39 1. Determine that, on its face, the complaint
 40 is within the board's jurisdiction, appears legally
 41 sufficient, and could have merit. In such a case the
 42 board shall accept the complaint, and shall notify the
 43 parties of that fact in writing.

44 2. Determine that, on its face, the complaint is
 45 outside its jurisdiction, is legally insufficient, is
 46 frivolous, is without merit, involves harmless error,
 47 or relates to a specific incident that has previously
 48 been finally disposed of on its merits by the board or
 49 a court. In such a case the board shall decline to
 50 accept the complaint. If the board refuses to accept a

Page 7

1 complaint, the board shall provide the complainant with
 2 a written order explaining its reasons for the action.

3 Sec. 11. NEW SECTION. 23.9 Informal assistance —
 4 mediation and settlement.

5 1. After accepting a complaint, the board shall
6 promptly work with the parties through its employees
7 to reach an informal, expeditious resolution of the
8 complaint. If an informal resolution satisfactory to
9 the parties cannot be reached, the board or the board's
10 designee shall offer the parties an opportunity to
11 resolve the dispute through mediation and settlement.

12 2. The mediation and settlement process shall
13 enable the complainant to attempt to resolve the
14 dispute with the aid of a neutral mediator employed and
15 selected by the board, in its discretion, from either
16 its own staff or an outside source.

17 3. Mediation shall be conducted as an informal,
18 nonadversarial process and in a manner calculated
19 to help the parties reach a mutually acceptable and
20 voluntary settlement agreement. The mediator shall
21 assist the parties in identifying issues and shall
22 foster joint problem solving and the exploration of
23 settlement alternatives.

24 Sec. 12. NEW SECTION. 23.10 Enforcement.

25 1. If any party declines mediation or settlement or
26 if mediation or settlement fails to resolve the matter
27 to the satisfaction of all parties, the board shall
28 initiate a formal investigation concerning the facts
29 and circumstances set forth in the complaint. The
30 board shall, after an appropriate investigation, make
31 a determination as to whether the complaint is within
32 the board's jurisdiction and whether there is probable
33 cause to believe that the facts and circumstances
34 alleged in the complaint constitute a violation of
35 chapter 21 or 22.

36 2. If the board finds the complaint is outside the
37 board's jurisdiction or there is no probable cause to
38 believe there has been a violation of chapter 21 or 22,
39 the board shall issue a written order explaining the
40 reasons for the board's conclusions and dismissing the
41 complaint, and shall transmit a copy to the complainant
42 and to the party against whom the complaint was filed.

43 3. a. If the board finds the complaint is within
44 the board's jurisdiction and there is probable cause
45 to believe there has been a violation of chapter 21
46 or 22, the board shall issue a written order to that
47 effect and shall commence a contested case proceeding
48 under chapter 17A against the respondent. An attorney
49 selected by the director of the board shall prosecute
50 the respondent in the contested case proceeding. At

Page 8

1 the termination of the contested case proceeding the
2 board shall, by a majority vote of its members, render
3 a final decision as to the merits of the complaint. If

4 the board finds that the complaint has merit, the board
5 may issue any appropriate order to ensure enforcement
6 of chapter 21 or 22 including but not limited to
7 an order requiring specified action or prohibiting
8 specified action and any appropriate order to remedy
9 any failure of the respondent to observe any provision
10 of those chapters.

11 b. If the board determines, by a majority vote of
12 its members, that the respondent has violated chapter
13 21 or 22, the board may also do any or all of the
14 following:

15 (1) Require the respondent to pay damages as
16 provided for in section 21.6 or 22.10, whichever is
17 applicable, to the extent that provision would make
18 such damages payable if the complainant had sought to
19 enforce a violation in court instead of through the
20 board.

21 (2) Void any action taken in violation of chapter
22 21 if a court would be authorized to do so in similar
23 circumstances pursuant to section 21.6.

24 c. The board shall not have the authority to remove
25 a person from public office for a violation of chapter
26 21 or 22. The board may file an action under chapter
27 21 or 22 to remove a person from office for violations
28 that would subject a person to removal under those
29 chapters.

30 d. A final board order resulting from such
31 proceedings may be enforced by the board in court
32 and is subject to judicial review pursuant to section
33 17A.19.

34 Sec. 13. NEW SECTION. 23.11 Defenses in a
35 contested case proceeding.

36 A respondent may defend against a proceeding before
37 the board charging a violation of chapter 21 or 22
38 on the ground that if such a violation occurred it
39 was only harmless error or that clear and convincing
40 evidence demonstrated that grounds existed to justify
41 a court to issue an injunction against disclosure
42 pursuant to section 22.8.

43 Sec. 14. NEW SECTION. 23.12 Jurisdiction.

44 The board shall not have jurisdiction over the
45 judicial or legislative branches of state government or
46 any entity, officer, or employee of those branches, or
47 over the governor or the office of the governor.

48 Sec. 15. Section 455K.4, subsection 4, Code 2011,
49 is amended to read as follows:

50 4. Information that is disclosed under subsection

3 ~~governmental employee, or governmental official who~~
 4 ~~discloses information in violation of this subsection~~
 5 ~~is subject to the penalty provided in section 22.6.~~

6 Sec. 16. REPEAL. Section 22.6, Code 2011, is
 7 repealed.

8 Sec. 17. IOWA PUBLIC INFORMATION BOARD —
 9 TRANSITION PROVISIONS.

10 1. The initial members of the Iowa public
 11 information board established pursuant to this Act
 12 shall be appointed by September 1, 2011.

13 2. Notwithstanding any provision of this Act to the
 14 contrary, the director of the board and employees of
 15 the board shall not be hired prior to July 1, 2012.

16 3. Prior to July 1, 2012, the board shall meet
 17 as necessary to organize and prepare a report to be
 18 submitted to the governor and the general assembly.
 19 The report shall include a job description for the
 20 executive director of the board, goals for board
 21 operations, and performance measures to measure
 22 achievement of the board's goals.

23 Sec. 18. EFFECTIVE DATE. Except for the section
 24 of this Act establishing transition provisions for the
 25 Iowa public information board, this Act takes effect
 26 July 1, 2012.>

1 Amend Senate File 400 as follows:

2 1. By striking everything after the enacting clause
 3 and inserting:

4 <Section 1. Section 561.13, Code 2011, is amended
 5 to read as follows:

6 561.13 Conveyance or encumbrance.

7 1. A conveyance or encumbrance of, or contract
 8 to convey or encumber the homestead, if the owner is
 9 married, is not valid, unless and until the spouse of
 10 the owner executes the same or a like instrument, or a
 11 power of attorney for the execution of the same or a
 12 like instrument, except as provided in subsection 3.
 13 However, when the homestead is conveyed or encumbered
 14 along with or in addition to other real estate, it is

15 not necessary to particularly describe or set aside the
 16 tract of land constituting the homestead, whether the
 17 homestead is exclusively the subject of the contract or
 18 not, but the contract may be enforced as to real estate
 19 other than the homestead at the option of the purchaser
 20 or encumbrancer.

21 2. If a spouse who holds only homestead rights and
 22 surviving spouse's statutory share in the homestead
 23 specifically relinquishes homestead rights in an
 24 instrument, including a power of attorney constituting
 25 the other spouse as the husband's or wife's attorney in
 26 fact, as provided in section 597.5, it is not necessary
 27 for the spouse to join in the granting clause of the
 28 same or a like instrument.

29 3. A conveyance or encumbrance or a contract to
 30 convey or encumber the homestead is not invalid under
 31 subsection 1 if any of the following apply:

32 a. The nonsigning spouse's interest is terminated
 33 by a decree of dissolution of marriage or other order
 34 of the court.

35 b. The nonsigning spouse's right of recovery is
 36 barred by section 614.15.

37 c. The encumbrance is a purchase money mortgage as
 38 defined in section 654.12B.

39 d. A court sitting in equity enters a decree
 40 holding that invalidating the conveyance or encumbrance
 41 or a contract to convey or encumber the homestead
 42 would, directly or indirectly, unjustly enrich the
 43 nonsigning spouse.

44 4. For the purposes of this section, "nonsigning
 45 spouse" means a spouse who has not executed a
 46 conveyance or encumbrance or a contract to convey or
 47 encumber the homestead, the same or a like instrument,
 48 or a power of attorney for the execution of the same or
 49 a like instrument.>

1 Amend Senate File 471 as follows:
 2 1. By striking everything after the enacting clause
 3 and inserting:
 4 <Section 1. NEW SECTION. 17A.4B Negotiated
 5 rulemaking.
 6 1. An agency shall create a negotiated rulemaking
 7 group if required by statute. An agency may, on
 8 its own motion or upon request, create a negotiated
 9 rulemaking group if the agency determines that a
 10 negotiated rulemaking group can adequately represent
 11 the interests that will be significantly affected
 12 by a draft rule proposal and that it is feasible and
 13 appropriate in the particular rulemaking. Notice of
 14 the creation of a negotiated rulemaking group shall
 15 be published in the Iowa administrative bulletin.
 16 Upon establishing a negotiated rulemaking group,
 17 the agency shall also specify a time frame for group
 18 deliberations.
 19 2. Unless otherwise provided by statute, the
 20 agency shall appoint a sufficient number of members
 21 to the group so that a fair cross section of opinions
 22 and interests regarding the draft rule proposal
 23 is represented. One person shall be appointed to
 24 represent the agency. The group shall select its own
 25 chairperson and adopt its rules of procedure. All
 26 meetings of the group shall be open to the public.
 27 A majority of the membership constitutes a quorum.
 28 Members shall not receive any per diem payment but
 29 shall be reimbursed for all necessary expenses. Any
 30 vacancy shall be filled in the same manner as the
 31 initial appointment.

32 3. Prior to the publication of a notice of intended
33 action, the group shall consider the terms or substance
34 of the rule drafted by the agency and shall attempt to
35 reach a consensus concerning the draft rule proposal.

36 4. If a group reaches a consensus on a draft rule
37 proposal, the group shall transmit to the agency a
38 report containing the consensus on the draft rule
39 proposal. If the group does not reach a consensus on a
40 draft rule proposal within the specified time frame,
41 the group shall transmit to the agency a report stating
42 that inability to reach a consensus and specifying any
43 areas in which the group reached a consensus. The
44 group may include in a report any other information,
45 recommendations, or materials that the group considers
46 appropriate. Any group member may include as an
47 addendum to the report additional information,
48 recommendations, or materials. A report issued under
49 this subsection shall not be considered final agency
50 action for purposes of judicial review.

Page 2

1 5. Unless otherwise provided by statute, following
2 a negotiated rulemaking group consideration of a draft
3 rule proposal, the agency may commence rulemaking as
4 provided in section 17A.4. The group is automatically
5 abolished upon the agency's adoption of the rule
6 pursuant to the provisions of section 17A.5.

7 Sec. 2. Section 17A.7, subsection 2, Code 2011, is
8 amended by striking the subsection and inserting in
9 lieu thereof the following:

10 2. Over a five-year period of time, an agency
11 shall conduct an ongoing and comprehensive review of
12 all of the agency's rules. The goal of the review
13 is the identification and elimination of all rules of
14 the agency that are outdated, redundant, overbroad,
15 ineffective, unnecessary, or otherwise undesirable.
16 An agency shall commence its review by developing a
17 plan of review in consultation with major stakeholders
18 and constituent groups. As part of its review, an
19 agency shall review existing policy and interpretive
20 statements or similar documents to determine whether
21 it would be necessary or appropriate to adopt these
22 statements or documents as rules.

23 a. An agency shall establish its five-year plan for
24 review of its rules and publish the plan in the Iowa
25 administrative bulletin.

26 b. An agency's plan for review shall do all of the
27 following:

28 (1) Contain a schedule that lists when the review
29 of each rule or rule group will occur.

30 (2) State the method by which the agency will

31 determine whether the rule under review meets the
 32 criteria listed in this section.
 33 (3) Provide a means for public participation in the
 34 review process and specify how interested persons may
 35 participate in the review.
 36 (4) Identify instances where the agency may require
 37 an exception to the review requirements.
 38 (5) Provide a process for ongoing review of rules
 39 after the initial five-year review period has expired.
 40 c. An agency shall consider all of the following
 41 criteria when reviewing its rules:
 42 (1) The need for the rule.
 43 (2) The clarity of the rule.
 44 (3) The intent and legal authority for the rule.
 45 (4) The qualitative and quantitative benefits and
 46 costs of the rule.
 47 (5) The fairness of the rule.
 48 d. When an agency completes its five-year review of
 49 its rules, the agency shall provide a summary of the
 50 results to the administrative rules coordinator and the

Page 3

1 administrative rules review committee.
 2 Sec. 3. RED TAPE INTERIM STUDY COMMISSION.
 3 1. The legislative council is requested
 4 to establish an interim study commission to
 5 comprehensively review all rules and regulations
 6 in order to assess the effects of such rules and
 7 regulations on Iowa's economy and to determine
 8 whether the resulting burdens on small businesses and
 9 workers outweigh the intended benefits. The study
 10 commission shall also review the application processes
 11 for permits, grants, and tax credits to ensure the
 12 processes are streamlined.
 13 2. The study commission should submit a report to
 14 the general assembly by December 15, 2011.>

40 desiring the use of a ~~state-owned~~ state-assigned motor
41 vehicle on state business shall notify the director
42 of the need for a vehicle within a reasonable time
43 prior to actual use of the motor vehicle. The director
44 may assign a motor vehicle from the motor pool to the
45 state officer or employee, or from the vendor awarded
46 a contract pursuant to section 8A.367. If two or
47 more state officers or employees desire the use of a
48 ~~state-owned~~ state-assigned motor vehicle for a trip to
49 the same destination for the same length of time, the
50 director may assign one vehicle to make the trip.

Page 17

1 8. The director shall require that a sign be placed
2 on each state-owned motor vehicle in a conspicuous
3 place which indicates its ownership by the state.
4 This requirement shall not apply to motor vehicles
5 requested to be exempt by the director or by the
6 commissioner of public safety. All state-owned motor
7 vehicles shall display registration plates bearing the
8 word "official" except motor vehicles requested to be
9 furnished with ordinary plates by the director or by
10 the commissioner of public safety pursuant to section
11 321.19. The director shall keep an accurate record
12 of the registration plates used on all state-owned
13 motor vehicles. This subsection shall not apply to an
14 assigned vehicle rented or leased pursuant to section
15 8A.367.

16 9. All fuel used in ~~state-owned~~ state-assigned
17 automobiles shall be purchased at cost from the various
18 installations or garages of the state department of

19 transportation, state board of regents, department of
20 human services, or state motor pools throughout the
21 state, unless the state-owned sources for the purchase
22 of fuel are not reasonably accessible. If the director
23 determines that state-owned sources for the purchase of
24 fuel are not reasonably accessible, the director shall
25 authorize the purchase of fuel from other sources. The
26 director may prescribe a manner, other than the use
27 of the revolving fund, in which the purchase of fuel
28 from state-owned sources is charged to the state agency
29 responsible for the use of the motor vehicle. The
30 director shall prescribe the manner in which oil and
31 other normal motor vehicle maintenance for state-owned
32 motor vehicles may be purchased from private sources,
33 if they cannot be reasonably obtained from a state
34 motor pool. The director may advertise for bids and
35 award contracts in accordance with competitive bidding
36 procedures for items and services as provided in

46 private use. A state officer or employee shall not be
47 compensated for driving a privately owned motor vehicle
48 unless it is done on state business with the approval
49 of the director. In that case the state officer or
50 employee shall receive an amount to be determined by

Page 18

1 the director. The amount shall not exceed the maximum
2 allowable under the federal internal revenue service
3 rules per mile, notwithstanding established mileage
4 requirements or depreciation allowances. However, the
5 director may authorize private motor vehicle rates in
6 excess of the rate allowed under the federal internal
7 revenue service rules for state business use of
8 substantially modified or specially equipped privately
9 owned vehicles required by persons with disabilities.
10 A statutory provision establishing reimbursement for
11 necessary mileage, travel, or actual expenses to a
12 state officer falls under the private motor vehicle
13 mileage rate limitation provided in this section
14 unless specifically provided otherwise. Any peace
15 officer employed by the state as defined in section
16 801.4 who is required to use a private motor vehicle
17 in the performance of official duties shall receive

18 the private vehicle mileage rate at the rate provided
19 in this section. However, the director may delegate
20 authority to officials of the state, and department
21 heads, for the use of private vehicles on state
22 business up to a yearly mileage figure established
23 by the director. If a ~~state~~ motor vehicle has been
24 assigned to a state officer or employee, the officer
25 or employee shall not collect mileage for the use of a
26 privately owned motor vehicle unless the ~~state~~ motor
27 vehicle assigned is not usable.

- 8 c. Existence of adequate personnel to facilitate
9 the sale and disposition of the existing state-owned
10 passenger vehicles returned to the department pursuant
11 to subsection 3 or otherwise under the control of the
12 department. Notwithstanding the provisions of section
13 8A.364 to the contrary, proceeds from the sale of
14 motor vehicles as provided by this subsection shall be
15 credited to the fund from which the motor vehicles were
16 purchased.

17 3. By March 1, 2012, the department shall award
18 a vehicle rental or leasing contract to a private
19 entity, and shall assign passenger vehicles for rental
20 or lease pursuant to that contract, to the extent the
21 department determines doing so would be economically
22 feasible and financially advantageous. By March 1,
23 2012, all state-assigned passenger vehicles designated
24 for use by multiple drivers, and located in any county
25 of this state which can support the operation of a
26 private entity for rental and leasing purposes, which
27 the department determines would be suitable for rental
28 or leasing shall be returned to the department for use
29 and disposition as provided in this section.

30 4. Notwithstanding any other provision of state law
31 to the contrary, a private entity awarded a contract
32 pursuant to this section shall not be required to
33 indemnify or hold harmless the state for any liability
34 the state might have to any third party due to the
35 negligence of the state or any of its employees.

36 5. The department shall conduct an ongoing
37 evaluation regarding the economic advantages of
38 renting or leasing state-assigned vehicles versus state
39 ownership of such vehicles, and shall accordingly
40 adjust the number of vehicles subject to the rental and
41 leasing contract pursuant to this section at intervals
42 specified in the contract.

4 networking program, or the associated documentation.

5 Sec. 41. Section 99D.14, subsection 2, paragraph b,
6 Code 2011, is amended to read as follows:

7 b. Notwithstanding sections 8.60 and 99D.17, the
8 portion of the fee paid pursuant to paragraph "a"
9 relating to the costs of special agents plus any
10 direct and indirect support costs for the agents, for
11 the division of criminal investigation's racetrack
12 activities, shall not be deposited in the general fund
13 of the state but instead shall be deposited into either
14 the gaming enforcement revolving fund established in
15 section 80.43 or the gaming regulatory revolving fund

16 established in section 99F.20, as determined by the
17 department.

18 Sec. 42. Section 99F.10, subsection 4, paragraph b,
19 Code 2011, is amended to read as follows:

20 b. Notwithstanding sections 8.60 and 99F.4, the
21 portion of the fee paid pursuant to paragraph “a”
22 relating to the costs of special agents and officers
23 plus any direct and indirect support costs for the
24 agents and officers, for the division of criminal
25 investigation’s excursion gambling boat or gambling
26 structure activities, shall not be deposited in
27 the general fund of the state but instead shall be
28 deposited into either the gaming enforcement revolving
29 fund established in section 80.43 or the gaming
30 regulatory revolving fund established in section
31 99F.20, as determined by the department.

32 Sec. 43. NEW SECTION. 99F.20 Gaming regulatory
33 revolving fund.

43 made for this purpose by the general assembly.

44 2. To meet the department’s cash flow needs, the
45 department may temporarily use funds from the general
46 fund of the state to pay expenses in excess of moneys
47 available in the revolving fund if those additional
48 expenditures are fully reimbursable and the department
49 reimburses the general fund of the state and ensures
50 all moneys are repaid in full by the close of the

Page 21

1 fiscal year. Because any general fund moneys used
2 shall be fully reimbursed, such temporary use of funds
3 from the general fund of the state shall not constitute
4 an appropriation for purposes of calculating the state
5 general fund expenditure limitation pursuant to section
6 8.54.

7 3. Section 8.33 does not apply to any moneys
8 credited or appropriated to the revolving fund from
9 any other fund and, notwithstanding section 12C.7,
10 subsection 2, earnings or interest on moneys deposited
11 in the revolving fund shall be credited to the
12 revolving fund.

13 4. The establishment of the revolving fund pursuant
14 to this section shall not be interpreted in any

15 manner to compromise or impact the accountability
16 of, and limitation of authority with respect to, the
17 department under state law. Any provision applicable
18 to, or responsibility of, the department shall not be
19 altered or impacted by the existence of the fund and
20 shall remain applicable to the same extent as if the
21 department were receiving moneys pursuant to a general
22 fund appropriation.

26 corporations which have entered into an agreement
27 pursuant to this section to determine if they are
28 enforcing this chapter within their respective
29 jurisdictions. If the director determines that this
30 chapter is not enforced by a municipal corporation, the
31 director may rescind the agreement after reasonable
32 notice and an opportunity for a hearing. If the
33 agreement is rescinded, the director shall assume
34 responsibility for enforcement in the jurisdiction
35 involved.

36 b. With respect to a municipal corporation
37 consisting of a city with a population of not less than
38 58,900 or more than 59,000 as of the 2010 decennial
39 federal census, financial savings to the department or
40 any reason other than the failure on the part of the
41 municipal corporation to enforce this chapter or comply
42 with the terms of the agreement shall not constitute
43 sufficient cause for rescision.

44 Sec. 45. Section 546.12, Code 2011, is amended by
45 adding the following new subsection:

46 NEW SUBSECTION. 3. The establishment of the
47 revolving fund pursuant to this section shall not be

50 with respect to, an agency or entity under state law.

Page 22

1 Any provision applicable to, or responsibility of, a
2 division or office collecting moneys for deposit into
3 the fund established pursuant to this section shall not
4 be altered or impacted by the existence of the fund and
5 shall remain applicable to the same extent as if the
6 division or office were receiving moneys pursuant to a
7 general fund appropriation.

 15 notice of the breach of security following discovery
 16 of such breach of security, or receipt of notification
 17 under subsection 2, to any consumer whose personal
 18 information was included in the information that was
 19 breached. The consumer notification shall be made
 20 in the most expeditious manner possible and without
 21 unreasonable delay, consistent with the legitimate
 22 needs of law enforcement as provided in subsection
 23 3, and consistent with any measures necessary to
 24 sufficiently determine contact information for the
 25 affected consumers, determine the scope of the breach,
 26 and restore the reasonable integrity, security, and
 27 confidentiality of the data. A person required to
 28 provide notice of a breach of security under this
 29 section shall also notify the attorney general as to
 30 the timing, content, and distribution of the notice

34 HEALTH INFORMATION TECHNOLOGY

35 Sec. ____. NEW SECTION. 135D.1 Findings and intent.

36 1. The general assembly finds all of the following:

37 a. Technology used to support health-related
38 functions is widely known as health information
39 technology. Electronic health records are used to
40 collect and store relevant patient health information.
41 Electronic health records serve as a means of bringing
42 evidence-based knowledge resources and patient
43 information to the point of care to support better
44 decision making and more efficient care processes.

45 b. Health information technology allows for
46 comprehensive management of health information and its
47 secure electronic exchange between providers, public
48 health agencies, payers, and consumers. Broad use of
49 health information technology should improve health
50 care quality and the overall health of the population,

Page 33

1 increase efficiencies in administrative health care,
2 reduce unnecessary health care costs, and help prevent
3 medical errors.

4 c. Health information technology provides a
5 mechanism to transform the delivery of health and
6 medical care in Iowa and across the nation.

7 2. It is the intent of the general assembly to
8 use health information technology as a catalyst
9 to achieve a healthier Iowa through the electronic
10 sharing of health information. A health information
11 network involves sharing health information across the
12 boundaries of individual practice and institutional
13 health settings and with consumers. The result is a
14 public good that will contribute to improved clinical
15 outcomes and patient safety, population health, access
16 to and quality of health care, and efficiency in health
17 care delivery.

18 3. It is the intent of the general assembly that
19 the health information network shall not constitute a
20 health benefit exchange or a health insurance exchange.

17 not apply to acts or omissions constituting negligence,
18 recklessness, or intentional misconduct.

19 b. A participant that has disclosed health
20 information through the health information network
21 in compliance with applicable law and the standards,
22 requirements, policies, procedures, and agreements of
23 the health information network shall not be subject to
24 criminal or civil liability for the use or disclosure
25 of the health information by another participant.

26 9. a. Notwithstanding chapter 22, the following
27 records shall be kept confidential, unless otherwise
28 ordered by a court or consented to by the patient or by

1 Amend Senate File 390 as follows:
 2 1. By striking everything after the enacting clause
 3 and inserting:
 4 <Section 1. Section 476.6, subsection 22, Code
 5 2011, is amended by adding the following new paragraph:
 6 NEW PARAGRAPH. d. A rate-regulated electric
 7 utility that was subject to a revenue sharing
 8 settlement agreement with regard to its electric
 9 base rates as of January 1, 2010, shall file an
 10 application for ratemaking principles applicable to
 11 the construction of a nuclear generating facility
 12 with the board. The application shall comply with the
 13 provisions of section 476.53. In addition, the utility
 14 shall remain bound by the commitments described in the
 15 March 11, 1999, board order in Docket No. SPU-98-8,
 16 unless such restrictions are eased by subsequent board
 17 order.
 18 Sec. 2. Section 476.53, Code 2011, is amended to
 19 read as follows:
 20 476.53 Electric generating and transmission
 21 facilities.
 22 1. It is the intent of the general assembly to

23 attract the development of electric power generating
24 and transmission facilities within the state in
25 sufficient quantity to ensure reliable electric service
26 to Iowa consumers and provide economic benefits to
27 the state. It is also the intent of the general
28 assembly to encourage rate-regulated public utilities
29 to consider altering existing electric generating
30 facilities, where reasonable, to manage carbon emission
31 intensity in order to facilitate the transition to a
32 carbon-constrained environment.

33 ~~2.~~ a. The general assembly's intent with regard
34 to the development of electric power generating and
35 transmission facilities, or the significant alteration
36 of an existing generating facility, as provided in this
37 subsection ~~4~~, shall be implemented in a manner that is
38 cost-effective and compatible with the environmental
39 policies of the state, as expressed in Title XI.

40 b. The general assembly's intent with regard to the
41 reliability of electric service to Iowa consumers, as
42 provided in this subsection ~~4~~, shall be implemented by
43 considering the diversity of the types of fuel used to
44 generate electricity, the availability and reliability
45 of fuel supplies, and the impact of the volatility of
46 fuel costs.

47 ~~2. a. It is also the intent of the general~~
48 ~~assembly to encourage the safe and prudent development~~
49 ~~of baseload nuclear electric power generation, at a~~
50 ~~reasonable cost to ratepayers. Nuclear generation~~

Page 2

1 has a long-term proven record of providing a safe,
2 reliable, and secure source of electricity in the
3 United States and offers the potential for significant
4 job creation, substantial economic development
5 benefits, and the production of electricity at
6 significantly reduced levels of regulated air emissions
7 when compared to output from other thermal generation
8 sources. Further, the general assembly recognizes
9 that meeting stringent environmental permit and
10 public health and safety requirements is expensive
11 and creates significant cost burdens on customers
12 and employers attributable to the imposition of
13 additional comprehensive and costly regulations by the
14 United States environmental protection agency that
15 dramatically increase costs to customers. Finally,
16 the general assembly recognizes that development of
17 nuclear electric power generation requires significant
18 capital investment, ongoing operating expenses, and
19 decommissioning expenses, including storage or disposal
20 of used nuclear fuel, and a substantial period of time
21 for successful nuclear generation development, siting,

22 permitting, licensing, and deployment.
 23 b. The general assembly recognizes that to maximize
 24 the potential for significant job creation, economic
 25 development, and competitive advantage derived from a
 26 robust nuclear industry, a significant workforce is
 27 required to construct and operate new nuclear power
 28 plants. Such jobs include skilled trades, such as
 29 welders, pipe fitters, masons, carpenters, millwrights,
 30 sheet metal workers, electricians, and heavy equipment
 31 operators, in addition to nuclear reactor operators,
 32 radiation protection specialists, and nuclear,
 33 mechanical, and electrical engineers. In order for
 34 this state to lead the nation in developing this
 35 skilled workforce and to maximize economic development
 36 related to nuclear electric power generation, the
 37 general assembly intends for the state to undertake the
 38 following:
 39 (1) Create and implement plans to assess and
 40 enhance educational and training systems to develop a
 41 next-generation nuclear workforce.
 42 (2) Assess the adequacy and potential expansion
 43 of supply chain infrastructure to support the growing
 44 nuclear industry.
 45 (3) Recommend steps to attract new nuclear-related
 46 businesses.
 47 (4) Evaluate the economic development impact
 48 affordable nuclear electric power generation will have
 49 on the expansion and retention of existing industry.
 50 3. a. The board shall specify in advance, by

Page 3

1 order issued after a contested case proceeding, the
 2 ratemaking principles that will apply when the costs
 3 of the electric power generating facility or alternate
 4 energy production facility are included in regulated
 5 electric rates, whether collected through base rates
 6 or through a rider approved under paragraph "b",
 7 subparagraph (2), subparagraph division (a), whenever
 8 a rate-regulated public utility does any of the
 9 following:
 10 (1) Files an application pursuant to section 476A.3
 11 to ~~construct~~ do any of the following in Iowa ~~a~~;
 12 (a) Construct a baseload electric power generating
 13 facility with a nameplate generating capacity equal to
 14 or greater than three hundred megawatts ~~or a~~,
 15 (b) Construct a combined-cycle electric power
 16 generating facility, ~~or an~~,
 17 (c) Construct an alternate energy production
 18 facility as defined in section 476.42, ~~or to~~
 19 significantly,
 20 (d) Significantly alter an existing generating

21 facility.

22 (i) For purposes of this subparagraph division (d),
 23 a significant alteration of an existing generating
 24 facility must, in order to qualify for establishment of
 25 ratemaking principles, fall into one of the following
 26 categories:

27 ~~(a)~~ (A) Conversion of a coal fueled facility into
 28 a gas fueled facility.

29 ~~(b)~~ (B) Addition of carbon capture and storage
 30 facilities at a coal fueled facility.

31 ~~(c)~~ (C) Addition of gas fueled capability to a
 32 coal fueled facility, in order to convert the facility
 33 to one that will rely primarily on gas for future
 34 generation.

35 ~~(d)~~ (D) Addition of a biomass fueled capability to
 36 a coal fueled facility.

37 (ii) With respect to a significant alteration of
 38 an existing generating facility, an original facility
 39 shall not be required to be either a baseload or
 40 a combined-cycle facility. Only the incremental
 41 investment undertaken by a utility under subparagraph
 42 ~~divisions (a), (b), (c), or (d)~~ subdivision (i),
 43 subparagraph part (A), (B), (C), or (D) shall be
 44 eligible to apply the ratemaking principles established
 45 by the order issued pursuant to paragraph "e".
 46 ~~Facilities for which advanced ratemaking principles are~~
 47 ~~obtained pursuant to this section shall not be subject~~
 48 ~~to a subsequent board review pursuant to section 476.6,~~
 49 ~~subsection 21 to the extent that the investment has~~
 50 ~~been considered by the board under this section. To~~

Page 4

1 ~~the extent an eligible utility has been authorized to~~
 2 ~~make capital investments subject to section 476.6,~~
 3 ~~subsection 21, such investments shall not be eligible~~
 4 ~~for ratemaking principles pursuant to this section.~~

5 (2) Expresses its intent, upon completion of
 6 analyses authorized pursuant to section 476.6,
 7 subsection 22, for a rate-regulated utility that was
 8 subject to a revenue-sharing settlement agreement with
 9 regard to its electric base rates as of January 1,
 10 2010, to file an application pursuant to section 476A.3
 11 to build a nuclear generating facility including but
 12 not limited to small modular reactor technology, or
 13 expresses its intent to seek authority pursuant to a
 14 combined construction and operating license or an early
 15 site permit from the United States nuclear regulatory
 16 commission.

17 ~~(2)~~ (3) Leases or owns in Iowa, in whole or in
 18 part, ~~any of the following:~~

19 (a) A new baseload electric power generating

20 facility with a nameplate generating capacity equal to
 21 or greater than three hundred megawatts ~~or a~~.
 22 (b) A combined-cycle electric power generating
 23 facility, ~~or a~~.
 24 (c) A new alternate energy production facility as
 25 defined in section 476.42.
 26 (d) A new nuclear generating facility including but
 27 not limited to small modular reactor technology.
 28 b. In determining the applicable ratemaking
 29 principles, the board shall not be limited to
 30 traditional ratemaking principles or traditional cost
 31 recovery mechanisms.
 32 (1) Among the principles and mechanisms the board
 33 may consider, the board has the authority to approve
 34 ratemaking principles proposed by a rate-regulated
 35 public utility that provide for reasonable restrictions
 36 upon the ability of the public utility to seek a
 37 general increase in electric rates under section 476.6
 38 for at least three years after the generating facility
 39 begins providing service to Iowa customers.
 40 (2) In determining the applicable ratemaking
 41 principles for a nuclear generating facility or for
 42 a license or permit from the United States nuclear
 43 regulatory commission, a ratemaking principles order
 44 issued by the board shall incorporate all of the
 45 following:
 46 (a) Enable the utility to recover upon issuance of
 47 the order, through a rider pursuant to a tariff filing,
 48 a return on and a return of all prudent capitalized
 49 costs and a return of all prudent noncapitalized
 50 costs associated with the permitting, licensing, and

Page 5

1 construction of a nuclear generating facility. The
 2 amount of such cost recovery from utility customers
 3 shall be reduced by the amount of any funding of such
 4 costs borne by the United States department of energy
 5 or any other governmental entity, and costs recovered
 6 from any joint owners of the nuclear generating
 7 facility. A determination of all prudent costs
 8 recoverable pursuant to this subparagraph division
 9 shall be made and the level and rate of the recovery
 10 of such charges reset annually to reflect the level
 11 of reasonable costs related to pursuit of a United
 12 States nuclear regulatory commission permit or license
 13 or construction costs expected to be incurred in
 14 the next twelve months. A determination shall also
 15 be made of any adjustment required to balance the
 16 preceding period's actual expenditures and financing
 17 costs with what had been projected and included
 18 in costs recoverable for the preceding period. If

19 applicable, the utility shall report to the board
20 annually the budgeted and actual costs as compared to
21 the estimated total in-service cost of the nuclear
22 generating facility that was presented in the last
23 annual filing, as projected through the expected
24 in-service date of the nuclear generating facility.
25 Following issuance of the board's ratemaking principles
26 order, the utility shall file an application with the
27 board on an annual basis providing such information,
28 with the understanding that some cost components may be
29 higher than estimated and other cost components may be
30 lower. Each annual proceeding shall be completed by
31 the board within ninety days from the date of filing
32 the application. The board, for good cause shown, may
33 extend the deadline for completing an annual proceeding
34 for an additional period not to exceed ninety days.
35 The complete methodology for determination of prudent
36 costs shall be addressed as a ratemaking principle.
37 All United States nuclear regulatory commission
38 permitting or licensing costs are to be recovered over
39 a period not to exceed the estimated construction
40 period for a nuclear generating facility as determined
41 by the board. All nuclear generating facility
42 construction costs are to be recovered over a period
43 not to exceed the sum of the estimated construction
44 period for a nuclear unit, plus its useful life as
45 determined by the board. A utility's commencement of
46 cost collection shall begin promptly after completion
47 of the ratemaking principles proceeding, allowing for
48 such additional time as may be needed by the board to
49 review a compliance rider tariff filing.
50 (b) Enable the utility to recover in rates all

Page 6

1 prudently incurred expenses and costs, including but
2 not limited to ongoing operations and maintenance
3 costs, decommissioning funding and site restoration
4 costs, and taxes for such a new nuclear generating
5 facility.
6 (c) Base the allowed debt, preferred stock,
7 and equity percentages on a capital structure
8 calculated using the average of the utility's actual
9 thirteen-month balances for long-term debt, preferred
10 stock, and common equity. The long-term debt and
11 preferred stock thirteen-month balances shall include
12 adjustments for thirteen-month balances of unamortized
13 discount, premium, expense, and any gain or loss on
14 reacquired securities. The costs of long-term debt
15 and preferred stock shall reflect the actual embedded
16 interest and dividend rate for each issue as well
17 as any annual amortization of unamortized discount.

18 premium, expense, and any gain or loss on reacquired
19 securities or interest rate hedges as approved by the
20 board as a ratemaking principle. The costs of common
21 equity shall reflect the following:

22 (1) The risks to which the investor's capital
23 is exposed and not the investor's source of funds by
24 comparing returns on investments in other enterprises
25 having corresponding risks.

26 (2) The investor-required cost of capital of the
27 rate-regulated utility so as to maintain its credit and
28 ability to attract capital.

29 (3) Neither directly or indirectly include
30 additional debt of the rate-regulated utility's parent
31 or other affiliates in the rate-regulated utility's
32 capital structure or cost of service, so long as
33 the utility equity ratio does not exceed fifty-five
34 percent as determined in this subparagraph division

35 (c). If the rate-regulated utility's equity ratio
36 exceeds this cap, or it is anticipated it will exceed
37 this cap, the rate-regulated utility may provide a
38 rationale to the board as to why the actual capital
39 structure is reasonable for maintaining its credit,
40 attracting capital on reasonable terms, and results in
41 reasonable costs to the rate-regulated utility's retail
42 customers. The board shall rule upon any such request
43 in a contested case proceeding.

44 (d) Allow the utility to recover return on and a
45 return of all prudent preconstruction and construction
46 costs incurred if the utility elects not to complete
47 or is precluded from completing construction of the
48 nuclear generating facility. Costs determined to be
49 prudent in prior annual review proceedings shall not
50 subsequently be redetermined to be imprudent. The

Page 7

1 utility shall recover such costs over a period not to
2 exceed the sum of the estimated construction period for
3 a nuclear unit plus its useful life as determined by
4 the board.

5 (e) Allow the utility to recover the net book value
6 of any coal-fired generating facility entered into
7 service prior to 1974 and owned by the utility as of
8 January 1, 2010, that the utility commits to retire
9 in anticipation of the operation of a new nuclear
10 generating facility, and that the board determines to
11 be prudent. The board shall allow for the recovery of
12 a return on, and a return of the book value of, the
13 retired generating facility over a period not greater
14 than the remaining useful life of the facility prior to
15 a determination to retire the facility.

16 c. In determining the applicable ratemaking

17 principles, the board shall make the following
18 findings:

19 (1) The rate-regulated public utility has in effect
20 a board-approved energy efficiency plan as required
21 under section 476.6, subsection 16.

22 (2) The Except for an application for ratemaking
23 principles subject to paragraph "a", subparagraph (2).
24 the rate-regulated public utility has demonstrated
25 to the board that the public utility has considered
26 other sources for long-term electric supply and that
27 the facility or lease is reasonable when compared
28 to other feasible alternative sources of supply.
29 The rate-regulated public utility may satisfy the
30 requirements of this subparagraph through a competitive
31 bidding process, under rules adopted by the board,
32 that demonstrate the facility or lease is a reasonable
33 alternative to meet its electric supply needs.

34 (3) For an application for ratemaking principles
35 subject to paragraph "a", subparagraph (2), the
36 rate-regulated utility has demonstrated through a
37 detailed business case filed with the board that it
38 is prudent to build the proposed nuclear generating
39 facility.

40 d. The applicable ratemaking principles shall
41 be determined in a contested case proceeding, which
42 proceeding may be combined with the proceeding for
43 issuance of a certificate conducted pursuant to chapter
44 476A.

45 e. The order setting forth the applicable
46 ratemaking principles shall be issued prior to the
47 commencement of construction or lease of the facility.

48 f. Following issuance of the order, the
49 rate-regulated public utility shall have the option of
50 proceeding according to either of the following:

Page 8

1 (1) Withdrawing its application for a certificate
2 pursuant to chapter 476A or withdrawing its ratemaking
3 principles application.

4 (2) Proceeding with the construction or lease
5 of the facility or efforts to pursue a United States
6 nuclear regulatory commission permit or license.

7 g. Notwithstanding any provision of this chapter
8 to the contrary, the ratemaking principles established
9 by the order issued pursuant to paragraph "e" shall
10 be binding with regard to the specific electric power
11 generating facility in any subsequent rate proceeding.

12 h. Any judicial action directly or indirectly
13 resulting in a modification of the board's ratemaking
14 principles order shall be applied prospectively
15 only. No refunds shall be made of revenues previously

16 collected, unless the board determines such revenues to
 17 be in excess of the costs incurred or to be incurred
 18 by the utility. With respect to financial commitments
 19 made prior to any judicial action directly or
 20 indirectly resulting in a modification of the board's
 21 ratemaking principles order, the utility shall recover
 22 such costs under a cancellation costs ratemaking
 23 principle.

24 i. The board shall issue an order on the merits of
 25 a ratemaking application within one hundred eighty days
 26 after the utility files an application for ratemaking
 27 principles. The board, for good cause shown, may
 28 extend the deadline for ruling on the merits of the
 29 application for an additional period not to exceed one
 30 hundred eighty days, and by such additional time beyond
 31 that period that is agreed to by the utility.

32 4. The utilities board and the consumer advocate
 33 may employ additional ~~temporary~~ permanent staff, ~~or and~~
 34 may contract for professional services with persons
 35 who are not state employees, as the board and the
 36 consumer advocate deem necessary to perform required
 37 functions as provided in this section, including but
 38 not limited to review of power purchase contracts,
 39 review of emission plans and budgets, and review of
 40 ratemaking principles proposed for construction or
 41 lease of a new generating facility, including a new
 42 nuclear generating facility or United States nuclear
 43 regulatory commission permit or license. The board
 44 and consumer advocate may also expend funds they
 45 deem necessary to train such employees and provide
 46 office space and equipment. Beginning July 1, 2002,
 47 there is appropriated out of any funds in the state
 48 treasury not otherwise appropriated, such sums as
 49 may be necessary to enable the board and the consumer
 50 advocate to hire, train, house, and equip additional

Page 9

1 staff and contract for services under this section.
 2 The costs of the additional staff and services shall
 3 be assessed to the utilities pursuant to the procedure
 4 in section 476.10 and section 475A.6. The utilities
 5 board and consumer advocate may each hire up to five
 6 permanent employees capable of performing functions
 7 required by this section. Any persons employed by the
 8 board or consumer advocate to carry out the duties of
 9 this section related to nuclear generating facilities
 10 shall be paid at compensation rates consistent with
 11 current standards in the nuclear energy industry, and
 12 new salary classifications shall be established to
 13 set pay ranges for skilled personnel in the nuclear
 14 engineering, nuclear construction, and any other

15 professional categories in the nuclear energy industry
 16 the board and consumer advocate deem appropriate,
 17 including but not limited to legal, accounting, and
 18 skilled examiners and inspectors.
 19 5. Facilities for which advanced ratemaking
 20 principles are obtained pursuant to this section shall
 21 not be subject to a subsequent board review pursuant
 22 to section 476.6, subsection 21, to the extent that
 23 the investment has been considered by the board under
 24 this section. To the extent an eligible utility has
 25 been authorized to make capital investments subject to
 26 section 476.6, subsection 21, such investments shall
 27 not be eligible for ratemaking principles pursuant to
 28 this section.

29 Sec. 3. Section 476A.6, Code 2011, is amended by
 30 adding the following new subsection:

31 NEW SUBSECTION. 4. In the case of an application
 32 to construct a nuclear generation facility, the
 33 applicant commits to prepare plans addressing
 34 United States nuclear regulatory commission and
 35 federal emergency management agency public emergency
 36 preparedness and response strategy requirements in
 37 the event of an accident, natural disaster, or other
 38 circumstance, condition, or occurrence compromising
 39 the safety and security of the facility and posing a
 40 potential threat to public health, safety, or welfare.
 41 The plans shall also address coordination with state
 42 emergency planning departments, public safety drills,
 43 and emergency response testing in response to a
 44 simulated nuclear disaster as required by the rules of
 45 the United States nuclear regulatory commission and the
 46 federal emergency management agency.

47 Sec. 4. ELECTRIC UTILITY RATE INCREASES —
 48 MITIGATION STUDY. The utilities board of the utilities
 49 division of the department of commerce shall conduct
 50 a study to identify the potential impact to customer

Page 10

1 electric utility rates resulting from recent federal
 2 regulations adopted by the United States environmental
 3 protection agency, and strategies to mitigate this
 4 impact. The study shall be undertaken with the
 5 involvement of rate-regulated electric public utilities
 6 and other stakeholders identified by the board. The
 7 board shall submit a report regarding the results of
 8 the study by January 1, 2012.

9 Sec. 5. NUCLEAR ELECTRIC POWER GENERATION —
 10 ECONOMIC DEVELOPMENT OPPORTUNITIES — TASK FORCE. The
 11 governor shall appoint a task force to evaluate the
 12 economic development opportunities created through
 13 nuclear electric power generation in this state and to

14 develop specific plans to maximize these opportunities.
 15 Task force members appointed by the governor shall
 16 include but not be limited to representatives from
 17 the state board of regents, the community colleges,
 18 the Iowa department of workforce development, the
 19 department of economic development, the department of
 20 education, and utility industry leaders. The governor
 21 shall appoint a chairperson from among the members.
 22 The task force shall submit a report summarizing its
 23 evaluation and containing recommendations to the
 24 general assembly by January 1, 2012.>

2 1. Page 33, after line 17 by inserting:

3 <DIVISION ____
 4 PUBLIC IMPROVEMENT CONTRACTS

5 Sec. ____ Section 73A.21, Code 2011, is amended to
 6 read as follows:

7 73A.21 Reciprocal resident bidder and resident labor
8 force preference by state, its agencies, and political
9 subdivisions — penalties.

10 1. For purposes of this section:

11 a. “Commissioner” means the labor commissioner
12 appointed pursuant to section 91.2, or the labor
13 commissioner’s designee.

14 b. “Division” means the division of labor of the
15 department of workforce development.

16 c. “Nonresident bidder” means a person or entity who
17 does not meet the definition of a resident bidder.

18 d. “Public body” means the state and any of its
19 political subdivisions, including a school district,
20 public utility, or the state board of regents.

21 ~~a. e.~~ “Public improvement” means public
22 ~~improvements as defined in section 73A.1~~ a building or
23 other construction work to be paid for in whole or in
24 part by the use of funds of the state, its agencies,
25 and any of its political subdivisions and includes road
26 construction, reconstruction, and maintenance projects.

27 f. “Public utility” includes municipally owned
28 utilities and municipally owned waterworks.

29 ~~b. g.~~ “Resident bidder” means a person or entity
30 authorized to transact business in this state and
31 having a place of business for transacting business
32 within the state at which it is conducting and has
33 conducted business for at least ~~six months~~ three years
34 prior to the date of the first advertisement for the
35 public improvement and in the case of a corporation,
36 having at least fifty percent of its common stock
37 owned by residents of this state. If another state
38 or foreign country has a more stringent definition of
39 a resident bidder, the more stringent definition is
40 applicable as to bidders from that state or foreign
41 country.

42 h. “Resident labor force preference” means a
43 requirement in which all or a portion of a labor force
44 working on a public improvement is a resident of a
45 particular state or country.

46 2. Notwithstanding this chapter, chapter 73,
47 chapter 309, chapter 310, chapter 331, or chapter
48 384, when a contract for a public improvement is
49 to be awarded to the lowest responsible bidder, a
50 resident bidder shall be allowed a preference as

Page 2

1 against a nonresident bidder from a state or foreign
2 country ~~which if that state or foreign country gives~~
3 or requires ~~a~~ any preference to bidders from that
4 state or foreign country, including but not limited
5 to any preference to bidders, the imposition of any

6 type of labor force preference, or any other form of
7 preferential treatment to bidders or laborers from that
8 state or foreign country. The preference ~~is~~ allowed
9 shall be equal to the preference given or required by
10 the state or foreign country in which the nonresident
11 bidder is a resident. In the instance of a resident
12 labor force preference, a nonresident bidder shall
13 apply the same resident labor force preference to a
14 public improvement in this state as would be required
15 in the construction of a public improvement by the
16 state or foreign country in which the nonresident
17 bidder is a resident.

18 ~~3. This section applies to the state, its agencies,~~
19 ~~and any political subdivisions of the state.~~

20 ~~4. 3.~~ If it is determined that this may cause
21 denial of federal funds which would otherwise be
22 available, or would otherwise be inconsistent with
23 requirements of any federal law or regulation, this
24 section shall be suspended, but only to the extent
25 necessary to prevent denial of the funds or to
26 eliminate the inconsistency with federal requirements.

27 4. The public body involved in a public improvement
28 shall require a nonresident bidder to specify on all
29 project bid specifications and contract documents
30 whether any preference as described in subsection 2 is
31 in effect in the nonresident bidder's state or country
32 of domicile at the time of a bid submittal.

33 5. The commissioner and the division shall
34 administer and enforce this section, and the
35 commissioner shall adopt rules for the administration
36 and enforcement of this section as provided in section
37 91.6.

38 6. The commissioner shall have the following powers
39 and duties for the purposes of this section:

40 a. The commissioner may hold hearings and
41 investigate charges of violations of this section.

42 b. The commissioner may, consistent with due
43 process of law, enter any place of employment to
44 inspect records concerning labor force residency, to
45 question an employer or employee, and to investigate
46 such facts, conditions, or matters as are deemed
47 appropriate in determining whether any person
48 has violated the provisions of this section. The
49 commissioner shall only make such an entry in response
50 to a written complaint.

Page 3

1 c. The commissioner shall develop a written
2 complaint form applicable to this section and make it
3 available in division offices and on the department of
4 workforce development's internet site.

5 d. The commissioner may sue for injunctive relief
6 against the awarding of a contract, the undertaking of
7 a public improvement, or the continuation of a public
8 improvement in response to a violation of this section.
9 e. The commissioner may investigate and ascertain
10 the residency of a worker engaged in any public
11 improvement in this state.
12 f. The commissioner may administer oaths, take
13 or cause to be taken deposition of witnesses, and
14 require by subpoena the attendance and testimony of
15 witnesses and the production of all books, registers,
16 payrolls, and other evidence relevant to a matter under
17 investigation or hearing.
18 g. The commissioner shall require a contractor or
19 subcontractor to file, within ten days of receipt of a
20 request, any records enumerated in subsection 8. If
21 the contractor or subcontractor fails to provide the
22 requested records within ten days, the commissioner
23 may direct, within fifteen days after the end of the
24 ten-day period, that the fiscal or financial office
25 charged with the custody and disbursement of funds of
26 the public body that contracted for construction of the
27 public improvement or undertook the public improvement,
28 to immediately withhold from payment to the contractor
29 or subcontractor up to twenty-five percent of the
30 amount to be paid to the contractor or subcontractor
31 under the terms of the contract or written instrument
32 under which the public improvement is being performed.
33 The amount withheld shall be immediately released
34 upon receipt by the public body of a notice from the
35 commissioner indicating that the request for records as
36 required by this section has been satisfied.
37 7. While participating in a public improvement,
38 a nonresident bidder domiciled in a state or country
39 that has established a resident labor force preference
40 shall make and keep, for a period of not less than
41 three years, accurate records of all workers employed
42 by the contractor or subcontractor on the public
43 improvement. The records shall include each worker's
44 name, address, telephone number when available, social
45 security number, trade classification, and the starting
46 and ending time of employment.
47 8. Any person or entity that violates the
48 provisions of this section is subject to a civil
49 penalty in an amount not to exceed one thousand dollars
50 for each violation found in a first investigation by

Page 4

1 the division, not to exceed five thousand dollars
2 for each violation found in a second investigation
3 by the division, and not to exceed fifteen thousand

4 dollars for a third or subsequent violation found
 5 in any subsequent investigation by the division.
 6 Each violation of this section for each worker and
 7 for each day the violation continues constitutes a
 8 separate and distinct violation. In determining the
 9 amount of the penalty, the division shall consider the
 10 appropriateness of the penalty to the person or entity
 11 charged, upon determination of the gravity of the
 12 violations. The collection of these penalties shall
 13 be enforced in a civil action brought by the attorney
 14 general on behalf of the division.

15 9. A party seeking review of the division's
 16 determination pursuant to this section may file a
 17 written request for an informal conference. The
 18 request must be received by the division within fifteen
 19 days after the date of issuance of the division's
 20 determination. During the conference, the party
 21 seeking review may present written or oral information
 22 and arguments as to why the division's determination
 23 should be amended or vacated. The division shall
 24 consider the information and arguments presented and
 25 issue a written decision advising all parties of the
 26 outcome of the conference.

27 Sec. ____ Section 331.341, subsection 2, Code 2011,
 28 is amended to read as follows:

29 2. The board shall give preference to Iowa products
 30 ~~and labor~~ in accordance with chapter 73 and shall

 2 reprinted by the Senate, as follows:
 3 1. By striking everything after the enacting clause

4 and inserting:

5 <DIVISION I
6 SERVICE SYSTEM REDESIGN
7 Section 1. ADULT DISABILITY SERVICES SYSTEM
8 REDESIGN.

9 1. For the purposes of this section, “disability
10 services” means services and other support available
11 to a person with mental illness or an intellectual
12 disability or other developmental disability.

13 2. It is the intent of the general assembly to
14 redesign the system for adult disability services to
15 implement all of the following:

16 a. Shifting the funding responsibility for the
17 nonfederal share of adult disability services paid for
18 by the Medicaid program, including but not limited to
19 all costs for the state resource centers, from the
20 counties to the state.

21 b. Reorganizing adult disability services not paid
22 for by the Medicaid program into a system administered
23 on a regional basis in a manner that provides multiple
24 local points of access to adult disability services
25 both paid for by the Medicaid program and not paid for
26 by the Medicaid program.

27 c. Replacing legal settlement as the basis for
28 determining financial responsibility for publicly
29 funded disability services by determining such
30 responsibility based upon residency.

31 3. a. The legislative council is requested to
32 authorize an interim committee on mental health and
33 disability services for the 2011 legislative interim to
34 commence as soon as practicable. The purpose of the
35 interim committee is to closely engage with, monitor,
36 and make recommendations concerning the efforts of
37 the department of human services and workgroups of
38 stakeholders and experts created by the department
39 to develop detailed proposals for the redesign of
40 disability services pursuant to this Act, particularly
41 with regard to the identification of core services.

42 b. (1) It is intended that the interim committee
43 members consist of equal numbers of legislators from
44 both chambers and from both political parties and
45 for staff from the office of the governor and the
46 departments of human services and public health to be
47 designated to serve as ex officio, nonvoting members.
48 It is also requested that legislators serving on the
49 interim committee and other interested legislators
50 be authorized to participate in the meetings of the

- 1 workgroups and subcommittees addressed in this Act.
- 2 (2) In addition to addressing workgroup

3 recommendations, it is intended that the interim
4 committee address property tax issues, devise a means
5 of ensuring the state maintains its funding commitments
6 for the redesigned services system, recommend revisions
7 in the requirements for mental health professionals
8 who are engaged in the involuntary commitment and
9 examination processes under chapter 229, develop
10 proposed legislation for amending Code references to
11 mental retardation to instead refer to intellectual
12 disabilities, and consider issues posed by the
13 July 1, 2013, repeals of county disability services
14 administration and funding provisions in 2011 Iowa
15 Acts, Senate File 209, as amended by this Act. In
16 addressing the repeal provisions, the interim committee
17 shall include options for further revisions to the
18 repeal date amendments enacted by this Act.

19 (3) It is intended that the interim committee
20 shall receive and make recommendations concerning the
21 detailed and final proposals submitted by workgroups
22 during the 2011 legislative interim for consideration
23 by the general assembly in the 2012 legislative
24 session.

25 c. (1) The department of human services shall
26 design the workgroup process to facilitate effective
27 decision making while allowing for a broad array of
28 input. The workgroup process shall begin as soon after
29 the effective date of this Act as is practicable. The
30 membership of workgroups and subcommittees involved
31 with the process shall include consumers, service
32 providers, and advocates and provide for adequate
33 representation by both rural and urban interests.
34 The department of public health shall be represented
35 on those workgroups and subcommittees with a focus
36 relevant to the department.

37 (2) The detailed and final proposals developed
38 by the workgroups during the 2011 interim shall
39 be submitted to the interim committee on or before
40 December 9, 2011.

41 d. At least one workgroup shall address redesign
42 of the adult mental health system and at least
43 one workgroup shall address redesign of the adult
44 intellectual and other developmental disability system.
45 The workgroup process shall engage separate workgroups
46 and subcommittees enumerated in this Act and may
47 involve additional bodies in the process as determined
48 by the department.

49 e. It is intended that interim committee members
50 be engaged, to the extent possible, in workgroup

Page 3

1 deliberations and begin formal discussions of
2 preliminary proposals developed by the workgroups
3 beginning in October.
4 4. The workgroup process implemented by the
5 department of human services pursuant to subsection
6 3 shall result in the submission of proposals for
7 redesign of adult disability services that include but
8 are not limited to all of the following:
9 a. Identifying clear definitions and requirements
10 for the following:
11 (1) Eligibility criteria for the individuals to be
12 served.
13 (2) The array of core services and other support to
14 be included in regional adult disability services plans
15 and to be delivered by providers based on individual
16 needs and medical necessity and in a manner that
17 promotes cost-effectiveness, uniformity, accessibility,
18 and best practice approaches. The array shall
19 encompass and integrate services and other support paid
20 for by both the Medicaid program and other sources.
21 (3) Outcome measures that focus on consumer needs,
22 including but not limited to measures addressing
23 individual choice, empowerment, and community.
24 (4) Quality assurance measures.
25 (5) Provider accreditation, certification,
26 or licensure requirements to ensure high quality
27 services while avoiding unreasonable expectations and
28 duplicative surveys.
29 (6) Input in regional service plans and delivery
30 provisions by consumer and provider representatives.
31 The input process shall engage local consumers,
32 providers, and counties in developing the regional
33 provisions.
34 (7) Provisions for representatives of the regional
35 system and the department to regularly engage in
36 discussions to resolve Medicaid and non-Medicaid
37 issues involving documentation requirements, electronic
38 records, reimbursement methodologies, cost projections,
39 and other measures to improve the services and other
40 support available to consumers.
41 b. Incorporating strategies to allow individuals
42 to receive services in accordance with the principles
43 established in *Olmstead v. L.C.*, 527 U.S. 581 (1999),
44 in order for services to be provided in the most
45 community-based, least restrictive, and integrated
46 setting appropriate to an individual's needs.
47 c. Continuing the department's leadership role
48 in the Medicaid program in defining services covered,
49 establishing reimbursement methodologies, providing
50 other administrative functions, and engaging in federal

Page 4

1 options for program enhancements that are beneficial to
2 consumers and the state such as medical or behavioral
3 health homes.

4 d. Implementing mental health crisis response
5 services statewide in a manner determined to be most
6 appropriate by each region.

7 e. Implementing a subacute level of care to provide
8 short-term mental health services in a structured
9 residential setting that supplies a less intensive
10 level of care than is supplied by acute psychiatric
11 services.

12 f. Reviewing best practices and programs utilized
13 by other states in identifying new approaches for
14 addressing the needs for publicly funded services for
15 persons with brain injury. The proposals regarding
16 these approaches may be submitted after the workgroup
17 submission date set out in subsection 3.

18 g. Developing a proposal for addressing service
19 provider shortages. The development of the proposal
20 shall incorporate an examination of scope of practice
21 limitations and barriers to recruiting providers,
22 including but not limited to variation in health
23 insurance payment provisions for the services provided
24 by different types of providers.

25 h. Developing a proposal for service providers
26 addressing co-occurring mental health, intellectual
27 disability, brain injury, and substance abuse
28 disorders. Each workgroup or subcommittee shall
29 address co-occurring disorders as appropriate to the
30 focus of the workgroup or subcommittee. The overall
31 proposal may be developed by a body consisting of
32 members from other workgroups or subcommittees. The
33 proposal shall also provide options, developed in
34 coordination with the judicial branch and department
35 of human services workgroup, for implementation
36 of the provision of advocates to patients with
37 substance-related disorders.

38 i. Developing a proposal for redesign of publicly
39 funded children's disability services, including but
40 not limited to the needs of children who are placed
41 out-of-state due to the lack of treatment services
42 in this state. The proposal shall be developed by a
43 separate workgroup or subcommittee and in addition to
44 the other interests and representation required by this
45 section, the membership shall include education system
46 and juvenile court representatives. The preliminary
47 findings and recommendations, and the initial proposal
48 shall be submitted by the October and December 2011
49 dates required for other workgroups and subcommittees.
50 The initial proposal developed during the 2011

3 necessary to complete the final proposal for submission
4 on or before December 10, 2012.

5 j. Developing a proposal for adult disability
6 services not paid for by the Medicaid program to be
7 administered on a regional basis in a manner that
8 provides multiple local points of access for consumers
9 needing adult disability services, regardless of
10 the funding sources for the services. The proposal
11 shall be integrated with the other proposals under
12 this subsection and shall be developed by a separate
13 workgroup or subcommittee engaging both urban and rural
14 county supervisors and central-point-of-coordination
15 administrators and other experts. The considerations
16 for inclusion in the proposal for forming regional
17 entities shall include but are not limited to all of
18 the following:

21 and addressing other necessary contracting measures.

22 (2) Providing for performance-based contracting
23 between the department of human services and regional
24 entities to ensure the existence of multiple, local
25 points of access for adult disability services
26 eligibility, intake, and authorization, service
27 navigation support, and case coordination or case
28 management, regardless of the funding sources for the
29 services.

30 (3) Developing a three-year service plan and annual
31 update to meet the needs of consumers.

32 (4) Providing for the regional entities to
33 implement performance-based contracts, uniform cost
34 reports, and consistent reimbursement practices and
35 payment methodologies with local providers of services
36 not paid for by the Medicaid program.

37 (5) Providing for the regional entities to
38 determine the Medicaid program targeted case managers
39 to serve the regions.

40 (6) Providing for the regional entities and the
41 department of human services to regularly coordinate
42 and communicate with one another concerning the adult
43 disability services paid for by the Medicaid program so
44 that services paid for by the program and the regional
45 entities are integrated and coordinated.

46 (7) Identifying sufficient population size to
47 attain economy of scale, adequate financial resources,
48 and appropriate service delivery.

49 (8) Addressing full participation in regional
50 entities by counties.

Page 6

1 (9) Including dispute resolution provisions for
2 county-to-county relationships, county-to-region
3 relationships, and region-to-state relationships.

4 (10) Providing for a consumer appeal process that
5 is clear, impartial, and consistent, with consideration
6 of an option that appeals beyond the regional level
7 should be to a state administrative law judge.

8 (11) Addressing financial management provisions,
9 including appropriate financial reserve levels.

10 (12) Proposing other criteria for forming regional
11 entities. The other criteria considered shall include

17 functions.

18 (c) Requiring a region to encompass at least
19 one community mental health center or federally
20 qualified health center with providers qualified to

22 assistance from psychiatric consultants, that has the
23 capacity to provide outpatient services for the region
24 and has provided evidence of a commitment to provide
25 outpatient services for the region.

26 (d) Requiring a region to encompass or have
27 reasonably close proximity to a hospital with an
28 inpatient psychiatric unit or to a state mental health
29 institute, that has the capacity to provide inpatient
30 services for the region and has provided evidence of
31 a commitment to provide inpatient services for the
32 region.

33 (e) Requiring an administrative structure utilized
34 by a region to have clear lines of accountability and
35 to serve as a lead agency with shared county staff or
36 other means of limiting administrative costs to not
37 more than five percent of expenditures.

38 5. The target date for full implementation of
39 the plan and implementation provisions described in
40 subsections 3 and 4 shall be July 1, 2013, provided,
41 however, that any expansion of services is subject to
42 available funding.

43 Sec. 2. CONTINUATION OF WORKGROUP BY JUDICIAL
44 BRANCH AND DEPARTMENT OF HUMAN SERVICES. The judicial
45 branch and department of human services shall continue
46 the workgroup implemented pursuant to 2010 Iowa Acts,

48 the processes for involuntary commitment for chronic
49 substance abuse under chapter 125 and for serious
50 mental illness under chapter 229, and shall coordinate

Page 7

9 advocates to patients with such disorders; for revising
10 requirements for mental health professionals who are
11 engaged in the involuntary commitment and examination
12 processes under chapter 229; for authorizing the
13 court to order an involuntary hold of a patient under
14 section 229.10 for not more than twenty-three hours
15 who was not initially taken into custody but declined
16 to be examined pursuant to a previous court order;
17 and for civil commitment prescreening. Preliminary
18 recommendations shall be submitted to the legislative
19 interim committee in October 2011, as specified by the
20 interim committee. Additional stakeholders shall be
21 added as necessary to facilitate the workgroup efforts.
22 The workgroup shall complete deliberations and submit
23 a final report to the legislative interim committee
24 providing findings and recommendations on or before
25 December 9, 2011.

26 **Sec. 3. SERVICE SYSTEM DATA AND STATISTICAL**
27 **INFORMATION INTEGRATION.** In coordination with

33 implementation provisions for an integrated data and
34 statistical information system for mental health,
35 disability services, and substance abuse services.
36 The implementation provisions shall incorporate
37 federal data and statistical information requirements.
38 When completed, the departments and affiliate shall
39 report on the integrated system to the governor,

41 human services, and the legislative services agency,
42 providing their findings and recommendations.

43 **Sec. 4. DEPARTMENT OF HUMAN SERVICES.** There is

49 For the costs of planning and other processes
50 associated with implementation of this Act:

1 \$ 250,000
 2 Notwithstanding section 8.47 or any other provision
 3 of law to the contrary, the department may utilize a
 4 sole source approach to contract to support planning
 5 and other processes associated with implementation
 6 of this Act. Notwithstanding section 8.33, moneys
 7 appropriated in this section that remain unencumbered
 8 or unobligated at the close of the fiscal year shall
 9 not revert but shall remain available for expenditure
 10 for the purposes designated until the close of the
 11 succeeding fiscal year.

 13 this Act, being deemed of immediate importance, takes
 14 effect upon enactment.

 18 services agency shall prepare a study bill for
 19 consideration by the committees on human resources of
 20 the senate and house of representatives for the 2012

Page 9

1 are not paid by public funds in this state are not
2 subject to the limitations on the number of beds and
3 certificate of need requirements otherwise applicable
4 under this section.

5 Sec. 9. PSYCHIATRIC MEDICAL INSTITUTIONS FOR
6 CHILDREN AND RELATED SERVICES — TRANSITION COMMITTEE.

7 1. For the purposes of this section, unless the

10 behavioral health managed care plan under the state’s
11 Medicaid program.

12 b. “PMIC” means a psychiatric medical institution
13 for children.

14 2. It is the intent of the general assembly to do
15 the following under this section:

16 a. Improve the reimbursement, expected outcomes,
17 and integration of PMIC services to serve the best
18 interests of children within the context of a redesign
19 of the delivery of publicly funded children’s mental
20 health services in this state.

21 b. Support the development of specialized programs
22 for children with high acuity requirements whose needs
23 are not met by Iowa’s current system and must be served

25 c. Transition PMIC services while providing
26 services in a manner that applies best practices and is
27 cost-effective.

28 3. The department of human services, in
29 collaboration with PMIC providers, shall develop a
30 plan for transitioning the administration of PMIC
31 services to the Iowa plan. The transition plan

36 levels of PMIC care, providing for performance and
37 quality improvement technical assistance to providers,
38 identifying methods and standards for credentialing
39 providers of specialized programs, using innovative
40 reimbursement incentives to improve access while
41 building the capacity of less intensive levels of care,
42 and providing implementation guidelines.

43 4. a. The transition plan shall address the
44 development of specialized programs to address the
45 needs of children in need of more intensive treatment
46 who are currently underserved. All of the following
47 criteria shall be used for such programs:

14 availability of choices for community placements.
15 (3) Identifying admission and continued stay
16 criteria for PMIC providers.
17 (4) Evaluating changes in licensing standards for
18 PMICs as necessary to ensure that the standards are
19 aligned with overall system goals.
20 (5) Evaluating alternative reimbursement and
21 service models that are innovative and could support
22 overall system goals. The models may include but are
23 not limited to accountable care organizations, medical
24 or other health homes, and performance-based payment
25 methods.
26 (6) Evaluating the adequacy of reimbursement at all
27 levels of the children's mental health system.
28 (7) Developing profiles of the conditions and

49 representing families affected by the children's mental
50 health system, and a representative of juvenile court

Page 11

1 officers.
2 b. The transition committee shall develop the plan
3 and manage the transition if the plan is implemented.
4 The plan shall be developed by December 31, 2011,
5 and shall be submitted to the general assembly by
6 January 16, 2012. The submitted plan shall include
7 an independent finding by the director of human
8 services, in consultation with the office of the
9 governor and the chairpersons and ranking members of
10 the joint appropriations subcommittee on health and
11 human services, that the plan meets the intent of the
12 general assembly under this section. Unless otherwise
13 directed by enactment of the general assembly the
14 department and the transition committee may proceed
15 with implementation of the submitted plan on or before
16 July 1, 2012.

39 DIVISION IV

40 COMMUNITY MENTAL HEALTH CENTERS

41 COMMUNITY MENTAL HEALTH CENTERS — CATCHMENT AREAS

42 Sec. 10. NEW SECTION. 230A.101 Services system
43 roles.

44 1. The role of the department of human services,
45 through the division of the department designated as
46 the state mental health authority with responsibility
47 for state policy concerning mental health and
48 disability services, is to develop and maintain
49 policies for the mental health and disability services
50 system. The policies shall address the service

Page 12

1 needs of individuals of all ages with disabilities
2 in this state, regardless of the individuals' places
3 of residence or economic circumstances, and shall be
4 consistent with the requirements of chapter 225C and
5 other applicable law.

6 2. The role of community mental health centers in
7 the mental health and disability services system is
8 to provide an organized set of services in order to
9 adequately meet the mental health needs of this state's
10 citizens based on organized catchment areas.

11 Sec. 11. NEW SECTION. 230A.102 Definitions.

12 As used in this chapter, unless the context
13 otherwise requires:

14 1. "Administrator", "commission", "department",
15 "disability services", and "division" mean the same as
16 defined in section 225C.2.

17 2. "Catchment area" means a community mental health
18 center catchment area identified in accordance with
19 this chapter.

20 3. "Community mental health center" or "center"
21 means a community mental health center designated in
22 accordance with this chapter.

23 Sec. 12. NEW SECTION. 230A.103 Designation of
24 community mental health centers.

25 1. The division, subject to agreement by any
26 community mental health center that would provide
27 services for the catchment area and approval by the
28 commission, shall designate at least one community
29 mental health center under this chapter to serve as
30 lead agency for addressing the mental health needs of
31 the county or counties comprising the catchment area.
32 The designation process shall provide for the input
33 of potential service providers regarding designation
34 of the initial catchment area or a change in the
35 designation.

36 2. The division shall utilize objective criteria
37 for designating a community mental health center
38 to serve a catchment area and for withdrawing such
39 designation. The commission shall adopt rules
40 outlining the criteria. The criteria shall include but
41 are not limited to provisions for meeting all of the
42 following requirements:

43 a. An appropriate means shall be used for
44 determining which prospective designee is best able to
45 serve all ages of the targeted population within the
46 catchment area with minimal or no service denials.

47 b. An effective means shall be used for determining
48 the relative ability of a prospective designee to
49 appropriately provide mental health services and other
50 support to consumers residing within a catchment area

Page 13

1 as well as consumers residing outside the catchment
2 area. The criteria shall address the duty for a
3 prospective designee to arrange placements outside the
4 catchment area when such placements best meet consumer
5 needs and to provide services within the catchment area
6 to consumers who reside outside the catchment area when
7 the services are necessary and appropriate.

8 3. The board of directors for a designated
9 community mental health center shall enter into
10 an agreement with the division. The terms of the
11 agreement shall include but are not limited to all of
12 the following:

13 a. The period of time the agreement will be in
14 force.

15 b. The services and other support the center will
16 offer or provide for the residents of the catchment
17 area.

18 c. The standards to be followed by the center in
19 determining whether and to what extent the persons
20 seeking services from the center shall be considered to
21 be able to pay the costs of the services.

22 d. The policies regarding availability of the
23 services offered by the center to the residents of the
24 catchment area as well as consumers residing outside
25 the catchment area.

26 e. The requirements for preparation and submission
27 to the division of annual audits, cost reports, program
28 reports, performance measures, and other financial and
29 service accountability information.

30 4. This section does not limit the authority of
31 the board or the boards of supervisors of any county
32 or group of counties to continue to expend money to
33 support operation of a center.

34 Sec. 13. NEW SECTION. 230A.104 Catchment areas.

35 1. The division shall collaborate with affected
36 counties in identifying community mental health center
37 catchment areas in accordance with this section.

38 2. a. Unless the division has determined that
39 exceptional circumstances exist, a catchment area
40 shall be served by one community mental health center.
41 The purpose of this general limitation is to clearly
42 designate the center responsible and accountable for
43 providing core mental health services to the target
44 population in the catchment area and to protect the
45 financial viability of the centers comprising the
46 mental health services system in the state.

47 b. A formal review process shall be used in
48 determining whether exceptional circumstances exist
49 that justify designating more than one center to
50 serve a catchment area. The criteria for the review

Page 14

1 process shall include but are not limited to a means
2 of determining whether the catchment area can support
3 more than one center.

4 c. Criteria shall be provided that would allow
5 the designation of more than one center for all
6 or a portion of a catchment area if designation or
7 approval for more than one center was provided by the
8 division as of October 1, 2010. The criteria shall
9 require a determination that all such centers would be
10 financially viable if designation is provided for all.

11 Sec. 14. NEW SECTION. 230A.105 Target population
12 — eligibility.

13 1. The target population residing in a catchment
14 area to be served by a community mental health

29 spectrum disorder, or another disability or special
30 health care need.

31 2. Specific eligibility criteria for members of the
32 target population shall be identified in administrative

37 1. A community mental health center designated
38 in accordance with this chapter shall offer core
39 services and support addressing the basic mental health
40 and safety needs of the target population and other
41 residents of the catchment area served by the center

44 adopted by the commission for this purpose.

45 2. The initial core services identified shall
46 include all of the following:

48 consist of evaluation and treatment services provided
49 on an ambulatory basis for the target population.

50 Outpatient services include psychiatric evaluations,

4 following segments of the target population: children,
5 elderly, individuals who have serious and persistent
6 mental illness, and residents of the service area
7 who have been discharged from inpatient treatment
8 at a mental health facility. Outpatient services
9 shall provide elements of diagnosis, treatment, and
10 appropriate follow-up. The provision of only screening
11 and referral services does not constitute outpatient
12 services.

13 b. Twenty-four-hour emergency services.
14 Twenty-four-hour emergency services shall be
15 provided through a system that provides access to a
16 clinician and appropriate disposition with follow-up

19 stabilization services after normal business hours.
20 The range of emergency services that shall be available
21 to a patient may include but are not limited to direct

28 psychosocial rehabilitation services. Such services
29 shall be provided as structured day programs in
30 segments of less than twenty-four hours using a
31 multidisciplinary team approach to develop treatment
32 plans that vary in intensity of services and the
33 frequency and duration of services based on the needs
34 of the patient. These services may be provided
35 directly by the center or in collaboration or
36 affiliation with other appropriately accredited
37 providers.

38 d. Admission screening for voluntary patients.
39 Admission screening services shall be available for
40 patients considered for voluntary admission to a state
41 mental health institute to determine the patient's
42 appropriateness for admission.

43 e. Community support services. Community support
44 services shall consist of support and treatment
45 services focused on enhancing independent functioning
46 and assisting persons in the target population who
47 have a serious and persistent mental illness to live
48 and work in their community setting, by reducing or
49 managing mental illness symptoms and the associated
50 functional disabilities that negatively impact such

Page 16

1 persons' community integration and stability.
2 f. Consultation services. Consultation services
3 may include provision of professional assistance and
4 information about mental health and mental illness to
5 individuals, service providers, or groups to increase
6 such persons' effectiveness in carrying out their
7 responsibilities for providing services. Consultations
8 may be case-specific or program-specific.

9 g. Education services. Education services may
10 include information and referral services regarding
11 available resources and information and training
12 concerning mental health, mental illness, availability
13 of services and other support, the promotion
14 of mental health, and the prevention of mental
15 illness. Education services may be made available to
16 individuals, groups, organizations, and the community
17 in general.

18 3. A community mental health center shall be
19 responsible for coordinating with associated services

24 inpatient settings.

25 Sec. 16. NEW SECTION. 230A.107 Form of

35 1, 2010, may also be designated as a community mental
36 health center.

37 Sec. 17. NEW SECTION. 230A.108 Administrative,
38 diagnostic, and demographic information.

39 Release of administrative and diagnostic
40 information, as defined in section 228.1, and
41 demographic information necessary for aggregated
42 reporting to meet the data requirements established by
43 the division, relating to an individual who receives
44 services from a community mental health center, may
45 be made a condition of support of that center by the
46 division.

47 Sec. 18. NEW SECTION. 230A.109 Funding —
48 legislative intent.

49 1. It is the intent of the general assembly that
50 public funding for community mental health centers

Page 17

1 designated in accordance with this chapter shall be
2 provided as a combination of federal and state funding.

3 2. It is the intent of the general assembly that
4 the state funding provided to centers be a sufficient
5 amount for the core services and support addressing the
6 basic mental health and safety needs of the residents
7 of the catchment area served by each center to be
8 provided regardless of individual ability to pay for
9 the services and support.

10 3. While a community mental health center must
11 comply with the core services requirements and other
12 standards associated with designation, provision of
13 services is subject to the availability of a payment
14 source for the services.

15 Sec. 19. NEW SECTION. 230A.110 Standards.

16 1. The division shall recommend and the commission
17 shall adopt standards for designated community
18 mental health centers and comprehensive community
19 mental health programs, with the overall objective of
20 ensuring that each center and each affiliate providing
21 services under contract with a center furnishes
22 high-quality mental health services within a framework
23 of accountability to the community it serves. The
24 standards adopted shall conform with federal standards
25 applicable to community mental health centers and
26 shall be in substantial conformity with the applicable
27 behavioral health standards adopted by the joint
28 commission, formerly known as the joint commission
29 on accreditation of health care organizations, and
30 other recognized national standards for evaluation of
31 psychiatric facilities unless in the judgment of the
32 division, with approval of the commission, there are
33 sound reasons for departing from the standards.

34 2. When recommending standards under this section,
35 the division shall designate an advisory committee
36 representing boards of directors and professional
37 staff of designated community mental health centers to
38 assist in the formulation or revision of standards.
39 The membership of the advisory committee shall include

48 to residents of the catchment area being served. The
49 center shall employ or contract for services with
50 affiliates to employ staff who are appropriately

Page 18

1 credentialed or meet other qualifications in order to
2 provide services.

3 b. If organized as a nonprofit corporation, be
4 governed by a board of directors which adequately
5 represents interested professions, consumers of
6 the center's services, socioeconomic, cultural, and
7 age groups, and various geographical areas in the
8 catchment area served by the center. If organized
9 as a for-profit corporation, the corporation's policy
10 structure shall incorporate such representation.

11 c. Arrange for the financial condition and
12 transactions of the community mental health center to
13 be audited once each year by the auditor of state.
14 However, in lieu of an audit by state accountants,
15 the local governing body of a community mental health
16 center organized under this chapter may contract with
17 or employ certified public accountants to conduct the
18 audit, pursuant to the applicable terms and conditions
19 prescribed by sections 11.6 and 11.19 and audit format
20 prescribed by the auditor of state. Copies of each
21 audit shall be furnished by the accountant to the
22 administrator of the division of mental health and
23 disability services.

24 d. Comply with the accreditation standards
25 applicable to the center.

26 Sec. 20. NEW SECTION. 230A.111 Review and
27 evaluation.

28 1. The review and evaluation of designated centers
29 shall be performed through a formal accreditation
30 review process as recommended by the division and
31 approved by the commission. The accreditation process
32 shall include all of the following:

33 a. Specific time intervals for full accreditation
34 reviews based upon levels of accreditation.

35 b. Use of random or complaint-specific, on-site
36 limited accreditation reviews in the interim between
37 full accreditation reviews, as a quality review
38 approach. The results of such reviews shall be
39 presented to the commission.

40 c. Use of center accreditation self-assessment
41 tools to gather data regarding quality of care and
42 outcomes, whether used during full or limited reviews
43 or at other times.

44 2. The accreditation process shall include but is
45 not limited to addressing all of the following:

46 a. Measures to address centers that do not meet
47 standards, including authority to revoke accreditation.

Page 19

1 accepted by the division.

3 successfully complete a corrective action plan.
4 d. Criteria to determine when a center's
5 accreditation should be denied, revoked, suspended, or
6 made provisional.
7 Sec. 21. REPEAL. Sections 230A.1 through 230A.18,
8 Code 2011, are repealed.
9 Sec. 22. IMPLEMENTATION — EFFECTIVE DATE.
10 1. Community mental health centers operating

 23 primary purpose the treatment and rehabilitation of
 24 ~~substance abusers or chronic substance abusers~~ persons

2 and surgeon or osteopathic physician and surgeon or
3 any employee or person acting under the direction or
4 supervision of the physician and surgeon or osteopathic

8 to any law enforcement officer or law enforcement
9 agency; nor shall such information be admissible as
10 evidence in any court, grand jury, or administrative
11 proceeding unless authorized by the person seeking
12 treatment. If the person seeking such treatment or
13 rehabilitation is a minor who has personally made
14 application for treatment, the fact that the minor
15 sought treatment or rehabilitation or is receiving
16 treatment or rehabilitation services shall not be
17 reported or disclosed to the parents or legal guardian
18 of such minor without the minor's consent, and the
19 minor may give legal consent to receive such treatment
20 and rehabilitation.

21 3. A ~~substance abuser or chronic substance abuser~~
22 person with a substance-related disorder seeking
23 treatment or rehabilitation and who is either addicted
24 or dependent on a chemical substance may first be

36 A facility providing or engaging in treatment or
37 rehabilitation shall not report or disclose to a law
38 enforcement officer or law enforcement agency the name
39 of any person receiving or engaged in the treatment
40 or rehabilitation; nor shall a person receiving or
41 participating in treatment or rehabilitation report
42 or disclose the name of any other person engaged in
43 or receiving treatment or rehabilitation or that the
44 program is in existence, to a law enforcement officer
45 or law enforcement agency. Such information shall

2 care leaves a facility, the patient shall be encouraged
3 to consent to appropriate outpatient or halfway house
4 treatment. If it appears to the administrator in
5 charge of the facility that the patient is a ~~substance~~

7 substance-related disorder who requires help, the
8 director may arrange for assistance in obtaining
9 supportive services.

10 Sec. 36. Section 125.34, Code 2011, is amended to
11 read as follows:

12 125.34 Treatment and services for ~~intoxicated~~

15 substance-induced incapacitation.

16 1. ~~An intoxicated~~ A person with a substance-related
17 disorder due to intoxication or substance-induced
18 incapacitation may come voluntarily to a facility
19 for emergency treatment. A person who appears to be
20 intoxicated or incapacitated by a ~~chemical~~ substance
21 in a public place and in need of help may be taken to a
22 facility by a peace officer under section 125.91. If
23 the person refuses the proffered help, the person may
24 be arrested and charged with intoxication under section
25 123.46, if applicable.

26 2. If no facility is readily available the
27 person may be taken to an emergency medical service
28 customarily used for incapacitated persons. The
29 peace officer in detaining the person and in taking
30 the person to a facility shall make every reasonable
31 effort to protect the person's health and safety. In
32 detaining the person the detaining officer may take
33 reasonable steps for self-protection. Detaining a
34 person under section 125.91 is not an arrest and no
35 entry or other record shall be made to indicate that
36 the person who is detained has been arrested or charged
37 with a crime.

38 3. A person who arrives at a facility and
39 voluntarily submits to examination shall be examined
40 by a licensed physician as soon as possible after the
41 person arrives at the facility. The person may then
42 be admitted as a patient or referred to another health
43 facility. The referring facility shall arrange for
44 transportation.

45 4. If a person is voluntarily admitted to a
46 facility, the person's family or next of kin shall be
47 notified as promptly as possible. If an adult patient
48 who is not incapacitated requests that there be no
49 notification, the request shall be respected.

1 this section is acting in the course of the officer's
2 official duty and is not criminally or civilly liable
3 therefore, unless such acts constitute willful malice
4 or abuse.

5 6. If the physician in charge of the facility
6 determines it is for the patient's benefit, the patient
7 shall be encouraged to agree to further diagnosis and
8 appropriate voluntary treatment.

9 7. A licensed physician and surgeon or osteopathic
10 physician and surgeon, facility administrator, or an
11 employee or a person acting as or on behalf of the
12 facility administrator, is not criminally or civilly
13 liable for acts in conformity with this chapter, unless
14 the acts constitute willful malice or abuse.

15 Sec. 37. Section 125.43, Code 2011, is amended to
16 read as follows:

17 125.43 Funding at mental health institutes.
18 Chapter 230 governs the determination of the
19 costs and payment for treatment provided to ~~substance~~
20 ~~abusers or chronic substance abusers~~ persons with
21 substance-related disorders in a mental health
22 institute under the department of human services,
23 except that the charges are not a lien on real estate
24 owned by persons legally liable for support of the
25 ~~substance abuser or chronic substance abuser person~~
26 with a substance-related disorder and the daily per
27 diem shall be billed at twenty-five percent. The
28 superintendent of a state hospital shall total only
29 those expenditures which can be attributed to the
30 cost of providing inpatient treatment to ~~substance~~
31 ~~abusers or chronic substance abusers~~ persons with
32 substance-related disorders for purposes of determining
33 the daily per diem. Section 125.44 governs the
34 determination of who is legally liable for the cost
35 of care, maintenance, and treatment of a ~~substance~~
36 ~~abuser or chronic substance abuser person with a~~
37 substance-related disorder and of the amount for which
38 the person is liable.

39 Sec. 38. Section 125.43A, Code 2011, is amended to
40 read as follows:

41 125.43A Prescreening — exception.
42 Except in cases of medical emergency or
43 court-ordered admissions, a person shall be admitted
44 to a state mental health institute for substance
45 abuse treatment only after a preliminary intake and
46 assessment by a department-licensed treatment facility
47 or a hospital providing care or treatment for ~~substance~~
48 ~~abusers~~ persons with substance-related disorders
49 licensed under chapter 135B and accredited by the
50 joint commission on the accreditation of health care

Page 27

1 organizations, the commission on accreditation of
2 rehabilitation facilities, the American osteopathic
3 association, or another recognized organization
4 approved by the board, or by a designee of a
5 department-licensed treatment facility or a hospital
6 other than a state mental health institute, which
7 confirms that the admission is appropriate to the
8 person's substance abuse service needs. A county board
9 of supervisors may seek an admission of a patient
10 to a state mental health institute who has not been
11 confirmed for appropriate admission and the county
12 shall be responsible for one hundred percent of the
13 cost of treatment and services of the patient.

14 Sec. 39. Section 125.44, Code 2011, is amended to
15 read as follows:

16 125.44 Agreements with facilities — liability for
17 costs.

18 The director may, consistent with the comprehensive
19 substance abuse program, enter into written
20 agreements with a facility as defined in section
21 125.2 to pay for one hundred percent of the cost of
22 the care, maintenance, and treatment of ~~substance~~
23 ~~abusers and chronic substance abusers~~ persons with
24 substance-related disorders, except when section
25 125.43A applies. All payments for state patients shall
26 be made in accordance with the limitations of this
27 section. Such contracts shall be for a period of no
28 more than one year.

29 The contract may be in the form and contain
30 provisions as agreed upon by the parties. The contract
31 shall provide that the facility shall admit and
32 treat ~~substance abusers and chronic substance abusers~~
33 persons with substance-related disorders regardless
34 of where they have residence. If one payment for
35 care, maintenance, and treatment is not made by the
36 patient or those legally liable for the patient, the
37 payment shall be made by the department directly to
38 the facility. Payments shall be made each month and
39 shall be based upon the rate of payment for services
40 negotiated between the department and the contracting
41 facility. If a facility projects a temporary cash flow
42 deficit, the department may make cash advances at the
43 beginning of each fiscal year to the facility. The
44 repayment schedule for advances shall be part of the
45 contract between the department and the facility. This
46 section does not pertain to patients treated at the
47 mental health institutes.

48 If the appropriation to the department is
49 insufficient to meet the requirements of this section,
50 the department shall request a transfer of funds and

Page 28

1 section 8.39 shall apply.

2 The ~~substance abuser or chronic substance abuser~~
3 person with a substance-related disorder is legally
4 liable to the facility for the total amount of the cost
5 of providing care, maintenance, and treatment for the
6 ~~substance abuser or chronic substance abuser person~~
7 with a substance-related disorder while a voluntary or
8 committed patient in a facility. This section does not
9 prohibit any individual from paying any portion of the
10 cost of treatment.

11 The department is liable for the cost of
12 care, treatment, and maintenance of ~~substance~~
13 ~~abusers and chronic substance abusers persons with~~
14 substance-related disorders admitted to the facility
15 voluntarily or pursuant to section 125.75, 125.81,
16 or 125.91 or section 321J.3 or 124.409 only to those
17 facilities that have a contract with the department
18 under this section, only for the amount computed
19 according to and within the limits of liability
20 prescribed by this section, and only when the ~~substance~~
21 ~~abuser or chronic substance abuser person with a~~
22 substance-related disorder is unable to pay the costs
23 and there is no other person, firm, corporation, or
24 insurance company bound to pay the costs.

25 The department's maximum liability for the costs
26 of care, treatment, and maintenance of ~~substance~~
27 ~~abusers and chronic substance abusers persons with~~
28 substance-related disorders in a contracting facility
29 is limited to the total amount agreed upon by the
30 parties and specified in the contract under this
31 section.

32 Sec. 40. Section 125.46, Code 2011, is amended to
33 read as follows:

34 125.46 County of residence determined.

35 The facility shall, when a ~~substance abuser~~
36 ~~or chronic substance abuser person with a~~
37 substance-related disorder is admitted, or as
38 soon thereafter as it receives the proper information,
39 determine and enter upon its records the Iowa county of
40 residence of the ~~substance abuser or chronic substance~~
41 ~~abuser person with a substance-related disorder~~, or
42 that the person resides in some other state or country,
43 or that the person is unclassified with respect to
44 residence.

45 Sec. 41. Section 125.75, unnumbered paragraph 1,
46 Code 2011, is amended to read as follows:

47 Proceedings for the involuntary commitment or
48 treatment of a ~~chronic substance abuser person with~~
49 a substance-related disorder to a facility may be
50 commenced by the county attorney or an interested

Page 29

1 person by filing a verified application with the
2 clerk of the district court of the county where
3 the respondent is presently located or which is
4 the respondent's place of residence. The clerk or
5 the clerk's designee shall assist the applicant in
6 completing the application. The application shall:

7 Sec. 42. Section 125.75, subsection 1, Code 2011,
8 is amended to read as follows:

9 1. State the applicant's belief that the
10 respondent is a ~~chronic substance abuser~~ person with a
11 substance-related disorder.

12 Sec. 43. Section 125.80, subsections 3 and 4, Code
13 2011, are amended to read as follows:

14 3. If the report of a court-designated physician
15 is to the effect that the respondent is not a ~~chronic~~
16 ~~substance abuser~~ person with a substance-related
17 disorder, the court, without taking further action, may
18 terminate the proceeding and dismiss the application on
19 its own motion and without notice.

20 4. If the report of a court-designated physician
21 is to the effect that the respondent is a ~~chronic~~
22 ~~substance abuser~~ person with a substance-related
23 disorder, the court shall schedule a commitment
24 hearing as soon as possible. The hearing shall be
25 held not more than forty-eight hours after the report
26 is filed, excluding Saturdays, Sundays, and holidays,
27 unless an extension for good cause is requested by
28 the respondent, or as soon thereafter as possible if
29 the court considers that sufficient grounds exist for
30 delaying the hearing.

31 Sec. 44. Section 125.81, subsection 1, Code 2011,
32 is amended to read as follows:

33 1. If a person filing an application requests that
34 a respondent be taken into immediate custody, and the
35 court upon reviewing the application and accompanying
36 documentation, finds probable cause to believe that the
37 respondent is a ~~chronic substance abuser~~ person with
38 a substance-related disorder who is likely to injure
39 the person or other persons if allowed to remain at
40 liberty, the court may enter a written order directing
41 that the respondent be taken into immediate custody
42 by the sheriff, and be detained until the commitment
43 hearing, which shall be held no more than five days
44 after the date of the order, except that if the fifth
45 day after the date of the order is a Saturday, Sunday,
46 or a holiday, the hearing may be held on the next
47 business day. The court may order the respondent
48 detained for the period of time until the hearing is
49 held, and no longer except as provided in section
50 125.88, in accordance with subsection 2, paragraph

Page 30

1 “a”, if possible, and if not, then in accordance with
2 subsection 2, paragraph “b”, or, only if neither of
3 these alternatives is available in accordance with
4 subsection 2, paragraph “c”.

5 Sec. 45. Section 125.82, subsection 4, Code 2011,
6 is amended to read as follows:

7 4. The respondent’s welfare is paramount, and the
8 hearing shall be tried as a civil matter and conducted
9 in as informal a manner as is consistent with orderly
10 procedure. Discovery as permitted under the Iowa rules
11 of civil procedure is available to the respondent. The
12 court shall receive all relevant and material evidence,
13 but the court is not bound by the rules of evidence.
14 A presumption in favor of the respondent exists, and
15 the burden of evidence and support of the contentions
16 made in the application shall be upon the person who
17 filed the application. If upon completion of the
18 hearing the court finds that the contention that the
19 respondent is a ~~chronic substance abuser~~ person with a
20 substance-related disorder has not been sustained by
21 clear and convincing evidence, the court shall deny the
22 application and terminate the proceeding.

23 Sec. 46. Section 125.83, Code 2011, is amended to
24 read as follows:

25 125.83 Placement for evaluation.

26 If upon completion of the commitment hearing,
27 the court finds that the contention that the
28 respondent is a ~~chronic substance abuser~~ person with
29 a substance-related disorder has been sustained by
30 clear and convincing evidence, the court shall order
31 the respondent placed at a facility or under the
32 care of a suitable facility on an outpatient basis as
33 expeditiously as possible for a complete evaluation
34 and appropriate treatment. The court shall furnish to
35 the facility at the time of admission or outpatient
36 placement, a written statement of facts setting forth
37 the evidence on which the finding is based. The
38 administrator of the facility shall report to the court
39 no more than fifteen days after the individual is
40 admitted to or placed under the care of the facility,
41 which shall include the chief medical officer’s
42 recommendation concerning substance abuse treatment.
43 An extension of time may be granted for a period not
44 to exceed seven days upon a showing of good cause. A
45 copy of the report shall be sent to the respondent’s
46 attorney who may contest the need for an extension of
47 time if one is requested. If the request is contested,
48 the court shall make an inquiry as it deems appropriate
49 and may either order the respondent released from
50 the facility or grant extension of time for further

Page 31

1 evaluation. If the administrator fails to report to
2 the court within fifteen days after the individual is
3 admitted to the facility, and no extension of time has
4 been requested, the administrator is guilty of contempt
5 and shall be punished under chapter 665. The court
6 shall order a rehearing on the application to determine
7 whether the respondent should continue to be held at
8 the facility.

9 Sec. 47. Section 125.83A, subsection 1, Code 2011,
10 is amended to read as follows:

11 1. If upon completion of the commitment hearing,
12 the court finds that the contention that the
13 respondent is a ~~chronic substance abuser~~ person with a
14 substance-related disorder has been sustained by clear
15 and convincing evidence, and the court is furnished
16 evidence that the respondent is eligible for care
17 and treatment in a facility operated by the United
18 States department of veterans affairs or another
19 agency of the United States government and that the
20 facility is willing to receive the respondent, the
21 court may so order. The respondent, when so placed in
22 a facility operated by the United States department
23 of veterans affairs or another agency of the United
24 States government within or outside of this state,
25 shall be subject to the rules of the United States
26 department of veterans affairs or other agency, but
27 shall not lose any procedural rights afforded the
28 respondent by this chapter. The chief officer of the
29 facility shall have, with respect to the respondent
30 so placed, the same powers and duties as the chief
31 medical officer of a hospital in this state would
32 have in regard to submission of reports to the court,
33 retention of custody, transfer, convalescent leave, or
34 discharge. Jurisdiction is retained in the court to
35 maintain surveillance of the respondent's treatment and
36 care, and at any time to inquire into the respondent's
37 condition and the need for continued care and custody.

38 Sec. 48. Section 125.84, subsections 2, 3, and 4,
39 Code 2011, are amended to read as follows:

40 2. That the respondent is a ~~chronic substance~~
41 ~~abuser~~ person with a substance-related disorder who
42 is in need of full-time custody, care, and treatment
43 in a facility, and is considered likely to benefit
44 from treatment. If the report so states, the court
45 shall enter an order which may require the respondent's
46 continued placement and commitment to a facility for
47 appropriate treatment.

48 3. That the respondent is a ~~chronic substance~~
49 ~~abuser~~ person with a substance-related disorder who is
50 in need of treatment, but does not require full-time

Page 32

1 placement in a facility. If the report so states,
2 the report shall include the chief medical officer's
3 recommendation for treatment of the respondent on an
4 outpatient or other appropriate basis, and the court
5 shall enter an order which may direct the respondent to
6 submit to the recommended treatment. The order shall
7 provide that if the respondent fails or refuses to
8 submit to treatment, as directed by the court's order,
9 the court may order that the respondent be taken into
10 immediate custody as provided by section 125.81 and,
11 following notice and hearing held in accordance with
12 the procedures of sections 125.77 and 125.82, may order
13 the respondent treated as a patient requiring full-time
14 custody, care, and treatment as provided in subsection
15 2, and may order the respondent involuntarily committed
16 to a facility.

17 4. That the respondent is a ~~chronic substance~~
18 ~~abuser~~ person with a substance-related disorder who is
19 in need of treatment, but in the opinion of the chief
20 medical officer is not responding to the treatment
21 provided. If the report so states, the report shall
22 include the facility administrator's recommendation
23 for alternative placement, and the court shall enter
24 an order which may direct the respondent's transfer
25 to the recommended placement or to another placement
26 after consultation with respondent's attorney and the
27 facility administrator who made the report under this
28 subsection.

29 Sec. 49. Section 125.91, subsections 1, 2, and 3,
30 Code 2011, are amended to read as follows:

31 1. The procedure prescribed by this section
32 shall only be used for ~~an intoxicated~~ a person with
33 a substance-related disorder due to intoxication or
34 substance-induced incapacitation who has threatened,
35 attempted, or inflicted physical self-harm or harm on
36 another, and is likely to inflict physical self-harm or
37 harm on another unless immediately detained, or who is
38 incapacitated by a ~~chemical~~ substance, if that person
39 cannot be taken into immediate custody under sections
40 125.75 and 125.81 because immediate access to the court
41 is not possible.

42 2. a. A peace officer who has reasonable
43 grounds to believe that the circumstances described
44 in subsection 1 are applicable may, without a
45 warrant, take or cause that person to be taken to the
46 nearest available facility referred to in section
47 125.81, subsection 2, paragraph "b" or "c". Such
48 ~~an intoxicated or incapacitated~~ a person with a
49 substance-related disorder due to intoxication or
50 substance-induced incapacitation who also demonstrates

Page 33

1 a significant degree of distress or dysfunction may
2 also be delivered to a facility by someone other than
3 a peace officer upon a showing of reasonable grounds.
4 Upon delivery of the person to a facility under this
5 section, the examining physician may order treatment
6 of the person, but only to the extent necessary to
7 preserve the person's life or to appropriately control
8 the person's behavior if the behavior is likely to
9 result in physical injury to the person or others
10 if allowed to continue. The peace officer or other
11 person who delivered the person to the facility
12 shall describe the circumstances of the matter to
13 the examining physician. If the person is a peace
14 officer, the peace officer may do so either in person
15 or by written report. If the examining physician has
16 reasonable grounds to believe that the circumstances in
17 subsection 1 are applicable, the examining physician
18 shall at once communicate with the nearest available
19 magistrate as defined in section 801.4, subsection 10.
20 The magistrate shall, based upon the circumstances
21 described by the examining physician, give the
22 examining physician oral instructions either directing
23 that the person be released forthwith, or authorizing
24 the person's detention in an appropriate facility.
25 The magistrate may also give oral instructions and
26 order that the detained person be transported to an
27 appropriate facility.

28 b. If the magistrate orders that the person be
29 detained, the magistrate shall, by the close of
30 business on the next working day, file a written order
31 with the clerk in the county where it is anticipated
32 that an application may be filed under section 125.75.
33 The order may be filed by facsimile if necessary. The
34 order shall state the circumstances under which the
35 person was taken into custody or otherwise brought to
36 a facility and the grounds supporting the finding of
37 probable cause to believe that the person is a ~~chronic~~
38 ~~substance abuser~~ person with a substance-related
39 disorder likely to result in physical injury to the
40 person or others if not detained. The order shall
41 confirm the oral order authorizing the person's
42 detention including any order given to transport the
43 person to an appropriate facility. The clerk shall
44 provide a copy of that order to the ~~chief medical~~
45 ~~officer of the facility~~ attending physician, to
46 which the person was originally taken, any subsequent
47 facility to which the person was transported, and
48 to any law enforcement department or ambulance
49 service that transported the person pursuant to the
50 magistrate's order.

9 amended to read as follows:

10 4. For valuations established as of January
11 1, 1979, the percentage of actual value at which
12 agricultural and residential property shall be assessed
13 shall be the quotient of the dividend and divisor as
14 defined in this section. The dividend for each class
15 of property shall be the dividend as determined for
16 each class of property for valuations established as
17 of January 1, 1978, adjusted by the product obtained
18 by multiplying the percentage determined for that year
19 by the amount of any additions or deletions to actual
20 value, excluding those resulting from the revaluation
21 of existing properties, as reported by the assessors
22 on the abstracts of assessment for 1978, plus six
23 percent of the amount so determined. However, if the
24 difference between the dividend so determined for
25 either class of property and the dividend for that
26 class of property for valuations established as of
27 January 1, 1978, adjusted by the product obtained by
28 multiplying the percentage determined for that year
29 by the amount of any additions or deletions to actual
30 value, excluding those resulting from the revaluation
31 of existing properties, as reported by the assessors
32 on the abstracts of assessment for 1978, is less than

36 January 1, 1978, adjusted by the product obtained by
37 multiplying the percentage determined for that year
38 by the amount of any additions or deletions to actual
39 value, excluding those resulting from the revaluation
40 of existing properties, as reported by the assessors on
41 the abstracts of assessment for 1978, plus a percentage

45 of January 1, 1978, adjusted by the product obtained
46 by multiplying the percentage determined for that year

47 by the amount of any additions or deletions to actual
48 value, excluding those resulting from the revaluation
49 of existing properties, as reported by the assessors
50 on the abstracts of assessment for 1978, is increased

23 adjusted to include the applicable and current values
24 as equalized by the director of revenue, except that

24 beginning July 1, 2011.
25 5. Property taxes certified for deposit in the
26 debt service fund in section 384.4, trust and agency
27 funds in section 384.6, capital improvements reserve

39 city on tracts of land and improvements on the

48 7. The department of management, in consultation
49 with the city finance committee, shall adopt rules

3 Sec. 26. NEW SECTION. 384.1B Ending fund balance.
4 1. a. Budgeted ending fund balances for a budget
5 year in excess of twenty-five percent of budgeted
6 expenditures from the general fund for that budget
7 year shall be explicitly reserved or designated for a
8 specific purpose.
9 b. A city is encouraged, but not required, to
10 reduce budgeted, unreserved, or undesignated ending
11 fund balances for the budget year to an amount equal
12 to approximately twenty-five percent of budgeted
13 expenditures and transfers from the general fund for
14 that budget year unless a decision is certified by the
15 state appeal board ordering a reduction in the ending
16 fund balance of the fund.
17 c. In a protest to the city budget under section
18 384.19, the city shall have the burden of proving
19 that the budgeted balances in excess of twenty-five
20 percent are reasonably likely to be appropriated for
21 the explicitly reserved or designated specific purpose.
22 The excess budgeted balance for the specific purpose
23 shall be considered an increase in an item in the
24 budget for purposes of section 24.28.
25 2. a. For a city that has, as of June 30,
26 2011, reduced its ending fund balance to less than

27 twenty-five percent of actual expenditures, additional
28 property taxes may be computed and levied as provided
29 in this subsection. The additional property tax levy
30 amount is an amount not to exceed the difference
31 between twenty-five percent of actual expenditures for
32 city government purposes for the fiscal year beginning
33 July 1, 2010, minus the ending fund balance for that
34 year.

35 b. All or a portion of additional property tax
36 dollars may be levied for the purpose of increasing
37 cash reserves for city government purposes in the
38 budget year. The additional property tax dollars
39 authorized under this subsection but not levied may be
40 carried forward as unused ending fund balance taxing
41 authority until and for the fiscal year beginning
42 July 1, 2017. The amount carried forward shall not
43 exceed twenty-five percent of the maximum amount of
44 property tax dollars available in the current fiscal
45 year. Additionally, property taxes that are levied
46 as unused ending fund balance taxing authority under
47 this subsection may be the subject of a protest under
48 section 384.19, and the amount will be considered an
49 increase in an item in the budget for purposes of
50 section 24.28. The amount of additional property tax

Page 23

1 dollars levied under this subsection shall not be
2 included in the computation of the maximum amount of
3 property tax dollars which may be certified and levied
4 under section 384.1.

5 Sec. 27. Section 384.12, subsection 20, Code 2011,
6 is amended by striking the subsection.

11 for a period of time not to exceed two years if the
12 proposition has been submitted at a special election
13 and received a favorable majority of the votes cast on
14 the proposition.

15 2. The special election is subject to the
16 following:

17 a. The city council must give at least thirty-two

37 special election.

38 e. Notice of the special election shall be
39 published at least once in a newspaper as specified
40 in section 362.3 prior to the date of the special
41 election. The notice shall appear as early as
42 practicable after the city council has voted to submit
43 a proposition to the voters to levy additional property
44 tax dollars.

45 3. The amount of additional property tax dollars
46 certified under this section shall not be included in
47 the computation of the maximum amount of property tax
48 dollars which may be certified and levied under section
49 384.1.

50 Sec. 29. Section 384.16, subsection 1, paragraph b,

Page 24

8 report. Wherever practicable, as provided in rules
9 of the committee, a budget must show comparisons
10 between the levels of service provided by each program
11 as estimated for the following year, and actual
12 levels of service provided by each program during
13 the two preceding years. For each city that has

 13 requests the council to authorize construction of the
 14 improvement or self-liquidating improvement, whether
 15 or not such petition is combined with the petition

5 <DIVISION ____
6 ABORTION LIMITATIONS
7 Sec. ____ FINDINGS. The general assembly finds all
8 of the following:
9 1. Abortion can cause serious short-term and
10 long-term physical and psychological complications for
11 women including but not limited to uterine perforation,
12 uterine scarring, cervical perforation or other
13 injury, infection, bleeding, hemorrhage, blood clots,
14 failure to actually terminate the pregnancy, incomplete
15 abortion or retained tissue, pelvic inflammatory
16 disease, endometritis, missed ectopic pregnancy,
17 cardiac arrest, respiratory arrest, renal failure,
18 metabolic disorder, shock, embolism, coma, placenta
19 previa in subsequent pregnancies, preterm delivery in
20 subsequent pregnancies, free fluid in the abdomen,
21 organ damage, adverse reactions to anesthesia and other
22 drugs, and psychological or emotional complications
23 such as depression, anxiety, sleeping disorders, and
24 death.
25 2. Abortion has a higher medical risk when the
26 procedure is performed later in the pregnancy.
27 Compared to an abortion at eight weeks' gestation or
28 earlier, the relative risk increases exponentially
29 at higher gestations. The incidence of major
30 complications is highest after twenty weeks of
31 gestation.
32 3. The state has a compelling interest in the
33 public's health and safety.
34 4. The state has a compelling interest from the
35 outset of pregnancy in protecting the health of the
36 woman. More specifically, the state has a compelling
37 interest in protecting the health of women who undergo
38 abortions.
39 5. There is substantial evidence that no later than
40 twenty weeks after fertilization, an unborn child has
41 the physical structures necessary to experience pain.
42 6. There is substantial evidence that by twenty
43 weeks after fertilization, an unborn child seeks to
44 evade certain stimuli in a manner which, in an infant
45 or an adult, would be interpreted as a response to
46 pain.
47 7. Anesthesia is routinely administered to an
48 unborn child twenty weeks or more after fertilization
49 when the unborn child undergoes prenatal surgery.
50 8. Even before twenty weeks after fertilization,

Page 2

1 the unborn child has been observed to exhibit hormonal
2 stress responses to painful stimuli, and a reduction
3 in such response results when pain medication is
4 administered directly to the unborn child.

5 9. It is the purpose of the state of Iowa to assert
6 a compelling state interest in protecting the unborn
7 child from the stage at which substantial medical
8 evidence indicates the unborn child is capable of
9 feeling pain.

10 Sec. ____ NEW SECTION. 146A.1 Definitions.

11 As used in this chapter, unless the context
12 otherwise requires:

13 1. "Abortion" means abortion as defined in section
14 146.1.

15 2. "Attempt an abortion" means an act, or an
16 omission of a statutorily required act, that, under
17 the circumstances as the actor believes them to be,
18 constitutes a substantial step in a course of conduct
19 planned to culminate in an abortion.

20 3. "Department" means the department of public
21 health.

22 4. "Fertilization" means the fusion of a human
23 spermatozoon with a human ovum.

24 5. "Medical emergency" means a condition which, in
25 reasonable medical judgment, so complicates the medical
26 condition of a pregnant woman as to necessitate the
27 termination of the human pregnancy to avoid a serious
28 risk of death or substantial and irreversible physical
29 impairment of a major bodily function. "Medical
30 emergency" does not include a condition which is based
31 on a claim or diagnosis that the pregnant woman will
32 engage in conduct which would result in the pregnant
33 woman's death or in substantial and irreversible
34 physical impairment of a major bodily function.

35 6. "Medical facility" means any public or private
36 hospital, clinic, center, medical school, medical
37 training institution, health care facility, physician's
38 office, infirmary, dispensary, ambulatory surgical
39 center, or other institution or location where medical
40 care is provided to any person.

41 7. "Physician" means a person licensed under
42 chapter 148.

43 8. "Postfertilization age" means the age of the
44 unborn child as calculated from the fertilization of
45 the human ovum.

46 9. "Probable postfertilization age" means what,
47 in reasonable medical judgment, will with reasonable
48 probability be the postfertilization age of the unborn
49 child at the time an abortion is to be performed.

50 10. "Reasonable medical judgment" means a medical

Page 3

1 judgment made by a reasonably prudent physician who
2 is knowledgeable about the case and the treatment
3 possibilities with respect to the medical conditions
4 involved.

5 11. "Unborn child" means an individual organism of
6 the species homo sapiens from fertilization until live
7 birth.

8 Sec. ____ NEW SECTION. 146A.2 Determination of
9 postfertilization age prior to abortion — abortion
10 prohibited at twenty weeks or more postfertilization age
11 — exceptions — reporting requirements — penalties.

12 1. Except in the case of a medical emergency,
13 an abortion shall not be performed, induced, or
14 attempted unless the physician performing, inducing, or
15 attempting the abortion has first made a determination
16 of the probable postfertilization age of the unborn
17 child or relied upon such a determination made by
18 another physician. In making such a determination, a
19 physician shall make such inquiries of the pregnant
20 woman and perform or cause to be performed such medical
21 examinations and tests a prudent physician would
22 consider necessary in making a reasonable medical
23 judgment to accurately determine the postfertilization
24 age of the unborn child.

25 2. A physician shall not perform, induce, or
26 attempt an abortion upon a pregnant woman when it has
27 been determined, by the physician performing, inducing,
28 or attempting the abortion or by another physician
29 upon whose determination that physician relies, that
30 the probable postfertilization age of the unborn child
31 is twenty weeks or more unless, in the physician's
32 reasonable medical judgment, any of the following
33 applies:

34 a. The pregnant woman has a condition which the
35 physician deems a medical emergency.

36 b. It is necessary to preserve the life of an
37 unborn child.

38 3. A physician who performs, induces, or attempts
39 an abortion shall report to the department, on a
40 schedule and in accordance with forms and rules adopted
41 by the department, all of the following:

42 a. If a determination of probable postfertilization
43 age of the unborn child was made, the probable
44 postfertilization age determined and the method and
45 basis of the determination.

46 b. If a determination of probable postfertilization
47 age of the unborn child was not made, the basis of the
48 determination that a medical emergency existed.

49 c. If the probable postfertilization age of the
50 unborn child was determined to be twenty weeks or more,

Page 4

1 the basis of the determination of a medical emergency,
2 or the basis of the determination that the abortion was
3 necessary to preserve the life of an unborn child.

4 4. a. By June 30, annually, the department shall
5 issue a public report providing statistics for the
6 previous calendar year, compiled from the reports for
7 that year submitted in accordance with subsection
8 3. The department shall ensure that none of the
9 information included in the public reports could
10 reasonably lead to the identification of any woman upon
11 whom an abortion was performed.

12 b. (1) A physician who fails to submit a report by
13 the end of thirty days following the due date shall be
14 subject to a late fee of five hundred dollars for each
15 additional thirty-day period or portion of a thirty-day
16 period the report is overdue.

17 (2) A physician required to report in accordance
18 with subsection 3 who has not submitted a report or who
19 has submitted only an incomplete report more than one
20 year following the due date, may, in an action brought
21 in the manner in which actions are brought to enforce
22 chapter 148, be directed by a court of competent
23 jurisdiction to submit a complete report within a time
24 period stated by court order or be subject to contempt
25 of court.

26 (3) A physician who intentionally or recklessly
27 falsifies a report required under this section is
28 subject to a civil penalty of one hundred dollars.

29 5. Any medical facility in which a physician is
30 authorized to perform an abortion shall implement
31 written medical policies and procedures consistent with
32 the requirements and prohibitions of this chapter.

33 6. The department shall adopt rules to administer
34 this section.

35 Sec. __. NEW SECTION. 146A.3 Civil and criminal
36 actions — penalties.

37 1. Failure of a physician to comply with any
38 provision of section 146A.2, with the exception of the
39 late filing of a report or failure to submit a complete
40 report in compliance with a court order, is grounds for
41 license discipline under chapter 148.

42 2. A physician who intentionally or recklessly
43 performs, induces, or attempts an abortion in violation
44 of this chapter is guilty of a class "C" felony.

45 3. A woman upon whom an abortion has been performed
46 or induced in violation of this chapter or the
47 biological father may maintain an action against the
48 physician who performed or induced the abortion in
49 intentional or reckless violation of this chapter
50 for actual damages. This subsection shall not be

Page 5

1 interpreted to apply to a biological father when the
2 pregnancy is the result of rape or incest.

3 4. A woman upon whom an abortion has been attempted
4 in violation of this chapter may maintain an action
5 against the physician who attempted the abortion in
6 intentional or reckless violation of this chapter for
7 actual damages.

8 5. A cause of action for injunctive relief to
9 prevent a physician from performing, inducing, or
10 attempting abortions may be maintained against a
11 physician who has intentionally violated this chapter
12 by the woman upon whom the abortion was performed,
13 induced, or attempted, by the spouse of the woman, by a
14 parent or guardian of the woman if the woman is less
15 than eighteen years of age or unmarried at the time
16 the abortion was performed, induced, or attempted,
17 by a current or former licensed health care provider
18 of the woman, by a county attorney with appropriate
19 jurisdiction, or by the attorney general.

20 6. A woman upon whom an abortion was performed,
21 induced, or attempted shall not be subject to
22 prosecution for a violation of this chapter.

23 7. If the plaintiff prevails in an action brought
24 under this section, the plaintiff shall be entitled to
25 an award for reasonable attorney fees.

26 8. If the defendant prevails in an action brought
27 under this section and the court finds that the
28 plaintiff's suit was frivolous and brought in bad
29 faith, the defendant shall be entitled to an award for
30 reasonable attorney fees.

31 9. Damages and attorney fees shall not be assessed
32 against the woman upon whom an abortion was performed,
33 induced, or attempted except as provided in subsection
34 8.

35 10. In a civil or criminal proceeding or action
36 brought under this chapter, the court shall rule
37 whether the identity of any woman upon whom an abortion
38 has been performed, induced, or attempted shall be
39 protected from public disclosure if the woman does
40 not provide consent to such disclosure. The court,
41 upon motion or on its own motion, shall make such a
42 ruling and, upon determining that the woman's identity
43 should be protected, shall issue orders to the parties,
44 witnesses, and counsel and shall direct the sealing
45 of the record and exclusion of individuals from
46 courtrooms or hearing rooms to the extent necessary to
47 safeguard the woman's privacy. Each such order shall
48 be accompanied by specific written findings explaining
49 why the identity of the woman should be protected
50 from public disclosure, why the order is essential to

Page 6

1 that end, how the order is narrowly tailored to serve
 2 that interest, and why no reasonable less restrictive
 3 alternative exists. In the absence of written consent
 4 of the woman upon whom an abortion has been performed,
 5 induced, or attempted, anyone, other than a public
 6 official, who brings an action under this section shall
 7 do so under a pseudonym. This subsection shall not be
 8 construed to conceal the identity of the plaintiff or
 9 of witnesses from the defendant or from attorneys for
 10 the defendant.

11 Sec. ____ NEW SECTION. 146A.4 Construction.
 12 Nothing in this chapter shall be construed as
 13 creating or recognizing a right to an abortion.

14 Sec. ____ NEW SECTION. 146A.5 Severability clause.

15 If any provision of this chapter or its application
 16 to any person or circumstance is held invalid,
 17 the invalidity does not affect other provisions or
 18 application of this chapter which can be given effect
 19 without the invalid provision or application, and to
 20 this end the provisions of this chapter are severable.

1 9. It is the purpose of the state of Iowa to assert
2 a compelling state interest in protecting the unborn
3 child from the stage at which substantial medical
4 evidence indicates the unborn child is capable of
5 feeling pain.

6 Sec. 2. NEW SECTION. 146A.1 Definitions.

7 As used in this chapter, unless the context
8 otherwise requires:

9 1. "Abortion" means abortion as defined in section
10 146.1.

11 2. "Attempt to perform or induce an abortion" means
12 an act, or an omission of a statutorily required act,
13 that, under the circumstances as the actor believes
14 them to be, constitutes a substantial step in a course
15 of conduct planned to culminate in the performance or

16 inducing of an abortion.

17 3. "Department" means the department of public
18 health.

19 4. "Fertilization" means the fusion of a human
20 spermatozoon with a human ovum.

21 5. "Medical emergency" means a condition which, in
22 reasonable medical judgment, so complicates the medical
23 condition of a pregnant woman as to necessitate the
24 termination of the human pregnancy to avert the woman's
25 death or to avoid a serious risk of substantial and
26 irreversible physical impairment of a major bodily
27 function. "Medical emergency" does not include a
28 condition which is based on a claim or diagnosis that
29 the pregnant woman will engage in conduct which would
30 result in the pregnant woman's death or in substantial
31 and irreversible physical impairment of a major bodily
32 function.

33 6. "Medical facility" means any public or private
34 hospital, clinic, center, medical school, medical
35 training institution, health care facility, physician's
36 office, infirmary, dispensary, ambulatory surgical
37 center, or other institution or location where medical
38 care is provided to any person.

39 7. "Physician" means a person licensed under
40 chapter 148.

41 8. "Postfertilization age" means the age of the
42 unborn child as calculated from the fertilization of
43 the human ovum.

44 9. "Probable postfertilization age" means what,
45 in reasonable medical judgment, will with reasonable
46 probability be the postfertilization age of the unborn
47 child at the time an abortion is to be performed.

48 10. "Reasonable medical judgment" means a medical
49 judgment made by a reasonably prudent physician who
50 is knowledgeable about the case and the treatment

Page 3

1 possibilities with respect to the medical conditions
2 involved.

3 11. "Unborn child" means an individual organism of
4 the species homo sapiens from fertilization until live
5 birth.

6 Sec. 3. NEW SECTION. 146A.2 Determination of
7 postfertilization age prior to abortion — abortion
8 prohibited at twenty or more weeks postfertilization age
9 — exceptions — reporting requirements — penalties.

10 1. Except in the case of a medical emergency,
11 an abortion shall not be performed or induced or
12 be attempted to be performed or induced unless
13 the physician performing or inducing the abortion
14 has first made a determination of the probable

15 postfertilization age of the unborn child or relied
16 upon such a determination made by another physician.
17 In making such a determination, a physician shall make
18 such inquiries of the pregnant woman and perform or
19 cause to be performed such medical examinations and
20 tests the physician considers necessary in making a
21 reasonable medical judgment to accurately determine the
22 postfertilization age of the unborn child.

23 2. a. A physician shall not perform or induce
24 or attempt to perform or induce an abortion upon a
25 pregnant woman when it has been determined, by the
26 physician performing or inducing the abortion or
27 by another physician upon whose determination that
28 physician relies, that the probable postfertilization
29 age of the unborn child is twenty or more weeks unless,
30 in the physician's reasonable medical judgment, any of
31 the following applies:

32 (1) The pregnant woman has a condition which the
33 physician deems a medical emergency.

34 (2) It is necessary to preserve the life of an
35 unborn child.

36 b. An abortion performed or induced under this
37 subsection shall be performed or induced in a medical
38 facility that provides the appropriate level of
39 perinatal care as specified in 641 IAC 150.

40 3. A physician who performs or induces or attempts
41 to perform or induce an abortion shall report to
42 the department, on a schedule and in accordance with
43 forms and rules adopted by the department, all of the
44 following:

45 a. If a determination of probable postfertilization
46 age of the unborn child was made, the probable
47 postfertilization age determined and the method and
48 basis of the determination.

49 b. If a determination of probable postfertilization
50 age of the unborn child was not made, the basis of the

Page 4

1 determination that a medical emergency existed.

2 c. If the probable postfertilization age of the
3 unborn child was determined to be twenty or more weeks,
4 the basis of the determination of a medical emergency,
5 or the basis of the determination that the abortion was
6 necessary to preserve the life of an unborn child.

7 d. The method used for the abortion and, in the
8 case of an abortion performed when the probable
9 postfertilization age was determined to be twenty or
10 more weeks, whether the method of abortion used was one
11 that, in the physician's reasonable medical judgment,
12 provided the best opportunity for the unborn child to
13 survive or, if such a method was not used, the basis

14 of the determination that termination of the human
15 pregnancy in that manner would pose a greater risk than
16 would any other available method of the death of the
17 pregnant woman or of the substantial and irreversible
18 physical impairment of a major bodily function.

19 4. a. By June 30, annually, the department shall
20 issue a public report providing statistics for the
21 previous calendar year, compiled from the reports for
22 that year submitted in accordance with subsection

23 3. The department shall ensure that none of the
24 information included in the public reports could
25 reasonably lead to the identification of any woman upon
26 whom an abortion was performed.

27 b. (1) A physician who fails to submit a report by
28 the end of thirty days following the due date shall be
29 subject to a late fee of five hundred dollars for each
30 additional thirty-day period or portion of a thirty-day
31 period the report is overdue.

32 (2) A physician required to report in accordance
33 with subsection 3 who has not submitted a report or who
34 has submitted only an incomplete report more than one
35 year following the due date, may, in an action brought
36 in the manner in which actions are brought to enforce
37 chapter 148, be directed by a court of competent
38 jurisdiction to submit a complete report within a time
39 period stated by court order or be subject to contempt
40 of court.

41 (3) A physician who intentionally or recklessly
42 falsifies a report required under this section is
43 subject to a civil penalty of one hundred dollars.

44 5. Any medical facility in which a physician is
45 authorized to perform an abortion shall implement
46 written medical policies and procedures consistent with
47 the requirements and prohibitions of this chapter.

48 6. The department shall adopt rules to administer
49 this section.

50 Sec. 4. NEW SECTION. 146A.3 Civil and criminal

Page 5

1 actions — penalties.

2 1. Failure of a physician to comply with any
3 provision of section 146A.2, with the exception of the
4 late filing of a report or failure to submit a complete
5 report in compliance with a court order, is grounds for
6 license discipline under chapter 148.

7 2. A physician who intentionally or recklessly
8 performs or attempts to perform an abortion in
9 violation of this chapter is guilty of a class "C"
10 felony.

11 3. A woman upon whom an abortion has been performed
12 in violation of this chapter or the biological father

13 may maintain an action against the physician who
14 performed the abortion in intentional or reckless
15 violation of this chapter for actual damages. This
16 subsection shall not be interpreted to apply to a
17 biological father when the pregnancy is the result of
18 rape or incest.

19 4. A woman upon whom an abortion has been attempted
20 in violation of this chapter may maintain an action
21 against the physician who attempted to perform the
22 abortion in intentional or reckless violation of this
23 chapter for actual damages.

24 5. A cause of action for injunctive relief to
25 prevent a physician from performing abortions may be
26 maintained against a physician who has intentionally
27 violated this chapter by the woman upon whom the
28 abortion was performed or attempted to be performed,
29 by the spouse of the woman, by a parent or guardian of
30 the woman if the woman is less than eighteen years of
31 age or unmarried at the time the abortion was performed
32 or attempted to be performed, by a current or former
33 licensed health care provider of the woman, by a county
34 attorney with appropriate jurisdiction, or by the
35 attorney general.

36 6. A woman upon whom an abortion was performed or
37 was attempted to be performed shall not be subject to
38 prosecution for a violation of this chapter.

39 7. If the plaintiff prevails in an action brought
40 under this section, the plaintiff shall be entitled to
41 an award for reasonable attorney fees.

42 8. If the defendant prevails in an action brought
43 under this section and the court finds that the
44 plaintiff's suit was frivolous and brought in bad
45 faith, the defendant shall be entitled to an award for
46 reasonable attorney fees.

47 9. Damages and attorney fees shall not be assessed
48 against the woman upon whom an abortion was performed
49 or attempted to be performed except as provided in
50 subsection 8.

Page 6

1 10. In a civil or criminal proceeding or action
2 brought under this chapter, the court shall rule
3 whether the anonymity of any woman upon whom an
4 abortion has been performed or attempted shall be
5 preserved from public disclosure if the woman does
6 not provide consent to such disclosure. The court,
7 upon motion or on its own motion, shall make such a
8 ruling and, upon determining that the woman's anonymity
9 should be preserved, shall issue orders to the parties,
10 witnesses, and counsel and shall direct the sealing of
11 the record and exclusion of individuals from courtrooms

12 or hearing rooms to the extent necessary to safeguard
 13 the woman's identity from public disclosure. Each such
 14 order shall be accompanied by specific written findings
 15 explaining why the anonymity of the woman should
 16 be preserved from public disclosure, why the order
 17 is essential to that end, how the order is narrowly
 18 tailored to serve that interest, and why no reasonable
 19 less restrictive alternative exists. In the absence
 20 of written consent of the woman upon whom an abortion
 21 has been performed or attempted, anyone, other than
 22 a public official, who brings an action under this
 23 section shall do so under a pseudonym. This subsection
 24 shall not be construed to conceal the identity of the
 25 plaintiff or of witnesses from the defendant or from
 26 attorneys for the defendant.

27 Sec. 5. NEW SECTION. 146A.4 Construction.

28 Nothing in this chapter shall be construed as
 29 creating or recognizing a right to an abortion.

30 Sec. 6. NEW SECTION. 146A.5 Severability clause.

31 If any provision of this chapter or its application
 32 to any person or circumstance is held invalid,
 33 the invalidity does not affect other provisions or
 34 application of this chapter which can be given effect
 35 without the invalid provision or application, and to
 36 this end the provisions of this chapter are severable.

9 equal to or in excess of fifty percent.

10 Sec. 148. NEW SECTION. 426C.2 Business property
11 tax credit fund — appropriation.

12 1. A business property tax credit fund is created
13 in the state treasury under the authority of the
14 department. For the fiscal year beginning July 1,
15 2012, there is appropriated from the general fund of
16 the state to the department to be credited to the
17 fund, the sum of fifty million dollars to be used
18 for business property tax credits authorized in this
19 chapter. For the fiscal year beginning July 1, 2013,
20 and each fiscal year thereafter, there is appropriated
21 from the general fund of the state to the department
22 to be credited to the fund an amount equal to the
23 total amount appropriated by the general assembly to
24 the fund in the previous fiscal year. In addition,
25 the sum of fifty million dollars shall be added to the
26 appropriation in each fiscal year beginning on or after
27 July 1, 2013, if the revenue estimating conference
28 certifies during its final meeting of the calendar year
29 ending prior to the beginning of the fiscal year that
30 the total amount of general fund revenues collected
31 during the fiscal year ending during such calendar year
32 was at least one hundred four percent of the total
33 amount of general fund revenues collected during the
34 previous fiscal year. However, the total appropriation
35 to the fund shall not exceed two hundred million
36 dollars for any one fiscal year.

37 2. Notwithstanding section 12C.7, subsection 2,
38 interest or earnings on moneys deposited in the fund
39 shall be credited to the fund. Moneys in the fund are
40 not subject to the provisions of section 8.33 and shall
41 not be transferred, used, obligated, appropriated,
42 or otherwise encumbered except as provided in this
43 chapter.

44 Sec. 149. NEW SECTION. 426C.3 Claims for credit.

45 1. Each person who wishes to claim the credit
46 allowed under this chapter shall obtain the appropriate
47 forms from the assessor and file the claim with the
48 assessor. The director of revenue shall prescribe
49 suitable forms and instructions for such claims, and
50 make such forms and instructions available to the

Page 53

1 assessors.

2 2. a. Claims for the business property tax credit
3 shall be filed not later than March 15 preceding the
4 fiscal year during which the taxes for which the credit
5 is claimed are due and payable.

6 b. A claim filed after the deadline for filing
7 claims shall be considered as a claim for the following
8 year.

9 3. Upon the filing of a claim and allowance of the
10 credit, the credit shall be allowed on the parcel or
11 property unit for successive years without further
12 filing as long as the parcel or property unit satisfies
13 the requirements for the credit. If the parcel or
14 property unit owner ceases to qualify for the credit
15 under this chapter, the owner shall provide written
16 notice to the assessor by the date for filing claims
17 specified in subsection 2 following the date on which
18 the parcel or property unit ceases to qualify for the
19 credit.

20 4. When all or a portion of a parcel or property
21 unit that is allowed a credit under this chapter is
22 sold, transferred, or ownership otherwise changes, the
23 buyer, transferee, or new owner who wishes to receive
24 the credit shall refile the claim for credit. When a
25 portion of a parcel or property unit that is allowed
26 a credit under this chapter is sold, transferred, or
27 ownership otherwise changes, the owner of the portion
28 of the parcel or property unit for which ownership did
29 not change shall refile the claim for credit.

30 5. The assessor shall remit the claims for
31 credit to the county auditor with the assessor's
32 recommendation for allowance or disallowance. If
33 the assessor recommends disallowance of a claim,
34 the assessor shall submit the reasons for the
35 recommendation, in writing, to the county auditor. The
36 county auditor shall forward the claims to the board
37 of supervisors. The board shall allow or disallow the
38 claims.

39 6. For each claim and allowance of a credit for
40 a property unit, the county auditor shall calculate
41 the average of all consolidated levy rates applicable
42 to the several parcels within the property unit. All
43 claims for credit which have been allowed by the board
44 of supervisors, the actual value of the improvements
45 to such parcels and property units applicable to
46 the fiscal year for which the credit is claimed
47 that are subject to assessment and taxation prior to
48 imposition of any applicable assessment limitation,
49 the consolidated levy rates for such parcels and the
50 average consolidated levy rates for such property units

Page 54

1 applicable to the fiscal year for which the credit is
2 claimed, and the taxing districts in which the parcel
3 or property unit is located, shall be certified on or
4 before June 15, in each year, by the county auditor to
5 the department.

6 7. The assessor shall maintain a permanent file of
7 current business property tax credits. The assessor
8 shall file a notice of transfer of property for which a
9 credit has been allowed when notice is received from
10 the office of the county recorder, from the person
11 who sold or transferred the property, or from the
12 personal representative of a deceased property owner.
13 The county recorder shall give notice to the assessor
14 of each transfer of title filed in the recorder's
15 office. The notice from the county recorder shall
16 describe the property transferred, the name of the
17 person transferring title to the property, and the name
18 of the person to whom title to the property has been
19 transferred.

20 Sec. 150. NEW SECTION. 426C.4 Eligibility and
21 amount of credit.

22 1. Each parcel classified and taxed as commercial
23 property, industrial property, or railway property
24 under chapter 434, and improved with permanent
25 construction, is eligible for a credit under this
26 chapter. A person may claim and receive one credit
27 under this chapter for each eligible parcel unless
28 the parcel is part of a property unit. A person
29 may only claim and receive one credit under this
30 chapter for each property unit. A credit approved
31 for a property unit shall be allocated to the several
32 parcels within the property unit in the proportion
33 that each parcel's total amount of property taxes due
34 and payable attributable to the improvements bears to
35 the total amount of property taxes due and payable
36 attributable to the improvements for the property unit.
37 Only property units comprised of commercial property,
38 comprised of industrial property, or comprised of
39 railway property under chapter 434 are eligible for a
40 credit under this chapter.

41 2. Using the actual value of the improvements and
42 the consolidated levy rate for each parcel or the
43 average consolidated levy rate for each property unit,
44 as certified by the county auditor to the department
45 under section 426C.3, subsection 6, the department
46 shall calculate, for each fiscal year, an initial
47 amount of actual value of improvements for use in
48 determining the amount of the credit for each such
49 parcel or property unit so as to provide the maximum
50 possible credit according to the credit formula and

Page 55

1 limitations under subsection 3, and to provide a
2 total dollar amount of credits against the taxes due
3 and payable in the fiscal year equal to ninety-eight
4 percent of the moneys in the fund following the deposit
5 of the total appropriation for the fiscal year.

6 3. a. The amount of the credit for each parcel or
7 property unit for which a claim for credit under this
8 chapter has been approved shall be calculated under
9 paragraph "b" using the lesser of the initial amount
10 of actual value of the improvements determined by the
11 department under subsection 2, and the actual value
12 of the improvements to the parcel or property unit as
13 certified by the county auditor under section 426C.3,
14 subsection 6.

15 b. The amount of the credit for each parcel or
16 property unit for which a claim for credit under
17 this chapter has been approved shall be equal to the
18 amount of actual value determined under paragraph "a"
19 multiplied by the difference, stated as a percentage,
20 between the assessment limitation applicable to
21 the parcel or property unit under section 441.21,
22 subsection 5, and the assessment limitation applicable
23 to residential property under section 441.21,
24 subsection 4, divided by one thousand dollars, and then
25 multiplied by the consolidated levy rate or average
26 consolidated levy rate per one thousand dollars of
27 taxable value applicable to the parcel or property unit
28 for the fiscal year for which the credit is claimed as
29 certified by the county auditor under section 426C.3,
30 subsection 6.

31 Sec. 151. NEW SECTION. 426C.5 Payment to counties.

32 1. Annually the department shall certify to the
33 county auditor of each county the amounts of the
34 business property tax credits allowed in the county.
35 Each county auditor shall then enter the credits
36 against the tax levied on each eligible parcel or
37 property unit in the county, designating on the tax
38 lists the credit as being from the fund. Each taxing
39 district shall receive its share of the business
40 property tax credit allowed on each eligible parcel
41 or property unit in such taxing district, in the
42 proportion that the levy made by such taxing district
43 upon the parcel or property unit bears to the total
44 levy upon the parcel or property unit by all taxing
45 districts imposing a property tax in such taxing
46 district. However, the several taxing districts
47 shall not draw the moneys so credited until after the
48 semiannual allocations have been received by the county
49 treasurer, as provided in this section. Each county
50 treasurer shall show on each tax receipt the amount of

Page 56

1 credit received from the fund.

2 2. The director of the department of administrative
3 services shall issue warrants on the fund payable to
4 the county treasurers of the several counties of the
5 state under this chapter.

6 3. The amount due each county shall be paid in two
7 payments on November 15 and March 15 of each fiscal
8 year, drawn upon warrants payable to the respective
9 county treasurers. The two payments shall be as nearly
10 equal as possible.

11 Sec. 152. NEW SECTION. 426C.6 Appeals.

12 1. If the board of supervisors disallows a claim
13 for credit under section 426C.3, subsection 5, the
14 board of supervisors shall send written notice, by
15 mail, to the claimant at the claimant's last known
16 address. The notice shall state the reasons for
17 disallowing the claim for the credit. The board of
18 supervisors is not required to send notice that a claim
19 for credit is disallowed if the claimant voluntarily
20 withdraws the claim. Any person whose claim is denied
21 under the provisions of this chapter may appeal from
22 the action of the board of supervisors to the district
23 court of the county in which the parcel or property
24 unit is located by giving written notice of such appeal
25 to the county auditor within twenty days from the date
26 of mailing of notice of such action by the board of
27 supervisors.

28 2. If any claim for credit has been denied by the
29 board of supervisors, and such action is subsequently
30 reversed on appeal, the credit shall be allowed on the
31 applicable parcel or property unit, and the director of
32 revenue, the county auditor, and the county treasurer
33 shall provide the credit and change their books and
34 records accordingly. In the event the appealing
35 taxpayer has paid one or both of the installments of
36 the tax payable in the year or years in question,
37 remittance shall be made to such taxpayer of the amount
38 of such credit. The amount of such credit awarded on
39 appeal shall be allocated and paid from the balance
40 remaining in the fund.

41 Sec. 153. NEW SECTION. 426C.7 Audit — denial.

42 1. If on the audit of a credit provided under this
43 chapter, the director of revenue determines the amount
44 of the credit to have been incorrectly calculated or
45 that the credit is not allowable, the director shall
46 recalculate the credit and notify the taxpayer and the
47 county auditor of the recalculation or denial and the
48 reasons for it. The director shall not adjust a credit
49 after three years from October 31 of the year in which
50 the claim for the credit was filed. If the credit has

Page 57

1 been paid, the director shall give notification to the
2 taxpayer, the county treasurer, and the applicable
3 assessor of the recalculation or denial of the credit
4 and the county treasurer shall proceed to collect the
5 tax owed in the same manner as other property taxes due
6 and payable are collected, if the parcel or property
7 unit for which the credit was allowed is still owned
8 by the taxpayer. If the parcel or property unit
9 for which the credit was allowed is not owned by the
10 taxpayer, the amount may be recovered from the taxpayer
11 by assessment in the same manner that income taxes are
12 assessed under sections 422.26 and 422.30. The amount
13 of such erroneous credit, when collected, shall be
14 deposited in the fund.

15 2. The taxpayer or board of supervisors may
16 appeal any decision of the director of revenue to the
17 state board of tax review pursuant to section 421.1,
18 subsection 5. The taxpayer, the board of supervisors,
19 or the director of revenue may seek judicial review
20 of the action of the state board of tax review in
21 accordance with chapter 17A.

22 Sec. 154. NEW SECTION. 426C.8 False claim —
23 penalty.

24 A person who makes a false claim for the purpose of
25 obtaining a credit provided for in this chapter or who
26 knowingly receives the credit without being legally
27 entitled to it is guilty of a fraudulent practice. The
28 claim for a credit of such a person shall be disallowed
29 and if the credit has been paid the amount shall be
30 recovered in the manner provided in section 426C.7. In
31 such cases, the director of revenue shall send a notice
32 of disallowance of the credit.

33 Sec. 155. NEW SECTION. 426C.9 Rules.

34 The director of revenue shall prescribe forms,
35 instructions, and rules pursuant to chapter 17A, as
36 necessary, to carry out the purposes of this chapter.

37 Sec. 156. IMPLEMENTATION. Notwithstanding the
38 deadline for filing claims established in section
39 426C.3, for a credit against property taxes due and
40 payable during the fiscal year beginning July 1, 2012,
41 the claim for the credit shall be filed not later than
42 January 15, 2012.

43 Sec. 157. APPLICABILITY. This division of this Act
44 applies to property taxes due and payable in fiscal
45 years beginning on or after July 1, 2012.

48 is amended to read as follows:

49 2. If a regional transit district budget allocates
50

Page 58

1 revenue responsibilities to the board of supervisors
 2 of a participating county, the amount of the regional
 3 transit district levy that is the responsibility of the
 4 participating county shall be deducted from the maximum
 5 ~~rates amount~~ of taxes authorized to be levied by the
 6 county pursuant to section 331.423, ~~subsections 1 and~~
 7 ~~2 subsection 3, paragraphs "b" and "c"~~, as applicable
 8 unless the county meets its revenue responsibilities as
 9 allocated in the budget from other available revenue
 10 sources. However, for a regional transit district
 11 that includes a county with a population of less than
 12 three hundred thousand, the amount of the regional
 13 transit district levy that is the responsibility of
 14 such participating county shall be deducted from the
 15 maximum ~~rate amount~~ of taxes authorized to be levied
 16 by the county pursuant to section 331.423, subsection
 17 ~~3, paragraph "b"~~.

18 Sec. 159. Section 331.263, subsection 2, Code 2011,
 19 is amended to read as follows:

20 2. The governing body of the community commonwealth

 24 to the community commonwealth. A city participating
 25 in the community commonwealth shall transfer a portion
 26 of the city's tax levy authorized under section 384.1
 27 or 384.12, whichever is applicable, to the governing
 28 body of the community commonwealth. The maximum
 29 ~~rates amount~~ of taxes authorized to be levied under
 30 ~~sections section 384.1 and the maximum amount of taxes~~

 32 participating in the community commonwealth shall be
 33 reduced by an amount equal to the rates of the same or
 34 similar taxes levied in the city by the governing body
 35 of the community commonwealth.

36 Sec. 160. Section 331.421, Code 2011, is amended by
 37 adding the following new subsection:

38 **NEW SUBSECTION.** 7A. "Item" means a budgeted
 39 expenditure, appropriation, or cash reserve from a
 40 fund for a service area, program, program element, or

 43 striking the section and inserting in lieu thereof the
 44 following:

45 331.423 Property tax dollars — basic levy maximums.

46 1. Annually, the board shall determine separate
 47 property tax levy limits to pay for general county
 48 services and rural county services in accordance with
 49 this section. The basic levies separately certified
 50 for general county services and rural county services

Page 59

1 under section 331.434 shall not raise property tax

3 section.

9 the calendar year in which the budget year begins. In
10 determining the annual growth factor, the department
11 shall calculate the average of the preceding three-year
12 percentage change, which shall be computed on an annual
13 basis, in the midwest consumer price index, ending
14 with the percentage change for the month of September.
15 The department shall then add that average percentage
16 change to one hundred percent.

17 b. "Boundary adjustment" means annexation,
18 severance, incorporation, or discontinuance as those
19 terms are defined in section 368.1.

32 following:

33 (1) Net new construction, including all incremental
34 valuation that is released in any one year from a
35 division of revenue under section 260E.4 or an urban
36 renewal area for which taxes were being divided under
37 section 403.19, regardless of whether the property
38 for the valuation being released remains subject
39 to the division of revenue under section 260E.4 or
40 remains part of the urban renewal area that is subject
41 to a division of revenue under section 403.19. The
42 amount of property tax dollars attributable to such
43 incremental valuation being released from a division
44 of revenue shall be subtracted from the maximum amount
45 of property tax dollars which may be certified for
46 the next following fiscal year if such incremental
47 valuation is not released for the next following fiscal
48 year.

49 (2) Additions or improvements to existing

10 allowed and such exemption has expired.
- 11 f. "Unfunded federal and state mandate cost growth"
12 means an amount of increased expenditures for a
13 county from the previous fiscal year, to the extent
14 such expenditures are not funded by the county's

16 any of the following:
- 17 (1) A federal statutory requirement or
18 appropriation that requires the county to establish,
19 expand, or modify its activities in a manner which
20 necessitates additional annual expenditures and for
21 which insufficient funding is provided to the county to
22 satisfy such requirements.
- 23 (2) A state mandate as defined in section 25B.3,
24 and for which insufficient funding is provided to
25 the county to satisfy the requirements of the state
26 mandate.
- 27 3. a. For the fiscal year beginning July 1, 2013,
28 and subsequent fiscal years, the maximum amount of
29 property tax dollars which may be certified for levy by
30 a county for general county services and rural county
31 services shall be the maximum property tax dollars
32 calculated under paragraphs "b" and "c", respectively.
- 33 b. The maximum property tax dollars that may be

Page 61

1 unincorporated area of the county.
2 (3) The unfunded federal and state mandate cost
3 growth attributable to the costs incurred by the county
4 for rural county services.
5 4. a. For purposes of calculating maximum property
6 tax dollars for general county services for the fiscal
7 year beginning July 1, 2013, only, the term “current
8 fiscal year’s maximum property tax dollars” shall mean
9 the total amount of property tax dollars certified by
10 the county for general county services for the fiscal
11 year beginning July 1, 2012, excluding those property
12 tax dollars that resulted from a supplemental levy
13 under section 331.424, subsection 1.
14 b. For purposes of calculating maximum property tax
15 dollars for rural county services for the fiscal year
16 beginning July 1, 2013, only, the term “current fiscal

28 debt service fund in section 331.430, for any capital
29 projects fund established by the county for deposit of
30 bond, loan, or note proceeds, and for any temporary
31 increase approved pursuant to section 331.423C, are
32 not included in the maximum amount of property tax
33 dollars that may be certified for a budget year under
34 subsection 3.
35 6. The department of management, in consultation
36 with the county finance committee, shall adopt rules
37 to administer this section. The department shall
38 prescribe forms to be used by counties when making
39 calculations required by this section.
40 Sec. 162. NEW SECTION. 331.423B Ending fund
41 balance.
42 1. a. Budgeted ending fund balances for a budget
43 year in excess of twenty-five percent of budgeted
44 expenditures in either the general fund or rural
45 services fund for that budget year shall be explicitly
46 committed or assigned for a specific purpose.
47 b. A county is encouraged, but not required, to
48 reduce budgeted, uncommitted, or unassigned ending
49 fund balances for the budget year to an amount equal
50 to approximately twenty-five percent of budgeted

Page 62

1 expenditures and transfers from the general fund
2 and rural services fund for that budget year unless
3 a decision is certified by the state appeal board
4 ordering a reduction in the ending fund balance of any
5 of those funds.

6 c. In a protest to the county budget under section
7 331.436, the county shall have the burden of proving
8 that the budgeted balances in excess of twenty-five
9 percent are reasonably likely to be appropriated for
10 the explicitly committed or assigned specific purpose.
11 The excess budgeted balance for the specific purpose
12 shall be considered an increase in an item in the
13 budget for purposes of section 24.28.

14 2. a. For a county that has, as of June 30, 2012,
15 reduced its actual ending fund balance to less than
16 twenty-five percent of actual expenditures, additional
17 property taxes may be computed and levied as provided
18 in this subsection. The additional property tax levy
19 amount is an amount not to exceed twenty-five percent
20 of actual expenditures from the general fund and rural
21 services fund for the fiscal year beginning July 1,
22 2011, minus the combined ending fund balances for those
23 funds for that year.

24 b. The amount of the additional property taxes
25 shall be apportioned between the general fund and the
26 rural services fund. However, the amount apportioned
27 for general county services and for rural county
28 services shall not exceed for each fund twenty-five
29 percent of actual expenditures for the fiscal year
30 beginning July 1, 2011.

31 c. All or a portion of additional property tax
32 dollars may be levied for the purpose of increasing
33 cash reserves for general county services and rural
34 county services in the budget year. The additional
35 property tax dollars authorized under this subsection
36 but not levied may be carried forward as unused ending
37 fund balance taxing authority until and for the fiscal
38 year beginning July 1, 2018. The amount carried
39 forward shall not exceed twenty-five percent of the
40 maximum amount of property tax dollars available in
41 the current fiscal year. Additionally, property taxes
42 that are levied as unused ending fund balance taxing
43 authority under this subsection may be the subject of
44 a protest under section 331.436, and the amount will
45 be considered an increase in an item in the budget for
46 purposes of section 24.28. The amount of additional
47 property taxes levied under this subsection shall not
48 be included in the computation of the maximum amount of
49 property tax dollars which may be certified and levied
50 under section 331.423.

8 the calendar year in which the budget year begins. In
9 determining the annual growth factor, the department
10 shall calculate the average of the preceding three-year
11 percentage change, which shall be computed on an annual
12 basis, in the midwest consumer price index, ending
13 with the percentage change for the month of September.
14 The department shall then add that average percentage
15 change to one hundred percent.

11 following:

12 (1) A federal statutory requirement or

15 necessitates additional annual expenditures and for
16 which insufficient funding is provided to the city to
17 satisfy such requirements.

18 (2) A state mandate as defined in section 25B.3,
19 and for which insufficient funding is provided to the
20 city to satisfy the requirements of the state mandate.

21 3. a. For the fiscal year beginning July 1, 2013,
22 and subsequent fiscal years, the maximum amount of
23 property tax dollars which may be certified for levy

Page 67

1 in section 384.12, and property taxes levied under
2 section 384.12, subsection 18, are not counted against
3 the maximum amount of property tax dollars that may be
4 certified for a fiscal year under subsection 3.

5 6. Notwithstanding the maximum amount of taxes
6 a city may certify for levy, the tax levied by a
7 city on tracts of land and improvements on the
8 tracts of land used and assessed for agricultural or
9 horticultural purposes shall not exceed three dollars
10 and three-eighths cents per thousand dollars of
11 assessed value in any year. Improvements located on
12 such tracts of land and not used for agricultural or
13 horticultural purposes and all residential dwellings

16 7. The department of management, in consultation
17 with the city finance committee, shall adopt rules

22 1. a. Budgeted general fund ending fund balances
23 for a budget year in excess of twenty-five percent of
24 budgeted expenditures from the general fund for that
25 budget year shall be explicitly committed or assigned
26 for a specific purpose.

27 b. A city is encouraged, but not required, to
28 reduce budgeted, uncommitted, or unassigned ending
29 fund balances for the budget year to an amount equal
30 to approximately twenty-five percent of budgeted
31 expenditures and transfers from the general fund for
32 that budget year unless a decision is certified by the
33 state appeal board ordering a reduction in the ending
34 fund balance of the fund.

35 c. In a protest to the city budget under section
36 384.19, the city shall have the burden of proving that
37 the budgeted balances in excess of twenty-five percent
38 are reasonably likely to be appropriated for the
39 explicitly committed or assigned specific purpose. The
40 excess budgeted balance for the specific purpose shall
41 be considered an increase in an item in the budget for
42 purposes of section 24.28.

43 2. a. For a city that has, as of June 30,
44 2012, reduced its ending fund balance to less than

46 property taxes may be computed and levied as provided
47 in this subsection. The additional property tax levy
48 amount is an amount not to exceed the difference
49 between twenty-five percent of actual expenditures for
50 city government purposes for the fiscal year beginning

Page 68

1 July 1, 2011, minus the ending fund balance for that
2 year.

3 b. All or a portion of additional property tax
4 dollars may be levied for the purpose of increasing
5 cash reserves for city government purposes in the
6 budget year. The additional property tax dollars
7 authorized under this subsection but not levied may be
8 carried forward as unused ending fund balance taxing
9 authority until and for the fiscal year beginning
10 July 1, 2018. The amount carried forward shall not
11 exceed twenty-five percent of the maximum amount of
12 property tax dollars available in the current fiscal
13 year. Additionally, property taxes that are levied
14 as unused ending fund balance taxing authority under
15 this subsection may be the subject of a protest under
16 section 384.19, and the amount will be considered an
17 increase in an item in the budget for purposes of
18 section 24.28. The amount of additional property tax
19 dollars levied under this subsection shall not be
20 included in the computation of the maximum amount of
21 property tax dollars which may be certified and levied
22 under section 384.1.

23 Sec. 170. Section 384.12, unnumbered paragraph
24 1, Code 2011, is amended by striking the unnumbered
25 paragraph and inserting in lieu thereof the following:

26 A city may certify taxes for deposit in the general
27 fund, subject to the limit provided in section 384.1
28 if applicable, which are in addition to any other
29 moneys the city may wish to spend for such purposes,
30 as follows:

31 Sec. 171. Section 384.12, subsection 20, Code 2011,
32 is amended by striking the subsection.

33 Sec. 172. NEW SECTION. 384.12A Authority to levy
34 beyond maximum property tax dollars.

35 1. The city council may certify additions to the

37 for a budget year if the city conducts a second public
38 hearing prior to certification of the budget to the
39 county auditor, in addition to the hearing held as
40 required under section 384.16. The second public
41 hearing shall be conducted in the same manner as
42 the public hearing on the budget required in section
43 384.16.

44 2. The amount of additional property tax dollars
45 certified under this section shall not be included in
46 the computation of the maximum amount of property tax
47 dollars which may be certified and levied under section
48 384.1 for future budget years.

49 Sec. 173. Section 384.16, subsection 1, paragraph
50 b, Code 2011, is amended to read as follows:

Page 69

1 b. A budget must show comparisons between the
2 estimated expenditures in each program in the following
3 year, the latest estimated expenditures in each program
4 in the current year, and the actual expenditures in
5 each program from the annual report as provided in
6 section 384.22, or as corrected by a subsequent audit
7 report. Wherever practicable, as provided in rules
8 of the committee, a budget must show comparisons
9 between the levels of service provided by each program
10 as estimated for the following year, and actual
11 levels of service provided by each program during
12 the two preceding years. For each city that has
13 established an urban renewal area, the budget shall
14 include estimated and actual tax increment financing
15 revenues and all estimated and actual expenditures of
16 the revenues, proceeds from debt and all estimated
17 and actual expenditures of the debt proceeds, and
18 identification of any entity receiving a direct payment
19 of taxes funded by tax increment financing revenues
20 and shall include the total amount of loans, advances,
21 indebtedness, or bonds outstanding at the close of
22 the most recently ended fiscal year, which qualify
23 for payment from the special fund created in section
24 403.19, including interest negotiated on such loans,
25 advances, indebtedness, or bonds. The amount of loans,
26 advances, indebtedness, or bonds shall be listed in the
27 aggregate for each city reporting. ~~The city finance
28 committee, in consultation with the department of
29 management and the legislative services agency, shall
30 determine reporting criteria and shall prepare a form
31 for reports filed with the department pursuant to this
32 section. The department shall make the information
33 available by electronic means.~~

34 Sec. 174. Section 384.19, Code 2011, is amended by
35 adding the following new unnumbered paragraph:
36 NEW UNNUMBERED PARAGRAPH. For purposes of a tax
37 protest filed under this section, "item" means a

42 read as follows:

43 386.8 Operation tax.

44 A city may establish a self-supported improvement
45 district operation fund, and may certify taxes not
46 to exceed the rate limitation as established in the
47 ordinance creating the district, or any amendment
48 thereto, each year to be levied for the fund against
49 all of the property in the district, for the purpose
50 of paying the administrative expenses of the district,

Page 70

1 which may include but are not limited to administrative
2 personnel salaries, a separate administrative office,
3 planning costs including consultation fees, engineering
4 fees, architectural fees, and legal fees and all other
5 expenses reasonably associated with the administration
6 of the district and the fulfilling of the purposes of
7 the district. The taxes levied for this fund may also
8 be used for the purpose of paying maintenance expenses
9 of improvements or self-liquidating improvements for a
10 specified length of time with one or more options to
11 renew if such is clearly stated in the petition which
12 requests the council to authorize construction of the
13 improvement or self-liquidating improvement, whether
14 or not such petition is combined with the petition
15 requesting creation of a district. Parcels of property
16 which are assessed as residential property for property
17 tax purposes are exempt from the tax levied under this
18 section except residential properties within a duly
19 designated historic district. A tax levied under
20 this section is not subject to the ~~levy~~ limitation in
21 section 384.1.

22 Sec. 176. Section 386.9, Code 2011, is amended to
23 read as follows:

24 386.9 Capital improvement tax.

25 A city may establish a capital improvement fund
26 for a district and may certify taxes, not to exceed
27 the rate established by the ordinance creating the
28 district, or any subsequent amendment thereto,
29 each year to be levied for the fund against all of
30 the property in the district, for the purpose of
31 accumulating moneys for the financing or payment
32 of a part or all of the costs of any improvement or
33 self-liquidating improvement. However, parcels of
34 property which are assessed as residential property
35 for property tax purposes are exempt from the tax
36 levied under this section except residential properties
37 within a duly designated historic district. A tax
38 levied under this section is not subject to the ~~levy~~
39 limitations in section 384.1 or 384.7.

40 Sec. 177. REPEAL. Sections 331.425 and 331.426,
41 Code 2011, are repealed.

42 Sec. 178. EFFECTIVE DATE AND APPLICABILITY. This
43 division of this Act takes effect July 1, 2012, and

46 DIVISION XX

47 RESIDENTIAL PROPERTY ASSESSMENT LIMITATION

48 Sec. 179. Section 441.21, subsection 4, Code 2011,
49 is amended to read as follows:

50 4. For valuations established as of January

Page 71

1 1, 1979, the percentage of actual value at which
2 agricultural and residential property shall be assessed
3 shall be the quotient of the dividend and divisor as
4 defined in this section. The dividend for each class
5 of property shall be the dividend as determined for
6 each class of property for valuations established as
7 of January 1, 1978, adjusted by the product obtained
8 by multiplying the percentage determined for that year
9 by the amount of any additions or deletions to actual
10 value, excluding those resulting from the revaluation
11 of existing properties, as reported by the assessors
12 on the abstracts of assessment for 1978, plus six
13 percent of the amount so determined. However, if the
14 difference between the dividend so determined for
15 either class of property and the dividend for that
16 class of property for valuations established as of
17 January 1, 1978, adjusted by the product obtained by
18 multiplying the percentage determined for that year
19 by the amount of any additions or deletions to actual
20 value, excluding those resulting from the revaluation
21 of existing properties, as reported by the assessors
22 on the abstracts of assessment for 1978, is less than
23 six percent, the 1979 dividend for the other class of
24 property shall be the dividend as determined for that
25 class of property for valuations established as of
26 January 1, 1978, adjusted by the product obtained by
27 multiplying the percentage determined for that year
28 by the amount of any additions or deletions to actual
29 value, excluding those resulting from the revaluation
30 of existing properties, as reported by the assessors on
31 the abstracts of assessment for 1978, plus a percentage
32 of the amount so determined which is equal to the
33 percentage by which the dividend as determined for the
34 other class of property for valuations established as
35 of January 1, 1978, adjusted by the product obtained
36 by multiplying the percentage determined for that year
37 by the amount of any additions or deletions to actual
38 value, excluding those resulting from the revaluation
39 of existing properties, as reported by the assessors
40 on the abstracts of assessment for 1978, is increased
41 in arriving at the 1979 dividend for the other class
42 of property. The divisor for each class of property
43 shall be the total actual value of all such property
44 in the state in the preceding year, as reported by the
45 assessors on the abstracts of assessment submitted
46 for 1978, plus the amount of value added to said
47 total actual value by the revaluation of existing
48 properties in 1979 as equalized by the director of
49 revenue pursuant to section 441.49. The director shall
50 utilize information reported on abstracts of assessment

1 submitted pursuant to section 441.45 in determining
 2 such percentage. For valuations established as
 3 of January 1, 1980, and each year thereafter, the
 4 percentage of actual value as equalized by the director
 5 of revenue as provided in section 441.49 at which
 6 agricultural and residential property shall be assessed
 7 shall be calculated in accordance with the methods
 8 provided herein including the limitation of increases
 9 in agricultural and residential assessed values to the
 10 percentage increase of the other class of property if
 11 the other class increases less than the allowable limit
 12 adjusted to include the applicable and current values
 13 as equalized by the director of revenue, except that
 14 any references to six percent in this subsection shall
 15 be four percent. For valuations established as of
 16 January 1, 2012, and each assessment year thereafter,
 17 the percentage of actual value as equalized by the
 18 director of revenue as provided in section 441.49 at
 19 which residential property shall be assessed shall be
 20 calculated in accordance with the methods provided
 21 herein including the limitation of increases in
 22 agricultural and residential assessed values to the
 23 percentage increase of the other class of property if
 24 the other class increases less than the allowable limit
 25 adjusted to include the applicable and current values
 26 as equalized by the director of revenue, except that
 27 in no assessment year shall the percentage of actual
 28 value at which residential property is assessed be less
 29 than fifty percent.

13 motor vehicles as provided by this subsection shall be
14 credited to the fund from which the motor vehicles were
15 purchased.

16 3. By March 1, 2012, the department shall award
17 a vehicle rental or leasing contract to a private
18 entity, and shall assign passenger vehicles for rental

20 department determines doing so would be economically
21 feasible and financially advantageous. By March 1,
22 2012, all state-assigned passenger vehicles designated
23 for use by multiple drivers, and located in any county
24 of this state which can support the operation of a
25 private entity for rental and leasing purposes, which
26 the department determines would be suitable for rental
27 or leasing shall be returned to the department for use
28 and disposition as provided in this section.

29 4. Notwithstanding any other provision of state law

31 pursuant to this section shall not be required to
32 indemnify or hold harmless the state for any liability
33 the state might have to any third party due to the
34 negligence of the state or any of its employees.

35 5. The department shall conduct an ongoing
36 evaluation regarding the economic advantages of
37 renting or leasing state-assigned vehicles versus state
38 ownership of such vehicles, and shall accordingly
39 adjust the number of vehicles subject to the rental and
40 leasing contract pursuant to this section at intervals
41 specified in the contract.

9 Sec. 46. Section 99D.14, subsection 2, Code 2011,
10 is amended by adding the following new paragraph:

11 NEW PARAGRAPH. c. Notwithstanding sections 8.60
12 and 99D.17, the portion of the fee paid pursuant to
13 paragraph “a” relating to the costs of the commission,
14 shall not be deposited in the general fund of the
15 state but instead shall be deposited into the gaming
16 regulatory revolving fund established in section
17 99F.20.

18 Sec. 47. Section 99F.10, subsection 4, Code 2011,
19 is amended by adding the following new paragraph:

20 NEW PARAGRAPH. c. Notwithstanding sections 8.60
21 and 99F.4, the portion of the fee paid pursuant to
22 paragraph “a” relating to the costs of the commission,

24 state but instead shall be deposited into the gaming
25 regulatory revolving fund established in section
26 99F.20.

27 Sec. 48. NEW SECTION. 99F.20 Gaming regulatory
28 revolving fund.

29 1. A gaming regulatory revolving fund is created in
30 the state treasury under the control of the department
31 of inspections and appeals. The fund shall consist
32 of fees collected and deposited into the fund paid by
33 licensees pursuant to section 99D.14, subsection 2,
34 paragraph “c”, and fees paid by licensees pursuant to
35 section 99F.10, subsection 4, paragraph “c”. All costs
36 relating to racetrack, excursion boat, and gambling
37 structure regulation shall be paid from the fund as

42 billed and collected and expenditures from the fund in
43 a format as determined by the department of management
44 in consultation with the legislative services agency.

45 2. To meet the department’s cash flow needs, the
46 department may temporarily use funds from the general
47 fund of the state to pay expenses in excess of moneys
48 available in the revolving fund if those additional
49 expenditures are fully reimbursable and the department
50 reimburses the general fund of the state and ensures

Page 23

1 all moneys are repaid in full by the close of the
2 fiscal year. Notwithstanding any provision to the
3 contrary, the department shall, to the fullest extent
4 possible, make an estimate of billings and make such
5 billings as early as possible in each fiscal year,
6 so that the need for the use of general fund moneys
7 is minimized to the lowest extent possible. Periodic
8 billings shall be deemed sufficient to satisfy this
9 requirement. Because any general fund moneys used
10 shall be fully reimbursed, such temporary use of funds
11 from the general fund of the state shall not constitute
12 an appropriation for purposes of calculating the state
13 general fund expenditure limitation pursuant to section
14 8.54.

15 3. Section 8.33 does not apply to any moneys
16 credited or appropriated to the revolving fund from any
17 other fund.

18 4. The establishment of the revolving fund pursuant
19 to this section shall not be interpreted in any manner
20 to compromise or impact the accountability of, or limit
21 authority with respect to, the department under state
22 law. Any provision applicable to, or responsibility
23 of, the department shall not be altered or impacted by
24 the existence of the fund and shall remain applicable
25 to the same extent as if the department were receiving
26 moneys pursuant to a general fund appropriation. The
27 department shall comply with directions by the governor
28 to executive branch departments regarding restrictions
29 on out-of-state travel, hiring justifications,
30 association memberships, equipment purchases,
31 consulting contracts, and any other expenditure
32 efficiencies that the governor deems appropriate.

23 546.12 Department of commerce revolving fund.

24 1. A department of commerce revolving fund is
 25 created in the state treasury. The fund shall consist

 27 union division; utilities division, including moneys
 28 collected on behalf of the office of consumer advocate
 29 established in section 475A.3; and the insurance

 31 account for that division or office within the fund
 32 on a monthly basis. Except as otherwise provided by
 33 statute, all costs for operating the office of consumer
 34 advocate and the banking division, the credit union
 35 division, the utilities division, and the insurance
 36 division of the department shall be paid from the
 37 division’s accounts within the fund, subject to
 38 appropriation by the general assembly. The insurance

4 the general fund of the state to pay expenses in excess
5 of moneys available in the revolving fund for that

27 to this section shall not be interpreted in any manner
28 to compromise or impact the accountability of, or
29 limit authority with respect to, an agency or entity

31 responsibility of, a division or office collecting
32 moneys for deposit into the fund established pursuant
33 to this section shall not be altered or impacted by

35 to the same extent as if the division or office
36 were receiving moneys pursuant to a general fund
37 appropriation. Appropriations from the revolving
38 fund shall not be subject to the provisions of section
39 8.31, subsection 5. The divisions of the department of

49 adding the following new subsections:
50 NEW SUBSECTION. 4. Of the amounts appropriated

1 in this section, \$12,000,000 shall be distributed as
2 provided in this subsection.

3 a. To be eligible to receive a distribution under
4 this subsection, a county must meet the following
5 requirements:

6 (1) The county is levying for the maximum amount
7 allowed for the county’s mental health, mental

12 maximum amount allowed for the county’s services fund
13 and that levy rate is more than \$2 per \$1,000 of the
14 assessed value of all taxable property in the county.

15 (2) In the fiscal year beginning July 1, 2009,
16 the county’s mental health, mental retardation, and
17 developmental disabilities services fund ending balance
18 under generally accepted accounting principles was
19 equal to or less than 15 percent of the county’s actual
20 gross expenditures for that fiscal year.

21 b. The amount of a county’s distribution from
22 the allocation made in this subsection shall be
23 determined based upon the county’s proportion of the
24 general population of the counties eligible to receive
25 a distribution under this subsection. The latest
26 certified federal census issued by the United States
27 bureau of the census shall be applied in determining
28 population for the purposes of this paragraph.

29 c. The distributions made pursuant to this
30 subsection are subject to the distribution provisions
31 and withholding requirements established in this
32 section for the county mental health, mental
33 retardation, and developmental disabilities allowed
34 growth factor adjustment for the fiscal year beginning
35 July 1, 2011.

36 NEW SUBSECTION. 5. The following amount of the
37 funding appropriated in this section for distribution
38 to counties is the allowed growth factor adjustment for
39 fiscal year 2011–2012, and shall be credited to the
40 allowed growth funding pool created in the property tax
41 relief fund and for distribution in accordance with
42 section 426B.5, subsection 1:

43 \$ 61,697,893

44 For the distribution made for the fiscal year

46 at least 92 percent of the maximum amount allowed
47 for the county’s mental health, mental retardation,
48 and developmental disabilities services fund under
49 section 331.424A for the fiscal year and that had
50 a negative services fund balance for the fiscal

1 year beginning July 1, 2009, after disregarding the
 2 temporary funding increase provided to counties for
 3 the fiscal year beginning July 1, 2009, through the
 4 federal American Recovery and Reinvestment Act of
 5 2009, Pub. L. No. 111-5, shall be deemed to have met

 7 426B.5, subsection 1, paragraph “d”, subparagraph (1),
 8 subparagraph division (a).

9 NEW SUBSECTION. 6. The following formula amounts
 10 shall be utilized only to calculate preliminary
 11 distribution amounts for the allowed growth factor
 12 adjustment for fiscal year 2011–2012 under this
 13 section by applying the indicated formula provisions
 14 to the formula amounts and producing a preliminary
 15 distribution total for each county:

16 a. For calculation of a distribution amount for
 17 eligible counties from the allowed growth funding pool
 18 created in the property tax relief fund in accordance
 19 with the requirements in section 426B.5, subsection
 20 1, and including the allocation eligibility provision
 21 authorized in subsection 5 of this section:
 22 \$ 74,773,346

23 b. For calculation of a distribution amount for
 24 counties from the mental health and developmental
 25 disabilities (MH/DD) community services fund
 26 in accordance with the formula provided in the
 27 appropriation made for the MH/DD community services
 28 fund for the fiscal year beginning July 1, 2011:
 29 \$ 14,187,556

30 NEW SUBSECTION. 7. a. After applying the
 31 applicable statutory distribution formulas to the
 32 amounts indicated in subsection 6 for purposes of
 33 producing preliminary distribution totals, the
 34 department of human services shall apply a withholding
 35 factor to adjust an eligible individual county’s
 36 preliminary distribution total. In order to be
 37 eligible for a distribution under this section, a
 38 county must be levying 90 percent or more of the
 39 maximum amount allowed for the county’s mental health,
 40 mental retardation, and developmental disabilities
 41 services fund under section 331.424A for taxes due and
 42 payable in the fiscal year for which the distribution
 43 is payable.

44 b. An ending balance percentage for each county
 45 shall be determined by expressing the county’s ending
 46 balance on a modified accrual basis under generally
 47 accepted accounting principles for the fiscal year
 48 beginning July 1, 2009, in the county’s mental health,
 49 mental retardation, and developmental disabilities
 50 services fund created under section 331.424A, as a

Page 65

1 percentage of the county's gross expenditures from that
2 fund for that fiscal year. If a county borrowed moneys
3 for purposes of providing services from the county's
4 services fund on or before July 1, 2009, and the
5 county's services fund ending balance for that fiscal
6 year includes the loan proceeds or an amount designated
7 in the county budget to service the loan for the
8 borrowed moneys, those amounts shall not be considered
9 to be part of the county's ending balance for purposes
10 of calculating an ending balance percentage under this
11 subsection.

12 c. For purposes of calculating withholding
13 factors and for ending balance amounts used for other
14 purposes under law, the county ending balances shall
15 be adjusted, using forms developed for this purpose
16 by the county finance committee, to disregard the
17 temporary funding increase provided to the counties for
18 the fiscal year through the federal American Recovery
19 and Reinvestment Act of 2009, Pub. L. No. 111-5. In
20 addition, a county may adjust the ending balance amount
21 by rebating to the department all or a portion of
22 the allowed growth and MH/DD services fund moneys the
23 county received for the fiscal year beginning July 1,
24 2010, in accordance with 2009 Iowa Acts, chapter 179,
25 section 1, as amended by 2009 Iowa Acts, chapter 1192,
26 sections 47 and 48, or from any other services fund
27 moneys available to the county. The rebate must be
28 remitted to the department on or before June 1, 2011,
29 in order to be counted. However, if this division of
30 this Act is enacted after June 1, 2011, the rebate
31 must be remitted not later than 10 calendar days
32 after the date of the governor's approval of this Act.
33 The amount rebated by a county shall be subtracted
34 dollar-for-dollar from the county's ending balance
35 amount for the fiscal year beginning July 1, 2009, for
36 purposes of calculating the withholding factor and
37 for other ending balance purposes for the fiscal year
38 beginning July 1, 2011. The rebates received by the
39 department shall be credited to the property tax relief
40 fund and distributed as additional funding for the
41 fiscal year beginning July 1, 2011, in accordance with
42 the formula provisions in this section.

43 d. The withholding factor for a county shall be the
44 following applicable percent:

45 (1) For an ending balance percentage of less than
46 5 percent, a withholding factor of 0 percent. In
47 addition, a county that is subject to this lettered
48 paragraph shall receive an inflation adjustment equal
49 to 3 percent of the gross expenditures reported for the
50 county's services fund for the fiscal year.

Page 66

1 (2) For an ending balance percentage of 5 percent
2 or more but less than 10 percent, a withholding factor
3 of 0 percent. In addition, a county that is subject
4 to this lettered paragraph shall receive an inflation
5 adjustment equal to 2 percent of the gross expenditures
6 reported for the county's services fund for the fiscal
7 year.

8 (3) For an ending balance percentage of 10 percent
9 or more but less than 25 percent, a withholding factor
10 of 25 percent. However, for counties with an ending
11 balance percentage of 10 percent or more but less than
12 15 percent, the amount withheld shall be limited to
13 the amount by which the county's ending balance was in
14 excess of the ending balance percentage of 10 percent.

15 (4) For an ending balance percentage of 25 percent
16 or more, a withholding percentage of 100 percent.
17 NEW SUBSECTION. 8. The total withholding amounts
18 applied pursuant to subsection 7 shall be equal to
19 a withholding target amount of \$13,075,453. If the
20 department of human services determines that the
21 amount appropriated is insufficient or the amount to be
22 withheld in accordance with subsection 7 is not equal
23 to the target withholding amount, the department shall
24 adjust the withholding factors listed in subsection 7
25 as necessary to achieve the target withholding amount.
26 However, in making such adjustments to the withholding
27 factors, the department shall strive to minimize
28 changes to the withholding factors for those ending
29 balance percentage ranges that are lower than others
30 and shall only adjust the zero withholding factor
31 or the inflation adjustment percentages specified
32 in subsection 7, paragraph "d", when the amount
33 appropriated is insufficient.

34 Sec. 49. 2010 Iowa Acts, chapter 1193, section 99,
35 is amended to read as follows:

33 funding for shelter care or the child welfare emergency
34 services addressed with the allocation for shelter
35 care.

36 b. If at any time after September 30, 2012,

43 to identify those which might be appropriate for
44 termination. In addition, any aftercare services
45 believed to be needed for the children whose
46 placements may be terminated shall be identified. The
47 department and juvenile court services shall initiate
48 action to set dispositional review hearings for the
49 placements identified. In such a dispositional review
50 hearing, the juvenile court shall determine whether

2 termination of the placement is in the best interest of
3 the child and the community.

4 5. In accordance with the provisions of section

 49 IowaCare program pursuant to section 249J.6, that are
 50 provided to expansion population members:

1 \$ 1,500,000

2 a. Notwithstanding sections 249J.6 and 249J.7,
3 the amount appropriated in this subsection is
4 intended to provide payment for medically necessary
5 services provided to expansion population members for
6 continuation of care provided by the university of
7 Iowa hospitals and clinics or the publicly owned acute
8 care teaching hospital as specified in section 249J.7.
9 Payment may only be made for services that are not
10 otherwise covered under section 249J.6, and which are
11 follow-up services to covered services provided by the
12 hospitals specified in this paragraph "a".

13 b. The funds appropriated in this subsection are
14 intended to provide limited payment for continuity
15 of care services for an expansion population member,
16 and are intended to cover the costs of services
17 to expansion population members, regardless of

39 IowaCare regional provider network that does not have
40 the capability to provide these services on site:

41 \$ 500,000

42 Notwithstanding sections 249J.6 and 249J.7, the
43 amount appropriated in this subsection is intended
44 to provide reimbursement for services provided to
45 expansion population members that have previously
46 been paid for through expenditure by designated
47 regional provider network providers of their own
48 funds, not to expand coverage under the IowaCare
49 program or to expand the expansion population
50 provider network. The department shall designate the

1 laboratory and radiology provider associated with
 2 each designated regional provider network provider
 3 that may receive reimbursement. The department shall
 4 adopt administrative rules pursuant to chapter 17A
 5 to establish a prior authorization process and to
 6 identify covered services for reimbursement under this
 7 subsection. All other medical assistance program
 8 payment policies and rules for laboratory and radiology

 10 subsection. If the entire amount appropriated under
 11 this subsection is expended, laboratory tests and

29 \$ 81,199,911

30 Sec. 149. ADULT MH/MR/DD SERVICES ALLOWED GROWTH

31 FUNDING — FY 2012–2013.

32 1. There is appropriated from the general fund of

33 the state to the department of human services for the

34 fiscal year beginning July 1, 2012, and ending June 30,

35 2013, the following amount, or so much thereof as is

36 necessary, to be used for the purpose designated:

37 For distribution to counties of the county mental

38 health, mental retardation, and developmental

39 disabilities allowed growth factor adjustment for

40 fiscal year 2012–2013 as provided in this section in

41 lieu of the allowed growth factor provisions of section

42 331.438, subsection 2, and section 331.439, subsection

43 3, and chapter 426B and for transfer for the medical

44 assistance program:

45 \$ 88,697,893

46 Of the amount appropriated in this subsection,

47 \$5,000,000 shall be transferred to the appropriation

48 made in the department of human services division of

49 this Act from the general fund of the state to the

50 department of human services for the medical assistance

1 program for the fiscal year beginning July 1, 2012, and
2 shall be used to continue the funding designated in the
3 previous fiscal year to reduce home and community-based
4 services waiver waiting lists for children’s mental
5 health, intellectual disabilities, and brain injury.

6 2. Of the amount appropriated in this section,
7 \$12,000,000 shall be distributed as provided in this
8 subsection.

9 a. To be eligible to receive a distribution under
10 this subsection, a county must meet the following
11 requirements:

12 (1) The county is levying for the maximum amount
13 allowed for the county’s mental health, mental
14 retardation, and developmental disabilities services
15 fund under section 331.424A for taxes due and payable
16 in the fiscal year beginning July 1, 2012, or the
17 county is levying for at least 90 percent of the
18 maximum amount allowed for the county’s services fund
19 and that levy rate is more than \$2 per \$1,000 of the
20 assessed value of all taxable property in the county.

21 (2) In the fiscal year beginning July 1, 2010,
22 the county’s mental health, mental retardation, and
23 developmental disabilities services fund ending balance
24 under generally accepted accounting principles was
25 equal to or less than 15 percent of the county’s actual
26 gross expenditures for that fiscal year.

27 b. The amount of a county’s distribution from the
28 allocation made in this subsection shall be determined
29 based upon the county’s proportion of the general
30 population of the counties eligible to receive a
31 distribution under this subsection. The most recent
32 population estimates issued by the United States
33 bureau of the census shall be applied in determining
34 population for the purposes of this paragraph.

35 c. The distributions made pursuant to this
36 subsection are subject to the distribution provisions
37 and withholding requirements established in this
38 section for the county mental health, mental
39 retardation, and developmental disabilities allowed
40 growth factor adjustment for the fiscal year beginning
41 July 1, 2012.

42 3. The following amount of the funding appropriated
43 in this section is the allowed growth factor adjustment
44 for fiscal year 2012-2013, and shall be credited to the
45 allowed growth funding pool created in the property tax
46 relief fund and for distribution in accordance with
47 section 426B.5, subsection 1:

48 \$ 71,697,893

49 4. The following formula amounts shall be utilized
50 only to calculate preliminary distribution amounts for

1 the allowed growth factor adjustment for fiscal year
2 2012–2013 under this section by applying the indicated
3 formula provisions to the formula amounts and producing
4 a preliminary distribution total for each county:
5 a. For calculation of a distribution amount for
6 eligible counties from the allowed growth funding pool
7 created in the property tax relief fund in accordance
8 with the requirements in section 426B.5, subsection 1:
9 \$ 84,773,346
10 b. For calculation of a distribution amount for
11 counties from the mental health and developmental
12 disabilities (MH/DD) community services fund
13 in accordance with the formula provided in the
14 appropriation made for the MH/DD community services
15 fund for the fiscal year beginning July 1, 2012:
16 \$ 14,187,556
17 5. a. After applying the applicable statutory
18 distribution formulas to the amounts indicated in
19 subsection 4 for purposes of producing preliminary
20 distribution totals, the department of human services
21 shall apply a withholding factor to adjust an eligible
22 individual county’s preliminary distribution total.
23 In order to be eligible for a distribution under
24 this section, a county must be levying 90 percent or
25 more of the maximum amount allowed for the county’s
26 mental health, mental retardation, and developmental
27 disabilities services fund under section 331.424A for
28 taxes due and payable in the fiscal year for which the
29 distribution is payable.
30 b. An ending balance percentage for each county
31 shall be determined by expressing the county’s ending
32 balance on a modified accrual basis under generally
33 accepted accounting principles for the fiscal year
34 beginning July 1, 2010, in the county’s mental health,
35 mental retardation, and developmental disabilities
36 services fund created under section 331.424A, as a
37 percentage of the county’s gross expenditures from that
38 fund for that fiscal year. If a county borrowed moneys
39 for purposes of providing services from the county’s
40 services fund on or before July 1, 2010, and the
41 county’s services fund ending balance for that fiscal
42 year includes the loan proceeds or an amount designated
43 in the county budget to service the loan for the
44 borrowed moneys, those amounts shall not be considered
45 to be part of the county’s ending balance for purposes
46 of calculating an ending balance percentage under this
47 subsection.
48 c. For purposes of calculating withholding
49 factors and for ending balance amounts used for other
50 purposes under law, the county ending balances shall

Page 142

1 be adjusted, using forms developed for this purpose
2 by the county finance committee, to disregard the
3 temporary funding increase provided to the counties for
4 the fiscal year through the federal American Recovery
5 and Reinvestment Act of 2009, Pub. L. No. 111-5. In
6 addition, a county may adjust the ending balance amount
7 by rebating to the department all or a portion of
8 the allowed growth and MH/DD services fund moneys the
9 county received for the fiscal year beginning July 1,
10 2011, in accordance with this Act, or from any other
11 services fund moneys available to the county. The
12 rebate must be remitted to the department on or before
13 June 1, 2012, in order to be counted. However, if this
14 division of this Act is enacted after July 1, 2012, the
15 rebate must be remitted not later than 10 calendar days
16 after the date of the governor's approval of this Act.
17 The amount rebated by a county shall be subtracted
18 dollar-for-dollar from the county's ending balance
19 amount for the fiscal year beginning July 1, 2010, for
20 purposes of calculating the withholding factor and
21 for other ending balance purposes for the fiscal year
22 beginning July 1, 2012. The rebates received by the
23 department shall be credited to the property tax relief
24 fund and distributed as additional funding for the
25 fiscal year beginning July 1, 2012, in accordance with
26 the formula provisions in this section.

27 d. The withholding factor for a county shall be the
28 following applicable percent:

29 (1) For an ending balance percentage of less than
30 5 percent, a withholding factor of 0 percent. In
31 addition, a county that is subject to this lettered
32 paragraph shall receive an inflation adjustment equal
33 to 3 percent of the gross expenditures reported for the
34 county's services fund for the fiscal year.

35 (2) For an ending balance percentage of 5 percent
36 or more but less than 10 percent, a withholding factor
37 of 0 percent. In addition, a county that is subject
38 to this lettered paragraph shall receive an inflation
39 adjustment equal to 2 percent of the gross expenditures
40 reported for the county's services fund for the fiscal
41 year.

42 (3) For an ending balance percentage of 10 percent
43 or more but less than 25 percent, a withholding factor
44 of 25 percent. However, for counties with an ending
45 balance of 10 percent or more but less than 15 percent,
46 the amount withheld shall be limited to the amount by
47 which the county's ending balance was in excess of the
48 ending balance percentage of 10 percent.

49 (4) For an ending balance percentage of 25 percent
50 or more, a withholding percentage of 100 percent.

Page 143

1 6. The total withholding amounts applied pursuant
 2 to subsection 5 shall be equal to a withholding target
 3 amount of \$13,075,453. If the department of human
 4 services determines that the amount appropriated
 5 is insufficient or the amount to be withheld in
 6 accordance with subsection 5 is not equal to the target
 7 withholding amount, the department shall adjust the
 8 withholding factors listed in subsection 5 as necessary
 9 to achieve the target withholding amount. However, in
 10 making such adjustments to the withholding factors,
 11 the department shall strive to minimize changes to the
 12 withholding factors for those ending balance percentage
 13 ranges that are lower than others and shall only adjust
 14 the zero withholding factor or the inflation adjustment
 15 percentages specified in subsection 5, paragraph "d",
 16 when the amount appropriated is insufficient.

6	BE IT FURTHER RESOLVED, That there shall be four	
7	classes of appointments as employees of the general	
8	assembly:	
9	A "permanent full-time" or "permanent part-time"	
10	employee is one who is employed the year around and	
11	eligible to receive state benefits.	
12	An "exempt full-time" employee is one who is	
13	employed for only a portion of the year, usually the

16	is eligible to receive state benefits with the cost of	
17	benefits to the state to be paid, using accrued leave	

18 if authorized, by the employee when not on the payroll.

19 A "session-only" employee is one who is employed for
20 only a portion of the year, usually the legislative

Page 12

1 committee and for the house employees by the house
2 administration and rules committee. The committees
3 shall base the classification upon the following
4 factors:

5 1. The extent of formal education required of the
6 position; and,

7 2. The extent of the responsibilities to be
8 assigned to the position; and,

9 3. The amount of supervision placed over the
10 position; and,

14 The committees shall report the exact
15 classifications assigned to each individual on the
16 next legislative day, or, if such action is during
17 the interim, on the first day the senate or house
18 shall convene. Any action by the senate or house to
19 disapprove a report or a portion of a report shall be
20 effective the day after the action.

21 Recommendations for a pay grade for a new position
22 shall be developed in accordance with the factor scores
23 in the comparable worth report. Every four years the

27 branch to assure conformity to comparable worth.

28 BE IT FURTHER RESOLVED, That a senator or
29 representative may employ a secretary who in the
30 judgment of the senator or representative employing

Page 13

1 such person, possesses the necessary skills to perform
2 the duties such senator or representative shall
3 designate, under the administrative direction, as

12 and otherwise assist the committee. Such duties
13 shall be performed in accordance with standards which
14 shall be provided by the secretary of the senate and

6 BE IT FURTHER RESOLVED, That employees of the
7 general assembly may be eligible for either:
8 a) increases in salary grade or step based on
9 evaluation of their job performance and recommendations
10 of their administrative officers, subject to approval
11 of the senate committee on rules and administration
12 or the house committee on administration and rules, as
13 appropriate or
14 b) mobility within a pay grade at the discretion
15 of the chief clerk of the house upon recommendation by
16 the employee's division supervisor on the part of the

 29 promotion within a job series — twelve months of
 30 actual employment in that position.

Page 15

1 (3) Progression from step "2" to "3", and step "3"
 2 to "4", and step "4" to "5", and step "5" to "6", and

 19 committee under this rule. Within seven days after
 20 the first committee meeting after the convening of
 21 the second regular session, committees shall either
 22 authorize the chair to refer such bills and resolutions
 23 to a subcommittee for consideration, indefinitely
 24 postpone further consideration of such bills, or report
 25 them out to the floor and place them on the calendar.
 26 If the subcommittee is different than that appointed
 27 during the first session, the committee chair shall
 28 report to the senate the bill or resolution number and
 29 the names of the subcommittee members.
 30 Bills and resolutions which have been voted upon

Page 3

11 in the above categories in numerical order. Upon
12 their first publication in the calendar, bills and
13 resolutions in the above categories may be called up
14 for debate at any time by the majority leader. Motions
15 to reconsider shall be called up as provided by Rule
16 24.
17 5. The senate calendar shall include a listing
18 of senate appropriations committee bills and bills
19 reported out by the senate appropriations committee.
20 The list shall be known as the "Appropriations
21 Calendar". The secretary shall list the bills in
22 numerical order. Upon their first publication in the
23 calendar, bills on the appropriations calendar may be
24 called up for debate at any time by the majority leader
25 provided they are eligible under Rule 8.
26 6. The senate calendar shall include a listing
27 of bills which pertain to the levy, assessment or

2 numerical order. Upon their first publication in the
3 calendar, bills on the ways and means calendar may be
4 called up for debate at any time by the majority leader
5 provided they are eligible under Rule 8.
6 7. The senate calendar shall include a list of
7 bills and resolutions, known as the "Regular Calendar",
8 which shall consist of bills and resolutions reported
9 out by a senate committee. The bills and resolutions
10 reported out each day shall be listed in numerical
11 order. Priority shall be given to senate over house
12 bills and resolutions. Upon their first publication
13 in the calendar, bills on the regular calendar may
14 be called up for debate at any time by the majority
15 leader, provided they are eligible under Rule 8.
16 A bill reported out of committee which is
17 subsequently referred to the ways and means or

18 appropriations committee and then reported out of that
19 committee, shall be returned to the regular calendar
20 in numerical order.

21 8. The senate calendar shall include a listing of
22 the governor's appointees to state boards, commissions,

24 listing shall be known as the "Confirmation Calendar".
25 Names on the confirmation calendar may be called up
26 for confirmation at any time by the majority leader
27 provided they are eligible under rule 59.

28 9. The majority leader, or in the absence of the
29 majority leader the assistant majority leaders, may
30 select from among the bills on the previous legislative

Page 6

1 day's Senate calendar and from the bills selected
2 create a new listing which shall be known as the
3 "Debate Calendar". The debate calendar shall list
4 bills as the majority leader expects to take them up.
5 A bill or resolution on the debate calendar may be
6 debated only when eligible under Rule 8.

7 10. The majority leader, or in the absence of the
8 majority leader the assistant majority leaders, may
9 create a list of bills or resolutions about which
10 no controversy is believed to exist which shall be
11 known as the "Proposed Noncontroversial Calendar".
12 Bills or resolutions included on this listing may be
13 debated at any time upon being called up for debate
14 by the majority leader. Any bill or resolution which
15 appeared on the previous day's Senate calendar may be
16 placed by any senator on the proposed noncontroversial
17 calendar, which shall be published. Any bill or
18 resolution on the proposed noncontroversial calendar
19 shall be stricken from the list if any senator files
20 a written objection with the secretary of the senate
21 on the first or second legislative day after it
22 appears on the proposed noncontroversial calendar.
23 Any bill stricken from the proposed noncontroversial
24 calendar shall be returned to its former place on
25 the Senate calendar. The secretary shall prepare the
26 noncontroversial calendar which shall consist of all
27 bills or resolutions on the proposed noncontroversial
28 calendar to which no objection was received.

29 11. If the senate shall not be in session on a day
30 assigned in paragraphs nine and ten for action upon a

Page 7

1 calendar, such assigned action shall occur on the next
2 succeeding legislative day.

3 12. On any bill called up for debate from any

4 calendar, debate may continue from day to day until
 5 it is adopted, fails, or is postponed or deferred.
 6 If further debate is postponed or deferred without a
 7 time to continue being set, except for bills on the
 8 debate calendar, the bill shall be listed as unfinished
 9 business. Bills which are returned to the committee of
 10 first referral or to a different committee after being
 11 considered by the senate and classified as unfinished
 12 business shall be returned to the unfinished business
 13 calendar by that committee when the bill is reported
 14 out of committee. The unfinished business date on
 15 the calendar shall be the date on which the bill was
 16 returned to committee. Bills on the debate calendar
 17 upon which further debate is postponed or deferred
 18 without a time to continue being set shall return to
 19 the regular calendar.

20 Rule 7

21 Steering Committee

 23 ~~steering committee. The majority leader shall appoint~~
 24 ~~the majority party members to the steering committee.~~
 25 ~~The minority leader shall appoint the minority party~~
 26 ~~members to the steering committee. The function of the~~

3 Rule 8

4 When Eligible for Consideration

5 Bills, resolutions, and appointments shall be
 6 eligible for consideration by the senate as follows:
 7 1. An appointment by the governor which requires
 8 senate confirmation shall be eligible on the
 9 legislative day after it is first printed in the senate
 10 calendar as provided by Rule 59.
 11 2. A house or individually sponsored bill or
 12 resolution reported out by a committee shall be
 13 eligible on the legislative day after it is first
 14 printed in the senate calendar.
 15 3. A committee bill or resolution sponsored by
 16 the appropriations committee shall be eligible on the
 17 legislative day after it is first printed in the senate
 18 calendar.
 19 4. Any committee bill or resolution, other than
 20 a bill or resolution sponsored by the appropriations
 21 committee, shall be eligible on the third legislative
 22 day it is printed in the senate calendar.

23 5. A bill that has been reported out to the
 24 senate calendar, referred to a different committee
 25 and reported out by that committee is eligible for
 26 consideration by the senate on the day it would have
 27 been eligible under subsection 2, 3, or 4, whichever
 28 is applicable, as if the bill had been printed in the
 29 calendar after having been reported out by the first
 30 committee.

Page 9

1 Rule 9

2 Debate and Decorum

3 Before addressing the senate, the senator shall
 4 request recognition by depressing the “speak” device
 5 and, when recognized, rise and respectfully address the
 6 chair.

7 The senator shall confine all remarks to the
 8 question under debate and shall avoid discussing
 9 personalities or implication of improper motives. No
 10 questions except by the senator recognized shall be
 11 entertained after a senator is recognized to give final
 12 remarks.

13 Rule 10

14 Point of Personal Privilege

15 A point of personal privilege shall only be
 16 recognized when there is no motion pending or other
 17 business being considered by the senate. Points of
 18 personal privilege shall not be in order during the
 19 time when appropriation subcommittees are scheduled
 20 to meet. Senators speaking on a point of personal
 21 privilege shall be limited to ten minutes.

22 Rule 11

23 Introduction and Presentation of Guests

24 Only former members of the senate and former and
 25 present members of Congress shall be presented to
 26 the senate, except that the president of the senate
 27 may present a visitor whose presence is of special
 28 significance to the senate. The presence of school
 29 groups accompanied by school officials shall be
 30 announced by the president of the senate and shall

Page 10

1 be recorded in the journal upon written request of a
 2 member of the senate. Senators may be recognized to
 3 introduce guests in the galleries when there is no
 4 motion pending or other business being considered by
 5 the senate. Introductions shall be limited to one
 6 minute.

7 Rule 12

8 Form and Withdrawal of Motions, Amendments and

9 Signatures

10 Motions need not be in writing unless required by
11 the president or by the senate. No motion requires
12 a second. Any amendment, motion (including a motion
13 to reconsider), or resolution may be withdrawn by the
14 mover if it has not been amended by the senate and if
15 no amendment is pending. All amendments to bills,
16 resolutions, and reports shall be in writing and filed
17 before being acted upon by the senate.

18 No amendment, resolution, bill, or conference
19 committee report shall be considered by the senate
20 without a copy of the amendment, resolution, bill, or
21 conference committee report being on the desks of the
22 entire membership of the senate prior to consideration.
23 However, after the fourteenth week of the first session
24 and the twelfth week of the second session, amendments
25 and senate resolutions may be considered by the senate
26 without a copy of the amendment or senate resolution
27 being on the desks of the entire membership of the
28 senate if a copy of the amendment or senate resolution
29 is made available to the entire membership of the
30 senate electronically. Such consideration shall

Page 11

1 be deferred until a copy of the amendment or senate
2 resolution is on the desks of the entire membership of
3 the senate upon the request of any senator.

4 All amendments, reports, petitions or other
5 documents requiring a signature shall have the name
6 printed under the place for the signature. Once a
7 signature is affixed and the document containing the
8 signature filed with the recording clerk in the well,
9 that signature shall not be removed.

10 When an amendment to a main amendment is filed that
11 would negate the effect of the main amendment and
12 thereby leave the bill unchanged, the presiding officer
13 shall have the authority to declare the amendment to
14 the main amendment out of order, subject to an appeal
15 to the full senate.

16 When a house amendment to a senate file is before
17 the senate, an amendment to the house amendment shall
18 be considered an amendment in the first degree.

19 Regardless of its origin, an amendment in the third
20 degree shall be ruled out of order.

21 When a ruling on germaneness is issued by the
22 presiding officer, it shall be accompanied by an
23 explanation of the ruling.

24 Rule 13

25 Order and Precedence of Motions and Amendments

26 When a question is under debate, no motion shall
27 be received but to adjourn, to recess, questions

28 of privilege, to lay on the table, for the previous
 29 question, to postpone to a day certain, to refer,
 30 to amend, to postpone indefinitely, to defer, or

Page 12

1 incidental motions. A substitute is not in order
 2 unless it is in the form of a motion to substitute.
 3 Such motions shall have precedence in the order in
 4 which they are named. No motion to postpone to a
 5 day certain, to refer, or postpone indefinitely,
 6 being decided, shall be again allowed on the same
 7 day with regard to the same question. A motion to
 8 strike out the enacting clause of a bill shall have
 9 precedence over all amendments and, if carried, shall
 10 be considered equivalent to the rejection of the bill.
 11 A motion to strike everything after the enacting
 12 clause has precedence over a committee amendment and
 13 all other amendments except one to strike the enacting
 14 clause. A committee amendment has precedence over all
 15 other amendments except as provided in this rule.
 16 A motion to rerefer a bill to committee may specify
 17 when the committee shall report the bill to the senate.
 18 If the motion is adopted in such form, the committee
 19 must report the bill by the date and time specified
 20 with or without recommendation or the bill shall
 21 automatically be returned to the calendar. When the
 22 bill is returned to the calendar, it shall occupy
 23 the same position it occupied at the time the bill
 24 was rereferred to the committee. If the committee
 25 to which the bill is rereferred submits an amendment
 26 in its report, that committee amendment shall take
 27 precedence over other amendments except if that
 28 committee amendment is in conflict with amendments
 29 previously adopted, the committee amendment shall
 30 not be considered until consideration of motions to

Page 13

1 reconsider the previously adopted amendments result
 2 in removing the conflict. A committee may not file
 3 an amendment to a bill unless the bill is in the
 4 committee's possession.

5 Rule 14

6 MOTIONS BEFORE THE SENATE

7 Motions before the senate shall be displayed on the
 8 electronic voting system display boards.

9 Rule 15

10 Nondebatable Motions

11 The following motions are not debatable:

12 Adjourn

13 Recess

14 Call of the Senate
 15 Lay on Table or Take from Table
 16 Previous Question
 17 Reconsider vote by which bill was placed on last
 18 reading.
 19 A Motion to Reconsider and Lay the Motion to
 20 Reconsider on the Table (Double-barreled Motion).
 21 Rule 16
 22 Division of the Question
 23 Any senator may call for a division of a question,
 24 which shall be divided if it includes propositions
 25 so distinct that if one is taken away, a substantive
 26 proposition shall remain in a technically proper form
 27 for the decision of the senate. A motion to strike out
 28 and insert is indivisible; but a motion to strike out,
 29 if lost, shall not preclude amendments to the matter
 30 attempted to be stricken or a motion to strike out and

Page 14

1 insert.
 2 Rule 17
 3 The Previous Question
 4 The previous question shall be in this form: "Shall
 5 debate be closed on the pending question?" A motion
 6 for the previous question may be adopted by a majority
 7 of the senators present and voting. Its effect shall
 8 be to put an end to debate and bring the senate to a
 9 direct vote upon the pending question. However, any
 10 senator who has not previously spoken on the pending
 11 question and who, after the main question is taken up
 12 and before the motion for the previous question has
 13 been made, requested recognition by depressing the
 14 "speak" device may speak no longer than five minutes
 15 on the pending question. If action on the pending
 16 question continues into another legislative day or is
 17 deferred, the previous question shall apply and the
 18 requests to be recognized shall be honored.
 19 When the motion applies to an amendment, the senator
 20 proposing the amendment shall have five minutes to
 21 close debate on the amendment.
 22 The senator handling the measure under consideration
 23 shall have ten minutes to close debate on the main
 24 question.
 25 Rule 18
 26 Call of the Senate
 27 Ten senators may file in writing a call of the
 28 senate on any single item of legislative business.
 29 A call of the senate requires the presence of every
 30 senator and is in order at any time prior to the vote

Page 15

1 being announced by the president. The sergeant-at-arms
 2 shall return promptly all absent senators. Debate
 3 on the item may continue while absent senators are
 4 returning, but no vote on the item is in order on
 5 it until all have returned. Adoption of a motion to
 6 recess or adjourn to a specific time will not lift
 7 the call. The call may be lifted, or a senator may
 8 be excused from the call without lifting the call, by
 9 a vote of a constitutional majority of the senators.
 10 Those senators excused prior to the filing of the call
 11 are excused from the call.

12 Rule 19

13 Committee of the Whole

14 The senate may resolve itself into a committee of
 15 the whole senate when it wishes to permit more free and
 16 informal discussion. Persons other than senators may
 17 appear and present information.

18 Any senator may move "that the senate now resolve
 19 itself into a committee of the whole to consider" a
 20 stated subject.

21 The president of the senate shall be chair of the
 22 committee of the whole unless otherwise ordered by the
 23 senate.

24 The procedure in committee of the whole is subject
 25 to the rules of the senate. The previous question and
 26 the motion to reconsider shall be in order.

27 The committee of the whole cannot take any final
 28 action and its power is limited to recommendation to
 29 the senate. The proceedings of the committee of the
 30 whole, including any roll call vote, shall be printed

Page 16

1 in the journal.

2 Any senator may at any time, except while voting or
 3 while a senator has the floor, move that "the committee
 4 rise" which is equivalent to a motion to adjourn.

5 After adoption of the motion to rise, the chair
 6 may report to the senate in the same manner as other
 7 committee reports are given.

8 Rule 20

9 Last Reading and Passage of Bills

10 When a motion to place a bill on its last reading is
 11 lost, the same motion shall be in order at any later
 12 time. After the last reading of a bill, no amendment
 13 shall be received. The vote on final passage shall be
 14 taken immediately without debate.

15 Rule 21

16 Engrossment of Bills

17 An engrossment is a proofreading and verification in

18 order to be certain that a bill before the senate is
19 identical with the original bill as introduced with all
20 amendments which have been adopted correctly inserted.
21 In an engrossed bill, all obvious typographical,
22 spelling or other clerical errors are corrected and
23 section or paragraph numbers and internal references
24 are changed as required to conform the original bill
25 to any amendments which have been adopted. All such
26 corrections or changes shall be reported in the journal
27 by the secretary of the senate. The engrossed bill
28 shall be placed in the bill file with the original bill
29 and amendments.

30

Rule 22

Page 17

1 Manner of Voting

2 On voice vote, the question shall be distinctly put
3 in this form: "Those in favor of (the question) say
4 "aye"." "Those opposed to (the question) say "no"."
5 A non-record or record roll call vote may be
6 requested by any senator or ordered by the president
7 any time before the results are announced. A
8 non-record roll call shall be requested by asking for
9 a "division". A record roll call shall be requested by
10 asking for a "record". Upon request for a non-record
11 or record roll call vote, the president shall announce
12 that such a non-record or record roll call vote has
13 been requested and shall state the question to be put
14 to the senate. The president then shall direct the
15 secretary of the senate to receive the votes.
16 Senators present may cast their votes, either
17 by operating the voting mechanism located at their
18 assigned desk or by signaling the president if they are
19 unable to vote at their assigned desk. The president
20 shall enter the votes of senators signaling their
21 votes.
22 After sufficient time has elapsed for all senators
23 present to record their votes, the president shall
24 direct the secretary of the senate to close the voting
25 system. The president shall still enter the senators'
26 votes at any time prior to directing the secretary of
27 the senate to lock the voting system. The president
28 shall then immediately announce the vote.
29 During a non-record or record roll call vote, both
30 individual votes and vote totals shall be indicated

Page 18

1 openly on the display boards. On non-record roll
2 calls, only vote totals shall be printed in the
3 journal.

4 In the event the electronic voting system is not
 5 in operating order, the president shall direct the
 6 secretary of the senate to take the non-record or
 7 record roll call by calling the names of the senators
 8 in alphabetical order.

9 Rule 23

10 Duty of Voting

11 Every senator present when a question is put shall
 12 vote "aye", "no" or "present" unless previously excused
 13 by the senate. Upon demand being made by any senator,
 14 the secretary of the senate shall call in alphabetical
 15 order the names of the senators not voting or voting
 16 "present". Those senators called shall vote "aye" or
 17 "no" unless the senator states a personal interest in
 18 the question or concludes that he or she should not
 19 vote under the senate code of ethics.

20 Rule 24

21 Reconsideration

22 When a main motion has been decided by the senate,
 23 any senator having voted on the prevailing side
 24 may move to reconsider the vote on the same or next
 25 legislative day. Motions to reconsider the vote on a
 26 bill or resolution shall be in writing and filed with
 27 the secretary of the senate.

28 Notwithstanding any time limitations applicable
 29 to motions to reconsider main motions, a motion to
 30 reconsider the vote on an amendment may be made at

Page 19

1 any time before final disposition of the motion to
 2 be amended. Such motion shall be in writing and
 3 filed with the secretary of the senate. A motion to
 4 reconsider an amendment to a main motion shall be taken
 5 up for consideration only prior to the disposition of
 6 the main motion or upon reconsideration of the main
 7 motion.

8 A constitutional majority by a record roll call is
 9 necessary to reconsider a bill or joint resolution.
 10 During three legislative days from the date the motion
 11 to reconsider a bill or resolution is filed, only the
 12 mover may call it up. Thereafter, any senator may call
 13 up the motion. If a date for adjournment has been set
 14 by resolution of the senate, any senator may call up
 15 a motion to reconsider at any time within three days
 16 prior to the date set for adjournment.

17 If the motion to reconsider a bill or resolution
 18 prevails, motions to reconsider amendments thereto
 19 shall be in order and shall be disposed of without
 20 delay.

21 A motion that any action taken by the senate be
 22 reconsidered and the motion to reconsider be laid upon

23 the table shall be a single and indivisible motion,
 24 known as the double-barreled motion, which, if carried,
 25 shall have the effect of preventing reconsideration
 26 unless a motion to take from the table prevails.
 27 A constitutional majority is necessary for the
 28 double-barreled motion to prevail on a bill or joint
 29 resolution. The double-barreled motion can only be
 30 made from the floor after the vote is announced and the

Page 20

1 member who moved the final reading shall have priority
 2 in making it.
 3 A motion to reconsider and lay on the table shall
 4 have priority over a motion to reconsider if they are
 5 both filed on the same legislative day.
 6 In the event that a motion to reconsider is pending
 7 at the end of the first session or any extraordinary
 8 session of any general assembly, or the general
 9 assembly adjourns sine die, and the motion has not been
 10 voted upon by the senate, it shall be determined to
 11 have failed.

Rule 25

12 Suspension of Rules ~~and Taking from Table~~
 13 ~~No standing rule, or rules incorporated by reference~~
 14 ~~under Rule 3, or order of the senate shall be rescinded~~
 15 ~~or suspended, nor shall any matter, tabled upon motion,~~
 16 ~~be taken up, except by unanimous consent of the senate~~
 17 ~~or by an affirmative vote of a constitutional majority~~
 18 ~~of the senate voting on a simple resolution.~~

INTRODUCTION AND FORM OF BILLS

Rule 26

22 Time and Method of Introducing Bills and Amendments
 23 All bills to be introduced in the senate shall be
 24 typed in proper form by the legislative services agency
 25 and shall be filed with the recording clerk.
 26 All amendments shall be typed in proper form and
 27 filed with the recording clerk not later than 4:30
 28 p.m., or adjournment, whichever is later, in order to
 29 be listed in the following day's clip sheet.
 30 An "impact amendment" is an amendment which

Page 21

1 reasonably could have an annual effect of at least one
 2 hundred thousand dollars or a combined total effect
 3 within five years after enactment of five hundred
 4 thousand dollars or more on the aggregate revenues,
 5 expenditures or fiscal liability of the state or its
 6 subdivisions.
 7 An impact amendment to a bill which has been on
 8 the special order calendar for at least three full

9 legislative days prior to its consideration shall not
 10 be taken up by the senate unless:
 11 1) a fiscal note is attached, and the amendment is
 12 filed at least one legislative day prior to the date
 13 set for consideration of the bill; or
 14 2) the amendment is an appropriation or other
 15 measure where the total effect is stated in dollar
 16 amounts.

17 Rule 27

18 Limit on Introduction of Bills

19 No bill or joint resolution, except bills and
 20 joint resolutions cosponsored by the majority and
 21 minority floor leaders, or companion bills and joint
 22 resolutions sponsored by the majority floor leaders of
 23 both houses, shall be introduced in the senate after
 24 4:30 p.m. on Friday of the ~~sixth~~ fifth week of the
 25 first regular session of a general assembly unless a
 26 formal request for drafting the bill has been filed
 27 with the legislative services agency before that time.
 28 After adjournment of the first regular session, bills
 29 may be prefiled at any time before the convening of the
 30 second regular session. No bill shall be introduced

Page 22

1 after 4:30 p.m. on Friday of the ~~first~~ second week of
 2 the second regular session of a general assembly unless
 3 a formal request for drafting the bill has been filed
 4 with the legislative services agency before that time.
 5 However, standing committees may introduce bills and
 6 joint resolutions at any time. A bill which relates
 7 to departmental rules sponsored by the administrative
 8 rules review committee and approved by a majority
 9 of the members of the committee in each house may
 10 be introduced at any time and must be referred to a
 11 standing committee which must take action on the bill
 12 within three weeks. Senate and concurrent resolutions
 13 may be introduced at any time.
 14 No bill, joint resolution, concurrent resolution
 15 or senate resolution shall be introduced at any
 16 extraordinary session unless sponsored by a standing
 17 committee, the majority and minority floor leaders, or
 18 the committee of the whole.

15 eligible on the confirmation calendar until the
16 secretary has received the appointee's completed senate
17 questionnaire.
18 As soon as possible after the convening of a
19 session, and again within one week following March 15
20 1, the secretary of the senate shall publish in the
21 senate journal the names of all nominees submitted
22 for confirmation. The secretary of the senate shall
23 maintain a file of all appointments received from the
24 governor for confirmation. The file shall contain
25 a description of the duties and the compensation
26 for each nominee. The file shall show the date an
27 appointment was received from the governor, the date
28 the appointment was published in the journal, whether
29 the nominee has been introduced, whether a committee
30 report has been filed, when the senate questionnaire

Page 44

1 was sent to the appointee, and shall include a copy of
2 the appointee's completed senate questionnaire, upon
3 receipt.
4 **INVESTIGATING COMMITTEES.** All appointments received
5 from the governor shall be referred to the rules
6 and administration committee by the secretary of
7 the senate on the same day they are published in
8 the senate journal. The rules and administration
9 committee shall establish an en bloc confirmation
10 calendar which must be filed with the secretary of
11 the senate. Within three (3) legislative days after
12 receiving an appointment, the committee shall either
13 place a nominee on the en bloc confirmation calendar
14 or assign the nominee to an appropriate standing
15 committee for further investigation, publishing notice
16 of such assignment in the senate journal for the next
17 legislative day. If the rules and administration
18 committee fails to take action on a nominee within the
19 three days, the nominee shall automatically be placed
20 on the en bloc confirmation calendar.
21 Within the three (3) legislative days after
22 an appointment has been referred to the rules and
23 administration committee, any ten senators may
24 require that the nominee be assigned to an appropriate
25 standing committee by filing a written, signed
26 request therefor with the chairperson of the rules and
27 administration committee. The committee chair shall

28 refer the appointment to a subcommittee within one (1)
29 legislative day after a standing committee receives
30 an appointment for further investigation, publishing

Page 45

1 notice of such assignment in the senate journal for the
2 next legislative day. Within ten (10) legislative days
3 after a standing committee receives an appointment for
4 further investigation the subcommittee shall file its
5 report with the standing committee.

6 Within fourteen (14) legislative days after a
7 standing committee receives an appointment for
8 further investigation, the committee shall conduct
9 an investigation of the nominee and file its report
10 thereon with the secretary of the senate, who shall
11 then place the nominee on the en bloc calendar or
12 individual confirmation calendar as directed by
13 the committee. The failure of a committee to file
14 its report within the prescribed time means that
15 the nominee is to be automatically placed, without
16 recommendation, upon the individual confirmation
17 calendar.

18 Any individual nominated to head a department
19 or agency of state government, whose appointment is
20 subject to senate confirmation, must be introduced
21 to the full senate prior to a vote on confirmation
22 of the nominee. Additionally, any five (5) senators
23 may request that any nominee be introduced to the
24 senate by filing a written request with the secretary
25 of the senate within ten (10) legislative days of
26 the nominee's name appearing in the journal. Any
27 individual nominated to a position requiring senate
28 confirmation may request to be introduced to the
29 full senate by notifying the secretary of the senate
30 at least one (1) legislative day in advance of the

Page 46

1 nominee's appearance. If an individual is nominated
2 both to fill a vacancy for an unexpired term and is
3 also nominated for reappointment to that position
4 during the same session, a single introduction is
5 sufficient for eligibility for confirmation to both
6 terms.

7 HEARINGS. Any member of a committee investigating
8 an appointment may, within five (5) legislative days
9 after the committee receives the appointment, obtain a
10 hearing with the nominee by filing a written request
11 with the secretary of the senate who shall forward it
12 to the chair of the standing committee and the chair
13 of the subcommittee. Notice of the hearing shall be

14 published in the journal at least two (2) legislative
15 days prior to the hearing. At the hearing, which
16 shall be before the subcommittee, the nominee may be
17 questioned as to his or her qualifications to fulfill
18 the office to which nominated and further questioned as
19 to his or her viewpoints on issues facing the office to
20 which nominated. Any senator may at the discretion of
21 the chair of the subcommittee be permitted to submit
22 oral questions. The public may, at the discretion of
23 the investigating committee, be permitted to submit
24 oral or written statements as to the qualifications of
25 the nominee.

26 Also, within five (5) legislative days after the
27 subcommittee receives an appointment for investigation,
28 any senator may submit written questions to be answered
29 by the nominee prior to consideration of the nominee's
30 confirmation by the senate.

Page 47

1 INFORMATIONAL MEETINGS. After a nominee has been
2 placed on the calendar and prior to the vote on
3 confirmation, any senator may request an informational
4 meeting on the nomination which shall be held before
5 the subcommittee.

6 VOTING ON CONFIRMATIONS. Upon the motion of the
7 majority leader or his or her designee, the nominees on
8 the en bloc confirmation calendar shall be confirmed
9 en bloc by the affirmative vote of two-thirds of the
10 members elected to the senate. The journal shall
11 reflect a single roll call accompanied by a statement
12 of the names of those individuals subject to the en
13 bloc confirmation vote.

14 Prior to an en bloc vote, any senator may request,
15 either in writing or from the floor, an individual vote
16 on any nominee on the en bloc confirmation calendar.
17 The senate shall vote separately on the nominee.

18 Nominees on the individual confirmation calendar
19 shall be confirmed by a two-thirds vote; however, the
20 senate shall take a separate roll call on each nominee,
21 unless by unanimous consent, it determines to take one
22 vote on all nominees under consideration. In any case,
23 the journal shall reflect a single roll call vote for
24 each nominee.

25 If an individual is nominated both to fill a vacancy
26 for an unexpired term and is also nominated for
27 reappointment to that position, and such appointment
28 and reappointment appear on the senate calendar as
29 eligible at the same time, a single vote is sufficient
30 for confirmation to both terms.

21 subject to a deadline under this rule may be called up
22 at any time before or after the day of the deadline by
23 the person filing the motion or after the deadline by
24 the majority floor leader, notwithstanding any other
25 rule to the contrary.

26 BE IT FURTHER RESOLVED, That should a system

Page 50

1 provisions shall supersede the provisions of rule 60.

Senate Resolution 3: filed January 25, 2011; adopted by the
Senate on February 3, 2011.

SENATE RESOLUTION 3
BY COMMITTEE ON ETHICS

1 A resolution relating to the Senate Code of Ethics
2 governing the conduct of members of the Senate in
3 relation to their senatorial duties during the
4 Eighty-fourth General Assembly.

5 BE IT RESOLVED BY THE SENATE, That the Senate Code
6 of Ethics for the ~~Eighty-third~~ Eighty-fourth General
7 Assembly shall be amended to read as follows:

8 SENATE CODE OF ETHICS

9 PREAMBLE. Every legislator owes a duty to uphold
10 the integrity and honor of the general assembly, to
11 encourage respect for the law and for the general
12 assembly and the members thereof, and to observe the
13 legislative code of ethics.

14 In doing so, members of the senate have a duty
15 to conduct themselves so as to reflect credit on
16 the general assembly, and to inspire the confidence,
17 respect, and trust of the public, and to strive to
18 avoid both unethical and illegal conduct and the
19 appearance of unethical and illegal conduct.

20 Recognizing that service in the Iowa general
21 assembly is a part-time endeavor and that members of
22 the general assembly are honorable individuals who
23 are active in the affairs of their localities and
24 elsewhere and that it is necessary that they maintain
25 a livelihood and source of income apart from their
26 legislative compensation, the following rules are
27 adopted pursuant to section 68B.31, to assist the

Page 2

- 1 members in the conduct of their legislative affairs.
2 1. ECONOMIC INTEREST OF SENATOR. Taking into
3 account that legislative service is part-time, a
4 senator shall not accept economic or investment
5 opportunity, under circumstances where the senator
6 knows, or should know, that there is a reasonable
7 possibility that the opportunity is being afforded the
8 senator with intent to influence the senator's conduct
9 in the performance of official duties.
10 2. DIVESTITURE. Where a senator learns that
11 an economic or investment opportunity previously
12 accepted was offered with the intent of influencing
13 the senator's conduct in the performance of official
14 duties, the senator shall take steps to divest that
15 senator of that investment or economic opportunity, and
16 shall report the facts of the situation to the senate
17 ethics committee.
18 3. CHARGES FOR SERVICES. A senator shall not
19 charge to or accept from a person, corporation,
20 partnership, or association known to have a legislative
21 interest a price, fee, compensation, or other
22 consideration for the sale or lease of any property or
23 the furnishing of services which is in excess of that
24 which the senator would charge another.
25 4. USE OF CONFIDENTIAL INFORMATION. A senator in
26 order to further the senator's own economic or other
27 interests, or those of any other person, shall not
28 disclose or use confidential information acquired in
29 the course of official duties.
30 5. HONORARIA. A senator shall not accept an

Page 3

- 1 honorarium from a restricted donor for a speech,
2 writing for publication, or other similar activity,
3 except as otherwise provided in section 68B.23.
4 6. EMPLOYMENT. A senator shall not accept
5 employment, either directly or indirectly, from a
6 political action committee or from an organization
7 exempt from taxation under section 501(c)(4),
8 501(c)(6), or 527 of the Internal Revenue Code that
9 engages in activities related to the nomination,
10 election, or defeat of a candidate for public office.
11 A senator may accept employment from a political
12 party, but shall disclose the employment relationship
13 in writing to the secretary of the senate within ten
14 days after the beginning of each legislative session.
15 If a senator accepts employment from a political
16 party during a legislative session, the senator shall
17 disclose the employment relationship within ten days

18 after acceptance of the employment.

19 For the purpose of this rule, a political action
 20 committee means a committee, but not a candidate's
 21 committee, which accepts contributions, makes
 22 expenditures, or incurs indebtedness in the aggregate
 23 of more than seven hundred fifty dollars in any one
 24 calendar year to expressly advocate the nomination,
 25 election, or defeat of a candidate for public office
 26 or to expressly advocate the passage or defeat of
 27 a ballot issue or influencing legislative action,
 28 or an association, lodge, society, cooperative,
 29 union, fraternity, sorority, educational institution,
 30 civic organization, labor organization, religious

Page 4

1 organization, or professional organization which makes
 2 contributions in the aggregate of more than seven
 3 hundred fifty dollars in any one calendar year to
 4 expressly advocate the nomination, election, or defeat
 5 of a candidate for public office or ballot issue or
 6 influencing legislative action.

7 7. ECONOMIC INTERESTS OF LOBBYIST. With the
 8 exception of exercising unfettered discretion in
 9 supporting or refusing to support proposed legislation,
 10 a senator shall not take action intended to affect the
 11 economic interests of a lobbyist or citizen supporting
 12 or opposing proposed legislation.

13 8. APPEARANCE BEFORE GOVERNMENTAL AGENCY. A
 14 senator may appear before a governmental agency or
 15 board in any representation case, except that the
 16 senator shall not act as a lobbyist. Whenever a
 17 senator appears before a governmental agency or board,
 18 the senator shall carefully avoid all conduct which
 19 might in any way lead members of the general public
 20 to conclude that the senator is using the senator's
 21 official position to further the senator's professional
 22 success or personal financial interest.

23 9. CONFLICTS OF INTERESTS. In order to permit the
 24 general assembly to function effectively, a senator
 25 will sometimes be required to vote on bills and
 26 participate in committee work which will affect the
 27 senator's employment and other monetary interests. In
 28 making a decision relative to the senator's activity on
 29 given bills or committee work which are subject to the
 30 code, the following factors shall be considered:

Page 5

- 1 a. Whether a substantial threat to the senator's
- 2 independence of judgment has been created by the
- 3 conflict situation.

4 b. The effect of the senator's participation on
5 public confidence in the integrity of the legislature.

6 c. The need for the senator's particular
7 contribution, such as special knowledge of the
8 subject matter, to the effective functioning of the
9 legislature.

10 A senator with a conflict of interest may
11 participate in floor debate if prior to debate the
12 senator indicates the conflict of interest.

13 10. GIFTS. Except as otherwise provided in section
14 68B.22, a senator, or that person's immediate family
15 member, shall not, directly or indirectly, accept or
16 receive any gift or series of gifts from a restricted
17 donor.

18 11. DISCLOSURE REQUIRED. Each senator shall file
19 with the secretary of the senate within ten days after
20 the adoption of the code of ethics by the senate, and
21 within ten days after the convening of the second
22 session of the general assembly, a statement under
23 section 68B.35 on forms provided by the secretary of
24 the senate setting forth the following information:

25 The nature of each business in which the senator
26 is engaged and the nature of the business of each
27 company in which the senator has a financial interest.
28 A senator shall not be required to file a report or
29 be assumed to have a financial interest if the annual
30 income derived from the investment in stocks, bonds,

Page 6

1 bills, notes, mortgages, or other securities offered
2 for sale through recognized financial brokers is less
3 than one thousand dollars.

4 Disclosures required under this rule shall be as
5 of the date filed unless provided to the contrary,
6 and shall be amended to include interests and changes
7 encompassed by this rule that occur while the general
8 assembly is in session. All filings under this rule
9 shall be open to public inspection in the office of the
10 secretary of the senate at all reasonable times.

11 The secretary of the senate shall inform the
12 ethics committee of the statements which are filed
13 and shall report to the ethics committee the names of
14 any senators who appear not to have filed complete
15 statements. The chairperson of the ethics committee
16 shall request in writing that a senator who has failed
17 to complete the report or appears to have filed an
18 incomplete report do so within five days, and, upon
19 the failure of the senator to comply, the ethics
20 committee shall require the senator to appear before
21 the committee.

22 12. STATUTORY VIOLATIONS. Members of the general

23 assembly are urged to familiarize themselves with
 24 chapters 68B, 721, and 722.
 25 13. CHARGE ACCOUNTS. Senators shall not charge any
 26 amount or item to any charge account to be paid for by
 27 any lobbyist or any client the lobbyist represents.
 28 14. TRAVEL EXPENSES. A senator shall not charge
 29 to the state of Iowa amounts for travel and expenses
 30 unless the senator actually has incurred those mileage

Page 7

1 and expense costs. Senators shall not file the
 2 vouchers for weekly mileage reimbursement required
 3 by section 2.10, subsection 1, unless the travel
 4 was actually incurred at commensurate expense to the
 5 senator.
 6 15. COMPLAINTS. Complaints or charges against
 7 any senator or any lobbyist shall be in writing,
 8 made under oath, and filed with the secretary of the
 9 senate or the chairperson of the ethics committee. If
 10 filed with the secretary of the senate, the secretary
 11 shall immediately advise the chairperson of the ethics
 12 committee of the receipt of the complaint.
 13 Complaint forms shall be available from the
 14 secretary of the senate, or the chairperson of the
 15 ethics committee, but a complaint shall not be rejected
 16 for failure to use an approved form if the complaint
 17 substantially complies with senate requirements.
 18 A complainant may submit exhibits and affidavits
 19 attached to the complaint.
 20 16. FILING OF COMPLAINTS.
 21 a. Persons entitled. Complaints may be filed by
 22 any person believing that a senator ~~or~~ lobbyist, or
 23 client of a lobbyist has violated the senate ethics
 24 code, the senate rules governing lobbyists, or chapter
 25 68B of the Iowa Code. A violation of the criminal
 26 law may be considered to be a violation of this code
 27 of ethics if the violation constitutes a serious
 28 misdemeanor or greater, or a repetitive and flagrant
 29 violation of the law.
 30 b. Committee complaint. The ethics committee

Page 8

1 may, upon its own motion, initiate a complaint,
 2 investigation, or disciplinary action.
 3 c. Timeliness of filing. A complaint will be
 4 considered to be timely filed if it is filed within
 5 three years of the occurrence of the alleged violation
 6 of the ethics code.
 7 17. PERMANENT RECORD. The secretary of the senate
 8 shall maintain a permanent record of all complaints

9 filed, evidence received by the committee, and any
10 transcripts or other recordings made of committee
11 proceedings, including a separate card file containing
12 the date filed, name and address of the complainant,
13 name and address of the respondent, a brief statement
14 of the charges made, and ultimate disposition of
15 the complaint. The secretary shall keep each such
16 complaint confidential until public disclosure is made
17 by the ethics committee.

18 18. PREHEARING PROCEDURE.

19 a. Defective complaint. Upon receipt of a
20 complaint, the chairperson and ranking member of the
21 ethics committee shall determine whether the complaint
22 substantially complies with the requirements of this
23 code of ethics and section 68B.31, subsection 6. If
24 the complaint does not substantially comply with
25 the requirements for formal sufficiency under the
26 code of ethics, the complaint may be returned to the
27 complainant with a statement that the complaint is not
28 in compliance with the code and a copy of the code. If
29 the complainant fails to amend the complaint to comply
30 with the code within a reasonable time, the chair and

Page 9

1 ranking member may dismiss the complaint with prejudice
2 for failure to prosecute.

3 b. Service of complaint on respondent. Upon
4 receipt of any complaint substantially complying
5 with the requirements of this code of ethics, the
6 chairperson of the ethics committee shall cause a copy
7 of the complaint and any supporting information to
8 be delivered promptly to the respondent, requesting
9 a written response to be filed within ten days. The
10 response may do any of the following:

11 (1) Admit or deny the allegation or allegations.

12 (2) Object that the allegation fails to allege a
13 violation of chapter 68B or the code of ethics.

14 (3) Object to the jurisdiction of the committee.

15 (4) Request a more specific statement of the
16 allegation or allegations.

17 c. Objection to member. In addition to the
18 items which may be included in a response pursuant
19 to paragraph "b", the response may also include an
20 objection to the participation of any member of the
21 committee in the consideration of the allegation or
22 allegations on the grounds that the member cannot
23 render an impartial and unbiased decision.

24 d. Extension of time. At the request of the
25 respondent and upon a showing of good cause, the
26 committee, or the chairperson and ranking member,
27 may extend the time for response, not to exceed ten

28 additional days.

29 e. Confidentiality. If a complaint is not
30 otherwise made public, the members of the committee

Page 10

1 shall treat the complaint and all supporting
2 information as confidential until the written response
3 is received from the respondent.

4 f. Communications with ethics committee. After a
5 complaint has been filed or an investigation has been
6 initiated, a party to the complaint or investigation
7 shall not communicate, or cause another to communicate,
8 as to the merits of the complaint or investigation with
9 a member of the committee, except under the following
10 circumstances:

11 (1) During the course of any meetings or other
12 official proceedings of the committee regarding the
13 complaint or investigation.

14 (2) In writing, if a copy of the writing is
15 delivered to the adverse party or the designated
16 representative for the adverse party.

17 (3) Orally, if adequate prior notice of the
18 communication is given to the adverse party or the
19 designated representative for the adverse party.

20 (4) As otherwise authorized by statute, the senate
21 code of ethics, the senate rules governing lobbyists,
22 or vote of the committee.

23 g. Scheduling hearing. Upon receipt of the
24 response, the committee shall schedule a public meeting
25 to review the complaint and available information, and
26 shall do one of the following:

27 (1) Notify the complainant that no further
28 action will be taken, unless further substantiating
29 information is produced, ~~or~~.

30 (2) Dismiss the complaint for failure to meet the

Page 11

1 statutory and code of ethics requirements for valid
2 complaints, ~~or~~.

3 (3) Take action on the complaint without requesting
4 the appointment of an independent special counsel
5 if the committee determines the complaint is valid
6 and determines no dispute exists between the parties
7 regarding the material facts that establish a
8 violation. The committee may do any of the following:

9 (a) Issue an admonishment to advise against the
10 conduct that formed the basis for the complaint and to
11 exercise care in the future.

12 (b) Issue an order to cease and desist the conduct
13 that formed the basis for the complaint.

14 (c) Make a recommendation to the senate that
15 the person subject to the complaint be censured or
16 reprimanded.
17 ~~(3)~~ (4) Request that the chief justice of the
18 supreme court appoint an independent special counsel
19 to conduct an investigation of the complaint and
20 supporting information, to make a determination of
21 probable cause, and to report the findings to the
22 committee, which shall be received within a reasonable
23 time.
24 h. Public hearing. If independent special counsel
25 is appointed, upon receipt of the report of independent
26 special counsel's findings, the committee shall
27 schedule a public meeting to review the report and
28 shall do either of the following:
29 (1) Cause the complaint to be scheduled for a
30 public hearing.

Page 12

1 (2) Dismiss the complaint based upon a
2 determination by independent special counsel and the
3 committee that insufficient evidence exists to support
4 a finding of probable cause.
5 19. HEARING PROCEDURE.
6 a. Notice of hearing. If the committee causes
7 a complaint to be scheduled for a public hearing,
8 notice of the hearing date and time shall be given to
9 the complainant and respondent in writing, and of the
10 respondent's right to appear in person, be represented
11 by legal counsel, present statements and evidence, and
12 examine and cross-examine witnesses. The committee
13 shall not be bound by formal rules of evidence, but
14 shall receive relevant evidence, subject to limitations
15 on repetitiveness. Any evidence taken shall be under
16 oath.
17 b. Subpoena power. The committee may require, by
18 subpoena or otherwise, the attendance and testimony of
19 witnesses and the production of such books, records,
20 correspondence, memoranda, papers, documents, and any
21 other things it deems necessary to the conduct of the
22 inquiry.
23 c. Ex post facto. An investigation shall not be
24 undertaken by the committee of a violation of a law,
25 rule, or standard of conduct that is not in effect at
26 the time of violation.
27 d. Disqualification of member. Members of the
28 committee may disqualify themselves from participating
29 in any investigation of the conduct of another person
30 upon submission of a written statement that the member

Page 13

1 cannot render an impartial and unbiased decision
 2 in a case. A member may also be disqualified by a
 3 unanimous vote of the remaining eligible members of the
 4 committee.
 5 A member of the committee is ineligible to
 6 participate in committee meetings, as a member of the
 7 committee, in any proceeding relating to the member's
 8 own official conduct.
 9 If a member of the committee is disqualified or
 10 ineligible to act, the majority or minority leader who
 11 appointed the member shall appoint a replacement member
 12 to serve as a member of the committee during the period
 13 of disqualification or ineligibility.
 14 e. Hearing. At the hearing, the chairperson shall
 15 open the hearing by stating the charges, the purpose of
 16 the hearing, and its scope. The burden of proof rests
 17 upon the complainant to establish the facts as alleged,
 18 by clear and convincing evidence. However, questioning
 19 of witnesses shall be conducted by the members of the
 20 committee, by independent special counsel, or by a
 21 senator. The chairperson shall also permit questioning
 22 by legal counsel representing the complainant or
 23 respondent.
 24 The chairperson or other member of the committee
 25 presiding at a hearing shall rule upon procedural
