33 chapter, chapter 68A, section 8.7, section 455B.103,
34 subsection 1, paragraph "d", or of rules adopted by the
35 board. To facilitate the conduct of investigations,
36 the board may issue and seek enforcement of subpoenas
37 requiring the attendance and testimony of witnesses and
38 subpoenas requiring the production of books, papers,
39 records, and other real evidence relating to the
40 matter under investigation. Upon the request of the
41 board, an appropriate county attorney or the attorney
42 general shall assist the staff of the board in its
43 investigation.

44 9. If the board determines on the basis of an
45 investigation by board staff that there is probable
46 cause to believe the existence of facts that would
47 establish a violation of this chapter, chapter 68A,
48 section 8.7, section 455B.103, subsection 1, paragraph
49 "d", or of rules adopted by the board, the board
50 may issue a statement of charges and notice of a

1 contested case proceeding to the complainant and to
2 the person who is the subject of the complaint, in
3 the manner provided for the issuance of statements of
4 charges under chapter 17A. If the board determines
5 on the basis of an investigation by staff that there
6 is no probable cause to believe that a violation has
7 occurred, the board shall close the investigation,
8 dismiss any related complaint, and the subject of the
9 complaint shall be notified of the dismissal. If the
10 investigation originated from a complaint filed by a
11 person other than the board, the person making the
12 complaint shall also be notified of the dismissal.

13 Sec. ____ Section 68B.32C, subsections 1 and 3,

14 Code 2011, are amended to read as follows:

23 this chapter. A preponderance of the evidence shall

26 pursuant to chapter 68A. The case in support of the
27 statement of charges shall be presented at the hearing

28 by one of the board's attorneys or staff unless, upon
29 the request of the board, the charges are prosecuted
30 by another legal counsel designated by the attorney
31 general. A person making a complaint under section
32 68B.32B, subsection 1, is not a party to contested case
33 proceedings conducted relating to allegations contained
34 in the complaint.

35 3. Upon a finding by the board that the party
36 charged has violated this chapter, chapter 68A, section
37 8.7, section 455B.103, subsection 1, paragraph "d",
38 or rules adopted by the board, the board may impose
39 any penalty provided for by section 68B.32D. Upon a
40 final decision of the board finding that the party
41 charged has not violated this chapter, chapter 68A,
42 section 8.7, section 455B.103, subsection 1, paragraph
43 "d", or the rules of the board, the complaint shall
44 be dismissed and the party charged and the original

 18 growth factor adjustment for the fiscal year beginning
 19 July 1, 2012.

20 3. The following amount of the funding appropriated
 21 in this section is the allowed growth factor adjustment
 22 for fiscal year 2012-2013, and shall be credited to the
 23 allowed growth funding pool created in the property tax
 24 relief fund and for distribution in accordance with
 25 section 426B.5, subsection 1:

26 \$ 36,697,893

27 4. The following formula amounts shall be utilized
 28 only to calculate preliminary distribution amounts for
 29 the allowed growth factor adjustment for fiscal year
 30 2012-2013 under this section by applying the indicated
 31 formula provisions to the formula amounts and producing
 32 a preliminary distribution total for each county:

33 a. For calculation of a distribution amount for
 34 eligible counties from the allowed growth funding pool
 35 created in the property tax relief fund in accordance
 36 with the requirements in section 426B.5, subsection 1:
 37 \$ 49,773,346

38 b. For calculation of a distribution amount for
 39 counties from the mental health and developmental
 40 disabilities (MH/DD) community services fund
 41 in accordance with the formula provided in the
 42 appropriation made for the MH/DD community services
 43 fund for the fiscal year beginning July 1, 2012:
 44 \$ 14,187,556

45 5. a. After applying the applicable statutory
 46 distribution formulas to the amounts indicated in
 47 subsection 4 for purposes of producing preliminary
 48 distribution totals, the department of human services
 49 shall apply a withholding factor to adjust an eligible
 50 individual county's preliminary distribution total.

Page 53

1 In order to be eligible for a distribution under
2 this section, a county must be levying 90 percent or
3 more of the maximum amount allowed for the county's
4 mental health, mental retardation, and developmental
5 disabilities services fund under section 331.424A for
6 taxes due and payable in the fiscal year for which the
7 distribution is payable.

8 b. An ending balance percentage for each county
9 shall be determined by expressing the county's ending
10 balance on a modified accrual basis under generally
11 accepted accounting principles for the fiscal year
12 beginning July 1, 2010, in the county's mental health,
13 mental retardation, and developmental disabilities
14 services fund created under section 331.424A, as a
15 percentage of the county's gross expenditures from that
16 fund for that fiscal year. If a county borrowed moneys
17 for purposes of providing services from the county's
18 services fund on or before July 1, 2010, and the
19 county's services fund ending balance for that fiscal
20 year includes the loan proceeds or an amount designated
21 in the county budget to service the loan for the
22 borrowed moneys, those amounts shall not be considered
23 to be part of the county's ending balance for purposes
24 of calculating an ending balance percentage under this
25 subsection.

26 c. For purposes of calculating withholding
27 factors and for ending balance amounts used for other
28 purposes under law, the county ending balances shall
29 be adjusted, using forms developed for this purpose
30 by the county finance committee, to disregard the
31 temporary funding increase provided to the counties
32 for the fiscal year through the federal American
33 Recovery and Reinvestment Act of 2009, Pub. L. No.
34 111-5. In addition, a county may adjust the ending
35 balance amount by rebating to the department all or
36 a portion of the allowed growth and MH/DD services
37 fund moneys the county received for the fiscal year
38 beginning July 1, 2011, in accordance with this Act, or
39 from any other services fund moneys available to the
40 county. The rebate must be remitted to the department
41 on or before June 1, 2012, in order to be counted.
42 The amount rebated by a county shall be subtracted
43 dollar-for-dollar from the county's ending balance
44 amount for the fiscal year beginning July 1, 2010, for
45 purposes of calculating the withholding factor and
46 for other ending balance purposes for the fiscal year
47 beginning July 1, 2012. The rebates received by the
48 department shall be credited to the property tax relief
49 fund and distributed as additional funding for the
50 fiscal year beginning July 1, 2012, in accordance with

Page 54

1 the formula provisions in this section.

2 d. The withholding factor for a county shall be the
3 following applicable percent:

4 (1) For an ending balance percentage of less than
5 5 percent, a withholding factor of 0 percent. In
6 addition, a county that is subject to this lettered
7 paragraph shall receive an inflation adjustment equal
8 to 3 percent of the gross expenditures reported for the
9 county's services fund for the fiscal year.

10 (2) For an ending balance percentage of 5 percent
11 or more but less than 10 percent, a withholding factor
12 of 0 percent. In addition, a county that is subject
13 to this lettered paragraph shall receive an inflation
14 adjustment equal to 2 percent of the gross expenditures
15 reported for the county's services fund for the fiscal
16 year.

17 (3) For an ending balance percentage of 10 percent
18 or more but less than 25 percent, a withholding factor
19 of 25 percent. However, for counties with an ending
20 balance of 10 percent or more but less than 15 percent,
21 the amount withheld shall be limited to the amount by
22 which the county's ending balance was in excess of the
23 ending balance percentage of 10 percent.

24 (4) For an ending balance percentage of 25 percent
25 or more, a withholding percentage of 100 percent.

26 6. The total withholding amounts applied pursuant
27 to subsection 5 shall be equal to a withholding target
28 amount of \$13,075,453. If the department of human
29 services determines that the amount appropriated
30 is insufficient or the amount to be withheld in
31 accordance with subsection 5 is not equal to the target
32 withholding amount, the department shall adjust the
33 withholding factors listed in subsection 5 as necessary
34 to achieve the target withholding amount. However, in
35 making such adjustments to the withholding factors,
36 the department shall strive to minimize changes to the
37 withholding factors for those ending balance percentage
38 ranges that are lower than others and shall only adjust
39 the zero withholding factor or the inflation adjustment
40 percentages specified in subsection 5, paragraph "d",
41 when the amount appropriated is insufficient.>

42 10. By renumbering as necessary.

29 A statutory provision establishing reimbursement for
30 necessary mileage, travel, or actual expenses to a

37 the private vehicle mileage rate at the rate provided
38 in this section. However, the director may delegate
39 authority to officials of the state, and department

42 2012, all state-assigned passenger vehicles designated
43 for use by multiple drivers, and located in any county
44 of this state which can support the operation of a
45 private entity for rental and leasing purposes, which

3 the state might have to any third party due to the
4 negligence of the state or any of its employees.

5 5. The department shall conduct an ongoing
6 evaluation regarding the economic advantages of

17 expenditures are fully reimbursable and the department
18 reimburses the general fund of the state and ensures

35 of, and limitation of authority with respect to, the
36 department under state law. Any provision applicable
37 to, or responsibility of, the department shall not be
38 altered or impacted by the existence of the fund and

 6 Section 1. NEW SECTION. 499C.101 Title.
 7 This chapter shall be known and cited as the
 8 "Uniform Common Interest Ownership Act".
 9 Sec. 2. NEW SECTION. 499C.102 Public policy.
 10 The general assembly declares that it is the public
 11 policy of the state that the management and affairs of
 12 common interest communities be conducted openly, and
 13 this chapter shall be construed, to provide open access
 14 to the management of the common interest community to
 15 the unit owners.
 16 Sec. 3. NEW SECTION. 499C.103 Definitions.
 17 As used in this chapter, unless the context
 18 otherwise requires:
 19 1. "Assessment" means a sum attributable to each

20 unit and due to the unit owners association as may be
21 provided in a declaration or in the bylaws.
22 2. "Bylaws" means the instruments, however
23 denominated, that contain the procedures for conducting
24 the affairs of the unit owners association or the
25 executive board regardless of the form in which the
26 association is organized, including any amendments to
27 such instruments.
28 3. "Common element" means:
29 a. For a cooperative under chapter 499A or a
30 horizontal property regime under chapter 499B, all
31 portions of the common interest community other than
32 the units.
33 b. For a planned community, any real estate within
34 the planned community which is owned or leased by the
35 unit owners association, other than a unit.
36 c. For all common interest communities, any other
37 interests in real estate for the benefit of unit owners
38 which are subject to the declaration.
39 4. "Common expense liability" means the liability
40 for common expenses allocated to each unit pursuant to
41 a declaration or bylaws.
42 5. "Common expenses" means expenditures made by, or
43 financial liabilities of, the unit owners association
44 or the executive board, together with any allocations
45 to reserves.
46 6. a. "Common interest community" means real estate
47 described in a declaration with respect to which a
48 person, by virtue of the person's ownership of a unit,
49 is obligated to pay for a share of real estate taxes,
50 insurance premiums, maintenance, or improvement of, or

Page 2

1 services or other expenses related to, common elements,
2 other units, or other real estate described in the
3 declaration. "Common interest community" includes
4 a cooperative under chapter 499A and a horizontal
5 property regime under chapter 499B.
6 b. Common interest community does not include:
7 (1) A covenant that requires the owners of separate
8 parcels of real estate to share costs or other
9 obligations related to a wall, driveway, well, or other
10 similar structure, unless all such owners consent in
11 writing to the creation of a common interest community.
12 (2) Real estate described in paragraph "a" if all
13 units are owned by a single unit owner.
14 7. "Declarant" means any person or group of persons
15 who, as the record title owner of real estate, by
16 a declaration, initially creates a common interest
17 community.
18 8. "Declaration" means the instrument, however

19 denominated, that creates a common interest community,
20 including any amendments to the instrument.

21 9. "Executive board" means the body, regardless of
22 name, designated in the declaration or bylaws to act on
23 behalf of the unit owners association.

24 10. "Planned community" means a common interest
25 community that is not a cooperative under chapter 499A
26 or a horizontal property regime under chapter 499B,
27 and includes property owner or homeowner associations.
28 However, a cooperative under chapter 499A or a
29 horizontal property regime under chapter 499B may be
30 part of a planned community.

31 11. "Rule" means a policy, guideline, restriction,
32 procedure, or regulation, however denominated, which is
33 not set forth in the declaration or bylaws.

34 12. "Unit" means a physical portion of the common
35 interest community designated for separate ownership or
36 occupancy or as otherwise defined in the statute under
37 which the common interest community is organized.

38 13. "Unit owner" means a declarant or other person
39 that owns a unit, but does not include a person
40 having an interest in a unit solely as security for
41 an obligation. In a horizontal property regime under
42 chapter 499B or a planned community, the declarant is
43 the owner of any unit created by the declaration. In
44 a cooperative under chapter 499A, the declarant is
45 the owner of any unit to which an interest has been
46 allocated until that unit has been conveyed to another
47 person.

48 14. "Unit owners association" means a unit owners
49 association organized under section 499C.201.

50 Sec. 4. NEW SECTION. 499C.104 Variation by

Page 3

1 agreement.

2 Except as expressly provided in this chapter,
3 the provisions of this chapter may not be varied
4 by agreement, and rights conferred by it may not be
5 waived.

6 Sec. 5. NEW SECTION. 499C.105 Applicability.

7 Unless otherwise provided by law:

8 1. This chapter applies to all common interest
9 communities established within this state on or after
10 July 1, 2011.

11 2. This chapter does not apply to common interest
12 communities of three or fewer units.

13 3. Sections 499C.301, 499C.302, 499C.401, 499C.402,
14 499C.403, and 499C.501 apply to common interest
15 communities established before July 1, 2011. Any
16 portion of a declaration, bylaws, covenant, or
17 other contractual provision existing prior to July

18 1, 2011, that violates section 499C.301, 499C.302,
19 499C.401, 499C.402, or 499C.403 is not enforceable.
20 However, nothing in this chapter shall be construed to
21 invalidate other provisions of the declaration, bylaws,
22 plats, or plans of those common interest communities
23 established before July 1, 2011.

24 Sec. 6. NEW SECTION. 499C.201 Unit owners
25 association.

26 1. A unit owners association shall be organized
27 not later than the date the first unit in the common
28 interest community is conveyed.

29 2. Membership of a unit owners association shall at
30 all times consist exclusively of all unit owners except
31 following termination of the common interest community,
32 at which time the unit owners association shall consist
33 of all former unit owners entitled to distributions of
34 proceeds or their heirs, successors, or assigns.

35 3. A unit owners association shall have an
36 executive board.

37 4. A unit owners association shall be organized
38 as a profit or nonprofit corporation, trust, limited
39 liability company, partnership, unincorporated
40 association, or any other form of organization
41 authorized by the law of this state. The requirements
42 of this chapter relating to a unit owners association
43 shall preempt any conflicting provision of the statute
44 under which the unit owner association is organized.

45 Sec. 7. NEW SECTION. 499C.202 Unit owners
46 association — powers and duties.

47 1. Except as otherwise provided in this chapter, a
48 unit owners association shall do all of the following:

49 a. Adopt bylaws which may be amended subject to the
50 provisions of section 499C.301.

Page 4

1 b. Adopt budgets, collect assessments for common
2 expenses from unit owners, and invest funds of the
3 association, if applicable.

4 2. Unless otherwise limited by a declaration or
5 bylaws, a unit owners association shall have authority
6 to do any of the following:

7 a. Adopt and amend rules for operation of the unit
8 owners association.

9 b. Hire, employ, and discharge employees, agents,
10 and independent contractors.

11 c. Institute, defend, or intervene in litigation,
12 arbitration, mediation, or administrative proceedings
13 on behalf of the unit owners association or for two
14 or more unit owners on matters affecting the common
15 interest community.

16 d. Make contracts and incur liabilities.

17 e. Regulate the use, maintenance, repair,
18 replacement, and modification of common elements.
19 f. Cause additional improvements to be made to the
20 common elements of the common interest community.
21 g. Acquire, hold, encumber, and convey any right,
22 title, or interest to real estate or personal property.
23 h. Grant easements, leases, licenses, and
24 concessions through or over the common elements of the
25 common interest community.
26 i. Impose and receive any payments, fees, or
27 charges for the use, rental, or operation of the common
28 elements, other than limited common elements as defined
29 in section 499B.2, and for services provided to unit
30 owners.
31 j. Impose charges for late payment of assessments
32 and, after notice and an opportunity to be heard,
33 impose reasonable monetary penalties for violations of
34 the declaration, bylaws, and rules of the association.
35 k. Impose reasonable charges for the preparation
36 and recording of statements of unpaid assessments.
37 l. Provide for the indemnification of its officers
38 and executive board, including maintenance of liability
39 insurance for directors and officers of the unit owners
40 association.
41 m. Assign its right to future income, including the
42 right to receive assessments.
43 n. Exercise powers conferred by the declaration or
44 bylaws.
45 o. Exercise all other powers that may be exercised
46 in this state by organizations of the same type as the
47 unit owners association.
48 p. Suspend any right or privilege of a unit owner
49 who fails to pay an assessment. The unit owners
50 association shall not, however, deny a unit owner or

Page 5

1 other occupant access to the owner's unit, suspend
2 a unit owner's right to vote, prevent a unit owner
3 from seeking election as a director or officer of
4 the association, or withhold services provided to a
5 unit or a unit owner by the association if the effect
6 of withholding the service would be to endanger the
7 health, safety, or property of any person.
8 q. Exercise any other powers necessary and proper
9 for the governance and operation of the association.
10 3. If a tenant of a unit owner violates the
11 declaration, bylaws, or rules of the association,
12 in addition to exercising any of its powers against
13 the unit owner, the association may do any of the
14 following:
15 a. Exercise the powers described in subsection 2,

16 paragraph "j", against the offending tenant.

17 b. After giving notice to the tenant and the unit
18 owner and providing each an opportunity to be heard,
19 levy reasonable monetary penalties against the tenant
20 for the violation.

21 c. Take other action against the tenant for the
22 violation in the same manner as the unit owner, acting
23 as landlord, could have exercised under the lease or
24 in the manner that the unit owners association could
25 lawfully have taken action directly against the unit
26 owner, or both. Action under this paragraph may only
27 be taken if the tenant or unit owner fails to remedy
28 the violation within ten days after notification by the
29 unit owners association of the violation.

30 4. Unless a lease of a unit otherwise provides,
31 this section does not do any of the following:

32 a. Affect rights that the unit owner possesses to
33 enforce the lease or that the unit owners association
34 has under other provisions of law.

35 b. In the absence of a violation of the
36 declaration, bylaws, or rules, authorize the unit
37 owners association to enforce a lease to which the unit
38 owners association is not a party.

39 5. An executive board may determine whether to
40 exercise the association's power to impose sanctions or
41 commence an action for a violation of the declaration,
42 bylaws, or rules, including whether to settle any
43 claim for unpaid assessments or other claim made by
44 or against the unit owners association. An executive
45 board does not have a duty to take enforcement
46 action if the executive board determines, following
47 consideration of the facts and circumstances presented,
48 any of the following:

49 a. The association's legal position does not
50 justify taking any or further enforcement action.

Page 6

1 b. The covenant, restriction, or rule being
2 enforced is, or is likely to be construed as,
3 inconsistent with law.

4 c. Despite the existence of a violation, the
5 violation is nonmaterial and does not justify
6 expenditure of the unit owners association resources.

7 d. It is not in the unit owners association's best
8 interests to pursue an enforcement action.

9 6. The failure of an executive board to take
10 action pursuant to subsection 5 shall not prevent the
11 executive board from taking enforcement action under a
12 similar set of circumstances or facts. The authority
13 of an executive board to take action under this chapter
14 shall not, however, be exercised in an arbitrary or

15 capricious manner.
16 Sec. 8. **NEW SECTION.** 499C.203 Executive board.
17 1. Except as otherwise provided in the declaration,
18 the bylaws, subsection 2, or provisions of the statute
19 under which the common interest community is organized,
20 an executive board acts on behalf of the unit owners
21 association. In the performance of their duties,
22 officers and members of the executive board appointed
23 by the declarant shall exercise the degree of care
24 and loyalty to the unit owners association required
25 of a trustee. Officers and members of an executive
26 board not appointed by the declarant shall exercise
27 the degree of care and loyalty to the unit owners
28 association required of an officer or director of a
29 corporation organized under chapter 504, and such
30 officers and members are subject to the conflict of
31 interest rules governing directors and officers under
32 chapter 504.
33 2. An executive board shall not act on behalf of
34 the unit owners association to amend the declaration,
35 to terminate the common interest community, to elect
36 members of the executive board, or determine the
37 qualifications, powers and duties, or terms of office
38 of executive board members. An executive board may
39 fill vacancies in its membership for the unexpired
40 portion of any term.
41 3. a. Subject to subsection 4, the declaration
42 may provide for a period of declarant control of the
43 unit owners association, during which a declarant, or
44 persons designated by the declarant, may appoint and
45 remove the officers and members of the executive board.
46 In no case, however, shall a period of declarant
47 control continue upon the occurrence of any of the
48 following:
49 (1) Sixty days after the conveyance of seventy-five
50 percent of all units in the common interest community

Page 7

1 to unit owners other than a declarant.
2 (2) Two years after all declarants have ceased
3 to offer units for sale in the ordinary course of
4 business.
5 (3) Two years after the addition of any number of
6 new units to the common interest community.
7 (4) The date the declarant, after giving written
8 notice to all unit owners, records an instrument
9 voluntarily surrendering all rights to control
10 activities of the unit owners association.
11 b. A declarant may voluntarily surrender the right
12 to appoint and remove officers and members of the
13 executive board before termination of the period under

14 paragraph "a". However, the declarant may retain,
15 for the duration of the period of declarant control,
16 approval authority for specified actions of the unit
17 owners association or executive board, as described in
18 a recorded instrument executed by the declarant.

19 4. a. Not later than sixty days after conveyance
20 of twenty-five percent of the units to unit owners
21 other than a declarant, at least one member and not
22 less than twenty-five percent of the members of the
23 executive board must be elected by unit owners other
24 than the declarant.

25 b. Not later than sixty days after conveyance of
26 fifty percent of the units to unit owners other than
27 a declarant, not less than one-third of the members
28 of the executive board must be elected by unit owners
29 other than the declarant.

30 5. Following the termination of any period of
31 declarant control under this section, the unit owners
32 shall elect an executive board of at least three
33 members, at least a majority of whom must be unit
34 owners. The executive board members shall elect
35 officers of the executive board. The executive board
36 members and officers shall take office upon election.
37 This subsection shall not apply to a common interest
38 community if all the units of the community are owned
39 by one owner.

40 6. Notwithstanding any provision of the declaration
41 or bylaws to the contrary, the unit owners, by a
42 two-thirds vote of all persons present and entitled
43 to vote at any meeting of the unit owners at which
44 a quorum is present, may remove any member of the
45 executive board with or without cause, other than a
46 member appointed by the declarant.

47 Sec. 9. NEW SECTION. 499C.301 Amendments to
48 governing instruments.

49 1. Except as otherwise provided in this section:

50 a. The declaration, bylaws, or plans of a common

Page 8

1 interest community established before July 1, 2011,
2 may be amended upon approval of two-thirds of the unit
3 owners or as otherwise provided in the declaration or
4 bylaws.

5 b. The declaration, bylaws, or plans of a common
6 interest community created on or after July 1, 2011,
7 may be amended by two-thirds of the unit owners unless
8 the declaration or bylaws expressly require a greater
9 or lesser percentage.

10 2. Notwithstanding any provision of law to the
11 contrary, a declaration may expressly reserve authority
12 to the executive board, with or without the consent of

13 unit owners, to amend the declaration, bylaws, or plans
14 of a common interest community to add land, buildings,
15 or both.

16 3. a. Following adoption of an amendment to a
17 declaration, bylaws, or plans, the amendment or a copy
18 of the amended declaration, bylaws, or plan shall be
19 recorded with the county recorder of the county where
20 the property is located.

21 b. An amendment may be recorded on behalf of the
22 required number of unit owners by the officers of the
23 association if the officers verify under oath that the
24 proceedings to approve the amendment satisfied the
25 requirements of this chapter.

26 4. An amendment to a declaration, the bylaws, or
27 plans to prohibit or materially restrict the permitted
28 uses of a unit, the permitted uses of a common element,
29 or the number or other qualifications of persons
30 who may occupy units shall only be approved upon the
31 affirmative vote of unit owners equal in number to at
32 least eighty percent of the total unit owner votes
33 in the association, unless the declaration requires a
34 larger percentage. An amendment approved under this
35 subsection shall provide reasonable protection for a
36 use or occupancy permitted prior to adoption of the
37 amendment.

38 5. a. If a declaration, the bylaws, or a plan
39 requires the consent of a holder of a security
40 interest in a unit as a condition to the adoption or
41 implementation of an amendment, consent is deemed
42 provided if a written refusal to consent is not
43 received by the association within sixty days after the
44 association delivers notice of the proposed amendment
45 to the holder of the security interest at an address
46 provided by the holder or after the association mails
47 the notice of the proposed amendment to the holder
48 by certified mail, return receipt requested, at
49 the address provided. If the holder of a security
50 interest has not provided to the association an address

Page 9

1 for notice, the association shall provide notice to
2 the address in the security interest of record, if
3 available.

4 b. Notwithstanding any provision of this section
5 to the contrary, an amendment to the declaration,
6 bylaws, or plans that affects the priority of a
7 holder's security interest or the ability of a holder
8 to foreclose a security interest may not be adopted
9 without the security holder's written consent if the
10 declaration, bylaws, or plans requires that consent as
11 a condition to the adoption or implementation of the

12 amendment.

13 6. If a declaration requires that amendments,
14 including amendments under subsection 4, to the
15 declaration, bylaws, or plans be adopted only upon the
16 affirmative vote of unit owners equal in number to at
17 least eighty percent of the total unit owner votes in
18 the association, the amendment is approved if one of
19 the following is met:

20 a. A number of unit owners comprising at least
21 eighty percent of the total unit owner votes in the
22 association votes affirmatively for the proposed
23 amendment, no owner votes against the proposed
24 amendment, all required notices of the proposed
25 amendment are delivered to each unit owner as required
26 under this chapter, and the association does not
27 receive a written objection to the proposed amendment
28 within sixty days after delivery of the notice.

29 b. A number of unit owners comprising at least
30 eighty percent of the total unit owner votes in the
31 unit owners association votes affirmatively for the
32 proposed amendment unit, one or more owner votes
33 against the proposed amendment, and pursuant to an
34 action brought by the association in the district court
35 of the county where the property is located against
36 all objecting unit owners, the court finds that the
37 objecting unit owners do not have an interest different
38 in kind from the interests of the other unit owners
39 that the voting requirement of the declaration, bylaws,
40 or plans was intended to protect.

41 7. An action challenging the validity of an
42 amendment adopted pursuant to this chapter shall not
43 be brought more than one year after the amendment is
44 recorded.

45 Sec. 10. NEW SECTION. 499C.302 Rules.

46 1. Unless otherwise limited by a declaration or
47 bylaws, an executive board may adopt and amend rules
48 for the operation of the executive board or other
49 matters authorized in the declaration or bylaws.
50 Before adopting, amending, or repealing a rule, the

Page 10

1 executive board shall give each unit owner a notice
2 that states the executive board's intention to adopt,
3 amend, or repeal a rule, provides the text of the
4 rule or the proposed change, and states the date the
5 executive board intends to act on the proposed rule or
6 amendment following consideration of comments from unit
7 owners.

8 2. A unit owners association may adopt rules to
9 establish and enforce construction and design criteria
10 and aesthetic standards if the declaration so provides.

11 In accordance with the declaration, a unit owners
12 association shall adopt procedures for enforcement
13 of those standards and for approval of construction
14 applications, including a timeline within which the
15 unit owners association must act on an application and
16 the consequences of a unit owners association's failure
17 to act.

18 3. Following adoption, amendment, or repeal of a
19 rule, the officers of the unit owners association or
20 executive board, as applicable, shall notify each unit
21 owner of the action and provide a copy of any new or
22 revised rule.

23 4. A rule regulating display of the flag of the
24 United States shall be consistent with federal law. A
25 unit owners association shall not prohibit on a unit
26 or on a limited common element, as defined in section
27 499B.2, adjoining a unit the display of the flag of
28 this state, or signs regarding candidates for public
29 office or unit owners association office or public
30 measures, but the association may adopt rules governing
31 the time, place, size, number, and manner of those
32 displays.

33 5. Unit owners may peacefully assemble on common
34 elements to consider matters related to the common
35 interest community, but the unit owners association may
36 adopt rules governing the time, place, and manner of
37 such assemblies.

38 6. A unit owners association may adopt rules that
39 restrict the use of unit or behavior within units that
40 may be used for residential purposes, but only to do
41 the following:

- 42 a. Implement a provision of the declaration.
- 43 b. Regulate a behavior in or the occupancy of a
44 unit that violates the declaration or adversely affects
45 the use and enjoyment of other units or the common
46 elements by other unit owners.
- 47 c. Restrict the leasing of residential units to
48 the extent the rules are reasonably designed to meet
49 underwriting requirements of institutional lenders
50 that regularly make loans secured by first mortgages

Page 11

1 on units in common interest communities or regularly
2 purchase such mortgages.

3 7. A unit owners association's internal business
4 operating procedures are exempt from the requirements
5 of this section.

6 8. Each rule adopted by a unit owners association
7 or executive board shall be reasonable in nature and
8 scope.

9 Sec. 11. NEW SECTION. 499C.401 Meetings.

10 1. Meetings of a unit owners association, whether
11 such association is incorporated or unincorporated,
12 shall comply with all of the following:
13 a. A unit owners association shall hold a meeting
14 of unit owners annually at a time, date, and place
15 stated in or determined in accordance with the
16 declaration or bylaws.
17 b. A unit owners association shall hold a special
18 meeting of unit owners to address any matter affecting
19 the unit owners association if the association's
20 president, a majority of the executive board, or
21 an amount of unit owners comprising at least twenty
22 percent of all votes in the association, unless a
23 different percentage is specified in the bylaws,
24 request that the secretary call the meeting. If the
25 unit owners association does not notify unit owners of
26 a special meeting within thirty days after the required
27 number of unit owners has requested the secretary
28 to call a special meeting, the requesting members
29 may directly notify all unit owners of the meeting.
30 Only matters described in the meeting notice may be
31 considered at a special meeting.
32 c. A unit owners association shall notify each
33 unit owner of the time, date, and place of each annual
34 and special unit owners meeting not less than ten
35 days and not more than sixty days before the meeting
36 date. Notice may be by any means described in section
37 499C.403. Each meeting notice shall state the time,
38 date, and place of the meeting and the items on the
39 agenda in a manner reasonably calculated to apprise
40 the unit owners of that information, including but not
41 limited to:
42 (1) A statement of the general nature of any
43 proposed amendment to the declaration or bylaws.
44 (2) A statement describing any budget changes.
45 (3) Any proposal to remove an officer or member of
46 the executive board.
47 d. The requirements relating to the timing of
48 meeting notices under paragraph "c" may be reduced or
49 waived for a meeting called to address an emergency.
50 A meeting called to address an emergency shall be

Page 12

1 limited to matters arising out of the emergency. The
2 decision of an officer of the unit owners association
3 to convene a meeting for an emergency shall be ratified
4 by a majority of unit owners required by the bylaws to
5 conduct the business of the unit owners association.
6 e. Each unit owner shall be given a reasonable
7 opportunity at any meeting to comment on any matter
8 affecting the common interest community or the unit

9 owners association.

10 f. The declaration or bylaws may allow for meetings
11 of unit owners to be conducted by telephonic, video, or
12 other conferencing method, if such method is consistent
13 with subsection 2, paragraph "g".

14 2. Meetings of the executive board and committees
15 of the unit owners association, authorized to act for
16 the unit owners association, shall comply with all of
17 the following:

18 a. Meetings shall be open to the unit owners except
19 during executive sessions. The executive board and
20 committees of the unit owners association may hold an
21 executive session only during a regular or special
22 meeting of the board or the committee. No final vote
23 or action may be taken during an executive session. An

38 (4) To discuss contracts, leases, and other

4 or any other method to evade the meeting and notice
5 requirements of this section.

6 c. During a period of declarant control, the

25 executive board meeting to each executive board member
26 and to each unit owner. Such notice shall be given at
27 least ten days before the meeting and shall state the
28 time, date, place, and agenda of the meeting.

29 f. If any materials are distributed to the

41 method to be used and provides information explaining

19 b. Parcels within the same building or structure
20 regardless of whether the parcels share a common
21 boundary.
22 c. Improvements to the land that are situated on

1 the fund in the previous fiscal year. In addition,
2 the sum of fifty million dollars shall be added to the
3 appropriation in each fiscal year beginning on or after
4 July 1, 2013, if the revenue estimating conference
5 certifies during its final meeting of the calendar year
6 ending prior to the beginning of the fiscal year that
7 the total amount of general fund revenues collected
8 during the fiscal year ending during such calendar year
9 was at least one hundred four percent of the total
10 amount of general fund revenues collected during the
11 previous fiscal year. However, the total appropriation
12 to the fund shall not exceed two hundred million
13 dollars for any one fiscal year.

14 2. Notwithstanding section 12C.7, subsection 2,

19 or otherwise encumbered except as provided in this
20 chapter.

21 Sec. 5. NEW SECTION. 426C.3 Claims for credit.

22 1. Each person who wishes to claim the credit

23 allowed under this chapter shall obtain the appropriate
24 forms from the assessor and file the claim with the
25 assessor. The director of revenue shall prescribe
26 suitable forms and instructions for such claims, and
27 make such forms and instructions available to the
28 assessors.

29 2. a. Claims for the business property tax credit
30 shall be filed not later than March 15 preceding the
31 fiscal year during which the taxes for which the credit
32 is claimed are due and payable.

33 b. A claim filed after the deadline for filing
34 claims shall be considered as a claim for the following
35 year.

36 3. Upon the filing of a claim and allowance of the
37 credit, the credit shall be allowed on the parcel or
38 property unit for successive years without further
39 filing as long as the parcel or property unit satisfies
40 the requirements for the credit. If the parcel or
41 property unit owner ceases to qualify for the credit
42 under this chapter, the owner shall provide written
43 notice to the assessor by the date for filing claims
44 specified in subsection 2 following the date on which
45 the parcel or property unit ceases to qualify for the
46 credit.

47 4. When all or a portion of a parcel or property
48 unit that is allowed a credit under this chapter is
49 sold, transferred, or ownership otherwise changes, the
50 buyer, transferee, or new owner who wishes to receive

Page 3

1 the credit shall refile the claim for credit. When a
2 portion of a parcel or property unit that is allowed
3 a credit under this chapter is sold, transferred, or
4 ownership otherwise changes, the owner of the portion
5 of the parcel or property unit for which ownership did
6 not change shall refile the claim for credit.

7 5. The assessor shall remit the claims for
8 credit to the county auditor with the assessor's
9 recommendation for allowance or disallowance. If
10 the assessor recommends disallowance of a claim,
11 the assessor shall submit the reasons for the
12 recommendation, in writing, to the county auditor. The
13 county auditor shall forward the claims to the board
14 of supervisors. The board shall allow or disallow the
15 claims.

16 6. For each claim and allowance of a credit for
17 a property unit, the county auditor shall calculate
18 the average of all consolidated levy rates applicable
19 to the several parcels within the property unit. All
20 claims for credit which have been allowed by the board
21 of supervisors, the actual value of the improvements

22 to such parcels and property units applicable to
23 the fiscal year for which the credit is claimed
24 that are subject to assessment and taxation prior to

36 credit has been allowed when notice is received from
37 the office of the county recorder, from the person
38 who sold or transferred the property, or from the
39 personal representative of a deceased property owner.
40 The county recorder shall give notice to the assessor
41 of each transfer of title filed in the recorder's
42 office. The notice from the county recorder shall

44 person transferring title to the property, and the name
45 of the person to whom title to the property has been
46 transferred.

47 Sec. 6. NEW SECTION. 426C.4 Eligibility and amount
48 of credit.

49 1. Each parcel classified and taxed as commercial
50 property, industrial property, or railway property

Page 4

1 under chapter 434, and improved with permanent
2 construction, is eligible for a credit under this
3 chapter. A person may claim and receive one credit
4 under this chapter for each eligible parcel unless
5 the parcel is part of a property unit. A person
6 may only claim and receive one credit under this
7 chapter for each property unit. A credit approved
8 for a property unit shall be allocated to the several
9 parcels within the property unit in the proportion
10 that each parcel's total amount of property taxes due
11 and payable attributable to the improvements bears to
12 the total amount of property taxes due and payable
13 attributable to the improvements for the property unit.
14 Only property units comprised of commercial property,
15 comprised of industrial property, or comprised of
16 railway property under chapter 434 are eligible for a
17 credit under this chapter.

18 2. Using the actual value of the improvements and
19 the consolidated levy rate for each parcel or the
20 average consolidated levy rate for each property unit,

21 as certified by the county auditor to the department
22 under section 426C.3, subsection 6, the department
23 shall calculate, for each fiscal year, an initial
24 amount of actual value of improvements for use in
25 determining the amount of the credit for each such
26 parcel or property unit so as to provide the maximum
27 possible credit according to the credit formula and
28 limitations under subsection 3, and to provide a
29 total dollar amount of credits against the taxes due
30 and payable in the fiscal year equal to ninety-eight
31 percent of the moneys in the fund following the deposit
32 of the total appropriation for the fiscal year.

33 3. a. The amount of the credit for each parcel or
34 property unit for which a claim for credit under this
35 chapter has been approved shall be calculated under
36 paragraph "b" using the lesser of the initial amount
37 of actual value of the improvements determined by the
38 department under subsection 2, and the actual value
39 of the improvements to the parcel or property unit as
40 certified by the county auditor under section 426C.3,
41 subsection 6.

42 b. The amount of the credit for each parcel or
43 property unit for which a claim for credit under
44 this chapter has been approved shall be equal to the
45 amount of actual value determined under paragraph "a"
46 multiplied by the difference, stated as a percentage,
47 between the assessment limitation applicable to
48 the parcel or property unit under section 441.21,
49 subsection 5, and the assessment limitation applicable
50 to residential property under section 441.21,

Page 5

1 subsection 4, divided by one thousand dollars, and then
2 multiplied by the consolidated levy rate or average
3 consolidated levy rate for one thousand dollars of
4 taxable value applicable to the parcel or property unit
5 for the fiscal year for which the credit is claimed as
6 certified by the county auditor under section 426C.3,
7 subsection 6.

8 Sec. 7. NEW SECTION. 426C.5 Payment to counties.

9 1. Annually the department shall certify to the
10 county auditor of each county the amounts of the
11 business property tax credits allowed in the county.
12 Each county auditor shall then enter the credits
13 against the tax levied on each eligible parcel or
14 property unit in the county, designating on the tax
15 lists the credit as being from the fund. Each taxing
16 district shall receive its share of the business
17 property tax credit allowed on each eligible parcel
18 or property unit in such taxing district, in the
19 proportion that the levy made by such taxing district

20 upon the parcel or property unit bears to the total
21 levy upon the parcel or property unit by all taxing
22 districts imposing a property tax in such taxing
23 district. However, the several taxing districts
24 shall not draw the moneys so credited until after the
25 semiannual allocations have been received by the county
26 treasurer, as provided in this section. Each county
27 treasurer shall show on each tax receipt the amount of
28 credit received from the fund.

29 2. The director of the department of administrative
30 services shall issue warrants on the fund payable to
31 the county treasurers of the several counties of the
32 state under this chapter.

33 3. The amount due each county shall be paid in two
34 payments on November 15 and March 15 of each fiscal
35 year, drawn upon warrants payable to the respective
36 county treasurers. The two payments shall be as nearly
37 equal as possible.

38 Sec. 8. NEW SECTION. 426C.6 Appeals.

39 1. If the board of supervisors disallows a claim
40 for credit under section 426C.3, subsection 5, the
41 board of supervisors shall send written notice, by
42 mail, to the claimant at the claimant's last known
43 address. The notice shall state the reasons for
44 disallowing the claim for the credit. The board of
45 supervisors is not required to send notice that a claim
46 for credit is disallowed if the claimant voluntarily
47 withdraws the claim. Any person whose claim is denied
48 under the provisions of this chapter may appeal from
49 the action of the board of supervisors to the district
50 court of the county in which the parcel or property

Page 6

1 unit is located by giving written notice of such appeal
2 to the county auditor within twenty days from the date
3 of mailing of notice of such action by the board of
4 supervisors.

5 2. If any claim for credit has been denied by the
6 board of supervisors, and such action is subsequently
7 reversed on appeal, the credit shall be allowed on the
8 applicable parcel or property unit, and the director of
9 revenue, the county auditor, and the county treasurer
10 shall provide the credit and change their books and
11 records accordingly. In the event the appealing
12 taxpayer has paid one or both of the installments of
13 the tax payable in the year or years in question,
14 remittance shall be made to such taxpayer of the amount
15 of such credit. The amount of such credit awarded on
16 appeal shall be allocated and paid from the balance
17 remaining in the fund.

18 Sec. 9. NEW SECTION. 426C.7 Audit — denial.

19 1. If on the audit of a credit provided under this
20 chapter, the director of revenue determines the amount
21 of the credit to have been incorrectly calculated or
22 that the credit is not allowable, the director shall
23 recalculate the credit and notify the taxpayer and the
24 county auditor of the recalculation or denial and the
25 reasons for it. The director shall not adjust a credit
26 after three years from October 31 of the year in which
27 the claim for the credit was filed. If the credit has
28 been paid, the director shall give notification to the
29 taxpayer, the county treasurer, and the applicable
30 assessor of the recalculation or denial of the credit
31 and the county treasurer shall proceed to collect the
32 tax owed in the same manner as other property taxes due
33 and payable are collected, if the parcel or property
34 unit for which the credit was allowed is still owned
35 by the taxpayer. If the parcel or property unit
36 for which the credit was allowed is not owned by the
37 taxpayer, the amount may be recovered from the taxpayer
38 by assessment in the same manner that income taxes are
39 assessed under sections 422.26 and 422.30. The amount
40 of such erroneous credit, when collected, shall be
41 deposited in the fund.

42 2. The taxpayer or board of supervisors may
43 appeal any decision of the director of revenue to the
44 state board of tax review pursuant to section 421.1,
45 subsection 5. The taxpayer, the board of supervisors,
46 or the director of revenue may seek judicial review
47 of the action of the state board of tax review in
48 accordance with chapter 17A.

49 Sec. 10. NEW SECTION. 426C.8 False claim —
50 penalty.

Page 7

1 A person who makes a false claim for the purpose of
2 obtaining a credit provided for in this chapter or who
3 knowingly receives the credit without being legally
4 entitled to it is guilty of a fraudulent practice. The
5 claim for a credit of such a person shall be disallowed
6 and if the credit has been paid the amount shall be
7 recovered in the manner provided in section 426C.7. In
8 such cases, the director of revenue shall send a notice
9 of disallowance of the credit.

10 Sec. 11. NEW SECTION. 426C.9 Rules.
11 The director of revenue shall prescribe forms,
12 instructions, and rules pursuant to chapter 17A, as
13 necessary, to carry out the purposes of this chapter.

14 Sec. 12. IMPLEMENTATION. Notwithstanding the
15 deadline for filing claims established in section
16 426C.3, for a credit against property taxes due and
17 payable during the fiscal year beginning July 1, 2012,

18 the claim for the credit shall be filed not later than
19 January 15, 2012.

6 DIVISION II

7 PROPERTY ASSESSMENT LIMITATIONS

8 Sec. 2. Section 441.21, subsection 4, Code 2011, is
9 amended to read as follows:

10 4. For valuations established as of January
11 1, 1979, the percentage of actual value at which
12 agricultural and residential property shall be assessed
13 shall be the quotient of the dividend and divisor as
14 defined in this section. The dividend for each class
15 of property shall be the dividend as determined for
16 each class of property for valuations established as
17 of January 1, 1978, adjusted by the product obtained
18 by multiplying the percentage determined for that year
19 by the amount of any additions or deletions to actual
20 value, excluding those resulting from the revaluation
21 of existing properties, as reported by the assessors
22 on the abstracts of assessment for 1978, plus six
23 percent of the amount so determined. However, if the
24 difference between the dividend so determined for
25 either class of property and the dividend for that
26 class of property for valuations established as of
27 January 1, 1978, adjusted by the product obtained by
28 multiplying the percentage determined for that year
29 by the amount of any additions or deletions to actual
30 value, excluding those resulting from the revaluation
31 of existing properties, as reported by the assessors
32 on the abstracts of assessment for 1978, is less than
33 six percent, the 1979 dividend for the other class of
34 property shall be the dividend as determined for that
35 class of property for valuations established as of
36 January 1, 1978, adjusted by the product obtained by

37 multiplying the percentage determined for that year
38 by the amount of any additions or deletions to actual
39 value, excluding those resulting from the revaluation
40 of existing properties, as reported by the assessors on
41 the abstracts of assessment for 1978, plus a percentage
42 of the amount so determined which is equal to the
43 percentage by which the dividend as determined for the
44 other class of property for valuations established as
45 of January 1, 1978, adjusted by the product obtained
46 by multiplying the percentage determined for that year
47 by the amount of any additions or deletions to actual
48 value, excluding those resulting from the revaluation
49 of existing properties, as reported by the assessors
50 on the abstracts of assessment for 1978, is increased

Page 3

1 in arriving at the 1979 dividend for the other class
2 of property. The divisor for each class of property
3 shall be the total actual value of all such property
4 in the state in the preceding year, as reported by the
5 assessors on the abstracts of assessment submitted
6 for 1978, plus the amount of value added to said
7 total actual value by the revaluation of existing
8 properties in 1979 as equalized by the director of
9 revenue pursuant to section 441.49. The director shall
10 utilize information reported on abstracts of assessment
11 submitted pursuant to section 441.45 in determining
12 such percentage. For valuations established as of
13 January 1, 1980, and each assessment year thereafter
14 beginning before January 1, 2012, the percentage of
15 actual value as equalized by the director of revenue
16 as provided in section 441.49 at which agricultural
17 and residential property shall be assessed shall be
18 calculated in accordance with the methods provided
19 herein including the limitation of increases in
20 agricultural and residential assessed values to the
21 percentage increase of the other class of property if
22 the other class increases less than the allowable limit
23 adjusted to include the applicable and current values
24 as equalized by the director of revenue, except that
25 any references to six percent in this subsection shall
26 be four percent. For valuations established as of
27 January 1, 2012, and each assessment year thereafter,
28 the percentage of actual value as equalized by the
29 director of revenue as provided in section 441.49 at
30 which agricultural and residential property shall be
31 assessed shall be calculated in accordance with the
32 methods provided herein including the limitation of
33 increases in agricultural and residential assessed
34 values to the percentage increase of the other class
35 of property if the other class increases less than the

36 allowable limit adjusted to include the applicable and
37 current values as equalized by the director of revenue,
38 except that any references to six percent in this
39 subsection shall be two percent.

40 Sec. 3. Section 441.21, subsection 5, Code 2011, is
41 amended to read as follows:

42 5. a. ~~For valuations established as of January~~
43 ~~1, 1979, commercial property and industrial property,~~
44 ~~excluding properties referred to in section 427A.1,~~
45 ~~subsection 8, shall be assessed as a percentage of~~
46 ~~the actual value of each class of property. The~~
47 ~~percentage shall be determined for each class of~~

17 average of the preceding twelve-month percentage
18 change, which shall be computed on a monthly basis,
19 in the midwest consumer price index, ending with the
20 percentage change for the month of November. The

8 urban revitalization area on which an exemption was
9 allowed and such exemption has expired.

10 3. a. For the fiscal year beginning July 1, 2012,

19 fiscal year's maximum property tax dollars for the
20 general fund.

21 (2) The amount of net new valuation taxes in the
22 city.

26 year's maximum property tax dollars" shall mean the
27 total amount of property tax dollars certified by the
28 city for the city's general fund for the fiscal year
29 beginning July 1, 2011.
30 5. Property taxes certified for deposit in the
31 debt service fund in section 384.4, trust and agency
32 funds in section 384.6, capital improvements reserve

1 are subject to the same rate of tax levied by the city
2 on all other taxable property within the city.
3 7. The department of management, in consultation
4 with the city finance committee, shall adopt rules
5 to administer this section. The department shall
6 prescribe forms to be used by cities when making
7 calculations required by this section.
8 Sec. 24. NEW SECTION. 384.1B Ending fund balance.
9 1. a. Budgeted ending fund balances for a budget
10 year in excess of twenty-five percent of budgeted
11 expenditures from the general fund for that budget
12 year shall be explicitly reserved or designated for a
13 specific purpose.
14 b. A city is encouraged, but not required, to
15 reduce budgeted, unreserved, or undesignated ending
16 fund balances for the budget year to an amount equal
17 to approximately twenty-five percent of budgeted
18 expenditures and transfers from the general fund for
19 that budget year unless a decision is certified by the

20 state appeal board ordering a reduction in the ending
21 fund balance of the fund.

22 c. In a protest to the city budget under section
23 384.19, the city shall have the burden of proving
24 that the budgeted balances in excess of twenty-five
25 percent are reasonably likely to be appropriated for

29 budget for purposes of section 24.28.

30 2. a. For a city that has, as of June 30,
31 2011, reduced its ending fund balance to less than
32 twenty-five percent of actual expenditures, additional
33 property taxes may be computed and levied as provided
34 in this subsection. The additional property tax levy
35 amount is an amount not to exceed the difference
36 between twenty-five percent of actual expenditures for
37 city government purposes for the fiscal year beginning
38 July 1, 2010, minus the ending fund balance for that
39 year.

40 b. All or a portion of additional property tax

Page 20

1 as unused ending fund balance taxing authority under
2 this subsection may be the subject of a protest under
3 section 384.19, and the amount will be considered an
4 increase in an item in the budget for purposes of
5 section 24.28. The amount of additional property tax
6 dollars levied under this subsection shall not be
7 included in the computation of the maximum amount of
8 property tax dollars which may be certified and levied
9 under section 384.1.

10 Sec. 25. Section 384.12, subsection 20, Code 2011,
11 is amended by striking the subsection.

18 and received a favorable majority of the votes cast on

19 the proposition.

20 2. The special election is subject to the
21 following:

22 a. The city council must give at least thirty-two

44 published at least once in a newspaper as specified
45 in section 362.3 prior to the date of the special
46 election. The notice shall appear as early as
47 practicable after the city council has voted to submit
48 a proposition to the voters to levy additional property
49 tax dollars.

50 3. The amount of additional property tax dollars

14 of the committee, a budget must show comparisons

33 aggregate for each city reporting. ~~The city finance
34 committee, in consultation with the department of
35 management and the legislative services agency, shall
36 determine reporting criteria and shall prepare a form

16 specified length of time with one or more options to

17 renew if such is clearly stated in the petition which
 18 requests the council to authorize construction of the
 19 improvement or self-liquidating improvement, whether
 20 or not such petition is combined with the petition
 21 requesting creation of a district. Parcels of property

3 1. By striking everything after the enacting clause

4 and inserting:

5 <DIVISION I
6 SERVICE SYSTEM REDESIGN
7 Section 1. ADULT DISABILITY SERVICES SYSTEM
8 REDESIGN.

9 1. For the purposes of this section, "disability
10 services" means services and other support available
11 to a person with mental illness or an intellectual
12 disability or other developmental disability.

13 2. It is the intent of the general assembly to
14 redesign the system for adult disability services to
15 implement all of the following:

16 a. Shifting the funding responsibility for the
17 nonfederal share of adult disability services paid for
18 by the Medicaid program, including but not limited to
19 all costs for the state resource centers, from the
20 counties to the state.

21 b. Reorganizing adult disability services not paid
22 for by the Medicaid program into a system administered
23 on a regional basis in a manner that provides multiple
24 local points of access to adult disability services
25 both paid for by the Medicaid program and not paid for
26 by the Medicaid program.

27 c. Replacing legal settlement as the basis for
28 determining financial responsibility for publicly
29 funded disability services by determining such
30 responsibility based upon residency.

31 3. a. The legislative council is requested to
32 authorize an interim committee on mental health and
33 disability services for the 2011 legislative interim to
34 commence as soon as practicable. The purpose of the
35 interim committee is to closely engage with, monitor,
36 and make recommendations concerning the efforts of
37 the department of human services and workgroups of
38 stakeholders and experts created by the department
39 to develop detailed proposals for the redesign of
40 disability services pursuant to this Act, particularly
41 with regard to the identification of core services.

42 b. (1) It is intended that the interim committee
43 members consist of equal numbers of legislators from

45 for staff from the office of the governor and the
46 departments of human services and public health to be

48 It is also requested that legislators serving on the
49 interim committee and other interested legislators
50 be authorized to participate in the meetings of the

Page 2

1 workgroups and subcommittees addressed in this Act.

2 (2) In addition to addressing workgroup

3 recommendations, it is intended that the interim
4 committee address property tax issues, devise a means
5 of ensuring the state maintains its funding commitments
6 for the redesigned services system, recommend revisions
7 in the requirements for mental health professionals
8 who are engaged in the involuntary commitment and
9 examination processes under chapter 229, develop
10 proposed legislation for amending Code references to
11 mental retardation to instead refer to intellectual
12 disabilities, and consider issues posed by the
13 July 1, 2013, repeals of county disability services
14 administration and funding provisions in 2011 Iowa
15 Acts, Senate File 209.

16 (3) It is intended that the interim committee
17 shall receive and make recommendations concerning the
18 detailed and final proposals submitted by workgroups
19 during the 2011 legislative interim for consideration
20 by the general assembly in the 2012 legislative
21 session.

22 c. (1) The department of human services shall
23 design the workgroup process to facilitate effective
24 decision making while allowing for a broad array of
25 input. The workgroup process shall begin as soon after
26 the effective date of this Act as is practicable. The
27 membership of workgroups and subcommittees involved
28 with the process shall include consumers, service
29 providers, and advocates and provide for adequate
30 representation by both rural and urban interests.
31 The department of public health shall be represented
32 on those workgroups and subcommittees with a focus
33 relevant to the department.

34 (2) The detailed and final proposals developed
35 by the workgroups during the 2011 interim shall
36 be submitted to the interim committee on or before
37 December 9, 2011.

38 d. At least one workgroup shall address redesign
39 of the adult mental health system and at least
40 one workgroup shall address redesign of the adult
41 intellectual and other developmental disability system.
42 The workgroup process shall engage separate workgroups
43 and subcommittees enumerated in this Act and may
44 involve additional bodies in the process as determined
45 by the department.

46 e. It is intended that interim committee members
47 be engaged, to the extent possible, in workgroup
48 deliberations and begin formal discussions of

39 to receive services in accordance with the principles
40 established in *Olmstead v. L.C.*, 527 U.S. 581 (1999),
41 in order for services to be provided in the most
42 community-based, least restrictive, and integrated
43 setting appropriate to an individual's needs.
44 c. Continuing the department's leadership role
45 in the Medicaid program in defining services covered,

2 services statewide in a manner determined to be most
3 appropriate by each region.

27 focus of the workgroup or subcommittee. The overall
28 proposal may be developed by a body consisting of
29 members from other workgroups or subcommittees. The
30 proposal shall also provide options, developed in
31 coordination with the judicial branch and department
32 of human services workgroup, for implementation
33 of the provision of advocates to patients with
34 substance-related disorders.

35 i. Developing a proposal for redesign of publicly
36 funded children's disability services, including but
37 not limited to the needs of children who are placed

1 on or before December 10, 2012.

2 j. Developing a proposal for adult disability
3 services not paid for by the Medicaid program to be
4 administered on a regional basis in a manner that
5 provides multiple local points of access for consumers
6 needing adult disability services, regardless of
7 the funding sources for the services. The proposal
8 shall be integrated with the other proposals under
9 this subsection and shall be developed by a separate
10 workgroup or subcommittee engaging both urban and rural
11 county supervisors and central-point-of-coordination
12 administrators and other experts. The considerations
13 for inclusion in the proposal for forming regional
14 entities shall include but are not limited to all of
15 the following:

26 services.

27 (3) Developing a three-year service plan and annual
28 update to meet the needs of consumers.

35 determine the Medicaid program targeted case managers
36 to serve the regions.

37 (6) Providing for the regional entities and the
38 department of human services to regularly coordinate

41 that services paid for by the program and the regional
42 entities are integrated and coordinated.

43 (7) Identifying sufficient population size to
44 attain economy of scale, adequate financial resources,
45 and appropriate service delivery.

46 (8) Addressing full participation in regional
47 entities by counties.

48 (9) Including dispute resolution provisions for
49 county-to-county relationships, county-to-region
50 relationships, and region-to-state relationships.

Page 6

21 and has provided evidence of a commitment to provide
22 outpatient services for the region.

23 (d) Requiring a region to encompass or have
24 reasonably close proximity to a hospital with an
25 inpatient psychiatric unit or to a state mental health
26 institute, that has the capacity to provide inpatient
27 services for the region and has provided evidence of
28 a commitment to provide inpatient services for the
29 region.

30 (e) Requiring an administrative structure utilized
31 by a region to have clear lines of accountability and
32 to serve as a lead agency with shared county staff or
33 other means of limiting administrative costs to not
34 more than five percent of expenditures.

35 5. The target date for full implementation of
36 the plan and implementation provisions described in
37 subsections 3 and 4 shall be July 1, 2013, provided,

 11 section 229.10 for not more than twenty-three hours
 12 who was not initially taken into custody but declined
 13 to be examined pursuant to a previous court order;
 14 and for civil commitment prescreening. Preliminary
 15 recommendations shall be submitted to the legislative
 16 interim committee in October 2011, as specified by the
 17 interim committee. Additional stakeholders shall be
 18 added as necessary to facilitate the workgroup efforts.
 19 The workgroup shall complete deliberations and submit
 20 a final report to the legislative interim committee
 21 providing findings and recommendations on or before
 22 December 9, 2011.

23 Sec. 3. SERVICE SYSTEM DATA AND STATISTICAL
 24 INFORMATION INTEGRATION. In coordination with
 25 the legislative interim committee and workgroups
 26 initiated pursuant to this Act, representatives of the
 27 department of human services, department of public
 28 health, and the community services network hosted by
 29 the Iowa state association of counties shall develop
 30 implementation provisions for an integrated data and
 31 statistical information system for mental health,
 32 disability services, and substance abuse services.
 33 The implementation provisions shall incorporate
 34 federal data and statistical information requirements.
 35 When completed, the departments and affiliate shall

 37 the joint appropriations subcommittee on health and
 38 human services, and the legislative services agency,
 39 providing their findings and recommendations.

7 behavioral health managed care plan under the state's
8 Medicaid program.
9 b. "PMIC" means a psychiatric medical institution
10 for children.
11 2. It is the intent of the general assembly to do
12 the following under this section:
13 a. Improve the reimbursement, expected outcomes,
14 and integration of PMIC services to serve the best
15 interests of children within the context of a redesign
16 of the delivery of publicly funded children's mental
17 health services in this state.
18 b. Support the development of specialized programs

20 are not met by Iowa's current system and must be served
21 in out-of-state placements.
22 c. Transition PMIC services while providing
23 services in a manner that applies best practices and is
24 cost-effective.
25 3. The department of human services, in
26 collaboration with PMIC providers, shall develop a

32 establishing vendor performance standards, identifying
33 levels of PMIC care, providing for performance and
34 quality improvement technical assistance to providers,
35 identifying methods and standards for credentialing
36 providers of specialized programs, using innovative
37 reimbursement incentives to improve access while
38 building the capacity of less intensive levels of care,
39 and providing implementation guidelines.
40 4. a. The transition plan shall address the
41 development of specialized programs to address the
42 needs of children in need of more intensive treatment
43 who are currently underserved. All of the following
44 criteria shall be used for such programs:

2 b. The transition plan shall also address all of
3 the following:
4 (1) Providing navigation, access, and care
5 coordination for children and families in need of
6 services from the children's mental health system.
7 (2) Integrating the children's mental health
8 waiver services under the Medicaid program with
9 other services addressed by the transition plan as a
10 means for supporting the transition plan and ensuring
11 availability of choices for community placements.
12 (3) Identifying admission and continued stay
13 criteria for PMIC providers.
14 (4) Evaluating changes in licensing standards for
15 PMICs as necessary to ensure that the standards are
16 aligned with overall system goals.
17 (5) Evaluating alternative reimbursement and
18 service models that are innovative and could support
19 overall system goals. The models may include but are
20 not limited to accountable care organizations, medical
21 or other health homes, and performance-based payment
22 methods.
23 (6) Evaluating the adequacy of reimbursement at all
24 levels of the children's mental health system.
25 (7) Developing profiles of the conditions and
26 behaviors that result in a child's involuntary
27 discharge or out-of-state placement. The plan shall
28 incorporate provisions for developing specialized
29 programs that are designed to appropriately meet the
30 needs identified in the profiles.
31 (8) Evaluating and defining the appropriate array
32 of less intensive services for a child leaving a
33 hospital or PMIC placement.
34 (9) Evaluating and defining the standards for
35 existing and new PMIC and other treatment levels.

44 and expertise in care coordination and integration
45 of PMIC and community-based services, two persons
46 representing families affected by the children's mental
47 health system, and a representative of juvenile court
48 officers.
49 b. The transition committee shall develop the plan
50 and manage the transition if the plan is implemented.

Page 11

1 The plan shall be developed by December 31, 2011,
2 and shall be submitted to the general assembly by
3 January 16, 2012. The submitted plan shall include
4 an independent finding by the director of human
5 services, in consultation with the office of the
6 governor and the chairpersons and ranking members of
7 the joint appropriations subcommittee on health and
8 human services, that the plan meets the intent of the
9 general assembly under this section. Unless otherwise
10 directed by enactment of the general assembly the
11 department and the transition committee may proceed
12 with implementation of the submitted plan on or before
13 July 1, 2012.

14 c. The transition committee shall continue to meet

19 or before December 15 to the chairpersons and ranking
20 members of the joint appropriations subcommittee on
21 health and human services through December 15, 2016,
22 regarding the implementation of this section. The
23 content of the report shall include but is not limited
24 to information on children served by PMIC providers,
25 the types of locations to which children are discharged
26 following a hospital or PMIC placement and the
27 community-based services available to such children,
28 and the incidence of readmission to a PMIC within 12
29 months of discharge. The report shall also recommend
30 whether or not to continue administration of PMIC
31 services under the Iowa plan based upon the quality
32 of service delivery, the value of utilizing the Iowa
33 plan administration rather than the previous approach
34 through the Medicaid enterprise, and analysis of the
35 cost and benefits of utilizing the Iowa plan approach.

36 DIVISION IV

37 COMMUNITY MENTAL HEALTH CENTERS

38 COMMUNITY MENTAL HEALTH CENTERS — CATCHMENT AREAS

39 Sec. 10. NEW SECTION. 230A.101 Services system
40 roles.

41 1. The role of the department of human services,
42 through the division of the department designated as
43 the state mental health authority with responsibility
44 for state policy concerning mental health and
45 disability services, is to develop and maintain
46 policies for the mental health and disability services
47 system. The policies shall address the service
48 needs of individuals of all ages with disabilities
49 in this state, regardless of the individuals' places
50 of residence or economic circumstances, and shall be

Page 12

1 consistent with the requirements of chapter 225C and
2 other applicable law.

3 2. The role of community mental health centers in
4 the mental health and disability services system is
5 to provide an organized set of services in order to
6 adequately meet the mental health needs of this state's
7 citizens based on organized catchment areas.

8 Sec. 11. NEW SECTION. 230A.102 Definitions.

9 As used in this chapter, unless the context
10 otherwise requires:

11 1. "Administrator", "commission", "department",
12 "disability services", and "division" mean the same as
13 defined in section 225C.2.

14 2. "Catchment area" means a community mental health
15 center catchment area identified in accordance with
16 this chapter.

17 3. "Community mental health center" or "center"
18 means a community mental health center designated in
19 accordance with this chapter.

20 Sec. 12. NEW SECTION. 230A.103 Designation of
21 community mental health centers.

22 1. The division, subject to agreement by any
23 community mental health center that would provide
24 services for the catchment area and approval by the
25 commission, shall designate at least one community
26 mental health center under this chapter to serve as
27 lead agency for addressing the mental health needs of
28 the county or counties comprising the catchment area.
29 The designation process shall provide for the input
30 of potential service providers regarding designation
31 of the initial catchment area or a change in the
32 designation.

33 2. The division shall utilize objective criteria
34 for designating a community mental health center
35 to serve a catchment area and for withdrawing such
36 designation. The commission shall adopt rules
37 outlining the criteria. The criteria shall include but
38 are not limited to provisions for meeting all of the
39 following requirements:

40 a. An appropriate means shall be used for
41 determining which prospective designee is best able to
42 serve all ages of the targeted population within the
43 catchment area with minimal or no service denials.

44 b. An effective means shall be used for determining
45 the relative ability of a prospective designee to
46 appropriately provide mental health services and other
47 support to consumers residing within a catchment area
48 as well as consumers residing outside the catchment
49 area. The criteria shall address the duty for a
50 prospective designee to arrange placements outside the

Page 13

1 catchment area when such placements best meet consumer
2 needs and to provide services within the catchment area
3 to consumers who reside outside the catchment area when
4 the services are necessary and appropriate.

5 3. The board of directors for a designated
6 community mental health center shall enter into
7 an agreement with the division. The terms of the
8 agreement shall include but are not limited to all of
9 the following:

10 a. The period of time the agreement will be in
11 force.

12 b. The services and other support the center will
13 offer or provide for the residents of the catchment
14 area.

15 c. The standards to be followed by the center in
16 determining whether and to what extent the persons
17 seeking services from the center shall be considered to
18 be able to pay the costs of the services.

19 d. The policies regarding availability of the
20 services offered by the center to the residents of the
21 catchment area as well as consumers residing outside
22 the catchment area.

23 e. The requirements for preparation and submission
24 to the division of annual audits, cost reports, program
25 reports, performance measures, and other financial and
26 service accountability information.

27 4. This section does not limit the authority of
28 the board or the boards of supervisors of any county
29 or group of counties to continue to expend money to
30 support operation of a center.

31 Sec. 13. NEW SECTION. 230A.104 Catchment areas.

32 1. The division shall collaborate with affected
33 counties in identifying community mental health center
34 catchment areas in accordance with this section.

35 2. a. Unless the division has determined that
36 exceptional circumstances exist, a catchment area
37 shall be served by one community mental health center.
38 The purpose of this general limitation is to clearly
39 designate the center responsible and accountable for
40 providing core mental health services to the target
41 population in the catchment area and to protect the
42 financial viability of the centers comprising the
43 mental health services system in the state.

44 b. A formal review process shall be used in
45 determining whether exceptional circumstances exist
46 that justify designating more than one center to
47 serve a catchment area. The criteria for the review
48 process shall include but are not limited to a means
49 of determining whether the catchment area can support
50 more than one center.

Page 14

1 c. Criteria shall be provided that would allow
2 the designation of more than one center for all
3 or a portion of a catchment area if designation or
4 approval for more than one center was provided by the
5 division as of October 1, 2010. The criteria shall
6 require a determination that all such centers would be
7 financially viable if designation is provided for all.
8 Sec. 14. NEW SECTION. 230A.105 Target population
9 — eligibility.

10 1. The target population residing in a catchment
11 area to be served by a community mental health
12 center shall include but is not limited to all of the
13 following:

14 a. Individuals of any age who are experiencing a
15 mental health crisis.

16 b. Individuals of any age who have a mental health
17 disorder.

18 c. Adults who have a serious mental illness or
19 chronic mental illness.

20 d. Children and youth who are experiencing a
21 serious emotional disturbance.

22 e. Individuals described in paragraph "a", "b",
23 "c", or "d" who have a co-occurring disorder, including
24 but not limited to substance abuse, mental retardation,
25 a developmental disability, brain injury, autism
26 spectrum disorder, or another disability or special
27 health care need.

28 2. Specific eligibility criteria for members of the
29 target population shall be identified in administrative
30 rules adopted by the commission. The eligibility
31 criteria shall address both clinical and financial
32 eligibility.

33 Sec. 15. NEW SECTION. 230A.106 Services offered.

34 1. A community mental health center designated
35 in accordance with this chapter shall offer core
36 services and support addressing the basic mental health
37 and safety needs of the target population and other
38 residents of the catchment area served by the center
39 and may offer other services and support. The core
40 services shall be identified in administrative rules
41 adopted by the commission for this purpose.

42 2. The initial core services identified shall
43 include all of the following:

44 a. Outpatient services. Outpatient services shall
45 consist of evaluation and treatment services provided
46 on an ambulatory basis for the target population.
47 Outpatient services include psychiatric evaluations,

13 individuals, groups, organizations, and the community

15 3. A community mental health center shall be
16 responsible for coordinating with associated services

36 Release of administrative and diagnostic

38 demographic information necessary for aggregated
39 reporting to meet the data requirements established by
40 the division, relating to an individual who receives
41 services from a community mental health center, may
42 be made a condition of support of that center by the
43 division.

44 Sec. 18. NEW SECTION. 230A.109 Funding —
45 legislative intent.

46 1. It is the intent of the general assembly that
47 public funding for community mental health centers
48 designated in accordance with this chapter shall be

Page 17

1 the state funding provided to centers be a sufficient
2 amount for the core services and support addressing the
3 basic mental health and safety needs of the residents
4 of the catchment area served by each center to be
5 provided regardless of individual ability to pay for
6 the services and support.

7 3. While a community mental health center must
8 comply with the core services requirements and other
9 standards associated with designation, provision of
10 services is subject to the availability of a payment
11 source for the services.

12 Sec. 19. NEW SECTION. 230A.110 Standards.

13 1. The division shall recommend and the commission
14 shall adopt standards for designated community
15 mental health centers and comprehensive community
16 mental health programs, with the overall objective of
17 ensuring that each center and each affiliate providing
18 services under contract with a center furnishes
19 high-quality mental health services within a framework
20 of accountability to the community it serves. The
21 standards adopted shall conform with federal standards
22 applicable to community mental health centers and
23 shall be in substantial conformity with the applicable
24 behavioral health standards adopted by the joint
25 commission, formerly known as the joint commission
26 on accreditation of health care organizations, and
27 other recognized national standards for evaluation of

30 sound reasons for departing from the standards.

31 2. When recommending standards under this section,
32 the division shall designate an advisory committee
33 representing boards of directors and professional
34 staff of designated community mental health centers to
35 assist in the formulation or revision of standards.
36 The membership of the advisory committee shall include
37 representatives of professional and nonprofessional

45 to residents of the catchment area being served. The
46 center shall employ or contract for services with
47 affiliates to employ staff who are appropriately
48 credentialed or meet other qualifications in order to
49 provide services.

50 b. If organized as a nonprofit corporation, be

Page 18

1 governed by a board of directors which adequately
2 represents interested professions, consumers of
3 the center's services, socioeconomic, cultural, and
4 age groups, and various geographical areas in the
5 catchment area served by the center. If organized
6 as a for-profit corporation, the corporation's policy
7 structure shall incorporate such representation.

8 c. Arrange for the financial condition and
9 transactions of the community mental health center to
10 be audited once each year by the auditor of state.
11 However, in lieu of an audit by state accountants,
12 the local governing body of a community mental health
13 center organized under this chapter may contract with
14 or employ certified public accountants to conduct the
15 audit, pursuant to the applicable terms and conditions
16 prescribed by sections 11.6 and 11.19 and audit format
17 prescribed by the auditor of state. Copies of each
18 audit shall be furnished by the accountant to the
19 administrator of the division of mental health and
20 disability services.

21 d. Comply with the accreditation standards
22 applicable to the center.

23 Sec. 20. NEW SECTION. 230A.111 Review and
24 evaluation.

25 1. The review and evaluation of designated centers
26 shall be performed through a formal accreditation
27 review process as recommended by the division and
28 approved by the commission. The accreditation process
29 shall include all of the following:

30 a. Specific time intervals for full accreditation
31 reviews based upon levels of accreditation.

32 b. Use of random or complaint-specific, on-site
33 limited accreditation reviews in the interim between
34 full accreditation reviews, as a quality review
35 approach. The results of such reviews shall be
36 presented to the commission.

37 c. Use of center accreditation self-assessment
38 tools to gather data regarding quality of care and
39 outcomes, whether used during full or limited reviews
40 or at other times.

41 2. The accreditation process shall include but is
42 not limited to addressing all of the following:

43 a. Measures to address centers that do not meet
44 standards, including authority to revoke accreditation.

45 b. Measures to address noncompliant centers that

4 Sec. 21. REPEAL. Sections 230A.1 through 230A.18,
5 Code 2011, are repealed.

6 Sec. 22. IMPLEMENTATION — EFFECTIVE DATE.

7 1. Community mental health centers operating
8 under the provisions of chapter 230A, Code 2011, and
9 associated standards, rules, and other requirements as

24 diem shall be billed at twenty-five percent. The
25 superintendent of a state hospital shall total only
26 those expenditures which can be attributed to the
27 cost of providing inpatient treatment to ~~substance~~
28 ~~abusers or chronic substance abusers~~ persons with
29 substance-related disorders for purposes of determining
30 the daily per diem. Section 125.44 governs the
31 determination of who is legally liable for the cost
32 of care, maintenance, and treatment of a ~~substance~~
33 ~~abuser or chronic substance abuser~~ person with a
34 substance-related disorder and of the amount for which
35 the person is liable.

36 Sec. 38. Section 125.43A, Code 2011, is amended to
37 read as follows:

38 125.43A Prescreening — exception.

39 Except in cases of medical emergency or
40 court-ordered admissions, a person shall be admitted
41 to a state mental health institute for substance
42 abuse treatment only after a preliminary intake and
43 assessment by a department-licensed treatment facility
44 or a hospital providing care or treatment for ~~substance~~
45 ~~abusers~~ persons with substance-related disorders
46 licensed under chapter 135B and accredited by the
47 joint commission on the accreditation of health care
48 organizations, the commission on accreditation of
49 rehabilitation facilities, the American osteopathic
50 association, or another recognized organization

Page 27

1 approved by the board, or by a designee of a
2 department-licensed treatment facility or a hospital
3 other than a state mental health institute, which
4 confirms that the admission is appropriate to the
5 person's substance abuse service needs. A county board
6 of supervisors may seek an admission of a patient
7 to a state mental health institute who has not been
8 confirmed for appropriate admission and the county
9 shall be responsible for one hundred percent of the
10 cost of treatment and services of the patient.

11 Sec. 39. Section 125.44, Code 2011, is amended to
12 read as follows:

13 125.44 Agreements with facilities — liability for
14 costs.

15 The director may, consistent with the comprehensive
16 substance abuse program, enter into written
17 agreements with a facility as defined in section
18 125.2 to pay for one hundred percent of the cost of
19 the care, maintenance, and treatment of ~~substance~~
20 ~~abusers and chronic substance abusers~~ persons with
21 substance-related disorders, except when section
22 125.43A applies. All payments for state patients shall
23 be made in accordance with the limitations of this
24 section. Such contracts shall be for a period of no
25 more than one year.

26 The contract may be in the form and contain
27 provisions as agreed upon by the parties. The contract
28 shall provide that the facility shall admit and
29 treat ~~substance abusers and chronic substance abusers~~
30 persons with substance-related disorders regardless
31 of where they have residence. If one payment for
32 care, maintenance, and treatment is not made by the
33 patient or those legally liable for the patient, the
34 payment shall be made by the department directly to
35 the facility. Payments shall be made each month and
36 shall be based upon the rate of payment for services
37 negotiated between the department and the contracting
38 facility. If a facility projects a temporary cash flow
39 deficit, the department may make cash advances at the
40 beginning of each fiscal year to the facility. The
41 repayment schedule for advances shall be part of the
42 contract between the department and the facility. This
43 section does not pertain to patients treated at the
44 mental health institutes.

45 If the appropriation to the department is
46 insufficient to meet the requirements of this section,
47 the department shall request a transfer of funds and
48 section 8.39 shall apply.

49 The ~~substance abuser or chronic substance abuser~~
50 person with a substance-related disorder is legally

Page 28

1 liable to the facility for the total amount of the cost
2 of providing care, maintenance, and treatment for the
3 ~~substance abuser or chronic substance abuser person~~
4 with a substance-related disorder while a voluntary or
5 committed patient in a facility. This section does not
6 prohibit any individual from paying any portion of the
7 cost of treatment.

8 The department is liable for the cost of
9 care, treatment, and maintenance of ~~substance~~
10 ~~abusers and chronic substance abusers persons with~~
11 substance-related disorders admitted to the facility
12 voluntarily or pursuant to section 125.75, 125.81,
13 or 125.91 or section 321J.3 or 124.409 only to those
14 facilities that have a contract with the department
15 under this section, only for the amount computed
16 according to and within the limits of liability
17 prescribed by this section, and only when the ~~substance~~
18 ~~abuser or chronic substance abuser person with a~~
19 substance-related disorder is unable to pay the costs
20 and there is no other person, firm, corporation, or
21 insurance company bound to pay the costs.

22 The department's maximum liability for the costs
23 of care, treatment, and maintenance of ~~substance~~
24 ~~abusers and chronic substance abusers persons with~~
25 substance-related disorders in a contracting facility
26 is limited to the total amount agreed upon by the
27 parties and specified in the contract under this
28 section.

29 Sec. 40. Section 125.46, Code 2011, is amended to
30 read as follows:

31 125.46 County of residence determined.
32 The facility shall, when a ~~substance abuser~~
33 ~~or chronic substance abuser person with a~~
34 substance-related disorder is admitted, or as
35 soon thereafter as it receives the proper information,
36 determine and enter upon its records the Iowa county of
37 residence of the ~~substance abuser or chronic substance~~
38 ~~abuser person with a substance-related disorder~~, or
39 that the person resides in some other state or country,
40 or that the person is unclassified with respect to
41 residence.

42 Sec. 41. Section 125.75, unnumbered paragraph 1,
43 Code 2011, is amended to read as follows:

44 Proceedings for the involuntary commitment or
45 treatment of a ~~chronic substance abuser person with~~
46 a substance-related disorder to a facility may be
47 commenced by the county attorney or an interested
48 person by filing a verified application with the
49 clerk of the district court of the county where
50 the respondent is presently located or which is

Page 29

1 the respondent's place of residence. The clerk or
2 the clerk's designee shall assist the applicant in
3 completing the application. The application shall:

4 Sec. 42. Section 125.75, subsection 1, Code 2011,
5 is amended to read as follows:

6 1. State the applicant's belief that the
7 respondent is a ~~chronic substance abuser~~ person with a
8 substance-related disorder.

9 Sec. 43. Section 125.80, subsections 3 and 4, Code
10 2011, are amended to read as follows:

11 3. If the report of a court-designated physician
12 is to the effect that the respondent is not a ~~chronic~~
13 ~~substance abuser~~ person with a substance-related
14 disorder, the court, without taking further action, may
15 terminate the proceeding and dismiss the application on
16 its own motion and without notice.

17 4. If the report of a court-designated physician
18 is to the effect that the respondent is a ~~chronic~~
19 ~~substance abuser~~ person with a substance-related
20 disorder, the court shall schedule a commitment
21 hearing as soon as possible. The hearing shall be
22 held not more than forty-eight hours after the report
23 is filed, excluding Saturdays, Sundays, and holidays,
24 unless an extension for good cause is requested by
25 the respondent, or as soon thereafter as possible if
26 the court considers that sufficient grounds exist for
27 delaying the hearing.

28 Sec. 44. Section 125.81, subsection 1, Code 2011,
29 is amended to read as follows:

30 1. If a person filing an application requests that
31 a respondent be taken into immediate custody, and the
32 court upon reviewing the application and accompanying
33 documentation, finds probable cause to believe that the
34 respondent is a ~~chronic substance abuser~~ person with
35 a substance-related disorder who is likely to injure
36 the person or other persons if allowed to remain at
37 liberty, the court may enter a written order directing
38 that the respondent be taken into immediate custody
39 by the sheriff, and be detained until the commitment
40 hearing, which shall be held no more than five days
41 after the date of the order, except that if the fifth
42 day after the date of the order is a Saturday, Sunday,
43 or a holiday, the hearing may be held on the next
44 business day. The court may order the respondent
45 detained for the period of time until the hearing is
46 held, and no longer except as provided in section
47 125.88, in accordance with subsection 2, paragraph
48 "a", if possible, and if not, then in accordance with
49 subsection 2, paragraph "b", or, only if neither of
50 these alternatives is available in accordance with

Page 30

1 subsection 2, paragraph "c".

2 Sec. 45. Section 125.82, subsection 4, Code 2011,
3 is amended to read as follows:

4 4. The respondent's welfare is paramount, and the
5 hearing shall be tried as a civil matter and conducted
6 in as informal a manner as is consistent with orderly
7 procedure. Discovery as permitted under the Iowa rules
8 of civil procedure is available to the respondent. The
9 court shall receive all relevant and material evidence,
10 but the court is not bound by the rules of evidence.

11 A presumption in favor of the respondent exists, and
12 the burden of evidence and support of the contentions
13 made in the application shall be upon the person who
14 filed the application. If upon completion of the
15 hearing the court finds that the contention that the
16 respondent is a ~~chronic substance abuser~~ person with a
17 substance-related disorder has not been sustained by
18 clear and convincing evidence, the court shall deny the
19 application and terminate the proceeding.

20 Sec. 46. Section 125.83, Code 2011, is amended to
21 read as follows:

22 125.83 Placement for evaluation.

23 If upon completion of the commitment hearing,
24 the court finds that the contention that the
25 respondent is a ~~chronic substance abuser~~ person with
26 a substance-related disorder has been sustained by
27 clear and convincing evidence, the court shall order
28 the respondent placed at a facility or under the
29 care of a suitable facility on an outpatient basis as
30 expeditiously as possible for a complete evaluation
31 and appropriate treatment. The court shall furnish to
32 the facility at the time of admission or outpatient
33 placement, a written statement of facts setting forth
34 the evidence on which the finding is based. The
35 administrator of the facility shall report to the court
36 no more than fifteen days after the individual is
37 admitted to or placed under the care of the facility,
38 which shall include the chief medical officer's
39 recommendation concerning substance abuse treatment.
40 An extension of time may be granted for a period not
41 to exceed seven days upon a showing of good cause. A
42 copy of the report shall be sent to the respondent's
43 attorney who may contest the need for an extension of
44 time if one is requested. If the request is contested,
45 the court shall make an inquiry as it deems appropriate
46 and may either order the respondent released from
47 the facility or grant extension of time for further
48 evaluation. If the administrator fails to report to
49 the court within fifteen days after the individual is
50 admitted to the facility, and no extension of time has

Page 31

1 been requested, the administrator is guilty of contempt
2 and shall be punished under chapter 665. The court
3 shall order a rehearing on the application to determine
4 whether the respondent should continue to be held at
5 the facility.

6 Sec. 47. Section 125.83A, subsection 1, Code 2011,
7 is amended to read as follows:

8 1. If upon completion of the commitment hearing,
9 the court finds that the contention that the
10 respondent is a ~~chronic substance abuser~~ person with a
11 substance-related disorder has been sustained by clear
12 and convincing evidence, and the court is furnished
13 evidence that the respondent is eligible for care
14 and treatment in a facility operated by the United
15 States department of veterans affairs or another
16 agency of the United States government and that the
17 facility is willing to receive the respondent, the
18 court may so order. The respondent, when so placed in
19 a facility operated by the United States department
20 of veterans affairs or another agency of the United
21 States government within or outside of this state,
22 shall be subject to the rules of the United States
23 department of veterans affairs or other agency, but
24 shall not lose any procedural rights afforded the
25 respondent by this chapter. The chief officer of the
26 facility shall have, with respect to the respondent
27 so placed, the same powers and duties as the chief
28 medical officer of a hospital in this state would
29 have in regard to submission of reports to the court,
30 retention of custody, transfer, convalescent leave, or
31 discharge. Jurisdiction is retained in the court to
32 maintain surveillance of the respondent's treatment and
33 care, and at any time to inquire into the respondent's
34 condition and the need for continued care and custody.

35 Sec. 48. Section 125.84, subsections 2, 3, and 4,
36 Code 2011, are amended to read as follows:

37 2. That the respondent is a ~~chronic substance~~
38 ~~abuser~~ person with a substance-related disorder who
39 is in need of full-time custody, care, and treatment
40 in a facility, and is considered likely to benefit
41 from treatment. If the report so states, the court
42 shall enter an order which may require the respondent's
43 continued placement and commitment to a facility for
44 appropriate treatment.

45 3. That the respondent is a ~~chronic substance~~
46 ~~abuser~~ person with a substance-related disorder who is
47 in need of treatment, but does not require full-time
48 placement in a facility. If the report so states,
49 the report shall include the chief medical officer's
50 recommendation for treatment of the respondent on an

Page 32

1 outpatient or other appropriate basis, and the court
2 shall enter an order which may direct the respondent to
3 submit to the recommended treatment. The order shall
4 provide that if the respondent fails or refuses to
5 submit to treatment, as directed by the court's order,
6 the court may order that the respondent be taken into
7 immediate custody as provided by section 125.81 and,
8 following notice and hearing held in accordance with
9 the procedures of sections 125.77 and 125.82, may order
10 the respondent treated as a patient requiring full-time
11 custody, care, and treatment as provided in subsection
12 2, and may order the respondent involuntarily committed
13 to a facility.

14 4. That the respondent is a ~~chronic substance~~
15 ~~abuser~~ person with a substance-related disorder who is
16 in need of treatment, but in the opinion of the chief
17 medical officer is not responding to the treatment
18 provided. If the report so states, the report shall
19 include the facility administrator's recommendation
20 for alternative placement, and the court shall enter
21 an order which may direct the respondent's transfer
22 to the recommended placement or to another placement
23 after consultation with respondent's attorney and the
24 facility administrator who made the report under this
25 subsection.

26 Sec. 49. Section 125.91, subsections 1, 2, and 3,
27 Code 2011, are amended to read as follows:

28 1. The procedure prescribed by this section
29 shall only be used for ~~an intoxicated~~ a person with
30 a substance-related disorder due to intoxication or
31 substance-induced incapacitation who has threatened,
32 attempted, or inflicted physical self-harm or harm on
33 another, and is likely to inflict physical self-harm or
34 harm on another unless immediately detained, or who is
35 incapacitated by a ~~chemical~~ substance, if that person
36 cannot be taken into immediate custody under sections
37 125.75 and 125.81 because immediate access to the court
38 is not possible.

39 2. a. A peace officer who has reasonable
40 grounds to believe that the circumstances described
41 in subsection 1 are applicable may, without a
42 warrant, take or cause that person to be taken to the
43 nearest available facility referred to in section
44 125.81, subsection 2, paragraph "b" or "c". Such
45 ~~an intoxicated or incapacitated~~ a person with a
46 substance-related disorder due to intoxication or
47 substance-induced incapacitation who also demonstrates
48 a significant degree of distress or dysfunction may
49 also be delivered to a facility by someone other than
50 a peace officer upon a showing of reasonable grounds.

Page 33

1 Upon delivery of the person to a facility under this
2 section, the examining physician may order treatment
3 of the person, but only to the extent necessary to
4 preserve the person's life or to appropriately control
5 the person's behavior if the behavior is likely to
6 result in physical injury to the person or others
7 if allowed to continue. The peace officer or other
8 person who delivered the person to the facility
9 shall describe the circumstances of the matter to
10 the examining physician. If the person is a peace
11 officer, the peace officer may do so either in person
12 or by written report. If the examining physician has
13 reasonable grounds to believe that the circumstances in
14 subsection 1 are applicable, the examining physician
15 shall at once communicate with the nearest available
16 magistrate as defined in section 801.4, subsection 10.
17 The magistrate shall, based upon the circumstances
18 described by the examining physician, give the
19 examining physician oral instructions either directing
20 that the person be released forthwith, or authorizing
21 the person's detention in an appropriate facility.
22 The magistrate may also give oral instructions and
23 order that the detained person be transported to an
24 appropriate facility.

25 b. If the magistrate orders that the person be
26 detained, the magistrate shall, by the close of
27 business on the next working day, file a written order
28 with the clerk in the county where it is anticipated
29 that an application may be filed under section 125.75.
30 The order may be filed by facsimile if necessary. The
31 order shall state the circumstances under which the
32 person was taken into custody or otherwise brought to
33 a facility and the grounds supporting the finding of
34 probable cause to believe that the person is a ~~chronic~~
35 ~~substance abuser~~ person with a substance-related
36 disorder likely to result in physical injury to the
37 person or others if not detained. The order shall
38 confirm the oral order authorizing the person's
39 detention including any order given to transport the
40 person to an appropriate facility. The clerk shall
41 provide a copy of that order to the ~~chief medical~~
42 ~~officer of the facility~~ attending physician, to
43 which the person was originally taken, any subsequent
44 facility to which the person was transported, and
45 to any law enforcement department or ambulance
46 service that transported the person pursuant to the
47 magistrate's order.

48 3. The ~~chief medical officer of the facility~~
49 attending physician shall examine and may detain the
50 person pursuant to the magistrate's order for a period

Page 34

1 not to exceed forty-eight hours from the time the order
2 is dated, excluding Saturdays, Sundays, and holidays,
3 unless the order is dismissed by a magistrate. The
4 facility may provide treatment which is necessary to
5 preserve the person's life or to appropriately control
6 the person's behavior if the behavior is likely to
7 result in physical injury to the person or others if
8 allowed to continue or is otherwise deemed medically
9 necessary by the ~~chief medical officer~~ attending
10 physician, but shall not otherwise provide treatment to
11 the person without the person's consent. The person
12 shall be discharged from the facility and released
13 from detention no later than the expiration of the
14 forty-eight-hour period, unless an application for
15 involuntary commitment is filed with the clerk pursuant
16 to section 125.75. The detention of a person by the
17 procedure in this section, and not in excess of the
18 period of time prescribed by this section, shall not
19 render the peace officer, attending physician, or
20 facility detaining the person liable in a criminal or
21 civil action for false arrest or false imprisonment
22 if the peace officer, physician, or facility had
23 reasonable grounds to believe that the circumstances
24 described in subsection 1 were applicable.

25 Sec. 50. Section 226.9C, subsection 2, paragraph c,
26 Code 2011, is amended to read as follows:

27 c.(1) Prior to an individual's admission for dual
28 diagnosis treatment, the individual shall have been
29 prescreened. The person performing the prescreening
30 shall be either the mental health professional, as
31 defined in section 228.1, who is contracting with the
32 county central-point-of-coordination process to provide
33 the prescreening or a mental health professional
34 with the requisite qualifications. A mental health
35 professional with the requisite qualifications shall
36 meet all of the following qualifications: is a mental
37 health professional as defined in section 228.1, is

39 the nongovernmental Iowa board of substance abuse
40 certification, and is employed by or providing services
41 for a facility, as defined in section 125.2.

42 (2) Prior to an individual's admission for dual
43 diagnosis treatment, the individual shall have
44 been screened through a county's central point of
45 coordination process implemented pursuant to section
46 331.440 to determine the appropriateness of the
47 treatment.

48 Sec. 51. Section 229.1, subsection 12, Code 2011,
49 is amended to read as follows:

11 pursuant to this section on the patient if the patient
12 has been recommended for treatment on an outpatient or
13 other appropriate basis pursuant to section 229.14,
14 subsection 1, paragraph "c"; ~~and if a psychiatrist~~
15 ~~licensed pursuant to chapter 148 personally evaluates~~
16 ~~the patient on at least an annual basis.~~

17 Sec. 53. Section 229.21, subsection 2, Code 2011,
18 is amended to read as follows:

19 2. When an application for involuntary
20 hospitalization under this chapter or an application
21 for involuntary commitment or treatment of ~~chronic~~
22 ~~substance abusers~~ persons with substance-related
23 disorders under sections 125.75 to 125.94 is filed with
24 the clerk of the district court in any county for which
25 a judicial hospitalization referee has been appointed,
26 and no district judge, district associate judge, or
27 magistrate who is admitted to the practice of law in
28 this state is accessible, the clerk shall immediately
29 notify the referee in the manner required by section
30 229.7 or section 125.77. The referee shall discharge
31 all of the duties imposed upon the court by sections
32 229.7 to 229.22 or sections 125.75 to 125.94 in the
33 proceeding so initiated. Subject to the provisions of
34 subsection 4, orders issued by a referee, in discharge
35 of duties imposed under this section, shall have the
36 same force and effect as if ordered by a district
37 judge. However, any commitment to a facility regulated
38 and operated under chapter 135C, shall be in accordance
39 with section 135C.23.

40 Sec. 54. Section 229.21, subsection 3, paragraphs a
41 and b, Code 2011, are amended to read as follows:

42 a. Any respondent with respect to whom the
43 magistrate or judicial hospitalization referee has
44 found the contention that the respondent is seriously
45 mentally impaired or a ~~chronic substance abuser~~ person
46 with a substance-related disorder sustained by clear
47 and convincing evidence presented at a hearing held
48 under section 229.12 or section 125.82, may appeal from
49 the magistrate's or referee's finding to a judge of the
50 district court by giving the clerk notice in writing,

Page 36

1 within ten days after the magistrate's or referee's

3 may be signed by the respondent or by the respondent's
4 next friend, guardian, or attorney.

11 NOTE: The respondent may appeal from this order to a
12 judge of the district court by giving written notice of
13 the appeal to the clerk of the district court within
14 ten days after the date of this order. The appeal may
15 be signed by the respondent or by the respondent's next

27 section 125.81, in which case the appellant shall
28 be detained as provided in that section until the
29 hospitalization or commitment hearing before the
30 district judge. If the appellant is in the custody of
31 a hospital or facility at the time of service of the
32 notice of appeal, the appellant shall be discharged
33 from custody pending disposition of the appeal unless
34 the chief medical officer, not later than the end of
35 the next secular day on which the office of the clerk
36 is open and which follows service of the notice of
37 appeal, files with the clerk a certification that in
38 the chief medical officer's opinion the appellant is

Page 37

1 ~~substance-related disorder~~ while a voluntary or
2 committed patient. When a portion of the cost is paid
3 by a county, the ~~substance abuser or chronic substance~~

5 legally liable to the county for the amount paid.

6 The ~~substance abuser or chronic substance abuser~~

36 purpose.

37 Sec. 4. NEW SECTION. 426C.2 Business property tax
38 credit fund — appropriation.

39 1. A business property tax credit fund is created
40 in the state treasury under the authority of the

43 the state to the department to be credited to the

1 the fund in the previous fiscal year. In addition,
2 the sum of fifty million dollars shall be added to the
3 appropriation in each fiscal year beginning on or after
4 July 1, 2013, if the revenue estimating conference
5 certifies during its final meeting of the calendar year
6 ending prior to the beginning of the fiscal year that
7 the total amount of general fund revenues collected
8 during the fiscal year ending during such calendar year
9 was at least one hundred four percent of the total
10 amount of general fund revenues collected during the
11 previous fiscal year. However, the total appropriation
12 to the fund shall not exceed two hundred million
13 dollars for any one fiscal year.

14 2. Notwithstanding section 12C.7, subsection 2,

19 or otherwise encumbered except as provided in this
20 chapter.

21 Sec. 5. NEW SECTION. 426C.3 Claims for credit.

22 1. Each person who wishes to claim the credit
23 allowed under this chapter shall obtain the appropriate
24 forms from the assessor and file the claim with the
25 assessor. The director of revenue shall prescribe
26 suitable forms and instructions for such claims, and
27 make such forms and instructions available to the
28 assessors.

29 2. a. Claims for the business property tax credit
30 shall be filed not later than March 15 preceding the
31 fiscal year during which the taxes for which the credit
32 is claimed are due and payable.

33 b. A claim filed after the deadline for filing
34 claims shall be considered as a claim for the following
35 year.

36 3. Upon the filing of a claim and allowance of the
37 credit, the credit shall be allowed on the parcel or
38 property unit for successive years without further
39 filing as long as the parcel or property unit satisfies
40 the requirements for the credit. If the parcel or
41 property unit owner ceases to qualify for the credit
42 under this chapter, the owner shall provide written
43 notice to the assessor by the date for filing claims
44 specified in subsection 2 following the date on which
45 the parcel or property unit ceases to qualify for the
46 credit.

47 4. When all or a portion of a parcel or property
48 unit that is allowed a credit under this chapter is
49 sold, transferred, or ownership otherwise changes, the
50 buyer, transferee, or new owner who wishes to receive

Page 3

1 the credit shall refile the claim for credit. When a
2 portion of a parcel or property unit that is allowed
3 a credit under this chapter is sold, transferred, or
4 ownership otherwise changes, the owner of the portion
5 of the parcel or property unit for which ownership did
6 not change shall refile the claim for credit.

7 5. The assessor shall remit the claims for
8 credit to the county auditor with the assessor's
9 recommendation for allowance or disallowance. If
10 the assessor recommends disallowance of a claim,
11 the assessor shall submit the reasons for the
12 recommendation, in writing, to the county auditor. The
13 county auditor shall forward the claims to the board
14 of supervisors. The board shall allow or disallow the
15 claims.

16 6. For each claim and allowance of a credit for
17 a property unit, the county auditor shall calculate
18 the average of all consolidated levy rates applicable
19 to the several parcels within the property unit. All
20 claims for credit which have been allowed by the board
21 of supervisors, the actual value of the improvements
22 to such parcels and property units applicable to
23 the fiscal year for which the credit is claimed
24 that are subject to assessment and taxation prior to
25 imposition of any applicable assessment limitation,
26 the consolidated levy rates for such parcels and the
27 average consolidated levy rates for such property units
28 applicable to the fiscal year for which the credit is
29 claimed, and the taxing districts in which the parcel
30 or property unit is located, shall be certified on or
31 before June 30, in each year, by the county auditor to
32 the department.

33 7. The assessor shall maintain a permanent file of
34 current business property tax credits. The assessor
35 shall file a notice of transfer of property for which a
36 credit has been allowed when notice is received from
37 the office of the county recorder, from the person
38 who sold or transferred the property, or from the
39 personal representative of a deceased property owner.
40 The county recorder shall give notice to the assessor
41 of each transfer of title filed in the recorder's
42 office. The notice from the county recorder shall
43 describe the property transferred, the name of the
44 person transferring title to the property, and the name
45 of the person to whom title to the property has been
46 transferred.

47 Sec. 6. NEW SECTION. 426C.4 Eligibility and amount
48 of credit.

49 1. Each parcel classified and taxed as commercial
50 property, industrial property, or railway property

Page 4

1 under chapter 434, and improved with permanent
2 construction, is eligible for a credit under this
3 chapter. A person may claim and receive one credit
4 under this chapter for each eligible parcel unless
5 the parcel is part of a property unit. A person
6 may only claim and receive one credit under this
7 chapter for each property unit. A credit approved
8 for a property unit shall be allocated to the several
9 parcels within the property unit in the proportion
10 that each parcel's total amount of property taxes due
11 and payable attributable to the improvements bears to
12 the total amount of property taxes due and payable
13 attributable to the improvements for the property unit.
14 Only property units comprised of commercial property,
15 comprised of industrial property, or comprised of
16 railway property under chapter 434 are eligible for a
17 credit under this chapter.

18 2. Using the actual value of the improvements and
19 the consolidated levy rate for each parcel or the
20 average consolidated levy rate for each property unit,
21 as certified by the county auditor to the department
22 under section 426C.3, subsection 6, the department
23 shall calculate, for each fiscal year, an initial
24 amount of actual value of improvements for use in
25 determining the amount of the credit for each such
26 parcel or property unit so as to provide the maximum
27 possible credit according to the credit formula and
28 limitations under subsection 3, and to provide a
29 total dollar amount of credits against the taxes due
30 and payable in the fiscal year equal to ninety-eight
31 percent of the moneys in the fund following the deposit
32 of the total appropriation for the fiscal year.

33 3. a. The amount of the credit for each parcel or
34 property unit for which a claim for credit under this
35 chapter has been approved shall be calculated under
36 paragraph "b" using the lesser of the initial amount
37 of actual value of the improvements determined by the
38 department under subsection 2, and the actual value
39 of the improvements to the parcel or property unit as
40 certified by the county auditor under section 426C.3,
41 subsection 6.

42 b. The amount of the credit for each parcel or
43 property unit for which a claim for credit under
44 this chapter has been approved shall be equal to the
45 amount of actual value determined under paragraph "a"
46 multiplied by the difference, stated as a percentage,
47 between the assessment limitation applicable to
48 the parcel or property unit under section 441.21,
49 subsection 5, and the assessment limitation applicable
50 to residential property under section 441.21,

Page 5

1 subsection 4, divided by one thousand dollars, and then
2 multiplied by the consolidated levy rate or average
3 consolidated levy rate for one thousand dollars of
4 taxable value applicable to the parcel or property unit
5 for the fiscal year for which the credit is claimed as
6 certified by the county auditor under section 426C.3,
7 subsection 6.

8 Sec. 7. NEW SECTION. 426C.5 Payment to counties.

9 1. Annually the department shall certify to the
10 county auditor of each county the amounts of the
11 business property tax credits allowed in the county.
12 Each county auditor shall then enter the credits
13 against the tax levied on each eligible parcel or
14 property unit in the county, designating on the tax
15 lists the credit as being from the fund. Each taxing
16 district shall receive its share of the business
17 property tax credit allowed on each eligible parcel
18 or property unit in such taxing district, in the
19 proportion that the levy made by such taxing district
20 upon the parcel or property unit bears to the total
21 levy upon the parcel or property unit by all taxing
22 districts imposing a property tax in such taxing
23 district. However, the several taxing districts
24 shall not draw the moneys so credited until after the
25 semiannual allocations have been received by the county
26 treasurer, as provided in this section. Each county
27 treasurer shall show on each tax receipt the amount of
28 credit received from the fund.

29 2. The director of the department of administrative
30 services shall issue warrants on the fund payable to
31 the county treasurers of the several counties of the
32 state under this chapter.

33 3. The amount due each county shall be paid in two
34 payments on November 15 and March 15 of each fiscal
35 year, drawn upon warrants payable to the respective
36 county treasurers. The two payments shall be as nearly
37 equal as possible.

38 Sec. 8. NEW SECTION. 426C.6 Appeals.

39 1. If the board of supervisors disallows a claim
40 for credit under section 426C.3, subsection 5, the
41 board of supervisors shall send written notice, by
42 mail, to the claimant at the claimant's last known
43 address. The notice shall state the reasons for
44 disallowing the claim for the credit. The board of
45 supervisors is not required to send notice that a claim
46 for credit is disallowed if the claimant voluntarily
47 withdraws the claim. Any person whose claim is denied
48 under the provisions of this chapter may appeal from
49 the action of the board of supervisors to the district
50 court of the county in which the parcel or property

Page 6

1 unit is located by giving written notice of such appeal
2 to the county auditor within twenty days from the date
3 of mailing of notice of such action by the board of
4 supervisors.

5 2. If any claim for credit has been denied by the
6 board of supervisors, and such action is subsequently
7 reversed on appeal, the credit shall be allowed on the
8 applicable parcel or property unit, and the director of
9 revenue, the county auditor, and the county treasurer
10 shall provide the credit and change their books and
11 records accordingly. In the event the appealing
12 taxpayer has paid one or both of the installments of
13 the tax payable in the year or years in question,
14 remittance shall be made to such taxpayer of the amount
15 of such credit. The amount of such credit awarded on
16 appeal shall be allocated and paid from the balance
17 remaining in the fund.

18 Sec. 9. NEW SECTION. 426C.7 Audit — denial.

19 1. If on the audit of a credit provided under this
20 chapter, the director of revenue determines the amount
21 of the credit to have been incorrectly calculated or
22 that the credit is not allowable, the director shall
23 recalculate the credit and notify the taxpayer and the
24 county auditor of the recalculation or denial and the
25 reasons for it. The director shall not adjust a credit
26 after three years from October 31 of the year in which
27 the claim for the credit was filed. If the credit has
28 been paid, the director shall give notification to the
29 taxpayer, the county treasurer, and the applicable
30 assessor of the recalculation or denial of the credit
31 and the county treasurer shall proceed to collect the
32 tax owed in the same manner as other property taxes due
33 and payable are collected, if the parcel or property
34 unit for which the credit was allowed is still owned
35 by the taxpayer. If the parcel or property unit
36 for which the credit was allowed is not owned by the
37 taxpayer, the amount may be recovered from the taxpayer
38 by assessment in the same manner that income taxes are
39 assessed under sections 422.26 and 422.30. The amount
40 of such erroneous credit, when collected, shall be
41 deposited in the fund.

42 2. The taxpayer or board of supervisors may
43 appeal any decision of the director of revenue to the
44 state board of tax review pursuant to section 421.1,
45 subsection 5. The taxpayer, the board of supervisors,
46 or the director of revenue may seek judicial review
47 of the action of the state board of tax review in
48 accordance with chapter 17A.

49 Sec. 10. NEW SECTION. 426C.8 False claim —
50 penalty.

Page 7

1 A person who makes a false claim for the purpose of
2 obtaining a credit provided for in this chapter or who
3 knowingly receives the credit without being legally
4 entitled to it is guilty of a fraudulent practice. The
5 claim for a credit of such a person shall be disallowed
6 and if the credit has been paid the amount shall be
7 recovered in the manner provided in section 426C.7. In
8 such cases, the director of revenue shall send a notice
9 of disallowance of the credit.

10 Sec. 11. NEW SECTION. 426C.9 Rules.

11 The director of revenue shall prescribe forms,
12 instructions, and rules pursuant to chapter 17A, as
13 necessary, to carry out the purposes of this chapter.

14 Sec. 12. IMPLEMENTATION. Notwithstanding the
15 deadline for filing claims established in section
16 426C.3, for a credit against property taxes due and
17 payable during the fiscal year beginning July 1, 2012,
18 the claim for the credit shall be filed not later than
19 January 15, 2012.

50 to be credited to the fund an amount equal to the

Page 2

1 total amount appropriated by the general assembly to
2 the fund in the previous fiscal year. In addition,
3 the sum of fifty million dollars shall be added to the
4 appropriation in each fiscal year beginning on or after
5 July 1, 2013, if the revenue estimating conference
6 certifies during its final meeting of the calendar year
7 ending prior to the beginning of the fiscal year that

13 to the fund shall not exceed two hundred million

20 or otherwise encumbered except as provided in this
21 chapter.

22 Sec. 5. NEW SECTION. 426C.3 Claims for credit.

23 1. Each person who wishes to claim the credit
24 allowed under this chapter shall obtain the appropriate
25 forms from the assessor and file the claim with the
26 assessor. The director of revenue shall prescribe
27 suitable forms and instructions for such claims, and
28 make such forms and instructions available to the
29 assessors.

30 2. a. Claims for the business property tax credit
31 shall be filed not later than March 15 preceding the
32 fiscal year during which the taxes for which the credit
33 is claimed are due and payable.

34 b. A claim filed after the deadline for filing
35 claims shall be considered as a claim for the following
36 year.

37 3. Upon the filing of a claim and allowance of the
38 credit, the credit shall be allowed on the parcel or
39 property unit for successive years without further
40 filing as long as the parcel or property unit satisfies
41 the requirements for the credit. If the parcel or
42 property unit owner ceases to qualify for the credit
43 under this chapter, the owner shall provide written
44 notice to the assessor by the date for filing claims
45 specified in subsection 2 following the date on which
46 the parcel or property unit ceases to qualify for the
47 credit.

48 4. When all or a portion of a parcel or property
49 unit that is allowed a credit under this chapter is
50 sold, transferred, or ownership otherwise changes, the

Page 3

1 buyer, transferee, or new owner who wishes to receive
2 the credit shall refile the claim for credit. When a
3 portion of a parcel or property unit that is allowed
4 a credit under this chapter is sold, transferred, or
5 ownership otherwise changes, the owner of the portion
6 of the parcel or property unit for which ownership did
7 not change shall refile the claim for credit.

8 5. The assessor shall remit the claims for
9 credit to the county auditor with the assessor's
10 recommendation for allowance or disallowance. If
11 the assessor recommends disallowance of a claim,
12 the assessor shall submit the reasons for the
13 recommendation, in writing, to the county auditor. The
14 county auditor shall forward the claims to the board
15 of supervisors. The board shall allow or disallow the
16 claims.

17 6. For each claim and allowance of a credit for
18 a property unit, the county auditor shall calculate
19 the average of all consolidated levy rates applicable
20 to the several parcels within the property unit. All
21 claims for credit which have been allowed by the board
22 of supervisors, the actual value of the improvements
23 to such parcels and property units applicable to
24 the fiscal year for which the credit is claimed
25 that are subject to assessment and taxation prior to
26 imposition of any applicable assessment limitation,
27 the consolidated levy rates for such parcels and the
28 average consolidated levy rates for such property units
29 applicable to the fiscal year for which the credit is
30 claimed, and the taxing districts in which the parcel

38 the office of the county recorder, from the person
39 who sold or transferred the property, or from the
40 personal representative of a deceased property owner.
41 The county recorder shall give notice to the assessor
42 of each transfer of title filed in the recorder's
43 office. The notice from the county recorder shall
44 describe the property transferred, the name of the
45 person transferring title to the property, and the name
46 of the person to whom title to the property has been
47 transferred.

48 Sec. 6. NEW SECTION. 426C.4 Eligibility and amount
49 of credit.

50 1. Each parcel classified and taxed as commercial

Page 4

1 property, industrial property, or railway property
2 under chapter 434, and improved with permanent
3 construction, is eligible for a credit under this
4 chapter. A person may claim and receive one credit
5 under this chapter for each eligible parcel unless
6 the parcel is part of a property unit. A person
7 may only claim and receive one credit under this
8 chapter for each property unit. A credit approved
9 for a property unit shall be allocated to the several
10 parcels within the property unit in the proportion
11 that each parcel's total amount of property taxes due
12 and payable attributable to the improvements bears to
13 the total amount of property taxes due and payable
14 attributable to the improvements for the property unit.
15 Only property units comprised of commercial property,

16 comprised of industrial property, or comprised of
17 railway property under chapter 434 are eligible for a
18 credit under this chapter.

19 2. Using the actual value of the improvements and
20 the consolidated levy rate for each parcel or the
21 average consolidated levy rate for each property unit,
22 as certified by the county auditor to the department
23 under section 426C.3, subsection 6, the department
24 shall calculate, for each fiscal year, an initial
25 amount of actual value of improvements for use in
26 determining the amount of the credit for each such
27 parcel or property unit so as to provide the maximum
28 possible credit according to the credit formula and
29 limitations under subsection 3, and to provide a
30 total dollar amount of credits against the taxes due
