18 is amended by striking the subsection and inserting in
19 lieu thereof the following:

20 5. This section is repealed July 1, 2016.

21 Sec. 30. NEW SECTION. 284.11 State supplemental

22 assistance for teachers in high-need schools.
23 1. Findings and intent. The general assembly finds
24 that Iowa school districts need to be more competitive
25 in recruiting and retaining talented teachers to teach
26 in high-need schools. Therefore, it is the intent
27 of the general assembly to encourage school districts
28 to provide supplemental assistance to teachers to
29 teach in high-need schools. This section provides for
30 state assistance to allow school districts to provide
31 supplemental assistance to motivate teachers to teach
32 in high-need schools.
33 2. Department's responsibilities. Contingent
34 on a specific appropriation for these purposes, the
35 department shall do the following:
36 a. Collect relevant data and establish a list of
37 high-need schools eligible for state supplemental
38 assistance. The department shall establish a process
39 and criteria to determine which schools are placed
40 on the list and the department shall revise the list
41 annually. Criteria for the determination of which
42 high-need schools shall be placed on the list shall be
43 based upon factors that include but are not limited
44 to the socioeconomic status of the students enrolled
45 in the school, the percentage of the school's student
46 body who are limited English proficient students,
47 student academic growth, certified instructional staff
48 attrition, and geographic balance. The department
49 may approve or disapprove requests for revision of
50 the list, which a school district submits pursuant to

Page 15

1 subsection 3.
2 b. Develop a standardized process for distributing
3 any moneys appropriated for supplemental assistance
4 for high-need schools. In determining the process for
5 distribution of such moneys, the department shall take
6 into consideration the amount of moneys appropriated
7 for supplemental assistance for teachers in high-need
8 schools for the given year and the minimal amount of
9 moneys needed per teacher to provide an incentive for
10 a teacher to accept a teaching position in a high-need
11 school. A school district receiving moneys pursuant to
12 this section shall certify annually to the department
13 how the moneys distributed to the school district
14 pursuant to this section were used by the school
15 district.
16 c. Review the use and effectiveness of the funds
17 distributed to school districts for supplemental
18 assistance for teachers in high-need schools under this
19 section. The department shall submit its findings and
20 recommendations in a report to the general assembly by

21 January 15 annually.

22 3. School district request for approval. A school
23 district may request on an annual basis approval from
24 the department for additions to the list of high-need
25 schools the department maintains pursuant to subsection
26 2 based upon the unique local conditions and needs of
27 the school district. The criteria used to determine
28 the placement of high-need schools on the list in
29 accordance with subsection 2, does not restrict the
30 department from adding a high-need school to the list
31 as requested by a school district on the basis of
32 unique local conditions and needs pursuant to this
33 subsection.

34 4. Eligibility. Teachers of all subjects taught in
35 a school included in the department's list of high-need
36 schools shall be eligible to receive supplemental
37 assistance offered in accordance with this section.
38 Notwithstanding any provision of law to the contrary,
39 the department's determination of state supplemental
40 assistance for teachers in high-need schools is not
41 subject to appeal.

42 Sec. 31. NEW SECTION. 284.15 Career path,
43 leadership role, and compensation model and comparable
44 system requirements.

45 1. Common provisions for models and comparable
46 systems. Except as otherwise provided in this section,
47 all models specified in sections 284.16, 284.17,
48 and 284.18, and any comparable system described in
49 section 284.19, shall be approved under subsection
50 12, shall meet the requirements of this section, and

Page 16

1 shall provide for a minimum salary and a residency as
2 provided in section 284.16, subsection 2, paragraph
3 "a".

4 2. Salary supplements and appeal. The salary
5 supplement received by teachers pursuant to section
6 257.10, subsection 12, shall fully cover the salary
7 costs of any additional contract days required of
8 teachers under a state model or comparable system
9 approved pursuant to this section. If a teacher
10 ends or completes a leadership role assignment, the
11 teacher shall no longer receive a salary supplement for
12 performance in a leadership role unless the teacher
13 is issued a new contract for assignment in another
14 leadership role. Notwithstanding any provision of
15 law to the contrary, the determinations of salary
16 supplements paid from moneys received pursuant to
17 section 257.10, subsection 12, are not subject to
18 appeal.

19 3. Review councils. The school board implementing

20 a state model pursuant to section 284.16, 284.17, or
21 284.18, shall appoint a site-based review council
22 if the school district has a certified enrollment of
23 six hundred or more students, or a district-based
24 review council if the school district has a certified
25 enrollment of less than six hundred students.

26 a. Each council shall be comprised of equal numbers
27 of teachers and administrators. Teacher members
28 shall include teachers who have been nominated by
29 the certified employee organization that represents
30 the school district's teachers, if such organization
31 exists, or, if such organization does not exist, by a
32 teacher quality committee.

33 b. The council shall accept and review
34 applications for initial or renewal leadership role
35 assignments which are submitted to the school's
36 or school district's administration and shall make
37 recommendations regarding the applications to the
38 superintendent of the school district. In developing
39 recommendations, the council shall utilize measures
40 of teacher effectiveness and professional growth,
41 consider the needs of the school district, and review
42 the performance and professional development of the
43 applicants. Any teacher recommended by a review
44 council for assignment or reassignment in a leadership
45 role shall have demonstrated to the council's
46 satisfaction competency on the Iowa teaching standards
47 as set forth in section 284.3.

48 4. Leadership role assignment. An assignment to a
49 teacher leadership role pursuant to this chapter shall
50 be subject to review by the school's or the school

Page 17

1 district's administration, in consultation with the
2 review council, at least annually. The review shall
3 include peer feedback on the effectiveness of the
4 teacher's performance of duty specific to the teacher's
5 leadership role. A teacher who completes the time
6 period of assignment in a teacher leadership role
7 may submit to the school's or the school district's
8 administration an application for assignment in a
9 new role or for reassignment as appropriate. The
10 administration shall share the application with the
11 review council constituted pursuant to subsection 3,
12 paragraph "a".

13 5. Status quo. A teacher employed in a school
14 district shall not receive less compensation in that
15 district than the teacher received in the school year
16 preceding participation, as set forth in section 284.4,
17 due to implementation of a state model or comparable
18 system approved pursuant to this section. A teacher

19 who achieves national board for professional teaching
20 standards certification and meets the requirements of
21 section 256.44 shall continue to receive the award
22 as specified in section 256.44 in addition to the
23 compensation set forth in this chapter.

24 6. Early implementation. Prior to July 1, 2016, a
25 school district may apply to the commission on educator
26 leadership and compensation for early implementation
27 of a state model set forth in section 284.16, 284.17,
28 or 284.18, or a comparable system set forth in section
29 284.19. The commission may deny early implementation
30 of an otherwise qualified state model or comparable
31 system if the amount specified for the teacher
32 leadership supplement state cost per pupil pursuant
33 to section 257.9, subsection 11, and amount specified
34 for the teacher leadership supplement district cost
35 per pupil pursuant to section 257.10, subsection 12,
36 is insufficient to fully fund the teacher leadership
37 supplement for all eligible school districts.

38 7. Implementation. On or after July 1, 2016, each
39 school district shall implement a state model set forth
40 in section 284.16, 284.17, or 284.18, or a comparable
41 system set forth in section 284.19 for which the school
42 district received approval pursuant to this section.
43 Compliance with this section shall be determined by
44 the accreditation team authorized pursuant to section
45 256.11. A school district shall not be required to
46 fully implement a state model or comparable system
47 pursuant to this section if implementation costs
48 exceed the moneys received by the school district
49 under section 257.10, subsection 12. However, if the
50 school district's implementation costs exceed such

Page 18

1 funds, the school district shall implement as much
2 of the approved state model or comparable system as
3 reasonably possible, and shall, at a minimum, meet the
4 minimum salary requirements for an Iowa teacher as
5 provided in section 284.16, subsection 2, paragraph
6 "a", subparagraph (1).

7 8. Approval. The department shall establish an
8 application process for approval of the implementation
9 of a state model set forth in section 284.16, 284.17,
10 or 284.18, or a comparable system set forth in section
11 284.19, which a school district may implement pursuant
12 to subsection 6, or shall implement in accordance with
13 subsection 7.

14 9. Teachers emeritus. A school district is
15 encouraged to utilize appropriately licensed teachers
16 emeritus in the implementation of this section and
17 sections 284.16 through 284.19.

18 10. Attendance center applicability. A state model
19 or comparable system approved and implemented by a
20 school district in accordance with this section and
21 sections 284.16 through 284.19 shall be applicable to
22 teachers in every attendance center operated by the
23 school district.

24 11. Planning grants. Contingent on a specific
25 appropriation for these purposes, a school district
26 may apply to the commission on educator leadership
27 and compensation established pursuant to subsection
28 12 for a planning grant to design an implementation
29 strategy for a state model set forth in section 284.16,
30 284.17, or 284.18, or a comparable system set forth
31 in section 284.19. The planning grant shall be used
32 to facilitate a local decision-making process that
33 includes representation of administrators, teachers,
34 and parents and guardians of students. The department
35 shall establish and make available an application for
36 the awarding of planning grants for purposes of this
37 subsection.

38 12. Commission on educator leadership and
39 compensation. The department shall establish, and
40 provide staffing and administrative support for a
41 commission on educator leadership and compensation.
42 The commission shall monitor with fidelity the
43 implementation of the state models and comparable
44 systems by school districts approved pursuant to
45 this section. The commission shall evaluate the
46 applications submitted for approval pursuant to
47 this section and shall approve or disapprove such
48 applications. If the commission disapproves an
49 application, the commission shall specify the reasons
50 for disapproval. A school district that receives

Page 19

1 approval to implement a state model or comparable
2 system under this section is eligible to receive funds
3 under section 257.10, subsection 12. In addition,
4 the commission shall review the use and effectiveness
5 of the funds distributed to school districts for
6 supplemental assistance to teachers in high-need
7 schools under section 284.11.

8 a. The commission shall be comprised of the
9 following:

10 (1) Five teachers selected by the Iowa state

13 administrators of Iowa.

14 (3) Two school board members selected by the Iowa
15 association of school boards.

16 (4) Each president or president's designee of

17 the Iowa state education association, the school
18 administrators of Iowa, and the Iowa association of
19 school boards.

20 (5) The director or the director's designee.

21 b. Members shall be appointed to staggered
22 three-year terms which shall begin and end as provided
23 in section 69.19. Appointments shall comply with
24 sections 69.16, 69.16A, and 69.16C. Vacancies on the
25 commission shall be filled in the same manner as the
26 original appointment. A person appointed to fill a
27 vacancy shall serve only for the unexpired portion
28 of the term. Members are entitled to reimbursement
29 of actual expenses incurred in performance of their
30 official duties.

31 c. By December 15 annually, the commission shall
32 submit its findings and any recommendations, including
33 but not limited to any recommendations for changes
34 relating to this section and sections 284.16 through
35 284.19, and for changes to section 284.11 relating to
36 state supplemental assistance to teachers in high-need
37 schools, in a report to the director, the state board,
38 the governor, and the general assembly.

39 13. Teacher leadership supplement foundation

40 aid. a. Teacher leadership supplement foundation
41 aid calculated under section 257.10, subsection 12,
42 shall be paid as part of the state aid payments made to
43 school districts in accordance with section 257.16.

44 b. Notwithstanding section 284.3A, teacher
45 leadership supplement foundation aid shall not be
46 combined with regular wages to create a combined
47 salary.

48 c. The teacher leadership supplement district cost
49 as calculated under section 257.10, subsection 12, is
50 not subject to a uniform reduction in accordance with

Page 20

1 section 8.31.

2 d. Except as otherwise provided by law for a fiscal
3 year, of the amount appropriated statewide for that
4 fiscal year for payment of the teacher leadership
5 supplement pursuant to section 257.10, subsection 12,
6 the department may use an amount not to exceed five
7 hundred thousand dollars to provide administration and
8 oversight of the state models and comparable systems
9 approved and implemented pursuant to this section and
10 section 284.16, 284.17, 284.18, or 284.19; and to fund
11 up to two full-time equivalent positions which shall be
12 in addition to the number of positions authorized for
13 the fiscal year.

14 Sec. 32. NEW SECTION. 284.16 Teacher leadership
15 framework model.

16 1. Teacher leadership framework model —
17 purposes. To promote continuous improvement in Iowa's
18 quality teaching workforce and to give Iowa teachers
19 the opportunity for career recognition that reflects
20 the various roles teachers play as educational leaders,
21 a teacher leadership framework model is established
22 for teachers employed by school districts. A teacher
23 employed by an area education agency may be included in
24 a framework model established by a school district if
25 the area education agency and the school district enter
26 into a contract for such purpose. The framework model
27 is designed to accomplish the following goals:
28 a. To attract able and promising new teachers by
29 offering competitive starting salaries and offering
30 short-term and long-term professional development and
31 leadership opportunities.
32 b. To retain effective teachers by providing
33 enhanced career opportunities.
34 c. To promote collaboration by developing and
35 supporting opportunities for teachers in schools and
36 school districts statewide to learn from each other.
37 d. To reward professional growth and effective
38 teaching by providing for career opportunities that
39 come with increased leadership responsibilities and

48 preparation program as defined in section 272.1 or
49 holds an initial or intern teacher license issued
50 under chapter 272, and who participates in the initial

Page 21

1 teacher mentoring and induction program as provided in
2 this chapter, shall be at least thirty-five thousand
3 dollars, which shall also constitute the minimum salary
4 for an Iowa teacher.

11 learn from more experienced teachers, mentor teachers,
12 and lead teachers employed by school districts located
13 in this state.
14 (c) A teaching load of not more than seventy-five

15 percent student instruction to allow the initial
16 teacher time for observation and learning.
17 (d) A teaching contract issued under section
18 279.13 that establishes an employment period which
19 is five days longer than that required for career
20 teachers employed by the school district of employment.

22 strengthen instructional leadership in accordance with
23 this section.
24 (e) Frequent observation, evaluation, and
25 professional development opportunities.
26 b. Career teacher. A career teacher is a teacher
27 who meets the requirements of section 284.17,
28 subsection 1, paragraph "b", subparagraph (1).
29 Beginning July 1, 2014, the minimum salary for a
30 first-year career teacher shall be thirty-seven
31 thousand dollars.
32 c. Model teacher. A model teacher is a teacher

34 the requirements established by the school district
35 that employs the teacher, is evaluated by the school
36 district as demonstrating the competencies of a model
37 teacher, has participated in a rigorous review process,
38 and has been recommended for a one-year assignment
39 as a model teacher by a site-based or district-based
40 review council appointed pursuant to section 284.15,
41 subsection 3. A school district shall set as a
42 goal the designation of at least ten percent of
43 its teachers as model teachers, though the district
44 may enter into an agreement with one or more other
45 districts or an area education agency to meet this
46 goal through a collaborative arrangement. The terms
47 of the teaching contracts issued under section 279.13

14 development as outlined in this chapter, demonstrate
15 continuous improvement in teaching, and possess the
16 skills and qualifications to assume leadership roles.
17 A mentor teacher shall have a teaching load of not
18 more than seventy-five percent student instruction to
19 allow the teacher to mentor other teachers. A school
20 district shall set as a goal the designation of at
21 least ten percent of its teachers as mentor teachers,
22 though the district may enter into an agreement with
23 one or more other districts or an area education
24 agency to meet this goal through a collaborative
25 arrangement. The terms of the teaching contracts
26 issued under section 279.13 to mentor teachers shall
27 exceed by ten days the terms of teaching contracts
28 issued under section 279.13 to career teachers, and
29 the ten additional contract days shall be used to
30 strengthen instructional leadership in accordance with
31 this section. A mentor teacher shall receive annually
32 a salary supplement of at least five thousand dollars.
33 e. Lead teacher. A lead teacher is a teacher
34 who holds a valid license issued under chapter 272
35 and has been recommended for a one-year assignment
36 as a lead teacher by a site-based or district-based
37 review council appointed pursuant to section 284.15,
38 subsection 3. The recommendation from the council must

40 skills and the ability to lead adult learners. A lead
41 teacher shall assume leadership roles that may include
42 but are not limited to the planning and delivery of
43 professional development activities designed to improve
44 instructional strategies; the facilitation of an
45 instructional leadership team within the lead teacher's
46 building, school district, or other school districts;
47 the mentoring of other teachers; and participation in
48 the evaluation of student teachers. A lead teacher
49 shall have a teaching load of not more than fifty
50 percent student instruction to allow the lead teacher

Page 23

1 to spend time on co-teaching; co-planning; peer
2 reviews; observing career teachers, model teachers,
3 and mentor teachers; and other duties mutually agreed
4 upon by the superintendent and the lead teacher. A
5 school district shall set as a goal the designation of
6 at least five percent of its teachers as lead teachers,
7 though the district may enter into an agreement with
8 one or more other districts or an area education
9 agency to meet this goal through a collaborative
10 arrangement. The terms of the teaching contracts
11 issued under section 279.13 to lead teachers shall
12 exceed by fifteen days the terms of teaching contracts

issued under section 279.13 to career teachers, and the fifteen additional contract days shall be used to strengthen instructional leadership in accordance with this section. A lead teacher shall receive annually a salary supplement of at least ten thousand dollars.

3. Requirements for implementation and receipt of teacher leadership supplement funds. Sec. 33. NEW SECTION. 284.17 Iowa teacher career path model.

1. Iowa teacher career path model. To promote continuous improvement in Iowa's quality teaching workforce and to give Iowa teachers the opportunity for career recognition that reflects the various roles teachers play as educational leaders, an Iowa teacher career path model is established for teachers employed by school districts. The Iowa teacher career path model requirements and the model's salary minimums are as follows:

a. Beginning teacher.

(1) A beginning teacher is a teacher who meets the following requirements:

(a) Has successfully completed an approved practitioner preparation program as defined in section 272.1 or holds an intern teacher license issued under chapter 272.

(2) Beginning July 1, 2014, the minimum salary for a beginning teacher shall be thirty-five thousand dollars.

b. Career teacher.

Page 24

(1) A career teacher is a teacher who holds a statement of professional recognition issued under chapter 272 or who meets the following requirements:

(a) Has successfully completed the beginning teacher mentoring and induction program and has successfully completed a comprehensive evaluation.

(b) Is reviewed by the school district as demonstrating the competencies of a career teacher.

(c) Holds a valid license issued under chapter 272.

12 demonstrates continuous improvement in teaching.

13 (2) Beginning July 1, 2014, the minimum salary
14 for a first-year career teacher shall be thirty-seven
15 thousand dollars.

16 c. Career II teacher.

17 (1) A career II teacher is a teacher who meets the
18 requirements of paragraph "b", has met the requirements
19 established by the school district that employs the
20 teacher, and is evaluated by the review council as
21 demonstrating the competencies of a career II teacher.
22 The teacher shall have successfully completed a
23 performance review in order to be classified as a
24 career II teacher. Beginning July 1, 2014, the annual
25 teacher leadership supplement paid to a first-year
26 career II teacher shall be five thousand dollars.

27 (2) The contract term for a career II teacher
28 shall exceed the contract term issued to a career
29 teacher under section 279.13 by an additional five
30 days. Approximately twenty-five percent of the career
31 II teacher's total contract time shall be spent on
32 noninstructional duties, which may include but not be
33 limited to time spent mentoring beginning and career
34 teachers and supervising student teachers who are
35 participating in a field experience pursuant to section
36 272.25. Allocation of the career II teacher's time
37 shall be mutually agreed to by the teacher and the
38 school district.

39 (3) As an alternative to the twenty-five percent
40 noninstructional time requirement of subparagraph
41 (2), a career II teacher may spend at least five hours
42 per week as a peer coach in addition to the normal
43 teaching load. Compensation for peer coaching duties
44 shall be computed using the career II teacher's hourly
45 rate of compensation for the additional duties, which
46 shall be performed during normal, noninstructional
47 contract time. For purposes of this subparagraph,
48 "peer coaching" means additional guidance in one or
49 more aspects of the teaching profession provided to one
50 or more teachers. Assignment as a peer coach shall

Page 25

1 be based on either a request from a principal or from
2 an individual teacher upon approval of a principal.
3 Peer coaching shall include detailed preliminary
4 discussions as to areas in which the teachers being
5 coached desire to improve; formulation of an action
6 plan to bring about such improvement; in-class
7 supervision by the peer coach; postclass discussion of
8 strengths, weaknesses, and strategies for improvement;
9 and dialogue between the peer coach and students and
10 school officials regarding the teachers being coached.

11 A peer coach shall coordinate peer coaching activities
12 relating to training and professional development with
13 an area education agency where appropriate.

18 council that the teacher possesses superior teaching
19 skills and that the teacher should be classified as an
20 advanced teacher.

21 (b) Holds a valid license issued under chapter 272.

22 (c) Participates in teacher professional
23 development as outlined in this chapter and
24 demonstrates continuous improvement in teaching.

25 (d) Possesses the skills and qualifications to
26 assume leadership roles.

27 (2) Beginning July 1, 2014, the annual teacher
28 leadership supplement paid to a first-year advanced
29 teacher shall be thirteen thousand five hundred
30 dollars.

31 (3) The contract term for an advanced teacher shall
32 exceed the contract term issued to a career teacher
33 under section 279.13 by an additional ten days. The
34 goal of the contract shall be that at least fifty
35 percent of the advanced teacher's total contract time
36 be spent on noninstructional duties, which may include
37 but not be limited to time spent mentoring beginning
38 and career teachers and supervising student teachers
39 who are participating in a field experience pursuant to
40 section 272.25; developing, planning, and organizing
41 professional development; organizing peer review
42 groups; and selecting course materials. Allocation of
43 the advanced teacher's time shall be mutually agreed to
44 by the teacher and the school district.

45 (4) An advanced teacher may engage in peer
46 coaching under the conditions specified in paragraph

8 <Section 1. **LEGISLATIVE FINDINGS.** The general
9 assembly finds that establishing a sound criminal
10 justice and public health policy toward individuals
11 living with a contagious or infectious disease is
12 consistent with an evidence-based approach to disease
13 control that focuses on prevention strategies that
14 include notification of current and previously exposed
15 partners, evidence-based behavioral risk-reduction
16 programming, promotion of voluntary disclosure to
17 sexual and needle-sharing partners, and suppression of
18 viral load through engagement in care and treatment
19 programs.

20 Sec. 2. **NEW SECTION.** 709D.1 Title.

21 This chapter shall be known and may be cited as the
22 “Contagious or Infectious Disease Transmission Act”.

23 Sec. 3. **NEW SECTION.** 709D.2 Definitions.

24 As used in this chapter, unless the context
25 otherwise requires:

26 1. “Contagious or infectious disease” means
27 hepatitis in any form, meningococcal disease, AIDS or
28 HIV as defined in section 141A.1, or tuberculosis.

29 2. “Exposes” means engaging in conduct that poses
30 a substantial risk of transmission, but does not
31 include conduct posing a low or negligible risk of
32 transmission, consistent with guidance issued by the
33 centers for disease control and prevention of the
34 United States department of health and human services.

35 3. “Practical means to prevent transmission” means
36 substantial compliance with a treatment regimen
37 prescribed by a health care provider that measurably
38 limits the risk of transmission of the contagious
39 or infectious disease, substantial compliance with
40 behavioral recommendations of the infected person’s
41 health care provider or public health officials to
42 measurably limit the risk of transmission of the
43 contagious or infectious disease, or other methods
44 generally accepted by the medical profession to
45 measurably limit the risk of transmission of the
46 contagious or infectious disease, such as use of
47 a medically indicated respiratory mask or use of a
48 prophylactic device.

49 Sec. 4. **NEW SECTION.** 709D.3 Criminal transmission
50 of a contagious or infectious disease.

Page 2

- 1 1. A person commits a class "C" felony when the
2 person knows the person is infected with a contagious
3 or infectious disease and exposes an uninfected person
4 to the contagious or infectious disease with the intent
5 that the uninfected person contract the contagious or
6 infectious disease, and the conduct results in the
7 uninfected person becoming infected with the contagious
8 or infectious disease. If a person commits a class "C"
9 felony under this subsection, and the person against
10 whom the class "C" felony is committed is pregnant
11 at the time of the exposure, the person exposing the
12 uninfected person to the contagious or infectious
13 disease commits an additional class "C" felony for each
14 unborn child constituting the pregnancy notwithstanding
15 the actual result of the exposure to each unborn child.
- 16 2. A person commits a class "D" felony when the
17 person knows the person is infected with a contagious
18 or infectious disease and exposes an uninfected person
19 to the contagious or infectious disease with the intent
20 that the uninfected person contract the contagious or
21 infectious disease, but the conduct does not result
22 in the uninfected person becoming infected with the
23 contagious or infectious disease. If a person commits
24 a class "D" felony under this subsection, and the
25 person against whom the class "D" felony is committed
26 is pregnant at the time of the exposure, the person
27 exposing the uninfected person to the contagious or
28 infectious disease commits an additional class "D"
29 felony for each unborn child constituting the pregnancy
30 notwithstanding the actual result of the exposure to
31 each unborn child.
- 32 3. A person commits an aggravated misdemeanor
33 when the person knows the person is infected with
34 a contagious or infectious disease and exposes an
35 uninfected person to the contagious or infectious
36 disease acting with a reckless disregard as to whether
37 the uninfected person contracts the contagious or
38 infectious disease, and the conduct results in the
39 uninfected person becoming infected with the contagious
40 or infectious disease. If a person commits an
41 aggravated misdemeanor under this subsection, and the
42 person against whom the aggravated misdemeanor is
43 committed is pregnant at the time of the exposure, the
44 person exposing the uninfected person to the contagious
45 or infectious disease commits an additional aggravated
46 misdemeanor for each unborn child constituting the
47 pregnancy notwithstanding the actual result of the
48 exposure to each unborn child.
- 49 4. A person commits a serious misdemeanor when the
50 person knows the person is infected with a contagious

Page 3

1 or infectious disease and exposes an uninfected person
2 to the contagious or infectious disease acting with a
3 reckless disregard as to whether the uninfected person
4 contracts the contagious or infectious disease, but
5 the conduct does not result in the uninfected person
6 becoming infected with the contagious or infectious
7 disease. If a person commits a serious misdemeanor
8 under this subsection, and the person against whom
9 the serious misdemeanor is committed is pregnant at
10 the time of the exposure, the person exposing the
11 uninfected person to the contagious or infectious
12 disease commits an additional serious misdemeanor
13 for each unborn child constituting the pregnancy
14 notwithstanding the actual result of the exposure to
15 each unborn child.

16 5. The act of becoming pregnant while infected
17 with a contagious or infectious disease, continuing
18 a pregnancy while infected with a contagious or
19 infectious disease, or declining treatment for a
20 contagious or infectious disease during pregnancy shall
21 not constitute a crime under this chapter.

22 6. Evidence that a person knows the person is
23 infected with a contagious or infectious disease and
24 has engaged in conduct that exposes others to the
25 contagious or infectious disease, regardless of the
26 frequency of the conduct, is insufficient on its own
27 to prove the intent to transmit the contagious or
28 infectious disease.

29 7. A person does not act with the intent required
30 pursuant to subsection 1 or 2, or with the reckless
31 disregard required pursuant to subsection 3 or
32 4, if the person takes practical means to prevent
33 transmission, or if the person informs the uninfected
34 person that the person has a contagious or infectious
35 disease and offers to take practical means to
36 prevent transmission but that offer is rejected by
37 the uninfected person subsequently exposed to the
38 infectious or contagious disease.

39 8. It is an affirmative defense to a charge under
40 this section if the person exposed to the contagious or
41 infectious disease knew that the infected person was
42 infected with the contagious or infectious disease at
43 the time of the exposure and consented to exposure with
44 that knowledge.

45 Sec. 5. Section 141A.3, subsection 2, Code 2013, is
46 amended by adding the following new paragraph:

47 NEW PARAGRAPH. 0e. Subject to availability
48 of funding, develop and implement a comprehensive

7 Code 2013, is amended to read as follows:

25 HIV-related testing under section 915.42. For the
26 purposes of this paragraph, "victim" means victim as
27 defined in section 915.40.

28 Sec. 7. Section 692A.101, subsection 1, paragraph
29 a, subparagraph (9), Code 2013, is amended by striking

34 Sec. 9. Section 915.43, subsections 4 and 5, Code

35 (c) A second review or analysis of the drinking
36 water capacity needs shall be performed upon receipt

44 adjusted to include the applicable and current values
45 as equalized by the director of revenue, as provided
46 in this section, Code 2013, except that any references

44 fund of the state to the department of revenue an
45 amount necessary for the payment of all commercial
46 and industrial property tax replacement claims under
47 this section for the fiscal year. However, for a
48 fiscal year beginning on or after July 1, 2018, the
49 total amount of moneys appropriated from the general
50 fund of the state to the department of revenue for

Page 7

1 the payment of commercial and industrial property tax
2 replacement claims in that fiscal year shall not exceed
3 the total amount of money that was necessary to pay
4 all commercial and industrial property tax replacement
5 claims for the fiscal year beginning July 1, 2017.

6 b. Moneys appropriated by the general assembly to
7 the department under this subsection for the payment
8 of commercial and industrial property tax replacement
9 claims are not subject to a uniform reduction in
10 appropriations in accordance with section 8.31.

11 2. Beginning with the fiscal year beginning
12 July 1, 2014, each county treasurer shall be paid
13 by the department of revenue an amount equal to the
14 amount of the commercial and industrial property tax
15 replacement claims in the county, as calculated in
16 subsection 4. For fiscal years beginning on or after
17 July 1, 2018, if an amount appropriated for a fiscal
18 year is insufficient to pay all replacement claims,
19 the director of revenue shall prorate the payment of
20 replacement claims to the county treasurers and shall
21 notify the county auditors of the pro rata percentage
22 on or before September 30.

23 3. On or before July 1 of each fiscal year
24 beginning on or after July 1, 2014, the assessor shall
25 report to the county auditor the total actual value of
26 all commercial property and industrial property in the
27 county for the assessment year used to calculate the
28 taxes due and payable in that fiscal year.

29 4. On or before a date established by rule of the

32 a statement, based upon the report received pursuant
33 to subsection 3, listing for each taxing district in

37 the assessment year used to calculate taxes which are
38 due and payable in the applicable fiscal year and the
39 actual value of all commercial property and industrial
40 property for the same assessment year. If the
41 difference between the assessed value of all commercial
42 property and industrial property and the actual
43 valuation of all commercial property and industrial
44 property is zero, there is no tax replacement for that
45 taxing district for the fiscal year.

46 b. The tax levy rate per one thousand dollars of
47 assessed value for each taxing district for that fiscal
48 year.

49 c. The commercial and industrial property tax
50 replacement claim for each taxing district. The

Page 8

1 replacement claim is equal to the amount determined
2 pursuant to paragraph "a", multiplied by the tax rate
3 specified in paragraph "b", and then divided by one
4 thousand dollars.

5 5. For purposes of computing replacement amounts
6 under this section, that portion of an urban renewal
7 area defined as the sum of the assessed valuations
8 defined in section 403.19, subsections 1 and 2, shall
9 be considered a taxing district.

10 6. a. The county auditor shall certify and forward
11 one copy of the statement to the department of revenue
12 not later than a date of each year established by the
13 department of revenue by rule.

14 b. The replacement claims shall be paid to each
15 county treasurer in equal installments in September
16 and March of each year. The county treasurer shall
17 apportion the replacement claim payments among the
18 eligible taxing districts in the county.

19 c. If the taxing district is an urban renewal
20 area, the amount of the replacement claim shall be
21 apportioned and credited to those portions of the
22 assessed value defined in section 403.19, subsections
23 1 and 2, as follows:

24 (1) To that portion defined in section 403.19,
25 subsection 1, an amount of the replacement claim that
26 is proportionate to the amount of actual value of the
27 commercial and industrial property in the urban renewal
28 area as determined in section 403.19, subsection 1,
29 that was subtracted pursuant to section 403.20, as
30 it bears to the total amount of actual value of the
31 commercial and industrial property in the urban renewal
32 area that was subtracted pursuant to section 403.20 for
33 the assessment year for property taxes due and payable
34 in the fiscal year for which the replacement claim is

35 computed.

36 (2) To that portion defined in section 403.19,
37 subsection 2, the remaining amount, if any.

38 d. Notwithstanding the allocation provisions of
39 paragraph "c", the amount of the tax replacement amount
40 that shall be allocated to that portion of the assessed
41 value defined in section 403.19, subsection 2, shall
42 not exceed the amount equal to the amount certified to
43 the county auditor under section 403.19 for the fiscal
44 year in which the claim is paid, after deduction of
45 the amount of other revenues committed for payment
46 on that amount for the fiscal year. The amount not
47 allocated to that portion of the assessed value defined
48 in section 403.19, subsection 2, as a result of the
49 operation of this paragraph, shall be allocated to that
50 portion of assessed value defined in section 403.19,

Page 9

1 subsection 1.

2 e. The amount of the replacement claim amount
3 credited to the portion of the assessed value defined
4 in section 403.19, subsection 1, shall be allocated
5 to and when received be paid into the fund for the
6 respective taxing district as taxes by or for the
7 taxing district into which all other property taxes
8 are paid. The amount of the replacement claim amount
9 credited to the portion of the assessed value defined
10 in section 403.19, subsection 2, shall be allocated to
11 and when collected be paid into the special fund of the
12 municipality under section 403.19, subsection 2.

13 Sec. 7. SAVINGS PROVISION. This division of this
14 Act, pursuant to section 4.13, does not affect the

20 program standards that ensure high-quality service
21 delivery and continuous program quality improvement
22 or the program model has demonstrated through the
23 program's benchmark outcomes that the program has
24 achieved significant positive outcomes equivalent
25 to those achieved by program models with published
26 significant and sustained results in a peer-reviewed
27 journal.
28 (5) The program has been awarded the Iowa family
29 support credential and has been reviewed on site
30 at least every five years to ensure the program's
31 adherence to the Iowa family support standards approved

45 systems. The state board's annual report submitted
46 each January to the governor and general assembly under
47 section 256I.4 shall include family support program
48 outcomes beginning with the January 2015 report.

6 support programs and shall revise the Iowa family
7 support credential to incorporate the performance
8 benchmarks on or before January 1, 2014.

32 4. For valuations established as of January
33 1, 1979, the percentage of actual value at which
34 agricultural and residential property shall be assessed
35 shall be the quotient of the dividend and divisor as
36 defined in this section. The dividend for each class
37 of property shall be the dividend as determined for
38 each class of property for valuations established as

40 by multiplying the percentage determined for that year
41 by the amount of any additions or deletions to actual
42 value, excluding those resulting from the revaluation
43 of existing properties, as reported by the assessors
44 on the abstracts of assessment for 1978, plus six
45 percent of the amount so determined. However, if the
46 difference between the dividend so determined for
47 either class of property and the dividend for that
48 class of property for valuations established as of
49 January 1, 1978, adjusted by the product obtained by

1 by the amount of any additions or deletions to actual
2 value, excluding those resulting from the revaluation

9 multiplying the percentage determined for that year
10 by the amount of any additions or deletions to actual
11 value, excluding those resulting from the revaluation
12 of existing properties, as reported by the assessors on
13 the abstracts of assessment for 1978, plus a percentage

18 by multiplying the percentage determined for that year
19 by the amount of any additions or deletions to actual
20 value, excluding those resulting from the revaluation
21 of existing properties, as reported by the assessors
22 on the abstracts of assessment for 1978, is increased
23 in arriving at the 1979 dividend for the other class
24 of property. The divisor for each class of property

31 revenue pursuant to section 441.49. The director shall
32 utilize information reported on abstracts of assessment
33 submitted pursuant to section 441.45 in determining
34 such percentage. For valuations established as of

39 and residential property shall be assessed shall be
40 calculated in accordance with the methods provided
41 herein including the limitation of increases in
42 agricultural and residential assessed values to the
43 percentage increase of the other class of property if
44 the other class increases less than the allowable limit
45 adjusted to include the applicable and current values
46 as equalized by the director of revenue, except that
47 any references to six percent in this subsection shall
48 be four percent. For valuations established as of
49 January 1, 2013, and each assessment year thereafter,

22 additions or deletions to actual value, excluding those
23 resulting from the revaluation of existing properties,
24 as reported by the assessors on the abstracts of
25 assessment for 1979, plus four percent of the amount
26 so determined. The divisor for each class of property
27 shall be the total actual value of all such property in

31 properties in 1980. The director shall utilize
32 information reported on the abstracts of assessment
33 submitted pursuant to section 441.45 in determining

42 area as determined in section 403.19, subsection 1,
43 that was subtracted pursuant to section 403.20, as
44 it bears to the total amount of actual value of the

13 operation of this paragraph, shall be allocated to that
14 portion of assessed value defined in section 403.19,

11 373.10 Taxing authority.

12 The metropolitan council shall have the authority
13 to levy city taxes to the extent the city tax levy
14 authority is transferred by the charter to the
15 metropolitan council. A member city shall transfer
16 a portion of the city's tax levy authorized under
17 section 384.1 or 384.12, whichever is applicable, to
18 the metropolitan council. The maximum ~~rates~~ amount of
19 taxes authorized to be levied under ~~sections~~ section
20 384.1 and ~~the taxes authorized to be levied under~~
21 section 384.12 by a member city shall be reduced by an
22 amount equal to the rates of the same or similar taxes
23 levied in the city by the metropolitan council.

24 Sec. 71. Section 384.1, Code 2013, is amended by
25 striking the section and inserting in lieu thereof the
26 following:

27 384.1 Property tax dollars — maximums.

28 1. A city shall certify taxes to be levied by the
29 city on all taxable property within the city limits,
30 for all city government purposes. Annually, the city
31 council may certify basic levies for city government
32 purposes, subject to the limitation on property tax
33 dollars provided in this section.

34 2. For purposes of this section and section 384.1B,
35 unless the context otherwise requires:

36 a. "Annual growth factor" means an index, expressed
37 as a percentage, determined by the department of
38 management by January 1 of the calendar year in which
39 the budget year begins. In determining the annual
40 growth factor, the department shall calculate the
41 average of the preceding twelve-month percentage
42 change, which shall be computed on a monthly basis,
43 in the midwest consumer price index, ending with the
44 percentage change for the month of November. The
45 department shall then add that average percentage
46 change to one hundred percent. In no case, however,
47 shall the annual growth factor exceed one hundred four
48 percent.

49 b. "Boundary adjustment" means annexation,
50 severance, incorporation, or discontinuance as those

Page 37

1 terms are defined in section 368.1.

2 c. "Budget year" is the fiscal year beginning
3 during the calendar year in which a budget is
4 certified.

5 d. "Current fiscal year" is the fiscal year
6 ending during the calendar year in which a budget is
7 certified.

8 e. "Net new valuation taxes" means the amount of
9 property tax dollars equal to the current fiscal year's
10 levy rate in the city for the general fund multiplied
11 by the increase from the current fiscal year to the
12 budget year in taxable valuation due to the following:

13 (1) Net new construction, excluding all incremental
14 valuation that is released in any one year from either
15 a division of revenue under section 260E.4 or an urban
16 renewal area for which taxes were being divided under
17 section 403.19 if the property for the valuation being
18 released remains subject to the division of revenue
19 under section 260E.4 or remains part of the urban
20 renewal area that is subject to a division of revenue
21 under section 403.19.

22 (2) Additions or improvements to existing
23 structures.

24 (3) Remodeling of existing structures for which a
25 building permit is required.

26 (4) Net boundary adjustment.

27 (5) A municipality no longer dividing tax revenues
28 in an urban renewal area as provided in section 403.19
29 or a community college no longer dividing revenues as
30 provided in section 260E.4.

31 (6) That portion of taxable property located in an
32 urban revitalization area on which an exemption was
33 allowed and such exemption has expired.

34 3. a. For the fiscal year beginning July 1, 2014,
35 and subsequent fiscal years, the maximum amount of
36 property tax dollars which may be certified for levy
37 by a city for the general fund shall be the maximum
38 property tax dollars calculated under paragraph "b".

39 b. The maximum property tax dollars that may be
40 levied for deposit in the general fund is an amount
41 equal to the sum of the following:

42 (1) The annual growth factor times the current
43 fiscal year's maximum property tax dollars for the
44 general fund.

45 (2) The amount of net new valuation taxes in the
46 city.

47 4. For purposes of calculating maximum property tax
48 dollars for the city general fund for the fiscal year
49 beginning July 1, 2014, only, the term "current fiscal
50 year's maximum property tax dollars" shall mean the

Page 38

1 total amount of property tax dollars certified by the
2 city for the city's general fund for the fiscal year
3 beginning July 1, 2013.

4 5. Property taxes certified for deposit in the
5 debt service fund in section 384.4, trust and agency
6 funds in section 384.6, capital improvements reserve
7 fund in section 384.7, the emergency fund in section
8 384.8, any capital projects fund established by the
9 city for deposit of bond, loan, or note proceeds,
10 any temporary increase approved pursuant to section
11 384.12A, property taxes collected from a voted levy
12 in section 384.12, and property taxes levied under
13 section 384.12, subsection 18, are not counted against
14 the maximum amount of property tax dollars that may be
15 certified for a fiscal year under subsection 3.

16 6. Notwithstanding the maximum amount of taxes
17 a city may certify for levy, the tax levied by a
18 city on tracts of land and improvements on the
19 tracts of land used and assessed for agricultural or
20 horticultural purposes shall not exceed three dollars
21 and three-eighths cents per thousand dollars of
22 assessed value in any year. Improvements located on
23 such tracts of land and not used for agricultural or
24 horticultural purposes and all residential dwellings
25 are subject to the same rate of tax levied by the city
26 on all other taxable property within the city.

27 7. The department of management, in consultation
28 with the city finance committee, shall adopt rules
29 to administer this section. The department shall
30 prescribe forms to be used by cities when making
31 calculations required by this section.

32 Sec. 72. NEW SECTION. 384.1B Ending fund balance.

33 1. a. Budgeted ending fund balances for a budget
34 year in excess of twenty-five percent of budgeted
35 expenditures from the general fund for that budget
36 year shall be explicitly reserved or designated for a
37 specific purpose.

38 b. A city is encouraged, but not required, to
39 reduce ending fund balances for the budget year to
40 an amount equal to approximately twenty-five percent
41 of budgeted expenditures and transfers from the
42 general fund for that budget year unless a decision
43 is certified by the state appeal board ordering a
44 reduction in the ending fund balance of the fund.

45 c. In a protest to the city budget under section
46 384.19, the city shall have the burden of proving
47 that the budgeted balances in excess of twenty-five
48 percent are reasonably likely to be appropriated for
49 the explicitly reserved or designated specific purpose.
50 The excess budgeted balance for the specific purpose

Page 39

1 shall be considered an increase in an item in the
2 budget for purposes of section 24.28.

3 2. a. For a city that has, as of June 30,
4 2013, reduced its ending fund balance to less than
5 twenty-five percent of actual expenditures, additional
6 property taxes may be computed and levied as provided
7 in this subsection. The additional property tax levy
8 amount is an amount not to exceed the difference
9 between twenty-five percent of actual expenditures for
10 city government purposes for the fiscal year beginning
11 July 1, 2012, minus the ending fund balance for that
12 year.

13 b. All or a portion of additional property tax
14 dollars may be levied for the purpose of increasing
15 cash reserves for city government purposes in the
16 budget year. The additional property tax dollars
17 authorized under this subsection but not levied may be
18 carried forward as unused ending fund balance taxing
19 authority until and for the fiscal year beginning
20 July 1, 2019. The amount carried forward shall not
21 exceed twenty-five percent of the maximum amount of
22 property tax dollars available in the current fiscal
23 year. Additionally, property taxes that are levied
24 as unused ending fund balance taxing authority under
25 this subsection may be the subject of a protest under
26 section 384.19, and the amount will be considered an
27 increase in an item in the budget for purposes of
28 section 24.28. The amount of additional property tax
29 dollars levied under this subsection shall not be
30 included in the computation of the maximum amount of
31 property tax dollars which may be certified and levied
32 under section 384.1.

33 Sec. 73. Section 384.12, subsection 19, Code 2013,
34 is amended by striking the subsection.

35 Sec. 74. NEW SECTION. 384.12A Authority to levy
36 beyond maximum property tax dollars.

37 1. The city council may certify additions to the
38 maximum amount of property tax dollars to be levied
39 for a period of time not to exceed two years if the
40 proposition has been submitted at a special election
41 and received a favorable majority of the votes cast on
42 the proposition.

43 2. The special election is subject to the
44 following:

45 a. The city council must give at least thirty-two
46 days' notice to the county commissioner of elections
47 that the special election is to be held. In no
48 case, however, shall a notice be given to the county
49 commissioner of elections after December 31 for an
50 election on a proposition to exceed the statutory

Page 40

1 limits during the fiscal year beginning in the next
2 calendar year.

3 b. The special election shall be conducted by the
4 county commissioner of elections in accordance with
5 law.

6 c. The proposition to be submitted shall be
7 substantially in the following form:

8 Vote "yes" or "no" on the following: Shall the city
9 of _____ levy for an additional \$ _____ each year
10 for ____ years beginning next July 1, ____, in excess of
11 the statutory limits otherwise applicable for the city
12 general fund?

13 d. The canvass shall be held beginning at 1:00 p.m.
14 on the second day which is not a holiday following the
15 special election.

16 e. Notice of the special election shall be
17 published at least once in a newspaper as specified
18 in section 362.3 prior to the date of the special
19 election. The notice shall appear as early as
20 practicable after the city council has voted to submit
21 a proposition to the voters to levy additional property
22 tax dollars.

23 3. The amount of additional property tax dollars
24 certified under this section shall not be included in
25 the computation of the maximum amount of property tax
26 dollars which may be certified and levied under section
27 384.1.

28 Sec. 75. Section 384.19, Code 2013, is amended by
29 adding the following new unnumbered paragraph:
30 NEW UNNUMBERED PARAGRAPH. For purposes of a tax
31 protest filed under this section, "item" means a
32 budgeted expenditure, appropriation, or cash reserve
33 from a fund for a service area, program, program
34 element, or purpose.

35 Sec. 76. Section 386.8, Code 2013, is amended to
36 read as follows:

37 386.8 Operation tax.

38 A city may establish a self-supported improvement
39 district operation fund, and may certify taxes not
40 to exceed the rate limitation as established in the
41 ordinance creating the district, or any amendment
42 thereto, each year to be levied for the fund against
43 all of the property in the district, for the purpose
44 of paying the administrative expenses of the district,
45 which may include but are not limited to administrative
46 personnel salaries, a separate administrative office,
47 planning costs including consultation fees, engineering
48 fees, architectural fees, and legal fees and all other
49 expenses reasonably associated with the administration
50 of the district and the fulfilling of the purposes of

Page 41

1 the district. The taxes levied for this fund may also
2 be used for the purpose of paying maintenance expenses
3 of improvements or self-liquidating improvements for a
4 specified length of time with one or more options to
5 renew if such is clearly stated in the petition which
6 requests the council to authorize construction of the
7 improvement or self-liquidating improvement, whether
8 or not such petition is combined with the petition
9 requesting creation of a district. Parcels of property
10 which are assessed as residential property for property
11 tax purposes are exempt from the tax levied under this
12 section except residential properties within a duly
13 designated historic district. A tax levied under
14 this section is not subject to the ~~levy~~ limitation in
15 section 384.1.

16 Sec. 77. Section 386.9, Code 2013, is amended to
17 read as follows:

18 386.9 Capital improvement tax.

19 A city may establish a capital improvement fund
20 for a district and may certify taxes, not to exceed
21 the rate established by the ordinance creating the
22 district, or any subsequent amendment thereto,
23 each year to be levied for the fund against all of
24 the property in the district, for the purpose of
25 accumulating moneys for the financing or payment
26 of a part or all of the costs of any improvement or
27 self-liquidating improvement. However, parcels of
28 property which are assessed as residential property
29 for property tax purposes are exempt from the tax
30 levied under this section except residential properties
31 within a duly designated historic district. A tax
32 levied under this section is not subject to the ~~levy~~
33 limitations in section 384.1 or 384.7.

34 Sec. 78. REPEAL. Sections 331.425 and 331.426,
35 Code 2013, are repealed.

DISTRIBUTION OF FAMILY PLANNING FUNDS

Sec. ____ DISTRIBUTION OF FAMILY PLANNING FUNDS.

1. As used in this section, unless the context otherwise requires:

b. Nonpublic entities that, in addition to family planning services, provide required primary health services as described in 42 U.S.C. § 254b(b)(1)(A).

c. Nonpublic entities that provide family planning services but do not provide required primary health services as described in 42 U.S.C. § 254b(b)(1)(A).

20 determined that distribution of family planning funds
21 to such an entity, instead of to an entity described
22 in subsection 2 paragraph "a" or "b", was necessary to

5 including the process by which a prospective member may
6 apply for the hardship exemption, shall be provided to
7 a prospective member at the time of application for
8 enrollment.

31 annual deductible for the member as established by
32 rule.

33 3. The moneys in a member's account shall only be
34 distributed from the account and used to improve the

47 subject to forfeiture of the funds in the account,
48 following notice from the department.

10 costs of the member's contributions or cost-sharing
11 requirements in the subsequent enrollment period.

12 b. If an individual is no longer eligible for
13 the plan, does not reenroll in the plan, or is
14 terminated from the plan for nonpayment of required
15 contributions or cost-sharing amounts, the plan shall
16 refund a prorated amount of the member's contributions
17 as determined by rule of the department, less any

11 and if so allowed, shall determine a timetable for any
12 additional discovery prior to the hearing before the

13 malpractice review panel. Depositions of persons other
14 than the parties and experts designated by the parties
15 shall not be taken except for good cause shown by the
16 party requesting the deposition.

17 c. The chairperson shall have the power to issue
18 subpoenas for both discovery and compulsion of
19 testimony in the same manner and method as the district
20 court.

21 d. The chairperson shall also determine a date by

26 standard of care, breach of the applicable standard of

44 injury alleged in the petition.

45 b. A single expert need not certify all of the
46 elements in paragraph "a" in regard to one particular
47 defendant, however, each of the elements must be
48 certified by an expert in regard to each defendant.

49 c. If a plaintiff fails to submit a
50 certificate-of-merit affidavit within the time

Page 17

1 period determined by the chairperson, the chairperson
2 shall file a motion with the district court to dismiss
3 the plaintiff's malpractice action with regard to the
4 defendant for which the certificate-of-merit affidavit
5 was not submitted. The district court shall then
6 dismiss with prejudice the plaintiff's malpractice
7 action against the defendant.

8 9. a. Within six months from the date all members
9 of the malpractice review panel were appointed, unless
10 the time period has been extended by the chairperson
11 for good cause shown by a requesting party, the

chairperson of the review panel shall hold a hearing of the full review panel to review the plaintiff's claims and the defendant's defenses. In no event shall any extension cause the hearing to occur more than one year after all review panel members were appointed.

b. Except as otherwise provided in this subsection, one combined hearing or hearings shall be held for all claims under this section arising out of the same malpractice action. If the malpractice action includes more than one defendant, the parties may, upon agreement of all parties, require that separate hearings be held for each defendant or group of defendants. The chairperson may, for good cause shown, order separate hearings.

10. At the hearing before the malpractice review panel, all parties who are natural persons shall be personally present and all entity parties shall have a representative present with responsibility for the subject matter that is the subject of the malpractice action. If a plaintiff fails to appear at the hearing, the chairperson shall file a motion with the district court to dismiss the plaintiff's action with prejudice, and the court shall grant the motion. If the defendant fails to appear at the hearing, the defendant shall be precluded from presenting any evidence or making any presentation before the malpractice review panel or at any subsequent trial. The absence of a party or an entity's representative may be excused by the chairperson for good cause shown.

11. At the hearing before the malpractice review panel, the plaintiff shall present the plaintiff's case to the review panel and each defendant shall present the defendant's case in response to the plaintiff's presentation. Wide latitude shall be afforded the parties in the conduct of the hearing including but not limited to the right of examination and cross-examination of witnesses by attorneys for the parties. Depositions allowed to be taken under subsection 7 shall be admissible regardless of whether

Page 18

the person deposed is available at the hearing. The Iowa rules of civil procedure shall not apply at the hearing, and evidence may be admitted if such evidence is evidence upon which reasonable persons are accustomed to rely. The chairperson shall make all procedural rulings and such rulings shall be binding and final. The hearing shall be recorded either electronically or by a court reporter. The cost of recording the hearing shall be equally divided among the parties. The record of the proceedings and all

11 documents presented as exhibits shall be confidential
12 except in the following circumstances:
13 a. Any testimony or writings made under oath may
14 be used in subsequent proceedings for purposes of
15 impeachment.
16 b. The party who made a statement or presented
17 evidence agrees to the submission, use, or disclosure
18 of the statement or evidence.
19 c. The parties unanimously agree upon disclosure of
20 any part of the record or proceedings.
21 12. Upon the conclusion of the hearing, the
22 malpractice review panel may request from any party
23 additional evidence, records, or other information to
24 be submitted in writing or at a continuation of the
25 hearing. A continued hearing shall be held as soon as
26 possible. A continued hearing shall be attended by
27 the same review panel members and parties who attended
28 the initial hearing, unless otherwise agreed to by all
29 parties.
30 13. The malpractice review panel shall issue its
31 findings in writing within thirty days of submission of
32 all presentations and evidence.
33 a. The review panel's findings shall contain
34 answers to all of the following questions:
35 (1) Whether the acts or omissions complained of
36 constitute a deviation from the applicable standard
37 of care by the health care provider charged with such
38 care.
39 (2) If the acts or omissions complained of are
40 found to have constituted a deviation from the
41 applicable standard of care, whether the acts or
42 omissions complained of proximately caused the injury
43 complained of.
44 (3) If negligence on the part of a health care
45 provider is found, whether any negligence on the part
46 of the plaintiff was equal to or greater than the
47 negligence of the health care provider.
48 b. The review panel shall make any affirmative
49 finding by a preponderance of the evidence.
50 c. With regard to each question, the review

Page 19

1 panel's findings with regard to each question shall be
2 determined by a majority of the panel members. The
3 determination of the answer to any question by any
4 individual review panel member shall be confidential
5 and shall not be disclosed to any party or other member
6 of the public. The findings shall reflect the number
7 of review panel members making a determination of an
8 answer in the affirmative and in making a determination
9 of an answer in the negative. The findings, including

the cumulative determinations in the affirmative and the negative for each answer, shall be signed by all review panel members, with each review panel member attesting that the written findings accurately reflect the determinations made.

d. The chairperson of the review panel shall serve the findings upon the parties within seven days of the date of the findings. The review panel's written findings shall be preserved until thirty days after final judgment or the action is finally resolved after which time such findings shall be destroyed. All medical and health care provider records shall be returned to the party providing them to the review panel.

e. The deliberations and discussion of the review panel shall be privileged and confidential and a review panel member shall not be asked or compelled to testify at a later proceeding concerning the deliberations, discussions, or findings expressed during the review panel's deliberations, except as such deliberation, discussion, or findings may be required to prove an allegation of intentional fraud. All review panel members and the chairperson shall be immune from liability as a result of participation in or serving as a review panel member, except for instances of intentional fraud by a panel member.

14. The effect of the malpractice review panel's findings shall be as follows:

a. If the review panel's findings are unanimous and unfavorable to the plaintiff in such a manner as would not permit recovery by the plaintiff if the answers were made at trial, all of the following shall apply:

(1) The review panel's findings are admissible in any subsequent court action for professional negligence against the health care provider accused of professional negligence by the claimant based upon the same set of facts which were considered reviewed by the review panel.

(2) If the malpractice action proceeds and results in a verdict and judgment for the defendant, the plaintiff shall be required to pay all expert witness

Page 20

fees and court costs incurred by the defendant.

(3) If the malpractice action proceeds and results in a verdict and judgment for the plaintiff, any noneconomic damages awarded to the plaintiff shall not exceed two hundred fifty thousand dollars.

b. If the review panel's findings are unanimous and unfavorable to the defendant, in such a manner as would permit the plaintiff to recover if the defendant's

9 answers were made at trial, all of the following shall
10 apply:

11 (1) The review panel's findings are admissible
12 in any subsequent court action for professional
13 negligence against the health care provider accused of
14 professional negligence by the claimant based upon the
15 same set of facts which were considered reviewed by the
16 review panel.

17 (2) The defendant shall promptly admit liability or
18 enter into negotiations to pay the plaintiff's claim
19 for damages.

20 (3) If liability is admitted, the claim may be
21 resubmitted to the review panel upon agreement of the
22 plaintiff and the defendant for a determination of
23 damages. Any determination of damages by the review
24 panel shall be admissible in any subsequent malpractice
25 action.

26 (4) If liability is not admitted and the parties
27 are not able to resolve the claim through settlement
28 negotiations within thirty days after service of the
29 review panel's findings, the plaintiff may proceed with
30 the malpractice action. If the plaintiff obtains a
31 verdict or judgment in excess of the plaintiff's last
32 formal demand in the settlement negotiations following
33 the review panel's findings, the defendant shall be
34 required to pay all expert witness fees and court costs
35 incurred by the plaintiff.

36 15. a. Upon the selection of all members of the
37 malpractice review panel, each party shall pay to the
38 clerk of the district court a filing fee of two hundred
39 fifty dollars.

40 b. Any party may apply to the chairperson of the
41 malpractice review panel for a waiver of the filing
42 fee. The chairperson shall grant the waiver if the
43 party is indigent.

44 c. Any party who is or was an employee of another
45 party at the time of the claimed injury and was acting
46 in the course and scope of employment with such other
47 party shall not be required to pay a filing fee.

48 Sec. 20. NEW SECTION. 622.31A Evidence-based
49 medical practice guidelines — affirmative defense.

50 1. For purposes of this section:

Page 21

1 a. "Evidence-based medical practice guidelines"
2 means voluntary medical practice parameters or
3 protocols established and released through a recognized
4 physician consensus-building organization approved

6 services, through the American medical association's
7 physician consortium for performance improvement or

8 similar activity, or through a recognized national
9 medical specialty society.

10 b. "Health care provider" means a physician and
11 surgeon, osteopathic physician and surgeon, physician
12 assistant, or advanced registered nurse practitioner.

13 2. In any action for personal injury or wrongful
14 death against any health care provider based upon the
15 alleged negligence of the health care provider in
16 patient care, the health care provider may assert,
17 as an affirmative defense, that the health care
18 provider complied with evidence-based medical practice
19 guidelines in the diagnosis and treatment of a patient.

20 3. A judge may admit evidence-based medical
21 practice guidelines into evidence if introduced only by
22 a health care provider or by the health care provider's
23 employer and if the health care provider or the health
24 care provider's employer establishes foundational
25 evidence in support of the evidence-based medical
26 practice guidelines as well as evidence that the health
27 care provider complied with the guidelines. Evidence
28 of departure from an evidence-based medical practice
29 guideline is admissible only on the issue of whether
30 the health care provider is entitled to assert an
31 affirmative defense.

32 4. This section shall not apply to any of the
33 following:

34 a. A mistaken determination by the health care
35 provider that the evidence-based medical practice
36 guideline applied to a particular patient where
37 such mistake is caused by the health care provider's
38 negligence or intentional misconduct.

39 b. The health care provider's failure to properly
40 follow the evidence-based medical practice guideline
41 where such failure is caused by the health care
42 provider's negligence or intentional misconduct. There
43 shall be no presumption of negligence if a health care
44 provider does not adhere to an evidence-based medical
45 practice guideline.>

34 of the increase shall be used for state child care
35 assistance payments. If the appropriations made for
36 purposes of the state child care assistance program for

3 number of comparable properties, as described by the
4 aggrieved taxpayer shall be listed on the protest,
5 otherwise said protest shall not be considered on this
6 ground consideration shall be given to whether the

11 ~~(2) (b)~~ That the property is assessed for more
12 than the value authorized by law, stating. When

16 to be its actual value and ~~the amount the party~~
17 ~~considers a fair assessment shall be stated.~~

18 ~~(3) (c)~~ That the property is not assessable, is
19 exempt from taxes, or is misclassified and stating the

22 and state the specific alleged error. When this ground
23 is relied upon, it may include but is not limited to
24 listing errors, clerical or mathematical errors, or
25 other errors that result in an error in the assessment.

26 ~~(5) (e)~~ That there is fraud in the assessment
27 which shall be specifically stated.

28 (2) For even-numbered assessment years, when the
29 property has not been reassessed in such even-numbered
30 assessment year, that there has been a decrease in the

32 year. When this ground is relied upon, the decrease in
33 value shall be shown by comparing the market value of
34 the property as of January 1 of the current assessment
35 year and the actual value of the property for the
36 previous reassessment year. Such protest shall be
37 in the same manner as described in this section and
38 shall be reviewed by the local board of review pursuant
39 to section 441.35, subsection 2, but no reduction or

46 ~~proof for all protests filed under this section shall~~
47 ~~be as stated in section 441.21, subsection 3, paragraph~~
48 ~~"b".~~

49 Sec. 88. Section 441.37A, subsection 1, paragraph

7 ~~making the protest~~ adjournment of the local board of
8 review or May 31, whichever is later. The written
9 notice of appeal shall include a petition setting forth
10 the basis of the appeal and the relief sought. No new
11 grounds in addition to those set out in the protest
12 to the local board of review as provided in section
13 441.37 can be pleaded, but additional evidence to
14 sustain those grounds may be introduced. The assessor
15 shall have the same right to appeal to the assessment

16 within ~~the~~ this state shall register and maintain
17 financial liability coverage as required under section
18 321.20B for each vehicle and pay the same fees for
19 registration as are paid for like vehicles owned by

6 that payment of the fee for new registration for the
7 vehicle is owed by the Iowa resident.
8 (1) Factors which indicate that a partnership,

33 of the nonresident partnership, limited liability
34 company, or corporation that purports to be the owner
35 of the vehicle.
36 (d) The person is insured to drive the vehicle.
37 (3) If the department determines that the
38 nonresident owner of a vehicle is a shell business, the
39 department shall notify the Iowa resident in control
40 of the vehicle in writing that the Iowa resident is
41 required to obtain an Iowa certificate of title and
42 registration for the vehicle and pay the fee for new
43 registration owed for the vehicle not later than thirty
44 days from the date of the notice.

13 parent or guardian.

14 Sec. ____ NEW SECTION. 257.11B Education savings

29 an education savings grant shall submit an application
30 to the department of education, on application forms
31 developed by the department, indicating that the parent
32 or guardian intends to enroll the pupil in a nonpublic
33 school or provide competent private instruction for the
34 pupil under chapter 299A.

35 (2) In addition to such information deemed
36 appropriate by the department of education, the
37 application shall require certification from the
38 nonpublic school of the pupil’s enrollment for the
39 following school year or a statement indicating the

11 b. The department of management shall on July
12 1 following the determination of the amount of the
13 education savings grant for each approved pupil
14 transfer such amounts to the pupil's account in
15 the education savings grant fund established under

22 the state treasury under the control of the department
23 of management consisting of moneys appropriated to
24 the department for the purpose of providing education
25 savings grants under this section. For the fiscal
26 year commencing July 1, 2014, and each succeeding
27 fiscal year, there is appropriated from the general

1 5. a. For each pupil approved for an education
2 savings grant, the department shall establish an
3 account for that pupil in the education savings grant
4 fund. The amount of the pupil's education savings
5 grant determined under subsection 3 shall be deposited
6 into the pupil's account on July 1 and such amount
7 shall be immediately available for the payment of
8 qualified education expenses incurred by the parent or
9 guardian for the pupil during that fiscal year using
10 the payment method authorized under subsection 4,
11 paragraph "c".
12 b. A nonpublic school or other entity that accepts
13 payment from a parent or guardian using funds from a
14 pupil's account in the education savings grant fund
15 shall not refund, rebate, or share any portion of such
16 payment with the parent, guardian, or pupil.
17 c. Moneys remaining in a pupil's account upon
18 conclusion of the fiscal year shall remain in the
19 pupil's account within the education savings grant
20 fund for the payment of qualified educational expenses
21 in future fiscal years or for the payment of higher

29 for pupils with disabilities, standardized test fees,
30 fees required by the department not to exceed for each
31 grant recipient five percent of the total grant amount
32 in any fiscal year, and other expenses incurred by the
33 parent or guardian that are directly related to the
34 education of the pupil at a nonpublic school, including
35 a nonpublic school accredited by an independent
36 accrediting agency approved by the department of
37 education, or directly related to providing competent
38 private instruction for the pupil under chapter 299A.
39 The cost of one computer or other portable computing
40 device shall be allowed as a qualified educational
41 expense for a pupil if such a purchase has not been

42 made using funds from that pupil's account in either of
43 the two immediately preceding fiscal years. "Qualified
44 educational expenses" do not include transportation
45 costs for the pupil, the cost of food or refreshments
46 consumed by the pupil, the cost of clothing for the

1 of obtaining an education savings grant provided for
2 in this section or who knowingly receives the grant or
3 makes a payment from an account within the education
4 savings grant fund without being legally entitled to it
5 is guilty of a fraudulent practice. The false claim
6 for an education savings grant or a payment from an
7 account shall be disallowed and if amounts from the
8 grant have been disbursed from the applicable account
9 in the education savings grant fund, the department of
10 management shall initiate legal proceedings to recover

14 savings grant program in the future.

15 8. For each pupil with a positive balance in the
16 pupil's account in the education savings grant fund
17 upon graduation from high school or completion of an
18 equivalent level of competent private instruction
19 under chapter 299A, the department of management shall
20 maintain such account in the fund until the pupil is
21 twenty-five years of age. Following graduation from
22 high school until the pupil is twenty-five years of
23 age, moneys in the pupil's account may be used for
24 higher education costs, as defined in section 12D.1,
25 subsection 2, incurred by the pupil while attending an
26 institution of higher education under the control of
27 the state board of regents, a community college located
28 in this state, or a private college or university
29 located in this state. Payments from a pupil's account
30 for higher education costs shall be made in the same
31 manner as payments for qualified educational expenses
32 under subsection 5. Moneys in a pupil's account
33 when the pupil turns twenty-five years of age shall
34 be transferred by the department for deposit in the
35 general fund of the state.

36 9. This section shall not be construed to authorize
37 this state or any political subdivision of this state
38 to exercise authority over any nonpublic school or
39 pupil receiving competent private instruction under
40 chapter 299A or construed to require a nonpublic school

41 to modify its admissions or educational program in
 42 order to receive payment from a parent or guardian
 43 using funds from a pupil's account in the education
 44 savings grant fund. A nonpublic school or entity
 45 providing competent private instruction under chapter
 46 299A, that accepts payment from a parent or guardian
 47 using funds from a pupil's account in the education
 48 savings grant fund is not an agent of this state or

27 Sec. ____ Section 6A.19, Code 2013, is amended to
28 read as follows:

29 6A.19 Interpretative clause.

30 A grant in this chapter of right to take private
31 property for a public use shall not be construed as
32 limiting a like grant elsewhere in the Code for another
33 and different use. Unless specifically provided by
34 law, this chapter shall not be construed to limit or
35 otherwise affect the application of chapters 478 and
36 479 to the eminent domain authority of the utilities
37 division of the department of commerce.

38 Sec. ____ Section 6A.22, subsection 2, paragraph
39 c, subparagraph (1), Code 2013, is amended to read as
40 follows:

41 (1) (a) If private property is to be condemned for
42 development or creation of a lake, only that number
43 of acres justified as reasonable and necessary for
44 a surface drinking water source, and not otherwise
45 acquired, may be condemned. In addition, the acquiring
46 agency shall conduct a review of prudent and feasible
47 alternatives to provision of a drinking water source
48 prior to making a determination that such lake
49 development or creation is reasonable and necessary.
50 Development or creation of a lake as a surface drinking

Page 2

1 water source includes all of the following:
2 (i) Construction of the dam, including sites for
3 suitable borrow material and the auxiliary spillway.
4 (ii) The water supply pool.
5 (iii) The sediment pool.
6 (iv) The flood control pool.
7 (v) The floodwater retarding pool.
8 (vi) The surrounding area upstream of the dam
9 no higher in elevation than the top of the dam's
10 elevation.
11 (vii) The appropriate setback distance required
12 by state or federal laws and regulations to protect
13 drinking water supply.
14 (b) For purposes of this subparagraph (1), "number
15 of acres justified as reasonable and necessary for
16 a surface drinking water source" means according to
17 guidelines of the United States natural resource
18 conservation service and according to analyses of
19 ~~surface~~ drinking water capacity needs conducted
20 by one or more registered professional engineers.
21 The registered professional engineers may, if

22 appropriate, employ standards or guidelines other
23 than the guidelines of the United States natural
24 resource conservation service when determining the
25 number of acres justified as reasonable and necessary
26 for a surface drinking water source. The data and
27 information used by the registered professional
28 engineers shall include data and information relating
29 to population and commercial enterprise activity for
30 the area from the two most recent federal decennial
31 censuses unless the district court of the county in
32 which the property is situated has determined by a
33 preponderance of the evidence that such data would
34 not accurately predict the population and commercial
35 enterprise activity of the area in the future.
36 (c) A second review or analysis of the drinking
37 water capacity needs shall be performed upon receipt
38 by the acquiring agency of a petition signed by not
39 less than twenty-five percent of the affected property
40 owners. The registered professional engineer to

47 an engineer.
48 (d) If private property is to be condemned for
49 development or creation of a lake, the plans, analyses,
50 applications, including any application for funding,

Page 3

2 shall not include or provide for the use of the lake
3 for recreational purposes.
4 Sec. ____ Section 6B.54, subsection 10, paragraph

6 subparagraph:
7 **NEW SUBPARAGRAPH.** (3) Reasonable attorney fees and
8 reasonable costs not to exceed one hundred thousand
9 dollars, attributable to a determination that the
10 creation of a lake through condemnation includes a
11 future recreational use or that a violation of section

13 subparagraph division (d), has occurred, if such fees
14 and costs are not otherwise provided under section
15 6B.33.
16 Sec. ____ **NEW SECTION.** 6B.56B Disposition of
17 condemned property — two-year time period.
18 1. When two years have elapsed since property
19 was condemned for the creation of a lake according

22 not been used for or construction has not progressed
23 substantially from the date the property was condemned
24 for the purpose stated in the application filed
25 pursuant to section 6B.3, and the acquiring agency has
26 not taken action to dispose of the property pursuant
27 to section 6B.56, the acquiring agency shall, within
28 sixty days, adopt a resolution offering the property
29 for sale to the prior owner at a price as provided in
30 section 6B.56. If the resolution adopted approves an
31 offer of sale to the prior owner, the offer shall be
32 made in writing and mailed by certified mail to the
33 prior owner. The prior owner has one hundred eighty
34 days after the offer is mailed to purchase the property
35 from the acquiring agency.

36 2. If the acquiring agency has not adopted a
37 resolution described in subsection 1 within the
38 sixty-day time period, the prior owner may, in writing,
39 petition the acquiring agency to offer the property
40 for sale to the prior owner at a price as provided in
41 section 6B.56. Within sixty days after receipt of
42 such a petition, the acquiring agency shall adopt a
43 resolution described in subsection 1. If the acquiring
44 agency does not adopt such a resolution within sixty
45 days after receipt of the petition, the acquiring
46 agency is deemed to have offered the property for sale
47 to the prior owner.

48 3. The acquiring agency shall give written notice
49 to the owner of the right to purchase the property
50 under this section at the time damages are paid to the

9 eminent domain authority in ~~chapter~~ chapters 6A and 6B.
10 However, a municipality shall not condemn agricultural
11 land included within an economic development area
12 for any use unless the owner of the agricultural land
13 consents to condemnation or unless the municipality
14 determines that the land is necessary or useful for any
15 of the following:
16 Sec. ____ NEW SECTION. 423B.11 Use of revenues —
17 limitation.
18 The revenue raised by a local sales and services
19 tax imposed under this chapter by a county shall not

be expended for any purpose related to a project that includes the condemnation of private property for the creation of a lake according to the requirements of section 6A.22, subsection 2, paragraph "c", subparagraph (1), if the local sales and services tax has not been approved at election in the area where the property to be condemned is located.

Sec. ____ Section 455A.5, Code 2013, is amended by adding the following new subsection:

NEW SUBSECTION. 7. The authority granted to the commission to acquire real property for purposes of carrying out a duty related to development or maintenance of the recreation resources of the state, including planning, acquisition, and development of recreational projects, and areas and facilities related to such projects, shall not include the authority to acquire real property by eminent domain.

3 Sec. 7. Section 441.28, Code 2013, is amended to
4 read as follows:
5 441.28 Assessment rolls — change — notice to
6 taxpayer.
7 The assessment shall be completed not later than
8 April ~~15~~ 1 each year. If the assessor makes any
9 change in an assessment after it has been entered on
10 the assessor's rolls, the assessor shall note on the
11 roll, together with the original assessment, the new
12 assessment and the reason for the change, together with
13 the assessor's signature and the date of the change.
14 Provided, however, in the event the assessor increases
15 any assessment the assessor shall give notice of the
16 increase in writing to the taxpayer by mail postmarked
17 no later than April ~~15~~ 1. No changes shall be made on

18 the assessment rolls after April ~~15~~ 1 except by order
19 of the board of review or of the property assessment
20 appeal board, or by decree of court.

21 Sec. 8. NEW SECTION. 441.30 Informal assessment
22 review period — recommendation.

23 1. Any property owner or aggrieved taxpayer who is
24 dissatisfied with the owner's or taxpayer's assessment
25 may contact the assessor by telephone or in writing
26 by paper or electronic medium on or after April 1, to
27 and including April 7, of the year of the assessment
28 to inquire about the specifics and accuracy of the
29 assessment. Such an inquiry may also include a
30 request for an informal review of the assessment by the
31 assessor under one or more of the grounds for protest
32 authorized under section 441.37 for the same assessment
33 year.

34 2. In response to an inquiry under subsection 1, if
35 the assessor, following an informal review, determines
36 that the assessment was incorrect under one or more
37 of the grounds for protest authorized under section
38 441.37 for the same assessment year, the assessor may
39 recommend that the property owner or aggrieved taxpayer
40 file a protest with the local board of review and may
41 file a recommendation with the local board of review
42 related to the informal review.

43 3. A recommendation filed with the local board
44 of review by the assessor pursuant to subsection 2
45 shall be utilized by the local board of review in the
46 evaluation of all evidence properly before the local
47 board of review.

48 4. This section, including any action taken by the
49 assessor under this section, shall not be construed to
50 limit a property owner or taxpayer's ability to file a

Page 4

1 protest with the local board of review under section
2 441.37.

3 Sec. 9. Section 441.35, subsection 2, Code 2013, is
4 amended to read as follows:

5 2. In any year after the year in which an
6 assessment has been made of all of the real estate
7 in any taxing district, the board of review shall
8 meet as provided in section 441.33, and where the
9 board finds the same has changed in value, the board
10 shall revalue and reassess any part or all of the
11 real estate contained in such taxing district, and
12 in such case, the board shall determine the actual
13 value as of January 1 of the year of the revaluation
14 and reassessment and compute the taxable value
15 thereof. ~~Any aggrieved taxpayer may petition for~~
16 ~~a revaluation of the taxpayer's property, but no~~

17 ~~reduction or increase shall be made for prior years.~~
18 If the assessment of any such property is raised, or
19 any property is added to the tax list by the board,
20 the clerk shall give notice in the manner provided in
21 section 441.36. However, if the assessment of all
22 property in any taxing district is raised, the board
23 may instruct the clerk to give immediate notice by one
24 publication in one of the official newspapers located
25 in the taxing district, and such published notice
26 shall take the place of the mailed notice provided for
27 in section 441.36, but all other provisions of that
28 section shall apply. The decision of the board as to
29 the foregoing matters shall be subject to appeal to the
30 property assessment appeal board within the same time
31 and in the same manner as provided in section 441.37A
32 and to the district court within the same time and in
33 the same manner as provided in section 441.38.
34 Sec. 10. Section 441.37, subsection 1, paragraphs a
35 and b, Code 2013, are amended to read as follows:
36 a. Any property owner or aggrieved taxpayer who is
37 dissatisfied with the owner's or taxpayer's assessment
38 may file a protest against such assessment with
39 the board of review on or after April ~~16~~ 7, to and
40 including May 5, of the year of the assessment. In any
41 county which has been declared to be a disaster area by
42 proper federal authorities after March 1 and prior to
43 May 20 of said year of assessment, the board of review
44 shall be authorized to remain in session until June 15
45 and the time for filing a protest shall be extended
46 to and include the period from May 25 to June 5 of
47 such year. ~~Said~~ The protest shall be in writing and,
48 ~~except as provided in subsection 2A,~~ signed by the one
49 protesting or by the protester's duly authorized agent.
50 The taxpayer may have an oral hearing ~~thereon~~ on the

Page 5

1 ~~protest if the request therefor for the oral hearing~~
2 ~~is made in writing is made~~ at the time of filing the
3 protest. ~~Said~~ The protest must be confined to one or
4 more of the following grounds:
5 (1) For odd-numbered assessment years and for
6 even-numbered assessment years for property that was
7 reassessed in such even-numbered assessment year:
8 (a) That said assessment is not equitable as
9 compared with assessments of other like property in
10 the taxing district. When this ground is relied upon
11 as the basis of a protest the legal description and
12 assessments of a representative number of comparable
13 properties, as described by the aggrieved taxpayer
14 shall be listed on the protest, otherwise said protest
15 shall not be considered on this ground.

16 ~~(2)~~ (b) That the property is assessed for more
17 than the value authorized by law, ~~stating. When this~~
18 ground is relied upon, the protesting party shall state
19 the specific amount which the protesting party believes
20 the property to be overassessed, and the amount which
21 the party considers to be its actual value and the
22 amount the party considers a fair assessment.

23 ~~(3)~~ (c) That the property is not assessable, is
24 exempt from taxes, or is misclassified and stating the
25 reasons for the protest.

26 ~~(4)~~ (d) That there is an error in the assessment
27 and state the specific alleged error. ~~When this~~
28 ground is relied upon, the error may include but is not
29 limited to listing errors, clerical or mathematical
30 errors, or other errors that result in an error in the
31 assessment.

32 ~~(5)~~ (e) That there is fraud in the assessment
33 which shall be specifically stated.

34 (2) For even-numbered assessment years, when the
35 property has not been reassessed in such even-numbered
36 assessment year, that there has been a decrease in the
37 value of the property from the previous reassessment
38 year. When this ground is relied upon, the protesting
39 party shall show the decrease in value by comparing
40 the market value of the property as of January 1 of
41 the current assessment year and the actual value of
42 the property for the previous reassessment year. Such
43 protest shall be in the same manner as described in
44 this section and shall be reviewed by the local board
45 of review pursuant to section 441.35, subsection 2, but
46 a reduction or increase shall not be made for prior
47 years.

48 ~~b. In addition to the above, the property owner~~
49 ~~may protest annually to the board of review under~~
50 ~~the provisions of section 441.35, but such protest~~

Page 6

1 ~~shall be in the same manner and upon the same terms as~~
2 ~~heretofore prescribed in this section. The burden of~~
3 proof for all protests filed under this section shall
4 be as stated in section 441.21, subsection 3.

5 Sec. 11. Section 441.37, Code 2013, is amended by
6 adding the following new subsection:

7 NEW SUBSECTION. 2A. For assessment years beginning
8 on or after January 1, 2014, the board of review may
9 allow property owners or aggrieved taxpayers who are
10 dissatisfied with the owner's or taxpayer's assessment
11 to file a protest against such assessment by electronic
12 means. Electronic filing of assessment protests
13 may be authorized for the protest period that begins
14 April 7, the protest period that begins October 15,

or both. Except for the requirement that a protest be signed, all other requirements of this section for an assessment protest to the board of review shall apply to a protest filed electronically. If electronic filing is authorized by the local board of review, the availability of electronic filing shall be clearly indicated on the assessment roll notice provided to the property owner or taxpayer and included in the published equalization order notice.

Sec. 12. Section 441.37A, subsection 1, paragraphs a and b, Code 2013, are amended to read as follows:

a. For the assessment year beginning January 1, 2007, and all subsequent assessment years beginning before January 1, 2015, appeals may be taken from the action of the board of review with reference to protests of assessment, valuation, or application of an equalization order to the property assessment appeal board created in section 421.1A. However, a property owner or aggrieved taxpayer or an appellant described in section 441.42 may bypass the property assessment appeal board and appeal the decision of the local board of review to the district court pursuant to section 441.38.

b. For an appeal to the property assessment appeal board to be valid, written notice must be filed by the party appealing the decision with the secretary of the property assessment appeal board within twenty days after the date ~~the board of review's letter of disposition of the appeal is postmarked to the party making the protest of adjournment of the local board of review or May 31, whichever is later.~~ The written notice of appeal shall include a petition setting forth the basis of the appeal and the relief sought. No new grounds in addition to those set out in the protest to the local board of review as provided in section 441.37 can be pleaded, but additional evidence consisting

Page 7

of an appraisal of the property or testimony of an appraiser who prepared an appraisal of the property to sustain those grounds may be introduced. The assessor shall have the same right to appeal to the assessment appeal board as an individual taxpayer, public body, or other public officer as provided in section 441.42. An appeal to the board is a contested case under chapter 17A, and the board is considered an agency for purposes of section 17A.15, subsection 1.

Sec. 13. Section 441.37A, subsection 1, Code 2013, is amended by adding the following new paragraph:

NEW PARAGRAPH. e. For the assessment year beginning January 1, 2014, the property assessment

14 appeal board may, by rule, provide for the filing of a
15 notice of appeal and petition with the secretary of the
16 board by electronic means. All requirements of this
17 section for an appeal to the board shall apply to an
18 appeal filed electronically.

19 Sec. 14. Section 441.37A, subsection 2, paragraph
20 a, Code 2013, is amended to read as follows:

21 a. A party to the appeal may request a hearing or
22 the appeal may proceed without a hearing. If a hearing
23 is requested, the appellant and the local board of
24 review from which the appeal is taken shall be given
25 at least thirty days' written notice by the property
26 assessment appeal board of the date the appeal shall be
27 heard and the local board of review may be present and
28 participate at such hearing. Notice to all affected
29 taxing districts shall be deemed to have been given
30 when written notice is provided to the local board of
31 review. The requirement of thirty days' written notice
32 may be waived by mutual agreement of all parties to
33 the appeal. Failure by the appellant to appear at
34 the property assessment appeal board hearing shall be
35 ~~grounds for result in~~ dismissal of the appeal unless a
36 continuance is granted to the appellant by the board
37 following a showing of good cause for the appellant's
38 failure to appear. If an appeal is dismissed for
39 failure to appear, the property assessment appeal board
40 shall have no jurisdiction to consider any subsequent
41 appeal on the appellant's protest.

42 Sec. 15. Section 441.37A, subsection 2, paragraph
43 b, Code 2013, is amended to read as follows:

44 b. ~~An appeal may be considered by less than a~~
45 ~~majority of the members~~ Each appeal shall be considered
46 by one member of the board, and the chairperson of the
47 board may assign members to consider appeals. If a
48 hearing is requested, it shall be open to the public
49 and shall be conducted in accordance with the rules
50 of practice and procedure adopted by the board. The

Page 8

1 board may provide by rule for participation in such
2 hearings by telephone or other means of electronic
3 communication. However, any deliberation of a board
4 member considering the appeal in reaching a decision
5 on any appeal shall be confidential. ~~A meeting of the~~
6 ~~board~~ Any deliberation of a board member to rule on
7 procedural motions in a pending appeal or to deliberate
8 on the decision to be reached in an appeal is exempt
9 from the provisions of chapter 21. The ~~property~~
10 ~~assessment appeal board or any~~ member of the board
11 considering the appeal may require the production of
12 any books, records, papers, or documents as evidence

in any matter pending before the board that may be material, relevant, or necessary for the making of a just decision. Any books, records, papers, or documents produced as evidence shall become part of the record of the appeal. Any testimony given relating to the appeal shall be transcribed and made a part of the record of the appeal.

Sec. 16. Section 441.37A, subsection 3, paragraph a, Code 2013, is amended to read as follows:

a. The board member considering the appeal shall determine anew all questions arising before the local board of review which relate to the liability of the property to assessment or the amount thereof. All of the evidence shall be considered and there shall be no presumption as to the correctness of the valuation of assessment appealed from. The decision of the board member considering the appeal shall be the decision of the property assessment appeal board. The property assessment appeal board shall ~~make issue a~~ decision in each appeal filed with the board. ~~If the appeal is considered by less than a majority of the board, the determination made by that member shall be forwarded to the full board for approval, rejection, or modification. If the initial determination is rejected by the board, it shall be returned for reconsideration to the board member making the initial determination. Any deliberation of the board regarding an initial determination shall be confidential. The burden of proof for all appeals before the board shall be as stated in section 441.21, subsection 3.~~

9 to add or modify projects. However, a proposed

modification to a project and each project proposed to be added shall first be approved by the board in the same manner as provided for the original plan. In no case, however, shall an amendment to the district plan result in the extension of the commencement date established by the board. If a district plan is amended to add or modify a project, the municipality shall amend the ordinance, if necessary, to reflect any changes to the financial information required to be included under subsection 4.

6. Following establishment of a district, the municipality shall on or before October 1 of each year submit a report to the board detailing all of the following:

LEGISLATIVE INTENT

7 Section 1. USE OF RENEWABLE FUELS. The general
8 assembly finds and declares all of the following:

9 1. In accordance with the federal Energy Policy
10 Act of 2005, Pub. L. No. 109-58, as amended by the
11 federal Energy Independence and Security Act of 2007,
12 Pub. L. No. 110-140, the United States has demonstrated
13 its commitment to the long-term policy of increasing
14 the production of clean renewable fuels according to
15 a renewable fuel standard, sometimes referred to as
16 "RFS2," by requiring the increased domestic production
17 and use of renewable fuels, which include total
18 renewable biofuels such as ethanol, advanced biofuels,
19 cellulosic and agricultural waste-based biofuels, and
20 biomass-based biodiesel.

21 2. The renewable fuel standard provides the
22 foundation for reducing dependence on foreign
23 sources of crude oil, reducing the price of domestic
24 transportation fuels, reducing greenhouse gases,
25 increasing farm income, and encouraging the development
26 and expansion of a new industry, and consequently
27 promoting economic growth.

28 3. The rising price of petroleum hampers this
29 nation's economic recovery and contributes to
30 increasing retail prices, including increased costs
31 attributable to the transportation of food and other
32 goods, that drain the finances of both consumers and
33 business.

34 4. The United States Environmental Protection
35 Agency is responsible for establishing and implementing
36 the renewable fuel standard, including by requiring
37 that certain volumes of various types of biofuels
38 be blended in transportation fuels each year with
39 authority to adjust those volumes due to availability.

5. The United States government should renew its commitment to this nation's energy security, move the United States toward greater energy independence and security as required by the federal Energy Independence and Security Act, and use all efforts to meet the highest possible renewable fuel volume requirements set forth in the renewable fuel standard in order to ensure that this nation achieves energy independence.

<DIVISION I

BUSINESS PROPERTY TAX CREDIT

Section 1. Section 331.512, Code 2013, is amended by adding the following new subsection:

NEW SUBSECTION. 4A. Carry out duties relating to the business property tax credit as provided in chapter 426C.

Sec. 2. Section 331.559, Code 2013, is amended by adding the following new subsection:

NEW SUBSECTION. 14A. Carry out duties relating to the business property tax credit as provided in chapter 426C.

Sec. 3. NEW SECTION. 426C.1 Definitions.

For the purposes of this chapter, unless the context otherwise requires:

1. *“Contiguous parcels”* means any of the following:
 - a. Parcels that share a common boundary.
 - b. Parcels within the same building or structure regardless of whether the parcels share a common boundary.
 - c. Permanent improvements to the land that are situated on one or more parcels of land that are assessed and taxed separately from the permanent improvements if the parcels of land upon which the permanent improvements are situated share a common boundary.
2. *“Department”* means the department of revenue.
3. *“Fund”* means the business property tax credit fund created in section 426C.2.
4. *“Parcel”* means as defined in section 445.1 and, for purposes of business property tax credits claimed for fiscal years beginning on or after January 1, 2016, *“parcel”* also means that portion of a parcel assigned to be commercial property, industrial property, or railway property under chapter 434 pursuant to section 441.21, subsection 13, paragraph “c”.

5. *“Property unit”* means contiguous parcels all of which are located within the same county, with the same property tax classification, are owned by the same person, and are operated by that person for a common use and purpose.

Sec. 4. NEW SECTION. 426C.2 Business property tax credit fund — appropriation.

1. A business property tax credit fund is created in the state treasury under the authority of the department. For the fiscal year beginning July 1, 2014, there is

appropriated from the general fund of the state to the department to be credited to the fund, the sum of fifty million dollars to be used for business property tax credits authorized in this chapter. For the fiscal year beginning July 1, 2015, there is appropriated from the general fund of the state to the department to be credited to the fund, the sum of one hundred million dollars to be used for business property tax credits authorized in this chapter. For the fiscal year beginning July 1, 2016, and each fiscal year thereafter, there is appropriated from the general fund of the state to the department to be credited to the fund, the sum of one hundred twenty-five million dollars to be used for business property tax credits authorized in this chapter.

2. Notwithstanding section 12C.7, subsection 2, interest or earnings on moneys deposited in the fund shall be credited to the fund. Moneys in the fund are not subject to the provisions of section 8.33 and shall not be transferred, used, obligated, appropriated, or otherwise encumbered except as provided in this chapter.

Sec. 5. NEW SECTION. 426C.3 Claims for credit.

1. Each person who wishes to claim the credit allowed under this chapter shall obtain the appropriate forms from the assessor and file the claim with the assessor. The director of revenue shall prescribe suitable forms and instructions for such claims, and make such forms and instructions available to the assessors.

2. *a.* Claims for the business property tax credit shall be filed not later than March 15 preceding the fiscal year during which the taxes for which the credit is claimed are due and payable.

b. A claim for credit filed after the deadline for filing claims shall be considered as a claim for the following year.

3. Upon the filing of a claim and allowance of the credit, the credit shall be allowed on the parcel or property unit for successive years without further filing as long as the parcel or property unit satisfies the requirements for the credit. If the parcel or property unit ceases to qualify for the credit under this chapter, the owner shall provide written notice to the assessor by the date for filing claims specified in subsection 2 following the date on which the parcel or property unit ceases to qualify for the credit.

4. The assessor shall remit the claims for credit to the county auditor with the assessor's recommendation for allowance or disallowance. If the assessor recommends disallowance of a claim, the assessor shall submit the reasons for the recommendation, in writing, to the county auditor. The county auditor shall forward the claims and recommendations to the board of supervisors. The board shall allow or disallow the claims.

5. For each claim and allowance of a credit for a property unit, the county auditor shall calculate the average of all consolidated levy rates applicable to the several parcels within the property unit. All claims for credit which have been allowed by the board of supervisors, the actual value of such parcels and property units applicable to the fiscal year for which the credit is claimed that are subject to assessment and taxation prior to imposition of any applicable assessment limitation, the consolidated levy rates for such parcels and the average consolidated levy rates for such property units applicable to the fiscal year for which the credit is claimed, and the taxing districts in which the parcel or property unit is located, shall be certified on or before June 30, in each year, by the county auditor to the department.

6. The assessor shall maintain a permanent file of current business property tax credits. The assessor shall file a notice of transfer of property for which a credit has been allowed when notice is received from the office of the county recorder, from the person who sold or transferred the property, or from the personal representative of a deceased property owner. The county recorder shall give notice to the assessor of each transfer of title filed in the recorder's office. The notice from the county recorder shall

describe the property transferred, the name of the person transferring title to the property, and the name of the person to whom title to the property has been transferred.

7. When all or a portion of a parcel or property unit that is allowed a credit under this chapter is sold, transferred, or ownership otherwise changes, the buyer, transferee, or new owner who wishes to receive the credit shall refile the claim for credit. In addition, when a portion of a parcel or property unit that is allowed a credit under this chapter is sold, transferred, or ownership otherwise changes, the owner of the portion of the parcel or property unit for which ownership did not change shall refile the claim for credit.

Sec. 6. NEW SECTION. 426C.4 Eligibility and amount of credit.

1. *a.* Except as provided in paragraph “*b*”, parcels classified and taxed as commercial property, industrial property, or railway property under chapter 434 are eligible for a credit under this chapter. A person may claim and receive one credit under this chapter for each eligible parcel unless the parcel is part of a property unit for which a credit is claimed. A person may claim and receive one credit under this chapter for each property unit. A credit approved for a property unit shall be allocated to the several parcels within the property unit in the proportion that each parcel’s total amount of property taxes due and payable bears to the total amount of property taxes due and payable on the property unit. Only property units comprised of property assessed as commercial property, industrial property, or railway property under chapter 434 are eligible for a credit under this chapter. The classification of property used to determine eligibility for the credit under this chapter shall be the classification of the property for the assessment year used to calculate the taxes due and payable in the fiscal year for which the credit is claimed.

b. All of the following shall not be eligible to receive a credit under this chapter or be part of a property unit that receives a credit under this chapter:

(1) Property that is rented or leased to low-income individuals and families as authorized by section 42 of the Internal Revenue Code, as amended, and that is subject to assessment procedures relating to section 42 property under section 441.21, subsection 2, for the applicable assessment year.

(2) For credits claimed for the fiscal year beginning July 1, 2014, and the fiscal year beginning July 1, 2015, property that is a mobile home park, manufactured home community, land-leased community, assisted living facility, as those terms are defined in section 441.21, subsection 13, as enacted in division III of this Act, or that is property primarily used or intended for human habitation containing three or more separate dwelling units.

2. Using the actual value of each parcel or property unit and the consolidated levy rate for each parcel or the average consolidated levy rate for each property unit, as certified by the county auditor to the department under section 426C.3, subsection 5, the department shall calculate, for each fiscal year, an initial amount of actual value for use in determining the amount of the credit for each such parcel or property unit so as to provide the maximum possible credit according to the credit formula and limitations under subsection 3, and to provide a total dollar amount of credits against the taxes due and payable in the fiscal year equal to ninety-eight percent of the moneys in the fund following the deposit of the appropriation for the fiscal year and including interest or earnings credited to the fund.

3. *a.* The amount of the credit for each parcel or property unit for which a claim for credit under this chapter has been approved shall be calculated under paragraph “*b*” using the lesser of the initial amount of actual value determined by the department under subsection 2, and the amount of actual value of the parcel or property unit certified by the county auditor under section 426C.3, subsection 5.

b. The amount of the credit for each parcel or property unit for which a claim for credit under this chapter has been approved shall be equal to the product of the amount of actual value determined under paragraph “a” times the difference, stated as a percentage, between the assessment limitation percentage applicable to the parcel or property unit under section 441.21, subsection 5, and the assessment limitation percentage applicable to residential property under section 441.21, subsection 4, divided by one thousand dollars, and then multiplied by the consolidated levy rate or average consolidated levy rate per one thousand dollars of taxable value applicable to the parcel or property unit for the fiscal year for which the credit is claimed as certified by the county auditor under section 426C.3, subsection 5.

Sec. 7. NEW SECTION. 426C.5 Payment to counties.

1. Annually the department shall certify to the county auditor of each county the amounts of the business property tax credits allowed in the county. Each county auditor shall then enter the credits against the tax levied on each eligible parcel or property unit in the county, designating on the tax lists the credit as being paid from the fund. Each taxing district shall receive its share of the business property tax credit allowed on each eligible parcel or property unit in such taxing district in the proportion that the levy made by such taxing district upon the parcel or property unit bears to the total levy upon the parcel or property unit by all taxing districts. However, the several taxing districts shall not draw the moneys so credited until after the semiannual allocations have been received by the county treasurer, as provided in this section. Each county treasurer shall show on each taxpayer receipt the amount of credit received from the fund.

2. The director of revenue shall authorize the department of administrative services to draw warrants on the fund payable to the county treasurers of the several counties of the state in the amounts certified by the department.

3. The amount due each county shall be paid in two payments on November 15 and March 15 of each fiscal year, drawn upon warrants payable to the respective county treasurers. The two payments shall be as nearly equal as possible.

Sec. 8. NEW SECTION. 426C.6 Appeals.

1. If the board of supervisors disallows a claim for credit under section 426C.3, subsection 4, the board of supervisors shall send written notice, by mail, to the claimant at the claimant's last known address. The notice shall state the reasons for disallowing the claim for the credit. The board of supervisors is not required to send notice that a claim for credit is disallowed if the claimant voluntarily withdraws the claim. Any person whose claim is disallowed under the provisions of this chapter may appeal from the action of the board of supervisors to the district court of the county in which the parcel or property unit is located by giving written notice of such appeal to the county auditor within twenty days from the date of mailing of notice of such action by the board of supervisors.

2. If a claim for credit is disallowed by the board of supervisors, and such action is subsequently reversed on appeal, the credit shall be allowed on the applicable parcel or property unit, and the director of revenue, the county auditor, and the county treasurer shall provide the credit and change their books and records accordingly. In the event the claimant has paid one or both of the installments of the tax payable in the year or years in question, remittance shall be made to the claimant of the amount of such credit. The amount of such credit awarded on appeal shall be allocated and paid from the balance remaining in the fund.

Sec. 9. NEW SECTION. 426C.7 Audit — recalculation or denial.

1. If on the audit of a credit provided under this chapter, the director of revenue determines the amount of the credit to have been incorrectly calculated or that the credit is not allowable, the director shall recalculate the credit and notify the claimant

and the county auditor of the recalculation or denial and the reasons for it. The director shall not adjust a credit after three years from October 31 of the year in which the claim for the credit was filed. If the credit has been paid, the director shall give notification to the claimant, the county treasurer, and the applicable assessor of the recalculation or denial of the credit and the county treasurer shall proceed to collect the tax owed in the same manner as other property taxes due and payable are collected, if the parcel or property unit for which the credit was allowed is still owned by the claimant. If the parcel or property unit for which the credit was allowed is not owned by the claimant, the amount may be recovered from the claimant by assessment in the same manner that income taxes are assessed under sections 422.26 and 422.30. The amount of such erroneous credit, when collected, shall be deposited in the fund.

2. The claimant or board of supervisors may appeal any decision of the director of revenue to the state board of tax review pursuant to section 421.1, subsection 5. The claimant, the board of supervisors, or the director of revenue may seek judicial review of the action of the state board of tax review in accordance with chapter 17A.

Sec. 10. NEW SECTION. 426C.8 False claim — penalty.

A person who makes a false claim for the purpose of obtaining a credit provided for in this chapter or who knowingly receives the credit without being legally entitled to it is guilty of a fraudulent practice. The claim for a credit of such a person shall be disallowed and if the credit has been paid the amount shall be recovered in the manner provided in section 426C.7. In such cases, the director of revenue shall send a notice of disallowance of the credit.

Sec. 11. NEW SECTION. 426C.9 Rules.

The director of revenue shall prescribe forms, instructions, and rules as necessary, pursuant to chapter 17A, to carry out and effectuate the purposes of this chapter.

Sec. 12. IMPLEMENTATION. Notwithstanding the deadline for filing claims established in section 426C.3, for a credit against property taxes due and payable during the fiscal year beginning July 1, 2014, the claim for the credit shall be filed not later than January 15, 2014.

Sec. 13. APPLICABILITY. This division of this Act applies to property taxes due and payable in fiscal years beginning on or after July 1, 2014.

DIVISION II

Sec. 14. Section 257.3, subsection 1, Code 2013, is amended by adding the following new paragraph:

NEW PARAGRAPH. *d.* The amount paid to each school district for the commercial and industrial property tax replacement claim under section 441.21A shall be regarded as property tax. The portion of the payment which is foundation property tax shall be determined by applying the foundation property tax rate to the amount computed under section 441.21A, subsection 4, paragraph “a”, and such amount shall be prorated pursuant to section 441.21A, subsection 2, if applicable.

Sec. 15. Section 331.512, Code 2013, is amended by adding the following new subsection:

NEW SUBSECTION. 13A. Carry out duties relating to the calculation and payment of commercial and industrial property tax replacement claims under section 441.21A.

Sec. 16. Section 331.559, Code 2013, is amended by adding the following new subsection:

NEW SUBSECTION. 25A. Carry out duties relating to the calculation and payment of commercial and industrial property tax replacement claims under section 441.21A.

Sec. 17. Section 441.21, subsection 4, Code 2013, is amended to read as follows:

4. For valuations established as of January 1, 1979, the percentage of actual value at which agricultural and residential property shall be assessed shall be the quotient of the dividend and divisor as defined in this section. The dividend for each class of property shall be the dividend as determined for each class of property for valuations established as of January 1, 1978, adjusted by the product obtained by multiplying the percentage determined for that year by the amount of any additions or deletions to actual value, excluding those resulting from the revaluation of existing properties, as reported by the assessors on the abstracts of assessment for 1978, plus six percent of the amount so determined. However, if the difference between the dividend so determined for either class of property and the dividend for that class of property for valuations established as of January 1, 1978, adjusted by the product obtained by multiplying the percentage determined for that year by the amount of any additions or deletions to actual value, excluding those resulting from the revaluation of existing properties, as reported by the assessors on the abstracts of assessment for 1978, is less than six percent, the 1979 dividend for the other class of property shall be the dividend as determined for that class of property for valuations established as of January 1, 1978, adjusted by the product obtained by multiplying the percentage determined for that year by the amount of any additions or deletions to actual value, excluding those resulting from the revaluation of existing properties, as reported by the assessors on the abstracts of assessment for 1978, plus a percentage of the amount so determined which is equal to the percentage by which the dividend as determined for the other class of property for valuations established as of January 1, 1978, adjusted by the product obtained by multiplying the percentage determined for that year by the amount of any additions or deletions to actual value, excluding those resulting from the revaluation of existing properties, as reported by the assessors on the abstracts of assessment for 1978, is increased in arriving at the 1979 dividend for the other class of property. The divisor for each class of property shall be the total actual value of all such property in the state in the preceding year, as reported by the assessors on the abstracts of assessment submitted for 1978, plus the amount of value added to said total actual value by the revaluation of existing properties in 1979 as equalized by the director of revenue pursuant to section 441.49. The director shall utilize information reported on abstracts of assessment submitted pursuant to section 441.45 in determining such percentage. For valuations established as of January 1, 1980, and each ~~assessment~~ year thereafter ~~beginning before January 1, 2013~~, the percentage of actual value as equalized by the director of revenue as provided in section 441.49 at which agricultural and residential property shall be assessed shall be calculated in accordance with the methods provided ~~herein in this subsection~~, including the limitation of increases in agricultural and residential assessed values to the percentage increase of the other class of property if the other class increases less than the allowable limit adjusted to include the applicable and current values as equalized by the director of revenue, except that any references to six percent in this subsection shall be four percent. For valuations established as of January 1, 2013, and each assessment year thereafter, the percentage of actual value as equalized by the director of revenue as provided in section 441.49 at which agricultural and residential property shall be assessed shall be calculated in accordance with the methods provided in this subsection, including the limitation of increases in agricultural and residential assessed values to the percentage increase of the other class of property if the other class increases less than the allowable limit adjusted to include the applicable and current values as equalized by the director of revenue, except that any references to six percent in this subsection shall be three percent.

Sec. 18. Section 441.21, subsection 5, Code 2013, is amended to read as follows:

5. a. ~~For valuations established as of January 1, 1979, commercial property and industrial property, excluding properties referred to in section 427A.1, subsection 8, shall be assessed as a percentage of the actual value of each class of property. The percentage shall be determined for each class of property by the director of revenue for the state in accordance with the provisions of this section. For valuations established as of January 1, 1979, the percentage shall be the quotient of the dividend and divisor as defined in this section. The dividend for each class of property shall be the total actual valuation for each class of property established for 1978, plus six percent of the amount so determined. The divisor for each class of property shall be the valuation for each class of property established for 1978, as reported by the assessors on the abstracts of assessment for 1978, plus the amount of value added to the total actual value by the revaluation of existing properties in 1979 as equalized by the director of revenue pursuant to section 441.49. For valuations established as of January 1, 1979, property valued by the department of revenue pursuant to chapters 428, 433, 437, and 438 shall be considered as one class of property and shall be assessed as a percentage of its actual value. The percentage shall be determined by the director of revenue in accordance with the provisions of this section. For valuations established as of January 1, 1979, the percentage shall be the quotient of the dividend and divisor as defined in this section. The dividend shall be the total actual valuation established for 1978 by the department of revenue, plus ten percent of the amount so determined. The divisor for property valued by the department of revenue pursuant to chapters 428, 433, 437, and 438 shall be the valuation established for 1978, plus the amount of value added to the total actual value by the revaluation of the property by the department of revenue as of January 1, 1979. For valuations established as of January 1, 1980, commercial property and industrial property, excluding properties referred to in section 427A.1, subsection 8, shall be assessed at a percentage of the actual value of each class of property. The percentage shall be determined for each class of property by the director of revenue for the state in accordance with the provisions of this section. For valuations established as of January 1, 1980, the percentage shall be the quotient of the dividend and divisor as defined in this section. The dividend for each class of property shall be the dividend as determined for each class of property for valuations established as of January 1, 1979, adjusted by the product obtained by multiplying the percentage determined for that year by the amount of any additions or deletions to actual value, excluding those resulting from the revaluation of existing properties, as reported by the assessors on the abstracts of assessment for 1979, plus four percent of the amount so determined. The divisor for each class of property shall be the total actual value of all such property in 1979, as equalized by the director of revenue pursuant to section 441.49, plus the amount of value added to the total actual value by the revaluation of existing properties in 1980. The director shall utilize information reported on the abstracts of assessment submitted pursuant to section 441.45 in determining such percentage. For valuations established as of January 1, 1980, property valued by the department of revenue pursuant to chapters 428, 433, 437, and 438 shall be assessed at a percentage of its actual value. The percentage shall be determined by the director of revenue in accordance with the provisions of this section. For valuations established as of January 1, 1980, the percentage shall be the quotient of the dividend and divisor as defined in this section. The dividend shall be the total actual valuation established for 1979 by the department of revenue, plus eight percent of the amount so determined. The divisor for property valued by the department of revenue pursuant to chapters 428, 433, 437, and 438 shall be the valuation established for 1979, plus the amount of value added to the total actual value by the revaluation of the property by the department of revenue as of January 1, 1980. For valuations~~

established as of January 1, 1981, and each year thereafter, the percentage of actual value as equalized by the director of revenue as provided in section 441.49 at which commercial property and industrial property, excluding properties referred to in section 427A.1, subsection 8, shall be assessed shall be calculated in accordance with the methods provided herein, except that any references to six percent in this subsection shall be four percent. For valuations established as of January 1, 1981, and each year thereafter, the percentage of actual value at which property valued by the department of revenue pursuant to chapters 428, 433, 437, and 438 shall be assessed shall be calculated in accordance with the methods provided herein, except that any references to ten percent in this subsection shall be eight percent. ~~Beginning with valuations established as of January 1, 1979, and each year thereafter, property valued by the department of revenue pursuant to chapter 434 shall also be assessed at a percentage of its actual value which percentage shall be equal to the percentage determined by the director of revenue for commercial property, industrial property, or property valued by the department of revenue pursuant to chapters 428, 433, 437, and 438, whichever is lowest.~~ For valuations established on or after January 1, 2013, property valued by the department of revenue pursuant to chapter 434 shall be assessed at a percentage of its actual value equal to the percentage of actual value at which property assessed as commercial property is assessed under paragraph "b" for the same assessment year.

b. For valuations established on or after January 1, 2013, commercial property, excluding properties referred to in section 427A.1, subsection 8, shall be assessed at a percentage of its actual value, as determined in this paragraph "b". For valuations established for the assessment year beginning January 1, 2013, the percentage of actual value as equalized by the director of revenue as provided in section 441.49 at which commercial property shall be assessed shall be ninety-five percent. For valuations established for the assessment year beginning January 1, 2014, and each assessment year thereafter, the percentage of actual value as equalized by the director of revenue as provided in section 441.49 at which commercial property shall be assessed shall be ninety percent.

c. For valuations established on or after January 1, 2013, industrial property, excluding properties referred to in section 427A.1, subsection 8, shall be assessed at a percentage of its actual value, as determined in this paragraph "c". For valuations established for the assessment year beginning January 1, 2013, the percentage of actual value as equalized by the director of revenue as provided in section 441.49 at which industrial property shall be assessed shall be ninety-five percent. For valuations established for the assessment year beginning January 1, 2014, and each assessment year thereafter, the percentage of actual value as equalized by the director of revenue as provided in section 441.49 at which industrial property shall be assessed shall be ninety percent.

Sec. 19. Section 441.21, subsections 9 and 10, Code 2013, are amended to read as follows:

9. Not later than November 1, 1979, and November 1 of each subsequent year, the director shall certify to the county auditor of each county the percentages of actual value at which residential property, agricultural property, commercial property, industrial property, property valued by the department of revenue pursuant to chapter 434, and property valued by the department of revenue pursuant to chapters 428, 433, 434, 437, and 438 in each assessing jurisdiction in the county shall be assessed for taxation. The county auditor shall proceed to determine the assessed values of agricultural property, residential property, commercial property, industrial property, property valued by the department of revenue pursuant to chapter 434, and property valued by the department of revenue pursuant to chapters 428, 433, ~~434~~, 437, and 438

by applying such percentages to the current actual value of such property, as reported to the county auditor by the assessor, and the assessed values so determined shall be the taxable values of such properties upon which the levy shall be made.

10. The percentage of actual value computed by the director for agricultural property, residential property, commercial property, industrial property, property valued by the department of revenue pursuant to chapter 434, and property valued by the department of revenue pursuant to chapters 428, 433, ~~434~~, 437, and 438 and used to determine assessed values of those classes of property does not constitute a rule as defined in section 17A.2, subsection 11.

Sec. 20. NEW SECTION. 441.21A Commercial and industrial property tax replacement — replacement claims.

1. *a.* For each fiscal year beginning on or after July 1, 2014, there is appropriated from the general fund of the state to the department of revenue an amount necessary for the payment of all commercial and industrial property tax replacement claims under this section for the fiscal year. However, for a fiscal year beginning on or after July 1, 2017, the total amount of moneys appropriated from the general fund of the state to the department of revenue for the payment of commercial and industrial property tax replacement claims in that fiscal year shall not exceed the total amount of money necessary to pay all commercial and industrial property tax replacement claims for the fiscal year beginning July 1, 2016.

b. Moneys appropriated by the general assembly to the department under this subsection for the payment of commercial and industrial property tax replacement claims are not subject to a uniform reduction in appropriations in accordance with section 8.31.

2. Beginning with the fiscal year beginning July 1, 2014, each county treasurer shall be paid by the department of revenue an amount equal to the amount of the commercial and industrial property tax replacement claims in the county, as calculated in subsection 4. If an amount appropriated for a fiscal year is insufficient to pay all replacement claims, the director of revenue shall prorate the payment of replacement claims to the county treasurers and shall notify the county auditors of the pro rata percentage on or before September 30.

11. NEW SUBSECTION. 5. a. For the purposes of this subsection, “*Medicaid offset amount*” means the projected amount for a fiscal year that would have been paid from a county’s services fund for those services for persons eligible under the county’s approved service management plan that would be non-Medicaid services, but due to the persons’ enrollment in the Iowa health and wellness plan established under chapter 249N, those services are instead covered under chapter 249N.

b. For the fiscal year beginning July 1, 2013, and succeeding fiscal years, the department of human services shall calculate a Medicaid offset amount for each county for the fiscal year. The department shall adopt rules in consultation with the county finance committee specifying the information to be used in calculating a Medicaid

offset amount. The information shall include but is not limited to identification of specific services and supports that would otherwise be payable by the county for persons eligible under a county's approved service management plan but are instead paid by the Iowa health and wellness plan. The amount calculated for a county shall be subject to review by the auditor of that county or subject to independent audit. The Medicaid offset amounts calculated by the department for a county for a fiscal year are not official until certified by the director of human services and submitted to the governor and general assembly by October 15 immediately following the end of the fiscal year for which the offset amounts were calculated.

d. For the fiscal year beginning July 1, 2015, and succeeding fiscal years, a county shall repay the state from any equalization payment due the county for the fiscal year, eighty percent of the county's Medicaid offset amount certified for the previous fiscal year. To the extent a county's repayment obligation for a fiscal year exceeds the amount of any equalization payment due the county for that fiscal year, the county shall, for the following fiscal year, reduce the dollar amount of the county's services fund levy by the amount of the excess.

e. A county's repayment pursuant to this subsection shall be remitted on or before January 1 of the fiscal year in which repayment is due and shall be credited to the property tax relief fund. Moneys credited to the property tax relief fund in accordance with this paragraph are subject to appropriation by the general assembly to support mental health and disability services administered by the regional system.

Sec. 181. MEDICAID OFFSET STUDY. The health care delivery model shall focus on addressing population health through primary and team-based care that incorporates the attributes of a medical home as specified in chapter 135, division XXII.

(3) Ensure accessibility of medical assistance program recipients to an adequate and qualified workforce by most efficiently utilizing the skills of the available workforce.

The strategy shall address the underlying, pervasive, and multifaceted socioeconomic impediments that medical assistance recipients face in being full participants in their own health.

The strategy shall incorporate flexible integrated care model options and accountable payment methodologies for participation by various types of providers

including individual providers, safety net providers, and nonprofit and public providers that have long experience in caring for vulnerable populations, into the integrated system.

(5) Implementation of a stakeholder process. In addition to the oversight and input provided by the legislative advisory council, the department shall hold public, local listening sessions throughout the state, collaborate with consumer groups and provider groups, and partner with other state agencies such as the department on aging and the department of public health to elicit input and feedback on the model design.

(6) Development of a multipayer approach including the medical assistance and children's health insurance programs, private payers, and Medicare.

(7) Oversight of the administration of the model design project.

(8) Engagement of providers beyond the large, integrated health systems to maximize access to all levels of care within an integrated model program by medical assistance recipients.

Page 11

1 classes of appointments as employees of the general
2 assembly:
3 A “permanent full-time” or “permanent part-time”
4 employee is one who is employed the year around and
5 eligible to receive state benefits.
6 An “exempt full-time” employee is one who is
7 employed for only a portion of the year, usually the
8 period of the legislative sessions with extensions
9 post-session and pre-session as scheduled. This class
10 is eligible to receive state benefits with the cost of
11 benefits to the state to be paid, using accrued leave
12 if authorized, by the employee when not on the payroll.
13 A “session-only” employee is one who is employed for
14 only a portion of the year, usually the legislative
15 session. This class is not eligible for state
16 benefits, except IPERS, and insurance as provided in
17 section 2.40.
18 A “part-time” employee is one who is employed to
19 work less than 40 hours per week. This class is not
20 eligible for state benefits, except IPERS if eligible.
21 BE IT FURTHER RESOLVED, That the exact
22 classification for individuals in a job series
23 created by this resolution shall be set or changed for
24 senate employees by the senate rules and administration
25 committee and for the house employees by the house
26 administration and rules committee. The committees
27 shall base the classification upon the following
28 factors:
29 1. The extent of formal education required of the
30 position; and,

Page 12

1 2. The extent of the responsibilities to be
2 assigned to the position; and,
3 3. The amount of supervision placed over the
4 position; and,
5 4. The number of persons the position is assigned
6 to supervise and skills and responsibilities of those
7 positions supervised.
8 The committees shall report the exact
9 classifications assigned to each individual on the
10 next legislative day, or, if such action is during
11 the interim, on the first day the senate or house
12 shall convene. Any action by the senate or house to
13 disapprove a report or a portion of a report shall be
14 effective the day after the action.
15 Recommendations for a pay grade for a new position
16 shall be developed in accordance with the factor scores
17 in the comparable worth report. Every four years the
18 senate rules and administration committee, the house
19 administration and rules committee, and the legislative
20 council may review all positions in the legislative
21 branch to assure conformity to comparable worth.
22 BE IT FURTHER RESOLVED, That a senator or
23 representative may employ a secretary who in the
24 judgment of the senator or representative employing
25 such person, possesses the necessary skills to perform
26 the duties such senator or representative shall
27 designate, under the administrative direction, as
28 appropriate, of the secretary of the senate or the
29 chief clerk of the house.
30 Each standing committee chairperson, ethics

Page 13

1 committee chairperson, and each appropriations
2 subcommittee chairperson shall designate a secretary
3 who is competent to perform the following duties:
4 prepare committee minutes, committee reports, type
5 committee correspondence, maintain committee records,
6 and otherwise assist the committee. Such duties
7 shall be performed in accordance with standards which
8 shall be provided by the secretary of the senate and
9 chief clerk of the house. In making the designation,
10 chairpersons shall consider persons for possible
11 designation as the secretary to the committee in the
12 following order:
13 First: The secretary to the chairperson.
14 Second: The secretary to the committee's
15 vice-chairperson.
16 Third: The secretary to any other member of the
17 committee.

18 Fourth: The secretary to any other member in the
19 same house as the committee.

20 BE IT FURTHER RESOLVED, That a Legal Counsel II
21 shall be a person who has graduated from an accredited
22 school of law and is admitted to practice in Iowa as
23 an Attorney and Counselor at Law and possesses either
24 a Masters of Law degree or has at least two years of
25 legal experience after admission to practice.

26 A Legal Counsel I shall be a person who has
27 graduated from an accredited school of law and is
28 admitted to practice in Iowa as an Attorney and
29 Counselor at Law.

30 BE IT FURTHER RESOLVED, That employees of the

Page 14

1 general assembly may be eligible for either:

2 1. Increases in salary grade or step based on
3 evaluation of their job performance and recommendations
4 of their administrative officers, subject to approval
5 of the senate committee on rules and administration
6 or the house committee on administration and rules, as
7 appropriate or

8 2. Mobility within a pay grade at the discretion
9 of the chief clerk of the house upon recommendation by
10 the employee's division supervisor on the part of the
11 house, and the discretion of the employee's division
12 supervisor on the part of the senate, subject to the
13 approval of the house committee on administration
14 and rules or the senate committee on rules and
15 administration, as appropriate — either in accord with
16 a flexible pay plan approved by the senate rules and
17 administration committee or the house administration
18 and rules committee, or in accord with the following
19 schedule:

20 (a) Progression from step "1" to "2" for a newly
21 hired employee — six months of actual employment.

22 (b) Progression from step "1" to "2" following
23 promotion within a job series — twelve months of
24 actual employment in that position.

25 (c) Progression from step "2" to "3", and step "3"
26 to "4", and step "4" to "5", and step "5" to "6", and
27 step "6" to "7", and step "7" to "8" — twelve months
28 of actual employment at the lower step.

29 BE IT FURTHER RESOLVED, That in addition to the
30 steps provided in the preceding paragraph, that

Page 15

1 secretaries to senators and representatives who were
2 employees of the senate or house of representatives
3 during any general assembly prior to January 9, 1989,
4 and who have received certification for passing a
5 typing and shorthand performance examination shall be
6 eligible for two additional steps.

7 BE IT FURTHER RESOLVED, That in addition to the
8 steps provided in the preceding paragraph, that
9 secretaries to senators and representatives shall
10 be eligible for a maximum of three additional grades
11 beyond grade 15, in any combination, as provided in
12 this paragraph:

13 1. One additional grade for a secretary to a
14 standing committee chair, ethics committee chair
15 or appropriations subcommittee chair who is not the
16 designated committee secretary.

17 2. One additional grade for a secretary to a vice-
18 chairperson or ranking member of a standing committee,
19 ethics committee or appropriations subcommittee.

20 3. One additional grade for a secretary to the
21 chairperson of the chaplain's committee.

22 4. Two additional grades for a secretary to an
23 assistant floor leader or speaker pro tempore or
24 president pro tempore.

25 5. One additional grade for a designated committee
26 secretary who is also the designated committee
27 secretary for an additional standing committee, ethics
28 committee, or appropriations subcommittee.

29 BE IT FURTHER RESOLVED, That in the event the
30 secretary to the chairperson of the chaplain's

Page 16

1 committee is the secretary to the president, president
2 pro tempore, speaker, speaker pro tempore, or the
3 majority or minority leader, such secretary shall
4 receive one additional step.

5 BE IT FURTHER RESOLVED, That the entrance salary for
6 employees of the general assembly shall be at step 1 in
7 the grade of the position held. Such employee may be
8 hired above the entrance step if possessing outstanding
9 and unusual experience for the position. Such employee
10 who is hired above the entrance step shall be mobile
11 above that step in the same period of time as other
12 employees in that same step. An officer or employee
13 who is moved to another position may be considered for
14 partial or full credit for their experience in the
15 former position in determining the step in the new
16 grade.

17 The entry level for the position of research

18 analyst shall be Legislative Research Analyst, unless
19 extraordinary conditions justify increasing that entry
20 level.

21 BE IT FURTHER RESOLVED, That a pay increase for
22 employees of one step within the pay grade for the
23 position may be made for exceptionally meritorious
24 service in addition to step increases provided
25 for in this resolution, at the discretion of the
26 chief clerk upon recommendation by the employee's
27 division supervisor on the part of the house, and upon
28 recommendation by the employee's division supervisor on
29 the part of the senate, and the approval of the senate
30 committee on rules and administration or the house

Page 17

1 committee on administration and rules. Exceptionally
2 meritorious service pay increases shall be governed by
3 the following:

4 a. The employee must have served in the position
5 for at least twelve months;

6 b. Written justification, setting forth in detail
7 the nature of the exceptionally meritorious service
8 rendered, must be submitted to the senate rules and
9 administration committee or house administration and
10 rules committee and approved in advance of granting the
11 pay increase;

12 c. No more than one exceptionally meritorious
13 service pay increase may be granted in any twelve-
14 month period.

15 d. Such meritorious service pay increase shall
16 not be granted beyond the eight-step maximum for that
17 position.

18 BE IT FURTHER RESOLVED, That the senate rules and
19 administration committee and the house administration
20 and rules committee shall both hire officers and
21 employees for their respective bodies and fill any
22 vacancies which may occur, to be effective at such time
23 as they shall set. The committee shall report the
24 names of those it has hired for the positions specified
25 in this resolution or the filling of any vacancies on
26 the next legislative day or, if such action is during
27 the interim, on the first day the senate or house shall
28 convene. Any action by the senate or house to amend or
29 disapprove a report or a portion of a report shall be
30 effective the day after the action.

Page 18

1 The chief clerk of the house shall submit to the
2 house committee on administration and rules and
3 the secretary of the senate shall submit to the

4 senate committee on rules and administration the
5 list of names, or amendments thereto, of employee
6 classifications and recommended pay step for each
7 officer and employee. Such list shall include
8 recommendations for the pay step for all employees.
9 Each respective committee shall approve or amend the
10 list of recommended classifications and pay steps and
11 publish said list in the journal.

12 BE IT FURTHER RESOLVED, That permanent employees of
13 the general assembly shall receive vacation allowances,
14 sick leave, health and accident insurance, life
15 insurance, and disability income insurance as are
16 comparably provided for full-time permanent state
17 employees. The computations shall be maintained by the
18 finance officers in each house and coordinated with the
19 department of administrative services.

20 BE IT FURTHER RESOLVED, That should any employee
21 have a grievance, the grievance shall be resolved as
22 provided by procedures determined by the senate rules
23 and administration committee for senate employees or
24 the house administration and rules committee for house
25 employees.

26 BE IT FURTHER RESOLVED, That the legislative
27 council take action to provide the same compensation
28 and benefits to all legislative central staff agency
29 employees for the eighty-fifth general assembly as
30 is provided by this resolution. The director of

Page 19

1 each legislative central staff agency shall report
2 to the chief clerk of the house and the secretary
3 of the senate the list of approved positions for
4 their agencies and the names, grades and steps of
5 each employee. Such lists shall be published in the
6 journals of the house and the senate within two weeks
7 after the adoption of this resolution by both houses.

8 BE IT FURTHER RESOLVED, That the compensation of
9 chaplains officiating at the opening of the daily
10 sessions of the house of representatives and the
11 senate of the eighty-fifth general assembly be fixed
12 at ten dollars for each house of the general assembly,
13 and that mileage to and from the State Capitol for
14 chaplains be fixed at the rate established for members
15 of the general assembly.

1 A concurrent resolution urging the United States
2 government to renew its commitment to this nation's
3 energy security.
4 WHEREAS, in accordance with the federal Energy
5 Policy Act of 2005, Pub. L. No. 109-58, as amended
6 by the federal Energy Independence and Security Act
7 of 2007, Pub. L. No. 110-140, the United States has
8 demonstrated its commitment to the long-term policy
9 of increasing the production of clean renewable fuels
10 according to a renewable fuel standard, sometimes
11 referred to as "RFS2," by requiring the increased
12 domestic production and use of renewable fuels, which
13 include total renewable biofuels such as ethanol,
14 advanced biofuels, cellulosic and agricultural
15 waste-based biofuels, and biomass-based biodiesel; and
16 WHEREAS, RFS2 provides the foundation for
17 reducing dependence on foreign sources of crude oil,

1 growth; and
2 WHEREAS, the rising price of petroleum hampers

27 Environmental Protection Agency; and
28 BE IT FURTHER RESOLVED, That copies of this
29 resolution be delivered to the Honorable Tom Vilsack,
30 United States Secretary of Agriculture; and

SENATE RESOLUTIONS

Senate Resolution 3: filed February 6, 2013; adopted by the Senate on February 20, 2013.

SENATE RESOLUTION 3 BY COMMITTEE ON ETHICS

1 A resolution relating to the Senate Code of Ethics
2 governing the conduct of members of the Senate in
3 relation to their senatorial duties during the
4 Eighty-fifth General Assembly.
5 BE IT RESOLVED BY THE SENATE, That the Senate Code
6 of Ethics for the ~~Eighty-fourth~~ Eighty-fifth General
7 Assembly shall be amended to read as follows:
8 SENATE CODE OF ETHICS
9 PREAMBLE. Every legislator owes a duty to uphold
10 the integrity and honor of the general assembly, to
11 encourage respect for the law and for the general
12 assembly and the members thereof, and to observe the
13 legislative code of ethics.
14 In doing so, members of the senate have a duty to
15 conduct themselves so as to reflect credit on the
16 general assembly, and to inspire the confidence,
17 respect, and trust of the public, and to strive to
18 avoid both unethical and illegal conduct and the
19 appearance of unethical and illegal conduct.
20 Recognizing that service in the Iowa general
21 assembly is a part-time endeavor and that members of

22 the general assembly are honorable individuals who
23 are active in the affairs of their localities and
24 elsewhere and that it is necessary that they maintain
25 a livelihood and source of income apart from their
26 legislative compensation, the following rules are
27 adopted pursuant to section 68B.31, to assist the

Page 2

1 members in the conduct of their legislative affairs.
2 1. ECONOMIC INTEREST OF SENATOR. Taking into
3 account that legislative service is part-time, a
4 senator shall not accept economic or investment
5 opportunity, under circumstances where the senator
6 knows, or should know, that there is a reasonable
7 possibility that the opportunity is being afforded the
8 senator with intent to influence the senator's conduct
9 in the performance of official duties.
10 2. DIVESTITURE. Where a senator learns that
11 an economic or investment opportunity previously
12 accepted was offered with the intent of influencing
13 the senator's conduct in the performance of official
14 duties, the senator shall take steps to divest that
15 senator of that investment or economic opportunity, and
16 shall report the facts of the situation to the senate
17 ethics committee.
18 3. CHARGES FOR SERVICES. A senator shall not
19 charge to or accept from a person, corporation,
20 partnership, or association known to have a legislative
21 interest a price, fee, compensation, or other
22 consideration for the sale or lease of any property or
23 the furnishing of services which is in excess of that
24 which the senator would charge another.
25 4. USE OF CONFIDENTIAL INFORMATION. A senator in
26 order to further the senator's own economic or other
27 interests, or those of any other person, shall not
28 disclose or use confidential information acquired in
29 the course of official duties.
30 5. HONORARIA. A senator shall not accept an

Page 3

1 honorarium from a restricted donor for a speech,
2 writing for publication, or other similar activity,
3 except as otherwise provided in section 68B.23.
4 6. EMPLOYMENT. A senator shall not accept
5 employment, either directly or indirectly, from a
6 political action committee or from an organization
7 exempt from taxation under section 501(c)(4),
8 501(c)(6), or 527 of the Internal Revenue Code that
9 engages in activities related to the nomination,
10 election, or defeat of a candidate for public office.

11 A senator may accept employment from a political
12 party, but shall disclose the employment relationship
13 in writing to the secretary of the senate within ten
14 days after the beginning of each legislative session.
15 If a senator accepts employment from a political
16 party during a legislative session, the senator shall
17 disclose the employment relationship within ten days
18 after acceptance of the employment.
19 For the purpose of this rule, a political action
20 committee means a committee, but not a candidate's
21 committee, which accepts contributions, makes
22 expenditures, or incurs indebtedness in the aggregate
23 of more than seven hundred fifty dollars in any one
24 calendar year to expressly advocate the nomination,
25 election, or defeat of a candidate for public office
26 or to expressly advocate the passage or defeat of
27 a ballot issue or influencing legislative action,
28 or an association, lodge, society, cooperative,
29 union, fraternity, sorority, educational institution,
30 civic organization, labor organization, religious

Page 4

1 organization, or professional organization which makes
2 contributions in the aggregate of more than seven
3 hundred fifty dollars in any one calendar year to
4 expressly advocate the nomination, election, or defeat
5 of a candidate for public office or ballot issue or
6 influencing legislative action.
7 7. ECONOMIC INTERESTS OF LOBBYIST. With the
8 exception of exercising unfettered discretion in
9 supporting or refusing to support proposed legislation,
10 a senator shall not take action intended to affect the
11 economic interests of a lobbyist or citizen supporting
12 or opposing proposed legislation.
13 8. APPEARANCE BEFORE GOVERNMENTAL AGENCY. A
14 senator may appear before a governmental agency or
15 board in any representation case, except that the
16 senator shall not act as a lobbyist. Whenever a
17 senator appears before a governmental agency or board,
18 the senator shall carefully avoid all conduct which
19 might in any way lead members of the general public
20 to conclude that the senator is using the senator's
21 official position to further the senator's professional
22 success or personal financial interest.
23 9. CONFLICTS OF INTERESTS. In order to permit the
24 general assembly to function effectively, a senator
25 will sometimes be required to vote on bills and
26 participate in committee work which will affect the
27 senator's employment and other monetary interests. In
28 making a decision relative to the senator's activity on
29 given bills or committee work which are subject to the

30 code, the following factors shall be considered:

Page 5

1 a. Whether a substantial threat to the senator's
2 independence of judgment has been created by the
3 conflict situation.
4 b. The effect of the senator's participation on
5 public confidence in the integrity of the legislature.
6 c. The need for the senator's particular
7 contribution, such as special knowledge of the
8 subject matter, to the effective functioning of the
9 legislature.
10 A senator with a conflict of interest may
11 participate in floor debate if prior to debate the
12 senator indicates the conflict of interest.
13 10. GIFTS. Except as otherwise provided in section
14 68B.22, a senator, or that person's immediate family
15 member, shall not, directly or indirectly, accept or
16 receive any gift or series of gifts from a restricted
17 donor.
18 11. DISCLOSURE REQUIRED. Each senator shall file
19 with the secretary of the senate within ten days after
20 the adoption of the code of ethics by the senate, and
21 within ten days after the convening of the second
22 session of the general assembly, a statement under
23 section 68B.35 on forms provided by the secretary of
24 the senate setting forth the following information:
25 The nature of each business in which the senator
26 is engaged and the nature of the business of each
27 company in which the senator has a financial interest.
28 A senator shall not be required to file a report or
29 be assumed to have a financial interest if the annual
30 income derived from the investment in stocks, bonds,

Page 6

1 bills, notes, mortgages, or other securities offered
2 for sale through recognized financial brokers is less
3 than one thousand dollars.
4 Disclosures required under this rule shall be as
5 of the date filed unless provided to the contrary,
6 and shall be amended to include interests and changes
7 encompassed by this rule that occur while the general
8 assembly is in session. All filings under this rule
9 shall be open to public inspection in the office of the
10 secretary of the senate at all reasonable times.
11 The secretary of the senate shall inform the
12 ethics committee of the statements which are filed
13 and shall report to the ethics committee the names of
14 any senators who appear not to have filed complete
15 statements. The chairperson of the ethics committee

16 shall request in writing that a senator who has failed
17 to complete the report or appears to have filed an
18 incomplete report do so within five days, and, upon
19 the failure of the senator to comply, the ethics
20 committee shall require the senator to appear before
21 the committee.

22 12. STATUTORY VIOLATIONS. Members of the general
23 assembly are urged to familiarize themselves with
24 chapters 68B, 721, and 722.

25 13. CHARGE ACCOUNTS. Senators shall not charge any
26 amount or item to any charge account to be paid for by
27 any lobbyist or any client the lobbyist represents.

28 14. TRAVEL EXPENSES. A senator shall not charge
29 to the state of Iowa amounts for travel and expenses
30 unless the senator actually has incurred those mileage

Page 7

1 and expense costs. Senators shall not file the
2 vouchers for weekly mileage reimbursement required
3 by section 2.10, subsection 1, unless the travel
4 was actually incurred at commensurate expense to the
5 senator.

6 15. COMPLAINTS. Complaints or charges against
7 any senator or any lobbyist shall be in writing, made
8 under oath, and filed with the secretary of the senate
9 or the chairperson of the ethics committee. If filed
10 with the secretary of the senate, the secretary shall
11 immediately advise the chairperson of the ethics

15 ethics committee, but a complaint shall not be rejected
16 for failure to use an approved form if the complaint
17 substantially complies with senate requirements.

18 A complainant may submit exhibits and affidavits
19 attached to the complaint.

20 16. FILING OF COMPLAINTS.

21 a. Persons entitled. Complaints may be filed by any
22 person believing that a senator, lobbyist, or client
23 of a lobbyist has violated the senate ethics code, the
24 ~~senate joint~~ rules governing lobbyists, or chapter 68B
25 of the Iowa Code. A violation of the criminal law may
26 be considered to be a violation of this code of ethics

4 considered to be timely filed if it is filed within
5 three years of the occurrence of the alleged violation
6 of the ethics code.
7 17. PERMANENT RECORD. The secretary of the senate
8 shall maintain a permanent record of all complaints
9 filed, evidence received by the committee, and any
10 transcripts or other recordings made of committee
11 proceedings, including a separate card file containing
12 the date filed, name and address of the complainant,
13 name and address of the respondent, a brief statement
14 of the charges made, and ultimate disposition of
15 the complaint. The secretary shall keep each such
16 complaint confidential until public disclosure is made
17 by the ethics committee.
18 18. PREHEARING PROCEDURE.
19 a. Defective complaint. Upon receipt of a
20 complaint, the chairperson and ranking member of the
21 ethics committee shall determine whether the complaint
22 substantially complies with the requirements of this
23 code of ethics and section 68B.31, subsection 6. If
24 the complaint does not substantially comply with
25 the requirements for formal sufficiency under the
26 code of ethics, the complaint may be returned to the
27 complainant with a statement that the complaint is not
28 in compliance with the code and a copy of the code.
29 If the complainant fails to amend the complaint to
30 comply with the code within a reasonable time, the

Page 9

1 ~~chair~~ chairperson and ranking member may dismiss the
2 complaint with prejudice for failure to prosecute.
3 b. Service of complaint on respondent. Upon
4 receipt of any complaint substantially complying
5 with the requirements of this code of ethics, the
6 chairperson of the ethics committee shall cause a copy
7 of the complaint and any supporting information to
8 be delivered promptly to the respondent, requesting
9 a written response to be filed within ten days. The

15 (4) Request a more specific statement of the
16 allegation or allegations.
17 c. Objection to member. In addition to the

18 items which may be included in a response pursuant
19 to paragraph "b", the response may also include an
20 objection to the participation of any member of the
21 committee in the consideration of the allegation or
22 allegations on the grounds that the member cannot
23 render an impartial and unbiased decision.
24 d. Extension of time. At the request of the
25 respondent and upon a showing of good cause, the
26 committee, or the chairperson and ranking member,
27 may extend the time for response, not to exceed ten
28 additional days.
29 e. Confidentiality. If a complaint is not
30 otherwise made public, the members of the committee

Page 10

1 shall treat the complaint and all supporting
2 information as confidential until the written response
3 is received from the respondent.
4 f. Communications with ethics committee. After a
5 complaint has been filed or an investigation has been
6 initiated, a party to the complaint or investigation
7 shall not communicate, or cause another to communicate,
8 as to the merits of the complaint or investigation with
9 a member of the committee, except under the following
10 circumstances:
11 (1) During the course of any meetings or other
12 official proceedings of the committee regarding the
13 complaint or investigation.

18 communication is given to the adverse party or the
19 designated representative for the adverse party.
20 (4) As otherwise authorized by statute, the senate
21 code of ethics, the ~~senate~~ joint rules governing
22 lobbyists, or vote of the committee.
23 g. Scheduling hearing. Upon receipt of the
24 response, the committee shall schedule a public meeting
25 to review the complaint and available information, and
26 shall do one of the following:
27 (1) Notify the complainant that no further
28 action will be taken, unless further substantiating
29 information is produced.
30 (2) Dismiss the complaint for failure to meet the

Page 11

1 statutory and code of ethics requirements for valid
2 complaints.
3 (3) Take action on the complaint without requesting

4 the appointment of an independent special counsel
5 if the committee determines the complaint is valid
6 and determines no dispute exists between the parties
7 regarding the material facts that establish a
8 violation. The committee may do any of the following:
9 (a) Issue an admonishment to advise against the
10 conduct that formed the basis for the complaint and to
11 exercise care in the future.
12 (b) Issue an order to cease and desist the conduct
13 that formed the basis for the complaint.
14 (c) Make a recommendation to the senate that
15 the person subject to the complaint be censured or
16 reprimanded.
17 (4) Request that the chief justice of the supreme
18 court appoint an independent special counsel to conduct
19 an investigation of the complaint and supporting
20 information, to make a determination of probable cause,
21 and to report the findings to the committee, which
22 shall be received within a reasonable time.
23 h. Public hearing. If independent special counsel
24 is appointed, upon receipt of the report of independent
25 special counsel's findings, the committee shall
26 schedule a public meeting to review the report and
27 shall do either of the following:
28 (1) Cause the complaint to be scheduled for a
29 public hearing.
30 (2) Dismiss the complaint based upon a

Page 12

1 determination by independent special counsel and the
2 committee that insufficient evidence exists to support
3 a finding of probable cause.
4 19. HEARING PROCEDURE.
5 a. Notice of hearing. If the committee causes a
6 complaint to be scheduled for a public hearing, notice
7 of the hearing date and time shall be given to the
8 complainant and respondent in writing, and of the
9 respondent's right to appear in person, be represented
10 by legal counsel, present statements and evidence, and
11 examine and cross-examine witnesses. The committee
12 shall not be bound by formal rules of evidence, but
13 shall receive relevant evidence, subject to limitations
14 on repetitiveness. Any evidence taken shall be under
15 oath.
16 b. Subpoena power. The committee may require, by
17 subpoena or otherwise, the attendance and testimony of
18 witnesses and the production of such books, records,
19 correspondence, memoranda, papers, documents, and any
20 other things it deems necessary to the conduct of the
21 inquiry.
22 c. Ex post facto. An investigation shall not be

23 undertaken by the committee of a violation of a law,
24 rule, or standard of conduct that is not in effect at
25 the time of violation.

26 d. Disqualification of member. Members of the
27 committee may disqualify themselves from participating
28 in any investigation of the conduct of another person
29 upon submission of a written statement that the member
30 cannot render an impartial and unbiased decision

Page 13

1 in a case. A member may also be disqualified by a
2 unanimous vote of the remaining eligible members of the
3 committee.

4 A member of the committee is ineligible to
5 participate in committee meetings, as a member of the
6 committee, in any proceeding relating to the member's
7 own official conduct.

8 If a member of the committee is disqualified or
9 ineligible to act, the majority or minority leader who
10 appointed the member shall appoint a replacement member
11 to serve as a member of the committee during the period
12 of disqualification or ineligibility.

13 e. Hearing. At the hearing, the chairperson shall
14 open the hearing by stating the charges, the purpose of
15 the hearing, and its scope. The burden of proof rests
16 upon the complainant to establish the facts as alleged,
17 by clear and convincing evidence. However, questioning
18 of witnesses shall be conducted by the members of the
19 committee, by independent special counsel, or by a
20 senator. The chairperson shall also permit questioning
21 by legal counsel representing the complainant or
22 respondent.

23 The chairperson or other member of the committee
24 presiding at a hearing shall rule upon procedural
25 questions or any question of admissibility of evidence
26 presented to the committee. Rulings may be reversed by
27 a majority vote of the committee members present.
28 The committee may continue the hearing to a future
29 date if necessary for appropriate reasons or purposes.

30 f. Committee action. Upon receipt of all relevant

Page 14

1 evidence and arguments, the committee shall consider
2 the same and recommend to the senate any of the
3 following:

4 (1) That the complaint be dismissed.

5 (2) That the senator, lobbyist, or client of a
6 lobbyist be censured or reprimanded, and recommend the
7 appropriate form of censure or reprimand.

9 suspension or expulsion from membership in the senate,
10 or suspension of lobbying privileges.

11 g. Disposition resolution. By appropriate
12 resolution, the senate may amend, adopt, or reject
13 the report of the ethics committee, including the
14 committee's recommendations regarding disciplinary
15 action.

16 20. COMMITTEE AUTHORIZED TO MEET. The senate
17 ethics committee is authorized to meet at the
18 discretion of the chairperson to conduct hearings and
19 other business that properly may come before it. If
20 the committee submits a report seeking senate action
21 against a senator, lobbyist, or client of a lobbyist
22 after the second regular session of a general assembly
23 has adjourned sine die, the report shall be submitted
24 to and considered by the subsequent general assembly.
25 However, the report may be submitted to and considered
26 during any special session which may take place after
27 the second regular session of a general assembly has
28 adjourned sine die, but before the convening of the
29 next general assembly.

30 21. ADVISORY OPINIONS.

Page 15

1 a. Requests for formal opinions. A request for a

7 that is within the jurisdiction of the committee.
8 Requests shall be filed with either the secretary of
9 the senate or the chairperson of the ethics committee.

10 b. Form and contents of requests. A request for

15 Code to any person who is subject to the authority of
16 the ethics committee. Requests shall contain one or
17 more specific questions and shall relate either to
18 future conduct or be stated in the hypothetical. A
19 request for an advisory opinion shall not specifically
20 name any individual or contain any other specific
21 identifying information, unless the request relates
22 to the requester's own conduct. However, any request
23 may contain information which identifies the kind
24 of individual who may be affected by the subject
25 matter of the request. Examples of this latter kind
26 of identifying information may include references to
27 conduct of a category of individuals, such as but not

28 limited to conduct of legislators, legislative staff,
29 lobbyists, or clients of lobbyists.
30 c. Confidentiality of formal requests and opinions.

9 WHEREAS, the Republic of China (Taiwan), marking
10 its centennial in 2011 and entering into its second
11 century in 2012 as the world's 19th-largest economy,
12 has achieved economic and social stability, has been
13 lauded in the last two decades as a beacon of democracy
14 for Asia, has dramatically improved its record on human
15 rights, and has taken great steps forward to enter the

20 of the United States' intent to not only join the

27 concern since 2001, and even though Taiwan is a key
28 air transport hub in the Asia-Pacific region, with

29 more than one million flights passing through the
30 Taipei Flight Information Region, and with one of

20 the first committee meeting after the convening of
21 the second regular session, committees shall either
22 authorize the chair to refer such bills and resolutions
23 to a subcommittee for consideration, indefinitely

25 them out to the floor and place them on the calendar.

6 7. The senate calendar shall include a list of
7 bills and resolutions, known as the "Regular Calendar",
8 which shall consist of bills and resolutions reported
9 out by a senate committee. The bills and resolutions

27 provided they are eligible under rule 59.
28 9. The majority leader, or in the absence of the

30 select from among the bills on the previous legislative

Page 6

1 day's Senate calendar and from the bills selected
2 create a new listing which shall be known as the
3 "Debate Calendar". The debate calendar shall list
4 bills as the majority leader expects to take them up.
5 A bill or resolution on the debate calendar may be
6 debated only when eligible under Rule 8.
7 10. The majority leader, or in the absence of the
8 majority leader the assistant majority leaders, may
9 create a list of bills or resolutions about which

10 no controversy is believed to exist which shall be
11 known as the "Proposed Noncontroversial Calendar".
12 Bills or resolutions included on this listing may be
13 debated at any time upon being called up for debate
14 by the majority leader. Any bill or resolution which
15 appeared on the previous day's Senate calendar may be
16 placed by any senator on the proposed noncontroversial
17 calendar, which shall be published. Any bill or
18 resolution on the proposed noncontroversial calendar
19 shall be stricken from the list if any senator files
20 a written objection with the secretary of the senate
21 on the first or second legislative day after it
22 appears on the proposed noncontroversial calendar.
23 Any bill stricken from the proposed noncontroversial
24 calendar shall be returned to its former place on
25 the Senate calendar. The secretary shall prepare the
26 noncontroversial calendar which shall consist of all
27 bills or resolutions on the proposed noncontroversial
28 calendar to which no objection was received.
29 11. If the senate shall not be in session on a day
30 assigned in paragraphs nine and ten for action upon a

Page 7

1 calendar, such assigned action shall occur on the next
2 succeeding legislative day.
3 12. On any bill called up for debate from any
4 calendar, debate may continue from day to day until
5 it is adopted, fails, or is postponed or deferred.
6 If further debate is postponed or deferred without a
7 time to continue being set, except for bills on the
8 debate calendar, the bill shall be listed as unfinished
9 business. Bills which are returned to the committee of
10 first referral or to a different committee after being
11 considered by the senate and classified as unfinished
12 business shall be returned to the unfinished business
13 calendar by that committee when the bill is reported
14 out of committee. The unfinished business date on
15 the calendar shall be the date on which the bill was
16 returned to committee. Bills on the debate calendar
17 upon which further debate is postponed or deferred
18 without a time to continue being set shall return to
19 the regular calendar.
20 Rule 7
21 Reserved.
22 Rule 8
23 When Eligible for Consideration
24 Bills, resolutions, and appointments shall be
25 eligible for consideration by the senate as follows:
26 1. An appointment by the governor which requires
27 senate confirmation shall be eligible on the second
28 legislative day ~~after it is first~~ printed in the senate

29 calendar as provided by Rule 59.

30 2. A house or individually sponsored bill or

Page 8

1 resolution reported out by a committee shall be
2 eligible on the second legislative day ~~after~~ it is
3 ~~first~~ printed in the senate calendar.

4 3. A committee bill or resolution sponsored by
5 the appropriations committee shall be eligible on the
6 second legislative day ~~after~~ it is ~~first~~ printed in the
7 senate calendar.

8 4. Any committee bill or resolution, other than
9 a bill or resolution sponsored by the appropriations
10 committee, shall be eligible on the third legislative
11 day it is printed in the senate calendar.

12 5. A bill that has been reported out to the
13 senate calendar, referred to a different committee
14 and reported out by that committee is eligible for
15 consideration by the senate on the day it would have
16 been eligible under subsection 2, 3, or 4, whichever
17 is applicable, as if the bill had been printed in the
18 calendar after having been reported out by the first
19 committee.

20 Rule 9

21 Debate and Decorum

22 Before addressing the senate, the senator shall
23 request recognition by depressing the "speak" device
24 and, when recognized, rise and respectfully address the
25 chair.

26 The senator shall confine all remarks to the
27 question under debate and shall avoid discussing
28 personalities or implication of improper motives. No
29 questions except by the senator recognized shall be
30 entertained after a senator is recognized to give final

Page 9

1 remarks.

2 Rule 10

3 Point of Personal Privilege

4 A point of personal privilege shall only be
5 recognized when there is no motion pending or other
6 business being considered by the senate. Points of
7 personal privilege shall not be in order during the
8 time when appropriation subcommittees are scheduled
9 to meet. Senators speaking on a point of personal
10 privilege shall be limited to ten minutes.

11 Rule 11

12 Introduction and Presentation of Guests

13 Only former members of the senate and former and
14 present members of Congress shall be presented to

15 the senate, except that the president of the senate
16 may present a visitor whose presence is of special
17 significance to the senate. The presence of school
18 groups accompanied by school officials shall be
19 announced by the president of the senate and shall
20 be recorded in the journal upon written request of a
21 member of the senate. Senators may be recognized to
22 introduce guests in the galleries when there is no
23 motion pending or other business being considered by
24 the senate. Introductions shall be limited to one
25 minute.

26 Rule 12

27 Form and Withdrawal of Motions, Amendments and
28 Signatures

29 Motions need not be in writing unless required by
30 the president or by the senate. No motion requires

Page 10

1 a second. Any amendment, motion (including a motion
2 to reconsider), or resolution may be withdrawn by the
3 mover if it has not been amended by the senate and if
4 no amendment is pending. All amendments to bills,
5 resolutions, and reports shall be in writing and filed
6 before being acted upon by the senate.

7 No amendment, resolution, bill, or conference
8 committee report shall be considered by the senate
9 without a copy of the amendment, resolution, bill, or
10 conference committee report being on the desks of the
11 entire membership of the senate prior to consideration.
12 However, after the fourteenth week of the first session
13 and the twelfth week of the second session, amendments
14 and senate resolutions may be considered by the senate
15 without a copy of the amendment or senate resolution
16 being on the desks of the entire membership of the
17 senate if a copy of the amendment or senate resolution
18 is made available to the entire membership of the
19 senate electronically. Such consideration shall
20 be deferred until a copy of the amendment or senate
21 resolution is on the desks of the entire membership of
22 the senate upon the request of any senator.

23 All amendments, reports, petitions or other
24 documents requiring a signature shall have the name
25 printed under the place for the signature. Once a
26 signature is affixed and the document containing the
27 signature filed with the recording clerk in the well,
28 that signature shall not be removed.

29 When an amendment to a main amendment is filed that
30 would negate the effect of the main amendment and

Page 11

1 thereby leave the bill unchanged, the presiding officer
2 shall have the authority to declare the amendment to
3 the main amendment out of order, subject to an appeal
4 to the full senate.

5 When a house amendment to a senate file is before
6 the senate, an amendment to the house amendment shall
7 be considered an amendment in the first degree.

8 Regardless of its origin, an amendment in the third
9 degree shall be ruled out of order.

10 When a ruling on germaneness is issued by the
11 presiding officer, it shall be accompanied by an
12 explanation of the ruling.

13 Rule 13

14 Order and Precedence of Motions and Amendments

15 When a question is under debate, no motion shall
16 be received but to adjourn, to recess, questions
17 of privilege, to lay on the table, for the previous
18 question, to postpone to a day certain, to refer,
19 to amend, to postpone indefinitely, to defer, or
20 incidental motions. A substitute is not in order
21 unless it is in the form of a motion to substitute.
22 Such motions shall have precedence in the order in
23 which they are named. No motion to postpone to a
24 day certain, to refer, or postpone indefinitely,
25 being decided, shall be again allowed on the same
26 day with regard to the same question. A motion to
27 strike out the enacting clause of a bill shall have
28 precedence over all amendments and, if carried, shall
29 be considered equivalent to the rejection of the bill.

30 A motion to strike everything after the enacting

Page 12

1 clause has precedence over a committee amendment and
2 all other amendments except one to strike the enacting
3 clause. A committee amendment has precedence over all
4 other amendments except as provided in this rule.

5 A motion to rerefer a bill to committee may specify
6 when the committee shall report the bill to the senate.
7 If the motion is adopted in such form, the committee
8 must report the bill by the date and time specified
9 with or without recommendation or the bill shall
10 automatically be returned to the calendar. When the
11 bill is returned to the calendar, it shall occupy
12 the same position it occupied at the time the bill
13 was rereferred to the committee. If the committee
14 to which the bill is rereferred submits an amendment
15 in its report, that committee amendment shall take
16 precedence over other amendments except if that
17 committee amendment is in conflict with amendments

18 previously adopted, the committee amendment shall
19 not be considered until consideration of motions to
20 reconsider the previously adopted amendments result
21 in removing the conflict. A committee may not file
22 an amendment to a bill unless the bill is in the
23 committee's possession.

24 Rule 14

25 Motions Before the Senate

26 Motions before the senate shall be displayed on the
27 electronic voting system display boards.

28 Rule 15

29 Nondebatable Motions

30 The following motions are not debatable:

Page 13

1 Adjourn

2 Recess

3 Call of the Senate

4 Lay on Table or Take from Table

5 Previous Question

6 Reconsider vote by which bill was placed on last
7 reading.

8 A Motion to Reconsider and Lay the Motion to
9 Reconsider on the Table (Double-barreled Motion).

10 Rule 16

11 Division of the Question

12 Any senator may call for a division of a question,
13 which shall be divided if it includes propositions
14 so distinct that if one is taken away, a substantive
15 proposition shall remain in a technically proper form
16 for the decision of the senate. A motion to strike out
17 and insert is indivisible; but a motion to strike out,
18 if lost, shall not preclude amendments to the matter
19 attempted to be stricken or a motion to strike out and
20 insert.

21 Rule 17

22 The Previous Question

23 The previous question shall be in this form: "Shall
24 debate be closed on the pending question?" A motion
25 for the previous question may be adopted by a majority
26 of the senators present and voting. Its effect shall
27 be to put an end to debate and bring the senate to a
28 direct vote upon the pending question. However, any
29 senator who has not previously spoken on the pending
30 question and who, after the main question is taken up

Page 14

1 and before the motion for the previous question has
2 been made, requested recognition by depressing the
3 "speak" device may speak no longer than five minutes

4 on the pending question. If action on the pending
5 question continues into another legislative day or is
6 deferred, the previous question shall apply and the
7 requests to be recognized shall be honored.
8 When the motion applies to an amendment, the senator
9 proposing the amendment shall have five minutes to
10 close debate on the amendment.
11 The senator handling the measure under consideration
12 shall have ten minutes to close debate on the main
13 question.
14 Rule 18
15 Call of the Senate
16 Ten senators may file in writing a call of the
17 senate on any single item of legislative business.
18 A call of the senate requires the presence of every
19 senator and is in order at any time prior to the vote
20 being announced by the president. The sergeant-at-arms
21 shall return promptly all absent senators. Debate
22 on the item may continue while absent senators are
23 returning, but no vote on the item is in order on it
24 until all have returned. Adoption of a motion to
25 recess or adjourn to a specific time will not lift
26 the call. The call may be lifted, or a senator may
27 be excused from the call without lifting the call, by
28 a vote of a constitutional majority of the senators.
29 Those senators excused prior to the filing of the call
30 are excused from the call.

Page 15

1 Rule 19
2 Committee of the Whole
3 The senate may resolve itself into a committee of
4 the whole senate when it wishes to permit more free and
5 informal discussion. Persons other than senators may
6 appear and present information.
7 Any senator may move "that the senate now resolve
8 itself into a committee of the whole to consider" a
9 stated subject.
10 The president of the senate shall be chair of the
11 committee of the whole unless otherwise ordered by the
12 senate.
13 The procedure in committee of the whole is subject
14 to the rules of the senate. The previous question and
15 the motion to reconsider shall be in order.
16 The committee of the whole cannot take any final
17 action and its power is limited to recommendation to
18 the senate. The proceedings of the committee of the
19 whole, including any roll call vote, shall be printed
20 in the journal.
21 Any senator may at any time, except while voting or
22 while a senator has the floor, move that "the committee

23 rise” which is equivalent to a motion to adjourn.
24 After adoption of the motion to rise, the chair
25 may report to the senate in the same manner as other
26 committee reports are given.
27 Rule 20
28 Last Reading and Passage of Bills
29 When a motion to place a bill on its last reading is
30 lost, the same motion shall be in order at any later

Page 16

1 time. After the last reading of a bill, no amendment
2 shall be received. The vote on final passage shall be
3 taken immediately without debate.
4 Rule 21
5 Engrossment of Bills
6 An engrossment is a proofreading and verification
7 in order to be certain that a bill before the senate is
8 identical with the original bill as introduced with all
9 amendments which have been adopted correctly inserted.
10 In an engrossed bill, all obvious typographical,
11 spelling or other clerical errors are corrected and
12 section or paragraph numbers and internal references
13 are changed as required to conform the original bill
14 to any amendments which have been adopted. All such
15 corrections or changes shall be reported in the journal
16 by the secretary of the senate. The engrossed bill
17 shall be placed in the bill file with the original bill
18 and amendments.
19 Rule 22
20 Manner of Voting
21 On voice vote, the question shall be distinctly put
22 in this form: “Those in favor of (the question) say
23 “aye.” “Those opposed to (the question) say “no.”
24 A non-record or record roll call vote may be
25 requested by any senator or ordered by the president
26 any time before the results are announced. A
27 non-record roll call shall be requested by asking for a
28 “division”. A record roll call shall be requested by
29 asking for a “record”. Upon request for a non-record
30 or record roll call vote, the president shall announce

Page 17

1 that such a non-record or record roll call vote has
2 been requested and shall state the question to be put
3 to the senate. The president then shall direct the
4 secretary of the senate to receive the votes.
5 Senators present may cast their votes, either
6 by operating the voting mechanism located at their
7 assigned desk or by signaling the president if they are
8 unable to vote at their assigned desk. The president

9 shall enter the votes of senators signaling their
10 votes.
11 After sufficient time has elapsed for all senators
12 present to record their votes, the president shall
13 direct the secretary of the senate to close the voting
14 system. The president shall still enter the senators'
15 votes at any time prior to directing the secretary of
16 the senate to lock the voting system. The president
17 shall then immediately announce the vote.
18 During a ~~non-record~~ or record roll call vote, both
19 individual votes and vote totals shall be indicated
20 ~~openly~~ on the display boards and printed in the
21 journal. On non-record roll calls, only vote totals
22 shall be indicated on the display boards and printed in
23 the journal.
24 In the event the electronic voting system is not
25 in operating order, the president shall direct the
26 secretary of the senate to take the non-record or
27 record roll call by calling the names of the senators
28 in alphabetical order.
29 Rule 23
30 Duty of Voting

Page 18

1 Every senator present when a question is put shall
2 vote "aye", "no" or "present" unless previously excused
3 by the senate. Upon demand being made by any senator,
4 the secretary of the senate shall call in alphabetical
5 order the names of the senators not voting or voting
6 "present". Those senators called shall vote "aye" or
7 "no" unless the senator states a personal interest in
8 the question or concludes that he or she should not
9 vote under the senate code of ethics.
10 Rule 24
11 Reconsideration
12 When a main motion has been decided by the senate,
13 any senator having voted on the prevailing side
14 may move to reconsider the vote on the same or next
15 legislative day. Motions to reconsider the vote on a
16 bill or resolution shall be in writing and filed with
17 the secretary of the senate.
18 Notwithstanding any time limitations applicable
19 to motions to reconsider main motions, a motion to
20 reconsider the vote on an amendment may be made at
21 any time before final disposition of the motion to
22 be amended. Such motion shall be in writing and
23 filed with the secretary of the senate. A motion to
24 reconsider an amendment to a main motion shall be taken
25 up for consideration only prior to the disposition of
26 the main motion or upon reconsideration of the main
27 motion.

28 A constitutional majority by a record roll call is
29 necessary to reconsider a bill or joint resolution.
30 During three legislative days from the date the motion

Page 19

1 to reconsider a bill or resolution is filed, only the
2 mover may call it up. Thereafter, any senator may call
3 up the motion. If a date for adjournment has been set
4 by resolution of the senate, any senator may call up
5 a motion to reconsider at any time within three days
6 prior to the date set for adjournment.
7 If the motion to reconsider a bill or resolution
8 prevails, motions to reconsider amendments thereto
9 shall be in order and shall be disposed of without
10 delay.
11 A motion that any action taken by the senate be
12 reconsidered and the motion to reconsider be laid upon
13 the table shall be a single and indivisible motion,
14 known as the double-barreled motion, which, if carried,
15 shall have the effect of preventing reconsideration
16 unless a motion to take from the table prevails.
17 A constitutional majority is necessary for the
18 double-barreled motion to prevail on a bill or joint
19 resolution. The double-barreled motion can only be
20 made from the floor after the vote is announced and the
21 member who moved the final reading shall have priority
22 in making it.
23 A motion to reconsider and lay on the table shall
24 have priority over a motion to reconsider if they are
25 both filed on the same legislative day.
26 In the event that a motion to reconsider is pending
27 at the end of the first session or any extraordinary
28 session of any general assembly, or the general
29 assembly adjourns sine die, and the motion has not been
30 voted upon by the senate, it shall be determined to

Page 20

1 have failed.
2 Rule 25
3 Suspension of Rules
4 No standing rule, rules incorporated by reference
5 under Rule 3, or order of the senate shall be rescinded
6 or suspended, except by unanimous consent of the senate
7 or by an affirmative vote of a constitutional majority
8 of the senate voting on a simple resolution.
9 INTRODUCTION AND FORM OF BILLS
10 Rule 26
11 Time and Method of Introducing Bills and Amendments
12 All bills to be introduced in the senate shall be
13 typed in proper form by the legislative services agency

14 and shall be filed with the recording clerk.

15 All amendments shall be typed in proper form and
16 filed with the recording clerk not later than 4:30
17 p.m., or adjournment, whichever is later, in order to
18 be listed in the following day's clip sheet.

19 An "impact amendment" is an amendment which
20 reasonably could have an annual effect of at least one
21 hundred thousand dollars or a combined total effect
22 within five years after enactment of five hundred
23 thousand dollars or more on the aggregate revenues,
24 expenditures or fiscal liability of the state or its
25 subdivisions.

26 An impact amendment to a bill which has been on
27 the ~~special order~~ calendar for at least three full
28 legislative days prior to its consideration shall not
29 be taken up by the senate unless:

30 1) a fiscal note is attached, and the amendment is

Page 21

1 filed at least one legislative day prior to the date
2 set for consideration of the bill; or

3 2) the amendment is an appropriation or other
4 measure where the total effect is stated in dollar
5 amounts.

6 Rule 27

7 Limit on Introduction of Bills

4 electronic voting machine mechanism located at the
5 desk of said member of the senate shall be subject to
6 immediate termination from employment. The provisions
7 of this paragraph only shall apply during the taking
8 of a record or non-record roll call vote utilizing the
9 electronic voting system.
10 CONFIRMATION OF APPOINTMENTS
11 Rule 59
12 Appointments
13 The secretary of the senate shall:

14 a. send, to each appointee submitted by the
15 governor for senate confirmation, a copy of a
16 senate questionnaire as approved by the rules and
17 administration committee;
18 b. receive completed questionnaires from appointees
19 and forward copies of the completed questionnaires to
20 appropriate committee members;
21 c. maintain "Confirmation Calendar" categories
22 on the senate calendar as directed under this rule,
23 senate rule 6, and by the committee on rules and
24 administration. No appointee shall be listed as
25 eligible on the confirmation calendar until the
26 secretary has received the appointee's completed senate
27 questionnaire.
28 As soon as possible after the convening of a
29 session, and again within one week following March
30 1, the secretary of the senate shall publish in the

Page 43

1 senate journal the names of all nominees submitted
2 for confirmation. The secretary of the senate shall
3 maintain a file of all appointments received from the
4 governor for confirmation. The file shall contain
5 a description of the duties and the compensation
6 for each nominee. The file shall show the date an
7 appointment was received from the governor, the date
8 the appointment was published in the journal, whether
9 the nominee has been introduced, whether a committee
10 report has been filed, when the senate questionnaire
11 was sent to the appointee, and shall include a copy of
12 the appointee's completed senate questionnaire, upon
13 receipt.
14 INVESTIGATING COMMITTEES. All appointments received
15 from the governor shall be referred to the rules
16 and administration committee by the secretary of
17 the senate on the same day they are published in
18 the senate journal. The rules and administration
19 committee shall establish an en bloc confirmation
20 calendar which must be filed with the secretary of
21 the senate. Within three (3) legislative days after
22 receiving an appointment, the committee shall either
23 place a nominee on the en bloc confirmation calendar
24 or assign the nominee to an appropriate standing
25 committee for further investigation, publishing notice
26 of such assignment in the senate journal for the next
27 legislative day. If the rules and administration
28 committee fails to take action on a nominee within the
29 three days, the nominee shall automatically be placed
30 on the en bloc confirmation calendar.

Page 44

1 Within the three (3) legislative days after an
2 appointment has been referred to the rules and
3 administration committee, any ten senators may
4 require that the nominee be assigned to an appropriate
5 standing committee by filing a written, signed
6 request therefor with the chairperson of the rules and
7 administration committee. The committee chair shall
8 refer the appointment to a subcommittee within one (1)
9 legislative day after a standing committee receives
10 an appointment for further investigation, publishing
11 notice of such assignment in the senate journal for the
12 next legislative day. Within ten (10) legislative days
13 after a standing committee receives an appointment for
14 further investigation the subcommittee shall file its
15 report with the standing committee.

16 Within fourteen (14) legislative days after a
17 standing committee receives an appointment for
18 further investigation, the committee shall conduct
19 an investigation of the nominee and file its report
20 thereon with the secretary of the senate, who shall
21 then place the nominee on the en bloc calendar or
22 individual confirmation calendar as directed by
23 the committee. The failure of a committee to file
24 its report within the prescribed time means that
25 the nominee is to be automatically placed, without
26 recommendation, upon the individual confirmation
27 calendar.

28 Any individual nominated to head a department or
29 agency of state government, whose appointment is
30 subject to senate confirmation, must be introduced

Page 45

1 to the full senate prior to a vote on confirmation
2 of the nominee. Additionally, any five (5) senators
3 may request that any nominee be introduced to the
4 senate by filing a written request with the secretary
5 of the senate within ten (10) legislative days of
6 the nominee's name appearing in the journal. Any
7 individual nominated to a position requiring senate
8 confirmation may request to be introduced to the
9 full senate by notifying the secretary of the senate
10 at least one (1) legislative day in advance of the
11 nominee's appearance. If an individual is nominated
12 both to fill a vacancy for an unexpired term and is
13 also nominated for reappointment to that position
14 during the same session, a single introduction is
15 sufficient for eligibility for confirmation to both
16 terms.

17 HEARINGS. Any member of a committee investigating

18 an appointment may, within five (5) legislative days
19 after the committee receives the appointment, obtain
20 a hearing with the nominee by filing a written request
21 with the secretary of the senate who shall forward it
22 to the chair of the standing committee and the chair
23 of the subcommittee. Notice of the hearing shall be
24 published in the journal at least two (2) legislative
25 days prior to the hearing. At the hearing, which
26 shall be before the subcommittee, the nominee may be
27 questioned as to his or her qualifications to fulfill
28 the office to which nominated and further questioned
29 as to his or her viewpoints on issues facing the office
30 to which nominated. Any senator may at the discretion

Page 46

1 of the chair of the subcommittee be permitted to submit
2 oral questions. The public may, at the discretion of
3 the investigating committee, be permitted to submit
4 oral or written statements as to the qualifications of
5 the nominee.
6 Also, within five (5) legislative days after the
7 subcommittee receives an appointment for investigation,
8 any senator may submit written questions to be answered
9 by the nominee prior to consideration of the nominee's
10 confirmation by the senate.
11 INFORMATIONAL MEETINGS. After a nominee has been
12 placed on the calendar and prior to the vote on
13 confirmation, any senator may request an informational
14 meeting on the nomination which shall be held before
15 the subcommittee.
16 VOTING ON CONFIRMATIONS. Upon the motion of the
17 majority leader or his or her designee, the nominees on
18 the en bloc confirmation calendar shall be confirmed
19 en bloc by the affirmative vote of two-thirds of the
20 members elected to the senate. The journal shall
21 reflect a single roll call accompanied by a statement
22 of the names of those individuals subject to the en
23 bloc confirmation vote.
24 Prior to an en bloc vote, any senator may request,
25 either in writing or from the floor, an individual vote
26 on any nominee on the en bloc confirmation calendar.
27 The senate shall vote separately on the nominee.
28 Nominees on the individual confirmation calendar
29 shall be confirmed by a two-thirds vote; however, the
30 senate shall take a separate roll call on each nominee,

Page 47

1 unless by unanimous consent, it determines to take one
2 vote on all nominees under consideration. In any case,
3 the journal shall reflect a single roll call vote for

4 each nominee.
5 If an individual is nominated both to fill a vacancy
6 for an unexpired term and is also nominated for
7 reappointment to that position, and such appointment
8 and reappointment appear on the senate calendar as
9 eligible at the same time, a single vote is sufficient
10 for confirmation to both terms.
