10 of directors under section 279.14. A local school
11 board and its certified bargaining representative may
12 negotiate, pursuant to chapter 20, evaluation and
13 grievance procedures for beginning teachers that are
14 not in conflict with this chapter. If, in accordance
15 with section 279.19, a beginning teacher appeals the
16 determination of a school board to an adjudicator under
17 section 279.17, the adjudicator selected shall have
18 successfully completed training related to the Iowa
19 teacher standards, the criteria adopted by the state
20 board of education in accordance with subsection 3, and
21 any additional training required under rules adopted by
22 the public employment relations board in cooperation
23 with the state board of education.

30 regular wages to create a combined salary. The teacher
31 contract issued under section 279.13 must include
32 the combined salary. If a school district or area
33 education agency uses a salary schedule, a combined
34 salary schedule shall be used for regular wages and
35 for distribution of payments under sections 257.10 and
36 257.37A, incorporating the salary minimums required in
37 section 284.7 in accordance with this chapter. The
38 combined salary schedule must use only the combined
39 salary and cannot differentiate regular salaries and
40 distribution of payments under sections 257.10 and
41 257.37A.

42 Sec. 25. Section 284.5, subsection 4, Code 2013, is

 15 beginning teachers; a district facilitator; and
 16 program evaluation. In addition, for beginning
 17 prekindergarten through grade three teachers, the plan
 18 shall provide that such a teacher shall be mentored
 19 in the teacher's classroom by a skilled mentor, and
 20 the plan for mentoring such teachers shall incorporate
 21 any recommendations offered by the Iowa reading
 22 research center established pursuant to section 256.9,
 23 subsection 53, paragraph "c".

24 Sec. 26. Section 284.6, subsection 8, Code 2013, is
 25 amended to read as follows:

26 8. For each year in which a school district

 31 professional development opportunities. Not less
 32 than thirty-six hours in the school calendar, held

 48 individual professional development plans. The use of
 49 the funds shall be balanced between school district,
 50 attendance center, and individual professional

1 development plans, making every reasonable effort to
 2 provide equal access to all teachers.

3 Sec. 27. Section 284.7, subsection 1, paragraph
4 a, subparagraph (2), Code 2013, is amended to read as
5 follows:

10 Sec. 28. Section 284.7, subsection 1, paragraph
11 b, subparagraph (2), Code 2013, is amended to read as

13 ~~Beginning July 1, 2008~~ Except as provided in
14 a state model or comparable system approved pursuant
15 to section 284.15, the minimum salary for a first-year

17 Sec. 29. Section 284.7, subsection 5, Code 2013,
18 is amended by striking the subsection and inserting in
19 lieu thereof the following:

20 5. This section is repealed July 1, 2016.

21 Sec. 30. NEW SECTION. 284.11 State supplemental
22 assistance for teachers in high-need schools.

23 1. Findings and intent. The general assembly finds
24 that Iowa school districts need to be more competitive
25 in recruiting and retaining talented teachers to teach
26 in high-need schools. Therefore, it is the intent
27 of the general assembly to encourage school districts
28 to provide supplemental assistance to teachers to
29 teach in high-need schools. This section provides for
30 state assistance to allow school districts to provide
31 supplemental assistance to motivate teachers to teach
32 in high-need schools.

33 2. Department's responsibilities. Contingent
34 on a specific appropriation for these purposes, the
35 department shall do the following:

36 a. Collect relevant data and establish a list of
37 high-need schools eligible for state supplemental
38 assistance. The department shall establish a process
39 and criteria to determine which schools are placed
40 on the list and the department shall revise the list
41 annually. Criteria for the determination of which
42 high-need schools shall be placed on the list shall be
43 based upon factors that include but are not limited
44 to the socioeconomic status of the students enrolled
45 in the school, the percentage of the school's student
46 body who are limited English proficient students,
47 student academic growth, certified instructional staff
48 attrition, and geographic balance. The department
49 may approve or disapprove requests for revision of
50 the list, which a school district submits pursuant to

2 b. Develop a standardized process for distributing
3 any moneys appropriated for supplemental assistance
4 for high-need schools. In determining the process for
5 distribution of such moneys, the department shall take
6 into consideration the amount of moneys appropriated
7 for supplemental assistance for teachers in high-need
8 schools for the given year and the minimal amount of
9 moneys needed per teacher to provide an incentive for
10 a teacher to accept a teaching position in a high-need
11 school. A school district receiving moneys pursuant to
12 this section shall certify annually to the department
13 how the moneys distributed to the school district
14 pursuant to this section were used by the school
15 district.

16 c. Review the use and effectiveness of the funds
17 distributed to school districts for supplemental
18 assistance for teachers in high-need schools under this
19 section. The department shall submit its findings and
20 recommendations in a report to the general assembly by
21 January 15 annually.

22 3. School district request for approval. A school
23 district may request on an annual basis approval from
24 the department for additions to the list of high-need
25 schools the department maintains pursuant to subsection
26 2 based upon the unique local conditions and needs of
27 the school district. The criteria used to determine
28 the placement of high-need schools on the list in
29 accordance with subsection 2, does not restrict the
30 department from adding a high-need school to the list
31 as requested by a school district on the basis of
32 unique local conditions and needs pursuant to this
33 subsection.

34 4. Eligibility. Teachers of all subjects taught in
35 a school included in the department's list of high-need
36 schools shall be eligible to receive supplemental
37 assistance offered in accordance with this section.
38 Notwithstanding any provision of law to the contrary,
39 the department's determination of state supplemental
40 assistance for teachers in high-need schools is not
41 subject to appeal.

42 Sec. 31. NEW SECTION. 284.15 Career path,
43 leadership role, and compensation model and comparable
44 system requirements.

45 1. Common provisions for models and comparable
46 systems. Except as otherwise provided in this section,
47 all models specified in sections 284.16, 284.17,
48 and 284.18, and any comparable system described in
49 section 284.19, shall be approved under subsection
50 12, shall meet the requirements of this section, and

Page 16

1 shall provide for a minimum salary and a residency as
2 provided in section 284.16, subsection 2, paragraph
3 "a".

4 2. Salary supplements and appeal. The salary
5 supplement received by teachers pursuant to section
6 257.10, subsection 12, shall fully cover the salary
7 costs of any additional contract days required of
8 teachers under a state model or comparable system
9 approved pursuant to this section. If a teacher
10 ends or completes a leadership role assignment, the
11 teacher shall no longer receive a salary supplement for
12 performance in a leadership role unless the teacher
13 is issued a new contract for assignment in another
14 leadership role. Notwithstanding any provision of
15 law to the contrary, the determinations of salary
16 supplements paid from moneys received pursuant to
17 section 257.10, subsection 12, are not subject to
18 appeal.

19 3. Review councils. The school board implementing
20 a state model pursuant to section 284.16, 284.17, or
21 284.18, shall appoint a site-based review council
22 if the school district has a certified enrollment of
23 six hundred or more students, or a district-based
24 review council if the school district has a certified
25 enrollment of less than six hundred students.

26 a. Each council shall be comprised of equal numbers
27 of teachers and administrators. Teacher members
28 shall include teachers who have been nominated by
29 the certified employee organization that represents
30 the school district's teachers, if such organization
31 exists, or, if such organization does not exist, by a
32 teacher quality committee.

33 b. The council shall accept and review
34 applications for initial or renewal leadership role
35 assignments which are submitted to the school's
36 or school district's administration and shall make
37 recommendations regarding the applications to the
38 superintendent of the school district. In developing
39 recommendations, the council shall utilize measures
40 of teacher effectiveness and professional growth,
41 consider the needs of the school district, and review
42 the performance and professional development of the
43 applicants. Any teacher recommended by a review
44 council for assignment or reassignment in a leadership
45 role shall have demonstrated to the council's
46 satisfaction competency on the Iowa teaching standards
47 as set forth in section 284.3.

48 4. Leadership role assignment. An assignment to a
49 teacher leadership role pursuant to this chapter shall
50 be subject to review by the school's or the school

Page 17

1 district's administration, in consultation with the
2 review council, at least annually. The review shall
3 include peer feedback on the effectiveness of the
4 teacher's performance of duty specific to the teacher's
5 leadership role. A teacher who completes the time
6 period of assignment in a teacher leadership role
7 may submit to the school's or the school district's
8 administration an application for assignment in a
9 new role or for reassignment as appropriate. The
10 administration shall share the application with the
11 review council constituted pursuant to subsection 3,
12 paragraph "a".

13 5. Status quo. A teacher employed in a school
14 district shall not receive less compensation in that
15 district than the teacher received in the school year
16 preceding participation, as set forth in section 284.4,
17 due to implementation of a state model or comparable
18 system approved pursuant to this section. A teacher
19 who achieves national board for professional teaching
20 standards certification and meets the requirements of
21 section 256.44 shall continue to receive the award
22 as specified in section 256.44 in addition to the
23 compensation set forth in this chapter.

24 6. Early implementation. Prior to July 1, 2016, a
25 school district may apply to the commission on educator
26 leadership and compensation for early implementation
27 of a state model set forth in section 284.16, 284.17,
28 or 284.18, or a comparable system set forth in section
29 284.19. The commission may deny early implementation
30 of an otherwise qualified state model or comparable
31 system if the amount specified for the teacher
32 leadership supplement state cost per pupil pursuant
33 to section 257.9, subsection 11, and amount specified
34 for the teacher leadership supplement district cost
35 per pupil pursuant to section 257.10, subsection 12,
36 is insufficient to fully fund the teacher leadership
37 supplement for all eligible school districts.

38 7. Implementation. On or after July 1, 2016, each
39 school district shall implement a state model set forth
40 in section 284.16, 284.17, or 284.18, or a comparable
41 system set forth in section 284.19 for which the school
42 district received approval pursuant to this section.
43 Compliance with this section shall be determined by
44 the accreditation team authorized pursuant to section
45 256.11. A school district shall not be required to
46 fully implement a state model or comparable system
47 pursuant to this section if implementation costs
48 exceed the moneys received by the school district
49 under section 257.10, subsection 12. However, if the
50 school district's implementation costs exceed such

Page 18

1 funds, the school district shall implement as much
2 of the approved state model or comparable system as
3 reasonably possible, and shall, at a minimum, meet the
4 minimum salary requirements for an Iowa teacher as
5 provided in section 284.16, subsection 2, paragraph
6 "a", subparagraph (1).

7 8. Approval. The department shall establish an
8 application process for approval of the implementation
9 of a state model set forth in section 284.16, 284.17,
10 or 284.18, or a comparable system set forth in section
11 284.19, which a school district may implement pursuant
12 to subsection 6, or shall implement in accordance with
13 subsection 7.

14 9. Teachers emeritus. A school district is
15 encouraged to utilize appropriately licensed teachers
16 emeritus in the implementation of this section and
17 sections 284.16 through 284.19.

18 10. Attendance center applicability. A state model
19 or comparable system approved and implemented by a
20 school district in accordance with this section and
21 sections 284.16 through 284.19 shall be applicable to
22 teachers in every attendance center operated by the
23 school district.

24 11. Planning grants. Contingent on a specific
25 appropriation for these purposes, a school district
26 may apply to the commission on educator leadership
27 and compensation established pursuant to subsection
28 12 for a planning grant to design an implementation
29 strategy for a state model set forth in section 284.16,
30 284.17, or 284.18, or a comparable system set forth
31 in section 284.19. The planning grant shall be used
32 to facilitate a local decision-making process that
33 includes representation of administrators, teachers,
34 and parents and guardians of students. The department
35 shall establish and make available an application for
36 the awarding of planning grants for purposes of this
37 subsection.

38 12. Commission on educator leadership and
39 compensation. The department shall establish, and
40 provide staffing and administrative support for a
41 commission on educator leadership and compensation.
42 The commission shall monitor with fidelity the
43 implementation of the state models and comparable
44 systems by school districts approved pursuant to
45 this section. The commission shall evaluate the
46 applications submitted for approval pursuant to
47 this section and shall approve or disapprove such
48 applications. If the commission disapproves an
49 application, the commission shall specify the reasons
50 for disapproval. A school district that receives

Page 19

1 approval to implement a state model or comparable
2 system under this section is eligible to receive funds
3 under section 257.10, subsection 12. In addition,
4 the commission shall review the use and effectiveness
5 of the funds distributed to school districts for
6 supplemental assistance to teachers in high-need
7 schools under section 284.11.

8 a. The commission shall be comprised of the
9 following:

10 (1) Five teachers selected by the Iowa state

20 (5) The director or the director's designee.

21 b. Members shall be appointed to staggered
22 three-year terms which shall begin and end as provided
23 in section 69.19. Appointments shall comply with
24 sections 69.16, 69.16A, and 69.16C. Vacancies on the
25 commission shall be filled in the same manner as the
26 original appointment. A person appointed to fill a
27 vacancy shall serve only for the unexpired portion
28 of the term. Members are entitled to reimbursement
29 of actual expenses incurred in performance of their
30 official duties.

31 c. By December 15 annually, the commission shall
32 submit its findings and any recommendations, including
33 but not limited to any recommendations for changes
34 relating to this section and sections 284.16 through
35 284.19, and for changes to section 284.11 relating to
36 state supplemental assistance to teachers in high-need
37 schools, in a report to the director, the state board,
38 the governor, and the general assembly.

39 13. Teacher leadership supplement foundation
40 aid. a. Teacher leadership supplement foundation
41 aid calculated under section 257.10, subsection 12,
42 shall be paid as part of the state aid payments made to
43 school districts in accordance with section 257.16.

44 b. Notwithstanding section 284.3A, teacher
45 leadership supplement foundation aid shall not be
46 combined with regular wages to create a combined
47 salary.

48 c. The teacher leadership supplement district cost
49 as calculated under section 257.10, subsection 12, is
50 not subject to a uniform reduction in accordance with

Page 20

1 section 8.31.

2 d. Except as otherwise provided by law for a fiscal
3 year, of the amount appropriated statewide for that
4 fiscal year for payment of the teacher leadership
5 supplement pursuant to section 257.10, subsection 12,
6 the department may use an amount not to exceed five
7 hundred thousand dollars to provide administration and
8 oversight of the state models and comparable systems
9 approved and implemented pursuant to this section and
10 section 284.16, 284.17, 284.18, or 284.19; and to fund
11 up to two full-time equivalent positions which shall be
12 in addition to the number of positions authorized for
13 the fiscal year.

15 framework model.

16 1. Teacher leadership framework model —
17 purposes. To promote continuous improvement in Iowa's
18 quality teaching workforce and to give Iowa teachers
19 the opportunity for career recognition that reflects
20 the various roles teachers play as educational leaders,
21 a teacher leadership framework model is established
22 for teachers employed by school districts. A teacher
23 employed by an area education agency may be included in
24 a framework model established by a school district if
25 the area education agency and the school district enter
26 into a contract for such purpose. The framework model
27 is designed to accomplish the following goals:

28 a. To attract able and promising new teachers by
29 offering competitive starting salaries and offering
30 short-term and long-term professional development and
31 leadership opportunities.

32 b. To retain effective teachers by providing
33 enhanced career opportunities.

34 c. To promote collaboration by developing and
35 supporting opportunities for teachers in schools and
36 school districts statewide to learn from each other.

37 d. To reward professional growth and effective
38 teaching by providing for career opportunities that
39 come with increased leadership responsibilities and

49 holds an initial or intern teacher license issued
50 under chapter 272, and who participates in the initial

Page 21

13 in this state.

14 (c) A teaching load of not more than seventy-five
15 percent student instruction to allow the initial

25 professional development opportunities.

26 b. Career teacher. A career teacher is a teacher
27 who meets the requirements of section 284.17,
28 subsection 1, paragraph "b", subparagraph (1).

37 teacher, has participated in a rigorous review process,
38 and has been recommended for a one-year assignment
39 as a model teacher by a site-based or district-based
40 review council appointed pursuant to section 284.15,
41 subsection 3. A school district shall set as a
42 goal the designation of at least ten percent of
43 its teachers as model teachers, though the district
44 may enter into an agreement with one or more other
45 districts or an area education agency to meet this
46 goal through a collaborative arrangement. The terms
47 of the teaching contracts issued under section 279.13
48 to model teachers shall exceed by five days the terms

25 arrangement. The terms of the teaching contracts
26 issued under section 279.13 to mentor teachers shall
27 exceed by ten days the terms of teaching contracts
28 issued under section 279.13 to career teachers, and
29 the ten additional contract days shall be used to
30 strengthen instructional leadership in accordance with
31 this section. A mentor teacher shall receive annually
32 a salary supplement of at least five thousand dollars.

41 teacher shall assume leadership roles that may include
42 but are not limited to the planning and delivery of
43 professional development activities designed to improve
44 instructional strategies; the facilitation of an

47 the mentoring of other teachers; and participation in
48 the evaluation of student teachers. A lead teacher
49 shall have a teaching load of not more than fifty
50 percent student instruction to allow the lead teacher

Page 23

1 to spend time on co-teaching; co-planning; peer
2 reviews; observing career teachers, model teachers,
3 and mentor teachers; and other duties mutually agreed
4 upon by the superintendent and the lead teacher. A
5 school district shall set as a goal the designation of
6 at least five percent of its teachers as lead teachers,
7 though the district may enter into an agreement with
8 one or more other districts or an area education
9 agency to meet this goal through a collaborative
10 arrangement. The terms of the teaching contracts
11 issued under section 279.13 to lead teachers shall
12 exceed by fifteen days the terms of teaching contracts

17 rates for such property units applicable to the fiscal
18 year for which the credit is claimed, and the taxing
19 districts in which the parcel or property unit is
20 located, shall be certified on or before June 30, in
21 each year, by the county auditor to the department.

22 6. The assessor shall maintain a permanent file of
23 current business property tax credits. The assessor
24 shall file a notice of transfer of property for which a
25 credit has been allowed when notice is received from
26 the office of the county recorder, from the person
27 who sold or transferred the property, or from the
28 personal representative of a deceased property owner.
29 The county recorder shall give notice to the assessor
30 of each transfer of title filed in the recorder's
31 office. The notice from the county recorder shall
32 describe the property transferred, the name of the
33 person transferring title to the property, and the name
34 of the person to whom title to the property has been
35 transferred.

36 7. When all or a portion of a parcel or property
37 unit that is allowed a credit under this chapter is
38 sold, transferred, or ownership otherwise changes, the
39 buyer, transferee, or new owner who wishes to receive
40 the credit shall refile the claim for credit. In
41 addition, when a portion of a parcel or property unit
42 that is allowed a credit under this chapter is sold,
43 transferred, or ownership otherwise changes, the owner
44 of the portion of the parcel or property unit for which
45 ownership did not change shall refile the claim for
46 credit.

47 Sec. 6. NEW SECTION. 426C.4 Eligibility and amount
48 of credit.

49 1. Each parcel classified and taxed as commercial
50 property, industrial property, or railway property

Page 4

1 under chapter 434 is eligible for a credit under this
2 chapter. A person may claim and receive one credit
3 under this chapter for each eligible parcel unless the
4 parcel is part of a property unit for which a credit
5 is claimed. A person may claim and receive one credit

6 under this chapter for each property unit. A credit
7 approved for a property unit shall be allocated to
8 the several parcels within the property unit in the
9 proportion that each parcel's total amount of property
10 taxes due and payable bears to the total amount of
11 property taxes due and payable on the property unit.
12 Only property units comprised of property assessed as
13 commercial property, industrial property, or railway
14 property under chapter 434 are eligible for a credit
15 under this chapter. However, property that is rented
16 or leased to low-income individuals and families
17 as authorized by section 42 of the Internal Revenue
18 Code, as amended, and that is subject to assessment
19 procedures relating to section 42 property under
20 section 441.21, subsection 2, for the applicable
21 assessment year, shall not be eligible to receive a
22 credit under this chapter or be part of a property unit
23 that receives a credit under this chapter.

24 2. Using the actual value of each parcel or
25 property unit and the consolidated levy rate for each
26 parcel or the average consolidated levy rate for each
27 property unit, as certified by the county auditor
28 to the department under section 426C.3, subsection
29 5, the department shall calculate, for each fiscal
30 year, an initial amount of actual value for use in
31 determining the amount of the credit for each such
32 parcel or property unit so as to provide the maximum
33 possible credit according to the credit formula and
34 limitations under subsection 3, and to provide a
35 total dollar amount of credits against the taxes due
36 and payable in the fiscal year equal to ninety-eight
37 percent of the moneys in the fund following the deposit
38 of the appropriation for the fiscal year and including
39 interest or earnings credited to the fund.

40 3. a. The amount of the credit for each parcel or
41 property unit for which a claim for credit under this
42 chapter has been approved shall be calculated under
43 paragraph "b" using the lesser of the initial amount
44 of actual value determined by the department under
45 subsection 2, and the amount of actual value of the
46 parcel or property unit certified by the county auditor
47 under section 426C.3, subsection 5.

48 b. The amount of the credit for each parcel or
49 property unit for which a claim for credit under
50 this chapter has been approved shall be equal to

Page 5

1 the product of the amount of actual value determined
2 under paragraph "a" times the difference, stated
3 as a percentage, between the assessment limitation
4 percentage applicable to the parcel or property unit

5 under section 441.21, subsection 5, and the assessment
6 limitation percentage applicable to residential
7 property under section 441.21, subsection 4, divided
8 by one thousand dollars, and then multiplied by
9 the consolidated levy rate or average consolidated
10 levy rate per one thousand dollars of taxable value
11 applicable to the parcel or property unit for the
12 fiscal year for which the credit is claimed as
13 certified by the county auditor under section 426C.3,
14 subsection 5.

15 Sec. 7. NEW SECTION. 426C.5 Payment to counties.

16 1. Annually the department shall certify to the
17 county auditor of each county the amounts of the
18 business property tax credits allowed in the county.
19 Each county auditor shall then enter the credits
20 against the tax levied on each eligible parcel or
21 property unit in the county, designating on the tax
22 lists the credit as being paid from the fund. Each
23 taxing district shall receive its share of the business
24 property tax credit allowed on each eligible parcel or
25 property unit in such taxing district in the proportion
26 that the levy made by such taxing district upon the
27 parcel or property unit bears to the total levy upon
28 the parcel or property unit by all taxing districts.
29 However, the several taxing districts shall not draw
30 the moneys so credited until after the semiannual
31 allocations have been received by the county treasurer,
32 as provided in this section. Each county treasurer
33 shall show on each taxpayer receipt the amount of
34 credit received from the fund.

35 2. The director of revenue shall authorize the
36 department of administrative services to draw warrants
37 on the fund payable to the county treasurers of the
38 several counties of the state in the amounts certified
39 by the department.

40 3. The amount due each county shall be paid in two
41 payments on November 15 and March 15 of each fiscal
42 year, drawn upon warrants payable to the respective
43 county treasurers. The two payments shall be as nearly
44 equal as possible.

45 Sec. 8. NEW SECTION. 426C.6 Appeals.

46 1. If the board of supervisors disallows a claim
47 for credit under section 426C.3, subsection 4, the
48 board of supervisors shall send written notice, by
49 mail, to the claimant at the claimant's last known
50 address. The notice shall state the reasons for

Page 6

1 disallowing the claim for the credit. The board of
2 supervisors is not required to send notice that a claim
3 for credit is disallowed if the claimant voluntarily

4 withdraws the claim. Any person whose claim is
5 disallowed under the provisions of this chapter may
6 appeal from the action of the board of supervisors to
7 the district court of the county in which the parcel or
8 property unit is located by giving written notice of
9 such appeal to the county auditor within twenty days
10 from the date of mailing of notice of such action by
11 the board of supervisors.

12 2. If a claim for credit is disallowed by the
13 board of supervisors, and such action is subsequently
14 reversed on appeal, the credit shall be allowed on the
15 applicable parcel or property unit, and the director of
16 revenue, the county auditor, and the county treasurer
17 shall provide the credit and change their books and
18 records accordingly. In the event the claimant has
19 paid one or both of the installments of the tax payable
20 in the year or years in question, remittance shall be
21 made to the claimant of the amount of such credit.
22 The amount of such credit awarded on appeal shall be
23 allocated and paid from the balance remaining in the
24 fund.

25 Sec. 9. NEW SECTION. 426C.7 Audit — recalculation
26 or denial.

27 1. If on the audit of a credit provided under this
28 chapter, the director of revenue determines the amount
29 of the credit to have been incorrectly calculated or
30 that the credit is not allowable, the director shall
31 recalculate the credit and notify the claimant and the
32 county auditor of the recalculation or denial and the
33 reasons for it. The director shall not adjust a credit
34 after three years from October 31 of the year in which
35 the claim for the credit was filed. If the credit has
36 been paid, the director shall give notification to the
37 claimant, the county treasurer, and the applicable
38 assessor of the recalculation or denial of the credit
39 and the county treasurer shall proceed to collect the
40 tax owed in the same manner as other property taxes due
41 and payable are collected, if the parcel or property
42 unit for which the credit was allowed is still owned
43 by the claimant. If the parcel or property unit
44 for which the credit was allowed is not owned by the
45 claimant, the amount may be recovered from the claimant
46 by assessment in the same manner that income taxes are
47 assessed under sections 422.26 and 422.30. The amount
48 of such erroneous credit, when collected, shall be
49 deposited in the fund.

50 2. The claimant or board of supervisors may

Page 7

1 appeal any decision of the director of revenue to the
2 state board of tax review pursuant to section 421.1,

3 subsection 5. The claimant, the board of supervisors,
 4 or the director of revenue may seek judicial review
 5 of the action of the state board of tax review in
 6 accordance with chapter 17A.

7 Sec. 10. NEW SECTION. 426C.8 False claim —
 8 penalty.

9 A person who makes a false claim for the purpose of
 10 obtaining a credit provided for in this chapter or who
 11 knowingly receives the credit without being legally
 12 entitled to it is guilty of a fraudulent practice. The
 13 claim for a credit of such a person shall be disallowed
 14 and if the credit has been paid the amount shall be
 15 recovered in the manner provided in section 426C.7. In
 16 such cases, the director of revenue shall send a notice
 17 of disallowance of the credit.

18 Sec. 11. NEW SECTION. 426C.9 Rules.

19 The director of revenue shall prescribe forms,
 20 instructions, and rules as necessary, pursuant to
 21 chapter 17A, to carry out and effectuate the purposes
 22 of this chapter.

23 Sec. 12. IMPLEMENTATION. Notwithstanding the
 24 deadline for filing claims established in section
 25 426C.3, for a credit against property taxes due and
 26 payable during the fiscal year beginning July 1, 2014,
 27 the claim for the credit shall be filed not later than
 28 January 15, 2014.

 4 and inserting:

5 <DIVISION I
 6 PROPERTY ASSESSMENT LIMITATION AND REPLACEMENT

7 Section 1. Section 257.3, subsection 1, Code 2013,
 8 is amended by adding the following new paragraph:

9 NEW PARAGRAPH. d. The amount paid to each school
 10 district for the commercial and industrial property
 11 tax replacement claim under section 441.21A shall be
 12 regarded as property tax. The portion of the payment
 13 which is foundation property tax shall be determined by

14 applying the foundation property tax rate to the amount
15 computed under section 441.21A, subsection 4, paragraph
16 "a", and such amount shall be prorated pursuant to
17 section 441.21A, subsection 2, if applicable.

18 Sec. 2. Section 331.512, Code 2013, is amended by
19 adding the following new subsection:

20 NEW SUBSECTION. 13A. Carry out duties relating
21 to the calculation and payment of commercial and
22 industrial property tax replacement claims under
23 section 441.21A.

24 Sec. 3. Section 331.559, Code 2013, is amended by
25 adding the following new subsection:

26 NEW SUBSECTION. 25A. Carry out duties relating
27 to the calculation and payment of commercial and

29 section 441.21A.

30 Sec. 4. Section 441.21, subsection 4, Code 2013, is
31 amended to read as follows:

32 4. For valuations established as of January
33 1, 1979, the percentage of actual value at which
34 agricultural and residential property shall be assessed
35 shall be the quotient of the dividend and divisor as
36 defined in this section. The dividend for each class
37 of property shall be the dividend as determined for
38 each class of property for valuations established as
39 of January 1, 1978, adjusted by the product obtained
40 by multiplying the percentage determined for that year
41 by the amount of any additions or deletions to actual
42 value, excluding those resulting from the revaluation
43 of existing properties, as reported by the assessors
44 on the abstracts of assessment for 1978, plus six
45 percent of the amount so determined. However, if the
46 difference between the dividend so determined for
47 either class of property and the dividend for that
48 class of property for valuations established as of
49 January 1, 1978, adjusted by the product obtained by
50 multiplying the percentage determined for that year

Page 2

1 by the amount of any additions or deletions to actual
2 value, excluding those resulting from the revaluation
3 of existing properties, as reported by the assessors
4 on the abstracts of assessment for 1978, is less than
5 six percent, the 1979 dividend for the other class of
6 property shall be the dividend as determined for that
7 class of property for valuations established as of
8 January 1, 1978, adjusted by the product obtained by
9 multiplying the percentage determined for that year
10 by the amount of any additions or deletions to actual
11 value, excluding those resulting from the revaluation
12 of existing properties, as reported by the assessors on

13 the abstracts of assessment for 1978, plus a percentage
14 of the amount so determined which is equal to the
15 percentage by which the dividend as determined for the
16 other class of property for valuations established as
17 of January 1, 1978, adjusted by the product obtained
18 by multiplying the percentage determined for that year
19 by the amount of any additions or deletions to actual
20 value, excluding those resulting from the revaluation
21 of existing properties, as reported by the assessors
22 on the abstracts of assessment for 1978, is increased
23 in arriving at the 1979 dividend for the other class
24 of property. The divisor for each class of property
25 shall be the total actual value of all such property
26 in the state in the preceding year, as reported by the
27 assessors on the abstracts of assessment submitted
28 for 1978, plus the amount of value added to said
29 total actual value by the revaluation of existing
30 properties in 1979 as equalized by the director of
31 revenue pursuant to section 441.49. The director shall
32 utilize information reported on abstracts of assessment
33 submitted pursuant to section 441.45 in determining
34 such percentage. For valuations established as of
35 January 1, 1980, and each assessment year thereafter
36 beginning before January 1, 2013, the percentage of
37 actual value as equalized by the director of revenue
38 as provided in section 441.49 at which agricultural
39 and residential property shall be assessed shall be
40 calculated in accordance with the methods provided
41 herein including the limitation of increases in
42 agricultural and residential assessed values to the
43 percentage increase of the other class of property if
44 the other class increases less than the allowable limit
45 adjusted to include the applicable and current values
46 as equalized by the director of revenue, except that
47 any references to six percent in this subsection shall
48 be four percent. For valuations established as of
49 January 1, 2013, and each assessment year thereafter,
50 the percentage of actual value as equalized by the

Page 3

1 director of revenue as provided in section 441.49 at
2 which agricultural and residential property shall be
3 assessed shall be calculated in accordance with the
4 methods provided in this subsection, except that any
5 references to six percent in this subsection shall
6 be two percent, and including, for assessment years
7 beginning on or after January 1, 2013, but before
8 January 1, 2017, the limitation of increases in
9 agricultural and residential assessed values to the
10 percentage increase of the other class of property if
11 the other class increases less than the allowable limit

12 adjusted to include the applicable and current values
13 as equalized by the director of revenue, and including,
14 for assessment years beginning on or after January 1,
15 2017, the limitation in subsection 5A.

16 Sec. 5. Section 441.21, subsection 5, Code 2013, is
17 amended to read as follows:

18 5. a. For valuations established as of January
19 1, 1979, commercial property and industrial property,
20 excluding properties referred to in section 427A.1,
21 subsection 8, shall be assessed as a percentage of
22 the actual value of each class of property. The
23 percentage shall be determined for each class of
24 property by the director of revenue for the state in
25 accordance with the provisions of this section. For
26 valuations established as of January 1, 1979, the
27 percentage shall be the quotient of the dividend and
28 divisor as defined in this section. The dividend
29 for each class of property shall be the total actual
30 valuation for each class of property established for
31 1978, plus six percent of the amount so determined.
32 The divisor for each class of property shall be the
33 valuation for each class of property established for
34 1978, as reported by the assessors on the abstracts of
35 assessment for 1978, plus the amount of value added to
36 the total actual value by the revaluation of existing
37 properties in 1979 as equalized by the director of
38 revenue pursuant to section 441.49. For valuations
39 established as of January 1, 1979, property valued by
40 the department of revenue pursuant to chapters 428,
41 433, 437, and 438 shall be considered as one class
42 of property and shall be assessed as a percentage of
43 its actual value. The percentage shall be determined
44 by the director of revenue in accordance with the
45 provisions of this section. For valuations established
46 as of January 1, 1979, the percentage shall be the
47 quotient of the dividend and divisor as defined in
48 this section. The dividend shall be the total actual
49 valuation established for 1978 by the department of
50 revenue, plus ten percent of the amount so determined.

1 The divisor for property valued by the department of
2 revenue pursuant to chapters 428, 433, 437, and 438
3 shall be the valuation established for 1978, plus
4 the amount of value added to the total actual value
5 by the revaluation of the property by the department
6 of revenue as of January 1, 1979. For valuations
7 established as of January 1, 1980, commercial property
8 and industrial property, excluding properties referred
9 to in section 427A.1, subsection 8, shall be assessed
10 at a percentage of the actual value of each class of

11 property. The percentage shall be determined for
12 each class of property by the director of revenue for
13 the state in accordance with the provisions of this
14 section. For valuations established as of January
15 1, 1980, the percentage shall be the quotient of
16 the dividend and divisor as defined in this section.
17 The dividend for each class of property shall be the
18 dividend as determined for each class of property for
19 valuations established as of January 1, 1979, adjusted
20 by the product obtained by multiplying the percentage
21 determined for that year by the amount of any
22 additions or deletions to actual value, excluding those
23 resulting from the revaluation of existing properties,
24 as reported by the assessors on the abstracts of
25 assessment for 1979, plus four percent of the amount
26 so determined. The divisor for each class of property
27 shall be the total actual value of all such property in
28 1979, as equalized by the director of revenue pursuant
29 to section 441.49, plus the amount of value added to
30 the total actual value by the revaluation of existing
31 properties in 1980. The director shall utilize
32 information reported on the abstracts of assessment
33 submitted pursuant to section 441.45 in determining
34 such percentage. For valuations established as of
35 January 1, 1980, property valued by the department
36 of revenue pursuant to chapters 428, 433, 437, and
37 438 shall be assessed at a percentage of its actual
38 value. The percentage shall be determined by the
39 director of revenue in accordance with the provisions
40 of this section. For valuations established as of
41 January 1, 1980, the percentage shall be the quotient
42 of the dividend and divisor as defined in this section.
43 The dividend shall be the total actual valuation
44 established for 1979 by the department of revenue,
45 plus eight percent of the amount so determined. The
46 divisor for property valued by the department of
47 revenue pursuant to chapters 428, 433, 437, and 438
48 shall be the valuation established for 1979, plus
49 the amount of value added to the total actual value
50 by the revaluation of the property by the department

Page 5

1 of revenue as of January 1, 1980. For valuations
2 established as of January 1, 1981, and each assessment
3 year thereafter beginning before January 1, 2013, the
4 percentage of actual value as equalized by the director
5 of revenue as provided in section 441.49 at which
6 commercial property and industrial property, excluding
7 properties referred to in section 427A.1, subsection
8 8, shall be assessed shall be calculated in accordance
9 with the methods provided herein, except that any

10 references to six percent in this subsection shall be
11 four percent. For valuations established as of January
12 1, 1981, and each year thereafter, the percentage of
13 actual value at which property valued by the department
14 of revenue pursuant to chapters 428, 433, 437, and 438
15 shall be assessed shall be calculated in accordance
16 with the methods provided herein, except that any
17 references to ten percent in this subsection shall be
18 eight percent. Beginning with valuations established
19 as of January 1, 1979, and each assessment year
20 thereafter beginning before January 1, 2013, property
21 valued by the department of revenue pursuant to chapter
22 434 shall also be assessed at a percentage of its
23 actual value which percentage shall be equal to the
24 percentage determined by the director of revenue for
25 commercial property, industrial property, or property

32 4. For valuations established as of January
33 1, 1979, the percentage of actual value at which

34 agricultural and residential property shall be assessed
35 shall be the quotient of the dividend and divisor as
36 defined in this section. The dividend for each class
37 of property shall be the dividend as determined for
38 each class of property for valuations established as
39 of January 1, 1978, adjusted by the product obtained
40 by multiplying the percentage determined for that year

42 value, excluding those resulting from the revaluation
43 of existing properties, as reported by the assessors
44 on the abstracts of assessment for 1978, plus six

19 by the amount of any additions or deletions to actual
20 value, excluding those resulting from the revaluation
21 of existing properties, as reported by the assessors
22 on the abstracts of assessment for 1978, is increased
23 in arriving at the 1979 dividend for the other class

8 January 1, 2017, the limitation of increases in
9 agricultural and residential assessed values to the
10 percentage increase of the other class of property if

41 433, 437, and 438 shall be considered as one class
42 of property and shall be assessed as a percentage of

8 and industrial property, excluding properties referred
9 to in section 427A.1, subsection 8, shall be assessed
10 at a percentage of the actual value of each class of
11 property. The percentage shall be determined for
12 each class of property by the director of revenue for
13 the state in accordance with the provisions of this
14 section. For valuations established as of January
15 1, 1980, the percentage shall be the quotient of
16 the dividend and divisor as defined in this section.
17 The dividend for each class of property shall be the
18 dividend as determined for each class of property for
19 valuations established as of January 1, 1979, adjusted
20 by the product obtained by multiplying the percentage
21 determined for that year by the amount of any

32 fund of the state to the department of revenue for
33 the payment of commercial and industrial property tax
34 replacement claims in that fiscal year shall not exceed

9 commercial and industrial property in the urban renewal
10 area as determined in section 403.19, subsection 1,
11 that was subtracted pursuant to section 403.20, as
12 it bears to the total amount of actual value of the

 28 on that amount for the fiscal year. The amount not
 29 allocated to that portion of the assessed value defined
 30 in section 403.19, subsection 2, as a result of the
 31 operation of this paragraph, shall be allocated to that
 32 portion of assessed value defined in section 403.19,
 33 subsection 1.

34 e. The amount of the replacement claim amount
 35 credited to the portion of the assessed value defined
 36 in section 403.19, subsection 1, shall be allocated

 4 aggrieved taxpayer shall be listed on the protest,
 5 otherwise said protest shall not be considered on this
 6 ground consideration shall be given to whether the
 7 other like property in the assessing jurisdiction was
 8 appraised using a different appraisal methodology than
 9 the methodology used to appraise the property that is
 10 the subject of the protest.

11 (2) (b) That the property is assessed for more
 12 than the value authorized by law, ~~stating~~. When
 13 this ground is relied upon, the specific amount which

 15 overassessed, and the amount which the party considers
 16 to be its actual value and ~~the amount the party~~
 17 considers a fair assessment shall be stated.

18 (3) (c) That the property is not assessable, is
 19 exempt from taxes, or is misclassified and stating the

 22 and state the specific alleged error. When this ground
 23 is relied upon, it may include but is not limited to
 24 listing errors, clerical or mathematical errors, or
 25 other errors that result in an error in the assessment.

26 (5) (e) That there is fraud in the assessment
 27 which shall be specifically stated.

28 (2) For even-numbered assessment years, when the
 29 property has not been reassessed in such even-numbered
 30 assessment year, that there has been a decrease in the

31 value of the property from the previous reassessment
32 year. When this ground is relied upon, the decrease in
33 value shall be shown by comparing the market value of
34 the property as of January 1 of the current assessment
35 year and the actual value of the property for the
36 previous reassessment year. Such protest shall be
37 in the same manner as described in this section and
38 shall be reviewed by the local board of review pursuant
39 to section 441.35, subsection 2, but no reduction or
40 increase shall be made for prior years.

41 ~~b. In addition to the above, the property owner~~
42 ~~may protest annually to the board of review under~~
43 ~~the provisions of section 441.35, but such protest~~
44 ~~shall be in the same manner and upon the same terms as~~
45 ~~heretofore prescribed in this section. The burden of~~
46 ~~proof for all protests filed under this section shall~~
47 ~~be as stated in section 441.21, subsection 3, paragraph~~
48 ~~"b".~~

7 ~~making the protest adjournment of the local board of~~
8 ~~review or May 31, whichever is later.~~ The written
9 notice of appeal shall include a petition setting forth
10 the basis of the appeal and the relief sought. No new
11 grounds in addition to those set out in the protest
12 to the local board of review as provided in section
13 441.37 can be pleaded, but additional evidence to
14 sustain those grounds may be introduced. The assessor
15 shall have the same right to appeal to the assessment
16 appeal board as an individual taxpayer, public body, or
17 other public officer as provided in section 441.42. An
18 appeal to the board is a contested case under chapter

 40 failure to appear, the property assessment appeal board
 41 shall have no jurisdiction to consider any subsequent
 42 appeal on the appellant's protest.

43 Sec. ____ Section 441.37A, subsection 3, paragraph
 44 a, Code 2013, is amended to read as follows:

45 a. The board member considering the appeal shall
 46 determine anew all questions arising before the local

29 c. In a protest to the county budget under section
30 331.436, the county shall have the burden of proving

37 2. a. For a county that has, as of June 30, 2013,
38 reduced its actual ending fund balance to less than

1 services shall not exceed for each fund twenty-five
2 percent of actual expenditures for the fiscal year
3 beginning July 1, 2012.

4 c. All or a portion of additional property tax
5 dollars may be levied for the purpose of increasing
6 cash reserves for general county services and rural
7 county services in the budget year. The additional

16 authority under this subsection may be the subject of
17 a protest under section 331.436, and the amount will
18 be considered an increase in an item in the budget for
19 purposes of section 24.28. The amount of additional
20 property taxes levied under this subsection shall not
21 be included in the computation of the maximum amount of
22 property tax dollars which may be certified and levied

32 as unused ending fund balance taxing authority under
33 this subsection may be the subject of a protest under
34 section 384.19, and the amount will be considered an
35 increase in an item in the budget for purposes of

5 hearing. A continued hearing shall be held as soon as

6 possible. A continued hearing shall be attended by
7 the same review panel members and parties who attended
8 the initial hearing, unless otherwise agreed to by all
9 parties.

10 13. The malpractice review panel shall issue its

17 of care by the health care provider charged with such
18 care.

19 (2) If the acts or omissions complained of are
20 found to have constituted a deviation from the
21 applicable standard of care, whether the acts or
22 omissions complained of proximately caused the injury
23 complained of.

25 provider is found, whether any negligence on the part
26 of the plaintiff was equal to or greater than the
27 negligence of the health care provider.

29 finding by a preponderance of the evidence.

30 c. With regard to each question, the review
31 panel's findings with regard to each question shall be
32 determined by a majority of the panel members. The
33 determination of the answer to any question by any
34 individual review panel member shall be confidential
35 and shall not be disclosed to any party or other member
36 of the public. The findings shall reflect the number
37 of review panel members making a determination of an

39 of an answer in the negative. The findings, including
40 the cumulative determinations in the affirmative and
41 the negative for each answer, shall be signed by all
42 review panel members, with each review panel member
43 attesting that the written findings accurately reflect
44 the determinations made.

45 d. The chairperson of the review panel shall serve

11 allegation of intentional fraud. All review panel
12 members and the chairperson shall be immune from
13 liability as a result of participation in or serving
14 as a review panel member, except for instances of
15 intentional fraud by a panel member.

16 14. The effect of the malpractice review panel's
17 findings shall be as follows:

18 a. If the review panel's findings are unanimous and
19 unfavorable to the plaintiff in such a manner as would
20 not permit recovery by the plaintiff if the answers
21 were made at trial, all of the following shall apply:

22 (1) The review panel's findings are admissible
23 in any subsequent court action for professional
24 negligence against the health care provider accused of
25 professional negligence by the claimant based upon the
26 same set of facts which were considered reviewed by the
27 review panel.

28 (2) If the malpractice action proceeds and results
29 in a verdict and judgment for the defendant, the
30 plaintiff shall be required to pay all expert witness
31 fees and court costs incurred by the defendant.

32 (3) If the malpractice action proceeds and results
33 in a verdict and judgment for the plaintiff, any
34 noneconomic damages awarded to the plaintiff shall not
35 exceed two hundred fifty thousand dollars.

36 b. If the review panel's findings are unanimous and
37 unfavorable to the defendant, in such a manner as would
38 permit the plaintiff to recover if the defendant's
39 answers were made at trial, all of the following shall
40 apply:

41 (1) The review panel's findings are admissible
42 in any subsequent court action for professional
43 negligence against the health care provider accused of
44 professional negligence by the claimant based upon the
45 same set of facts which were considered reviewed by the
46 review panel.

47 (2) The defendant shall promptly admit liability or
48 enter into negotiations to pay the plaintiff's claim
49 for damages.

50 (3) If liability is admitted, the claim may be

Page 20

1 resubmitted to the review panel upon agreement of the
2 plaintiff and the defendant for a determination of
3 damages. Any determination of damages by the review

4 panel shall be admissible in any subsequent malpractice
5 action.

6 (4) If liability is not admitted and the parties
7 are not able to resolve the claim through settlement
8 negotiations within thirty days after service of the
9 review panel's findings, the plaintiff may proceed with
10 the malpractice action. If the plaintiff obtains a
11 verdict or judgment in excess of the plaintiff's last
12 formal demand in the settlement negotiations following
13 the review panel's findings, the defendant shall be
14 required to pay all expert witness fees and court costs
15 incurred by the plaintiff.

16 15. a. Upon the selection of all members of the

25 party at the time of the claimed injury and was acting
26 in the course and scope of employment with such other
27 party shall not be required to pay a filing fee.

28 Sec. 20. NEW SECTION. 622.31A Evidence-based
29 medical practice guidelines — affirmative defense.

30 1. For purposes of this section:

31 a. "Evidence-based medical practice guidelines"
32 means voluntary medical practice parameters or
33 protocols established and released through a recognized
34 physician consensus-building organization approved
35 by the United States department of health and human
36 services, through the American medical association's
37 physician consortium for performance improvement or
38 similar activity, or through a recognized national
39 medical specialty society.

40 b. "Health care provider" means a physician and
41 surgeon, osteopathic physician and surgeon, physician
42 assistant, or advanced registered nurse practitioner.

43 2. In any action for personal injury or wrongful
44 death against any health care provider based upon the
45 alleged negligence of the health care provider in
46 patient care, the health care provider may assert,
47 as an affirmative defense, that the health care
48 provider complied with evidence-based medical practice
49 guidelines in the diagnosis and treatment of a patient.

50 3. A judge may admit evidence-based medical

Page 21

1 practice guidelines into evidence if introduced only by
2 a health care provider or by the health care provider's

3 employer and if the health care provider or the health
 4 care provider's employer establishes foundational
 5 evidence in support of the evidence-based medical
 6 practice guidelines as well as evidence that the health
 7 care provider complied with the guidelines. Evidence
 8 of departure from an evidence-based medical practice
 9 guideline is admissible only on the issue of whether
 10 the health care provider is entitled to assert an
 11 affirmative defense.

12 4. This section shall not apply to any of the
 13 following:

14 a. A mistaken determination by the health care
 15 provider that the evidence-based medical practice
 16 guideline applied to a particular patient where
 17 such mistake is caused by the health care provider's
 18 negligence or intentional misconduct.

19 b. The health care provider's failure to properly
 20 follow the evidence-based medical practice guideline
 21 where such failure is caused by the health care
 22 provider's negligence or intentional misconduct. There
 23 shall be no presumption of negligence if a health care
 24 provider does not adhere to an evidence-based medical
 25 practice guideline.>

2 1. Page 1, before line 1 by inserting:

3 <Section 1. Section 423B.1, subsection 1, Code
 4 2013, is amended to read as follows:

5 1. A city or county may impose by ordinance of the
 6 governing body of the city or the board of supervisors
 7 local option taxes authorized by this chapter, subject
 8 to this section ~~and subject to the exception provided~~

12 Sec. ____. Section 423B.1, subsection 3, Code 2013,
 13 is amended to read as follows:

14 3. A local option tax shall be imposed only after
 15 an election at which a majority of those voting on the
 16 question favors imposition and shall then be imposed
 17 until repealed as provided in subsection 6, paragraph
 18 "a". If the tax is a local vehicle tax imposed by
 19 a county, it shall apply to all incorporated and

20 unincorporated areas of the county. If the tax is
 21 a local sales and services tax imposed by a county,
 22 it shall only apply to ~~those incorporated areas and~~
 23 ~~the unincorporated area of that county in which if a~~
 24 ~~majority of those voting in the unincorporated area~~
 25 ~~on the tax favors its imposition and if the tax is~~
 26 ~~a local sales and services tax imposed by a city it~~

 29 ~~For purposes of the local sales and services tax, all~~

 48 2. Page 2, after line 8 by inserting:
 49 <Sec. ____ Section 423B.1, subsection 4, paragraph
 50 c, Code 2013, is amended by striking the paragraph and

Page 2

1 inserting in lieu thereof the following:
 2 c. A city is considered to be located in a county
 3 if over half of the population of the city is located
 4 in that county.
 5 Sec. ____ Section 423B.1, subsection 5, Code 2013,
 6 is amended to read as follows:
 7 5. The county commissioner of elections shall
 8 submit the question of imposition of a local option
 9 tax at an election held on a date specified in section
 10 39.2, subsection 4, paragraph "a". The election shall
 11 not be held sooner than sixty days after publication
 12 of notice of the ballot proposition. The ballot
 13 proposition shall specify the type and rate of tax and,
 14 in the case of a vehicle tax, the classes that will be
 15 exempt and, in the case of a local sales and services
 16 tax, the date it will be imposed which date shall not
 17 be earlier than ninety days following the election.
 18 The ballot proposition shall also specify the

19 approximate amount of local option tax revenues that
 20 will be used for property tax relief and shall contain
 21 a statement as to the specific purpose or purposes for
 22 which the revenues shall otherwise be expended. If
 23 the county board of supervisors or city council, as
 24 applicable, decides under subsection 6 to specify a
 25 date on which the local option sales and services tax
 26 shall automatically be repealed, the date of the repeal
 27 shall also be specified on the ballot. The rate of the
 28 vehicle tax shall be in increments of one dollar per
 29 vehicle as set by the petition seeking to impose the
 30 tax. The rate of a local sales and services tax shall
 31 ~~not be more than one percent as set by the governing~~
 32 ~~body.~~ The state commissioner of elections shall

 34 which form shall be uniform throughout the state.
 35 Sec. ____ Section 423B.1, subsection 6, paragraph
 36 a, Code 2013, is amended to read as follows:

 41 tax at the rate specified for an unlimited period.
 42 ~~However, in the case of a local sales and services tax,~~
 43 ~~the county shall not impose the tax in any incorporated~~
 44 ~~area or the unincorporated area if the majority of~~
 45 ~~those voting on the tax in that area did not favor~~
 46 ~~its imposition. For purposes of the local sales and~~
 47 ~~services tax, all cities contiguous to each other shall~~
 48 ~~be treated as part of one incorporated area and the tax~~
 49 ~~shall be imposed in each of those contiguous cities~~
 50 ~~only if the majority of those voting on the tax in the~~

 4 ~~or more contiguous counties as provided in subsection~~
 5 ~~4, paragraph "c", all cities contiguous to each other~~
 6 ~~shall be treated as part of one incorporated area,~~
 7 ~~even if the corporate boundaries of one or more of~~
 8 ~~the cities include areas of more than one county, and~~
 9 ~~the tax shall be imposed in each of those contiguous~~
 10 ~~cities only if a majority of those voting on the tax~~
 11 ~~in the total area covered by the contiguous cities~~
 12 ~~favored its imposition. If a majority of those voting~~
 13 ~~on the question of imposition of a local option sales~~
 14 ~~and services tax in a city favors imposition of the~~
 15 ~~tax, the governing body of the city shall impose by~~
 16 ~~ordinance the tax at the rate of one percent. If a~~
 17 ~~majority of those voting on the question of imposition~~

18 of a local option sales and services tax in the
 19 unincorporated area of the county favors imposition of
 20 the tax, the governing body of the county shall impose
 21 by ordinance the tax in the unincorporated area of the
 22 county at the rate of one percent.

23 (2) The local option tax may be repealed or the
 24 rate of the local vehicle tax increased or decreased
 25 or the use thereof of a local option tax changed after
 26 an election at which a majority of those voting on the
 27 question of repeal or rate or use change favored the
 28 repeal or rate or use change. The date on which the
 29 repeal, rate, or use change is to take effect shall not
 30 be earlier than ninety days following the election.
 31 The election at which the question of repeal or rate
 32 or use change is offered shall be called and held
 33 in the same manner and under the same conditions as
 34 provided in subsections 4 and 5 for the election on the
 35 imposition of the local option tax. However, in the
 36 case of a local sales and services tax where the tax
 37 has not been imposed countywide, the question of repeal
 38 or imposition or rate or use change shall be voted
 39 on only by the registered voters of the areas of the
 40 county where the tax has been imposed or has not been
 41 imposed, as appropriate. However, the governing body
 42 of the ~~incorporated area~~ city or unincorporated area
 43 where the local sales and services tax is imposed may,
 44 upon its own motion, request the county commissioner of
 45 elections to hold an election in the ~~incorporated city~~
 46 or unincorporated area, as appropriate, on the question
 47 of the change in use of local sales and services tax
 48 revenues. The election may be held at any time but
 49 not sooner than sixty days following publication of
 50 the ballot proposition. If a majority of those voting

Page 4

1 in the ~~incorporated city~~ or unincorporated area on the
 2 change in use favors the change, the governing body of
 3 that city or area shall change the use to which the
 4 revenues shall be used. The ballot proposition shall
 5 list the present use of the revenues, the proposed use,
 6 and the date after which revenues received will be used
 7 for the new use.

8 (3) When submitting the question of the imposition
 9 of a local sales and services tax, the county board
 10 of supervisors or the governing body of the city
 11 may direct that the question contain a provision for
 12 the repeal, without election, of the local sales and

23 distribution of moneys from the account.

24 7. The department may use any of the funds
25 appropriated in this section as a match to obtain
26 federal funds for use in expanding child care
27 assistance and related programs. For the purpose of
28 expenditures of state and federal child care funding,
29 funds shall be considered obligated at the time
30 expenditures are projected or are allocated to the

 7 this section shall be the same as the uniform reduction
 8 ordered by the governor or the percentage change of the
 9 federal funding reduction, as applicable. If there is
 10 an unanticipated increase in federal funding provided
 11 for state child care assistance, the entire amount
 12 of the increase shall be used for state child care
 13 assistance payments. If the appropriations made for
 14 purposes of the state child care assistance program for
 15 the fiscal year are determined to be insufficient, it
 16 is the intent of the general assembly to appropriate
 17 sufficient funding for the fiscal year in order to
 18 avoid establishment of waiting list requirements.

19 10. Notwithstanding section 8.33, moneys advanced
 20 for purposes of the programs developed by early

40 allocated in this lettered paragraph, the department
41 may reallocate the excess to provide additional

1 (1) For odd-numbered assessment years and for
2 even-numbered assessment years for property that was
3 reassessed in such even-numbered assessment year:

4 (a) That said assessment is not equitable as
5 compared with assessments of other like property in
6 the ~~taxing district assessing jurisdiction~~. When this
7 ground is relied upon as the basis of a protest the
8 legal description and assessments of a representative
9 number of comparable properties, as described by the
10 aggrieved taxpayer shall be listed on the protest,
11 otherwise said protest shall not be considered on this
12 ground consideration shall be given to whether the
13 other like property in the assessing jurisdiction was
14 appraised using a different appraisal methodology than
15 the methodology used to appraise the property that is
16 the subject of the protest.

17 (2) (b) That the property is assessed for more
18 than the value authorized by law, ~~stating~~. When
19 this ground is relied upon, the specific amount which
20 the protesting party believes the property to be
21 overassessed, and the amount which the party considers
22 to be its actual value and ~~the amount the party~~
23 ~~considers a fair assessment shall be stated.~~

24 (3) (c) That the property is not assessable, is
25 exempt from taxes, or is misclassified and stating the
26 reasons for the protest.

27 (4) (d) That there is an error in the assessment
28 and state the specific alleged error. When this ground
29 is relied upon, it may include but is not limited to
30 listing errors, clerical or mathematical errors, or
31 other errors that result in an error in the assessment.

32 (5) (e) That there is fraud in the assessment
33 which shall be specifically stated.

34 (2) For even-numbered assessment years, when the
35 property has not been reassessed in such even-numbered
36 assessment year, that there has been a decrease in the
37 value of the property from the previous reassessment
38 year. When this ground is relied upon, the decrease in
39 value shall be shown by comparing the market value of
40 the property as of January 1 of the current assessment
41 year and the actual value of the property for the
42 previous reassessment year. Such protest shall be
43 in the same manner as described in this section and
44 shall be reviewed by the local board of review pursuant
45 to section 441.35, subsection 2, but no reduction or
46 increase shall be made for prior years.

47 b. In addition to the above, the property owner
48 may protest annually to the board of review under
49 the provisions of section 441.35, but such protest
50 shall be in the same manner and upon the same terms as

Page 26

1 ~~heretofore prescribed in this section. The burden of~~
2 ~~proof for all protests filed under this section shall~~
3 ~~be as stated in section 441.21, subsection 3, paragraph~~
4 ~~"b".~~

5 Sec. 85. Section 441.37A, subsection 1, paragraph
6 b, Code 2013, is amended to read as follows:

8 board to be valid, written notice must be filed by
9 the party appealing the decision with the secretary
10 of the property assessment appeal board within twenty
11 days after ~~the date the board of review's letter of~~
12 ~~disposition of the appeal is postmarked to the party~~
13 ~~making the protest adjournment of the local board of~~
14 ~~review or May 31, whichever is later.~~ The written
15 notice of appeal shall include a petition setting forth
16 the basis of the appeal and the relief sought. No new
17 grounds in addition to those set out in the protest
18 to the local board of review as provided in section
19 441.37 can be pleaded, but additional evidence to
20 sustain those grounds may be introduced. The assessor
21 shall have the same right to appeal to the assessment
22 appeal board as an individual taxpayer, public body, or
23 other public officer as provided in section 441.42. An
24 appeal to the board is a contested case under chapter
25 17A.

26 Sec. 86. Section 441.37A, subsection 2, paragraph
27 a, Code 2013, is amended to read as follows:
28 a. A party to the appeal may request a hearing or
29 the appeal may proceed without a hearing. If a hearing
30 is requested, the appellant and the local board of
31 review from which the appeal is taken shall be given
32 at least thirty days' written notice by the property
33 assessment appeal board of the date the appeal shall be
34 heard and the local board of review may be present and
35 participate at such hearing. Notice to all affected
36 taxing districts shall be deemed to have been given
37 when written notice is provided to the local board of
38 review. The requirement of thirty days' written notice
39 may be waived by mutual agreement of all parties to
40 the appeal. Failure by the appellant to appear at
41 the property assessment appeal board hearing shall ~~be~~
42 ~~grounds for result in~~ dismissal of the appeal unless a
43 continuance is granted to the appellant by the board
44 following a showing of good cause for the appellant's
45 failure to appear. If an appeal is dismissed for
46 failure to appear, the property assessment appeal board
47 shall have no jurisdiction to consider any subsequent
48 appeal on the appellant's protest.

49 Sec. 87. Section 441.37A, subsection 3, paragraph
50 a, Code 2013, is amended to read as follows:

Page 27

1 a. The board member considering the appeal shall
2 determine anew all questions arising before the local
3 board of review which relate to the liability of
4 the property to assessment or the amount thereof.
5 All of the evidence shall be considered and there
6 shall be no presumption as to the correctness of the
7 valuation of assessment appealed from. The burden
8 of proof for all appeals before the board shall be
9 as stated in section 441.21, subsection 3, paragraph
10 "b". The property assessment appeal board shall make a
11 decision in each appeal filed with the board. If the
12 appeal is considered by less than a majority of the
13 board, the determination made by that member shall be
14 forwarded to the full board for approval, rejection, or
15 modification. If the initial determination is rejected
16 by the board, it shall be returned for reconsideration
