32 VOTING BY CERTAIN CONVICTED PERSONS

33 Sec. 15. Section 39A.1, subsection 2, Code 2021, is amended
34 to read as follows:

35 2. The purpose of this chapter is to identify actions which

PAGE 9

1 threaten the integrity of the election process and to impose
2 significant sanctions upon persons who intentionally commit
3 those acts. It is the intent of the general assembly that
4 offenses with the greatest potential to affect the election
5 process be vigorously prosecuted and strong punishment meted
6 out through the imposition of felony sanctions which, as a
7 consequence, remove the voting rights of the offenders until
8 such rights are restored by the governor, by the president of
9 the United States, or by operation of law. Other offenses are
10 still considered serious, but based on the factual context in
11 which they arise, they may not rise to the level of offenses
12 to which felony penalties attach. The general assembly
13 also recognizes that instances may arise in which technical
14 infractions of chapters 39 through 53 may occur which do not
15 merit any level of criminal sanction. In such instances,
16 administrative notice from the state or county commissioner
17 of elections is sufficient. Mandates or proscriptions in
18 chapters 39 through 53 which are not specifically included in
19 this chapter shall be considered to be directive only, without
20 criminal sanction.

21 Sec. 16. Section 43.18, subsection 9, Code 2021, is amended
22 to read as follows:

23 9. A statement that the candidate is aware that the

24 candidate is disqualified from holding office if the candidate
25 has been convicted of a felony or other infamous crime and the
26 candidate's rights have not been restored by the governor, ~~or~~
27 by the president of the United States, or by operation of law.

28 Sec. 17. Section 43.67, subsection 2, paragraph i, Code
29 2021, is amended to read as follows:

30 i. A statement that the candidate is aware that the
31 candidate is disqualified from holding office if the candidate
32 has been convicted of a felony or other infamous crime and the
33 candidate's rights have not been restored by the governor, ~~or~~
34 by the president of the United States, or by operation of law.

35 Sec. 18. Section 44.3, subsection 2, paragraph i, Code 2021,

3 candidate is disqualified from holding office if the candidate
4 has been convicted of a felony or other infamous crime and the
5 candidate's rights have not been restored by the governor, ~~or~~
6 by the president of the United States, or by operation of law.

7 Sec. 19. Section 45.3, subsection 9, Code 2021, is amended
8 to read as follows:

9 A statement that the candidate is aware that the
10 candidate is disqualified from holding office if the candidate
11 has been convicted of a felony or other infamous crime and the
12 candidate's rights have not been restored by the governor, ~~or~~
13 by the president of the United States, or by operation of law.

14 Sec. 20. Section 48A.6, subsection 1, Code 2021, is amended
15 to read as follows:

16 1. A person who has been convicted of a felony as defined
17 in section 701.7, or convicted of an offense classified as a
18 felony under federal law. If the person's rights are later
19 restored pursuant to section 914.8, or by a pardon issued by
20 the governor, ~~or by the president of the United States,~~ the
21 person may register to vote.

35 to read as follows:

PAGE 9

1 2. The purpose of this chapter is to identify actions which
2 threaten the integrity of the election process and to impose

3 significant sanctions upon persons who intentionally commit
4 those acts. It is the intent of the general assembly that
5 offenses with the greatest potential to affect the election
6 process be vigorously prosecuted and strong punishment meted
7 out through the imposition of felony sanctions which, as a
8 consequence, remove the voting rights of the offenders until
9 such rights are restored by the governor, by the president of
10 the United States, or by operation of law. Other offenses are
11 still considered serious, but based on the factual context in
12 which they arise, they may not rise to the level of offenses
13 to which felony penalties attach. The general assembly
14 also recognizes that instances may arise in which technical
15 infractions of chapters 39 through 53 may occur which do not
16 merit any level of criminal sanction. In such instances,
17 administrative notice from the state or county commissioner
18 of elections is sufficient. Mandates or proscriptions in
19 chapters 39 through 53 which are not specifically included in
20 this chapter shall be considered to be directive only, without
21 criminal sanction.

22 Sec. 16. Section 43.18, subsection 9, Code 2021, is amended
23 to read as follows:

24 9. A statement that the candidate is aware that the

29 Sec. 17. Section 43.67, subsection 2, paragraph i, Code
30 2021, is amended to read as follows:

31 i. A statement that the candidate is aware that the
32 candidate is disqualified from holding office if the candidate
33 has been convicted of a felony or other infamous crime and the
34 candidate's rights have not been restored by the governor, ~~or~~
35 by the president of the United States, or by operation of law.

5 has been convicted of a felony or other infamous crime and the

8 Sec. 19. Section 45.3, subsection 9, Code 2021, is amended
9 to read as follows:

10 9. A statement that the candidate is aware that the
11 candidate is disqualified from holding office if the candidate
12 has been convicted of a felony or other infamous crime and the
13 candidate's rights have not been restored by the governor, ~~or~~
14 by the president of the United States, or by operation of law.

16 to read as follows:

19 felony under federal law. If the person's rights are later
20 restored pursuant to section 914.8, or by a pardon issued by
21 the governor, or by the president of the United States, the
22 person may register to vote.

23 Sec. 21. Section 57.1, subsection 2, paragraph c, Code 2021,
24 is amended to read as follows:

25 c. That prior to the election the incumbent had been duly
26 convicted of a felony, as defined in section 701.7, and that
27 the judgment had not been reversed, annulled, or set aside, nor
28 the incumbent pardoned by the governor or the president of the
29 United States or restored to the rights of citizenship by the
30 ~~governor under chapter 914 pursuant to section 914.8~~, at the
31 time of the election.

32 Sec. 22. Section 123.3, subsection 40, paragraph d, Code

15 felony or other infamous crime and the candidate's rights have
16 not been restored by the governor, or by the president of the
17 United States, or by operation of law.

18 Sec. 24. Section 277.4, subsection 2, paragraph b, Code
19 2021, is amended to read as follows:

20 b. Signers of nomination petitions shall include their
21 addresses and the date of signing, and must reside in the same
22 director district as the candidate if directors are elected
23 by the voters of a director district, rather than at-large.
24 A person may sign nomination petitions for more than one
25 candidate for the same office, and the signature is not invalid
26 solely because the person signed nomination petitions for
27 one or more other candidates for the office. The petition
28 shall be filed with the affidavit of the candidate being

- 25 because of that individual's status as unemployed.
- 26 b. To prohibit employers and employment agencies from

- 29 status as unemployed disqualifies that individual for the
- 30 opportunity.
- 31 c. To eliminate the burdens imposed on commerce due to the
- 32 exclusion of such individuals from employment.
- 33 Sec. 2. Section 216.2, Code 2021, is amended by adding the
- 34 following new subsection:
- 35 NEW SUBSECTION. 14A. "*Status as unemployed*" means that an

PAGE 2

- 1 individual, at the time of application for employment or at the
- 2 time of action alleged to violate this chapter, does not have a
- 3 job, is available for work, and is searching for work.
- 4 Sec. 3. Section 216.2, subsection 15, Code 2021, is amended

- 10 Sec. 4. NEW SECTION. **216.6B Additional unfair or**
- 11 **discriminatory practice — unemployment status discrimination in**

- 13 1. It shall be an unfair or discriminatory practice for an
- 14 employer to do any of the following:
- 15 a. Publish in print, on the internet, or in any other
- 16 medium, an advertisement or announcement for an employee for
- 17 any job that includes any of the following:
- 18 (1) Any provision stating or indicating that an
- 19 individual's status as unemployed disqualifies the individual
- 20 for any employment opportunity.
- 21 (2) Any provision stating or indicating that the employer
- 22 will not consider or hire an individual for any employment
- 23 opportunity based on that individual's status as unemployed.
- 24 b. Fail or refuse to consider for employment, or fail or

25 refuse to hire, an individual as an employee because of the

30 employment.
31 2. It shall be an unfair or discriminatory practice for an
32 employment agency to do any of the following:
33 a. Publish in print, on the internet, or in any other

7 for any employment opportunity based on that individual's
8 status as unemployed.
9 b. Screen, fail or refuse to consider, or fail or refuse to
10 refer an individual for employment because of the individual's
11 status as unemployed.
12 c. Limit, segregate, or classify any individual in any
13 manner that would limit or tend to limit the individual's
14 access to information about jobs, or consideration, screening,
15 or referral for jobs, solely because of an individual's status
16 as unemployed.
17 3. This section shall not be construed to preclude an
18 employer or employment agency from considering an individual's
19 employment history, or from examining the reasons underlying
20 an individual's status as unemployed, in assessing an
21 individual's ability to perform a job or in otherwise
22 making employment decisions about that individual. Such
23 consideration or examination may include an assessment of
24 whether an individual's employment history in a similar or
25 related job for a period of time reasonably proximate to the
26 time of consideration of the individual for new employment is
27 job-related or consistent with business necessity in relation
28 to that new employment.

29 Sec. 3. NEW SECTION. 91F.1 Meal and rest periods —

31 1. As used in this chapter, unless the context otherwise
32 requires:

33 a. “*Commissioner*” means the labor commissioner appointed
34 pursuant to section 91.2.

35 b. “*Employee*” means a natural person who is employed in this

PAGE 2

1 state for wages by an employer.

2 c. “*Employer*” means a person, as defined in section 4.1,
3 who in this state employs for wages a natural person. An
4 employer does not include a client, patient, customer, or
5 other person who obtains professional services from a licensed
6 person providing the services on a fee service basis or as an
7 independent contractor.

8 2. An employer shall provide an employee with appropriate
9 meal periods and appropriate rest periods.

10 a. An appropriate meal period shall be a period of not less
11 than thirty minutes during an employee’s work period in which
12 an employee works at least seven hours. The meal period shall
13 be taken between the second and fifth hours. If an employee
14 works more than seven hours, the meal period shall be taken
15 between the third and sixth hours.

16 b. An appropriate rest period shall be a paid period of
17 not less than ten minutes during every consecutive four-hour
18 period of work taken by an employee approximately in the middle
19 of each four-hour period. The rest period is in addition to a
20 meal period, if applicable, and shall not be added to a meal
21 period or deducted from the work period to reduce the overall
22 length of the total work period.

23 3. An employer is not required to pay for a meal period
24 if an employee is free from work duties during the employee’s
25 entire meal period. An employee shall be paid for the meal
26 period if any of the following occur:

27 a. The employee is required or allowed to remain on duty.

28 b. The employee is required to be on-call at the work
29 premises or designated worksite in order to be available to
30 return to duty even if the employee is not called back to duty.

31 c. The employee is called back to duty during the employee’s
32 meal period even though the employee is not usually on-call
33 during the meal period.

34 Sec. 4. NEW SECTION. 91F.2 Meal and rest periods —
35 **exemptions.**

PAGE 3

- 1 1. Meal and rest period requirements may be modified by the
- 2 terms of a collective bargaining agreement if the collective
- 3 bargaining agreement entered into by the employees prescribes
- 4 specific terms concerning meal periods and rest periods.
- 5 2. Meal and rest period requirements apply to hourly paid
- 6 and salary-paid employees. Management or employees involved
- 7 in agricultural jobs are not required to have breaks or meal
- 8 breaks. For the purposes of this section, agricultural jobs do
- 9 not include work in the production of seed, limited to removal
- 10 of off-type plants and corn tassels and hand-pollinating during
- 11 the months of June, July, and August by persons ages fourteen
- 12 and older.
- 13 3. Meal period requirements may be waived if an employer
- 14 shows that the ordinary nature and circumstance of the work
- 15 prevented the employer from establishing and maintaining a
- 16 regularly scheduled meal period. The factors that may be
- 17 considered regarding the waiver of the requirements are limited
- 18 to the following:
- 19 a. The safety and health needs of employees, patients,
- 20 clients, and the public.
- 21 b. The lack of other employees available to provide relief
- 22 to an employee.
- 23 c. The cost involved in shutdown and startup of machinery in
- 24 continuous operation of the industrial process.
- 25 d. The intermittent and unpredictable workflow not
- 26 controlled by the employer or employee.
- 27 e. Unforeseeable equipment failures, emergencies, or acts
- 28 of nature that require immediate and uninterrupted attention
- 29 by an employee.
- 30 **Sec. 5. NEW SECTION. 91F.3 Civil penalties.**
- 31 1. Any employer who violates the provisions of this chapter
- 32 or the rules adopted pursuant to this chapter is subject to a
- 33 civil penalty of not more than one hundred dollars for each
- 34 violation. The commissioner may recover the civil penalty
- 35 according to subsections 2 through 5. Any civil penalty

PAGE 4

- 1 recovered shall be deposited in the general fund of the state.
- 2 2. The commissioner may propose that an employer be assessed
- 3 a civil penalty by serving the employer with notice of such
- 4 proposal in the same manner as an original notice is served
- 5 under the rules of civil procedure. Upon service of such
- 6 notice, the proposed assessment shall be treated as a contested
- 7 case under chapter 17A. However, to remain a contested case,
- 8 an employer must request a hearing within thirty days of being
- 9 served.
- 10 3. If an employer does not request a hearing pursuant
- 11 to subsection 2 or if the commissioner determines, after an
- 12 appropriate hearing, that an employer is in violation of this

chapter or the rules adopted pursuant to this chapter, the commissioner shall assess a civil penalty which is consistent with the provisions of subsection 1 and which is rendered with due consideration for the penalty amount in terms of the size of the employer's business, the gravity of the violation, the good faith of the employer, and the history of previous violations.

4. An employer may seek judicial review of any assessment rendered under subsection 3 by instituting proceedings for judicial review pursuant to chapter 17A. However, such proceedings must be instituted in the district court of the county in which the violation or one of the violations occurred and within thirty days of the day on which the employer was notified that an assessment has been rendered. Also, an employer may be required, at the discretion of the district court and upon instituting such proceedings, to deposit the amount assessed with the clerk of the district court. Any moneys so deposited shall either be returned to the employer or be forwarded to the commissioner for deposit in the general fund of the state, depending on the outcome of the judicial review, including any appeal to the supreme court.

5. After the time for seeking judicial review has expired or after all judicial review has been exhausted and the

PAGE 5

commissioner's assessment has been upheld, the commissioner shall request the attorney general to recover the assessed penalties in a civil action.

Sec. 6. NEW SECTION. **91F.4 Duties and authority of commissioner.**

1. The commissioner shall provide further exemptions from the provisions in this chapter by rule when reasonable.

2. In order to carry out the purposes of this chapter, the commissioner or the commissioner's designee, upon presenting appropriate credentials to the employer or agent of the employer, may do any of the following:

a. Inspect employment records relating to meal and rest periods for employees.

b. Interview an employer or employee or an agent of the employer or employee, during working hours or at other reasonable times.

15 NEW SUBSECTION. 21A. *"Resident representative"* means one of
16 the following in the order of priority listed, to the extent
17 the person may reasonably be identified and located:
18 a. The attorney in fact designated to make treatment
19 decisions for the resident in accordance with chapter 144B.
20 b. The guardian of the resident if one has been appointed
21 pursuant to chapter 633.
22 c. The resident's spouse.
23 d. An adult child of the resident or, if the resident has

25 are reasonably available.
26 e. A parent of the resident, or parents if both are
27 reasonably available.
28 f. An adult sibling of the resident.

29 Sec. 2. NEW SECTION. 135C.49 Electronic monitoring.
30 1. A resident or a resident representative may conduct
31 electronic monitoring of the resident's room through the use of
32 an electronic monitoring device placed in the resident's room
33 pursuant to this subchapter.
34 2. Nothing in this section precludes the use of electronic
35 monitoring otherwise allowed by law.

PAGE 2

1 Sec. 3. NEW SECTION. 135C.50 Consent to electronic
2 monitoring.
3 1. Except as otherwise provided in this subchapter,
4 a resident must consent to electronic monitoring in the
5 resident's room in writing on a notification and consent
6 form prescribed by the department. If the resident has
7 not affirmatively objected to electronic monitoring and the
8 resident's medical professional determines that the resident
9 lacks the ability to understand and appreciate the nature
10 and consequences of electronic monitoring, the resident
11 representative may consent on behalf of the resident. For
12 purposes of this subsection, a resident affirmatively objects
13 when the resident orally, visually, or through the use of
14 auxiliary aids or services declines electronic monitoring. The
15 resident's response shall be documented on the notification and
16 consent form.
17 2. Prior to a resident representative consenting on behalf
18 of a resident, the resident shall be asked if the resident
19 wants electronic monitoring to be conducted. The resident
20 representative shall explain all of the following to the
21 resident:
22 a. The type of electronic monitoring device to be used.
23 b. The standard conditions or restrictions that may be
24 placed on the electronic monitoring device's use including as

31 3. A resident, or resident representative when consenting
32 on behalf of the resident, may consent to electronic monitoring
33 with any conditions or restrictions of the resident's or
34 resident representative's choosing, including the list
35 of standard conditions or restrictions contained in the

PAGE 3

1 notification and consent form completed by the resident
2 as provided in section 135C.53. A resident, or resident
3 representative when consenting on behalf of the resident, may
4 request that the electronic monitoring device be turned off

5 or the visual or audio recording component of the electronic
6 monitoring device be blocked at any time.

7 4. Prior to implementing electronic monitoring, a resident,
8 or resident representative when acting on behalf of the
9 resident, shall obtain the written consent on the notification
10 and consent form of any other resident who is a roommate
11 residing in the shared room. A roommate's or roommate's
12 resident representative's written consent shall comply with
13 the requirements of this section. Consent by a roommate or
14 a roommate's resident representative under this subsection
15 authorizes the resident's use of any recording obtained under
16 this section as provided under sections 135C.57 and 135C.58.

17 5. Any resident conducting electronic monitoring shall
18 immediately remove or disable an electronic monitoring device
19 prior to a new resident who will be a roommate moving into
20 a shared room, unless the resident conducting electronic
21 monitoring obtains the new roommate's or new roommate's
22 resident representative's written consent as provided under
23 this section prior to the new roommate moving into the shared
24 room. Upon obtaining the new roommate's or new roommate's
25 resident representative's signed notification and consent form
26 and submitting the form to the nursing facility as required
27 under section 135C.52, the resident may resume electronic
28 monitoring.

29 6. The resident or roommate, or the resident representative
30 or roommate's resident representative if the representative is
31 consenting on behalf of the resident or roommate, may withdraw
32 consent at any time and the withdrawal of consent shall be
33 documented on the original consent form as provided under
34 section 135C.52.

35 Sec. 4. NEW SECTION. 135C.51 Refusal of roommate to

PAGE 4

1 **consent.**

2 If a resident of a nursing facility who is residing in a
3 shared room, or the resident representative of such a resident
4 when acting on behalf of the resident, wants to conduct
5 electronic monitoring and another resident living in or moving
6 into the same shared room refuses to consent to the use of an
7 electronic monitoring device, the nursing facility shall make
8 a reasonable attempt to accommodate the resident who wants to
9 conduct electronic monitoring. A nursing facility has met
10 the requirement to make a reasonable attempt to accommodate
11 a resident or resident representative who wants to conduct
12 electronic monitoring when, upon notification that a roommate
13 has not consented to the use of an electronic monitoring device

4 provided under section 256E.1, subsection 3, paragraph “b”, the
5 applicant is a highly successful charter school operator or
6 intends to contract with an educational service provider who is
7 a highly successful charter school operator.
8 c. Make application decisions on documented evidence

22 to the founding group in writing within thirty days after the
23 state board’s action. The notice shall specify the exact
24 reasons for denial and provide documentation supporting those
25 reasons. An approval decision may include, if appropriate,
26 reasonable conditions that the founding group must meet before
27 a charter school contract may be executed pursuant to section

10 to contract with an education service provider that is included
11 in a different founding group's application before the board.
12 *f.* The state board shall not approve a charter school
13 application if the charter school's proposed attendance area to
14 be served includes an area already served by a charter school.
15 10. A decision of the state board relating to an application
16 under this section is not appealable.
17 11. An unsuccessful applicant under this section may
18 subsequently reapply to the state board.
19 **Sec. 6. NEW SECTION. 256E.5 Charter school contract.**
20 1. Within the later of thirty days following approval of
21 a charter school application or upon the satisfaction of all
22 reasonable conditions imposed on the applicant in the charter
23 school approval, if any, an enforceable and renewable charter
24 school contract shall be executed between the founding group
25 and the state board setting forth the academic and operational
26 performance expectations and measures by which the charter
27 school will be evaluated pursuant to sections 256E.8 and 256E.9
28 and the other rights and duties of the parties.
29 2. An initial charter school contract shall be granted for a

15 commence operations without a valid charter school contract
16 executed in accordance with this section and approved in an
17 open session of the state board.

18 6. The contract may provide for requirements or conditions
19 to govern and monitor the start-up progress of an approved
20 charter school prior to the opening of the charter school
21 including but not limited to conditions to ensure that the
22 charter school meets all building, health, safety, insurance,
23 and other legal requirements.

24 Sec. 7. NEW SECTION. **256E.6 General operating powers and**

2 with appropriate endorsements.
3 4. A charter school shall not discriminate in its student
4 admissions policies or practices on the basis of intellectual
5 or athletic ability, measures of achievement or aptitude, or
6 status as a person with a disability. However, a charter
7 school may limit admission to students who are within a
8 particular range of ages or grade levels or on any other basis
9 that would be legal if initiated by a school district. A
10 charter school shall not use an entrance or placement exam to
11 deny enrollment to an eligible student. Enrollment priority
12 shall be given to the siblings of students enrolled in a
13 charter school.
14 5. A charter school shall enroll an eligible student who
15 submits a timely application unless the number of applications
16 exceeds the capacity of a program, class, grade level, or
17 building. In this case, students must be accepted by lot.
18 Upon enrollment of an eligible student, the charter school
19 shall notify the public school district of residence not later
20 than March 1 of the school year preceding the school year of

2 access to all records of the education service provider that
3 are necessary to evaluate any provision of the contract or
4 evaluate the education service provider's performance under the
5 contract.
6 10. If the charter school operates independently from
7 a public school district as provided under section 256E.1,
8 subsection 3, paragraph "b", members of the founding group and
9 persons compensated by the founding group are prohibited from

11 Sec. 8. **NEW SECTION. 256E.7 Funding.**
12 1. Each student enrolled in a charter school established

13 under this chapter shall be counted, for state school
14 foundation purposes, in the student's district of residence
15 pursuant to section 257.6, subsection 1, paragraph "a",
16 subparagraph (9), including any applicable amounts under
17 section 256B.9. For purposes of this section, residence means
18 a residence under section 282.1.
19 2. The school district of residence shall pay to the charter
20 school in which the student is enrolled in the manner required
21 under section 282.18, and pursuant to the timeline in section
22 282.20, subsection 3, an amount equal to the sum of the state
23 cost per pupil for the previous school year plus the teacher
24 leadership supplement state cost per pupil for the previous
25 fiscal year as provided in section 257.9 plus any moneys
26 received for the pupil as a result of the non-English speaking
27 weighting under section 280.4, subsection 3, for the previous
28 school year multiplied by the state cost per pupil for the
29 previous year. If a student is an eligible pupil under section
30 261E.6, the charter school shall pay the tuition reimbursement
31 amount to an eligible postsecondary institution as provided
32 in section 261E.7. If the student is no longer eligible for
33 non-English speaking weighting under section 280.4, subsection
34 3, as a result of proficiency, the amount required to be paid
35 to the charter school as the result of non-English speaking

PAGE 18

1 weighting shall be zero. For a student requiring special
2 education, the school district of residence shall pay to the
3 charter school the actual costs incurred in providing the
4 appropriate special education.
5 3. If necessary, and pursuant to rules adopted by the state
6 board, funding amounts required under this section for the
7 first school year of a new charter school shall be based on
8 enrollment estimates for the charter school included in the
9 charter school contract and shall be paid by the department of
10 education from the appropriation under subsection 4. Initial
11 amounts paid using estimated enrollments shall be reconciled
12 during the subsequent payment based on actual enrollment of the
13 charter school during the first school year.
14 4. There is appropriated annually from the general fund of
15 the state to the department of education an amount necessary
16 to pay all applicable amounts to charter schools for the first
17 school year of each new charter school under subsection 3 and
18 the amount otherwise required to be paid under subsection 2 for
19 a student enrolled in the charter school who was not included
20 in the actual enrollment of the district of residence under
21 section 257.6, subsection 1, in the previous school year.
22 5. If a student leaves the charter school and enrolls in
23 a public school district, the charter school shall pay to
24 the district in which the student enrolls a prorated amount
25 of funding associated with the remainder of the school year.
26 If the amount paid to the charter school for the student's

27 enrollment was paid under subsection 4 and the student leaves
28 the charter school but does not enroll in a public school
29 district, the charter school shall repay to the department
30 of education a prorated amount of the funding of the student
31 associated with the remainder of the school year.
32 Sec. 9. NEW SECTION. 256E.8 Performance framework.
33 1. The performance provisions within the charter school
34 contract shall be based on a performance framework adopted
35 by the state board that clearly sets forth the academic and

PAGE 19

1 operational performance indicators, measures, and metrics that
2 will guide the evaluation of the charter school by the state
3 board, without compromising individual student privacy. The
4 performance framework shall include but is not limited to
5 indicators, measures, and metrics for all of the following:
6 a. Student academic proficiency.
7 b. Student academic growth.
8 c. Achievement gaps in both proficiency and growth between
9 specified populations or groups of students, including groups

11 limited English proficiency, and gifted status.
12 d. Attendance.
13 e. Enrollment attrition.
14 f. Postsecondary readiness for students in grades nine
15 through twelve.
16 g. Goals specified in the charter school's mission.
17 h. Financial performance and sustainability.
18 i. Governing board performance and stewardship, including
19 compliance with all applicable laws, regulations, and terms of
20 the charter contract.
21 2. Annual performance targets shall be agreed upon between
22 each charter school and the state board. Such performance
23 targets shall be contained in the charter school contract and
24 shall be designed to help each charter school meet applicable
25 federal, state, and local standards. The performance targets
26 contained in the charter school contract may be amended by
27 mutual agreement after the charter school is operating and has
28 collected initial achievement data for the charter school's
29 students.
30 3. The state board is responsible for collecting,
31 analyzing, and reporting all data from state assessments and
32 other state data sources in accordance with the performance
33 framework. However, all efforts shall be made by all
34 parties to the charter school contract to eliminate or reduce
35 duplicative data reporting requirements.

PAGE 20

1 4. Each charter school established under this chapter
2 shall be evaluated and graded by the department pursuant to

3 the attendance center performance ranking system developed and
4 adopted by the department.

5 Sec. 10. NEW SECTION. **256E.9 Oversight — corrective action**
6 **— contract renewal — revocation.**

7 1. The state board shall monitor the performance and
8 compliance of each charter school the state board approves,
9 including collecting and analyzing data according to the
10 charter school contract in order to meet the requirements
11 of this chapter. Such oversight may include inquiries and
12 investigation of the charter school so long as the activities
13 are consistent with the intent of this chapter, adhere to the
14 terms of the charter school contract, and do not unduly inhibit
15 the autonomy granted to the charter school. Any performance
16 report resulting from an inquiry or investigation under this
17 section shall, upon conclusion of such action, be included in
18 the annual report required under section 256E.11.

19 2. As part of the charter school contract, the charter
20 school shall be required to submit an annual report to assist
21 the state board in evaluating the charter school's performance
22 and compliance with the performance framework.

23 3. If a charter school's performance under the charter
24 school contract or compliance with applicable laws or rules is
25 unsatisfactory, the state board shall notify the charter school
26 of the perceived problem and provide reasonable opportunity for
27 the school to remedy the problem, unless the problem warrants
28 revocation, in which case the revocation provisions of this
29 section apply.

30 4. If at any time during a fiscal year, a charter school
31 knows or reasonably should know that the charter school has
32 or will become unable to pay in full the charter school's
33 projected expenses as such expenses become due, the governing
34 board shall immediately notify the state board and shall
35 provide the state board with all financial information relating

PAGE 21

1 to revenues and expenses of the charter school necessary for
2 the state board to determine the extent and cause of any
3 potential operating deficit.

4 5. The state board shall take appropriate corrective
5 actions or impose sanctions, up to and including revocation, in
6 response to deficiencies in the charter school's performance
7 or compliance with applicable laws and rules. Such actions or
8 sanctions shall include requiring the charter school to develop
9 and execute a corrective action plan within a specified time
10 period or a plan to transition students to their district of
11 residence or a neighboring district through open enrollment
12 pursuant to section 282.18, subsection 4, if revocation is
13 required.

14 6. A charter school contract may be renewed for periods of
15 time not to exceed an additional five years.

16 7. Annually, by June 30, the state board shall issue a

17 charter school performance report for each authorized charter
18 school. The performance report shall summarize the charter
19 school's performance record to date, including the school's
20 performance profile, based on the data required by the charter
21 school contract and by this chapter and shall identify concerns
22 that may jeopardize renewal of the charter school contract if
23 not remedied. The charter school shall have sixty days to
24 respond to the performance report and submit any corrections or
25 clarifications for the report.

26 8. No later than October 1, the governing board of a charter
27 school seeking renewal shall submit a renewal application
28 to the state board. Each renewal application shall comply
29 with all applicable requirements of section 256E.4, including
30 any changes to the original charter application. A renewal
31 or denial shall be approved by resolution of the state
32 board within sixty days following the filing of the renewal
33 application.

34 9. Unless eligible for expedited renewal under subsection
35 13, when reviewing a charter school contract renewal

PAGE 22

1 application, the state board shall do all of the following:

2 a. Use evidence of the school's performance over the term of
3 the charter school contract in accordance with the applicable
4 performance framework, the annual financial audit of the
5 charter school, the ability to adequately serve the enrollment
6 as provided in section 256E.6, subsection 5, and the charter
7 school's performance profile.

8 b. Ensure that data used in making renewal decisions is
9 available to the charter school and the public.

10 c. Provide a report summarizing the evidence that served as
11 a basis for the decision.

12 10. A charter school contract may be revoked at any time
13 or not renewed if the state board determines that the charter
14 school did any of the following:

15 a. Committed a material violation of any of the terms,
16 conditions, standards, or procedures required under the charter
17 school contract or this chapter.

18 b. Failed to meet or make sufficient progress toward the
19 performance expectations set forth in the charter school
20 contract.

21 c. Failed to meet generally accepted standards of fiscal
22 management.

23 d. Violated a provision of law from which the charter school
24 was not exempted.

25 11. The state board shall develop charter school contract
26 revocation and nonrenewal standards and procedures that do all
27 of the following:

28 a. Provide the charter school with a timely notice of the
29 possibility of revocation or nonrenewal and of the reasons
30 therefor.

- 31 *b.* Allow the charter school a reasonable period of time in
- 32 which to prepare a response to any notice received.
- 33 *c.* Provide the charter school an opportunity to submit
- 34 documents and give testimony challenging the decision to revoke
- 35 the charter school contract or the decision to not renew the

PAGE 23

- 1 contract.
- 2 *d.* Allow the charter school the opportunity to hire legal
- 3 representation and to call witnesses.
- 4 *e.* Permit the audio or video recording of such proceedings
- 5 described in paragraphs “*c*” and “*d*”.
- 6 *f.* Require a final decision to be conveyed in writing to the
- 7 charter school.
- 8 12. A decision to revoke or to not renew a charter school
- 9 contract shall be by resolution of the state board and shall
- 10 clearly state the reasons for the revocation or nonrenewal.
- 11 13. If a charter school has been evaluated and graded to
- 12 be in the exceptional category, or the highest rated category
- 13 under a succeeding evaluation system, under the evaluation and
- 14 grading required under section 256E.8, subsection 4, and the
- 15 school’s performance profile for the immediately preceding two
- 16 school years, and the charter school is in compliance with
- 17 the current charter school contract and all provisions of
- 18 this chapter, the charter school’s application renewal under
- 19 subsection 8 shall be renewed for an additional period of time
- 20 equal to the length of the original charter school contract or
- 21 the most recent renewal of the contract, whichever is longer,
- 22 unless the state board provides written notice to the charter
- 23 school of the state board’s rejection of the expedited renewal
- 24 within sixty days of the filing of the application. The
- 25 state board shall not reject an expedited renewal application
- 26 unless the state board finds exceptional circumstances for
- 27 the rejection or seeks material changes to the charter school
- 28 contract.
- 29 14. When considering a charter school renewal application,
- 30 the state board shall comply with the criteria for review and
- 31 approval of applications under section 256E.4.
- 32 **Sec. 11. NEW SECTION. 256E.10 Procedures for charter school**
- 33 **closure — student enrollment.**
- 34 1. Prior to any charter school closure decision, the state
- 35 board shall develop a charter school closure protocol to ensure

PAGE 24

- 1 timely notice to parents and guardians, provide for the orderly
- 2 transition of students and student records to new schools, and
- 3 to provide proper disposition of school funds, property, and
- 4 assets in accordance with the requirements of this chapter.
- 5 The protocol shall specify required actions and timelines and
- 6 identify responsible parties for each such action.

7 2. In the event of a charter school closure, the assets of
8 the charter school shall be used first to satisfy outstanding
9 payroll obligations for employees of the school, then to
10 creditors of the school, then to the public school district in
11 which the charter school operated, if applicable, and then to
12 the state general fund. If the assets of the charter school
13 are insufficient to pay all obligations of the charter school,
14 the prioritization of the distribution of assets shall be
15 consistent with this subsection and otherwise determined by the
16 district court.

17 Sec. 12. NEW SECTION. **256E.11 Reports.**

18 1. Each charter school shall prepare and file an annual
19 report with the department. The department shall prescribe
20 by rule the required contents of the report, but each such
21 report shall include information regarding student achievement,
22 including annual academic growth and proficiency, graduation
23 rates, and financial performance and sustainability. The
24 reports are public records and the examination, publication,
25 and dissemination of the reports are governed by the provisions
26 of chapter 22.

27 2. The state board shall prepare and file with the general
28 assembly by December 1, annually, a comprehensive report with
29 findings and recommendations relating to the charter school
30 program in the state and whether the charter school program
31 under this chapter is meeting the goals and purposes of the
32 program. The report also shall contain, for each charter
33 school, a copy of the charter school's mission statement,
34 attendance statistics and dropout rate, aggregate assessment
35 test scores, projections of financial stability, and the number

PAGE 25

1 and qualifications of teachers and administrators.

2 Sec. 13. Section 256F.3, Code 2021, is amended by adding the
3 following new subsection:

4 NEW SUBSECTION. 8A. The state board shall not approve a new
5 charter school under this chapter on or after July 1, 2021.

6 Sec. 14. NEW SECTION. **256F.12 Operation of existing charter**

3 <DIVISION I
4 ELECTRONIC MONITORING IN NURSING FACILITIES
5 Section 1. Section 135C.1, Code 2021, is amended by adding
6 the following new subsections:
7 NEW SUBSECTION. 6A. "*Electronic monitoring*" means the
8 placement and use of an electronic monitoring device by
9 a resident in the resident's room in accordance with this
10 subchapter.
11 NEW SUBSECTION. 6B. "*Electronic monitoring device*" means a
12 camera or other device that captures, records, or broadcasts
13 audio, video, or both, that is placed in a resident's room and
14 is used to monitor the resident or activities in the room.
15 NEW SUBSECTION. 21A. "*Resident representative*" means one of
16 the following in the order of priority listed, to the extent

- 17 the person may reasonably be identified and located:
- 18 *a.* The attorney in fact designated to make treatment
- 19 decisions for the resident in accordance with chapter 144B.
- 20 *b.* The guardian of the resident if one has been appointed
- 21 pursuant to chapter 633.
- 22 *c.* The resident's spouse.
- 23 *d.* An adult child of the resident or, if the resident has
- 24 more than one adult child, a majority of the adult children who
- 25 are reasonably available.
- 26 *e.* A parent of the resident, or parents if both are
- 27 reasonably available.
- 28 *f.* An adult sibling of the resident.
- 29 Sec. ____. **NEW SECTION. 135C.49 Electronic monitoring.**
- 30 1. A resident or a resident representative may conduct
- 31 electronic monitoring of the resident's room through the use of
- 32 an electronic monitoring device placed in the resident's room
- 33 pursuant to this subchapter.
- 34 2. Nothing in this section precludes the use of electronic
- 35 monitoring otherwise allowed by law.

PAGE 2

- 1 Sec. ____. **NEW SECTION. 135C.50 Consent to electronic**
- 2 **monitoring.**
- 3 1. Except as otherwise provided in this subchapter,
- 4 a resident must consent to electronic monitoring in the
- 5 resident's room in writing on a notification and consent
- 6 form prescribed by the department. If the resident has
- 7 not affirmatively objected to electronic monitoring and the
- 8 resident's medical professional determines that the resident
- 9 lacks the ability to understand and appreciate the nature
- 10 and consequences of electronic monitoring, the resident
- 11 representative may consent on behalf of the resident. For
- 12 purposes of this subsection, a resident affirmatively objects
- 13 when the resident orally, visually, or through the use of
- 14 auxiliary aids or services declines electronic monitoring. The
- 15 resident's response shall be documented on the notification and
- 16 consent form.
- 17 2. Prior to a resident representative consenting on behalf
- 18 of a resident, the resident shall be asked if the resident
- 19 wants electronic monitoring to be conducted. The resident
- 20 representative shall explain all of the following to the
- 21 resident:
- 22 *a.* The type of electronic monitoring device to be used.
- 23 *b.* The standard conditions or restrictions that may be
- 24 placed on the electronic monitoring device's use including as
- 25 specified in the list of standard conditions or restrictions

- 27 resident as provided in section 135C.53.
- 28 *c.* The dissemination and use of any recording as provided
- 29 under section 135C.57 or 135C.58.
- 30 *d.* The resident's ability to decline all recordings.

31 3. A resident, or resident representative when consenting
32 on behalf of the resident, may consent to electronic monitoring
33 with any conditions or restrictions of the resident's or
34 resident representative's choosing, including the list
35 of standard conditions or restrictions contained in the

PAGE 3

1 notification and consent form completed by the resident
2 as provided in section 135C.53. A resident, or resident
3 representative when consenting on behalf of the resident, may
4 request that the electronic monitoring device be turned off
5 or the visual or audio recording component of the electronic
6 monitoring device be blocked at any time.
7 4. Prior to implementing electronic monitoring, a resident,
8 or resident representative when acting on behalf of the
9 resident, shall obtain the written consent on the notification
10 and consent form of any other resident who is a roommate
11 residing in the shared room. A roommate's or roommate's
12 resident representative's written consent shall comply with
13 the requirements of this section. Consent by a roommate or
14 a roommate's resident representative under this subsection
15 authorizes the resident's use of any recording obtained under
16 this section as provided under sections 135C.57 and 135C.58.
17 5. Any resident conducting electronic monitoring shall
18 immediately remove or disable an electronic monitoring device
19 prior to a new resident who will be a roommate moving into
20 a shared room, unless the resident conducting electronic
21 monitoring obtains the new roommate's or new roommate's
22 resident representative's written consent as provided under
23 this section prior to the new roommate moving into the shared
24 room. Upon obtaining the new roommate's or new roommate's
25 resident representative's signed notification and consent form
26 and submitting the form to the nursing facility as required
27 under section 135C.52, the resident may resume electronic
28 monitoring.
29 6. The resident or roommate, or the resident representative
30 or roommate's resident representative if the representative is
31 consenting on behalf of the resident or roommate, may withdraw
32 consent at any time and the withdrawal of consent shall be
33 documented on the original consent form as provided under
34 section 135C.52.
35 Sec. ____ NEW SECTION. **135C.51 Refusal of roommate to**

PAGE 4

1 **consent.**
2 If a resident of a nursing facility who is residing in a
3 shared room, or the resident representative of such a resident
4 when acting on behalf of the resident, wants to conduct
5 electronic monitoring and another resident living in or moving
6 into the same shared room refuses to consent to the use of an

7 electronic monitoring device, the nursing facility shall make
8 a reasonable attempt to accommodate the resident who wants to
9 conduct electronic monitoring. A nursing facility has met
10 the requirement to make a reasonable attempt to accommodate
11 a resident or resident representative who wants to conduct
12 electronic monitoring when, upon notification that a roommate
13 has not consented to the use of an electronic monitoring device
14 in the resident's room, the nursing facility offers to move one
15 of the residents to another shared room that is available at
16 the time of the request that accommodates the resident. If
17 a resident chooses to reside in a private room in order to
18 accommodate the use of an electronic monitoring device, the
19 resident shall be subject to a private room rate. If a nursing
20 facility is unable to accommodate a resident due to lack of
21 space, the nursing facility shall reevaluate the request
22 periodically until the request is fulfilled.

23 Sec. ____ **NEW SECTION. 135C.52 Notice and consent form**
24 **submitted to nursing facility.**

25 1. Electronic monitoring may begin only after the resident
26 or resident representative who intends to place an electronic
27 monitoring device in the resident's room and any roommate or
28 roommate's resident representative completes a notification and
29 consent form and submits the form to the nursing facility.

30 2. Upon receipt of the required, completed notification and
31 consent form, the nursing facility shall place the original
32 form in the resident's file, and a copy of the form in any
33 roommate's file. The nursing facility shall provide a copy to
34 the resident and the resident's roommate, as applicable.

35 3. If a resident or roommate, or the resident representative

PAGE 5

1 or roommate's resident representative if the representative
2 is consenting on behalf of the resident or roommate, chooses
3 to alter the conditions under which consent to electronic
4 monitoring is given or chooses to withdraw consent to
5 electronic monitoring, the nursing facility shall make
6 available the original notification and consent form so that
7 the original form may be updated. Upon receipt of the updated
8 original form, the nursing facility shall place the updated
9 original form in the resident's file. The nursing facility
10 shall provide a copy of the updated form to the resident and
11 the resident's roommate, as applicable.

12 4. If a new roommate, or the new roommate's resident
13 representative when consenting on behalf of the new roommate,
14 does not consent to electronic monitoring and submit a
15 completed notification and consent form to the nursing
16 facility, and the resident conducting the electronic monitoring
17 does not remove or disable an existing electronic monitoring
18 device, the nursing facility shall remove the electronic
19 monitoring device.

20 5. If a roommate, or the roommate's resident representative

21 when withdrawing consent on behalf of the roommate, submits
22 an updated notification and consent form withdrawing consent
23 and the resident conducting electronic monitoring does not
24 remove or disable the electronic monitoring device, the nursing
25 facility shall remove the electronic monitoring device.

26 Sec. ____ NEW SECTION. **135C.53 Notification and consent**
27 **form requirements.**

28 1. The notification and consent form completed by the
29 resident shall include, at a minimum, all of the following
30 information:

31 *a.* The resident's signed consent to electronic monitoring or
32 the signature of the resident representative, if applicable.

33 If a resident representative signs the consent form, the form
34 shall document all of the following:

35 (1) The date the resident was asked if the resident wants

PAGE 6

1 electronic monitoring to be conducted.

2 (2) Any person present when the resident was asked.

13 electronic monitoring to be conducted.

14 (2) Any person present when the roommate was asked.

15 (3) An acknowledgment that the roommate did not

23 *e.* The proposed date of installation for scheduling
24 purposes.

25 *f.* A copy of any contract for maintenance of the electronic
26 monitoring device by a commercial entity.

27 *g.* A list of standard conditions or restrictions that the
28 resident or a roommate may elect to place on the use of the
29 electronic monitoring device including but not limited to all
30 of the following:

31 (1) Prohibiting audio recording.

32 (2) Prohibiting video recording.

33 (3) Prohibiting broadcasting of audio or video.

34 (4) Turning off the electronic monitoring device or

35 blocking the visual recording component of the electronic

1 monitoring device for the duration of an exam or procedure by a
2 health care professional.
3 (5) Turning off the electronic monitoring device or

5 monitoring device while dressing or bathing is performed.
6 (6) Turning off the electronic monitoring device for
7 the duration of a visit with a spiritual adviser, ombudsman,
8 attorney, financial planner, intimate partner, or other

10 h. Any other condition or restriction elected by the
11 resident or roommate on the use of an electronic monitoring
12 device.
13 i. A statement of the circumstances under which a recording
14 may be disseminated under section 135C.57.
15 j. A signature box to document if the resident or roommate
16 withdraws consent.
17 2. A nursing facility shall make the notification and
18 consent form available to the residents and inform residents of
19 the option to conduct electronic monitoring of the resident's
20 room.
21 Sec. ____ NEW SECTION. **135C.54 Cost and installation.**
22 1. A resident who chooses to conduct electronic monitoring
23 shall do so at the resident's own expense, including payment of

12 Sec. ____ Section 13.2, subsection 1, Code 2021, is amended
13 by adding the following new paragraph:

14 NEW PARAGRAPH. 6c. Prosecute and defend all actions and
15 proceedings involving capital murder as defined in section
16 902.15, when in the attorney general's judgment, the interest
17 of the state requires the attorney general to intervene on
18 behalf of the county attorney, or upon request by the county
19 attorney.

20 Sec. ____ Section 13B.4, Code 2021, is amended by adding the
21 following new subsection:

22 NEW SUBSECTION. 6A. The state public defender shall perform
23 all of the following duties with respect to the appointment of
24 counsel for indigent persons in cases in which a sentence of
25 death may be or is to be imposed:

26 a. Provide or contract with attorneys for appointment as
27 lead counsel and cocounsel to provide legal services in cases
28 where a person is charged with capital murder under section
29 902.15, and the state has given notice of intent to seek the
30 death penalty or in cases in which a sentence of death is to be
31 imposed.

32 b. Conduct or sponsor specialized training programs for
33 attorneys representing persons who may be executed.

34 Sec. ____ NEW SECTION. **602.10112 Qualifications of counsel**
35 **in capital murder cases.**

PAGE 2

1 The supreme court shall prescribe rules which establish
2 minimum standards and procedures by which attorneys may become
3 qualified to provide legal services as lead counsel in cases in
4 which a sentence of death may be or is to be imposed.

5 Sec. ____ Section 707.2, subsection 1, paragraph d, Code
6 2021, is amended to read as follows:

7 d. The person intentionally kills a ~~peace officer~~,
8 correctional officer, public employee, or hostage while the
9 person is imprisoned in a correctional institution under the
10 jurisdiction of the Iowa department of corrections, or in a
11 city or county jail.

12 Sec. ____ Section 707.2, subsection 1, Code 2021, is amended
13 by adding the following new paragraph:

14 NEW PARAGRAPH. g. The person intentionally kills a
15 peace officer, who is on duty, under any circumstances, with
16 knowledge that the person killed is a peace officer.

17 Sec. ____ NEW SECTION. **812A.1 Procedure to determine sanity**
18 **of condemned inmate.**

19 1. At any time prior to execution of an inmate under section

20 902.1A, if the director of the department of corrections or
21 the counsel for a person who is under a sentence of execution
22 has cause to believe that the inmate is suffering from such
23 a diseased or deranged condition of the mind as to prevent
24 the defendant from knowing the nature and quality of the act
25 the defendant has been convicted of, or from understanding
26 that trial on the offense has taken place and that execution
27 proceedings are about to take place, or to otherwise cause the
28 defendant to lack the capacity to understand the sentence which
29 has been imposed and to participate in any legal proceedings
30 relating to the sentence, the director or counsel may file a
31 request with the court that issued the warrant for execution
32 for a determination of the inmate's sanity. If the court
33 determines that there is not sufficient reason to believe
34 that the inmate is insane, the court shall enter an order
35 denying the request and shall state the grounds for denying the

PAGE 3

1 request. If the court believes that there is sufficient reason
2 to believe that the inmate is insane, the court shall suspend
3 the execution and conduct a hearing to determine the sanity of
4 the inmate.
5 2. At the hearing, the court shall determine the issue of
6 the inmate's sanity. Prior to the hearing, the court shall
7 appoint two licensed physicians or licensed psychologists, or
8 one licensed physician and one licensed psychologist, who are
9 qualified by training and practice, for purposes of conducting
10 a psychiatric or psychological examination of the inmate. The
11 physicians or psychologists shall examine the inmate and report
12 any findings in writing to the court within ten days after
13 the order of examination is issued. The inmate shall have
14 the right to present evidence and cross-examine any witnesses
15 at the hearing. Any statement made by the inmate during the
16 course of any examination provided for in this section, whether
17 or not the inmate consents to the examination, shall not be
18 admitted into evidence against the inmate in any criminal
19 proceeding for purposes other than a determination of the
20 inmate's sanity.
21 3. If, at the conclusion of a hearing held pursuant to
22 this section, the court determines that the inmate is sane,
23 the court shall enter an order setting a date for the inmate's
24 execution, which shall be carried into effect in the same
25 manner as provided in the original sentence. A copy of the
26 order shall be sent to the director of the department of
27 corrections and the governor.
28 4. If, at the conclusion of a hearing held pursuant to this
29 section, the court determines that the inmate is insane, the
30 court shall suspend the execution until further order. At any
31 time after issuance of the order, if the court has sufficient
32 reason to believe that the inmate has become sane, the court
33 shall again determine the sanity of the inmate as provided

34 by this section. Proceedings pursuant to this section may
35 continue to be held at such times as the court orders until

PAGE 4

1 it is either determined that the inmate is sane or incurably
2 insane.
3 Sec. ____ NEW SECTION. 814.30 Review of capital murder
4 death sentence.
5 1. In a case in which a sentence of death is imposed, the
6 supreme court shall automatically review the judgment and
7 sentence. The court's review of the case shall be de novo. The
8 case shall not be transferred to the court of appeals.
9 2. A review by the supreme court of a judgment and sentence
10 imposing the punishment of death has priority over all other
11 criminal and other actions pending before the supreme court.
12 3. The supreme court shall review the trial and judgment,
13 and shall separately review the sentencing proceeding. Upon
14 determining that errors did not occur at the trial requiring
15 reversal or modification of the judgment, the supreme court
16 shall proceed to determine if the sentence of death is lawfully
17 imposed. In its review of the sentencing proceeding the
18 supreme court shall determine all of the following:
19 a. Whether the sentence of death was imposed capriciously or
20 under the influence of prejudice or other arbitrary factor.
21 b. Whether the special verdicts returned under section
22 901E.1 are supported by the evidence.
23 c. Whether the sentence of death is excessive or
24 disproportionate to the penalty imposed in similar cases,
25 considering both the crime and the defendant.
26 4. If the supreme court determines that the sentence of
27 death was not lawfully imposed, the supreme court shall set
28 aside the sentence and shall remand the case to the trial
29 court for a second sentencing proceeding to determine if the
30 imposition of death is warranted.
31 5. If the supreme court affirms the judgment and sentence
32 of death, the clerk of the supreme court shall certify the
33 judgment of the supreme court under the seal of the supreme
34 court to the clerk of the trial court.
35 Sec. ____ Section 815.10, Code 2021, is amended by adding

PAGE 5

1 the following new subsection:
2 NEW SUBSECTION. 1A. If two attorneys have not already been
3 appointed pursuant to section 13B.4 or 13B.9, the court shall
4 appoint, for each indigent person who is charged with capital
5 murder under section 902.15, and in which a notice of intent
6 to seek the death penalty has been filed, two attorneys who
7 are qualified under section 602.10112 to represent the person
8 in the proceedings and in all state legal proceedings which
9 take place from the time the person is indicted or arraigned

10 until the person is sentenced on the charge. In addition, if
11 at any point in federal postconviction proceedings an indigent
12 person is not afforded court-appointed counsel, the state shall
13 provide counsel to the person to present any claims determined
14 meritorious by the federal court if the person is not otherwise
15 represented by legal counsel. Only private attorneys and
16 public defenders who are qualified to provide representation in
17 cases in which the death penalty may be imposed are eligible
18 for appointment or assignment to a case in which the death
19 penalty may be imposed.

20 Sec. ____ NEW SECTION. **901E.1 Capital murder proceedings —**
21 **request for death penalty — penalty proceedings.**

22 1. As used in this section:

23 a. “*Intellectually disabled*” means the same as defined in
24 section 902.15.

25 b. “*Mentally ill*” or “*mental illness*” means the same as
26 defined in section 902.15.

27 2. If a notice of intent to seek the death penalty has
28 been filed, objections to the imposition of the death penalty
29 based upon allegations that a defendant was intellectually
30 disabled or mentally ill at the time of the commission of
31 the offense shall be raised within the time provided for the
32 filing of pretrial motions under rule of criminal procedure
33 2.11, Iowa court rules. The court may, for good cause shown,
34 allow late filing of the motion. Hearing on the motion shall
35 be held prior to trial and the burden of proof shall be on the

PAGE 6

1 defendant to prove intellectual disability or mental illness
2 by a preponderance of the evidence. If the court finds that
3 the defendant is intellectually disabled, the defendant, if
4 convicted of capital murder under section 902.15, shall not be
5 sentenced to death but shall be sentenced to life imprisonment
6 in the manner provided in section 902.1. A finding by the
7 court that the evidence presented by the defendant at the
8 hearing does not preclude the imposition of the death penalty
9 under this section and section 902.15 shall not preclude the
10 introduction of evidence of intellectual disability or mental
11 illness during the penalty proceeding. If the court finds
12 that evidence of intellectual disability or mental illness
13 does not preclude imposition of the death penalty, evidence of
14 intellectual disability or mental illness may be reviewed by
15 the jury in the penalty proceeding and the jury shall not be
16 informed of the finding in the initial proceeding at any time
17 during the penalty proceeding.

18 3. If at the trial on a charge of capital murder under
19 section 902.15, the state intends to request that the death
20 penalty be imposed under section 902.1A, the prosecutor shall
21 file a notice of intent to seek the death penalty, at the time
22 of and as part of the information or indictment filed in the
23 case.

24 4. If a notice of intent to seek the death penalty has been
25 filed, the trial shall be conducted in bifurcated proceedings
26 before the same trier of fact. During the initial proceeding,
27 the jury, or the court if the defendant waives the right to a
28 jury trial, shall decide only whether the defendant is guilty
29 or not guilty of capital murder under section 902.15.
30 a. If, in the initial proceeding, the court or jury finds
31 the defendant guilty of, or the defendant pleads guilty to,
32 an offense other than capital murder under section 902.15,
33 the court shall sentence the defendant in accordance with the
34 sentencing procedures set forth in rule of criminal procedure
35 2.23, Iowa court rules, and chapters 901 through 909, which are

PAGE 7

1 applicable to the offense.
2 b. If the court or jury finds the defendant guilty of, or
3 the defendant pleads guilty to, capital murder under section
4 902.15, but the prosecuting attorney waives the death penalty,
5 the court shall sentence the defendant to life imprisonment in
6 accordance with the sentencing procedures set forth in rule of
7 criminal procedure 2.23, Iowa court rules, and chapters 901
8 through 909, which are otherwise applicable to convictions of
9 murder in the first degree.
10 c. If the court or jury finds the defendant guilty of
11 capital murder under section 902.15, or a defendant enters a
12 plea of guilty in the initial proceeding, and the prosecuting
13 attorney does not waive imposition of the death penalty, a
14 penalty proceeding shall be held in the manner provided in
15 subsections 5 through 13.
16 5. No sooner than twenty-four hours after a verdict of
17 guilty or a plea of guilty to capital murder under section
18 902.15 is returned in the initial proceeding, a penalty
19 proceeding shall be held to determine whether the defendant
20 shall be sentenced to death or to life imprisonment. The
21 proceeding shall be conducted in the trial court before the
22 trial jury, or before the court if the defendant has waived
23 the right to a jury trial or has waived the right for the
24 proceeding to be before the trial jury. Both the state and the
25 defendant shall have the right to present opening statements
26 at the commencement of the proceeding. In the proceeding,
27 evidence relevant to the existence of any aggravating or
28 mitigating circumstances may be presented as follows:
29 a. The state or the defendant may present evidence relevant
30 to the conviction of capital murder under section 902.15 and
31 any aggravating circumstances other than juvenile delinquency
32 adjudications for offenses which carry penalties equivalent to
33 the penalties imposed for simple or serious misdemeanors. The
34 state may introduce evidence of the actual harm caused by the
35 commission of the capital murder offense under section 902.15,

PAGE 8

1 including but not limited to evidence relating to the life of
2 the victim and the impact of the loss of the victim to the
3 victim's family and society.
4 *b.* The defendant may present evidence that the defendant
5 was intellectually disabled or mentally ill at the time of the
6 commission of the offense. The burden of proof shall be on the
7 defendant to prove intellectual disability or mental illness by
8 a preponderance of the evidence.
9 *c.* The state or the defendant may present evidence relevant
10 to any mitigating circumstances which may exist. Mitigating
11 circumstances may include the following circumstances:
12 (1) The defendant was under the influence of an extreme
13 mental or emotional disturbance insufficient to constitute a
14 defense.
15 (2) The age of the defendant at the time of the offense.
16 (3) The defendant's capacity to appreciate the wrongfulness
17 of the defendant's conduct and to conform that conduct to the
18 requirements of law was significantly impaired as a result of a
19 mental disease or defect or intellectual disability, but not to
20 a degree sufficient to constitute a defense.
21 (4) The defendant has no significant history of prior adult
22 criminal activity.
23 (5) The defendant acted under extreme duress or under the
24 substantial domination of another person.
25 (6) The defendant did not directly commit the capital murder
26 offense and the defendant did not intend to kill or anticipate
27 that lethal force would be used.
28 (7) Any other factor which is relevant to the defendant's
29 character or record or to the circumstances of the offense.
30 *d.* The state and the defendant or the defendant's counsel
31 shall be permitted to present and cross-examine witnesses and
32 present arguments for or against a sentence of death. Evidence
33 regarding aggravating and mitigating circumstances shall not
34 be governed by the rules governing admissibility of evidence,
35 except that introduction of evidence secured in violation of

PAGE 9

1 the Constitution of the United States or of the Constitution of
2 the State of Iowa shall not be permitted.
3 6. At the conclusion of presentation of evidence in
4 the penalty proceeding, the state and the defendant or the
5 defendant's counsel shall be permitted to make closing
6 arguments, including any rebuttal arguments, in the same manner
7 as in the initial proceeding and the following issues shall be
8 determined by the jury or by the court if there is no jury:
9 *a.* Whether the aggravating circumstance or circumstances
10 have been established beyond a reasonable doubt and outweigh
11 any one or more mitigating circumstances.
12 *b.* Whether the defendant shall be sentenced to death.

13 7. A recommendation for a sentence of death shall not be
14 permitted if the recommendation is based on the race, color,
15 religious beliefs, national origin, or sex of the defendant
16 or of any victim, or based on any other protected class under
17 chapter 216. After submission of the issues, but prior to the
18 return of a finding in the penalty proceeding, if the matter
19 is tried before a jury, the court shall instruct the jury
20 that in considering whether a sentence of death is justified,
21 the jury shall not consider race, color, religious beliefs,
22 national origin, or sex of the defendant or of any victim, or
23 consider any other protected class under chapter 216. The
24 court shall further instruct the jury that the jury shall not
25 return a sentence of death unless the jury concludes that such
26 a sentence would be recommended no matter what the race, color,
27 religious beliefs, national origin, sex, or other protected
28 class of the defendant or of any victim may be.
29 8. After submission of the issues, but prior to the
30 commencement of the jury deliberations in the penalty
31 proceeding, the court shall instruct the jury that if the
32 defendant is not sentenced to death, the court is required by
33 law to impose a sentence of imprisonment until death without
34 parole. The court shall further instruct the jury that
35 the sentence of imprisonment until death without parole is

PAGE 10

1 required by law if the jury fails to reach a unanimous verdict
2 recommending a sentence of death.
3 9. Concurrently with the return of the findings on the
4 issues submitted under subsection 6, the jury, or the court if
5 there is no jury, shall return special verdicts as follows:
6 a. Which aggravating circumstances were established beyond a
7 reasonable doubt and were considered in reaching the verdict.
8 b. Which mitigating circumstances were established and
9 were considered in reaching the verdict returned on the issue
10 specified in subsection 6, paragraph "a".
11 10. If the jury, or the court if there is no jury, returns
12 a unanimous affirmative finding on each of the issues submitted
13 under subsection 6, paragraphs "a" and "b", the court shall
14 enter a judgment of conviction and shall sentence the defendant
15 to death as provided in section 902.1A.
16 11. However, if evidence that the defendant was not a
17 major participant in the commission of the capital murder
18 under section 902.15, and that the defendant's conduct did not
19 manifest a reckless indifference to human life is presented
20 to the jury, or to the court if there is no jury, the jury or
21 the court shall also return a special verdict on the issue.
22 If the jury unanimously determines, or the court if there is
23 no jury, determines that a preponderance of evidence exists
24 that shows that the defendant was not a major participant in
25 the commission of the capital murder under section 902.15,
26 and that the defendant's conduct did not manifest a reckless

27 indifference to human life, the court shall enter a judgment
28 of conviction and shall sentence the defendant to life
29 imprisonment as provided in section 902.1, even if the jury or
30 the court returns unanimous affirmative findings on each of the
31 issues submitted under subsection 6.
32 12. If the jury, or the court if there is no jury, returns
33 a negative finding on any of the issues submitted under
34 subsection 6, paragraph “a” or “b”, the court shall enter a
35 judgment of conviction and shall sentence the defendant to life

PAGE 11

1 imprisonment as provided in section 902.1.
2 13. After a verdict has been rendered it shall be recorded
3 on the jury verdict form and shall be read and recorded in open
4 court. The jurors shall be collectively asked by the court
5 whether the verdict returned is their true and correct verdict.
6 Even though no juror makes any declaration to the contrary, the
7 jury shall, if either party so requests, be polled and each
8 juror shall be separately asked whether the verdict rendered by
9 the jury foreperson is the juror’s true and correct verdict.
10 If, upon either the collective or the separate inquiry, any
11 juror denies that the verdict is the juror’s verdict, the court
12 shall refuse to accept the verdict. The court may direct
13 inquiry or permit inquiry by counsel to ascertain whether any
14 juror has been subjected to coercion or has become confused
15 during the jury deliberation process. The court may, as
16 appropriate, direct the jury to resume deliberation in the
17 case. If no disagreement on the verdict is expressed by any of
18 the jurors, the court shall discharge the jury.

19 Sec. ____ Section 902.1, subsection 1, Code 2021, is amended
20 to read as follows:

21 1. ~~Upon Except as provided in section 902.1A,~~ a plea of
22 guilty, a verdict of guilty, or a special verdict upon which a
23 judgment of conviction of a class “A” felony may be rendered,
24 the court shall enter a judgment of conviction and shall commit
25 the defendant into the custody of the director of the Iowa
26 department of corrections for the rest of the defendant’s
27 life. Nothing in the Iowa corrections code pertaining to
28 deferred judgment, deferred sentence, suspended sentence, or
29 reconsideration of sentence applies to a class “A” felony, and
30 a person convicted of a class “A” felony shall not be released
31 on parole unless the governor commutes the sentence to a term
32 of years.

33 Sec. ____ NEW SECTION. **902.1A Capital murder — death**
34 **penalty.**

35 1. For the purposes of this section, “*lethal injection*”

PAGE 12

1 means a continuous intravenous injection of a lethal substance
2 sufficient to cause death.

3 2. Notwithstanding section 902.1, upon return of a plea
4 or verdict of guilty to capital murder under section 902.15,
5 and a return of a verdict in favor of a sentence of death in
6 a penalty proceeding conducted as provided in section 901E.1,
7 the court shall enter a judgment of conviction and shall commit
8 the defendant into the custody of the director of the Iowa
9 department of corrections. The sentence shall be carried out
10 by the administration of a lethal injection pursuant to rules
11 adopted by the board of corrections. If a defendant, for whom
12 a warrant of execution is issued, is pregnant, the execution
13 shall not take place until after the defendant is no longer
14 pregnant. If a defendant, for whom a warrant of execution is
15 issued, is suffering from such a diseased or deranged condition

21 to understand the sentence which has been imposed and to
22 participate in any legal proceedings relating to the sentence,
23 the execution shall not take place until after the defendant's

 5 RENTAL AGREEMENTS
 6 Section 1. Section 562B.7, subsection 10, Code 2021, is
 7 amended to read as follows:
 8 10. "*Rent*" means a payment to be made to the landlord under
 9 the rental agreement, including utility costs.
 10 Sec. 2. Section 562B.10, subsection 5, Code 2021, is amended
 11 to read as follows:
 12 5. Rental agreements shall be for a term of one year unless
 13 otherwise specified in the rental agreement. Rental agreements
 14 shall be canceled by at least sixty ninety days' written notice
 15 given by either party. A landlord shall not cancel a rental
 16 agreement solely for the purpose of making the tenant's mobile
 17 home space available for another mobile home.
 18 DIVISION II
 19 RETALIATION
 20 Sec. 3. Section 562B.32, subsection 1, paragraph d, Code

21 2021, is amended to read as follows:

22 *d.* For exercising any of the rights and remedies pursuant
23 to this chapter or chapter 216.

24 Sec. 4. Section 562B.32, subsection 2, Code 2021, is amended
25 to read as follows:

26 2. If the landlord acts in violation of subsection 1
27 of this section, the tenant is entitled to the remedies
28 provided in section 562B.24 and has a defense in an action for
29 possession. In an action by or against the tenant, evidence
30 of a complaint within ~~six months~~ one year prior to the alleged
31 act of retaliation creates a presumption that the landlord's
32 conduct was in retaliation. The presumption does not arise
33 if the tenant made the complaint after notice of termination
34 of the rental agreement. For the purpose of this subsection,
35 "*presumption*" means that the trier of fact must find the

PAGE 2

1 existence of the fact presumed unless and until evidence is
2 introduced which would support a finding of its nonexistence.

3 Sec. 5. EFFECTIVE DATE. This division of this Act, being
4 deemed of immediate importance, takes effect upon enactment.

5 DIVISION III

6 CONSUMER FRAUD

7 Sec. 6. Section 562B.4, Code 2021, is amended by adding the
8 following new subsection:

9 **NEW SUBSECTION.** 3. A violation of this chapter by a
10 landlord, or an agent of the landlord, is an unlawful practice
11 under section 714.16.

12 DIVISION IV

13 RENT INCREASES

14 Sec. 7. Section 562B.14, subsection 7, Code 2021, is amended
15 by striking the subsection and inserting in lieu thereof the
16 following:

17 7. *a.* A landlord shall not increase the amount of rent
18 due by any tenant in a manufactured home community or mobile
19 home park unless the tenant is notified, in writing, of the
20 rent increase at least ninety days before the effective date
21 of the rent increase. The effective date of any increase in
22 the amount of rent shall not be less than one year after either
23 the effective date of the most recent rent increase or the
24 beginning of the tenancy, whichever is later.

25 *b.* A landlord that ceases to provide an amenity, service,
26 or utility which was provided for under the rental agreement
27 without a corresponding and proportionate reduction in rent
28 shall be considered to have increased rent for the purposes of
29 this chapter and the notice requirements provided in paragraph
30 "*a*" shall apply.

31 DIVISION V

32 TENANT COUNTERCLAIM FOR LANDLORD NONCOMPLIANCE

33 Sec. 8. Section 562B.25, Code 2021, is amended by adding the
34 following new subsection:

35 NEW SUBSECTION. 5. *a.* In an action for possession based

PAGE 3

1 upon nonpayment of the rent or in an action for rent where the
2 tenant is in possession, the tenant may counterclaim for an
3 amount which the tenant may recover under the rental agreement
4 or this chapter. In that event, the court from time to time
5 may order the tenant to pay into court all or part of the rent
6 accrued and thereafter accruing, and shall determine the amount
7 due to each party. The party to whom a net amount is owed
8 shall be paid first from the money paid into court, and the
9 balance by the other party. If rent does not remain due after
10 application of this section, judgment shall be entered for
11 the tenant in the action for possession. If the defense or
12 counterclaim by the tenant is without merit and is not raised
13 in good faith, the landlord may recover reasonable attorney
14 fees.
15 *b.* In an action for rent where the tenant is not in
16 possession, the tenant may counterclaim as provided in
17 paragraph “a”, but the tenant is not required to pay any rent
18 into court.

19 DIVISION VI

20 DISCLOSURE OF UTILITY CHARGES

21 Sec. 9. Section 562B.14, subsection 6, Code 2021, is amended
22 to read as follows:

23 6. a. The landlord or any person authorized to enter into
24 a rental agreement on the landlord’s behalf shall provide a
25 written explanation of utility rates, charges and services to
26 the prospective tenant before the rental agreement is signed
27 unless the utility charges are paid by the tenant directly to
28 the utility company.

29 b. If a landlord obtains a utility service from a utility
30 provider and furnishes the utility to the tenant and the
31 landlord’s charge to the tenant is based upon the utility
32 provider’s charge or rate for the use of such utility to
33 consumers and the utility provider increases the charge or
34 rate, the landlord shall notify tenants of such increase within
35 five days of the landlord receiving the utility provider’s

PAGE 4

1 notice of the increase. An increase in the landlord’s charge
2 to a tenant for the utility that corresponds to the same
3 increase in the utility provider’s charge or rate to the
4 landlord shall be effective thirty days after the landlord
5 provides the written notice of such increase to the tenant,
6 unless the landlord does not receive at least sixty days’ prior
7 notice of such increase from the utility provider in which case
8 no prior notice of the increase from the landlord to the tenant
9 is required for the increase to be effective.

35 the filed record identifying the affiant as debtor was not

PAGE 5

1 authorized to be filed and was caused to be communicated to the
2 filing office with the intent to harass or defraud the affiant.
3 The filing office may reject an affidavit that is incomplete or
4 that it believes was delivered to it with the intent to harass

2 identified in an affidavit delivered to the filing office under
3 subsection 2 was authorized to be filed and was not caused to
4 be communicated to the filing office with the intent to harass
5 or defraud the affiant may:
6 a. Before the termination statement takes effect, request
7 that the filing office conduct an expedited review of the
8 filed record and any documentation provided by the secured
9 party. The filing office may as a result of this review
10 remove from the record the termination statement filed by
11 it under subsection 3 before it takes effect and conduct an
12 administrative review under subsection 11.
13 b. File an action against the office seeking reinstatement
14 of the financing statement to which the filed record relates at
15 any time before the expiration of six months after the date on
16 which the termination stated filed under subsection 3 becomes
17 effective. If the affiant is not named as a defendant in the
18 action, the secured party shall send a copy of the petition to
19 the affiant at the address indicated in the affidavit. The
20 exclusive venue for the action shall be in the district court

35 statement be reinstated. If an order of reinstatement is

14 effective if the financing statement is reinstated.
15 10. *Liability for wrongful filing.* If, in an action under
16 subsection 6, the court determines that the filed record
17 identified in an affidavit delivered to the filing office under
18 subsection 2 was caused to be communicated to the filing office
19 with the intent to harass or defraud the affiant, the filing
20 office and the affiant may recover from the secured party that
21 filed the action the costs and expenses, including reasonable
22 attorney fees and the reasonable allocated costs of internal
23 counsel, that the filing office and the affiant incurred in the
24 action. This recovery is in addition to any recovery to which
25 the affiant is entitled under section 554.9625.
26 11. *Procedure for record filed by trusted filer.* If an
27 affidavit delivered to a filing office under subsection 2
28 relates to a filed record communicated to the filing office by
29 a trusted filer, the filing office shall promptly send to the
30 secured party of record a notice stating that the affidavit has
31 been delivered to the filing office and that the filing office
32 is conducting an administrative review to determine whether the
33 record was caused to be communicated with the intent to harass
34 or defraud the affiant. The notice shall be sent by certified
35 mail, return receipt requested, to the address provided for

PAGE 8

1 the secured party in the financing statement with a copy sent
2 by electronic mail to the electronic mail address provided
3 by the secured party of record, if any, and a copy shall be
4 sent in the same manner to the affiant. The administrative
5 review shall be conducted on an expedited basis and the filing
6 office may require the affiant and the secured party of record
7 to provide any additional information that the filing office
8 deems appropriate. If the filing office concludes that the
9 record was caused to be communicated with the intent to harass
10 or defraud the affiant, the filing office shall promptly file a
11 termination statement under subsection 2 that will be effective
12 immediately and send to the secured party of record the notice
13 required by subsection 5. The secured party may thereafter
14 file an action for reinstatement under subsection 6 and the

17 vote from freely expressing their preferences, the board may

32 the filed record identifying the affiant as debtor was not
33 authorized to be filed and was caused to be communicated to the
34 filing office with the intent to harass or defraud the affiant.
35 The filing office may reject an affidavit that is incomplete or

PAGE 5

- 1 that it believes was delivered to it with the intent to harass
2 or defraud the secured party. The office of the secretary
3 of state shall adopt a form of affidavit for use under this

9 statement identified in the affidavit. The termination
10 statement must identify by its file number the initial
11 financing statement to which it relates and must indicate that
12 it was filed pursuant to this section. A termination statement

14 after it is filed.

15 4. *No fee charged or refunded.* The filing office shall not
16 charge a fee for the filing of an affidavit under subsection
17 2 or a termination statement under subsection 3. The filing

PAGE 6

1 be communicated to the filing office with the intent to harass
2 or defraud the affiant may:

3 a. Before the termination statement takes effect, request
4 that the filing office conduct an expedited review of the
5 filed record and any documentation provided by the secured
6 party. The filing office may as a result of this review remove
7 from the record the termination statement filed by it under
8 subsection 3 before the termination statement takes effect and
9 conduct an administrative review under subsection 11.

10 b. File an action against the filing office seeking
11 reinstatement of the financing statement to which the filed
12 record relates at any time before the expiration of six months
13 after the date on which the termination statement filed under
14 subsection 3 becomes effective. If the affiant is not named as
15 a defendant in the action, the secured party shall send a copy
16 of the petition to the affiant at the address indicated in the
17 affidavit. The exclusive venue for the action shall be in the

29 statement was authorized to be filed and was not caused to be
30 communicated to the filing office with the intent to harass or
31 defraud the affiant, the court shall order that the financing
32 statement be reinstated. If an order of reinstatement is
33 issued by the court, the filing office shall promptly file a

3 reinstating a financing statement under subsection 8, the
4 effectiveness of the financing statement is reinstated and the
5 financing statement shall be considered never to have been
6 terminated under this section except as against a purchaser of
7 the collateral that gives value in reasonable reliance upon

11 effective if the financing statement is reinstated.
12 10. *Liability for wrongful filing.* If, in an action under
13 subsection 6, the court determines that the filed record
14 identified in an affidavit delivered to the filing office under
15 subsection 2 was caused to be communicated to the filing office
16 with the intent to harass or defraud the affiant, the filing
17 office and the affiant may recover from the secured party that
18 filed the action the costs and expenses, including reasonable
19 attorney fees and the reasonable allocated costs of internal
20 counsel, that the filing office and the affiant incurred in the
21 action. This recovery is in addition to any recovery to which
22 the affiant is entitled under section 554.9625.
23 11. *Procedure for record filed by trusted filer.* If an
24 affidavit delivered to a filing office under subsection 2
25 relates to a filed record communicated to the filing office by
26 a trusted filer, the filing office shall promptly send to the
27 secured party of record a notice stating that the affidavit has
28 been delivered to the filing office and that the filing office
29 is conducting an administrative review to determine whether the
30 record was caused to be communicated with the intent to harass
31 or defraud the affiant. The notice shall be sent by certified
32 mail, return receipt requested, to the address provided for
33 the secured party in the financing statement with a copy sent
34 by electronic mail to the electronic mail address provided
35 by the secured party of record, if any, and a copy shall be

PAGE 8

1 sent in the same manner to the affiant. The administrative
2 review shall be conducted on an expedited basis and the filing
3 office may require the affiant and the secured party of record
4 to provide any additional information that the filing office
5 deems appropriate. If the filing office concludes that the
6 record was caused to be communicated with the intent to harass

35 the filed record identifying the affiant as debtor was not

PAGE 5

1 authorized to be filed and was caused to be communicated to the
2 filing office with the intent to harass or defraud the affiant.
3 The filing office may reject an affidavit that is incomplete or

16 filed under this subsection is not effective until ninety days
17 after it is filed.

18 4. *No fee charged or refunded.* The filing office shall not

3 subsection 2 was authorized to be filed and was not caused to
4 be communicated to the filing office with the intent to harass
5 or defraud the affiant may:
6 a. Before the termination statement takes effect, request
7 that the filing office conduct an expedited review of the
8 filed record and any documentation provided by the secured
9 party. The filing office may as a result of this review remove
10 from the record the termination statement filed by it under
11 subsection 3 before the termination statement takes effect and

18 a defendant in the action, the secured party shall send a copy
19 of the petition to the affiant at the address indicated in the
20 affidavit. The exclusive venue for the action shall be in the

31 under subsection 6, the court determines that the financing
32 statement was authorized to be filed and was not caused to be
33 communicated to the filing office with the intent to harass or
34 defraud the affiant, the court shall order that the financing
35 statement be reinstated. If an order of reinstatement is

7 effectiveness of the financing statement is reinstated and the
8 financing statement shall be considered never to have been

16 subsection 6, the court determines that the filed record
17 identified in an affidavit delivered to the filing office under
18 subsection 2 was caused to be communicated to the filing office
19 with the intent to harass or defraud the affiant, the filing
20 office and the affiant may recover from the secured party that
21 filed the action the costs and expenses, including reasonable
22 attorney fees and the reasonable allocated costs of internal
23 counsel, that the filing office and the affiant incurred in the
24 action. This recovery is in addition to any recovery to which
25 the affiant is entitled under section 554.9625.
26 11. *Procedure for record filed by trusted filer.* If an

27 affidavit delivered to a filing office under subsection 2
28 relates to a filed record communicated to the filing office by
29 a trusted filer, the filing office shall promptly send to the
30 secured party of record a notice stating that the affidavit has
31 been delivered to the filing office and that the filing office
32 is conducting an administrative review to determine whether the
33 record was caused to be communicated with the intent to harass
34 or defraud the affiant. The notice shall be sent by certified
35 mail, return receipt requested, to the address provided for

PAGE 8

1 the secured party in the financing statement with a copy sent
2 by electronic mail to the electronic mail address provided
3 by the secured party of record, if any, and a copy shall be
4 sent in the same manner to the affiant. The administrative
5 review shall be conducted on an expedited basis and the filing
6 office may require the affiant and the secured party of record
7 to provide any additional information that the filing office
8 deems appropriate. If the filing office concludes that the
9 record was caused to be communicated with the intent to harass
10 or defraud the affiant, the filing office shall promptly file a
11 termination statement under subsection 2 that will be effective
12 immediately and send to the secured party of record the notice
13 required by subsection 5. The secured party may thereafter
14 file an action for reinstatement under subsection 6 and the

12 party. The filing office may as a result of this review
13 remove from the record the termination statement filed by
14 it under subsection 3 before it takes effect and conduct an
15 administrative review under subsection 11.
16 b. File an action against the office seeking reinstatement
17 of the financing statement to which the filed record relates at
18 any time before the expiration of six months after the date on
19 which the termination stated filed under subsection 3 becomes
20 effective. If the affiant is not named as a defendant in the
21 action, the secured party shall send a copy of the petition to
22 the affiant at the address indicated in the affidavit. The
23 exclusive venue for the action shall be in the district court
24 for the county where the filing office in which the financing
25 statement was filed is located. The action shall be considered
26 by the court on an expedited basis.
27 7. *Filing office to file notice of action for*
28 *reinstatement.* Within ten days after being served with process
29 in an action under subsection 6, the filing office shall file
30 a notice indicating that the action has been commenced. The
31 notice must indicate the file number of the initial financing
32 statement to which the notice relates.
33 8. *Action for reinstatement successful.* If, in an action
34 under subsection 6, the court determines that the financing
35 statement was authorized to be filed and was not caused to be

PAGE 7

1 communicated to the filing office with the intent to harass or
2 defraud the affiant, the court shall order that the financing
3 statement be reinstated. If an order of reinstatement is
4 issued by the court, the filing office shall promptly file a
5 record that identifies by its file number the initial financing
6 statement to which the record relates and indicates that the
7 financing statement has been reinstated.

8 9. *Effect of reinstatement.* Upon the filing of a record
9 reinstating a financing statement under subsection 8, the
10 effectiveness of the financing statement is reinstated and the
11 financing statement shall be considered never to have been
12 terminated under this section except as against a purchaser of
13 the collateral that gives value in reasonable reliance upon
14 the termination. A continuation statement filed as provided
15 in section 554.9515, subsection 4, after the effective date of
16 a termination statement filed under subsection 3 or 11 becomes
17 effective if the financing statement is reinstated.

18 10. *Liability for wrongful filing.* If, in an action under
19 subsection 6, the court determines that the filed record
20 identified in an affidavit delivered to the filing office under
21 subsection 2 was caused to be communicated to the filing office
22 with the intent to harass or defraud the affiant, the filing
23 office and the affiant may recover from the secured party that
24 filed the action the costs and expenses, including reasonable
25 attorney fees and the reasonable allocated costs of internal
26 counsel, that the filing office and the affiant incurred in the
27 action. This recovery is in addition to any recovery to which
28 the affiant is entitled under section 554.9625.

29 11. *Procedure for record filed by trusted filer.* If an
30 affidavit delivered to a filing office under subsection 2
31 relates to a filed record communicated to the filing office by
32 a trusted filer, the filing office shall promptly send to the
33 secured party of record a notice stating that the affidavit has
34 been delivered to the filing office and that the filing office
35 is conducting an administrative review to determine whether the

PAGE 8

1 record was caused to be communicated with the intent to harass
2 or defraud the affiant. The notice shall be sent by certified
3 mail, return receipt requested, to the address provided for
4 the secured party in the financing statement with a copy sent
5 by electronic mail to the electronic mail address provided
6 by the secured party of record, if any, and a copy shall be
7 sent in the same manner to the affiant. The administrative
8 review shall be conducted on an expedited basis and the filing
9 office may require the affiant and the secured party of record
10 to provide any additional information that the filing office
11 deems appropriate. If the filing office concludes that the
12 record was caused to be communicated with the intent to harass

13 or defraud the affiant, the filing office shall promptly file a
14 termination statement under subsection 2 that will be effective
15 immediately and send to the secured party of record the notice
16 required by subsection 5. The secured party may thereafter
17 file an action for reinstatement under subsection 6 and the
18 provisions of subsections 7 through 10 are applicable.

PAGE 15

1 petitioned for certification or which has presented proof
2 satisfactory to the board of support of ten percent or more of
3 the public employees in the appropriate unit.
4 2. If a majority of the votes cast on the question is
5 for no bargaining representation, the public employees in
6 the bargaining unit found appropriate by the board shall not

7 be represented by an employee organization. If a majority
8 of the votes cast on the question is for a listed employee
9 organization, then that employee organization shall represent
10 the public employees in the bargaining unit found appropriate
11 by the board.

12 3. If none of the choices on the ballot receives the vote
13 of a majority of the public employees voting, the board shall
14 conduct a runoff election among the two choices receiving the
15 greatest number of votes.

16 4. Upon written objections filed by any party to the
17 election within ten days after notice of the results of
18 the election, if the board finds that misconduct or other
19 circumstances prevented the public employees eligible to
20 vote from freely expressing their preferences, the board may
21 invalidate the election and hold a second election for the
22 public employees.

23 5. Upon completion of a valid election in which the majority
24 choice of the employees voting is determined, the board shall

5 bargaining representative of a bargaining unit shall not be
6 considered by the board for a period of one year from the date
7 of its certification, or within one year of its continued
8 certification following a decertification election, or during
9 the duration of a collective bargaining agreement which, for
10 purposes of this section, shall be deemed not to exceed two
11 years. However, if a petition for decertification is filed
12 during the duration of a collective bargaining agreement, the
13 board shall award an election under this section not more than
14 one hundred eighty days and not less than one hundred fifty
15 days prior to the expiration of the collective bargaining
16 agreement. If an employee organization is decertified, the
17 board may receive petitions under section 20.14, provided that
18 no such petition and no election conducted pursuant to such
19 petition within one year from decertification shall include as
20 a party the decertified employee organization.

21 7. A collective bargaining agreement with the state, its
22 boards, commissions, departments, and agencies shall be for two
23 years. The provisions of a collective bargaining agreement or
24 arbitrator's award affecting state employees shall not provide
25 for renegotiations which would require the refinancing of
26 salary and fringe benefits for the second year of the term of
27 the agreement, except as provided in section 20.17, subsection
28 6. The effective date of any such agreement shall be July 1 of
29 odd-numbered years, provided that if an exclusive bargaining
30 representative is certified on a date which will prevent the
31 negotiation of a collective bargaining agreement prior to
32 July 1 of odd-numbered years for a period of two years, the
33 certified collective bargaining representative may negotiate
34 a one-year contract with the public employer which shall be
35 effective from July 1 of the even-numbered year to July 1

22 employee organization is ~~not retained and recertified or is~~
23 decertified in an election held under section 20.15 or amended
24 or absorbed into another certified organization pursuant to
25 chapter 20. Collective bargaining negotiations shall be
26 conducted on a statewide basis and the certified employee
27 organizations which engage in bargaining shall negotiate on a

29 by judicial district. The public employment relations board
30 shall adopt rules pursuant to chapter 17A to implement this

10 shall permit the public employees to vote for no bargaining
11 representation or for any employee organization which has
12 petitioned for certification or which has presented proof

13 satisfactory to the board of support of ten percent or more of
14 the public employees in the appropriate unit.
15 2. If a majority of the votes cast on the question is
16 for no bargaining representation, the public employees in
17 the bargaining unit found appropriate by the board shall not
18 be represented by an employee organization. If a majority
19 of the votes cast on the question is for a listed employee
20 organization, then that employee organization shall represent
21 the public employees in the bargaining unit found appropriate
22 by the board.
23 3. If none of the choices on the ballot receive the vote
24 of a majority of the public employees voting, the board shall
25 conduct a runoff election among the two choices receiving the
26 greatest number of votes.
27 4. Upon written objections filed by any party to the
28 election within ten days after notice of the results of
29 the election, if the board finds that misconduct or other
30 circumstances prevented the public employees eligible to
31 vote from freely expressing their preferences, the board may
32 invalidate the election and hold a second election for the
33 public employees.
34 5. Upon completion of a valid election in which the majority
35 choice of the employees voting is determined, the board shall

7 by the board for a period of one year from the date of the
8 noncertification of an employee organization as the exclusive
9 bargaining representative of that bargaining unit following a
10 certification election. A petition for certification as the
11 exclusive bargaining representative of a bargaining unit shall

23 during the duration of a collective bargaining agreement, the
24 board shall award an election under this section not more than

34 years. The provisions of a collective bargaining agreement or
35 arbitrator's award affecting state employees shall not provide

PAGE 5

1 for renegotiations which would require the refinancing of
2 salary and fringe benefits for the second year of the term of
3 the agreement, except as provided in section 20.17, subsection

5 odd-numbered years, provided that if an exclusive bargaining
6 representative is certified on a date which will prevent the
7 negotiation of a collective bargaining agreement prior to
8 July 1 of odd-numbered years for a period of two years, the
9 certified collective bargaining representative may negotiate

23 issued for such witnesses and the production of such books
24 and papers as either the board or the teacher may designate.
25 The subpoenas shall be signed by the presiding officer of the
26 board.

27 3. In case a witness is duly subpoenaed and refuses to
28 attend, or in case a witness appears and refuses to testify
29 or to produce required books or papers, the board shall,
30 in writing, report such refusal to the district court of
31 the county in which the administrative office of the school
32 district is located, and the court shall proceed with the
33 person or witness as though the refusal had occurred in a
34 proceeding legally pending before the court.

35 4. The board shall not be bound by common law or statutory

PAGE 17

- 1 rules of evidence or by technical or formal rules of procedure,
- 2 but it shall hold the hearing in such manner as is best suited
- 3 to ascertain and conserve the substantial rights of the
- 4 parties. Process and procedure under sections 279.13 through
- 5 279.19 shall be as summary as reasonably may be.
- 6 5. At the conclusion of the private hearing, the
- 7 superintendent and the teacher may file written briefs and
- 8 arguments with the board within three days or such other time
- 9 as may be agreed upon.
- 10 6. If the teacher fails to timely request a private hearing
- 11 or does not appear at the private hearing, the board may
- 12 proceed and make a determination upon the superintendent's
- 13 recommendation. If the teacher fails to timely file a request
- 14 for a private hearing, the determination shall be not later
- 15 than May 31. If the teacher fails to appear at the private
- 16 hearing, the determination shall be not later than five days
- 17 after the scheduled date for the private hearing. The board
- 18 shall convene in open session and by roll call vote determine
- 19 the termination or continuance of the teacher's contract
- 20 and, if the board votes to continue the teacher's contract,
- 21 whether to suspend the teacher with or without pay for a period
- 22 specified by the board.
- 23 7. Within five days after the private hearing, the board
- 24 shall, in executive session, meet to make a final decision
- 25 upon the recommendation and the evidence as herein provided.
- 26 The board shall also consider any written brief and arguments
- 27 submitted by the superintendent and the teacher.
- 28 8. The record for a private hearing shall include:
- 29 *a.* All pleadings, motions and intermediate rulings.
- 30 *b.* All evidence received or considered and all other
- 31 submissions.
- 32 *c.* A statement of all matters officially noticed.
- 33 *d.* All questions and offers of proof, objections and rulings
- 34 thereon.
- 35 *e.* All findings and exceptions.

PAGE 18

- 1 *f.* Any decision, opinion, or conclusion by the board.
- 2 *g.* Findings of fact shall be based solely on the evidence in
- 3 the record and on matters officially noticed in the record.
- 4 9. The decision of the board shall be in writing and shall
- 5 include findings of fact and conclusions of law, separately
- 6 stated. Findings of fact, if set forth in statutory language,
- 7 shall be accompanied by a concise and explicit statement of
- 8 the underlying facts supporting the findings. Each conclusion
- 9 of law shall be supported by cited authority or by reasoned
- 10 opinion.
- 11 10. When the board has reached a decision, opinion, or
- 12 conclusion, it shall convene in open meeting and by roll

13 call vote determine the continuance or discontinuance of the
14 teacher's contract and, if the board votes to continue the
15 teacher's contract, whether to suspend the teacher with or
16 without pay for a period specified by the board. The record
17 of the private conference and findings of fact and exceptions
18 shall be exempt from the provisions of chapter 22. The
19 secretary of the board shall immediately mail notice of the
20 board's action to the teacher.

21 Sec. 34. NEW SECTION. **279.17 Appeal by teacher to**
22 **adjudicator.**

23 1. If the teacher is no longer a probationary teacher, the
24 teacher may, within ten days, appeal the determination of the
25 board to an adjudicator by filing a notice of appeal with the
26 secretary of the board. The notice of appeal shall contain a
27 concise statement of the action which is the subject of the
28 appeal, the particular board action appealed from, the grounds
29 on which relief is sought and the relief sought.

30 2. Within five days following receipt by the secretary
31 of the notice of appeal, the board or the board's legal
32 representative, if any, and the teacher or the teacher's
33 representative, if any, may select an adjudicator who resides
34 within the boundaries of the merged area in which the school
35 district is located. If an adjudicator cannot be mutually

PAGE 19

1 agreed upon within the five-day period, the secretary shall
2 notify the chairperson of the public employment relations board
3 by transmitting the notice of appeal, and the chairperson of
4 the public employment relations board shall within five days
5 provide a list of five adjudicators to the parties. Within
6 three days from receipt of the list of adjudicators, the
7 parties shall select an adjudicator by alternately removing a
8 name from the list until only one name remains. The person
9 whose name remains shall be the adjudicator. The parties shall
10 determine by lot which party shall remove the first name from
11 the list submitted by the chairperson of the public employment
12 relations board. The secretary of the board shall inform the
13 chairperson of the public employment relations board of the
14 name of the adjudicator selected.

15 3. If the teacher does not timely request an appeal to an
16 adjudicator, the decision, opinion, or conclusion of the board
17 shall become final and binding.

18 4. *a.* Within thirty days after filing the notice of appeal,
19 or within further time allowed by the adjudicator, the board
20 shall transmit to the adjudicator the original or a certified
21 copy of the entire record of the private hearing which may be
22 the subject of the petition. By stipulation of the parties
23 to review the proceedings, the record of the case may be
24 shortened. The adjudicator may require or permit subsequent
25 corrections or additions to the shortened record.

26 *b.* The record certified and filed by the board shall be the

27 record upon which the appeal shall be heard and no additional
28 evidence shall be heard by the adjudicator. In such appeal to
29 the adjudicator, especially when considering the credibility
30 of witnesses, the adjudicator shall give weight to the fact
31 findings of the board but shall not be bound by them.
32 5. Before the date set for hearing a petition for review
33 of board action, which shall be within ten days after
34 receipt of the record unless otherwise agreed or unless the
35 adjudicator orders additional evidence be taken before the

PAGE 20

1 board, application may be made to the adjudicator for leave to
2 present evidence in addition to that found in the record of the
3 case. If it is shown to the adjudicator that the additional
4 evidence is material and that there were good reasons for
5 failure to present it in the private hearing before the board,
6 the adjudicator may order that the additional evidence be taken
7 before the board upon conditions determined by the adjudicator.
8 The board may modify its findings and decision in the case by
9 reason of the additional evidence and shall file that evidence
10 and any modifications, new findings, or decisions, with the
11 adjudicator and mail copies of the new findings or decisions
12 to the teacher.
13 6. The adjudicator may affirm board action or remand to the
14 board for further proceedings. The adjudicator shall reverse,
15 modify, or grant any appropriate relief from the board action
16 if substantial rights of the teacher have been prejudiced
17 because the board action is any of the following:
18 *a.* In violation of a board rule or policy or contract.
19 *b.* Unsupported by a preponderance of the competent evidence
20 in the record made before the board when that record is viewed
21 as a whole.
22 *c.* Unreasonable, arbitrary or capricious or characterized
23 by an abuse of discretion or a clearly unwarranted exercise of
24 discretion.
25 7. The adjudicator shall, within fifteen days after the
26 hearing, make a decision and shall give a copy of the decision
27 to the teacher and the secretary of the board. The decision
28 of the adjudicator shall become the final and binding decision
29 of the board unless either party within ten days notifies the
30 secretary of the board that the decision is rejected. The
31 board may reject the decision by majority roll call vote, in
32 open meeting, entered into the minutes of the meeting. The
33 board shall immediately notify the teacher of its decision
34 by certified mail. The teacher may reject the adjudicator's
35 decision by notifying the board's secretary in writing within

PAGE 21

1 ten days of the filing of such decision.
2 8. All costs of the adjudicator shall be shared equally by

3 the teacher and the board.

4 Sec. 35. Section 279.18, Code 2021, is amended by striking
5 the section and inserting in lieu thereof the following:

6 **279.18 Appeal by either party to court.**

- 7 1. If either party rejects the adjudicator's decision,
8 the rejecting party shall, within thirty days of the initial
9 filing of such decision, appeal to the district court of
10 the county in which the administrative office of the school
11 district is located. The notice of appeal shall be immediately
12 mailed by certified mail to the other party. The adjudicator
13 shall transmit to the reviewing court the original or a
14 certified copy of the entire record which may be the subject
15 of the petition. By stipulation of all parties to the review
16 proceedings, the record of such a case may be shortened. A
17 party unreasonably refusing to stipulate to limit the record
18 may be taxed by the court for the additional cost. The court
19 may require or permit subsequent corrections or additions to
20 the shortened record.
- 21 2. In proceedings for judicial review of the adjudicator's
22 decision, the court shall not hear any further evidence
23 but shall hear the case upon the certified record. In such
24 judicial review, especially when considering the credibility of
25 witnesses, the court shall give weight to the fact findings of
26 the board but shall not be bound by them. The court may affirm
27 the adjudicator's decision or remand to the adjudicator or the
28 board for further proceedings upon conditions determined by the
29 court. The court shall reverse, modify, or grant any other
30 appropriate relief from the board decision or the adjudicator's
31 decision equitable or legal and including declaratory relief
32 if substantial rights of the petitioner have been prejudiced
33 because the action is any of the following:
- 34 a. In violation of constitutional or statutory provisions.
35 b. In excess of the statutory authority of the board or the

PAGE 22

- 1 adjudicator.
- 2 c. In violation of a board rule or policy or contract.
- 3 d. Made upon unlawful procedure.
- 4 e. Affected by other error of law.
- 5 f. Unsupported by a preponderance of the competent evidence
6 in the record made before the board and the adjudicator when
7 that record is viewed as a whole.
- 8 g. Unreasonable, arbitrary or capricious or characterized
9 by an abuse of discretion or a clearly unwarranted exercise of
10 discretion.
- 11 3. An aggrieved or adversely affected party to the judicial
12 review proceeding may obtain a review of any final judgment of
13 the district court by appeal to the supreme court. The appeal
14 shall be taken as in other civil cases, although the appeal may
15 be taken regardless of the amount involved.
- 16 4. For purposes of this section, unless the context

17 otherwise requires, “*rejecting party*” shall include but not be
18 limited to an instructor employed by a community college.
19 Sec. 36. Section 279.19, Code 2021, is amended by striking
20 the section and inserting in lieu thereof the following:
21 **279.19 Probationary period.**
22 1. The first three consecutive years of employment of
23 a teacher in the same school district are a probationary
24 period. However, if the teacher has successfully completed a
25 probationary period of employment for another school district
26 located in Iowa, the probationary period in the current
27 district of employment shall not exceed one year. A board of
28 directors may waive the probationary period for any teacher who
29 previously has served a probationary period in another school
30 district and the board may extend the probationary period for
31 an additional year with the consent of the teacher.
32 2. *a.* In the case of the termination of a probationary
33 teacher’s contract, the provisions of sections 279.15 and
34 279.16 shall apply. However, if the probationary teacher is a
35 beginning teacher who fails to demonstrate competence in the

PAGE 23

1 Iowa teaching standards in accordance with chapter 284, the
2 provisions of sections 279.17 and 279.18 shall also apply.
3 *b.* The board’s decision shall be final and binding unless
4 the termination was based upon an alleged violation of a
5 constitutionally guaranteed right of the teacher or an alleged
6 violation of public employee rights of the teacher under
7 section 20.10.
8 3. Notwithstanding any provision to the contrary, the
9 grievance procedures of section 20.18 relating to job
10 performance or job retention shall not apply to a teacher
11 during the first two years of the teacher’s probationary
12 period. However, this subsection shall not apply to a teacher
13 who has successfully completed a probationary period in a
14 school district in Iowa.

33 accordance with this section. An extracurricular contract
34 shall initially be offered by the employing board to an
35 individual on the same date that contracts are offered to

PAGE 24

1 teachers under section 279.13. An extracurricular contract
2 may be terminated at the end of a school year pursuant to
3 sections 279.15 through 279.19. If the school district offers
4 an extracurricular contract for a sport for the subsequent
5 school year to an employee who is currently performing
6 under an extracurricular contract for that sport, and the
7 employee does not wish to accept the extracurricular contract
8 for the subsequent year, the employee may resign from the
9 extracurricular contract within twenty-one days after it has
10 been received.
11 b. If the provisions of an extracurricular contract executed
12 under this section conflict with a collective bargaining
13 agreement negotiated under chapter 20 and effective when the
14 extracurricular contract is executed or renewed, the provisions
15 of the collective bargaining agreement shall prevail Section
16 279.13, subsection 3, applies to this section.

25 ~~pursuant to section 279.13.~~
26 b. A termination of a contract entered into pursuant to
27 section 279.13, or a resignation from that contract by the
28 teacher, constitutes an automatic termination or resignation of
29 the extracurricular contract in effect between the same teacher
30 and the employing school board.
31 Sec. 38. Section 279.23, subsection 1, paragraph c, Code
32 2021, is amended to read as follows:

4 ~~up to nine months. Notwithstanding the other provisions of~~
5 ~~this section, a temporary contract may also be issued to~~
6 ~~an administrator to fill a vacancy created by a leave of~~

7 absence in accordance with the provisions of section 29A.28,
8 which contract shall automatically terminate upon return from
9 military leave of the former incumbent of the administrator
10 position. ~~Temporary contracts and which contract shall not be~~
11 subject to the provisions of sections 279.24 and 279.25.
12 Sec. 40. Section 279.24, subsections 2 and 4, Code 2021, are
13 amended to read as follows:
14 2. If the board of directors is considering termination of
15 an administrator's contract, prior to any formal action, the
16 board may arrange to meet in closed session, in accordance with
17 the provisions of section 21.5, with the administrator and the
18 administrator's representative. The board shall review the
19 administrator's evaluation, review the reasons for nonrenewal,
20 and give the administrator an opportunity to respond. If,
21 following the closed session, the board of directors and the
22 administrator are unable to mutually agree to a modification
23 or termination of the administrator's contract, or the board
24 of directors may issue and the administrator are unable to
25 mutually agree to enter into a one-year, nonrenewable contract,
26 to the administrator. ~~If the board of directors decides to~~

34 the school board may extend the probationary period for an
35 additional year with the consent of the administrator. If a

PAGE 26

1 school board determines that it should terminate a probationary
2 administrator's contract, the school board shall notify the
3 administrator not later than May 15 that the contract will not
4 be renewed beyond the current year. The notice shall be in
5 writing by letter, personally delivered, or mailed by certified
6 mail. The notification shall be complete when received by the
7 administrator. Within ten days after receiving the notice, the
8 administrator may request a private conference with the school
9 board to discuss the reasons for termination. The school
10 board's decision to terminate a probationary administrator's
11 contract shall be final unless the termination was based upon
12 an alleged violation of a constitutionally guaranteed right of
13 the administrator.
14 Sec. 41. Section 279.24, subsection 5, paragraphs c, d, e,
15 f, g, and h, Code 2021, are amended to read as follows:
16 c. Within five days after receipt of the written notice
17 that the school board has voted to consider termination of
18 the contract, the administrator may request a private hearing
19 in writing to the secretary of the school board. ~~The board~~
20 ~~shall then forward that~~ the notification be forwarded to the

21 board of educational examiners along with a request that the
22 board of educational examiners submit a list of five qualified
23 administrative law judges to the parties. Within three
24 days from receipt of the list the parties shall select an
25 administrative law judge by alternately removing a name from
26 the list until only one name remains. The person whose name

29 name from the list. The ~~private~~ hearing shall be held no
30 sooner than ~~twenty ten~~ thirty days and not later than ~~forty~~ thirty
31 days following the administrator's request unless the parties
32 otherwise agree. If the administrator does not request a
33 ~~private~~ hearing, the school board, not later than May 31, may
34 determine the continuance or discontinuance of the contract
35 and, if the board determines to continue the administrator's

PAGE 27

1 contract, whether to suspend the administrator with or without
2 pay for a period specified by the board. School board action
3 shall be by majority roll call vote entered on the minutes of
4 the meeting. Notice of school board action shall be personally
5 delivered or mailed to the administrator.
6 d. The administrative law judge selected shall notify
7 the secretary of the school board and the administrator in
8 writing concerning the date, time, and location of the ~~private~~
9 hearing. The school board may be represented by a legal
10 representative, if any, and the administrator shall appear and
11 may be represented by counsel or by representative, if any.
12 ~~Any witnesses for the parties at the private hearing shall be~~
13 ~~sequestered.~~ A transcript or recording shall be made of the
14 proceedings at the ~~private~~ hearing. A school board member or
15 administrator is not liable for any damage to an administrator
16 or school board member if a statement made at the ~~private~~
17 hearing is determined to be erroneous as long as the statement
18 was made in good faith.
19 e. The administrative law judge shall, within ten days
20 following the date of the ~~private~~ hearing, make a proposed
21 decision as to whether or not the administrator should be
22 dismissed, and shall give a copy of the proposed decision to
23 the administrator and the school board. Findings of fact shall
24 be prepared by the administrative law judge. The proposed
25 decision of the administrative law judge shall become the final
26 decision of the school board unless within ~~thirty~~ ten days
27 after the filing of the decision the administrator files a
28 written notice of appeal with the school board, or the school
29 board on its own motion determines to review the decision.
30 f. If the administrator appeals to the school board, or if
31 the school board determines on its own motion to review the
32 proposed decision of the administrative law judge, a private
33 hearing shall be held before the school board within ~~ten~~ five
34 days after the petition for review, or motion for review, has

35 been made or at such other time as the parties agree. The

PAGE 28

1 private hearing is not subject to chapter 21. The school board
2 may hear the case de novo upon the record as submitted before
3 the administrative law judge. In cases where there is an
4 appeal from a proposed decision or where a proposed decision
5 is reviewed on motion of the school board, an opportunity
6 shall be afforded to each party to file exceptions, present
7 briefs, and present oral arguments to the school board which
8 is to render the final decision. The secretary of the school
9 board shall give the administrator written notice of the time,
10 place, and date of the ~~private~~ hearing. The school board shall
11 meet within five days after the ~~private~~ hearing to determine
12 the question of continuance or discontinuance of the contract
13 and, if the board determines to continue the administrator's
14 contract, whether to suspend the administrator with or
15 without pay for a period specified by the board ~~or issue the~~
16 ~~administrator a one-year, nonrenewable contract.~~ The school
17 board shall make findings of fact which shall be based solely
18 on the evidence in the record and on matters officially noticed
19 in the record.

20 g. The decision of the school board shall be in writing
21 and shall include finding of fact and conclusions of law,
22 separately stated. Findings of fact, if set forth in statutory
23 language, shall be accompanied by a concise and explicit
24 statement of the underlying facts supporting the findings.
25 Each conclusion of law shall be supported by cited authority
26 or by reasoned opinion.

27 h. When the school board has reached a decision, opinion,
28 or conclusion, it shall convene in open meeting and by roll
29 call vote determine the continuance or discontinuance of
30 the administrator's contract and, if the board votes to
31 continue the administrator's contract, whether to suspend the

33 the board ~~or issue the administrator a one-year, nonrenewable~~
34 ~~contract.~~ The record of the private ~~hearing~~ conference and

17 Sec. 64. Section 633.664, Code 2021, is amended to read as
18 follows:

19 **633.664 Liens not affected by failure to file claim.**

20 Nothing in sections 633.654 and 633.658 shall affect or
21 prevent an action or proceeding to enforce any mortgage,
22 pledge, or other lien upon the property of the ~~ward~~ protected
23 person.

24 Sec. 65. Section 633.665, Code 2021, is amended to read as
25 follows:

26 **633.665 Separate actions and claims.**

27 1. Any action pending against the ~~ward~~ protected person at
28 the time the conservator is appointed shall also be considered
29 a claim filed in the conservatorship if notice of substitution
30 is served on the conservator as defendant and a duplicate of
31 the proof of service of notice of such proceeding is filed in
32 the conservatorship proceeding.

33 2. A separate action based on a debt or other liability
34 of the ~~ward~~ protected person may be commenced against the
35 conservator in lieu of filing a claim in the conservatorship.

PAGE 31

1 Such an action shall be commenced by serving an original notice
2 on the conservator and filing a duplicate of the proof of
3 service of notice of such proceeding in the conservatorship
4 proceeding. Such an action shall also be considered a claim
5 filed in the conservatorship. Such an action may be commenced
6 only in a county where the venue would have been proper if
7 there were no conservatorship and the action had been commenced
8 against the ~~ward~~ protected person.

9 Sec. 66. Section 633.667, Code 2021, is amended to read as
10 follows:

11 **633.667 Payment of claims in insolvent conservatorships.**

15 the court, and the court shall, upon hearing, with notice to
16 all persons who have filed claims in the conservatorship, make
17 an order for the pro rata payment of claims giving claimants
18 the same priority, if any, as they would have if the ~~ward~~
19 protected person were not under conservatorship.

20 Sec. 67. Section 633.668, Code 2021, is amended to read as
21 follows:

22 **633.668 Conservator may make gifts.**

26 educational, scientific, charitable, or other nonprofit
27 organizations to whom or to which such gifts were regularly
28 made prior to the commencement of the conservatorship, or on
29 a showing to the court that such gifts would benefit the ~~ward~~
30 protected person or the ~~ward's~~ protected person's estate from

31 the standpoint of income, gift, estate or inheritance taxes.
32 The making of gifts out of the assets must not foreseeably
33 impair the ability to provide adequately for the best interests
34 of the ward protected person.
35 Sec. 68. Section 633.673, Code 2021, is amended to read as

PAGE 32

1 follows:
2 **633.673 Court costs in guardianships.**
3 The ward protected person or the ward's protected person's
4 estate shall be charged with the court costs of a ward's
5 guardianship, including the guardian's fees and the fees of the

11 Sec. 69. Section 633.676, Code 2021, is amended to read as
12 follows:

13 **633.676 Assets exhausted.**

19 follows:

20 **633.677 Accounting to ward protected person — notice.**

22 shall pay the costs of administration and shall render a full
23 and complete accounting to the ward protected person or the
24 ward's protected person's personal representative and to the
25 court. Notice of the final report of a conservator shall be

10 follows:

11 **633.682 Discharge of conservator and release of bond.**

12 Upon settlement of the final accounting of a conservator,

4 <Section 1. Section 135C.1, Code 2021, is amended by adding
5 the following new subsections:
6 NEW SUBSECTION. 6A. “Electronic monitoring” means the
7 placement and use of an electronic monitoring device by
8 a resident in the resident’s room in accordance with this
9 subchapter.
10 NEW SUBSECTION. 6B. “Electronic monitoring device” means a
11 camera or other device that captures, records, or broadcasts
12 audio, video, or both, that is placed in a resident’s room and

13 is used to monitor the resident or activities in the room.
14 **NEW SUBSECTION. 21A. “Resident representative”** means one of
15 the following in the order of priority listed, to the extent
16 the person may reasonably be identified and located:
17 *a.* The attorney in fact designated to make treatment
18 decisions for the resident in accordance with chapter 144B.
19 *b.* The guardian of the resident if one has been appointed
20 pursuant to chapter 633.
21 *c.* The resident’s spouse.
22 *d.* An adult child of the resident or, if the resident has
23 more than one adult child, a majority of the adult children who
24 are reasonably available.
25 *e.* A parent of the resident, or parents if both are
26 reasonably available.
27 *f.* An adult sibling of the resident.
28 **Sec. 2. NEW SECTION. 135C.49 Electronic monitoring.**
29 1. A resident or a resident representative may conduct
30 electronic monitoring of the resident’s room through the use of
31 an electronic monitoring device placed in the resident’s room
32 pursuant to this subchapter.
33 2. Nothing in this section precludes the use of electronic
34 monitoring otherwise allowed by law.
35 **Sec. 3. NEW SECTION. 135C.50 Consent to electronic**

PAGE 2

1 **monitoring.**
2 1. Except as otherwise provided in this subchapter,
3 a resident must consent to electronic monitoring in the
4 resident’s room in writing on a notification and consent
5 form prescribed by the department. If the resident has
6 not affirmatively objected to electronic monitoring and the
7 resident’s medical professional determines that the resident
8 lacks the ability to understand and appreciate the nature
9 and consequences of electronic monitoring, the resident
10 representative may consent on behalf of the resident. For
11 purposes of this subsection, a resident affirmatively objects
12 when the resident orally, visually, or through the use of
13 auxiliary aids or services declines electronic monitoring. The
14 resident’s response shall be documented on the notification and
15 consent form.
16 2. Prior to a resident representative consenting on behalf
17 of a resident, the resident shall be asked if the resident
18 wants electronic monitoring to be conducted. The resident
19 representative shall explain all of the following to the
20 resident:
21 *a.* The type of electronic monitoring device to be used.
22 *b.* The standard conditions or restrictions that may be
23 placed on the electronic monitoring device’s use including as
24 specified in the list of standard conditions or restrictions
25 contained in the notification and consent form completed by the
26 resident as provided in section 135C.53.

27 c. The dissemination and use of any recording as provided
28 under section 135C.57 or 135C.58.
29 d. The resident's ability to decline all recordings.
30 3. A resident, or resident representative when consenting
31 on behalf of the resident, may consent to electronic monitoring
32 with any conditions or restrictions of the resident's or
33 resident representative's choosing, including the list
34 of standard conditions or restrictions contained in the
35 notification and consent form completed by the resident

PAGE 3

1 as provided in section 135C.53. A resident, or resident
2 representative when consenting on behalf of the resident, may
3 request that the electronic monitoring device be turned off
4 or the visual or audio recording component of the electronic
5 monitoring device be blocked at any time.
6 4. Prior to implementing electronic monitoring, a resident,
7 or resident representative when acting on behalf of the
8 resident, shall obtain the written consent on the notification
9 and consent form of any other resident who is a roommate
10 residing in the shared room. A roommate's or roommate's
11 resident representative's written consent shall comply with
12 the requirements of this section. Consent by a roommate or
13 a roommate's resident representative under this subsection
14 authorizes the resident's use of any recording obtained under
15 this section as provided under sections 135C.57 and 135C.58.
16 5. Any resident conducting electronic monitoring shall
17 immediately remove or disable an electronic monitoring device
18 prior to a new resident who will be a roommate moving into
19 a shared room, unless the resident conducting electronic
20 monitoring obtains the new roommate's or new roommate's
21 resident representative's written consent as provided under
22 this section prior to the new roommate moving into the shared
23 room. Upon obtaining the new roommate's or new roommate's
24 resident representative's signed notification and consent form
25 and submitting the form to the nursing facility as required
26 under section 135C.52, the resident may resume electronic
27 monitoring.
28 6. The resident or roommate, or the resident representative
29 or roommate's resident representative if the representative is
30 consenting on behalf of the resident or roommate, may withdraw
31 consent at any time and the withdrawal of consent shall be
32 documented on the original consent form as provided under
33 section 135C.52.
34 Sec. 4. NEW SECTION. 135C.51 Refusal of roommate to
35 **consent.**

PAGE 4

1 If a resident of a nursing facility who is residing in a
2 shared room, or the resident representative of such a resident

3 when acting on behalf of the resident, wants to conduct
4 electronic monitoring and another resident living in or moving
5 into the same shared room refuses to consent to the use of an
6 electronic monitoring device, the nursing facility shall make
7 a reasonable attempt to accommodate the resident who wants to
8 conduct electronic monitoring. A nursing facility has met
9 the requirement to make a reasonable attempt to accommodate
10 a resident or resident representative who wants to conduct
11 electronic monitoring when, upon notification that a roommate
12 has not consented to the use of an electronic monitoring device
13 in the resident's room, the nursing facility offers to move one
14 of the residents to another shared room that is available at
15 the time of the request that accommodates the resident. If
16 a resident chooses to reside in a private room in order to
17 accommodate the use of an electronic monitoring device, the
18 resident shall be subject to a private room rate. If a nursing
19 facility is unable to accommodate a resident due to lack of
20 space, the nursing facility shall reevaluate the request
21 periodically until the request is fulfilled.

22 **Sec. 5. NEW SECTION. 135C.52 Notice and consent form**
23 **submitted to nursing facility.**

24 1. Electronic monitoring may begin only after the resident
25 or resident representative who intends to place an electronic
26 monitoring device in the resident's room and any roommate or
27 roommate's resident representative completes a notification and
28 consent form and submits the form to the nursing facility.
29 2. Upon receipt of the required, completed notification and
30 consent form, the nursing facility shall place the original
31 form in the resident's file, and a copy of the form in any
32 roommate's file. The nursing facility shall provide a copy to
33 the resident and the resident's roommate, as applicable.
34 3. If a resident or roommate, or the resident representative
35 or roommate's resident representative if the representative

PAGE 5

1 is consenting on behalf of the resident or roommate, chooses
2 to alter the conditions under which consent to electronic
3 monitoring is given or chooses to withdraw consent to
4 electronic monitoring, the nursing facility shall make
5 available the original notification and consent form so that
6 the original form may be updated. Upon receipt of the updated
7 original form, the nursing facility shall place the updated
8 original form in the resident's file. The nursing facility
9 shall provide a copy of the updated form to the resident and
10 the resident's roommate, as applicable.
11 4. If a new roommate, or the new roommate's resident
12 representative when consenting on behalf of the new roommate,
13 does not consent to electronic monitoring and submit a
14 completed notification and consent form to the nursing
15 facility, and the resident conducting the electronic monitoring
16 does not remove or disable an existing electronic monitoring

17 device, the nursing facility shall remove the electronic
18 monitoring device.

19 5. If a roommate, or the roommate's resident representative
20 when withdrawing consent on behalf of the roommate, submits
21 an updated notification and consent form withdrawing consent
22 and the resident conducting electronic monitoring does not
23 remove or disable the electronic monitoring device, the nursing
24 facility shall remove the electronic monitoring device.

25 Sec. 6. NEW SECTION. 135C.53 Notification and consent form
26 requirements.

27 1. The notification and consent form completed by the
28 resident shall include, at a minimum, all of the following
29 information:

30 *a.* The resident's signed consent to electronic monitoring or
31 the signature of the resident representative, if applicable.

32 If a resident representative signs the consent form, the form
33 shall document all of the following:

34 (1) The date the resident was asked if the resident wants
35 electronic monitoring to be conducted.

PAGE 6

1 (2) Any person present when the resident was asked.

29 of the following:

30 (1) Prohibiting audio recording.

- 31 (2) Prohibiting video recording.
- 32 (3) Prohibiting broadcasting of audio or video.

- 12 *i.* A statement of the circumstances under which a recording
- 13 may be disseminated under section 135C.57.
- 14 *j.* A signature box to document if the resident or roommate

1 Amend Senate File 183, as passed by the Senate, as follows:
2 1. By striking everything after the enacting clause and
3 inserting:
4 <Section 1. NEW SECTION. 26.17 Alternative project
5 **delivery contracts.**
6 1. As used in this section, unless the context otherwise
7 requires:
8 a. *"Alternative project delivery contract"* means either a
9 design-build or construction manager-at-risk contract.
10 b. *"Bridging criteria professional"* means a person,
11 corporation, partnership, or other legal entity that is
12 employed by or contracted by a government entity to assist
13 the government entity in the development of project design
14 criteria, requests for proposals, and any additional services
15 requested by the government entity to represent its interests
16 in relation to a project and who meets either of the following
17 requirements:
18 (1) Is duly licensed to practice architecture within the
19 state and can demonstrate specific knowledge of the project
20 type where alternative project delivery services are being

21 sought.

22 (2) Is duly licensed as a professional engineer within the
23 state and can demonstrate specific knowledge of the project
24 type where alternative project delivery services are being
25 sought.

26 c. *"Construction manager-at-risk"* means a sole
27 proprietorship, partnership, corporation, or other legal entity
28 that acts as a consultant to the government entity in the
29 development and design phases and then assumes the risk for
30 the construction, rehabilitation, alteration, or repair of a
31 project at the contracted fixed or guaranteed maximum price,
32 similar to a general contractor during the construction phase.
33 A project using a construction manager-at-risk does not include
34 the construction, reconstruction, or improvement of a highway,
35 bridge, or culvert.

PAGE 2

1 d. *"Design-build"* means a project delivery method subject to
2 a two or three-phase selection process for which the design and
3 construction services are furnished under one contract.

4 e. *"Design-build contract"* means a contract between
5 a government entity and a design-builder to furnish the
6 architecture of record, engineering of record, and related
7 services as required for a given public project, and to
8 furnish the labor, materials, and other construction services
9 for the same public project. A design-build contract may be
10 conditioned upon subsequent refinements in scope and price, and
11 may permit the government entity to make changes in the scope
12 of the project without invalidating the design-build contract.

13 f. *"Design-build project"* means the design, construction,
14 alteration, addition, remodeling, or improvement of any
15 buildings, infrastructure, or facilities under contract with a
16 government entity. *"Design-build project"* does not include a

22 provides design services and general contracting services
23 through a design-build contract in which services within
24 the scope of the practice of professional architecture or
25 engineering are performed respectively by a licensed architect
26 or licensed engineer and in which services within the scope of
27 general contracting are performed by a general contractor or
28 other legal entity that furnishes architecture or engineering
29 services and construction services either directly or through
30 subcontracts or joint ventures.

31 h. *"Design bridging criteria package"* means the
32 performance-oriented program, scope, design, and performance
33 specifications for the design-build project sufficient to

- 8 *the project by the government entity.*
- 9 *c. The government entity shall select the construction*
- 10 *manager-at-risk in a two-phase process.*

11 (1) Phase one. The government entity shall prepare a
12 request for statements of qualifications for the first phase.
13 The request shall include general information on the project
14 site, project scope, schedule, selection criteria, the time
15 and place for receipt of statements of qualifications, and
16 other information that may assist the government entity in its
17 selection of a construction manager-at-risk. The selection
18 criteria may include the construction manager-at-risk's
19 experience, past performance, safety record, proposed personnel
20 and methodology, and other appropriate factors that demonstrate
21 the capability of the construction manager-at-risk. The
22 government entity shall not request fees or prices in phase
23 one.
24 (2) Phase two. In phase two, the government entity
25 shall issue a request for proposals. The government entity
26 may request that no more than five nor fewer than two
27 construction managers-at-risk, selected solely on the basis
28 of qualifications, provide additional information, including
29 the construction manager-at-risk's project proposal, proposed
30 fee, its price for fulfilling the general conditions, and its
31 distribution plan for sharing any cost savings after completion
32 of said project. Qualifications shall account for a minimum
33 of forty percent of the evaluation. Cost shall account for a
34 maximum of sixty percent of the evaluation.
35 d. For each phase, the government entity shall receive,

PAGE 5

1 publicly open, and read aloud the names of the construction
2 managers submitting proposals or statements of qualifications,
3 respectively. Within forty-five days after the date of opening
4 the proposals or statements of qualification submissions, the
5 government entity or its representative shall evaluate and rank
6 each proposal or statement of qualifications submission in
7 relation to the criteria set forth in the applicable request.
8 e. The government entity or its representative shall
9 select the construction manager-at-risk that submits the
10 proposal that offers the best value for the government entity
11 based on the published selection criteria and on its ranking
12 evaluation. The government entity or its representative
13 shall first attempt to negotiate a contract with the selected
14 construction manager-at-risk. If the government entity or its
15 representative is unable to negotiate a satisfactory contract
16 with the selected construction manager-at-risk, the government
17 entity or its representative shall, formally and in writing,
18 end negotiations with that construction manager-at-risk and
19 proceed to negotiate with the next construction manager-at-risk
20 in the order of the selection ranking until a contract
21 is reached or negotiations with all ranked construction
22 managers-at-risk end.
23 f. The selected construction manager-at-risk shall publicly
24 advertise and receive bids or proposals from trade contractors

25 or subcontractors for the performance of all major elements of
26 the work other than the minor work that may be included in the
27 general conditions. A construction manager-at-risk submits
28 its sealed bid or sealed proposal in the same manner as all
29 other trade contractors or subcontractors. All sealed bids
30 or proposals shall be submitted at the time and location as
31 specified in the advertisement for bids or proposals and shall
32 be publicly opened and the identity of each bidder and their
33 bid amount shall be read aloud.
34 *g.* The construction manager-at-risk and the government
35 entity or its representative shall review all trade contractor,

PAGE 6

1 subcontractor, or construction manager-at-risk bids or
2 proposals in a manner that does not disclose the contents of
3 the bid or proposal during the selection process to a person
4 not employed by the construction manager-at-risk, engineer,
5 architect, or government entity involved with the project. If
6 the construction manager-at-risk submitted bids or proposals,
7 the government entity shall determine if the construction
8 manager-at-risk's bid or proposal offers the best value for the
9 government entity. After all proposals have been evaluated and
10 clarified, the award of all contracts shall be made public.
11 *h.* If the construction manager-at-risk reviews, evaluates,
12 and recommends to the government entity a bid or proposal from
13 a trade contractor or subcontractor but the government entity
14 requires another bid or proposal to be accepted, the government
15 entity shall compensate the construction manager-at-risk by
16 a change in price, time, or guaranteed maximum cost for any
17 additional cost and risk that the construction manager-at-risk
18 may incur because of the government entity's requirement that
19 another bid or proposal be accepted.
20 *i.* If a selected trade contractor materially defaults in the
21 performance of its work or fails to execute a contract with a
22 construction manager-at-risk after being selected in accordance
23 with this subsection, the construction manager-at-risk may
24 itself, without advertising, fulfill the contract requirements
25 or select a replacement trade contractor to fulfill the
26 contract requirements.
27 4. In soliciting proposals for a design-build contract,
28 a government entity shall determine the scope and level of
29 detail required to permit design-builders to submit proposals
30 in accordance with the request for proposals given the nature
31 of the project.
32 5. *a.* A bridging criteria professional may be retained by
33 the government entity as the government entity's representative
34 to advise the government entity on design-build matters. The
35 use of the bridging criteria professional shall be strictly

PAGE 7

1 to guide and administer the government's needs through the
2 process. The bridging criteria professional shall have
3 demonstrated sufficient previous experience in rules and
4 procedures specific to the design-build process. The bridging
5 criteria professional shall, along with the government
6 entity, be authorized to make recommendations or influence
7 the acceptance of any material, process, or procedure used
8 during the design and construction processes in accordance
9 with the criteria established for the project for the purpose
10 of evaluating compliance of the work. The bridging criteria
11 professional may be employed or contracted by the government
12 entity to act on behalf of the government entity for the sole
13 purpose of administrative procedures and may not be connected
14 in any means to the design-build team. The duration of
15 bridging criteria professional services, prior to the issuance
16 of a design-build contract, may begin when establishing
17 the government entity's program requirements through design
18 development if the complexity of the project with the
19 governmental entity merits this level of bridging information.
20 *b.* The design bridging criteria package developed by the
21 bridging criteria professional, which may include preliminary
22 designs for the project, may extend to the design development
23 level of detail, including design expectations, capacity,
24 durability, standards, ingress and egress requirements,
25 international building code considerations, performance
26 requirements, the government entity's operational expectations,
27 requirements for interior and exterior spaces, material and
28 building system quality standards, and design and construction
29 schedule timelines. Longevity of materials and system
30 performance requirements shall be identified in the design
31 bridging criteria package to identify materials and systems
32 that have the potential to exceed the length of time the
33 project is funded. The design bridging criteria package may
34 include site development requirements, description of the
35 site, surveys, soil and environmental information concerning

PAGE 8

1 the site, provisions for utilities, storm water retention
2 and disposal, parking requirements, requirements related
3 to applicable local laws, local permitting requirements,
4 preliminary designs for the project or portions thereof, and
5 other criteria for the intended use of the project.
6 6. A government entity shall publicly disclose its intent to
7 solicit proposals for a design-build contract and its project
8 design bridging criteria package in the same manner that it
9 would post notice for the competitive bidding process in
10 section 26.3.
11 7. In soliciting proposals for a design-build contract, a
12 government entity shall establish in the request for proposals

13 a time, place, and other specific instructions for the receipt
14 of proposals. Proposals not submitted in strict accordance
15 with the instructions may be subject to rejection. Minor
16 irregularities may be waived by the government entity.
17 8. A request for proposals shall be prepared for each
18 design-build contract and shall contain, at minimum, the
19 following elements:
20 a. The procedures to be followed for submitting proposals,
21 the criteria for evaluating proposals and their relative
22 weight, and the procedure for making awards.
23 b. The proposed terms and conditions for the design-build
24 contract, if available.
25 c. The design bridging criteria package.
26 d. A description of the drawings, specifications, or other
27 information to be submitted with the proposal, with guidance
28 as to the form and level of completeness of the drawings,
29 specifications, or other information that will be acceptable.
30 e. A schedule for planned commencement and completion of the
31 design-build contract, if available.
32 f. Budget limits for the design-build contract, if any.
33 g. Requirements including any available ratings for
34 performance bonds, payment bonds, and insurance, if any.
35 h. If using a three-phase, best-value selection process, the

PAGE 9

1 amount of the stipend that will be available.
2 i. Any other information that the government entity in
3 its discretion chooses to request including but not limited
4 to surveys, soil reports, drawings of existing structures,
5 environmental studies, photographs, references to public
6 records, or affirmative action and minority business enterprise
7 requirements consistent with state and federal law.
8 9. A government entity seeking to enter a design-build
9 contract shall solicit design-build proposals either by
10 using a three-phase, best-value process or a two-phase,
11 qualifications-based process.
12 a. When solicitations require a three-phase, best-value
13 selection process, the process shall be conducted as follows:
14 (1) Phase one. Request for statements of qualifications of
15 design-builders.
16 (a) The government entity shall review submitted statements
17 of the qualifications and assign points to each in accordance
18 with this section and as set out in the instructions of the
19 request for qualifications.
20 (b) All design-builders shall submit a statement of
21 qualifications that shall include but not be limited to:
22 (i) Demonstrated ability to perform projects comparable in
23 design, scope, and complexity.
24 (ii) References of owners for whom design-build projects,
25 construction projects, or design projects have been performed.
26 (iii) Qualifications of personnel who will manage the

27 design and construction aspects of the project.
28 (iv) The names and qualifications of the primary design
29 consultants and the primary trade contractors with whom the
30 design-builder proposes to subcontract or joint venture. The
31 design-builder may not replace an identified contractor,
32 subcontractor, design consultant, or subconsultant without the
33 written approval of the government entity.
34 (c) The government entity shall evaluate the qualifications
35 of all the design-builders who submitted statements of

PAGE 10

1 qualifications in accordance with the instructions of the
2 request for qualifications. Qualified design-builders
3 selected by the government entity may proceed to phase two
4 of the selection process. The evaluation shall narrow the
5 number of qualified design-builders submitting statements of
6 qualifications to not fewer than two nor more than five. Under
7 no circumstances shall price or fees be a part of the request
8 for statements of qualifications criteria. Design-builders may
9 be interviewed in either phase one or phase two of the process.
10 Points assigned in phase one of the evaluation process shall
11 not carry forward to phase two or phase three of the process.
12 All qualified design-builders shall be ranked on points given
13 in phases two and three only.
14 (d) Once no fewer than two and no more than five qualified
15 design-builders have been selected, the government entity shall
16 issue its request for proposals and provide the design-builders
17 a specified amount of time in which to concurrently assemble
18 phase two and phase three proposals.
19 (2) Phase two. Solicitation of technical proposals,
20 including conceptual design for the project.
21 (a) A design-builder shall submit its design for the project
22 to the level of detail required for the proposal along with
23 such other information the government entity requests, which
24 may include a schedule, qualifications, and experience.
25 (b) The ability of the design-builder to meet the schedule
26 for completing a project as specified by the government entity
27 may be considered as an element of evaluation in phase two.
28 (c) Under no circumstances shall the design proposal
29 contain any reference to the cost of the proposal.
30 (d) The submitted designs shall be evaluated and assigned
31 points in accordance with the requirements of the request for
32 proposals. Phase two shall account for not less than forty
33 percent and no more than sixty percent of the total point score
34 as specified in the request for proposals.
35 (3) Phase three. Proposal of construction costs.

PAGE 11

1 (a) The government entity shall invite the selected
2 design-builders to participate in phase three. The

3 design-builders shall provide a fixed cost of design and
4 construction. The proposal shall be accompanied by bid
5 security and any other items, such as statements of minority
6 participation, as required by the request for proposals.
7 (b) Cost proposals shall be submitted in accordance with
8 the instructions in the request for proposals. The government
9 entity shall reject any proposal that is not submitted within
10 the required time frame. Phase three shall account for not
11 less than forty percent and no more than sixty percent of the
12 total point score as specified in the request for proposals.
13 (c) Proposals for phase two and phase three shall be
14 submitted concurrently at the time and place specified in the
15 request for proposals, but in separate envelopes or other means
16 of submission. The phase three cost proposals shall be opened
17 and read aloud only after phase two design proposals have been
18 evaluated and assigned points, ranked in order, and posted.
19 Cost proposals shall be opened and read aloud at the time and
20 place specified in the request for proposals. At the same time
21 and place, the evaluation team shall make public its scoring
22 of phase two. Cost proposals shall be evaluated in accordance
23 with the requirements of the request for proposals.
24 (d) If the government entity determines that it is not in
25 the best interest of the government entity to proceed with the
26 project pursuant to the proposal offered by the design-builder
27 with the highest total number of points, the government entity
28 shall reject all proposals. In this event, all design-builders
29 with lower point totals in phases two and three shall receive
30 a stipend and the responsive design-builder with the highest
31 point total shall receive an amount equal to two times the
32 stipend. If the government entity decides to award the
33 project, the responsive design-builder with the highest point
34 total shall be awarded the contract.
35 (e) As an inducement to qualified design-builders, the

PAGE 12

1 government entity shall pay a stipend, the amount of which
2 shall be established in the request for proposals, to each
3 design-builder who submitted a proposal but was not accepted.
4 Such stipend shall be no less than one-half of one percent
5 of the total project budget. Upon payment of the stipend to
6 such a design-builder, the government entity shall acquire
7 a nonexclusive right to use the design submitted by the
8 design-builder, and the design-builder shall have no further
9 liability for the use of the design by the government entity in
10 any manner. If the design-builder desires to retain all rights
11 and interests in the design proposed, the design-builder shall
12 forfeit the stipend.
13 b. When solicitations require a two-phase,
14 qualifications-based selection process, the process shall be
15 conducted as follows:
16 (1) Phase one. Request for statements of qualifications of

17 design-builders.

18 (a) The government entity must prepare a request for
19 statements of qualifications. The request shall include
20 general information on the project site, project scope,
21 schedule, selection criteria, the time and place for receipt
22 of statements of qualifications, and other information
23 that may assist the government entity in its selection of a
24 design-builder.

25 (b) The government entity shall state the selection
26 criteria in the request for statements of qualifications. The
27 selection criteria may include the design-builder's experience,
28 past performance, safety record, proposed personnel and
29 methodology, and other appropriate factors that demonstrate the
30 capability of the design-builder.

31 (c) Selection criteria will be ranked and assigned points
32 for each category. Point assignments shall be included as a
33 part of the request for statements of qualifications.

34 (d) The government entity shall not request fees or prices
35 in phase one. Any submissions with disclosed fees or prices

PAGE 13

1 will be disqualified and removed from consideration.

2 (2) Phase two. Negotiations.

3 (a) Negotiations shall be conducted, beginning with the
4 design-builder ranked first. If a contract satisfactory
5 and advantageous to the government entity can be negotiated
6 at a price considered fair and reasonable and pursuant to
7 contractual terms and conditions acceptable to the government
8 entity, the award shall be made to that design-builder.

21 office and the affiant may recover from the secured party that
22 filed the action the costs and expenses, including reasonable
23 attorney fees and the reasonable allocated costs of internal
24 counsel, that the filing office and the affiant incurred in the
25 action. This recovery is in addition to any recovery to which
26 the affiant is entitled under section 554.9625.

28 affidavit delivered to a filing office under subsection 2
29 relates to a filed record communicated to the filing office by
30 a trusted filer, the filing office shall promptly send to the
31 secured party of record a notice stating that the affidavit has
32 been delivered to the filing office and that the filing office
33 is conducting an administrative review to determine whether the
34 record was caused to be communicated with the intent to harass
35 or defraud the affiant. The notice shall be sent by certified

PAGE 8

1 mail, return receipt requested, to the address provided for
2 the secured party in the financing statement with a copy sent
3 by electronic mail to the electronic mail address provided
4 by the secured party of record, if any, and a copy shall be

6 review shall be conducted on an expedited basis and the filing
7 office may require the affiant and the secured party of record

4 the bargaining unit found appropriate by the board shall not
5 be represented by an employee organization. If a majority
6 of the votes cast on the question is for a listed employee
7 organization, then that employee organization shall represent
8 the public employees in the bargaining unit found appropriate
9 by the board.

10 3. If none of the choices on the ballot receives the vote
11 of a majority of the public employees voting, the board shall
12 conduct a runoff election among the two choices receiving the
13 greatest number of votes.

14 4. Upon written objections filed by any party to the
15 election within ten days after notice of the results of
16 the election, if the board finds that misconduct or other
17 circumstances prevented the public employees eligible to
18 vote from freely expressing their preferences, the board may
19 invalidate the election and hold a second election for the
20 public employees.

21 5. Upon completion of a valid election in which the majority
22 choice of the employees voting is determined, the board shall

6 certification following a decertification election, or during
7 the duration of a collective bargaining agreement which, for
8 purposes of this section, shall be deemed not to exceed two
9 years. However, if a petition for decertification is filed
10 during the duration of a collective bargaining agreement, the
11 board shall award an election under this section not more than
12 one hundred eighty days and not less than one hundred fifty
13 days prior to the expiration of the collective bargaining
14 agreement. If an employee organization is decertified, the
15 board may receive petitions under section 20.14, provided that
16 no such petition and no election conducted pursuant to such
17 petition within one year from decertification shall include as
18 a party the decertified employee organization.
19 7. A collective bargaining agreement with the state, its
20 boards, commissions, departments, and agencies shall be for two
21 years. The provisions of a collective bargaining agreement or
22 arbitrator's award affecting state employees shall not provide
23 for renegotiations which would require the refinancing of
24 salary and fringe benefits for the second year of the term of
25 the agreement, except as provided in section 20.17, subsection
26 6. The effective date of any such agreement shall be July 1 of
27 odd-numbered years, provided that if an exclusive bargaining

29 negotiation of a collective bargaining agreement prior to
30 July 1 of odd-numbered years for a period of two years, the
31 certified collective bargaining representative may negotiate
32 a one-year contract with the public employer which shall be

1 the filed record identifying the affiant as debtor was not
2 authorized to be filed and was caused to be communicated to the
3 filing office with the intent to harass or defraud the affiant.
4 The filing office may reject an affidavit that is incomplete or

5 be communicated to the filing office with the intent to harass
6 or defraud the affiant may:
7 a. Before the termination statement takes effect, request

19 action, the secured party shall send a copy of the petition to
20 the affiant at the address indicated in the affidavit. The
21 exclusive venue for the action shall be in the district court

19 subsection 2 was caused to be communicated to the filing office
20 with the intent to harass or defraud the affiant, the filing
21 office and the affiant may recover from the secured party that
22 filed the action the costs and expenses, including reasonable
23 attorney fees and the reasonable allocated costs of internal
24 counsel, that the filing office and the affiant incurred in the
25 action. This recovery is in addition to any recovery to which
26 the affiant is entitled under section 554.9625.
27 11. *Procedure for record filed by trusted filer.* If an
28 affidavit delivered to a filing office under subsection 2
29 relates to a filed record communicated to the filing office by
30 a trusted filer, the filing office shall promptly send to the
31 secured party of record a notice stating that the affidavit has
32 been delivered to the filing office and that the filing office
33 is conducting an administrative review to determine whether the
34 record was caused to be communicated with the intent to harass
35 or defraud the affiant. The notice shall be sent by certified

PAGE 8

1 mail, return receipt requested, to the address provided for
2 the secured party in the financing statement with a copy sent
3 by electronic mail to the electronic mail address provided
4 by the secured party of record, if any, and a copy shall be

6 review shall be conducted on an expedited basis and the filing
7 office may require the affiant and the secured party of record
8 to provide any additional information that the filing office

9 deems appropriate. If the filing office concludes that the
10 record was caused to be communicated with the intent to harass
11 or defraud the affiant, the filing office shall promptly file a
12 termination statement under subsection 2 that will be effective
13 immediately and send to the secured party of record the notice

1 the public employees in the appropriate unit.
2 2. If a majority of the votes cast on the question is

3 for no bargaining representation, the public employees in
4 the bargaining unit found appropriate by the board shall not
5 be represented by an employee organization. If a majority
6 of the votes cast on the question is for a listed employee
7 organization, then that employee organization shall represent
8 the public employees in the bargaining unit found appropriate
9 by the board.

10 3. If none of the choices on the ballot receives the vote
11 of a majority of the public employees voting, the board shall
12 conduct a runoff election among the two choices receiving the
13 greatest number of votes.

14 4. Upon written objections filed by any party to the
15 election within ten days after notice of the results of
16 the election, if the board finds that misconduct or other
17 circumstances prevented the public employees eligible to
18 vote from freely expressing their preferences, the board may
19 invalidate the election and hold a second election for the
20 public employees.

21 5. Upon completion of a valid election in which the majority
22 choice of the employees voting is determined, the board shall
23 certify the results of the election and shall give reasonable
24 notice of the order to all employee organizations listed on the
25 ballot, the public employers, and the public employees in the

11 board shall award an election under this section not more than
12 one hundred eighty days and not less than one hundred fifty
13 days prior to the expiration of the collective bargaining
14 agreement. If an employee organization is decertified, the
15 board may receive petitions under section 20.14, provided that
16 no such petition and no election conducted pursuant to such

17 petition within one year from decertification shall include as
18 a party the decertified employee organization.
19 7. A collective bargaining agreement with the state, its
20 boards, commissions, departments, and agencies shall be for two
21 years. The provisions of a collective bargaining agreement or
22 arbitrator's award affecting state employees shall not provide
23 for renegotiations which would require the refinancing of
24 salary and fringe benefits for the second year of the term of
25 the agreement, except as provided in section 20.17, subsection
26 6. The effective date of any such agreement shall be July 1 of
27 odd-numbered years, provided that if an exclusive bargaining
28 representative is certified on a date which will prevent the
29 negotiation of a collective bargaining agreement prior to
30 July 1 of odd-numbered years for a period of two years, the
31 certified collective bargaining representative may negotiate

20 Sec. ____ NEW SECTION. **279.17 Appeal by teacher to**
21 **adjudicator.**

22 1. If the teacher is no longer a probationary teacher, the

35 agreed upon within the five-day period, the secretary shall

PAGE 19

1 notify the chairperson of the public employment relations board
2 by transmitting the notice of appeal, and the chairperson of
3 the public employment relations board shall within five days
4 provide a list of five adjudicators to the parties. Within
5 three days from receipt of the list of adjudicators, the
6 parties shall select an adjudicator by alternately removing a
7 name from the list until only one name remains. The person
8 whose name remains shall be the adjudicator. The parties shall
9 determine by lot which party shall remove the first name from
10 the list submitted by the chairperson of the public employment

11 relations board. The secretary of the board shall inform the
12 chairperson of the public employment relations board of the
13 name of the adjudicator selected.
14 3. If the teacher does not timely request an appeal to an
15 adjudicator, the decision, opinion, or conclusion of the board

21 the subject of the petition. By stipulation of the parties
22 to review the proceedings, the record of the case may be
23 shortened. The adjudicator may require or permit subsequent
24 corrections or additions to the shortened record.
25 *b.* The record certified and filed by the board shall be the
26 record upon which the appeal shall be heard and no additional
27 evidence shall be heard by the adjudicator. In such appeal to
28 the adjudicator, especially when considering the credibility
29 of witnesses, the adjudicator shall give weight to the fact
30 findings of the board but shall not be bound by them.
31 5. Before the date set for hearing a petition for review
32 of board action, which shall be within ten days after

34 adjudicator orders additional evidence be taken before the
35 board, application may be made to the adjudicator for leave to

PAGE 20

1 present evidence in addition to that found in the record of the
2 case. If it is shown to the adjudicator that the additional
3 evidence is material and that there were good reasons for
4 failure to present it in the private hearing before the board,
5 the adjudicator may order that the additional evidence be taken
6 before the board upon conditions determined by the adjudicator.
7 The board may modify its findings and decision in the case by
8 reason of the additional evidence and shall file that evidence
9 and any modifications, new findings, or decisions, with the
10 adjudicator and mail copies of the new findings or decisions
11 to the teacher.
12 6. The adjudicator may affirm board action or remand to the
13 board for further proceedings. The adjudicator shall reverse,

18 *b.* Unsupported by a preponderance of the competent evidence
19 in the record made before the board when that record is viewed
20 as a whole.
21 *c.* Unreasonable, arbitrary or capricious or characterized
22 by an abuse of discretion or a clearly unwarranted exercise of
23 discretion.
24 7. The adjudicator shall, within fifteen days after the

25 hearing, make a decision and shall give a copy of the decision
26 to the teacher and the secretary of the board. The decision
27 of the adjudicator shall become the final and binding decision
28 of the board unless either party within ten days notifies the
29 secretary of the board that the decision is rejected. The
30 board may reject the decision by majority roll call vote, in
31 open meeting, entered into the minutes of the meeting. The
32 board shall immediately notify the teacher of its decision
33 by certified mail. The teacher may reject the adjudicator's
34 decision by notifying the board's secretary in writing within
35 ten days of the filing of such decision.

8 filing of such decision, appeal to the district court of
9 the county in which the administrative office of the school

11 mailed by certified mail to the other party. The adjudicator
12 shall transmit to the reviewing court the original or a
13 certified copy of the entire record which may be the subject
14 of the petition. By stipulation of all parties to the review
15 proceedings, the record of such a case may be shortened. A
16 party unreasonably refusing to stipulate to limit the record
17 may be taxed by the court for the additional cost. The court
18 may require or permit subsequent corrections or additions to
19 the shortened record.
20 2. In proceedings for judicial review of the adjudicator's
21 decision, the court shall not hear any further evidence
22 but shall hear the case upon the certified record. In such
23 judicial review, especially when considering the credibility of
24 witnesses, the court shall give weight to the fact findings of
25 the board but shall not be bound by them. The court may affirm
26 the adjudicator's decision or remand to the adjudicator or the
27 board for further proceedings upon conditions determined by the
28 court. The court shall reverse, modify, or grant any other
29 appropriate relief from the board decision or the adjudicator's
30 decision equitable or legal and including declaratory relief
31 if substantial rights of the petitioner have been prejudiced
32 because the action is any of the following:

22 pathologist's license issued by the home state.
23 *b.* For purposes of taking adverse action, the home state
24 shall give the same priority and effect to reported conduct

26 occurred within the home state. In so doing, the home state
27 shall apply its own state laws to determine appropriate action.
28 *c.* The home state shall complete any pending investigations
29 of an audiologist or speech language pathologist who
30 changes primary state of residence during the course of the
31 investigations. The home state shall also have the authority

34 the data system. The administrator of the data system shall
35 promptly notify the new home state of any adverse actions.

PAGE 12

1 *d.* If otherwise permitted by state law, the member state
2 may recover from the affected audiologist or speech language

24 All home state disciplinary orders that impose adverse action
25 against an audiologist's or speech language pathologist's
26 license shall include a statement that the audiologist's
27 or speech language pathologist's privilege to practice is
28 deactivated in all member states during the pendency of the
29 order.

15 (viii) Disclosure of investigative records compiled for law
16 enforcement purposes.

17 (ix) Disclosure of information related to any investigative

28 (7) The commission shall keep minutes that fully and clearly

12 of the commission and its staff, which must be in a total
13 amount sufficient to cover its annual budget as approved each
14 year for which revenue is not provided by other sources. The
15 aggregate annual assessment amount shall be allocated based
16 upon a formula to be determined by the commission, which shall
17 promulgate a rule binding upon all member states.

18 (d) The commission shall not incur obligations of any kind
19 prior to securing the funds adequate to meet the same; nor
20 shall the commission pledge the credit of any of the member
21 states, except by and with the authority of the member state.

22 (e) The commission shall keep accurate accounts of all
23 receipts and disbursements. The receipts and disbursements of
24 the commission shall be subject to the audit and accounting

8 misconduct of that person.

9 (2) The commission shall defend any member, officer,
10 executive director, employee, or representative of the
11 commission in any civil action seeking to impose liability
12 arising out of any actual or alleged act, error, or omission

13 that occurred within the scope of commission employment,
14 duties, or responsibilities, or that the person against
15 whom the claim is made had a reasonable basis for believing
16 occurred within the scope of commission employment, duties,
17 or responsibilities; provided that nothing herein shall be
18 construed to prohibit that person from retaining the person's
19 own counsel; and provided further, that the actual or alleged
20 act, error, or omission did not result from that person's
21 intentional, willful, or wanton misconduct.
22 (3) The commission shall indemnify and hold harmless
23 any member, officer, executive director, employee, or
24 representative of the commission for the amount of any
25 settlement or judgment obtained against that person arising
26 out of any actual or alleged act, error, or omission that
27 occurred within the scope of commission employment, duties,
28 or responsibilities, or that such person had a reasonable
29 basis for believing occurred within the scope of commission

32 the intentional, willful, or wanton misconduct of that person.
33 9. *Data system.*
34 a. The commission shall provide for the development,
35 maintenance, and utilization of a coordinated database and

PAGE 20

3 states.
4 b. Notwithstanding any other provision of state law to

16 (6) Other information that may facilitate the
17 administration of this compact, as determined by the rules of
18 the commission.
19 c. Investigative information pertaining to a licensee in any
20 member state shall only be available to other member states.
21 d. The commission shall promptly notify all member states of
22 any adverse action taken against a licensee or an individual
23 applying for a license. Adverse action information pertaining
24 to a licensee in any member state shall be available to any
25 other member state.
26 e. Member states contributing information to the data

27 system may designate information that may not be shared with

33 data system.
34 10. *Rulemaking.*

1 pursuant to the criteria set forth in this subsection and the
2 rules adopted thereunder. Rules and amendments shall become
3 binding as of the date specified in each rule or amendment.
4 *b.* If a majority of the legislatures of the member states
5 rejects a rule, by enactment of a statute or resolution in the
6 same manner used to adopt the compact within four years of the
7 date of adoption of the rule, the rule shall have no further
8 force and effect in any member state.
9 *c.* Rules or amendments to the rules shall be adopted at a
10 regular or special meeting of the commission.
11 *d.* Prior to promulgation and adoption of a final rule or

14 upon, the commission shall file a notice of proposed rulemaking
15 in all of the following locations:
16 (1) On the internet site of the commission or other publicly
17 accessible platform.
18 (2) On the internet site of each member state audiology or
19 speech language pathology licensing board or other publicly

34 shall allow persons to submit written data, facts, opinions,
35 and arguments, which shall be made available to the public.

PAGE 22

6 (3) An association having at least twenty-five members.

7 *h.* If a hearing is held on the proposed rule or amendment,

16 the scheduled date of the hearing.

17 (2) Hearings shall be conducted in a manner providing each

18 person who wishes to comment a fair and reasonable opportunity

19 to comment orally or in writing.

20 (3) All hearings shall be recorded. A copy of the recording

21 shall be made available on request.

22 (4) Nothing in this paragraph "*h*" shall be construed as

23 requiring a separate hearing on each rule. Rules may be

24 grouped for the convenience of the commission at hearings

25 required by this paragraph "*h*".

26 *i.* Following the scheduled hearing date, or by the close

27 of business on the scheduled hearing date if the hearing was

28 not held, the commission shall consider all written and oral

29 comments received.

30 *j.* If no written notice of intent to attend the public

31 hearing by interested parties is received, the commission may

33 hearing.

34 *k.* The commission shall, by majority vote of all members,

35 take final action on the proposed rule and shall determine the

PAGE 23

1 effective date of the rule, if any, based on the rulemaking

2 record and the full text of the rule.

3 *l.* Upon determination that an emergency exists, the

4 commission may consider and adopt an emergency rule without

5 prior notice, opportunity for comment, or hearing, provided

6 that the usual rulemaking procedures provided in the compact

7 and in this section shall be retroactively applied to the rule

8 as soon as reasonably possible, in no event later than ninety

9 days after the effective date of the rule. For the purposes of

10 this provision, an emergency rule is one that must be adopted

12 (1) Meet an imminent threat to public health, safety, or

13 welfare.

14 (2) Prevent a loss of commission or member state funds.

15 (3) Meet a deadline for the promulgation of an

16 administrative rule that is established by federal law or rule.

17 *m.* The commission or an authorized committee of the
18 commission may direct revisions to a previously adopted rule
19 or amendment for purposes of correcting typographical errors,
20 errors in format, errors in consistency, or grammatical
21 errors. Public notice of any revisions shall be posted on
22 the internet site of the commission. The revision shall be
23 subject to challenge by any person for a period of thirty days
24 after posting. The revision may be challenged only on grounds
25 that the revision results in a material change to a rule. A
26 challenge shall be made in writing and delivered to the chair
27 of the commission prior to the end of the notice period. If
28 no challenge is made, the revision shall take effect without
29 further action. If the revision is challenged, the revision
30 may not take effect without the approval of the commission.
31 11. *Oversight, dispute resolution, and enforcement.*
32 *a. Dispute resolution.*

12 enforce compliance with the provisions of the compact and its
13 promulgated rules and bylaws. The relief sought may include
14 both injunctive relief and damages. In the event judicial
15 enforcement is necessary, the prevailing member shall be
16 awarded all costs of litigation, including reasonable attorney
17 fees.
18 (3) The remedies herein shall not be the exclusive remedies
19 of the commission. The commission may pursue any other
20 remedies available under federal or state law.
21 12. *Date of implementation of the interstate commission for*
22 *audiology and speech language pathology practice and associated*
23 *rules, withdrawal, and amendment.*
24 *a.* The compact shall come into effect on the date on
25 which the compact statute is enacted into law in the tenth
26 member state. The provisions, which become effective at
27 that time, shall be limited to the powers granted to the
28 commission relating to assembly and the promulgation of rules.
29 Thereafter, the commission shall meet and exercise rulemaking
30 powers necessary to the implementation and administration of

31 the compact.
32 *b.* Any state that joins the compact subsequent to the
33 commission's initial adoption of the rules shall be subject
34 to the rules as they exist on the date on which the compact
35 becomes law in that state. Any rule that has been previously

PAGE 25

1 adopted by the commission shall have the full force and effect
2 of law on the day the compact becomes law in that state.
3 *c.* A member state may withdraw from this compact by enacting
4 a statute repealing the same.
5 (1) A member state's withdrawal shall not take effect until
6 six months after enactment of the repealing statute.
7 (2) Withdrawal shall not affect the continuing requirement
8 of the withdrawing state's audiology or speech language
9 pathology licensing board to comply with the investigative and
10 adverse action reporting requirements of this compact prior to
11 the effective date of withdrawal.
12 *d.* Nothing contained in this compact shall be construed
13 to invalidate or prevent any audiology or speech language
14 pathology licensure agreement or other cooperative arrangement
15 between a member state and a nonmember state that does not
16 conflict with the provisions of this compact.
17 *e.* This compact may be amended by the member states. No
18 amendment to this compact shall become effective and binding
19 upon any member state until it is enacted into the laws of all
20 member states.
21 13. *Construction and severability.*
22 This compact shall be liberally construed so as to
23 effectuate the purposes thereof. The provisions of this
24 compact shall be severable, and if any phrase, clause,
25 sentence, or provision of this compact is declared to be
26 contrary to the constitution of any member state or of the
27 United States or the applicability thereof to any government,
28 agency, person, or circumstance is held invalid, the validity
29 of the remainder of this compact and the applicability thereof
30 to any government, agency, person, or circumstance shall not be
31 affected thereby. If this compact shall be held contrary to
32 the constitution of any member state, the compact shall remain
33 in full force and effect as to the remaining member states and
34 in full force and effect as to the member state affected as to
35 all severable matters.

PAGE 26

1 14. *Binding effect of compact and other laws.*
2 *a.* Nothing herein prevents the enforcement of any other law
3 of a member state that is not inconsistent with the compact.
4 *b.* All laws in a member state in conflict with the compact
5 are superseded to the extent of the conflict.
6 *c.* All lawful actions of the commission, including all rules

- 7 and bylaws promulgated by the commission, are binding upon the
 8 member states.
 9 *d.* All agreements between the commission and the member
 10 states are binding in accordance with their terms.
 11 *e.* In the event any provision of the compact exceeds the
 12 constitutional limits imposed on the legislature of any member

 14 conflict with the constitutional provision in question in that
 15 member state.>

26 or expulsion, and the pupil's parent or guardian shall notify

5 information to the department in a manner and on forms
6 prescribed by the department.
7 (b) One or more remote or on-site visits to schools or

22 and rules and no citation or corrective action may be designed
23 to require more than minimum compliance.
24 (4) The department shall provide a written report

11 accreditation standards.
12 (b) In response to a petition filed with the director
13 requesting such an accreditation committee visitation that is
14 signed by eligible electors residing in the school district

10 recommendation on what enforcement actions, if any, should be
11 recommended to the state board.
12 *c. Enforcement.*
13 (1) The department shall enforce the laws, regulations,
14 and rules applicable to school districts and nonpublic schools
15 consistent with the process outlined in this subsection. The
16 department shall coordinate its enforcement of chapter 216 with
17 the Iowa state civil rights commission to reduce duplication
18 of efforts.
19 (2) If, after having an opportunity to correct, if
20 permitted, a school district is found to be in noncompliance

32 2 C.F.R. §200.207.
33 (b) Withhold payment of state or federal funds to a

1 discretion of the director for a period of sixty calendar days,
2 after which it is subject to approval of the state board every
3 sixty calendar days. Withholding of federal funds is subject
4 to the governing federal statute or regulation.
5 (3) The director may use any of the following permitted

9 (a) Advise the school district or nonpublic school on the
10 availability of appropriate technical assistance.
11 (b) Require the school district or nonpublic school to

4 SECOND AMENDMENT PRESERVATION ACT

5 Sec. ____ NEW SECTION. **724A.1 Short title.**

6 This chapter may be cited and referred to as the "*Second*
7 *Amendment Preservation Act*".

8 Sec. ____ NEW SECTION. **724A.2 Definition.**

9 As used in this chapter, "*law-abiding citizen*" means a person
10 who is not otherwise precluded under state law from possessing
11 a firearm and shall not be construed to include anyone who is
12 not legally present in the United States or the state of Iowa.

13 Sec. ____ NEW SECTION. **724A.3 Legislative findings.**

14 The general assembly finds and declares the following:

15 1. The general assembly is firmly resolved to support and
16 defend the Constitution of the United States against every
17 aggression, whether foreign or domestic, and is duty-bound to
18 oppose every infraction of those principles that constitute the
19 basis of the United States because only a faithful observance
20 of those principles can secure the nation's existence and the
21 public happiness.

22 2. Acting through the Constitution of the United States, the
23 people of the several states created the federal government to
24 be their agent in the exercise of a few defined powers, while
25 reserving for the state governments the power to legislate on
26 matters concerning the lives, liberties, and properties of
27 citizens in the ordinary course of affairs.

28 3. The limitation of the federal government's power is
29 affirmed under the tenth amendment to the Constitution of the
30 United States, which defines the total scope of federal power
31 as being that which has been delegated by the people of the
32 several states to the federal government, and all power not
33 delegated to the federal government in the Constitution of the
34 United States is reserved to the states respectively or to the
35 people themselves.

PAGE 2

1 4. If the federal government assumes powers that the people
2 did not grant it in the Constitution of the United States, its
3 acts are unauthoritative, void, and of no force.

4 5. The several states of the United States respect
5 the proper role of the federal government but reject the
6 proposition that such respect requires unlimited submission.
7 If the government, created by a compact among the states,
8 was the exclusive or final judge of the extent of the powers
9 granted to it by the states through the Constitution of the
10 United States, the federal government's discretion, and not
11 the Constitution of the United States, would necessarily
12 become the measure of those powers. To the contrary, as in
13 all other cases of compacts among powers having no common
14 judge, each party has an equal right to judge for itself as to
15 whether infractions of the compact have occurred, as well as
16 to determine the mode and measure of redress. Although the
17 several states have granted supremacy to laws and treaties made
18 under the powers granted in the Constitution of the United
19 States, such supremacy does not extend to various federal
20 statutes, executive orders, administrative orders, court
21 orders, rules, regulations, or other actions that collect data
22 or restrict or prohibit the manufacture, ownership, and use
23 of firearms, firearm accessories, or ammunition exclusively
24 within the borders of Iowa. Such statutes, executive orders,
25 administrative orders, court orders, rules, regulations,
26 and other actions exceed the powers granted to the federal
27 government except to the extent they are necessary and proper
28 for governing and regulating the United States armed forces
29 or for organizing, arming, and disciplining militia forces
30 actively employed in the service of the United States armed
31 forces.
32 6. The people of the several states have given the United
33 States Congress the power "to regulate commerce with foreign
34 nations, and among the several states", but "regulating
35 commerce" does not include the power to limit citizens' right

PAGE 3

1 to keep and bear arms in defense of their families, neighbors,
2 persons, or property, or to dictate what sort of arms and
3 accessories law-abiding Iowans may buy, sell, exchange, or
4 otherwise possess within the borders of this state.
5 7. The people of the several states have also granted the
6 United States Congress the power "to lay and collect taxes,
7 duties, imposts and excises, to pay the debts and provide for
8 the common defense and general welfare of the United States"
9 and "to make all laws which shall be necessary and proper for
10 carrying into execution" the powers vested by the Constitution
11 of the United States "in the government of the United States,
12 or in any department or officer thereof". These constitutional
13 provisions merely identify the means by which the federal
14 government may execute its limited powers and shall not be
15 construed to grant unlimited power because to do so would be
16 to destroy the carefully constructed equilibrium between the
17 federal and state governments. Consequently, the general

18 assembly rejects any claim that the taxing and spending powers
19 of the United States Congress may be used to diminish in any
20 way the right of the people to keep and bear arms.
21 8. The people of Iowa have vested the general assembly
22 with the authority to regulate the manufacture, possession,
23 exchange, and use of firearms firearm accessories, or
24 ammunition within the borders of this state, subject only to
25 the limits imposed by the second amendment to the Constitution
26 of the United States and the Constitution of the State of Iowa.
27 9. The general assembly of the state of Iowa strongly
28 promotes responsible firearm ownership, including parental
29 supervision of minors in the proper use, storage, and ownership
30 of all firearms; the prompt reporting of stolen firearms; and
31 the proper enforcement of all state firearm laws. The general
32 assembly of the state of Iowa hereby condemns any unlawful
33 transfer of firearms and the use of any firearm in any criminal
34 or unlawful activity.
35 Sec. ____ NEW SECTION. **724A.4 Federal infringements on the**

PAGE 4

1 **right to keep and bear arms.**
2 Federal infringements on the people's right to keep and bear
3 arms, as guaranteed by the second amendment to the Constitution
4 of the United States, within the borders of this state include
5 but shall not be limited to the following federal acts, laws,
6 executive orders, administrative orders, court orders, rules,
7 and regulations:
8 1. Any tax, levy, fee, or stamp imposed on firearms, firearm
9 accessories, or ammunition not common to all other goods and
10 services and that might reasonably be expected to create a
11 chilling effect on the purchase or ownership of firearms,
12 firearm accessories, or ammunition by law-abiding citizens.
13 2. Any registering or tracking of firearms, firearm
14 accessories, or ammunition that might reasonably be expected
15 to create a chilling effect on the purchase or ownership of
16 firearms, firearm accessories, or ammunition by law-abiding
17 citizens.
18 3. Any registering or tracking of the owners of firearms,
19 firearm accessories, or ammunition that might reasonably
20 be expected to create a chilling effect on the purchase or
21 ownership of firearms, firearm accessories, or ammunition by
22 law-abiding citizens.
23 4. Any act forbidding the possession, ownership, use, or
24 transfer of firearms, firearm accessories, or ammunition by
25 law-abiding citizens.
26 5. Any act ordering the confiscation of firearms, firearm
27 accessories, or ammunition from law-abiding citizens.
28 Sec. ____ NEW SECTION. **724A.5 Federal infringement void.**
29 All federal acts, laws, executive orders, administrative
30 orders, court orders, rules, and regulations, regardless if
31 enacted before or after the provisions this chapter, that

32 infringe on the people's right to keep and bear arms as
33 guaranteed by the second amendment to the Constitution of the
34 United States shall be invalid in this state, shall not be
35 recognized by this state, shall be specifically rejected by

PAGE 5

1 this state, and shall have no effect in this state.

2 Sec. ____ NEW SECTION. **724A.6 Protection of right to keep
3 and bear arms.**

4 It shall be the duty of the courts and law enforcement
5 agencies of this state to protect the rights of law-abiding
6 citizens to keep and bear arms within the borders of this state
7 and to protect these rights from the infringements described
8 in section 724A.4.

9 Sec. ____ NEW SECTION. **724A.7 Enforcement of infringement
10 of right to keep and bear arms prohibited.**

11 No person, including any public officer or employee of this
12 state or any political subdivision of this state, shall have
13 the authority to enforce or attempt to enforce any federal
14 acts, laws, executive orders, administrative orders, court
15 orders, rules, regulations, statutes, or ordinances infringing
16 on the right to keep and bear arms as described in section
17 724A.4.

18 Sec. ____ NEW SECTION. **724A.8 Liability for violation —
19 attorney fees.**

20 1. Any entity that acts knowingly to violate the provisions
21 of this chapter while acting under color of any state or
22 federal law, including any political subdivision or law
23 enforcement agency that employs a law enforcement officer who
24 acts knowingly to violate the provisions of this chapter while
25 acting under color of any state or federal law, shall be liable
26 to the injured party in an action at law, suit in equity, or
27 other proper proceeding for redress.

28 2. In such actions, the court may award the prevailing
29 party, other than the state or any political subdivision of the
30 state, reasonable attorney fees and costs.

31 3. Sovereign, official, or qualified immunity shall not be
32 an affirmative defense in actions pursued under this section.

33 Sec. ____ NEW SECTION. **724A.9 Actions for violations.**

34 1. Any person residing or conducting business in a
35 jurisdiction who believes that a law enforcement officer or

PAGE 6

1 supervisor of law enforcement officers of such jurisdiction has
2 taken action that violates this chapter shall have standing
3 to pursue an action against the jurisdiction that employs the
4 officer or supervisor for declaratory judgment in the district
5 court of the county in which the action allegedly occurred, or
6 in the district court of Polk county.

7 2. If a court determines that a law enforcement officer or

8 supervisor of law enforcement officers has taken any action
9 that violates this chapter, the jurisdiction that employs
10 the law enforcement officer or supervisor of law enforcement
11 officers found to have violated this chapter shall be required
12 to pay court costs, attorney fees, and any other damages the
13 court finds necessary associated with the declaratory judgment
14 action that resulted in the finding of ineligibility.

32 credit and educational credit the defendant has earned. A
33 defendant may earn both a discharge credit and an educational
34 credit to be applied toward the completion of the defendant's

27 section except upon the conclusion of a technical violation
28 revocation hearing in accordance with this subsection.

30 defendant by the defendant's probation officer, a written
31 request for a technical violation revocation hearing shall be
32 filed with the court.
33 *b.* The court shall schedule a technical violation revocation
34 hearing within a reasonable time after receiving a written
35 request for a hearing.

PAGE 6

1 *c.* The technical violation revocation hearing shall be held
2 before the defendant's sentencing judge, if available.
3 *d.* The court shall hold a technical violation revocation
4 hearing to determine whether the facts warrant revocation of
5 a defendant's probation and whether probation is still an
6 effective vehicle to accomplish rehabilitation of the defendant
7 and a sufficient deterrent against future criminal conduct.
8 *e.* The defendant shall have the right to confront and
9 cross-examine witnesses.
10 3. *a.* Following a technical violation revocation hearing,

25 d. The court shall require that a record of the resentencing
26 proceeding be made and preserved to allow the record to be
27 transcribed including the record of any stipulation made
28 between the parties at any presentence hearing.

29 4. A motion to modify a sentence imposed after a technical
30 violation revocation hearing shall be filed within ten days

34 of a violation of any of the following specified conditions of
35 probation:

PAGE 7

1 a. If a defendant has been convicted of a new felony, the
2 sentencing alternatives available to the court shall be the
3 same as were available at the time of a defendant's initial
4 sentencing, and consideration shall be given to the defendant's
5 time spent serving the order of probation.

6 b. If a defendant has been convicted of a new misdemeanor,
7 the sentencing alternatives available to the court shall be the

20 be able to afford payments but has purposely avoided making
21 payments.

22 3. A defendant who is compliant with the conditions of
23 probation shall not be precluded from obtaining a driver's

5 requirements.
6 8. Notwithstanding section 8.33, moneys advanced for

7 purposes of the programs developed by early childhood Iowa
8 areas, advanced for purposes of wraparound child care, or

1 subsection 6, the court determines that the filed record
2 identified in an affidavit delivered to the filing office under
3 subsection 2 was caused to be communicated to the filing office

5 office and the affiant may recover from the secured party that
6 filed the action the costs and expenses, including reasonable
7 attorney fees and the reasonable allocated costs of internal
8 counsel, that the filing office and the affiant incurred in the
9 action. This recovery is in addition to any recovery to which
10 the affiant is entitled under section 554.9625.
11 11. *Procedure for record filed by trusted filer.* If an
12 affidavit delivered to a filing office under subsection 2
13 relates to a filed record communicated to the filing office by
14 a trusted filer, the filing office shall promptly send to the
15 secured party of record a notice stating that the affidavit has
16 been delivered to the filing office and that the filing office
17 is conducting an administrative review to determine whether the
18 record was caused to be communicated with the intent to harass
19 or defraud the affiant. The notice shall be sent by certified
20 mail, return receipt requested, to the address provided for
21 the secured party in the financing statement with a copy sent
22 by electronic mail to the electronic mail address provided
23 by the secured party of record, if any, and a copy shall be
24 sent in the same manner to the affiant. The administrative
25 review shall be conducted on an expedited basis and the filing
26 office may require the affiant and the secured party of record
27 to provide any additional information that the filing office
28 deems appropriate. If the filing office concludes that the
29 record was caused to be communicated with the intent to harass
30 or defraud the affiant, the filing office shall promptly file a
31 termination statement under subsection 2 that will be effective
32 immediately and send to the secured party of record the notice
33 required by subsection 5. The secured party may thereafter
34 file an action for reinstatement under subsection 6 and the

4 remaining quarterly payments of the region’s regional service
5 payment shall be reduced by an amount equal to the amount by
6 which the region’s amount certified under section 331.391,
7 subsection 4, paragraph “b”, exceeds five percent of the actual
8 expenditures of the region for the fiscal year preceding the
9 fiscal year in progress, but the amount of the reduction
10 shall not exceed the total amount of the region’s regional

15 the reduction in quarterly payments could not be made. The
16 amount of reductions to quarterly payments and amounts paid to
17 the department under this paragraph shall be transferred and

23 law, including amounts credited to the incentive fund under
24 subsection 7. Notwithstanding section 8.33, moneys in the
25 incentive fund at the end of each fiscal year shall not revert

28 or after July 1, 2021, there is appropriated from the general
29 fund of the state to the incentive fund the following amounts
30 to be used for the purposes of this subsection:

31 (1) For the fiscal year beginning July 1, 2021, three

35 multiplied by the ending balance of the incentive fund at

PAGE 41

1 the conclusion of the fiscal year ending June 30 immediately
2 preceding the application deadline under paragraph “b” for the
3 fiscal year for which the appropriation is made.

4 (b) For purposes of this subparagraph, the “*incentive fund*
5 *growth factor*” for each fiscal year is the percent increase,
6 if any, in the amount of sales tax revenue deposited into the
7 general fund of the state under section 423.2A, subsection
8 1, paragraph “a”, less the transfers required under section
9 423.2A, subsection 2, between the fiscal year beginning three
10 years prior to the applicable fiscal year and the fiscal year
11 beginning two years prior to the applicable year, minus one and
12 one-half percent, and the incentive fund growth factor for any
13 fiscal year shall not exceed three and one-half percent.

14 b. To receive funding from the incentive fund, a regional
15 administrator must submit to the department sufficient data
16 to demonstrate that the region has met the standards outlined
17 in the region’s performance-based contract. The purpose of
18 the incentive fund shall be to provide appropriate financial
19 incentives for outcomes met from services provided by the
20 regional administrator’s mental health and disability services
21 region. The department shall make its final decisions on or
22 before December 15 regarding acceptance or rejection of the
23 submissions for incentive funds applications for assistance and
24 the total amount accepted shall be considered obligated.

25 c. In addition to incentive submission requirements under
26 paragraphs “d”, “e”, and “g”, basic eligibility for incentive
27 funds requires that a mental health and disability services
28 region meet all of the following conditions:

29 (1) The mental health and disability services region is in
30 compliance with the regional service system management plan
31 requirements of section 331.393.

32 (2) (a) In the fiscal year that commenced two years prior
33 to the fiscal year of application for incentive funds, the
34 ending balance, under generally accepted accounting principles,
35 of the mental health and disability services region’s combined

PAGE 42

1 services funds was equal to or less than the ending balance
2 threshold under subparagraph division (b) for the fiscal year

3 for which assistance is requested.

4 (b) For purposes of this subparagraph (2), “*ending balance*
5 *threshold*” means the following:

6 (i) For applications for the fiscal year beginning July 1,
7 2021, forty percent of the actual expenditures of the mental
8 health and disability services region for the fiscal year that
9 commenced two years prior to the fiscal year of application for
10 assistance.

11 (ii) For applications for the fiscal year beginning July 1,
12 2022, twenty percent of the actual expenditures of the mental
13 health and disability services region for the fiscal year that

17 after July 1, 2023, five percent of the actual expenditures

19 fiscal year that commenced two years prior to the fiscal year
20 of application for assistance.

21 *d.* The department shall review the fiscal year-end financial
22 records for all mental health and disability services regions
23 that are granted incentive funds. If the department determines
24 a mental health and disability services region’s actual need
25 for incentive funds was less than the amount of incentive funds
26 granted to the mental health and disability services region,
27 the mental health and disability services region shall refund
28 the difference between the amount of assistance granted and
29 the actual need. The mental health and disability services
30 region shall submit the refund within thirty days of receiving
31 notice from the department. Refunds shall be credited to the
32 incentive fund.

33 *e.* The department shall determine application requirements
34 to ensure prudent use of the incentive fund. The department
35 may accept or reject an application for incentive funds in

PAGE 43

1 whole or in part. The decision of the department is final.

2 *f.* The total amount of incentive funds approved shall be
3 limited to the amount available in the incentive fund for a
4 fiscal year. Any unobligated balance in the incentive fund at
5 the close of a fiscal year shall remain in the incentive fund
6 for distribution in the succeeding fiscal year.

7 *g.* Incentive funds shall only be made available to address
8 one or more of the following circumstances:

9 (1) To reimburse regions for reductions in available
10 funding for core services as the result of the reduction and
11 elimination of the levy under section 331.424A, Code 2021, if
12 the region has an operating deficit. The department shall
13 prioritize approval of incentive funds for the circumstances
14 specified in this subparagraph.

15 (2) To incentivize quality core services that meet or exceed
16 the defined outcomes in the performance-based contract.

17 (3) To support regional efforts to fund non-core services
18 that support the defined outcomes of core services in the
19 performance-based contract.
20 (4) To support non-core services to maintain an individual
21 in a community setting or that would create a risk that the
22 individuals needing services and supports would be placed in
23 more restrictive, higher-cost settings.
24 h. Subject to the amount available and obligated from
25 the incentive fund for a fiscal year, the department shall
26 annually calculate the amount of moneys due to eligible mental
27 health and disability services regions in accordance with the
28 department's decisions and that amount is appropriated from the
29 incentive fund to the department for payment of the moneys due.
30 The department shall distribute incentive funds payable to the
31 mental health and disability services regions for the amounts
32 due on or before January 1.
33 i. On or before March 1 and September 1 of each fiscal
34 year, the department shall provide the governor's office and

PAGE 44

1 of the incentive fund. The report shall include but is not
2 limited to an itemization of the funding source's balances,
3 types and amount of revenues credited, and payees and payment
4 amounts for the expenditures made from the funding source
5 during the reporting period.
6 j. If the department has made its decisions but has
7 determined that there are otherwise qualifying requests for
8 incentive funds that are beyond the amount available in the
9 incentive fund for a fiscal year, the department shall compile
10 a list of such requests and the supporting information for
11 the requests. The list and information shall be submitted to
12 the commission, the children's behavioral health system state
13 board, and the general assembly.
14 9. The commission shall consult with regional

 21 January 1, 2021, but before December 31, 2030, the taxes

22 imposed under this subchapter, less the credits allowed under

31 Placement on a wait list pursuant to this subparagraph shall

PAGE 33

1 are amended by striking the subsections and inserting in lieu
2 thereof the following:

3 10. The state board shall establish, and the department
4 shall use, for the school year commencing July 1, 2021, and
5 each succeeding school year, an accreditation, monitoring,
6 and enforcement process for school districts and nonpublic
7 schools seeking accreditation pursuant to this subsection and
8 subsections 11 and 12. The process established shall include
9 all of the following requirements:

10 *a. Phase I monitoring.*

11 (1) Phase I monitoring shall consist of annual monitoring by
12 the department of all accredited schools and school districts
13 for compliance with state and federal school laws, regulations,
14 and rules adopted by the state board under chapter 17A,
15 including but not limited to the following:

16 (a) Accreditation standards adopted by the state board as
17 provided in this section.

18 (b) Fiscal compliance.

19 (c) Federal education laws including but not limited to the
20 federal Elementary and Secondary Education Act of 1965, and the

26 (2) Phase I monitoring may include but shall not be limited

28 (a) One or more desk audits requiring submission of
29 information to the department in a manner and on forms
30 prescribed by the department.

31 (b) One or more remote or on-site visits to schools or
32 school districts to address accreditation issues identified in
33 a desk audit. Such a visit may be conducted by an individual
34 departmental consultant or may be a comprehensive site visit

1 professionals.
2 (c) A review of district finances by department staff or a
3 neutral third party.
4 (d) A review of local school board policies and procedures
5 by department staff or a neutral third party.
6 (3) The department shall provide a public report annually of
7 findings of noncompliance and required corrective actions for
8 each accredited school and school district. The purpose of the
9 phase I process is to bring schools and school districts into
10 minimum compliance with federal and state laws, regulations,
11 and rules and no citation or corrective action may be designed
12 to require more than minimum compliance.
13 (4) The department shall provide a written report
14 annually to the state board of any monitoring review resulting
15 in multiple or substantial findings of noncompliance or
16 noncompliance findings that remain uncorrected for more
17 than thirty days past the deadline set by the department for
18 correction.
19 (5) The department shall eliminate duplicative reporting
20 on the part of schools and school districts for phase I
21 monitoring, and is prohibited from collecting information not
22 specifically permitted by federal or state law, regulation, or
23 rule.
24 (6) Enforcement actions under phase I monitoring are

33 on-site visit of phase I indicates that an accredited school or
34 school district is deficient and fails to be in compliance with
35 accreditation standards.

PAGE 35

1 (b) In response to a petition filed with the director
2 requesting such an accreditation committee visitation that is
3 signed by eligible electors residing in the school district
4 equal in number to at least twenty percent of the registered
5 voters of the school district.
6 (c) In response to a petition filed with the director
7 requesting such an accreditation committee visitation that is
8 signed by twenty percent or more of the parents or guardians
9 who have children enrolled in the school or school district.
10 (d) At the direction of the state board.

11 (e) The school budget review committee submits to the
12 department a recommendation for a fiscal review pursuant to
13 section 257.31, subsection 18.
14 (2) Phase II monitoring shall consist of a full desk audit
15 of all monitoring requirements and an on-site visit to the
16 school or school district for the purpose of determining the
17 extent of noncompliance, the reason for lack of correction, if
18 applicable, and a recommendation for corrective action to the
19 director and the state board.
20 (3) Phase II monitoring requires the use of an accreditation
21 committee appointed by the director. The accreditation
22 committee shall be made up primarily of department staff but
23 may request the assistance of third-party specialists at the
24 discretion of the director. An accreditation committee visit
25 to a nonpublic school requires membership on the committee
26 from nonpublic school instructional or administrative staff or
27 board members. A member of a committee shall not have a direct
28 interest in the school district or nonpublic school being
29 visited.
30 (4) After visiting the school district or nonpublic
31 school, the accreditation committee shall, within thirty
32 days, determine whether the accreditation standards have been
33 met and shall make a report to the director, together with a
34 recommendation on what enforcement actions, if any, should be
35 recommended to the state board.

PAGE 36

1 *c. Enforcement.*
2 (1) The department shall enforce the laws, regulations,
3 and rules applicable to school districts and nonpublic schools
4 consistent with the process outlined in this subsection. The
5 department shall coordinate its enforcement of chapter 216 with
6 the Iowa state civil rights commission to reduce duplication
7 of efforts.
8 (2) If, after having an opportunity to correct, if
9 permitted, a school district is found to be in noncompliance
10 with federal education laws including but not limited to the
11 federal Elementary and Secondary Education Act of 1965, the
12 federal Individuals with Disabilities Education Act, 20 U.S.C.
13 §1400 et seq., as amended, the federal Civil Rights Act of
14 1964, chapter 216, section 279.73 if enacted by House File 744,
15 or section 279.74 if enacted by House File 802, the director
16 shall recommend, and the state board may do, one of the
17 following within thirty days of the finding of noncompliance:
18 (a) Impose conditions on funding provided to a school
19 district, including directing the use of school district funds
20 and designating the school district a high-risk grantee under
21 2 C.F.R. §200.207.
22 (b) Withhold payment of state or federal funds to a
23 school district, in whole or in part, until noncompliance
24 is corrected. Initial withholding of state funds is at the

25 discretion of the director for a period of sixty calendar days,
26 after which it is subject to approval of the state board every
27 sixty calendar days. Withholding of federal funds is subject
28 to the governing federal statute or regulation.
29 (3) The director may use any of the following permitted
30 enforcement mechanisms and shall exercise discretion to ensure
31 that enforcement actions are proportionate to school district
32 or nonpublic school noncompliance:
33 (a) Advise the school district or nonpublic school on the
34 availability of appropriate technical assistance.
35 (b) Require the school district or nonpublic school to

PAGE 37

1 complete a corrective action plan or plan for improvement by
2 a reasonable deadline.
3 (c) Recommend a phase II visit to the school district or
4 nonpublic school to the state board.
5 (d) Refer conduct of school district or nonpublic school
6 staff or school board members, or school authorities, to the
7 office of the attorney general for investigation.
8 (e) Refer financial concerns to the auditor of state for
9 investigation.
10 (f) Recommend removal of accreditation of the school
11 district or school to the state board.
12 (g) Take any other enforcement mechanism available to the
13 director.
14 (4) The department shall focus enforcement activities on
15 all of the following:
16 (a) Improving educational results for children, families,
17 and students.
18 (b) Ensuring that public agencies and their governing
19 boards meet requirements of state and federal laws.
20 11. a. If the recommendation pursuant to subsection 10
21 is that a school district or nonpublic school not remain
22 accredited, the accreditation committee shall provide the
23 school district or nonpublic school with a report that includes
24 a list of all of the deficiencies, a plan prescribing the
25 actions that must be taken to correct the deficiencies, and
26 a deadline date for completion of the prescribed actions.
27 The accreditation committee shall advise the school district
28 or nonpublic school of available resources and technical
29 assistance to improve areas of weakness. The school district
30 or nonpublic school shall be provided with the opportunity
31 to respond to the accreditation committee's report. The
32 director shall review the accreditation committee's report
33 and the response of the school district or nonpublic school
34 and shall provide a report to the state board along with
35 copies of the accreditation committee's report, the response

PAGE 38

1 to the accreditation committee's report, and other pertinent
2 information. At the request of the school district or
3 nonpublic school, the school district or nonpublic school may
4 appear before the state board and address the state board
5 directly regarding any part of the plan specified in the
6 report. The state board may modify the plan. During the
7 period of time specified in the plan for its implementation by
8 a school district or nonpublic school, the school district or
9 school shall remain accredited.

10 b. The accreditation committee shall revisit the school
11 district or nonpublic school and shall determine whether the
12 deficiencies in the standards have been corrected.

13 c. The accreditation team shall make a report and
14 recommendation to the director and the state board. The
15 committee recommendation shall specify whether the school
16 district or nonpublic school shall remain accredited. For a
17 school district, the committee report and recommendation shall
18 also specify under what conditions the district may remain
19 accredited. The conditions may include but are not limited to
20 providing temporary oversight authority, operational authority,
21 or both oversight and operational authority to the director and
22 the state board for some or all aspects of the school district
23 in order to bring the school district into compliance with
24 minimum standards.

25 d. The state board shall review the report and
26 recommendation, may request additional information, and shall
27 determine whether the deficiencies have been corrected.

28 e. If the deficiencies have not been corrected, and the
29 conditional accreditation alternatives contained in the report
30 are not mutually acceptable to the state board and the local
31 board, the state board shall deaccredit the school district and
32 merge the territory of the school district with one or more
33 contiguous school districts at the end of the school year. The
34 state board may place a district under receivership for the
35 remainder of the school year. The receivership shall be under

PAGE 39

1 the direct supervision and authority of the area education
2 agency in which the district is located. The decision of
3 whether to deaccredit the school district or to place the
4 district under receivership shall be based upon a determination
5 by the state board of the best interests of the students,
6 parents, residents of the community, teachers, administrators,
7 and school district board members and upon the recommendations
8 of the accreditation committee and the director.

9 f. In the case of a nonpublic school, if the deficiencies
10 have not been corrected, the state board may deaccredit the
11 nonpublic school. The deaccreditation shall take effect on the
12 date established by the resolution of the state board, which

13 shall be no later than the end of the school year in which the
14 nonpublic school is deaccredited.

15 Sec. 29. Section 272.2, Code 2021, is amended by adding the

18 fees from an administrator for the administrative costs
19 of processing complaints and conducting hearings if the

16 days of receipt of the petition filed in accordance with this
17 subsection. If the proposal relates to curriculum, the school
18 district may halt use of the subject instructional materials
19 until the school board holds the board meeting at which the
20 proposal is presented and discussed. The meeting notice shall
21 include a brief description of the proposal.

22 2. The board of directors of the school district shall
23 provide sufficient time to receive public comment on the
24 proposal. The board shall allow each interested member of the
25 public to speak at the meeting regarding the proposal, but may
26 impose a time limit on the amount of time a member of the public

27 is allowed to speak if the time limit is the same for each
28 speaker and necessary due to the amount of people wishing to
29 speak.

12 2. The school budget review committee shall review a school

34 is granted a modified supplemental amount under this section
35 shall not be eligible to transfer any preschool foundation

4 5. Modified supplemental amounts granted under this section
5 shall be subject to available funding and be funded solely
6 through aid awarded by the school budget review committee from
7 funds made available to the school budget review committee for
8 purposes of this section. If amounts made available to the
9 school budget review committee for purposes of this section are
10 insufficient to fund all modified supplemental amounts granted
11 under this section, the amount of each modified supplement
12 amount shall be prorated.

8 For a county that is one of the eleven most populous counties
9 in the state, as determined by the latest preceding certified
10 federal census or the latest applicable population estimate
11 issued by the United States census bureau, whichever is most
12 recent, any tax or combination of taxes imposed shall be for a
13 maximum period of ten years. Discontinuance of the authority
14 to impose a tax under this chapter prior to the expiration of
15 the period of years for which the tax is approved shall be by
16 petition and election. Upon receipt of a petition signed by

17 eligible electors of the county equal in number to at least
18 twenty-five percent of the votes cast in the county for the
19 office of president of the United States or governor at the
20 last preceding general election or five thousand, whichever
21 is less, the board of supervisors shall direct the county
22 commissioner of elections to submit to the voters of the county
23 the question of whether to discontinue the authority to impose
24 one or more of the taxes under this chapter. If a majority of
25 those voting on the question of discontinuance of the board's
26 authority to impose the tax favors discontinuance, the board
27 shall not impose the property tax for any fiscal year beginning
28 after the election approving the discontinuance and shall not
29 impose the income surtax for any tax year beginning after
30 the election approving the discontinuance unless imposition
31 is subsequently again authorized at election. Following

33 taxes under this chapter, authority to reimpose the taxes
34 requires approval in accordance with this section.

 6 shall be set so as to raise only the amount needed. ~~The levy~~
 7 ~~is repealed for subsequent fiscal years as provided in section~~

 12 shall establish an emergency medical services trust fund
 13 into which revenues received from the taxes imposed shall
 14 be deposited. Moneys in the trust fund shall be used for
 15 emergency medical services. In addition, moneys in the fund
 16 may be used for the purpose of matching federal or state

 19 discontinuance of the authority to impose the taxes as provided
 20 in section 422D.1, subsection 4, shall remain in the fund and
 21 may be expended for the purposes specified in this section.

HOUSE RESOLUTION 6 BY A. MEYER

1 A Resolution designating the month of March, annually,
2 as Precision Medicine and Biomarker Testing
3 Awareness Month.

4 WHEREAS, precision medicine, which is also called
5 personalized health care or individualized medicine, is
6 an evolving field in which health care providers use an
7 analysis of a patient's biospecimen, known as biomarker
8 testing, to determine which medical treatments will
9 work best for each patient; and
10 WHEREAS, by combining the data from biomarker
11 testing with an individual's medical history,
12 circumstances, and values, health care providers can
13 direct a patient to targeted treatment, which benefits
14 both patients and the overall health care system; and
15 WHEREAS, the field of precision medicine holds great
16 promise in ensuring the delivery of the right treatment
17 to the right patient at the right time; and
18 WHEREAS, 60 percent of treatments in preclinical
19 development rely on biomarker data; and
20 WHEREAS, biomedicine and the understanding of the
21 characteristics of a patient's disease that informs
22 precision medicine is evolving rapidly; and
23 WHEREAS, health care providers are increasingly
24 gaining access to new technologies, such as biomarker
25 testing, that can help identify gene mutations,
26 alterations, and protein expressions specific to
27 individual patients; and
28 WHEREAS, health outcomes are improved through the

PAGE 2

1 use of precision medicine, including, for example,
2 patients with certain types of lung cancer who received
3 biomarker testing resulting in a 28 percent reduction
4 in mortality; and
5 WHEREAS, the National Academy of Medicine considers
6 biomarker testing to be key to unlocking the promise of
7 personalized health care; and
8 WHEREAS, biomarker testing is available for an
9 ever-increasing range of conditions and diseases, but
10 patient access to these tests is not keeping pace with
11 the rate of innovation; and
12 WHEREAS, a lack of awareness among providers
13 and patients is preventing the effective adoption
14 and integration of biomarker testing into precision
15 medicine; and
16 WHEREAS, appropriate awareness and education about
17 the ways biomarker testing can be used to support the
18 diagnosis, treatment, and monitoring of patients in a
19 personalized way is needed; and
20 WHEREAS, the American Cancer Society/Cancer Action
21 Network and the Iowa Biotechnology Association, as well
22 as other relevant partners, are seeking to promote
23 awareness, education, and action related to improving
24 access to biomarker testing; NOW THEREFORE,

25 BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES, That
 26 the Iowa House of Representatives designates the month
 27 of March, annually, as Precision Medicine and Biomarker
 28 Testing Awareness Month to raise awareness, encourage
 29 education, and improve understanding of the ways
 30 biomarker testing can be used to support diagnosis,

26	In this schedule, each numbered block shall be	
27	the yearly and hourly compensation for the pay grade	
28	of the number heading the block. Within each grade	
29	there shall be eight steps numbered "1" through "8".	
30	In the above schedule the steps for all grades are	

PAGE 4

- 1 determined in the following manner. Each numbered

2 block is counted as the "1" step for that grade. The
3 next higher block is counted as the "2" step; the next
4 higher block is the "3" step; the next higher block is
5 the "4" step; the next higher block is the "5" step;
6 the next higher block is the "6" step; the next higher
7 block is the "7" step; and the next higher block plus
8 2.5% is the "8" step.

9 Alternatively, the senate rules and administration
10 committee for senate employees, and the house
11 administration and rules committee for house employees
12 may allow their employees' compensation to be flexibly
13 set anywhere between steps "1" through "8" for an

23 representatives are presumed to have 32 hours of work
24 each week the legislature is in session and shall
25 be paid only on that basis. Full-time employees
26 who are required to work in excess of 80 hours in a
27 two-week pay period shall be allowed compensatory time
28 off at a rate of one hour for each hour of overtime
29 up to a maximum of 120 hours of compensatory time.

30 Joint security employees of the senate and house of

PAGE 5
