2 1. By striking everything after the enacting clause
3 and inserting:
4 Section 1. Section 275.12, Code 2015, is amended
5 by adding the following new subsection:
6 NEW SUBSECTION. 4A. a. The area education agency
7 board in reviewing a petition as provided in sections
8 275.15 and 275.16 that is not subject to the division
9 of assets and liabilities provisions in sections 275.29
10 through 275.31 shall review the proposal for dividing
11 liability for payment of outstanding bonds issued under
12 section 423E.5 or 423F.4, required to be included under
13 section 275.28, and may change or amend the proposal in
14 any manner, including to specify a different division
15 for the reorganized districts or a different method of
16 payment or retirement of the bonds as may be required
17 by law, justice, equity, and the interest of the
18 people. The review conducted by the area education
19 agency, including any resulting change to the proposal,
20 shall ensure that the reorganized district's estimated
21 revenue under section 423F.2 is sufficient for the
22 payment of principal and interest on the outstanding
23 bonds required to be paid in the budget year following
24 the reorganization.
25 b. For bonds issued under section 423E.5 or 423F.4,
26 the approval of the reorganization at election creates
27 a lien on the revenues from the secure an advanced
28 vision for education fund received by the reorganized

29 district designated in the proposal approved by the
 30 area education agency, subject to the same priority as
 31 provided by the affected school district that issued
 32 the bonds.

33 Sec. 2. Section 275.28, Code 2015, is amended to
 34 read as follows:

35 **275.28 Plan of division of assets and liabilities.**

36 In addition to setting up the territory to comprise

 44 education agency board of directors, the division of
 45 all assets and liabilities shall be made under the
 46 provisions of sections 275.29 to 275.31.

47 Sec. 3. Section 275.29, Code 2015, is amended to
 48 read as follows:

49 **275.29 Division of assets and liabilities after**
 50 **reorganization.**

Page 2

1 1. Between July 1 and July 20, or on a date
 2 determined by agreement of the initial board and the
 3 boards of districts receiving territory of the school
 4 districts affected, but not later than August 30,
 5 the initial board of directors of the newly formed
 6 school district shall meet with the boards of the
 7 school districts affected by the organization of
 8 the new school corporation, including the boards of
 9 districts receiving territory of the school districts
 10 affected, for the purpose of reaching joint agreement
 11 on an equitable division of the assets of the several
 12 school corporations or parts of school corporations
 13 and an equitable distribution of the liabilities of
 14 the school districts affected corporations or parts of
 15 corporations. In addition, if outstanding bonds are
 16 general obligation indebtedness is in existence in any
 17 district, the initial board of directors of the newly
 18 formed school district shall meet with the boards of
 19 all school districts affected prior to April 15 prior
 20 to the school year the reorganization is effective to
 21 determine the distribution of liability for payment
 22 of the general obligation bonded indebtedness between
 23 the districts so that the newly formed district may
 24 certify its budget under the procedures specified
 25 in chapter 24. The boards shall consider the
 26 mandatory levy required in section 76.2 and shall
 27 assure the satisfaction of outstanding obligations of

28 each affected school corporation. If the petition
 29 includes plans for the distribution of the bonded
 30 indebtedness, the exclusion of territory from the
 31 reorganized district does not require action pursuant
 32 to this section. If a school district affected by
 33 the reorganization has outstanding bonds issued under
 34 section 423E.5 or 423F.4, the joint agreement shall
 35 assure that the estimated revenue under section 423F.2
 36 for each district to which liability for payment of
 37 such bonds is assigned is sufficient for the payment
 38 of principal and interest on the outstanding bonds
 39 required to be paid in the budget year following
 40 reorganization.

41 2. For bonds issued under section 423E.5 or 423F.4,
 42 the approval of the joint agreement creates a lien on
 43 the revenues from the secure an advanced vision for
 44 education fund received by the school district to which
 45 liability is assigned, subject to the same priority as
 46 provided by the affected school district that issued
 47 the bonds.

 49 read as follows:

50 **275.30 Arbitration.**

Page 3

1 1. If the boards cannot agree on such division and
 2 distribution, the matters on which they differ shall
 3 be decided by disinterested arbitrators, one selected
 4 by the initial board of directors of the newly formed
 5 district, ~~one by each of the boards of directors~~
 6 ~~of the school districts affected, and one selected~~
 7 jointly by the boards of directors of contiguous
 8 districts receiving territory of the school district
 9 ~~districts affected. If the number of arbitrators~~
 10 ~~selected is even, a disinterested arbitrator shall be~~
 11 ~~added, and one selected~~ by the area education agency
 12 administrator.

13 2. The decision of the arbitrators shall be made
 14 in writing and filed with the secretary of the new
 15 corporation, and a party to the proceedings may appeal
 16 the decision to the district court by serving notice
 17 on the secretary of the new corporation within twenty
 18 days after the decision is filed. The appeal shall
 19 be tried in equity and a decree entered determining
 20 the entire matter, including the levy, collection, and
 21 distribution of any necessary taxes.

22 3. a. If a school district affected by the
 23 reorganization has outstanding bonds issued under
 24 section 423E.5 or 423F.4, the arbitrators' decision and
 25 any decision of the court on appeal shall assure that
 26 the estimated revenue under section 423F.2 for each

27 district to which liability for payment of such bonds
 28 is assigned is sufficient for the payment of principal
 29 and interest on the outstanding bonds required to be
 30 paid in the budget year following reorganization.
 31 b. The issuance of the arbitrators' decision or
 32 court decision on appeal creates a lien on the revenues
 33 from the secure an advanced vision for education fund
 34 received by the district to which the liability for
 35 payment of the bonds were assigned, subject to the same
 36 priority as provided by the affected school district
 37 that issued the bonds.

38 Sec. 5. Section 275.53, subsection 1, Code 2015, is
 39 amended to read as follows:

40 1. The commission shall send a copy of its
 41 dissolution proposal or shall inform the board that
 42 it cannot agree upon a dissolution proposal not later
 43 than one year following the date of the organizational
 44 meeting of the commission. If the dissolving school

 49 portion of such bonds that is equal to the percentage
 50 of the total number of resident pupils from the

Page 4

1 dissolving district who lived in the territory received

 6 dissolving school district will be attached. If the
 7 board of a district to which area of the ~~affected~~
 8 dissolving school district will be attached objects
 9 to the attachment, within ten days following receipt
 10 of the dissolution proposal the board shall send
 11 its objections in writing to the commission. The
 12 commission may consider the objections and may modify
 13 the dissolution proposal. If the dissolution proposal
 14 is modified, the commission shall notify the boards of
 15 directors of all school districts to which area of the
 16 ~~affected~~ dissolving school district will be attached.

17 Sec. 6. Section 275.54, subsection 4, Code 2015, is
 18 amended to read as follows:

19 4. a. If the board of a district to which area
 20 of the ~~affected~~ dissolving school district will
 21 be attached objects to the division of assets and
 22 liabilities contained in the dissolution proposal, the
 23 matter shall be decided by a panel of disinterested
 24 arbitrators. The panel shall consist of one arbitrator
 25 selected jointly by ~~each~~ affected district districts

26 objecting to the provisions of the dissolution
 27 proposal, one selected ~~jointly by each~~ the affected
 28 ~~district~~ districts in favor of the provisions of the
 29 dissolution proposal, and one selected by ~~each~~ the
 30 dissolving district. If the number of arbitrators
 31 selected is even, a disinterested arbitrator shall be
 32 selected by the administrator of the area education
 33 agency to which the dissolving district ~~or districts~~
 34 ~~belong~~ belongs. The decision of the arbitrators shall
 35 be made in writing and filed with the secretary of
 36 ~~the new corporation~~ each affected school district. A
 37 party to the proceedings may appeal the decision to
 38 the district court by serving notice on the secretary
 39 ~~of the new school corporation~~ each affected school
 40 district within twenty days after the decision is
 41 filed. The appeal shall be tried in equity and a
 42 decree entered determining the entire matter, including
 43 the levy, collection, and distribution of any necessary
 44 taxes.

45 b. If the dissolving district has outstanding bonds
 46 issued under section 423E.5 or 423F.4, the arbitrators'
 47 decision and any decision of the court on appeal shall
 48 require each school district receiving territory from
 49 the dissolving district to assume liability for the
 50 payment of a portion of such bonds that is equal to

Page 5

1 the percentage of the total number of resident pupils
 2 from the dissolving district who lived in the territory
 3 received during the last year of the dissolving
 4 district's existence.

5 Sec. 7. Section 275.55, Code 2015, is amended by
 6 adding the following new subsection:
 7 NEW SUBSECTION. 5. For bonds issued under section
 8 423E.5 or 423F.4, the approval of the dissolution at
 9 election creates a lien on the revenues from the secure
 10 an advanced vision for education fund received by the
 11 district to which liability for payment of a portion of
 12 such bonds, subject to the same priority as provided
 13 by the dissolving school district. However, such a
 14 lien is limited to the extent required to satisfy
 15 payments for the portion of the liability assigned to

- 8 — certification.
- 9 1. As used in this section, unless the context
- 10 otherwise requires:
- 11 a. “*Certification*” means the participation and
- 12 assent of the chief law enforcement officer of the
- 13 jurisdiction where the applicant resides or maintains
- 14 an address of record, that is necessary under federal
- 15 law for the approval of an application to make or

- 17 b. “*Chief law enforcement officer*” means the county
- 18 sheriff, chief of police, or the designee of such
- 19 official, that the federal bureau of alcohol, tobacco,
- 20 firearms and explosives, or any successor agency, has
- 21 identified by regulation or has determined is otherwise

38 to inspect any private premises as a condition of

39 providing a certification under this section.

40 5. A chief law enforcement officer and employees

4 and inserting:
5 Section 1. Section 97A.6, subsection 7, paragraph

7 follows:
8 (1) Should any beneficiary for either ordinary
9 or accidental disability, except a beneficiary

12 beneficiary had remained in active service, be
13 engaged in a gainful occupation paying more than
14 the difference between the member's net retirement
15 allowance and one and one-half times the current
16 earnable compensation of an active member at the same
17 position on the salary scale within the member's rank
18 as the member held at retirement, then the amount of

22 the amount earned by the member shall equal one and

23 one-half times the amount of the current earnable
 24 compensation of an active member at the same position

 28 retirement allowance may be further modified, subject
 29 to the requirements of this subparagraph, provided
 30 that the new retirement allowance shall not exceed the
 31 amount of the retirement allowance originally granted
 32 adjusted by annual readjustments of pensions pursuant

 37 earnable compensation of an active member at the same
 38 position on the salary scale within the member's rank
 39 as the member held at retirement. However, a member's
 40 retirement allowance payable in a calendar year shall
 41 not be reduced pursuant to this subparagraph to an
 42 amount that is less than half of the member's ordinary
 43 disability or accidental disability retirement benefit
 44 allowance calculated without regard to this paragraph
 45 "a", and otherwise payable to the member in a calendar
 46 year. A beneficiary restored to active service at
 47 a salary less than the average final compensation
 48 upon the basis of which the member was retired at age
 49 fifty-five or greater, shall not again become a member
 50 of the retirement system and shall have the member's

Page 2

1 retirement allowance suspended while in active service.
 2 If the rank or position held by the retired member is
 3 subsequently abolished, adjustments to the allowable
 4 limit on the amount of income which can be earned in
 5 a gainful occupation shall be computed in the same
 6 manner as provided in subsection 14, paragraph "c",
 7 of this section for readjustment of pensions when a

 8 TELEHEALTH COVERAGE
 9 Sec. __. LEGISLATIVE FINDINGS. The general
 10 assembly finds and recognizes all of the following:
 11 1. Access to health care facilities and health care
 12 professionals is critically important to the citizens
 13 of Iowa.
 14 2. Telehealth uses electronic technology to

15 overcome a geographic distance between patients and
16 health care providers for the purpose of intervention,
17 clinical management, or assessing, monitoring, or
18 educating patients.

19 3. The provision of telehealth results in
20 demonstrated cost-effectiveness, improvements in
21 disease management, and improved patient outcomes and
22 studies by the American telemedicine association and
23 others have demonstrated significant reductions in
24 hospitalizations and otherwise necessary medical care
25 as a result of telehealth intervention.

26 4. Geography, weather, availability of specialists,
27 transportation, and other factors can create barriers
28 to accessing appropriate health care, including
29 behavioral health care, and one way to provide, ensure,
30 or enhance access to care given these barriers is
31 through the appropriate use of technology to allow
32 health care consumers access to qualified health care
33 professionals.

34 5. Additionally, the utilization of telehealth
35 will further the maintenance and improvement of the
36 physical and economic health of patients in medically
37 underserved communities by retaining the source of
38 health care in local areas, strengthening the health
39 infrastructure, and preserving health-care-related
40 jobs.

41 6. A need exists in this state to embrace efforts
42 that will encourage health insurers and health care
43 professionals to support the use of telehealth and that
44 will also encourage all state agencies to evaluate and
45 amend their policies and rules to remove any regulatory
46 barriers prohibiting the use of telehealth.

47 7. Recognition exists that the full potential of
48 delivering health care services through telehealth
49 cannot be realized without the assurance of payment and
50 the resolution of existing legal and policy barriers

Page 2

1 to such payment.

2 8. The purpose of the Iowa telehealth Act is to
3 provide a framework for health care professionals to
4 utilize in providing telehealth to Iowans in a manner
5 that provides efficient and effective access to quality
6 health care.

7 Sec. __. NEW SECTION. **147B.1 Title.**

8 This chapter shall be known and may be cited as the
9 "*Iowa Telehealth Act*".

10 Sec. __. NEW SECTION. **147B.2 Definitions.**

11 As used in this chapter, unless the context
12 otherwise requires:

13 1. "*Distant site*" means the site at which a health

14 care professional delivering the service is located at
15 the time the telehealth service is provided.

16 2. *“Health care professional”* means a person who
17 is licensed, certified, or otherwise authorized or
18 permitted by the law of this state to administer health
19 care in the ordinary course of business or in the
20 practice of a profession, or in an approved education
21 or training program, as long as the person is operating
22 within the person’s professional scope of practice.

23 3. *“Remote patient monitoring”* means using
24 telehealth to enable the health care professional to
25 monitor and manage a patient’s medical, functional, and
26 environmental needs if such needs can be appropriately
27 met through telehealth intervention.

28 4. *“Store-and-forward telehealth”* means the use of
29 asynchronous communications between a patient and a
30 health care professional or between a referring health
31 care professional and a medical specialist at a distant
32 site, supported by telecommunications technology for
33 the purpose of diagnosis, consultation, treatment, or
34 therapeutic assistance in the care of the patient,
35 including the transferring of medical data from one
36 site to another through the use of a camera or similar
37 device that records or stores an image that is sent or
38 forwarded via telecommunications to another site for
39 consultation.

40 5. *“Telehealth”* means the use of real-time,
41 interactive audio or video telecommunications or
42 electronic technology, remote patient monitoring,
43 or store-and-forward telehealth by a health care
44 professional to deliver health care services to a
45 patient within the scope of practice of the health
46 care professional, for the purposes of diagnosis,
47 consultation, treatment, transfer of medical data,
48 or exchange of medical education information.
49 *“Telehealth”* does not include an audio-only telephone
50 call, electronic mail message, or facsimile

Page 3

1 transmission.

2 Sec. __. NEW SECTION. 147B.3 Telehealth.

3 1. A health care professional, as appropriate to
4 the scope of practice of the profession, may employ
5 the technology of telehealth by applying telehealth
6 within the professional’s scope of practice or by
7 using telehealth technology under the direction and
8 supervision of another health care professional who
9 is using telehealth technology within the supervising
10 professional’s scope of practice. A health care
11 professional’s employment of telehealth acting under
12 the direction and supervision of another health care

13 professional who is using telehealth within that
14 health care professional's scope of practice shall
15 not be interpreted as practicing the supervising
16 professional's health care profession without a license
17 or appropriate authorization. However, any health care
18 professional employing telehealth must hold a current
19 valid license or appropriate authorization to practice
20 the respective profession in the state and be trained,
21 educated, and knowledgeable regarding the health care
22 service provided and technology used and shall not
23 perform duties for which the professional does not have
24 sufficient training, education, and knowledge. Failure
25 to have sufficient training, education, and knowledge
26 is grounds for disciplinary action by the respective
27 board or regulatory authority.

28 2. The applicable board or regulatory authority
29 that exercises regulatory or rulemaking authority
30 over an affected profession under this chapter, or the
31 department in the absence of an applicable board or
32 regulatory authority, shall adopt rules to administer
33 this chapter.

34 3. The standard of care for a professional using
35 telehealth to provide health care services to a patient
36 shall be the same as the standard of care required of
37 that professional for the provision of in-person health
38 care services to a patient.

39 4. The type of setting where telehealth is provided
40 for the patient or by the health care professional
41 shall not be limited if the delivery of health care
42 services is appropriately provided through telehealth.

43 5. This chapter shall not be construed to conflict
44 with or supersede provisions otherwise applicable
45 to the licensure or regulation of health care
46 professionals.

47 6. This chapter shall not be construed to alter
48 the scope of practice of any health care professional,
49 authorize the delivery of health care services in a
50 setting or manner not otherwise authorized by law, or

Page 4

1 limit a patient's right to choose in-person contact
2 with a health care professional for the delivery of
3 health care services for which telehealth is available.

4 7. If a health care professional provides services
5 pursuant to and in compliance with section 135.24
6 via telehealth in accordance with this chapter, the
7 provisions of section 135.24 including those relating
8 to immunity from civil liability shall apply to such
9 health care professional.

10 Sec. ____. NEW SECTION. 514C.30 Telehealth.

11 1. Notwithstanding the uniformity of treatment

12 requirements of section 514C.6, a contract, policy, or
13 plan providing for third-party payment or prepayment
14 for health, medical, or surgical coverage benefits may
15 provide coverage for services provided as telehealth if
16 the services would be covered if provided in person.
17 Coverage for telehealth shall reflect generally
18 accepted health care practices and standards, as well
19 as medical care management requirements applicable to
20 in-person services.

21 2. If health care coverage is provided for
22 telehealth under this section, all of the following
23 shall apply:

24 a. This section shall not be interpreted as
25 preventing a third-party payment provider from imposing

28 if the deductible, copayment, or coinsurance does
29 not exceed the deductible, copayment, or coinsurance
30 applicable to in-person consultation for the same
31 health care service. A third-party payment provider
32 shall not impose annual or lifetime maximums on
33 coverage of telehealth unless the annual or lifetime
34 maximum applies in the aggregate to all items and
35 services under the contract, policy, or plan.

36 b. This section shall not be interpreted to require
37 a third-party payment provider to provide reimbursement
38 for a health care service that is not a covered benefit
39 or to reimburse a health care professional who is not a
40 covered provider under the contract, policy, or plan.

41 c. This section shall not be interpreted to
42 preclude a third-party payment provider from performing
43 utilization review to determine the appropriateness of
44 telehealth in the delivery of health care services if
45 the determination is made in the same manner as those
46 regarding the same health care service when delivered
47 in person.

48 d. This section shall not be interpreted to
49 authorize a third-party payment provider to require the
50 use of telehealth when the health care professional

41 payment for services appropriately provided through
42 telehealth in accordance with generally accepted
43 health care practices and standards prevailing in the
44 applicable professional community at the time the
45 services are provided. Health care services provided
46 through in-person consultations or through telehealth
47 shall be treated as equivalent services for the
48 purposes of reimbursement. As used in this section,

 9 TELEHEALTH COVERAGE
 10 Sec. _____. LEGISLATIVE FINDINGS. The general

11 assembly finds and recognizes all of the following:

12 1. Access to health care facilities and health care
13 professionals is critically important to the citizens
14 of Iowa.

15 2. Telehealth uses electronic technology to
16 overcome a geographic distance between patients and
17 health care providers for the purpose of intervention,
18 clinical management, or assessing, monitoring, or
19 educating patients.

20 3. The provision of telehealth results in
21 demonstrated cost-effectiveness, improvements in
22 disease management, and improved patient outcomes and
23 studies by the American telemedicine association and
24 others have demonstrated significant reductions in
25 hospitalizations and otherwise necessary medical care
26 as a result of telehealth intervention.

27 4. Geography, weather, availability of specialists,
28 transportation, and other factors can create barriers
29 to accessing appropriate health care, including
30 behavioral health care, and one way to provide, ensure,
31 or enhance access to care given these barriers is
32 through the appropriate use of technology to allow
33 health care consumers access to qualified health care
34 professionals.

35 5. Additionally, the utilization of telehealth
36 will further the maintenance and improvement of the
37 physical and economic health of patients in medically
38 underserved communities by retaining the source of
39 health care in local areas, strengthening the health
40 infrastructure, and preserving health-care-related
41 jobs.

42 6. A need exists in this state to embrace efforts
43 that will encourage health insurers and health care
44 professionals to support the use of telehealth and that
45 will also encourage all state agencies to evaluate and
46 amend their policies and rules to remove any regulatory
47 barriers prohibiting the use of telehealth.

48 7. Recognition exists that the full potential of
49 delivering health care services through telehealth
50 cannot be realized without the assurance of payment and

Page 2

1 the resolution of existing legal and policy barriers
2 to such payment.

3 8. The purpose of the Iowa telehealth Act is to
4 provide a framework for health care professionals to
5 utilize in providing telehealth to Iowans in a manner
6 that provides efficient and effective access to quality
7 health care.

8 Sec. __. NEW SECTION. **147B.1 Title.**

9 This chapter shall be known and may be cited as the

10 *“Iowa Telehealth Act”*.

11 Sec. ____ **NEW SECTION. 147B.2 Definitions.**

12 As used in this chapter, unless the context
13 otherwise requires:

14 1. *“Distant site”* means the site at which a health
15 care professional delivering the service is located at
16 the time the telehealth service is provided.

17 2. *“Health care professional”* means a person who
18 is licensed, certified, or otherwise authorized or
19 permitted by the law of this state to administer health
20 care in the ordinary course of business or in the
21 practice of a profession, or in an approved education
22 or training program, as long as the person is operating
23 within the person’s professional scope of practice.

24 3. *“Remote patient monitoring”* means using
25 telehealth to enable the health care professional to
26 monitor and manage a patient’s medical, functional, and
27 environmental needs if such needs can be appropriately
28 met through telehealth intervention.

29 4. *“Store-and-forward telehealth”* means the use of
30 asynchronous communications between a patient and a
31 health care professional or between a referring health
32 care professional and a medical specialist at a distant
33 site, supported by telecommunications technology for
34 the purpose of diagnosis, consultation, treatment, or
35 therapeutic assistance in the care of the patient,
36 including the transferring of medical data from one
37 site to another through the use of a camera or similar
38 device that records or stores an image that is sent or
39 forwarded via telecommunications to another site for
40 consultation.

41 5. *“Telehealth”* means the use of real-time,
42 interactive audio or video telecommunications or
43 electronic technology, remote patient monitoring,
44 or store-and-forward telehealth by a health care
45 professional to deliver health care services to a
46 patient within the scope of practice of the health
47 care professional, for the purposes of diagnosis,
48 consultation, treatment, transfer of medical data,
49 or exchange of medical education information.

50 *“Telehealth”* does not include an audio-only telephone

Page 3

1 call, electronic mail message, or facsimile
2 transmission.

3 Sec. ____ **NEW SECTION. 147B.3 Telehealth.**

4 1. A health care professional, as appropriate to
5 the scope of practice of the profession, may employ
6 the technology of telehealth by applying telehealth
7 within the professional’s scope of practice or by
8 using telehealth technology under the direction and

9 supervision of another health care professional who
10 is using telehealth technology within the supervising
11 professional's scope of practice. A health care
12 professional's employment of telehealth acting under
13 the direction and supervision of another health care
14 professional who is using telehealth within that
15 health care professional's scope of practice shall
16 not be interpreted as practicing the supervising
17 professional's health care profession without a license
18 or appropriate authorization. However, any health care
19 professional employing telehealth must hold a current
20 valid license or appropriate authorization to practice
21 the respective profession in the state and be trained,
22 educated, and knowledgeable regarding the health care
23 service provided and technology used and shall not
24 perform duties for which the professional does not have
25 sufficient training, education, and knowledge. Failure
26 to have sufficient training, education, and knowledge
27 is grounds for disciplinary action by the respective
28 board or regulatory authority.

29 2. The applicable board or regulatory authority
30 that exercises regulatory or rulemaking authority
31 over an affected profession under this chapter, or the
32 department in the absence of an applicable board or
33 regulatory authority, shall adopt rules to administer
34 this chapter.

35 3. The standard of care for a professional using
36 telehealth to provide health care services to a patient
37 shall be the same as the standard of care required of
38 that professional for the provision of in-person health
39 care services to a patient.

40 4. The type of setting where telehealth is provided
41 for the patient or by the health care professional
42 shall not be limited if the delivery of health care
43 services is appropriately provided through telehealth.

44 5. This chapter shall not be construed to conflict
45 with or supersede provisions otherwise applicable
46 to the licensure or regulation of health care
47 professionals.

48 6. This chapter shall not be construed to alter
49 the scope of practice of any health care professional,
50 authorize the delivery of health care services in a

Page 4

1 setting or manner not otherwise authorized by law, or
2 limit a patient's right to choose in-person contact
3 with a health care professional for the delivery of
4 health care services for which telehealth is available.

5 7. If a health care professional provides services
6 pursuant to and in compliance with section 135.24
7 via telehealth in accordance with this chapter, the

8 provisions of section 135.24 including those relating
9 to immunity from civil liability shall apply to such
10 health care professional.

11 Sec. ____ **NEW SECTION. 514C.30 Telehealth.**

12 1. Notwithstanding the uniformity of treatment
13 requirements of section 514C.6, a contract, policy, or
14 plan providing for third-party payment or prepayment
15 for health, medical, or surgical coverage benefits may
16 provide coverage for services provided as telehealth if
17 the services would be covered if provided in person.
18 Coverage for telehealth shall reflect generally
19 accepted health care practices and standards, as well
20 as medical care management requirements applicable to
21 in-person services.

22 2. If health care coverage is provided for
23 telehealth under this section, all of the following
24 shall apply:

25 *a.* This section shall not be interpreted as
26 preventing a third-party payment provider from imposing
27 deductibles or copayment or coinsurance requirements
28 for a health care service provided through telehealth
29 if the deductible, copayment, or coinsurance does
30 not exceed the deductible, copayment, or coinsurance
31 applicable to in-person consultation for the same
32 health care service. A third-party payment provider
33 shall not impose annual or lifetime maximums on
34 coverage of telehealth unless the annual or lifetime
35 maximum applies in the aggregate to all items and
36 services under the contract, policy, or plan.

37 *b.* This section shall not be interpreted to require
38 a third-party payment provider to provide reimbursement
39 for a health care service that is not a covered benefit
40 or to reimburse a health care professional who is not a
41 covered provider under the contract, policy, or plan.

42 *c.* This section shall not be interpreted to
43 preclude a third-party payment provider from performing
44 utilization review to determine the appropriateness of
45 telehealth in the delivery of health care services if
46 the determination is made in the same manner as those
47 regarding the same health care service when delivered
48 in person.

49 *d.* This section shall not be interpreted to
50 authorize a third-party payment provider to require the

Page 5

1 use of telehealth when the health care professional
2 determines use of telehealth is not appropriate.

3 *e.* The provisions of this section shall apply to
4 all of the following classes of third-party payment
5 provider contracts, policies, or plans delivered,
6 issued for delivery, continued, or renewed in this

7 state on or after January 1, 2016:

8 (1) Individual or group accident and sickness
9 insurance providing coverage on an expense-incurred
10 basis.

11 (2) An individual or group hospital or medical
12 service contract issued pursuant to chapter 509, 514,
13 or 514A.

14 (3) An individual or group health maintenance
15 organization contract regulated under chapter 514B.

16 (4) An individual or group Medicare supplemental
17 policy, unless coverage pursuant to such policy is
18 preempted by federal law.

19 (5) A plan established pursuant to chapter 509A for
20 public employees.

21 *f.* This section shall not apply to accident-only,
22 specified disease, short-term hospital or medical,
23 hospital confinement indemnity, credit, dental, vision,
24 long-term care, basic hospital, and medical-surgical
25 expense coverage as defined by the commissioner,
26 disability income insurance coverage, coverage issued
27 as a supplement to liability insurance, workers'
28 compensation or similar insurance, or automobile
29 medical payment insurance.

30 3. The commissioner of insurance shall adopt rules
31 pursuant to chapter 17A as necessary to administer this
32 section.

33 4. For the purposes of this section, "*health care*
34 *professional*" and "*telehealth*" mean as defined in
35 section 147B.2, as enacted in this Act.

36 Sec. ____ MEDICAID PROGRAM — REIMBURSEMENT FOR
37 TELEHEALTH. The department of human services shall
38 adopt rules to provide for coverage of telehealth under
39 the Medicaid program. The rules shall provide that
40 in-person contact between a health care professional
41 and a patient is not required as a prerequisite for
42 payment for services appropriately provided through
43 telehealth in accordance with generally accepted
44 health care practices and standards prevailing in the
45 applicable professional community at the time the
46 services are provided. Health care services provided
47 through in-person consultations or through telehealth
48 shall be treated as equivalent services for the
49 purposes of reimbursement. As used in this section,
50 "health care professional" and "telehealth" mean as

3 <Sec. _____. NEW SECTION. 505.33 Telehealth —
4 **standards.**

5 1. As used in this section:

6 a. *“Distant site”* means the site at which a health
7 care professional delivering the service is located at
8 the time the telehealth service is provided.

9 b. *“Health care professional”* means a person who
10 is licensed, certified, or otherwise authorized or
11 permitted by the law of this state to administer health
12 care in the ordinary course of business or in the
13 practice of a profession, or in an approved education
14 or training program, as long as the person is operating
15 within the person’s professional scope of practice.

16 c. *“Remote patient monitoring”* means using
17 telehealth to enable the health care professional to
18 monitor and manage a patient’s medical, functional, and
19 environmental needs if such needs can be appropriately
20 met through telehealth intervention.

21 d. *“Store-and-forward telehealth”* means the use of
22 asynchronous communications between a patient and a
23 health care professional or between a referring health
24 care professional and a medical specialist at a distant
25 site, supported by telecommunications technology for
26 the purpose of diagnosis, consultation, treatment, or
27 therapeutic assistance in the care of the patient,
28 including the transferring of medical data from one
29 site to another through the use of a camera or similar
30 device that records or stores an image that is sent or
31 forwarded via telecommunications to another site for
32 consultation.

33 e. *“Telehealth”* means the use of real-time,
34 interactive audio or video telecommunications or
35 electronic technology, remote patient monitoring,
36 or store-and-forward telehealth by a health care
37 professional to deliver health care services to a
38 patient within the scope of practice of the health
39 care professional, for the purposes of diagnosis,
40 consultation, treatment, transfer of medical data,
41 or exchange of medical education information.
42 *“Telehealth”* does not include an audio-only telephone
43 call, electronic mail message, or facsimile
44 transmission.

45 2. The commissioner of insurance shall develop, by
46 rule, coverage standards for a contract, policy, or
47 plan providing for third-party payment or prepayment
48 for health, medical, or surgical coverage benefits
49 that elects to provide coverage for services provided
50 as telehealth. The coverage standards for telehealth

Page 2

1 shall reflect generally accepted health care practices
2 and standards, as well as medical care management
3 requirements applicable to in-person services.

4 3. In developing the coverage standards, the
5 commissioner of insurance shall consult with applicable
6 boards and regulatory authorities that exercise
7 regulatory or rulemaking authority over an affected
8 health care professional to ensure all of the
9 following:

10 a. A health care professional, as appropriate to
11 the scope of practice of the profession, may employ
12 the technology of telehealth by applying telehealth
13 within the professional's scope of practice or by
14 using telehealth technology under the direction and
15 supervision of another health care professional who
16 is using telehealth technology within the supervising
17 professional's scope of practice. A health care
18 professional's employment of telehealth acting under
19 the direction and supervision of another health care
20 professional who is using telehealth within that
21 health care professional's scope of practice shall
22 not be interpreted as practicing the supervising
23 professional's health care profession without a license
24 or appropriate authorization. However, any health care
25 professional employing telehealth must hold a current
26 valid license or appropriate authorization to practice
27 the respective profession in the state and be trained,
28 educated, and knowledgeable regarding the health care
29 service provided and technology used and shall not
30 perform duties for which the professional does not have
31 sufficient training, education, and knowledge. Failure
32 to have sufficient training, education, and knowledge
33 is grounds for disciplinary action by the respective
34 board or regulatory authority.

35 b. The applicable board or regulatory authority
36 that exercises regulatory or rulemaking authority
37 over an affected profession under this section, or
38 the department of public health in the absence of an
39 applicable board or regulatory authority, adopts rules
40 to administer this section.

41 c. The standard of care for a professional using
42 telehealth to provide health care services to a patient
43 shall be the same as the standard of care required of
44 that professional for the provision of in-person health
45 care services to a patient.

46 d. The type of setting where telehealth is provided
47 for the patient or by the health care professional
48 shall not be limited if the delivery of health care
49 services is appropriately provided through telehealth.

50 e. This section shall not be construed to conflict

Page 3

- 1 with or supersede provisions otherwise applicable
2 to the licensure or regulation of health care
3 professionals.
- 4 *f.* This section shall not be construed to alter
5 the scope of practice of any health care professional,
6 authorize the delivery of health care services in a
7 setting or manner not otherwise authorized by law, or
8 limit a patient's right to choose in-person contact
9 with a health care professional for the delivery of
10 health care services for which telehealth is available.
- 11 *g.* If a health care professional provides services
12 pursuant to and in compliance with section 135.24
13 via telehealth in accordance with this section, the
14 provisions of section 135.24 including those relating
15 to immunity from civil liability shall apply to such
16 health care professional.
- 17 4. The rules shall specify that if coverage for
18 telehealth is provided, all of the following shall
19 apply:
- 20 *a.* The rules shall not be interpreted as preventing
21 a third-party payment provider from imposing
22 deductibles or copayment or coinsurance requirements
23 for a health care service provided through telehealth
24 if the deductible, copayment, or coinsurance does
25 not exceed the deductible, copayment, or coinsurance
26 applicable to in-person consultation for the same
27 health care service. A third-party payment provider
28 shall not impose annual or lifetime maximums on
29 coverage of telehealth unless the annual or lifetime
30 maximum applies in the aggregate to all items and
31 services under the contract, policy, or plan.
- 32 *b.* The rules shall not be interpreted to require a
33 third-party payment provider to provide reimbursement
34 for a health care service that is not a covered benefit
35 or to reimburse a health care professional who is not a
36 covered provider under the contract, policy, or plan.
- 37 *c.* The rules shall not be interpreted to preclude
38 a third-party payment provider from performing
39 utilization review to determine the appropriateness of
40 telehealth in the delivery of health care services if
41 the determination is made in the same manner as those
42 regarding the same health care service when delivered
43 in person.
- 44 *d.* The rules shall not be interpreted to authorize
45 a third-party payment provider to require the use of
46 telehealth when the health care professional determines
47 use of telehealth is not appropriate.
- 48 *e.* The rules shall apply to all of the following
49 classes of third-party payment provider contracts,
50 policies, or plans delivered, issued for delivery,

40 order or sentencing order in a criminal prosecution
41 arising from a sexual abuse if it had been entered in
42 Iowa.

43 2. A certified or authenticated copy of a permanent
44 foreign protective order may be filed with the clerk of
45 the district court in any county that would have venue
46 if the original action was being commenced in this
47 state or in which the person in whose favor the order
48 was entered may be present.

49 a. The clerk shall file foreign protective orders
50 that are not certified or authenticated, if supported

Page 11

1 by an affidavit of a person with personal knowledge,
2 subject to the penalties for perjury. The person
3 protected by the order may provide this affidavit.

4 b. The clerk shall provide copies of the order as
5 required by section 236A.7, except that notice shall

26 and an opportunity to be heard before the court or
27 tribunal that issued the order, or in the case of an
28 ex parte order, the respondent was granted notice and
29 opportunity to be heard within a reasonable time after

33 shall be an affirmative defense in any action seeking
34 enforcement of the order.

35 4. A peace officer shall treat a foreign protective

39 arrest for a violation of a protective order issued
40 within this state.

41 a. The fact that a foreign protective order has not
42 been filed with the clerk of court or otherwise placed
43 in a registry shall not be grounds to refuse to enforce
44 the terms of the order unless it is apparent to the
45 officer that the order is invalid on its face.

46 b. A peace officer acting reasonably and in good
47 faith in connection with the enforcement of a foreign
48 protective order shall be immune from civil and
49 criminal liability in any action arising in connection

 34 defendant, the county sheriff of the county in which
 35 the order or consent decree is initially entered, and

6 MISCELLANEOUS PROVISIONS — PAYROLL DEBIT CARDS

7 Sec. ____ Section 91A.3, subsection 3, Code 2015,
8 is amended to read as follows:

9 3. a. The wages paid under subsection 1 shall be
10 paid using a method authorized by this section.

11 b. Wages due may be paid at the employee's normal
12 place of employment during normal employment hours
13 or at a place and hour mutually agreed upon by the
14 employer and employee, ~~or the employee may elect~~
15 ~~to have the wages sent for direct deposit, on or by~~
16 ~~the regular payday of the employee, into a financial~~
17 ~~institution designated by the employee.~~

18 c. Upon written request by the employee, wages due
19 may be sent to the employee by mail. The employer
20 shall maintain a copy of the request for as long as it
21 is effective and for at least two years thereafter.

22 d. The employee may elect to have wages due sent
23 for direct deposit, on or by the regular payday of the
24 employee, into a financial institution designated by
25 the employee. An employee hired on or after July 1,
26 2005, may be required, as a condition of employment, to
27 participate in direct deposit of the employee's wages
28 in a financial institution of the employee's choice
29 unless any of the following conditions exist:

30 (1) The costs to the employee of establishing
31 and maintaining an account for purposes of the direct
32 deposit would effectively reduce the employee's wages
33 to a level below the minimum wage provided under
34 section 91D.1.

35 (2) The employee would incur fees charged to the
36 employee's account as a result of the direct deposit.

37 (3) The provisions of a collective bargaining
38 agreement mutually agreed upon by the employer and
39 the employee organization prohibit the employer from
40 requiring an employee to sign up for direct deposit as
41 a condition of hire.

42 e. (1) An employer may offer payment of wages by
43 debit card or pay card pursuant to this section only if
44 all of the following requirements are met:

45 (a) The employee voluntarily agrees in writing to
46 payment by debit card or pay card after the employer
47 offers to pay the employee's wages by debit card or pay
48 card and notifies the employee in writing that receipt
49 of payment by debit card or pay card is voluntary on
50 the employee's part and listing the other method or

1 methods of payment offered by the employer.

2 (b) The employee has the option of withdrawing all
3 wages due once per pay period, but not more frequently
4 than once per week, without incurring any charge, if
5 such withdrawal of wages is conducted at a financial
6 institution's office location. For purposes of this
7 subparagraph division, "financial institution" means
8 the same as defined in section 537.1301.

9 (2) The employer shall retain copies of the
10 employee's written consent and the notice of charges
11 for the period for which the consent is effective and
12 for at least two years thereafter.

13 (3) The employer shall substitute another payment
14 method in accordance with this section no later than
15 two pay periods after receiving a request from an
16 employee for termination of payment by debit card or
17 pay card.

18 b. f. If the employer fails to pay an employee's
19 wages on or by the regular payday in accordance with
20 this subsection, the employer is liable for the amount
21 of any overdraft charge if the overdraft is created
22 on the employee's account because of the employer's
23 failure to pay the wages on or by the regular payday.
24 The overdraft charges may be the basis for a claim
25 under section 91A.10 and for damages under section
26 91A.8.

27 Sec. ____ Section 91A.6, subsection 4, Code 2015,
28 is amended to read as follows:

29 4. On each regular payday, the employer shall
30 send to each employee by mail or shall provide at the
31 employee's normal place of employment during normal
32 employment hours a statement showing the beginning and
33 ending dates of the pay period to which the statement
34 applies, the hours the employee worked, the wages
35 earned by the employee, and deductions made for the
36 employee. However, the employer need not provide
37 information on hours worked for employees who are
38 exempt from overtime under the federal Fair Labor
39 Standards Act, as defined in 29 C.F.R. pt. 541, unless
40 the employer has established a policy or practice of
41 paying to or on behalf of exempt employees overtime, a
42 bonus, or a payment based on hours worked, whereupon
43 the employer shall send or otherwise provide a
44 statement to the exempt employees showing the hours the
45 employee worked or the payments made to the employee by
46 the employer, as applicable. An employer who provides

20 **an imitation controlled substance.**

21 If a substance has not been designated as an
22 imitation controlled substance by the board of pharmacy
23 and if dosage unit appearance alone does not establish
24 that a substance is an imitation controlled substance,
25 the following factors may be considered in determining
26 whether the substance is an imitation controlled
27 substance:

28 1. The person in control of the substance expressly
29 or impliedly represents that the substance has the
30 effect of a controlled substance.

31 2. The person in control of the substance expressly
32 or impliedly represents that the substance because
33 of its nature or appearance can be sold or delivered
34 as a controlled substance or as a substitute for a
35 controlled substance.

36 3. The person in control of the substance either
37 demands or receives money or other property having a
38 value substantially greater than the actual value of
39 the substance as consideration for delivery of the
40 substance.

41 Sec. ____ Section 124.201, subsection 4, Code 2015,
42 is amended to read as follows:

43 4. If any new substance is designated as a
44 controlled substance under federal law and notice of
45 the designation is given to the board, the board shall
46 similarly designate as controlled the new substance

47 under this chapter after the expiration of thirty days
48 from publication in the federal register of a final
49 order designating a new substance as a controlled
50 substance, unless within that thirty-day period the

Page 2

1 board objects to the new designation. In that case
2 the board shall publish the reasons for objection and
3 afford all interested parties an opportunity to be
4 heard. At the conclusion of the hearing the board
5 shall announce its decision. Upon publication of
6 objection to a new substance being designated as a
7 controlled substance under this chapter by the board,
8 control under this chapter is stayed until the board
9 publishes its decision. If a substance is designated
10 as controlled by the board under this subsection the
11 control shall be considered a temporary and if, within
12 sixty days after the next regular session of the
13 general assembly convenes, the general assembly has not
14 made the corresponding changes in this chapter, the
15 temporary designation of control of the substance by
16 the board shall be nullified amendment to the schedules
17 of controlled substances in this chapter. If the
18 board so designates a substance as controlled, which
19 is considered a temporary amendment to the schedules
20 of controlled substances in this chapter, and if
21 the general assembly does not amend this chapter to
22 enact the temporary amendment and make the enactment
23 effective within two years from the date the temporary
24 amendment first became effective, the temporary
25 amendment is repealed by operation of law two years
26 from the effective date of the temporary amendment. A
27 temporary amendment repealed by operation of law is
28 subject to section 4.13 relating to the construction
29 of statutes and the application of a general savings
30 provision.

10 is intended as or shall imply a grant of entitlement
11 for services to persons who are eligible for assistance
12 due to an income level consistent with the waiting
13 list requirements of section 237A.13. Any state
14 obligation to provide services pursuant to this section
15 is limited to the extent of the funds appropriated in
16 this section.

17 3. Of the funds appropriated in this section,
18 \$432,453 is allocated for the statewide grant program

37 Iowa areas in accordance with approved community plans
38 as provided in section 256I.8.

39 6. The department may use any of the funds
40 appropriated in this section as a match to obtain
41 federal funds for use in expanding child care
42 assistance and related programs. For the purpose of
43 expenditures of state and federal child care funding,
44 funds shall be considered obligated at the time
45 expenditures are projected or are allocated to the

12 under section 8.31 or other operation of law,
13 transfer, or federal funding reduction reduces the
14 appropriation made in this section for the fiscal year,
15 the percentage reduction in the amount paid out to or
16 on behalf of the families participating in the state
17 child care assistance program shall be equal to or

24 federal funding reduction, as applicable. If there is
25 an unanticipated increase in federal funding provided
26 for state child care assistance, the entire amount
27 of the increase shall be used for state child care
28 assistance payments. If the appropriations made for
29 purposes of the state child care assistance program for
30 the fiscal year are determined to be insufficient, it
31 is the intent of the general assembly to appropriate
32 sufficient funding for the fiscal year in order to
33 avoid establishment of waiting list requirements.

2 from the midpoint of the cost report period to the
3 first day of the state fiscal year rate period shall be
4 adjusted to maintain state funding within the amount
5 specified in subparagraph (1).

6 (3) The department, in cooperation with nursing
7 facility representatives, shall review projections for
8 state funding expenditures for reimbursement of nursing
9 facilities on a quarterly basis and the department
10 shall determine if an adjustment to the medical
11 assistance reimbursement rate is necessary in order to

40 (CMS) requires, as a condition of federal Medicaid
41 funding, that the department implement an aggregate
42 federal upper limit (FUL) for drug reimbursement
43 based on the average manufacturer's price (AMP), the
44 department may utilize a reimbursement methodology for
45 all drugs covered under the Medicaid program based on
46 the national average drug acquisition cost (NADAC)
47 methodology published by CMS, in order to assure
48 compliance with the aggregate FUL, minimize outcomes

21 elimination of graduate medical education payments made
22 to out-of-state hospitals.

23 (4) In order to ensure the efficient use of limited
24 state funds in procuring health care services for
25 low-income lowans, funds appropriated in this Act for

39 expenditure increase beyond the amount anticipated
40 in the budget process or if the expenditure was not
41 addressed in the budget process for the fiscal year,
42 the department shall notify the persons designated by
43 this division of this Act for submission of reports,

 42 assistance in accordance with section 237A.13.
 43 2. Nothing in this section shall be construed or
 44 is intended as or shall imply a grant of entitlement
 45 for services to persons who are eligible for assistance
 46 due to an income level consistent with the waiting
 47 list requirements of section 237A.13. Any state
 48 obligation to provide services pursuant to this section
 49 is limited to the extent of the funds appropriated in
 50 this section.

Page 102

1 3. Of the funds appropriated in this section,
2 \$216,226 is allocated for the statewide grant program
3 for child care resource and referral services under
4 section 237A.26. A list of the registered and licensed
5 child care facilities operating in the area served by a
6 child care resource and referral service shall be made
7 available to the families receiving state child care
8 assistance in that area.

9 4. Of the funds appropriated in this section,
10 \$468,487 is allocated for child care quality
11 improvement initiatives including but not limited to
12 the voluntary quality rating system in accordance with
13 section 237A.30.

17 fund created in section 256L.11. The moneys shall
18 be distributed for funding of community-based early
19 childhood programs targeted to children from birth
20 through five years of age developed by early childhood
21 Iowa areas in accordance with approved community plans
22 as provided in section 256L.8.

23 6. The department may use any of the funds
24 appropriated in this section as a match to obtain
25 federal funds for use in expanding child care
26 assistance and related programs. For the purpose of
27 expenditures of state and federal child care funding,
28 funds shall be considered obligated at the time
29 expenditures are projected or are allocated to the
30 department's service areas. Projections shall be based
31 on current and projected caseload growth, current and

45 8. If a uniform reduction ordered by the governor
46 under section 8.31 or other operation of law,

48 appropriation made in this section for the fiscal year,
49 the percentage reduction in the amount paid out to or
50 on behalf of the families participating in the state

1 child care assistance program shall be equal to or
 2 less than the percentage reduction made for any other

 6 this section shall be the same as the uniform reduction
 7 ordered by the governor or the percentage change of the
 8 federal funding reduction, as applicable. If there is
 9 an unanticipated increase in federal funding provided
 10 for state child care assistance, the entire amount
 11 of the increase shall be used for state child care
 12 assistance payments. If the appropriations made for
 13 purposes of the state child care assistance program for
 14 the fiscal year are determined to be insufficient, it
 15 is the intent of the general assembly to appropriate
 16 sufficient funding for the fiscal year in order to
 17 avoid establishment of waiting list requirements.

18 9. Notwithstanding section 8.33, moneys advanced
 19 for purposes of the programs developed by early
 20 childhood Iowa areas, advanced for purposes of

22 program, or the family investment program which are
23 provided to children who would otherwise receive
24 services paid under the appropriation in this section.
25 The department may transfer funds appropriated in this
26 section to the appropriations made in this division
27 of this Act for general administration and for field
28 operations for resources necessary to implement and

36 allocated in this paragraph "a", the department may
37 reallocate the excess to provide additional funding for
38 shelter care or the child welfare emergency services
39 addressed with the allocation for shelter care.

40 b. If at any time after September 30, 2016,
41 annualization of a service area's current expenditures
42 indicates a service area is at risk of exceeding its
43 group foster care expenditure target under section
44 232.143 by more than 5 percent, the department and
45 juvenile court services shall examine all group
46 foster care placements in that service area in order
47 to identify those which might be appropriate for
48 termination. In addition, any aftercare services
49 believed to be needed for the children whose
50 placements may be terminated shall be identified. The

1 department and juvenile court services shall initiate
2 action to set dispositional review hearings for the
3 placements identified. In such a dispositional review
4 hearing, the juvenile court shall determine whether
5 needed aftercare services are available and whether

32 to the department to be used as additional funding
33 for services and purposes provided for under this

29 of the funds allocated in this subsection such that
30 there are sufficient funds to pay for all court-related
31 services during the entire year. The chief juvenile
32 court officers and departmental service area managers
33 shall attempt to anticipate potential surpluses and
34 shortfalls in the distribution amounts and shall
35 cooperatively request the state court administrator

1 care contractors under this section.
2 Sec. __. PROPOSAL FOR A HEALTH CONSUMER OMBUDSMAN
3 ALLIANCE. The office of long-term care ombudsman
4 shall collaborate with the department on aging, the
5 office of substitute decision maker, the department of
6 veterans affairs, the department of human services,
7 the department of public health, the department of
8 inspections and appeals, the designated protection
9 and advocacy agency as provided in section 135C.2,
10 subsection 4, the civil rights commission, the senior
11 health insurance information program, the Iowa
12 insurance consumer advocate, Iowa legal aid, and other
13 consumer advocates and consumer assistance programs,
14 to develop a proposal for the establishment of a
15 health consumer ombudsman alliance. The purpose of
16 the alliance is to provide a permanent coordinated
17 system of independent consumer supports to ensure
18 that consumers, including consumers covered under
19 Medicaid managed care, obtain and maintain essential
20 health care, are provided unbiased information in
21 understanding coverage models, and are assisted in
22 resolving problems regarding health care services,
23 coverage, access, and rights. The proposal developed
24 shall include annual budget projections and shall be
25 submitted to the governor and the general assembly no

26 later than December 15, 2015.

27 Sec. ____ FUNCTIONAL, LEVEL OF CARE, AND
28 NEEDS-BASED ASSESSMENTS — CASE MANAGEMENT.

29 1. The department of human services shall contract
30 with a conflict free third party to conduct initial
31 and subsequent functional, level of care, and needs
32 assessments and reassessments of consumers who may be
33 eligible for long-term services and supports and are
34 subject to a Medicaid managed care contract. Such
35 assessments and reassessments shall not be completed
36 by a Medicaid managed care organization under contract
37 with the state or by any entity that is not deemed
38 conflict free. If a managed care contractor becomes
39 aware that an applicant may require long-term services
40 and supports or that an enrolled consumer's functional
41 level of care, support needs, or medical status has
42 changed, the Medicaid managed care contractor shall
43 notify the department and the conflict free third
44 party shall administer any assessment or reassessment
45 in response to the notification. A case manager
46 or Medicaid managed care contractor shall not alter
47 a consumer's service plan independent of the prior
48 administration of an assessment or reassessment
49 conducted by the conflict free third party. The
50 department of human services shall retain authority

Page 6

1 to determine or redetermine a consumer's categorical,
2 financial, level of care or needs-based eligibility
3 based on the conflict free third party assessment or
4 reassessment.

5 2. The department of human services shall provide
6 for administration of non-biased, community-based,
7 in-person options counseling by a conflict free third
8 party for applicants for a Medicaid managed care plan.

9 3. Case management under a Medicaid managed care
10 contract shall be administered in a conflict free
11 manner.

12 4. For the purposes of this section, "conflict
13 free" means conflict free pursuant to specifications of
14 the balancing incentive program requirements.

28 **DIVISION V**
 29 **CONTROLLED SUBSTANCES**

30 Sec. 43. Section 124.101, Code 2015, is amended by
 31 adding the following new subsection:

32 **NEW SUBSECTION. 15A.** *“Imitation controlled*
 33 *substance”* means a substance which is not a controlled
 34 substance but which by color, shape, size, markings,
 35 and other aspects of dosage unit appearance, and
 36 packaging or other factors, appears to be or resembles
 37 a controlled substance. The board of pharmacy may
 38 designate a substance as an imitation controlled
 39 substance pursuant to the board’s rulemaking authority
 40 and in accordance with chapter 17A. *“Imitation*
 41 *controlled substance”* also means any substance
 42 determined to be an imitation controlled substance
 43 pursuant to section 124.101B.

44 Sec. 44. **NEW SECTION. 124.101B Factors indicating**
 45 **an imitation controlled substance.**

46 If a substance has not been designated as an
 47 imitation controlled substance by the board of pharmacy
 48 and if dosage unit appearance alone does not establish
 49 that a substance is an imitation controlled substance,
 50 the following factors may be considered in determining

Page 16

1 whether the substance is an imitation controlled
 2 substance:

3 1. The person in control of the substance expressly
 4 or impliedly represents that the substance has the
 5 effect of a controlled substance.

6 2. The person in control of the substance expressly
 7 or impliedly represents that the substance because
 8 of its nature or appearance can be sold or delivered
 9 as a controlled substance or as a substitute for a
 10 controlled substance.

11 3. The person in control of the substance either
 12 demands or receives money or other property having a
 13 value substantially greater than the actual value of
 14 the substance as consideration for delivery of the

15 substance.

16 Sec. 45. Section 124.201, subsection 4, Code 2015,
17 is amended to read as follows:

18 4. If any new substance is designated as a
19 controlled substance under federal law and notice of
20 the designation is given to the board, the board shall
21 similarly designate as controlled the new substance
22 under this chapter after the expiration of thirty days
23 from publication in the federal register of a final
24 order designating a new substance as a controlled
25 substance, unless within that thirty-day period the
26 board objects to the new designation. In that case
27 the board shall publish the reasons for objection and
28 afford all interested parties an opportunity to be
29 heard. At the conclusion of the hearing the board
30 shall announce its decision. Upon publication of
31 objection to a new substance being designated as a
32 controlled substance under this chapter by the board,
33 control under this chapter is stayed until the board
34 publishes its decision. If a substance is designated
35 as controlled by the board under this subsection the
36 control shall be considered a temporary ~~and if, within~~
37 ~~sixty days after the next regular session of the~~
38 ~~general assembly convenes, the general assembly has not~~
39 ~~made the corresponding changes in this chapter, the~~
40 ~~temporary designation of control of the substance by~~
41 ~~the board shall be nullified~~ amendment to the schedules
42 of controlled substances in this chapter. If the
43 board so designates a substance as controlled, which
44 is considered a temporary amendment to the schedules
45 of controlled substances in this chapter, and if
46 the general assembly does not amend this chapter to
47 enact the temporary amendment and make the enactment
48 effective within two years from the date the temporary
49 amendment first became effective, the temporary
50 amendment is repealed by operation of law two years

Page 17

1 from the effective date of the temporary amendment. A
2 temporary amendment repealed by operation of law is
3 subject to section 4.13 relating to the construction
4 of statutes and the application of a general savings
5 provision.

4 Sec. ____. Section 724.1, subsection 1, paragraph h,
 5 Code 2015, is amended by striking the paragraph.

6 Sec. ____. NEW SECTION. 724.1A Firearm suppressors
 7 — certification.

8 1. As used in this section, unless the context
 9 otherwise requires:

10 a. "Certification" means the participation and
 11 assent of the chief law enforcement officer of the

12 jurisdiction where the applicant resides or maintains
13 an address of record, that is necessary under federal
14 law for the approval of an application to make or
15 transfer a firearm suppressor.

16 *b. "Chief law enforcement officer"* means the county
17 sheriff, chief of police, or the designee of such
18 official, that the federal bureau of alcohol, tobacco,
19 firearms and explosives, or any successor agency, has
20 identified by regulation or has determined is otherwise
21 eligible to provide any required certification for
22 making or transferring a firearm suppressor.

23 *c. "Firearm suppressor"* means a mechanical device
24 specifically constructed and designed so that when
25 attached to a firearm silences, muffles, or suppresses
26 the sound when fired that is considered a "*firearm*
27 *silencer*" or "*firearm muffler*" as defined in 18 U.S.C.
28 §921.

29 2. *a.* A chief law enforcement officer is not
30 required to make any certification under this section
31 the chief law enforcement officer knows to be false,
32 but the chief law enforcement officer shall not
33 refuse, based on a generalized objection, to issue a
34 certification to make or transfer a firearm suppressor.

35 *b.* When the certification of the chief law
36 enforcement officer is required by federal law or
37 regulation for making or transferring a firearm
38 suppressor, the chief law enforcement officer
39 shall, within thirty days of receipt of a request
40 for certification, issue such certification if the
41 applicant is not prohibited by law from making or
42 transferring a firearm suppressor or is not the subject
43 of a proceeding that could result in the applicant
44 being prohibited by law from making or transferring
45 the firearm suppressor. If the chief law enforcement
46 officer does not issue a certification as required by
47 this section, the chief law enforcement officer shall
48 provide the applicant with a written notification of
49 the denial and the reason for the denial.

50 *c.* A certification that has been approved under

Page 10

1 this section grants the person the authority to make
2 or transfer a firearm suppressor as provided by state
3 and federal law.

4 3. An applicant whose request for certification
5 is denied may appeal the decision of the chief law
6 enforcement officer to the district court for the
7 county in which the applicant resides or maintains
8 an address of record. The court shall review the
9 decision of the chief law enforcement officer to deny
10 the certification de novo. If the court finds that

11 the applicant is not prohibited by law from making
 12 or transferring the firearm suppressor, or is not the
 13 subject of a proceeding that could result in such
 14 prohibition, or that no substantial evidence supports
 15 the decision of the chief law enforcement officer, the
 16 court shall order the chief law enforcement officer
 17 to issue the certification and award court costs and
 18 reasonable attorney fees to the applicant. If the
 19 court determines the applicant is not eligible to be
 20 issued a certification, the court shall award court
 21 costs and reasonable attorney fees to the political
 22 subdivision of the state representing the chief law
 23 enforcement officer.

24 4. In making a determination about whether to
 25 issue a certification under subsection 2, a chief law
 26 enforcement officer may conduct a criminal background
 27 check, including an inquiry of the national instant
 28 criminal background check system maintained by the
 29 federal bureau of investigation or any successor
 30 agency, but shall only require the applicant provide
 31 as much information as is necessary to identify
 32 the applicant for this purpose or to determine the
 33 disposition of an arrest or proceeding relevant to the
 34 eligibility of the applicant to lawfully possess or
 35 receive a firearm suppressor. A chief law enforcement
 36 officer shall not require access to or consent
 37 to inspect any private premises as a condition of
 38 providing a certification under this section.

39 5. A chief law enforcement officer and employees
 40 of the chief law enforcement officer who act in good
 41 faith are immune from liability arising from any act or
 42 omission in making a certification as required by this
 43 section.

44 Sec. ____ **NEW SECTION. 724.1B Firearm suppressors**
 45 **— penalty.**

46 1. A person shall not possess a firearm suppressor
 47 in this state if such possession is knowingly in
 48 violation of federal law.

49 2. A person who possesses a firearm suppressor in
 50 violation of subsection 1 commits a class "D" felony.

 21 had been produced at the time of the alleged offense.

22 Sec. ____. Section 724.4B, subsection 2, paragraph
 23 a, Code 2015, is amended to read as follows:

29 permits shall be on a form prescribed and published
30 by the commissioner of public safety, which shall be
31 readily distinguishable from the professional permit,
32 and shall identify the holder of the permit. Such
33 permits shall not be issued for a particular weapon
34 and shall not contain information about a particular
35 weapon including the make, model, or serial number of
36 the weapon or any ammunition used in that weapon. All
37 permits so issued shall be for a period of five years
38 and shall be valid throughout the state except where
39 the possession or carrying of a firearm is prohibited
40 by state or federal law.

41 Sec. ____ Section 724.9, Code 2015, is amended by

Page 13

1 shall be made to the sheriff of the county in which
2 the applicant resides. Applications for professional
3 permits to carry weapons for persons who are
4 nonresidents of the state, or whose need to go armed
5 arises out of employment by the state, shall be made
6 to the commissioner of public safety. In either case,
7 the sheriff or commissioner, before issuing the permit,

8 shall determine that the requirements of sections 724.6
9 to 724.10 have been satisfied. However, ~~for renewal of~~
10 ~~a permit~~ the training program requirements in section
11 724.9, subsection 1, do not apply to an applicant
12 who is able to demonstrate completion of small arms
13 training as specified in section 724.9, subsection 1,
14 paragraph “d”. For all other applicants the training

45 of subparagraph (1). However, the training program
46 requirements of section 724.9, subsection 1, do not
47 apply to an applicant who is able to demonstrate
48 completion of small arms training as specified in

22 twenty-four-month time period limitation for training
23 or qualification does not apply to an applicant who is
24 able to demonstrate completion of small arms training
25 as specified in section 724.9, subsection 1, paragraph

32 such renewal permit is received by the issuing officer
33 at least within thirty days prior to the expiration
34 of the applicant's current permit or within thirty
35 days after such expiration. The issuing officer
36 shall notify the commissioner of public safety of the

40 of the real property.

41 Sec. ____. Section 6B.56, subsection 2, paragraph a,
42 Code 2015, is amended to read as follows:

43 a. Before the real property described in subsection
44 1 may be offered for sale to the general public,
45 the acquiring agency shall notify the prior owner
46 of the such real property ~~condemned~~ in writing of
47 the acquiring agency's intent to dispose of the real
48 property, of the current appraised value of the real
49 property to be offered for sale, and of the prior
50 owner's right to purchase the real property to be

Page 28

1 offered for sale within sixty days from the date
2 the notice is served at a price equal to the current
3 appraised value of the real property to be offered for
4 sale or the fair market value of the property to be
5 offered for sale at the time it was acquired by the
6 acquiring agency from the prior owner plus cleanup
7 costs incurred by the acquiring agency for the property
8 to be offered for sale, whichever is less. However,
9 the current appraised value of the real property to be
10 offered for sale shall be the purchase price to be paid
11 by the previous owner if any other amount would result
12 in a loss of federal funding for projects funded in
13 whole or in part with federal funds. The notice sent
14 by the acquiring agency as provided in this subsection
15 shall be filed with the office of the recorder in the
16 county in which the real property is located.

17 Sec. ____ Section 6B.56A, subsection 1, Code 2015,
18 is amended to read as follows:

19 1. When five years have elapsed since property was
20 condemned and all or a portion of the property has not
21 been used for the purpose stated in the application
22 filed pursuant to section 6B.3, and the acquiring
23 agency has not taken action to dispose of the unused
24 property pursuant to section 6B.56, the acquiring
25 agency shall, within sixty days, adopt a resolution
26 reaffirming the purpose for which the property will be
27 used or offering the property for sale to the prior
28 owner at a price as provided in section 6B.56. If the
29 resolution adopted approves an offer of sale to the
30 prior owner, the offer shall be made in writing and
31 mailed by certified mail to the prior owner. The prior
32 owner has one hundred eighty days after the offer is
33 mailed to purchase the property from the acquiring
34 agency.

35 Sec. ____ APPLICABILITY. The section of this
36 division of this Act amending section 6B.2C applies to
37 public improvement projects for which an application
38 under section 6B.3 is filed on or after July 1, 2015.

39 Sec. ____ APPLICABILITY. The sections of this
40 division of this Act amending sections 6B.56 and 6B.56A
41 apply to public improvement projects for which an
42 application under section 6B.3 is filed before, on, or
43 after July 1, 2015.

44 DIVISION ____
45 CONDEMNATION FOR CREATION OF A LAKE — NUMBER OF ACRES

46 Sec. ____ Section 6A.22, subsection 2, paragraph c,
47 subparagraph (1), subparagraph division (b), Code 2015,
48 is amended to read as follows:

49 (b) (i) For purposes of this subparagraph (1),
50 *“number of acres justified as necessary for a surface*

Page 29

1 *drinking water source*” means according to guidelines of
 2 the United States natural resource conservation service
 3 and according to analyses of surface drinking water
 4 capacity needs conducted by one or more registered
 5 professional engineers.

6 (ii) For condemnation proceedings for which the
 7 application pursuant to section 6B.3 was filed after
 8 January 1, 2013, for condemnation of property located
 9 in a county with a population of greater than nine
 10 thousand two hundred fifty but less than nine thousand
 11 three hundred, according to the 2010 federal decennial
 12 census, which property was in whole or in part subject
 13 to an action under section 6A.24 for which the petition
 14 under section 6A.24 was filed after January 1, 2013,
 15 but before January 1, 2014, “number of acres justified
 16 as necessary for a surface drinking water source”, as
 17 determined under subparagraph subdivision (i) shall
 18 not exceed the number of acres that would be necessary
 19 to provide the amount of drinking water to meet the
 20 needs of a population equal to the population of the
 21 county where the lake is to be developed or created,
 22 according to the most recent federal decennial census.
 23 However, if the population of the county where the
 24 lake is to be developed or created increased from the
 25 federal decennial census immediately preceding the
 26 most recent federal decennial census, the “number of
 27 acres justified as necessary for a surface drinking
 28 water source” shall not exceed the number of acres that
 29 would be necessary to provide the amount of drinking
 30 water to meet the needs of a population equal to the
 31 product of one plus the percentage increase in the
 32 population of the county between the two most recent
 33 federal decennial censuses multiplied by the county’s
 34 population according to the most recent federal
 35 decennial census.

36 Sec. ____ EFFECTIVE UPON ENACTMENT. This division
 37 of this Act, being deemed of immediate importance,
 38 takes effect upon enactment.

39 DIVISION ____

40 CONDEMNATION FOR CREATION OF A LAKE — EXISTING SOURCES

41 Sec. ____ Section 6A.22, subsection 2, paragraph c,
 42 subparagraph (1), Code 2015, is amended by adding the
 43 following new subparagraph division:

44 NEW SUBPARAGRAPH DIVISION. (Ob) For condemnation
 45 of property located in a county with a population
 46 of greater than nine thousand two hundred fifty but
 47 less than nine thousand three hundred, according to
 48 the 2010 federal decennial census, prior to making
 49 a determination that development or creation of a
 50 lake as a surface drinking water source is reasonable

Page 30

1 and necessary, the acquiring agency shall conduct a
2 review of feasible alternatives to development or
3 creation of a lake as a surface drinking water source.
4 An acquiring agency shall not have the authority
5 to condemn private property for the development or
6 creation of a lake as a surface drinking water source
7 if one or more feasible alternatives to provision of
8 a drinking water source exist. An alternative that
9 results in the physical expansion of an existing
10 drinking water source is presumed to be a feasible
11 alternative to development or creation of a lake as
12 a surface drinking water source. An alternative that
13 supplies drinking water by pipeline or other method of
14 transportation or transmission from an existing source
15 located within or outside this state at a reasonable
16 cost is a feasible alternative to development or
17 creation of a lake as a surface drinking water source.
18 If private property is to be condemned for development
19 or creation of a lake, only that number of acres
20 justified as necessary for a surface drinking water
21 source, and not otherwise acquired, may be condemned.
22 Development or creation of a lake as a surface drinking
23 water source includes all of the following:
24 (i) Construction of the dam, including sites for
25 suitable borrow material and the auxiliary spillway.
26 (ii) The water supply pool.
27 (iii) The sediment pool.
28 (iv) The flood control pool.
29 (v) The floodwater retarding pool.
30 (vi) The surrounding area upstream of the dam
31 no higher in elevation than the top of the dam's
32 elevation.
33 (vii) The appropriate setback distance required
34 by state or federal laws and regulations to protect
35 drinking water supply.
36 Sec. ____ Section 6A.24, subsection 3, Code 2015,
37 is amended to read as follows:
38 3. For any action brought under this section,
39 the burden of proof shall be on the acquiring agency
40 to prove by a preponderance of the evidence that
41 the finding of public use, public purpose, or public
42 improvement meets the definition of those terms.
43 However, for any action brought under this section
44 that involves property described in section 6A.22,
45 subsection 2, paragraph "c", subparagraph (1),
46 subparagraph division (0b), the burden of proof shall
47 be on the acquiring agency to prove by clear and
48 convincing evidence that no feasible alternatives
49 to provision of a drinking water source exist. If a
50 property owner or a contract purchaser of record or a

Page 31

1 tenant occupying the property under a recorded lease
2 prevails in an action brought under this section, the
3 acquiring agency shall be required to pay the costs,
4 including reasonable attorney fees, of the adverse
5 party.

6 Sec. ____ EFFECTIVE UPON ENACTMENT. This division
7 of this Act, being deemed of immediate importance,
8 takes effect upon enactment.

9 Sec. ____ APPLICABILITY. This division of this Act
10 applies to projects or condemnation proceedings pending
11 or commenced on or after the effective date of this
12 division of this Act.

13 DIVISION ____

18 for street and highway projects undertaken by the
19 state, a county, or a city or to property that is
20 subject to the disposition of property requirements
21 under section 6B.56B.

22 Sec. ____ NEW SECTION. **6B.56B Disposition of**
23 **condemned property — lake creation.**

24 1. When two years have elapsed since property was
25 condemned for the creation of a lake according to the
26 requirements of section 6A.22, subsection 2, paragraph
27 “c”, subparagraph (1), subparagraph division (Ob), and
28 the property has not been used for the purpose stated
29 in the application filed pursuant to section 6B.3, and
30 the acquiring agency has not taken action to dispose of
31 the property pursuant to section 6B.56, the acquiring
32 agency shall, within sixty days, adopt a resolution
33 offering the property for sale to the prior owner at a
34 price as provided in section 6B.56. If the resolution
35 adopted approves an offer of sale to the prior owner,
36 the offer shall be made in writing and mailed by
37 certified mail to the prior owner. The prior owner has
38 one hundred eighty days after the offer is mailed to
39 purchase the property from the acquiring agency.

40 2. If the acquiring agency has not adopted a
41 resolution described in subsection 1 within the
42 sixty-day time period, the prior owner may, in writing,
43 petition the acquiring agency to offer the property
44 for sale to the prior owner at a price as provided in
45 section 6B.56. Within sixty days after receipt of
46 such a petition, the acquiring agency shall adopt a
47 resolution described in subsection 1. If the acquiring
48 agency does not adopt such a resolution within sixty
49 days after receipt of the petition, the acquiring
50 agency is deemed to have offered the property for sale

Page 32

1 to the prior owner.

2 3. The acquiring agency shall give written notice
3 to the owner of the right to purchase the property
4 under this section at the time damages are paid to the
5 owner.

6 Sec. ____ EFFECTIVE UPON ENACTMENT. This division
7 of this Act, being deemed of immediate importance,
8 takes effect upon enactment.

9 Sec. ____ APPLICABILITY. This division of this Act
10 applies to projects or condemnation proceedings pending
11 or commenced on or after the effective date of this
12 division of this Act.

13 DIVISION ____

16 is amended by adding the following new paragraph:

17 NEW PARAGRAPH. h. The renewable chemical
18 production tax credit program administered pursuant
19 to sections 15.315 through 15.320. In allocating tax
20 credits pursuant to this subsection, the authority
21 shall not allocate more than fifteen million dollars
22 for purposes of this paragraph.

23 Sec. ____ NEW SECTION. 15.315 Short title.

24 This part shall be known and may be cited as the

27 As used in this part, unless the context otherwise
28 requires:

29 1. "*Biobased content percentage*" means, with respect
30 to any renewable chemical, the amount, expressed as a
31 percentage, of renewable organic material present as

40 3. "*Building block chemical*" means a molecule
41 converted from biomass feedstock as a first product
42 or a secondarily derived product that can be further
43 refined into a higher-value chemical, material, or
44 consumer product. "*Building block chemical*" includes
45 but is not limited to glycerol, methanoic or formic
46 acid, arabonic acid, erythronic acid, glyceric acid,

10 requirements of section 15.317.

11 5. *“Food additive”* means a building block chemical
12 that is not primarily consumed as food but which, when
13 combined with other components, improves the taste,
14 appearance, odor, texture, or nutritional content
15 of food. The authority, in its discretion, shall
16 determine whether or not a building block chemical is
17 primarily consumed as food.

18 6. *“Program”* means the renewable chemical
19 production tax credit program administered pursuant to
20 this part.

21 7. *“Renewable chemical”* means a building block

46 business shall meet all of the following requirements:

47 1. The business is physically located in this
48 state.

49 2. The business is operated for profit and under
50 single management.

1 3. The business is not an entity providing
2 professional services, health care services, or medical
3 treatments or an entity engaged primarily in retail
4 operations.

5 4. The business organized, expanded, or located
6 in the state on or after the effective date of this
7 division of this Act.

8 5. The business shall not be relocating or

14 programs administered by the authority.

15 Sec. ____ **NEW SECTION. 15.318 Eligible business**
16 **application and agreement — maximum tax credits.**

17 1. *Application.*

18 a. An eligible business that produces a renewable
19 chemical in this state from biomass feedstock during
20 a calendar year may apply to the authority for the
21 renewable chemical production tax credit provided in
22 section 15.319.

23 b. The application shall be made to the authority
24 in the manner prescribed by the authority.

25 c. The application shall be made during the
26 calendar year following the calendar year in which the
27 renewable chemicals are produced.

28 d. The authority may accept applications on a
29 continuous basis or may establish, by rule, an annual
30 application deadline.

31 e. The application shall include all of the
32 following information:

33 (1) The amount of renewable chemicals produced
34 in the state from biomass feedstock by the eligible
35 business during the calendar year, measured in pounds.

36 (2) Any other information reasonably required
37 by the authority in order to establish and verify
38 eligibility under the program.

39 2. *Agreement and fees.*

40 a. Before being issued a tax credit under section
41 15.319, an eligible business shall enter into an
42 agreement with the authority for the successful
43 completion of all requirements of the program.

44 b. The compliance cost fees authorized in section
45 15.330, subsection 12, shall apply to all agreements
46 entered into under this program and shall be collected
47 by the authority in the same manner and to the same
48 extent as described in that subsection.

49 c. An eligible business shall fulfill all the
50 requirements of the program and the agreement before

1 receiving a tax credit or entering into a subsequent
2 agreement under this section. The authority may
3 decline to enter into a subsequent agreement under this
4 section or issue a tax credit if an agreement is not
5 successfully fulfilled.

6 *d.* Upon establishing that all requirements of the
7 program and the agreement have been fulfilled, the
8 authority shall issue a tax credit and related tax
9 credit certificate to the eligible business stating
10 the amount of renewable chemical production tax credit
11 under section 15.319 the eligible business may claim.

12 3. *Maximum tax credit amount.*

13 *a.* The maximum amount of tax credit that may be
14 issued under section 15.319 to an eligible business for
15 the production of renewable chemicals in a calendar
16 year shall not exceed the following:

17 (1) In the case of an eligible business that has
18 been in operation in the state for five years or less
19 at the time of the application, one million dollars.

20 (2) In the case of an eligible business that has
21 been in operation in the state for more than five years
22 at the time of the application, five hundred thousand
23 dollars.

24 *b.* An eligible business shall not receive a tax
25 credit for renewable chemicals produced before the date
26 the business first qualified as an eligible business
27 pursuant to section 15.317.

28 *c.* An eligible business shall not receive more than
29 five tax credits under the program.

30 *d.* The authority shall issue tax credits under
31 the program on a first-come, first-served basis until
32 the maximum amount of tax credits allocated pursuant
33 to section 15.119, subsection 2, paragraph "h", is
34 reached. The authority shall maintain a list of
35 successful applicants under the program, so that if
36 the maximum aggregate amount of tax credits is reached
37 in a given fiscal year, eligible businesses that
38 successfully applied but for which tax credits were not
39 issued shall be placed on a wait list in the order the
40 eligible businesses applied and shall be given priority
41 for receiving tax credits in succeeding fiscal years.
42 Placement on a wait list pursuant to this paragraph
43 shall not constitute a promise binding the state. The
44 availability of a tax credit and issuance of a tax
45 credit certificate pursuant to this subsection in a
46 future fiscal year is contingent upon the availability
47 of tax credits in that particular fiscal year.

48 4. *Termination and repayment.* The failure by an
49 eligible business in fulfilling any requirement of
50 the program or any of the terms and obligations of an

Page 36

1 agreement entered into pursuant to this section may
2 result in the reduction, termination, or rescission of
3 the tax credits under section 15.319 and may subject
4 the eligible business to the repayment or recapture
5 of tax credits claimed. The repayment or recapture
6 of tax credits pursuant to this subsection shall be
7 accomplished in the same manner as provided in section
8 15.330, subsection 2.

9 5. *Confidentiality.*

10 a. Except as provided in paragraph "b", any
11 information or record in the possession of the
12 authority with respect to the program shall be presumed
13 by the authority to be a trade secret protected
14 under chapter 550 or common law and shall be kept
15 confidential by the authority unless otherwise ordered
16 by a court.

17 b. The identity of a tax credit recipient and the
18 amount of the tax credit shall be considered public
19 information under chapter 22.

20 Sec. __. NEW SECTION. **15.319 Renewable chemical**
21 **production tax credit.**

22 1. An eligible business that has entered into an
23 agreement pursuant to section 15.318 may claim a tax
24 credit equal to the product of five cents multiplied by
25 the number of pounds of renewable chemicals produced
26 in this state from biomass feedstock by the eligible
27 business during the calendar year. However, an
28 eligible business shall not receive a tax credit for
29 the production of a secondarily derived building block
30 chemical if that chemical is also the subject of a
31 credit at the time of production as a first product.
32 The renewable chemical production tax credit shall not
33 be available for any renewable chemical produced before
34 the 2016 calendar year, or after the 2026 calendar
35 year.

36 2. The tax credit shall be allowed against taxes
37 imposed under chapter 422, division II or III.

38 3. The tax credit shall be claimed for the tax year
39 during which the eligible business was issued the tax
40 credit.

41 4. An individual may claim a tax credit under this
42 section of a partnership, limited liability company, S
43 corporation, cooperative organized under chapter 501
44 and filing as a partnership for federal tax purposes,
45 estate, or trust electing to have income taxed
46 directly to the individual. The amount claimed by the
47 individual shall be based upon the pro rata share of
48 the individual's earnings from the partnership, limited
49 liability company, S corporation, cooperative, estate,
50 or trust.

1 5. Any tax credit in excess of the tax liability
2 is refundable. In lieu of claiming a refund, the
3 taxpayer may elect to have the overpayment shown on the
4 taxpayer's final, completed return credited to the tax
5 liability for the following tax year.

6 6. *a.* To claim a tax credit under this section,
7 a taxpayer shall include one or more tax credit
8 certificates with the taxpayer's tax return.

9 *b.* The tax credit certificate shall contain the
10 taxpayer's name, address, tax identification number,
11 the amount of the credit, the name of the eligible
12 business, and any other information required by the
13 department of revenue.

14 *c.* The tax credit certificate, unless rescinded
15 by the authority, shall be accepted by the department
16 of revenue as payment for taxes imposed pursuant to
17 chapter 422, divisions II and III, subject to any
18 conditions or restrictions placed by the authority upon
19 the face of the tax credit certificate and subject to
20 the limitations of the program.

21 *d.* Tax credit certificates issued pursuant to this
22 section shall not be transferred to any other person.

23 Sec. __. **NEW SECTION. 15.320 Rules.**

25 each adopt rules as necessary for the implementation
26 and administration of this part.

27 Sec. __. **NEW SECTION. 422.10A Renewable chemical**
28 **production tax credit.**
29 The taxes imposed under this division, less the
30 credits allowed under section 422.12, shall be reduced
31 by a renewable chemical production tax credit allowed
32 under section 15.319.

33 Sec. __. Section 422.33, Code 2015, is amended by
34 adding the following new subsection:
35 **NEW SUBSECTION. 22.** The taxes imposed under this
36 division shall be reduced by a renewable chemical
37 production tax credit allowed under section 15.319.

38 Sec. __. **TAX CREDIT CLAIMS.** Renewable chemical
39 production tax credits issued pursuant to the renewable
40 chemical production tax credit program enacted in
41 this division of this Act shall not be issued by
42 the economic development authority prior to July 1,
43 2017, and shall not be claimed by a taxpayer prior to
44 September 1, 2017.

46 of this Act, being deemed of immediate importance,
47 takes effect upon enactment.

48 Sec. __. **APPLICABILITY.** This division of this Act
49 applies to renewable chemicals produced in the state
50 from biomass feedstock on or after January 1, 2016.

9 court determines is satisfactory to secure the payment
10 of the support. Upon the person's failure to pay the
11 support under the order, the court may declare the
12 security, bond, or other guarantee forfeited.

13 7. For the purpose of enforcement, medical support
14 is additional support which, upon being reduced to
15 a dollar amount, may be collected through the same
16 remedies available for the collection and enforcement
17 of child support.

18 8. The clerk of the district court in the county
19 in which the order for support is filed and to whom
20 support payments are made pursuant to the order may
21 require the person obligated to pay support to submit
22 payments by bank draft or money order if the obligor
23 submits an insufficient funds support payment to the
24 clerk of the district court.

25 Sec. ___. Section 598.22B, subsection 1, Code 2015,
26 is amended to read as follows:

27 1. All such orders or judgments shall direct each
28 party to file with the clerk of court or the child
29 support recovery unit, as appropriate, upon entry of
30 the order, and to update as appropriate, information on
31 location and identity of the party, including social
32 security number, residential and mailing addresses,
33 electronic mail address, telephone number, driver's
34 license number, and name, address, and telephone

36 include a provision that the information filed will be
37 disclosed and used pursuant to this section. The party
38 shall file the information with the clerk of court,
39 or, if all support payments are to be directed to the
40 collection services center as provided in section
41 252B.14, subsection 2, and section 252B.16, with the
42 child support recovery unit.

43 Sec. ___. Section 598.23A, subsection 1, Code 2015,
44 is amended to read as follows:

45 1. If a person against whom an order or decree
46 for support has been entered pursuant to this chapter
47 or chapter 234, 252A, 252C, 252F, 600B, or any other
48 support chapter, or a comparable chapter of a another
49 state or foreign jurisdiction country as defined in
50 chapter 252K, fails to make payments or provide medical

1 support pursuant to that order or decree, the person
 2 may be cited and punished by the court for contempt
 3 under section 598.23 or this section. Failure to
 4 comply with a seek employment order entered pursuant to
 5 section 252B.21 is evidence of willful failure to pay
 6 support.

7 Sec. ____ Section 600B.41A, subsection 2, paragraph
 8 a, Code 2015, is amended to read as follows:

9 a. A paternity determination made in or by a

 14 with section 252A.18 or chapter 252K.

15 Sec. ____ Section 602.8102, subsection 47, Code
 16 2015, is amended to read as follows:

17 47. Record support payments made pursuant to an
 18 order entered under chapter 252A, 252F, 598, or 600B,

28 Sec. ____ REPEAL. Section 252A.17, Code 2015, is
 29 repealed.

30 DIVISION ____
 31 SUSPENSION OF SUPPORT

32 Sec. ____ Section 252B.20, Code 2015, is amended to
 33 read as follows:

34 **252B.20 Suspension of support — request by mutual**
 35 **consent.**

36 1. If the unit is providing child support
 37 enforcement services pursuant to this chapter, the
 38 parents of a dependent child for whom support has been
 39 ordered pursuant to chapter 252A, 252C, 252F, 598,
 40 600B, or any other chapter, may jointly request the
 41 assistance of the unit in suspending the obligation for
 42 support if all of the following conditions exist:
 43 a. The parents have reconciled and are cohabiting,
 44 and the child for whom support is ordered is living
 45 in the same residence as the parents, or the child is
 46 currently residing with the parent who is ordered to
 47 pay support. If the basis for suspension under this
 48 paragraph applies to at least one but not all of the
 49 children for whom support is ordered, the condition
 50 of this paragraph is met only if the support order

Page 55

1 includes a step change.

2 *b.* The child for whom support is ordered is not
3 receiving public assistance pursuant to chapter 239B,
4 249A, or a comparable law of a another state or foreign
5 jurisdiction country, unless the person against whom
6 support is ordered is considered to be a member of the
7 same household as the child for the purposes of public
8 assistance eligibility.

9 *c.* The parents have signed a notarized affidavit
10 attesting to the conditions under paragraphs “*a*” and
11 “*b*”, have consented to suspension of the support order
12 or obligation, and have submitted the affidavit to the
13 unit.

14 *d.* No prior request for suspension has been filed
15 with the unit under this section and no prior request
16 for suspension has been served by the unit under
17 section 252B.20A during the two-year period preceding
18 the request, ~~unless the request was filed during the~~
19 ~~two-year period preceding July 1, 2005, the unit denied~~
20 ~~the request because the suspension did not apply to all~~
21 ~~children for whom support is ordered, and the parents~~
22 ~~jointly file a request on or after July 1, 2005.~~

23 *e.* Any other criteria established by rule of the
24 department.

25 2. Upon receipt of the application for suspension
26 and properly executed and notarized affidavit, the unit
27 shall review the application and affidavit to determine
28 that the necessary criteria have been met. The unit
29 shall then do one of the following:

30 *a.* Deny the request and notify the parents in
31 writing that the application is being denied, providing
32 reasons for the denial and notifying the parents of
33 the right to proceed through private counsel. Denial
34 of the application is not subject to contested case
35 proceedings or further review pursuant to chapter 17A.

36 *b.* Approve the request and prepare an order which
37 shall be submitted, along with the affidavit, to a
38 judge of a district court for approval, suspending
39 the accruing support obligation and, if requested by
40 the obligee, and if not prohibited by chapter 252K,
41 satisfying the obligation of support due the obligee.
42 If the basis for suspension applies to at least one but
43 not all of the children for whom support is ordered
44 and the support order includes a step change, the
45 unit shall prepare an order suspending the accruing
46 support obligation for each child to whom the basis for
47 suspension applies.

48 3. An order approved by the court for suspension
49 of an accruing support obligation is effective
50 upon the date of filing of the suspension order.

Page 56

1 The satisfaction of an obligation of support due
2 the obligee shall be final upon the filing of the
3 suspension order. A support obligation which is
4 satisfied is not subject to the reinstatement
5 provisions of this section.

6 4. An order suspending an accruing support
7 obligation entered by the court pursuant to this
8 section shall be considered a temporary order for the
9 period of six months from the date of filing of the
10 suspension order. However, the six-month period shall
11 not include any time during which an application for
12 reinstatement is pending before the court.

13 5. During the six-month period the unit may request
14 that the court reinstate the accruing support order or
15 obligation if any of the following conditions exist:

16 a. Upon application to the unit by either parent or
17 other person who has physical custody of the child.

18 b. Upon the receipt of public assistance benefits,
19 pursuant to chapter 239B, 249A, or a comparable law of
20 ~~a another state or foreign jurisdiction~~ country, by the
21 person entitled to receive support and the child on
22 whose behalf support is paid, provided that the person
23 owing the support is not considered to be a member of
24 the same household as the child for the purposes of
25 public assistance eligibility.

26 6. If a condition under subsection 5 exists, the
27 unit may request that the court reinstate an accruing
28 support obligation as follows:

29 a. If the basis for the suspension no longer
30 applies to any of the children for whom an accruing
31 support obligation was suspended, the unit shall
32 request that the court reinstate the accruing support
33 obligations for all of the children.

34 b. If the basis for the suspension continues to
35 apply to at least one but not all of the children for
36 whom an accruing support obligation was suspended and
37 if the support order includes a step change, the unit
38 shall request that the court reinstate the accruing
39 support obligation for each child for whom the basis
40 for the suspension no longer applies.

41 7. Upon filing of an application for reinstatement,
42 service of the application shall be made either in
43 person or by first class mail upon both parents.
44 Within ten days following the date of service, the
45 parents may file a written objection with the clerk
46 of the district court to the entry of an order for
47 reinstatement.

48 a. If no objection is filed, the court may enter
49 an order reinstating the accruing support obligation
50 without additional notice.

Page 57

- 1 **b.** If an objection is filed, the clerk of court
2 shall set the matter for hearing and send notice of the
3 hearing to both parents and the unit.
- 4 **8.** The reinstatement is effective as follows:
- 5 **a.** For reinstatements initiated under subsection 5,
6 paragraph “*a*”, the date the notices were served on both
7 parents pursuant to subsection 7.
- 8 **b.** For reinstatements initiated under subsection
9 5, paragraph “*b*”, the date the child began receiving
10 public assistance benefits during the suspension of the
11 obligation.
- 12 **c.** Support which became due during the period of
13 suspension but prior to the reinstatement is waived
14 and not due and owing unless the parties requested and
15 agreed to the suspension under false pretenses.
- 16 **9.** If the order suspending a support obligation has
17 been on file with the court for a period exceeding six
18 months as computed pursuant to subsection 4, the order
19 becomes final by operation of law and terminates the
20 support obligation, and thereafter, a party seeking to
21 establish a support obligation against either party
22 shall bring a new action for support as provided by
23 law.
- 24 **10.** This section shall not limit the rights of
25 the parents or the unit to proceed by other means to
26 suspend, terminate, modify, reinstate, or establish
27 support.
- 28 **11.** This section does not provide for the
29 suspension or retroactive modification of support
30 obligations which accrued prior to the entry of
31 an order suspending enforcement and collection of
32 support pursuant to this section. However, if in
33 the application for suspension, an obligee elects
34 to satisfy an obligation of accrued support due
35 the obligee, the suspension order may satisfy the
36 obligation of accrued support due the obligee.
- 37 **12.** Nothing in this section shall prohibit or limit
38 the unit or a party entitled to receive support from
39 enforcing and collecting any unpaid or unsatisfied
40 support that accrued prior to the suspension of the
41 accruing obligation.
- 42 **13.** For the purposes of chapter 252H, subchapter
43 II, regarding the criteria for a review or for
44 a cost-of-living alteration under chapter 252H,
45 subchapter IV, if a support obligation is terminated
46 or reinstated under this section, such termination or
47 reinstatement shall not be considered a modification
48 of the support order.
- 49 **14.** As used in this section, unless the context
50 otherwise requires, “*step change*” means a change

1 designated in a support order specifying the amount of
2 the child support obligation as the number of children
3 entitled to support under the order changes.

4 15. As specified in this section, if the child
5 for whom support is ordered is not receiving public
6 assistance pursuant to chapter 239B, 249A, or a
7 comparable law of another state or foreign country,
8 upon agreement of the parents, the unit may facilitate
9 the suspension of the child support order or obligation
10 if the child is residing with a caretaker, who is a
11 natural person, and who has not requested the unit
12 to provide services under this chapter. The parents
13 and the caretaker shall sign a notarized affidavit
14 attesting to the conditions under this section, consent
15 to the suspension of the support order or obligation,
16 and submit the affidavit to the unit. Upon the
17 receipt of public assistance benefits pursuant to
18 chapter 239B, 249A, or a comparable law of another
19 state or foreign country, by the child on whose behalf
20 support is ordered, or upon application to the unit by
21 either parent or the caretaker, the unit may, within
22 the time periods specified in this section, request
23 the reinstatement of the accruing support order or
24 obligation pursuant to this section.

25 16. The department may adopt all necessary and
26 proper rules to administer and interpret this section.
27 **Sec. ____ NEW SECTION. 252B.20A Suspension of**
28 **support — request by one party.**

29 1. If the unit is providing child support
30 enforcement services pursuant to this chapter, the
31 obligor who is ordered to pay support for the dependent
32 child pursuant to chapter 252A, 252C, or 252F, may
33 request the assistance of the unit in suspending
34 the obligation for support if all of the following
35 conditions exist:

36 a. The child is currently residing with the obligor
37 and has been for more than sixty consecutive days. If
38 the basis for suspension under this paragraph applies
39 to at least one but not all of the children for whom
40 support is ordered, the condition of this paragraph is
41 met only if the support order includes a step change.

42 b. There is no order in effect regarding legal
43 custody, physical care, visitation, or other parenting
44 time for the child.

45 c. It is reasonably expected that the basis for
46 suspension under this section will continue for not
47 less than six months.

48 d. The child for whom support is ordered is not
49 receiving public assistance pursuant to chapter 239B,
50 249A, or a comparable law of another state or foreign

Page 59

1 country, unless the obligor is considered to be a
2 member of the same household as the child for the
3 purposes of public assistance eligibility.
4 e. The obligor has signed a notarized affidavit,
5 provided by the unit, attesting to the existence
6 of the conditions under paragraphs “a” through “d”,
7 has requested suspension of the support order or
8 obligation, and has submitted the affidavit to the
9 unit.
10 f. No prior request for suspension has been served
11 under this section, and no prior request for suspension
12 has been filed with the unit pursuant to section
13 252B.20, during the two-year period preceding the
14 request.
15 g. Any other criteria established by rule of the
16 department.
17 2. Upon receipt of the application for suspension
18 and properly executed and notarized affidavit, the unit
19 shall review the application and affidavit to determine
20 that the criteria have been met. The unit shall then
21 do one of the following:
22 a. If the unit determines the criteria have not
23 been met, deny the request and notify the obligor in
24 writing that the application is being denied, providing
25 reasons for the denial and notifying the obligor of
26 the right to proceed through private counsel. Denial
27 of the application is not subject to contested case
28 proceedings or further review pursuant to chapter 17A.
29 b. If the unit determines the criteria have
30 been met, serve a copy of the notice and supporting
31 documents on the obligee by any means provided in
32 section 252B.26. The notice to the obligee shall
33 include all of the following:
34 (1) Information sufficient to identify the parties
35 and the support order affected.
36 (2) An explanation of the procedure for suspension
37 and reinstatement of support under this section.
38 (3) An explanation of the rights and
39 responsibilities of the obligee, including the
40 applicable procedural time frames.
41 (4) A statement that within twenty days of service,
42 the obligee must submit a signed and notarized
43 response to the unit objecting to at least one of the
44 assertions in subsection 1, paragraphs “a” through
45 “d”. The statement shall inform the obligee that if,
46 within twenty days of service, the obligee fails to
47 submit a response as specified in this subparagraph,
48 notwithstanding rules of civil procedure 1.972(2) and
49 1.972(3), the unit will prepare and submit an order as
50 provided in subsection 3, paragraph “b”.

Page 60

- 1 3. No sooner than thirty days after service on the
2 obligee under subsection 2, paragraph “b”, the unit
3 shall do one of the following:
- 4 a. If the obligee submits a signed and notarized
5 objection to any assertion in subsection 1, paragraphs
6 “a” through “d”, deny the request and notify the
7 parties in writing that the application is denied,
8 providing reasons for the denial, and notifying
9 the parties of the right to proceed through private
10 counsel. Denial of the application is not subject to
11 contested case proceedings or further review pursuant
12 to chapter 17A.
- 13 b. If the obligee does not timely submit a signed
14 and notarized objection to the unit, prepare an
15 order which shall be submitted, along with supporting
16 documents, to a judge of a district court for approval,
17 suspending the accruing support obligation. If the
18 basis for suspension applies to at least one but
19 not all of the children for whom support is ordered
20 and the support order includes a step change, the
21 unit shall prepare an order suspending the accruing
22 support obligation for each child to whom the basis for
23 suspension applies.
- 24 4. An order approved by the court for suspension of
25 an accruing support obligation is effective upon the
26 date of filing of the suspension order.
- 27 5. An order suspending an accruing support
28 obligation entered by the court pursuant to this
29 section shall be considered a temporary order for the
30 period of six months from the date of filing of the
31 suspension order. However, the six-month period shall
32 not include any time during which an application for
33 reinstatement is pending before the court.
- 34 6. During the six-month period, the unit may
35 request that the court reinstate the accruing support
36 order or obligation if any of the following conditions
37 exist:
- 38 a. Upon application to the unit by either party or
39 other person who has physical custody of the child.
- 40 b. Upon the receipt of public assistance benefits
41 pursuant to chapter 239B, 249A, or a comparable law
42 of another state or foreign country, by the person
43 entitled to receive support and the child on whose
44 behalf support is paid, provided that the person owing
45 the support is not considered to be a member of the
46 same household as the child for the purposes of public
47 assistance eligibility.
- 48 7. If a condition under subsection 6 exists, the
49 unit may request that the court reinstate an accruing
50 support obligation as follows:

Page 61

- 1 *a.* If the basis for the suspension no longer
2 applies to any of the children for whom an accruing
3 support obligation was suspended, the unit shall
4 request that the court reinstate the accruing support
5 obligations for all of the children.
- 6 *b.* If the basis for the suspension continues to
7 apply to at least one but not all of the children for
8 whom an accruing support obligation was suspended and
9 if the support order includes a step change, the unit
10 shall request that the court reinstate the accruing
11 support obligation for each child for whom the basis
12 for the suspension no longer applies.
- 13 8. Upon filing of an application for reinstatement,
14 service of the application shall be made either in
15 person or by first class mail upon the parties. Within
16 ten days following the date of service, a party may
17 file a written objection with the clerk of the district
18 court to the entry of an order for reinstatement.
- 19 *a.* If no objection is filed, the court may enter
20 an order reinstating the accruing support obligation
21 without additional notice.
- 22 *b.* If an objection is filed, the clerk of court
23 shall set the matter for hearing and send notice of the
24 hearing to the parties and the unit.
- 25 9. *a.* The reinstatement is effective as follows:
26 (1) For reinstatements initiated under subsection
27 6, paragraph “*a*”, the date the notices were served on
28 the parties pursuant to subsection 8.
29 (2) For reinstatements initiated under subsection
30 6, paragraph “*b*”, the date the child began receiving
31 public assistance benefits during the suspension of the
32 obligation.
- 33 *b.* Support which became due during the period of
34 suspension but prior to the reinstatement is waived and
35 not due and owing unless the suspension was made under
36 false pretenses.
- 37 10. If the order suspending a support obligation
38 has been on file with the court for a period exceeding
39 six months as computed pursuant to subsection 5, the
40 order becomes final by operation of law and terminates
41 the support obligation, and thereafter, a party seeking
42 to establish a support obligation against either party
43 shall bring a new action for support as provided by
44 law.
- 45 11. Legal representation of the unit shall be
46 provided pursuant to section 252B.7, subsection 4.
- 47 12. This section shall not limit the rights of a
48 party or the unit to proceed by other means to suspend,
49 terminate, modify, reinstate, or establish support.
- 50 13. This section does not provide for the

Page 62

1 suspension or retroactive modification of support
2 obligations which accrued prior to the entry of an
3 order suspending enforcement and collection of support
4 pursuant to this section.

5 14. Nothing in this section shall prohibit or limit
6 the unit or a party entitled to receive support from
7 enforcing and collecting any unpaid or unsatisfied
8 support that accrued prior to the suspension of the
9 accruing obligation.

10 15. For the purposes of chapter 252H regarding
11 the criteria for a review under subchapter II of
12 that chapter or for a cost-of-living alteration under
13 subchapter IV of that chapter, if a support obligation
14 is terminated or reinstated under this section, such
15 termination or reinstatement shall not be considered a
16 modification of the support order.

17 16. As used in this section, unless the context
18 otherwise requires, “*step change*” means a change
19 designated in a support order specifying the amount of
20 the child support obligation as the number of children
21 entitled to support under the order changes.

22 17. As specified in this section, if the child
23 for whom support is ordered is not receiving public
24 assistance pursuant to chapter 239B, 249A, or a
25 comparable law of another state or foreign country,
26 upon request by the obligor, the unit may facilitate
27 the suspension of the child support order or obligation
28 if the child is residing with a caretaker, who is a
29 natural person, and who has not requested the unit
30 to provide services under this chapter. The obligor
31 and the caretaker shall sign a notarized affidavit
32 attesting to the conditions under this section, consent
33 to the suspension of the support order or obligation,
34 and submit the affidavit to the unit. Upon the
35 receipt of public assistance benefits pursuant to
36 chapter 239B, 249A, or a comparable law of another
37 state or foreign country, by the child on whose behalf
38 support is ordered, or upon application to the unit by
39 either party or the caretaker, the unit may, within
40 the time periods specified in this section, request
41 the reinstatement of the accruing support order or
42 obligation pursuant to this section.

43 18. The department may adopt all necessary and
44 proper rules to administer and interpret this section.

45 Sec. ____. Section 252B.26, unnumbered paragraph 1,
46 Code 2015, is amended to read as follows:

47 Notwithstanding any provision of law to the
48 contrary, the unit may serve a petition, notice, or
49 rule to show cause under this chapter or chapter 252A,
50 252C, 252F, 252H, 252K, 598, or 665 as specified in

Page 63

1 each chapter, or as follows:
2 Sec. __. ADMINISTRATIVE RULES —

8 proceedings to suspend and reinstate support orders in
9 accordance with section 252B.20, as amended in this
10 division of this Act.

11 2. The child support recovery unit may, to the
12 extent appropriate, apply and utilize procedures,
13 rules, and forms substantially similar to those
14 applicable and utilized pursuant to section 252B.20
15 for proceedings initiated in accordance with section
16 252B.20A, as enacted in this division of this Act.

17 Sec. __. EFFECTIVE DATE. This division of this
18 Act takes effect January 1, 2016.

19 DIVISION __
20 GENETIC TESTING

21 Sec. __. Section 252F.3, subsection 6, paragraph
22 a, Code 2015, is amended to read as follows:

23 a. If a party contests the establishment of
24 paternity, the party shall submit, within twenty
25 days of service of the notice on the party under
26 subsection 1, a written statement contesting paternity
27 establishment to the unit. Upon receipt of a written
28 challenge of paternity establishment, or upon
29 initiation by the unit, the administrator shall enter
30 ex parte administrative orders requiring the mother,
31 child or children involved, and the putative father
32 to submit to paternity testing, except that if the
33 mother and child or children previously submitted blood
34 or genetic specimens in a prior action to establish
35 paternity against a different putative father, the
36 previously submitted specimens and prior results, if
37 available, may be utilized for testing in this action.
38 Either the mother or putative father may contest
39 paternity under this chapter.

40 Sec. __. Section 600B.41, subsection 1, Code 2015,
41 is amended to read as follows:

42 1. In a proceeding to establish paternity in law
43 or in equity the court may on its own motion, and upon
44 request of a party shall, require the child, mother,
45 and alleged father to submit to blood or genetic
46 tests, except that if the mother and child previously
47 submitted blood or genetic specimens in a prior action
48 to establish paternity against a different alleged
