GOVERNOR'S ITEM VETO MESSAGE

April 26, 2007

The Honorable John P. Kibbie
President of the Senate
State Capitol
L O C A L

Dear President Kibbie:

I hereby transmit Senate File 277, an Act relating to the state's educational standards regarding teacher librarians and qualified guidance counselors, and to teacher and administrator quality, including the student achievement and teacher quality program and an administrator quality program, making appropriations, and providing an effective date.

I am unable to approve the designated portion of Section 49, paragraph 3. The designated portion of this paragraph requires that the state board of education shall adopt rules requiring implementation of the successful components of the pilots by school districts statewide upon completion of the career ladder planning and implementation pilots, subject to the sufficiency of funds. I am unable to approve this

designated portion because I do not believe these pilot projects should automatically be mandated statewide.

The bill calls for 10 pilot projects, which I support. Eight of these projects are centered on implementing the last two parts of the career ladder system. We have already put the first two parts of this ladder into place and need to take a close look at whether implementing the rest of this system will result in improved student achievement and will help to recruit and retain the best and brightest teachers. The other two projects are to test pay-for-performance compensation methods. While I generally do not agree that pay-for-performance is the right method to improve our education system, I think it is important to test this out at the local level before we make a final decision.

While I support these pilot projects, I do not support that they be mandated statewide at the end of them. The goal of the projects is to allow us to better assess whether these methods are the right ones for this state to improve education for our students. Another goal of the projects is to allow us to assess whether these methods will attract more people to the teaching profession and make sure they want to work in Iowa. We cannot make that determination now, prior to beginning the projects, and it would be irresponsible to mandate that as a part of this bill. I look forward to working with the Legislature and other education partners throughout the state to take a close look at the models developed in these projects and make a determination about statewide implementation upon their completion.

For the above reasons, I respectfully disapprove these items in accordance with Article III, Section 16, of the Constitution of the State of Iowa. All other items in Senate File 277 are hereby approved as of this date.

Sincerely,
CHESTER J. CULVER
Governor

GOVERNOR'S ITEM VETO MESSAGES

May 21, 2007

The Honorable Michael Mauro
Secretary of State
State Capitol Building
L O C A L

Dear Mr. Secretary:

I hereby transmit **Senate File 403**, an Act addressing financial and regulatory matters by making and revising appropriations, providing for properly related matters, and providing effective dates. Senate File 403 is approved on this date, with the exceptions noted below, which I hereby disapprove.

I am unable to approve the item designated as Section 26 in its entirety, which provides a standing limited General Fund appropriation of \$160,000 to fund the operational expenses of the Real Estate Education Program at the University of Northern Iowa. Funding the day-to-day expenses of this program with a standing appropriation effectively removes this function from annual oversight by the Governor, the Board of Regents, and the Legislature. I recommend that the Board of Regents or the presidents of the Iowa community colleges provide funding for this program from the General Fund appropriations for their operating budgets if the Real Estate Education Fund is insufficient to cover the expansion of this program contained in other sections of Division VII of Senate File 403 and if the program fits within the mission of the respective institution.

Finally, I am unable to approve the item designated as Division VIII in its entirety, including Sections 30, 31, 32, 33, 34, 35, 36, 37, and 38. This division deals with the Executive Branch's authority to dispose of real property with a fair market value of at least \$5,000,000 and imposes an additional requirement that such transactions must be approved by not only the Governor but also by a majority of each House of the General Assembly. It imposes an unnecessary legislative requirement on the Executive Branch's authority to manage state property in the best interests of the State and could, for instance, adversely affect the timing of certain transactions for the Department of Transportation and the Department of Natural Resources. For this reason, these sections of this division are unacceptable.

For the above reasons, I respectfully disapprove of the designated items in accordance with Article III, Section 16, of the Constitution of the State of Iowa. All other items in Senate File 403 are hereby approved this date.

Sincerely,
CHESTER J. CULVER
Governor

Dear Mr. Secretary:

I hereby transmit **Senate File 551**, an Act relating to and making appropriations involving state government, by providing for agriculture, natural resources, and environmental protection. Senate File 551 is approved on this date, with the exception noted below, which I hereby disapprove.

I am unable to approve the item designated as Division XII, Section 50, in its entirety. This provision requires the director of a department or state agency included in Senate File 551 to examine employee telecommuting options, develop a telecommuter employment policy, and implement a plan designed to increase the number of telecommuting employees. Many departments maintain employee telecommuting policies currently. These policies and procedures have been in place for several years and are well established. The designated language in Section 50 directing a department or state agency to conduct an assessment of its telecommuting policy is duplicative and unnecessary and introduces a legislatively mandated management process into what is appropriately an executive branch decision. I will direct the Department of Administrative Services and the Department of Management to review the current state government telecommuting policy and make recommendations for any improvements as part of our overall executive branch strategic planning process.

For the above reasons, I respectfully disapprove of the designated item in accordance with Article III, Section 16, of the Constitution of the State of Iowa. All other items in Senate File 551 are hereby approved this date.

Sincerely,
CHESTER J. CULVER

Dear Mr. Secretary:

I hereby transmit **Senate File 562**, an Act relating to and making appropriations to the Department of Cultural Affairs, the Department of Economic Development, certain Board of Regents Institutions, the Department of Workforce Development, the Iowa Finance Authority, and the Public Employment Relations Board and related matters. Senate File 562 is approved on this date, with the exception noted below, which I hereby disapprove.

I am unable to approve the item designated as Section 26 in its entirety. This provision requires the directors of a department or state agency included in Senate File 562 to examine employee telecommuting options, develop telecommuter employment policies, and implement plans designed to increase the number of telecommuting employees. Many departments maintain employee telecommuting policies currently. These policies and procedures have been in place for several years and are well established. The designated language in Section 26 directing a department or state agency to conduct an assessment of its telecommuting policy is duplicative and unnecessary and introduces a legislatively mandated management process into what is appropriately an executive branch decision. I will direct the Department of Administrative Services and the Department of Management to review the current state government telecommuting policy and make recommendations for any improvements as part of our overall executive branch strategic planning process.

For the above reasons, I respectfully disapprove the designated item in accordance with Article III, Section 16, of the Constitution of the State of Iowa. All other items in Senate File 562 are hereby approved this date.

Dear Mr. Secretary:

I hereby transmit **Senate File 575**, an Act relating to and making appropriations to the justice system. **Senate File 575** is approved on this date, with the exception noted below, which I hereby disapprove.

I am unable to approve the item designated as Section 20 in its entirety. This provision requires the director of a department or a state agency included in Senate File 575 to examine employee telecommuting options, develop a telecommuter employment policy, and implement a plan designed to increase the number of telecommuting employees. Many departments maintain employee telecommuting policies currently. These policies and procedures have been in place for several years and are well established. The designated language in Section 20 directing a department or state agency to conduct an assessment of its telecommuting policy is duplicative and unnecessary and introduces a legislatively mandated management process into what is appropriately an executive branch decision. I will direct the Department of Administrative Services and the Department of Management to review the current state government telecommuting policy and make recommendations for any improvements as part of our overall executive branch strategic planning process.

For the above reasons, I respectfully disapprove of the designated item in accordance with Article III, Section 16, of the Constitution of the State of Iowa. All other items in Senate File 575 are hereby approved this date.

Dear Mr. Secretary:

I hereby transmit **Senate File 588**, an Act relating to the funding of, the operation of, and appropriation of moneys to the college student aid commission, the department for the blind, the department of education, and the state board of regents, providing for related matters concerning the Iowa learning technology commission, providing for a related matter concerning participation in an instructional support program by school districts, and providing effective dates. Senate File 588 is approved on this date, with the exceptions noted below, which I hereby disapprove.

I am unable to approve the item designated as Section 5 in its entirety. Iowa Code section 261.20 states that the moneys in the Scholarship and Grant Reserve Fund shall only be used to alleviate a current fiscal year shortfall in appropriations for scholarship or tuition grant programs that have the same nature as the programs for which the moneys were originally appropriated. There is not a state student-aid program that serves barber schools and schools of cosmetology arts. Therefore, an allocation from the reserve fund for this purpose does not meet the requirements as defined in Iowa Code section 261.20.

I am unable to approve the item designated as Section 15 in its entirety. This provision requires the director of a department or state agency included in Senate File 588 to examine employee telecommuting options, develop telecommuter employment policies, and implement plans designed to increase the number of telecommuting employees. Many departments and agencies maintain employee telecommuting policies currently. These policies and procedures have been in place for several years and are well established. The designated language in Section 15 directing a department or state agency to conduct assessments of its telecommuting policy is duplicative and unnecessary and introduces a legislatively mandated management process into what is appropriately an executive branch decision. I will direct the Department of Administrative Services and the Department of Management to review the current state government telecommuting policy and make recommendations for any improvements as part of our overall executive branch strategic planning process.

For the above reasons, I respectfully disapprove of the designated items in accordance with Article III, Section 16, of the Constitution of the State of Iowa. All other items in Senate File 588 are hereby approved this date.

Dear Mr. Secretary:

I hereby transmit **Senate File 601**, an Act relating to state and local finances by providing for funding of property tax credits and reimbursements, by making, increasing and reducing appropriations, providing for salaries and compensation of state employees, providing for tax credits, providing for fees and penalties, and providing for properly related matters, and including effective date provisions. Senate File 601 is approved this date, with the exceptions noted below, which I hereby disapprove.

I am unable to approve the item designated as Section 28 in its entirety. I am unable to approve this item because it requires the Supreme Court to submit a detailed listing of requested increases in salaries of all judges and magistrates annually before December 1. This designated language runs counter to budget guidelines which ask that departments or agencies not include salary increases in their budget requests. Furthermore, this provision could impact the collective-bargaining process by requiring the Supreme Court to submit salary changes prior to the completion of collective bargaining.

I am unable to approve the item designated as Section 42 in its entirety. This provision appropriates \$150,000 from the General Fund for a Fiscal Year 2007 supplemental appropriation to the Department of Natural Resources for a feasibility study on the use of plasma arc technology for the disposal of solid waste. I recommend that an application for funds for such a study be made through the Iowa Power Fund because it is important to determine the feasibility of plasma arc technology. The Iowa Power Fund Board needs to provide the proper due diligence to review this and other technologies to fulfill its mission to expand sources of alternative energy.

I am unable to approve the item designated as Section 43 in its entirety. This provision requires the director of a department or state agency who is subject to a requirement to develop a telecommuter employment policy to also develop such a policy and plans in conjunction with representatives of the collective bargaining units of the affected employees. Departmental telecommuting policies and procedures have been in place for several years and are well established. I will direct the Department of Administrative Services and the Department of Management to review the current

state government telecommuting policy and make recommendations for any improvements as part of our overall executive branch strategic planning process.

I am unable to approve the item designated as Section 48 in its entirety. This provision increases the Department of Transportation's operations budget by \$16,800. This additional funding is no longer needed by the Department of Transportation.

I am unable to approve the item designated as Section 49 in its entirety. This provision increases the appropriation for the Department of Transportation's operations budget by \$103,200. This additional funding is no longer needed by the Department of Transportation.

I am unable to approve the item designated as Section 56 in its entirety. This provision creates a standing appropriation for the World Food Prize of \$1,000,000 annually. While I strongly support the World Food Prize, I do not believe this appropriation should be a standing appropriation not subject to annual review. This appropriation should be reviewed annually during the budgetary process. Further, I would encourage greater private sector contributions for this program.

I am unable to approve the item designated as Section 57 in its entirety. This provision statutorily creates the World Food Prize Youth Institute. While I strongly support this program, it is already in existence and does not need to receive statutory commitment.

I am unable to approve the item designated as Section 59 in its entirety. This designated provision expands the Community Attraction and Tourism program from Fiscal Year 2011 through Fiscal Year 2013 and raises the maximum multiyear commitment to an applicant from \$4 million to \$6 million. Despite this designated language, the Community Attraction and Tourism program is still authorized for another three years with a total remaining appropriation of \$36 million. I strongly support attracting tourism to our state and want to work with community and business leaders and the Legislature to develop improvements to this program or create a new program before the current program expires in Fiscal Year 2010. I am unable to support a new commitment for additional out-year spending until I have been able to evaluate this program more fully. Furthermore, I do not believe the maximum multiyear commitment to an applicant should be increased because it would reduce the number of projects and communities that can participate in this program.

I am unable to approve the item designated as Section 80 in its entirety. This provision specifies that the reimbursement rate for use of personal vehicles while on state business must fall within a range of not less than 90 percent or more than 110 percent of the maximum allowable under the federal Internal Revenue Service rules. I believe the authority to determine this rate should remain with the director of the Department of Administrative Services, and this language would establish a large unfunded mandate on state agencies. I also do not want to set the precedent of making a statutory tie to federal rates and remove this matter from the discretion of the Department of Administrative Services. I recognize the impact that rising fuel costs have on state government employees, and I will direct the director of the Department of Administrative Services to develop more effective policies to encourage state government employees to use fuel-efficient state vehicles more frequently.

For the above reasons, I respectfully disapprove of the designated items in accordance with Article III, Section 16, of the Constitution of the State of Iowa. All other items in Senate File 601 are hereby approved this date.

Sincerely,
CHESTER J. CULVER
Governor

GOVERNOR'S VETO MESSAGE

May 29, 2007

The Honorable Michael Mauro
Secretary of State
State Capitol Building
L O C A L

Dear Mr. Secretary:

I hereby disapprove and transmit to you Senate File 543, without my signature, in accordance with Article III, Section 16, of the Constitution of the State of Iowa. **Senate File 543**, an Act relating to the state Interagency Missouri River Authority (Authority), amends provisions of Iowa Code section 28L.1, so as to alter the means by which the authority would be governed.

There is no question that our state needs an effective Authority if we are to coordinate the important work that must be done to assure that the economic and environmental potentials of the Missouri River basin are viably and legally managed. I appreciate the efforts of the General Assembly to achieve that end. However, I believe the changes to the Authority's governance structure, as set forth in Senate File 543, would reduce our government's effectiveness in managing this vital natural resource.

As presently constituted, the governor or the governor's designee serves as the Authority's chairperson. The director of the Department of Natural Resources is responsible for coordinating the Authority's activities and serves as chairperson in the absence of the governor. Other members of the Authority—including our Secretary of Agriculture, the chairperson of the Iowa Utilities Board, and the directors of the Department of Economic Development and the Department of Transportation—add their valuable expertise to allow the Authority to arrive at policy decisions that serve the long-term best interests of our state.

Under Senate File 543, if enacted into law, this structure and process of governance would be fundamentally and, in my view, adversely affected. The bill provides for the appointment of a vice chairperson, a position that would rotate on a yearly basis, thereby depriving the Authority of a stability and efficiency of administration that have served it well over a period of years.

Further, Senate File 543 imposes an express unanimity requirement upon the Authority, thereby allowing potential political deadlock and thereby impeding the State of Iowa's ability to participate meaningfully in interstate organizations that have

been created to assure better management of the Missouri River's economic and environmental potentials.

For example, former Governor Thomas J. Vilsack, in June 2006, directed the Authority's members to join the newly-created Missouri River Association of States and Tribes (MoRAST), an organization established to assist states and tribes that border the Missouri River to address commonly shared ecosystem concerns. Under that arrangement, the State of Iowa appoints two department representatives from the Authority to MoRAST's Board of Directors.

Senate File 543 proscribes a "split" vote by Iowa's representatives on such bodies. It is anticipated that, in most instances, Iowa's departmental representatives will agree on matters of policy and practice. However, it is also true that we are governed most effectively when our distinguished departmental directors are allowed to present their view openly and to cast their votes, in good faith, with the best interests of our state as their only polestars, and not with statutory provisions that would threaten policy gridlock.

Members of the Iowa General Assembly can be assured that the Culver-Judge administration is committed to developing and implementing a balanced approach to the Missouri River, taking into account all interests, including environmental, recreational, agricultural, and economic. To that end, I have directed Lieutenant Governor Judge to convene a summit of interested stakeholders and state government agencies to consider future policies and practices with respect to how the vast resources of the Missouri River basin can be most effectively utilized in the interest of all Iowans.

Further, it should be noted that if our administration concludes that Iowa's best interests are not being represented by actions taken by MoRAST, or any other interstate agency focused on Missouri River issues, we will reserve the right to withdraw from such organizations.

Achieving our goals with respect to the Missouri River does not require—in fact, may be impeded by—the amendments to Iowa Code chapter 28L.1 that are set forth in Senate File 543. Accordingly, I hereby forward that bill to you, without my signature.

Sincerely,
CHESTER J. CULVER
Governor

 6 2. Page 1, by inserting after line 35 the
 7 following:
 8 “DIVISION II
 9 Sec. ____. Section 422.5, subsection 2, Code 2007,
 10 is amended to read as follows:
 11 2. However, the tax shall not be imposed on a
 12 resident or nonresident whose net income, as defined
 13 in section 422.7, is ~~thirteen seventeen~~ thousand ~~five~~
 14 nine hundred dollars or less in the case of married
 15 persons filing jointly or filing separately on a
 16 combined return, heads of household, and surviving
 17 spouses or ~~nine eleven~~ thousand two hundred dollars or
 18 less in the case of all other persons; but in the
 19 event that the payment of tax under this division
 20 would reduce the net income to less than ~~thirteen~~
 21 seventeen thousand ~~five nine~~ hundred dollars or ~~nine~~
 22 eleven thousand two hundred dollars as applicable,
 23 then the tax shall be reduced to that amount which
 24 would result in allowing the taxpayer to retain a net
 25 income of ~~thirteen seventeen~~ thousand ~~five nine~~
 26 hundred dollars or ~~nine eleven~~ thousand two hundred
 27 dollars as applicable. The preceding sentence does
 28 not apply to estates or trusts. For the purpose of
 29 this subsection, the entire net income, including any
 30 part of the net income not allocated to Iowa, shall be

31 taken into account. For purposes of this subsection,
32 net income includes all amounts of pensions or other
33 retirement income received from any source which
34 not taxable under this division as a result of the
35 government pension exclusions in section 422.7, or any
36 other state law. If the combined net income of a
37 husband and wife exceeds ~~thirteen seventeen~~ thousand
38 five nine hundred dollars, neither of them shall
39 receive the benefit of this subsection, and it is
40 immaterial whether they file a joint return or
41 separate returns. However, if a husband and wife file
42 separate returns and have a combined net income of
43 ~~thirteen seventeen~~ thousand five nine hundred dollars
44 or less, neither spouse shall receive the benefit of
45 this paragraph, if one spouse has a net operating loss
46 and elects to carry back or carry forward the loss as
47 provided in section 422.9, subsection 3. A person who
48 is claimed as a dependent by another person as defined
49 in section 422.12 shall not receive the benefit of
50 this subsection if the person claiming the dependent

Page 2

1 has net income exceeding ~~thirteen seventeen~~ thousand
2 five nine hundred dollars or ~~nine eleven~~ thousand two
3 hundred dollars as applicable or the person claiming
4 the dependent and the person's spouse have combined
5 net income exceeding ~~thirteen seventeen~~ thousand ~~five~~
6 nine hundred dollars or ~~nine eleven~~ thousand two
7 hundred dollars as applicable.

8 In addition, if the married persons' filing
9 jointly or filing separately on a combined return,
10 head of household's, or surviving spouse's net income
11 exceeds ~~thirteen seventeen~~ thousand five nine hundred
12 dollars, the regular tax imposed under this division
13 shall be the lesser of the maximum state individual
14 income tax rate times the portion of the net income in
15 excess of ~~thirteen seventeen~~ thousand five nine
16 hundred dollars or the regular tax liability computed
17 without regard to this sentence. Taxpayers electing
18 to file separately shall compute the alternate tax
19 described in this paragraph using the total net income
20 of the husband and wife. The alternate tax described
21 in this paragraph does not apply if one spouse elects
22 to carry back or carry forward the loss as provided in
23 section 422.9, subsection 3.

24 This subsection is repealed January 1, 2008.

25 Sec. __. Section 422.5, Code 2007, is amended by
26 adding the following new subsection:

27 NEW SUBSECTION. 2C. However, the tax shall not be
28 imposed on a resident or nonresident whose net income,
29 as defined in section 422.7, is twenty-two thousand

30 three hundred dollars or less in the case of married
31 persons filing jointly or filing separately on a
32 combined return, heads of household, and surviving
33 spouses or thirteen thousand four hundred dollars or
34 less in the case of all other persons; but in the
35 event that the payment of tax under this division
36 would reduce the net income to less than twenty-two
37 thousand three hundred dollars or thirteen thousand
38 four hundred dollars as applicable, then the tax shall
39 be reduced to that amount which would result in
40 allowing the taxpayer to retain a net income of
41 twenty-two thousand three hundred dollars or thirteen
42 thousand four hundred dollars as applicable. The
43 preceding sentence does not apply to estates or
44 trusts. For the purpose of this subsection, the
45 entire net income, including any part of the net
46 income not allocated to Iowa, shall be taken into
47 account. For purposes of this subsection, net income
48 includes all amounts of pensions or other retirement
49 income received from any source which is not taxable
50 under this division as a result of the government

Page 3

1 pension exclusions in section 422.7, or any other
2 state law. If the combined net income of a husband
3 and wife exceeds twenty-two thousand three hundred
4 dollars, neither of them shall receive the benefit of
5 this subsection, and it is immaterial whether they
6 file a joint return or separate returns. However, if
7 a husband and wife file separate returns and have a
8 combined net income of twenty-two thousand three
9 hundred dollars or less, neither spouse shall receive
10 the benefit of this paragraph, if one spouse has a net
11 operating loss and elects to carry back or carry
12 forward the loss as provided in section 422.9,
13 subsection 3. A person who is claimed as a dependent
14 by another person as defined in section 422.12 shall
15 not receive the benefit of this subsection if the
16 person claiming the dependent has net income exceeding
17 twenty-two thousand three hundred dollars or thirteen
18 thousand four hundred dollars as applicable or the
19 person claiming the dependent and the person's spouse
20 have combined net income exceeding twenty-two thousand
21 three hundred dollars or thirteen thousand four
22 hundred dollars as applicable.

23 In addition, if the married persons', filing
24 jointly or filing separately on a combined return,
25 head of household's, or surviving spouse's net income
26 exceeds twenty-two thousand three hundred dollars, the
27 regular tax imposed under this division shall be the
28 lesser of the maximum state individual income tax rate

29 times the portion of the net income in excess of
 30 twenty-two thousand three hundred dollars or the
 31 regular tax liability computed without regard to this
 32 sentence. Taxpayers electing to file separately shall
 33 compute the alternate tax described in this paragraph
 34 using the total net income of the husband and wife.
 35 The alternate tax described in this paragraph does not
 36 apply if one spouse elects to carry back or carry
 37 forward the loss as provided in section 422.9,
 38 subsection 3.

39 Sec. ____ Section 422.5, subsection 7, Code 2007,
 40 is amended to read as follows:

41 7. In addition to the other taxes imposed by this
 42 section, a tax is imposed on the amount of a lump sum
 43 distribution for which the taxpayer has elected under
 44 section 402(e) of the Internal Revenue Code to be
 45 separately taxed for federal income tax purposes for
 46 the tax year. The rate of tax is equal to twenty-five
 47 percent of the separate federal tax imposed on the
 48 amount of the lump sum distribution. A nonresident is
 49 liable for this tax only on that portion of the lump
 50 sum distribution allocable to Iowa. The total amount

Page 4

1 of the lump sum distribution subject to separate
 2 federal tax shall be included in net income for
 3 purposes of determining eligibility under subsections
 4 ~~2 and 2A, or 2B, and 2C~~, as applicable.

DIVISION III

6 Sec. ____ Section 422.7, Code 2007, is amended by
 7 adding the following new subsection:

8 NEW SUBSECTION. 50. a. Subtract five hundred
 9 dollars for each qualifying child, as defined in
 10 section 24(c) of the Internal Revenue Code.

11 b. (1) For the tax year beginning in the 2008
 12 calendar year and for each subsequent tax year, the
 13 dollar amount set forth in paragraph "a" shall be
 14 multiplied by the cumulative adjustment factor for
 15 that tax year. "Cumulative adjustment factor" means
 16 the product of the annual adjustment factor for the
 17 2007 calendar year and all annual adjustment factors
 18 for subsequent calendar years. The cumulative
 19 adjustment factor applies to the tax year beginning in
 20 the calendar year for which the latest annual
 21 adjustment factor has been determined.

22 (2) The annual adjustment factor for the 2007
 23 calendar year is one hundred percent. For each
 24 subsequent calendar year, the annual adjustment factor
 25 equals the annual inflation factor for the calendar
 26 year, in which the tax year begins, as computed in
 27 section 422.4 for purposes of the individual income

28 tax.

29 DIVISION IV

30 Sec. ____ NEW SECTION. 422.11T SMALL BUSINESS

32 1. a. The taxes imposed under this division, less
33 the amounts of nonrefundable credits allowed under
34 this division, shall be reduced by a small business
35 health care tax credit, to the extent available, for
36 the cost to a small business of providing health care
37 benefits or contributions to employees of the
38 business. The amount of the credit for each employee
39 equals the first one thousand dollars of the cost of
40 providing health care benefits to the employee or the
41 first one thousand dollars of the contribution made on
42 behalf of the employee to a health savings account of
43 that employee.

44 b. The total amount of all credits for all
45 employees under paragraph "a" shall not exceed
46 twenty-five thousand dollars.

47 c. For purposes of this section:

48 (1) "Health savings account" means a health
49 savings account as defined in section 223(d) of the
50 Internal Revenue Code.

Page 5

1 (2) "Small business" means a for-profit enterprise
2 that employed during the tax year less than fifty
3 full-time equivalent employees.

4 d. Any credit in excess of the tax liability shall
5 be refunded. In lieu of claiming a refund, a taxpayer
6 may elect to have the overpayment shown on the
7 taxpayer's final, completed return credited to the tax
8 liability for the following taxable year.

9 2. An individual may claim a small business health
10 care tax credit allowed a partnership, limited
11 liability company, S corporation, estate, or trust
12 electing to have the income taxed directly to the
13 individual. The amount claimed by the individual
14 shall be based upon the pro rata share of the
15 individual's earnings of the partnership, limited
16 liability company, S corporation, estate, or trust.

17 3. A taxpayer claiming a credit under this section
18 shall not be precluded, in computing taxable income,
19 from deducting the amount of costs for providing

30 the taxpayer's tax return in order to claim the tax
31 credit. The department shall adopt rules to
32 administer this section and shall provide by rule for

22 of credit office from which such business is
23 conducted.

24 2. Any motor vehicle equity line of credit
25 agreement made without first having obtained a license
26 is void and the person making the agreement forfeits
27 the right to collect any moneys, including principal,
28 interest, and any other fee paid by the borrower in
29 connection with the agreement. The person making the

5 less than seventy-five thousand dollars for each motor
6 vehicle equity line of credit office.

7 b. The financial responsibility, financial

10 belief that the applicant's business will be conducted

11 lawfully. In determining whether the requirements of
12 this paragraph have been met, and for the purpose of
13 investigating compliance with this chapter, the
14 superintendent may review and approve all of the
15 following:

16 (1) The relevant business records and the capital
17 adequacy of the applicant.

18 (2) The financial responsibility, financial

23 (3) Any adjudication against the applicant or any
24 person referred to in subparagraph (2) of any criminal

46 agreement.

47 4. Each application for a license shall be
48 accompanied by all of the following:

49 a. A filing fee, in an amount prescribed by the
50 superintendent by rule but not to exceed one thousand

Page 4

13 to do business in this state. The bond shall cover
14 the performance of the obligations of the applicant
15 and the applicant's agents in connection with loan
16 activities under this chapter. An applicant or
17 licensee may, in lieu of filing a bond, provide the
18 superintendent with an irrevocable letter of credit in
19 the amount of twenty-five thousand dollars per motor
20 vehicle equity line of credit office, issued by any
21 bank, trust company, savings and loan association, or
22 credit union operating in this state in a form
23 acceptable to the superintendent.

24 5. Upon the filing of an application in a form
25 prescribed by the superintendent, accompanied by the
26 fee and documents required in this section, the
27 superintendent shall investigate to ascertain whether
28 the qualifications prescribed by this section have
29 been satisfied. If the superintendent finds that the
30 qualifications have been satisfied, the superintendent
31 shall issue to the applicant a license to engage in
32 the motor vehicle equity line of credit lending
33 business in this state.

34 6. If the superintendent determines that an
35 applicant is not qualified to receive a license, the
36 superintendent shall notify the applicant in writing
37 that the application has been denied, stating the
38 basis for denial. If the superintendent denies an
39 application, or if the superintendent fails to act on
40 an application within ninety days after the filing of
41 a properly completed application, the applicant may
42 make written demand to the superintendent for a
43 hearing before the superintendent on the question of
44 whether the license should be granted. Any hearing

3 licensee.

4 8. A license is not transferable or assignable
5 except as allowed by rule of the superintendent.

6 9. A license issued pursuant to this section shall
7 expire each year on May 31, unless the licensee
8 submits a timely renewal application, or unless

9 earlier surrendered, suspended, or revoked pursuant to
10 this chapter. Each license may be renewed upon
11 application by the license holder, submitted at least
12 thirty days prior to the renewal date, showing
13 continued compliance with the requirements of this
14 section and the payment to the superintendent of the
15 annual license fee in an amount prescribed by the
16 superintendent by rule but not to exceed one thousand
17 dollars for each licensed motor vehicle equity line of
18 credit office in this state.

19 10. The superintendent may establish a biennial
20 licensing arrangement for the filing of the
21 application for license renewal but the license fee
22 shall not be payable for more than one year at a time.

23 Sec. 6. NEW SECTION. 536B.6 NOTICE OF CHANGE IN
24 CONTROL AND PRINCIPAL PLACE OF BUSINESS.

25 1. Except when a change of control is beyond the
26 control of the motor vehicle equity line of credit
27 lender, or in the case of an emergency as determined
28 by the superintendent, a change in control of a motor
29 vehicle equity line of credit lender shall require
30 fifteen days prior written notice to the
31 superintendent. In the case of a publicly traded
32 corporation, such notification shall be made in
33 writing within thirty days of the change or
34 acquisition of control of the motor vehicle equity
35 line of credit lender.

36 2. Upon notification of a change in control, the
37 superintendent may require such information as deemed
38 necessary to determine whether to approve a new
39 controlling person. The superintendent may disapprove
40 the new person for any reason the superintendent could
41 deny a license. If the superintendent disapproves any
42 person, the superintendent shall allow a reasonable
43 time for the licensee to remove such person as
44 controlling person.

45 3. Costs incurred by the superintendent in
46 investigating a change of control notification shall
47 be paid by the person requesting such approval.

48 4. Whenever control of a motor vehicle equity line
49 of credit lender is acquired or exercised in violation
50 of this chapter, the licensee of the motor vehicle

Page 6

1 equity line of credit lender may be subject to
2 penalties under section 536B.16.

3 5. Each motor vehicle equity line of credit lender
4 shall notify the superintendent fifteen days prior to
5 any change in the principal place of business of a
6 motor vehicle equity line of credit lender, except in
7 a case of an emergency as defined by the

8 superintendent.

24 to entering into any motor vehicle equity line of
25 credit agreement. The required style, content, and

2 Sec. 12. NEW SECTION. 536B.12 MANDATORY
3 PRINCIPAL REDUCTION PAYMENT.

4 1. For each payment period under a motor vehicle
5 equity line of credit agreement, the borrower shall be
6 required to make a principal reduction payment in a

40 certified mail to warn the borrower of the default by
41 the borrower, and shall keep a record of all written
42 correspondence.

43 3. Prior to taking possession of the motor
44 vehicle, the motor vehicle equity line of credit

13 motor vehicle equity line of credit lender, or the
14 lender's agent or independent contractor, may proceed
15 without judicial process if repossession can be
16 accomplished without breach of the peace, or the
17 lender may proceed by action to obtain judicial

19 contractor takes possession of the motor vehicle, the
20 lender shall without charge require that any personal

22 inventoried, and made available to the borrower for at
23 least fifteen days after the written notice of right
24 to redemption is sent to the borrower.

25 5. There shall be no further interest charged to
26 the borrower after repossession of the motor vehicle.

27 6. After repossession, the motor vehicle equity
28 line of credit lender shall mail a notice of right to
29 redeem to the borrower, notifying the borrower that
30 the borrower must redeem the certificate of title to
31 the motor vehicle within ten days by paying all
32 outstanding principal, interest, and fees authorized
33 by this chapter owed by the borrower to the motor
34 vehicle equity line of credit lender, plus all
35 repossession charges and informing the borrower where
36 and how to recover personal belongings left in the
37 vehicle. If the borrower exercises the right of
38 redemption, the borrower shall be given possession of
39 the motor vehicle and the certificate of title without
40 further charge. If the borrower fails to redeem the
41 motor vehicle, the motor vehicle equity line of credit
42 lender shall proceed to sell the motor vehicle.

43 7. The motor vehicle equity line of credit lender
44 shall sell the motor vehicle in a commercially
45 reasonable manner and in compliance with chapter 554,
46 article 9, part 6. The proceeds of the sale shall be

49 motor vehicle equity line of credit lender, including
50 the actual repossession costs and cost of the sale.

2 be remitted to the borrower after such sale and shall
3 not be retained by the motor vehicle equity line of
4 credit lender.

5 8. Upon voluntary surrender of the motor vehicle,
6 the motor vehicle equity line of credit lender shall
7 send a notice to cure default or notice of right to
8 redeem to the borrower.

9 Sec. 14. NEW SECTION. 536B.14 PROHIBITED
10 ACTIONS.

11 A motor vehicle equity line of credit lender shall
12 not do any of the following:

13 1. Enter into a motor vehicle equity line of

31 default or failure to redeem, and to sell or otherwise
32 dispose of the motor vehicle in accordance with the

15 decision is rendered, the court shall appoint the most
16 adequate plaintiff as lead plaintiff for the

35 (a) The presumptively most adequate plaintiff will

40 incapable of adequately representing the class.

41 d. For purposes of this subsection, discovery
42 relating to whether a member or members of the
43 purported plaintiff class is the most adequate
44 plaintiff may be conducted by a plaintiff only if the
45 plaintiff first demonstrates a reasonable basis for a
46 finding that the presumptively most adequate plaintiff
47 is incapable of adequately representing the class.

48 e. The most adequate plaintiff shall, subject to
49 the approval of the court, select and retain counsel
50 to represent the class.

19 adopted and orders issued pursuant to this chapter.

20 2. A seller shall reimburse the division for the
21 expense of conducting the examination, including an
22 audit conducted by a certified public accountant,
23 unless the commissioner waives this requirement, or
24 the seller has previously provided to the commissioner
25 a certified copy of an audit conducted by an
26 independent certified public accountant verifying
27 compliance with this chapter for each year in question
28 and the examination conducted by the commissioner does
29 not disclose that the seller has not complied with
30 this chapter for the years in question. The expense
31 of an examination involving multiple sellers or other
32 persons shall be prorated among them upon any
33 reasonable basis as determined by the commissioner.

34 3. For purposes of completing an examination under
35 this chapter, the commissioner may examine or
36 investigate any person, or the business of any person,
37 if the examination or investigation is, in the sole
38 discretion of the commissioner, necessary or material
39 to the examination of the seller.

40 4. Upon determining that an examination should be
41 conducted, the commissioner may appoint one or more
42 examiners to perform the examination and instruct
43 those examiners as to the scope of the examination.

44 5. A seller, or other person from whom information
45 is sought, and its officers, directors, employees, and
46 agents shall provide to the examiners appointed under

50 electronic or other recordings related to the

Page 5

1 property, assets, business, and affairs of the seller
2 being examined and shall facilitate the examination as
3 much as possible.

4 a. The refusal of a seller, by its officers,
5 directors, employees, or agents, to submit to an
6 examination or to comply with a reasonable written
7 request of an examiner shall constitute grounds for
8 the suspension, revocation, or nonrenewal of any
9 license held by the seller to engage in business
10 subject to the commissioner's jurisdiction.

11 b. If a seller declines or refuses to submit to an
12 examination as provided in this chapter, the
13 commissioner shall immediately suspend, revoke, or
14 nonrenew any license held by the seller or business to
15 engage in business subject to the commissioner's
16 jurisdiction, and shall report the commissioner's
17 action to the attorney general, who shall immediately
18 apply to the district court for the appointment of a
19 receiver to administer the final affairs of the
20 seller.

21 6. The commissioner shall not make information
22 obtained in the course of an examination public,
23 except when a duty under this chapter requires the
24 commissioner to take action against a seller or to
25 cooperate with another law enforcement agency, or when
26 the commissioner is called as a witness in a civil or
27 criminal proceeding.

28 7. This section shall not be construed to limit
29 the commissioner's authority to terminate or suspend
30 any examination in order to pursue other legal or
31 regulatory actions pursuant to this chapter. Findings
32 of fact and conclusions made pursuant to an
33 examination are deemed to be prima facie evidence in
34 any legal or regulatory action.

42 opinion of the adequacy of funding related to the
43 purchase agreements to be sold or transferred.

32 addition to any other fees, charge and collect such
33 amounts as may be incurred by the commissioner, the

15 the purchaser's name within thirty days of the sale.

16 6. If no denial order is in effect and no
17 proceeding is pending under section 523A.503, the
18 application becomes effective at noon of the thirtieth
19 day after a completed application or an amendment
20 completing the application is filed, unless waived by
21 the applicant. The commissioner may specify an
22 earlier effective date. Automatic effectiveness under
23 this subsection shall not be deemed approval of the
24 application. If the commissioner does not grant the
25 ~~permit license~~, the commissioner shall notify the
26 person in writing of the reasons for the denial.

27 7. ~~An initial permit is valid for two years from~~

29 director's services as an employee or agent of a
30 funeral establishment furnishing the funeral services
31 under chapter 156.

32 3. An application for a sales ~~permit~~ license shall
33 be filed on a form prescribed by the commissioner and
34 be accompanied by a ~~five dollar~~ filing fee in an
35 amount set by the commissioner by rule.

36 ~~4. The application shall contain:~~

37 ~~a. The name and address of the person.~~

38 ~~b. The name and address of the person's employer~~

2 section, or any licensee who is being monitored as a
3 result of a commission order or agreement resolving an
4 administrative disciplinary action, for the purpose of
5 evaluating the applicant's or licensee's eligibility
6 for licensure or suitability for continued practice as

11 obtain a signed waiver from the applicant or licensee
12 prior to submitting a criminal history data request.

20 federal bureau of investigation through the state
21 criminal history repository for a national criminal
22 history check. The commissioner may authorize
23 alternate methods or sources for obtaining criminal
24 history record information. The commissioner may, in
25 addition to any other fees, charge and collect such
26 amounts as may be incurred by the commissioner, the
27 department of public safety, or the federal bureau of
28 investigation in obtaining criminal history
29 information. Amounts collected shall be considered

37 date the application is filed. The permit may be
38 renewed for four years by filing the form prescribed
39 by the commissioner under subsection 3, accompanied by
40 a twenty dollar filing fee. The sales license shall
41 be valid until denied, suspended, revoked, or
42 surrendered.

6 ~~within thirty days of the sale.~~

7 ~~8. 9.~~ If no denial order is in effect and no
8 proceeding is pending under section 523A.503, the
9 application becomes effective at noon of the thirtieth
10 day after a completed application or an amendment
11 completing the application is filed, unless waived by
12 the applicant. The commissioner may specify an
13 earlier effective date. Automatic effectiveness under
14 this subsection shall not be deemed approval of the
15 application. If the commissioner does not grant the
16 permit license, the commissioner shall notify the
17 applicant in writing of the reasons for the denial.

18 ~~9. 10.~~ The commissioner may by rule create or
19 accept a multijurisdiction sales permit license. If
20 the sales permit license is issued by another
21 jurisdiction, the rules shall require the filing of an
22 application or notice form and payment of the
23 applicable filing fee ~~of five dollars for each year.~~
24 The application or notice form utilized and the
25 effective dates and terms of the permit license may
26 vary from the provisions set forth in subsections 3
27 and 5.

28 Sec. 18. NEW SECTION. 523A.502A SALES AGENT
29 ANNUAL REPORTING REQUIREMENTS.

30 1. A sales agent shall file with the commissioner

33 copy of each purchase agreement sold by the sales
34 agent during the year.

35 2. All records maintained by the commissioner
36 under this section shall be confidential pursuant to
37 section 22.7, subsection 58, and shall not be made
38 available for inspection or copying except upon the
39 approval of the commissioner or the attorney general.

40 3. The commissioner shall levy an administrative
41 penalty in the amount of five hundred dollars against
42 a sales agent who fails to file an annual report when

44 fund.

45 4. A sales agent who fails to file the annual
46 report when due shall immediately cease soliciting or
47 executing purchase agreements until the annual report

1 to read as follows:

2 523A.503 DENIAL, SUSPENSION, REVOCATION, AND
3 SURRENDER OF ~~PERMITS~~ LICENSES.

4 1. The commissioner may, pursuant to chapter 17A,
5 deny any ~~permit~~ license application, or immediately
6 suspend, revoke, or otherwise impose disciplinary
7 action related to any ~~permit~~ license issued under ~~this~~
8 ~~chapter section 523A.501 or 523A.502~~ for several
9 reasons, including but not limited to:

10 a. Committing a fraudulent act, engaging in a
11 fraudulent practice, or violating any provision of
12 this chapter or any implementing rule or order issued
13 under this chapter.

14 b. Violating any other state or federal law
15 applicable to the conduct of the applicant's or ~~permit~~
16 ~~holder's~~ licensee's business.

17 c. Insolvency or financial condition.

18 d. The ~~permit holder~~ licensee, for the purpose of
19 avoiding the trust requirement for funeral services,
20 attributes amounts paid under the purchase agreement
21 to cemetery merchandise or funeral merchandise that is
22 delivered under section 523A.404 rather than to
23 funeral services sold to the purchaser. The sale of
24 funeral services at a lower price when the sale is
25 made in conjunction with the sale of cemetery
26 merchandise or funeral merchandise to be delivered
27 under section 523A.404 than the services are regularly
28 and customarily sold for when not sold in conjunction
29 with cemetery merchandise or funeral merchandise is
30 evidence that the ~~permit holder~~ licensee is acting
31 with the purpose of avoiding the trust requirement for
32 funeral services under section 523A.201.

33 e. Engaging in a deceptive act or practice or
34 deliberately misrepresenting or omitting a material
35 fact regarding the sale of cemetery merchandise,
36 funeral merchandise, funeral services, or a
37 combination thereof under this chapter.

38 f. Conviction of a criminal offense involving
39 dishonesty or a false statement including but not
40 limited to fraud, theft, misappropriation of funds,
41 falsification of documents, deceptive acts or
42 practices, or other related offenses.

43 g. Inability to provide the cemetery merchandise,
44 funeral merchandise, funeral services, or a
45 combination thereof which the applicant or ~~permit~~
46 ~~holder~~ licensee purports to sell.

47 h. The applicant or ~~permit holder~~ licensee sells
48 the business without filing a prior notice of sale
49 with the commissioner. The ~~permit~~ license shall be
50 revoked thirty days following such sale.

Page 13

1 i. Selling by a person who is not ~~an employee or~~
2 ~~agent of the applicant or permit holder~~ a licensed
3 sales agent.

4 i. The applicant or licensee is named in an order
5 issued pursuant to section 523A.807, subsection 3,
6 paragraph "b".

7 2. The commissioner may, for good cause shown,
8 suspend any permit license for a period not exceeding
9 thirty days, pending investigation.

10 3. Except as provided in subsection 2, a permit
11 license shall not be revoked, suspended, or otherwise
12 be the subject of disciplinary action except after
13 notice and hearing under chapter 17A.

14 4. Any permit holder license may surrender a
15 permit license by delivering to the commissioner
16 written notice that the permit holder licensee
17 surrenders the permit license, but the surrender shall
18 not affect the permit holder's licensee's civil or
19 criminal liability for acts committed before the
20 surrender.

21 5. Denial, revocation, suspension, or surrender of
22 a permit license does not impair or affect the
23 obligation of any preexisting lawful agreement between
24 the permit holder licensee and any person.

25 ~~6. The commissioner may impose a civil penalty in~~
26 ~~an amount not exceeding ten thousand dollars per~~
27 ~~violation against any person violating this chapter.~~
28 ~~Each day of a continuing violation constitutes a~~
29 ~~separate offense.~~

30 Sec. 20. NEW SECTION. 523A.504 APPOINTMENT OF
31 SALES AGENTS.

32 1. A person shall not sell or offer to furnish
33 cemetery merchandise, funeral merchandise, funeral
34 services, or a combination thereof when performance or
35 delivery may be more than one hundred twenty days
36 following initial payment on the account except
37 through a sales agent who holds a sales license issued
38 pursuant to section 523A.502. If a person holding a
39 preneed seller's license appoints a sales agent to act
40 on behalf of the preneed seller, the person shall file
41 a notice of such appointment with the commissioner
42 within thirty days of the appointment, in a format
43 approved by the commissioner, and annually thereafter.

44 2. A preneed seller shall pay an annual fee of
45 five dollars for each sales agent appointed by the
46 preneed seller, which fee shall be submitted with the
47 annual report.

Page 14

1 ~~license number, the salesperson's permit and~~
2 ~~establishment sales agent by name and permit license~~
3 ~~number, the expiration date of the salesperson's~~
4 ~~permit, the purchaser, and the person for whom the~~
5 cemetery merchandise, funeral merchandise, funeral
6 services, or a combination thereof is purchased, if
7 other than the purchaser.

8 Sec. 22. Section 523A.601, Code 2007, is amended
9 by adding the following new subsection:

10 NEW SUBSECTION. 6. a. A purchase agreement that
11 is funded by a trust shall include a conspicuous

45 receive the insurance policy or certificate or the
46 annuity, you should report this fact to the Iowa
47 insurance division, by calling the insurance division

49 mailed to the Iowa insurance division at (street
50 address), (city), Iowa (zip code)."

8 contained in the agreement due to insufficient
9 funding. Coverage under a surety bond, in the amount
10 of \$(amount) will be purchased from (name of issuer of
11 surety bond), (street address), (city), (state) (zip

3 ~~establishment seller~~ and to administer them under the
4 general supervision of the court. The liquidator is
5 vested with the title to the property, contracts, and
6 rights of action and the books and records of the
7 ~~establishment seller~~ ordered liquidated, wherever
8 located, as of the entry of the final order of
9 liquidation. The filing or recording of the order
10 with the clerk of court and the recorder of deeds of
11 the county in which its principal office or place of
12 business is located, or in the case of real estate,
13 with the recorder of deeds of the county where the
14 property is located, is notice as a deed, bill of
15 sale, or other evidence of title duly filed or
16 recorded with the recorder of deeds.

26 petitioning, the commissioner, after making
27 appropriate findings of ~~an establishment's a seller's~~

29 of insolvency. After providing notice and hearing as
30 it deems proper, the court may make the declaration.

31 e. Within five days after the initiation of an
32 appeal of an order of liquidation, which order has not
33 been stayed, the commissioner shall present for the
34 court's approval a plan for the continued performance
35 of the ~~establishment's seller's~~ obligations during the
36 pendency of an appeal. The plan shall provide for the
37 continued performance of purchase agreements in the
38 normal course of events, notwithstanding the grounds
39 alleged in support of the order of liquidation
40 including the ground of insolvency. If the defendant
41 ~~establishment's seller's~~ financial condition, in the
42 judgment of the commissioner, will not support the
43 full performance of all obligations during the appeal
44 pendency period, the plan may prefer the claims of
45 certain purchasers and claimants over creditors and
46 interested parties as well as other purchasers and
47 claimants, as the commissioner finds to be fair and
48 equitable considering the relative circumstances of
49 such purchasers and claimants. The court shall
50 examine the plan submitted by the commissioner and if

Page 31

1 it finds the plan to be in the best interests of the
2 parties, the court shall approve the plan. An action
3 shall not lie against the commissioner or any of the
4 commissioner's deputies, agents, clerks, assistants,
5 or attorneys by any party based on preference in an
6 appeal pendency plan approved by the court.

7 Sec. 73. Section 523A.901, subsection 3, paragraph

15 or otherwise dealing with the business and property of
16 the ~~establishment seller~~. If the property of the
17 ~~establishment seller~~ does not contain sufficient cash
18 or liquid assets to defray the costs incurred, the
19 commissioner may advance the costs so incurred out of
20 the insurance division regulatory fund. Amounts so
21 advanced for expenses of administration shall be
22 repaid to the insurance division regulatory fund for
23 the use of the division out of the first available
24 moneys of the ~~establishment seller~~.

25 (6) Collect debts and moneys due and claims
26 belonging to the ~~establishment seller~~, wherever
27 located. Pursuant to this subparagraph, the

38 enforce claims.

39 (7) Conduct public and private sales of the
40 property of the ~~establishment seller~~.

41 (8) Use assets of the ~~establishment seller~~ under a
42 liquidation order to transfer obligations of purchase
43 agreements to a solvent ~~establishment seller~~, if the
44 transfer can be accomplished without prejudice to the
45 applicable priorities under subsection 18.

46 (9) Acquire, hypothecate, encumber, lease,
47 improve, sell, transfer, abandon, or otherwise dispose
48 of or deal with property of the ~~establishment seller~~
49 at its market value or upon terms and conditions as
50 are fair and reasonable. The liquidator shall also

Page 32

1 have power to execute, acknowledge, and deliver deeds,
2 assignments, releases, and other instruments necessary
3 to effectuate a sale of property or other transaction
4 in connection with the liquidation.

5 (10) Borrow money on the security of the
6 ~~establishment's seller's~~ assets or without security
7 and execute and deliver documents necessary to that
8 transaction for the purpose of facilitating the
9 liquidation. Money borrowed pursuant to this
10 subparagraph shall be repaid as an administrative
11 expense and shall have priority over any other class 1
12 claims under the priority of distribution established
13 in subsection 18.

14 (11) Enter into contracts as necessary to carry
15 out the order to liquidate and affirm or disavow
16 contracts to which the ~~establishment seller~~ is a
17 party.

18 (12) Continue to prosecute and to institute in the
19 name of the ~~establishment seller~~ or in the

21 legal proceedings, in this state or elsewhere, and to
22 abandon the prosecution of claims the liquidator deems
23 unprofitable to pursue further.

24 (13) Prosecute an action on behalf of the
25 creditors, purchasers, or owners against an officer of
26 the ~~establishment seller~~ or any other person.

27 (14) Remove records and property of the
28 ~~establishment seller~~ to the offices of the
29 commissioner or to other places as may be convenient
30 for the purposes of efficient and orderly execution of
31 the liquidation.

32 (17) File necessary documents for recording in the
33 office of the recorder of deeds or record office in
34 this state or elsewhere where property of the
35 ~~establishment seller~~ is located.

36 (18) Assert defenses available to the
37 ~~establishment seller~~ against third persons including
38 statutes of limitations, statutes of fraud, and the
39 defense of usury. A waiver of a defense by the
40 ~~establishment seller~~ after a petition in liquidation
41 has been filed shall not bind the liquidator.

42 Sec. 74. Section 523A.901, subsection 4, paragraph
43 a, subparagraphs (1) and (2), Code 2007, are amended
44 to read as follows:

45 (1) Mailing notice, by first-class mail, to all

17 seller, an action at law or equity shall not be
18 brought against the ~~establishment seller~~ within this
19 state or elsewhere, and existing actions shall not be
20 maintained or further presented after issuance of the
21 order. Whenever in the liquidator's judgment,
22 protection of the estate of the ~~establishment seller~~
23 necessitates intervention in an action against the
24 ~~establishment seller~~ that is pending outside this
25 state, the liquidator may intervene in the action.
26 The liquidator may defend, at the expense of the
27 estate of the ~~establishment seller~~, an action in which
28 the liquidator intervenes under this section.

29 b. Within two years or such additional time as
30 applicable law may permit, the liquidator, after the
31 issuance of an order for liquidation, may institute a
32 action or proceeding on behalf of the estate of the
33 ~~establishment seller~~ upon any cause of action against
34 which the period of limitation fixed by applicable law
35 has not expired at the time of the filing of the
36 petition upon which the order is entered. If a period
37 of limitation is fixed by agreement for instituting a
38 suit or proceeding upon a claim, or for filing a
39 claim, proof of claim, proof of loss, demand, notice,
40 or the like, or if in a proceeding, judicial or
41 otherwise, a period of limitation is fixed in the
42 proceeding or pursuant to applicable law for taking an
43 action, filing a claim or pleading, or doing an act,
44 and if the period has not expired at the date of the
45 filing of the petition, the liquidator may, for the
46 benefit of the estate, take any action or do any act,
47 required of or permitted to the ~~establishment seller~~,
48 within a period of one hundred eighty days subsequent
49 to the entry of an order for liquidation, or within a
50 further period as is shown to the satisfaction of the

Page 34

1 court not to be unfairly prejudicial to the other
2 party.
3 c. A statute of limitations or defense of laches
4 shall not run with respect to an action against ~~an~~
5 ~~establishment a seller~~ between the filing of a
6 petition for liquidation against the ~~establishment~~
7 ~~business of a seller~~ and the denial of the petition.
8 An action against the ~~establishment seller~~ that might
9 have been commenced when the petition was filed may be
10 commenced within sixty days after the petition is
11 denied.

12 Sec. 77. Section 523A.901, subsection 6, paragraph
13 a, Code 2007, is amended to read as follows:

14 a. As soon as practicable after the liquidation
15 order but not later than one hundred twenty days after
16 such order, the liquidator shall prepare in duplicate
17 a list of the ~~establishment's seller's~~ assets. The
18 list shall be amended or supplemented as the
19 liquidator may determine. One copy shall be filed in
20 the office of the clerk of court, and one copy shall
21 be retained for the liquidator's files. Amendments
22 and supplements shall be similarly filed.

23 Sec. 78. Section 523A.901, subsection 7, paragraph
24 a, Code 2007, is amended to read as follows:

25 a. A transfer made and an obligation incurred by
26 ~~an establishment a seller whose business is~~ within one
27 year prior to the filing of a successful petition for
28 liquidation under this chapter is fraudulent as to
29 then existing and future creditors if made or incurred
30 without fair consideration, or with actual intent to
31 hinder, delay, or defraud either existing or future
32 creditors. A fraudulent transfer made or an
33 obligation incurred by ~~an establishment a seller whose~~
34 business is ordered to be liquidated under this
35 chapter may be avoided by the liquidator, except as to
36 a person who in good faith is a purchaser, lienor, or
37 obligee for a present fair equivalent value. A
38 purchaser, lienor, or obligee, who in good faith has
39 given a consideration less than present fair
40 equivalent value for such transfer, lien, or
41 obligation, may retain the property, lien, or
42 obligation as security for repayment. The court may,
43 on due notice, order any such transfer, lien, or
44 obligation to be preserved for the benefit of the
45 estate, and in that event, the receiver shall succeed
46 to and may enforce the rights of the purchaser,
47 lienor, or obligee.

48 Sec. 79. Section 523A.901, subsection 7, paragraph
49 b, subparagraph (2), Code 2007, is amended to read as
50 follows:

Page 35

1 (2) A transfer of real property is made when it
2 becomes perfected so that a subsequent bona fide
3 purchaser from the ~~establishment seller~~ could not
4 obtain rights superior to the rights of the
5 transferee.

6 Sec. 80. Section 523A.901, subsection 8,
7 paragraphs a, b, and c, Code 2007, are amended to read
8 as follows:

9 a. After a petition for liquidation has been
10 filed, a transfer of real property of the
11 ~~establishment seller~~ made to a person acting in good
12 faith is valid against the liquidator if made for a
13 present fair equivalent value. If the transfer is not
14 made for a present fair equivalent value, then the
15 transfer is valid to the extent of the present
16 consideration actually paid for which amount the
17 transferee shall have a lien on the property
18 transferred. The commencement of a proceeding in
19 liquidation is constructive notice upon the recording
20 of a copy of the petition for or order of liquidation
21 with the recorder of deeds in the county where any
22 real property in question is located. The exercise by
23 a court of the United States or a state or
24 jurisdiction to authorize a judicial sale of real
25 property of the ~~establishment seller~~ within a county
26 in a state shall not be impaired by the pendency of a
27 proceeding unless the copy is recorded in the county
28 prior to the consummation of the judicial sale.

29 b. After a petition for liquidation has been filed
30 and before either the liquidator takes possession of
31 the property of the ~~establishment seller~~ or an order
32 of liquidation is granted:

33 (1) A transfer of the property, other than real
34 property, of the ~~establishment seller~~ made to a person
35 acting in good faith is valid against the liquidator
36 if made for a present fair equivalent value. If the
37 transfer was not made for a present fair equivalent
38 value, then the transfer is valid to the extent of the
39 present consideration actually paid for which amount
40 the transferee shall have a lien on the property
41 transferred.

42 (2) If acting in good faith, a person indebted to
43 the ~~establishment seller~~ or holding property of the
44 ~~establishment seller~~ may pay the debt or deliver the
45 property, or any part of the property, to the
46 ~~establishment seller~~ or upon the ~~establishment's~~
47 ~~seller's~~ order as if the petition were not pending.

48 (3) A person having actual knowledge of the
49 pending liquidation is not acting in good faith.

50 (4) A person asserting the validity of a transfer

Page 36

1 under this subsection has the burden of proof. Except
2 as provided in this subsection, a transfer by or on
3 behalf of the ~~establishment seller~~ after the date of
4 the petition for liquidation by any person other than
5 the liquidator is not valid against the liquidator.

6 c. A person receiving any property from the
7 ~~establishment seller~~ or any benefit of the property o
8 the ~~establishment seller~~ which is a fraudulent
9 transfer under paragraph "a" is personally liable for
10 the property or benefit and shall account to the
11 liquidator.

12 Sec. 81. Section 523A.901, subsection 9, paragraph
13 a, subparagraphs (1) and (2), Code 2007, are amended
14 to read as follows:

15 (1) A preference is a transfer of the property of
16 ~~an establishment a seller~~ to or for the benefit of a
17 creditor for an antecedent debt made or suffered by
18 the ~~establishment seller~~ within one year before the
19 filing of a successful petition for liquidation under
20 this chapter, the effect of which transfer may be to
21 enable the creditor to obtain a greater percentage of
22 this debt than another creditor of the same class
23 would receive. If a liquidation order is entered
24 while the ~~establishment seller~~ is already subject to a
25 receivership, then the transfers are preferences if
26 made or suffered within one year before the filing of
27 the successful petition for the receivership, or
28 within two years before the filing of the successful
29 petition for liquidation, whichever time is shorter.

30 (2) A preference may be avoided by the liquidator
31 if any of the following exist:

32 (a) The ~~establishment seller~~ was insolvent at the
33 time of the transfer.

34 (b) The transfer was made within four months
35 before the filing of the petition.

36 (c) At the time the transfer was made, the
37 creditor receiving it or to be benefited by the
38 transfer or the creditor's agent acting with reference
39 to the transfer had reasonable cause to believe that
40 the ~~establishment seller~~ was insolvent or was about to
41 become insolvent.

42 (d) The creditor receiving the transfer was an
43 officer, or an employee, attorney, or other person who
44 was in fact in a position of comparable influence in
45 the ~~establishment seller~~ to an officer whether or not
46 the person held the position of an officer, owner, or
47 other person, firm, corporation, association, or
48 aggregation of persons with whom the ~~establishment~~
49 ~~seller~~ did not deal at arm's length.

50 Sec. 82. Section 523A.901, subsection 9, paragraph

Page 37

1 b, subparagraph (2), Code 2007, is amended to read as
2 follows:

3 (2) A transfer of real property is made when it
4 becomes perfected so that a subsequent bona fide
5 purchaser from the ~~establishment~~ seller could not
6 obtain rights superior to the rights of the
7 transferee.

8 Sec. 83. Section 523A.901, subsection 9,
9 paragraphs e, i, and j, Code 2007, are amended to read
10 as follows:

11 e. If a lien which is voidable under paragraph
12 "a", subparagraph (2), has been dissolved by the
13 furnishing of a bond or other obligation, the surety
14 of which has been indemnified directly or indirectly
15 by the transfer or the creation of a lien upon
16 property of ~~an establishment~~ a seller before the
17 filing of a petition under this chapter which results
18 in the liquidation order, the indemnifying transfer or
19 lien is also voidable.

20 i. If a creditor has been preferred for property
21 which becomes a part of the ~~establishment's~~ seller's
22 estate, and afterward in good faith gives the
23 ~~establishment~~ seller further credit without security
24 of any kind, the amount of the new credit remaining
25 unpaid at the time of the petition may be set off
26 against the preference which would otherwise be
27 recoverable from the creditor.

28 j. If within four months before the filing of a
29 successful petition for liquidation under this
30 chapter, or at any time in contemplation of a
31 proceeding to liquidate, ~~an establishment~~ a seller,
32 directly or indirectly, pays money or transfers
33 property to an attorney for services rendered or to be
34 rendered, the transaction may be examined by the court
35 on its own motion or shall be examined by the court on
36 petition of the liquidator. The payment or transfer
37 shall be held valid only to the extent of a reasonable
38 amount to be determined by the court. The excess may
39 be recovered by the liquidator for the benefit of the
40 estate. However, where the attorney is in a position
41 of influence in the ~~establishment~~ business of the
42 seller or an affiliate, payment of any money or the
43 transfer of any property to the attorney for services
44 rendered or to be rendered shall be governed by the
45 provisions of paragraph "a", subparagraph (2),
46 subparagraph subdivision (d).

47 Sec. 84. Section 523A.901, subsection 9, paragraph
48 k, subparagraphs (1) and (2), Code 2007, are amended
49 to read as follows:

50 (1) An officer, manager, employee, shareholder,

Page 38

1 subscriber, attorney, or other person acting on behalf
2 of the ~~establishment~~ seller who knowingly participate
3 in giving any preference when the person has
4 reasonable cause to believe the ~~establishment~~ seller
5 is or is about to become insolvent at the time of the
6 preference is personally liable to the liquidator for
7 the amount of the preference. There is an inference
8 that reasonable cause exists if the transfer was made
9 within four months before the date of filing of this
10 successful petition for liquidation.

11 (2) A person receiving property from the
12 ~~establishment~~ seller or the benefit of the property of
13 the ~~establishment~~ seller as a preference voidable
14 under paragraph "a" is personally liable for the
15 property and shall account to the liquidator.

16 Sec. 85. Section 523A.901, subsection 13,
17 paragraph d, Code 2007, is amended to read as follows:

18 d. A judgment or order against ~~an establishment a~~
19 seller entered after the date of filing of a
20 successful petition for liquidation, or a judgment or
21 order against the ~~establishment~~ seller entered at any
22 time by default or by collusion need not be considered
23 as evidence of liability or of the amount of damages.
24 A judgment or order against ~~an establishment a~~ seller
25 before the filing of the petition need not be
26 considered as evidence of liability or of the amount
27 of damages.

28 Sec. 86. Section 523A.901, subsection 16, Code
29 2007, is amended to read as follows:

30 16. CLAIMS OF OTHER PERSON. If a creditor, whose
31 claim against ~~an establishment a~~ seller is secured in
32 whole or in part by the undertaking of another person,
33 fails to prove and file that claim, then the other
34 person may do so in the creditor's name and shall be
35 subrogated to the rights of the creditor, whether the
36 claim has been filed by the creditor or by the other
37 person in the creditor's name to the extent that the
38 other person discharges the undertaking. However, in
39 the absence of an agreement with the creditor to the
40 contrary, the other person is not entitled to any
41 distribution until the amount paid to the creditor on
42 the undertaking plus the distributions paid on the
43 claim from the ~~establishment's~~ seller's estate to the
44 creditor equal the amount of the entire claim of the
45 creditor. An excess received by the creditor shall be
46 held by the creditor in trust for the other person.

47 Sec. 87. Section 523A.901, subsection 18,
48 unnumbered paragraph 1, Code 2007, is amended to read
49 as follows:

50 The priority of distribution of claims from the

Page 39

1 ~~establishment's seller's~~ estate shall be in accordance
2 with the order in which each class of claims is set
3 forth. Claims in each class shall be paid in full or
4 adequate funds retained for the payment before the
5 members of the next class receive any payment.
6 Subclasses shall not be established within a class.

7 The order of distribution of claims is as follows:
8 Sec. 88. Section 523A.901, subsection 18,
9 paragraph a, subparagraph (1), Code 2007, is amended
10 to read as follows:

11 (1) Actual and necessary costs of preserving or
12 recovering the assets of the ~~establishment seller~~.
13 Sec. 89. Section 523A.901, subsection 19,
14 paragraph a, Code 2007, is amended to read as follows:

15 a. The liquidator shall review claims duly filed
16 in the liquidation and shall make further
17 investigation as necessary. The liquidator may
18 compound, compromise, or in any other manner negotiate
19 the amount for which claims will be recommended to the
20 court except where the liquidator is required by law
21 to accept claims as settled by a person or
22 organization. Unresolved disputes shall be determined
23 under subsection 15. As soon as practicable, the
24 liquidator shall present to the court a report of the
25 claims against the ~~establishment seller~~ with the
26 liquidator's recommendations. The report shall
27 include the name and address of each claimant and the
28 amount of the claim finally recommended.

29 Sec. 90. Section 523A.901, subsection 21,
30 paragraph b, Code 2007, is amended to read as follows:

31 b. Funds withheld under subsection 14 and not
32 distributed shall upon discharge of the liquidator be
33 deposited with the treasurer of state and paid
34 pursuant to subsection 18. Sums remaining which under
35 subsection 18 would revert to the undistributed assets
36 of the ~~establishment seller~~ shall be transferred to
37 the insurance division regulatory fund and become the
38 property of the state as provided under paragraph "a",
39 unless the commissioner in the commissioner's
40 discretion petitions the court to reopen the
41 liquidation pursuant to subsection 23.

42 Sec. 91. Section 523A.901, subsection 24, Code
43 2007, is amended to read as follows:

44 24. DISPOSITION OF RECORDS DURING AND AFTER
45 TERMINATION OF LIQUIDATION. If it appears to the
46 commissioner that the records of ~~an establishment the~~

47 business of a seller in the process of liquidation or
 48 completely liquidated are no longer useful, the
 49 commissioner may recommend to the court and the court
 50 shall direct what records shall be retained for future

47 plaintiff class of one of the following:
48 (a) The presumptively most adequate plaintiff will
49 not fairly and adequately protect the interests of the
50 class.

Page 4

1 (b) The presumptively most adequate plaintiff is
2 subject to unique defenses that render such plaintiff
3 incapable of adequately representing the class.
4 d. For purposes of this subsection, discovery
5 relating to whether a member or members of the
6 purported plaintiff class is the most adequate
7 plaintiff may be conducted by a plaintiff only if the
8 plaintiff first demonstrates a reasonable basis for a
9 finding that the presumptively most adequate plaintiff
10 is incapable of adequately representing the class.
11 e. The most adequate plaintiff shall, subject to
12 the approval of the court, select and retain counsel
13 to represent the class.
14 6. Except as the court may otherwise permit,
15 consistent with the purposes of this section, a person
16 who files a class action under this section may be a
17 lead plaintiff or an officer, director, or fiduciary
18 of a lead plaintiff, in no more than five class
19 actions brought as plaintiff class actions pursuant to
20 the federal or Iowa rules of civil procedure during
21 any three-year period.
22 7. Total attorney fees and expenses awarded by the
23 court to counsel for the plaintiff class shall not
24 exceed a reasonable percentage of the amount of any
25 damages and prejudgment interest actually paid to the
26 class.

28 is published or otherwise disseminated to the class
29 shall include each of the following statements along

31 contained in such statements:

33 amount of the settlement proposed to be distributed to
34 the parties to the action determined in the aggregate
35 and on an average per share basis. If the settlement
36 amount or average settlement amount per share to be
37 disclosed pursuant to this subsection is not
38 reasonably subject to determination at the time of the
39 publication or dissemination of the proposed or final
40 settlement agreement, the method by which the
41 settlement amount or average settlement amount per
42 share will be determined.
43 b. (1) If the settling parties agree on the
44 average settlement amount per share that would be
45 recoverable if the plaintiff prevailed on each claim
46 alleged under this chapter, a statement concerning the
47 average settlement amount per share.

49 settlement amount per share that would be recoverable
50 if the plaintiff prevailed on each claim alleged under

Page 5

1 this chapter, a statement from each settling party
2 concerning the issue or issues on which the parties
3 disagree.
4 c. If any of the settling parties or their counsel
5 intend to apply to the court for an award of attorney

12 the fees and costs sought. Such information shall be
13 clearly summarized on the cover page of any notice to

14 signed at the request of the donor or other person.
15 (b) State that the record has been signed and
16 witnessed as provided in subparagraph subdivision (a).
17 c. Revocation, suspension, expiration, or
18 cancellation of a driver's license or identification
19 card upon which an anatomical gift is indicated shall
20 not invalidate the gift.
21 d. An anatomical gift made by will takes effect
22 upon the donor's death whether or not the will is
23 probated. Invalidation of the will after the donor's
24 death does not invalidate the gift.
25 3. AMENDING OR REVOKING GIFT BEFORE DONOR'S DEATH.
26 a. Subject to subsection 5, a donor or other
27 person authorized to make an anatomical gift under
28 subsection 1 may amend or revoke an anatomical gift by
29 any of the following means:
30 (1) A record signed by any of the following:
31 (a) The donor.
32 (b) The other person authorized to make an

33 anatomical gift.

34 (c) Subject to paragraph “b”, another individual
35 acting at the direction of the donor or the other
36 authorized person if the donor or other person is
37 physically unable to sign the record.

38 (2) A later-executed document of gift that amends
39 or revokes a previous anatomical gift or portion of an
40 anatomical gift, either expressly or by inconsistency.

41 b. A record signed pursuant to paragraph “a”,
42 subparagraph (1), subparagraph subdivision (c), shall
43 comply with all of the following:

44 (1) Be witnessed by at least two adults, at least
45 one of whom is a disinterested witness, who have
46 signed at the request of the donor or the other
47 authorized person.

48 (2) State that the record has been signed and
49 witnessed as provided in subparagraph (1).

50 c. Subject to subsection 5, a donor or other

Page 6

1 person authorized to make an anatomical gift under
2 subsection 1 may revoke an anatomical gift by the
3 destruction or cancellation of the document of gift,
4 or the portion of the document of gift used to make
5 the gift, with the intent to revoke the gift.

6 d. A donor may amend or revoke an anatomical gift
7 that was not made in a will by any form of
8 communication during a terminal illness or injury
9 addressed to at least two adults, at least one of whom
10 is a disinterested witness.

11 e. A donor who makes an anatomical gift in a will
12 may amend or revoke the gift in the manner provided
13 for amendment or revocation of wills or as provided in
14 paragraph “a”.

15 4. REFUSAL TO MAKE.

16 a. An individual may refuse to make an anatomical
17 gift of the individual’s body or part by any of the
18 following means:

19 (1) A record signed by any of the following:

20 (a) The individual.

21 (b) Subject to paragraph “b”, another individual
22 acting at the direction of the individual if the
23 individual is physically unable to sign the record.

24 (2) The individual’s will, whether or not the will
25 is admitted to probate or invalidated after the
26 individual’s death.

27 (3) Any form of communication made by the
28 individual during the individual’s terminal illness or
29 injury addressed to at least two adults, at least one
30 of whom is a disinterested witness.

31 b. A record signed pursuant to paragraph “a”,

32 subparagraph (1), subparagraph subdivision (b), shall
33 comply with all of the following:

34 (1) Be witnessed by at least two adults, at least
35 one of whom is a disinterested witness, who have
36 signed at the request of the individual.

37 (2) State that the record has been signed and
38 witnessed as provided in subparagraph (1).

39 c. An individual who has made a refusal may amend
40 or revoke the refusal in accordance with any of the
41 following:

42 (1) In the manner provided in paragraph “a” for
43 making a refusal.

44 (2) By subsequently making an anatomical gift
45 pursuant to subsection 2 that is inconsistent with the
46 refusal.

47 (3) By destroying or canceling the record
48 evidencing the refusal, or the portion of the record
49 used to make the refusal, with the intent to revoke
50 the refusal.

Page 7

1 d. Except as otherwise provided in subsection 5,
2 paragraph “h”, in the absence of an express, contrary
3 indication by the individual set forth in the refusal,
4 an individual’s unrevoked refusal to make an
5 anatomical gift of the individual’s body or part
6 prohibits all other persons from making an anatomical
7 gift of the individual’s body or part.

8 5. PRECLUSIVE EFFECT.

9 a. DONOR GIFT OR AMENDMENT — SUBSEQUENT ACTIONS
10 BY OTHERS PROHIBITED. Except as otherwise provided in
11 paragraph “g”, and subject to paragraph “f”, in the
12 absence of a contrary indication by the donor, a
13 person other than the donor is prohibited from making,
14 amending, or revoking an anatomical gift of a donor’s
15 body or part if the donor made an anatomical gift of
16 the donor’s body or part under subsection 2 or an
17 amendment to an anatomical gift of the donor’s body or
18 part under subsection 3.

19 b. DONOR REVOCATION NOT A REFUSAL. A donor’s
20 revocation of an anatomical gift of the donor’s body
21 or part under subsection 3 is not a refusal and does
22 not prohibit another person specified in subsection 1
23 or section 142C.4 from making an anatomical gift of
24 the donor’s body or part under subsection 2 or section
25 142C.4.

26 c. GIFT ON AMENDMENT BY ANOTHER — SUBSEQUENT
27 ACTIONS BY OTHERS PROHIBITED. If a person other than
28 the donor makes an unrevoked anatomical gift of the
29 donor’s body or part under subsection 2, or an
30 amendment to an anatomical gift of the donor’s body or

31 part under subsection 3, another person may not make,
32 amend, or revoke the gift of the donor's body or part
33 under section 142C.4.

34 d. REVOCATION BY ANOTHER NOT PROHIBITIVE OF OTHER
35 GIFT. A revocation of an anatomical gift of a donor's
36 body or part under subsection 3 by a person other than
37 the donor does not prohibit another person from making
38 an anatomical gift of the body or part under
39 subsection 2 or section 142C.4.

40 e. GIFT OF PART NOT PROHIBITIVE OF GIFT OF ANOTHER
41 PART. In the absence of a contrary indication by the
42 donor or other person authorized to make an anatomical
43 gift under subsection 1, an anatomical gift of a part
44 is neither a refusal to donate another part nor a
45 limitation on the making of an anatomical gift of
46 another part at a later time by the donor or another
47 authorized person.

48 f. GIFT FOR ONE PURPOSE NOT PROHIBITIVE OF ANOTHER
49 PURPOSE. In the absence of a contrary indication by
50 the donor or other person authorized to make an

Page 8

1 anatomical gift under subsection 1, an anatomical gift
2 of a part for one or more of the purposes specified in
3 subsection 1 is not a limitation on the making of an
4 anatomical gift of the part for any of the other
5 purposes by the donor or any other person under
6 subsection 2 or section 142C.4.

7 g. UNEMANCIPATED MINOR GIFT — PARENT REVOCATION.
8 If a donor who is an unemancipated minor dies, a
9 parent of the donor who is reasonably available may
10 revoke or amend an anatomical gift of the donor's body
11 or part.

12 h. UNEMANCIPATED MINOR REFUSAL — PARENT
13 REVOCATION OR AMENDMENT. If an unemancipated minor
14 who signed a refusal dies, a parent of the minor who
15 is reasonably available may revoke the minor's
16 refusal.

17 Sec. 4. Section 142C.4, Code 2007, is amended by
18 striking the section and inserting in lieu thereof the
19 following:

20 142C.4 WHO MAY MAKE ANATOMICAL GIFT OF DECEDENT'S
21 BODY OR PART — AMENDING OR REVOKING GIFT.

22 1. Subject to subsection 2, and unless prohibited
23 by section 142C.3, subsection 4 or 5, an anatomical
24 gift of a decedent's body or part for purposes of
25 transplantation, therapy, research, or education may
26 be made by any member of the following classes of
27 persons who is reasonably available, in the order of
28 priority listed.

29 a. An agent of the decedent at the time of death

30 who could have made an anatomical gift under section
31 142C.3, subsection 1, immediately before the
32 decedent's death.
33 b. The spouse of the decedent.
34 c. Adult children of the decedent.
35 d. Parents of the decedent.
36 e. Adult siblings of the decedent.
37 f. Adult grandchildren of the decedent.
38 g. Grandparents of the decedent.
39 h. An adult who exhibited special care and concern
40 for the decedent.
41 i. Any persons who were acting as guardians of the
42 decedent at the time of death.
43 j. Any other person having the authority to
44 dispose of the decedent's body.
45 2. a. If there is more than one member of a class
46 listed in subsection 1, paragraph "a", "c", "d", "e",
47 "f", "g", or "i", entitled to make an anatomical gift,
48 an anatomical gift may be made by one member of the
49 class unless that member or a person to whom the gift
50 may pass under section 142C.5 knows of an objection by

Page 9

1 another member of the class. If an objection is
2 known, the gift shall be made only by a majority of
3 the members of the class who are reasonably available.
4 b. A person shall not make an anatomical gift if,
5 at the time of the death of the decedent, a person in
6 a prior class under subsection 1 is reasonably
7 available to make or to object to the making of an
8 anatomical gift.
9 3. A person authorized to make an anatomical gift
10 under subsection 1 may make an anatomical gift by a
11 document of gift signed by the person making the gift
12 or by the person's oral communication that is
13 electronically recorded or is contemporaneously
14 reduced to a record and signed by the recipient of the
15 oral communication.
16 4. Subject to subsection 5, an anatomical gift by
17 a person authorized under subsection 1 may be amended
18 or revoked orally or in a record by any member of the
19 prior class who is reasonably available. If more than
20 one member of the prior class is reasonably available,
21 the gift made by a person authorized under subsection
22 1 may be:
23 a. Amended only if a majority of the reasonably
24 available members agree to the amending of the gift.
25 b. Revoked only if a majority of the reasonably
26 available members agree to the revoking of the gift or
27 if they are equally divided as to whether to revoke
28 the gift.

29 5. A revocation under subsection 4 is effective
30 only if, before an incision has been made to remove a
31 part from the donor's body or before invasive
32 procedures have begun to prepare the recipient, the
33 procurement organization, transplant hospital, or
34 physician or technician knows of the revocation.

35 Sec. 5. Section 142C.4A, Code 2007, is amended by
36 striking the section and inserting in lieu thereof the
37 following:

38 142C.4A COOPERATION BETWEEN MEDICAL EXAMINER AND
39 ORGAN PROCUREMENT ORGANIZATION — FACILITATION OF
40 ANATOMICAL GIFT FROM DECEDENT WHOSE BODY IS UNDER
41 JURISDICTION OF MEDICAL EXAMINER.

42 1. A medical examiner shall cooperate with
43 procurement organizations to maximize the opportunity
44 to recover organs for the purpose of transplantation
45 when the recovery of organs does not interfere with a
46 death investigation.

47 2. If a medical examiner receives notice from a
48 procurement organization that an organ might be or was
49 made available with respect to a decedent whose body
50 is under the jurisdiction of the medical examiner and

Page 10

1 a postmortem examination will be performed, unless the
2 medical examiner denies recovery in accordance with
3 this section, the medical examiner or designee shall
4 conduct a postmortem examination of the body or the
5 organ in a manner and within a period compatible with
6 its preservation for the purposes of the gift. Every
7 reasonable effort shall be made to accomplish the
8 mutual goals of organ donation and a thorough death
9 investigation.

10 3. An organ shall not be removed from the body of
11 a decedent under the jurisdiction of a medical
12 examiner for transplantation unless the organ is the
13 subject of an anatomical gift. This subsection does
14 not preclude a medical examiner from performing a
15 medicolegal investigation pursuant to subsection 5
16 upon the body or organs of a decedent under the
17 jurisdiction of the medical examiner.

18 4. Upon request of an organ procurement
19 organization, a medical examiner shall release to the
20 organ procurement organization the name and contact
21 information of a decedent whose body is under the
22 jurisdiction of the medical examiner. If the
23 decedent's organs are medically suitable for
24 transplantation, the pathologist or medical examiner
25 shall release to the organ procurement organization
26 the postmortem examination results, limited to cause
27 and manner of death and any evidence of infection or

28 other disease process, which might preclude safe
29 transplantation of recovered organs. The organ
30 procurement organization may make a subsequent
31 disclosure of the postmortem examination results only
32 if relevant to transplantation.

33 5. The medical examiner may conduct a medicolegal
34 examination by reviewing all medical records,
35 laboratory test results, X rays, other diagnostic
36 results, and other information that any person
37 possesses about a donor or prospective donor whose
38 body is under the jurisdiction of the medical
39 examiner, which the medical examiner determines may be
40 relevant to the investigation.

41 6. A person who has any information requested by a
42 medical examiner pursuant to subsection 5 shall
43 provide that information as expeditiously as possible
44 to allow the medical examiner to conduct the
45 medicolegal investigation within a period compatible
46 with the preservation of organs for the purpose of
47 transplantation.

48 7. If an anatomical gift has been or might be made
49 of an organ of a decedent whose body is under the
50 jurisdiction of the medical examiner and a postmortem

Page 11

1 examination is not required, or the medical examiner
2 determines that a postmortem examination is required
3 but that the recovery of the organ that is the subject
4 of an anatomical gift will not interfere with the
5 examination, the medical examiner and organ
6 procurement organization shall cooperate in the timely
7 removal of the organ from the decedent for the purpose
8 of transplantation.

9 8. a. If an anatomical gift of an organ from a
10 decedent under the jurisdiction of the medical
11 examiner has been or might be made, but the
12 pathologist or medical examiner initially believes
13 that the recovery of the organ could interfere with
14 the postmortem investigation into the decedent's cause
15 or manner of death, the pathologist or medical
16 examiner shall consult with the organ procurement
17 organization or physician or technician designated by
18 the organ procurement organization about the proposed
19 recovery.

20 b. Ancillary clinical tests such as a magnetic
21 resonance imaging (MRI), a computed tomography (CT)
22 scan, or skeletal survey may be required by the
23 pathologist prior to determination of suitability of
24 organ procurement. These tests shall be performed and
25 interpreted by the appropriate physician at the
26 pathologist's request, and reported in a timely

27 fashion. All expenses for such tests shall be the
28 responsibility of the organ procurement organization
29 regardless of outcome.

30 c. After consultation pursuant to paragraph "a"
31 and any preliminary investigation pursuant to
32 paragraph "b", the pathologist or medical examiner may
33 allow recovery, depending on the nature of the case
34 and the availability of a pathologist to view the body
35 prior to recovery.

36 9. If the manner of death may be homicide or has
37 the potential for litigation, the organ recovery shall
38 be approved by the forensic pathologist, and the
39 forensic pathologist may examine the body prior to
40 organ recovery and document by diagrams and
41 photographs all visible injuries.

42 10. a. If the medical examiner or designee allows
43 recovery of an organ under subsection 7, 8, or 9, the
44 organ procurement organization, upon request, shall
45 cause the physician or technician who removes the
46 organ to provide the medical examiner with a record
47 describing the condition of the organ, a biopsy, a
48 photograph, and any other information and observations
49 that would assist in the postmortem examination.

50 b. Arrangements for the examination of bodies of

Page 12

1 such decedents shall be coordinated between the organ
2 procurement organization and the state medical
3 examiner.

4 c. If applicable, and whenever possible, the
5 forensic pathologist who examined the decedent's body
6 prior to recovery of the organ shall perform the
7 autopsy. If the forensic pathologist is unable to
8 accommodate examination of the body due to scheduling
9 or staffing, the request for organ donation may be
10 denied.

11 11. If a medical examiner or designee is required
12 to be present at a removal procedure under subsection
13 9, upon request, the organ procurement organization
14 requesting the recovery of the organ shall reimburse
15 the medical examiner or designee for the additional
16 costs incurred in complying with subsection 9.

17 12. A physician or technician who removes an organ
18 at the direction of the organ procurement organization
19 may be called to testify about findings from the
20 surgical recovery of organs at no cost to taxpayers if
21 the decedent is under the jurisdiction of the medical
22 examiner.

23 13. a. The medical examiner or pathologist with
24 jurisdiction over the body of a decedent has
25 discretion to grant or deny permission for organ or

26 tissue recovery.

27 b. If the recovery of organs or tissues may hinder
28 the determination of cause or manner of death or if
29 evidence may be destroyed by the recovery, permission
30 may be denied.

31 c. The medical examiner or a pathologist
32 performing state autopsies shall work closely with
33 procurement organizations in an effort to balance the
34 needs of the public and the decedent's next of kin.

35 Sec. 6. Section 142C.5, Code 2007, is amended by
36 striking the section and inserting in lieu thereof the
37 following:

38 142C.5 PERSONS WHO MAY RECEIVE ANATOMICAL GIFTS
39 AND PURPOSES FOR WHICH ANATOMICAL GIFTS MAY BE MADE.

40 1. An anatomical gift may be made to the following
41 persons named in a document of gift:

42 a. A hospital, accredited medical or osteopathic
43 medical school, dental school, college, or university,
44 organ procurement organization, or other appropriate
45 person for research or education.

46 b. An eye bank or tissue bank.

47 c. Subject to subsection 2, an individual
48 designated by the person making the anatomical gift if
49 the individual is the recipient of the part.

50 2. If an anatomical gift to an individual under

Page 13

1 subsection 1, paragraph "c", cannot be transplanted
2 into the individual, the part passes in accordance
3 with subsection 7 in the absence of an express,
4 contrary indication by the person making the
5 anatomical gift.

6 3. If an anatomical gift of one or more specific
7 parts or of all parts is made in a document of gift
8 that does not name a person described in subsection 1
9 but identifies the purpose for which an anatomical
10 gift may be used, the following rules apply:

11 a. If the part is an eye and the gift is for the
12 purpose of transplantation or therapy, the gift passes
13 to the appropriate eye bank.

14 b. If the part is tissue and the gift is for the
15 purpose of transplantation or therapy, the gift passes
16 to the appropriate tissue bank.

17 c. If the part is an organ and the gift is for the
18 purpose of transplantation or therapy, the gift passes
19 to the appropriate organ procurement organization as
20 custodian of the organ.

21 d. If the part is an organ, an eye, or tissue and
22 the gift is for the purpose of research or education,
23 the gift passes to the appropriate procurement
24 organization.

- 25 4. For the purpose of subsection 3, if there is
26 more than one purpose of an anatomical gift set forth
27 in the document of gift but the purposes are not set
28 forth in any priority, the gift shall be used for
29 transplantation or therapy, if suitable. If the gift
30 cannot be used for transplantation or therapy, the
31 gift may be used for research or education.
- 32 5. If an anatomical gift of one or more specific
33 parts is made in a document of gift that does not name
34 a person described in subsection 1 and does not
35 identify the purpose of the gift, the gift may be used
36 only for transplantation or therapy, and the gift
37 passes in accordance with subsection 7.
- 38 6. If a document of gift specifies only a general
39 intent to make an anatomical gift by words such as
40 “donor”, “organ donor”, or “body donor”, or by a
41 symbol or statement of similar import, the gift may be
42 used only for transplantation or therapy, and the gift
43 passes in accordance with subsection 7.
- 44 7. For the purposes of subsections 2, 5, and 6,
45 the following rules shall apply:
- 46 a. If the part is an eye, the gift passes to the
47 appropriate eye bank.
- 48 b. If the part is tissue, the gift passes to the
49 appropriate tissue bank.
- 50 c. If the part is an organ, the gift passes to the

Page 14

- 1 appropriate organ procurement organization as
2 custodian of the organ.
- 3 8. An anatomical gift of an organ for
4 transplantation or therapy, other than an anatomical
5 gift under subsection 1, paragraph “c”, passes to the
6 organ procurement organization as custodian of the
7 organ.
- 8 9. If an anatomical gift does not pass pursuant to
9 subsections 1 through 8, or the decedent’s body or
10 part is not used for transplantation, therapy,
11 research, or education, custody of the body or part
12 passes to the person under obligation to dispose of
13 the body or part.
- 14 10. A person shall not accept an anatomical gift
15 if the person knows that the gift was not effectively
16 made under section 142C.3, subsection 2, or section
17 142C.4, or if the person knows that the decedent made
18 a refusal under section 142C.3, subsection 4, that was
19 not revoked. For purposes of this subsection, if a
20 person knows that an anatomical gift was made on a
21 document of gift, the person is deemed to know of any
22 amendment or revocation of the gift or any refusal to
23 make an anatomical gift on the same document of gift.

24 11. Except as otherwise provided in subsection 1,
 25 paragraph “c”, nothing in this chapter shall affect
 26 the allocation of organs for transplantation or
 27 therapy.

28 Sec. 7. NEW SECTION. 142C.5A SEARCH AND
 29 NOTIFICATION.

30 1. The following persons shall make a reasonable
 31 search of an individual who the person reasonably
 32 believes is dead or near death for a document of gift
 33 or other information identifying the individual as a
 34 donor or as an individual who made a refusal:

35 a. A law enforcement officer, fire fighter,
 36 paramedic, or other emergency rescuer finding the
 37 individual.

38 b. If no other source of the information is
 39 immediately available, a hospital, as soon as
 40 practical after the individual’s arrival at the
 41 hospital.

42 2. If a document of gift or a refusal to make an
 43 anatomical gift is located by the search required by
 44 subsection 1, paragraph “a”, and the individual or
 45 deceased individual to whom it relates is taken to a
 46 hospital, the person responsible for conducting the
 47 search shall deliver the document of gift or refusal
 48 to the hospital.

49 3. A person is not subject to criminal or civil
 50 liability for failing to discharge the duties imposed

Page 15

1 by this section but may be subject to administrative
 2 sanctions.

3 Sec. 8. Section 142C.6, Code 2007, is amended by
 4 striking the section and inserting in lieu thereof the
 5 following:

6 142C.6 DELIVERY OF DOCUMENT OF GIFT NOT REQUIRED
 7 — RIGHT TO EXAMINE.

8 1. A document of gift does not require delivery
 9 during the donor’s lifetime to be effective.

10 2. Upon or after an individual’s death, a person
 11 in possession of the document of gift or a refusal to
 12 make an anatomical gift with respect to the individual
 13 shall allow examination and copying of the document of
 14 gift or the refusal by a person authorized to make or
 15 object to the making of an anatomical gift with
 16 respect to the individual or by a person to whom the
 17 gift could pass under section 142C.5.

18 Sec. 9. Section 142C.7, Code 2007, is amended by
 19 striking the section and inserting in lieu thereof the
 20 following:

21 142C.7 CONFIDENTIAL INFORMATION.

22 A hospital, licensed or certified health care

23 professional pursuant to chapter 148, 148C, 150A, or
24 152, or medical examiner may release patient
25 information to a procurement organization as part of a
26 referral or retrospective review of the patient as a
27 potential donor. Any information regarding a patient,
28 including the patient's identity, however, constitutes
29 confidential medical information and under any other
30 circumstances is prohibited from disclosure without
31 the written consent of the patient or the patient's
32 legal representative.

33 Sec. 10. Section 142C.8, Code 2007, is amended by
34 striking the section and inserting in lieu thereof the
35 following:

36 142C.8 RIGHTS AND DUTIES OF PROCUREMENT
37 ORGANIZATIONS AND DONORS.

38 1. When a hospital refers an individual at or near
39 death to a procurement organization, the procurement
40 organization shall make a reasonable search of the
41 records of the state department of transportation and
42 any donor registry that the hospital knows exists for
43 the geographical area in which the individual resides
44 to ascertain whether the individual has made an
45 anatomical gift.

46 2. A procurement organization shall be allowed
47 reasonable access to information in the records of the
48 state department of transportation to ascertain
49 whether an individual at or near death is a donor.

50 3. When a hospital refers an individual at or near

Page 16

1 death to a procurement organization, the procurement
2 organization may conduct any reasonable examination
3 necessary to ensure the medical suitability of a part
4 that is or could be the subject of an anatomical gift
5 for transplantation, therapy, research, or education
6 from a donor or a prospective donor. During the
7 examination period, measures necessary to ensure the
8 medical suitability of the part shall not be withdrawn
9 unless the hospital or procurement organization knows
10 that the individual expressed a contrary intent.

11 4. Unless prohibited by law other than this
12 chapter, at any time after a donor's death, the person
13 to whom a part passes under section 142C.5 may conduct
14 any reasonable examination necessary to ensure the
15 medical suitability of the body or part for its
16 intended purpose.

17 5. Unless prohibited by law other than this
18 chapter, an examination under subsection 3 or 4 may
19 include an examination of all medical and dental
20 records of the donor or prospective donor.

21 6. Upon the death of a minor who was a donor or

22 had signed a refusal, unless a procurement
23 organization knows the minor is emancipated, the
24 procurement organization shall conduct a reasonable
25 search for the parents of the minor and provide the
26 parents with an opportunity to revoke or amend the
27 anatomical gift or revoke the refusal.

- 1 Amend House File 780, as passed by the House, as
 2 follows:
 3 1. By striking everything after the enacting
 4 clause and inserting the following:
 5 “Section 1. Section 598.21C, Code 2007, is amended
 6 to read as follows:
 7 598.21C MODIFICATION OF CHILD SUPPORT, SPOUSAL
 8 SUPPORT, OR MEDICAL SUPPORT, AND CHILD CUSTODY ORDERS.
 9 1. CRITERIA FOR MODIFICATION. Subject to 28
 10 U.S.C. § 1738B, the court may subsequently modify
 11 child, spousal, or medical support orders when there
 12 is a substantial change in circumstances. In
 13 determining whether there is a substantial change in
 14 circumstances, the court shall consider the following:
 15 a. Changes in the employment, earning capacity,
 16 income, or resources of a party.
 17 b. Receipt by a party of an inheritance, pension,
 18 or other gift.
 19 c. Changes in the medical expenses of a party.
 20 d. Changes in the number or needs of dependents of
 21 a party.
 22 e. Changes in the physical, mental, or emotional
 23 health of a party.
 24 f. Changes in the residence of a party.
 25 g. Remarriage of a party.
 26 h. Possible support of a party by another person.
 27 i. Changes in the physical, emotional, or
 28 educational needs of a child whose support is governed

29 by the order.

30 j. Contempt by a party of existing orders of
31 court.

32 k. Entry of a dispositional or permanency order in
33 juvenile court pursuant to chapter 232 placing custody
34 or physical care of a child with a party who is
35 obligated to pay support for a child. Any filing fees
36 or court costs for a modification filed or ordered
37 pursuant to this paragraph are waived.

38 l. Other factors the court determines to be
39 relevant in an individual case.

40 2. ADDITIONAL CRITERIA FOR MODIFICATION OF CHILD
41 SUPPORT ORDERS.

42 a. Subject to 28 U.S.C. § 1738B, but
43 notwithstanding subsection 1, a substantial change of
44 circumstances exists when the court order for child
45 support varies by ten percent or more from the amount
46 which would be due pursuant to the most current child
47 support guidelines established pursuant to section
48 598.21B or the obligor has access to a health benefit
49 plan, the current order for support does not contain
50 provisions for medical support, and the dependents are

Page 2

1 not covered by a health benefit plan provided by the
2 obligee, excluding coverage pursuant to chapter 249A
3 or a comparable statute of a foreign jurisdiction.

4 b. This basis for modification is applicable to
5 petitions filed on or after July 1, 1992,
6 notwithstanding whether the guidelines prescribed by
7 section 598.21B were used in establishing the current
8 amount of support. Upon application for a
9 modification of an order for child support for which
10 services are being received pursuant to chapter 252B,
11 the court shall set the amount of child support based
12 upon the most current child support guidelines
13 established pursuant to section 598.21B, including
14 provisions for medical support pursuant to chapter
15 252E. The child support recovery unit shall, in
16 submitting an application for modification,
17 adjustment, or alteration of an order for support,
18 employ additional criteria and procedures as provided
19 in chapter 252H and as established by rule.

20 3. APPLICABLE LAW. Unless otherwise provided
21 pursuant to 28 U.S.C. § 1738B, a modification of a
22 support order entered under chapter 234, 252A, 252C,
23 600B, this chapter, or any other support chapter or
24 proceeding between parties to the order is void unless
25 the modification is approved by the court, after
26 proper notice and opportunity to be heard is given to
27 all parties to the order, and entered as an order of

28 the court. If support payments have been assigned to
29 the department of human services pursuant to section
30 234.39, 239B.6, or 252E.11, or if services are being
31 provided pursuant to chapter 252B, the department is a
32 party to the support order.

33 3A. MODIFICATION OF CHILD CUSTODY ORDERS.

34 Modifications of orders pertaining to child custody
35 shall be made pursuant to chapter 598B. If the
36 petition for a modification of an order pertaining to
37 child custody asks either for joint custody or that
38 joint custody be modified to an award of sole custody,
39 the modification, if any, shall be made pursuant to
40 section 598.41.

41 3B. TEMPORARY MODIFICATION OF CHILD SUPPORT OR

42 CHILD CUSTODY ORDERS. While an application for
43 modification of a child support or child custody order
44 is pending, the court may, on its own motion or upon
45 application by either party, enter a temporary order
46 modifying an order of child support or child custody.
47 The court may enter such temporary order only after
48 service of the original notice, and an order shall not
49 be entered until at least five days' notice of
50 hearing, and opportunity to be heard, is provided to

Page 3

1 all parties. In entering temporary orders under this
2 subsection, the court shall consider all pertinent
3 matters, which may be demonstrated by affidavits, as
4 the court may direct. The hearing on the application
5 shall be limited to matters set forth in the
6 application, the affidavits of the parties, and the
7 required statements of income. The court shall not
8 hear any other matter relating to the application for
9 modification, respondent's answer, or any pleadings
10 connected with the application for modification or the
11 answer.

12 4. RETROACTIVITY OF MODIFICATION. Judgments for
13 child support or child support awards entered pursuant
14 to this chapter, chapter 234, 252A, 252C, 252F, 600B,
15 or any other chapter of the Code which are subject to
16 a modification proceeding may be retroactively
17 modified only from three months after the date the
18 notice of the pending petition for modification is
19 served on the opposing party. The three-month
20 limitation applies to a modification action pending on
21 or after July 1, 1997. The prohibition of retroactive
22 modification does not bar the child support recovery
23 unit from obtaining orders for accrued support for
24 previous time periods. Any retroactive modification
25 which increases the amount of child support or any
26 order for accrued support under this subsection shall

27 include a periodic payment plan. A retroactive
28 modification shall not be regarded as a delinquency
29 unless there are subsequent failures to make payments
30 in accordance with the periodic payment plan.

31 5. MODIFICATION OF PERIODIC DUE DATE. The
32 periodic due date established under a prior order for
33 payment of child support shall not be changed in any
34 modified order under this section, unless the court
35 determines that good cause exists to change the
36 periodic due date. If the court determines that good
37 cause exists, the court shall include the rationale
38 for the change in the modified order and shall address
39 the issue of reconciliation of any payments due or
40 made under a prior order which would result in payment
41 of the child support obligation under both the prior
42 and the modified orders.

43 6. MODIFICATION BY CHILD SUPPORT RECOVERY UNIT.
44 Notwithstanding any other provision of law to the
45 contrary, when an application for modification or
46 adjustment of support is submitted by the child
47 support recovery unit, the sole issues which may be
48 considered by the court in that action are the
49 application of the guidelines in establishing the
50 amount of support pursuant to section 598.21B, and

Page 4

1 provision for medical support under chapter 252E.
2 When an application for a cost-of-living alteration of
3 support is submitted by the child support recovery
4 unit pursuant to section 252H.24, the sole issue which
5 may be considered by the court in the action is the
6 application of the cost-of-living alteration in
7 establishing the amount of child support. Issues
8 related to custody, visitation, or other provisions
9 unrelated to support shall be considered only under a
10 separate application for modification.

11 7. NECESSARY CONTENT OF ORDER. Orders made
12 pursuant to this section need mention only those
13 factors relevant to the particular case for which the
14 orders are made but shall contain the names, birth
15 dates, addresses, and counties of residence of the
16 petitioner and respondent.

17 8. DUTY OF CLERK OF COURT. If the court modifies
18 an order, and the original decree was entered in
19 another county in Iowa, the clerk of court shall send
20 a copy of the modification by regular mail, electronic
21 transmission, or facsimile to the clerk of court for

 32 eligibility requirements under section 256C.4.

33 c. "Preschool budget enrollment" means the figure
 34 that is equal to sixty percent of the actual
 35 enrollment of eligible students in the preschool
 36 programming provided by a school district approved to

44 2. PRESCHOOL FOUNDATION AID DISTRICT AMOUNT.

45 a. For the initial school year for which a school
 46 district approved to participate in the preschool
 47 program receives that approval and implements the
 48 preschool program, the funding for the preschool
 49 foundation aid payable to that school district shall
 50 be paid from the appropriation made for that school

Page 6

1 year in section 256C.6 or in another appropriation
 2 made for purposes of this chapter. For that school
 3 year, the preschool foundation aid payable to the
 4 school district is the product of the regular program
 5 state cost per pupil for the school year multiplied by
 6 sixty percent of the school district's eligible
 7 student enrollment on the date in the school year
 8 determined by rule.

9 b. For budget years subsequent to the initial
 10 school year for which a school district approved to
 11 participate in the preschool program receives that
 12 approval and implements the preschool program, the
 13 funding for the preschool foundation aid payable to
 14 that school district shall be paid from the

15 appropriation made in section 257.16.

16 3. AID PAYMENTS. Preschool foundation aid shall

24 full-time equivalent positions which shall be in
25 addition to the number of positions authorized for the
26 fiscal year, as necessary to provide administration
27 and oversight of the preschool program.

28 Sec. 6. NEW SECTION. 256C.6 PHASE-IN —
29 APPROPRIATIONS.

30 1. PHASE-IN. For the initial fiscal year in which
31 a school district participates in the preschool
32 program pursuant to an appropriation provided in
33 subsection 2, the department shall apply a modified
34 set of the requirements of the provisions of this
35 chapter relating to preschool program implementation,
36 preschool enrollment reporting, and distribution of
37 funding as necessary to begin the distribution in that
38 fiscal year and additional program implementation in
39 the next fiscal year. For each month after September
40 1, in the initial fiscal year that a school district
41 approved to participate in the preschool program
42 begins programming, the department shall reduce the
43 preschool foundation aid payable to the school
44 district by one-tenth of the amount that would
45 otherwise have been payable to the school district for
46 the full school year.

12 3. INSUFFICIENT FUNDING. For the fiscal years in
13 the period beginning July 1, 2007, and ending June 30,

14 2011, if the number of requests from school districts
 15 for initial participation in the preschool program
 16 exceeds the funding made available for the preschool
 17 program, the department shall utilize all of the
 18 following selection criteria in selecting the school
 19 districts that will be approved to participate in the
 20 preschool program:

21 a. Priority shall be given to school districts
 22 that do not have existing preschool programming within
 23 the school district boundaries.

24 b. Priority shall be given to school districts
 25 that have a high percentage of children in poverty and
 26 such children shall receive first priority for the

9 Sec. ____ Section 252B.5, subsection 2, Code 2007,
10 is amended to read as follows:

11 2. Aid in establishing paternity and securing a
12 court or administrative order for support pursuant to
13 chapter 252A, 252C, 252F, or 600B, or any other
14 chapter providing for the establishment of paternity
15 or support. In an action to establish support, the
16 resident parent may be a proper party defendant for
17 purposes of determining medical support as provided in
18 section 252E.1A. The unit's independent cause of
19 action shall not bar a party from seeking support in a
20 subsequent proceeding.

21 Sec. ____ Section 252C.1, subsection 6, Code 2007,
22 is amended to read as follows:

23 6. "Medical support" means either the provision of
24 coverage under a health benefit plan, including a
25 group or employment-related or an individual health
26 benefit plan, or a health benefit plan provided
27 pursuant to chapter 514E, to meet the medical needs of
28 a dependent and the cost of any premium required by a
29 health benefit plan, or the payment to the obligee of
30 a monetary amount in lieu of providing coverage under
31 a health benefit plan, either of which is an
32 obligation separate from any monetary amount of child
33 support ordered to be paid. "Medical support" which
34 consists of payment of a monetary amount in lieu of a
35 health benefit plan is also an obligation separate
36 from any monetary amount a parent is ordered to pay
37 for uncovered medical expenses pursuant to the
38 guidelines established pursuant to section 598.21B.

39 Sec. ____ Section 252C.3, subsection 1, unnumbered
40 paragraph 1, Code 2007, is amended to read as follows:

41 The administrator may issue a notice stating the
42 intent to secure an order for either ~~payment of~~

46 individual under section 252C.2, or both. The notice
47 shall be served upon the responsible person in
48 accordance with the rules of civil procedure. The
49 notice shall include all of the following:

50 Sec. ____ Section 252C.3, subsection 1, paragraph

Page 18

1 c, subparagraph (1), Code 2007, is amended to read as
2 follows:

3 (1) A statement that if the responsible person
4 desires to discuss the amount of support that ~~the a~~
5 responsible person should be required to pay, the
6 responsible person may, within ten days after being
7 served, contact the office of the child support
8 recovery unit which sent the notice and request a
9 negotiation conference.

10 Sec. ____ Section 252C.12, subsection 2, Code
11 2007, is amended to read as follows:

12 2. Upon receipt of a signed statement from ~~the~~
13 each responsible person waiving the time limitations
14 established in section 252C.3, the administrator may
15 proceed to enter an order for support and the court
16 may approve the order, whether or not the time
17 limitations have expired.

18 Sec. ____ Section 252D.18A, Code 2007, is amended
19 to read as follows:

20 252D.18A MULTIPLE INCOME WITHHOLDING ORDERS —
21 ORDERS FOR HEALTH BENEFIT PLANS — AMOUNTS WITHHELD BY
22 PAYOR.

23 When the obligor ~~is responsible for paying~~ has more
24 than one support obligation ~~and or~~ the payor of income
25 has received more than one ~~income withholding~~
26 notice ~~of an order~~ for the obligor for income
27 withholding or for coverage under a health benefit
28 plan pursuant to chapter 252E, the payor shall
29 withhold amounts in accordance with all of the
30 following:

31 1. The total of all amounts withheld shall not
32 exceed the amounts specified in 15 U.S.C. § 1673(b).
33 For orders or notices issued by the child support
34 recovery unit, the limit for the amount to be withheld
35 shall be specified in the order or notice.

36 2. As reimbursement for the payor's processing
37 costs, the payor may deduct a fee of no more than two
38 dollars for each payment withheld in addition to the
39 amount withheld for support.

40 3. Priority shall be given to the withholding of
41 current support ~~rather than delinquent support~~. The
42 payor shall not allocate amounts withheld in a manner
43 which results in the failure to withhold an amount for
44 one or more of the current child or spousal support
45 obligations. If the limits specified in subsection 1
46 prevent withholding the full amount specified in the
47 order or notice, the payor shall withhold amounts in
48 the following priority:

49 a. Withhold the amount specified for current child
50 and spousal support. To arrive at the amount to be

Page 19

1 withheld for each obligee, the payor shall total the
2 amounts due for current child and spousal support
3 under the income withholding orders and the notices of
4 orders and determine the proportionate share for each
5 obligee. The proportionate share shall be determined
6 by dividing the amount due for current child and
7 spousal support for each order or notice of order by
8 the total due for current child and spousal support
9 for all orders and notices of orders. The results are
10 the percentages of the obligor's net income which
11 shall be withheld for each obligee.

12 b. If, after completing the calculation in
13 paragraph "a", the withholding limit specified under
14 subsection 1 has not been attained, the payor shall
15 withhold the amount necessary to comply with an order
16 or notice of order for a current premium for coverage
17 of a child under a health benefit plan as provided in
18 section 252D.30 or section 252E.1A, subsection 2, or
19 for a current monetary amount for the child for
20 medical support. If there is more than one medical
21 support order or notice of order for a current
22 monetary amount for a child, the payor shall total the
23 amounts due for current monetary amounts for all
24 children for medical support and determine the
25 proportionate share for each obligee. The
26 proportionate amounts shall be established utilizing
27 the procedures established in paragraph "a" for
28 current child and spousal support obligations.

29 ~~b. c.~~ c. If, after completing the calculation
30 calculations in paragraph paragraphs "a" and "b", the
31 withholding limit specified under subsection 1 has not
32 been attained, the payor shall total the amounts due
33 for arrearages and determine the proportionate share
34 for each obligee. The proportionate share amounts
35 shall be established utilizing the procedures
36 established in paragraph "a" for current child and
37 spousal support obligations.

38 d. If after completing the calculations in
39 paragraphs "a", "b", and "c", the withholding limit
40 specified in subsection 1 has not been attained, the
41 payor shall withhold the amount necessary for other
42 child support obligations, unless the order or notice
43 directs otherwise as provided by Title IV, part D, of
44 the federal Social Security Act.

45 4. The payor shall identify and report payments by
46 the obligor's name, account number, amount, and date
47 withheld pursuant to section 252D.17. ~~Until October~~
48 ~~1, 1999, if payments for multiple obligees are~~
49 ~~combined, the portion of the payment attributable to~~
50 ~~each obligee shall be specifically identified.~~

Page 20

1 ~~Beginning October 1, 1999, if~~ If payments for multiple
 2 obligees are combined, the portion of the payment
 3 attributable to each obligee shall be specifically
 4 identified only if the payor is directed to do so by
 5 the child support recovery unit.

6 Sec. ____ Section 252E.1, subsection 9, Code 2007,
 7 is amended to read as follows:

8 9. "Medical support" means either the provision of
 9 a health benefit plan, including a group or
 10 employment-related or an individual health benefit
 11 plan, or a health benefit plan provided pursuant to
 12 chapter 514E, to meet the medical needs of a dependent
 13 and the cost of any premium required by a health
 14 benefit plan, or the payment to the obligee of a
 15 monetary amount in lieu of a health benefit plan,
 16 either of which is an obligation separate from any
 17 monetary amount of child support ordered to be paid.
 18 Medical support is not alimony. "Medical support"
 19 which consists of payment of a monetary amount in lieu
 20 of a health benefit plan is also an obligation
 21 separate from any monetary amount a parent is ordered
 22 to pay for uncovered medical expenses pursuant to the
 23 guidelines established pursuant to section 598.21B.

24 Sec. ____ NEW SECTION. 252E.1A ESTABLISHING AND
 25 MODIFYING ORDERS FOR MEDICAL SUPPORT.

26 This section shall apply to all initial or modified
 27 orders for support entered under chapter 234, 252A,
 28 252C, 252F, 252H, 598, 600B, or any other applicable
 29 chapter.

30 1. An order or judgment that provides for
 31 temporary or permanent support for a child shall
 32 include a provision for medical support for the child
 33 as provided in this section.

34 2. The court shall order as medical support for
 35 the child a health benefit plan if available to either
 36 parent at the time the order is entered or modified.
 37 A plan is available if the plan is accessible and the
 38 cost of the plan is reasonable.

39 a. The cost of a health benefit plan is considered
 40 reasonable, and such amount shall be stated in the
 41 order, if one of the following applies:

42 (1) The premium cost for a child to the parent
 43 ordered to provide the plan does not exceed five
 44 percent of that parent's gross income.

45 (2) The premium cost for a child exceeds five
 46 percent of the gross income of the parent ordered to
 47 provide the plan and that parent consents or does not
 48 object to entry of that order.

49 b. For purposes of this section, "gross income"
 50 has the same meaning as gross income for calculation

Page 21

1 of support under the guidelines established under
2 section 598.21B.

3 c. For purposes of this section, the premium cost
4 for a child to the parent ordered to provide the plan
5 means the amount of the premium cost for family
6 coverage to the parent which is in excess of the
7 premium cost for single coverage, regardless of the
8 number of individuals covered under the plan.
9 However, this paragraph shall not be interpreted to
10 reduce the amount of the health insurance premium
11 deduction a parent may be entitled to when calculating
12 the amount of a child support obligation under Iowa
13 court rule 9.5 of the child support guidelines.

14 3. If a health benefit plan is not available at
15 the time of the entry of the order, the court shall
16 order a reasonable monetary amount in lieu of a health
17 benefit plan, which amount shall be stated in the
18 order. For purposes of this subsection, a reasonable
19 amount means five percent of the gross income of the
20 parent ordered to provide the monetary amount for
21 medical support. This subsection shall not apply in
22 any of the following circumstances:

23 a. If the parent's monthly support obligation
24 established pursuant to the child support guidelines
25 prescribed by the supreme court pursuant to section
26 598.21B is the minimum obligation amount.

27 b. If subsection 7, paragraph "e" applies.

28 4. If the court orders the custodial parent to
29 provide a health benefit plan under subsection 2, the
30 court may also order the noncustodial parent to
31 provide a reasonable monetary amount in lieu of a
32 health benefit plan. For purposes of this subsection,
33 a reasonable monetary amount means an amount not to
34 exceed the lesser of a reasonable amount as described
35 in subsection 3, or the premium cost of coverage for
36 the child to the custodial parent as described in
37 subsection 2, paragraph "c".

38 5. Notwithstanding the requirements of this
39 section, the court may order provisions in the
40 alternative to those provided in this section to
41 address the health care needs of the child if the
42 court determines that extreme circumstances so require
43 and documents the court's written findings in the
44 order.

45 6. An order, decree, or judgment entered before
46 March 1, 2008, that provides for the support of a
47 child may be modified in accordance with this section.

48 7. If the child support recovery unit is providing
49 services under chapter 252B and initiating an action
50 to establish or modify support, all the following

Page 22

1 shall also apply:

2 a. If a health benefit plan is available as
3 described in subsection 2 to the noncustodial parent,
4 the unit shall seek an order for the noncustodial
5 parent to provide the plan.

6 b. If a health benefit plan is available as
7 described in subsection 2 to the custodial parent and
8 not to the noncustodial parent, the unit shall seek an
9 order for the custodial parent to provide the plan.

10 c. If a health benefit plan is available as
11 described in subsection 2 to each parent, and if there
12 is an order for joint physical care, the unit shall
13 seek an order for the parent currently ordered to
14 provide a health benefit plan to provide the plan. If
15 there is no current order for a health benefit plan
16 for the child, the unit shall seek an order for the
17 parent who is currently providing a health benefit
18 plan to provide the plan.

19 d. If a health benefit plan is not available, and
20 the noncustodial parent does not have income which may
21 be subject to income withholding for collection of a
22 reasonable monetary amount in lieu of a health benefit
23 plan at the time of the entry of the order, the unit
24 shall seek an order that the noncustodial parent
25 provide a health benefit plan when a plan becomes
26 available at reasonable cost, and the order shall
27 specify the amount of reasonable cost as defined in
28 subsection 2.

29 e. This section shall not apply to chapter 252H,
30 subchapter IV.

31 Sec. ____ NEW SECTION. 252E.2A SATISFACTION OF
32 MEDICAL SUPPORT ORDER.

33 This section shall apply if the child support
34 recovery unit is providing services under chapter
35 252B.

36 1. Notwithstanding any law to the contrary and
37 without a court order, a medical support order for a
38 child shall be deemed satisfied with regard to the
39 department, the child, the obligor, and the obligee
40 for the period during which all the following
41 conditions are met:

42 a. The order is issued under any applicable
43 chapter of the Code.

44 b. The unit is notified that the conditions of
45 paragraph "c" are met and there is a pending action to
46 establish or modify support initiated by the unit, or
47 the parent ordered to provide medical support submits
48 a written statement to the unit that the requirements
49 of paragraph "c" are met.

50 c. The parent ordered to provide medical support

Page 23

1 or the parent from whom the unit is seeking to
2 establish or modify medical support meets at least one
3 of the following conditions:

4 (1) The parent is an inmate of an institution
5 under the control of the department of corrections or
6 a comparable institution in another state.

7 (2) The parent's monthly child support obligation
8 under the guidelines established pursuant to section
9 598.21B is the minimum obligation amount.

10 (3) The parent is a recipient of assistance under
11 chapter 239B or 249A, or under comparable laws of
12 another state.

13 (4) The parent is residing with any child for whom
14 the parent is legally responsible and that child is a
15 recipient of assistance under chapter 239B, 249A, or
16 514I, or under comparable laws of another state. For
17 purposes of this subparagraph, "legally responsible"
18 means the parent has a legal obligation to the child
19 as specified in Iowa court rule 9.7 of the child
20 support guidelines.

21 d. The unit files a notice of satisfaction with
22 the clerk of the district court. The effective date
23 of the satisfaction shall be stated in the notice and
24 the effective date shall be no later than forty-five
25 days after the unit issues the notice of satisfaction.

26 2. If a medical support order is satisfied under
27 subsection 1, the satisfaction shall continue until
28 all of the following apply:

29 a. The unit is notified that none of the
30 conditions specified in subsection 1, paragraph "c",
31 still applies.

32 b. The unit files a satisfaction termination
33 notice that the requirements for a satisfaction under
34 this section no longer apply. The effective date
35 shall be stated in the satisfaction termination notice
36 and the effective date shall be no later than
37 forty-five days after the unit issues the satisfaction
38 termination notice.

39 3. The unit shall mail a copy of the notice of
40 satisfaction and the satisfaction termination notice
41 to the last known address of the obligor and obligee.

42 4. The department of human services may match data
43 for enrollees of the hawk-i program created pursuant
44 to chapter 514I with data of the unit to assist the
45 unit in implementing this section.

46 5. An order, decree, or judgment entered or
47 pending on or before March 1, 2008, that provides for

7 In this schedule, each numbered block shall be the
 8 yearly and hourly compensation for the pay grade of
 9 the number heading the block. Within each grade there
 10 shall be seven steps numbered "1" through "7". In the
 11 above schedule the steps for all grades are determined
 12 in the following manner. Each numbered block is
 13 counted as the "1" step for that grade. The next
 14 higher block is counted as the "2" step; the next
 15 higher block is the "3" step; the next higher block is
 16 the "4" step; the next higher block is the "5" step;
 17 the next higher block is the "6" step; and the next
 18 higher block is the "7" step.

19 Alternatively, the senate rules and administration
 20 committee for senate employees, and the house
 21 administration and rules committee for house employees
 22 may allow their employees' compensation to be flexibly
 23 set anywhere between steps "1" through "7" for an
 24 employee's prescribed pay grade.

25 All employees shall be available to work daily
 26 until completion of the senate's and house of
 27 representatives' business. The employee's division

 7 are required to work in excess of 80 hours in a
 8 two-week pay period shall be allowed compensatory time
 9 off at a rate of one hour for each hour of overtime up

 12 representatives may be compensated for each hour of
 13 overtime at a rate of pay equal to one-and-one-half
 14 times the hourly pay provided.

15 BE IT FURTHER RESOLVED, That part-time employees
 16 shall be compensated at the scheduled hourly rate for
 17 their pay grade and step.

18 BE IT FURTHER RESOLVED, That in the event the
 19 salary schedule for employees of the State of Iowa as
 20 promulgated by the department of administrative
 21 services pursuant to section 8A.413, subsection 2, is
 22 revised upward at any time during the ~~eighty-first~~
 23 eighty-second general assembly, such revised schedule
 24 shall simultaneously be adopted for the compensation
 25 of the employees of the ~~eighty-first~~ eighty-second
 26 general assembly assigned a grade by this resolution,
 27 unless otherwise provided by the senate and house of

 2 legislative employees for internal equity and to
 3 assure compliance with appropriate legal standards for
 4 granting of overtime and compensatory time off. Such
 5 review shall be conducted by a legislative committee
 6 made up of members of the service committee of

24 step in the new grade.

25 The entry level for the position of research
26 analyst shall be Legislative Research Analyst, unless

28 level.

29 BE IT FURTHER RESOLVED, That a pay increase for
30 employees of one step within the pay grade for the

Page 18

1 position may be made for exceptionally meritorious
2 service in addition to step increases provided for in

30 vacancies which may occur, to be effective at such

Page 19

1 time as they shall set. The committee shall report
 2 the names of those it has hired for the positions
 3 specified in this resolution or the filling of any
 4 vacancies on the next legislative day or, if such
 5 action is during the interim, on the first day the
 6 senate or house shall convene. Any action by the
 7 senate or house to amend or disapprove a report or a

 9 the action.

10 The chief clerk of the house shall submit to the
 11 house committee on administration and rules and the
 12 secretary of the senate shall submit to the senate

13 Rule 11

14 Code Editor's Correction Bills

15 A bill recommended by the Code editor which is
 16 passed out of committee to the floor for debate by a
 17 committee of the house or senate and which contains
 18 Code corrections of a nonsubstantive nature shall not
 19 be amended on the floor of either house except
 20 pursuant to corrective or nonsubstantive amendments
 21 filed by the judiciary committee of the senate or the
 22 house. Such committee amendments, whether filed at
 23 the time of initial committee passage of the bill to
 24 the floor for debate or after rereferral to the
 25 committee, shall not be incorporated into the bill in
 26 the originating house but shall be filed separately.
 27 Amendments filed from the floor to strike sections of
 28 the bill or the committee amendments shall be in
 29 order. Following amendment and passage by the second
 30 house, only amendments filed from the floor which

Page 6

1 strike sections of the amendment of the second house
 2 shall be in order.

3 A bill recommended by the Code editor which is
 4 passed out of committee to the floor for debate by a
 5 committee of the house or senate and which contains
 6 Code corrections beyond those of a nonsubstantive
 7 nature shall not be amended on the floor of either
 8 house except pursuant to amendments filed by the
 9 judiciary committee of the senate or the house. Such
 10 committee amendments, whether filed at the time of
 11 initial committee passage of the bill to the floor for
 12 debate or after rereferral to the committee, shall not
 13 be incorporated into the bill in the originating house
 14 but shall be filed separately. Such a bill shall be
 15 limited to corrections which: Adjust language to
 16 reflect current practices, insert earlier omissions,
 17 delete redundancies and inaccuracies, delete temporary
 18 language, resolve inconsistencies and conflicts,
 19 update ongoing provisions, and remove ambiguities.
 20 Amendments filed from the floor to strike sections of
 21 the bill or the committee amendments shall be in
 22 order. Following amendment and passage by the second
 23 house, only amendments filed from the floor which
 24 strike sections of the amendment of the second house
 25 shall be in order.

26 It is the intent of the house and the senate that
 27 such bills be passed out of committee to the floor for

28 debate within the first four weeks of convening of a
29 legislative session.

30

Rule 12

Page 7

1 Amendments by Other House

2 1. When a bill which originated in one house is
3 amended in the other house, the house originating the
4 bill may amend the amendment, concur in full in the
5 amendment, or refuse to concur in full in the
6 amendment. Precedence of motions shall be in that
7 order. The amendment of the other house shall not be
8 ruled out of order based on a question of germaneness.

9 a. If the house originating the bill concurs in
10 the amendment, the bill shall then be immediately
11 placed upon its final passage.

12 b. If the house originating the bill refuses to
13 concur in the amendment, the bill shall be returned to
14 the amending house which shall either:

15 (1) Recede, after which the bill shall be read for
16 the last time and immediately placed upon its final
17 passage; or

18 (2) Insist, which will send the bill to a
19 conference committee.

20 c. If the house originating the bill amends the
21 amendment, that house shall concur in the amendment as
22 amended and the bill shall be immediately placed on
23 final passage, and shall be returned to the other
24 house. The other house cannot further amend the bill.

25 (1) If the amending house which gave second
26 consideration to the bill concurs in the amendment to
27 the amendment, the bill shall then be immediately
28 placed upon its final passage.

29 (2) If the amending house refuses to concur in the
30 amendment to the amendment, the bill shall be returned

Page 8

1 to the house originating the bill which shall either:

2 (a) Recede, after which the bill shall be read for
3 the last time as amended and immediately placed upon
4 its final passage; or

5 (b) Insist, which will send the bill to a
6 conference committee.

7 2. A motion to recede has precedence over a motion
8 to insist. Failure to recede means to insist; and
9 failure to insist means to recede.

10 3. A motion to lay on the table or to indefinitely
11 postpone shall be out of order with respect to motions
12 to recede from or insist upon and to amendments to
13 bills which have passed both houses.

14 4. A motion to concur, refuse to concur, recede,
15 insist, or adopt a conference committee report is in
16 order even though the subject matter has previously
17 been acted upon.

18 Rule 13

19 Conference Committee

20 1. Within one legislative day after either house
21 insists upon an amendment to a bill, the presiding
22 officer of the house, after consultation with the
23 majority leader, shall appoint three majority party
24 members and, after consultation with the minority
25 leader, shall appoint two minority party members to a
26 conference committee. The majority leader of the
27 senate, after consultation with the president, shall
28 appoint three majority party members and, after
29 consultation with and approval by the minority leader,
30 shall appoint two minority party members to a

Page 9

1 conference committee. The papers shall remain with
2 the house that originated the bill.

3 2. The conference committee shall meet before the
4 end of the next legislative day after their
5 appointment, shall select a chair and shall discuss
6 the controversy.

7 3. The authority of the first conference committee
8 shall cover only issues related to provisions of the
9 bill and amendments to the bill which were adopted by
10 either the senate or the house of representatives and
11 on which the senate and house of representatives
12 differed. If a conference committee report is not
13 acted upon because such action would violate this
14 subsection of this rule, the inaction on the report
15 shall constitute refusal to adopt the conference
16 committee report and shall have the same effect as if
17 the conference committee had disagreed.

18 4. An agreement on recommendations must be
19 approved by a majority of the committee members from
20 each house. The committee shall submit two originals
21 of the report signed by a majority of the committee
22 members of each house with one signed original and
23 three copies to be submitted to each house. The
24 report shall first be acted upon in the house
25 originating the bill. Such action, including all
26 papers, shall be immediately referred by the secretary
27 of the senate or the chief clerk of the house of
28 representatives to the other house.

29 5. The report of agreement is debatable, but
30 cannot be amended. If the report contains recommended

Page 10

1 amendments to the bill, adoption of the report shall
2 automatically adopt all amendments contained therein.
3 After the report is adopted, there shall be no more
4 debate, and the bill shall immediately be placed upon
5 its final passage.
6 6. Refusal of either house to adopt the conference
7 committee report has the same effect as if the
8 committee had disagreed.
9 7. If the conference committee fails to reach
10 agreement, a report of such failure signed by a
11 majority of the committee members of each house shall
12 be given promptly to each house. The bill shall be
13 returned to the house that originated the bill, the
14 members of the committee shall be immediately
15 discharged, and a new conference committee appointed
16 in the same manner as the first conference committee.
17 8. The authority of a second or subsequent
18 conference committee shall cover free conference
19 during which the committee has authority to propose
20 amendments to any portion of a bill provided the
21 amendment is within the subject matter content of the
22 bill as passed by the house of origin or as amended by
23 the second house.

24 Rule 14

25 Enrollment and Authentication of Bills

26 A bill or resolution which has passed both houses
27 shall be enrolled in the house of origin under the
28 direction of either the secretary of the senate or the
29 chief clerk of the house and its house of origin shall
30 be certified by the endorsement of the secretary of

Page 11

1 the senate or the chief clerk of the house.
2 After enrollment, each bill shall be signed by the
3 president of the senate and by the speaker of the
4 house.

5 Rule 15

6 Concerning Other Enrollments

7 All resolutions and other matters which are to be
8 presented to the governor for approval shall be
9 enrolled, signed, and presented in the same manner as
10 bills.

11 All resolutions and other matters which are not to
12 be presented to the governor or the secretary of state
13 shall be enrolled, signed, and retained permanently by
14 the secretary of the senate or chief clerk of the
15 house.

16 Rule 16
17 Transmission of Bills to the Governor

18 After a bill has been signed in each house, it
19 shall be presented by the house of origin to the
20 governor by either the secretary of the senate or the
21 chief clerk of the house. The secretary or the chief
22 clerk shall report the date of the presentation, which
23 shall be entered upon the journal of the house of
24 origin.

25 Rule 17
26 Fiscal Notes

27 A fiscal note shall be attached to any bill or
28 joint resolution which reasonably could have an annual
29 effect of at least one hundred thousand dollars or a
30 combined total effect within five years after

Page 12

1 enactment of five hundred thousand dollars or more on
2 the aggregate revenues, expenditures, or fiscal
3 liability of the state or its subdivisions. This rule
4 does not apply to appropriation and ways and means
5 measures where the total effect is stated in dollar
6 amounts.

7 Each fiscal note shall state in dollars the
8 estimated effect of the bill on the revenues,
9 expenditures, and fiscal liability of the state or its
10 subdivisions during the first five years after
11 enactment. The information shall specifically note
12 the fiscal impact for the first two years following
13 enactment and the anticipated impact for the
14 succeeding three years. The fiscal note shall specify
15 the source of the information. Sources of funds for
16 expenditures under the bill shall be stated, including
17 federal funds. If an accurate estimate cannot be
18 made, the fiscal note shall state the best available
19 estimate or shall state that no dollar estimate can be
20 made and state concisely the reason.

21 The preliminary determination of whether the bill
22 appears to require a fiscal note shall be made by the
23 legal services staff of the legislative services
24 agency. Unless the requestor specifies the request is
25 to be confidential, upon completion of the bill draft,
26 the legal services staff shall immediately send a copy
27 to the fiscal services director for review.

28 When a committee reports a bill to the floor, the
29 committee shall state in the report whether a fiscal
30 note is or is not required.

Page 13

1 The fiscal services director or the director's
2 designee shall review all bills placed on the senate
3 or house calendars to determine whether the bills are
4 subject to this rule.
5 Additionally, a legislator may request the
6 preparation of a fiscal note by the fiscal services
7 staff for any bill or joint resolution introduced
8 which reasonably could be subject to this rule.
9 The fiscal services director or the director's
10 designee shall cause to be prepared and shall approve
11 a fiscal note within a reasonable time after receiving
12 a request or determining that a bill is subject to
13 this rule. All fiscal notes approved by the fiscal
14 services director shall be transmitted immediately to
15 the secretary of the senate or the chief clerk of the
16 house, after notifying the sponsor of the bill that a
17 fiscal note has been prepared, for publication in the
18 daily clip sheet. The secretary of the senate or
19 chief clerk of the house shall attach the fiscal note
20 to the bill as soon as it is available.
21 The fiscal services director may request the
22 cooperation of any state department or agency in
23 preparing a fiscal note.
24 A revised fiscal note may be requested by a
25 legislator if the fiscal effect of the bill has been
26 changed by adoption of an amendment. However, a
27 request for a revised fiscal note shall not delay
28 action on a bill unless so ordered by the presiding
29 officer of the house in which the bill is under
30 consideration.

Page 14

1 If a date for adjournment has been set, then a
2 constitutional majority of the house in which the bill
3 is under consideration may waive the fiscal note
4 requirement during the three days prior to the date
5 set for adjournment.
6 Rule 18
7 Legislative Interns
8 Legislators may arrange student internships during
9 the legislative session with Iowa college, university,
10 or law school students, for which the students may
11 receive college credit at the discretion of their
12 schools. Each legislator is allowed only one intern
13 at a time per legislative session, and all interns
14 must be registered with the offices of the secretary
15 of the senate and the chief clerk of the house.
16 The purpose of the legislative intern program shall
17 be: to provide useful staff services to legislators

18 not otherwise provided by the general assembly; to
 19 give interested college, graduate, and law school
 20 students practical experience in the legislative
 21 process as well as providing a meaningful educational
 22 experience; and to enrich the curriculum of
 23 participating colleges and universities.

24 The secretary of the senate and the chief clerk of
 25 the house or their designees shall have the following
 26 responsibilities as regards the legislative intern
 27 program:

28 1. Identify a supervising faculty member at each
 29 participating institution who shall be responsible for
 30 authorizing students to participate in the intern

Page 15

1 program.

2 2. Provide legislators with a list of
 3 participating institutions and the names of
 4 supervising professors to contact if interested in
 5 arranging for an intern.

6 3. Provide interns with name badges which will
 7 allow them access to the floor of either house when
 8 required to be present by the legislators for whom
 9 they work.

10 4. Provide orientation materials to interns prior
 11 to the convening of each session.

12 Rule 19

13 Administrative Rules Review Committee Bills 14 and Rule Referrals

15 A bill which relates to departmental rules and
 16 which is approved by the administrative rules review
 17 committee by a majority of the committee's members of
 18 each house is eligible for introduction in either
 19 house at any time and must be referred to a standing
 20 committee, which must take action on the bill within
 21 three weeks of referral, except bills referred to
 22 appropriations and ways and means committees.

23 If, on or after July 1, 1999, the administrative
 24 rules review committee delays the effective date of a
 25 rule until the adjournment of the next regular session
 26 of the general assembly and the speaker of the house
 27 or the president of the senate refers the rule to a
 28 standing committee, the standing committee shall
 29 review the rule within twenty-one days of the referral
 30 and shall take formal committee action by sponsoring a

Page 16

1 joint resolution to disapprove the rule, by proposing
 2 legislation relating to the rule, or by refusing to
 3 propose a joint resolution or legislation concerning

4 the rule. The standing committee shall inform the
5 administrative rules review committee of the committee
6 action taken concerning the rule.

7 Rule 20

8 Time of Committee Passage and Consideration of Bills

29 written objection with the secretary of the senate on
30 the first or second legislative day after it appears

Page 8

1 on the proposed noncontroversial calendar. Any bill
2 stricken from the proposed noncontroversial calendar
3 shall be returned to its former place on the Senate
4 calendar. The secretary shall prepare the
5 noncontroversial calendar which shall consist of all
6 bills or resolutions on the proposed noncontroversial
7 calendar to which no objection was received.
8 11. If the senate shall not be in session on a day
9 assigned in paragraphs nine and ten for action upon a
10 calendar, such assigned action shall occur on the next
11 succeeding legislative day.
12 12. On any bill called up for debate from any
13 calendar, debate may continue from day to day until it
14 is adopted, fails, or is postponed or deferred. If
15 further debate is postponed or deferred without a time
16 to continue being set, except for bills on the debate
17 calendar, the bill shall be listed as unfinished
18 business. Bills which are returned to the committee
19 of first referral or to a different committee after
20 being considered by the senate and classified as
21 unfinished business shall be returned to the
22 unfinished business calendar by that committee when
23 the bill is reported out of committee. The unfinished
24 business date on the calendar shall be the date on
25 which the bill was returned to committee. Bills on
26 the debate calendar upon which further debate is
27 postponed or deferred without a time to continue being
28 set shall return to the regular calendar.

29 Rule 7
30 Steering Committee

Page 9

1 The senate may authorize the appointment of a
2 steering committee. The majority leader shall appoint
3 the majority party members to the steering committee.
4 The minority leader shall appoint the minority party
5 members to the steering committee. The function of
6 the steering committee shall be to create its own
7 calendar from the bills and resolutions on the regular
8 calendar. Bills and resolutions on the steering
9 committee calendar shall have priority over bills and
10 resolutions on all other calendars, except the
11 appropriations calendar.

12 Rule 8
13 When Eligible for Consideration
14 Bills, resolutions, and appointments shall be
15 eligible for consideration by the senate as follows:
16 1. An appointment by the governor which requires
17 senate confirmation shall be eligible on the
18 legislative day after it is first printed in the
19 senate calendar as provided by Rule 59.
20 2. A house or individually sponsored bill or
21 resolution reported out by a committee shall be
22 eligible on the legislative day after it is first
23 printed in the senate calendar.
24 3. A committee bill or resolution sponsored by the
25 appropriations committee shall be eligible on the
26 legislative day after it is first printed in the
27 senate calendar.
28 4. Any committee bill or resolution, other than a
29 bill or resolution sponsored by the appropriations
30 committee, shall be eligible on the third legislative

Page 10

1 day it is printed in the senate calendar.
2 5. A bill that has been reported out to the senate
3 calendar, referred to a different committee and
4 reported out by that committee is eligible for
5 consideration by the senate on the day it would have
6 been eligible under subsection 2, 3, or 4, whichever
7 is applicable, as if the bill had been printed in the
8 calendar after having been reported out by the first
9 committee.
10 6. Any bill or resolution placed on the steering
11 committee calendar is eligible for consideration on
12 the day of its placement on that calendar.
13 When a bill or resolution on the calendar is not
14 yet eligible, the date when it will become eligible
15 shall be printed in the calendar.

16 Rule 9
17 Debate and Decorum
18 Before addressing the senate, the senator shall
19 request recognition by depressing the "speak" device
20 and, when recognized, rise and respectfully address
21 the chair.
22 The senator shall confine all remarks to the
23 question under debate and shall avoid discussing
24 personalities or implication of improper motives. No
25 questions except by the senator recognized shall be
26 entertained after a senator is recognized to give
27 final remarks.

28 Rule 10
29 Point of Personal Privilege
30 A point of personal privilege shall only be

Page 11

1 recognized when there is no motion pending or other
2 business being considered by the senate. Points of
3 personal privilege shall not be in order during the
4 time when appropriation subcommittees are scheduled to
5 meet. Senators speaking on a point of personal
6 privilege shall be limited to ten minutes.

7 Rule 11

8 Introduction and Presentation of Guests
9 Only former members of the senate and former and
10 present members of Congress shall be presented to the
11 senate, except that the president of the senate may
12 present a visitor whose presence is of special
13 significance to the senate. The presence of school
14 groups accompanied by school officials shall be
15 announced by the president of the senate and shall be
16 recorded in the journal upon written request of a
17 member of the senate.

18 Rule 12

19 Form and Withdrawal of Motions, Amendments and Signatures

20 Motions need not be in writing unless required by
21 the president or by the senate. No motion requires a
22 second. Any amendment, motion (including a motion to
23 reconsider), or resolution may be withdrawn by the
24 mover if it has not been amended by the senate and if
25 no amendment is pending. All amendments to bills,
26 resolutions, and reports shall be in writing and filed
27 before being acted upon by the senate.

28 No amendment, resolution, bill, or conference
29 committee report shall be considered by the senate
30 without a copy of the amendment, resolution, bill, or

Page 12

1 conference committee report being on the desks of the
2 entire membership of the senate prior to
3 consideration. However, after the fourteenth week of
4 the first session and the twelfth week of the second
5 session, amendments and senate resolutions may be
6 considered by the senate without a copy of the
7 amendment or senate resolution being on the desks of
8 the entire membership of the senate if a copy of the
9 amendment or senate resolution is made available to
10 the entire membership of the senate electronically.
11 Such consideration shall be deferred until a copy of
12 the amendment or senate resolution is on the desks of
13 the entire membership of the senate upon the request
14 of any senator.

15 All amendments, reports, petitions or other
16 documents requiring a signature shall have the name
17 typed under the place for the signature. Once a

18 signature is affixed and the document containing the
19 signature filed with the recording clerk in the well,
20 that signature shall not be removed.
21 When an amendment to a main amendment is filed that
22 would negate the effect of the main amendment and
23 thereby leave the bill unchanged, the presiding
24 officer shall have the authority to declare the
25 amendment to the main amendment out of order, subject
26 to an appeal to the full senate.
27 When a house amendment to a senate file is before
28 the senate, an amendment to the house amendment shall
29 be considered an amendment in the first degree.
30 Regardless of its origin, an amendment in the third

Page 13

1 degree shall be ruled out of order.
2 When a ruling on germaneness is issued by the
3 presiding officer, it shall be accompanied by an
4 explanation of the ruling.
5 Rule 13
6 Order and Precedence of Motions and Amendments
7 When a question is under debate, no motion shall be
8 received but to adjourn, to recess, questions of
9 privilege, to lay on the table, for the previous
10 question, to postpone to a day certain, to refer, to
11 amend, to postpone indefinitely, to defer, or
12 incidental motions. A substitute is not in order
13 unless it is in the form of a motion to substitute.
14 Such motions shall have precedence in the order in
15 which they are named. No motion to postpone to a day
16 certain, to refer, or postpone indefinitely, being
17 decided, shall be again allowed on the same day with
18 regard to the same question. A motion to strike out
19 the enacting clause of a bill shall have precedence
20 over all amendments and, if carried, shall be
21 considered equivalent to the rejection of the bill.
22 A motion to strike everything after the enacting
23 clause has precedence over a committee amendment and
24 all other amendments except one to strike the enacting
25 clause. A committee amendment has precedence over all
26 other amendments except as provided in this rule.
27 A motion to rerefer a bill to committee may specify
28 when the committee shall report the bill to the
29 senate. If the motion is adopted in such form, the
30 committee must report the bill by the date and time

Page 14

1 specified with or without recommendation or the bill
2 shall automatically be returned to the calendar. When
3 the bill is returned to the calendar, it shall occupy

4 the same position it occupied at the time the bill was
 5 rereferred to the committee. If the committee to
 6 which the bill is rereferred submits an amendment in
 7 its report, that committee amendment shall take
 8 precedence over other amendments except if that
 9 committee amendment is in conflict with amendments
 10 previously adopted, the committee amendment shall not
 11 be considered until consideration of motions to
 12 reconsider the previously adopted amendments result in
 13 removing the conflict. A committee may not file an
 14 amendment to a bill unless the bill is in the
 15 committee's possession.

16 Rule 14

17 MOTIONS BEFORE THE SENATE

18 Motions before the senate shall be displayed on the
 19 electronic voting system display boards.

20 Rule 15

21 Nondebatable Motions

22 The following motions are not debatable:

23 Adjourn

24 Recess

25 Call of the Senate

26 Lay on Table or Take from Table

27 Previous Question

28 Reconsider vote by which bill was placed on last reading.

29 A Motion to Reconsider and Lay the Motion to Reconsider
 30 on the Table (Double-barreled Motion).

Page 15

1 Rule 16

2 Division of the Question

3 Any senator may call for a division of a question,
 4 which shall be divided if it includes propositions so
 5 distinct that if one is taken away, a substantive
 6 proposition shall remain in a technically proper form
 7 for the decision of the senate. A motion to strike
 8 out and insert is indivisible; but a motion to strike
 9 out, if lost, shall not preclude amendments to the
 10 matter attempted to be stricken or a motion to strike
 11 out and insert.

12 Rule 17

13 The Previous Question

14 The previous question shall be in this form:
 15 "Shall debate be closed on the pending question?" A
 16 motion for the previous question may be adopted by a
 17 majority of the senators present and voting. Its
 18 effect shall be to put an end to debate and bring the
 19 senate to a direct vote upon the pending question.
 20 However, any senator who has not previously spoken on
 21 the pending question and who, after the main question
 22 is taken up and before the motion for the previous

23 question has been made, requested recognition by
24 depressing the “speak” device may speak no longer than
25 five minutes on the pending question. If action on
26 the pending question continues into another
27 legislative day or is deferred, the previous question
28 shall apply and the requests to be recognized shall be
29 honored.
30 When the motion applies to an amendment, the

Page 16

1 senator proposing the amendment shall have five
2 minutes to close debate on the amendment.
3 The senator handling the measure under
4 consideration shall have ten minutes to close debate
5 on the main question.

6 Rule 18

7 Call of the Senate

8 Ten senators may file in writing a call of the
9 senate on any single item of legislative business. A
10 call of the senate requires the presence of every
11 senator and is in order at any time prior to the vote
12 being announced by the president. The sergeant-at-
13 arms shall return promptly all absent senators.
14 Debate on the item may continue while absent senators
15 are returning, but no vote on the item is in order on
16 it until all have returned. Adoption of a motion to
17 recess or adjourn to a specific time will not lift the
18 call. The call may be lifted, or a senator may be
19 excused from the call without lifting the call, by a
20 vote of a constitutional majority of the senators.
21 Those senators excused prior to the filing of the call
22 are excused from the call.

23 Rule 19

24 Committee of the Whole

25 The senate may resolve itself into a committee of
26 the whole senate when it wishes to permit more free
27 and informal discussion. Persons other than senators
28 may appear and present information.
29 Any senator may move “that the senate now resolve
30 itself into a committee of the whole to consider” a

Page 17

1 stated subject.
2 The president of the senate shall be chair of the
3 committee of the whole unless otherwise ordered by the
4 senate.
5 The procedure in committee of the whole is subject
6 to the rules of the senate. The previous question and
7 the motion to reconsider shall be in order.
8 The committee of the whole cannot take any final

9 action and its power is limited to recommendation to
 10 the senate. The proceedings of the committee of the
 11 whole, including any roll call vote, shall be printed
 12 in the journal.

13 Any senator may at any time, except while voting or
 14 while a senator has the floor, move that “the
 15 committee rise” which is equivalent to a motion to
 16 adjourn.

17 After adoption of the motion to rise, the chair may
 18 report to the senate in the same manner as other
 19 committee reports are given.

20 Rule 20

21 Last Reading and Passage of Bills

22 When a motion to place a bill on its last reading
 23 is lost, the same motion shall be in order at any
 24 later time. After the last reading of a bill, no
 25 amendment shall be received. The vote on final
 26 passage shall be taken immediately without debate.

27 Rule 21

28 Engrossment of Bills

29 An engrossment is a proofreading and verification
 30 in order to be certain that a bill before the senate

Page 18

1 is identical with the original bill as introduced with
 2 all amendments which have been adopted correctly
 3 inserted.

4 In an engrossed bill, all obvious typographical,
 5 spelling or other clerical errors are corrected and
 6 section or paragraph numbers and internal references
 7 are changed as required to conform the original bill
 8 to any amendments which have been adopted. All such
 9 corrections or changes shall be reported in the
 10 journal by the secretary of the senate. The engrossed
 11 bill shall be placed in the bill file with the
 12 original bill and amendments.

13 Rule 22

14 Manner of Voting

15 On voice vote, the question shall be distinctly put
 16 in this form: “Those in favor of (the question) say
 17 “aye.” “Those opposed to (the question) say “no.””

18 A non-record or record roll call vote may be
 19 requested by any senator or ordered by the president
 20 any time before the results are announced. A non-
 21 record roll call shall be requested by asking for a
 22 “division”. A record roll call shall be requested by
 23 asking for a “record”. Upon request for a non-record
 24 or record roll call vote, the president shall announce
 25 that such a non-record or record roll call vote has
 26 been requested and shall state the question to be put
 27 to the senate. The president then shall direct the

28 secretary of the senate to receive the votes.
29 Senators present may cast their votes, either by
30 operating the voting mechanism located at their

Page 19

1 assigned desk or by signaling the president if they
2 are unable to vote at their assigned desk. The
3 president shall enter the votes of senators signaling
4 their votes.

5 After sufficient time has elapsed for all senators
6 present to record their votes, the president shall
7 direct the secretary of the senate to close the voting
8 system. The president shall still enter the senators'
9 votes at any time prior to directing the secretary of
10 the senate to lock the voting system. The president
11 shall then immediately announce the vote.

12 During a non-record or record roll call vote, both
13 individual votes and vote totals shall be indicated
14 openly on the display boards. On non-record roll
15 calls, only vote totals shall be printed in the
16 journal.

17 In the event the electronic voting system is not in
18 operating order, the president shall direct the
19 secretary of the senate to take the non-record or
20 record roll call by calling the names of the senators
21 in alphabetical order.

Rule 23

Duty of Voting

22 Every senator present when a question is put shall
23 vote "aye", "no" or "present" unless previously
24 excused by the senate. Upon demand being made by any
25 senator, the secretary of the senate shall call in
26 alphabetical order the names of the senators not
27 voting or voting "present". Those senators called
28 shall vote "aye" or "no" unless the senator states a
29
30

Page 20

1 personal interest in the question or concludes that he
2 or she should not vote under the senate code of
3 ethics.

Rule 24

Reconsideration

4 When a main motion has been decided by the senate,
5 any senator having voted on the prevailing side may
6 move to reconsider the vote on the same or next
7 legislative day. Motions to reconsider the vote on a
8 bill or resolution shall be in writing and filed with
9 the secretary of the senate.

10 Notwithstanding any time limitations applicable to
11 motions to reconsider main motions, a motion to
12
13

14 reconsider the vote on an amendment may be made at any
15 time before final disposition of the motion to be
16 amended. Such motion shall be in writing and filed
17 with the secretary of the senate. A motion to
18 reconsider an amendment to a main motion shall be
19 taken up for consideration only prior to the
20 disposition of the main motion or upon reconsideration
21 of the main motion.
22 A constitutional majority by a record roll call is
23 necessary to reconsider a bill or joint resolution.
24 During three legislative days from the date the motion
25 to reconsider a bill or resolution is filed, only the
26 mover may call it up. Thereafter, any senator may
27 call up the motion. If a date for adjournment has
28 been set by resolution of the senate, any senator may
29 call up a motion to reconsider at any time within
30 three days prior to the date set for adjournment.

Page 21

1 If the motion to reconsider a bill or resolution
2 prevails, motions to reconsider amendments thereto
3 shall be in order and shall be disposed of without
4 delay.
5 A motion that any action taken by the senate be
6 reconsidered and the motion to reconsider be laid upon
7 the table shall be a single and indivisible motion,
8 known as the double-barreled motion, which, if
9 carried, shall have the effect of preventing
10 reconsideration unless a motion to take from the table
11 prevails. A constitutional majority is necessary for
12 the double-barreled motion to prevail on a bill or
13 joint resolution. The double-barreled motion can only
14 be made from the floor after the vote is announced and
15 the member who moved the final reading shall have
16 priority in making it.
17 A motion to reconsider and lay on the table shall
18 have priority over a motion to reconsider if they are
19 both filed on the same legislative day.
20 In the event that a motion to reconsider is pending
21 at the end of the first session or any extraordinary
22 session of any general assembly, or the general
23 assembly adjourns sine die, and the motion has not
24 been voted upon by the senate, it shall be determined
25 to have failed.

26

Rule 25

27

Suspension of Rules and Taking from Table

28 No standing rule or rules incorporated by reference
29 under Rule 3 or order of the senate shall be rescinded
30 or suspended, nor shall any matter, tabled upon

Page 22

1 motion, be taken up, except by an affirmative vote of
2 a constitutional majority of the senate.

3 INTRODUCTION AND FORM OF BILLS

4 Rule 26

5 Time and Method of Introducing Bills and Amendments

6 All bills to be introduced in the senate shall be

7 typed in proper form by the legislative services
8 agency and shall be filed with the recording clerk.

9 All amendments shall be typed in proper form and
10 filed with the recording clerk not later than 4:30
11 p.m., or adjournment, whichever is later, in order to
12 be listed in the following day's clip sheet.

13 An "impact amendment" is an amendment which
14 reasonably could have an annual effect of at least one
15 hundred thousand dollars or a combined total effect
16 within five years after enactment of five hundred
17 thousand dollars or more on the aggregate revenues,
18 expenditures or fiscal liability of the state or its
19 subdivisions.

20 An impact amendment to a bill which has been on the
21 special order calendar for at least three full
22 legislative days prior to its consideration shall not
23 be taken up by the senate unless:

24 1) a fiscal note is attached, and the amendment is
25 filed at least one legislative day prior to the date
26 set for consideration of the bill; or

27 2) the amendment is an appropriation or other
28 measure where the total effect is stated in dollar
29 amounts.

30 Rule 27

Page 23

1 Limit on Introduction of Bills

2 No bill or joint resolution, except bills and joint
3 resolutions cosponsored by the majority and minority
4 floor leaders, or companion bills and joint
5 resolutions sponsored by the majority floor leaders of
6 both houses, shall be introduced in the senate after
7 4:30 p.m. on Friday of the sixth week of the first
8 regular session of a general assembly unless a ~~written~~
9 formal request for drafting the bill has been filed
10 with the legislative services agency before that time.
11 After adjournment of the first regular session, bills
12 may be prefiled at any time before the convening of
13 the second regular session. No bill shall be
14 introduced after 4:30 p.m. on Friday of the ~~first~~
15 second week of the second regular session of a general
16 assembly unless a ~~written~~ formal request for drafting
17 the bill has been filed with the legislative services

18 agency before that time. However, standing committees
 19 may introduce bills and joint resolutions at any time.
 20 A bill which relates to departmental rules sponsored
 21 by the administrative rules review committee and
 22 approved by a majority of the members of the committee
 23 in each house may be introduced at any time and must
 24 be referred to a standing committee which must take
 25 action on the bill within three weeks. Senate and
 26 concurrent resolutions may be introduced at any time.
 27 No bill, joint resolution, concurrent resolution or
 28 senate resolution shall be introduced at any
 29 extraordinary session unless sponsored by a standing
 30 committee, the majority and minority floor leaders, or

Page 24

1 the committee of the whole.
 2 Rule 28
 3 Introduction, Reading and Form of Bills and Resolutions
 4 Every senate bill and resolution shall be
 5 introduced by one or more senators or by any standing
 6 committee of the senate and shall at once be given its
 7 first reading.
 8 If the senate is in session when a bill or
 9 resolution is introduced, the first reading shall
 10 consist of reading its file number, the title and
 11 sponsor of the bill. If the senate is not in session
 12 but a journal is published for the day, the first
 13 reading shall consist of a journal entry of the bill's
 14 file number, title, sponsor and the notation "Read
 15 first time under Rule 28."
 16 Any bill or resolution approved for introduction by
 17 a standing committee during an interim period between
 18 sessions of one General Assembly shall be introduced
 19 without further action by the committee at the next
 20 succeeding regular session of the same General
 21 Assembly and placed immediately upon the regular
 22 calendar.
 23 Every bill and resolution referred to committee
 24 shall have received two readings before its passage.
 25 The subject of every bill shall be expressed in its
 26 title.
 27 Rule 29
 28 Explanations
 29 No bill, except appropriation committee bills and
 30 simple or concurrent resolutions, shall be introduced

Page 25

1 unless a concise and accurate explanation is attached.
 2 The chief sponsor or a committee to which the bill has
 3 been referred may add a revised explanation at any

4 time before the last reading, and it shall be included
5 in the daily clip sheet.

6 Rule 30

7 Resolutions

8 A "senate resolution" is A resolution acted upon
9 only by the senate which expresses sentiment or is
10 used for the appointment of special committees within
11 the senate. A senate resolution requires the
12 affirmative vote of a majority of the senators present
13 and voting. A senate resolution shall be filed with
14 the secretary of the senate. A senate resolution
15 shall be printed in the bound journal after its
16 adoption and in the daily journal upon written request
17 to the secretary of the senate by the sponsor of the
18 resolution.

19 Rule 31

20 Nullification Resolutions

21 A nullification resolution may be introduced by a
22 standing committee, the administrative rules review
23 committee, or any member of the senate. A
24 nullification resolution introduced by the
25 administrative rules review committee or a member of
26 the senate shall be referred to the same standing
27 committee it would be referred to if it was a bill.
28 Any nullification resolution may be referred to the
29 administrative rules review committee by a majority
30 vote of the standing committee which introduced it or

Page 26

1 to which it was referred. The administrative rules
2 review committee may seek an agreement with the
3 affected administrative agency wherein the agency
4 agrees to voluntarily rescind or modify a rule or
5 rules relating to the subject matter of the
6 nullification resolution. An agreement to voluntarily
7 rescind or modify an administrative agency rule shall
8 be in writing and signed by the chief administrative
9 officer of the administrative agency and a majority of
10 the administrative rules review committee members of
11 each house and shall be placed on file in the offices
12 of the chief clerk of the house, the secretary of the
13 senate and the secretary of state. If an agreement is
14 not reached, or the nullification resolution is not
15 approved by a majority of the administrative rules
16 review committee members of each house, within two
17 weeks of the date the resolution is referred to the
18 administrative rules review committee, the resolution
19 shall be placed on the calendar. If the nullification
20 resolution is approved by the administrative rules
21 review committee it shall be placed on the calendar.
22 A nullification resolution is subject to a motion to

23 withdraw the nullification resolution as provided in
24 rule 42.

25 A nullification resolution is debatable, but cannot
26 be amended on the floor of the senate.

27 Rule 32

28 Resolutions, Applicable Rules

29 All rules applicable to bills shall apply to
30 resolutions, except as otherwise provided in the

Page 27

1 rules.

2 Rule 33

3 Study Bills

4 1. A study bill is any matter which a senator
5 wishes to have considered by a standing committee or
6 appropriations subcommittee for introduction as a
7 committee bill or resolution. The term "study bill"
8 includes "proposed bills" provided for in Rule 37 and
9 departmental requests prefiled in the manner specified
10 in section 2.16 of the Code.

11 2. A study bill shall bear the name of the member
12 who wishes to have the bill considered. A study bill
13 proposed by a state agency shall bear the name of the
14 agency. A committee chair may submit a study bill in
15 the name of that committee.

16 3. Upon first receiving a study bill from a
17 senator, a committee chairperson shall submit three
18 copies to the secretary of the senate. Study bills
19 received in the secretary of the senate's office
20 before 3:00 p.m. shall be filed, numbered, and
21 reported in the journal for that day. Study bills
22 received in the secretary of the senate's office after
23 3:00 p.m. shall be filed, numbered, and reported in
24 the journal for the subsequent day. The secretary
25 shall number such bills in consecutive order. The
26 secretary shall maintain a record of all study bills
27 and their assigned number. Committee records shall
28 refer to study bills by the number assigned by the
29 secretary.

30 4. The secretary shall file a report in the

Page 28

1 journal of each study bill received. The report shall
2 show the study bill number, its title or subject
3 matter and the committee which is considering it. If
4 a study bill is referred to a subcommittee, then the

19 Rule 59

20 Appointments

21 The secretary of the senate shall:

22 a. send, to each appointee submitted by the
23 governor for senate confirmation, a copy of a senate

25 administration committee;

26 b. receive completed questionnaires from

Page 45

1 senate rule 6, and by the committee on rules and
2 administration. No appointee shall be listed as
3 eligible on the confirmation calendar until the
4 secretary has received the appointee's completed
5 senate questionnaire.

6 As soon as possible after the convening of a
7 session, and again within one week following March 15,
8 the secretary of the senate shall publish in the
9 senate journal the names of all nominees submitted for
10 confirmation. The secretary of the senate shall
11 maintain a file of all appointments received from the
12 governor for confirmation. The file shall contain a
13 description of the duties and the compensation for
14 each nominee. The file shall show the date an
15 appointment was received from the governor, the date
16 the appointment was published in the journal, whether
17 the nominee has been introduced, whether a committee

18 report has been filed, when the senate questionnaire
 19 was sent to the appointee, and shall include a copy of
 20 the appointee's completed senate questionnaire, upon
 21 receipt.

22 INVESTIGATING COMMITTEES. All appointments
 23 received from the governor shall be referred to the
 24 rules and administration committee by the secretary of
 25 the senate on the same day they are published in the
 26 senate journal. The rules and administration
 27 committee shall establish an en bloc confirmation
 28 calendar which must be filed with the secretary of the
 29 senate. Within three (3) legislative days after
 30 receiving an appointment, the committee shall either

Page 46

1 place a nominee on the en bloc confirmation calendar
 2 or assign the nominee to an appropriate standing
 3 committee for further investigation, publishing notice
 4 of such assignment in the senate journal for the next
 5 legislative day. If the rules and administration
 6 committee fails to take action on a nominee within the
 7 three days, the nominee shall automatically be placed
 8 on the en bloc confirmation calendar.

9 Within the three (3) legislative days after an
 10 appointment has been referred to the rules and
 11 administration committee, any ten senators may require
 12 that the nominee be assigned to an appropriate
 13 standing committee by filing a written, signed request
 14 therefor with the chairperson of the rules and
 15 administration committee. The committee chair shall
 16 refer the appointment to a subcommittee within one (1)
 17 legislative day after a standing committee receives an
 18 appointment for further investigation, publishing
 19 notice of such assignment in the senate journal for
 20 the next legislative day. Within ten (10) legislative
 21 days after a standing committee receives an
 22 appointment for further investigation the subcommittee
 23 shall file its report with the standing committee.

24 Within fourteen (14) legislative days after a
 25 standing committee receives an appointment for further
 26 investigation, the committee shall conduct an
 27 investigation of the nominee and file its report
 28 thereon with the secretary of the senate, who shall
 29 then place the nominee on the en bloc calendar or
 30 individual confirmation calendar as directed by the

Page 47

1 committee. The failure of a committee to file its
 2 report within the prescribed time means that the
 3 nominee is to be automatically placed, without

4 recommendation, upon the individual confirmation
5 calendar.
6 Any individual nominated to head a department or
7 agency of state government, whose appointment is
8 subject to senate confirmation, must be introduced to
9 the full senate prior to a vote on confirmation of the
10 nominee. Additionally, any five (5) senators may
11 request that any nominee be introduced to the senate
12 by filing a written request with the secretary of the
13 senate within ten (10) legislative days of the
14 nominee's name appearing in the journal. Any
15 individual nominated to a position requiring senate
16 confirmation may request to be introduced to the full
17 senate by notifying the secretary of the senate at
18 least one (1) legislative day in advance of ~~their~~ the
19 nominee's appearance. If an individual is nominated
20 both to fill a vacancy for an unexpired term and is
21 also nominated for reappointment to that position
22 during the same session, a single introduction is
23 sufficient for eligibility for confirmation to both
24 terms.

25 HEARINGS. Any member of a committee investigating
26 an appointment may, within five (5) legislative days
27 after the committee receives the appointment, obtain
28 a hearing with the nominee by filing a written request
29 with the secretary of the senate who shall forward it
30 to the chair of the standing committee and the chair

Page 48

1 of the subcommittee. Notice of the hearing shall be
2 published in the journal at least two (2) legislative
3 days prior to the hearing. At the hearing, which
4 shall be before the subcommittee, the nominee may be
5 questioned as to his or her qualifications to fulfill
6 the office to which nominated and further questioned
7 as to his or her viewpoints on issues facing the
8 office to which nominated. Any senator may at the
9 discretion of the chair of the subcommittee be
10 permitted to submit oral questions. The public may, at
11 the discretion of the investigating committee, be
12 permitted to submit oral or written statements as to
13 the qualifications of the nominee.

14 Also, within five (5) legislative days after the
15 subcommittee receives an appointment for
16 investigation, any senator may submit written
17 questions to be answered by the nominee prior to
18 consideration of the nominee's confirmation by the
19 senate.

20 INFORMATIONAL MEETINGS. After a nominee has been
21 placed on the calendar and prior to the vote on
22 confirmation, any senator may request an informational

23 meeting on the nomination which shall be held before
 24 the subcommittee.
 25 VOTING ON CONFIRMATIONS. Upon the motion of the
 26 majority leader or his or her designee, the nominees
 27 on the en bloc confirmation calendar shall be
 28 confirmed en bloc by the affirmative vote of two-
 29 thirds of the members elected to the senate. The
 30 journal shall reflect a single roll call accompanied

Page 49

1 by a statement of the names of those individuals
 2 subject to the en bloc confirmation vote.
 3 Prior to an en bloc vote, any senator may request,
 4 either in writing or from the floor, an individual
 5 vote on any nominee on the en bloc confirmation
 6 calendar. The senate shall vote separately on the
 7 nominee.
 8 Nominees on the individual confirmation calendar
 9 shall be confirmed by a two-thirds vote; however, the
 10 senate shall take a separate roll call on each

SENATE RESOLUTION 6: filed January 24, 2007; adopted by
 the Senate on January 30, 2007.

1 SENATE RESOLUTION 6
 2 By: Committee on Ethics
 3 (SUCCESSOR TO SSB 1053)
 4 A resolution relating to the Senate Code of Ethics
 5 governing the conduct of members of the Senate in
 6 relation to their senatorial duties during the
 7 Eighty-second General Assembly.
 8 BE IT RESOLVED BY THE SENATE, That the Senate Code
 9 of Ethics for the ~~Eighty-first~~ Eighty-second General
 10 Assembly shall be amended to read as follows:
 11 SENATE CODE OF ETHICS
 12 PREAMBLE. Every legislator owes a duty to uphold
 13 the integrity and honor of the general assembly, to
 14 encourage respect for the law and for the general
 15 assembly and the members thereof, and to observe the
 16 legislative code of ethics.
 17 In doing so, members of the senate have a duty to
 18 conduct themselves so as to reflect credit on the
 19 general assembly, and to inspire the confidence,
 20 respect, and trust of the public, and to strive to
 21 avoid both unethical and illegal conduct and the
 22 appearance of unethical and illegal conduct.
 23 Recognizing that service in the Iowa general
 24 assembly is a part-time endeavor and that members of
 25 the general assembly are honorable individuals who are
 26 active in the affairs of their localities and
 27 elsewhere and that it is necessary that they maintain
 28 a livelihood and source of income apart from their

29 legislative compensation, the following rules are
30 adopted pursuant to section 68B.31, to assist the

Page 2

- 1 members in the conduct of their legislative affairs.
- 2 1. ECONOMIC INTEREST OF SENATOR. Taking into
3 account that legislative service is part-time, a
4 senator shall not accept economic or investment
5 opportunity, under circumstances where the senator
6 knows, or should know, that there is a reasonable
7 possibility that the opportunity is being afforded the
8 senator with intent to influence the senator's conduct
9 in the performance of official duties.
- 10 2. DIVESTITURE. Where a senator learns that an
11 economic or investment opportunity previously accepted
12 was offered with the intent of influencing the
13 senator's conduct in the performance of official
14 duties, the senator shall take steps to divest that
15 senator of that investment or economic opportunity,
16 and shall report the facts of the situation to the
17 senate ethics committee.
- 18 3. CHARGES FOR SERVICES. A senator shall not
19 charge to or accept from a person, corporation,
20 partnership, or association known to have a
21 legislative interest a price, fee, compensation, or
22 other consideration for the sale or lease of any
23 property or the furnishing of services which is in
24 excess of that which the senator would charge another.
- 25 4. USE OF CONFIDENTIAL INFORMATION. A senator in
26 order to further the senator's own economic or other
27 interests, or those of any other person, shall not
28 disclose or use confidential information acquired in
29 the course of official duties.
- 30 5. HONORARIA. A senator shall not accept an

Page 3

- 1 honorarium from a restricted donor for a speech,
2 writing for publication, or other similar activity,
3 except as otherwise provided in section 68B.23.
- 4 6. EMPLOYMENT. A senator shall not accept
5 employment, either directly or indirectly, from a
6 political action committee. A senator may accept
7 employment from a political party, but shall disclose
8 the employment relationship in writing to the
9 secretary of the senate within ten days after the
10 beginning of each legislative session. If a senator
11 accepts employment from a political party during a
12 legislative session, the senator shall disclose the
13 employment relationship within ten days after
14 acceptance of the employment.

15 For the purpose of this rule, a political action
16 committee means a committee, but not a candidate's
17 committee, which accepts contributions, makes
18 expenditures, or incurs indebtedness in the aggregate
19 of more than seven hundred fifty dollars in any one
20 calendar year to expressly advocate the nomination,
21 election, or defeat of a candidate for public office
22 or to expressly advocate the passage or defeat of a
23 ballot issue or influencing legislative action, or an
24 association, lodge, society, cooperative, union,
25 fraternity, sorority, educational institution, civic
26 organization, labor organization, religious
27 organization, or professional organization which makes
28 contributions in the aggregate of more than seven
29 hundred fifty dollars in any one calendar year to
30 expressly advocate the nomination, election, or defeat

Page 4

1 of a candidate for public office or ballot issue or
2 influencing legislative action.
3 7. ECONOMIC INTERESTS OF LOBBYIST. With the
4 exception of exercising unfettered discretion in
5 supporting or refusing to support proposed
6 legislation, a senator shall not take action intended
7 to affect the economic interests of a lobbyist or
8 citizen supporting or opposing proposed legislation.
9 8. APPEARANCE BEFORE GOVERNMENTAL AGENCY. A
10 senator may appear before a governmental agency or
11 board in any representation case, except that the
12 senator shall not act as a lobbyist. Whenever a
13 senator appears before a governmental agency or board,
14 the senator shall carefully avoid all conduct which
15 might in any way lead members of the general public to
16 conclude that the senator is using the senator's
17 official position to further the senator's
18 professional success or personal financial interest.
19 9. CONFLICTS OF INTERESTS. In order to permit the
20 general assembly to function effectively, a senator
21 will sometimes be required to vote on bills and
22 participate in committee work which will affect the
23 senator's employment and other monetary interests. In
24 making a decision relative to the senator's activity
25 on given bills or committee work which are subject to
26 the code, the following factors shall be considered:
27 a. Whether a substantial threat to the senator's
28 independence of judgment has been created by the
29 conflict situation.
30 b. The effect of the senator's participation on

Page 5

1 public confidence in the integrity of the legislature.
2 c. The need for the senator's particular
3 contribution, such as special knowledge of the subject
4 matter, to the effective functioning of the
5 legislature.

6 A senator with a conflict of interest may
7 participate in floor debate if prior to debate the
8 senator indicates the conflict of interest.

9 10. GIFTS. Except as otherwise provided in
10 section 68B.22, a senator, or that person's immediate
11 family member, shall not, directly or indirectly,
12 accept or receive any gift or series of gifts from a
13 restricted donor.

14 11. DISCLOSURE REQUIRED. Each senator shall file
15 with the secretary of the senate within ten days after
16 the adoption of the code of ethics by the senate, and
17 within ten days after the convening of the second
18 session of the general assembly, a statement under
19 section 68B.35 on forms provided by the secretary of
20 the senate setting forth the following information:

21 The nature of each business in which the senator is
22 engaged and the nature of the business of each company
23 in which the senator has a financial interest. A
24 senator shall not be required to file a report or be
25 assumed to have a financial interest if the annual
26 income derived from the investment in stocks, bonds,
27 bills, notes, mortgages, or other securities offered
28 for sale through recognized financial brokers is less
29 than one thousand dollars.

30 Disclosures required under this rule shall be as of

Page 6

1 the date filed unless provided to the contrary, and
2 shall be amended to include interests and changes
3 encompassed by this rule that occur while the general
4 assembly is in session. All filings under this rule
5 shall be open to public inspection in the office of
6 the secretary of the senate at all reasonable times.

7 The secretary of the senate shall inform the ethics
8 committee of the statements which are filed and shall
9 report to the ethics committee the names of any
10 senators who appear not to have filed complete
11 statements. The chairperson of the ethics committee
12 shall request in writing that a senator who has failed
13 to complete the report or appears to have filed an
14 incomplete report do so within five days, and, upon
15 the failure of the senator to comply, the ethics
16 committee shall require the senator to appear before
17 the committee.

18 12. STATUTORY VIOLATIONS. Members of the general
19 assembly are urged to familiarize themselves with
20 chapters 68B, 721, and 722.

21 13. CHARGE ACCOUNTS. Senators shall not charge
22 any amount or item to any charge account to be paid
23 for by any lobbyist or any client the lobbyist
24 represents.

25 14. TRAVEL EXPENSES. A senator shall not charge
26 to the state of Iowa amounts for travel and expenses
27 unless the senator actually has incurred those mileage
28 and expense costs. Senators shall not file the
29 vouchers for weekly mileage reimbursement required by
30 section 2.10, subsection 1, unless the travel was

Page 7

1 actually incurred at commensurate expense to the
2 senator.

3 15. COMPLAINTS. Complaints or charges against any
4 senator or any lobbyist shall be in writing, made
5 under oath, and filed with the secretary of the senate
6 or the chairperson of the ethics committee. If filed
7 with the secretary of the senate, the secretary shall
8 immediately advise the chairperson of the ethics
9 committee of the receipt of the complaint.

10 Complaint forms shall be available from the
11 secretary of the senate, or the chairperson of the
12 ethics committee, but a complaint shall not be
13 rejected for failure to use an approved form if the
14 complaint substantially complies with senate
15 requirements.

16 A complainant may submit exhibits and affidavits
17 attached to the complaint.

18 16. FILING OF COMPLAINTS.

19 a. Persons entitled. Complaints may be filed by
20 any person believing that a senator or lobbyist has
21 violated the senate ethics code, the senate rules
22 governing lobbyists, or chapter 68B of the Iowa Code.
23 A violation of the criminal law may be considered to
24 be a violation of this code of ethics if the violation
25 constitutes a serious misdemeanor or greater, or a
26 repetitive and flagrant violation of the law.

27 b. Committee complaint. The ethics committee may,
28 upon its own motion, initiate a complaint,
29 investigation, or disciplinary action.

30 c. Timeliness of filing. A complaint will be

Page 8

1 considered to be timely filed if it is filed within
2 three years of the occurrence of the alleged violation
3 of the ethics code.

4 17. PERMANENT RECORD. The secretary of the senate
5 shall maintain a permanent record of all complaints
6 filed, evidence received by the committee, and any
7 transcripts or other recordings made of committee
8 proceedings, including a separate card file containing
9 the date filed, name and address of the complainant,
10 name and address of the respondent, a brief statement
11 of the charges made, and ultimate disposition of the
12 complaint. The secretary shall keep each such
13 complaint confidential until public disclosure is made
14 by the ethics committee.

15 18. PREHEARING PROCEDURE.

16 a. Defective complaint. Upon receipt of a
17 complaint, the chairperson and ranking member of the
18 ethics committee shall determine whether the complaint
19 substantially complies with the requirements of this
20 code of ethics and section 68B.31, subsection 6. If
21 the complaint does not substantially comply with the
22 requirements for formal sufficiency under the code of
23 ethics, the complaint may be returned to the
24 complainant with a statement that the complaint is not
25 in compliance with the code and a copy of the code.
26 If the complainant fails to amend the complaint to
27 comply with the code within a reasonable time, the
28 chair and ranking member may dismiss the complaint
29 with prejudice for failure to prosecute.

30 b. Service of complaint on respondent. Upon

Page 9

1 receipt of any complaint substantially complying with
2 the requirements of this code of ethics, the
3 chairperson of the ethics committee shall cause a copy
4 of the complaint and any supporting information to be
5 delivered promptly to the respondent, requesting a
6 written response to be filed within ten days. The
7 response may do any of the following:

8 (1) Admit or deny the allegation or allegations.

9 (2) Object that the allegation fails to allege a
10 violation of chapter 68B or the code of ethics.

11 (3) Object to the jurisdiction of the committee.

12 (4) Request a more specific statement of the
13 allegation or allegations.

14 c. Objection to member. In addition to the items
15 which may be included in a response pursuant to
16 paragraph "b", the response may also include an
17 objection to the participation of any member of the
18 committee in the consideration of the allegation or
19 allegations on the grounds that the member cannot
20 render an impartial and unbiased decision.

21 d. Extension of time. At the request of the
22 respondent and upon a showing of good cause, the

23 committee, or the chairperson and ranking member, may
24 extend the time for response, not to exceed ten
25 additional days.

26 e. Confidentiality. If a complaint is not
27 otherwise made public, the members of the committee
28 shall treat the complaint and all supporting
29 information as confidential until the written response
30 is received from the respondent.

Page 10

1 f. Communications with ethics committee. After a
2 complaint has been filed or an investigation has been
3 initiated, a party to the complaint or investigation
4 shall not communicate, or cause another to
5 communicate, as to the merits of the complaint or
6 investigation with a member of the committee, except
7 under the following circumstances:

8 (1) During the course of any meetings or other
9 official proceedings of the committee regarding the
10 complaint or investigation.

11 (2) In writing, if a copy of the writing is
12 delivered to the adverse party or the designated
13 representative for the adverse party.

14 (3) Orally, if adequate prior notice of the
15 communication is given to the adverse party or the
16 designated representative for the adverse party.

17 (4) As otherwise authorized by statute, the senate
18 code of ethics, the senate rules governing lobbyists,
19 or vote of the committee.

20 g. Scheduling hearing. Upon receipt of the
21 response, the committee shall schedule a public
22 meeting to review the complaint and available
23 information, and shall:

24 (1) Notify the complainant that no further action
25 will be taken, unless further substantiating
26 information is produced, or

27 (2) Dismiss the complaint for failure to meet the
28 statutory and code of ethics requirements for valid
29 complaints, or

30 (3) Request that the chief justice of the supreme

Page 11

1 court appoint an independent special counsel to
2 conduct an investigation of the complaint and
3 supporting information, to make a determination of
4 probable cause, and to report the findings to the
5 committee, which shall be received within a reasonable
6 time.

7 h. Public hearing. If independent special counsel
8 is appointed, upon receipt of the report of

9 independent special counsel's findings, the committee
10 shall schedule a public meeting to review the report
11 and shall do either of the following:

12 (1) Cause the complaint to be scheduled for a
13 public hearing.

14 (2) Dismiss the complaint based upon a
15 determination by independent special counsel and the
16 committee that insufficient evidence exists to support
17 a finding of probable cause.

18 19. HEARING PROCEDURE.

19 a. Notice of hearing. If the committee causes a
20 complaint to be scheduled for a public hearing, notice
21 of the hearing date and time shall be given to the
22 complainant and respondent in writing, and of the
23 respondent's right to appear in person, be represented
24 by legal counsel, present statements and evidence, and
25 examine and cross-examine witnesses. The committee
26 shall not be bound by formal rules of evidence, but
27 shall receive relevant evidence, subject to
28 limitations on repetitiveness. Any evidence taken
29 shall be under oath.

30 b. Subpoena power. The committee may require, by

Page 12

1 subpoena or otherwise, the attendance and testimony of
2 witnesses and the production of such books, records,
3 correspondence, memoranda, papers, documents, and any
4 other things it deems necessary to the conduct of the
5 inquiry.

6 c. Ex post facto. An investigation shall not be
7 undertaken by the committee of a violation of a law,
8 rule, or standard of conduct that is not in effect at
9 the time of violation.

10 d. Disqualification of member. Members of the
11 committee may disqualify themselves from participating
12 in any investigation of the conduct of another person
13 upon submission of a written statement that the member
14 cannot render an impartial and unbiased decision in a
15 case. A member may also be disqualified by a
16 unanimous vote of the remaining eligible members of
17 the committee.

18 A member of the committee is ineligible to
19 participate in committee meetings, as a member of the
20 committee, in any proceeding relating to the member's
21 own official conduct.

22 If a member of the committee is disqualified or
23 ineligible to act, the majority or minority leader who
24 appointed the member shall appoint a replacement
25 member to serve as a member of the committee during
26 the period of disqualification or ineligibility.

27 e. Hearing. At the hearing, the chairperson shall

28 open the hearing by stating the charges, the purpose
29 of the hearing, and its scope. The burden of proof
30 rests upon the complainant to establish the facts as

Page 13

1 alleged, by clear and convincing evidence. However,
2 questioning of witnesses shall be conducted by the
3 members of the committee, by independent special
4 counsel, or by a senator. The chairperson shall also
5 permit questioning by legal counsel representing the
6 complainant or respondent.

7 The chairperson or other member of the committee
8 presiding at a hearing shall rule upon procedural
9 questions or any question of admissibility of evidence
10 presented to the committee. Rulings may be reversed
11 by a majority vote of the committee members present.

12 The committee may continue the hearing to a future
13 date if necessary for appropriate reasons or purposes.

14 f. Committee action. Upon receipt of all relevant
15 evidence and arguments, the committee shall consider
16 the same and recommend to the senate:

17 (1) That the complaint be dismissed, or
18 (2) That the senator or lobbyist be censured or
19 reprimanded, and recommend the appropriate form of
20 censure or reprimand, or

21 (3) Any other appropriate sanction, including
22 suspension or expulsion from membership in the senate,
23 or suspension of lobbying privileges.

24 g. Disposition resolution. By appropriate
25 resolution, the senate may amend, adopt, or reject the
26 report of the ethics committee, including the
27 committee's recommendations regarding disciplinary
28 action.

29 20. COMMITTEE AUTHORIZED TO MEET. The senate
30 ethics committee is authorized to meet at the

Page 14

1 discretion of the chairperson to conduct hearings and
2 other business that properly may come before it. If
3 the committee submits a report seeking senate action
4 against a senator or lobbyist after the second regular
5 session of a general assembly has adjourned sine die,
6 the report shall be submitted to and considered by the
7 subsequent general assembly. However, the report may
8 be submitted to and considered during any special
9 session which may take place after the second regular
10 session of a general assembly has adjourned sine die,
11 but before the convening of the next general assembly.

12 20A. ADVISORY OPINIONS.

13 a. Requests for formal opinions. A request for a

14 formal advisory opinion may be filed by any person who
15 is subject to the authority of the ethics committee.
16 The ethics committee may also issue a formal advisory
17 opinion on its own motion, without having previously
18 received a formal request for an opinion, on any issue
19 that is within the jurisdiction of the committee.
20 Requests shall be filed with either the secretary of
21 the senate or the chairperson of the ethics committee.
22 b. Form and contents of requests. A request for a
23 formal advisory opinion shall be in writing and may

25 application of the senate code of ethics, the senate
26 rules governing lobbyists, or chapter 68B of the Code
27 to any person who is subject to the authority of the
28 ethics committee. Requests shall contain one or more
29 specific questions and shall relate either to future
30 conduct or be stated in the hypothetical. A request

Page 15

1 for an advisory opinion shall not specifically name
2 any individual or contain any other specific
3 identifying information, unless the request relates to
4 the requester's own conduct. However, any request may
5 contain information which identifies the kind of
6 individual who may be affected by the subject matter
7 of the request. Examples of this latter kind of
8 identifying information may include references to
9 conduct of a category of individuals, such as but not
10 limited to conduct of legislators, legislative staff,
11 or lobbyists.

12 c. Confidentiality of formal requests and
13 opinions. Requests for formal opinions are not
14 confidential and any deliberations of the committee
15 regarding a request for a formal opinion shall be
16 public. Opinions issued in response to requests for
17 formal opinions are not confidential, shall be in
18 writing, and shall be placed on file in the office of
19 the secretary of the senate. Persons requesting
20 formal opinions shall personally receive a copy of the
21 written formal opinion that is issued in response to

8 global temperatures to rise at rates that could cause
9 worldwide economic disruption, environmental damage,
10 and public health crises; and

21 change, that includes rising sea levels, droughts,
22 flooding, severe weather events, the expansion of

23 diseases and invasive species, and economic
24 dislocation; and

Carlson was the child of Swedish immigrants. His father came to the United States in 1901 and his mother in 1903. Carlson was a life-long resident of Des Moines. He attended Des Moines public schools and graduated from East High School. He attended Drake University and Augustana College in Rock Island, Illinois, graduating in 1931. He received his master's degree from the University of Nebraska in 1933. Carlson married Louise Bergren in 1937.

Carlson was elected to the Des Moines City Council in 1958. He served as mayor of Des Moines from 1960–1962. As mayor, Carlson urged residents to unify and work together. He brought attention to the issues of urban renewal and housing. He helped create Des Moines' low-rent housing agency. RAYMOND W. HAGIE

Raymond W. Hagie was born in Wright County, Iowa, on February 1, 1910, on the Dayton Township farm of his parents, William J. and Minnie Hagie. He passed away on October 25, 2006, at the age of 96. He is survived by his wife, June, of Clarion, Iowa; son John and his wife, Barbara, of Clarion; daughter Margaret Severino and her husband, Frank, of Des Moines; son-in-law Ted West of Barrington, Illinois; eight grandchildren; and fourteen great-grandchildren.

Hagie attended a rural Wright County school and Clarion High School, where he was active in football, wrestling, and track. Following his graduation from high school, he attended Iowa State College in Ames. He studied animal husbandry and earned his bachelor's degree in 1933. He then returned to the family farm where he helped expand and improve both the Shorthorn cattle herd and the cropping operation. He became interested in a new agricultural development called hybrid seed corn.

Hagie married June Remington on November 3, 1935, in Ames, Iowa. The couple owned and operated an 850-acre farm near Clarion. Hagie continued his agricultural pursuits, particularly his interest in the hybrid seed corn. This interest in hybrid seed corn developed from a hobby to neighborhood sales to the establishment of a company called Hagie's Adapted Hybrids.

In the early 1940s, Hagie built a self-propelled machine to help in the detasseling of corn. This led to his development of the first commercially produced high-clearance self-propelled sprayer and resulted in the founding of Hagie Manufacturing.

Hagie was active in his community. He was a director of the Wright County State Bank and a member of the Clarion Development Commission, the Rotary Club, the Farm Bureau, the Iowa Crop Improvement Association, and the American Seed Trade Association. He was a soil district commissioner from 1945–1948 and helped organize the Iowa Association of Soil District Commissioners. He was a founding member of the committee for the Living History Farms. He was a supporter of Iowa State University, serving on the Board of Governors, the Athletic Council, and the CIRAS Advisory Council. He was honored by ISU's athletic department as one of Cy's Favorite Alums.

Hagie was a Wright County Republican. He served in the House of Representatives in 1961–1964 during the 59th and 60th General Assemblies. He was elected to the Senate and served for two years during the 61st General Assembly. He served as the director for Ronald Reagan's Iowa presidential campaigns in 1976 and 1980.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE EIGHTY-SECOND GENERAL ASSEMBLY OF IOWA: That in the passing of the Honorable Raymond W. Hagie, the State has lost an honored citizen and faithful and useful public servant, and that the Senate by this resolution expresses its appreciation of his service to the State and tenders its sympathy and kindest regards to the members of his family.

BE IT FURTHER RESOLVED: That a copy of this resolution be spread upon the Journal of the Senate and that the Secretary of the Senate be instructed to forward an enrolled copy to the family of the deceased.
