JOURNAL OF THE SENATE

OPENING DAY

1976 Regular Session

SENATE CHAMBER

DES MOINES, IOWA, MONDAY, JANUARY 12, 1976

Pursuant to chapter two (2), section two point one (2.1), Code of Iowa, the 1976 regular session of the Sixty-sixth General Assembly convened at 10:00 a.m., and was called to order by Lieutenant Governor Arthur A. Neu.

The following prayer was offered by the Reverend Allan M. Peterson, pastor of the First Presbyterian Church, Carroll, Iowa:

Eternal God, who committest to us the swift and solemn trust of life, we know not what this session of the Legislature may bring forth, but we do know the time to begin is here; we convene this Legislature conscious that our human laws are but an approximation to thine immutable law, and if our institutions are to stand, they must rest on justice, for only justice can endure.

Grant to all legislators a deep consciousness that they are called to see justice done, and they prostitute a holy duty if ever they connive in its defeat. Fill them with a high determination to make the laws of our state of Iowa a strong fortress of defense for the poor and the weak, and never a castle of oppression for the hard and cunning.

Save them from surrendering the clear-bought safeguards of the people for which our fathers fought and suffered. Revive in them the spirit of the great liberators of the past that they may cleanse our law of the inherited wrongs that still cling to it. Suffer not the web of outgrown precedents to veil their moral vision, rather, grant them a penetrating eye for the rights and wrongs of today and a quick human sympathy for the people who are neglected, forsaken, forgotten. Aid them to make the course of legislation so simple, its justice so swift and sure, that the humblest citizen may safely trust it, and the strongest citizen fear it.

Grant them wisdom to refashion all legislation that it may become a true expression of the fairer ideals of freedom and brotherhood. And, heavenly Father, help them gather the stars of our flag as a reminder of the bond of liberty which holds our nation together; help them gather the songs of our nation that call for patriotism and loyalty to the land which we love; help them gather the faces of women, men, and children with compassion for their needs; help them gather the years of our nation—all 200 of them—as a heritage to cherish and to prolong. . . . This we pray for in Thee, O God, we place our trust. Amen.

LEGISLATIVE PHYSICIAN FOR THE DAY

Dr. Patricia Ehrick, Grundy Center, Iowa.

OPENING REMARKS BY THE LIEUTENANT GOVERNOR

Lieutenant Governor Neu addressed the Senate as follows:

The tradition has been—and I hope will continue to be—that the second session of each General Assembly is shorter than the first. With that in mind, I will keep my opening remarks very brief.

Our last session was marked by distinguished bipartisan cooperation. As Republicans and Democrats we did have our differences. But in the end we did not let those differences get in the way of conducting the people's business.

I trust that our session this year will be equally cooperative. We are in another election year, of course. The attendant temptation to score political points will be great. But, hopefully, we can restrain ourselves most of the time.

Let me mention quickly the three areas in which I feel the Legislature must act in 1976.

The first, as you would guess, is property taxes. We must compensate our property taxpayers for the \$55 million generated by the uniform school levy with the new assessed valuations. Further, as was suggested by the 1974 local services interim study committee, we must consider seriously the imposition of local government budgetary growth limitations. In both instances, we have to move as quickly as possible to insure minimal interruption of budgeting processes.

The second area in which the Legislature must act this year is transportation financing—especially in so far as our roads and highways are concerned. We must face the fact that inflation and federal bridge standards are preventing Iowa from maintaining and completing its most vital transportation network.

Third, and finally, the explosion in Iowa's corrections population cries out for legislative attention this year. Unemployment and stiffer sentencing, among other things, have caused both the reformatory at Anamosa and the penitentiary at Fort Madison to be filled near capacity. In fact, there now are several hundred men at Fort Madison who should be housed at Anamosa.

It takes little imagination to appreciate the potential explosiveness of the situation. We are lucky that our plight is not so great as that of many states—such as Florida which has had to build tent cities on the grounds of its maximum security prison, or Louisiana which reportedly is considering the use of an old Navy ship as a floating prison. But our plight does require action this session.

Since 1973, we have been committed to a system of community corrections throughout the State. Certainly support for that effort must be accelerated this year with our rapidly growing corrections population. Additionally, though, we have to consider medium security alternatives.

Those of us who have been advocates of annual sessions always have said that the Legislature must be able to respond to the State's needs more often than once every other year. So not only does the impending crisis in our prisons necessitate an immediate response, it also gives

us an opportunity to demonstrate the wisdom of the decision made by Iowa voters in 1968.

In short, let us try to make our bicentennial year legislative session an exemplary one.

ELECTION OF SECRETARY OF THE SENATE

Senator Palmer moved that Acting Secretary Steven C. Cross be elected permanent Secretary of the Senate to replace Clark R. Rasmussen who resigned October 23, 1975.

The motion prevailed and Mr. Cross appeared before the rostrum, was duly sworn and subscribed his name to the oath of office.

COMMITTEE TO NOTIFY THE GOVERNOR

Senator Kinley moved that a committee of three be appointed to notify the Governor that the Senate was organized and ready to receive any communication he might be ready to transmit.

The motion prevailed and the Chair appointed as such committee Senators Heying, Bergman and Griffin.

COMMITTEE TO NOTIFY THE HOUSE

Senator Kinley moved that a committee of three be appointed to notify the House that the Senate was organized and ready for business.

The motion prevailed and the Chair appointed as such committee Senators Hill of Jasper, Doderer and Miller of Marshall.

COMMITTEE FROM THE HOUSE

A committee from the House appeared and announced that the House was ready to receive the Senate in joint convention.

In accordance with House Concurrent Resolution 101, duly adopted, the Senate proceeded to the House under the direction of the Secretary of the Senate and the Sergeant-at-Arms.

JOINT CONVENTION

In accordance with law and House Concurrent Resolution 101, duly adopted, the joint convention was called to order, President Neu presiding.

Senator Kinley moved that the roll call be dispensed with and that the President of the joint convention be authorized to declare a quorum present, which motion prevailed.

President Neu declared a quorum present and the joint convention duly organized.

Senator Kinley moved that a committee of six, three members from the Senate and three members from the House, be appointed to notify Governor Ray that the joint convention was ready to receive him.

The motion prevailed and the President appointed as such committee Senators Scott, Merritt and Taylor, on the part of the Senate, and Representatives Wells, O'Halloran and Varley, on the part of the House.

The Justices of the Supreme Court were escorted into the House chamber.

The committee waited upon Governor Ray and escorted him to the Speaker's station. President Neu then presented Governor Ray, who delivered the following condition of the state message:

Mr. President, Mr. Speaker, Mr. Chief Justice, Senators and Representatives, State Officials, Distinguished Guests, Ladies and Gentlemen:

Nineteen seventy-five was a year when cynicism became fashionable.

Yet, at the beginning of 1976, polls show that over two-thirds of the American people are optimistic about the future.

This is the year of our Nation's 200th birthday—a time for us to reflect and maybe even be a little nostalgic. It is a time for us to realize what our role is in this amazing and fantastic experience called American democracy—a democracy which binds together fifty sovereign states.

My role today is to talk to you about one of those states—the State of IOWA. Specifically, I will discuss with you the condition of the state and offer recommendations as you move into the Second Session of the Sixty-sixth General Assembly.

* * * * *

What kind of place is this state which we call home? Maybe it is even a bit better than what we think. Perhaps a stranger can best open our eyes to the good which is here and far more prevalent, than the bad about which we hear so much.

Listen to what a newcomer said in simple eloquence about our homeland. "The Iowa people are marvelous," he said. "Their kindness is without limit. They are always ready to help . . . in any way they can; and do it with great enjoyment. This warmness in the heart we get from the Iowa population makes us forget months of distress."

The speaker was Cam Uynh, the leader of the Tai Dam refugees who resettled in Iowa last fall.

Cam Uynh paid us a compliment and he and his people brought us a gift—a gift of perspective.

Picture if you will these people who were buffeted from country to country in war-torn Southeast Asia, hungering for freedom and clinging fiercely to the ideals of hard work, liberty and loyalty to family; an agrarian people whose dreams are linked to the soil; a people from the other side of the globe—who now are dropped into the heartland of our country—an almost totally different world.

They can see a country disturbed by its economy, by a low confidence in its institutions, a society of cynicism—but also a country beginning, with pride, to celebrate its 200th year of independence.

Our Tai Dam Friends may be more at home here in Iowa than you might think—for here is where they will see some similarities. Our citizens might be taller and more affluent, but *our* people, too, have the love of freedom and a belief in the value of work, a loyalty to family and a respect for the land.

These are traditional characteristics of Iowans—even in the unsettled times of 1976.

Though Cam Uynh and his people could not have known it, the very way they began their adventure into our state is indicative of the thoughtful processes which have led to so many successes in Iowa government.

Iowans—government officials, headed by Colleen Shearer, and private citizens—worked together planning for the arrival of the Tai Dam refugees lining up sponsors and jobs before the new settlers ever arrived. This experience is one more small victory—a heartening illustration of cooperative individual Iowans who, when working on a worthwhile task, can achieve it.

Iowa is a celebration of small victories at a time when other places seem disheartened by defeat.

We have gained confidence by successes with government programs that produce at a time when so many do not. And we are seeing the great advantage of approaching tough problems with reason, understanding and ingenuity instead of with rhetoric and knee-jerk proposals.

* * * * *

We are not free of problems; neither are we content to accept either inaction or overaction as an answer.

We have found that government need not always be in a position of confrontation. We have seen Iowa government stimulate the private sector.

An example is our newly created Rail Assistance Program responsible for the 523 miles of branch line that have been rebuilt or are presently under construction.

Our recent venture into coal research is now producing coal and holds promise of the revival of an industry and the expansion of Iowa's energy capability.

So I want to visit with you about more than merely the condition of the state. We will consider the dollars and cents of the state budget and the yield of our harvest and the mix of our taxes. But I want us also to consider a broader condition. I would call it the "condition" of our condition.

* * * * *

As we face this country's third century and the 130th year of our state's existence, we will do well to recognize that a bright and happy future for our people will not develop without work and the work ethic. People need to work, people need to try, people need to achieve.

How are our people doing? Iowans went through a lot in 1975; an example is agriculture. That segment of our economy suffered blizzard, drought, collapse of a major meat packing company, and up and down prices.

Nonetheless, during the past few months, Iowa cattlemen have put far more cattle on feed than they did the year before. And one thing for sure, when spring comes, the miracle of a new crop will begin on every farm in this state. And there is exciting new promise for the future with the announcement today by Iowa State University of a breakthrough which could well boost soybean yields by ten or twenty bushels an acre.

You can count on other Iowans to pursue their vocations with the same resiliency, determination and innovative spirit.

And these qualities are major factors in the healthy condition of this state. This helps explain why Iowa unemployment is below the national average and why our state government is not suffering the disastrous deficits so common elsewhere.

Iowa can continue to stand like a lighthouse in a storm if we wisely manage our financial resources.

This requires an awareness that government cannot do everything for everyone—nor should it.

* * * * *

Another awareness, that of the importance of the environment, has helped us to avoid much of the poisonous pollution suffered in other areas of the country.

And now we need to nurture yet another kind of environment—the environment in which free enterprise thrives—for that also can be fragile.

We know that just as people need space to live, fresh air to breathe and clean water to drink, so do they need jobs to sustain them and their families.

Our interrelationship with a national economy has been painfully evident in the past year with the loss of 19,000 manufacturing jobs. The loss of jobs is not so abnormal, but the lack of expansions and new starts of industry in our state this last year is abnormal.

One of the biggest factors has been our inability to obtain supplies of natural gas for companies that would like to have come to Iowa, but instead settled in gas-producing states.

Another reason, obviously, was the pinch of a sagging economy. In any event, it is absolutely imperative that those of us in government do our part to encourage a healthy climate for business and industry that can provide jobs, payrolls and community support.

We cannot afford to lose our tax structure that allows us to be competitive with states offering a variety of incentives for new industry. It is also in the best interest of our Iowans, our Iowa communities and the economy of this state to avoid creating an aura of uncertainty and fear of unnecessary adverse legislation that would injure our competitive position.

We are recognizing that our state is part of the world trade market. It behooves us to aggressively seek foreign trade and foreign dollars. This is the time to expand our foreign markets and not be left sitting on the curb watching other states pass us by.

It is to Iowa's advantage to open a foreign office.

* * * * *

There is another special uneasiness that draws our attention today. That is the concern over the effect of rising real estate assessments. This we can do something about . . . with much the same studied approach we have used on comparable problems in the past.

- We developed a school financing plan that shifted from the property tax increased costs of our local schools.
- We abolished the sales tax on food and drugs.
- We removed most welfare costs borne by property.
- We eliminated the personal property tax on household goods.
- We are now phasing out taxes on other personal property.
- We provided property tax relief for the elderly.

In Iowa, the state does not collect any property tax. The state, however, is required by law to equalize assessments among all counties. Equalization is absolutely essential.

When our Director of Revenue issued orders for equalization in 1975, it became apparent that Iowa land and property had become substantially more valuable.

Increased valuations per se do not, for the most part, raise taxes. And even though a number of good local public officials have pledged to hold the limit on spending, there exists the fear that budgets will increase by taking advantage of the higher assessments.

Without being unduly restrictive, the steps that I introduce to you now are designed to allay the fears and anxieties of our citizens—and to provide solid property tax relief.

First, we provide for increased state aid for local schools in the amount of \$48 million for direct property tax relief. Without this provision, because of equalization, \$37 million would have shifted to property taxes. You should know that we are also relieving property taxes of an additional \$11 million. At this time, we are of the opinion that this injection of additional state funds can best be accomplished by moving from 74 percent to 80 percent the state's participation in local school financing.

Second, we establish a special task force of citizens who are knowledgeable and interested in the future of our governments. This task force would explore the nature of government units, what level of government should provide services, who should pay for those services, how to value classes of property for equal assessment, budget limitations, revenue sharing and the economics and effectiveness of delivery of services.

Third, while this study is being conducted, I propose we put a cap on property taxes. In this measure we assure local units of government they will have access to growth, according to a formula such as used in school financing. Local government could seek extra financing or additional taxation through an appeals procedure for unique and unusual circumstances.

Fourth, we give \$17 million additional municipal assistance for state revenue sharing, sewers and for the appeals procedure.

And, fifth, we grant funds to support the Department of Revenue in efforts to determine correct assessments of industrial property.

* * * * *

As important as they are, property taxes will not be the exclusive focus of your deliberations in 1976.

There are other priorities as well which demand attention if we are to have a genuinely productive session. These issues are as complex as transportation funding and corrections, as fundamental as education, as necessary as salaries and capitals, as unpredictable as changing human needs.

Today I submit to you a number of recommendations which address these concerns. While I wish it were possible to discuss in detail my suggestions, obviously time doesn't permit. Rather, you will receive today, in addition to the printed text of my remarks, a digest of the Governor's recommendations and a brief analysis of adjustments to our biennial budget.

My staff, our executive departments and I personally offer our assistance and cooperation as you consider and act on these items in an orderly and timely fashion.

* * * * *

People can always find much to criticize, but I found it interesting what

James Russell Wiggins, former editor of the *Washington Post*, had to say about this. He said: "Those who criticize government today, like those who criticized 200 years ago, have, as a part of their armament, the popular illusion of a golden past from which there was a fall. . . ."

Then he observed that "the very evidently defective Today must [also] suffer by comparison with an ideal Tomorrow that exists only in the imagination of naive people who are deluded by the notion that man is perfectible, not just improvable."

The fact that we are improvable can be the key to how we approach this new legislative session.

Our people do not look to you for wild and radical changes, or expect absolute perfection—but they will respond appreciatively to improvement.

As you go about your business of writing laws, remember that you help the process of government best with laws that are designed to provide flexibility in changing times and that deal squarely with the problems they seek to attack. And you should avoid legislative overkill which so often throws government into confrontation with the very people it is trying to protect.

Above all, search for equities. Ours is a society of push and shove—of give and take. We look to our lawmakers for fairness and for action to prevent one side or another from having unfair advantage.

People are cynical; they are critical. And there are reasons for both. Yet it is not our nature to want to be this way.

We want to believe in our ability to shape events; we want to be able to trust each other and our government.

Within these walls and within your authority, collectively and individually, you have the power to set the example.

Thank you.

GOVERNOR'S RECOMMENDATIONS

Recommendations submitted to the Sixty-sixth General Assembly, 1976 Session, in accordance with Article IV, Section 12, of the Constitution of the State of Iowa:

Property Tax Relief—School Aid

The inordinate increase in property valuations experienced in 1975 will result in additional property tax for school financing unless the school funding formula is adjusted. We, therefore, should move to the full 80 percent foundation level which will provide \$48 million in property tax relief. The assessment factor in determining maximum allowable growth should then be removed.

We also need to provide for a triggering device in the school foundation plan. If future unusual property tax assessment increases occur, the state foundation level should automatically increase to prevent a return to a heavier reliance on property taxes in school financing.

Industrial Assessments

Questions have been raised concerning the fairness of the valuation and equalization process for industrial property. To resolve these concerns, it

is essential that funds be provided the Department of Revenue to beef-up the capabilities of state and local appraisers of industrial property and to improve appraisal procedures.

Elderly Property Tax Relief

We can extend the property tax credit program to additional deserving elderly by raising income eligibility limits and by upgrading the reimbursement schedule.

Limits on Local Spending

To reassure property taxpayers without imposing undue restrictions on local units of government, we are proposing that a two-year cap be placed on property taxes. Reasonable growth should be allowed in accordance with the present rates permitted under the school foundation plan. This is consistent with the spending patterns of local governments during the past five years.

To provide for unique and unusual demands in local government spending, a budget review committee should be created.

Local Governmental Services and Funding Sources Task Force

Very valuable and special service can be performed by an ad hoc public task force that would address itself to local government services and funding sources. This task force would research and analyze:

- the nature of local government services
- which level of government should provide what services
- who should pay for these services
- how should different types and kinds of property be valued and equalized for assessment purposes
- what, if any, budget limitations should be imposed
- which, if any, local services should be financed by state aid
- the economics and effectiveness of the delivery of services to people
- the merits of local option taxation
- the budgeting procedures and mechanisms of local governments

Abandoned Railroad Right-of-Way

The land on which railroads have their lines built is in reality dedicated to the use of the public. Where lines are abandoned by the railroads, the land should first be offered for continued public use before being transferred to private ownership.

Adoption Revision

The revision of the adoption code needs to be completed. As a word of caution, the traumatic experience resulting from unnecessary interim foster care placement should be avoided.

Anti-Trust

The Uniform State Anti-Trust Act will answer the need for reasonable public protection without unduly restricting responsible trade and business transactions.

Barbering/Cosmetology

To provide for adequate protection of public health and welfare, reconsideration should be given to the issue of licensing and regulation of the

barbering and cosmetology professions. Unnecessary restriction of these professions, however, will have to be avoided.

Capital Improvements

You delayed in appropriating for needed capital improvements last year. These projects are just as valid today as twelve months ago except they will now cost more. With our surplus, this is also an appropriate time to undertake the Lindquist Center at the University of Iowa.

Area Schools

An additional capital need that should be financed is the investment for the one unfunded area vocational-technical school.

The role and emphasis of our area schools in providing vocational-technical and liberal arts instruction should be redefined.

Code Modernization

A Republican Task Force has identified obsolete sections of the Iowa Code. It reports that all or part of thirty-one chapters can be eliminated. In addition, a periodic bipartisan review process of the Code should be established.

Criminal Code

The Senate has waded through the intricacies of criminal code revision and the task now needs to be completed.

Employment Security Commission Reorganization

The forty-year-old structure of administering our employment security operations can be improved by replacing the three-member commission with a single director.

Foreign Office

Iowa is a part of the world trade market. To take advantage of our potential and compete with other aggressive states, a foreign office should be opened to secure foreign investments for the creation of jobs in Iowa and to promote the sale of Iowa products.

Intermediate Care Facilities for the Mentally Retarded

The first session of the Sixty-sixth General Assembly urged the licensing of Glenwood and Woodward Hospitals as intermediate care facilities for the mentally retarded. This will involve participation in the Title XIX program. Federal funds are providing for educational improvements, but there is need for a \$4.5 million appropriation for FY 1977, representing half the cost of improved housing. These funds ultimately will be reimbursed to the state.

Land Use

Land, an extraordinarily important resource in the State of Iowa, must be protected against shortsighted exploitation and despoliation; at the same time, recognition must be given to the individual landowners' rights. The progress made in the House is deserving of Senate action.

Legislators on Boards and Commissions

An attorney general's opinion has pointed out the constitutional prohibition against legislators serving on executive boards and commissions. While a bill on this issue passed each house, no final resolution resulted.

The confusion as to quorums clouds the decisions of affected governmental boards and commissions; this matter needs attention.

Liquor Outlets

Instead of building and maintaining liquor outlets in sparsely populated areas, our citizens could be treated more equally by permitting limited private outlets under strong state supervision.

Medicaid

There has been a substantial increase in eligible recipients for medical assistance. Costs for hospital and supplemental care have skyrocketed. We refuse to turn our backs on those who must have health care, so we have provided \$12 million for FY 1976 and \$9.6 million for FY 1977 to cover these increases. At the same time, we feel it is incumbent upon the Social Services Department to develop certain reductions and limitations in the medicaid program. This is being done.

Mobile Home Tie-Down

To prevent deaths, injuries, and millions of dollars in property losses, mobile home tie-downs should be required.

No-Fault—First Party Insurance Coverage

The states that have adopted threshold, no-fault insurance programs now find from experience that not only have victims' rights to recover from wrongdoers been curtailed, but higher-than-ever liability premiums have resulted. Therefore, I would again ask that a reasonable level of first-party coverage with no threshold, similar to the Delaware or Oregon approach, be adopted.

Open Spaces—Tax Relief

Unlike developed stated-owned lands that bring increased economic benefits to an area, Open Spaces land is held in reserve and remains relatively undeveloped. Last year's bill was unacceptable. However, to offset the reduced property tax base in Open Spaces areas, I recommend state replacement of the loss.

Park User Fee

It is still advisable to provide a modest fee for the use of our major parks; the fees collected would be used for the maintenance and enhancement of these recreational areas.

Rail Assistance Program

Because a small state appropriation has inspired a spirit of innovative cooperation between shippers and railroads, our rail assistance program has earned the support of our people as well as nationwide acclaim. We ask funding for it.

Regents

We believe that our public universities can absorb some additional students without additional appropriations. However, the increase in enrollment exceeds what anyone projected and therefore, we have made arrangements for additional funding for the more than 4,300 new full-time students.

Loss of federal funds related to instruction at our state universities must be offset by additional state moneys. Funds should be appropriated for losses experienced in both years of the biennium.

Orthopedically handicapped Iowans should not be denied educational opportunities at our public universities. To prevent this, I recommend we provide financing to begin to remove the architectural barriers in student-used buildings at all Regents' universities.

Salaries

We have provided funds for all the merit step increases, a realignment of the pay steps, and a minimum 4.7 percent cost-of-living increase for state employees.

Social Services Institutions and Corrections

Our Social Services institutions have experienced rapid increases in food, utility, and medicine costs during this past year. Adjustments are needed in both fiscal year appropriations to cover these inescapable increases.

A more difficult problem has arisen with the unforeseen increase of 358 inmates at Fort Madison and Anamosa since December, 1974. We must face the need for additional security facility space.

Because of the loss of LEAA funds, additional state financing is also needed in community-based corrections for existing programs. If community corrections are to relieve some of the pressure from our penal institutions, this support must be provided.

Clarification of Drunken Driving Laws

Drunk drivers kill and maim. The required proof for OMVUI convictions should be modified to clarify the current presumptive evidence rule if it is proved the accused is intoxicated and driving a motor vehicle.

Tax Moratorium on Home Improvements

Rather than penalizing those who make improvements to their residential property by immediately increasing their property taxes, a five-year moratorium on the additional property taxes resulting from such home improvements should be allowed.

Transportation Aid

With the exceptionally high rate of inflation of highway construction and maintenance costs, and with the drop in revenue because of slower speeds and cars with better gas mileage, highway funding is becoming increasingly inadequate. You cannot indefinitely delay providing additional revenue from user fees to support our transportation system. As you know, I favor a tax as a percentage of the price of fuel so that the revenues could more nearly meet the needs. I also ask you to appropriate \$14.7 million of general fund monies remaining from my initial budget recommendations to be used where the needs are the greatest.

Tuition Grant

Our Tuition Grant program has provided a choice in education and maintained academic vitality in higher education. We can build upon the success of this program by creating a standing limited appropriation which will allow the grants to be awarded in a timely fashion.

Unemployment Trust Fund

In 1975, the unemployment trust fund was reduced from \$123 million to \$63 million. When more accurate revenue forecasts become available

early next month, it will have to be determined what additional funding will be required to maintain an adequate balance in this trust fund.

Uniform Bidding Regulations

Uniform bidding regulations for Iowa's units of local government should be required. Provisions should be made for both informal and formal bidding procedures.

Volunteer Committee Funding

State government frequently needs to call upon the skills and talents of people outside government. Volunteer citizens have contributed substantially to intelligent solutions of problems in our state. Most recent examples include the Task Force on Housing, the Economic Advisory Council, the Task Force on Early Childhood Development, and the National Guard Blue Ribbon Committee. It is essential that this kind of service be available when necessary as an alternative to increased bureaucracy. A small appropriation is requested for only the expenses of ad hoc committees such as the Local Governmental Services and Funding Sources Task Force proposed in this message, councils for early childhood development and for Spanish-speaking people, and the study on the consolidation of alcoholism and drug abuse programs.

Washington, D. C., Office

While we can be pleased we are not as dependent as some upon federal aid, it behooves us to secure our share of federal funds which can truly benefit us in Iowa. Establishing a state office in Washington, D. C., as done by twenty-one other states, will assist us in this effort and help protect us from federal encroachment.

Workmen's Compensation

You have initiated work in further updating our workmen's compensation law. The coverage, protection, and procedural items included in the pending revision need to be enacted to provide a modernized system of providing benefits to injured workers.

Youth Opportunity

An important component of the Governor's Youth Coordinator's Office is our successful Youth Conservation Corps. This valuable work experience program on non-federal public land should be expanded next year to involve more youth in job experience and also to provide assistance in conserving and preserving Iowa's recreational and wildlife areas.

Governor Ray was escorted from the House chamber by the committee previously appointed.

On motion of Representative Fitzgerald, the joint convention was dissolved.

The Senate returned to the Senate chamber and resumed regular session, President Neu presiding.

On motion of Senator Van Gilst, the Senate recessed until the fall of the gavel.

COMMUNICATION FROM THE CHIEF JUSTICE OF THE SUPREME COURT

The following reports were filed by the Honorable C. Edwin Moore, Chief Justice of the Supreme Court of Iowa:

IN THE MATTER OF)	REPORT OF THE
THE)	
RULES OF CIVIL PROCEDURE)	SUPREME COURT

To the 1976 Regular Session of the Sixty-sixth General Assembly of the State of Iowa:

Pursant to sections 684.18 and 684.19, Code 1975, the Supreme Court of Iowa has prescribed and hereby reports to the General Assembly changes in the existing Rules of Civil Procedure as follows:

Rule 33. CROSS-PETITIONS.

That Rule 33 be stricken and the following substituted:

"33. CROSS-CLAIM AGAINST CO-PARTY. A pleading may state as a cross-claim any claim by one party against a co-party arising out of the transaction or occurrence that is the subject matter either of the original action or a counter-claim therein or relating to any property that is the subject matter of the original action. Such cross-claim may include a claim that the party against whom it is asserted is or may be liable to the cross-claimant for all or part of a claim asserted in the action against the cross-claimant."

Rule 65. GENERAL APPEARANCE.

That Rule 65 be stricken and the following substituted:

"65. APPEARANCES. An attorney making an appearance shall, either by filing written appearance or by signature to the first pleading or motion filed by the attorney, clearly indicate the attorney or attorneys in charge of the case and shall not sign in the name of a firm only."

Rule 66. SPECIAL APPEARANCE.

That Rule 66 be stricken and the following substituted:

"66. SPECIAL APPEARANCE. A defendant may appear specially for the sole purpose of attacking the jurisdiction of the court, but only before taking any part in a hearing or trial of the case, personally or by attorney, or filing a motion, written appearance, or pleading. The special appearance shall be in writing, filed with the clerk and shall state the grounds thereof. If the special appearance is erroneously overruled, defendant may plead to the merits or proceed to trial without waiving such error."

Rule 69. PLEADINGS DEFINED.

That Rule 69 be stricken and the following substituted:

"69. GENERAL RULES OF PLEADING.

(a) Claims for Relief. A pleading which sets forth a claim for relief, whether an original claim, counterclaim, cross-claim or third party claim, shall contain (1) a short and plain statement of any matter needed to justify venue or jurisdiction, (2) a short and plain statement of the claim showing that the pleader is entitled to relief, and (3) a demand for judgment for the relief to which he deems himself entitled. Relief in the alternative or of several different types may be demanded.

(b) Pleading to be Concise and Direct; Consistency. (1) Each averment of a pleading shall be simple, concise, and direct. No technical forms of pleadings or motions are required. (2) A party may set forth two or more statements of a claim or defense alternately or hypothetically, either in one count or defense or in separate counts or defenses. When two or more statements are made in the alternative and one of them if made independently would be sufficient, the pleading is not made insufficient by the insufficiency of one or more of the alternative statements. A party may also state as many separate claims or defenses as he has regardless of consistency and whether based on legal or equitable grounds. 'Pleadings' as used in these rules do not include motions."

Rule 70. PETITION.

That Rule 70 be stricken and the following substituted:

"70. PETITION. The petition shall state whether it is at law or in equity."

Rule 74. CROSS-PETITION—JUDGMENT.

That Rule 74 be stricken and the following substituted:

"74. CROSS-CLAIM, CROSS-PETITION—JUDGMENT. Any cross-

claim under Rule 33 or cross-petition under Rule 34, and the answer and reply to it, shall be governed by these rules. Where judgment in the original case can be entered without prejudice to the rights in issue under a cross-petition, cross-claim or counterclaim, it shall not be delayed thereby."

Rule 79. NUMBERED DIVISIONS AND PARAGRAPHS.

That Rule 79 be stricken and the following substituted:

"79. PARAGRAPHS; SEPARATE STATEMENTS. All averments of claim or defense shall be made in numbered paragraphs, the contents of each of which shall be limited as far as practicable to a statement of a single set of circumstances; and a paragraph may be referred to by number in all succeeding pleadings. Each claim founded upon a separate transaction or occurrence and each defense other than denials shall be stated in a separate count or defense whenever a separation facilitates the clear presentation of the matters set forth."

Rule 85(a). MOTIONS.

That Rule 85(a) be stricken and the following substituted:

"85(a). MOTIONS. Motions attacking a pleading must be served before responding to a pleading or, if no responsive pleading is required by these rules, upon motion made by a party within 20 days after the service of the pleading on such party."

Rule 85(b). PLEADING.

That Rule 85(b) be stricken and the following substituted:

"85(b). PLEADING. Answer to a petition must be served on or before the appearance date prescribed in accordance with Rule 53. A party served with a pleading stating a cross-claim against the party shall serve an answer thereto within 20 days after the service of the pleading upon the party. The plaintiff shall serve a reply to a counterclaim in the answer within 20 days after service of the answer, or if a reply is ordered by the court, within 20 days after service of the order, unless the order otherwise directs."

Rule 85(c). REPLY.

That Rule 85(c) be stricken and the following substituted:

"85(c). TIME AFTER FILING MOTIONS. The service of a motion permitted under these rules alters these periods of time as follows, unless a different time is fixed by order of the court:

(1) If the court denies the motion or postpones its disposition until the trial on the merits, the responsive pleading shall be served within ten days after notice of the court's action;

(2) If the court grants a motion for a more specific statement, the responsive pleading shall be served within ten days after the service of the more specific statement; provided, however, unless the parties stipulate in writing otherwise, the filing of a motion for additional time shall delay the responsive pleading for a period of ten days after the service of the motion unless within such time the court orders otherwise."

Rule 85(d). ANSWER OR REPLY TO AMENDMENTS.

That Rule 85(d) be stricken and the following substituted:

"85(d). RESPONSE TO AMENDMENTS. A party shall plead in response to an amended pleading within the time remaining for response to the original pleading or within ten days after service of the amended pleading, whichever period may be the longer, unless the court otherwise orders."

Rule 88. AMENDMENTS.

That Rule 88 be stricken and the following substituted:

"88. AMENDMENTS. A party may amend a pleading once as a matter of course at any time before a responsive pleading is served or, if the pleading is one to which no responsive pleading is required and the action has not been placed upon the trial calendar, the party may so amend it at any time within 20 days after it is served. Otherwise, a party may amend a pleading only by leave of court or by written consent of the adverse party; and leave shall be freely given when justice so requires."

Rule 89. MAKING AND CONSTRUING AMENDMENTS.

That the second sentence of Rule 89 be stricken and the following substituted:

"Whenever the claim or defense asserted in the amended pleading arose out of the conduct, transaction, or occurrence set forth or attempted to be set forth in the original pleading, the amendment relates back to the date of the original pleading. An amendment changing the party against whom a claim is asserted relates back if the foregoing provision is satisfied and, within the period provided by law for commencing the action against him, the party to be brought in by amendment (1) has received such notice of the institution of the action that he will not be prejudiced in maintaining his defense on the merits, and (2) knew or should have known that, but for a mistake concerning the identity of the proper party, the action would have been brought against him."

Rule 90. SUPPLEMENTAL PLEADING.

That Rule 90 be stricken and the following substituted:

"90. SUPPLEMENTAL PLEADINGS. By leave of court, upon reasonable notice and upon such terms as are just, or by written consent of the adverse party, a party may serve and file a supplemental pleading setting forth transactions or occurrences or events which have happened since the date of the pleading sought to be supplemented. Leave may be granted even though the original pleading is defective in its statement of a claim for relief or defense. No responsive pleading to the supplemental pleading is required unless the court, upon its own motion or the motion of a party, so orders, specifying the time therefor."

Rule 124.1. STIPULATIONS REGARDING DISCOVERY PROCEDURE.

That the phrase "may be made only with the approval of the court" be stricken from the last portion of Rule 124.1 and the following substituted:

"must be filed with the court and may be superseded by court order, in which event the time shall be extended to 20 days after notice of the court's action".

Rule 126. INTERROGATORIES TO PARTIES.

That the second paragraph of Rule 126(a) be stricken.

Rule 336. HOW TAKEN.

That the following words be stricken from Rule 336(c):

"; but no delay in so doing shall affect the validity of the appeal if the copy is filed before the abstract on such appeal is filed under rule 340(a)".

Rule 381. FORMS.

That the following Rule 381 be adopted:

"381. FORMS. The forms contained in the Appendix of Forms following this rule are for use and are sufficient under the Iowa Rules of Civil Procedure, excluding the rules appearing in division XVI. The Supreme Court shall have the power to prescribe forms for use under the rules appearing in division XVI."

MR. PRESIDENT: Your committee on agriculture to which was referred **Senate File 368**, a bill for an act relating to the marketing of livestock and providing penalties, begs leave to report it has had the same under consideration and recommends the same **be amended as follows; and when so amended the bill do pass:**

S—5044

1 Amend Senate File 368, by striking everything after
2 the enacting clause, and inserting in lieu thereof
3 the following:

4 Section 1. Section two hundred eleven point one
5 (211.1), Code 1975, is amended by striking the sec-
6 tion and inserting in lieu thereof the following:

7 211.1 DEFINITIONS. As used in this chapter,
8 unless the context otherwise requires:

9 1. "Broker" means a compensated agent employed
10 to negotiate sales of livestock.

11 2. "Consignment" means the transfer of possession
12 of livestock to the care and custody of a livestock
13 agency for the purpose of sale.

14 3. "Livestock" means cattle, horses, swine, sheep
15 and poultry. "Livestock" does not include any other
16 type of animal or fowl.

17 4. "Livestock history" means the document described
18 in section two hundred eleven point three (211.3)
19 of the Code.

20 5. "Livestock agency" means a person regularly
21 engaged in livestock transactions and includes sales-
22 yards, sales barns, auction markets, stockyards, order
23 buyers, commission agents, and livestock dealers.
24 A livestock agency is a merchant.

25 6. "Slaughter livestock" means livestock bound
26 for slaughter.

27 7. "Merchant" means merchant as defined in sec-
28 tion five hundred fifty-four point two thousand one

29 hundred four (554.2104) of the Code.

30 8. "Owner" means a person having title to live-
31 stock subject of a transaction.

32 9. For the purpose of this Act, the definition
33 of "person" set forth in section four point one (4.1)
34 of the Code shall apply, rather than the definition
35 set forth in section one hundred eighty-nine point
36 one (189.1) of the Code.

37 10. "Qualified livestock transaction" means as
38 provided in section two hundred eleven point two
39 (211.2) of the Code.

45 and inserting in lieu thereof the following:

46 211.2 EXEMPTION OF TRANSACTIONS FROM IMPLIED
WAR-

1 tion, shall be exempt from the implied warranties
2 of section five hundred fifty-four point two thousand
3 three hundred fourteen (554.2314) and five hundred
4 fifty-four point two thousand three hundred fifteen
5 (554.2315) of the Code, with respect to that trans-
6 action notwithstanding section five hundred fifty-
7 four point two thousand three hundred sixteen
8 (554.2316) of the Code. However, the exemption created
9 by this section shall not be deemed to impair or modi-
10 fy any actual exclusion or modification of warranties
11 as permitted by section five hundred fifty-four point
12 two thousand three hundred sixteen (554.2316) of the
13 Code.

14 Sec. 3. Section two hundred eleven point three
15 (211.3), Code 1975, is amended by striking the sec-
16 tion and inserting in lieu thereof the following:

17 211.3 LIVESTOCK HISTORY.

18 1. When a written livestock history is to be used
19 in a transaction, it shall be prepared on forms
20 prescribed and furnished by the department. The form
21 shall be signed by the owner of the livestock or his
22 agent, and shall state the name, mailing address,
23 and residence or business location of the present
24 owner and all previous owners of the livestock within
25 the past thirty days of the date of the transaction.

26 2. If the identities of all previous owners with-
27 in the past thirty days cannot be determined due to
28 transactions which occurred outside the state of Iowa,
29 the person preparing the livestock history shall so

30 indicate and provide full information concerning the
31 out-of-state transaction resulting in the transportation
32 of the livestock into Iowa.

33 3. If the livestock history is not available to
34 a livestock agency due to the refusal of the owner
35 to provide it, the livestock agency may prepare a
36 livestock history which shall so indicate and provide
37 full information concerning its receipt of the livestock
38 subject of the transaction.

39 4. Except as provided in subsections two (2) and
40 three (3) of this section, if the identities of all
41 previous owners within the past thirty days are not
42 determined or cannot be determined for any other reason
43 the livestock shall not be able to qualify for
44 exemption under this Act.

45 5. The form shall require a description of the
46 livestock including their number, breed and sex, and
47 brands, tags, or other markings, if any.

48 6. The livestock history shall constitute an express
49 warranty by the owner, or, livestock agency
50 acting under the provisions of subsection three (3)

1 of this section, as to the livestock involved in the
2 transaction.

4 all livestock included in the transaction, a livestock
5 history must be separately prepared and disclosed
6 for all livestock included in the transaction.

8 the provisions of subsection three (3) of this section
9 shall retain one copy of each livestock history they
10 prepare for at least two years after the date of
11 the transactions to which they refer.

13 1975, is amended by adding the following new sections:

14 NEW SECTION. 211.4 COMPLIANCE.

15 1. When selling livestock, an owner not a livestock
16 agency, is deemed to have participated in a
17 qualified livestock transaction if, prior to making
18 the contract of sale, he either,

19 a. Delivers to the buyer a copy of the livestock
20 history subscribed by him, or

21 b. Otherwise discloses the information required
22 by the livestock history form.

23 2. A livestock agency participating in a transaction
24 as the owner of the livestock which prepares
25 a written livestock history as owner in accordance
26 with section three (3) of this Act, and which discloses

30 and each succeeding fiscal year, an amount equal to
31 one-third of the sales tax.

32 Annually, the treasurer of state shall transfer
33 **three-fourths of the funds in the local tax fund to**
34 **the municipal assistance fund created by section four**
35 **hundred five point one (405.1) of the Code. The**
36 **remainder of the funds in the local tax fund shall**

38 **fund.**

39 **Sec. NEW SECTION. There is created a 'county**
40 **government assistance fund' in the office of the**
41 **treasurer of state. The moneys appropriated to such**
42 **fund shall be used to provide financial assistance**
43 **to counties.**

44 On or before December fifteenth of each year, the
45 state comptroller shall distribute the funds in the
46 county government assistance fund to each county in
47 the state in the proportion that the population
48 residing in the unincorporated area of each county
49 is to the total population residing in unincorporated

2 For purposes of this section 'population' shall
3 be based on the most recent federal census.

4 **Sec. NEW SECTION. CITY PROPERTY TAX RELIEF.**

5 All moneys received by a city under the provisions of
6 this Act shall be deposited in the general fund of the
7 city and may be expended for any lawful city purpose.
8 However, the city treasurer, or another city official
9 designated by the council, shall credit one-fourth of
10 the moneys received to a special account for property
11 tax relief. Before the levies authorized under
12 section three hundred eighty-four point one (384.1) of
13 the Code are certified to the county auditor, the
14 certifying official shall subtract from the total
15 amount computed in dollars, as provided in section
16 four hundred forty-four point two (444.2) of the Code,
17 an amount equal to the amount credited to the special
18 account for property tax relief during the last pre-
19 ceding twelve-month period, and shall certify only the
20 net amount to the county auditor and board of super-
21 visors. The limit on a city's tax levy for the
22 general fund, as stated in section three hundred eighty-
23 four point one (384.1) of the Code, shall be reduced
24 each year by the levy which would be necessary to
25 replace the amount credited to the special account for
26 property tax relief during the last preceding twelve-
27 month period. The county auditor shall base the levies
28 authorized under section four hundred forty-four point
29 three (444.3) of the Code upon the net amount so
30 computed. In order for a city to be qualified to
31 receive remittances in succeeding fiscal years from
32 the treasurer of state under this Act, the city clerk,
33 before July 15, 1977, and July fifteenth of each
34 succeeding year, shall certify to the treasurer of
35 state that the required reduction in the amount certi-

36 fied to the county auditor and board of supervisors
37 for city taxes has been made.

38 Moneys which become available in any succeeding
39 fiscal year because a city has failed to comply with
40 the provisions of this Act shall be apportioned among
41 the other cities in the manner provided in this Act.

42 Sec. **NEW SECTION. COUNTY PROPERTY TAX RE-**
43 **LIEF.** All moneys received by a county under the
44 provisions of this Act may be expended for any law-
45 ful county government purpose. However, the county
46 treasurer shall credit one-fourth of the moneys
47 received to a special account for property tax relief.
48 Before the levies authorized under section four
49 hundred forty-four point nine (444.9) of the Code are
50 made, the board of supervisors shall subtract from

Page 3

1 the total amount computed in dollars, as provided in
2 section four hundred forty-four point two (444.2) of
3 the Code, an amount equal to the amount credited to
4 the special account for property tax relief during
5 the last preceding twelve-month period, and shall
6 base the levies authorized under section four
7 hundred forty-four point nine (444.9) of the Code
8 upon the net amount so computed. In order for a
9 county to be qualified to receive remittances in
10 succeeding fiscal years from the treasurer of state
11 under this Act, the board of supervisors, before
12 July fifteenth of each year, shall certify to the
13 treasurer of state that the required reduction has
14 been made.

15 Moneys which become available in any succeeding
16 fiscal year because a county has failed to comply
17 with the provisions of this Act shall be apportioned
18 among the remaining counties in the manner provided
19 in this Act.

20 Sec. **NEW SECTION.** This Act shall apply when
21 the proposed budget of any city or county exceeds
22 one (1) per cent of the preceding fiscal year's budget

- 3 clause and inserting in lieu thereof the following:
- 4 **"Section 1. NEW SECTION. AUTHORIZATION—ELECTION—**
- 5 **—IMPOSITION.**
- 6 1. A city or a county may impose local taxes
- 7 authorized by this Act, subject to this section.
- 8 2. A local tax may be imposed originally or after
- 9 a period of discontinuance, only after an election
- 10 at which a majority of those voting on the question
- 11 favors imposition, and shall then be imposed for a
- 12 minimum period of two years.
- 13 3. Subject to subsection four (4) of this section,
- 14 a city council may direct the county commissioner
- 15 of elections to submit at the next general election
- 16 the question of imposition of an authorized local
- 17 tax to the qualified electors of the city on its own

18 motion, and shall do so within sixty days from the
19 date of receipt of a petition signed by qualified
20 electors of the city equal in number to ten percent
21 or more of the persons who voted at the last preceding
22 regular city election, which requests imposition of
23 a specified type and rate of authorized local tax.
24 However, a city council which submits the question
25 on its own motion must do so not later than ninety
26 days before the date of a general election, and a
27 petition must be filed with the council not later
28 than one hundred twenty days before the date of a
29 general election.

30 4. Before a city council submits the question
31 of imposition of a local tax, it shall send written
32 notice by regular mail to the board of supervisors
33 of the county in which the city is located, or the
34 county in which the largest portion of its population
35 resides, describing the type and rate of tax proposed.
36 Within thirty days of the date of mailing the notice,
37 the board of supervisors may supersede city action
38 by directing the county commissioner of elections
39 to submit at the next general election the question
40 of imposition of the same type and rate of tax
41 countywide.

42 5. A county board of supervisors may direct the
43 county commissioner of elections to submit at the

46 of the county on its own motion, and shall do so
47 within thirty days from the date of receipt of a
48 petition signed by qualified electors of the county

1 election, which requests countywide imposition of
2 a specified type and rate of authorized local tax.
3 However, a county board which submits the question
4 on its own motion must do so not later than sixty
5 days before the date of a general election, and a
6 petition must be filed with the board not later than
7 ninety days before the date of a general election.

8 6. Subsequent to a period during which a local
9 tax has been imposed following an election:

10 a. A city council or board of supervisors which
11 has imposed a local tax may continue to impose the
12 same type and rate of tax for two-year periods, may
13 discontinue the tax, or may direct the county com-
14 missioner of elections to resubmit the question to
15 the qualified electors of the city or county, as
16 applicable.

17 b. A city council or board of supervisors which
18 has imposed a local tax shall direct the county
19 commissioner of elections to resubmit the question
20 upon receipt of a petition which meets the requirements

21 of subsections four (4) or five (5) of this section,
22 as applicable.

23 c. If a local tax has been imposed by one or more
24 cities within a county and not by the county, the
25 county may proceed to submit the question of the same
26 type of local tax on a countywide basis, or shall
27 proceed upon petition, as provided in subsection five
28 (5) of this section, at a subsequent general election,
29 and the countywide tax, if it receives a favorable
30 vote, supersedes the same type of local tax which
31 has been imposed in one or more cities within the
32 county.

33 7. The county commissioner of elections shall
34 submit the question of imposition of a local tax only
35 at a general election.

36 8. In a city election, if a majority of those
37 voting in the city favors imposition of a local tax,
38 the council of that city shall impose the tax.

39 9. In a countywide election:

40 a. If a majority of those voting in the entire
41 county favors imposition of a local tax, the board
42 of supervisors shall impose the tax in the entire
43 county, including all cities in the county.

44 b. If a majority of those voting in the entire
45 county does not favor imposition of the tax, but a
46 majority of those voting in the unincorporated area
47 of the county favors imposition, the board of
48 supervisors shall impose the tax only in the
49 unincorporated area of the county.

50 c. If a majority of those voting in the entire

Page 3

1 county does not favor imposition of the tax, but a
2 majority of those voting in any city in the county
3 favors imposition, the council of that city shall
4 impose the tax in that city.

5 d. If a city is located in more than one county,
6 it shall be deemed to be in the county in which the
7 largest portion of its population resides, for purposes
8 of a countywide election and imposition of a countywide
9 tax.

10 10. A local tax shall be imposed or discontinued
11 only by ordinance of a city council or by resolution
12 of a board of supervisors.

13 11. If a majority of those voting in a city
14 election does not favor imposition of a local tax,
15 the city council shall not direct submission of the
16 question of imposition of the same type of local tax
17 before the next general election, and if a majority
18 of those voting in a countywide election does not
19 favor the imposition of a local tax, the board of
20 supervisors shall not submit the question of imposition
21 of the same type of local tax countywide before the
22 next general election. If a countywide election
23 fails, the city council of any city in which a majority

24 of those voting did not favor the tax shall not direct
25 submission of the question of the same type of local
26 tax before the next general election.

27 12. Not more than one of the authorized local
28 taxes may be submitted at a single election.

29 13. Except when a tax is imposed countywide, if
30 a majority of those voting in a city or in the
31 unincorporated area of a county votes against a local
32 tax that city or unincorporated area is not entitled
33 to any property tax reduction or other benefit which
34 may otherwise be extended to a city or unincorporated
35 area in which a majority of those voting favors the
36 imposition of that local tax.

37 Sec. 2. *NEW SECTION.* LOCAL INCOME TAX. An annual
38 local income tax may be imposed on every individual
39 resident taxpayer at a rate not to exceed ten percent
40 of the taxpayer's computed state individual income
41 tax for the tax year.

42 Sec. 3. *NEW SECTION.* LOCAL SALES, SERVICES AND
43 USE TAX. A local sales, services and use tax at a
44 rate of one percent may be imposed by a city or county
45 on the gross receipts taxed by the state under chapter
46 four hundred twenty-two (422), division four (IV),
47 of the Code, and the uses taxed under chapter four
48 hundred twenty-three (423) of the Code. A local
49 sales, services and use tax shall be imposed on the
50 same basis as the state sales, services and use tax

Page 4

1 and may not be imposed on the sale or use of any
2 property or on any service not taxed by the state.
3 A local sales, services and use tax is applicable
4 only to transactions within the territorial limits
5 of the city, unincorporated area of the county, or
6 county imposing it, and shall be collected by all
7 persons required to collect state gross receipts or
8 use taxes.

9 The amount of the sale, for purposes of determining
10 the amount of the local sales, services and use tax,
11 does not include the amount of any state gross receipts
12 or use taxes.

13 No tax permit other than the state tax permit
14 required under section four hundred twenty-two point
15 fifty-three (422.53) of the Code may be required by
16 local authorities.

17 Sec. 4. *NEW SECTION.* ADMINISTRATION. A local
18 sales, services and use tax shall be imposed either
19 January first or July first following a favorable
20 election and a local income tax shall be imposed
21 January first following a favorable election.

22 The director of revenue shall administer the
23 provisions of a local income tax, or sales, services
24 and use tax as nearly as possible in conjunction
25 with the administration of state income tax laws,
26 or state gross receipts and use tax laws. He shall

27 provide appropriate forms, or provide on the regular
28 state tax forms, for reporting local income tax, or
29 sales, services and use tax liability.

30 An ordinance of a city council or resolution of
31 a county board of supervisors imposing a local income
32 tax, or sales, services and use tax shall adopt by
33 reference the applicable provisions of the appropriate
34 sections of chapter four hundred twenty-two (422),
35 divisions one (I) and two (II) of the Code for a local
36 income tax, or chapter four hundred twenty-two (422),
37 division four (IV) and chapter four hundred twenty-
38 three (423) of the Code for a local sales, services
39 and use tax, and all powers of the director and
40 requirements of the director in administering the
41 state income tax law, or the state gross receipts
42 and use tax law are applicable to his administration
43 of a local income tax, or sales, services and use
44 tax law, as applicable, including but not limited
45 to powers to impose interest and penalties, and
46 requirements for hearing and appeal. Local officials
47 shall confer with the director of revenue and obtain
48 his assistance in drafting the ordinance or resolution

2 services and use tax shall be filed with the director
3 as soon as possible after passage.

4 The director, in consultation with local officials,
5 shall collect and account for a local income tax,
6 or sales, services and use tax. The director shall
7 retain for the use of the department of revenue one
8 percent of all local income tax, or sales, services
9 and use tax receipts, to cover administrative expense,
10 and shall credit remaining local income tax, or sales,
11 services and use tax receipts to a 'local tax fund'
12 hereby established in the office of the treasurer
13 of state.

14 **Sec. 5. NEW SECTION. PAYMENT TO LOCAL GOVERN-
MENTS.**

15 The treasurer of state shall remit quarterly to the
16 cities and counties which have imposed a local income
17 tax, or sales, services and use tax, and which have
18 qualified under sections six (6) or seven (7) of this
19 Act, their share of the balance in the local tax fund.
20 The local tax fund is appropriated for this purpose.

21 **Sec. 6. NEW SECTION. CITY PROPERTY TAX RELIEF.**

22 All local income tax, or sales, services and use tax
23 moneys received by a city shall be deposited in the
24 general fund of the city and may be expended for any
25 lawful city purpose. However, the city treasurer,
26 or another city official designated by the council,
27 shall credit one-half of all local income tax, or
28 sales, services and use tax moneys received to a

29 special account for property tax relief. Before the
30 levies authorized under section three hundred eighty-
31 four point one (384.1) of the Code are certified
32 to the county auditor, the certifying official shall
33 subtract from the total amount computed in dollars,
34 as provided in section four hundred forty-four point
35 two (444.2) of the Code, an amount equal to the amount
36 credited to the special account for property tax
37 relief during the last preceding twelve-month period,
38 and shall certify only the net amount to the county
39 auditor and board of supervisors. The limit on a
40 city's tax levy for the general fund, as stated in
41 section three hundred eighty-four point one (384.1)
42 of the Code, shall be reduced each year by the levy
43 which would be necessary to replace the amount credited
44 to the special account for property tax relief during
45 the last preceding twelve-month period. The county
46 auditor shall base the levies authorized under section
47 four hundred forty-four point three (444.3) of the
48 Code upon the net amount so computed. In order for
49 a city to be qualified to receive remittances from
50 the treasurer of state under this Act, the city clerk,

Page 6

1 before July fifteenth of each year, shall certify
2 to the treasurer of state that the required reduction
3 in the amount certified to the county auditor and
4 board of supervisors for city taxes has been made.

Sec. 7. NEW SECTION. COUNTY PROPERTY TAX RELIEF.

6 All local income tax, or sales, services and use tax
7 moneys received by a county may be expended for any
8 lawful county government purpose applicable to the
9 unincorporated area of the county. However, the
10 county treasurer shall credit one-half of all local
11 income tax, or sales, services and use tax moneys
12 received to a special account for property tax relief.
13 Before the levies authorized under section four hundred
14 forty-four point nine (444.9) of the Code are made,
15 the board of supervisors shall subtract from the total
16 amount computed in dollars, as provided in section
17 four hundred forty-four point two (444.2) of the Code,
18 an amount equal to the amount credited to the special
19 account for property tax relief during the last
20 preceding twelve-month period, and shall base the
21 levies authorized under section four hundred forty-
22 four point nine (444.9) of the Code upon the net
23 amount so computed. In order for a county to be
24 qualified to receive remittances from the treasurer
25 of state under this Act, the board of supervisors,
26 before July fifteenth of each year, shall certify
27 to the treasurer of state that the required reduction
28 has been made.

29 **Sec. 8. NEW SECTION. COUNTYWIDE SHARES. If an**
30 authorized local tax is imposed countywide, the

31 treasurer of state shall credit the receipts to a
32 joint account in the local tax fund, and shall remit
33 to each qualified city in the county a pro rata share
34 of the joint account, based upon the percentage of
35 its population residing in the county to the total
36 population of the county, and to the board of
37 supervisors, when the county is qualified, a pro rata
38 share of the joint account based upon the percentage
39 of population in the county outside of cities, all
40 according to the population determined by the last
41 preceding certified federal census.

42 Sec. 9. Section four hundred twenty-two point
43 seventy-two (422.72), subsection one (1), Code 1975,
44 is amended to read as follows:

45 1. It shall be unlawful for the director, or any
46 person having an administrative duty under this
47 chapter, to divulge or to make known in any manner
48 whatever, the business affairs, operations, or

3 expenditures or any particular thereof, set forth
4 or disclosed in any return, or to permit any return

COMMITTEE FROM THE HOUSE

A committee from the House appeared and announced that the House was ready to receive the Senate in joint convention.

In accordance with House Concurrent Resolution 106, duly adopted, the Senate proceeded to the House under the direction of the Secretary of the Senate and the Sergeant-at-Arms.

JOINT CONVENTION

In accordance with House Concurrent Resolution 106, duly adopted, the joint convention was called to order, President Neu presiding.

President Neu declared a quorum present and the joint convention duly organized.

Senator Andersen moved that a committee of six, consisting of three members from the Senate and three members from the House be appointed to escort the Honorable Gene W. Glenn to the Speaker's station to deliver an address in observance of Lincoln's birthday.

The motion prevailed and the President appointed as such committee Senators Andersen, Curtis and Redmond, on the part of the Senate, and Representatives Doyle, Husak and Drake on the part of the House.

The committee waited upon Senator Glenn and escorted him to the Speaker's station. President Neu then presented Senator Glenn who addressed the joint convention as follows:

MR. PRESIDENT, MR. SPEAKER, DISTINGUISHED MEMBERS OF THE GENERAL ASSEMBLY, LADIES AND GENTLEMEN:

How appropriate that we honor the legacy of Lincoln during our Bicentennial Year. Who, more than this revered American, gave the sustenance of lasting cohesion to a people and a Nation fragmented by conflicting practices and principles?

"A house divided against itself cannot stand.

I believe that this government cannot endure permanently half slave and half free."

Thus did Abraham Lincoln eloquently cut to the heart of the fledgling democracy's dilemma. The institution of slavery, which subordinated black men and women to the status of chattels, could not be reconciled with the Constitution's nobler standards; nor could conscience longer condone such callous debasement of the human condition.

In the week before his issuance of the Emancipation Proclamation, a troubled Lincoln shared his concerns with Congressman John Covode. "I have studied that matter well; my mind is made up. . . . It must be done. I am driven to it."

Longfellow wrote that New Year's Day of 1863: "A great day. The President's Proclamation for Emancipation of Slaves in the rebel states, goes into effect. A beautiful day, full of sunshine, ending in a tranquil moonlight night. May it be symbolical."

Less beautiful did the edict appear in the insurrection areas. Property valued on the tax books at nearly \$3 billion was confiscated by the stroke of Lincoln's pen. Could a more contentious consequence be conceived?

The moral issue merged with the political objective. In a letter dated August 22, 1862, Lincoln had set forth his paramount resolve:

"I would save the Union. I would save it the shortest way under the Constitution. The sooner the national authority can be restored; the nearer the Union will be 'the Union as it was'. If there be those who would not save the Union unless they could at the same time save slavery, I do not agree with them. If there be those who would not save the Union unless they could at the same time destroy slavery, I do not agree with them. My paramount object in this struggle is to save the Union, and is not either to save or to destroy slavery."

Lest misunderstanding arise as to apparent ambivalence on the abolitionist question, he closed the letter in this manner:

"I have here stated my purpose according to my view of official duty; and I intend no modification of my oft-expressed personal wish that all men everywhere could be free."

Destiny's selection could hardly have been more random and less calculating. Life on the frontier was hardy, existence spartan. When Thomas Lincoln bought his second farm of 348½ acres on the South Fork of Nolin Creek, 18 miles southeast of Elizabethtown in Kentucky—for which he paid Isaac Bush \$200 in cash and took on a small obligation due a former titleholder—creature comforts were scanty. In 1808 Tom Lincoln erected a cabin of logs on his land about two and a half miles from Hodgenville; the floor was dirt and a stick-clay chimney carried the fire smoke away.

With the aid of "the granny woman", Aunt Peggy Walters, a male child was born to Nancy Hanks and Thomas Lincoln, February 12, 1809. When asked what she was going to name him, Nancy responded: "Abraham, after his grandfather." She would die at the age of 34, leaving behind the nine-year-old Abe and twelve-year-old Sarah. Their lonesome days did not long endure; Thomas soon remarried, with his new wife bringing three children of her own into the one-room cabin. Modesty became sublimated to necessity, as eating, sleeping, washing and dressing took place in close proximity.

The young Lincoln's sparse education held no promise of future literary distinction; nor did the young gaunt giant glimpse his role in history. As he penned in his school sum book sheets:

"Abraham Lincoln is my name
And with my pen I wrote the same
I wrote in both hast and speed
And left it here for fools to read
Abraham Lincoln his hand and pen
He will be good but god knows when."

The theme of humility—near purposelessness—is recurrent through adolescence and young manhood. Paul Horgan captures it well in his "Citizen of New Salem". "(Lincoln) assured those with whom he came in contact that he was a piece of floating driftwood; that after a winter of deep snow, he had come down the river with the freshet; borne along by the swelling waters, and aimlessly floating about he had accidentally lodged at New Salem . . ." His self-description was that of "a strange, friendless, uneducated, penniless boy, working on a flat boat—at ten dollars a month."

Self-doubt notwithstanding, following a stint in the military service during the Black Hawk War of 1832, the youthful Lincoln stood as a candidate for the Illinois Legislature from New Salem. Tall, gawky and rough

looking, appearing much like the proverbial bumpkin, his competent speech-making gained him a surprising number of supporters and he fell but slightly short of success in a district where he had lived just over a year. Becoming a storekeeper to sustain himself, Lincoln commenced the study of law on the side. Mentor Graham, his schoolmaster, noted that "he was so studious he somewhat impaired his health and constitution"; other friends feared he "might bring on a mental derangement". But Lincoln persisted and his teacher proudly observed of the grown-up student: "I have taught in my life from four to six thousand pupils as a schoolmaster and no one has ever surpassed him in rapidly, quickly and well acquiring the rudiments and rules of English grammar."

The rude prairie frontier life demanded physical toughness; Lincoln's fame as a wrestler, jumper and runner rapidly grew. Rowan Herndon described him as "by fare the stoutest man that I ever took hold of," after he had seen him lift between 1,000 and 1,300 pounds of rock laid in a box. When he felled trees in the forest, observers thought his ax must be wielded by three men.

When his store failed, Lincoln secured appointment as postmaster and thereafter public surveyor. Again, Lincoln stood for the Legislature and on August 4, 1834, he was elected an Assemblyman of the Ninth General Assembly of the Illinois Legislature recording the highest vote cast for any candidate. Reelected in 1836, he debated and voted upon such familiar matters as the establishment of circuit courts, the powers of justices of the peace, questions of taxation, banking, incorporation of insurance companies, public roads, bridges, and education. During this term he acquired the reputation among his peers as "the smartest parliamentarian and cunningest 'log-roller'". In a joint statement with Assemblyman Dan Stone, his fellow townsman, Lincoln noted that "the institution of slavery is founded on both injustice and bad policy." His mind having been nurtured in the classics, his friendships broadened in the friendly environs of New Salem, his political skills and instincts honed in the Illinois Assembly; Lincoln now gained admittance to the practice of law and moved to Springfield where the Congress, the White House, and a rendezvous with history awaited him.

In his First Inaugural Address, delivered in 1861, Abraham Lincoln confronted the herculean task of maintaining the Union:

"The Union is much older than the Constitution. It was formed, in fact, by the Articles of Association in 1774. It was matured and continued by the Declaration of Independence in 1776. It was further matured, and the faith of all the then thirteen States expressly plighted and engaged that it should be perpetual, by the Articles of Confederation in 1778. And, finally in 1787, one of the declared objects for ordaining and establishing the Constitution was 'to form a more perfect Union'. . . .

I therefore consider that, in view of the Constitution and the laws, the Union is unbroken; and to the extent of my ability I shall take care, as the Constitution itself expressly enjoins upon me, that the laws of the Union be faithfully executed in all of the States."

Lincoln alluded to the necessity of majority rule in governing:

"From questions of this class spring all our constitutional controversies, and we divide upon them into majorities and minorities. If the minority will not acquiesce, the majority must or the Government

must cease. There is no other alternative; for continuing the Government is acquiescence on one side or the other."

He extended the hand of friendship:

"We are not enemies, but friends. We must not be enemies. Though passion may have strained, it must not break our bonds of affection."

Lincoln's eloquent plea availed not and a bloodbath ensued between North and South that exacted the lives of some 620,000 Americans. With the end of the War in sight, Lincoln used the occasion of his Second Inaugural Address to heal the awful breach that had been opened:

"With malice toward none; with charity for all; with firmness in the right, as God gives us to see the right, let us strive on to finish the work we are in; to bind up the nation's wounds; to care for him who shall have borne the battle, and for his widow, and his orphan—to do all which may achieve and cherish a just and lasting peace among ourselves, and with all nations."

The assassin's bullet that snuffed out this titan's life failed to deflect a people from the reconciliation he espoused. In the one hundred and ten years since that tragic event, the Nation's wounds have long since been healed and the cause of equal justice for all—though at times halting, sometimes strident—advanced beyond frontiers scarcely dreamed in Lincoln's day.

He would have delighted in this internal uplifting of the human condition; he would have marvelled at the scientific and economic progress attained; he would have wept at the colossal struggles America has endured abroad to remain free.

In this our Bicentennial Year, when we acknowledge the immeasurable contribution rendered by this honored American, may we rededicate ourselves to his magnificent injunction: "To do all which may achieve and cherish a just and lasting peace among ourselves and with all nations."

On motion of Representative Fitzgerald, the joint convention was dissolved.

The Senate returned to the Senate chamber and resumed regular session, Senator Hill of Polk presiding.

On motion of Senator Coleman, the Senate recessed until 1:30 p.m.

AFTERNOON SESSION

The Senate reconvened, President Neu presiding.

 11 the credit of each political subdivision from which
 12 the moneys are received, in a "political subdivision
 13 income surtax fund" which is established in the office

 16 of revenue shall make an accounting of such income
 17 surtax collected under this Act applicable to tax

 22 taxpayers in each political subdivision in the state
 23 which has imposed a surtax, and shall certify to the

47 1. For the fiscal year beginning July 1, 1977,
48 if the governing body of a political subdivision which
49 certifies or levies a property tax on a citywide or
50 countywide basis as applicable, wishes to levy more

Page 10

1 than the amount authorized under the tax levy
2 limitations provided in sections one (1) through six
3 (6) of this Act, the governing body may direct the
4 county commissioner of elections to publish notice
5 of and conduct a special election on the question
6 not later than February fifteenth of the base year.
7 In addition to any other requirements of law for a
8 city or county election, the notice of election shall
9 contain a comparison of estimated revenues and
10 expenditures for the certified budget of the preceding
11 fiscal year and the proposed budget, the dollar amount
12 and percentage increase of the proposed budget over
13 the preceding fiscal year's budget, the amount of
14 dollars needed above the limitations provided in
15 sections one (1) through six (6) of this Act, and
16 an explanation of the major reasons for the need to
17 exceed such limitations. If a majority of the
18 qualified electors voting on the question favor
19 expenditures in excess of the tax limitations under
20 sections one (1) through six (6) of this Act, the
21 amount so approved may be included in the certified
22 budget of the political subdivision for the fiscal
23 year beginning July 1, 1977.

24 2. The amount approved in excess of the amount
25 authorized under sections one (1) through six (6)
26 of this Act shall be raised by a combination of one-

27 half from a property tax levy and one-half from an
28 income surtax within such city or county if other
29 revenues are not available to meet such proposed
30 expenditures.

32 shall be exempt from the provisions of sections one
33 (1) through twelve (12) of this Act for its budget
34 for the fiscal year beginning July 1, 1977 except

36 subdivision may appeal to the appropriate review board
37 for authority to levy an amount in excess of the limi-
38 tations imposed under sections one (1) through six
39 (6) of this Act for expenditures necessitated by the
40 occurrence of a natural disaster or any other unusual
41 circumstances.

42 Sec. 14. COMPUTATION OF EXCESS AMOUNT. If a
43 majority of those voting in an election approves the
44 additional amount under section thirteen (13) of this
45 Act, the governing body shall certify to the state
46 comptroller that the required procedures have been
47 carried out, and the state comptroller shall establish
48 the amount of additional property tax to be levied

13 calendar year or the first half of the succeeding
14 calendar year, and shall be imposed on all individuals
15 residing in the political subdivision on the last
16 day of the applicable tax year. As used in this
17 section, 'state individual income tax' means the tax
18 computed under section four hundred twenty-two point
19 five (422.5) of the Code, less the deductions allowed
20 in section four hundred twenty-two point twelve
21 (422.12) of the Code.

22 Sec. 15. INCOME SURTAX PROCEDURES.

27 twenty-two point twenty-two (422.22) to four hundred
28 twenty-two point thirty-one (422.31), four hundred
29 twenty-two point sixty-eight (422.68), and four hundred

20 twenty-two point seventy-two (422.72) to four hundred

22 shall apply in respect to administration of such
23 **income surtax.**

25 **be made a part of the Iowa individual income tax**
26 return subject to the conditions and restrictions

30 moneys received as income surtax under this Act to
31 the credit of each political subdivision from which
32 the moneys are received, in a 'political subdivision
33 income surtax fund' which is established in the office
34 of the treasurer of state.

35 4. On or before October twentieth, the director
36 of revenue shall make an accounting of such income
37 surtax collected under this Act applicable to tax
38 returns for the last preceding calendar year, or for
39 fiscal year taxpayers, on the last day of their tax
40 year ending during that calendar year and after the

Page 12

1 date of the election approving the surtax, from
2 taxpayers in each political subdivision in the state
3 which has imposed a surtax, and shall certify to the
4 state comptroller the amount of total political
5 subdivision income surtax credited from the taxpayers
6 of each political subdivision. Additional returns
7 in process, if any, at the time of certification shall
8 be completed and the additional amount of income
9 surtax reported to the state comptroller for
10 distribution back to the political subdivision when
11 such processing is completed.

12 5. The state comptroller shall draw warrants in
13 payment of the amount of surtax payable to each of
14 the political subdivisions in two installments to
15 be paid on approximately the first day of December
16 and the first day of February, and shall cause the
17 warrants to be delivered to the respective political
18 subdivisions.

19 Sec. 16. APPEAL TO STATE BOARD. Nothing in **this**

23 peal board.

50 subdivision may levy property taxes for the succeeding

Page 4

1 fiscal year in excess of the allowable growth guide-
2 line provided by this Act and be exempt from the
3 provisions of section three (3) of this Act. However,
4 the exemption from the requirements of section three
5 (3) of this Act shall only be applicable if the
6 additional property tax levy does not raise in
7 dollars an amount which exceeds the allowable growth
8 guideline for the succeeding fiscal year and the
9 difference between the amount in dollars which the
10 political subdivision levied during the base year
11 and the amount in dollars which the political sub-
12 division could have levied during that year under
13 the allowable growth guideline.

14 Sec. 6. DUTIES OF STATE COMPTROLLER. As soon as

19 subdivision of this state.

20 Sec. 7. PROPERTY TAX LEVY LIMITATIONS NOT
AFFECTED.

21 The provisions of this Act shall not be construed
22 as removing or otherwise affecting the property tax
23 levy limitations otherwise provided by law for any
24 fund, account, or program in the total budget of a
25 political subdivision.

26 Sec. 8. BUDGET APPEAL NOT AFFECTED. The provisions
27 of this Act shall not be construed to prohibit or
28 affect a protest filed with the state appeal board
29 against a total budget which has not equaled or
30 exceeded the allowable growth guideline provided for
31 in this Act.

32 Sec. 9. SPECIAL CHARTERED CITIES. It is the
33 intention of the general assembly that the provisions
34 of this Act shall apply to special chartered cities.

4 and inserting in lieu thereof the following:

7 is disclosed to the buyer is a qualified livestock
8 transaction. Livestock which are the subject of a
9 qualified livestock transaction are exempt from the
10 implied warranties of section five hundred fifty-four
11 point two thousand three hundred fourteen (554.2314)
12 and five hundred fifty-four point two thousand three
13 hundred fifteen (554.2315) of the Code with respect
14 to that transaction, notwithstanding section five
15 hundred fifty-four point two thousand three hundred
16 sixteen (554.2316) of the Code. However, the exemption
17 created by this section shall not be deemed to impair
18 or modify any actual exclusion or modification of
19 warranties as permitted by section five hundred fifty-
20 four point two thousand three hundred sixteen
21 (554.2316) of the Code.

22 Sec. 3. Section two hundred eleven point three

26 1. If a person elects to use a livestock history
27 in a transaction, it shall be prepared on forms
28 approved by, or prescribed and furnished by the
29 department of agriculture. The form must be signed
30 by the owner of the livestock or his or her authorized
31 agent, and must contain all of the following in-
32 formation:

33 a. The names, mailing addresses, and residence

34 or business locations of the present owner and all
35 previous owners of the livestock within the thirty
36 days preceding the date of the transaction.

37 b. A description of the livestock including their
38 number, breed and sex, and brands, tags, or other
39 markings, if any.

40 2. If the information is not the same for all
41 livestock included in the transaction, a livestock
42 history must be separately prepared and disclosed
43 for all livestock included in the transaction.

44 3. An owner who prepares livestock histories under
45 the provisions of this section shall retain one copy
46 of each livestock history disclosed or delivered in
47 a transaction for at least one year after the date
48 of the transaction to which it refers.

49 4. If any of the information specified in
50 subsection one (1) of this section cannot be determined

Page 3

1 or otherwise is not stated with respect to any animal,
2 the disclosure specified in section two (2) of this
3 Act is not satisfied and that animal is not exempted
4 from implied warranties by that section.

5 Sec. 4. Chapter two hundred eleven (211), Code
6 1975, is amended by adding the following new section:
7 **NEW SECTION. 211.4 DISCLOSURE.**

8 1. In any transaction the disclosure prescribed
9 by section two (2) of this Act is satisfied if, prior
10 to making the contract of sale, the owner causes to
11 be delivered to the buyer a copy of a livestock history
12 prepared and subscribed by that owner.

13 2. In a transaction which involves a livestock
14 agency acting in a capacity other than as owner, the
15 disclosure prescribed by section two (2) of this Act
16 is satisfied if all of the following occurs:

17 a. The owner causes to be delivered to the live-
18 stock agency a livestock history prepared and sub-
19 scribed by that owner.

20 b. The livestock agency to whom the owner delivers
21 the livestock history makes that livestock history
22 form available at the place of business of that
23 livestock agency for prospective buyers to see upon
24 request prior to the making of a sale, and verbally
25 announces immediately prior to the taking of bids
26 or the receiving of other offers that "a livestock
27 history is available" in those or similar terms.

28 The fact that a buyer did not hear the announcement
29 shall not defeat the exemption claimed with respect
30 to that buyer. A livestock agency acting as a con-
31 signee or broker and receiving a livestock history
32 shall retain the history for one year from the date
33 of receipt.

34 A livestock agency disclosing a livestock history
35 pursuant to this subsection shall not be liable for
36 any false information contained in that history unless

37 the livestock agency had actual knowledge of its
38 falsity.

39 3. In a transaction which involves a livestock
40 agency acting in the capacity of owner, the disclosure
41 prescribed by section two (2) of this Act is satisfied
42 if that livestock agency prepares and subscribes a
43 livestock history, and makes that livestock history
44 form available at the place of business of that
45 livestock agency for prospective buyers to see upon
46 request prior to the making of a sale, and verbally
47 announces immediately prior to the taking of bids
48 or the receiving of other offers that "a livestock
49 history is available" in those or similar terms.

50 The fact that a buyer did not hear the announcement

Page 4

1 shall not defeat the exemption claimed with respect
2 to that buyer. A livestock agency making disclosure
3 as an owner shall retain the livestock history for
4 **one year from the date of its preparation.**

5 4. A livestock history subscribed by an owner
6 shall constitute an express warranty as to the
7 livestock to which the history refers.

8 Sec. 5. Chapter two hundred eleven (211), Code
9 1975, is amended by adding the following new section:

10 **NEW SECTION. 211.5 EXEMPTION IS A DEFENSE.**

11 The implied warranty exemption which is created by
12 section two (2) of this Act shall be a defense, and
13 the burden of pleading the defense and of proving
14 disclosure shall be on the person asserting the
15 defense. Proof of a material error in or material
16 omission from information disclosed shall defeat a
17 claim of exemption.

18 Sec. 6. Chapter two hundred eleven (211), Code
19 1975, is amended by adding the following new sections:

20 **NEW SECTION. 211.6 NONDISCLOSURE NOT EVIDENCE.**

21 The election by any owner or by any livestock agency
22 not to provide livestock history or not to make the
23 verbal announcement, as permitted by this Act with
24 respect to a livestock transaction, shall not be
25 admissible as evidence in any action brought by the
26 buyer in that transaction if offered by that buyer
27 as proof of, or as fact tending to prove, any
28 allegation or claim other than fraud or
29 misrepresentation asserted by the buyer in that action.

30 **NEW SECTION. 211.7 FALSE STATEMENT—PENALTY.**

31 Any person who knowingly furnishes, completes or
32 states false livestock history commits a misdemeanor,
33 punishable by a fine not exceeding one hundred dollars
34 or by imprisonment in the county jail for not more
35 than thirty days.

36 **NEW SECTION. 211.8 DETRIMENTAL RELIANCE OF
OWNER.**

37 If a livestock agency who knowingly receives a live-
38 stock history fails to make that livestock history

39 available, or fails to make the verbal announcement,
40 in the manner prescribed in subsection two (2) of
41 section four (4) of this Act, and such failure is
42 the proximate cause of damages sustained by the owner
43 causing the delivery of that livestock history, the
44 livestock agency shall be liable to that owner for
45 those damages. In any action in which the liability
46 of a livestock agency under this section is alleged,
47 it shall be presumed that the livestock agency had
48 a duty to disclose the livestock history and it shall
49 be presumed that the owner relied upon a disclosure
50 of that livestock history by that livestock agency:

Page 5

1 However, the owner shall have the burden of proving
2 his or her compliance with subsection two (2) of
3 section four (4) of this Act.

13 livestock so inspected. The veterinary inspector
14 shall have other duties as determined by the secretary
15 of agriculture.

16 **2. CERTIFICATES.** A livestock agency or central

22 period immediately preceding the sale.

23 **3. PENALTIES.** A livestock agency or central
24 public market which fails to comply with a duty imposed
25 by this section commits a misdemeanor, and upon
26 conviction may be sentenced to a fine not to exceed
27 five hundred dollars, or to imprisonment in the county
28 jail for a term not to exceed one year, or to both
29 the fine and imprisonment.

30 **4. INSPECTION FEES.** An approved veterinary
31 inspector shall be entitled to receive a veterinary
32 inspection fee agreed upon by the livestock agency
33 or central public market and the veterinary inspector,
34 and approved by the secretary of agriculture.

35 **5. EXEMPTIONS.** The provisions of this section
36 shall apply to all livestock agencies or central pub-
37 lic markets receiving livestock moved into this state
38 for sale through said livestock agency or central

7 may prescribe to secure the performance of their
8 obligations, and whenever the secretary after hearing
9 under the Iowa Administrative Procedure Act finds
10 any such agency is insolvent or has violated any
11 provisions of this chapter he or she may suspend
12 operations of the livestock agency forthwith for a
13 reasonable specified period.

16 1975, is amended by adding the following new subsec-
17 tion:

2 the Senate, as follows:
3 1. Page 2, by inserting after line 8 the following:
4 "Sec. Section four hundred ninety-six A point
5 thirty-four (496A.34), unnumbered paragraph one (1),
6 Code 1975, is amended by striking the paragraph and
7 inserting in lieu thereof the following:
8 All corporate powers shall be exercised by or under
9 the authority of, and the business and affairs of
10 a corporation shall be managed under the direction
11 of, a board of directors consisting of one or more
12 members, except as may be otherwise provided in this
13 chapter or in the articles of incorporation. If any
14 such provision is made in the articles of
15 incorporation, the powers and duties conferred or
16 imposed upon the board of directors by this chapter
17 shall be exercised or performed to such extent and
18 by such person or persons as shall be provided in
19 the articles of incorporation. Directors need not
20 be residents of this state or shareholders of the
21 corporation unless the articles of incorporation
22 or bylaws so require. The articles of incorporation
23 or bylaws may prescribe other qualifications for
24 directors. The board of directors shall have authority
25 to fix the compensation of directors unless otherwise

26 provided in the articles of incorporation.

27 A director shall perform the duties of a director,
28 including the duties as a member of any committee
29 of the board upon which such director may serve, in
30 good faith, in a manner such director reasonably
31 believes to be in the best interests of the
32 corporation, and with such care as an ordinarily
33 prudent person in a like position would use under
34 similar circumstances. In performing such duties,
35 a director shall be entitled to rely on information,
36 opinions, reports or statements, including financial
37 statements and other financial data, in each case
38 prepared or presented by: (1) One or more officers
39 or employees of the corporation whom the director
40 reasonably believes to be reliable and competent in
41 the matters presented; (2) Counsel, public accountants
42 or other persons as to matters which the director
43 reasonably believes to be within such person's
44 professional or expert competence; or, (3) A committee
45 of the board upon which such director does not serve,
46 duty designated in accordance with a provision of
47 the articles of incorporation or the bylaws, as to
48 matters within its designated authority, which
49 committee the director reasonably believes to merit
50 confidence. However such director shall not be

Page 2

1 considered to be acting in good faith if such director
2 has knowledge concerning the matter in question that
3 would cause such reliance to be unwarranted. A person
4 who so performs such duties shall not have liability
5 by reason of being or having been a director of the
6 corporation.

7 A director of a corporation who is present at a
8 meeting of its board of directors at which action
9 on any corporate matter is taken shall be presumed
10 to have assented to the action taken, unless the
11 dissent of such director is entered in the minutes
12 of the meeting, such director files a written dissent
13 to such action with the secretary of the meeting
14 before the meeting's adjournment, or such director
15 forwards such dissent by registered or certified mail
16 to the secretary of the corporation immediately after
17 the adjournment of the meeting. Such right to dissent
18 shall not apply to a director who voted in favor of
19 such action."

- 8 Sec. 2. **NEW SECTION. CONSTRUCTION.** This Act
- 9 shall be construed to complement and be harmonized
- 10 with the applied laws of the United States which have
- 11 the same or similar purpose as this Act. This
- 12 construction shall not be made in such a way as to
- 13 constitute a delegation of state authority to the
- 14 federal government, but shall be made to achieve
- 15 uniform application of the state and federal laws

16 prohibiting restraints of economic activity and
17 monopolistic practices.

18 Sec. 3. *NEW SECTION. DEFINITIONS.* As used in
19 this Act, unless the context otherwise requires:

6 not be construed to prohibit:

7 1. The activities of any labor organization,
8 individual members of such an organization, or group

1 Sec. 9. *NEW SECTION. INVESTIGATION.*

2 1. If the attorney general has reasonable cause
3 to believe that a person has engaged in or is engaging
4 in conduct prohibited by this Act, the attorney general
5 shall make such investigation as is deemed necessary
6 and may, prior to the commencement of a suit against
7 this person under this Act:

8 a. Issue written demand on this person, its
9 officers, directors, partners, fiduciaries, or employees
10 to compel their attendance before the attorney general
11 and examine them under oath;

12 b. Issue written demand to produce, examine, and
13 copy a document or tangible item in the possession
14 of this person or its office, directors, partners,
15 or fiduciaries;

16 c. Upon an order of a district court, pursuant
17 to a showing that such is reasonably necessary to
18 an investigation being conducted under this section:

19 (1) Compel the attendance of any other person
20 before the attorney general and examine this person

21 under oath;

22 (2) Require the production, examination, and
23 copying of a document or other tangible item in the
24 possession of such person; and,

25 d. Upon an order of a district court, impound
26 a document or other tangible item produced pursuant
27 to this section and retain possession of it until
28 the completion of all proceedings arising out of the
29 investigation.

30 2. A written demand or court order issued pursuant
31 to this section shall contain the following
32 information, as applicable:

33 a. A reference to this Act and a general

43 produced under this section shall be sealed by the
44 court and be kept confidential by the attorney general,
45 until an action is filed against a person under this
46 Act for the violation under investigation, unless
47 confidentiality is waived by the person being
48 investigated and the person who has testified, answered
49 interrogatories, or produced material, or unless
50 disclosure is authorized by the court. However, the

Page 4

1 attorney general may, at any time, transmit information
2 collected under this section to the antitrust division
3 of the United States department of justice and to
4 the attorney general's office of any other state.
5 4. This Act shall not be construed to limit or
6 abridge statutory or constitutional limitations on
7 self-incrimination.

8 Sec. 10. NEW SECTION. INVESTIGATION ENFORCEMENT.

9 If a person objects or otherwise fails to obey a
10 written demand or court order issued under section
11 nine (9) of this Act, the attorney general may file
12 in the district court of the county in which the
13 person resides or maintains a principal place of
14 business within this state an application for an order
15 to enforce the demand or order. Notice of hearing
16 and a copy of the application shall be served upon
17 the person, who may appear in opposition to the
18 application. If the court finds that the demand or
19 order is proper, that there is reasonable cause to
20 believe there has been a violation of this Act, and
21 that the information sought or document or object
22 demanded is relevant to the violation, it shall order

23 the person to comply with the demand or order, subject
24 to such modification as the court may prescribe.
25 Upon motion by the person and for good cause shown,
26 the court may make any further order in the proceedings
27 which justice requires to protect the person from
28 unreasonable annoyance, embarrassment, oppression,
29 burden, or expense.

30 Sec. 11. *NEW SECTION. PROTECTIVE ORDERS.* Upon
31 application of any person who was served a written
32 demand or court order under section nine (9) of this
33 Act, upon notice and hearing, and for good cause
34 shown, the district court may make any order which
35 justice requires to protect the person from annoyance,
36 embarrassment, oppression, or undue burden of expense,
37 including the following:

38 1. That the examination of this person shall not
39 be taken or that documents or other tangible items
40 shall not be produced for inspection and copying;

41 2. That the examination or production of documents
42 or other tangible items shall be had only on specified
43 terms and conditions, including a change in the time
44 or place;

45 3. That certain matters shall not be inquired
46 into or that the scope of the examination or production
47 shall be limited to certain matters;

48 4. That the examination or production and
49 inspection shall be conducted with only those persons
50 present as designated by the court;

Page 5

1 5. That the transcript of the examination shall
2 be sealed and be opened only by order of the court;

3 6. That a trade secret or other confidential
4 research, development, or commercial information shall
5 not be disclosed or shall be disclosed only in a
6 designated way.

7 Sec. 12. *NEW SECTION. REMEDIES.* The state or
8 a person who is injured or threatened with injury
9 by conduct prohibited under this Act may bring suit
10 to:

11 1. Prevent or restrain conduct prohibited under
12 this Act and remove the conduct's effect by injunction,
13 divestiture, divorcement, dissolution of domestic
14 enterprises to do business in this state, compelling
15 the forfeiture or restraint of the issuance of a
16 certificate of incorporation, permit to transact
17 business, license, or franchise, or granting other
18 equitable relief. The state may bring suit under
19 this section without posting bond.

20 2. Recover actual damages resulting from conduct
21 prohibited under this Act.

22 3. Recover, at the court's discretion, exemplary
23 damages which do not exceed twice the actual damages
24 awarded under subsection two (2) of this section if:

25 a. The trier of fact determines that the prohibited

26 conduct is willful or flagrant; and,

27 b. The person bringing suit is not the state.

28 4. Recover the necessary costs of bringing suit,
29 including a reasonable attorney fee. However, the
30 state may not recover any attorney fee.

31 Sec. 13. *NEW SECTION. CIVIL PENALTY.* In addition
32 to suit under section twelve (12) of this Act, the
33 state may bring suit to assess a civil penalty against
34 an enterprise whose conduct is prohibited under this
35 Act. The civil penalty assessed shall not exceed
36 twenty-five percent of the total value of the specific
37 commodities by their brand, make, and size or of
38 services either of which were the subject of the
39 prohibited conduct sold in the relevant market in
40 this state by the enterprise in each year in which
41 this conduct occurred, but this penalty shall not
42 exceed one hundred fifty (150,000) dollars. In
43 computing this penalty, only the four most recent
44 years in which the prohibited conduct occurred, as
45 of commencement of suit under this section, shall be
46 used in the computation.

47 Sec. 14. *NEW SECTION. LIMITATIONS.*

48 1. Suit by the state under section thirteen (13)
49 of this Act must be commenced within four years after
50 the cause of action accrues or, if there is fraudulent

Page 6

1 concealment of this cause of action, within four years
2 after the cause of action becomes known, whichever
3 period is later.

4 2. Suit by any person under section twelve (12)
5 of this Act must be commenced within four years after
6 the cause of action accrues. However, if this cause
7 is based, in whole or part, on the same set of facts
8 as alleged in a suit brought under section thirteen
9 (13) of this Act, this period shall be extended until
10 one year after the suit brought under section thirteen
11 (13) of this Act is concluded.

12 Sec. 15. *NEW SECTION. PRIMA FACIE EVIDENCE.*

13 A final decree or judgment, other than a consent
14 decree or consent judgment entered before trial, in
15 a suit brought by the state under sections twelve
16 (12) and thirteen (13) of this Act, is prima facie
17 evidence against the defendant in a suit brought by
18 any person other than the state under section twelve
19 (12) of this Act as to all matters respecting which
20 this decree or judgment would be an estoppel between
21 the state and the defendant. This section shall not
22 affect the application of collateral estoppel or issue
23 preclusion.

24 Sec. 16. Chapter five hundred fifty-three (553),
25 Code 1975, is repealed.

33 Sec. **NEW SECTION. RESTRAINT OF ECONOMIC AC-**
34 **TIVITY PROHIBITED—UNREASONABLENESS.**

35 1. An agreement shall not unreasonably restrain
36 economic activity in the state. An agreement affecting

39 substantially to lessen, limit, or suppress competition

42 tivities that generally have the purpose or effect

12 or service in a geographical area;

13 Sec. **NEW SECTION. AGREEMENTS UNREASONABLE**
14 **PER SE.**

15 1. An agreement between two or more persons who
16 are in competition is conclusively presumed to be
17 unreasonable if, with respect to a commodity or service

19 persons, it has the purpose or effect of:

21 price of this commodity or service;

23 quantity of this commodity or service produced, bought,
24 rented, or sold;

25 c. Establishing, maintaining, or regulating the
26 share or portion of the total supply or demand for
27 this commodity or service produced, bought, rented,
28 or sold by any person;

29 d. Establishing, limiting, or allocating the geo-
30 graphical area in which any person may produce, buy,
31 rent, or sell this commodity or service; or

32 e. Limiting or allocating the identity or number
33 of producers, purchasers, renters, or suppliers, ac-
34 tual or potential with whom any person may deal, or
35 of transactions in which any person may participate.

36 2. An agreement between a person who sells a com-
37 modity or service and a person by whom this commodity
38 or service is bought for resale is conclusively pre-
39 sumed to be unreasonable if this agreement has the
40 purpose of establishing, maintaining, or regulating
41 the price at which this commodity is resold.

42 Sec. **NEW SECTION. MONOPOLIES PROHIBITED.**

43 A person shall not attempt to establish or establish,
44 maintain, or use a monopoly of economic activity in
45 a relevant market for the purpose of excluding competi-
46 tion or of controlling, fixing, or maintaining prices.

47 Sec. **NEW SECTION. ANCILLARY RESTRAINTS.**

48 Notwithstanding the provisions of sections four (4),
49 five (5), and six (6) of this Act, an agreement which
50 restrains economic activity is not unreasonable if

Page 3

1 it is ancillary to an otherwise lawful objective,
2 and lessens, limits or suppresses competition no more
3 than is reasonably necessary to achieve that
4 objective."

29 the thirty days preceding the date of the transaction.

30 2. If the identities of all previous owners with-
31 in the preceding thirty days cannot be determined
32 due to transactions which occurred outside the state
33 of Iowa, the form shall so indicate and shall provide
34 full information concerning the out-of-state
35 transaction resulting in the transportation of the
36 livestock into Iowa.

37 3. If the livestock history is not available to
38 the owner or a livestock agency due to the refusal
39 of an owner to provide it, the owner or a livestock
40 agency may prepare a livestock history which shall
41 so indicate and which shall provide full information
42 concerning its receipt of the livestock which are
43 the subject of the transaction.

44 4. Except as provided in subsections two (2) and
45 three (3) of this section, if the identities of all
46 previous owners within the preceding thirty days are
47 not determined or cannot be determined for any other
48 reason, then the livestock shall not qualify for
49 exemption under this Act.

50 5. The form shall require a description of the

Page 3

1 livestock including their number, breed and sex, and
2 brands, tags, or other markings, if any.

3 6. The livestock history shall constitute an ex-
4 press warranty by the owner, or, by the livestock

8 7. If the livestock history is not the same for

12 8. Owners, and livestock agencies acting under
13 the provisions of subsection three (3) of this section,
14 shall retain one copy of each livestock history they

19 **NEW SECTION. 211.4 COMPLIANCE.**

20 1. When selling livestock an owner who is not
21 a livestock agency is deemed to have participated
22 in a qualified livestock transaction if, prior to
23 making the contract of sale, that owner does any of
24 the following:

25 a. Delivers to the buyer a copy of the livestock
26 history subscribed by that owner; or

27 b. Otherwise discloses the information required
28 by the livestock history form; or

29 c. If the owner consigns the livestock to a
30 livestock agency, the owner delivers a written
31 livestock history to the livestock agency.

32 2. A livestock agency who participates in a
33 transaction as the owner of the livestock, and who
34 prepares a written livestock history as owner in
35 accordance with section three (3) of this Act, and
36 who discloses the history as provided for in subsection
37 three (3) of this section, is deemed to have
38 participated in a qualified livestock transaction.

39 3. A livestock agency either selling livestock
40 on consignment or brokering the sale of livestock
41 is deemed to have participated in a qualified livestock
42 transaction if it makes the livestock history form
43 available at the place of business of the livestock
44 agency for prospective buyers to see upon request
45 prior to the making of a sale. The duty of the
46 livestock agency in complying with this subsection
47 shall be limited to accurately disclosing the livestock
48 history as received by the livestock agency. If a
49 livestock agency acting as a consignee or broker
50 receives a written livestock history, the livestock

Page 4

1 agency shall retain the written history for two years
2 from the date of receipt, regardless of whether or
3 not the livestock agency participates in a qualified
4 livestock transaction.

5 Sec. 5. Chapter two hundred eleven (211), Code
6 1975, is amended by adding the following new sections:

7 **NEW SECTION. 211.5 EXEMPTION IS A DEFENSE.**

8 In any action or proceeding, the implied warranty
9 exemption which is created by section two (2) of this
10 Act shall be a defense, and the burden of pleading
11 the defense and of proving compliance with section
12 four (4) of this Act shall be on the person or

13 livestock agency asserting the defense. Proof of
14 a material error in or material omission from
15 information supplied shall defeat a claim of exemption,
16 except as otherwise provided in subsection three (3)
17 of section four (4) of this Act with respect to a
18 livestock agency.

19 **NEW SECTION. 211.6 NONCOMPLIANCE NOT EVIDENCE.**

20 The election by any owner or by any livestock agency
21 not to provide livestock history or not to make any
22 verbal declaration of the history of livestock
23 ownership in a transaction shall not be admissible
24 as evidence in any action brought by the buyer in
25 that transaction if offered by that buyer as proof
26 of, or as fact tending to prove, any allegation or
27 claim other than fraud or misrepresentation asserted
28 by the buyer in that action.

29 **NEW SECTION. 211.7 FALSE STATEMENT—PENALTY.**

30 Any person who knowingly furnishes, completes or

33 or by imprisonment in the county jail for not more
34 than thirty days.

35 **NEW SECTION. 211.8 VETERINARY INSPECTION.**

36 1. **INSPECTIONS.** A marketing agency or central
37 public market operating under a permit issued by the
38 department of agriculture shall cause to be provided
39 veterinary inspections by a qualified veterinary
40 inspector who has been approved by the secretary
41 of agriculture. The veterinary inspector shall
42 visually inspect all livestock marketed and shall
43 issue certificates as to the apparent health of
44 livestock so inspected. The veterinary inspector
45 shall have other duties as determined by the secretary
46 of agriculture.

47 2. **CERTIFICATES.** A livestock agency or central
48 public market shall cause to be delivered with all
49 livestock sold a verified veterinarian's certificate,
50 on a form prescribed by the secretary of agriculture,

Page 5

1 which certifies that the health inspection of each
2 animal sold was made during the twenty-four hour
3 period immediately preceding the sale.

4 3. **PENALTIES.** A livestock agency or central
5 public market which fails to comply with a duty imposed
6 by this section commits a misdemeanor, and upon
7 conviction may be sentenced to a fine not to exceed
8 five hundred dollars, or to imprisonment in the county
9 jail for a term not to exceed one year, or to both
10 the fine and imprisonment.

11 4. **INSPECTION FEES.** The state department of
12 agriculture shall collect a veterinary inspection
13 fee agreed upon by the livestock agency or central
14 public market and a qualified veterinary inspector,
15 recommended by the livestock agency or central public

16 market and approved by the secretary of agriculture
17 plus a cost of administration not to exceed two dollars
18 per month per livestock agency or central public
19 market, on all livestock marketed through said live-
20 stock agency or central public market required to
21 hold permits issued by the department of agriculture.
22 Such fees, when collected, shall be placed by the
23 secretary of agriculture in an "inspection fee
24 revolving fund" under his or her jurisdiction. The
25 department shall pay fees to each approved veterinary
26 inspector for inspection services in accordance with
27 agreements between such veterinarian and the livestock
28 agency or central public market where inspections
29 are accomplished, reduced by the allowable amounts
30 for administration. Such fees shall be adjusted from
31 time to time so that the amount collected will not
32 exceed the costs of veterinary inspections and the
33 administration thereof. The provisions of this section
34 shall also apply to all livestock agencies or central
35 public markets receiving livestock moved into this
36 state for sale through said livestock agency or central
37 public markets, except meat processing establishments
38 or central public markets where full-time federal
39 inspections are required and such requirement is
40 complied with. Livestock agencies or central public
41 markets not handling livestock shipped into this state
42 for resale shall be exempt from the provisions of
43 this section, as well as livestock meeting federal
44 and state requirements for interstate shipment as
45 to health at the time of entry into Iowa.
46 **NEW SECTION. 211.9 NONCOMPLIANCE NOT EVIDENCE.**
47 The election by any owner or by any livestock agency
48 not to provide livestock history or not to make any
49 verbal declaration of the history of livestock owner-
50 ship in a transaction shall not be admissible as

Page 6

1 evidence in any action brought by the buyer in that
2 transaction, if offered by that buyer as proof of,
3 or as fact tending to prove any allegation or claim,
4 other than fraud or misrepresentation, asserted by
5 the buyer in that action. The prohibition contained
6 in this section shall apply, whether or not the
7 exemption created by section two (2) of this Act is
8 an issue in the action.
9 **NEW SECTION. 211.10 BONDING CERTAIN LIVESTOCK**
10 **AGENCIES.** The secretary of agriculture may require
11 reasonable bonds from every livestock agency operating
12 in this state which is not presently bonded under

15 one hundred eighty-one (181) through two hundred
16 thirty-one (231), United States Code, under such rules
17 as he or she may prescribe to secure the performance

18 of their obligations, and whenever the secretary after
19 hearing under the Iowa Administrative Procedure Act
20 finds any such agency is insolvent or has violated
21 any provisions of this chapter he or she may suspend
22 operations of the livestock agency forthwith for a

CONSIDERATION OF BILLS

Senate File 368

On motion of Senator Shaff, Senate File 368, a bill for an act relating to the marketing of livestock and providing penalties, with report of committee recommending amendment and passage, was taken up, considered, and the report of the committee adopted.

Senator Shaff offered amendment S—5200 filed by the committee on agriculture on February 24, 1976, and found on pages 585-590, inclusive, of the Senate Journal.

The Chair ruled the point not well taken and the committee amendment S—5200 in order because under Sec. 682 of Mason's Manual of Legislative Procedure the committee was fully empowered to file any amendments and would not have to do so in connection with its report.

Senator Briles offered amendment S—5306 to amendment S—5200 filed by him on March 8, 1976, and found on pages 785-791, inclusive, of the Senate Journal, and moved its adoption.

 22 health and institutions fund. However, the approval
 23 of the board of supervisors shall be required before
 24 payment is made by a county for costs incurred which

 26 for treatment provided to any one alcoholic or
 27 intoxicated person, except that such approval is not
 28 required for the cost of treatment provided to an
 29 alcoholic or intoxicated person who is committed
 30 pursuant to sections 125.18 and 125.19. A facility

3 125.30 [DISPUTED SETTLEMENT] *DISPUTES OVER PAY-*
MENT.

 5 the cost of care, maintenance, and treatment of an
 6 alcoholic is made, disputes that such alcoholic has
 7 his [legal settlement] *residence* in that county, it
 8 shall immediately notify the facility that such dispute
 9 exists. The director shall immediately investigate
 10 the facts and determine in which county the patient
 11 has [legal settlement] *residence*. The director shall
 12 certify his determination to the county, *if any*,

24 been liable to pay. For purposes of this section,
25 a 'facility' does not include a mental health institute
26 under the control of the department of social services.

36 total amount and to the division for seventy-five
37 percent of the total amount of the cost of providing
38 care, maintenance, and treatment for the alcoholic
39 while a voluntary or committed patient in a facility,
40 except when the state pays the total cost of care
41 in which case liability of one hundred percent shall
42 be to the state. Nothing in this section shall
43 prohibit any individual from paying any portion of
44 the cost of treatment.

If the governing body of a political subdivision certifies a total budget for the fiscal year beginning July 1, 1976 or July 1, 1977, the property tax budget of which exceeds the property tax budget of such political subdivision for the base year by more than nine percent, such certified total budget shall be subject to approval of the state appeal board upon petition signed by the number of persons who are residents of such political subdivision as required under section twenty-four point twenty-seven (24.27) or three hundred eighty-four point nineteen (384.19) of the Code. The petition shall include the objections to the property tax budget or part of such budgets and the grounds for the objections. A valid petition shall be filed with the county auditor of the county in which the political subdivision is located not later than ten days after the effective date of this division for the fiscal year beginning July 1, 1976 and not later than ten days after certification of the total budget to the county

auditor and the state comptroller for the fiscal year beginning July 1, 1977.

2. Upon receipt of a valid petition to appeal the certified total budget of a political subdivision under this section, the county auditor shall immediately prepare a copy of the petition and the certified total budget subject to appeal and transmit such information to the state appeal board. The county auditor shall also notify the governing body of the political subdivision of the petition for appeal.

3. Upon receipt of the notification of appeal from the county auditor, the governing body of a political subdivision shall immediately prepare and submit a written statement to the state appeal board citing the unusual circumstances as outlined in subsection four (4) of this section, which create the need for property tax budget expenditures in excess of nine percent of the base year's property tax budget expenditures. The statement shall be accompanied by such supporting documents as deemed appropriate by the governing body. The state appeal board shall conduct a public hearing on the petition in the county or in one of the counties in which the political subdivision is located and may request additional information.

4. If a political subdivision has unusual circumstances, creating a need for additional budget expenditures in excess of nine percent of the base year's property tax expenditures, the following unusual circumstances shall be the basis for justifying a property tax budget increase exceeding nine percent:

- d. Unusual staffing problems.

5. The state appeal board may approve or modify the base year's total budget expenditures of any political subdivision which changes accounting procedures.

6. The state appeal board shall approve the property tax budget as requested or reduce the amount of increased expenditures. All decisions of the board under this division shall

be made in accordance with reasonable and uniform policies which shall be consistent to carry out the provisions of this division. The board shall take into account the intent of this division to provide property tax relief and to provide reasonable control of costs of the political subdivisions of this state.

7. Upon decision of the board, the state comptroller shall make the necessary changes in the total budget of the political subdivision and certify the total budget to the governing body of the political subdivision and the appropriate county auditors.

Sec. 7. ADDITIONAL PUBLIC HEARING—FISCAL YEAR 1977-78. If the governing body of a political subdivision approves a total budget for the fiscal year July 1, 1977, the property tax budget of which exceeds the property tax budget of such political subdivision for the base year by more than seven percent but not more than nine percent following a public hearing required under chapter twenty-four (24) or three hundred eighty-four (384), division two (II), of the Code, the governing body of such political subdivision shall withhold certification of such budget to the county auditor for at least ten days following such approval. If, during the ten days following approval of the total budget, a valid petition signed by the number of persons who are residents of such political subdivision as required under section twenty-four point twenty-seven (24.27) or three hundred eighty-four point nineteen (384.19) of the Code, is filed with the governing body of a political subdivision requesting a public hearing, the governing body shall publish notice of and conduct such public hearing not later than April fifth. The date, time and location of the public hearing and the information required to be published under section eight (8) of this division, shall be published in a newspaper having general circulation throughout the political subdivision not less than five days before the date specified for such hearing. Thereafter, the total budget shall be certified, with or without changes that may be made after the hearing, to the county auditor and the state comptroller not later than April fifth. If, after such hearing, the property tax budget of the certified total budget for the fiscal year beginning July 1, 1977 is increased to more than nine percent above the property tax budget of the base year, such total budget shall be subject to appeal to the state appeal board as provided in section six (6) of this division.

Sec. 8. BUDGET PROCESS—NOTICE OF PUBLIC HEARING. In addition to the requirements of chapters twenty-four (24) and three hundred eighty-four (384), division two (II), of the Code relating to the publication of notice and public hearing on a budget of a political subdivision, the public notice of a hearing on a total budget shall include the following information:

1. The percentage and the dollar amount increase or decrease for the total budget and the property tax budget of the political subdivision.

2. The percentage and the dollar amount increase or decrease of each fund included in the proposed total budget and the property tax budget.

3. A statement showing the allowable growth guideline established by the general assembly and the dollar amount of increase represented by such guideline for the proposed total budget and the property tax budget of the political subdivision.

4. A statement of the major reasons for the proposed increases in the proposed total budget and the property tax budget.

5. A comparison of the percentages and dollar amounts proposed to be expended with the percentages and dollar amounts expended or proposed to be expended during the current fiscal year as amended to the date of publication which information shall be displayed in the publication in the form of a pie graph. The graphs shall be prepared for both fiscal years with one pie graph for each fiscal year showing the sources of anticipated revenue and one pie graph for each fiscal year showing the proposed budget expenditures by category of services.

The provisions of this section shall not apply to publication of notice for a hearing on a total budget for the fiscal year beginning July 1, 1976 required under section twenty-four point nine (24.9) or three hundred eighty-four point sixteen (384.16) of the Code if the notice of hearing has been published before the effective date of this division, but it shall apply to any other notice for a hearing on a total budget or amendment to a total budget required by this division or other provision of law for the fiscal years beginning July 1, 1976 and July 1, 1977.

Sec. 9. EXCEPTION TO DATES FOR BUDGET APPEAL. Notwithstanding sections twenty-four point twenty-seven (24.27) through twenty-four point thirty-two (24.32), inclusive, and three hundred eighty-four point nineteen (384.19) of the Code, persons affected by a certified total budget of a political subdivision which conducts a public hearing as provided in section seven (7) of this division, shall have ten days following certification of such budget to file a petition to protest to the state appeal board and persons affected by a certified total budget of a political subdivision having a property tax budget exceeding a nine percent increase for the fiscal year beginning July 1, 1976, shall have ten days after the effective date of this division to file a petition to protest to the state appeal board. All other time limitations or dates specified in sections twenty-four point twenty-seven (24.27) through twenty-four point thirty-two (24.32), inclusive, and section three hundred eighty-four point nineteen (384.19) of the Code shall be correspondingly changed or extended to allow the same amount of time for the protest hearing and the decision of the state board that would exist had the appeal to the state appeal board been filed as provided in section twenty-four point twenty-seven (24.27)

or three hundred eighty-four point nineteen (384.19) of the Code.

Sec. 10. PROPERTY TAX CARRYOVER. If a political subdivision adopts a total budget for the fiscal year beginning July 1, 1976, which does not include an increase in the amount of the property tax levy computed in dollars which exceeds or is equal to nine percent, the political subdivision may levy property taxes for the fiscal year beginning July 1, 1977 in excess of a seven percent increase and be exempt from the provisions of section seven (7) of this division or in excess of a nine percent increase and be exempt from the provisions of section six (6) of this division. However, the exemption from the provisions of section six (6) or seven (7) of this division shall be applicable only if the additional property tax levy does not raise in dollars an amount which exceeds the seven percent increase or the nine percent increase, as the case may be, for the fiscal year beginning July 1, 1977 and the difference between the amount in dollars which the political subdivision levied during the base year and the amount in dollars which the political subdivision could have levied during the base year under this division.

Sec. 11. PROPERTY TAX LEVY LIMITATION NOT AFFECTED. The

provisions of this division shall not be construed as removing or otherwise affecting the property tax levy limitations otherwise provided by law for any fund, account, or program in the total budget of a political subdivision. However, for the fiscal year beginning July 1, 1977, the state appeal board may, upon appeal by a political subdivision, lift a property tax levy limitation where reductions in the assessed value of taxable property will cause a reduction in services providing substantial benefits to the residents of such political subdivision. For the purposes of this section, "political subdivision" means any city, county, or other local public body or corporation that has the power to levy or certify a property tax or sum of money to be collected by property taxation.

Sec. 12. BUDGET APPEAL NOT AFFECTED. The provisions of this division shall not be construed to prohibit or affect a protest filed with the state appeal board against a total budget of a political subdivision having a property tax budget which does not exceed the property tax budget of such political subdivision for the base year by more than nine percent.

Sec. 29. Section four hundred twenty-five point seven-teen (425.17), subsection ten (10), Code 1975, as amended by Acts of the Sixty-sixth General Assembly, 1975 Session, chapter two hundred thirteen (213), section one (1), is amended to read as follows:

10. "PROPERTY TAXES PAID" means property taxes *including one-half of any special assessments, but* exclusive of [special assessments,] delinquent interest[,] and charges for services, paid on a claimant's homestead in this state, but includes only property taxes for which the claimant was liable and which were actually paid by the claimant. If the property taxes have actually been paid, they shall be deemed to have been paid when due, regardless of the date of actual payment. "Property taxes paid" shall be computed with no deduction for any credit under this division or for any homestead credit allowed under section 425.1. Claims for property tax reimbursement filed in 1974 shall be based upon the property taxes paid in 1973. Claims for property tax reimbursement filed in 1975 shall be limited to two-thirds of the property taxes paid in 1974 and the first one-half of 1975. Each year thereafter, each claim shall be based upon the taxes paid during the base year. If a homestead is owned by two or more persons as joint tenants or tenants in common, and one or more persons are not a member of claimant's household, "property taxes paid" is that part of property taxes paid on the homestead which equals the ownership percentage of the claimant and his household. The county treasurer shall include with the tax receipt a statement that if the owner of the property is sixty-five years of age or over or is totally disabled or is a surviving spouse of such person who is over the age of fifty-five years of age, the person may be eligible for the credit allowed under this division. If a claimant changes his homestead, this shall not prevent him from filing a claim based on property taxes for which the claimant was liable and which were actually paid by the claimant, but duplication of claims shall not be allowed. If a homestead is an integral part of a farm, the claimant

may use the total property taxes paid for the larger unit, but not exceeding forty acres of land. If a homestead is an integral part of a multidwelling or multipurpose building the property taxes paid for the purpose of this subsection shall be prorated to reflect the portion which the value of the property that the household occupies as its homestead is to the value of the entire structure. For purposes of this subsection, "unit" refers to that parcel of property covered by a single tax statement of which the homestead is a part.

Sec. 30. Section four hundred twenty-five point seventeen (425.17), Code 1975, is amended by adding the following new subsection:

NEW SUBSECTION. "Special assessment" means special assessments made pursuant to sections three hundred eighty-four point thirty-seven (384.37) through three hundred eighty-four point seventy-nine (384.79) of the Code. The amount of a special assessment which may be included in the amount of property taxes paid for one year shall be an amount equal to one-twentieth of the total amount of the special assessment levied against the homestead of the claimant, if the claimant elected to pay the total amount of the special assessment in one payment. If the claimant elects to pay the special assessment in ten annual installments as provided by law, the claimant may include as a portion of the property taxes paid during the base year an amount equal to one-half of the special assessment, including interest, paid during that same base year.

Sec. 31. Section four hundred twenty-five point twenty-three (425.23), subsection one (1), Code 1975, as amended by Acts of the Sixty-sixth General Assembly, 1975 Session, chapter two hundred thirteen (213), section three (3), is amended by striking paragraph a and inserting in lieu thereof the following:

a. The amount shall be determined in accordance with the following schedule:

6,000 — 6,999.99	35
7,000 — 7,999.99	30
8,000 — 8,999.99	25

Sec. 32. The provisions of sections twenty-nine (29), thirty (30), and thirty-one (31) of this Act shall become effective January 1, 1977 for all claims for property taxes paid and rent constituting property taxes paid filed on or after January 1, 1977.

and of the recommended legislation shall be transmitted to the president of the senate and the speaker of the house of representatives who shall, within ten days after the date of receipt, assign the proposed legislation to the appropriate standing committee.

POINT OF ORDER

MR. PRESIDENT: I object to the introduction of the Conference Committee Report on Senate File 1062 based on Section 770.2 of Mason's Legislative Manual.

The form of this Report is objectionable because the Conference Committee has not confined itself to differences of opinion between the houses.

Also, this Conference Committee Report violates Section 772 of Mason's Legislative Manual because a free conference committee is, by said Section, limited to proposing amendments within the scope of the issue between the houses, and this report covers matters beyond the scope of Senate File 1062 and the differences between the two houses on this legislation.

DIVISION I

5
6 **Section 1. NEW SECTION. CONSTRUCTION.** This
7 division shall be construed liberally. The welfare
8 of the child subject to the proceedings of this
9 division shall be the paramount consideration in
10 interpreting this division. However, the interests
11 of the parents of this child or any natural person
12 standing in loco parentis to this child shall be given
13 due consideration in this interpretation.

14 **Sec. 2. NEW SECTION. DEFINITIONS.** As used in
15 this division:

16 1. "Child" means a son or daughter of a parent,
17 whether by birth or adoption.

18 2. "Parent" means a father or mother of a child,
19 whether by birth or adoption.

20 3. "Parent-child relationship" means the
21 relationship between a parent and a child recognized
22 by the law as conferring certain rights and privileges
23 and imposing certain duties. The term extends equally
24 to every child and every parent, regardless of the
25 marital status of the parents of the child. The
26 rights, duties, and privileges recognized in the
27 parent-child relationship include those which are
28 maintained by a guardian, custodian, and guardian
29 ad litem.

30 4. "Termination of parental rights" means a
31 complete severance and extinguishment of a parent-

41 court or juvenile court having jurisdiction over the
42 minor child to make important decisions which have
43 permanent effect on the life and development of that
44 child and to promote the general welfare of that
45 child. A guardian may be a court or a juvenile court.
46 Guardian does not mean conservator, as defined in
47 section six hundred thirty-three point three (633.3)
48 of the Code, although a person who is appointed to
49 be a guardian may also be appointed to be a
50 conservator.

Page 2

1 Unless otherwise enlarged or circumscribed by a
2 court or juvenile court having jurisdiction over the
3 minor child or by operation of law, the rights and
4 duties of a guardian with respect to a minor child
5 shall be as follows:
6 a. To consent to marriage, enlistment in the armed
7 forces of the United States, or medical, psychiatric,
8 or surgical treatment.
9 b. To serve as guardian ad litem, unless the
10 interests of the guardian conflict with the interests
11 of the minor child or unless another person has been
12 appointed guardian ad litem.
13 c. To serve as custodian, unless another person
14 has been appointed custodian.
15 d. To make reasonable visitations if the guardian
16 does not have physical possession or custody of the

19 decision that the parents could have made when the
20 parent-child relationship existed.
21 8. "Custodian" means a stepparent or a relative
22 within the fourth degree of consanguinity to a minor
23 child who has assumed responsibility for that child,
24 a person who has accepted a release of custody, or
25 a person appointed by a court or juvenile court having
26 jurisdiction over a child. The rights and duties
27 of a custodian with respect to a child shall be as
28 follows:
29 a. To maintain or transfer to another the physical
30 possession of that child.
31 b. To protect, train, and discipline that child.
32 c. To provide food, clothing, housing, and ordinary
33 medical care for that child.
34 d. To consent to emergency medical care, including
35 surgery.
36 e. To sign a release of medical information to
37 a health professional.
38 All rights and duties of a custodian shall be subject
39 to any residual rights and duties remaining in a

40 parent or guardian.

41 9. "Guardian ad litem" means a person appointed
42 by a court or juvenile court having jurisdiction over
43 the minor child to represent that child in a legal
44 action.

8 16. "To abandon a minor child" means to permanently
9 relinquish or surrender, without reference to any
10 particular person, the parental rights, duties, or
11 privileges inherent in the parent-child relationship.
12 The term includes both the intention to abandon and
13 the acts by which the intention is evidenced. The
14 term does not require that the relinquishment or
15 surrender be over a long or any particular period
16 of time.

17 17. "Independent placement" means a placement
18 of a minor person in the home of a proposed parent
19 in anticipation of an ensuing adoption by a person
20 who is not an agency.

21 Sec. 3. **NEW SECTION. EXCLUSIVITY.** Termination
22 of parental rights shall be accomplished only according
23 to the provisions of this division. However,
24 termination of parental rights between an adult child
25 and the child's parents may be accomplished by a
26 decree of adoption establishing a new parent-child
27 relationship.

28 Sec. 4. **NEW SECTION. RELATIONSHIP UNALTERED—**
29 **RELEASE OF CUSTODY—VOLUNTARINESS OF RELEASE.**

30 1. A parent shall not permanently alter the parent-
31 child relationship, except as ordered by a juvenile
32 court or court. However, custody of a minor child
33 may be assumed by a stepparent or a relative of that
34 child within the fourth degree of consanguinity or
35 transferred by an acceptance of a release of custody.
36 A person who assumes custody or who accepts a release
37 of custody under this section becomes, upon assumption
38 or acceptance, the custodian of the minor child.

39 2. A release of custody:

40 a. Shall be accepted only by an agency or a person
41 making an independent placement.

42 b. Shall not be accepted by a person who in any
43 way intends to adopt the child who is the subject
44 of the release.

45 c. Shall be in writing.

46 d. Shall be signed, not less than seventy-two
47 hours after the birth of the child to be released,
48 by all living parents.

49 e. Shall be witnessed by two persons familiar
50 with the parent-child relationship.

Page 4

1 f. Shall name the person who is accepting the
2 release.

3 g. Shall be followed, within a reasonable time,
4 by the filing of a petition for termination of parental
5 rights under section five (5) of this Act.

6 3. Notwithstanding the provisions of subsection
7 two (2) of this section, an agency or a person making
8 an independent placement may assume custody of a minor
9 child upon the signature of the one living parent
10 who has possession of the minor child if the agency
11 or a person making an independent placement immediately
12 petitions the juvenile court designated in section
13 five (5) of this Act to be appointed custodian and
14 otherwise petitions, within a reasonable time, for
15 termination of parental rights under section five
16 (5) of this Act. Upon the custody petition, the
17 juvenile court may appoint a guardian as well as a
18 custodian. A nonsigning parent may be heard on the
19 custody petition at the hearing on termination of
20 parental rights provided in section six (6) of this
21 Act.

22 4. A parent who signs a release of custody may
23 petition, in the time prior to the filing of a petition
24 for termination of parental rights, or may request,
25 at the hearing on termination of parental rights,
26 the juvenile court designated in section five (5)
27 of this Act to order the release revoked for good
28 cause shown or because it was not obtained voluntarily
29 or with a full understanding of the material facts.
30 Upon the issue of voluntariness of the release, the
31 juvenile court shall consider all relevant factors,
32 including coercion exerted by any person, in
33 determining the voluntariness of the release.

34 **Sec. 5. NEW SECTION. PETITION FOR TERMINATION.**

35 1. The following persons may petition a juvenile
36 court for termination of parental rights if the child
37 of the parent-child relationship is born or expected
38 to be born within one hundred eighty days of the date
39 of petition filing:

40 a. A parent of the parent-child relationship.

41 b. A custodian or guardian of the child.

42 c. Any other person who has knowledge of
43 circumstances indicating that the parent-child
44 relationship should be terminated.

45 2. A petition for termination of parental rights
46 shall be filed with the juvenile court in which the
47 guardian or custodian of the child resides or the
48 child is domiciled. However, if a juvenile court
49 has made an order pertaining to a minor child under
50 section two hundred thirty-two point thirty-three

Page 5

1 (232.33) of the Code and that order is still in force,
2 the petition shall be filed with that juvenile court.

5 a. The legal name, age, and domicile, if any,
6 of the child.

7 b. The names, residences, and domicile of any:

17 d. A plain statement explaining why the petitioner
18 does not know any of the information required under
19 paragraphs a and b of this subsection.

20 e. The signature and verification of the
21 petitioner.

22 Sec. 6. **NEW SECTION. NOTICE OF TERMINATION**
23 **HEARING.**

24 1. A termination of parental rights shall, unless
25 provided otherwise in this section, be effectuated
26 only after notice has been served on all necessary
27 parties and these parties have been given an oppor-
28 tunity to be heard before the juvenile court. A
29 "necessary party" includes any person whose name,
30 residence, and domicile is required to be included
31 on the petition under paragraphs a and b of subsection
32 three (3) of section five (5) of this Act. However,
33 a "necessary party" does not include a natural parent
34 who has been adjudicated to have raped the other
35 natural parent thereby producing the birth of the
36 child designated in paragraph a of subsection three
37 (3) of section five (5) of this Act.

38 2. Prior to the service of notice on the necessary
39 parties, the juvenile court shall appoint a guardian
40 ad litem for a minor child if the child does not have
41 a guardian or guardian ad litem or if the interests
42 of the guardian or guardian ad litem conflict with
43 the interests of the child. Such guardian ad litem
44 shall be a necessary party under subsection one (1)
45 of this section.

46 3. Notice under this section may be served
47 personally or constructively, as specified under

48 subsections four (4), five (5), and six (6) of this
49 section. This notice shall state:

50 a. The time and place of the hearing on termination

2 b. **A clear statement of the purpose of the action**
3 and hearing.

4 c. A clear statement of the possible consequences
5 to the parent and child.

6 d. The alleged factual basis which indicates that
7 the parent-child relationship should be terminated.

8 e. The grounds in section eight (8) of this Act
9 upon which termination may be ordered pursuant to
10 the factual basis alleged.

11 4. A necessary party whose identity and location
12 or last location is known shall be served by notice
13 personally delivered or sent by restricted certified
14 mail, whichever is determined to be the most effective
15 means of notification. Such notice shall be made
16 according to the rules of civil procedure relating
17 to an original notice where not inconsistent with
18 the provisions of this section. Notice by personal
19 **delivery shall be served not less than seven days**
20 **prior to the hearing on termination of parental rights.**
21 Notice by restricted certified mail shall be sent
22 not less than fourteen days prior to the hearing on
23 termination of parental rights. A notice by restricted
24 certified mail which is refused by the necessary party
25 being noticed shall be sufficient notice to that party
26 **under this section.**

27 5. A necessary party whose identity is known but
28 whose location or last location is unknown shall be
29 served by published notice. Such notice shall be
30 served according to the rules of civil procedure
31 relating to an original notice where not inconsistent
32 with the provisions of this section. In addition
33 to the requirements of subsection three (3) of this
34 section, such notice shall include only the name of
35 the unlocated necessary party being noticed. Notice
36 by publication shall be published once a week for
37 two consecutive weeks, the last publication to be

40 6. The juvenile court shall require that every
41 reasonable effort is made to identify, locate, and
42 notice an unidentified and unlocated necessary party.
43 If the court reasonably concludes, upon a proper
44 showing, that the identity and location of the necessary
45 party has not been determined, the court may, upon
46 proper findings and order entered of record, dispense
47 with notice to this necessary party.

48 7. Proof of service of notice in the manner
49 prescribed shall be filed with the juvenile court
50 **prior to the hearing on termination of parental rights**

Page 7

1 and approved by the juvenile court prior to issuance
2 of a termination order under section eight (8) of
3 this Act.

4 **Sec. 7. NEW SECTION. TERMINATION HEARING—FORUM**
5 **NON CONVENIENS.**

6 1. The hearing on termination of parental rights
7 shall be conducted in accordance to the provisions
8 of sections two hundred thirty-two point twenty-seven
9 (232.27), two hundred thirty-two point twenty-eight
10 (232.28), two hundred thirty-two point thirty (232.30),
11 and two hundred thirty-two point thirty-two (232.32)
12 of the Code and otherwise in accordance with the rules
13 of civil procedure. Such hearing shall be held not
14 less than one week after the child of the parent-child
15 relationship is born.

16 2. Relevant information, including that contained
17 in reports, studies, or examinations and testified
18 to by interested persons, may be admitted into evidence
19 at the hearing and relied upon to the extent of its
20 probative value. When such information is so admitted,
21 the person sponsoring it or testifying shall be subject
22 to both direct and cross-examination by a necessary
23 party.

24 3. If the juvenile court finds that in the interest
25 of substantial justice the hearing on termination
26 of parental rights should be heard by another juvenile
27 court, it may transfer, stay, or dismiss the
28 proceedings in whole or part on any conditions that
29 are just so long as a good faith attempt is made to
30 notify all necessary parties.

31 **Sec. 8. NEW SECTION. GROUNDS FOR TERMINATION.**

32 The juvenile court shall base its findings and order
33 under section nine (9) of this Act on clear and
34 convincing proof. The following shall be, either
35 separately or jointly, grounds for ordering termination
36 of parental rights:

37 1. A parent has signed a release of custody
38 pursuant to section four (4) of this Act and the

49 the parent-child relationship because of a consistent
50 pattern of specific conduct before the child or of

Page 8

1 specific conditions directly relating to the parent-
2 child relationship either of which are determined

3 by the juvenile court to be permanently detrimental
4 to the physical or mental health of the child.

5 6. If, following an adjudication that the child
6 is in need of assistance under chapter two hundred
7 thirty-two (232) of the Code, reasonable efforts under
8 the direction of the juvenile court have failed to
9 correct the conditions giving rise to this
10 adjudication.

11 7. A parent has been ordered to contribute to
12 the support of the child or financially aid in the
13 child's birth and has failed to do so without good
14 cause. This subsection shall not be construed so
15 as to state a grounds for termination of parental
16 rights of a noncustodial parent if that parent has
17 not been ordered to or cannot financially contribute
18 to the support of the child or aid in the child's
19 birth.

20 **Sec. 9. NEW SECTION. TERMINATION FINDINGS AND**
21 **ORDER—VACATION OF ORDER.**

22 1. Subsequent to the hearing on termination of
23 parental rights, the juvenile court shall make a
24 finding of facts and shall order that either:

25 a. The petition be dismissed;

26 b. The petition should not be granted at that
27 time, but that conditions indicating that the child
28 is in need of assistance exist, and an order to that
29 effect is issued pursuant to section two hundred
30 thirty-two point thirty-three (232.33) of the Code;
31 or,

32 c. The petition be granted. The juvenile court
33 shall appoint a guardian and a custodian or a guardian
34 only. An order issued under this paragraph shall
35 include the finding of facts. This finding shall
36 enumerate the factual basis which indicates that the
37 parent-child relationship should be terminated and
38 shall specify how this finding applies to the grounds
39 upon which the termination is ordered.

40 2. If an order is issued under paragraph c of
41 subsection one (1) of this section, the juvenile court
42 shall retain jurisdiction to change a guardian or
43 custodian and to allow a terminated parent to request
44 vacation of the termination order if:

45 a. The child is not on placement for adoption
46 or a petition for adoption of the child is not on
47 file; and,

48 b. The guardian consents in writing to the
49 vacation.

50 The juvenile court shall grant the vacation request

Page 9

1 if it is in the best interest of the child.

2 3. A copy of any findings of fact and order made
3 under this section shall be sent by the clerk of the
4 juvenile court to:

48 immediately appoint the department, an agency, or
49 an investigator to conduct this investigation and
50 report. Any person, including a juvenile court, who

4 of the background information investigation and report
5 by disclosing any relevant background information,
6 whether contained in sealed records or not.

7 5. Any person conducting an investigation under
8 subsections three (3) and four (4) of this section
9 may, in the investigation or subsequent report,
10 include, utilize, or rely upon any reports, studies,
11 or examinations to the extent they are relevant.

12 6. Any person conducting an investigation under
13 subsections three (3) and four (4) may charge a fee
14 which does not exceed the reasonable cost of the

17 ability to pay.

18 7. Any investigation or report required under
19 this section shall not apply when the person to be
20 adopted is an adult.

21 8. Any person designated to make an investigation
22 and report under this section may request an agency
23 or state agency, within or without this state, to
24 conduct a portion of the investigation or the report,
25 as may be appropriate, and to file a supplemental
26 report of such investigation or report with the court.

27 9. The department may investigate, on its own
28 initiative or on order of the court, any placement
29 made or adoption petition filed under this Act and
30 may report its resulting recommendation to the court.

31 10. The department or an agency may conduct any
32 investigations required for an interstate or
33 interagency placement.

34 11. Any person who assists in or impedes the
35 placement or adoption of a minor person in violation
36 of the provisions of this section shall be, upon

46 adoption. This accounting shall be made by a report
47 prescribed by the court. The report shall be signed
48 and verified by the petitioner and shall show any

Page 15

1 b. Placement of the minor person with the adoption
2 petitioner.

3 c. Medical care received by the natural parents

6 d. Any other services relating to the adoption
7 or to the placement of the minor person which were
8 received by or on behalf of the petitioner, the natural
9 parents, or any other person, including legal fees.
10 The provisions of this subsection do not apply in
11 a stepparent adoption.

12 2. A natural parent shall not receive any thing
13 of value as a result of the natural parent's child
14 or former child being placed with and adopted by
15 another person, unless that thing of value is
16 commensurate with some necessary service provided
17 the natural parent in relation to childbirth, child
18 raising, or delivering the child for adoption. Any
19 person assisting in any way with the placement or
20 adoption of a minor person shall not charge a fee
21 which is more than usual, necessary, and commensurate
22 with the services rendered. If the natural parent
23 receives any prohibited thing of value, if a person

24 gives a prohibited thing of value, or if a person
25 charges a prohibited fee under this subsection, each
26 such person shall be, upon conviction, guilty of a

35 waive this period if the adoption petitioner is a
36 stepparent or related to the minor person within the
37 fourth degree of consanguinity or may shorten this
38 period upon good cause shown when the court is
39 satisfied that the adoption petitioner and the person
40 to be adopted are suited to each other.

41 Sec. 20. *NEW SECTION. NOTICE OF ADOPTION HEARING.*
42 1. The court shall set the time and place of the
43 adoption hearing prescribed in section twenty-one
44 (21) of this Act upon application of the petitioner.
45 The court may continue the adoption hearing if the

47 (3) of this section is given, except that such notice
48 shall only be given at least ten days prior to the
49 date which has been set for the continuation of the
50 adoption hearing.

Page 16

1 2. At least sixty days before the adoption hearing,
2 a copy of the petition and its attachments and a

30 shall be admitted to the court chambers while an
31 adoption hearing is being conducted. The adoption
32 petitioner and the person to be adopted shall be
33 present at the hearing, unless the presence of either
34 is excused by the court.

35 3. Any person admitted to the hearing shall be
36 heard and allowed to present evidence upon request
37 and according to the manner in which the court conducts
38 the hearing.

39 Sec. 22. *NEW SECTION.* ADOPTION DECREES.

48 petitioned. Upon dismissal, the court shall determine
49 who is to be guardian or custodian of a minor child,
50 including the adoption petitioner if it is in the

Page 17

1 best interest of the minor person whose adoption has
2 been petitioned.

3 2. An interlocutory adoption decree automatically
4 becomes a final adoption decree at a date specified
5 by the court in the interlocutory adoption decree
6 which date shall not be less than one hundred eighty
7 days nor more than three hundred sixty days from the
8 date the interlocutory decree is issued. However,
9 an interlocutory adoption decree may be vacated sooner
10 than the date specified in it by the court for good
11 cause shown. Also, the court may provide in the
12 interlocutory adoption decree for further observation,
13 investigation, and report of the conditions of and
14 the relationships between the adoption petitioner
15 and the person petitioned to be adopted.

16 3. Except as enumerated in subsection two (2)
17 of this section, an interlocutory adoption decree
18 shall have the same legal effect as a final adoption
19 decree. If an interlocutory adoption decree is vacated
20 under subsection two (2) of this section, it shall
21 be void from the date of issuance and the rights,
22 duties, and liabilities of all persons affected by
23 it shall, unless they have become vested, be governed
24 accordingly. Upon vacation of an interlocutory
25 adoption decree, the court shall proceed under the
26 provisions of paragraph c of subsection one (1) of
27 this section.

28 4. A final adoption decree terminates any parental
29 rights, except those of a spouse of the adoption

30 petitioner, existing at the time of its issuance and
31 establishes the parent-child relationship between
32 the adoption petitioner and the person petitioned
33 to be adopted. Unless otherwise specified by law,
34 such parent-child relationship shall be deemed to
35 **have been created at the birth of the child. However,**
36 regardless of the parent-child relationship established
37 by a final adoption decree and of the provisions
38 of section six hundred thirty-three point two hundred
39 twenty-three (633.223) of the Code, if a parent of
40 a child dies and the child is then adopted, the child's
41 right of inheritance from and through the deceased
42 parent is unaffected by an interlocutory or final
43 adoption decree.

44 5. An interlocutory or a final adoption decree
45 shall be entered with the clerk of the court. Such
46 decree shall set forth any facts of the adoption
47 petition which have been proven to the satisfaction
48 of the court and any other facts considered to be
49 relevant by the court and shall grant the adoption
50 petition. **If so designated in the adoption decree,**

Page 18

1 the name of the adopted person shall be changed by
2 **issuance of that decree. The clerk of the court**
3 shall, within thirty days of issuance, deliver one
4 certified copy of any adoption decree to the
5 petitioner, one copy of any adoption abstract to the
6 department, and any agency or person making an
7 independent placement who placed a minor person for
8 adoption, and one certification of adoption as
9 prescribed in section one hundred forty-four point
10 nineteen (144.19) of the Code to the state registrar
11 of vital statistics. Upon receipt of the
12 certification, the state registrar shall prepare a
13 new birth certificate pursuant to section one hundred
14 forty-four point twenty-three (144.23) of the Code
15 and deliver to the parents named in the decree and
16 any adult person adopted by the decree a copy of the
17 new birth certificate. The parents shall pay the
18 fee prescribed in section one hundred forty-four point
19 **forty-six (144.46) of the Code. If the person adopted**
20 was born outside the state, the state registrar shall
21 forward the certification of adoption to the
22 appropriate agency in the state of birth. A copy
23 of any interlocutory adoption decree vacation shall
24 be delivered and another birth certificate shall be
25 prepared in the same manner as a certification of
26 adoption is delivered and the birth certificate was
27 **originally prepared.**

28 **Sec. 23. NEW SECTION. APPEAL.** An appeal from
29 any final order or decree rendered under this Act
30 shall be taken in the same manner as an appeal is
31 taken from a final judgment under the rules of civil
32 procedure. However, a rule of civil procedure

33 provision regarding a minimum amount of value in
34 controversy shall not bar an adoption appeal. The
35 supreme court shall review an adoption appeal de novo.

36 **Sec. 24. NEW SECTION. FOREIGN AND INTERNATIONAL**
37 **ADOPTIONS.**

38 1. A decree terminating a parent-child relationship
39 or establishing a parent-child relationship by adoption
40 which is issued pursuant to due process of law by
41 a court of any other jurisdiction, whether within
42 or without the United States, shall be recognized
43 in this state.

44 **2. If there is a proxy adoption in the minor**

45 person's country of origin, a further adoption must
46 occur in the state where the adopting parents reside
47 in accordance with the adoption laws of that state.

48 3. The department may provide necessary assistance
49 to an eligible citizen of Iowa who desires to, in
50 accordance with the immigration laws of the United

Page 19

1 States, make an international adoption. For any such
2 assistance the department may charge a fee which does
3 not exceed the reasonable cost of services rendered
4 and which is based on a sliding scale relating to
5 the investigated person's ability to pay.

6 4. Any rules of the department relating to
7 placement of a minor child for adoption which are
8 more restrictive than comparable rules of agencies
9 making international placements and laws of the United
10 States shall not be enforced by the department in
11 an international adoption.

12 **Sec. 25. NEW SECTION. TERMINATION AND ADOPTION**
13 **RECORD.**

14 1. Any information compiled under subparagraphs
15 one (1) and two (2) of paragraph c of subsection one
16 (1) of section seventeen (17) of this Act shall be
17 made available at any time by the clerk of the court,
18 the department, or any agency which made the placement
19 to:

20 a. The adopting parents.

21 b. The adopted person who is an adult.

22 c. Any person approved by the department if the
23 person uses this information solely for the purposes
24 of conducting a legitimate research project or of
25 treating a patient in a medical facility.

26 2. The permanent termination of parental rights
27 record of the juvenile court under division one (I)
28 of this Act and the permanent adoption record of the
29 court shall be sealed by the clerk of the juvenile
30 court and the clerk of court, as appropriate, when
31 they are complete and after the time for appeal has
32 expired. All papers and records pertaining to a
33 termination of parental rights under division one
34 (I) of this Act and to an adoption, whether a part
35 of the permanent termination and adoption records

36 of the juvenile court and of the court or on file
37 with a guardian, guardian ad litem, custodian, person
38 who placed a minor person, or the department shall
39 not be open to inspection and the identity of the
40 natural parents of an adopted person shall not be
41 revealed. However, an agency involved in placement
42 shall contact the adopting parents or the adult adopted
43 child regarding eligibility of the adopted child for
44 benefits base on entitlement of benefits or
45 inheritance from the terminated natural parents.
46 Also, the clerk of the court may, upon application
47 to and order of the court for good cause shown, open
48 the permanent adoption record of the court for the
49 adopted person who is an adult and reveal the names
50 of either or both of the natural parents, unless

Page 20

1 either or both of the natural parents have filed and
2 not withdrawn an affidavit denying such revelation
3 as to each parent's name. If the adopted person who
4 applies for revelation of the natural parents' name
5 has a sibling who is a minor and who has been adopted
6 by the same parents, the court shall deny such
7 application on the grounds that revelation to the
8 applicant may also indirectly and harmfully permit
9 the same revelation to the applicant's minor sibling.
10 To facilitate the natural parents in filing such
11 affidavit, the department shall, upon request of such
12 parent, file an affidavit in the court in which the
13 adoption records have been sealed.

14 3. Any person, other than the adopting parents
15 or the adopted person, who discloses information in
16 violation of the provisions of this section shall
17 be, upon conviction, guilty of a misdemeanor, and
18 shall be fined not more than one hundred dollars or
19 imprisoned in the county jail for not more than thirty
20 days.

DIVISION III

21
22 Sec. 26.

23 1. Any termination of parental rights or adoption
24 proceedings pending on the effective date of this
25 Act shall not be affected by the provisions of this
26 Act.

27 2. The department may allow access to adoption
28 records held by it or an agency if:

29 a. These records were compiled prior to the
30 effective date of this Act and do not or can be made
31 to not reveal the identity of the natural parents
32 of an adopted person; and,

33 b. The person gaining access to these records
34 uses them solely for the purposes of conducting a
35 legitimate research project or of treating a patient
36 in a medical facility.

37 3. This Act shall take effect on January 1, 1977.

38 Sec. 27. Section two hundred thirty-one point

39 three (231.3), unnumbered paragraph two (2), Code
40 1975, is amended to read as follows:

41 The judge of the juvenile court may appoint a
42 referee in juvenile court proceedings. The referee
43 shall be qualified for his duties by training and
44 experience and shall hold office at the pleasure of
45 the judge. The compensation of the referee shall
46 be fixed by the judge. The judge may direct that
47 any case or class of cases arising under chapter 232
48 *or division one (I) of this Act* shall be heard in
49 the first instance by the referee in the manner
50 provided for the hearing of cases by the court.

1 Sec. 28. Section two hundred thirty-two point
2 two (232.2), subsections eight (8) and nine (9), Code
3 1975, are amended by striking the subsections and
4 inserting in lieu thereof the following:

5 8. "Guardian" means guardian as defined in
6 subsection seven (7) of section two (2) of this Act.

11 follows:

12 232.12 OTHER ISSUES ADJUDICATED. When it appears
13 during the course of any trial, hearing, or proceeding
14 that some action or remedy other than or in addition
15 to those indicated by the application or pleadings
16 appears appropriate, the court may, provided all
17 necessary parties consent, proceed to hear and
18 determine the additional or other issues as though
19 originally properly sought and pleaded. *However,*
20 *if termination of parental rights appears to be the*
21 *appropriate action or remedy, the provisions of*
22 *division one (I) of this Act must be followed.*

23 Sec. 30. Section two hundred thirty-two point
24 twenty-seven (232.27), Code 1975, is amended to read
25 as follows:

26 232.27 HEARINGS TO COURT. Hearings on any matter
27 shall be without a jury and may be conducted in an
28 informal manner. Hearings may be continued from time
29 to time and in the interim the court may make such
30 orders as it deems in the best interests of the child.
31 The court shall exclude the general public from
32 hearings and shall admit the news media, except in
33 those cases which in the opinion of the court the
34 best interest of the child and the public are served
35 by a private hearing. The court shall also admit
36 those persons who in the discretion of the court have
37 a direct interest in the case or in the work of the
38 court; except that if the hearing involves a child
39 charged by information or indictment with the
40 commission of a felony, persons having a legitimate
41 interest in the proceedings, including responsible

42 representatives of public information media, shall
43 not be excluded from such hearings. The court may
44 require the presence of witnesses deemed necessary
45 to the disposition of the petition. [Adoption hearings
46 shall be conducted in accordance with the provisions
47 of laws relating to adoption.]
48 Sec. 31. Section two hundred thirty-two point
49 twenty-nine (232.29), Code 1975, is amended to read
50 as follows:

9 shall be enforced until the minor reaches the age
10 of eighteen years unless otherwise specified by the
11 court. All orders shall be reviewed by the court
12 at least annually unless the court's jurisdiction
13 has been terminated. The court may make on its own
14 motion or on the motion of an interested party and
15 after notice to the parties and a hearing some other
16 disposition of the case so long as the court retains
17 jurisdiction. *However, if termination of parental*

25 by the court or whenever the minor is placed by the
26 court with someone other than the parents or whenever
27 a minor is given physical or mental examinations
28 or treatment under order of the court and no provision
29 is otherwise made by law for payment for the care,
30 examination, or treatment of the minor, the costs
31 shall be charged upon the funds of the county in which
32 the proceedings are held upon certification of the
33 judge to the board of supervisors. [Except where the
34 parent-child relationship is terminated, the] *The* court
35 may inquire into the ability of the parents to support
36 the minor and after giving the parents a reasonable
37 opportunity to be heard may order the parents to pay
38 in the manner and to whom the court may direct, such
39 sums as will cover in whole or in part the cost of
40 care, examination, or treatment of the minor. If
41 the parents fail to pay the sum without good reason,

43 or the court may inform the county attorney who shall

21 into consideration the religious faith or affili-
22 ations of the child or its parents, and that in placing
23 such child it shall be, as far as practicable, placed
24 in the home or the care and custody of some person
25 holding the same religious faith as the parents of
26 such child, or with or through some agency or

30 twenty-four (238.24), unnumbered paragraph two (2),
31 Code 1975, is amended to read as follows:

(Senate File 1250 pending on recess.)

On motion of Senator Kinley, the Senate recessed until 2:30 p.m.

AFTERNOON SESSION

The Senate reconvened, President Neu presiding.

INTRODUCTION OF BILL

Senate File 1266, by committee on commerce, a bill for an act relating to the time of filing mechanic's liens by subcontractors.

Read first time and placed on calendar.

POINT OF ORDER

Senator Kelly raised the point of order that under the provisions of sections 761.6, 761.8, 768.7, 763 and 584-B of Mason's Manual of Legislative Procedure **Senate File 1062** should not have been transported out of the Senate and is improperly in possession of the House.

The Chair ruled the point well taken and that although Mason's Manual of Legislative Procedure states that a conference committee does have the authority to determine which house shall be the first to take up the report, the second conference committee on **Senate File 1062** has not made that decision, and the bill is improperly in the possession of the House and should be returned to the Senate.

The Senate stood at ease until the fall of the gavel.

The Senate resumed session, President Neu presiding.

REPORT

MR. PRESIDENT: As chairperson on the part of the Senate on the second conference committee on **Senate File 1062**, a bill for an act to provide budget limitations for certain political subdivisions of the state, I respectfully report that at the meeting of March 18, 1976, the committee, by majority of both houses, voted that the House of Representatives should consider the report of the second conference committee first and that the House of Representatives be given physical custody of **Senate File 1062**.

NORMAN G. RODGERS, Chairperson

MOTION RULED OUT OF ORDER

Senator Lamborn moved that the present Senate members of the second conference committee, on **Senate Concurrent Resolution 6**, be dismissed.

Senator Glenn raised the point of order that the motion was out of order for the reason that consideration of **Senate File 1250** was pending on recess.
