- 1 Amend House File 670 as follows:
 2 1. By striking everything after the enacting clause and
 3 inserting:
 4 <Section 1. NEW SECTION. 578B.1 Short title.
 5 This Act shall be known as the “*Self-Service Storage*
 6 *Facilities Act*”.
 7 Sec. 2. NEW SECTION. 578B.2 Definitions.
 8 As used in this chapter, unless the context clearly requires
 9 otherwise:
 10 1. “*Commercially reasonable sale*” means a sale that is
 11 conducted at the self-service storage facility, at the nearest
 12 suitable place to where the personal property is held or
 13 stored, or on a publicly accessible internet site that conducts
 14 sales or auctions.
 15 2. “*Default*” means the failure by the occupant to perform on
 16 time any obligation or duty set forth in a rental agreement or
 17 this chapter.
 18 3. “*Emergency*” means any sudden, unexpected occurrence
 19 or circumstance at or near a self-service storage facility
 20 that requires immediate action to avoid injury to persons
 21 or property at or near the self-service storage facility,
 22 including a fire.
 23 4. “*Last-known address*” means the postal address or
 24 electronic mail address provided by an occupant in a rental
 25 agreement or the postal address or electronic mail address
 26 provided by the occupant in a subsequent written notice of a
 27 change of address.
 28 5. “*Late fee*” means any fee or charge assessed for an
 29 occupant’s failure to pay rent when due. “*Late fee*” does not
 30 include interest on a debt, reasonable expenses incurred in

31 the collection of unpaid rent, or costs associated with the
 32 enforcement of any other remedy provided by law or contract.
 33 6. *“Leased space”* means individual storage space at a
 34 self-service storage facility which is rented to an occupant
 35 pursuant to a rental agreement.

PAGE 2

1 7. *“Occupant”* means a person entitled to the use of leased
 2 space at a self-service storage facility under a rental
 3 agreement or the person’s successors or assigns.
 4 8. *“Operator”* means the owner, operator, lessor, or
 5 sublessor of a self-service storage facility or an agent or any
 6 other person authorized to manage the facility. *“Operator”* does
 7 not include a warehouse worker if the warehouse worker issues a
 8 warehouse receipt, bill of lading, or other document of title
 9 for the personal property stored.
 10 9. *“Personal property”* means movable property not affixed
 11 to land, including goods, wares, merchandise, motor vehicles,
 12 watercraft, household items, and furnishings.
 13 10. *“Property that has no commercial value”* means property
 14 offered for sale in a commercially reasonable sale that
 15 receives no bid or offer.
 16 11. *“Rental agreement”* means an agreement or lease, written
 17 or oral, that establishes or modifies the terms, conditions,
 18 or rules concerning the use and occupancy of leased space at a
 19 self-service storage facility.

 21 designed and used for the purpose of renting or leasing
 22 individual storage space to occupants who are to have access
 23 to the space for the purpose of storing personal property. If
 24 an operator issues a warehouse receipt, bill of lading, or
 25 other document of title for the personal property stored, the
 26 operator and occupant are subject to chapter 554, article 7,
 27 and this chapter does not apply.
 28 13. *“Verified mail”* means any method of mailing offered by
 29 the United States postal service or private delivery service
 30 that provides evidence of the mailing.
 31 **Sec. 3. NEW SECTION. 578B.3 Facility not residence.**
 32 1. An operator shall not knowingly permit a leased space
 33 at a self-service storage facility to be used for residential

PAGE 3

1 purposes.
 2 **Sec. 4. NEW SECTION. 578B.4 Notice and consent for**
 3 **inspection and repair.**
 4 Unless otherwise provided in a rental agreement, an
 5 occupant, upon reasonable request from the operator, shall
 6 allow the operator to enter a leased space for the purpose of

7 inspection or repair. If an emergency occurs, an operator may
8 enter a leased space for inspection or repair without notice to
9 or consent from the occupant.

10 Sec. 5. NEW SECTION. 578B.5 Lien — late fee — electronic
11 **communication permitted.**

12 1. The operator of a self-service storage facility and the
13 operator's heirs, executors, administrators, successors, and
14 assigns shall have a lien upon all of an occupant's personal
15 property located at the self-service storage facility for
16 delinquent rent, late fees, labor, or other charges incurred
17 pursuant to a rental agreement and for expenses incurred for
18 preservation, sale, or disposition of the personal property.
19 The lien established by this subsection shall have priority
20 over all other liens and security interests except for those
21 perfected prior to the time the personal property is brought to
22 the self-service storage facility.

23 2. The lien described in subsection 1 attaches on the date
24 on which personal property is brought to the self-service
25 storage facility.

26 3. If the rental agreement specifies a limit on the value
27 of personal property that the occupant may store in the leased
28 space, such limit shall be deemed to be the maximum value of
29 the personal property in the occupant's leased space.

30 4. A rental agreement under this chapter may provide for a
31 reasonable late fee for failure of the occupant to timely make
32 payments for the leased space when due. A monthly late fee of
33 twenty dollars or twenty percent of the monthly rental amount,
34 whichever is greater, shall be reasonable and is not a penalty.

35 5. The operator and occupant may agree to use electronic

PAGE 4

1 mail to satisfy all notice requirements under this chapter.
2 The parties, if consenting to use electronic mail for notice,
3 must consent to use electronic mail for all notices. If the
4 parties agree, the rental agreement shall contain a section
5 outlining the rights and duties for each party regarding the
6 use of electronic mail.

7 Sec. 6. NEW SECTION. 578B.6 Right to deny access due to
8 **default.**

9 If the occupant is in default, the operator shall have the
10 right to deny the occupant access to the leased space at the
11 self-service storage facility if such right is set forth in the
12 rental agreement.

13 Sec. 7. NEW SECTION. 578B.7 Enforcement of lien.

14 1. If an occupant is in default for a period of at least
15 thirty days, the operator may enforce the lien granted in
16 section 578B.5 by selling the occupant's personal property.
17 Sale of the occupant's personal property may be by public or
18 private proceedings. Such personal property may be sold as a
19 unit or in parcels, by way of one or more contracts, at any time
20 or place, and on any terms as long as the sale is commercially

21 reasonable. The operator may otherwise dispose of any property
22 that has no commercial value.

23 2. Before conducting a sale under this section, the operator
24 shall do all of the following:

25 a. Send notice of default to the occupant by hand mail,
26 verified mail, or electronic mail pursuant to subsection 7.

27 The notice of default shall include all of the following:

28 (1) A statement of the operator's claim showing that the
29 amount due at the time of the notice and the date when the
30 amount became due.

31 (2) A brief and general description of the personal property
32 subject to the lien. The description shall be reasonably
33 adequate to permit the occupant to identify the property,
34 except that any container including a trunk, valise, or box
35 that is locked, fastened, sealed, or tied in a manner which

PAGE 5

1 deters immediate access to the container's contents shall be
2 described as such and shall omit a description of the contents.

3 (3) A demand for payment of the charges due within a
4 specified time, which shall not be less than fourteen days
5 after the date of the notice.

6 (4) A statement that unless the claim is paid within the
7 time stated, the contents of the occupant's leased space will
8 be sold or otherwise disposed of after a specified time.

9 (5) The name, street address, and telephone number of the
10 operator or a designated agent whom the occupant may contact to
11 respond to the notice.

12 b. Notify all persons whom the operator has actual knowledge
13 who claim a security interest in the personal property. An
14 operator shall conduct a search to determine whether there
15 is a security interest in property subject to sale if the
16 property is registered under chapter 321 or 462A. At least
17 seven days before the sale, the operator shall also advertise
18 the time, place, and terms of the sale in a commercially
19 reasonable manner. The manner of advertisement is deemed
20 commercially reasonable if it is likely to attract at least
21 three independent bidders to attend or view the sale in person
22 or online at the time and place advertised. The operator may
23 buy the occupant's personal property at any public sale held
24 pursuant to this section.

25 3. If the personal property subject to the operator's lien
26 is a vehicle, watercraft, or trailer, and rent or other charges
27 remain due and unpaid for thirty days, the operator may have
28 the vehicle, watercraft, or trailer towed from the self-service
29 storage facility. The operator shall not be liable for any
30 damages to the vehicle, watercraft, or trailer once the tower
31 takes possession of the property. Removal of any vehicle,
32 watercraft, or trailer from the self-service storage facility
33 shall not release the operator's lien.

34 4. At any time before a sale is held under this section or

35 before a vehicle, watercraft, or trailer is towed under this

PAGE 6

1 section, the occupant may pay the amount necessary to satisfy
2 the lien and redeem the occupant's personal property.

3 5. In the event of a sale under this section, the operator
4 may satisfy the lien from the proceeds of the sale, but shall
5 hold the balance, if any, for a period of ninety days for
6 delivery on demand to the occupant. If the occupant does not
7 claim the balance within ninety days, the balance shall be paid
8 to the county treasurer in the county where the self-service
9 storage facility is located. The county treasurer shall hold
10 the funds for a period of two years. If a claim is not made by
11 the owner of the fund, then the fund shall become the property
12 of the county. There shall be no further recourse by any
13 person against the operator for an action pursuant to this
14 section.

15 6. A purchaser in good faith of any personal property sold
16 to satisfy a lien under this chapter takes the property free of
17 any rights of persons against whom the lien was valid, despite
18 noncompliance by the operator with the requirements of this
19 chapter. The purchaser of a motor vehicle shall apply for a
20 new title to the vehicle by the procedures outlined in section
21 321.47. For all other property which has a written title,
22 the purchaser shall follow the applicable procedures for the
23 property for the transfer of title by operation of law.

24 7. Notice to the occupant under subsection 2, paragraph
25 "a", shall be sent to the occupant's last-known address by hand
26 delivery, verified mail, or electronic mail. Notices sent
27 by hand delivery shall be deemed delivered when the occupant
28 has signed an acknowledgment of delivery. Notices sent by
29 verified mail shall be deemed delivered when deposited with the
30 United States postal service or private delivery service if the
31 notices are properly addressed with postage prepaid. Notices
32 sent by electronic mail shall be deemed delivered when an
33 electronic mail is sent to the last-known address provided by
34 the occupant. If the operator sends notice by electronic mail
35 and receives an automated message stating that the electronic

PAGE 7

1 mail cannot be delivered, the operator shall send notice by
2 hand delivery or by verified mail to the occupant's last-known
3 address with postage prepaid.

4 8. If the operator complies with the requirements of this
5 section, the operator's liability:

6 a. To the occupant, shall be limited to the net proceeds
7 received from the sale of the occupant's personal property
8 less any proceeds paid to the holders of any lien or security
9 interest of record on the personal property being sold.

10 b. To the holders of any lien or security interest of record

11 on the personal property being sold, shall be limited to the
 12 net proceeds received from the sale of the personal property
 13 subject to the holder's lien or security interest.

14 Sec. 8. NEW SECTION. 578B.8 Exclusive care, custody, and
 15 **control of personal property vested in occupant.**

16 Unless the rental agreement specifically provides otherwise
 17 and until a lien sale under section 578B.7, the exclusive care,
 18 custody, and control of all personal property stored in a
 19 leased space remains vested in the occupant.

20 Sec. 9. NEW SECTION. 578B.9 Supplemental nature of chapter.

21 This chapter does not impair the powers of the parties to a
 22 rental agreement to create rights, duties, or obligations that
 23 do not arise from this chapter. This chapter does not impair
 24 or impact the rights of parties to create liens by special
 25 contract or agreement, nor does it affect or impair other liens
 26 arising at common law or in equity, or by a statute of this
 27 state. The rights provided to an operator by this chapter are
 28 in addition to all other rights provided by law to a creditor
 29 against a debtor.

30 Sec. 10. NEW SECTION. 578B.10 Disclosure of flood zone.

31 The operator shall disclose in the rental agreement whether
 32 the self-service storage facility is located in a "special
 33 flood hazard area" as defined by the federal emergency
 34 management agency in 44 C.F.R. pt. 61, Appendix A(3).

35 Sec. 11. NEW SECTION. 578B.11 Fire, flood, or other

PAGE 8

1 **catastrophic event damage or destruction.**

2 If the self-service storage facility is damaged or destroyed
 3 by a fire, flood, or other catastrophic event to the extent
 4 that the leased space is rendered unusable, the operator
 5 shall make a good faith effort to notify the occupant of the
 6 event and the occupant may terminate the rental agreement by
 7 giving the required notice in the rental agreement. If the
 8 occupant terminates the rental agreement under this section,
 9 the occupant shall remove all contents of the leased space as
 10 soon as is reasonably practicable. Any prepaid rent is due to
 11 the occupant upon removal of the occupant's property from the
 12 leased space.

13 Sec. 12. Section 321.20, subsection 1, unnumbered paragraph
 14 1, Code 2019, is amended to read as follows:

 16 subject to registration shall make application to the county
 17 treasurer of the county of the owner's residence, or if a
 18 nonresident, to the county treasurer of the county where the
 19 primary users of the vehicle are located, or if a lessor of
 20 the vehicle pursuant to chapter 321F which vehicle has a
 21 gross vehicle weight of less than ten thousand pounds, to the
 22 county treasurer of the county of the lessee's residence,
 23 or if a firm, association, or corporation with vehicles in
 24 multiple counties, the owner may make application to the county

25 treasurer of the county where the primary user of the vehicle
26 is located, for the registration and issuance of a certificate
27 of title for the vehicle upon the appropriate form furnished
28 by the department. However, upon the transfer of ownership,
29 the owner of a vehicle subject to the apportioned registration
30 provisions of chapter 326 shall make application for issuance
31 of a certificate of title to either the department or the
32 appropriate county treasurer. The owner of a vehicle purchased
33 pursuant to section 578B.7 shall present documentation that
34 such sale was completed in compliance with that section. The
35 application shall be accompanied by a fee of twenty dollars,

PAGE 9

1 and shall bear the owner's signature. A nonresident owner
2 of two or more vehicles subject to registration may make
3 application for registration and issuance of a certificate
4 of title for all vehicles subject to registration to the
5 county treasurer of the county where the primary user of any
6 of the vehicles is located. The owner of a mobile home or
7 manufactured home shall make application for a certificate
8 of title under this section from the county treasurer of the
9 county where the mobile home or manufactured home is located.
10 The application shall contain:

11 Sec. 13. Section 321.20A, subsection 1, Code 2019, is

17 for a certificate of title. The owner of a commercial
18 vehicle purchased pursuant to section 578B.7 shall present
19 documentation that such sale was completed in compliance
20 with that section. The application for certificate of title
21 shall be made within thirty days of purchase or transfer and
22 shall be accompanied by a twenty dollar title fee and the
23 appropriate fee for new registration. The department or the
24 county treasurer shall deliver the certificate of title to the
25 owner if there is no security interest. If there is a security
26 interest, the title, when issued, shall be delivered to the
27 first secured party. Delivery may be made using electronic
28 means.

10 Sec. NEW SECTION. 53.17A Absentee ballot tracking.

11 1. For the purposes of this chapter:

12 a. *“Postal service barcode”* means a barcode purchased by the
 13 sender and supplied by the United States postal service that is
 14 used to sort and track letters and flat packages and is printed
 15 on an absentee ballot return envelope at the direction of the
 16 commissioner before the envelope is sent to the voter.

17 b. *“Tracking information database”* means a database
 18 administered by the United States postal service that is
 19 accessible to the commissioner and contains information
 20 regarding letters or flat packages.

21 2.a. Prior to implementing for the first time,
 22 discontinuing the usage of, or reimplementing the usage
 23 of a postal service barcode and tracking information, the
 24 commissioner shall send notice to the state commissioner prior
 25 to October 1, 2020, for an election taking place in 2020 after
 26 that date, and by October 1 of each year thereafter.

27 b. The commissioner shall not implement or discontinue
 28 the use of a postal service barcode or tracking information
 29 database during an election after an absentee ballot has been
 30 mailed for that election pursuant to section 53.8.

31 c. The state commissioner shall adopt rules regarding
 32 the statewide implementation of a postal service barcode and
 33 tracking information database, including procedures to be
 34 followed when usage of a postal service barcode or the tracking
 35 information database is negatively impacted. Each commissioner

PAGE 3

1 shall use a postal service barcode and tracking information
 2 database consistent with rules of the state commissioner.

3 Every commissioner shall send notice to the state commissioner
 4 and implement the use of a postal service barcode and tracking
 5 information database prior to October 1, 2020.

6 3.a. An absentee ballot received after the polls close
 7 on election day but prior to the official canvass shall be
 8 counted if the commissioner determines that the ballot entered
 9 the federal mail system by the deadline specified in section
 10 53.17 or 53.22. The date of entry of such an absentee ballot
 11 into the federal mail system shall only be verified as provided
 12 in paragraph “b”.

13 b.(1) If the postmark indicates that the absentee ballot
 14 entered the federal mail system by the deadline specified
 15 in section 53.17 or 53.22, the ballot shall be included for
 16 canvass by the absentee and special voters precinct board.

17 (2) If the postmark is illegible, missing, or dated on or
 18 after election day, the commissioner shall attempt to verify
 19 the ballot’s date of entry into the federal mail system by
 20 querying the postal service barcode in the tracking information

21 database. If the tracking information database indicates that
22 the absentee ballot entered the federal mail system by the
23 deadline specified in section 53.17 or 53.22, the ballot shall
24 be included for canvass by the absentee and special voters
25 precinct board. The commissioner shall provide a report to
26 the absentee and special voters precinct board regarding the
27 information available in the tracking information database.

28 (3) If there is a discrepancy between the date indicated by
29 the postmark and the postal service barcode, the earlier of the
30 two shall determine the date of entry of the absentee ballot
31 into the federal mail system.

32 (4)(a) If neither the postmark nor the postal service
33 barcode indicates that the absentee ballot entered the federal
34 mail system by the deadline specified in section 53.17 or
35 53.22, the absentee ballot shall be sent to the absentee

PAGE 4

1 and special voters precinct board pursuant to subparagraph
2 division (b) with the numeric value assigned to the postal
3 service barcode and a full report from the tracking information
4 database.

5 (b) An absentee and special voters precinct board member
6 from each political party for partisan elections, or any
7 two members of the board for nonpartisan elections, shall
8 review the postal service barcode and tracking database
9 information report of each absentee ballot submitted pursuant
10 to subparagraph division (a) and certify that the tracking
11 information database report corresponds to the absentee ballot
12 by initialing the report and the absentee ballot envelope.
13 If the board concludes that the postal service barcode and
14 tracking information database report verify that the absentee
15 ballot entered the federal mail system by the deadline
16 specified in section 53.17 or 53.22, the ballot shall be
17 counted. Otherwise, the ballot shall not be counted.

18 4. The commissioner shall file a report regarding absentee
19 ballot tracking and counting for each general election no later
20 than December 1 following each general election. The report

22 Sec. ____ Section 53.22, subsection 6, paragraph b, Code
23 2019, is amended to read as follows:

24 b. Absentee ballots voted under this subsection shall be
25 delivered to the commissioner no later than the time the polls

4 Family leave or medical leave insurance benefits shall be
 5 payable to an eligible employee following a waiting period
 6 consisting of the first seven calendar days of leave. However,
 7 no such waiting period applies to a leave for the birth or
 8 placement of a child with an eligible employee.

9 **Sec. 11. NEW SECTION. 96A.10 Weekly leave benefit amount.**

10 1. The basis for the calculation of a leave benefit amount
 11 shall be the weekly earnings of an eligible employee on the
 12 day the leave is granted. "*Weekly earnings*" means the gross
 13 earnings of an employee to which such employee would have been
 14 entitled had the employee worked the employee's customary hours
 15 for the full pay period in which the employee is on family
 16 leave or medical leave. Weekly earnings shall be computed as
 17 follows, rounded to the nearest dollar, for an employee who is
 18 paid on the following basis:

19 a. On a weekly pay period basis, the weekly earnings are the
 20 weekly gross earnings.

21 b. On a biweekly pay period basis, the weekly earnings are
 22 one-half of the biweekly gross earnings.

- 23 c. On a semimonthly pay period basis, the weekly earnings
24 are the semimonthly gross earnings multiplied by twenty-four
25 and then divided by fifty-two.
- 26 d. On a monthly pay period basis, the weekly earnings
27 are the monthly gross earnings multiplied by twelve and then
28 divided by fifty-two.
- 29 e. On a yearly pay period basis, the weekly earnings shall
30 be the yearly earnings divided by fifty-two.
- 31 f. On a daily or hourly basis, or by the output of an
32 employee, the weekly earnings shall be computed by dividing by
33 thirteen the earnings, including shift differential pay but
34 not including overtime or premium pay, of the employee earned
35 in the last completed period of thirteen consecutive calendar

PAGE 8

- 1 weeks immediately preceding the start day of the leave. If
2 the employee was absent from employment for personal reasons
3 during part of the thirteen calendar weeks preceding the
4 leave, the employee's weekly earnings shall be the amount the
5 employee would have earned had the employee worked when work
6 was available to other employees of the employer in a similar
7 occupation. A week that does not fairly reflect the employee's
8 customary earnings shall be replaced by the closest previous
9 week with earnings that fairly represent the employee's
10 customary earnings.
- 11 2. If on the date that leave begins an employee's hourly
12 earnings cannot be ascertained, the earnings for the purpose
13 of calculating the benefit amount shall be the usual earnings
14 for similar services where such services are rendered by paid
15 employees.
- 16 3. If an employee earns either no wages or less than the
17 usual weekly earnings of a regular full-time adult laborer
18 in the line of work in which the employee is working in
19 that locality, the weekly earnings shall be one-fiftieth of
20 the total earnings which the employee has earned from all
21 employment during the twelve consecutive calendar months
22 immediately preceding the date that the employee's leave
23 begins.
- 24 4. The weekly leave benefit amount payable to an employee
25 for any one week shall be eighty percent of the employee's
26 spendable weekly earnings, but shall not exceed an amount equal
27 to two hundred percent of the statewide average weekly wage
28 paid to employees as determined by the department pursuant to
29 section 96.19 and in effect on the date that the employee's
30 leave commences. However, the weekly leave benefit amount
31 shall be a minimum equal to the lesser of the weekly leave
32 benefit amount of a person whose gross weekly earnings are
33 thirty-five percent of the statewide average weekly wage, or to
34 the spendable weekly earnings of the employee.
- 35 Sec. 12.NEW SECTION. 96A.11 Payment of benefits to an

PAGE 9

1 **eligible employee.**

2 1. The department shall send the first benefit payment to
3 an employee within ten calendar days after the first properly
4 completed weekly claim from the employee is received by
5 the department. Subsequent payments shall be sent at least
6 biweekly to an eligible employee if a properly completed weekly
7 claim from the employee is received by the department.

8 2. If an employer contests an employee's initial claim
9 for family leave or medical leave benefits, the employer must
10 notify the employee and the department in the manner prescribed
11 by the director within ten calendar days of the employer's
12 receipt of notice from the department of the employee's filing
13 of a claim for benefits pursuant to section 96A.21, subsection
14 3. Failure to timely contest an initial application shall
15 constitute a waiver of objection to the family leave or medical
16 leave claim.

17 3. If the department or the employer contests an employee's
18 eligibility for benefits after the employee begins receiving
19 benefits the employee shall continue to be paid benefits
20 conditionally for any weeks for which the employee files a
21 claim for benefits. The employee's right to retain such
22 benefit payments shall be conditioned upon the department's
23 finding that the employee is eligible for such benefit
24 payments.

25 a. At an employee's request, the department shall hold
26 conditional benefit payments until the department resolves the
27 employee's eligibility status.

28 b. Payment shall be issued promptly for any withheld benefit
29 payments if the department determines that an employee is
30 eligible for benefits.

31 c. If the department determines that an employee is
32 ineligible for the conditionally paid benefits, the employee
33 shall repay the overpayment per rules as adopted by the
34 director.

35 **Sec. 13. NEW SECTION. 96A.12 Funding the family leave and**

PAGE 10

1 **medical leave insurance program.**

2 1. Beginning on January 1, 2022, and ending December
3 31, 2023, the department shall assess for each employee
4 in employment with a covered employer a premium rate of
5 four-tenths of one percent of an employee's wages based on the
6 amount of the individual's wages, subject to subsection 6.

7 a. The premium rate for family leave benefits shall be equal
8 to one-third of the total premium rate.

9 b. The premium rate for medical leave benefits shall be
10 equal to two-thirds of the total premium rate.

11 2. For calendar year 2024 and subsequent calendar years the
12 director shall determine the percentage of paid claims related

13 to family leave benefits and the percentage of paid claims
14 related to medical leave benefits and adjust the premium rates
15 set in subsection 1 by the proportional share of claims paid
16 for both types of leave.

17 3. For family leave premiums a covered employer may deduct
18 up to forty-five percent of the full amount of the required
19 premiums from the wages of each employee. The remaining
20 fifty-five percent of the required premiums shall be paid by
21 the covered employer.

22 4. For medical leave premiums a covered employer may deduct
23 up to forty-five percent of the full amount of the required
24 premiums from the wages of each employee. The remaining
25 fifty-five percent of the required premiums shall be paid by
26 the covered employer.

27 5. A covered employer may elect to pay all or any portion of
28 the employee's share of the premiums for family leave benefits
29 or medical leave benefits or both.

30 6. The director shall annually set a maximum limit on the
31 amount of an employee's wages that are subject to a premium
32 assessment under this section that is equal to the contribution
33 and benefit base for the calendar year as determined by the
34 United States social security administration for purposes of
35 26 U.S.C. §3121(a).

PAGE 11

1 7. For calendar year 2024 and subsequent calendar years,
2 the total premium rate shall be based on the family leave and
3 medical leave insurance account balance ratio as of September
4 30 of the previous year. The director shall calculate the
5 account balance ratio by dividing the balance of the family
6 leave and medical leave insurance account by the total wages
7 paid by covered employers. The division shall be carried
8 to the fourth decimal place with the remaining fraction
9 disregarded unless it amounts to five hundred thousandths or
10 more in which case the fourth decimal place shall be rounded
11 to the next higher digit. If the family leave and medical
12 leave insurance account balance ratio is any of the following
13 percentages, the premium shall be the following percentage of
14 an employee's wages subject to a premium assessment:

15 a. If the ratio is zero to nine hundredths of one percent,
16 the premium shall be six-tenths of one percent.

17 b. If the ratio is one-tenth of one percent to nineteen
18 hundredths of one percent, the premium shall be five-tenths of
19 one percent.

20 c. If the ratio is two-tenths of one percent to twenty-nine
21 hundredths of one percent, the premium shall be four-tenths of
22 one percent.

23 d. If the ratio is three-tenths of one percent to
24 thirty-nine hundredths of one percent, the premium shall be
25 three-tenths of one percent.

26 e. If the ratio is four-tenths of one percent to forty-nine

27 hundredths of one percent, the premium shall be two-tenths of
28 one percent.

29 *f.* If the ratio is five-tenths of one percent or greater,
30 the premium shall be one-tenth of one percent.

31 8. Beginning January 1, 2024, if the account balance ratio
32 calculated in subsection 7 is below five hundredths of one

29 required by the director.

30 4. A self-employed person shall be eligible for
31 family leave and medical leave benefits after working one

22 c. The employee is on leave and elects not to return
23 to employment after receiving the employer’s notice of the
24 employer’s intent not to restore the employee.

9 for grant funding under Tit. X of the federal Public Health
 10 Services Act, 42 U.S.C. §300 et seq. The department shall
 11 distribute all grant funding received to applicants in the
 12 following order of priority:

13 a. Public entities that provide family planning services
 14 including state, county, or local community health clinics,
 15 federally qualified health centers, and community action
 16 organizations.

17 b. Nonpublic entities that, in addition to family planning
 18 services, provide required primary health services as described
 19 in 42 U.S.C. §254b(b)(1)(A).

20 c. Nonpublic entities that provide family planning
 21 services but do not provide required primary health services as
 22 described in 42 U.S.C. §254b(b)(1)(A).

23 2. Distribution of funds under this section shall be made in
 24 a manner that continues access to family planning services.

25 3.a.(1) Distribution of funds under this section shall
 26 not be made to any entity that performs abortions, promotes
 27 abortions, maintains or operates a facility where abortions are
 28 performed or promoted, contracts or subcontracts with an entity
 29 that performs or promotes abortions, becomes or continues to be
 30 an affiliate of any entity that performs or promotes abortions,
 31 or regularly makes referrals to an entity that provides or
 32 promotes abortions or maintains or operates a facility where
 33 abortions are performed. However, the prohibition specified
 34 in this subparagraph (1) shall not be interpreted to include
 35 a nonpublic entity that is a distinct location of a nonprofit

PAGE 2

1 health care delivery system, if the distinct location provides
 2 family planning services but does not perform abortions
 3 or maintain or operate as a facility where abortions are
 4 performed.

5 (2) The department of public health shall adopt rules
 6 pursuant to chapter 17A to require that as a condition of
 7 eligibility as an applicant under this section, each distinct
 8 location of a nonprofit health care delivery system shall be
 9 assigned a distinct provider identification number and complete
 10 an attestation that abortions are not performed at the distinct
 11 location.

12 b. For the purposes of this section, “nonprofit health
 13 care delivery system” means an Iowa nonprofit corporation
 14 that controls, directly or indirectly, a regional health
 15 care network consisting of hospital facilities and various
 16 ambulatory and clinic locations that provide a range of
 17 primary, secondary, and tertiary inpatient, outpatient, and

21 (1) The treatment of a woman for a physical disorder,
 22 physical injury, or physical illness, including a

24 the pregnancy itself, that would, as certified by a physician,
25 place the woman in danger of death.

26 (2) The treatment of a woman for a spontaneous abortion,
27 commonly known as a miscarriage, when not all of the products
28 of human conception are expelled.

29 4. Funds distributed in accordance with this section shall

34 section.

35 5. The department of public health shall submit a report to

PAGE 3

1 the governor and the general assembly, annually by January 1,
2 listing any entities that received funds pursuant to subsection
3 1, paragraph "c", and the amount and type of funds received by
4 such entities during the preceding calendar year. The report
5 shall provide a detailed explanation of how the department
6 determined that distribution of funds to such an entity,
7 instead of to an entity described in subsection 1, paragraph
8 "a" or "b", was necessary to prevent severe limitation or
9 elimination of access to family planning services in the region
10 of the state where the entity is located.

11 Sec. __.ADMINISTRATION OF PERSONAL RESPONSIBILITY
12 EDUCATION PROGRAM AND SEXUAL RISK AVOIDANCE EDUCATION GRANT
13 PROGRAM FUNDS.

32 However, the prohibition specified in this section shall not be
33 interpreted to include a nonpublic entity that is a distinct
34 location of a nonprofit health care delivery system, if the
35 distinct location provides personal responsibility education

PAGE 4

1 program or sexual risk avoidance education grant program
 2 services but does not perform abortions or maintain or operate
 3 as a facility where abortions are performed.

4 2. The department of public health shall adopt rules

 6 eligibility as an applicant, grantee, grantee contractor,
 7 or grantee subcontractor under the personal responsibility
 8 education program or sexual risk avoidance education grant

 10 abortions are performed.

11 2. The eligibility exclusion specified in subsection 1
 12 shall not be interpreted to include a nonpublic entity that

 14 system, if the distinct location provides community adolescent
 15 pregnancy prevention program services but does not perform
 16 abortions or maintain or operate as a facility where abortions
 17 are performed.

18 3. The department of human services shall adopt rules
 19 pursuant to chapter 17A to require that as a condition of

26 4. For the purposes of this section, “nonprofit health

1 Amend House File 535 as follows:

2 1. By striking everything after the enacting clause and
 3 inserting:

4 <Section 1.**NEW SECTION. 321.514 Definitions.**

5 As used in this section and sections 321.515 through
 6 321.519, unless the context otherwise requires:

7 1. "*Automated driving system*" means the hardware and
 8 software collectively capable of performing all dynamic driving
 9 tasks on a sustained basis, regardless of whether the system is
 10 limited to a specific operational design domain, if any.

11 2. "*Conventional human driver*" means a natural person
 12 who manually controls the in-vehicle accelerating, braking,
 13 steering, and transmission gear selection input devices in
 14 order to operate a motor vehicle.

15 3. "*Driverless-capable vehicle*" means a system-equipped
 16 vehicle capable of performing all dynamic driving tasks within

17 the automated driving system's operational design domain, if
 18 any, including but not limited to achievement of a minimal risk
 19 condition without intervention or supervision by a conventional
 20 human driver.

21 4. "*Dynamic driving task*" means any real-time operational
 22 and tactical function required to operate a motor vehicle on
 23 a highway in traffic within an automated driving system's
 24 specific operational design domain, if any. "*Dynamic driving*
 25 *task*" does not include any strategic function such as trip
 26 scheduling or the selection of destinations and waypoints.

27 5. "*Minimal risk condition*" means a reasonably safe state
 28 to which an automated driving system brings a system-equipped
 29 vehicle upon experiencing a performance-relevant failure of the
 30 system that renders the system unable to perform any dynamic
 31 driving task, including but not limited to removing the vehicle
 32 to the nearest shoulder if the vehicle is capable of doing so,
 33 bringing the vehicle to a complete stop, and activating the
 34 vehicle's emergency signal lamps.

35 6. "*On-demand driverless-capable vehicle network*" means a

PAGE 2

1 transportation service network that uses a software application
 2 or other digital means to dispatch driverless-capable vehicles
 3 for the purposes of transporting persons or goods, including
 4 transportation for hire as defined in section 325A.1, and
 5 public transportation.

6 7. "*Operational design domain*" means a set of constraints
 7 used to define the domain under which an automated driving
 8 system is designed to properly operate, including but not
 9 limited to types of highways, speed ranges, environmental
 10 conditions such as weather or time of day, and other
 11 constraints.

12 8. "*System-equipped vehicle*" means a motor vehicle equipped
 13 with an automated driving system.

14 **Sec. 2. NEW SECTION. 321.515 Operation.**

15 1. A driverless-capable vehicle may operate on the public
 16 highways of this state without a conventional human driver
 17 physically present in the vehicle, if the vehicle meets all of
 18 the following conditions:

19 a. The vehicle is capable of achieving a minimal risk
 20 condition if a malfunction of the automated driving system
 21 occurs that renders the system unable to perform any dynamic
 22 driving task within the system's intended operational design
 23 domain, if any.

24 b. While in driverless operation, the vehicle is capable of
 25 operating in compliance with the applicable traffic and motor
 26 vehicle safety laws and regulations of this state that govern
 27 the performance of dynamic driving tasks, unless an exemption
 28 has been granted to the vehicle by the department.

29 c. The vehicle has been certified by the vehicle's
 30 manufacturer to be in compliance with all applicable federal

31 motor vehicle safety standards, except to the extent an
32 exemption has been granted for the vehicle under applicable
33 federal law or by the national highway traffic safety
34 administration.
35 2.a. The operation of a system-equipped vehicle capable

PAGE 3

1 of performing all dynamic driving tasks within the automated
2 driving system's operational design domain on the public
3 highways of this state while a conventional human driver is
4 present in the vehicle shall be lawful. During such operation,
5 the conventional human driver shall possess a valid driver's
6 license pursuant to section 321.174. The conventional human
7 driver shall operate the system-equipped vehicle according
8 to the manufacturer's requirements and specifications, and
9 shall regain manual control of the vehicle when prompted by the
10 automated driving system.

11 b. An automated driving system, while engaged, shall be
12 designed to operate within the system's operational design
13 domain in compliance with the applicable traffic and motor
14 vehicle safety laws and regulations of this state that govern
15 the performance of dynamic driving tasks, unless an exemption
16 has been granted to the vehicle by the department.

17 3. Except as provided in this section, the motor vehicle
18 laws of this state shall not be construed to require a
19 conventional human driver to operate a driverless-capable
20 vehicle that is being operated by an automated driving system.
21 The automated driving system, while engaged, shall be deemed
22 to fulfill any physical acts required of a conventional human
23 driver to perform dynamic driving tasks.

24 Sec. 3.NEW SECTION. **321.516 Insurance.**

25 Before a system-equipped vehicle is allowed to operate on
26 the public highways of this state, the owner shall submit to
27 the department proof of financial liability coverage for the
28 vehicle in a manner and form determined by the department. A
29 system-equipped vehicle shall not operate on the highways of
30 this state unless financial liability coverage is in effect for
31 the vehicle and unless proof of financial liability coverage is
32 carried in the vehicle. If a system-equipped vehicle operates
33 on a highway in violation of this section, the owner of the
34 vehicle may be charged and convicted of a violation of section
35 321.20B as though the owner was operating the vehicle.

PAGE 4

1 Sec. 4.NEW SECTION. **321.517 Accidents.**

2 In the event of an accident in which a system-equipped
3 vehicle is involved, the vehicle shall remain at the scene of
4 the accident and the operation of the vehicle shall otherwise
5 comply with sections 321.261 through 321.273 where applicable
6 and to the extent possible, and the vehicle's owner or a person

7 on behalf of the vehicle's owner shall promptly report the
 8 accident to law enforcement authorities. If a system-equipped
 9 vehicle fails to remain at the scene of an accident or the
 10 operation of the vehicle fails to otherwise comply with
 11 sections 321.261 through 321.273 where applicable and to the
 12 extent possible as required by this section, the vehicle's
 13 failure shall be imputed to the vehicle's owner, and the
 14 vehicle's owner may be charged and convicted of a violation of
 15 sections 321.261 through 321.273, as applicable. However, if
 16 the vehicle's failure is due to an error or malfunction in the
 17 automated driving system, the vehicle's failure shall instead
 18 be imputed to the vehicle's manufacturer, and the vehicle's
 19 manufacturer may be charged and convicted for a violation of
 20 sections 321.261 through 321.373, as applicable.

21 Sec. 5. NEW SECTION. 321.518 On-demand driverless-capable
 22 vehicle network.

23 A person may operate an on-demand driverless-capable vehicle
 24 network. An on-demand driverless-capable vehicle network may
 25 be used to facilitate the transportation of persons or goods,
 26 including transportation for hire as defined in section 325A.1,
 27 and public transportation. An on-demand driverless-capable
 28 vehicle network may connect passengers to driverless-capable
 29 vehicles either exclusively or as part of a digital network
 30 that also connects passengers to conventional human drivers
 31 who provide transportation services, consistent with chapter
 32 321N or any other applicable laws, in vehicles that are not
 33 driverless-capable vehicles.

34 Sec. 6. NEW SECTION. 321.519 Authority.

35 1. Automated driving systems and system-equipped vehicles

PAGE 5

1 shall be governed by sections 321.514 through 321.518, this
 2 section, and all applicable traffic and motor vehicle safety
 3 laws and regulations of this state. Automated driving systems
 4 and system-equipped vehicles shall be regulated exclusively by
 5 the department. The department may adopt rules pursuant to
 6 chapter 17A to administer sections 321.514 through 321.518, and
 7 this section.

8 2. A political subdivision of the state shall not impose
 9 requirements, including but not limited to performance
 10 standards, specific to the operation of system-equipped
 11 vehicles, automated driving systems, or on-demand
 12 driverless-capable vehicle networks that are in addition to
 13 the requirements set forth under sections 321.514 through
 14 321.518. A political subdivision of the state shall not
 15 impose a tax on system-equipped vehicles, automated driving
 16 systems, or on-demand driverless-capable vehicle networks
 17 where such tax relates specifically to the operation of
 18 system-equipped vehicles, automated driving systems, or
 19 on-demand driverless-capable vehicle networks.>

1 Amend House File 669 as follows:

2 1. By striking everything after the enacting clause and
3 inserting:

4 <Section 1. Section 476.6, Code 2019, is amended by adding
5 the following new subsection:

6 **NEW SUBSECTION. 22. Value of distributed solar tariff and**
7 **credit — methodology.**

8 a. For purposes of this subsection:

9 (1) “*Distributed solar facility*” means a solar distributed
10 generation facility as defined in section 476.58.

11 (2) “*Net metering*” means the interconnection of an alternate
12 energy production facility or small hydro facility with an
13 electric utility whereby electricity produced by the facility
14 and consumed on site offsets electricity that would otherwise
15 be purchased from the electric utility, excess electricity
16 produced by the facility is transferred to the utility’s
17 electrical grid, and the customer is provided a credit for the
18 electricity transferred to the utility’s electrical grid.

19 *b.* The general assembly recognizes that distributed solar
 20 facilities provide a wide range of benefits to the electric
 21 distribution grid, and to electric utilities and their
 22 customers. The general assembly also recognizes that many
 23 states and electric utilities have evaluated and quantified
 24 the benefits in value of solar studies. The general assembly
 25 additionally recognizes that once quantified, this information
 26 can be used to establish rates for customers that utilize
 27 distributed solar facilities that reflect and compensate
 28 such customers for these benefits. The general assembly
 29 further recognizes that states have evaluated and quantified
 30 numerous values and benefits with respect to distributed solar
 31 facilities, including avoided fuel costs, energy and capacity
 32 costs, reduction in peak load, electric grid benefits, and
 33 local economic development.

34 *c.* The board shall establish a methodology to derive a value
 35 of distributed solar tariff and credit as an alternative to

PAGE 2

1 net metering for distributed solar facility customers. The
 2 methodology shall account for the value of a distributed solar
 3 facility and its output, as well as the value of any affiliated
 4 energy storage facility. In establishing the methodology, the
 5 board shall initiate a formal proceeding to gather input from
 6 electric utilities and other interested stakeholders. The
 7 methodology shall, at a minimum, fully account for the value of
 8 energy and its delivery, including at peak times, generation
 9 capacity, avoided transmission and distribution capacity,
 10 avoided transmission and distribution line losses, avoided fuel
 11 costs, fuel cost stability and hedge value, avoided reserve
 12 capacity costs, avoided or deferred electric infrastructure
 13 costs, including initial capital costs and ongoing fixed and
 14 variable costs, and avoided federally mandated pollution
 15 mitigation costs. To the extent feasible, the methodology
 16 shall also consider other benefits and values, including the
 17 installation of distributed solar facilities at high-value
 18 locations on the electric distribution grid. The methodology
 19 may take into account electric distribution grid integration
 20 costs which are directly attributable to distributed solar
 21 facilities and are not directly paid by the customer during the
 22 interconnection process. However, the methodology shall not
 23 consider wholesale market energy and capacity costs.

24 *d.* The board shall review and consider changes to the
 25 methodology established under paragraph “c” every three years.

26 *e.* The board shall submit a report to the general assembly
 27 containing the results of the methodology established under
 28 paragraph “c” by December 31, 2020, and by the same date every
 29 three years thereafter.>

 12 exceeds three-tenths of one percent according to the results of
 13 an official test of a sample obtained from the licensed crop
 14 site pursuant to an inspection conducted under section 204.8.

15 b. It is conclusively presumed that a licensee acted
 16 with a culpable mental state greater than negligence, if

1 Sec. 11. NEW SECTION. 16.82 Beginning farmer tax credit
 2 — allowance.

3 1. A beginning farmer tax credit is authorized under the
 4 beginning farmer tax credit program as provided in section
 5 16.78. The beginning farmer tax credit is allowed against
 6 the taxes imposed in chapter 422, division II, as provided in
 7 section 422.11E, and in chapter 422, division III, as provided
 8 in section 422.33, subsection 21, to facilitate the transfer of
 9 agricultural assets from an eligible taxpayer to a qualifying
 10 beginning farmer participating in the program.

11 2. An individual may claim a beginning farmer tax credit
 12 under this section of a partnership, limited liability company,
 13 S corporation, estate, or trust electing to have income
 14 taxed directly to the individual. The amount claimed by the
 15 individual shall be based upon the pro rata share of the
 16 individual's earnings from the partnership, limited liability
 17 company, S corporation, estate, or trust.

18 3. Subject to the limitations described in subsections 5,
 19 6, and 7, the authority shall determine the amount of the tax
 20 credit under an agreement using the following methods:

21 a. In the case of an agreement on a fixed basis, in which
 22 an eligible taxpayer receives a fixed cash rent payment, the
 23 amount of the tax credit equals five percent of the amount of
 24 the fixed cash rent payment for each year.

25 b. In the case of an agreement on a commodity share basis,
 26 in which an eligible taxpayer receives as a rent payment a

27 percentage of the commodity produced, the amount of the tax
28 credit shall equal fifteen percent of the gross amount that
29 the eligible taxpayer would receive as a rent payment from
30 the sale of the eligible taxpayer's share of the crop in each
31 harvest year. The amount of the tax credit shall be based on
32 an equation established by rule adopted by the authority which
33 shall use data compiled by the United States department of
34 agriculture, which shall include all of the following factors:
35 (1) The past ten-year average per bushel yield for the

PAGE 11

1 same type of grain as produced under the agreement in the same
2 county where the leased agricultural land is located excluding
3 the years of highest and lowest per bushel yields.

4 (2) The per bushel state price established for the same
5 type of grain harvested as described in subparagraph (1).
6 Price information shall be averaged from the past five years
7 excluding the years of the highest and lowest per bushel state
8 price.

9 c. In the case of an agreement made on a flexible basis in
10 which an eligible taxpayer receives a rent payment consisting
11 of a fixed cash payment and an amount subject to adjustment
12 according to a risk-sharing arrangement, or receives a rent
13 payment consisting of an amount subject to adjustment according
14 to a risk-sharing arrangement, the amount of the tax credit
15 equals the sum of the following amounts:

16 (1) To the extent that a portion of the amount of the
17 rent payment is calculated on a fixed basis as described in
18 paragraph "a", that portion of the tax credit equals five
19 percent of the fixed cash payment in the same manner as
20 provided in paragraph "a".

21 (2) To the extent that a portion of the amount of the rent
22 payment is calculated on a commodity share basis as described
23 in paragraph "b", that portion of the tax credit equals fifteen
24 percent of the amount that the eligible taxpayer would receive
25 from the sale of the eligible taxpayer's share of the commodity
26 in the same manner as provided in paragraph "b".

27 (3)(a) To the extent that the amount of the rent payment
28 may be adjusted after taking into account all risk-sharing
29 factors provided in the agreement, that portion of the tax
30 credit equals fifteen percent of the highest adjusted amount
31 that the eligible taxpayer could receive in excess of the
32 amounts calculated in subparagraphs (1) and (2) based on an
33 equation adopted by rule by the authority.

34 (b) As used in subparagraph division (a), "*risk-sharing*
35 *factor*" means an occurrence or lack of occurrence that may

PAGE 12

1 affect the commodity's production or profitability as provided
2 in the agreement, and which may include but is not limited to

3 production costs, per acre crop yield, gross revenue, or market
4 price.

5 (c) The authority shall adopt rules establishing criteria
6 for commonly used risk-sharing factors and adjustment limits.

7 4. The authority shall provide the department with data, in
8 the format prescribed by the department, of eligible taxpayers
9 and persons who have been decertified due to lease termination
10 or other cause of ineligibility by January 31 of each year.

11 The data shall include the amount of the tax credit issued
12 for the most recent year and all expected future tax credits
13 under an agreement for each eligible taxpayer and the type of
14 agreement.

15 5. The amount of tax credits that may be awarded to an
16 eligible taxpayer for any one year under all agreements shall
17 not exceed fifty thousand dollars.

18 6. The amount of the tax credit shall be reduced by the
19 percent ownership interest of the qualifying beginning farmer
20 in the agricultural asset.

21 7. A tax credit in excess of the eligible taxpayer's
22 tax liability for the tax year is not refundable but may be
23 credited to the tax liability for the following ten tax years
24 or until depleted, whichever is earlier. A tax credit shall
25 not be carried back to a tax year prior to the tax year in which
26 the eligible taxpayer redeems the tax credit.

27 8.a. To claim a tax credit under this section, an eligible
28 taxpayer shall include one or more tax credit certificates with
29 the eligible taxpayer's tax return pursuant to rules adopted
30 by the department.

31 b. A tax credit shall not be transferable to any other
32 person other than the eligible taxpayer's estate or trust upon
33 the eligible taxpayer's death pursuant to rules adopted by the
34 department.

35 9. If an agreement is terminated by the eligible taxpayer,

PAGE 13

1 all of the following shall apply:

2 a. Any tax credit properly claimed by the eligible taxpayer
3 prior to the date of termination or for the year during which
4 the termination occurred shall be allowed except as provided
5 in paragraph "b", but no additional tax credits may be issued
6 or claimed under the program for that agreement. The eligible
7 taxpayer may apply for and be awarded another beginning farmer
8 tax credit under a new agreement for the same agricultural
9 assets as provided in this section.

10 b. If the authority determines that the eligible taxpayer is
11 at fault for the termination, any beginning farmer tax credit
12 that is claimed by the eligible taxpayer for the year during
13 which the termination occurred shall be disallowed and the
14 amount shall be considered a tax payment due. If an eligible
15 taxpayer does not notify the authority of the termination
16 within thirty days of the date of the termination in the manner

17 and form prescribed by the authority, the eligible taxpayer
18 shall be conclusively deemed at fault for the termination.
19 Sec. 12. **NEW SECTION. 16.82A Beginning farmer tax credit**
20 **awards — amount and availability.**
21 1.a. Upon approval of an application as provided in
22 section 16.81, the authority shall make a tax credit award
23 to the eligible taxpayer. The tax credit award shall equal
24 the sum of the tax credits calculated by the authority under
25 section 16.82 for all eligible years under the approved
26 agreement.
27 b. The authority shall notify the eligible taxpayer of
28 the tax credit award under the program. The notification
29 shall include the total tax credit award, the amount of the
30 tax credit award that will be issued by way of a tax credit
31 certificate in each future year under the approved agreement,
32 and a statement that the eligible taxpayer has no right to
33 receive tax credit certificates and claim tax credits under the
34 program if all requirements of the agreement and the program
35 are not satisfied.

PAGE 14

1 c. If after making a tax credit award the eligible taxpayer
2 or qualified beginning farmer no longer meets the requirements
3 of the agreement or the program, the authority may revoke a tax
4 credit award and may rescind a tax credit certificate.
5 2. The amount of beginning farmer tax credits that may be
6 awarded by the authority in any one calendar year under the
7 beginning farmer tax credit program shall not in the aggregate
8 exceed a limit of twelve million dollars. Tax credits shall
9 be awarded by the authority not later than December 15 of each

12 determines tax credit amounts for the approved applications as
13 provided in section 16.82, aggregated for purposes of meeting
14 the annual program award limits.
15 3.a. The authority shall issue tax credit certificates
16 on an annual basis to eligible taxpayers who have received a
17 tax credit award. The tax credit certificate shall contain the
18 information required by the department.
19 b. The aggregate amount of tax credit certificates issued to
20 an eligible taxpayer shall not exceed the eligible taxpayer's
21 tax credit award.

23 authority, shall be accepted by the department as payment for
24 taxes pursuant to chapter 422, divisions II and III, subject
25 to any conditions or restrictions placed by the authority upon
26 the face of the tax credit certificate and subject to the
27 limitations of the program.
28 Sec. 13. **NEW SECTION. 422.11E Beginning farmer tax credit**

26 intended as or shall imply a grant of entitlement for services
27 to persons who are eligible for assistance due to an income
28 level consistent with the waiting list requirements of section
29 237A.13. Any state obligation to provide services pursuant to
30 this section is limited to the extent of the funds appropriated

31 in this section.

32 3. A list of the registered and licensed child care
33 facilities operating in the area served by a child care
34 resource and referral service shall be made available to the
35 families receiving state child care assistance in that area.

PAGE 38

1 4. Of the funds appropriated in this section, \$5,850,000
2 shall be credited to the early childhood programs grants
3 account in the early childhood Iowa fund created in section
4 256I.11. The moneys shall be distributed for funding of
5 community-based early childhood programs targeted to children
6 from birth through five years of age developed by early
7 childhood Iowa areas in accordance with approved community
8 plans as provided in section 256I.8.

9 5. The department may use any of the funds appropriated
10 in this section as a match to obtain federal funds for use in
11 expanding child care assistance and related programs. For
12 the purpose of expenditures of state and federal child care
13 funding, funds shall be considered obligated at the time
14 expenditures are projected or are allocated to the department's
15 service areas. Projections shall be based on current and
16 projected caseload growth, current and projected provider
17 rates, staffing requirements for eligibility determination
18 and management of program requirements including data systems
19 management, staffing requirements for administration of the
20 program, contractual and grant obligations and any transfers
21 to other state agencies, and obligations for decategorization
22 or innovation projects.

23 6. A portion of the state match for the federal child care
24 and development block grant shall be provided as necessary to
25 meet federal matching funds requirements through the state
26 general fund appropriation made for child development grants
27 and other programs for at-risk children in section 279.51.

28 7. If a uniform reduction ordered by the governor under
29 section 8.31 or other operation of law, transfer, or federal
30 funding reduction reduces the appropriation made in this
31 section for the fiscal year, the percentage reduction in the
32 amount paid out to or on behalf of the families participating
33 in the state child care assistance program shall be equal to or
34 less than the percentage reduction made for any other purpose
35 payable from the appropriation made in this section and the

PAGE 39

1 federal funding relating to it. The percentage reduction to
2 the other allocations made in this section shall be the same as
3 the uniform reduction ordered by the governor or the percentage
4 change of the federal funding reduction, as applicable. If
5 there is an unanticipated increase in federal funding provided
6 for state child care services, the entire amount of the

7 increase, except as necessary to meet federal requirements
 8 including quality set asides, shall be used for state child
 9 care assistance payments. If the appropriations made for
 10 purposes of the state child care assistance program for the
 11 fiscal year are determined to be insufficient, it is the intent
 12 of the general assembly to appropriate sufficient funding for
 13 the fiscal year in order to avoid establishment of waiting list
 14 requirements.

15 8. Notwithstanding section 8.33, moneys advanced for
 16 purposes of the programs developed by early childhood Iowa
 17 areas, advanced for purposes of wraparound child care, or
 18 received from the federal appropriations made for the purposes
 19 of this section that remain unencumbered or unobligated at the
 20 close of the fiscal year shall not revert to any fund but shall
 21 remain available for expenditure for the purposes designated
 22 until the close of the succeeding fiscal year.

23 Sec. 18.JUVENILE INSTITUTION. There is appropriated

 27 necessary, to be used for the purposes designated:

 29 and for salaries, support, maintenance, and miscellaneous
 30 purposes, and for not more than the following full-time
 31 equivalent positions:

34 b. Of the funds appropriated in this subsection, \$91,000
 35 shall be used for distribution to licensed classroom teachers

PAGE 40

1 at this and other institutions under the control of the
 2 department of human services based upon the average student
 3 yearly enrollment at each institution as determined by the
 4 department.

5 c. The additional full-time equivalent positions authorized
 6 in paragraph "a" shall include 1.00 youth services technician,
 7 1.00 clinical supervisor, and 1.00 registered nurse, or
 8 comparable additional, full-time equivalent positions.

9 2. A portion of the moneys appropriated in this section
 10 shall be used by the state training school at Eldora for
 11 grants for adolescent pregnancy prevention activities at the
 12 institution in the fiscal year beginning July 1, 2019.

13 3. Of the funds appropriated in this subsection, \$212,000
 14 shall be used by the state training school at Eldora for a
 15 substance use disorder treatment program at the institution for
 16 the fiscal year beginning July 1, 2019.

 18 this section that remain unencumbered or unobligated at the
 19 close of the fiscal year shall not revert but shall remain
 20 available for expenditure for the purposes designated until the

21 close of the succeeding fiscal year.

22 Sec. 19.CHILD AND FAMILY SERVICES.

27 purpose designated:

28 For child and family services:

29 \$ 89,071,761

30 2. The department may transfer funds appropriated in this
31 section as necessary to pay the nonfederal costs of services
32 reimbursed under the medical assistance program, state child
33 care assistance program, or the family investment program which
34 are provided to children who would otherwise receive services
35 paid under the appropriation in this section. The department

PAGE 41

1 may transfer funds appropriated in this section to the
2 appropriations made in this division of this Act for general
3 administration and for field operations for resources necessary
4 to implement and operate the services funded in this section.

5 3.a. Of the funds appropriated in this section, up to
6 \$34,536,000 is allocated as the statewide expenditure target
7 under section 232.143 for group foster care maintenance and
8 services. If the department projects that such expenditures
9 for the fiscal year will be less than the target amount
10 allocated in this paragraph “a”, the department may reallocate
11 the excess to provide additional funding for family foster
12 care, independent living, family safety, risk and permanency
13 services, shelter care, or the child welfare emergency services
14 addressed with the allocation for shelter care.

15 b. If at any time after September 30, 2019, annualization
16 of a service area’s current expenditures indicates a service
17 area is at risk of exceeding its group foster care expenditure
18 target under section 232.143 by more than 5 percent, the
19 department and juvenile court services shall examine all
20 group foster care placements in that service area in order to
21 identify those which might be appropriate for termination.
22 In addition, any aftercare services believed to be needed
23 for the children whose placements may be terminated shall be
24 identified. The department and juvenile court services shall
25 initiate action to set dispositional review hearings for the
26 placements identified. In such a dispositional review hearing,
27 the juvenile court shall determine whether needed aftercare
28 services are available and whether termination of the placement
29 is in the best interest of the child and the community.

30 4. In accordance with the provisions of section 232.188,
31 the department shall continue the child welfare and juvenile
32 justice funding initiative during fiscal year 2019-2020. Of
33 the funds appropriated in this section, \$1,717,000 is allocated

35 the decategorization services funding pools and governance

PAGE 42

1 boards established pursuant to section 232.188.

2 5. A portion of the funds appropriated in this section
3 may be used for emergency family assistance to provide other
4 resources required for a family participating in a family
5 preservation or reunification project or successor project to
6 stay together or to be reunified.

7 6. Of the funds appropriated in this section, a sufficient
8 amount is allocated for shelter care and the child welfare
9 emergency services contracting implemented to provide for or
10 prevent the need for shelter care.

11 7. Federal funds received by the state during the fiscal
12 year beginning July 1, 2019, as the result of the expenditure
13 of state funds appropriated during a previous state fiscal
14 year for a service or activity funded under this section are
15 appropriated to the department to be used as additional funding
16 for services and purposes provided for under this section.
17 Notwithstanding section 8.33, moneys received in accordance
18 with this subsection that remain unencumbered or unobligated at
19 the close of the fiscal year shall not revert to any fund but
20 shall remain available for the purposes designated until the
21 close of the succeeding fiscal year.

22 8.a. Of the funds appropriated in this section, up to
23 \$3,290,000 is allocated for the payment of the expenses of
24 court-ordered services provided to juveniles who are under the
25 supervision of juvenile court services, which expenses are a
26 charge upon the state pursuant to section 232.141, subsection
27 4. Of the amount allocated in this paragraph "a", up to
28 \$1,556,000 shall be made available to provide school-based
29 supervision of children adjudicated under chapter 232, of which
30 not more than \$15,000 may be used for the purpose of training.
31 A portion of the cost of each school-based liaison officer
32 shall be paid by the school district or other funding source as
33 approved by the chief juvenile court officer.

5 of law to the contrary, the amounts allocated in this
6 subsection shall be distributed to the judicial districts
7 as determined by the state court administrator and to the
8 department's service areas as determined by the administrator
9 of the department of human services' division of child and
10 family services. The state court administrator and the

11 division administrator shall make the determination of the
12 distribution amounts on or before June 15, 2019.

13 d. Notwithstanding chapter 232 or any other provision of
14 law to the contrary, a district or juvenile court shall not
15 order any service which is a charge upon the state pursuant
16 to section 232.141 if there are insufficient court-ordered
17 services funds available in the district court or departmental
18 service area distribution amounts to pay for the service. The
19 chief juvenile court officer and the departmental service area
20 manager shall encourage use of the funds allocated in this
21 subsection such that there are sufficient funds to pay for
22 all court-related services during the entire year. The chief
23 juvenile court officers and departmental service area managers
24 shall attempt to anticipate potential surpluses and shortfalls
25 in the distribution amounts and shall cooperatively request the
26 state court administrator or division administrator to transfer
27 funds between the judicial districts' or departmental service
28 areas' distribution amounts as prudent.

29 e. Notwithstanding any provision of law to the contrary,
30 a district or juvenile court shall not order a county to pay
31 for any service provided to a juvenile pursuant to an order
32 entered under chapter 232 which is a charge upon the state
33 under section 232.141, subsection 4.

8 allocated for juvenile delinquent graduated sanctions services.
9 Any state funds saved as a result of efforts by juvenile court

15 the child protection center grant program for child protection
16 centers located in Iowa in accordance with section 135.118.
17 The grant amounts under the program shall be equalized so that
18 each center receives a uniform base amount of \$245,000, and so
19 that the remaining funds are awarded through a funding formula
20 based upon the volume of children served. To increase access
21 to child protection center services for children in rural
22 areas, the funding formula for the awarding of the remaining
23 funds shall provide for the awarding of an enhanced amount to
24 eligible grantees to develop and maintain satellite centers in

25 underserved regions of the state.

6 employee position, or that such costs for adding a particular
7 number of new positions for the fiscal year would be less
8 than the overtime costs if new positions would not be added,
9 the superintendent may add the new position or positions. If
10 the vacant positions available to a resource center do not
11 include the position classification desired to be filled, the
12 state resource center's superintendent may reclassify any

24 and must reapply for participation in the program in any
25 subsequent quarter. All of the following shall apply when
26 determining the application of penalties and adjustments:

27 (1) The total amount of the intergovernmental transfer

7 business day as specified, but with a date stamp or mailing
8 postal mark indicating a date on or prior to five business
9 days from the date of notification by the department or the

18 amount, shall be deemed late and the participating NSGE shall
19 receive the quality of care rate add-on, including an assessed

22 percent penalty shall be applied to the quality of care rate
23 add-on for the quarter in which the intergovernmental transfer
24 amount is late.

25 (b) The department shall notify the participating NSGE of
26 the assessed penalty in writing. If the participating NSGE
27 fails to pay the department or the department's designee the
28 assessed penalty within the time frame noted on the written
29 notice to the participating NSGE, the assessed penalty shall be
30 deducted in accordance with the state Medicaid fee-for-service
31 recoupment process. The penalty shall be paid regardless
32 of any appeal requested by the participating NSGE. If an
33 appeal results in a decision to disallow a portion of or the
34 entire assessed penalty, reimbursement to the participating
35 NSGE shall be made as part of future Medicaid payments to the

1 participating NSGO nursing facility.
2 (4) If a participating NSGO nursing facility fails to

6 program for two subsequent quarters. An NSGO nursing facility
7 that has been suspended for a total of four quarters within a
8 two-year period due to noncompliance with the required care
9 criteria shall be terminated from the program, and shall be
10 required to reapply for approval to participate at a subsequent
11 time. Readmittance into the program is at the sole discretion
12 of the department, taking into consideration input from
13 stakeholders. If the NSGO nursing facility is subsequently
14 readmitted to the program, terms of participation may include a
15 probationary period with defined requirements related to care.

16 4. The quality of care rate add-on shall only be implemented

27 withdraw from program participation for that current quarter
28 and must reapply for participation in the program in any
29 subsequent quarter. All of the following shall apply when
30 determining the application of penalties and adjustments:

12 postal mark indicating a date on or prior to five business
13 days from the date of notification by the department or the
14 department's designee of the state share amount, shall not be
15 subject to penalty.

16 (3)(a) Any intergovernmental transfer amount received by
17 the department or the department's designee after the fifth
18 business day as specified, but with a date stamp or postal mark
19 indicating a date after five business days but not exceeding
20 eight business days from the date of notification by the
21 department or the department's designee of the state share
22 amount, shall be deemed late and the participating NSGE shall
23 receive the quality of care rate add-on, including an assessed
24 penalty of five percent, based on the total intergovernmental
25 transfer payments received during the late period. The five
26 percent penalty shall be applied to the quality of care rate
27 add-on for the quarter in which the intergovernmental transfer
28 amount is late.

29 (b) The department shall notify the participating NSGE of
30 the assessed penalty in writing. If the participating NSGE
31 fails to pay the department or the department's designee the
32 assessed penalty within the time frame noted on the written
33 notice to the participating NSGE, the assessed penalty shall be
34 deducted in accordance with the state Medicaid fee-for-service
35 recoupment process. The penalty shall be paid regardless

PAGE 112

1 of any appeal requested by the participating NSGE. If an
2 appeal results in a decision to disallow a portion of or the
3 entire assessed penalty, reimbursement to the participating
4 NSGE shall be made as part of future Medicaid payments to the
5 participating NSGO nursing facility.

6 (4) If a participating NSGO nursing facility fails to
7 achieve, at a minimum, two of the required care criteria
8 metrics for two consecutive quarters, the participating NSGO
9 nursing facility shall be suspended from participation in the
10 program for two subsequent quarters. An NSGO nursing facility
11 that has been suspended for a total of four quarters within a
12 two-year period due to noncompliance with the required care

13 criteria shall be terminated from the program, and shall be
 14 required to reapply for approval to participate at a subsequent
 15 time. Readmittance into the program is at the sole discretion
 16 of the department, taking into consideration input from
 17 stakeholders. If the NSGO nursing facility is subsequently
 18 readmitted to the program, terms of participation may include a
 19 probationary period with defined requirements related to care.

20 4. The quality of care rate add-on shall only be implemented
 21 upon receipt by the department of approval of the Medicaid
 22 state plan amendment by CMS, and if such approval is received,
 23 the rate add-on is applicable no earlier than the first day
 24 of the calendar quarter following the date of receipt of such
 25 approval.

 14 The department may adopt emergency rules to implement this
 15 subsection.

16 3. If during the fiscal year beginning July 1, 2019,

 32 shall be used for state child care assistance in accordance
 33 with section 237A.13.

34 2. Nothing in this section shall be construed or is
 35 intended as or shall imply a grant of entitlement for services

PAGE 38

1 to persons who are eligible for assistance due to an income
2 level consistent with the waiting list requirements of section
3 237A.13. Any state obligation to provide services pursuant to
4 this section is limited to the extent of the funds appropriated
5 in this section.

6 3. A list of the registered and licensed child care
7 facilities operating in the area served by a child care
8 resource and referral service shall be made available to the
9 families receiving state child care assistance in that area.

10 4. Of the funds appropriated in this section, \$5,850,000
11 shall be credited to the early childhood programs grants
12 account in the early childhood Iowa fund created in section
13 256I.11. The moneys shall be distributed for funding of
14 community-based early childhood programs targeted to children
15 from birth through five years of age developed by early
16 childhood Iowa areas in accordance with approved community
17 plans as provided in section 256I.8.

18 5. The department may use any of the funds appropriated
19 in this section as a match to obtain federal funds for use in
20 expanding child care assistance and related programs. For
21 the purpose of expenditures of state and federal child care
22 funding, funds shall be considered obligated at the time
23 expenditures are projected or are allocated to the department's

1 and other programs for at-risk children in section 279.51.

2 7. If a uniform reduction ordered by the governor under
3 section 8.31 or other operation of law, transfer, or federal
4 funding reduction reduces the appropriation made in this
5 section for the fiscal year, the percentage reduction in the
6 amount paid out to or on behalf of the families participating
7 in the state child care assistance program shall be equal to or
8 less than the percentage reduction made for any other purpose
9 payable from the appropriation made in this section and the
10 federal funding relating to it. The percentage reduction to
11 the other allocations made in this section shall be the same as
12 the uniform reduction ordered by the governor or the percentage

13 change of the federal funding reduction, as applicable. If
 14 there is an unanticipated increase in federal funding provided
 15 for state child care services, the entire amount of the
 16 increase, except as necessary to meet federal requirements
 17 including quality set asides, shall be used for state child
 18 care assistance payments. If the appropriations made for
 19 purposes of the state child care assistance program for the
 20 fiscal year are determined to be insufficient, it is the intent
 21 of the general assembly to appropriate sufficient funding for
 22 the fiscal year in order to avoid establishment of waiting list
 23 requirements.

24 8. Notwithstanding section 8.33, moneys advanced for
 25 purposes of the programs developed by early childhood Iowa
 26 areas, advanced for purposes of wraparound child care, or
 27 received from the federal appropriations made for the purposes
 28 of this section that remain unencumbered or unobligated at the

7	FTEs 207.00

8 b. Of the funds appropriated in this subsection, \$91,000
 9 shall be used for distribution to licensed classroom teachers
 10 at this and other institutions under the control of the
 11 department of human services based upon the average student
 12 yearly enrollment at each institution as determined by the
 13 department.

14 c. The additional full-time equivalent positions authorized
 15 in paragraph "a" shall include 1.00 youth services technician,
 16 1.00 clinical supervisor, and 1.00 registered nurse, or

4 2. The department may transfer funds appropriated in this
5 section as necessary to pay the nonfederal costs of services
6 reimbursed under the medical assistance program, state child
7 care assistance program, or the family investment program which
8 are provided to children who would otherwise receive services
9 paid under the appropriation in this section. The department
10 may transfer funds appropriated in this section to the
11 appropriations made in this division of this Act for general
12 administration and for field operations for resources necessary
13 to implement and operate the services funded in this section.

14 3.a. Of the funds appropriated in this section, up to
15 \$34,536,000 is allocated as the statewide expenditure target
16 under section 232.143 for group foster care maintenance and
17 services. If the department projects that such expenditures
18 for the fiscal year will be less than the target amount
19 allocated in this paragraph "a", the department may reallocate
20 the excess to provide additional funding for family foster
21 care, independent living, family safety, risk and permanency
22 services, shelter care, or the child welfare emergency services
23 addressed with the allocation for shelter care.

24 b. If at any time after September 30, 2019, annualization
25 of a service area's current expenditures indicates a service
26 area is at risk of exceeding its group foster care expenditure
27 target under section 232.143 by more than 5 percent, the
28 department and juvenile court services shall examine all
29 group foster care placements in that service area in order to
30 identify those which might be appropriate for termination.
31 In addition, any aftercare services believed to be needed
32 for the children whose placements may be terminated shall be
33 identified. The department and juvenile court services shall
34 initiate action to set dispositional review hearings for the
35 placements identified. In such a dispositional review hearing,

PAGE 42

1 the juvenile court shall determine whether needed aftercare
2 services are available and whether termination of the placement

3 is in the best interest of the child and the community.

4 4. In accordance with the provisions of section 232.188,
5 the department shall continue the child welfare and juvenile
6 justice funding initiative during fiscal year 2019-2020. Of
7 the funds appropriated in this section, \$1,717,000 is allocated
8 specifically for expenditure for fiscal year 2019-2020 through
9 the decategorization services funding pools and governance
10 boards established pursuant to section 232.188.

11 5. A portion of the funds appropriated in this section
12 may be used for emergency family assistance to provide other
13 resources required for a family participating in a family
14 preservation or reunification project or successor project to
15 stay together or to be reunified.

19 prevent the need for shelter care.

20 7. Federal funds received by the state during the fiscal
21 year beginning July 1, 2019, as the result of the expenditure
22 of state funds appropriated during a previous state fiscal
23 year for a service or activity funded under this section are
24 appropriated to the department to be used as additional funding
25 for services and purposes provided for under this section.
26 Notwithstanding section 8.33, moneys received in accordance
27 with this subsection that remain unencumbered or unobligated at
28 the close of the fiscal year shall not revert to any fund but
29 shall remain available for the purposes designated until the
30 close of the succeeding fiscal year.

31 8.a. Of the funds appropriated in this section, up to
32 \$3,290,000 is allocated for the payment of the expenses of

14 of law to the contrary, the amounts allocated in this

21 distribution amounts on or before June 15, 2019.
22 d. Notwithstanding chapter 232 or any other provision of
23 law to the contrary, a district or juvenile court shall not
24 order any service which is a charge upon the state pursuant
25 to section 232.141 if there are insufficient court-ordered
26 services funds available in the district court or departmental
27 service area distribution amounts to pay for the service. The
28 chief juvenile court officer and the departmental service area
29 manager shall encourage use of the funds allocated in this
30 subsection such that there are sufficient funds to pay for
31 all court-related services during the entire year. The chief
32 juvenile court officers and departmental service area managers
33 shall attempt to anticipate potential surpluses and shortfalls
34 in the distribution amounts and shall cooperatively request the
35 state court administrator or division administrator to transfer

PAGE 44

1 funds between the judicial districts' or departmental service
2 areas' distribution amounts as prudent.
3 e. Notwithstanding any provision of law to the contrary,
4 a district or juvenile court shall not order a county to pay
5 for any service provided to a juvenile pursuant to an order

7 under section 232.141, subsection 4.

10 of the requirements under this subsection.
11 g. Of the funds allocated in this subsection, \$17,000
12 shall be used by the department of human services to support
13 the interstate commission for juveniles in accordance with

16 9. Of the funds appropriated in this section, \$12,253,000 is
17 allocated for juvenile delinquent graduated sanctions services.
18 Any state funds saved as a result of efforts by juvenile court
19 services to earn a federal Tit. IV-E match for juvenile court
20 services administration may be used for the juvenile delinquent
21 graduated sanctions services.
22 10. Of the funds appropriated in this section, \$1,658,000 is

24 the child protection center grant program for child protection
25 centers located in Iowa in accordance with section 135.118.
26 The grant amounts under the program shall be equalized so that
27 each center receives a uniform base amount of \$245,000, and so
28 that the remaining funds are awarded through a funding formula
29 based upon the volume of children served. To increase access
30 to child protection center services for children in rural

31 areas, the funding formula for the awarding of the remaining
32 funds shall provide for the awarding of an enhanced amount to
33 eligible grantees to develop and maintain satellite centers in
34 underserved regions of the state.

21 deducted in accordance with the state Medicaid fee-for-service
22 recoupment process. The penalty shall be paid regardless
23 of any appeal requested by the participating NSGE. If an
24 appeal results in a decision to disallow a portion of or the

25 entire assessed penalty, reimbursement to the participating
 26 NSGE shall be made as part of future Medicaid payments to the
 27 participating NSGO nursing facility.

28 (4) If a participating NSGO nursing facility fails to

 3 of the department, taking into consideration input from
 4 stakeholders. If the NSGO nursing facility is subsequently
 5 readmitted to the program, terms of participation may include a
 6 probationary period with defined requirements related to care.
 7 4. The quality of care rate add-on shall only be implemented
 8 upon receipt by the department of approval of the Medicaid
