IOWA INDIVIDUAL INCOME TAX SCHOOL DISTRICT REPORT TAX YEAR 2013

This annual report contains the income and tax paid by residents of each school district in the state during 2013. In addition, this document lists surtax rates for school districts for tax years 2012 through 2014.

School districts are listed under the county in which their administration offices are located. In analyzing the data in this report, there are several considerations that need to be taken into account.

1. **Estimation of Surtax** – The surtax base is the statutory amount of State income tax owed (Iowa Code Chapter 257.21) to which a surtax rate may be applied to estimate the amount of surtax that could be collected by a school district. The surtax base is equal to line 51 of the 2013 IA 1040. The surtax base is not the same as the tax liability reported in the Individual Income Tax Annual Statistical Report. The tax in that report is equal to line 51 of the 2013 IA 1040 less the refundable credits on lines 57-61 and line 64.

2. **Nonresident Taxation** – Iowa tax law requires that nonresidents and part-year residents report income from Iowa and non-Iowa sources, even though only income from Iowa sources is taxed. Most of the non-Iowa income is reported in the nonresident portion of this report that includes taxpayers who live outside of Iowa and taxpayers who moved out of Iowa during 2013. However, some of it is included in the income measures in the case of taxpayers who moved into a school district during 2013 but also had income from outside the state. Thus, while the surtax base for each district is correct, the income for the district may be somewhat overstated.

3. **2013 Tax Law Revisions** – Revisions affecting the 2013 tax return include such changes as indexation of the standard deduction and taxable income brackets, the continued phase-out of the taxation of Social Security benefits, and the introduction of the Volunteer Firefighter/EMS Tax Credit. Further information about these and other changes may be obtained by contacting the Department of Revenue at (515) 725-1021.

GLOSSARY OF TERMS

Adjusted Gross Income - Income reported on line 26 of the 2013 IA 1040.

Net Taxable Income - Income subject to tax after adjustment for net federal tax payments and itemized or standard deductions.

Number of Returns - Total number of returns filed; married persons filing separately on a combined return are counted as two returns.

Personal and Dependent Credits - The number of credits claimed in step 3 of the 2013 IA 1040. One personal credit is allowed for the taxpayer, plus one for a spouse on joint returns. One additional personal credit may be claimed by unmarried heads of households, as well as by taxpayers who are age 65 or older or blind. For example, a taxpayer who is blind and age 65 receives three personal credits. One dependent credit is allowed for each qualified dependent in the household.

Surtax Base - State income tax owed after nonrefundable tax credits, but before refundable tax credits. This is the tax base that should be used to estimate the amount of surtax that could be collected in a school district.
