5 guardian, or legal custodian of the child may execute a new
6 power of attorney for an additional period of three months, but
7 in no case shall a power of attorney created under this chapter
8 be valid for more than six months. If a parent, guardian, or
9 legal custodian revokes or terminates the power of attorney,
10 the child shall be returned to the care and custody of the
11 parent, guardian, or legal custodian within twenty-four hours
12 of the date of the revocation or termination.

13 5. An agent shall exercise parental or legal authority on a

16 parent subject to licensure by the department of human services
17 pursuant to chapter 237.

18 6. A power of attorney executed under this chapter by a
19 parent, guardian, or legal custodian shall not constitute
20 abandonment, abuse, or neglect of the child under chapter 232

22 guardian, or legal custodian fails to take custody of the child
23 upon the expiration of the power of attorney.

24 7. A power of attorney executed under this chapter by a
25 parent, guardian, or legal custodian shall not be valid if the
26 purpose is to avoid the filing of a child in need of assistance
27 petition.

28 8. This chapter shall not apply to a power of attorney
29 created pursuant to section 598C.204.

1 POWER OF ATTORNEY TEMPORARY DELEGATION OF PARENTAL AUTHORITY
2 FORM

3 1. POWER OF ATTORNEY

4 This power of attorney authorizes another person (your
5 agent) to make decisions concerning your child or children for
6 you (the principal). Your agent will be able to make decisions
7 and act with respect to your child or children. The meaning

8 of authority over the child or children listed on this form is
9 explained in Iowa Code chapter 633F. This power of attorney
10 does not grant the agent the power to consent to a child's
11 marriage or adoption, to the performance or inducement of an
12 abortion on or for a child, or to the termination of parental
13 rights of a parent of a child or to the transfer of the power
14 of attorney to a person other than to a person designated as a
15 successor agent in this power of attorney.

16 You should select someone you trust to serve as your agent.
17 Your agent is not entitled to compensation unless you state
18 otherwise in the optional Special Instructions.

19 This form provides for designation of one agent. If you
20 wish to name more than one agent, you may name a coagent in the
21 optional Special Instructions. Coagents must act by majority
22 rule unless you provide otherwise in the optional Special
23 Instructions.

24 If your agent is unable or unwilling to act for you, your
25 power of attorney will end unless you have named a successor
26 agent. You may also name a second successor agent.

27 This power of attorney becomes effective immediately upon
28 signature and acknowledgment unless you state otherwise in the
29 optional Special Instructions.

30 If you have questions about this power of attorney or the
31 authority you are granting to your agent, you should seek legal

13 Sec. 2. **NEW SECTION. 95.2 Knowingly employing unauthorized**
14 **aliens.**

15 1. *Knowingly employing unauthorized aliens prohibited.* An
16 employer shall not knowingly employ an unauthorized alien. If
17 an employer uses a contract, subcontract, or other independent
18 contractor, the employer shall not contract with a person
19 the employer knows to be an unauthorized alien or with a
20 contractor, subcontractor, or independent contractor who the
21 employer knows is employing an unauthorized alien.

22 2. *Complaints — department action.* A county attorney,
23 local law enforcement official, or member of the public
24 may file a complaint of a violation of subsection 1 with
25 the department. If the department finds, based on evidence
26 included with the complaint or on evidence gathered by the
27 department, that an employer has violated subsection 1, the
28 department shall provide the employer with written notice
29 of the department’s finding and the penalties ordered to be

31 the department’s order shall be treated as a contested case
32 under chapter 17A.

3 a signed sworn affidavit with the department within three
4 business days after the order is issued. The affidavit shall
5 state that the employer has terminated the employment of all
6 unauthorized aliens in this state and that the employer will
7 not knowingly employ an unauthorized alien in this state.

8 b. (1) The employer shall be subject to a three-year
9 probationary period.

10 (2) During the probationary period, the employer shall file
11 quarterly reports on the form prescribed in section 252G.3
12 with the department for each new employee who is hired by the
13 employer.

14 (3) The employer shall pay the department an annual
15 workforce licensing fee in the amount of five thousand dollars
16 for the probationary period.

17 c. The employer shall repay all moneys received as an
18 economic development incentive during the two years prior
19 to the violation to the government entity that awarded the

20 economic development incentive within thirty days.

21 4. *Department order — second violation.* On a finding of a

Page 4

1 employer.

2 (3) The employer shall pay the department an annual
3 workforce licensing fee in the amount of five thousand dollars
4 for the probationary period.

5 c. The employer shall repay all moneys received as an
6 economic development incentive during the two years prior
7 to the violation to the government entity that awarded the
8 economic development incentive within thirty days.

9 5. *Department order — third violation.* On a finding of a
10 third violation as described in subsection 6, the department
11 shall order all of the following:

12 a. The appropriate agencies shall permanently revoke all
13 licenses that are held by the employer. On receipt of the
14 order, the appropriate agencies shall revoke the licenses
15 according to the department's order within three business days.

16 b. The employer shall repay all moneys received as an
17 economic development incentive during the two years prior
18 to the violation to the government entity that awarded the
19 economic development incentive within thirty days.

20 6. *Violations defined.*

21 a. A violation shall be considered a first violation by an
22 employer if the violation did not occur during a probationary
23 period ordered by the department under subsection 3, paragraph
24 "b", or subsection 4, paragraph "b".

25 b. A violation shall be considered a second violation by an
26 employer if the violation occurred during a probationary period
27 ordered by the court under subsection 3, paragraph "b".

28 c. A violation shall be considered a third violation by an
29 employer if the violation occurred during a probationary period
30 ordered by the court under subsection 4, paragraph "b".

31 7. *Department report to immigration and customs*
32 *enforcement.* Upon exhaustion of an employer's right of
33 administrative and judicial appeal of a final order by the

34 department pursuant to this chapter, the department shall
35 report the name and contact information of the employer and the

Page 5

1 department's findings to United States immigration and customs
2 enforcement.
3 8. *Federal determination creates rebuttable presumption.* In
4 determining whether an employee is an unauthorized alien,
5 the department shall consider the federal government's
6 determination of the immigration status of the employee
7 pursuant to 8 U.S.C. §1373(c). The department may take
8 notice of the federal government's determination. The federal
9 government's determination that the employee is an unauthorized
10 alien creates a rebuttable presumption of the employee's
11 unauthorized status. The employer may present evidence that
12 the employee is not an unauthorized alien.
13 9. *Good-faith compliance.* For the purposes of this section,
14 an employer that establishes that it has complied in good
15 faith with the requirements of 8 U.S.C. §1324a(b) establishes
16 a conclusive affirmative defense that the employer did not
17 knowingly employ an unauthorized alien. An employer is
18 considered to have complied with the requirements of 8 U.S.C.
19 §1324a(b), notwithstanding an isolated, sporadic, or accidental
20 technical or procedural failure to meet the requirements, if
21 there is a good-faith attempt to comply with the requirements.
22 For purposes of this subsection, "*good-faith attempt to comply*"
23 means an employer to which all of the following apply with
24 respect to an employee hired or rehired by the employer:
25 a. The employer made a bona fide attempt to meet the
26 requirements for completion of the form I-9 for the employee
27 found in 8 C.F.R. §274a.2(a)(3), as amended through January 1,
28 2019.
29 b. The employer was a participating employer in the e-verify
30 program at the time the employee was hired or rehired.
31 c. The employer can demonstrate that the employer attempted
32 to verify the employment eligibility of the employee through
33 the e-verify program.
34 10. *Entrapment as affirmative defense.*
35 a. It is an affirmative defense to a violation of subsection

Page 6

1 1 that the employer was entrapped. To claim entrapment, the
2 employer must admit by the employer's testimony or other
3 evidence the substantial elements of the violation. An
4 employer who asserts an entrapment defense has the burden
5 of proving all of the following by a preponderance of the
6 evidence:
7 (1) The idea of committing the violation started with law
8 enforcement officers or their agents rather than with the
9 employer.

(2) The law enforcement officers or their agents urged and induced the employer to commit the violation.

b. An employer does not establish entrapment if the employer was predisposed to violate subsection 1 and the law enforcement officers or their agents merely provided the employer with an opportunity to commit the violation. The conduct of law enforcement officers and their agents may be considered in determining if an employer has proven entrapment.

Sec. 3. **NEW SECTION. 95.3 E-verify program — employer participation — economic development incentives from government entities — appropriation.**

1. An employer who employs four or more employees in the state shall, after hiring or rehiring an employee, verify the employment eligibility of the employee through the e-verify program, certify to the department that the employer has done so, and keep a record of the verification for the duration of the employee's employment or at least three years, whichever is longer. The certification shall be considered a record under section 96.11, subsection 6, and rules adopted pursuant thereto, and shall be submitted to the department within the time period required by rule for an employer to submit the employer's contribution and payroll report.

2. For economic development incentives applied for on or after July 1, 2019, in addition to any other requirement for an employer to receive an economic development incentive from a government entity, an employer shall register with and

Page 7

participate in the e-verify program. Before receiving the economic development incentive, the employer shall provide proof to the government entity that the employer is registered with and is participating in the e-verify program. If the government entity determines that the employer is not complying with this subsection, the government entity shall notify the employer by certified mail of the government entity's determination of noncompliance and the employer's right to appeal the determination. On a final determination of noncompliance, the employer shall repay all moneys received as an economic development incentive to the government entity within thirty days of the final determination.

3. If an employer who employs four or more employees in the state verifies the employment eligibility of an employee through the e-verify program, and the program indicates that the employee is not eligible for employment, the employer shall notify the employee and the department in writing. The employee shall have the right to submit evidence to the employer and department that the employee is eligible for employment. If the department determines after examination of such evidence that the employee was inaccurately indicated as ineligible for employment by the e-verify program, the department shall provide the employee with back pay in an

24 amount equal to the wages the employee would have earned from
 25 employment by the employer from the date of the inaccurate
 26 indication through the date of the department's determination.
 27 The employee may request a contested case hearing pursuant to
 28 chapter 17A following the department's determination. There is
 29 appropriated to the department from funds in the general fund
 30 not otherwise appropriated an amount necessary to provide any
 31 back pay to employees required pursuant to this subsection.
 32 Sec. 4. NEW SECTION. **95.4 Compliance with federal and state**
 33 **law.**
 34 This chapter shall not be construed to require an employer to
 35 take any action that the employer believes in good faith would

Page 8

1 violate federal or state law.
 2 Sec. 5. NEW SECTION. **95.5 Rules.**
 3 The department shall adopt rules pursuant to chapter 17A to
 4 administer this chapter.
 5 Sec. 6. NEW SECTION. **95.6 Use of federal funds by**

11 before the election, as provided in section 53.17A, whichever
12 is earlier.

13 Sec. 129. NEW SECTION. **53.17A Absentee ballot tracking.**

14 1. For the purposes of this chapter:

15 a. *“Postal service barcode”* means a barcode purchased by the
16 sender and supplied by the United States postal service that is
17 used to sort and track letters and flat packages and is printed
18 on an absentee ballot return envelope at the direction of the
19 commissioner before the envelope is sent to the voter.

20 b. *“Tracking information database”* means a database
21 administered by the United States postal service that is
22 accessible to the commissioner and contains information
23 regarding letters or flat packages.

24 2. a. Prior to implementing for the first time,
25 discontinuing the usage of, or reimplementing the usage
26 of a postal service barcode and tracking information, the
27 commissioner shall send notice to the state commissioner prior
28 to October 1, 2020, for an election taking place in 2020 after
29 that date, and by October 1 of each year thereafter.

30 b. The commissioner shall not implement or discontinue
31 the use of a postal service barcode or tracking information
32 database during an election after an absentee ballot has been
33 mailed for that election pursuant to section 53.8.

34 c. The state commissioner shall adopt rules regarding
35 the statewide implementation of a postal service barcode and

Page 56

1 tracking information database, including procedures to be
2 followed when usage of a postal service barcode or the tracking
3 information database is negatively impacted. Each commissioner
4 shall use a postal service barcode and tracking information
5 database consistent with rules of the state commissioner.
6 Every commissioner shall send notice to the state commissioner
7 and implement the use of a postal service barcode and tracking
8 information database prior to October 1, 2020.

9 3. a. An absentee ballot received after the polls close
10 on election day but prior to the official canvass shall be
11 counted if the commissioner determines that the ballot entered
12 the federal mail system by the deadline specified in section
13 53.17 or 53.22. The date of entry of such an absentee ballot
14 into the federal mail system shall only be verified as provided
15 in paragraph “b”.

16 b. (1) If the postmark indicates that the absentee ballot
17 entered the federal mail system by the deadline specified
18 in section 53.17 or 53.22, the ballot shall be included for
19 canvass by the absentee and special voters precinct board.

20 (2) If the postmark is illegible, missing, or dated on or
21 after election day, the commissioner shall attempt to verify
22 the ballot’s date of entry into the federal mail system by
23 querying the postal service barcode in the tracking information
24 database. If the tracking information database indicates that
25 the absentee ballot entered the federal mail system by the
26 deadline specified in section 53.17 or 53.22, the ballot shall

27 be included for canvass by the absentee and special voters
28 precinct board. The commissioner shall provide a report to
29 the absentee and special voters precinct board regarding the
30 information available in the tracking information database.
31 (3) If there is a discrepancy between the date indicated by
32 the postmark and the postal service barcode, the earlier of the
33 two shall determine the date of entry of the absentee ballot
34 into the federal mail system.
35 (4) (a) If neither the postmark nor the postal service

Page 57

1 barcode indicates that the absentee ballot entered the federal
2 mail system by the deadline specified in section 53.17 or
3 53.22, the absentee ballot shall be sent to the absentee
4 and special voters precinct board pursuant to subparagraph
5 division (b) with the numeric value assigned to the postal
6 service barcode and a full report from the tracking information
7 database.
8 (b) Up to five absentee and special voters precinct board
9 members from each political party for partisan elections,
10 or any two members of the board for nonpartisan elections,
11 shall review the postal service barcode and tracking database
12 information report of each absentee ballot submitted pursuant
13 to subparagraph division (a) and certify that the tracking
14 information database report corresponds to the absentee ballot
15 by initialing the report and the absentee ballot envelope.
16 If the board concludes that the postal service barcode and
17 tracking information database report verify that the absentee
18 ballot entered the federal mail system by the deadline
19 specified in section 53.17 or 53.22, the ballot shall be
20 counted. Otherwise, the ballot shall not be counted.
21 Sec. 130. Section 53.22, subsection 6, paragraph b, Code
22 2019, is amended to read as follows:
23 b. Absentee ballots voted under this subsection shall be
24 delivered to the commissioner no later than the time the polls

27 close, or be clearly postmarked by an officially authorized
28 postal service or bear ~~an intelligent mail~~ a postal service
29 barcode traceable to a date of entry into the federal mail
30 system not later than the day before the election, as provided
31 in section 53.17A, and received by the commissioner no later

14 Sec. 9. Section 633.551, Code 2019, is amended to read as

24 by clear and convincing evidence.

25 2. The burden of persuasion is on the petitioner in an
26 initial proceeding to appoint a guardian or conservator.
27 In a proceeding to modify or terminate a guardianship or
28 conservatorship, if the guardian or conservator is the
29 petitioner, the burden of persuasion remains with the guardian
30 or conservator. In a proceeding to terminate a guardianship
31 or conservatorship, if the ~~ward~~ protected person is the
32 petitioner, the ~~ward~~ protected person shall make a prima facie
33 showing of some decision-making capacity. Once a prima facie
34 showing is made, the burden of persuasion is on the guardian or
35 conservator to show by clear and convincing evidence that the

Page 5

1 ~~ward~~ protected person is incompetent.

2 3. In determining whether a guardianship or conservatorship
3 is to be established, modified, or terminated, the
4 district court shall consider if a limited guardianship or
5 conservatorship pursuant to section 633.635 or 633.637 is
6 appropriate. In making the determination, the court shall

7 make findings of fact to support the powers conferred on the
8 guardian or conservator.

9 4. In proceedings to establish, modify, or terminate a
10 guardianship or conservatorship, in determining if the ~~proposed~~
11 ~~ward or ward~~ respondent or protected person is incompetent as
12 defined in section 633.3, the court shall consider credible
13 evidence ~~from any source to the effect of third party~~
14 ~~assistance in meeting the needs of the proposed ward or ward~~
15 as to whether there are other less restrictive alternatives,
16 including third-party assistance, that would meet the needs of
17 the respondent or the protected person. However, neither party
18 to the action shall have the burden to produce such evidence
19 relating to other less restrictive alternatives, including but
20 not limited to third-party assistance.

21 5. Except as otherwise provided in sections 633.672
22 and 633.673, in proceedings to establish a guardianship or
23 conservatorship, the costs, including attorney fees, court
24 visitor fees, and expert witness fees, shall be assessed
25 against the ~~ward or the ward's~~ respondent or the respondent's
26 estate unless the proceeding is dismissed either voluntarily
27 or involuntarily, in which case fees and costs may be assessed
28 against the petitioner for good cause shown.

29 6. Except as otherwise provided in this subchapter, the
30 rules of civil procedure shall govern proceedings to establish,
31 modify, or terminate a guardianship or conservatorship.

32 Sec. 10. NEW SECTION. 633.552 Basis for appointment of
33 guardian for an adult.

34 1. On petition and after notice and hearing, the court may
35 appoint a guardian for an adult if the court finds by clear and

Page 6

1 convincing evidence that all of the following are true:

2 a. The decision-making capacity of the respondent is
3 so impaired that the respondent is unable to care for the
4 respondent's safety, or to provide for necessities such as
5 food, shelter, clothing, or medical care without which physical
6 injury or illness may occur.

7 b. The appointment of a guardian is in the best interest of
8 the respondent.

9 2. Section 633.551 applies to the appointment of a guardian
10 under subsection 1.

11 3. If the court appoints a guardian based upon the mental
12 incapacity of the protected person because the protected
13 person has an intellectual disability, as defined in section
14 4.1, the court shall make a separate determination as to the
15 protected person's competency to vote. The court shall find
16 a protected person incompetent to vote only upon determining

16 the interest of a parent of the minor in the termination of the
17 guardianship.

18 3. The court shall terminate a guardianship established

23 Sec. 2. Section 555B.4, Code 2019, is amended by adding the
24 following new subsection:
25 **NEW SUBSECTION.** 4. If a lien, other than a tax lien, exists
26 on the mobile home or personal property at the time an action
27 for abandonment is initiated, personal service pursuant to rule
28 of civil procedure 1.305 shall be made upon the lienholder
29 no less than twenty days before the hearing. The notice to
30 the lienholder shall describe the mobile home and shall state
31 the docket, case number, date, time at which the hearing is
32 scheduled, and the lienholder's right to assert a claim to
33 the mobile home at the hearing. The notice shall also state
34 that failure to assert a claim to the mobile home within the
35 judicial proceedings is deemed a waiver of all right, title,

Page 2

1 claim, and interest in the mobile home and is deemed consent to
2 the sale or disposal of the mobile home. If personal service
3 upon the lienholder cannot be completed in time to give the
4 lienholder the minimum notice required by this section, the
5 court may set a new hearing date.

6 Sec. 3. Section 555B.8, subsections 2 and 3, Code 2019, are
7 amended to read as follows:

8 2. ~~If Except as otherwise ordered by the court, if the~~
9 mobile home owner or other claimant asserts a claim to the
10 property, the judgment shall be satisfied before the mobile
11 home owner or other claimant may take possession of the mobile
12 home or personal property.

13 3. If no claim is asserted to the mobile home or personal
14 property or if the judgment is not satisfied at the time of
15 entry, an order shall be entered allowing the real property
16 owner to sell or otherwise dispose of the mobile home and
17 personal property pursuant to section 555B.9. ~~If Except as~~
18 ~~otherwise ordered by the court, if~~ a claimant satisfies the
19 judgment at the time of entry, the court shall enter an order
20 permitting and directing the claimant to remove the mobile home
21 or personal property from its location within a reasonable time
22 to be fixed by the court. The court shall also determine the
23 amount of further rent or storage charges to be paid by the
24 claimant to the real property owner at the time of removal.

25 Sec. 4. Section 555B.9, subsections 1, 2, 3, and 4, Code
26 2019, are amended to read as follows:

27 1. Pursuant to an order for disposal under section 555B.8,
28 subsection 3, the real property owner shall dispose of the
29 mobile home and personal property by public or private sale in
30 a commercially reasonable manner. If the personal property,
31 lienholder, owner or other claimant has asserted a claim to
32 the mobile home or personal property within the judicial
33 proceedings, that person shall be notified of the sale by
34 restricted certified mail not less than five days before the
35 sale. The notice is deemed given upon the mailing. The real

Page 3

1 property owner may buy at any public sale, and if the mobile
2 home or personal property is of a type customarily sold in
3 a recognized market or is the subject of widely distributed
4 standard price quotations, the real property owner may buy at a
5 private sale.

6 2. A sale pursuant to subsection 1 transfers to the
7 purchaser for value, all of the mobile home owner's rights
8 in the mobile home and personal property, and discharges the
9 real property owner's interest in the mobile home and personal
10 property, ~~and~~ any tax lien, ~~and any other lien~~. The purchaser
11 takes free of all rights and interests even though the real
12 property owner fails to comply with the requirements of this
13 chapter or of any judicial proceedings, if the purchaser acts
14 in good faith.

15 3. The proceeds of the sale of mobile home and personal
16 property shall be distributed as follows:

17 a. First, to satisfy the real property owner's judgment
18 obtained under section 555B.8.

19 b. Second, to satisfy any tax lien for which a claim was

20 asserted pursuant to section 555B.4, subsection 3.
21 c. Third, to satisfy any other lien for which a claim was
22 asserted pursuant to section 555B.4, subsection 4.
23 e. d. Any surplus remaining after the proceeds are
24 distributed shall be held by the real property owner for six
25 months. If the mobile home owner fails to claim the surplus
26 in that time, the surplus may be retained by the real property
27 owner. If a deficiency remains after distribution of the
28 proceeds, the mobile home owner is liable for the amount of the
29 deficiency.
30 4. Notwithstanding subsections 1 through 3, the real
31 property owner may propose to retain the mobile home and
32 personal property in satisfaction of the judgment obtained
33 pursuant to section 555B.8. Written notice of the proposal
34 shall be sent to the mobile home owner, lienholder, or other
35 claimant, if that person has asserted a claim to the mobile

Page 4

1 home or personal property in the judicial proceedings. If
2 the real property owner receives objection in writing from
3 the mobile home owner, lienholder, or other claimant within
4 twenty-one days after the notice was sent, the real property
5 owner shall dispose of the mobile home and personal property
6 pursuant to subsection 1. If no written objection is received
7 by the real property owner within twenty-one days after the
8 notice was sent, the mobile home and personal property may be
9 retained. Retention of the mobile home and personal property
10 discharges the judgment of the real property owner, and any tax
11 lien, and any other lien.

12 Sec. 5. Section 562A.9, subsection 4, Code 2019, is amended
13 to read as follows:

14 4. For rental agreements in which the rent does not exceed
15 seven hundred dollars per month, a rental agreement shall not
16 provide for a late fee that exceeds twelve dollars per day or a
17 total amount of sixty dollars per month. For rental agreements
18 in which the rent is greater than seven hundred dollars per
19 month but less than one thousand four hundred dollars per
20 month, a rental agreement shall not provide for a late fee that
21 exceeds twenty dollars per day or a total amount of one hundred
22 dollars per month. For rental agreements in which the rent is
23 at least one thousand four hundred dollars per month, a rental
24 agreement shall not provide for a late fee that exceeds two
25 percent of the rent per day or a total amount of ten percent of
26 the rent per month.

27 Sec. 6. Section 562B.10, subsections 4 and 7, Code 2019, are
28 amended to read as follows:

29 4. For rental agreements in which the rent does not exceed
30 seven hundred dollars per month, a rental agreement shall not
31 provide for a late fee that exceeds twelve dollars per day or a
32 total amount of sixty dollars per month. For rental agreements
33 in which the rent is greater than seven hundred dollars per

34 month but less than one thousand four hundred dollars per
35 month, a rental agreement shall not provide for a late fee that

Page 5

1 exceeds twenty dollars per day or a total amount of one hundred
2 dollars per month. For rental agreements in which the rent is
3 at least one thousand four hundred dollars per month, a rental
4 agreement shall not provide for a late fee that exceeds two
5 percent of the rent per day or a total amount of ten percent of
6 the rent per month.

7 7. a. If a tenant who was sole owner of a mobile home dies
8 during the term of a rental agreement then that person's heirs
9 or legal representative or the landlord shall have the right
10 to cancel the tenant's lease by giving sixty days' written
11 notice to the person's heirs or legal representative or to
12 the landlord, whichever is appropriate, and the heirs or the
13 legal representative shall have the same rights, privileges and
14 liabilities of the original tenant.

15 b. (1) If a tenant who was sole owner of a mobile home dies
16 during the term of a rental agreement resulting in the mobile
17 home being abandoned as provided in section 562B.27, subsection
18 1, and the landlord cannot, despite due diligence, locate such
19 tenant's heirs or legal representatives, then the landlord may
20 bring an action for abandonment as provided in section 555B.3,
21 naming as defendants the estate of the tenant and any and all
22 unknown heirs of the tenant and, upon the landlord's filing
23 of an affidavit that personal service cannot be had on any
24 heir, legal representative, or estate of the tenant, the court
25 shall permit original notice of such action to be served by
26 publication pursuant to subparagraph (2) of this paragraph.

27 (2) Publication of the original notice shall be made
28 once each week for three consecutive weeks in a newspaper of
29 general circulation published in the county where the petition
30 is filed, as provided in rules of civil procedure 1.313 and
31 1.314. Service is complete after the third consecutive weekly
32 publication.

33 (3) In the event any tax lien or other lien exists on
34 the mobile home, the landlord may proceed with an action for
35 abandonment as provided in section 555B.3, except that:

Page 6

1 (a) Notice shall be provided to the county treasurer as
2 provided in section 555B.4, subsection 3, if a tax lien exists.

3 (b) Personal service pursuant to rule of civil procedure
4 1.305 shall be made upon any lienholder no less than twenty
5 days before the hearing.

6 (4) Any notice to a lienholder shall state that failure
7 to assert a claim to the mobile home is deemed a waiver of
8 all right, title, claim, and interest in the mobile home and
9 is deemed consent to the sale or disposal of the mobile home.

10 If personal service upon the lienholder cannot be completed
11 in time to give the lienholder the minimum notice required by
12 subparagraph (3), the court may set a new hearing date.

13 Sec. 7. Section 648.5, subsection 1, Code 2019, is amended
14 to read as follows:

15 1. An action for forcible entry and detainer shall be
16 brought in a county where all or part of the premises is
17 located. Such an action shall be tried as an equitable action.
18 Upon receipt of the petition, the court shall set a date,
19 time, and place for hearing. The court shall set the date
20 of hearing no later than eight days from the filing date,
21 except that the court shall set a later hearing date no later
22 than fifteen days from the date of filing if the plaintiff
23 requests or consents to the later date of hearing. The
24 requirement regarding the setting of the initial hearing is not
25 a jurisdictional requirement and does not affect the court's
26 subject matter jurisdiction to hear the action for forcible
27 entry and detainer.>

12 exceeds three-tenths of one percent according to the results of
13 an official test of a sample obtained from the licensed crop
14 site pursuant to an inspection conducted under section 204.8.
15 *b.* It is conclusively presumed that a licensee acted
16 with a culpable mental state greater than negligence, if

13 violation program, if a test of a sample of plants that
14 are part of a crop produced on the licensee's crop site
15 exceeds a maximum concentration of two percent delta-9
16 tetrahydrocannabinol on a dry weight basis.

17 4. A person who has violated a provision of this chapter
18 three times in a five-year period shall be ineligible to
19 participate in the negligent violation program, or produce
20 hemp, for a period of five years beginning on the date of the
21 third violation.

3 204.8.

4 Sec. 16. NEW SECTION. **204.16 Waivers or variances.**

5 If the department determines there is a conflict with a
6 regulation or order promulgated by a federal agency and a
7 provision of this chapter, the department may grant a variance
8 or waiver from the provision of this chapter to the extent such
9 variance or waiver is allowed under the federal hemp law and
10 the United States department of agriculture. The waiver or
11 variance shall expire not later than July 1 of the succeeding
12 legislative session.

12 2. *Termination.* As applicable, an insurer that issued a

14 unless a written notice has been received by the commissioner
15 and by each applicable service company. The notice shall
16 fix the date of termination at a date no earlier than ten
17 days after receipt of the notice by the commissioner. The
18 termination of a reimbursement insurance policy shall not
19 reduce the issuer's responsibility for a service contract
20 issued by an insured service company prior to the date of
21 termination.

22 3. *Indemnification or subrogation.* This section does

27 service company was obligated to pay pursuant to the provisions
28 of a service contract or pursuant to a contractual agreement.

Page 13

- 1 *d.* A service contract shall state the name and address of
2 the service company obligated to perform services under the
3 contract, and shall conspicuously identify the service company,
4 any third-party administrator, and the service contract holder
5 to the extent that the name and address of the service contract

6 purchase price, a material misrepresentation by the service
7 contract holder to the service company or its administrator, or
8 a substantial breach of duties by the service contract holder
9 relating to the covered product or its use. The notice of
10 cancellation shall state the effective date of the cancellation
11 and the reason for the cancellation. If a service contract
12 is canceled by the service company for any reason other than

13 nonpayment of the purchase price, the service company shall

32 month to a refund that is not paid to a service contract holder
33 within thirty days of the return of the service contract to the
34 service company.

35 (2) If the service contract holder cancels the service

Page 15

1 contract outside of the applicable time as provided in
2 subparagraph (1) or after a claim is made under the service

11 plans as provided in section 256I.8.

12 5. The department may use any of the funds appropriated
13 in this section as a match to obtain federal funds for use in

Page 37

1 in the state child care assistance program shall be equal to or
2 less than the percentage reduction made for any other purpose

12 care assistance payments. If the appropriations made for
13 purposes of the state child care assistance program for the

15 of the general assembly to appropriate sufficient funding for
16 the fiscal year in order to avoid establishment of waiting list

17 requirements.

 22 department and juvenile court services shall examine all
 23 group foster care placements in that service area in order to
 24 identify those which might be appropriate for termination.
 25 In addition, any aftercare services believed to be needed
 26 for the children whose placements may be terminated shall be

8 successful completion of all requirements of the program. The
9 agreement shall identify the tax incentive award amount, the
10 tax incentive award date, the project completion deadline, and
11 the total costs of the housing project.
12 e. (1) Upon review of the examination and verification
13 of the amount of the qualifying new investment, the authority
14 may notify the housing business of the amount that the housing
15 business may claim as a refund of the sales and use tax under
16 section 15.355, subsection 2, and may issue a tax credit
17 certificate to the housing business stating the amount of
18 workforce housing investment tax credits under section 15.355,
19 subsection 3, the eligible housing business may claim. The
20 sum of the amount that the housing business may claim as a
21 refund of the sales and use tax and the amount of the tax credit
22 certificate shall not exceed the amount of the tax incentive
23 award.
24 (2) If upon review of the examination in subparagraph
25 (1) the authority determines that a housing project has
26 incurred project costs in excess of the amount submitted in the

27 application made pursuant to subsection 1 and identified in the
28 agreement, the authority shall do one of the following:
29 (a) If the project costs do not cause the housing project's
30 average dwelling unit cost to exceed the applicable maximum
31 amount authorized in section 15.353, subsection 3, the
32 authority may consider the agreement fulfilled and may issue a
33 tax credit certificate.
34 (b) If the project costs cause the housing project's
35 average dwelling unit cost to exceed the applicable maximum

Page 11

1 amount authorized in section 15.353, subsection 3, but does not
2 cause the average dwelling unit cost to exceed one hundred ten
3 percent of such applicable maximum amount, the authority may
4 consider the agreement fulfilled and may issue a tax credit
5 certificate. In such case, the authority shall reduce the tax
6 incentive award and the corresponding amount of tax incentives
7 the eligible housing project may claim under section 15.355,
8 subsections 2 and 3, by the same percentage that the housing
9 project's average dwelling unit cost exceeds the applicable
10 maximum amount under section 15.353, subsection 3, and such
11 tax incentive reduction shall be reflected on the tax credit
12 certificate. If the authority issues a certificate pursuant
13 to this subparagraph division, the department of revenue
14 shall accept the certificate notwithstanding that the housing
15 project's average dwelling unit costs exceeds the maximum
16 amount specified in section 15.353, subsection 3.
17 (c) If the project costs cause the housing project's
18 average dwelling unit cost to exceed one hundred ten percent
19 of the applicable maximum amount authorized in section 15.353,
20 subsection 3, the authority shall determine the eligible
21 housing business to be in default under the agreement, shall
22 revoke the tax incentive award, and shall not issue a tax
23 credit certificate. The housing business shall not be allowed
24 a refund of sales and use tax under section 15.355, subsection
25 2.
26 Sec. 23. Section 15.354, subsection 4, Code 2019, is amended
27 by striking the subsection and inserting in lieu thereof the
28 following:
29 4. *Maximum tax incentives amount.*
30 a. (1) For fiscal years beginning on or after July 1, 2019,
31 the authority shall not award in any fiscal year an amount of
32 tax incentives for housing projects located in small cities, or
33 for other housing projects, in excess of the amounts allocated
34 for each category in section 15.119, subsection 2, paragraph
35 "g". This paragraph "a" applies to housing projects awarded tax

Page 12

1 incentives pursuant to subsection 2 on or after July 1, 2019,
2 and to housing projects registered prior to July 1, 2019, under

3 section 15.354, subsection 2, Code 2019.

4 (2) Notwithstanding subparagraph (1), and section 15.119,
5 subsection 2, paragraph “g”, if the sum of the amount of tax
6 incentives applied for in valid applications submitted in a
7 given fiscal year beginning on or after July 1, 2019, for
8 housing projects located in small cities, plus the amount
9 of tax incentives eligible for issuance to housing projects
10 located in small cities that were registered prior to July
11 1, 2019, under section 15.354, subsection 2, Code 2019, does
12 not exceed the amount reserved for housing projects located
13 in small cities pursuant to section 15.119, subsection 2,
14 paragraph “g”, the authority may award the remaining amount of
15 tax incentives reserved for housing projects located in small
16 cities to other housing projects during that same fiscal year.

17 (3) Notwithstanding subparagraph (1), and section 15.119,
18 subsection 2, paragraph “g”, the authority may award during a
19 fiscal year an aggregate amount of tax incentives to housing
20 projects located in small cities that is less than the amount
21 reserved for allocation to small cities under section 15.119,
22 subsection 2, paragraph “g”, provided the difference between
23 the amount of the small city reservation and the aggregate
24 amount actually awarded to small cities during that fiscal year
25 is awarded during that same fiscal year to housing projects
26 registered prior to July 1, 2018.

27 b. With regard to a housing project registered prior to
28 July 1, 2019, a tax incentive shall be considered awarded for
29 purposes of paragraph “a” when the authority enters into an
30 agreement with the housing business for that housing project
31 as provided under section 15.354, subsection 3, Code 2019.
32 Notwithstanding any provision of law to the contrary, a housing
33 business shall have no right to enter into an agreement with
34 the authority for a housing project registered prior to July 1,
35 2019, until the authority allocates an amount of tax incentives

Page 13

1 to the housing project and notifies the housing business
2 that the authority is prepared to execute the agreement
3 and make a tax incentive award for the housing project. A
4 housing business shall have no right to receive a tax credit
5 certificate or claim a tax incentive for a housing project
6 registered prior to July 1, 2019, until the housing business
7 enters into an agreement with the authority.

8 c. In making tax incentive awards during any fiscal year
9 in which there are housing projects registered prior to July
10 1, 2019, which are eligible to receive tax incentives under
11 the program, the authority shall give priority in making tax
12 incentive awards to housing projects registered prior to July
13 1, 2019. The authority shall create and maintain a wait list
14 of housing projects registered prior to July 1, 2019, and such
15 housing projects shall be placed on the wait list in the order
16 the housing projects were registered.

- 17 *d.* The maximum aggregate amount of tax incentives that
18 may be awarded and issued under section 15.355 to a housing
19 business for a housing project shall not exceed one million
20 dollars.
- 21 *e.* If a housing business qualifies for a higher amount
22 of tax incentives under section 15.355 than is allowed by
23 the limitation imposed in paragraph “*d*”, the authority and
24 the housing business may negotiate an apportionment of the
25 reduction in tax incentives between the sales tax refund
26 provided in section 15.355, subsection 2, and the workforce
27 housing investment tax credits provided in section 15.355,
28 subsection 3, provided the total aggregate amount of tax
29 incentives after the apportioned reduction does not exceed the
30 amount in paragraph “*d*”.
- 31 *f.* The authority shall issue tax incentives under the
32 program on a first-come, first-served basis until the maximum
33 amount of tax incentives allocated under section 15.119,
34 subsection 2, paragraph “*g*”, is reached. The authority shall
35 maintain a list of housing projects registered prior to July

Page 14

- 1 1, 2019, and of housing projects awarded tax incentives on or
2 after July 1, 2019, so that if the maximum aggregate amount
3 of tax incentives is reached in a given fiscal year, such
4 registered housing projects that were completed but for which
5 tax incentives were not issued, and such housing projects that
6 were completed and are awarded tax incentives but for which tax
7 incentives have not been issued, shall be placed on a wait list
8 in the order the housing projects were registered or awarded
9 tax incentives and shall be given priority for receiving tax
10 incentives in succeeding fiscal years.
- 11 Sec. 24. Section 15.354, subsection 5, Code 2019, is amended
12 to read as follows:
- 13 5. *Termination and repayment.* The failure by a housing
14 business in completing a housing project to comply with any
15 requirement of this program or any of the terms and obligations
16 of an agreement entered into pursuant to this section may
17 result in the revocation, reduction, termination, or rescission
18 of the tax incentive award or the approved tax incentives and
19 may subject the housing business to the repayment or recapture
20 of tax incentives claimed under section 15.355. The repayment
21 or recapture of tax incentives pursuant to this section shall
22 be accomplished in the same manner as provided in section
23 15.330, subsection 2.
- 24 Sec. 25. Section 15.354, Code 2019, is amended by adding the
25 following new subsection:
- 26 NEW SUBSECTION. 6. *Disaster recovery housing projects.*
- 27 *a.* For purposes of this subsection, “*disaster recovery*
28 *housing project*” means a qualified housing project located in a
29 county that has been declared a major disaster by the president
30 of the United States on or after March 12, 2019, and that is

31 also a county in which individuals are eligible for federal
32 individual assistance.
33 *b.* Notwithstanding subsection 1, the authority may accept
34 applications for disaster recovery housing projects on a
35 continuous basis.

Page 15

1 *c.* Notwithstanding subsection 2, paragraphs “*a*”, “*b*”, and
2 “*d*”, upon review of a housing business’s application, the
3 authority may make a tax incentive award to a disaster recovery
4 housing project. The tax incentive award shall represent the
5 maximum amount of tax incentives that the disaster recovery
6 housing project may qualify for under the program. In
7 determining a tax incentive award, the authority shall not use
8 an amount of project costs that exceeds the amount included in
9 the application of the housing business. Tax incentive awards
10 shall be approved by the director of the authority.
11 *d.* The authority shall administer tax credit allocations
12 for disaster recovery housing projects separately from the
13 general allocation and separately from the allocation reserved
14 for small cities in section 15.119, subsection 2, paragraph
15 “*g*”. The authority shall issue tax incentives under the
16 program for disaster recovery housing projects on a first-come,
17 first-served basis until the maximum amount of tax incentives
18 allocated under section 15.119, subsection 5, is reached. The
19 authority shall maintain a list of disaster recovery housing
20 projects awarded tax incentives under the program, so that if
21 the maximum aggregate amount of tax incentives allocated for
22 disaster recovery housing projects under the program is reached
23 in a given fiscal year, such disaster recovery housing projects
24 that were completed but for which tax incentives were not
25 issued shall be placed on a wait list in the order the disaster
26 recovery housing projects were awarded tax incentives pursuant
27 to paragraph “*c*”, and shall be given priority for receiving tax
28 incentives in succeeding fiscal years.

29 Sec. 26. Section 15.355, subsection 2, Code 2019, is amended
30 to read as follows:

31 2. A housing business may claim a refund of the sales and
32 use taxes paid under chapter 423 that are directly related to
33 a housing project and specified in the agreement. The refund
34 available pursuant to this subsection shall be as provided in
35 section 15.331A, excluding subsection 2, paragraph “*c*”, of

Page 16

1 that section. For purposes of the program, the term “*project*
2 *completion*”, as used in section 15.331A, shall mean the date on
3 which the authority notifies the department of revenue that all
4 applicable requirements of an agreement entered into pursuant
5 to section 15.354 are satisfied.

33 small cities that were registered prior to July 1, 2019, does
34 not exceed the moneys that may be allocated pursuant to section
35 15.119, subsection 2, paragraph “g”, the authority may allocate

Page 17

1 the remaining moneys to other qualified housing projects that
2 were registered prior to July 1, 2019.

Page 6

1 order to determine the tax credit amount as provided in section
2 16.82.

- 3 **b.** The agreement must be in writing.
- 4 **c.** The agreement must be for at least two years, but not

3 the eligible taxpayer shall notify the authority in a manner
4 and form prescribed by the authority within thirty days of the
5 date the amendment is executed by the parties.
- 6 (1) If the amendment will reduce the total amount paid to
7 the eligible taxpayer under the agreement, the authority shall
8 recalculate and reduce the eligible taxpayer's tax credit award
9 under section 16.82A.
- 10 (2) If the amendment will increase the total amount paid to

24 5. An eligible taxpayer or qualified beginning farmer may
25 terminate an agreement as provided in the agreement or by
26 law. The eligible taxpayer must notify the authority of the

2 The amount of an application fee shall not be more than the
3 following:

4 (1) For an application that includes an agreement for the
5 lease of one hundred acres or less of agricultural land, a fee
6 of three hundred dollars.

8 lease of more than one hundred acres, but not more than two
9 hundred fifty acres of agricultural land, a fee of four hundred
10 dollars.

12 lease of more than two hundred fifty acres of agricultural
13 land, a fee of five hundred dollars.

14 (4) For an amendment to an agreement that is part of an
15 application that has been previously approved, a fee of one

17 b. Any amount of fees collected by the authority under this
18 subsection shall be considered repayment receipts as defined
19 in section 8.2.

20 c. This subsection is repealed on January 1, 2022.

21 3. a. The authority shall impose, assess, and collect
22 application fees and shall adopt rules as necessary to
23 administer this subsection, including by providing for the rate
24 of those fees.

25 b. The authority may establish different rates based on
26 separate categories of applications or agricultural lease
27 agreements as determined relevant by the authority.

28 c. The authority shall calculate the rates of the
29 application fees to be effective for each successive
30 twelve-month period. The total amount of application fees

31 collected by the authority for that period shall not be more
32 than the authority's estimate of the total amount of revenues
33 necessary to administer the provisions of this subpart based
34 on the expected revenue to be collected from the application
35 fees and the expected costs to be incurred by the authority

Page 9

1 in administering the provisions of this subpart during that
2 period. The authority may adjust the rates throughout that
3 period as the authority determines necessary to comply with
4 this paragraph.
5 *d.* The amount of application fees collected by the authority
6 under this subsection shall be considered repayment receipts as
7 defined in section 8.2.
8 *e.*(1) The rules described in this subsection shall first

10 (2) This paragraph "e" is repealed immediately after the
11 rules described in this subsection take effect.
12 4. An eligible taxpayer shall not participate in the
13 beginning farmer tax credit program for more than ten years,
14 and shall not receive more than ten tax credit certificates
15 under the program.
16 5. The agricultural development board shall review and
17 recommend approval of an application for a tax credit as
18 provided by rules adopted by the authority. The application

20 authority may require that the parties to an agreement provide
21 additional information as determined relevant by the authority.
22 6. The authority shall approve all beginning farmer tax
23 credit applications that meet the requirements of this subpart
24 and make tax credit awards on a first-come, first-served basis,
25 subject to the limitations in section 16.82A.
26 7. After the authority has approved an application and made
27 a tax credit award, all of the following apply:
28 *a.* The authority shall issue beginning farmer tax credit
29 certificates to an eligible taxpayer on an annual basis as
30 provided in section 16.82A.
31 *b.* An eligible taxpayer may claim the tax credit each tax
32 year as provided in section 16.82.

34 records provided to the authority shall be kept confidential
35 and are not subject to chapter 22.

Page 10

1 Sec. 11. NEW SECTION. **16.82 Beginning farmer tax credit**
2 **— allowance.**
3 1. A beginning farmer tax credit is authorized under the
4 beginning farmer tax credit program as provided in section
5 16.78. The beginning farmer tax credit is allowed against
6 the taxes imposed in chapter 422, division II, as provided in

7 section 422.11E, and in chapter 422, division III, as provided
8 in section 422.33, subsection 21, to facilitate the transfer of
9 agricultural assets from an eligible taxpayer to a qualifying
10 beginning farmer participating in the program.

11 2. An individual may claim a beginning farmer tax credit
12 under this section of a partnership, limited liability company,
13 S corporation, estate, or trust electing to have income
14 taxed directly to the individual. The amount claimed by the
15 individual shall be based upon the pro rata share of the
16 individual's earnings from the partnership, limited liability
17 company, S corporation, estate, or trust.

18 3. Subject to the limitations described in subsections 5,
19 6, and 7, the authority shall determine the amount of the tax
20 credit under an agreement using the following methods:

21 a. In the case of an agreement on a fixed basis, in which
22 an eligible taxpayer receives a fixed cash rent payment, the
23 amount of the tax credit equals five percent of the amount of
24 the fixed cash rent payment for each year.

25 b. In the case of an agreement on a commodity share basis,
26 in which an eligible taxpayer receives as a rent payment a
27 percentage of the commodity produced, the amount of the tax
28 credit shall equal fifteen percent of the gross amount that
29 the eligible taxpayer would receive as a rent payment from
30 the sale of the eligible taxpayer's share of the crop in each
31 harvest year. The amount of the tax credit shall be based on
32 an equation established by rule adopted by the authority which
33 shall use data compiled by the United States department of
34 agriculture, which shall include all of the following factors:

35 (1) The past ten-year average per bushel yield for the

Page 11

1 same type of grain as produced under the agreement in the same
2 county where the leased agricultural land is located excluding
3 the years of highest and lowest per bushel yields.

4 (2) The per bushel state price established for the same
5 type of grain harvested as described in subparagraph (1).
6 Price information shall be averaged from the past five years
7 excluding the years of the highest and lowest per bushel state
8 price.

9 c. In the case of an agreement made on a flexible basis in
10 which an eligible taxpayer receives a rent payment consisting
11 of a fixed cash payment and an amount subject to adjustment
12 according to a risk-sharing arrangement, or receives a rent
13 payment consisting of an amount subject to adjustment according
14 to a risk-sharing arrangement, the amount of the tax credit
15 equals the sum of the following amounts:

16 (1) To the extent that a portion of the amount of the
17 rent payment is calculated on a fixed basis as described in
18 paragraph "a", that portion of the tax credit equals five
19 percent of the fixed cash payment in the same manner as
20 provided in paragraph "a".

21 (2) To the extent that a portion of the amount of the rent
22 payment is calculated on a commodity share basis as described
23 in paragraph "b", that portion of the tax credit equals fifteen
24 percent of the amount that the eligible taxpayer would receive
25 from the sale of the eligible taxpayer's share of the commodity
26 in the same manner as provided in paragraph "b".

27 (3)(a) To the extent that the amount of the rent payment
28 may be adjusted after taking into account all risk-sharing
29 factors provided in the agreement, that portion of the tax
30 credit equals fifteen percent of the highest adjusted amount
31 that the eligible taxpayer could receive in excess of the
32 amounts calculated in subparagraphs (1) and (2) based on an
33 equation adopted by rule by the authority.

34 (b) As used in subparagraph division (a), "*risk-sharing*
35 *factor*" means an occurrence or lack of occurrence that may

Page 12

1 affect the commodity's production or profitability as provided
2 in the agreement, and which may include but is not limited to
3 production costs, per acre crop yield, gross revenue, or market
4 price.

5 (c) The authority shall adopt rules establishing criteria
6 for commonly used risk-sharing factors and adjustment limits.

7 4. The authority shall provide the department with data, in
8 the format prescribed by the department, of eligible taxpayers
9 and persons who have been decertified due to lease termination
10 or other cause of ineligibility by January 31 of each year.

11 The data shall include the amount of the tax credit issued
12 for the most recent year and all expected future tax credits
13 under an agreement for each eligible taxpayer and the type of
14 agreement.

15 5. The amount of tax credits that may be awarded to an
16 eligible taxpayer for any one year under all agreements shall
17 not exceed fifty thousand dollars.

18 6. The amount of the tax credit shall be reduced by the
19 percent ownership interest of the qualifying beginning farmer
20 in the agricultural asset.

21 7. A tax credit in excess of the eligible taxpayer's
22 tax liability for the tax year is not refundable but may be
23 credited to the tax liability for the following ten tax years
24 or until depleted, whichever is earlier. A tax credit shall
25 not be carried back to a tax year prior to the tax year in which
26 the eligible taxpayer redeems the tax credit.

27 8.a. To claim a tax credit under this section, an eligible
28 taxpayer shall include one or more tax credit certificates with
29 the eligible taxpayer's tax return pursuant to rules adopted
30 by the department.

31 b. A tax credit shall not be transferable to any other
32 person other than the eligible taxpayer's estate or trust upon
33 the eligible taxpayer's death pursuant to rules adopted by the
34 department.

35 9. If an agreement is terminated by the eligible taxpayer,

Page 13

1 all of the following shall apply:

2 a. Any tax credit properly claimed by the eligible taxpayer
3 prior to the date of termination or for the year during which
4 the termination occurred shall be allowed except as provided
5 in paragraph "b", but no additional tax credits may be issued
6 or claimed under the program for that agreement. The eligible
7 taxpayer may apply for and be awarded another beginning farmer
8 tax credit under a new agreement for the same agricultural
9 assets as provided in this section.

10 b. If the authority determines that the eligible taxpayer is
11 at fault for the termination, any beginning farmer tax credit
12 that is claimed by the eligible taxpayer for the year during
13 which the termination occurred shall be disallowed and the
14 amount shall be considered a tax payment due. If an eligible
15 taxpayer does not notify the authority of the termination
16 within thirty days of the date of the termination in the manner
17 and form prescribed by the authority, the eligible taxpayer
18 shall be conclusively deemed at fault for the termination.

19 Sec. 12. NEW SECTION. 16.82A Beginning farmer tax credit
20 **awards — amount and availability.**

21 1.a. Upon approval of an application as provided in
22 section 16.81, the authority shall make a tax credit award
23 to the eligible taxpayer. The tax credit award shall equal
24 the sum of the tax credits calculated by the authority under
25 section 16.82 for all eligible years under the approved
26 agreement.

27 b. The authority shall notify the eligible taxpayer of
28 the tax credit award under the program. The notification
29 shall include the total tax credit award, the amount of the
30 tax credit award that will be issued by way of a tax credit
31 certificate in each future year under the approved agreement,
32 and a statement that the eligible taxpayer has no right to
33 receive tax credit certificates and claim tax credits under the
34 program if all requirements of the agreement and the program
35 are not satisfied.

Page 14

1 c. If after making a tax credit award the eligible taxpayer
2 or qualified beginning farmer no longer meets the requirements
3 of the agreement or the program, the authority may revoke a tax
4 credit award and may rescind a tax credit certificate.

5 2. The amount of beginning farmer tax credits that may be
6 awarded by the authority in any one calendar year under the
7 beginning farmer tax credit program shall not in the aggregate
8 exceed a limit of twelve million dollars. Tax credits shall
9 be awarded by the authority not later than December 15 of each
10 calendar year after the agricultural development board reviews

11 applications as provided in section 16.81 and the authority
 12 determines tax credit amounts for the approved applications as
 13 provided in section 16.82, aggregated for purposes of meeting
 14 the annual program award limits.

15 3.a. The authority shall issue tax credit certificates
 16 on an annual basis to eligible taxpayers who have received a
 17 tax credit award. The tax credit certificate shall contain the
 18 information required by the department.

19 b. The aggregate amount of tax credit certificates issued to
 20 an eligible taxpayer shall not exceed the eligible taxpayer's
 21 tax credit award.

22 c. A tax credit certificate, unless rescinded by the
 23 authority, shall be accepted by the department as payment for
 24 taxes pursuant to chapter 422, divisions II and III, subject
 25 to any conditions or restrictions placed by the authority upon
 26 the face of the tax credit certificate and subject to the
 27 limitations of the program.

28 Sec. 13. NEW SECTION. **422.11E Beginning farmer tax credit**
 29 **program.**

30 The taxes imposed under this division, less the credits
 31 allowed under section 422.12, shall be reduced by a beginning
 32 farmer tax credit as allowed under chapter 16, subchapter VIII,
 33 part 5, subpart B.

34 Sec. 14. Section 422.33, subsection 21, Code 2019, is
 35 amended to read as follows:

Page 15

 19 term as provided by section 16.80, Code 2019. Tax credit
 20 certificates approved and issued pursuant to this subsection
 21 are not considered an award subject to the maximum tax credit

23 2. a. Any application which was submitted prior to the
 24 effective date of this Act for the agricultural assets transfer

25 tax credit pursuant to section 16.80 as that section existed

30 pursuant to this subsection shall not be subject to the maximum
31 tax credit issuance limitation in section 16.80, subsection
32 10, Code 2019, but shall instead be counted in the same manner
33 as an award for purposes of the twelve million dollar calendar
34 year award limitation in section 16.82A, subsection 2, as

4 2. The department shall increase the personal needs
 5 allowance for residents of residential care facilities by the
 6 same percentage and at the same time as federal supplemental
 7 security income and federal social security benefits are
 8 increased due to a recognized increase in the cost of living.
 9 The department may adopt emergency rules to implement this
 10 subsection.

11 3. If during the fiscal year beginning July 1, 2019,
 12 the department projects that state supplementary assistance
 13 expenditures for a calendar year will not meet the federal
 14 pass-through requirement specified in Tit. XVI of the federal
 15 Social Security Act, section 1618, as codified in 42 U.S.C.
 16 §1382g, the department may take actions including but not
 17 limited to increasing the personal needs allowance for
 18 residential care facility residents and making programmatic
 19 adjustments or upward adjustments of the residential care
 20 facility or in-home health-related care reimbursement rates
 21 prescribed in this division of this Act to ensure that federal
 22 requirements are met. In addition, the department may make
 23 other programmatic and rate adjustments necessary to remain
 24 within the amount appropriated in this section while ensuring
 25 compliance with federal requirements. The department may adopt
 26 emergency rules to implement the provisions of this subsection.

27 4. Notwithstanding section 8.33, moneys appropriated in
28 this section that remain unencumbered or unobligated at the
29 close of the fiscal year shall not revert but shall remain
30 available for expenditure for the purposes designated until the
31 close of the succeeding fiscal year.

2 purpose designated:

9 2. Of the funds appropriated in this section, \$79,486 is
10 allocated for continuation of the contract for outreach with
11 the department of public health.
12 3. A portion of the funds appropriated in this section may
13 be transferred to the appropriations made in this division of
14 this Act for field operations or medical contracts to be used
15 for the integration of hawk-i program eligibility, payment, and
16 administrative functions under the purview of the department
17 of human services, including for the Medicaid management
18 information system upgrade.
19 Sec. 17. CHILD CARE ASSISTANCE. There is appropriated
20 from the general fund of the state to the department of human
21 services for the fiscal year beginning July 1, 2019, and ending
22 June 30, 2020, the following amount, or so much thereof as is
23 necessary, to be used for the purpose designated:
24 For child care programs:
25 \$ 40,816,931
26 1. Of the funds appropriated in this section, \$34,966,931
27 shall be used for state child care assistance in accordance
28 with section 237A.13.
29 2. Nothing in this section shall be construed or is
30 intended as or shall imply a grant of entitlement for services
31 to persons who are eligible for assistance due to an income
32 level consistent with the waiting list requirements of section
33 237A.13. Any state obligation to provide services pursuant to
34 this section is limited to the extent of the funds appropriated
35 in this section.

Page 38

1 3. A list of the registered and licensed child care
2 facilities operating in the area served by a child care
3 resource and referral service shall be made available to the
4 families receiving state child care assistance in that area.
5 4. Of the funds appropriated in this section, \$5,850,000
6 shall be credited to the early childhood programs grants
7 account in the early childhood Iowa fund created in section
8 256I.11. The moneys shall be distributed for funding of
9 community-based early childhood programs targeted to children
10 from birth through five years of age developed by early
11 childhood Iowa areas in accordance with approved community
12 plans as provided in section 256I.8.
13 5. The department may use any of the funds appropriated
14 in this section as a match to obtain federal funds for use in
15 expanding child care assistance and related programs. For
16 the purpose of expenditures of state and federal child care
17 funding, funds shall be considered obligated at the time
18 expenditures are projected or are allocated to the department's
19 service areas. Projections shall be based on current and
20 projected caseload growth, current and projected provider
21 rates, staffing requirements for eligibility determination
22 and management of program requirements including data systems
23 management, staffing requirements for administration of the
24 program, contractual and grant obligations and any transfers
25 to other state agencies, and obligations for decategorization
26 or innovation projects.
27 6. A portion of the state match for the federal child care
28 and development block grant shall be provided as necessary to
29 meet federal matching funds requirements through the state
30 general fund appropriation made for child development grants
31 and other programs for at-risk children in section 279.51.
32 7. If a uniform reduction ordered by the governor under
33 section 8.31 or other operation of law, transfer, or federal
34 funding reduction reduces the appropriation made in this
35 section for the fiscal year, the percentage reduction in the

Page 39

1 amount paid out to or on behalf of the families participating
2 in the state child care assistance program shall be equal to or
3 less than the percentage reduction made for any other purpose
4 payable from the appropriation made in this section and the
5 federal funding relating to it. The percentage reduction to
6 the other allocations made in this section shall be the same as
7 the uniform reduction ordered by the governor or the percentage
8 change of the federal funding reduction, as applicable. If
9 there is an unanticipated increase in federal funding provided
10 for state child care services, the entire amount of the
11 increase, except as necessary to meet federal requirements
12 including quality set asides, shall be used for state child

13 care assistance payments. If the appropriations made for
14 purposes of the state child care assistance program for the
15 fiscal year are determined to be insufficient, it is the intent
16 of the general assembly to appropriate sufficient funding for
17 the fiscal year in order to avoid establishment of waiting list
18 requirements.

19 8. Notwithstanding section 8.33, moneys advanced for
20 purposes of the programs developed by early childhood Iowa
21 areas, advanced for purposes of wraparound child care, or
22 received from the federal appropriations made for the purposes
23 of this section that remain unencumbered or unobligated at the
24 close of the fiscal year shall not revert to any fund but shall
25 remain available for expenditure for the purposes designated
26 until the close of the succeeding fiscal year.

27 Sec. 18. JUVENILE INSTITUTION. There is appropriated
28 from the general fund of the state to the department of human
29 services for the fiscal year beginning July 1, 2019, and ending

31 necessary, to be used for the purposes designated:

33 and for salaries, support, maintenance, and miscellaneous
34 purposes, and for not more than the following full-time
35 equivalent positions:

Page 40

| | | | |
|---|-------|------|------------|
| 1 | | \$ | 13,920,757 |
| 2 | | FTEs | 207.00 |

3 b. Of the funds appropriated in this subsection, \$91,000
4 shall be used for distribution to licensed classroom teachers
5 at this and other institutions under the control of the
6 department of human services based upon the average student
7 yearly enrollment at each institution as determined by the
8 department.

9 c. The additional full-time equivalent positions authorized
10 in paragraph “a” shall include 1.00 youth services technician,
11 1.00 clinical supervisor, and 1.00 registered nurse, or
12 comparable additional, full-time equivalent positions.

13 2. A portion of the moneys appropriated in this section
14 shall be used by the state training school at Eldora for
15 grants for adolescent pregnancy prevention activities at the
16 institution in the fiscal year beginning July 1, 2019.

30 amount, or so much thereof as is necessary, to be used for the
31 purpose designated:
32 For child and family services:
33 \$ 89,071,761

35 section as necessary to pay the nonfederal costs of services

Page 41

1 reimbursed under the medical assistance program, state child
2 care assistance program, or the family investment program which
3 are provided to children who would otherwise receive services
4 paid under the appropriation in this section. The department
5 may transfer funds appropriated in this section to the
6 appropriations made in this division of this Act for general
7 administration and for field operations for resources necessary
8 to implement and operate the services funded in this section.
9 3.a. Of the funds appropriated in this section, up to
10 \$34,536,000 is allocated as the statewide expenditure target
11 under section 232.143 for group foster care maintenance and
12 services. If the department projects that such expenditures
13 for the fiscal year will be less than the target amount
14 allocated in this paragraph "a", the department may reallocate
15 the excess to provide additional funding for family foster
16 care, independent living, family safety, risk and permanency
17 services, shelter care, or the child welfare emergency services
18 addressed with the allocation for shelter care.
19 b. If at any time after September 30, 2019, annualization
20 of a service area's current expenditures indicates a service
21 area is at risk of exceeding its group foster care expenditure
22 target under section 232.143 by more than 5 percent, the
23 department and juvenile court services shall examine all
24 group foster care placements in that service area in order to
25 identify those which might be appropriate for termination.
26 In addition, any aftercare services believed to be needed
27 for the children whose placements may be terminated shall be
28 identified. The department and juvenile court services shall
29 initiate action to set dispositional review hearings for the
30 placements identified. In such a dispositional review hearing,
31 the juvenile court shall determine whether needed aftercare
32 services are available and whether termination of the placement
33 is in the best interest of the child and the community.
34 4. In accordance with the provisions of section 232.188,
35 the department shall continue the child welfare and juvenile

Page 42

1 justice funding initiative during fiscal year 2019-2020. Of

4 the decategorization services funding pools and governance
5 boards established pursuant to section 232.188.
6 5. A portion of the funds appropriated in this section
7 may be used for emergency family assistance to provide other
8 resources required for a family participating in a family
9 preservation or reunification project or successor project to
10 stay together or to be reunified.
11 6. Of the funds appropriated in this section, a sufficient

16 year beginning July 1, 2019, as the result of the expenditure
17 of state funds appropriated during a previous state fiscal
18 year for a service or activity funded under this section are

20 for services and purposes provided for under this section.
21 Notwithstanding section 8.33, moneys received in accordance
22 with this subsection that remain unencumbered or unobligated at
23 the close of the fiscal year shall not revert to any fund but
24 shall remain available for the purposes designated until the
25 close of the succeeding fiscal year.
26 8. a. Of the funds appropriated in this section, up to
27 \$3,290,000 is allocated for the payment of the expenses of
28 court-ordered services provided to juveniles who are under the
29 supervision of juvenile court services, which expenses are a
30 charge upon the state pursuant to section 232.141, subsection
31 4. Of the amount allocated in this paragraph "a", up to
32 \$1,556,000 shall be made available to provide school-based
33 supervision of children adjudicated under chapter 232, of which
34 not more than \$15,000 may be used for the purpose of training.
35 A portion of the cost of each school-based liaison officer

Page 43

2 approved by the chief juvenile court officer.
3 b. Of the funds appropriated in this section, up to \$748,000

9 of law to the contrary, the amounts allocated in this
10 subsection shall be distributed to the judicial districts

15 division administrator shall make the determination of the
16 distribution amounts on or before June 15, 2019.

17 d. Notwithstanding chapter 232 or any other provision of
18 law to the contrary, a district or juvenile court shall not
19 order any service which is a charge upon the state pursuant
20 to section 232.141 if there are insufficient court-ordered
21 services funds available in the district court or departmental
22 service area distribution amounts to pay for the service. The
23 chief juvenile court officer and the departmental service area
24 manager shall encourage use of the funds allocated in this
25 subsection such that there are sufficient funds to pay for
26 all court-related services during the entire year. The chief
27 juvenile court officers and departmental service area managers
28 shall attempt to anticipate potential surpluses and shortfalls
29 in the distribution amounts and shall cooperatively request the
30 state court administrator or division administrator to transfer
31 funds between the judicial districts' or departmental service
32 areas' distribution amounts as prudent.

33 e. Notwithstanding any provision of law to the contrary,
34 a district or juvenile court shall not order a county to pay

19 the child protection center grant program for child protection
20 centers located in Iowa in accordance with section 135.118.
21 The grant amounts under the program shall be equalized so that
22 each center receives a uniform base amount of \$245,000, and so
23 that the remaining funds are awarded through a funding formula
24 based upon the volume of children served. To increase access
25 to child protection center services for children in rural
26 areas, the funding formula for the awarding of the remaining

27 funds shall provide for the awarding of an enhanced amount to
28 eligible grantees to develop and maintain satellite centers in
29 underserved regions of the state.

Page 108

1 (d) Reduction in the incidence of depression.

2 (5) Demonstrate improvement above the facility-specific
3 baseline in the CMS five-star quality measures composite
4 scoring. Metrics shall be determined based upon the CMS
5 nursing home compare composite score over the preceding
6 twelve-month period.

7 (a) A participating NSGO nursing facility shall provide the
8 most recent three-quarter average of the CMS quality measure
9 star rating to establish a baseline.

18 shall be deemed to have met the care criteria.

19 e. Quality of care rate add-on.

20 (1) The nursing facility quality of care rate add-on
21 provided to a participating NSGE under the program shall not
22 exceed Medicare payment principles pursuant to 42 C.F.R.
23 §447.272 and shall be calculated pursuant to 42 C.F.R. §438.6.
24 The quality of care rate add-on shall be calculated and paid

32 determined, based on compliance with the care criteria metrics,
33 on an annual basis.

34 (c) The difference calculated under subparagraph division

35 (b) shall be divided by total patient days as determined under

7 specified care criteria. A participating NSGE shall receive
8 payment under the program based on earned percentages related
9 to the care criteria. A participating NSGE shall meet or
10 exceed at least two of the five established care criteria
11 metrics to be eligible for the rate add-on payment for each
12 quarter. After at least two of the five metrics have been met,
13 the participating NSGE shall be eligible for seventy percent
14 of the total eligible quality of care rate add-on amount for a
15 participating NSGO nursing facility. The participating NSGE
16 may qualify for the remaining thirty percent of the total
17 eligible quality of care rate add-on amount, by attribution
18 in ten percent increments, for each additional care criterion
19 that is met up to the full one hundred percent of the eligible
20 quality of care rate add-on amount.

21 f. Change of ownership.

22 (1) A participating NSGO nursing facility shall notify
23 the department of any change of ownership that may affect the
24 participating NSGO nursing facility's continued eligibility for
25 the program, within thirty days after such change.

27 ownership on or after the first day of the quality of care
28 rate add-on calculation period, the data used for calculations
29 shall include data from the participating NSGO nursing facility
30 for the entire quality of care rate add-on calculation period
31 relating to payments for days of service provided under the
32 prior owner, prorated to reflect only the number of calendar
33 days during the calculation period that the participating NSGO
34 nursing facility is owned by the new owner.

35 g. Payment to participating NSGO nursing facilities. A

Page 110

1 participating NSGO nursing facility shall secure allowable
2 intergovernmental transfer funds from a participating NSGE
3 to provide the state share amount. The process for the
4 intergovernmental transfer shall comply with the following:

5 (1) The department, or the department's designee, shall
6 notify the participating NSGE of the state share amount to be
7 transferred in the form of an intergovernmental transfer for
8 purposes of seeking federal financial participation for the
9 rate add-on payment, within twenty-five business days after
10 the end of a quarter. The amount shall reflect the percentage
11 of metrics achieved under the care criteria requirement. The
12 participating NSGE shall have five business days from the
13 date of receipt of the departmental notification to sign the
14 participation agreement and remit payment of the state share
15 amount in the form of an intergovernmental transfer to the
16 department or the department's designee.

17 (2) If the total intergovernmental transfer amount is
18 received by the department or the department's designee within
19 the five business days as specified, the quality of care rate
20 add-on shall be included in the current quarter per diem rate
21 calculation for the participating NSGO nursing facility.

22 h. Penalties and adjustments. Failure by a participating
23 NSGE to remit the full intergovernmental transfer amount or
24 the correct amount as indicated by the department or the
25 department's designee within the following defined time frames
26 indicates the participating NSGE has voluntarily elected to
27 withdraw from program participation for that current quarter
28 and must reapply for participation in the program in any
29 subsequent quarter. All of the following shall apply when
30 determining the application of penalties and adjustments:

31 (1) The total amount of the intergovernmental transfer
32 must be received from the participating NSGE by the department
33 or the department's designee within five business days from
34 receipt by the participating NSGE of notification from the
35 department or the department's designee of the state share

Page 111

1 amount.

2 (a) Receipt of the total intergovernmental transfer amount
3 by the department or the department's designee within five
4 business days is not subject to penalty.

5 (b) The date of receipt of notification of the state
6 share amount by the participating NSGE from the department or
7 the department's designee is the official reference date in
8 measuring the commencement of the five business days.

9 (2) Any intergovernmental transfer amount received by
10 the department or the department's designee after the fifth
11 business day as specified, but with a date stamp or mailing
12 postal mark indicating a date on or prior to five business

13 days from the date of notification by the department or the
14 department's designee of the state share amount, shall not be
15 subject to penalty.

16 (3)(a) Any intergovernmental transfer amount received by
17 the department or the department's designee after the fifth
18 business day as specified, but with a date stamp or postal mark
19 indicating a date after five business days but not exceeding
20 eight business days from the date of notification by the
21 department or the department's designee of the state share
22 amount, shall be deemed late and the participating NSGE shall
23 receive the quality of care rate add-on, including an assessed
24 penalty of five percent, based on the total intergovernmental
25 transfer payments received during the late period. The five
26 percent penalty shall be applied to the quality of care rate
27 add-on for the quarter in which the intergovernmental transfer
28 amount is late.

29 (b) The department shall notify the participating NSGE of
30 the assessed penalty in writing. If the participating NSGE
31 fails to pay the department or the department's designee the
32 assessed penalty within the time frame noted on the written
33 notice to the participating NSGE, the assessed penalty shall be
34 deducted in accordance with the state Medicaid fee-for-service
35 recoupment process. The penalty shall be paid regardless

Page 112

1 of any appeal requested by the participating NSGE. If an
2 appeal results in a decision to disallow a portion of or the
3 entire assessed penalty, reimbursement to the participating
4 NSGE shall be made as part of future Medicaid payments to the
5 participating NSGO nursing facility.

6 (4) If a participating NSGO nursing facility fails to
7 achieve, at a minimum, two of the required care criteria
8 metrics for two consecutive quarters, the participating NSGO
9 nursing facility shall be suspended from participation in the
10 program for two subsequent quarters. An NSGO nursing facility
11 that has been suspended for a total of four quarters within a
12 two-year period due to noncompliance with the required care
13 criteria shall be terminated from the program, and shall be
14 required to reapply for approval to participate at a subsequent
15 time. Readmittance into the program is at the sole discretion
16 of the department, taking into consideration input from
17 stakeholders. If the NSGO nursing facility is subsequently
18 readmitted to the program, terms of participation may include a
19 probationary period with defined requirements related to care.

20 4. The quality of care rate add-on shall only be implemented
21 upon receipt by the department of approval of the Medicaid
22 state plan amendment by CMS, and if such approval is received,
23 the rate add-on is applicable no earlier than the first day
24 of the calendar quarter following the date of receipt of such
25 approval.

23 department and juvenile court services shall examine all
24 group foster care placements in that service area in order to
25 identify those which might be appropriate for termination.
26 In addition, any aftercare services believed to be needed
27 for the children whose placements may be terminated shall be

16 deducted in accordance with the state Medicaid fee-for-service
17 recoupment process. The penalty shall be paid regardless

31 required to reapply for approval to participate at a subsequent
32 time. Readmittance into the program is at the sole discretion
33 of the department, taking into consideration input from

35 readmitted to the program, terms of participation may include a

Page 112

1 probationary period with defined requirements related to care.
2 4. The quality of care rate add-on shall only be implemented

SENATE RESOLUTION 2
By Committee on Ethics

1 A Resolution relating to the Senate Code of Ethics
2 governing the conduct of members of the Senate in
3 relation to their senatorial duties during the
4 Eighty-eighth General Assembly.
5 BE IT RESOLVED BY THE SENATE, That the Senate Code
6 of Ethics for the ~~Eighty-seventh~~ Eighty-eighth General
7 Assembly shall be amended to read as follows:
8 SENATE CODE OF ETHICS
9 PREAMBLE. Every legislator owes a duty to uphold
10 the integrity and honor of the general assembly, to
11 encourage respect for the law and for the general
12 assembly and the members thereof, and to observe the
13 legislative code of ethics.
14 In doing so, members of the senate have a duty to
15 conduct themselves so as to reflect credit on the
16 general assembly, and to inspire the confidence,
17 respect, and trust of the public, and to strive to
18 avoid both unethical and illegal conduct and the
19 appearance of unethical and illegal conduct.
20 Recognizing that service in the Iowa general
21 assembly is a part-time endeavor and that members of
22 the general assembly are honorable individuals who
23 are active in the affairs of their localities and
24 elsewhere and that it is necessary that they maintain
25 a livelihood and source of income apart from their

Page 2

1 legislative compensation, the following rules are
2 adopted pursuant to section 68B.31, to assist the
3 members in the conduct of their legislative affairs.
4 1. ECONOMIC INTEREST OF SENATOR. Taking into
5 account that legislative service is part-time, a
6 senator shall not accept economic or investment
7 opportunity, under circumstances where the senator
8 knows, or should know, that there is a reasonable
9 possibility that the opportunity is being afforded the
10 senator with intent to influence the senator's conduct
11 in the performance of official duties.
12 2. DIVESTITURE. Where a senator learns that
13 an economic or investment opportunity previously
14 accepted was offered with the intent of influencing
15 the senator's conduct in the performance of official
16 duties, the senator shall take steps to divest that
17 senator of that investment or economic opportunity, and

18 shall report the facts of the situation to the senate
19 ethics committee.

20 3. CHARGES FOR SERVICES. A senator shall not
21 charge to or accept from a person, corporation,
22 partnership, or association known to have a legislative
23 interest a price, fee, compensation, or other
24 consideration for the sale or lease of any property or
25 the furnishing of services which is in excess of that
26 which the senator would charge another.

27 4. USE OF CONFIDENTIAL INFORMATION. A senator in
28 order to further the senator's own economic or other
29 interests, or those of any other person, shall not
30 disclose or use confidential information acquired in

Page 3

1 the course of official duties.

2 5. HONORARIA. A senator shall not accept an
3 honorarium from a restricted donor for a speech,
4 writing for publication, or other similar activity,
5 except as otherwise provided in section 68B.23.

6 6. EMPLOYMENT. A senator shall not accept
7 employment, either directly or indirectly, from a
8 political action committee or from an organization
9 exempt from taxation under section 501(c)(4),
10 501(c)(6), or 527 of the Internal Revenue Code that
11 engages in activities related to the nomination,
12 election, or defeat of a candidate for public office.

13 A senator may accept employment from a political
14 party, but shall disclose the employment relationship
15 in writing to the secretary of the senate within ten
16 days after the beginning of each legislative session.
17 If a senator accepts employment from a political
18 party during a legislative session, the senator shall
19 disclose the employment relationship within ten days
20 after acceptance of the employment.

21 For the purpose of this rule, a political action
22 committee means a committee, but not a candidate's
23 committee, which accepts contributions, makes
24 expenditures, or incurs indebtedness in the aggregate
25 of more than one thousand dollars in any one calendar
26 year to expressly advocate the nomination, election, or
27 defeat of a candidate for public office or to expressly
28 advocate the passage or defeat of a ballot issue or
29 influencing legislative action, or an association,
30 lodge, society, cooperative, union, fraternity,

Page 4

1 sorority, educational institution, civic organization,
2 labor organization, religious organization, or
3 professional organization which makes contributions in

4 the aggregate of more than one thousand dollars in any
5 one calendar year to expressly advocate the nomination,
6 election, or defeat of a candidate for public office or
7 ballot issue or influencing legislative action.

8 7. ECONOMIC INTERESTS OF LOBBYIST. With the
9 exception of exercising unfettered discretion in
10 supporting or refusing to support proposed legislation,
11 a senator shall not take action intended to affect the
12 economic interests of a lobbyist or citizen supporting
13 or opposing proposed legislation.

14 8. APPEARANCE BEFORE GOVERNMENTAL AGENCY. A
15 senator may appear before a governmental agency or
16 board in any representation case, except that the
17 senator shall not act as a lobbyist. Whenever a
18 senator appears before a governmental agency or board,
19 the senator shall carefully avoid all conduct which
20 might in any way lead members of the general public
21 to conclude that the senator is using the senator's
22 official position to further the senator's professional
23 success or personal financial interest.

24 9. CONFLICTS OF INTERESTS. In order to permit the
25 general assembly to function effectively, a senator
26 will sometimes be required to vote on bills and
27 participate in committee work which will affect the
28 senator's employment and other monetary interests. In
29 making a decision relative to the senator's activity on
30 given bills or committee work which are subject to the

Page 5

1 code, the following factors shall be considered:

2 a. Whether a substantial threat to the senator's
3 independence of judgment has been created by the
4 conflict situation.

5 b. The effect of the senator's participation on
6 public confidence in the integrity of the legislature.

7 c. The need for the senator's particular
8 contribution, such as special knowledge of the
9 subject matter, to the effective functioning of the
10 legislature.

11 ~~A senator with a conflict of interest may~~
12 ~~participate in floor debate if prior to debate the~~
13 ~~senator indicates the conflict of interest.~~

14 10. GIFTS. Except as otherwise provided in section
15 68B.22, a senator, or that person's immediate family
16 member, shall not, directly or indirectly, accept or
17 receive any gift or series of gifts from a restricted
18 donor.

19 11. DISCLOSURE REQUIRED. Each senator shall file
20 with the secretary of the senate within ten days after
21 the adoption of the code of ethics by the senate, and
22 within ten days after the convening of the second

23 session of the general assembly, a statement under
24 section 68B.35 on forms provided by the secretary of
25 the senate setting forth the following information:
26 The nature of each business in which the senator
27 is engaged and the nature of the business of each
28 company in which the senator has a financial interest.
29 A senator shall not be required to file a report or
30 be assumed to have a financial interest if the annual

Page 6

1 income derived from the investment in stocks, bonds,
2 bills, notes, mortgages, or other securities offered
3 for sale through recognized financial brokers is less
4 than one thousand dollars.
5 Disclosures required under this rule shall be as
6 of the date filed unless provided to the contrary,
7 and shall be amended to include interests and changes
8 encompassed by this rule that occur while the general
9 assembly is in session. All filings under this rule
10 shall be open to public inspection in the office of the
11 secretary of the senate at all reasonable times.
12 The secretary of the senate shall inform the
13 ethics committee of the statements which are filed
14 and shall report to the ethics committee the names of
15 any senators who appear not to have filed complete
16 statements. The chairperson of the ethics committee
17 shall request in writing that a senator who has failed
18 to complete the report or appears to have filed an
19 incomplete report do so within five days, and, upon
20 the failure of the senator to comply, the ethics
21 committee shall require the senator to appear before
22 the committee.

23 12. STATUTORY VIOLATIONS. Members of the general
24 assembly are urged to familiarize themselves with
25 chapters 68B, 721, and 722.

26 12A. HARASSMENT — RETALIATION. Senators,
27 lobbyists, and clients of lobbyists shall not engage
28 in conduct that constitutes harassment or retaliation
29 as provided in the personnel guidelines for the Iowa
30 Senate.

Page 7

6 amount or item to any charge account to be paid for by
7 any lobbyist or any client the lobbyist represents.

10 unless the senator actually has incurred those mileage
11 and expense costs. Senators shall not file the
12 vouchers for weekly mileage reimbursement required
13 by section 2.10, subsection 1, unless the travel
14 was actually incurred at commensurate expense to the
15 senator.

16 15. COMPLAINTS. Complaints or charges against
17 any senator or any lobbyist shall be in writing, made
18 under ~~oath penalty of perjury~~, and filed with the
19 secretary of the senate ~~or the chairperson of the~~
20 ~~ethics committee~~. ~~If~~ When filed with the secretary of

22 chairperson of the ethics committee of the receipt of
23 the complaint.

27 for failure to use an approved form if the complaint
28 substantially complies with senate requirements.

29 A complainant may submit exhibits and affidavits
30 attached to the complaint.

18 complaints.
19 (3) Take action on the complaint without requesting
20 the appointment of an independent special counsel

7 and to report the findings to the committee, which
8 shall be received within a reasonable time.
9 h. *Public hearing.* If independent special counsel
10 is appointed, upon receipt of the report of independent
11 special counsel's findings, the committee shall

13 shall do either of the following:
14 (1) Cause the complaint to be scheduled for a
15 public hearing.
16 (2) Dismiss the complaint based upon a
17 determination by independent special counsel and the
18 committee that insufficient evidence exists to support
19 a finding of probable cause.
20 19. HEARING PROCEDURE.
21 a. *Notice of hearing.* If the committee causes a
22 complaint to be scheduled for a public hearing, notice
23 of the hearing date and time shall be given to the
24 complainant and respondent in writing, and of the
25 respondent's right to appear in person, be represented
26 by legal counsel, present statements and evidence, and

Page 13

1 oath.
2 b. *Subpoena power.* The committee may require, by

18 unanimous vote of the remaining eligible members of the
19 committee.

20 A member of the committee is ineligible to
21 participate in committee meetings, as a member of the
22 committee, in any proceeding relating to the member's
23 own official conduct.

24 If a member of the committee is disqualified or
25 ineligible to act, the majority or minority leader who
26 appointed the member shall appoint a replacement member
27 to serve as a member of the committee during the period
28 of disqualification or ineligibility.

29 e. *Hearing.* At the hearing, the chairperson shall
30 open the hearing by stating the charges, the purpose of

Page 14

1 the hearing, and its scope. The burden of proof rests
2 upon the complainant to establish the facts as alleged,
3 by clear and convincing evidence. However, questioning
4 of witnesses shall be conducted by the members of the
5 committee, by independent special counsel, or by a
6 senator. The chairperson shall also permit questioning
7 by legal counsel representing the complainant or

7 against a senator, lobbyist, or client of a lobbyist
8 after the second regular session of a general assembly
9 has adjourned sine die, the report shall be submitted
10 to and considered by the subsequent general assembly.
11 However, the report may be submitted to and considered

2 being considered by the senate. Points of personal
3 privilege shall not be in order during the time when
4 appropriation subcommittees are scheduled to meet.
5 Senators speaking on a point of personal privilege
6 shall be limited to ten minutes.

7 Rule 11

8 Introduction and Presentation of Guests

9 Only former members of the senate and former and
10 present members of Congress shall be presented to
11 the senate, except that the president of the senate
12 may present a visitor whose presence is of special
13 significance to the senate. The introduction of
14 school groups accompanied by school officials shall be
15 announced by the president of the senate or a senator
16 and shall be recorded in the journal upon written
17 request of a member of the senate. Senators may be
18 recognized to introduce guests in the galleries when
19 there is no motion pending or other business being
20 considered by the senate. Introductions shall be
21 limited to one minute.

22 Rule 12

23 Form and Withdrawal of Motions, Amendments, and
24 Signatures

25 Motions need not be in writing unless required by
26 the president or by the senate. No motion requires
27 a second. Any amendment, motion (including a motion
28 to reconsider), or resolution may be withdrawn by the
29 mover if it has not been amended by the senate and if
30 no amendment is pending. All amendments to bills,

Page 9

1 resolutions, and reports shall be in writing and filed
2 before being acted upon by the senate.
3 No amendment, resolution, bill, or conference
4 committee report shall be considered by the senate
5 without a copy of the amendment, resolution, bill, or
6 conference committee report being on the desks of the
7 entire membership of the senate prior to consideration.
8 However, after the fourteenth week of the first session
9 and the twelfth week of the second session, amendments
10 and senate resolutions may be considered by the senate
11 without a copy of the amendment or senate resolution
12 being on the desks of the entire membership of the
13 senate if a copy of the amendment or senate resolution

14 is made available to the entire membership of the
15 senate electronically. However, such consideration
16 shall be deferred until a copy of the amendment or
17 senate resolution is on the desk of any senator who so
18 requests.

19 All amendments, reports, petitions or other
20 documents requiring a signature shall have the name
21 printed under the place for the signature. Once a
22 signature is affixed and the document containing the
23 signature filed with the recording clerk in the well,
24 that signature shall not be removed.

25 When an amendment to a main amendment is filed that
26 would negate the effect of the main amendment and
27 thereby leave the bill unchanged, the presiding officer
28 shall have the authority to declare the amendment to
29 the main amendment out of order, subject to an appeal
30 to the full senate.

Page 10

1 When a house amendment to a senate file is before
2 the senate, an amendment to the house amendment shall
3 be considered an amendment in the first degree.

4 Regardless of its origin, an amendment in the third
5 degree shall be ruled out of order.

6 When a ruling on whether an amendment is or is not
7 germane is issued, the ruling shall be accompanied by
8 an explanation.

9 Rule 13

10 Order and Precedence of Motions and Amendments

11 When a question is under debate, no motion shall
12 be received but to adjourn, to recess, questions
13 of privilege, to lay on the table, for the previous
14 question, to postpone to a day certain, to refer,
15 to amend, to postpone indefinitely, to defer, or
16 incidental motions. A substitute is not in order
17 unless it is in the form of a motion to substitute.

18 Such motions shall have precedence in the order in
19 which they are named. No motion to postpone to a
20 day certain, to refer, or postpone indefinitely,
21 being decided, shall be again allowed on the same
22 day with regard to the same question. A motion to
23 strike out the enacting clause of a bill shall have
24 precedence over all amendments and, if carried, shall
25 be considered equivalent to the rejection of the bill.

26 A motion to strike everything after the enacting
27 clause has precedence over a committee amendment and
28 all other amendments except one to strike the enacting
29 clause. A committee amendment has precedence over all
30 other amendments except as provided in this rule.

Page 11

1 A motion to rerefer a bill to committee may specify
2 when the committee shall report the bill to the senate.
3 If the motion is adopted in such form, the committee
4 must report the bill by the date and time specified
5 with or without recommendation or the bill shall
6 automatically be returned to the calendar. When the
7 bill is returned to the calendar, it shall occupy
8 the same position it occupied at the time the bill
9 was rereferred to the committee. If the committee
10 to which the bill is rereferred submits an amendment
11 in its report, that committee amendment shall take
12 precedence over other amendments except if that
13 committee amendment is in conflict with amendments
14 previously adopted, the committee amendment shall
15 not be considered until consideration of motions to
16 reconsider the previously adopted amendments result
17 in removing the conflict. A committee may not file
18 an amendment to a bill unless the bill is in the
19 committee's possession.

20 Rule 14

21 Motions Before the Senate

22 Motions before the senate, except motions for
23 adjournment or recess, shall be displayed on the
24 electronic voting system display boards.

25 Rule 15

26 Nondebatable Motions

27 The following motions are not debatable:

28 Adjourn

29 Recess

30 Lift a Call of the Senate

Page 12

1 Lay on Table or Take from Table

2 Previous Question

3 Reconsider vote by which bill was placed on last
4 reading.

5 A Motion to Reconsider and Lay the Motion to
6 Reconsider on the Table (Double-barreled Motion).

7 Rule 16

8 Division of the Question

9 Any senator may call for a division of a question,
10 which shall be divided if it includes propositions
11 so distinct that if one is taken away, a substantive
12 proposition shall remain in a technically proper form
13 for the decision of the senate. A motion to strike out
14 and insert is indivisible; but a motion to strike out,
15 if lost, shall not preclude amendments to the matter
16 attempted to be stricken or a motion to strike out and
17 insert.

18 Rule 17

19 The Previous Question

20 The previous question shall be in this form: "Shall
21 debate be closed on the pending question?" A motion
22 for the previous question may be adopted by a majority
23 of the senators present and voting. Its effect shall
24 be to put an end to debate and bring the senate to a
25 direct vote upon the pending question. However, any
26 senator who has not previously spoken on the pending
27 question and who, after the main question is taken up
28 and before the motion for the previous question has
29 been made, requested recognition by depressing the
30 "speak" device may speak no longer than five minutes

Page 13

1 on the pending question. If action on the pending
2 question continues into another legislative day or is
3 deferred, the previous question shall apply and the
4 requests to be recognized shall be honored.
5 When the motion applies to an amendment, the senator
6 proposing the amendment shall have five minutes to
7 close debate on the amendment.
8 The senator handling the measure under consideration
9 shall have ten minutes to close debate on the main
10 question.

11 Rule 18

12 Call of the Senate

13 Ten senators may file in writing a call of the
14 senate on any single item of legislative business.
15 A call of the senate requires the presence of every
16 senator and is in order at any time prior to the vote
17 being announced by the president. The sergeant-at-arms
18 shall return promptly all absent senators. Debate
19 on the item may continue while absent senators are
20 returning, but no vote on the item is in order on it
21 until all have returned. Adoption of a motion to
22 recess or adjourn to a specific time will not lift
23 the call. The call may be lifted, or a senator may
24 be excused from the call without lifting the call, by
25 a vote of a constitutional majority of the senators.
26 Those senators excused prior to the filing of the call
27 are excused from the call.

28 Rule 19

29 Committee of the Whole

30 The senate may resolve itself into a committee of

Page 14

1 the whole senate when it wishes to permit more free and
2 informal discussion. Persons other than senators may
3 appear and present information.

4 Any senator may move "that the senate now resolve
5 itself into a committee of the whole to consider" a
6 stated subject.
7 The president of the senate shall be chair of the
8 committee of the whole unless otherwise ordered by the
9 senate.
10 The procedure in committee of the whole is subject
11 to the rules of the senate. The previous question and
12 the motion to reconsider shall be in order.
13 The committee of the whole cannot take any final
14 action and its power is limited to recommendation to
15 the senate. The proceedings of the committee of the
16 whole, including any roll call vote, shall be printed
17 in the journal.
18 Any senator may at any time, except while voting or
19 while a senator has the floor, move that "the committee
20 rise" which is equivalent to a motion to adjourn.
21 After adoption of the motion to rise, the chair
22 may report to the senate in the same manner as other
23 committee reports are given.
24 Rule 20
25 Last Reading and Passage of Bills
26 When a motion to place a bill on its last reading is
27 lost, the same motion shall be in order at any later
28 time. After the last reading of a bill, no amendment
29 shall be received. The vote on final passage shall be
30 taken immediately without debate.

Page 15

1 Rule 21
2 Engrossment of Bills
3 An engrossment is a proofreading and verification
4 in order to be certain that a bill before the senate is
5 identical with the original bill as introduced with all
6 amendments which have been adopted correctly inserted.
7 In an engrossed bill, all obvious typographical,
8 spelling or other clerical errors are corrected and
9 section or paragraph numbers and internal references
10 are changed as required to conform the original bill
11 to any amendments which have been adopted. All such
12 corrections or changes shall be reported in the journal
13 by the secretary of the senate. The engrossed bill
14 shall be placed in the bill file with the original bill
15 and amendments.
16 Rule 22
17 Manner of Voting
18 On voice vote, the question shall be distinctly put
19 in this form: "Those in favor of (the question) say
20 ~~'aye'~~ 'yea'." "Those opposed to (the question) say
21 'no'."
22 A non-record or record roll call vote may be

23 requested by any senator or ordered by the president
24 any time before the results are announced. A
25 non-record roll call shall be requested by asking for a
26 “division”. A record roll call shall be requested by
27 asking for a “record”. Upon request for a non-record
28 or record roll call vote, the president shall announce
29 that such a non-record or record roll call vote has
30 been requested and shall state the question to be put

Page 16

1 to the senate. The president then shall direct the
2 secretary of the senate to receive the votes.
3 Senators present may cast their votes, either
4 by operating the voting mechanism located at their
5 assigned desk or by signaling the president if they are
6 unable to vote at their assigned desk. The president
7 shall enter the votes of senators signaling their
8 votes.

9 After sufficient time has elapsed for all senators
10 present to record their votes, the president shall
11 direct the secretary of the senate to close the voting
12 system. The president shall still enter the senators’
13 votes at any time prior to directing the secretary of
14 the senate to lock the voting system. The president
15 shall then immediately announce the vote.

16 During a record roll call vote, both individual
17 votes and vote totals shall be indicated on the display
18 boards and printed in the journal. On non-record
19 roll calls, only vote totals shall be indicated on the
20 display boards and printed in the journal.

21 In the event the electronic voting system is not
22 in operating order, the president shall direct the
23 secretary of the senate to take the non-record or
24 record roll call by calling the names of the senators
25 in alphabetical order.

26 Rule 23

27 Duty of Voting

28 Every senator present when a question is put shall
29 vote “~~aye~~” “yea”, “no”, or “present” unless previously
30 excused by the senate. Upon demand being made by any

Page 17

1 senator, the secretary of the senate shall call in
2 alphabetical order the names of the senators not voting
3 or voting “present”. Those senators called shall
4 vote “~~aye~~” “yea” or “no” unless the senator states a
5 personal interest in the question or concludes that he
6 or she should not vote under the senate code of ethics.

7 Rule 24

8 Reconsideration

9 When a main motion has been decided by the senate,
10 any senator having voted on the prevailing side
11 may move to reconsider the vote on the same or next
12 legislative day. Motions to reconsider the vote on a
13 bill or resolution shall be in writing and filed with
14 the secretary of the senate.
15 Notwithstanding any time limitations applicable
16 to motions to reconsider main motions, a motion to
17 reconsider the vote on an amendment may be made at
18 any time before final disposition of the motion to
19 be amended. Such motion shall be in writing and
20 filed with the secretary of the senate. A motion to
21 reconsider an amendment to a main motion shall be taken
22 up for consideration only prior to the disposition of
23 the main motion or upon reconsideration of the main
24 motion.
25 A constitutional majority by a record roll call is
26 necessary to reconsider a bill or joint resolution.
27 During three legislative days from the date the motion
28 to reconsider a bill or resolution is filed, only the
29 mover may call it up. Thereafter, any senator may call
30 up the motion. If a date for adjournment has been set

Page 18

1 by resolution of the senate, any senator may call up
2 a motion to reconsider at any time within three days
3 prior to the date set for adjournment.
4 If the motion to reconsider a bill or resolution
5 prevails, motions to reconsider amendments thereto
6 shall be in order and shall be disposed of without
7 delay.
8 A motion that any action taken by the senate be
9 reconsidered and the motion to reconsider be laid upon
10 the table shall be a single and indivisible motion,
11 known as the double-barreled motion, which, if carried,
12 shall have the effect of preventing reconsideration
13 unless a motion to take from the table prevails.
14 A constitutional majority is necessary for the
15 double-barreled motion to prevail on a bill or joint
16 resolution. The double-barreled motion can only be
17 made from the floor after the vote is announced and the
18 member who moved the final reading shall have priority
19 in making it.
20 A motion to reconsider and lay on the table shall
21 have priority over a motion to reconsider if they are
22 both filed on the same legislative day.
23 In the event that a motion to reconsider is pending
24 at the end of the first session or any extraordinary
25 session of any general assembly, or the general
26 assembly adjourns sine die, and the motion has not been
27 voted upon by the senate, it shall be determined to

28 have failed.

29 Rule 25

30 Suspension of Rules and Taking from Table

Page 19

1 No standing rule or rules incorporated by reference
2 under Rule 3 or order of the senate shall be rescinded
3 or suspended, nor shall any matter, tabled upon
4 motion, be taken up, except by an affirmative vote of a
5 constitutional majority of the senate.

6 INTRODUCTION AND FORM OF BILLS

7 Rule 26

8 Time and Method of Introducing Bills and Amendments

9 All bills to be introduced in the senate shall be
10 typed in proper form by the legislative services agency
11 and shall be filed with the recording clerk.

12 All amendments shall be typed in proper form and
13 filed with the recording clerk not later than 4:30
14 p.m., or adjournment, whichever is later, in order to
15 be listed in the following day's clip sheet.

16 An "impact amendment" is an amendment which
17 reasonably could have an annual effect of at least one
18 hundred thousand dollars or a combined total effect
19 within five years after enactment of five hundred
20 thousand dollars or more on the aggregate revenues,
21 expenditures or fiscal liability of the state or its
22 subdivisions.

23 An impact amendment to a bill which has been on
24 the calendar for at least three full legislative days
25 prior to its consideration shall not be taken up by the
26 senate unless:

27 1. a fiscal note is attached, and the amendment is
28 filed at least one legislative day prior to the date
29 set for consideration of the bill; or

30 2. the amendment is an appropriation or other

Page 20

1 measure where the total effect is stated in dollar
2 amounts.

3 Rule 27

4 Limit on Introduction of Bills

5 No bill or joint resolution, except bills and
6 joint resolutions cosponsored by the majority and
7 minority floor leaders, or companion bills and joint
8 resolutions sponsored by the majority floor leaders of
9 both houses, shall be introduced in the senate after
10 4:30 p.m. on Friday of the fifth week of the first
11 regular session of a general assembly unless a formal
12 request for drafting the bill has been filed with the
13 legislative services agency before that time. After

14 adjournment of the first regular session, bills may
15 be prefiled at any time before the convening of the
16 second regular session. No bill shall be introduced
17 after 4:30 p.m. on Friday of the second week of the
18 second regular session of a general assembly unless a
19 formal request for drafting the bill has been filed
20 with the legislative services agency before that time.
21 However, standing committees may introduce bills and
22 joint resolutions at any time. A bill which relates
23 to departmental rules sponsored by the administrative
24 rules review committee and approved by a majority
25 of the members of the committee in each house may
26 be introduced at any time and must be referred to a
27 standing committee which must take action on the bill
28 within three weeks. Senate and concurrent resolutions
29 may be introduced at any time.
30 No bill, joint resolution, concurrent resolution

Page 21

1 or senate resolution shall be introduced at any
2 extraordinary session unless sponsored by a standing
3 committee, the majority and minority floor leaders, or
4 the committee of the whole.

5 Rule 28

6 Introduction, Reading, and Form of Bills and
7 Resolutions

8 Every senate bill and resolution shall be introduced
9 by one or more senators or by any standing committee
10 of the senate and shall at once be given its first
11 reading.

12 If the senate is in session when a bill or
13 resolution is introduced, the first reading shall
14 consist of reading its file number, the title and
15 sponsor of the bill. If the senate is not in session
16 but a journal is published for the day, the first
17 reading shall consist of a journal entry of the bill's
18 file number, title, sponsor and the notation "Read
19 first time under Rule 28".

20 Any bill or resolution approved for introduction by
21 a standing committee during an interim period between
22 sessions of one General Assembly shall be introduced
23 without further action by the committee at the next
24 succeeding regular session of the same General Assembly
25 and placed immediately upon the regular calendar.

26 Every bill and resolution referred to committee
27 shall have received two readings before its passage.

28 The subject of every bill shall be expressed in its
29 title.

30 Rule 29

Page 22

1 Explanations

2 No bill, except appropriation committee bills and
3 simple or concurrent resolutions, shall be introduced
4 unless a concise and accurate explanation is attached.
5 The chief sponsor or a committee to which the bill has
6 been referred may add a revised explanation at any time
7 before the last reading, and it shall be included in
8 the daily clip sheet.

9 Rule 30

10 Resolutions

11 A "senate resolution" is a resolution acted upon
12 only by the senate which relates to an accomplishment
13 of national or international status; the dedication
14 of a day by a statewide or national group; the
15 one hundredth, one hundred twenty-fifth, or one
16 hundred fiftieth anniversary of a local government
17 or organization; the recognition of state ties to
18 other governments; the retirement of a senator
19 or long-time senate employee; or to rules and
20 administrative matters, including the appointment
21 of special committees, within the senate. A senate
22 resolution requires the affirmative vote of a majority
23 of the senators present and voting, unless otherwise
24 required in these rules. A senate resolution shall
25 be filed with the secretary of the senate. A senate
26 resolution shall be printed in the bound journal after
27 its adoption and in the daily journal upon written
28 request to the secretary of the senate by the sponsor
29 of the resolution. Other expressions of sentiment
30 or recognition may be made with the issuance of a

Page 23

1 certificate of recognition.

2 Rule 31

3 Nullification Resolutions

4 A nullification resolution may be introduced
5 by a standing committee, the administrative rules
6 review committee, or any member of the senate.
7 A nullification resolution introduced by the
8 administrative rules review committee or a member
9 of the senate shall be referred to the same standing
10 committee it would be referred to if it was a bill.

11 Any nullification resolution may be referred to the
12 administrative rules review committee by a majority
13 vote of the standing committee which introduced it
14 or to which it was referred. The administrative
15 rules review committee may seek an agreement with the
16 affected administrative agency wherein the agency
17 agrees to voluntarily rescind or modify a rule or rules

18 relating to the subject matter of the nullification
19 resolution. An agreement to voluntarily rescind
20 or modify an administrative agency rule shall be in
21 writing and signed by the chief administrative officer
22 of the administrative agency and a majority of the
23 administrative rules review committee members of each
24 house and shall be placed on file in the offices of
25 the chief clerk of the house, the secretary of the
26 senate, and the secretary of state. If an agreement
27 is not reached, or the nullification resolution is
28 not approved by a majority of the administrative rules
29 review committee members of each house, within two
30 weeks of the date the resolution is referred to the

Page 24

1 administrative rules review committee, the resolution
2 shall be placed on the calendar. If the nullification
3 resolution is approved by the administrative rules
4 review committee it shall be placed on the calendar.
5 A nullification resolution is subject to a motion to
6 withdraw the nullification resolution as provided in
7 rule 42.
8 A nullification resolution is debatable, but cannot
9 be amended on the floor of the senate.
10 Rule 32
11 Resolutions, Applicable Rules
12 All rules applicable to bills shall apply to
13 resolutions, except as otherwise provided in the rules.
14 Rule 33
15 Study Bills
16 1. A study bill is any matter which a senator
17 wishes to have considered by a standing committee or
18 appropriations subcommittee for introduction as a
19 committee bill or resolution. The term "study bill"
20 includes "proposed bills" provided for in Rule 37 and
21 departmental requests prefiled in the manner specified
22 in section 2.16 of the Code.
23 2. A study bill shall bear the name of the member
24 who wishes to have the bill considered. A study bill
25 proposed by a state agency shall bear the name of the
26 agency. A committee chair may submit a study bill in
27 the name of that committee.
28 3. Upon first receiving a study bill from a
29 senator, a committee chairperson shall submit three
30 copies to the secretary of the senate. Study bills

Page 25

1 received in the secretary of the senate's office before
2 3:00 p.m. shall be filed, numbered, and reported in
3 the journal for that day. Study bills received in the

4 secretary of the senate's office after 3:00 p.m. shall
5 be filed, numbered, and reported in the journal for the
6 subsequent day. The secretary shall number such bills
7 in consecutive order. The secretary shall maintain a
8 record of all study bills and their assigned number.
9 Committee records shall refer to study bills by the
10 number assigned by the secretary.

11 4. The secretary shall file a report in the journal
12 of each study bill received. The report shall show
13 the study bill number, its title or subject matter,
14 and the committee which is considering it. If a study
15 bill is referred to a subcommittee, then the committee
16 chairperson shall report in the journal the names of
17 the subcommittee members to which it is assigned.

18 5. A study bill not prepared by the legislative
19 services agency may be submitted to a standing
20 committee, but shall not be considered by the full
21 committee unless reviewed and typed in proper form by
22 the legislative services agency.

23 COMMITTEES AND COMMITMENT

24 Rule 34

25 Committee Appointments

26 Committee appointments shall be made by the majority
27 leader for members of the majority, after consultation
28 with the president, and by the minority leader for
29 members of the minority, after consultation with
30 the president. No senator shall serve on more than

Page 26

1 six standing committees. The majority leader, after
2 consultation with the president, shall designate the
3 chairperson and vice-chairperson of each standing
4 committee. The minority leader, after consultation
5 with the president, shall designate the ranking member
6 of each standing committee from the minority membership
7 of that committee.

8 Rule 35

19 Labor and Business Relations

20 Local Government

21 Natural Resources and Environment

22 Rules and Administration

23 State Government
24 Transportation
25 Veterans Affairs
26 Ways and Means
27 Rule 36
28 Committee on Rules and Administration
29 The committee on rules and administration shall
30 recommend rules and rule changes to the senate, shall

Page 27

1 hire senate employees, shall recommend salary scales
2 for all senate employees, and shall oversee senate
3 budget and administration matters.
4 The committee on rules and administration will
5 select, for senate approval, an individual to serve as
6 secretary of the senate.
7 The committee shall have the following standing
8 subcommittees:
9 1. Joint Rules
10 2. Senate Rules
11 3. Administrative Services
12 4. Caucus Services
13 The majority leader shall serve as chair of the
14 rules and administration committee and as chair of
15 the standing subcommittee on caucus services. The
16 president of the senate shall serve as vice-chair of
17 the rules and administration committee, and as chair of
18 the subcommittee on administrative services.
19 Rule 37

22 committed to it and shall assign each to one of the
23 appropriations subcommittees.
24 The appropriations subcommittees shall be named:
25 Administration and Regulation
26 Agriculture and Natural Resources
27 Economic Development
28 Education
29 Health and Human Services
30 Justice System

Page 28

1 Transportation, Infrastructure, and Capitals
2 The appropriations subcommittees shall receive
3 bills assigned to them or may originate proposed bills
4 within the subcommittee's jurisdiction as defined by
5 the appropriations committee for consideration by the
6 appropriations committee. Each subcommittee may submit
7 amendments to bills together with the subcommittee's
8 recommended action to the appropriations committee.

9 If a bill or proposed bill is submitted to the
10 appropriations committee by an appropriations
11 subcommittee the appropriations committee may:
12 1. report the bill or approve the proposed bill for
13 introduction by the appropriations committee;
14 2. report the bill with any appropriations
15 committee-approved amendments incorporated;
16 3. draft a new bill for sponsorship by the
17 appropriations committee and report it; or

13 The secretary of the senate shall:
14 a. send, to each appointee submitted by the
15 governor for senate confirmation, a copy of a

26 secretary has received the appointee's completed senate
27 questionnaire.
28 As soon as possible after the convening of a
29 session, and again within one week following March
30 1, the secretary of the senate shall publish in the

Page 42

1 senate journal the names of all nominees submitted
2 for confirmation. The secretary of the senate shall
3 maintain a file of all appointments received from the
4 governor for confirmation. The file shall contain
5 a description of the duties and the compensation
6 for each nominee. The file shall show the date an
7 appointment was received from the governor, the date

9 the nominee has been introduced, whether a committee
10 report has been filed, when the senate questionnaire
11 was sent to the appointee, and shall include a copy of
12 the appointee's completed senate questionnaire, upon
13 receipt.

14 INVESTIGATING COMMITTEES. All appointments
15 received from the governor shall be referred to the
16 rules and administration committee by the secretary
17 of the senate on the same day they are published in
18 the senate journal. The rules and administration
19 committee shall establish an en bloc confirmation
20 calendar which must be filed with the secretary of
21 the senate. Within three (3) legislative days after
22 receiving an appointment, the committee shall either
23 place a nominee on the en bloc confirmation calendar
24 or assign the nominee to an appropriate standing
25 committee for further investigation, publishing notice
26 of such assignment in the senate journal for the next
27 legislative day. If the rules and administration
28 committee fails to take action on a nominee within
29 the three (3) legislative days, the nominee shall
30 automatically be placed on the en bloc confirmation

Page 43

1 calendar.
2 Within the three (3) legislative days after an
3 appointment has been referred to the rules and
4 administration committee, any ten senators may require
5 that the nominee be assigned to an appropriate standing
6 committee by filing a written, signed request therefor
7 with the chairperson of the rules and administration
8 committee. The committee chair shall refer the
9 appointment to a subcommittee within ~~one (1)~~ three

11 receives an appointment for further investigation,
12 publishing notice of such assignment in the senate
13 journal for the next legislative day. Within ten (10)
14 legislative days after a standing committee receives an
15 appointment for further investigation the subcommittee
16 shall file its report with the standing committee.
17 Within fourteen (14) legislative days after a
18 standing committee receives an appointment for
19 further investigation, the committee shall conduct
20 an investigation of the nominee and file its report
21 thereon with the secretary of the senate, who shall
22 then place the nominee on the en bloc calendar or
23 individual confirmation calendar as directed by
24 the committee. The failure of a committee to file
25 its report within the prescribed time means that
26 the nominee is to be automatically placed, without
27 recommendation, upon the individual confirmation
28 calendar.
29 Any individual nominated to head a department or
30 agency of state government, whose appointment is

Page 44

1 subject to senate confirmation, must be introduced
2 to the full senate prior to a vote on confirmation
3 of the nominee. Additionally, any five (5) senators
4 may request that any nominee be introduced to the
5 senate by filing a written request with the secretary
6 of the senate within ten (10) legislative days of
7 the nominee's name appearing in the journal. Any
8 individual nominated to a position requiring senate
9 confirmation may request to be introduced to the
10 full senate by notifying the secretary of the senate
11 at least one (1) legislative day in advance of the
12 nominee's appearance. If an individual is nominated
13 both to fill a vacancy for an unexpired term and is
14 also nominated for reappointment to that position
15 during the same session, a single introduction is
16 sufficient for eligibility for confirmation to both
17 terms.

18 HEARINGS. Any member of a committee investigating
19 an appointment may, within five (5) legislative days
20 after the committee receives the appointment, obtain
21 a hearing with the nominee by filing a written request
22 with the secretary of the senate who shall forward it
23 to the chair of the standing committee and the chair
24 of the subcommittee. Notice of the hearing shall be
25 published in the journal at least two (2) legislative
26 days prior to the hearing. At the hearing, which
27 shall be before the subcommittee, the nominee may be
28 questioned as to his or her qualifications to fulfill
29 the office to which nominated and further questioned
30 as to his or her viewpoints on issues facing the office

Page 45

1 to which nominated. Any senator may at the discretion
2 of the chair of the subcommittee be permitted to submit
3 oral questions. The public may, at the discretion of
4 the investigating committee, be permitted to submit
5 oral or written statements as to the qualifications of
6 the nominee.

7 Also, within five (5) legislative days after the
8 subcommittee receives an appointment for investigation,
9 any senator may submit written questions to be answered
10 by the nominee prior to consideration of the nominee's
11 confirmation by the senate.

12 INFORMATIONAL MEETINGS. After a nominee has
13 been placed on the calendar and prior to the vote on
14 confirmation, any senator may request an informational
15 meeting on the nomination which shall be held before
16 the subcommittee.

17 VOTING ON CONFIRMATIONS. Appointments received

18 from the governor for senate confirmation during any
19 session of a general assembly shall be acted upon ~~prior~~
20 ~~to adjournment of that session~~ by April 15 as provided
21 by section 2.32 of the Code. Upon the motion of the
22 majority leader or his or her designee, the nominees on
23 the en bloc confirmation calendar shall be confirmed
24 en bloc by the affirmative vote of two-thirds of the
25 members elected to the senate. The journal shall
26 reflect a single roll call accompanied by a statement
27 of the names of those individuals subject to the en
28 bloc confirmation vote.
29 Prior to an en bloc vote, any senator may request,
30 either in writing or from the floor, an individual vote

Page 46

1 on any nominee on the en bloc confirmation calendar.
2 The senate shall vote separately on the nominee.
3 Nominees on the individual confirmation calendar
4 shall be confirmed by a two-thirds vote; however, the
5 senate shall take a separate roll call on each nominee,
6 unless by unanimous consent, it determines to take one
7 vote on all nominees under consideration. In any case,
8 the journal shall reflect a single roll call vote for
9 each nominee.
10 If an individual is nominated both to fill a vacancy
11 for an unexpired term and is also nominated for
12 reappointment to that position, and such appointment
13 and reappointment appear on the senate calendar as
14 eligible at the same time, a single vote is sufficient
15 for confirmation to both terms.

12 the purposes of this rule, the appropriations committee
13 or the ways and means committee must either be the
14 sponsor of the bill or the committee of first referral
15 in the senate.

16 2. To be placed on the calendar in the senate a

9 the person filing the motion or after the deadline by
10 the majority floor leader, notwithstanding any other
11 rule to the contrary.

12 BE IT FURTHER RESOLVED, That should a system of
13 deadlines for the time of committee passage and
14 consideration of bills be adopted by joint action
15 of the senate and house at any time during the
16 ~~eighty-seventh~~ eighty-eighth general assembly, those
17 provisions shall supersede the provisions of rule 60.
