DIVISION XV
IOWA ABLE SAVINGS PLAN TRUST

Sec. 76. **NEW SECTION. 12I.1 Purpose and definitions.**

1. The general assembly finds that the general welfare and well-being of the state are directly related to the health, maintenance, independence, and quality of life of its disabled residents, and that a vital and valid public purpose is served by the creation and implementation of programs that encourage and make possible savings to secure funding for disability-related expenses on behalf of individuals with disabilities that will supplement, but not supplant, other benefits provided by various federal, state, and private sources. The creation of the means of encouragement for citizens to invest in such a program represents the carrying out of a vital and valid public purpose. In order to make available to the citizens of the state an opportunity to fund future disability-related expenses of individuals, it is necessary that a public trust be established in which moneys may be invested for payment of future disability-related expenses of an individual.

2. As used in this chapter, unless the context otherwise requires:

a. "*Account balance limit*" means the maximum allowable aggregate balance of an account established for a designated beneficiary. Account earnings, if any, are included in the account balance limit.

b. "*Account owner*" means an individual who enters into a participation agreement under this chapter for the payment of qualified disability expenses on behalf of a designated beneficiary.

c. "*Contracting state*" means the same as defined in section 529A of the Internal Revenue Code.

d. "*Designated beneficiary*" means an individual who is a resident of this state or a resident of a contracting state and who meets the definition of "*eligible individual*" in section 529A of the Internal Revenue Code.

e. "*Internal Revenue Code*" means the Internal Revenue Code of 1986, as amended, and regulations promulgated thereunder.

f. "*Iowa ABLE savings plan trust*" or "*trust*" means the trust created under section 12I.2.

i. "*Qualified disability expenses*" means the same as defined in section 529A of the Internal Revenue Code.

j. "*Resident*" shall be defined by rules adopted by the treasurer of state. The rules shall determine residency in such manner as may be required or permitted under section 529A of the Internal Revenue Code, or, in the absence of any guidance under

federal law, as the treasurer of state deems advisable for the purpose of satisfying the requirements of section 529A of the Internal Revenue Code.

Sec. 77. **NEW SECTION. 12I.2 Creation of Iowa ABLE savings plan trust.**

An Iowa ABLE savings plan trust is created. The treasurer of state is the trustee of the trust, and has all powers necessary to carry out and effectuate the purposes, objectives, and provisions of this chapter pertaining to the trust, including the power to do all of the following:

13. Establish, impose, and collect administrative fees and charges in connection with transactions of the trust, and provide for reasonable service charges, including penalties for cancellations and late payments with respect to participation agreements.
14. Administer the funds of the trust.
15. Prepare and file reports and notices.
16. Enter into agreements with contracting states to permit residents of the contracting state to participate in the Iowa ABLE savings plan trust.
17. Adopt rules pursuant to chapter 17A for the administration of this chapter.

Sec. 78. **NEW SECTION. 12I.3 Participation agreements for trust.**

On or after July 1, 2016, the trust may enter into participation agreements with account owners pursuant to the following terms and agreements:

- a. Unless otherwise permitted under section 529A of the Internal Revenue Code, the treasurer of state shall allow only one participation agreement per designated beneficiary.
- b. Unless otherwise permitted under section 529A of the Internal Revenue Code, the account owner must also be the designated beneficiary of the account. However, a trustee or legal guardian may be designated as custodian of an account for a designated beneficiary who is a minor or who lacks capacity to enter into a

participation agreement if such designation is not prohibited under section 529A of the Internal Revenue Code.

c. The treasurer of state shall set an annual contribution limit and account balance limit to maintain compliance with section 529A of the Internal Revenue Code. - a.* A return of principal.
- b.* A rate of interest or other return from the trust.
- c.* Payment of interest or other return from the trust.

3. *a.* A designated beneficiary under a participation agreement may be changed as permitted under rules adopted by the treasurer of state upon written request of the account owner as long as such change would be permitted by section 529A of the Internal Revenue Code.

Sec. 81. **NEW SECTION. 12I.6 Repayment and ownership of payments and investment income — transfer of ownership rights.**

1. *a.* An account owner retains ownership of all contributions made on behalf of a designated beneficiary under a participation agreement up to the date of utilization for payment of qualified disability expenses of the designated beneficiary.

b. 2. The annual audit shall be supplemented by all of the following information prepared by the treasurer of state:

a. Any related studies or evaluations prepared in the preceding year.

b. A summary of the benefits provided by the trust, including the number of account owners and designated beneficiaries in the trust, or, if the trust has caused this state to become a contracting state pursuant to section 12I.10, a summary of the benefits provided to Iowa residents by the contracted qualified ABLE program, including the number of account owners and designated beneficiaries in the contracted qualified ABLE program who are Iowa residents.

c. Any other information deemed relevant by the treasurer of state in order to make a full, fair, and effective disclosure of the operations of the trust or the contracted qualified ABLE program if applicable.

3. The treasurer of state shall prepare and submit to the secretary of the United States treasury or other required party any reports, notices, or statements required

under section 529A of the Internal Revenue Code.

3. State inheritance tax treatment of interests in Iowa ABLE savings plans shall be as provided in section 450.4, subsection 9.

Sec. 84. NEW SECTION. 12I.9 Property rights to assets in trust.

1. The assets of the trust shall at all times be preserved, invested, and expended solely and only for the purposes of the trust and shall be held in trust for the account owners and designated beneficiaries.

2. Except as provided in section 12I.4, subsection 3, no property rights in the trust shall exist in favor of the state.

3. Except as provided in section 12I.4, subsection 3, the assets of the trust shall not be transferred or used by the state for any purposes other than the purposes of the trust.

Sec. 85. NEW SECTION. 12I.10 Implementation as a contracting state — tax considerations.

1. The general assembly acknowledges that section 529A of the Internal Revenue Code permits access to qualified ABLE programs by residents of a state without such a program. The general assembly finds that becoming a contracting state may accomplish the public purpose set forth in section 12I.1, subsection 1, in the same manner as if the qualified ABLE program under the Iowa ABLE savings plan trust were to be implemented and administered by this state. To that end, the treasurer of state, as trustee of the trust, may defer implementation of the qualified ABLE program under the trust and alternatively cause this state to become a contracting state by entering into an agreement with another state with a qualified ABLE program to provide Iowa residents access to that state's qualified ABLE program. The trust shall not enter into an agreement pursuant to this section unless the treasurer, as trustee of the trust, determines that all of the following requirements are satisfied:

a. The program is a qualified ABLE program.

b. The qualified ABLE program provides comparable benefits and protections to Iowa residents as would be provided under the Iowa ABLE savings plan trust.

c. That entering into an agreement for access to the qualified ABLE program would not result in increased costs to the state or to account owners and designated beneficiaries as compared to the costs of implementing and administering the qualified ABLE program under the Iowa ABLE savings plan trust.

d. The qualified ABLE program will be audited annually by an independent certified public accountant or by the state auditor, or similar public official, of the state that has implemented the qualified ABLE program.

e. The qualified ABLE program will provide information to the treasurer of state as trustee of the trust so as to allow the trustee to fulfill the reporting requirements in section 12I.7.

2. *a.* The maximum amount that may be deducted per year for Iowa income tax purposes by an individual for contributions on behalf of any one designated beneficiary that is a resident of this state to the qualified ABLE program with which the state has contracted pursuant to this section shall not exceed the maximum deductible amount determined for the year pursuant to section 12D.3, subsection 1, paragraph "a".

b. State income tax treatment of the qualified ABLE program with which the state has contracted pursuant to this section shall be as provided in section 422.7, subsections 34 and 34A.

3. State inheritance tax treatment of interests in the qualified ABLE program with which the state has contracted pursuant to this section shall be as provided in section 450.4, subsection 9.

Sec. 86. NEW SECTION. 12I.11 Construction.

This chapter shall be construed liberally in order to effectuate its purpose.

Sec. 87. Section 422.7, Code 2015, is amended by adding the following new subsections:

NEW SUBSECTION. 34. a. Subtract the amount contributed during the tax year on behalf of a designated beneficiary that is a resident of this state to the Iowa ABLE savings plan trust or to the qualified ABLE program with which the state has contracted pursuant to section 12I.10, not to exceed the maximum contribution level established in section 12I.3, subsection 1, paragraph “d”, or section 12I.10, subsection 2, paragraph “a”, as applicable.

b. Add the amount resulting from the cancellation of a participation agreement refunded to the taxpayer as an account owner in the Iowa ABLE savings plan trust or the qualified ABLE program with which the state has contracted pursuant to section 12I.10 to the extent previously deducted pursuant to this subsection by the taxpayer or any other person as a contribution to the trust or qualified ABLE program.

c. Add the amount resulting from a withdrawal made by a taxpayer from the Iowa ABLE savings plan trust or the qualified ABLE program with which the state has contracted pursuant to section 12I.10 for purposes other than the payment of qualified disability expenses to the extent previously deducted pursuant to this subsection by the taxpayer or any other person as a contribution to the trust or qualified ABLE program.

NEW SUBSECTION. 34A. Subtract, to the extent included, income from interest and earnings received from the Iowa ABLE savings plan trust created in chapter 12I, or received by a resident account owner from a qualified ABLE program with which the state has contracted pursuant to section 12I.10.

Sec. 88. Section 450.4, Code 2015, is amended by adding the following new subsection:

NEW SUBSECTION. 9. On the value of any interest in the Iowa ABLE savings plan trust created in chapter 12I, or any interest held by a resident account owner in a qualified ABLE program with which the state has contracted pursuant to section 12I.10.

Sec. 89. CONTINGENT IMPLEMENTATION. The implementation of chapter 12I as enacted in this division of this Act is subject to an appropriation with the stated purpose of the Iowa ABLE Savings Plan Trust.

Sec. 90. APPLICABILITY. The section of this division of this Act amending section 450.4 applies to estates of decedents dying on or after January 1, 2016.

d. *"Expedited license"* means a full and unrestricted medical license granted by a member state to an eligible physician through the process set forth in the compact.

e. *"Interstate commission"* means the interstate commission created pursuant to this section.

f. *"License"* means authorization by a state for a physician to engage in the practice of medicine, which would be unlawful without the authorization.

(3) Discuss trade secrets, commercial, or financial information that is privileged or confidential.

j. Employ an executive director who shall have such powers to employ, select, or appoint employees, agents, or consultants, and to determine their qualifications, define

their duties, and fix their compensation.

k. Establish personnel policies and programs relating to conflicts of interest, rates of compensation, and qualifications of personnel.

l. Accept donations and grants of money, equipment, supplies, materials, and services, and to receive, utilize, and dispose of the same in a manner consistent with the conflict of interest policies established by the interstate commission.

The total assessment must be sufficient to cover the annual budget approved each year for which revenue is not provided by other sources. b. The interstate commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same.

c. The interstate commission shall not pledge the credit of any of the member states, except by, and with the authority of, the member state.

14. *Organization and operation of the interstate commission.*

a. The interstate commission shall, by a majority of commissioners present and voting, adopt bylaws to govern its conduct as may be necessary or appropriate to carry out the purposes of the compact within twelve months of the first interstate commission meeting.

b. The interstate commission shall elect or appoint annually from among its commissioners a chairperson, a vice chairperson, and a treasurer, each of whom shall have such authority and duties as may be specified in the bylaws. The chairperson, or in the chairperson's absence or disability, the vice chairperson, shall preside at all meetings of the interstate commission.

c. Officers selected in paragraph "b" shall serve without remuneration from the interstate commission.

d. The officers and employees of the interstate commission shall be immune from

suit and liability, either personally or in their official capacity, for a claim for damage to or loss of property or personal injury or other civil liability caused or arising out of, or relating to, an actual or alleged act, error, or omission that occurred, or that such person had a reasonable basis for believing occurred, within the scope of interstate commission employment, duties, or responsibilities, provided that such person shall not be protected from suit or liability for damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of such person.

(1) The liability of the executive director and employees of the interstate commission or representatives of the interstate commission, acting within the scope of such person's employment or duties for acts, errors, or omissions occurring within such person's state, may not exceed the limits of liability set forth under the constitution and laws of that state for state officials, employees, and agents. (2) The interstate commission shall defend the executive director, its employees, and subject to the approval of the attorney general or other appropriate legal counsel of the member state represented by an interstate commission representative, shall defend such interstate commission representative in any civil action seeking to impose liability arising out of an actual or alleged act, error, or omission that occurred within the scope of interstate commission employment, duties, or responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope of interstate commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such person.

(3) To the extent not covered by the state involved, member state, or the interstate commission, the representatives or employees of the interstate commission shall be held harmless in the amount of a settlement or judgment, including attorney fees and costs, obtained against such persons arising out of an actual or alleged act, error, or omission that occurred within the scope of interstate commission employment, duties, or responsibilities, or that such persons had a reasonable basis for believing occurred within the scope of interstate commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such persons.

15. *Rulemaking functions of the interstate commission.*

a. The interstate commission shall promulgate reasonable rules in order to effectively and efficiently achieve the purposes of the compact. Notwithstanding the foregoing, in the event the interstate commission exercises its rulemaking authority in a manner that is beyond the scope of the purposes of the compact, or the powers granted hereunder, then such an action by the interstate commission shall be invalid and have no force or effect.

b. Rules deemed appropriate for the operations of the interstate commission shall be made pursuant to a rulemaking process that substantially conforms to the model state administrative procedure Act of 2010, and subsequent amendments thereto.

c. Not later than thirty days after a rule is promulgated, any person may file a petition for judicial review of the rule in the United States district court for the District of Columbia or the federal district where the interstate commission has its principal offices, provided that the filing of such a petition shall not stay or otherwise prevent the rule from becoming effective unless the court finds that the petitioner has a substantial likelihood of success. 16. *Oversight of interstate compact.*

a. The executive, legislative, and judicial branches of state government in each member state shall enforce the compact and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. c. If the defaulting state fails to cure the default, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the commissioners and all rights, privileges, and benefits conferred by the compact shall terminate on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of the default.

d. Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to terminate shall

be given by the interstate commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

e. The interstate commission shall establish rules and procedures to address licenses and physicians that are materially impacted by the termination of a member state, or the withdrawal of a member state.

c. The governors of nonmember states, or their designees, shall be invited to participate in the activities of the interstate commission on a nonvoting basis prior to adoption of the compact by all states.

d. The interstate commission may propose amendments to the compact for enactment by the member states. No amendment shall become effective and binding upon the interstate commission and the member states unless and until it is enacted into law by unanimous consent of the member states.

21. *Withdrawal.*

a. Once effective, the compact shall continue in force and remain binding upon each and every member state, provided that a member state may withdraw from the compact by specifically repealing the statute which enacted the compact into law.

b. Withdrawal from the compact shall be by the enactment of a statute repealing the same, but shall not take effect until one year after the effective date of such statute and until written notice of the withdrawal has been given by the withdrawing state to the governor of each other member state.

c. The withdrawing state shall immediately notify the chairperson of the interstate commission in writing upon the introduction of legislation repealing the compact in the withdrawing state.

d. The interstate commission shall notify the other member states of the withdrawing state's intent to withdraw within sixty days of its receipt of notice provided under paragraph "c".

e. The withdrawing state is responsible for all dues, obligations, and liabilities incurred through the effective date of withdrawal, including obligations, the performance of which extend beyond the effective date of withdrawal.

f. Reinstatement following withdrawal of a member state shall occur upon the withdrawing state reenacting the compact or upon such later date as determined by the interstate commission.

g. The interstate commission is authorized to develop rules to address the impact of the withdrawal of a member state on licenses granted in other member states to physicians who designated the withdrawing member state as the state of principal license.

22. *Dissolution.*

a. The compact shall dissolve effective upon the date of the withdrawal or default of the member state which reduces the membership in the compact to one member state.

b. Upon the dissolution of the compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the interstate commission shall be concluded and surplus funds shall be distributed in accordance with the bylaws.

23. *Severability and construction.*

a. The provisions of the compact shall be severable, and if any phrase, clause, sentence, or provision is deemed unenforceable, the remaining provisions of the compact shall be enforceable.

b. The provisions of the compact shall be liberally construed to effectuate its purposes.

c. Nothing in the compact shall be construed to prohibit the applicability of other interstate compacts to which the states are members.

24. *Binding effect of compact and other laws.*

a. Nothing herein prevents the enforcement of any other law of a member state that is not inconsistent with the compact.

b. All laws in a member state in conflict with the compact are superseded to the extent of the conflict.

c. All lawful actions of the interstate commission, including all rules and bylaws promulgated by the commission, are binding upon the member states.

d. All agreements between the interstate commission and the member states are binding in accordance with their terms.

6B.2C Approval of the public improvement.

The authority to condemn is not conferred, and the condemnation proceedings shall not commence, unless the governing body for the acquiring agency approves a preliminary or final route or site location of the proposed public improvement, approves the use of condemnation, and finds that there is a reasonable expectation the applicant will be able to achieve its public purpose, comply with all applicable standards, and obtain the necessary permits.

Sec. 145. Section 6B.56, subsection 1, Code 2015, is amended to read as follows:

1. If all or a portion of real property condemned pursuant to this chapter is not used for the purpose stated in the application filed pursuant to section 6B.3 and the acquiring agency seeks to dispose of the unused real property, the acquiring agency shall first offer the unused real property for sale to the prior owner of the condemned property as provided in this section. If real property condemned pursuant to this chapter is used for the purpose stated in the application filed pursuant to section 6B.3 and the acquiring agency seeks to dispose of the real property by sale to a private person or entity within five years after acquisition of the property, the acquiring agency shall first offer the property for sale to the prior owner of the condemned property as provided in this section. For purposes of this section, the prior owner of the real property includes the successor in interest of the real property.

Sec. 146. Section 6B.56, subsection 2, paragraph a, Code 2015, is amended to read as follows:

However, the current appraised value of the real property to be offered for sale shall be the purchase price to be paid by the previous owner if any other amount would result in a loss of federal funding for projects funded

in whole or in part with federal funds. The notice sent by the acquiring agency as provided in this subsection shall be filed with the office of the recorder in the county in which the real property is located.

Sec. 147. Section 6B.56A, subsection 1, Code 2015, is amended to read as follows:

When five years have elapsed since property was condemned and all or a portion of the property has not been used for the purpose stated in the application filed pursuant to section 6B.3, and the acquiring agency has not taken action to dispose of the unused property pursuant to section 6B.56, the acquiring agency shall, within sixty days, adopt a resolution reaffirming the purpose for which the unused property will be used or offering the unused property for sale to the prior owner at a price as provided in section 6B.56. However, if all or a portion of such property was condemned for the creation of a lake subject to the requirements of section 6A.22, subsection 2, paragraph "c", subparagraph (1), subparagraph division (0b), the acquiring agency shall not adopt a resolution reaffirming the purpose for which the property was to be used and shall instead adopt a resolution offering the property for sale to the prior owner at a price as provided in section 6B.56. If the resolution adopted approves an offer of sale to the prior owner, the offer shall be made in writing and mailed by certified mail to the prior owner. The prior owner has one hundred eighty days after the offer is mailed to purchase the property from the acquiring agency.

(b) (i) For purposes of this subparagraph (1), *"number of acres justified as necessary for a surface drinking water source"* means according to guidelines of the United States natural resource conservation service and according to analyses of surface drinking water capacity needs conducted by one or more registered professional engineers.

(ii) For condemnation proceedings for which the application pursuant to section 6B.3 was filed after January 1, 2013, for condemnation of property located in a county with a population of greater than nine thousand two hundred fifty but less than nine thousand three hundred, according to the 2010 federal decennial census, which property sought to be condemned was in whole or in part described in a petition filed under section 6A.24, subsection 2, after January 1, 2013, but before January 1, 2014, regardless of whether the petitioner was determined by a court to not be a proper acquiring agency, "number of acres justified as necessary for a surface drinking water source", as determined under subparagraph subdivision (i) shall not exceed the number of acres that would be necessary to provide the amount of drinking water to meet the needs of a population equal to the population of the county where the lake is to be developed or created, according to the most recent federal decennial census.

NEW SUBPARAGRAPH DIVISION. (0b) For condemnation of property located in a county with a population of greater than nine thousand two hundred fifty but less than nine thousand three hundred, according to the 2010 federal decennial census, prior to making a determination that development or creation of a lake as a surface drinking water source is reasonable and necessary, the acquiring agency shall conduct a review of feasible alternatives to development or creation of a lake as a surface drinking water source. An acquiring agency shall not have the authority to condemn private property for the development or creation of a lake as a surface drinking water source if one or more feasible alternatives to provision of a drinking water source exist. An alternative that results in the physical expansion of an existing drinking water source is presumed to be a feasible alternative to development or creation of a lake as a surface drinking water source. An alternative that supplies drinking water by pipeline or other method of transportation or transmission from an existing source located within or outside this state at a reasonable cost is a feasible alternative to development or creation of a lake as a surface drinking water source. If private property is to be condemned for development or creation of a lake, only that number of acres justified as necessary for a surface drinking water source, and not otherwise acquired, may be condemned. Development or creation of a lake as a surface drinking water source includes all of the following:

- (i) Construction of the dam, including sites for suitable borrow material and the auxiliary spillway.
- (ii) The water supply pool.
- (iii) The sediment pool.
- (iv) The flood control pool.

SENATE CONCURRENT RESOLUTION 5

BY SODDERS and SCHNEIDER

1 A concurrent resolution requesting the Congress of
 2 the United States to repeal the federal Act of
 3 June 30, 1948, that conferred on the State of Iowa
 4 jurisdiction over offenses committed by or against
 5 Indians on the Meskwaki Settlement.
 6 WHEREAS, the Sac and Fox Tribe of the Mississippi
 7 in Iowa (the Meskwaki) is a federally recognized tribe
 8 organized in accordance with Section 16 of the federal
 9 Indian Reorganization Act of June 18, 1934, 48 Stat.
 10 984, as amended by the federal Act of June 15, 1935, 49
 11 Stat. 378, under a Constitution and Bylaws approved by
 12 the Secretary of the Interior on December 20, 1937; and
 13 WHEREAS, in 1857, the Meskwaki purchased 80 acres
 14 in Tama County which was held in trust by the State of
 15 Iowa as permitted by then Governor James Grimes and
 16 for the next 30 years the Meskwaki governed themselves
 17 virtually free from interference from both the federal
 18 and state governments; and
 19 WHEREAS, the jurisdictional status of the Meskwaki
 20 during this period of time was unclear as the tribe was
 21 recognized by the federal government but also had a
 22 continuing relationship with the State of Iowa due to
 23 the Meskwaki's private ownership of land which was held
 24 in trust by the Governor of the State of Iowa; and
 25 WHEREAS, in 1895, in order to clear up any
 26 ambiguities, the State of Iowa ceded to the federal
 27 government all jurisdiction over the Meskwaki with the
 28 stipulation that nothing in the transfer of the tribal

Page 2

1 lands would prevent the State of Iowa from exercising
 2 jurisdiction over crimes against the laws of Iowa
 3 committed either by Indians or others on the Meskwaki
 4 Settlement; and
 5 WHEREAS, during what is now known as the Indian
 6 Termination Era, the United States government tried to
 7 end its trusteeship over Indian reservations throughout
 8 the country and in part passed the federal Act of June
 9 30, 1948, which conferred jurisdiction over criminal
 10 offenses committed on the Meskwaki Settlement to the
 11 State of Iowa; and
 12 WHEREAS, the federal Act of June 30, 1948, was
 13 passed at a time when there was a perception that
 14 there was lawlessness on the Meskwaki Settlement and
 15 an absence of adequate tribal institutions for law
 16 enforcement; and
 17 WHEREAS, the passage of the federal Act of June 30,
 18 1948, provided no federal funding to the State of Iowa
 19 to assume this responsibility which has amounted to an

20 unfunded federal mandate and the resulting cost over
21 the years has been unfairly borne by the taxpayers of
22 Tama County; and
23 WHEREAS, in the past 67 years much has changed at
24 the federal, state, and tribal levels in the area of
25 criminal law enforcement and in the development of laws
26 in general on the Meskwaki Settlement; and
27 WHEREAS, the federal Tribal Law and Order Act of
28 2010, Pub. L. No. 111-211, authorized Indian tribes
29 to expand the prosecution and punishment of criminal
30 offenders if certain due process requirements were

Page 3

1 followed; and
2 WHEREAS, Indian tribes have recently achieved more
3 authority to prosecute criminal offenses committed
4 on tribal lands as evidenced by the enactment of the
5 federal Violence Against Women Reauthorization Act
6 of 2013, Pub. L. No. 113-4, which for the first time
7 allowed tribal enforcement over non-natives who commit
8 domestic violence on tribal lands; and
9 WHEREAS, the State of Iowa was the first in the
10 nation to pass Native American grave protection
11 legislation, commonly known as the Iowa Graves
12 Protection Act, 1976 Iowa Acts, ch. 1158, §7, that
13 came into law before the federal version and before
14 the more recent passage of Iowa's Recognition and
15 Enforcement of Tribal Civil Judgments Act, 2007 Iowa
16 Acts, ch. 192, which followed the development of the
17 Meskwaki Tribal Court System in 2005, with its first
18 case being tried in 2006, and 2003 state legislation,
19 2003 Iowa Acts, ch. 87, recognizing the Meskwaki Tribal
20 Police and allowing them to participate in the Iowa Law
21 Enforcement Academy and to become state certified; and
22 WHEREAS, the Meskwaki has greatly enhanced at
23 its own expense the tribe's criminal justice system
24 and now provides a fully functioning court system
25 through the establishment of a state certified police
26 force, legally trained and licensed public defenders,
27 prosecutors and judges, and a full-time probation
28 officer, and provides for the publication of its tribal
29 laws; and
30 WHEREAS, the Iowa Coalition Against Sexual Assault

Page 4

1 and the Iowa Coalition against Domestic Violence have
2 noted that the victims of domestic violence on the
3 Meskwaki Settlement prefer that prosecution and other
4 court services be handled by the tribal court of the
5 Meskwaki Settlement; NOW THEREFORE,

6 BE IT RESOLVED BY THE SENATE, THE HOUSE OF
7 REPRESENTATIVES CONCURRING, That the Iowa General
8 Assembly urges the members of the United States Senate
9 and the United States House of Representatives to
10 repeal the Act of June 30, 1948, Pub. L. No. 846,
11 62 Stat. 1161, which conferred on the State of Iowa
12 jurisdiction over offenses committed by or against
13 Indians on the Meskwaki Settlement and to take whatever
14 steps are necessary to achieve such a repeal; and
15 BE IT FURTHER RESOLVED, That upon passage of this
16 resolution, the Secretary of the Senate shall transmit
17 copies of this resolution to the President of the
18 United States Senate, the Speaker of the United States
19 House of Representatives, and the members of Iowa's
